SAM

HEAD COACH

LOPES

SEVENTH SEASON AT PROVIDENCE

HEAD COACH

Sam Lopes was named the ninth head coach of the Providence women's soccer program on April 10, 2014 and will embark on his seventh season on the sidelines in 2020.

In his first six seasons as head coach, Lopes has guided the Friars to five winning seasons and six-consecutive appearances in the BIG EAST Tournament.

In 2019, Lopes guided the Friars to their third-consecutive BIG EAST Semifinal game after upsetting the No. 3 seeded Butler Bulldogs in the BIG EAST Semifinal. Providence finished the season with an 8-9-3 overall record and 3-5-1 conference mark. Lopes mentored the BIG EAST Goalkeeper of the Year for the first time in program history, Shelby Hogan, who was also named to the All-BIG EAST First Team. He also guided Hannah McNulty to the All-BIG EAST Second Team and Lisa Verhoeven and Alexis Rothmann to the BIG EAST All-Freshman Team.

Lopes led the Friars to the BIG EAST Semifinal round during the 2018 season after finishing the year with a 11-6-3 overall record. The team tied for fourth in the conference after posting a 4-3-2 BIG EAST record, leading them to the No. 6 seed in the BIG EAST Tournament. Lopes directed a program record five players to All-BIG EAST honors at the conclusion of the season. Senior Katie Day was named to the All-BIG EAST First Team for the second-consecutive year.

In 2017, under the direction of Lopes, the Friars finished 10-8-2 overall and posted a 5-3-1 record in BIG EAST play. The Friars earned the No. 3 seed in BIG EAST post season play and advanced to the BIG EAST Semifinal round for the second time in Lopes' tenure at Providence. Lopes coached four players to All-BIG EAST honors; most notably Shelby Hogan's BIG EAST Freshman of the Year recognition.

During the 2016 season, Lopes led the Friars to its third-consecutive winning season with an 11-7-2 overall record a 5-3-1 mark in conference play. The team earned its third-consecutive appearance in the BIG EAST Tournament. The Friars faced St. John's in the quarterfinal round of the Tournament and fell to the Johnnies, 1-0.

Lopes mentored goalkeeper Kristyn Shea, Hannah Wear and Kathryn Hiller to All-BIG EAST Second Team honors. Shea also broke the Friars' all-time shutout record with 25 career shutouts, the accolade was previously held by Caroline Haines '03 (19).

During the 2015 campaign, Lopes directed the Friars to a 13-8-1 overall record and a 5-4 record in conference play. The Friars' 13 victories marked the most in program history, and just the fifth double-digit win season for the program all-time.

Providence secured the No. 6 seed in the 2015 BIG EAST Conference Tournament and advanced to the championship game with a quarterfinal victory against DePaul (1-0) and a thrilling semifinal win against Georgetown in which Providence advanced on penalty kicks (1-1). The Friars' tournament run came to an end in the tournament final, falling to Butler, 1-0. Zimmerman nabbed BIG EAST Tournament Most Outstanding Player, marking just the second Friar all-time to earn the honor, joining former Providence goalkeeper Jennifer Mead (1993). Christina Klaum and Kathryn Hiller were honored along with Zimmerman as members of the BIG EAST All-Tournament Team.

Zimmerman capped her career with the Friars as the program's only four-time BIG EAST post-season honoree, having earned First-Team recognition in back-to-back seasons in 2014 and 2015. She also was a Second-Team selection in 2013 and finished her freshman season as a BIG EAST All-Rookie Team pick in 2012.

Zimmerman also was named to the 2015 NEWISA All-New England First Team, NSCAA NCAA Division I All-Northeast Region Second Team, while goalkeeper Kristyn Shea made an appearance on the NEWISA All-New England Second Team. Shea was in net for all eight of the Friars' shut-out victories, tying former Friar Caitlin Walker (2011) for the most shutouts during a single season in program

history.

During his first season with the Friars in 2014, Lopes led Providence to a 9-8-2 overall record and a 5-4 finish in the BIG EAST Conference. It marked the Friars' first winning season since 2010. Additionally, Lopes guided Providence to its fourth appearance all-time in the BIG EAST Conference Tournament, and first since 2011.

