CHRIS HEAD COACH GABRIELLI

NINTH SEASON AT PROVIDENCE

HEAD COACH

Chris Gabrielli was hired as the eighth head coach in the history of the Providence College men's lacrosse program on June 21, 2012 and is embarking on his ninth season with the team in 2020-21.

During his time at Providence College, he has helped develop and mentor 10 players who have gone on to play professionally, including Jarrod Neumann '17 and James Barclay '18, who play in the Premier Lacrosse League (PLL). Neumann, who earned USILA All-America honors and BIG EAST Defensive Player of the Year recognition at Providence, was selected to play in the PLL's inaugural All-Star Game (2019). As part of the All-Star weekend festivities, he also won the league's fastest shot skills challenge, clocking a speed of 115 miles per hour. Neumann helped guide Chaos LC to the No. 1 seed in the 2019 PLL Playoffs. Barclay, an All-BIG EAST First-Team selection for the Friars, was signed by Whipsnakes LC, midseason, and helped his squad claim the No. 2 seed in the 2019 PLL Playoffs.

Under Gabrielli's guidance, the program has boasted 17 All-BIG EAST selections, one BIG EAST Defensive Player of the Year, three BIG EAST Goalkeeper of the Year awards, nine pre-season All-BIG EAST picks and eight All-New England honorees.

Gabrielli's teams have excelled in the classroom and the program has featured a total of 201 BIG EAST Academic All-Stars. A program-record 34 Providence College men's lacrosse players were named to the 2018 and 2020 BIG EAST All-Academic Team. The Friars have had 25+ BIG EAST All-Academic Team members in each of the last four seasons (2017, 2018, 2019, 2020).

The Friars in 2020 went 5-1 before the season ended due to the COVID-19 pandemic. Providence claimed the Ocean State Cup after defeating Brown (13-12, OT) and Bryant (16-9), marking the second time in three years. The Friars ranked first in man-down defense (.938) and third in the scoring defense (8.00) in the nation.

During the 2019 season, the Friars secured a spot in the BIG EAST Conference Men's Lacrosse Championship for the third time in the last four seasons. The Friars claimed the No. 3 seed on the final day of regular-season action, as they defeated 17th-ranked Villanova, 9-8, in overtime in Providence, R.I. The Friars fell to 17th-ranked and eventual BIG EAST Champion Georgetown in the semifinals of the conference tournament, 13-12. It marked the fourth time during the 2019 cam-paign that Providence College suffered a one-goal loss.

Goalkeeper Tate Boyce finished his career as one of the program's most decorated players, earning USILA All-America Honorable Mention, BIG EAST Goalkeeper of the Year and First-Team All-BIG EAST accolades. He is the first player in program history to earn multiple All-America honors and Goalkeeper of the Year recognition. Additionally, he is the only Friar to have earned First-Team All-BIG EAST status during each of his four years with the program.

Boyce is one of three players on the 2019 roster that went on to play professionally. Boyce and defenseman Jimmy Cunningham signed with the Boston Cannons (MLL), while attackman Brendan Kearns was drafted and signed by the New York Lizards (MLL).

Gabrielli came to Providence College after spending the previous six seasons as an assistant coach at Duke University, where he worked primarily with the Blue Devils' defensive unit. He also served as the program's recruiting coordinator, under the direction of current Duke Head Coach John Danowski.

While at Duke, Gabrielli helped guide the program to six NCAA Final Four appearances (2007-12) and two trips to the National Championship game (2007, 2010). The Blue Devils went on to win the National Championship in 2010. Duke also captured five ACC regular-season titles (2007-09, 2011-12) and four ACC Tournament titles (2007-09, 2012).

Under the watchful eye of Gabrielli, Duke's defense consistently ranked among the best nationally. Annually one of the stingiest defenses in Division I lacrosse, Duke was among the top 10 in scoring defense in 2007 and 2008 and was among the top 25 every year under Gabrielli. In the 2010 NCAA finals, the Blue Devils held Notre Dame to just five goals in their 6-5

overtime victory, tying for the second fewest goals allowed in a NCAA championship game.

During his six seasons with the Blue Devils, Gabrielli mentored seven players to 11 All-America awards. Some of these players include Nick O'Hara, a first-team All-America choice and the 2008 William F. Schmeisser Award recipient as the national defenseman of the year, 2012 ACC Co-Defensive Player of the Year and four-time All-American CJ Costabile and 2008 ACC Rookie of the Year and two-time All-America selection Michael Manley. Four of Gabrielli's former student-athletes currently suit up for Major League Lacrosse squads, including Manley who was picked third overall in this year's MLL draft.

Gabrielli spent the 2006 season as an assistant coach at Butler where he served as the recruiting coordinator, while working primarily with the defense. Under his mentorship, three Butler de-fensemen earned All-GWLL honors.

Gabrielli was a member of the coaching staff at his alma mater, Massachusetts, from 2003-05, helping the Minutemen to a 33-13 overall record with two NCAA quarterfinal berths.

Gabrielli was a member of the practice squad for the Boston Cannons of Major League Lacrosse during the 2004 season before being drafted again by the Cannons in the 2005 Supplemental Draft. In 2004, he co-founded the Mid-Summer Classic, a high school lacrosse tournament currently held on the UMass campus.

A four-year letter winner as a defenseman at Massachusetts, Gabrielli picked up 127 ground balls and added five assists in his career. As a senior in 2001, he captained the Minutemen to a 12-2 overall record and a share of the ECAC Championship, while earning Second-Team All-Conference and First-Team All-New England honors. A two-time winner of the Eric Sopracasa "Heart and Soul Award," an honor presented annually to the UMass player who displays the most leadership and dedication to the program, Gabrielli went on to play in the 2001 North-South All-Star game and the MLL Major League Challenge. Gabrielli 4

A native of Farmingdale, N.Y., Gabrielli graduated from Massachusetts in 2001 with a degree in sport management. He and his wife, Candice, have two daughters, Grace and Emma.

MATT — ASSOC. HEAD COACH — FRANCIS

FIFTH SEASON AT PROVIDENCE

ASSOCIATE HEAD COACH

Matt Francis embarks on his fourth season with the Friars. Francis served as an assistant coach for the previous three seasons but was promoted to associate head coach by Gabrielli on August 5, 2019. Prior to arriving at Providence, he served as an assistant at Binghamton.

While at Binghamton, Francis served as the program's recruiting coordinator, defensive coordinator and face-off coordinator. He helped develop and mentor 12 All-Conference selections during his tenure. Francis also helped the Bearcats earn a No. 2 seed in the America East Tournament in 2014. It marked the program's first appearance in the league's conference tournament since 2011, and highest seed in the tournament since 2004.

