TRACK & FIELD FACILITIES

ILLINOIS TRACK AND SOCCER STADIUM

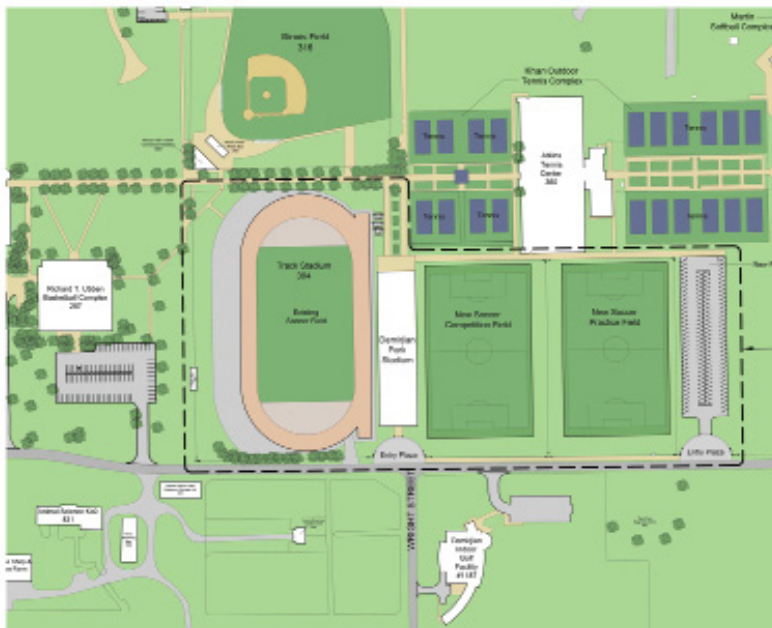

The original Illinois Track and Soccer Stadium was built in 1987 at a cost of \$2.2 million. The first meet at the stadium was the Illinois Invitational on April 18, 1987. The stadium has played host to a number of meets, including the Big Ten Outdoor Track and Field Championships in 2008, 1997 and 1990.

Major renovations began on the Illinois Track and Field Stadium in October of 1998, with phase one of the project already being completed. At a cost of \$1.2 million, JJR Architects of Chicago installed lighting for the entire stadium, built a separate throwing area for field events and adapted the grass field inside the track to facilitate soccer. A new scoreboard is the newest feature at the stadium and phase two of the renovation calls for the addition of 8,000 permanent seats, locker rooms, a press box, rest rooms and concessions.

In the fall of 2017, Illinois Director of Athletics Josh Whitman announced the plans for Demirjian Park, a new outdoor track and field and soccer facility. Named in honor of a lead gift from the Demirjian Family from Decatur, Ill., the projected is expected to be completed for the spring of 2021.

Demirjian Park will feature state-of-the-art amenities including locker rooms, video and meeting rooms, lounge and study spaces, sports medicine and nutrition facilities and coaches' offices. Additionally, the renovation will feature new grandstands, permanent restroom and concessions facilities, a new video board and sound system; and new parking, concourses and entry plazas.

To support the project, the Demirjian family, led by UI alumni Richard Demirjian (LAS, '88) and Kara Demirjian-Huss (ACES, '92), has provided a lead gift of \$7 million. This is one of the largest single gifts in the history of Illinois Athletics and continues the Demirjian family's longstanding history of generous involvement with the Fighting Illini.

ARMORY TRACK

Competition during the indoor season takes place at the Armory Track, adjacent to Huff Hall. The Armory, built in 1914, was originally designed to house the University ROTC programs. The center of the roof is over 100 feet off the floor and encapsulates over 62,000 square feet of open space.

Though the ROTC programs are still part of Armory Building, the Armory has become better known for its indoor track & field facility. The current track is six lanes around with 11 lanes on the straightaway.

The track & field facility underwent a \$1.2 million renovation after the 2003 season. On the track, the project included a new 13mm thick, Beynon Encapsulated Polyurethane 200m running surface and seating for over 1400 spectators. In the field, the project included two opposing long/triple jump and pole vault runways, and a shot/weight area that features a cement circle recessed into the floor.

In more recent years, the Illini have added a new videoboard and drop-down throwing cage that extends 25 feet high and 65 feet in distance.

