Florida Southern's First Intercollegiate Soccer Team (1957)

Florida Southern's first intercollegiate soccer team took the field in 1957, coached by Jim Bush (far right with the bow tie). In their inaugural season, the Moccasins went 1-3-2, playing in the Florida Intercollegiate Conference with Jacksonville, Rollins and Stetson. They tied Stetson, 1-1, in their first game, and earned their first win on November 2, at the expense of Jacksonville, beating the Dolphins, 3-1. Hernando Clavijo scored the first ever goal for the Moccasins, while Eddie Kalaska (kneeling and wearing #13) scored the first game-winner by snapping a 1-1 tie in the third quarter against Jacksonville.

One year later, Florida Southern won the first of its five FIC titles. The Moccasins also won the league in 1965, 1966, 1967, and 1971. The '71 team earned a bid to the NCAA Small College Southern Regional Tournament, hosted by Rollins, so far the only time the Moccasins have advanced to any type of NCAA postseason play.

FLORIDA SOUTHERN HALL OF FAMERS

Jim Bush, Florida Southern Hall of Fame, Class of 2005

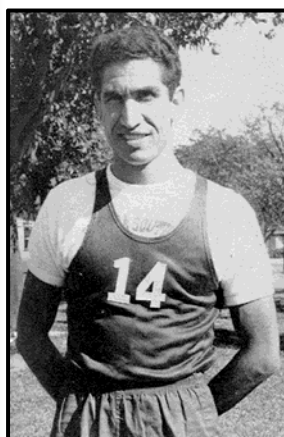

Jim Bush spent 30 years at Florida Southern and served as head coach of the Moccasins from their beginning in 1957, until his retirement following the 1980 season. He compiled a career record of 115-118-23, won five Florida Intercollegiate Conference titles, and led the Mocs to their only NCAA Tournament appearance in 1971. Bush also coached the Florida Southern men's tennis team for 27 years (1959-85) and put together a mark of 283-209, and the FSC women's tennis team in 1979 and '80 with a record of 33-16.

Alan Grossman, Florida Southern Hall of Fame, Class of 2006

In 2006, Jim Bush was joined by one of his former players, Alan Grossman, who played at FSC from 1971-74. He set season records that still stand with 22 goals and 47 points in 1973, and also owns the school record for goals in a match (6), goals in a career (47), and most career hat tricks (10). His career total of 97 points stood as a school record for 31 years before it was broken in 2005. He was the Mocs' leading scorer three times, including his senior year when he moved to the back line in order to help the defense.

The Founding Father of Florida Southern Soccer, 2007 Hall of Fame Inductee Mohammed Sabie

Mohammed Sabie

Though he never served as head coach of the men's soccer team, Mohammed Sabie would have to be considered the patriarch of the Florida Southern soccer program.

As a student at Florida Southern in 1954, Sabie was instrumental in organizing a men's club soccer program, which later reached varsity status in 1957. He also played for the early Moccasins and after his graduation in 1957, took his soccer expertise to Kentucky where he is credited with being one of the founding fathers of soccer in that state. He coached and taught at Morehead State University for 38 years and is a member of that school's Hall of Fame as well. Sabie was also a coach for the Iraqi national team in the 1968 Olympics.

In March of 2007, Sabie became the third person inducted into the Florida Southern Athletic Hall of Fame for his contributions to soccer. He joined Jim Bush, the Moccasin coach from 1957-80, and Alan Grossman, who played for the Mocs from 1971-74, and still holds the school's career goals record. Shortly after his induction into the FSC Athletic Hall of Fame, Sabie passed away in Kentucky at the age of 77.

Brian Bain, Florida Southern Hall of Fame, Class of 2010

Brian Bain was a 1967 All-American and remains the only four-year starting goalkeeper in team history (1966-69). Though complete save totals from that era are unavailable, he still ranks in the top three of every career goalkeeping category in the team record book. After his graduation, Bain taught in the Polk County school system for 35 years and was well-known for his involvement in high school sports, particularly volleyball and wrestling. In 2001, he was inducted into the National Wrestling Hall of Fame.