Francis began his coaching career at Marist College as an assistant coach (2010-12) and helped guide the Red Foxes to consecutive appearances in the MAAC Tournament semifinals. While with the Red Foxes, Francis served as face-off coordinator and assistant defensive coordinator.

Francis is a 2010 graduate of Marist College, where he enjoyed an impressive playing career with the Red Foxes as the team's face-off specialist. Following his junior season in 2009, he ranked seventh in the nation in face-off percentage with a mark of .576 and fifth in ground balls per game (6.46). As a senior in 2010, he won 158 face-offs and helped guide Marist to the MAAC Semifinals, its first conference championship appearance since 2006.

Francis was named Second Team Academic All-District by ESPN The Magazine as selected by the College Sports Information Directors of America (CoSIDA) on the at-large ballot in 2010.

Francis earned a Bachelor of Science degree from Marist in biomedical sciences, and also minored in psychology and business administration. He went on to earn an MBA from Marist in 2012 with an advanced certificate in executive leadership.

Francis resides in Warwick, R.I. with his wife, Auden, and their daughter, Mackenzie.

KEVIN

ASSISTANT COACH

GOULD

SECOND
SEASON AT
PROVIDENCE

ASST. COACH/
OFFENSIVE
COORDINATOR

Kevin Gould is set to begin his second season with the Friars as an assistant coach/offensive coordinator. Gould was hired by head coach Gabrielli on September 16, 2020. Gould comes to Providence after spending the past five seasons as Associate Head Coach and Offensive Coordinator at UMass Lowell. The Duxbury native spent two seasons as an assistant coach before being promoted to associate head coach on Sept. 1, 2017. In 2019, Gould helped develop two River Hawks en route to earning First-Team All-America East honors, marking the first in program history. In 2018, Gould helped guide UMass Lowell to its first America East playoff appearance in program history.

Prior to UMass Lowell, Gould spent a season as assistant coach at Dartmouth. Gould guided the Big Green offense to a 10-percent increase in extra-man scoring. During this 2015 season, Dartmouth's win total improved by three victories, including a double-overtime win over 15th-ranked Harvard.

Gould's collegiate coaching experience began at Bryant University in 2014 as a volunteer assistant coach. The Bulldogs climbed up to No. 11 in national polls and made the NCAA quarterfinals for the first time in program history.

Prior to joining the collegiate ranks, Gould coached at his alma mater, Duxbury High School, for three seasons.

Gould graduated from Bentley University in 2010 with a degree in business management, and enjoyed an impressive career with the Falcons' lacrosse program. Gould ranks fifth in program history in assists and eighth in career points. Gould was named New England and Northeast-10 Rookie of the Year as a freshman. The two-time captain and four-time All-New England selection claimed All-America honors in 2010 during his senior season.

Gould was selected 39th overall by the Boston Cannons in the 2010 Major League Lacrosse Collegiate Draft. He spent three seasons in the MLL and helped guide the Cannons to the 2011 Major League Lacrosse Championship.

Gould resides in Boston, Mass.

RYAN

GRADUATE ASSISTANT

ZIMMERMAN

FIRST
SEASON AT
PROVIDENCE

GRADUATE
ASSISTANT

Zimmerman enters his first season as a graduate assistant under Coach Gabrielli. Zimmerman will play this season at midfield and serve as the team's graduate assistant. Zimmer graduated from Providence College with a Bachelor of Science degree in finance and is pursuing his Masters degree in business administration, (MBA).

Zimmerman has tallied nine points on five goals and four assists to go along with five groundballs thus far in his career with the Friars. Zimmerman has been a member of the BIG EAST All-Academic team in each season and was inducted into Chi Alpha Sigma Honor Society.

RICK BLACKADAR

**STRENGTH &
CONDITIONING**

SEVENTH SEASON

Rick Blackadar enters his seventh year back at Providence College and serves as the senior assistant strength and conditioning coach. He works primarily with the men's hockey and men's lacrosse programs.

Blackadar was previously an assistant strength and conditioning coach at Providence College from 2003-2010, when he worked primarily with the men's and women's basketball and ice hockey teams.

From 2010 to 2011, Blackadar was the assistant strength and conditioning Coach at the University of Massachusetts. After UMass, he spent a year as the special assistant to the business agent at North America Laborers' Local 223. In 2012, Blackadar was the head strength and conditioning coach at Natick High School in Natick, Mass.

Blackadar graduated from Bridgewater State University with a Bachelor of Science in physical education. He then completed a master's degree in applied exercise science at Springfield College.

AIMEE PARDINGTON

**STRENGTH &
CONDITIONING**

SIXTH SEASON

Aimee Pardington enters her sixth season as an assistant strength and conditioning coach at Providence College. Pardington works primarily with the women's ice hockey team, while also assisting with the other 18 varsity sports.

Prior to Providence, Pardington was the assistant strength and conditioning coach at Rutgers University (2007-13). Before Rutgers, she spent three years as the assistant strength and conditioning coach at Brown University (2004-07).

Pardington graduated from Eastern Connecticut State University with a Bachelor of Science in physical education in 2001 and went on to get her masters in 2006 in applied exercise science at Springfield College.

Pardington is certified by the National Strength and Condition Association as a Strength and Condition Specialist (CSCS) and has a USA Weightlifting Level 1 Sport Performance Coach Certification.

LINDSEY LATURNAU

**ATHLETIC
TRAINER**

EIGHTH SEASON

Laturneau enters her eighth year as a member of the Providence College Sports Medicine department and works with the men's lacrosse program. She joined the staff in the fall of 2012 as a graduate assistant and worked with the women's soccer, women's volleyball and men's/women's swimming and diving programs. She received her masters of education degree program in counseling at Providence College in 2014.

She earned her Bachelor of Science in athletic training with a minor in holistic health from the University of Southern Maine in 2012. In addition to earning her athletic training certification from the National Athletic Trainers' Association Board of Certification, she is also a Registered Orthopedic Technologist from the American Society of Orthopedic Professionals.

Laturneau is a native of Londonderry, N.H., resides in East Providence, R.I.

KEVIN CONNOLLY

**ASSOCIATE AD/
EXTERNAL RELATIONS**

Connolly, a 2004 graduate of Providence College is the Associate Athletic Director for External Relations. He is responsible for principle and major athletic gifts and also manages ticket requests for championship events.

In his first year as lacrosse administrator, Connolly and his team structured the bid to successfully bring the 2017 BIG EAST Lacrosse Championship to Providence.

Prior to Providence College, Connolly spent four years in advertising at Dennis Publishing in New York City.