2020 QUALIFYING STANDARDS

INDOOR - NCAA CHAMPIONSHIPS

Qualification to the NCAA Indoor Championships is based on descending-order list for the season and adhering to the qualifying regulations/criteria published on NCAA.org. For each individual event contested, the top 16 declared student-athletes will be accepted into the competition. For each relay event contested, the top 12 declared relay teams will be accepted into the competition. The stated maximums are absolute and will not be extended as a result of ties. The 2019 meet will be held March 8-9 in Birmingham, Alabama.

OUTDOOR - PRELIMINARY ROUND OF CHAMPIONSHIP

The NCAA Division I Men's and Women's Track and Field Committee has decided to trim the NCAA preliminary format from four regional championships to a pair of preliminary qualifying sites, eliminating the Mideast and Midwest regionals, and extend the meet from two to three days. Illinois has been placed in the West Region and will head to Sacramento, California from May 23-25 for the meet. The East Preliminary Round of Championship will be hosted by the University of South Florida in Tampa, Florida.

NCAA Division I Men's and Women's Outdoor Track and Field
Regional Alignment

Qualification to the Preliminary Round competition of the Championship is based on the descending order list for the season, segregated by east and west sites, and prepared solely from the mandatory submission of meet results during the season and adhering to the Qualifying Regulations published in the Championship Handbook. For each individual event contested at each of the Championship Preliminary Round competitions, the top 48 declared student-athletes will be accepted into the competition. For each relay event contested at each of the Championship Preliminary Round competitions, the top 24 declared relay teams will be accepted into the competition.

Qualifying to the NCAA Outdoor Track and Field Championships is accomplished through performance in the Preliminary Round competition at each site for events contested at those competitions. Twelve competitors from each individual event and a minimum of eight teams from each relay event advance from each Preliminary Round site to the Final Championship Meet. Qualification, through competition in an event at a Preliminary Round competition, is required to participate in that event at the NCAA Outdoor Track and Field Championships. Any individual or relay team must remain eligible for advancement throughout all rounds of the Championships.

Qualification for the Heptathlon and Decathlon events of the Championship is accomplished through a student-athlete's position on the national descending order list. Based upon declarations, made before the Preliminary Round competition, twenty-four student-athletes will be accepted to the final championship meet in each event.

The 2018 NCAA Outdoor Track and Field Championships will be held June 5-8 at Mike A. Myers Stadium in Austin, Texas.

2016, he helped guide the Orange and Blue to its first NCAA Championships appearance in 30 years. After placing third at the NCAA Midwest Regional, the Illini received an at-large bid to nationals where they placed 23rd.

In his first season as assistant coach, Fife helped lead the women's cross country team to a fourth place finish at the NCAA Midwest Regional, a 20 spot jump from the team's 24th-place finish the year before and the best finish for the team at the regional since 2009. He assisted head coach Sarah Haveman in coaching three Illini to All-Region honors at the meet (Allison McGrath, Madison Marasco and Billy Magnesen).

During the 2019 track & field indoor season, Fife assisted the men's DMR team of Jesse Reiser, Joe Haight, Denis O'Callaghan and Jon Davis to Second-Team All-America honors. The DMR group also clocked the fastest time in program history, a 9:19.29 finish to place third at the Alex Wilson Invitational. Fife also saw Davis run his second-career sub-four minute mile, a PR and school record finish-time of 3:58.06 recorded at the Larry Wiczorek Invitational. He assisted Reiser to a bronze medal in the Mile at Big Ten Championships.

During the 2017 track season, Fife again assisted the distance crew as they saw three point-scoring performances at Big Ten Outdoor Championships, including a Big Ten title in the steeplechase by Dylan Lafond, and freshman Jon Davis advance to Eugene, Oregon where he earned All-America honors as the top freshman in the 5,000m final. Following the season, Davis was named Big Ten Freshman of the Year.

Prior to joining the staff at Illinois, Fife spent four years at Indiana University where he ran for the Hoosiers from 2011-2015. As a redshirt junior in the fall of 2013, Fife was a member of Indiana's Big Ten Cross Country title, the first since 1980, and a top-10 team finish at NCAA Championships, placing eighth. Fife graduated from Indiana with a degree in Kinesiology.