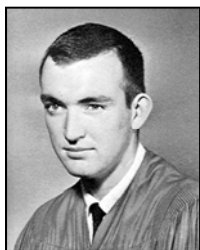

Cliff Dixon, Florida Southern Hall of Fame, Class of 2011

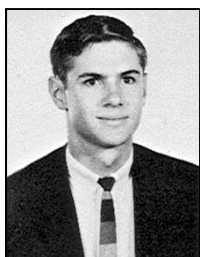

Cliff Dixon came to Florida Southern in 1995 after one year at the University of Central Florida, and spent most of the next three years as the Moccasins' starting goalkeeper. He was named Second Team All-Sunshine State Conference as a junior, and as a senior he was both First Team All-SSC and Second Team All-South Region. That year, in 1997, he set school records that still stand for goals against average (0.61) and shutouts (11), while making 67 saves. Dixon's overall career numbers include a team-record 17 shutouts, while his 1.19 goals against average is second all-time.

FLORIDA SOUTHERN ALL-AMERICANS

BILL CURRIE – 1961

Bill Currie, Florida Southern's first soccer All-American, was also the school's second All-American in any sport after basketball player Don Tobin had been honored four years earlier. Currie came to Florida Southern from Rochester, New York, and was a three-year letterman for the Moccasins from 1959-61. In each of those seasons he was All-Florida Intercollegiate Conference as the top goalkeeper in the league, and as a junior and senior, he was Florida Southern's MVP. In 1960, Currie became the first Moccasin goalkeeper to post a shutout when he blanked Rollins and Emory in back-to-back games, and as a senior in 1961, he set a record that still stands today with 201 saves. Since that is the only season in which his save total is available, it's likely Currie would be first or second on the Mocs' career list as well.

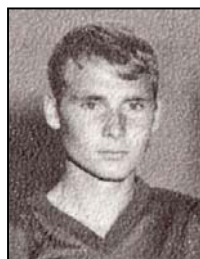

JOHN HAYES – 1965

As a freshman from Sanford, Florida in 1961, John Hayes served as All-American Bill Currie's backup in goal; and as a sophomore, he took over between the posts on a regular basis. After sitting out a season, Hayes returned to school in 1964, and spent two more years as Florida Southern's starting goalkeeper. Among his highlights was a 22-save shutout against the University of Miami as a junior that was the Mocs' first win over the powerful Hurricanes in seven tries. A year later, the Mocs won the Florida Intercollegiate Conference with an undefeated league record, and Hayes was named to the all-conference team.

BRIAN BAIN – 1967

Just as John Hayes took over for Bill Currie and eventually won All-American honors, Brian Bain took over for Hayes and did the same. Bain, however, won the starting job as a freshman and remains the only four-year starting goalkeeper (1966-69) in team history. During his All-American sophomore season, Bain set a school record that stood for 30 years with a 1.20 goals against average, and his career totals of nine shutouts with a 1.82 GAA stood as records for 28 years. He still ranks in the top three of every career goalkeeping category at Florida Southern, though complete save totals are unavailable from that era. Originally from Union, New Jersey, Bain was also a two-time All-State selection while that team was still in effect, and Florida Southern's 1968 MVP.

JIM DAWSEY – 1969

The only Florida Southern field player to earn All-American honors was Jim Dawsey, who played for the Moccasins at the same time as All-American goalkeeper Brian Bain (1966-69). Dawsey was a Lakeland native who made an immediate impact by earning All-Florida Intercollegiate Conference status as a freshman. A four-year starter at forward and three-year captain, Dawsey graduated as the school's career leader with 28 goals, a figure that still ranks fifth in team history. He also ranks 10th on the career points list, and would certainly be higher if complete assist totals were available. He still remained in the top five until 1996. Dawsey led the Moccasins in goals as a junior, and in goals (11) and points (24) as a senior when he was Florida Southern's Most Valuable Player.

AHMAD BELFON – Academic All-American (1997, '98, '99)

Florida Southern soccer's first Academic All-American, Ahmad Belfon (also known as Junior) was a four-year starting defender for the Moccasins from 1996-99. During that time, Florida Southern had four of the top six defensive seasons in team history, with a total of 24 shutouts and a 1.09 goals against average. Twice during that period, the Mocs had a team goals against average under 1.00, and in 1997 they set school records with 11 shutouts and a 0.62 GAA. In Belfon's senior year, the Moccasins set another team record by allowing just 8.8 shots per match while going 13-5-2, and allowing more than one goal in only three of their 20 games played. Belfon also scored five goals with five assists in his career, and his 65 career starts are the fourth most by a Moccasin.

GIVI KOKAIA – Academic All-American (2010)

During his four years at Florida Southern, there were few athletes that combined athletic ability and academic success as well as Givi Kokaia. In 49 games with the Moccasins, Kokaia scored 22 goals and had 13 assists for a total of 57 career points. A two-time Academic All-District selection, 2010 was Kokaia's best season in a Florida Southern uniform as the senior forward tied for the team lead with nine goals and added 10 assists. His 27 points ranked sixth in the Sunshine State Conference, and his 1.80 points per game were third. The Moccasin co-captain would go on to earn First Team Academic All-American honors after finishing sixth in the nation in assists per game, and 24th in points per game.