Lopes mentored three All-BIG EAST selections in his first season at the helm, including the program's first-ever All-BIG EAST First-Team honoree in Catherine Zimmerman. Zimmerman was one of two unanimous selections on the First Team. Christina Klaum, who was honored on the All-BIG EAST Second Team, also was invited to the United States Soccer Under-19 Women's National Team training camp in Carson, Calif. in April 2015.

Lopes spent one season as the head coach at New Hampshire during the 2013 campaign. He coached three Wildcat players who earned America East post-season honors. Goalkeeper Mimi Borkan earned a spot on the 2013 America East All-Rookie squad, while Hannah Blondin and Colleen Murray nabbed spots on the All-Academic Team.

Prior to his term at UNH, Lopes spent two years as an assistant coach at Providence College (2011-2012). In his first season with the Friars, Lopes assisted Providence to their first BIG EAST Tournament game since 1994. Providence then defeated Rutgers, 1-0, to advance to the quarterfinals. He also helped coach Jenna Roncarati to her third-consecutive All-BIG EAST honor. As the assistant at Providence, Lopes handled recruiting, scouting, travel and budgeting, as well as monitoring the academic progress of student-athletes and planning team training and individual workouts.

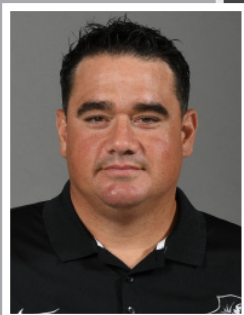

Lopes was the head assistant women's coach at Southern Connecticut State University from 2005-2011. He was highly involved in recruiting, planning off-season training and helped establish the Freshman Athletic Scholastic Training (F.A.S.T.) academic program.

Lopes, a 2002 graduate of Quinnipiac University, received a bachelor's degree in Computer Information Systems. He was a four-year member of the soccer team and was a captain during his senior season. After playing at Quinnipiac, Lopes went on to play in the United States Soccer League for the Connecticut Wolves and the Westchester Flames.

He began his coaching career in 2002 as an assistant at Saint Joseph College in West Hartford, Conn. Additionally, Lopes served as an assistant coach with the Boston Breakers (2010-11), Quickstrike Lady Blues (2009) and New England Mutiny (2007-08).

Responding to the needs of Rhode Island, the Dominican Order of Preachers made a special commitment to the state in 1917 and founded Providence College — the only institution of higher learning in North America that is conducted by the Order.

Providence College's rich heritage dates back to 1216, or the origins of the Dominican Order in Spain. Through the ages, the Dominican Friars became known as the "champions of the faith," spreading the gospel message through the centuries into every corner of the globe. Today, Dominican Friars continue to spread the gospel in a wide range of remote areas of the world, to teach at every level of the United States educational system.

With the Dominican tradition as its foundation, Providence College focuses on developing the entire person through its values-oriented education. The college seeks to complement a student's knowledge with knowledge of his/her own values — values that will remain the foundation for sound judgement throughout a lifetime.

To that end, Providence College aims to relate its curriculum to the problems of contemporary society, offering diverse programs of study that remain grounded in the liberal arts. Students may choose from some 60 concentrations ranging from computer science to labor relations to theatre arts.

In addition, qualified students who wish to structure a program not specifically provided under the regular concentrations may develop their own program with the approval of the dean of the college.

As part of the core curriculum, all students take a two-year, team-taught course, Development of Western Civilization (DWC) which integrates the study of literature, philosophy, history and religious studies through the ages into a cohesive interdisciplinary unit.

Situated on 105 acres on the fringe of downtown Providence, the College's location enables students to have easy access to the many social, cultural, educational and recreational amenities of urban life - the Providence Public Library; entertainment at the Providence Performing Arts Center; sporting events, entertainment and trade shows at the Dunkin' Donuts Center and the Providence Convention Center, Providence Place Mall and dozens of fine restaurants. With several other major educational institutions located in Providence, the city has become a hub of collegiate activity.