BRYAN CARREL

POLE VAULT COACH

17TH SEASON

Bryan Carrel enters his 16th season as a volunteer coach for the Illinois track and field team, working with the pole vaulters. He also coached Stephanie Richartz to a successful season, winning the Big Ten pole vault title outdoors and finishing runner-up indoors as well as setting the school record in both seasons. She also qualified for the NCAA Indoor Championships, finished third in the event at 2015 outdoors, and was also an Olympic Trials

qualifier in the event. The year prior, she scored in the top four for both indoor and outdoors as well as qualified for nationals. Sophomore Elizabeth Eitzen also scored marks which sit in the top-10 all-time.

In 2008, on the woman's side, Pintaro and Ziegler both set career-best indoor marks of 12-7 1/2 at the Carle/Health Alliance Invitational.

During the 2007 season, Carrel guided three Illini pole vaulters, Amanda Pintaro, Jackie Ziegler and Ashley Whittaker, to the NCAA Mideast Regional Championships, as all three also scored for Illinois at the Big Ten Outdoor Championships.

Prior to his time at Illinois, Carrel enjoyed nine years in the coaching profession, spending eight seasons at Indiana State as a pole vault and jumps coach and one season at Central Michigan.

A four-time national qualifier in the pole vault during his collegiate career at Indiana State, Carrel is still the ISU outdoor school record holder in the event and was ranked among the top pole vaulters in the country during both his prep and collegiate careers. Carrel is a 1996 graduate of Indiana State with a degree in education.

Prior to his enrollment at Indiana State, Carrel spent four years with the United States Marine Corps and is a veteran of the Persian Gulf War. In addition to his coaching duties, Carrel also is a Technical Sales Representative of pole vault equipment for Gill Athletics.

Carrel and his wife, Lori, have two sons, Brandon and Tyler.

THE DRAKE RELAYS

Nearly every year, Illinois travels to Des Moines, Iowa, for the annual Drake Relays, the most prestigious track meet in the Midwest. Year after year the Illini come away with impressive performances.

Illinois started participating at the Drake Relays in 1911, the events second year of existence. At that meet, Illinois won the university half-mile relay in a world-record time of 1:31.6. The Illini also captured the two-mile relay.

The marks and honors achieved by Illinois have been truly impressive over the years. After the world record in 1911, Illinois continued its relay dominance. The Illini have won eight 4x100-meter relays, 12 4x400-meter relays, 12 4x1600-meter relays and 10 4x800-meter relays in total, the most by a single university. In 1914, UI won the two-mile relay in a United States university record time. From 1920-25, Illinois won 11 relay titles, set two world records and established one other American record at Drake.

In 1926, William Wallace became only the seventh person in Drake history to win two events when he captured the long and triple jumps.

In the 1930s and 1940s, the Orange and Blue won multiple events virtually every year. In 1944, football star Buddy Young anchored the Illinois attack, winning the 100-yard dash and the long jump. Illinois captured the 880-yard, the mile, the 440-yard and the sprint medley relays.

Great performances were spread throughout the 1950s and '60s. Don Laz tied for first in the pole vault in 1951, setting a Drake record. The 1952 two-mile relay set an American university record with a time of 7:31.6. The 1953 season saw former UI sprint coach Willie Williams win his Drake 100-yard title. Two other individuals and three relay teams also were victorious that year. Olympian Trenton Jackson won the 100-meters in 1964.

Several Illinois varsity relay records were set at Drake in the 1970s, but none more impressive than that of the 1971 two-mile relay team, which recorded the fastest time in the nation for the year (7:21.5) and gave Illinois its 100th Drake Relays win. Charlton Ehizuelen became the first three-time winner of the Drake triple jump when he won his last title in 1977. He was also a two-time long jump winner.

In 1994, three Illini won Drake titles. Anthony Jones took the 100-meters in :10.2, Daren McDonough finished first in the pole vault, clearing 18-0 1/4 and J.D. Teach won his second shot title (58-10 1/4).

At the 91st Annual Drake Relays, the Illini continued to shine. The sprint medley relay team of Babatunde Ridley, Charles Burton, Sherman Armstrong and Jason Van Swol won the race in 3:16.89, which was the fastest time run in the event since 1990. Armstrong had a phenomenal weekend, as he shattered his own school record in the 400-meter hurdles, placing second in the invitational section of the race.