Connolly also earned an MBA from Providence College in 2011. Connolly and his wife Ashley '05 reside in Rumford, R.I. with their two children Clara and Callan.

The Providence College men's lacrosse team takes pride in giving back to the community.

During the 2020-21 calendar year, the lacrosse program was active in the Providence community despite the COVID-19 pandemic. The team raised money for "Kids Vs. Cancer" by holding a virtual four-mile challenge in October. The team raised over \$12,000 for the foundation.

Library; entertainment at the Providence Performing Arts Center; sporting events, entertainment and trade shows at the Dunkin' Donuts Center and the Providence Convention Center, Providence Place Mall and dozens of fine restaurants. With several other major educational institutions located in Providence, the city has become a hub of collegiate activity.

Responding to the needs of Rhode Island, the Dominican Order of Preachers made a special commitment to the state in 1917 and founded Providence College — the only institution of higher learning in North America that is conducted by the Order.

Providence College's rich heritage dates back to 1216, or the origins of the Dominican Order in Spain. Through the ages, the Dominican Friars became known as the "champions of the faith," spreading the gospel message through the centuries into every corner of the globe. Today, Dominican Friars continue to spread the gospel in a wide range of remote areas of the world, to teach at every level of the United States educational system.

With the Dominican tradition as its foundation, Providence College focuses on developing the entire person through its values-oriented education. The college seeks to complement a student's knowledge with knowledge of his/her own values — values that will remain the foundation for sound judgement throughout a lifetime.

To that end, Providence College aims to relate its curriculum to the problems of contemporary society, offering diverse programs of study that remain grounded in the liberal arts. Students may choose from some 60 concentrations ranging from computer science to labor relations to theatre arts.

In addition, qualified students who wish to structure a program not specifically provided under the regular concentrations may develop their own program with the approval of the dean of the college.

As part of the core curriculum, all students take a two-year, team-taught course, Development of Western Civilization (DWC) which integrates the study of literature, philosophy, history and religious studies through the ages into a cohesive interdisciplinary unit.

Situated just on the fringe of downtown Providence, the College's location enables students to have easy access to the many social, cultural, educational and recreational amenities of urban life - the Providence Public

THE MISSION OF THE COLLEGE

Providence College is a primarily undergraduate, liberal arts, Catholic institution of higher education. Committed to fostering academic excellence through the sciences and humanities, the College provides a variety of opportunities for intellectual, social, moral and spiritual growth in a supportive environment.

The College actively cultivates intellectual, spiritual, ethical and aesthetic values within the context of the Judaeo-Christian heritage. These values are nurtured by the unique tradition of the Dominican Order which emphasizes quality teaching and scholarship.

Providence College recognizes the unity of the human family that proceeds from its one Creator. It therefore encourages the deepest respect for the essential dignity, freedom and equality of every person and welcomes qualified women and men from all religious, racial and ethnic backgrounds. Providence College prepares its students to be responsible and productive citizens to serve in their own society and the greater world community.

ATHLETIC DEPARTMENT MISSION STATEMENT

Our mission is to build champion citizens, scholars and athletes who will positively impact the world around them.

SERVICES AVAILABLE TO STUDENT-ATHLETES THROUGH ATHLETIC ACADEMIC SERVICES

Academic Monitoring

Progress report slips (i.e., requesting information regarding class attendance and performance) are sent to each instructor for all student-athletes at least once per semester. The staff tracks individual progress, schedules meetings with student-athletes as appropriate, and personally contacts instructors as necessary.

Counseling/Mentoring

The staff meets with student-athletes, individually and in-groups, regarding academic, athletic, career, and/or personal issues.

Life Skills Program/Special Projects

Programs and workshops on select life skills (i.e., NCAA/CHAMPS Life Skills Program) are presented, covering the following five component areas: academics, personal development, community service, athletics, and career development. The OAS has collaborative relationships with many units on campus to help provide these services.

Pre-Registration

The staff assists student-athletes with planning and course registration. In conjunction with the Office of Academic Records, dates are determined for pre-registration each semester.

Study Hall

Quiet, monitored study time is available, during daytime and evening hours. Student-athletes are required and/or recommended to attend, on a sport-by-sport basis, by their respective head coach.

Travel Notifications

At the beginning of each semester, student-athletes are provided with letters for their instructors, notifying them of travel/competitive schedules.

Tutorial Services and The Writing Center

The Tutorial Center, which is nationally certified by the College Reading & Learning Association, provides peer tutoring in most all subject areas. The Tutorial Center is open until 9:00 pm weeknights. The Writing Center provides more intensive and specialized writing support and also maintains evening hours for student-athletes' convenience.

ATHLETIC ACADEMIC SERVICES

The Office of Academic Services (OAS) provides specialized support to student-athletes in light of the unique time demands, responsibilities, and rules governing participation in intercollegiate athletics. Holistic services are provided in a safe, personal environment where academic growth is a priority, personal development and independence are enhanced, and long-term success is nurtured by a staff which models these same commitments.

Student-athletes who have distinguished themselves in the classroom, as well as on the field or court, may be nominated for the BIG EAST Academic All-Star Team, the HOCKEY EAST Academic Honor Roll, NFHCA Division I Academic Team or the Academic All-America Program presented by CoSIDA. The Providence College Athletic Department also honors student-athletes each semester who have achieved a 3.00 grade point average or higher.

UNDERGRADUATE DEGREE REQUIREMENTS

Providence College is a Catholic, Dominican, liberal arts institution of higher education and a community committed to academic excellence in

pursuit of the truth, growth in virtue, and service of God and neighbor.

To be eligible for a bachelor's degree, members of the Classes of 2013, 2014, and 2015, must earn a minimum of 116 earned credit hours and complete at least 36 courses with a minimum value of three credits each. For members of the Class of 2016 and subsequent years, a minimum of 120 credit hours must be earned. For students of all class years, 2.00 (4.00 scale) minimum cumulative and major grade point averages are required. Included in the total credit hours for students beginning with the Class of 2016 are Core Curriculum courses in the areas of Development of Western Civilization (4 courses), Philosophy (2), Theology (2), Natural Science (1), Quantitative Reasoning (1), Social Science (1) and Fine Arts (1). In addition, a Core Focus sequence (2 courses) outside of one's major requirements and learning proficiencies in the areas of Intensive Writing (2), Oral Communication (1), Civic Engagement (1), and Diversity (1) must be successfully completed.

Undergraduate students must spend at least eight semesters in full-time attendance, unless the period is reduced by advanced standing credit from another institution as reviewed and approved by the dean of undergraduate and graduate studies. The College reserves the right to allow graduation at the completion of seven semesters following the successful petition by students to the Committee on Academic Status with the subsequent approval of the provost and senior vice president for academic affairs.