THE MISSION OF THE COLLEGE

Providence College is a primarily undergraduate, liberal arts, Catholic institution of higher education. Committed to fostering academic excellence through the sciences and humanities, the College provides a variety of opportunities for intellectual, social, moral and spiritual growth in a supportive environment.

The College actively cultivates intellectual, spiritual, ethical and aesthetic values within the context of the Judaean-Christian heritage. These values are nurtured by the unique tradition of the Dominican Order which emphasizes quality teaching and scholarship.

Providence College recognizes the unity of the human family that proceeds from its one Creator. It therefore encourages the deepest respect for the essential dignity, freedom and equality of every person and welcomes qualified women and men from all religious, racial and ethnic backgrounds. Providence College prepares its students to be responsible and productive citizens to serve in their own society and the greater world community.

ATHLETIC DEPARTMENT MISSION STATEMENT

Our mission is to build champion citizens, scholars and athletes who will positively impact the world around them.

SERVICES AVAILABLE TO STUDENT-ATHLETES THROUGH ATHLETIC ACADEMIC SERVICES

Academic Monitoring

Progress report slips (i.e., requesting information regarding class attendance and performance) are sent to each instructor for all student-athletes at least once per semester. The staff tracks individual progress, schedules meetings with student-athletes as appropriate, and personally contacts instructors as necessary.

Counseling/Mentoring

The staff meets with student-athletes, individually and in-groups, regarding academic, athletic, career, and/or personal issues.

Life Skills Program/Special Projects

Programs and workshops on select life skills (i.e., NCAA/CHAMPS Life Skills Program) are presented, covering the following five component areas: academics, personal development, community service, athletics, and career development. The OAS has collaborative relationships with many units on campus to help provide these services.

Pre-Registration

The staff assists student-athletes with planning and course registration. In conjunction with the Office of Academic Records, dates are determined for pre-registration each semester.

Study Hall

Quiet, monitored study time is available, during daytime and evening hours. Student-athletes are required and/or recommended to attend, on a sport-by-sport basis, by their respective head coach.

Travel Notifications

At the beginning of each semester, student-athletes are provided with letters for their instructors, notifying them of travel/competitive schedules.

Tutorial Services and The Writing Center

The Tutorial Center, which is nationally certified by the College Reading & Learning Association, provides peer tutoring in most all subject areas. The Tutorial Center is open until 9:00 pm weeknights. The Writing Center provides more intensive and specialized writing support and also maintains evening hours for student-athletes' convenience.

ATHLETIC ACADEMIC SERVICES

The Office of Academic Services (OAS) provides specialized support to student-athletes in light of the unique time demands, responsibilities, and rules governing participation in intercollegiate athletics. Holistic services are provided in a safe, personal environment where academic growth is a priority, personal development and independence are enhanced, and long-term success is nurtured by a staff which models these same commitments.

Student-athletes who have distinguished themselves in the classroom, as well as on the field or court, may be nominated for the BIG EAST Academic All-Star Team, the HOCKEY EAST Academic Honor Roll, NFHCA Division I Academic Team or the Academic All-America Program presented by CoSIDA. The Providence College Athletic Department also honors student-athletes each semester who have achieved a 3.00 grade point average or higher.

UNDERGRADUATE DEGREE REQUIREMENTS

pursuit of the truth, growth in virtue, and service of God and neighbor.

ROBERT G. DRISCOLL, JR. / ASSOCIATE VICE PRESIDENT / ATHLETIC DIRECTOR

Having completed his 19th season as Providence College's Vice President and Athletics Director, Bob Driscoll has transformed and reinvigorated Providence College's athletics program. He has established a vision of student-athlete success in the classroom and in the community while competing for championships. Driscoll maintains focus on leading, fostering and mentoring one of the nation's most respected athletic programs. Over the past seven years, Driscoll has been the architect of one of the most successful eras in the history of Providence College athletics. The Friars continued their success during 2019-20, with the men's soccer team advancing to the NCAA Third Round after posting a 16-7 overall record. It was the program's fourth NCAA Tournament bid in eight seasons under head coach Craig Stewart. The Men's basketball team concluded the season as one of the hottest teams in the NCAA, winning its final six games with three coming against top-20 opponents. Abbey Wheeler of the women's track and field team was named the USTFCCA Northeast Region Women's Indoor Track and Field Athlete of the Year after winning the 3,000 and 5,000-meter events at the BIG EAST Championships. Her mark in the 5,000-meter event qualified for the NCAA Championships.

