SAINT FRANCIS FOOTBALL

The Saint Francis football team is entering its 90th season of competition and its 20th years as an NCAA Division I Football Championship Subdivision program in 2011.

The first year of competition was 1892, but records from that season and all of the following seasons up until 1908 were destroyed in a fire on campus. Records are missing from 1913, and teams weren't fielded in 1916, 1918, 1920-21, 1932-37, 1942-46 and 1954-68.

The varied reasons for not a fielding team during those years spanned from a lack of funding to World Wars. It was a financial decision to drop what had been a successful Red Flash squad after the 1953 campaign.

After a 15-year absence, momentum began to build on campus for Saint Francis' return to football and by the mid-1960s, a group of students began to form a club team.

In 1967, a group of students approached College President Father Vince Negherbon, T.O.R. with suggestions on how to defray the cost of running a team. Approval for the proposal came in the spring of 1968.

On Sept. 11, 1968, *The Loretto* – the student newspaper – reported, that a club team would indeed return football to campus.

With Father Vince's blessings, Football Club President Ebbie Clohessy and treasurer Tony Ippolito began the fundraising efforts for the project. It was estimated that the football team would need $8,000 to pay for uniforms and equipment, a head coach's salary, rental of a playing field, medications, traveling expenses and referees. It took a combined effort, but the program was able to raise the money through 50-50 raffles, car washes, dances, hoagie sales, business ads and rallies.

Realizing the need for a moderator and supporter, Clohessy contacted Father Fidelis Weber, a theology professor, who openly accepted the post. Together the two men along with other club members nailed down the details of the upcoming season, such as: securing venues, coaches, equipment, insurance, opponents and other miscellaneous details.

"These two men truly deserve the thanks from the student body," said a writer in *The Loretto*. "For with the return of football, also comes the return of the spirit and activity on the fall campus at Saint Francis."

In September of 1969, the Saint Francis football team took to the field – fully equipped, for the first time since the early 1950s as a member of the National Club Football Association.

The squad was under the direction of Art Martynuska, an Assistant Professor of Social Sciences at Mount Aloysius Junior College, who had played semi-professional football in the New York State Football League. A Lock Haven graduate, Martynuska coached at Lilly-Washington, Penn Cambria and Bishop Carroll high schools prior to reestablishing the football program at Saint Francis.

On Sept. 27, 1969, the Red Flash took the field for the first time, travelling to Canton, Ohio, where they battled Walsh before 500 rain-soaked fans at Hoover Stadium. Saint Francis fell behind 14-0, but finally drove for paydirt on a 75-yard drive capped by Chuck Connelly's 31-yard touchdown romp. However, the try for a two-point conversion was no good and the score stood at 14-6. The Red Flash lost the ball five times on fumbles in the game, four of them inside the Cavalier 30 yard line. It was a sloppy beginning, but it was a gratifying experience after years of hard work to get the program started once again.

Connelly rushed for 96 yards on 21 tries in that first game, and Andy Shank ran for 67 yards on 22 rushes.

Saint Francis started the season 0-3, being outscored 93-6, but Martynuska summed up the experience with a look toward the future:

"We have a relatively young and green outfit," he said. "Since this is our first year we realize that there will be many mistakes due to this inexperience and the type of program we are trying to build here at Saint Francis. These errors will be seen in all facets of club football at Saint Francis from administration on down to actual playing of games. We can only hope to capitalize on these mistakes in the next few years and build a power here. All we need is time and student support."

Time and support is exactly what they were given. The Red Flash finished 1-6 that first season, with the only win being a stunning 16-14 upset of No. 14 Niagara in the team's home opener before more than 2,000 fans.

In the program's second season, Martynuska led the squad to a 3-4 record including a 13-0 upset of No. 10 Catholic. The season also saw a heartbreaking last-minute 26-22 loss against eventual national club football champion King's, and a 42-7 defeat of Steubenville, the largest margin of victory in the program's brief history.

In 1971, a strong returning nucleus as well as a strong freshmen class provided preseason hype for a potential winning season. It turned out it wasn't just hype as a pair of freshmen, Pancho Andrews and Jay Roberts, as well as a seasoned veteran, Connelly, provided the spark for Saint Francis' best offense yet. Andrews became the first 1,000-yard rusher (1,040) in the program's early history and | Connelly became the first player to provide more than 1,000 yards of total offense. Roberts nearly pulled off the trifecta with 936 yards rushing on the season. The squad went 7-1, defeating defending national champion King's 27-21, but falling to in-state nemesis Duquesne 41-13 for the season's only blemish. The Red Flash finished ranked No. 6 in the nation, and after just three years they had a combined record of 11-10. It was a good beginning to an interesting run toward becoming an NCAA-sanctioned sport during the 1978 season.

Saint Francis debuted as a Division III squad with a 4-5 mark under Martynuska. The school's all-time leader in victories also saw the team move into its an on-campus facility – The Pine Bowl – in 1979.

Saint Francis became a member of the NCAA Division I Football Championship Subdivision (FCS) in 1993.

*The 1927 Saint Francis football team has the distinction of being the first to garner the "Red Flash" nickname. That year the school boasted one of the fastest football ground attacks in the east, headed by quarterback **George Kunzler**, captain and right halfback **Ed McLister**, fullback **Alphonse Abels** and left halfback **Ralph Bruno**. Because the team wore predominantly red uniforms, the fans and The Loretto (the student newspaper) dubbed the team "The Red Flashes."*
