PALADIN FOOTBALL 1985
MEDIA GUIDE/RECORD BOOK

MEMO TO THE MEDIA

We hope that you will find this 1985 media guide/record book useful as you cover Furman University and other members of the Southern Conference. If we can ever be of service to you, please let us know.

The following information should be helpful for members of the working press planning to cover Furman home games at Paladin Stadium this season:

Press Box: Furman working press facilities are located atop the home stands at Paladin Stadium and are contained in the upper two levels of the press tower. Part of the fourth level is reserved for radio and television. The top level houses space for sportswriters, home and visiting coaches, public address, home and visiting game film and game statistics crews. All floors are serviced by elevator and stairs.

Press Passes: All applications for working press credentials should be directed to the Sports Information Director. Passes not furnished by return mail must be picked up in person at the "Will-Call" window, located on the ground level of the press tower.

Broadcast Rights: Permission to broadcast must be secured at least two weeks in advance from the Sports Information Director. Furman University operates a "trade-out" voice coupler for Southern Conference teams and is available to non-conference teams through a line fee. Prior arrangements must be made for the phone. Each station will be allocated a booth and four passes. Broadcast booths are located on level four of the press tower.

Scouting: Passes for scouting purposes should be requested at least two weeks in advance. Each organization will be allocated one seat on a space available basis.

Photographers: Photo passes are limited to working press photographers only. Photographers are permitted to work the sidelines (except between the 30-yard lines) and beyond the end zones.

Parking: Requests for parking should be made as early as possible. Media parking is located adjacent to the press tower.

Services: Game programs, complete statistics, pre-game information, running play-by-play and post-game coaches' quotes are provided at every Furman contest. Telephones are available after the game and a telecopier will be available throughout the day. Sandwiches and soft drinks are served on the fifth level of the press box. Post-game interviews can be conducted both on the field and in the locker rooms at the north end of the stadium. A 10-minute "cooling off" period will be observed before the locker rooms are opened for members of the media.

1985 OUTLOOK

The Furman football program returns 17 starters and 53 lettermen from last year's 8-3-0 squad, numbers which might warm the hearts of many members of the coaching fraternity.

But, for Dick Sheridan, the Paladins' eighth-year mentor, those numbers don't impress. Sheridan has watched other teams' high expectations fall short after glowing predictions from the prognosticators.

As always, Sheridan speaks the voice of caution where the 1985 Paladins are concerned. "We have many of the same players who played for us last year back," he admits, "but, if we have the same players playing at the same level as last year we won't achieve our goal of winning the Southern Conference championship."

Last season a young Furman squad compiled only a 3-3 mark in conference play, despite going 5-0 outside the conference and defeating North Carolina State by a 34-30 score in Raleigh. It marked the first time since 1979 that Furman failed to win the Southern Conference title.

Gone are record-setting linebacker Rock Hurst, a first-team Kodak All-America; full-back Dennis "Dinky" Williams, the Jacobs Blocking Trophy winner and a participant in the East-West Shrine game; Ben Browder, also a starter at linebacker; offensive tackle Bernard Durham, noted both for his blocking efficiency and leadership abilities; and defensive end Jerrod Smith, who pound-for-pound did as good a job as any on the '84 Paladins.

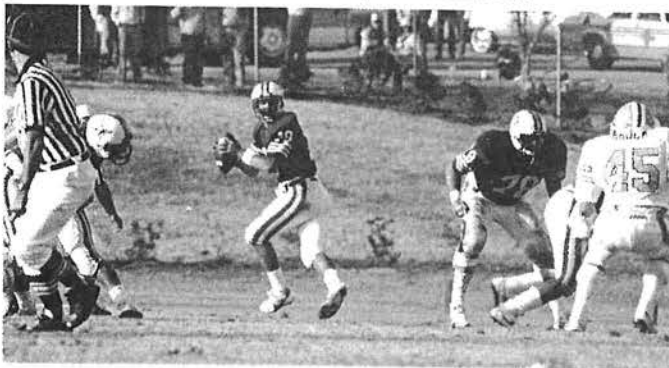

The remainder of the starting cast is intact, although some of last year's starters will play in different positions this fall.

Offense: Record-Setters Gardner, Lamb, Fox Head the Returnees

The Furman offense, which last year was the school's all-time most prolific in terms of yards per game, has a number of tested weapons back in its arsenal.

Senior tailback Robbie Gardner, who burst out from Stanford Jennings' shadow in 1984, is back after averaging a I-AA record 7.3 yards per attempt enroute to 1,232 yards of rushing real estate. Gardner produced 14 rushing TD's in '84 and will be joined by his two most-used replacements as well.

Juniors Brian Jager and Greg Smith combined for 652 yards in '84. Jager, a second-team Academic All-American, rushed 74 times for 390 yards and eight TD's, while Smith averaged 6.9 yards per carry for 262 yards and a pair of scores. Others in the hunt for playing time include junior E Robinson and sophomore Lemar Bell.

Fullback is weakened by Williams' departure, but senior John Drye likely will step to the forefront after three years of solid backup duty. Drye, who rushed 42 times for 164 yards in 1984, will be pressed by junior Lee Wilkinson and soph John Bagwell.

The quarterback slot is another strong one, with the return of Division I-AA's third-ranked passer in senior Bobby Lamb. Lamb established a new school record with his 19 touchdown passes. Despite directing a primarily run-oriented offense, Lamb threw for 1,781 yards, hitting 106 of 191 attempts and averaging nearly 17 yards a completion.