FLORIDA SOUTHERN ALL-REGION SELECTIONS

1999 graduates and co-captains Bruce Manuel (left) and Ahmad Belfon (right); Manuel was a 2-time All-South Region selection and Belfon was a 3-time Academic All-American.

Givi Kokaia twice made the Academic All-Region Team and was an Academic All-American in 2010 when he scored nine goals and added nine assists for 27 points. In his career, Kokaia had 57 points in 49 games.

Terry Darby played three seasons for the Moccasins from 1963-65, was the team MVP in the final two, and was FISCA All-State as a senior. He scored a total of 27 goals in his career, and his career point total of 66 still ranks seventh in team history despite playing less than 30 total games. He's also the only player in team history to average more than two points per game in his career.

Florida Southern played in the Florida Intercollegiate Conference with several other current members of the Sunshine State Conference from 1957-76 before the SSC adopted men's soccer for the 1977 season. (The FIC was disbanded for one year in 1968.) Rollins and Stetson were also members during all 19 seasons, with Saint Leo joining in 1969. Other members at various times were Eckerd, Embry-Riddle, Jacksonville, Miami, and Tampa.

FLORIDA SOUTHERN ALL-CONFERENCE SELECTIONS

After transferring from the University of South Florida, Mike Nance became the Moccasins' second 3-time All-SSC player from 1999-2001. Despite playing only three years at Florida Southern, he's tied for third on the team's all-time scoring lists with 35 goals and 87 points in 53 games. He's one of only three Moccasins to score 10 or more goals in back-to-back seasons (1999, 2000).

During the 2000 season, Florida Southern went 12-5 overall, with a 4-3 mark in the Sunshine State Conference in large part due to the play of freshman defenders Clay Roberts (top) and Robbie Sanger. Twice during that season, including once in a conference game at Florida Tech, the Moccasins did not allow a single shot, marking the only two times in team history that's happened. Overall that year, the Mocs surrendered an average of just 8.9 shots per game, and in 2001, that average fell to 8.5, which remains the school record. By the end of their careers, Sanger was a 2-time All-SSC selection, and Roberts was All-South Region in 2003.

#Game played at the Rollins College Tournament in 1994

Players in italics scored hat tricks as a reserve

- Zach Hofstetter holds the school record for the fastest hat trick, scoring his three goals in the first 11:35 of the Mocs' 10-0 win over Ave Maria in 2010
- Hofstetter is also one of two Moccasins to register a hat trick in the final 20 minutes, scoring all three of his goals against Saint Leo in 2011 during that span (in 1998, Paul Sluyter scored four times in the final 20 minutes vs. Southeastern)
- Shane Hassett holds the record for the shortest time between his three goals, with two minutes and 37 seconds elapsed between his first and third goals against Southeastern in 1987
- Patrik Dandanell is the last freshman with a hat trick, doing it in 2005 against Florida Tech (Hassett in 1987, and Frank Hanraets in 1971, are the only freshmen with two hat tricks)
- Six Moccasins have had a hat trick by halftime, with Hofstetter the most recent in 2010
- No defender has ever scored three goals in one game for the Mocs

Did You Know?

In 1997, Florida Southern played and won five consecutive 1-0 games, and midfielder **Nathan Garcia** assisted the goal in four of those wins. One of them came against Montevallo, with **Tim Cooper** scoring the Mocs' first "Golden Goal" since the NCAA switched to a sudden-death overtime format that season. Overall, the Mocs played a total of seven 1-0 games that year and won all seven en route to a 12-3-2 record.

As a senior in 1997, Cliff Dixon set school records with 11 shutouts and a 0.61 goals against average. He also had an .870 save percentage that was a school record at the time. Dixon was the last Moccasin goalkeeper named All-SSC.

Nathan Garcia is the season record holder in assists for the Moccasins and ranks second on the career list. In 1997, a year before he set the record, the Moccasins won five straight 1-0 games, with Garcia assisting the goal in four of them.