Official and complete academic information is published in Providence College's academic catalogs, available at <http://catalog.providence.edu/>.

ACADEMIC SERVICES - STAFF

Kaitlyn O'Malley, Associate Director of Student-Athlete Services

Shannon Catlin, Academic Coordinator for Student-Athletes

Jamie Lipski, Academic Coordinator for Men's Basketball/Life Skills

Jonathan Gomes, Associate Director for Tutoring and Disability Services

Robert G. Driscoll Jr., Athletic Director/Vice President

Having completed his 19th season as Providence College's Vice President and Athletics Director, Bob Driscoll has transformed and reinvigorated Providence College's athletics program. He has established a vision of student-athlete success in the classroom and in the community while competing for championships. Driscoll maintains focus on leading, fostering and mentoring one of the nation's most respected athletic programs. Over the past seven years, Driscoll has been the architect of one of the most successful eras in the history of Providence College athletics. The Friars continued their success during 2019-20, with the men's soccer team advancing to the NCAA Third Round after posting a 16-7 overall record. It was the program's fourth NCAA tournament bid in eight seasons under head coach Craig Stewart. The Men's basketball team concluded the season as one of the hottest teams in the NCAA, winning its final six games with three coming against top-20 opponents. Abbey Wheeler of the women's track and field team was named the USTFCCA Northeast Region Women's Indoor Track and Field Athlete of the Year after winning the 3,000 and 5,000-meter events at the BIG EAST Championships. Her mark in the 5,000-meter event qualified for the NCAA Championships.

Over the course of the last decade, Providence College has enjoyed sustained success in addition to capturing multiple championships beginning with the 2013 women's cross country team claiming the College's second NCAA title. It continued with the men's basketball team winning the 2014 BIG EAST Tournament title and advancing to the NCAA Tournament in five-consecutive seasons from 2014-18. The men's hockey team made two Frozen Four appearances and six-consecutive NCAA Tournaments, including its first NCAA Championship with a dramatic, come-from-behind win over Boston University on April 11, 2015 at the TD Garden. It marked the College's third NCAA team title and its first in a men's sport.

In 2020, Driscoll was recognized with the Division I-AAA Athletics Directors Association Builders' Award. For the second time in his tenure, Driscoll was recognized as the Under Armour I-AAA Athletics Director of the Year at the 51st Annual National Association of Collegiate Directors of Athletics (NACDA) convention in June 2016. In June 2008, Driscoll also was named the 2007-08 Astro Turf Athletics Director of the Year for the Division I Northeast Region at the 43rd National Association of Collegiate Directors of Athletics Annual Convention.

The Friars also have excelled in the classroom, with Providence's student-athletes combining for an average GPA of 3.37. After a school-record six Providence College athletic programs received Public Recognition Awards in 2014 as part of the NCAA Academic Progress Rate (APR) program, three Friar teams earned the honor in 2015 and two teams, women's swimming & diving and women's tennis, earned recognition awards in 2016 and 2017. In 2018 and 2019, five programs earned recognition awards. Multiple Friar teams have been honored in each of the 15 years the NCAA has given out the Public Recognition Awards. Aside from excelling in the classroom and competing for championships, Driscoll's student-athletes are very active in the local community. Last year alone, Friar student-athletes combined for 3,245 hours of community service at 145 events serving 33 organizations. The economic impact of those hours totaled \$82,525. Providence was named a runner-up for the 2018 NACDA Community Service Award, earning \$5,000 to donate to local charities. The Friars recently finished fifth overall in the NCAA Division I Team Works Community Service competition in 2020, with the volleyball, softball and lacrosse programs each finishing among the top-10 among their Division I counterparts in the sport specific standings.

One of the biggest impacts Driscoll has had on the Providence College Athletics Department, and the College as a whole, has been with facility development, construction and renovation. Construction of Chapey Field at Anderson Stadium was completed in 2015, where the men's and women's soccer and men's lacrosse programs play. The college also built a new softball complex, known as Gray Field, in addition to building six tennis courts adjacent to Anderson Stadium. He also oversaw the 2013 renovation of Schneider Arena – home of the Friar men's and women's hockey teams.

In August 2018, construction was completed on the \$35 million Ruane Friar Development Center — a men's basketball training and recruiting facility. The 58,218 square foot Friar Ruane Development Center also houses the athletic department's Innovation Lab — a state-of-the-art facility that is available to each of our 350+ NCAA Division I student-athletes. The lab is part of the overall Sports Medicine Department, with a primary focus on rest and recovery.

Kicking off Driscoll's vision for the improved athletic facilities footprint at Providence College, the Concannon Fitness Center, opened in August of 2007, adjacent to Lennon Family Field (Astroturf facility), which was completed in August 2005. A new Astroturf surface was installed on Lennon Family Field in the summer of 2017 in addition to a new videoboard in the summer of 2018.

Other facility upgrades that have highlighted Driscoll's tenure include an \$80-million renovation of the Dunkin' Donuts Center, which serves as the home venue for Friars men's basketball. The project was the result of Driscoll working strategically with lead officials in the City of Providence and the State of Rhode Island. The renovations enhanced the game-day experience by adding 20 luxury boxes, new seats, a video scoreboard, sound system, updated restaurant and concession stands, team store, locker rooms and new weight training/fitness areas. These renovations have enabled Providence College to serve as host for the First and Second Rounds of the 2010, 2016, and the future 2021 NCAA Men's Basketball Championship.

Driscoll established the athletic fundraising philosophy and the Friars Athletic Fund, led by its fundraising and development staff, has been instrumental in making program upgrades possible. The athletic department has exceeded fundraising goals on a yearly basis, reaching \$7-million in cash donations during the 2019-20 fiscal calendar. The additional revenue remains critical to building and supporting championship programs and providing the best opportunities to Providence College's student-athletes. The funds Driscoll and his staff raise help directly support each of the College's 19 NCAA Division I programs, the Friars Forever Fund and capital projects.

In 2019, he was named as the AD Representative for the BIG EAST Diversity and Inclusion Working Group. This group is tasked to review policies, initiatives and best practices among BIG EAST member institutions and other athletics conferences and develop strategies designed to enhance the athletics-related D&I efforts already underway on BIG EAST campuses. In collaboration with the Office of Institutional Diversity, Equity and Inclusion, Driscoll helped create a position on campus: "Director of Training and Education for Diversity, Equity and Inclusion." This goal of this position is to strengthen and build upon the College's efforts to cultivate policies, practices and structures that ensure an inclusive, equitable and hospitable environment for students, student-athletes, staff, trainers and coaches.

