Athletic Sponsorship & Advertising

Dear Valued Sponsor,

Findlay Athletics would like to thank you for your continued support of our athletic programs through sponsorships and advertising partnerships. As we look forward to another exciting year of Trojan Athletics, we would like to express our gratitude for your past support. Each year, nearly 1,000 students from both the middle schools and high school here in Findlay participate in 34 varsity sports, 73 high school programs, and 96 total teams, including the middle school. The opportunities available to our student-athletes are not possible without your help!

As we look ahead to the 2025-2026 athletic calendar, we continue to seek innovative partnerships with local businesses to positively impact our local economy. Findlay Athletics is committed to creating the premier experience for our athletes and our fans. We aim to be the best of the best, and support from our local businesses and community organizations helps us continue the mission of Findlay City Schools and Findlay Athletics of "Excellence, Opportunity, and Belonging." We look forward to continuing our partnership for the upcoming school year with one of our many sponsorship opportunities.

The various options and packages, along with pricing, are included in this brochure. Please complete the registration process using the QR Code or link through Google Forms at your earliest convenience on or before **August 7th** to be included in the fall program. You may choose to pay now or be invoiced later in the school year.

Again, thank you for your continued support of Findlay Athletics, as this is an excellent advertising venue for your company. TOGETHER, we can continue to provide the best opportunities possible for our student-athletes to succeed, and TOGETHER we will remain #TROJANTRUE.

Yours in sports,

Nate Weihrauch, CMAA
Findlay High School
Athletic Director