Over the course of the last decade, Providence College has enjoyed sustained success in addition to capturing multiple championships beginning with the 2013 women's cross country team claiming the College's second NCAA title. It continued with the men's basketball team winning the 2014 BIG EAST Tournament title and advancing to the NCAA Tournament in five-consecutive seasons from 2014-18. The men's hockey team made two Frozen Four appearances and six-consecutive NCAA Tournaments, including its first NCAA Championship with a dramatic, come-from-behind win over Boston University on April 11, 2015 at the TD Garden. It marked the College's third NCAA team title and its first in a men's sport.

In 2020, Driscoll was recognized with the Division I-AAA Athletics Directors Association Builders' Award. For the second time in his tenure, Driscoll was recognized as the Under Armour I-AAA Athletics Director of the Year at the 51st Annual National Association of Collegiate Directors of Athletics (NACDA) convention in June 2016. In June 2008, Driscoll also was named the 2007-08 Astro Turf Athletics Director of the Year for the Division I Northeast Region at the 43rd National Association of Collegiate Directors of Athletics Annual Convention.

The Friars also have excelled in the classroom, with Providence's student-athletes combining for an average GPA of 3.37. After a school-record six Providence College athletic programs received Public Recognition Awards in 2014 as part of the NCAA Academic Progress Rate (APR) program, three Friar teams earned the honor in 2015 and two teams, women's swimming & diving and women's tennis, earned recognition awards in 2016 and 2017. In 2018 and 2019, five programs earned recognition awards. Multiple Friar teams have been honored in each of the 15 years the NCAA has given out the Public Recognition Awards. Aside from excelling in the classroom and competing for championships, Driscoll's student-athletes are very active in the local community. Last year alone, Friar student-athletes combined for 3,245 hours of community service at 145 events serving 33 organizations. The economic impact of those hours totaled \$82,525. Providence was named a runner-up for the 2018 NACDA Community Service Award, earning \$5,000 to donate to local charities. The Friars recently finished fifth overall in the NCAA Division I Team Works Community Service competition in 2020, with the volleyball, softball and lacrosse programs each finishing among the top-10 among their Division I counterparts in the sport specific standings.

One of the biggest impacts Driscoll has had on the Providence College Athletics Department, and the College as a whole, has been with facility development, construction and renovation. Construction of Chapey Field at Anderson Stadium was completed in 2015, where the men's and women's soccer and men's lacrosse programs play. The college also built a new softball complex, known as Glay Field, in addition to building six tennis courts adjacent to Anderson Stadium. He also oversaw the 2013 renovation of Schneider Arena – home of the Friar men's and women's hockey teams.

In August 2018, construction was completed on the \$35 million Ruane Friar Development Center — a men's basketball training and recruiting facility. The 58,218 square foot Friar Ruane Development Center also houses the athletic department's Innovation Lab — a state-of-the-art facility that is available to each of our 350+ NCAA Division I student-athletes. The lab is part of the overall Sports Medicine Department, with a primary focus on rest and recovery.