FLORIDA SOUTHERN MISCELLANEOUS RECORDS

Fastest Goal at the Start of a Match 10/25/77

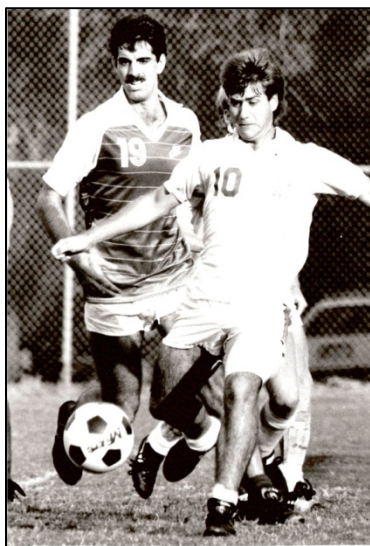

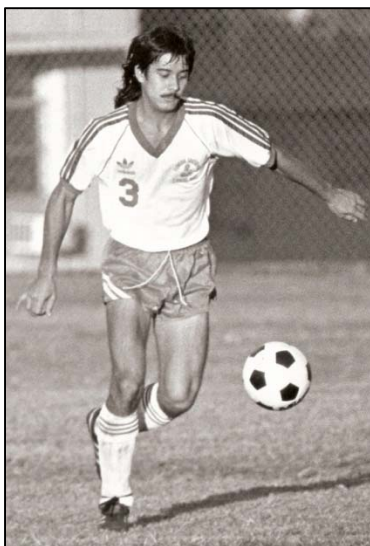

Eight players have scored goals in the first minute of a match, led by **Nick Koumantzelis** who scored just 15 seconds into play vs. Eckerd in 1977. The Mocs eventually lost though, 4-3. **Paul Finney** is the only other Moccasin to score in the first 30 seconds, notching his goal just 25 seconds into a match against Jacksonville in 1964. The Mocs also lost that game.

Viktor Bakkioui was the last Moccasin with a goal in the first minute, needing only 43 seconds to score against Palm Beach Atlantic on October 2, 2010. The Mocs didn't score again in that game until the second overtime period for a 2-1 victory. Four of the eight times they've scored in the game's opening minute, the Mocs have lost.

The last time the Mocs allowed a goal in the first minute of a game was at Belmont Abbey on October 8, 2011. Timmi Borges DaSilva gave the Crusaders a 1-0 lead that day, but the Mocs came back to earn a 2-2 tie.

Shortest Time Between Goals 10/9/86

Teammates **Keith Spresser** (below left) and **Frank Stork** (below right) scored just six seconds apart early in the first half of a 7-0 win over Warner Southern. That's one second shy of the NCAA record held by Ian Martin and Josh Dukes of Florida International, set against St. Thomas in 1979.

Shortest Time Between Goals by the Same Player 9/12/87

Okay, so everyone scored in a 16-0 win vs. Florida Bible College in 1987, but **Steve Lose** scored back-to-back goals just eight seconds apart. He shares the NCAA all-divisions record with George Moysidis of Florida International.

Two Penalty Kicks in One Game 9/23/89

Penalty kicks really aren't that unusual, but only twice on record in 57 years has a Moccasin converted two in one game. Most recently it was accomplished by **Mike Bauder** on September 23, 1989, in a 2-2 tie against Florida Atlantic. Each of those penalty kicks tied the game, with the first coming in the 39th minute, and the second one coming in the 66th. The only other Moccasin to make two penalty kicks in one game was their all-time goals leader **Alan Grossman**, who did it in a 6-1 win over Tampa in 1973.

Did You Know?

Steve Jacobs is the only Moccasin in team history to score a goal, or record a point in the first four games of his career. A freshman from Bermuda, Jacobs scored single goals against Emory, Rollins, Stetson and Miami to start the 1962 season, and ended up as the Mocs' leading scorer that year with seven goals in nine games.

The last Moccasin to score a goal in his first three games was **Mike Nance** in 1999, though Nance was a sophomore who transferred from the University of South Florida. The last time a freshman did it was 1993, when **Patrick Straub** began his career with four goals and three assists in his first three collegiate games.

SSC began playing a regular round-robin schedule in 1982 (2004 game at Barry cancelled by weather)

SSC Tournament included every team in the league in 2003 and 2004 (cancelled in 2005 due to Hurricane in late October)

Before joining the Sunshine State Conference as charter members, Florida Southern was part of the Florida Intercollegiate Conference from 1957-76 (the league was disbanded for one year during the 1968 soccer season). During that time, the Moccasins won five conference titles, the last in 1971 which earned them a trip to the NCAA Small College Southern Regional. The Moccasins also won three straight league titles from 1965-67. Pictured are head coach Jim Bush (at left) and Tex Jackson with the 1958 FIC Championship Trophy. Jackson was the Mocs' second leading scorer that season as a freshman with six goals, and their top scorer in each of his next three, and went on to score 22 in 28 career games.