In 2002, the Illini won titles in both the sprint medley relay and the 3,200-meter relay. Illinois' first title of the meet came in the 4x800-meter relay where the team of Nick Gow, Robert Pligge, Tim Hobbs and Jason Van Swol won by the narrowest of margins, .01 seconds, over Kansas. Standing in eighth place at the midway portion of the race, Hobbs took control for the Illini. In his leg of the race, Hobbs took the Illini to the front of the pack, passing five teams in the final 300 meters before handing off to Van Swol, who capped the race by running a 1:48.0 final leg to earn the win.

Abe Jones grabbed a first-place finish in the 400m hurdles in 2006, and in 2005 led the Illini to three first-place finishes. Jones individually won the 400-meter hurdles with a time of :50.8, and later teamed up with fellow juniors Nathan Vadeboncoeur, Adrian Walker, and Trammel Smith in the sprint medley relay for a record-breaking performance of 3:16.05, beating out Iowa State by .74 seconds for first place. Jones and Zach Glavash, Jeremy Kruidenier and Tim Hobbs ended the Relays with a first-place finish in the distance medley relay (9:40.80).

Hobbs took Illinois back to the winner's circle the next day as he and teammates Anthony Moorman, Kendall McCroy, and Josh Harford won the sprint medley relay with a time of 3:22.04. It was a great race that saw the Illini edge Oklahoma by just .09 seconds and claim their second sprint medley title in three seasons.

Gakologelwang Masheto added to the Illini legacy in 2007, claiming the Special Invitational 400m title in a time of :46.24.

In 2009, Riley broke the 110m hurdles school record at Drake Stadium. Riley clocked a time of :13.61 to place second in the event final and break Sherman Armstrong's school record of :13.72, which he set in 2000.

In 2010, a pair of Illini picked up Drake titles. Andrew Riley won the crown in the 110m hurdles and Hunter Mickow finished first in the 10,000m.

In 2012, senior Colin Mickow won the 10,000m title, while in 2011, the 4x100m relay team of Andrew Riley, Azeez Shogbuyi, Josh Zinzer and Stanley Azie broke an 18-year old school record to place first in the event. Kyle Engnell also won the 3,000m steeplechase in 2011.

In 2013, the Illini won the inaugural HyVee Cup, scoring 38 points. Vanier Joseph won the 110m hurdles title with the second-fastest time in school history. The 400m, 1600m, 3200m relays grabbed runner-up honors, while the sprint medley and distance medley relays each finished third.

In 2014, the Illini were crowned HyVee Cup Co-Champions, tying Arkansas with 34 points. Vanier Joseph won his second straight 110m hurdles title at the event, while the 400m, 1600m, sprint medley and distance medley relays all claimed top-three finishes.

In 2015, the Orange and Blue made it a three-peat by taking the HyVee Cup once again with a total of 33 points. Ian Barnett grabbed the 5,000m title to start things off. The Illini added on when Cam Viney won the 400m hurdles, Dylan Lafond the steeplechase, the 4x400m relay and sprint medal relay to finish with five event crowns.

For the fourth year in a row, the Fighting Illini claimed the HyVee Cup title, using multiple runner-up finishes to do so in 2016. The Orange & Blue grabbed runner-up finishes in the sprint medley relay, distance medley relay and the 4x800m relay. The squad edged second-place Texas, scoring 24 points to the Longhorn's 20.

The Illini men have been the most dominant squad in Drake Relays history, holding the record for the most overall titles (140), most individual titles (68) and most relay titles (72).

In addition to the record number of Drake champions, seven Illinois athletes have been inducted into the relay's hall of fame. They are: high jumpers Don Osborn and Dike Eddleman, pole vaulter Don Laz, middle distance runner George Kerr, hurdler Lee Sentman, javelin thrower Milton Angier and jumper Charlton Ehizuelen.

Four Illini coaches are also members of the hall of fame. Harry Gill and Leo Johnson were both inducted in 1977, while Gary Wieneke joined the duo in 1991. Current head coach Mike Turk was inducted in 2019.

The Illini 4x100m relay of Andrew Riley, Azeez Shogbuyi, Josh Zinzer and Stanley Azie were Drake Relay champions in 2011.