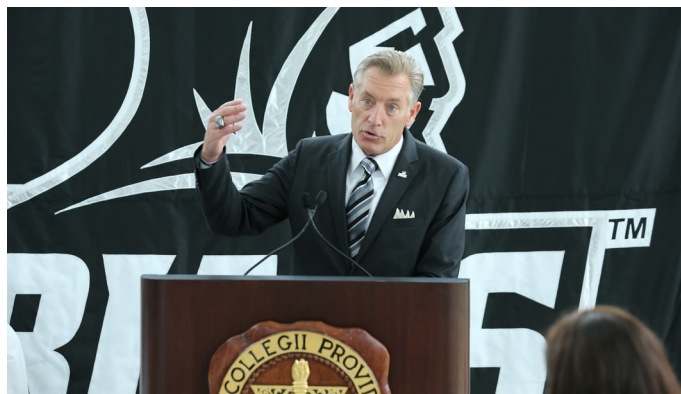

Kicking off Driscoll's vision for the improved athletic facilities footprint at Providence College, the Concannon Fitness Center, opened in August of 2007, adjacent to Lennon Family Field (Astroturf facility), which was completed in August 2005. A new Astroturf surface was installed on Lennon Family Field in the summer of 2017 in addition to a new videoboard in the summer of 2018.

Other facility upgrades that have highlighted Driscoll's tenure include an \$80-million renovation of the Dunkin' Donuts Center, which serves as the home venue for Friars men's basketball. The project was the result of Driscoll working strategically with lead officials in the City of Providence and the State of Rhode Island.

The renovations enhanced the game-day experience by adding 20 luxury boxes, new seats, video scoreboard, sound system, updated restaurant and concession stands, team store, locker rooms and new weight training/fitness areas. These renovations have enabled Providence College to serve as host for the First and Second Rounds of the 2010, 2016, and the future 2021 NCAA Men's Basketball Championship.

Driscoll established the athletic fundraising philosophy and the Friars Athletic Fund, led by its fundraising and development staff, has been instrumental in making program upgrades possible. The athletic department has exceeded fundraising goals on a yearly basis, reaching \$7-million in cash donations during the 2019-20 fiscal calendar. The additional revenue remains critical to building and supporting championship programs and providing the best opportunities to Providence College's student-athletes. The funds Driscoll and his staff raise help directly support each of the College's 19 NCAA Division I programs, the Friars Forever Fund and capital projects.

In 2019, he was named as the AD Representative for the BIG EAST Diversity and Inclusion Working Group. This group is tasked to review policies, initiatives and best practices among BIG EAST member institutions and other athletics conferences and develop strategies designed to enhance the athletics-related D&I efforts already underway on BIG EAST campuses. In collaboration with the Office of Institutional Diversity, Equity and Inclusion, Driscoll helped create a position on campus: "Director of Training and Education for Diversity, Equity and Inclusion." This goal of this position is to strengthen and build upon the College's efforts to cultivate policies, practices and structures that ensure an inclusive, equitable and hospitable environment for students, student-athletes, staff, trainers and coaches.

In the past, Driscoll has served as the President of the Division I-AAA Athletics Directors Association. He also has served as First Vice President and Second Vice President for the organization. Driscoll previously served on the NCAA Division I Management Council, the NCAA Ice Hockey Championship Committee (Chair 2010-11) and was the Chair of the BIG EAST Athletic Directors in 2011-12. Driscoll also was an NCAA Fellows Programs Executive Mentor. Currently, Driscoll serves on the BIG EAST Finance Committee with the league's other presidents and also is a Chair for the Hockey East Board of Directors. Additionally, Driscoll represents the BIG EAST's athletic directors on the Student-Athlete Advisory Council, serves as a mentor for the Division I-AAA mentoring program and serves on the Hockey East Television Negotiations and Marketing Committees.

Driscoll joined the Providence community after 14½ years in athletic administration at the University of California, Berkeley, culminating in serving as the Acting Executive Director for Intercollegiate Athletics and Recreational Sports.

Driscoll was hired at Cal as the Associate Athletic Director for Student Services, a position he held for five years. He then assumed the position of Executive Associate Athletic Director, at which point he was responsible for the administration of 27 varsity sports, a staff of 250 and a \$36 million budget. Prior to coming to Providence, he served as the Acting Executive Director for Intercollegiate Athletics and Recreational Sports. During his tenure, Cal won over 20 national championships and competed in the Citrus, Copper, Alamo and Aloha Bowls. The Bears also finished as high as 12th in the NACDA Directors' Cup.