Johan Jonsson led the Mocs in saves four straight seasons from 2007 through 2010. Though complete statistical records are unavailable for goal-keepers prior to 1980, he is believed to be one of only two players in team history to lead Florida Southern in that category all four years of his career. The first was Brian Bain from 1966-69.

Marcus Larsson, who led FSC in shutouts in both 2000 and 2001, also has the distinction of being the only Moccasin goalkeeper to ever record two assists in a single game. He accomplished that in a 4-1 win over Webber International on October 23, 1999.

THE 1971 NCAA SMALL COLLEGE TOURNAMENT

Florida Southern's only trip to the NCAA playoffs happened in 1971, when the Moccasins earned an automatic bid to the NCAA Small College South Regional by winning the Florida Intercollegiate Conference. They got that bid by defeating Rollins 1-0 in the final game of the regular season when freshman **Frank Hanraets** scored with three seconds to play in overtime, assisted by **Richard Brelsford**.

Rollins also received a bid and served as the tournament host, with Loyola (MD) and James Madison completing the field. With each team playing two games, the Mocs lost to Loyola 4-0 in the opening round, before dropping a 3-0 decision the next day to James Madison. Loyola won the region title with a 7-2 win over Rollins.

RECORD NIGHT AT ROLLINS

Only once has a Florida Southern soccer match been decided by penalty kicks, and it came in the first round of the 2003 Sunshine State Conference Tournament at Rollins.

Since it was the first time the SSC had staged a postseason tournament since 1981, the Tars would actually have to be considered the defending champions of a sort. Ranked #18 in the country, Rollins was also looking to possibly secure its first trip to the NCAA Tournament in 21 years.

The Tars were 13-2-2 overall and seeded third in the SSC Tournament, while the Moccasins were 8-8-1, seeded sixth, and looking to end the year on a high note. Statistically, Rollins had the edge for most of the night, but a goal by **Pete Schiebel** in the 26th minute had given Florida Southern a 1-0 lead. It stood up until **Ryan Dodds** tied the game for Rollins with 11 minutes remaining.

When overtime ended with the game still tied 1-1, the result was officially a tie, but penalty kicks were used to determine which team would advance to the SSC semi-finals. With Rollins going first, each team took five penalty kicks, but each went 5-for-5, sending the game to sudden death penalty kicks. The first time one team scored and the other didn't, the game would be over. It took 11 rounds of sudden death PKs for that to happen, and even more amazing was that neither team missed until the very end.

On the Tars' 16th attempt (the 11th sudden death attempt), Moccasin goalkeeper **Clint Harris** stopped **German Vivas**, giving **Asa Pepia** a chance to decide the game for Florida Southern. Having already made one other penalty kick in the tie-breaker, Pepia made it 2-for-2, bringing the game to a close just over three hours after it began.

Though there are no official records, it's believed to be the longest game in NCAA Division II history, and matched a 16-round tie-breaker by Clarkson (NY) and Plattsburgh State (NY) in the first round of a 1993 Division III Regional Tournament. Clarkson won that one, 11-10, and it will be nearly impossible for any two teams to equal what Florida Southern and Rollins accomplished by each making 15 in a row before a miss.

In addition to Pepia, the Moccasins also got two PKs from **Keith Butler**, **Pete Schiebel**, **Clay Roberts**, **Travis Hobgood**, and **Panu Purhonen**. Four others made their only attempt during the tie-breaker, all of them during the sudden death portion: **Jonathan Streets**, **Brian Miller**, **Adam Lemnoui** and **Doug Hughes**. Harris had 11 saves during regulation and overtime before making his biggest one at the end.

Ironically, Rollins' **Chris Cerroni**, who made two PKs during the tie-breaker, bounced one off the left post early in the first half that would have given the Tars a 1-0 lead.

* Sunshine State Conference Match
^SSC Tournament (Barry advances on PKs, 4-2)

In his first year at Florida Southern, Jonathan Radvogin led the Moccasins in scoring during the 2013 season with six goals and 13 points. In so doing, he became the first freshman to 19 years to lead the team in points. Among his six goals was the game-winner in overtime to beat Florida Tech on October 12.

Did You Know?

Former Moccasin goalkeeper Tim Moore is not only the career record holder in saves for Florida Southern, but the entire Sunshine State Conference as well. He also ranks sixth in NCAA Division II history for career saves and was the all-time leader at the time of his graduation in 1988.