In the past, Driscoll has served as the President of the Division I-AAA Athletics Directors Association. He also has served as First Vice President and Second Vice President for the organization. Driscoll previously served on the NCAA Division I Management Council, the NCAA Ice Hockey Championship Committee (Chair 2010-11) and was the Chair of the BIG EAST Athletic Directors in 2011-12. Driscoll also was an NCAA Fellows Programs Executive Mentor. Currently, Driscoll serves on the BIG EAST Finance Committee with the league's other presidents and also is a Chair for the Hockey East Board of Directors. Additionally, Driscoll represents the BIG EAST's athletic directors on the Student-Athlete Advisory Council, serves as a mentor for the Division I-AAA mentoring program and serves on the Hockey East Television Negotiations and Marketing Committees.

Driscoll joined the Providence community after 14½ years in athletic administration at the University of California, Berkeley, culminating in serving as the Acting Executive Director for Intercollegiate Athletics and Recreational Sports.

Driscoll was hired at Cal as the Associate Athletic Director for Student Services, a position he held for five years. He then assumed the position of Executive Associate Athletic Director, at which point he was responsible for the administration of 27 varsity sports, a staff of 250 and a \$36 million budget. Prior to coming to Providence, he served as the Acting Executive Director for Intercollegiate Athletics and Recreational Sports. During his tenure, Cal won over 20 national championships and competed in the Citrus, Copper, Alamo and Aloha Bowls. The Bears also finished as high as 12th in the NACDA Directors' Cup.

Before arriving at Cal, Driscoll served six years (1981-87) as the Athletic Director and Chair of the Department of Physical Education, Recreation and Intramural Sports at Mills College in Oakland, Calif. Prior to Mills, Driscoll was Assistant Athletic Director and Head Baseball and Hockey Coach at Union College in Schenectady, N.Y. from 1977-81. Driscoll played hockey, where he was captain and team MVP for three-consecutive years, and baseball at Ithaca College (N.Y.). He received a Bachelor of Science degree in physical education in 1974 and his Master of Science in physical education/psychology of sports from Ithaca in 1975.

A native of West Concord, Mass., Driscoll was inducted into the inaugural class of Concord-Carlisle High School's Athletic Hall of Fame (football, ice hockey and baseball) in 1993. He was also inducted into the 50th Anniversary Class of Ithaca College Athletic Hall of Fame in 2019. He and his wife Cathy have three grown children.

REVEREND KENNETH R. SICARD, O.P. COLLEGE PRESIDENT

A native of Fall River, Mass., Father Sicard was named Providence College's 13th president on Oct. 4, 2019 and he took office on July 1, 2020.

Father Sicard holds a Ph.D. in business education from The Ohio State University, awarded in 1997. He earned a bachelor's degree in accounting from Providence College in 1978 and a master's degree in business administration from the College in 1982.

From 1978-1984, prior to entering the Dominican Order of Preachers, he was employed by Fleet Financial Group in Providence, beginning in an entry-level position and rising to audit manager.

Father Sicard was ordained to the priesthood in 1990. He holds a master of divinity degree and a bachelor of sacred theology degree from the Dominican House of Studies in Washington, D.C.

His first assignment after ordination was to Ohio Dominican College in Columbus, where he served as chaplain and a full-time faculty member, teaching courses in finance, money and banking, auditing, and accounting from 1990-1997. He also was responsible for the spiritual and sacramental needs of students and Dominican religious sisters.

Father Sicard returned to PC to serve as dean of residence life from 1997-2005. He oversaw the supervision and security of all residence halls, the department's operating budget, the hiring and supervision of more than 100 staff, and the creation of policies that ensured a quality of life for students consistent with the College's mission.

During that time, he also served the Dominican Province of St. Joseph as director of vocations for two years. In addition, he served as provincial treasurer

EXPERIENCE A CITY IN RENAISSANCE...

Providence, Rhode Island is among America's most dynamic, diverse and exciting new destination cities. Come and see it for yourself. Gather with thousands in the rejuvenated downtown for a magical WaterFire display. Catch a Broadway-bound show. Enjoy dinner in one of the city's many award-winning restaurants, then head to Federal Hill to sip an authentic caffe latte. Mingle with the more than 27,000 students who attend the city's five colleges and universities. Explore internship opportunities with the city's businesses and nonprofits and see a real-world path to career success. Providence College's scenic 105-acre campus is located just 10 minutes away from one of the most historic and cosmopolitan city centers in the United States. Come to Providence and embrace all that America's Renaissance City has to offer.

A LIVELY DOWNTOWN SCENE...

It's where Colonial-era cobblestone streets intersect with gleaming new office buildings. Where young men and women from across the nation intern with some of the most recognized names in finance, business, technology and healthcare. In Providence, there's always something happening, always a new exhibition, bookshop or bistro to check out. The New York Times describes it as "one of the hippest towns in New England." And Money Magazine calls it "the best city in the East for young professionals."

A WEALTH OF WEEKEND DESTINATIONS...

Known as the Ocean State, Rhode Island boasts more than 400 miles of stunning coastline. The world-famous mansions of Newport, along with the shores of Narragansett Bay are just a 30-minute drive from Providence. The ski slopes of New England make a great day trip, and the beaches of Cape Cod, Nantucket and Martha's Vineyard are all within easy reach.

YOU'RE CLOSE...

Providence is a short drive from T.F. Green Airport. Known as the "hassle-free gateway to New England," the airport is conveniently located close to Interstate 95 and offers non-stop flight connections to cities throughout the United States and Caribbean.

PROVIDENCE IS AMERICA'S NEWEST DESTINATION CITY... HERE'S WHY:

- The Providence Performing Arts Center is the second largest indoor theater in New England
- The Dunkin' Donuts Center (home of Providence College basketball) has hosted the NCAA Hockey Championship and NCAA Basketball Tournament First and Second Rounds among other major sporting events
- At the upscale Providence Place Mall, you'll find more than 160 shops, theaters, acclaimed restaurants and an IMAX Theater
- The renowned WaterFire display on the Providence River is one of the many attractions that draw thousands to the city's dynamic downtown
- With seven historic districts featuring beautifully preserved 18th-and-19th century architecture, Providence is one of the most historic cities in America
- Providence has the country's largest per capita concentration of college students (27,000 in a city of just under 178,000), making it one of the nation's most student-friendly cities
- Providence has a rich diversity of neighborhoods offering a wide selection of ethnic cuisine, from pad thai to paella
- The nationally acclaimed Roger Williams Park Zoo is home to hundreds of rare animals from around the world
- The city's rich cultural calendar includes dance performances, theater productions, music recitals, gallery shows and readings by prominent authors and poets

The Grand Reopening of Providence College's Schneider Arena was held on Friday, Sept. 27 to celebrate the renovation of the 40-year old arena. It was a festive evening as more than 500 fans attended the event.