Before arriving at Cal, Driscoll served six years (1981-87) as the Athletic Director and Chair of the Department of Physical Education, Recreation and Intramural Sports at Mills College in Oakland, Calif. Prior to Mills, Driscoll was Assistant Athletic Director and Head Baseball and Hockey Coach at Union College in Schenectady, N.Y. from 1977-81. Driscoll played hockey, where he was captain and team MVP for three-consecutive years, and baseball at Ithaca College (N.Y.). He received a Bachelor of Science degree in physical education in 1974 and his Master of Science in physical education/psychology of sports from Ithaca in 1975.

A native of West Concord, Mass., Driscoll was inducted into the inaugural class of Concord-Carlisle High School's Athletic Hall of Fame (football, ice hockey and baseball) in 1993. He was also inducted into the 50th Anniversary Class of Ithaca College Athletic Hall of Fame in 2019. He and his wife Cathy have three grown children.

ALUMNI HALL

Opened: December 1995 Renovated: 2012

In the early 1950's Father Robert J. Slavin felt in order for Providence College to be competitive in basketball, PC needed an on campus facility. Out of this belief came Alumni Hall, a 1.5 million dollar auditorium with a capacity of 2,620 which became the home of the men's basketball team. After 29 years of playing at various locations throughout Rhode Island, the Providence men's basketball team played its first game in Alumni Hall on December 3, 1955, beating rival Brown University, 77-55. Alumni Hall became the practice facility for the men's team as they moved their home games to the Providence Civic Center - now known as the Dunkin' Donuts Center. Two years later, in 1974, Alumni Hall opened its doors to a new team - Providence College women's basketball. The facility remains the home court for the women's basketball and women's volleyball programs. In addition to being the home of the Friars, Alumni Hall has hosted many tournaments, including the opening rounds of the National Invitational Tournament (NIT) and the NCAA Women's Basketball Tournament. In March, 1993, Providence hosted the 11th BIG EAST Women's Basketball Championship. It was the second time in conference history that the Tournament was held at Alumni Hall. Hannah McNulty (Warwick, R.I.) scored the equalizing goal in the 82nd minute after burying a free kick from 30 yards out to the upper left corner, to tie the game at 1-1. Providence advanced on penalty kicks after Jana Braun (Frittlingen, Germany), Melissa Bambery (Acton, Mass.), Celina Falzarano (Roslyn Heights, N.Y.), Mara Rodriguez (Rochester, N.Y.) and Elayna Grillakis (Lowell, Mass.) converted five out of six penalty kicks. The Friars improved to 3-0 in penalty kick shoot-outs since the 2015 season. The Friars advanced to the semifinal where they fell to the No. 2 seeded Georgetown Hoyas, 2-0.
- The Friars posted a four-game win streak from Sept. 19 through Oct. 3. Providence earned victories at Texas (1-0), versus Northeastern (2-1), versus St. John's (4-0) and at Marquette (2-1). Three of those wins came in overtime as the Friars went unbeaten in overtime games this season with a 5-0-3 mark.
- Shelby Hogan (Franklin, Mass.) was named the Preseason Goalkeeper of the Year and BIG EAST Goalkeeper of the Year. This marked the first time in program history a Providence player has earned a major award. She was also named to the All-BIG EAST First Team. Hogan led the league in saves (110) and saves per game (5.5). She finished the season ranked first in the conference in total saves (114), proving to be 14th best in the nation.
- Junior Hannah McNulty tallied nine goals on the season including four game-winning goals, which ranked her third in the BIG EAST and 47th in the nation in that category. McNulty moved into eighth place on the all-time scoring list for her 18 points this season, giving her 51 career points heading into her senior campaign.
- Sophomore Elayna Grillakis was the other Friar to tally double digits in points this season with 12. She recorded five goals and two assists, notching three game-winning goals. Grillakis scored a goal in four straight games amidst Providence's four game win streak from Sept. 19 through Oct. 3, registering goals against Texas, Northeastern, St. John's and Marquette.
- Women's soccer had four players earn All-BIG EAST honors. Shelby Hogan was named to the First Team, Hannah McNulty earned a spot on the Second Team and Alexis Rothmann and Lisa Verhoeven were honorees on the All-BIG EAST Freshman Team.
