# FACILITIES

## The Concannon Fitness Center and Jimmy Walker Strength and Conditioning Center

The Jimmy Walker Strength and Conditioning Center is designed for use by student-athletes only, and is located on the first floor of the Concannon Fitness Center. The majority of the strength and conditioning curriculum is conducted in the facility - in addition to the Astro turf field, the Peterson Recreation Center and Taylor Natatorium.

The Concannon Fitness Center is a \$18-million facility, which opened in August of 2007. The Concannon Fitness Center is adjacent to the Friar Field Hockey & Lacrosse Complex. It houses the Friars' varsity weight room as well as offices, conference rooms and locker rooms. The multi-level facility also houses a wide variety of nautilus, cardiovascular and free-weight equipment, which is open to the student body. Memberships also are available to the local community, alumni, faculty and staff.

## The Women's Hockey Locker Room, Player's Lounge and Friends of Friars Room

L-R: Bill Leary, Coach Bob Deraney, President Reverend Brian J. Shanley O.P., Emily Leary and Athletic Director Bob Driscoll at the dedication of the new Friar locker room on March 11, 2007.

The 2009-2010 season marks the completion of the Friends of Friar Room in Schneider Arena. This room was created for the men's and women's ice hockey donors and supporters. The Friends of Friar Room will include plasma televisions, high-top counters and a media library room displaying the history of Friar Hockey. The grand opening is scheduled for August 2009.

## Canavan Sports Medicine Center

The Canavan Sports Medicine Center opened during the 2007-08 academic year and became fully operational in August 2008. The center is the primary sports medicine facility for each of the College's 300+ student-athletes and its working space is roughly 4,000 square feet.

This state-of-the-art facility includes nine treatment tables with assorted modality equipment, office space for the eight certified athletic trainers on staff. The space also provides two physician clinic offices, where primary care, orthopedic, chiropractic and podiatric physicians evaluate our student-athletes on a weekly basis.

There is also a large rehabilitation/exercise area in the facility that houses a SwimEx rehab pool, one eight-person hot plunge pool and one eight-person cold plunge pool. On October 17, 2008, Athletics Director Robert G. Driscoll, Jr. and Providence College President Reverend Brian J. Shanley welcomed Joe Canavan '65 and wife, MaryBeth, to Alumni Hall to officially open The Canavan Sports Medicine Center with a ribbon cutting ceremony.