The celebration included a ribbon cutting ceremony and a blessing of the building, featuring President Rev. Brian J. Shanley, O.P. '80, and Athletics Director Bob Driscoll. The renovation project was completed in just under eight months and has transformed the home of the Friar lacrosse program into one of the finest facilities in the nation.

The renovation and 30,000 square-foot addition include a new atrium, ticket office, concession stands, coaches offices, locker rooms, meeting rooms, athletic training room and a strength and conditioning facility.

Schneider Arena was dedicated and is named in memory of the late Reverend Herman D. Schneider, O.P., the founder of the Friars' highly successful hockey program and a long-time member of the school's faculty. The first game to take place in the arena was a 1-0 victory by the men's team over the University of Pennsylvania on September 24, 1973. Dan Kennedy scored the game-winning goal for the Friars, with assists from Steve Heggison and Shawn Howard, and Michael Zyburra made 26 saves to earn the shutout.

**EVERYDAY
— IS —
GAMEDAY**

The Providence College lacrosse program recently moved into its new home Schneider Arena. The program shares a space with the men's and women's ice hockey programs.

The lacrosse program has a brand new coaches suite, locker room, lounge and video room. The facilities are state of the art and provide the Friars with the hope of developing into a championship program.

In addition to a lacrosse specific wing, the Friars share a top-notch weight room and training room with the College's men's and women's ice hockey programs.

CHAPEY FIELD AT ANDERSON STADIUM

Providence College Athletics hosted the dedication ceremony of Chapey Field at Anderson Stadium on May 2, 2016 over the college's Alumni Sports Weekend. The gift marks the largest gift from an individual, who is not a member of the Board of Trustees, in the history of Providence College Athletics. Mike and Maura Chapey, both Providence graduates from the class of 1986, made the historic \$1-million gift to support the construction of a state-of-the-art lacrosse and soccer complex. The field (playing surface) of the new lacrosse and soccer complex is named Chapey Field in honor of their generous donation. The facility is located next to the renovated Schneider Arena.

Providence College Athletics is proud to announce that Board of Trustee member Karl Anderson '88 and his wife, Kerry '88, pledged \$1.5 million to support the construction of the state-of-the-art soccer and lacrosse complex. This gift to Providence College has further beautified the campus and enhanced the experience of student-athletes and the fans of Friar Athletics who will attend games at the new complex. The new soccer and lacrosse complex was named in honor of the Anderson family for their generous donation.

RAY TREACY TRACK

The Ray Treacy Track is located on Hendricken Field and serves as the home of the Providence College men's and women's cross country and track and field teams. The new complex has a six-lane lane track with eight-lane straightaways, which encompasses a turf field. The turf field is used for rugby and other intramural sports. It also has served as a temporary home to the men's and women's soccer and men's lacrosse programs, while the College completed planning and construction of Chapey Field at Anderson Stadium. The complex has seating for more than 300 fans, as well as a press box and a scoreboard. Ray Treacy Track opened in October 2013.

SCHNEIDER ARENA

The renovation project of 40-year old Schneider Arena was completed in just under eight months and has transformed the home of the Friar men's and women's ice hockey teams into one of the finest on-campus hockey facilities in the nation. The renovation and 30,000 square-foot addition include a new atrium, ticket office, concession stands, coaches offices, shooting room, lockerrooms, meeting rooms, athletic training room, press box, five luxury suites, dasher boards, glass, videoboard, video ribbon boards, scoreboards, a renovated Friends of Friar Room and a strength and conditioning facility. The Schneider Arena renovation project was completed in September 2013.

CONCANNON FITNESS CENTER & RUANE ATRIUM

The Concannon Fitness Center is a \$15-million facility, which opened in August of 2007. The Concannon Fitness Center is adjacent to Lennon Family Field. It houses the Friars' Jimmy Walker Strength & Conditioning Center as well as offices, conference rooms and locker rooms. The multi-level facility also houses a wide variety of nautilus, cardiovascular and free-weight equipment, which is open to the student body. Memberships also are available to the local community, alumni, faculty and staff. The varsity weight room is designed for use by student-athletes only, and is located on the first floor. The majority of the strength and conditioning curriculum is conducted in the facility - in addition to the Astroturf field, the Peterson Recreation Center and Taylor Natatorium.

INNOVATION LAB

The Innovation Lab is available to each of our 350+ NCAA Division I student-athletes. The lab is part of the overall Sports Medicine Department, with a primary focus on rest and recovery. The facility is one of very few in the country at the collegiate level. The facility houses the following amenities:

- Mindfulness Room: Five (5) nap pods for sleep/meditation
- Recovery Area: Five (5) zero gravity recliners with massage and heat, which may be used with recovery pump gear
- Two (2) sensory deprivation float rooms – 30 minutes of total relaxation, floating in 95 degree salt water in darkness
- CryoTherapy Chamber – Standing chamber uses liquid nitrogen to bring temperature to -130 degrees as you rotate in the chamber for three minutes
- Bod Pod: Used for total body composition
- Offices for sports nutrition, sports psychology and the Senior Associate Athletic Director for Health & Wellness

Dimeo Construction of Providence served as the general contractor for the RFDC. Perkins Eastman of New York served as the building's architect. Advent, which is headquartered in Nashville, Tenn., created the branded spaces through design, stories and digital elements.

JIMMY WALKER STRENGTH & CONDITIONING CENTER

Opened: August 2007

Located in The Concannon Fitness Center, the varsity strength & conditioning facility is a 3,600 square foot area dedicated to the Friars' 19 intercollegiate athletic teams. The facility houses over 10 tons of free weights, including dumb bells ranging from five to 150 pounds and a full set of kettle bells. All hand weights, iron plates and bumper plate sets are engraved with one of the College's athletic logos. There are six Power Racks, each with an Olympic Weight-lifting platform. These training stations are extremely versatile and allow numerous athletes to perform a variety of exercises simultaneously. The facility also houses 'tools' such as stability balls, medicine balls, resistance bands, weighted vests, weighted jump ropes, plyometric jump boxes, dot drill mats, slide boards, lateral slant boards, lateral skaters, agility ladders, hurdles and numerous apparatuses to develop trunk strength and core stabilization. There also are two Woodway high performance treadmills that max out at 16.5 miles per hour.

