Impressive 1,472 players from 370 colleges and universities honored as the Society celebrates its 14th year.

IRVING, Texas (April 15, 2020) - The National Football Foundation & College Hall of Fame (NFF) announced today the members of the 2020 NFF Hampshire Honor Society, which is comprised of college football players from all divisions of play who each maintained a cumulative 3.2 GPA or better throughout their college careers. An impressive 1,472 players from 370 schools qualified for membership in the Society's 14th year.

Nominated by their respective schools, members of the NFF Hampshire Honor Society must have:

- Completed their final year of playing eligibility in 2019;
 - Graduated players, who have remaining eligibility but will not return to collegiate play (e.g. declared for NFL Draft or retired from football), may also be nominated.
- Achieved a 3.2 cumulative grade point average throughout entire course of undergraduate study; and
- Met all NCAA- or NAIA-mandated progress toward degree requirements.
- Been starters or significant contributors throughout the 2019 season.
