YEE NAMED TO CANADA'S FIFA U-20 WOMEN'S WORLD CUP ROSTER

Junior forward and Richmond, British Columbia native, Emma Yee has been named to Canada's roster for the FIFA U-20 Women's World Cup in Poland, the association announced Friday (Aug. 21).

"We are so excited for Emma to play in the World Cup and represent Canada," said head coach Katie Hultin. She is a special player who has earned this and we can't wait to watch her shine. Her Illini Family will be cheering her on!"

Yee will represent Canada for the first time in three years after becoming a 2023 FIFA Blue Stars Youth Cup Champion with the Vancouver Whitecaps, a club she played on for five years. She was named the 2023 Vancouver Whitecaps FC Student-Athlete of the Year and played in the 2022 Canada Summer Games. She's been in the player pool for Canada for several years and it's led to this moment of her being called up to the world stage.

"I am always super grateful for any opportunity to represent Canada," said Yee. "It feels extra special to get to play in a tournament as big as the U-20 World Cup and I am super excited to get started!"

She's coming off a stellar sophomore season at Illinois after she scored six goals and recorded one assist to score 13 points last season which was the second most on the team. She recorded her first career brace against Valparaiso on Sept. 7 and netted two game winners on the season as well. First, against DePaul on Aug. 28 and the second came on Sept. 25 to upset No. 18 Penn State in a 4-3 thriller at Deminor Park. So far in her junior season she's started both games for Illinois at forward playing in 143 minutes.

DEMIRJIAN PARK // HOME OF FIGHTING ILLINI SOCCER

Demirjian Park, home of the University of Illinois soccer and men's and women's track & field and cross-country programs, was opened to student-athletes, coaches and staff members on Tuesday, April 6, 2021.

Demirjian Park allows Illinois to host Big Ten and NCAA championship competition in both soccer and track and field. It is expected to become a destination location for training and competition by elite and youth athletes from across the state and the Midwest, drawing participants, their families, and fans into the Champaign-Urbana communities.

The Demirjian family, led by UI alumni Richard Demirjian (LAS, '88) and Kara Demirjian-Huss (ACES, '92), provided a lead gift of \$7 million to develop and build Demirjian Park.

Demirjian Park features two new soccer fields, one for competition and one for practice, and a renovation of the existing track and field complex. The project's centerpiece is Demirjian Park Stadium, located between the new soccer fields and the renovated track. The stadium directly benefits more than 25 percent of the Fighting Illini student-athlete population by housing team facilities for women's soccer, men's track and field, and women's track and field. State-of-the-art amenities include locker rooms, video and meeting rooms, lounge and study spaces, sports medicine and nutrition facilities, and coaches' offices. It also contains spaces for visiting teams and officials.