CANAVAN SPORTS MEDICINE CENTER

Opened: Spring 2007; Completed: August 2008

The Canavan Sports Medicine Center opened during the 2007-08 academic year and became fully operational in August 2008. The center is the primary sports medicine facility for each of the College's 300+ student-athletes and its working space is roughly 4,000 square feet. This state-of-the-art facility includes nine treatment tables with assorted modality equipment and office space for the eight certified athletic trainers on staff. The space also provides two physician clinic offices, where

primary care, orthopedic, chiropractic and podiatric physicians evaluate our student-athletes on a weekly basis. There also is a large rehabilitation/exercise area in the facility that houses a SwimEx rehab pool, one eight-person hot plunge pool and one eight-person cold plunge pool. During the 2011-12 academic year, the sports medicine center added an Alter-G Treadmill to its list of rehabilitation equipment.

HELEN BERT STUDENT-ATHLETE LOUNGE

Opened: January 2007; Completed: Winter 2009

On January 20, 2007, the Providence College athletic department welcomed members of the late Helen Bert's family to celebrate the opening of the Helen Bert Student-Athlete Lounge, located on the second floor of Alumni Hall. Prior to the Friars' game against Marquette on that day, there was a ribbon cutting ceremony. Bert's family also was presented with a gift honoring the late Helen Bert during a halftime ceremony.

The event was attended by friends, family, administrators and faculty, along with the presence of countless alumni. The Helen Bert Student-Athlete Lounge provides an area for all varsity student-athletes to study in a quiet setting. During the 2008-09 academic year, the lounge was renovated and expanded. It houses seven computer work stations, one print station and a seating area for group projects and meetings.

PETERSON RECREATION CENTER

Renovated: 2007-08

The Peterson Recreation Center is located adjacent to Alumni Hall and is connected to The Concannon Fitness Center. The facility includes a four-lane indoor track, four regulation length basketball courts and two indoor tennis courts. The Peterson Recreation Center also houses a dance/workout studio and racquetball courts. The facility serves as a home for many of the recreational activities sponsored by the College and to a series of summer camps and College functions.

TAYLOR NATATORIUM

Taylor Natatorium is located in the Peterson Recreation Center adjacent to Alumni Hall. Taylor Natatorium is home to the Providence College men's and women's swimming & diving programs. The vast majority of Providence's 19 varsity athletic programs also use the facility for strength & conditioning workouts. The venue was completely renovated during the summer of 2013.

THE BIG EAST CONFERENCE

Through the first six years in its configuration of 10 outstanding and nationally acclaimed institutions, the BIG EAST Conference has established itself as one of the nation's exceptional conferences and a leader in collegiate athletics.

Dynamic leadership has been a staple of the BIG EAST throughout its history. The conference turned "40" on May, 29, 2019, and has always taken a proactive role on many fronts. The 2018-19 academic year proved no different.

The BIG EAST secured its agreement with Madison Square Garden to assure the league will play its men's basketball tournament at the World's Most Famous Arena for the next 10 years.

The University of Connecticut, a member of the conference from 1979 to 2013, was readmitted to the BIG EAST. UConn, which will begin competing in the league again in 2020-21, brings a rich history of academic and athletic excellence. The Huskies' women's basketball program won eight of its 11 national championships as a BIG EAST member. The men's team won three national titles under the BIG EAST umbrella and an additional crown in 2014.

The BIG EAST Conference was chosen by USA Basketball to represent the United States at the 2019 Pan American Games in Lima, Peru. It marked the first time a team from a single Division I conference represented the U.S. in the sport of men's basketball in Pan American Games competition. The team exceeded expectations by winning a bronze medal.

In the arena and on the playing fields, the BIG EAST has produced 11 national champions over the past six academic years. Six BIG EAST teams have captured national titles, including two in men's basketball. BIG EAST student-athletes also have won national championships in five individual events.

In the classroom, a record 67 BIG EAST athletic programs were recognized in 2018-19 by the NCAA with Public Recognition Awards for outstanding academic achievement in the previous academic year. By percentage, Villanova led all schools nationally for a second straight year with 77 percent of its squads receiving recognition. BIG EAST schools also produced seven CoSIDA Academic All-Americans.

Val Ackerman, who previously served as founding President of the WNBA, President of USA Basketball and U.S. representative to the International Basketball Federation (FIBA), was named the BIG EAST's fifth Commissioner in 2013. Under her leadership, the BIG EAST has maintained its reputation for achievement at the highest levels and has continued to be influential on the national collegiate landscape, with numerous conference and campus administrators currently serving on important NCAA committees. Ackerman is one of the few sports executives who has held leadership positions in both men's and women's sports at the collegiate, professional, national team and international level.

In 2013, the BIG EAST began a new era by returning to its basketball-centric heritage. The league's 10 member schools—Butler University, Creighton University, DePaul University, Georgetown University, Marquette University, Providence College, St. John's University, Seton Hall University, Villanova University, and Xavier University—adhere to an unwavering commitment to academic integrity, athletic excellence and community service.

In December of 2012, DePaul, Georgetown, Marquette, Providence, St. John's, Seton Hall and Villanova, announced their intention to separate from the conference's FBS football-playing schools and form an independent association. The seven schools reached an agreement to retain the BIG EAST name and assume the conference's long-term pact with Madison Square Garden to host the BIG EAST Men's Basketball Tournament. The schools also announced the addition of three distinguished institutions — Butler, Creighton and Xavier — and forged a landmark, long-term broadcast partnership with FOX Sports. The BIG EAST moved its headquarters from its original location in Providence, R.I., to midtown Manhattan in New York City. The new era officially began on July 1, 2013.

The BIG EAST has been lauded as a leader in innovative concepts, particularly television, and that reputation continues with the conference's relationship with FOX Sports. The BIG EAST has enjoyed a successful multi-year partnership with FOX Sports and its national cable network FS1. FOX's comprehensive coverage of BIG EAST men's basketball includes the broadcast of all regular-season games on FOX, FS1, FS2 or FOX Regional Networks, as well as the BIG EAST Tournament at Madison Square Garden, college basketball's longest-running postseason conference tournament held at the same venue.

BIG EAST institutions are located in seven of the nation's 36 largest media markets, including New York, Chicago, Philadelphia, Washington, D.C., Indianapolis, Milwaukee and Cincinnati. FOX Sports platforms carry complete coverage of women's basketball regular-season play and the BIG EAST Women's Basketball Tournament. Every Olympic sport championship is also carried on a network or digital platform.

The BIG EAST has also increased the visibility of its school programs with the BIG EAST Digital Network (BEDN). In 2014-15, the league became the first collegiate conference to be hosted on the FOX Sports mobile platform. For the fifth straight year, BEDN aired 225 live events with an emphasis on women's basketball, soccer and Olympic sport regular-season and championship events.

Founded in 1979 by Dave Gavitt, the former Providence men's basketball coach and athletic director, the BIG EAST Conference became a reality in May of 1979. Providence, St. John's, Georgetown, Syracuse, Seton Hall, Connecticut and Boston College formed the original seven-school alliance, and the conference became an immediate national power in men's basketball. While the composition of the BIG EAST has evolved, the focus of its schools has not changed, reflecting a tradition of emphasizing academic strength and fair play.

To complement its athletic successes, the conference launched BIG EAST Serves in 2014 to align with the service missions of the member institutions. Initiatives housed under the BIG EAST Serves umbrella, the BIG EAST Career Consortium and the national partnership with the It's On Us campaign against campus sexual assaults, reflect the conference's commitment to developing the complete BIG EAST student-athlete and making a positive contribution to campus communities and the conference's headquarters in New York. The BIG EAST annually hosts a Well Being Forum to help provide institutional personnel with information, insights and basic training so they can better support the mental and physical health of their student-athletes.

The BIG EAST and Commissioner Ackerman have taken a leadership role in Sport at the Service of Humanity, an initiative created by the Vatican's Pontifical Council for Culture to focus on how sport and faith can drive positive social change. Ackerman was a delegate at the inaugural Vatican conference and has served on an advisory committee to develop the framework and content for the initiative.

The BIG EAST hosts Freshmen Fundamentals, a unique program designed to assist men's basketball student-athletes in the transition from high school to college and the elite level of BIG EAST basketball. The league hosts Transition Game for women's basketball, which assists women's basketball student-athletes in the transition from college player to emerging professional on and off the court.

BIG EAST institutions boast high graduation rates for their student-athletes, and the league has always been able to boast that many of its best athletes are also its best students. Creighton volleyball's Taryn Kloth and Marquette basketball's Allazia Blockton were the conference nominees for the 2019 NCAA Woman of the Year award.

The conference, which crowns champions in 22 sports, had league teams earn a total of 18 NCAA team berths and 23 individual NCAA invitations in 2018-19. In men's basketball, all 10 teams participated in the postseason for the first time in conference history. Men's basketball teams have earned 32 NCAA invitations in six years, averaging 5.3 per season.

Current BIG EAST men's basketball programs have enjoyed extraordinary success. Villanova has won NCAA Championships in 2018, 2016 and 1985. Georgetown and Marquette also have won the national title. Butler, DePaul, Providence, St. John's and Seton Hall have all made the Final Four. The BIG EAST placed three men's basketball teams in the 1985 Final Four — Georgetown, St. John's and Villanova—the only time this has occurred in NCAA history. Over the past 16 years, Butler, Georgetown, Marquette and Villanova have reached the Final Four, with Villanova making three trips and Butler two. Xavier has advanced to the Elite Eight three times.

The BIG EAST has achieved recent success in other sports as well. A BIG EAST team has won the NCAA women's cross country championship four of the last 10 years (Villanova twice, Providence and Georgetown once), with one runner-up finish (Providence). Creighton men's soccer has advanced to the NCAA College Cup twice in the last six seasons and Providence made it in 2014. Georgetown's women's soccer team reached the College Cup in 2018 and 2016. As an affiliate member in field hockey, Connecticut has won three national championships in six years. Denver, as affiliate member in men's lacrosse, won the NCAA crown in 2015.

In the 40 years since the original league opened its doors, BIG EAST teams have won 41 national championships in eight different sports with 145 student-athletes winning individual national titles in the league's history.

SEASON REVIEW

2020 MEN'S LACROSSE

Record: 5-1

Head Coach: Chris Gabrielli

Captains: Tim Hinrichs, Nick Shaw

- Due to the COVID-19 pandemic, spring practices and competitions were canceled on March 13 for the remainder of the season. The Friars completed their shortened season with a 5-1 overall record.
- The Friars captured their second Ocean State Cup Championship in the last three years with a 13-12 victory over Brown in overtime on Feb. 29. Sean Leahey scored the game-winning goal for the Friars with 1:16 left in OT. It also marked the Friars' second victory over Brown all-time.
- The Friars completed their abbreviated season ranked No. 1 in the nation in man-down defense (.938) and No. 3 in the nation in scoring defense (8.00).
- Providence went 1-0 in overtime contests. The Friars defeated Brown, 13-12, on Feb. 29.
- Providence held four of its six opponents to single-digit goals.
- Providence recorded three of its five victories on the road, having posted a 3-1 mark away from Chapey Field at Anderson Stadium. The team's only loss of the season came against Saint Joseph's (10-8) in Philadelphia, Pa.
- Junior Toby Burgdorf was putting together an exceptional season between the pipes in his first year as the Friars' full-time goaltender. He finished the season ranked second in the nation in save percentage (.628), third in goals against average (7.94) and 13th in saves per game (13.50). He was named BIG EAST Defensive Player of the Week three times (Feb. 10, Feb. 17, March 4) and earned BIG EAST Weekly Honor Roll recognition on March 9.
- Sophomore attackman Matt Grillo recorded a hat trick in five of the Friars' six games, including a career-high six goals vs. Sacred Heart. Grillo finished the season ranked 20th in the nation in goals per game (3.50) among 147 NCAA Division I lacrosse players eligible for ranking.
- Junior Emmett Jennings finished the year ranked 14th in the nation in caused turnovers per game (2.00). He was named to the USILA Division I Team of the Week (Feb. 3).
- Senior Tim Hinrichs was named to the Preseason All-BIG EAST Team. The midfielder finished the season with eight points on four goals and four assists. He recovered six ground balls and caused one turnover.
- Matt Grillo ranked first on the team in points (25) and goals (21). Senior Sean Leahey led the team in assists, with 13. He ranked second on the squad in points (22) and tied for third in goals (9). Senior Dan Axelson ranked second in goals, with 11, and recorded 14 points overall. Senior Ryan Nawrocki and freshman John Hoffman rounded out the list of Friars who recorded double-digit points. Nawrocki tallied 13 points on six goals and seven assists, while Hoffman tallied 11 points on nine goals and two assists.

 New Balance
 Onepath
 Pandora
 Procacciani Co.
 Pure Storage
 Silvercrest Asset Management
 Stryker
 Third Bridge
 Twitter
 UNTUCKit

"Academic success has always been a focal point for our program and our team GPA of greater than 3.0 is a testament to that commitment. Traveling to Boston and New York City provides our student-athletes with access to a network of high caliber professionals and companies and prepares them for success after they graduate. Ultimately this is at the core of our mission."

– Head Coach Chris Gabrielli