Both of last year's backups, sophomores Chris Speaks and Keith Koore, also return.

Four flankers, including fifth-year man Chas Fox, return to gather in Lamb's aerials. Fox was drafted in the sixth round of the USFL draft by the New Jersey Generals but opted instead for one more year's college eligibility. Barring injury, he appears a cinch to rewrite most of the school records in the pass-catching department. Last year Fox led the team's receivers with 38 catches for 723 yards and eight touchdowns, averaging 19 yards per reception and breaking loose for one 90-yarder against Central Florida.

Junior Kirk Burnett caught 25 passes last year for 398 yards, while juniors Mark Rudder (4 receptions), Shawn McCall and Mark Preddy also will contend for playing time.

The tight end position features the return of two bone-crushing blockers in seniors Jeff Lee (15 receptions for 262 yards) and Steve Coppenger (9 for 77). The Furman offense often makes use of two tight ends, putting both in the game for much of the time. Also back are junior Tim Fox, injured after an impressive start last year, and sophomores Bill Duncan and David Day.

Sophomore James Brown, who can either play tight or as a wide-out, caught five passes for 110 yards last year and doubles as a punter for the Paladins. Other wide-outs likely to see action include junior Larry Grady and sophomore Steve Gandy.

Senior Terry Phillips, injured in the preseason last year, will contend for a starting offensive tackle slot, as well as punting duties, along with last year's primary starter, Jim Edmondson, and the injury-plagued Billy Cato. Seniors Andrew Bernstein and Joe Olliff also are in serious contention for starting slots, along with junior Chuck Davidson and sophomore Mark Brown.

Both of last year's starters, seniors Clay Hendrix and Brad Merkl, return at the guard slots, although Hendrix is coming off a late-season knee injury suffered in 1984. Also back is senior David Taylor, denied playing time last year after a preseason chain-saw accident sidelined him for the year. Juniors Paul Pendleton and Coye Still return as well after seeing extensive action last season, along with sophomore Alex Albert.

The center slot is manned by Jacobs Blocking Trophy candidate Gene Reeder, the offensive line's strongest (well over 400 pounds in the bench press) and most agile member. Despite weighing in at just 214 pounds, Reeder should continue as one of the conference's most highly-regarded blockers. Junior Ralph Harper and sophomore Bobby Kelly provide reliable depth.

Defense: Improvement Possible If Linebacking Corps Comes Through

Defense was a problem area for the 1984 Paladins, as the opposition gained 2,637 yards through the airways. The rushing defense was stingy, yielding an average gain of only 2.8 yards, but the loss of linebackers Hurst and Browder could cause complications.

Furman has eight players back who were starters in the 1984 defense, but it is pertinent to note that only six of them are now playing the same position where they started a year ago.

One of last year's starters at end, Mitch Gibson, moves over to weak-side linebacker after compiling 52 tackles a year ago at a different slot. He will be joined there by sophomore Darryl Gardner, who intercepted four passes and made 22 tackles in limited duty last year, and junior Tommy Johns (10 tackles, 1 interception).

The strong side is manned by Kyle Davis, a semi-regular in 1984 who was credited with 59 tackles, four of them for losses. Also competing for a starting slot is senior Verdel Patterson (48 total tackles), as well as sophomores Scott Roberts and Garrick Perry.

The interior line returns pretty much intact, although new players will have to be found at the end slots.

Nose guard Eddie Bopp could contend for all-conference honors after chipping 80 tackles (10 for loss) last season. Also in the hunt are sophomores Brian Allison (18 tackles) and Brad White.

Last year's starters, seniors Kenny Elder and Greg Hall, return to the tackle positions. Elder was credited with 56 total tackles, 10 for loss, while Hall had 57 total tackles, seven for loss. Another senior, Todd Walker, also will compete for a starting slot, along with sophomores Phillip Ferguson, switched from running back in the spring, and Al Peterson, who had 13 tackles last fall.

A number of experienced players return at the ends, although none of them was a starter in 1984. Senior Karl Moody has been relocated at end after seeing action both there and at strong safety last season. Moody had 57 total tackles and one pass interception last year. Juniors Mark Cagle (42 total tackles), Adrian Despres and Stan Davis all should compete for a starting slot, along with sophomore Tim Stepp, who had 44 tackles last year, like Moody, split between end and defensive backfield work. Sammy will also vic for playing time.

Junior Steve Squire is a returning starter at free safety, having totaled 59 tackles and two interceptions last season. Also competing for playing time at this position are senior Cliff Barfield, and sophomore Mike Wilson, a track standout at Furman.

At strong safety, senior Fred Baber will attempt to recover from the knee injuries he suffered last year and regain a starting position. He is locked in a duel with sophomore Russell Rush, who saw limited action in 1984, and Kelly Smith.

At one cornerback is junior Jerome Norris, who intercepted five passes to lead the team in 1984. Norris also made a total of 52 tackles (three for loss) and was credited with nine pass deflections. He was All-Southern Conference a year ago and figures to continue as one of the league's premier defenders.

Another starter from a year ago, junior Benji Motte, also is back after making a total of 32 tackles in '84. Norris and Motte will see competition for playing time from junior Robert Little (32 tackles, 2 interceptions), Lon Thomas, and Cherrod Webber.

Specialists: Experience the Key to Improvement

Most of all of last year's specialists return for Furman this year, yet this area also was one of concern in '84.

Senior placekicker Keven Esval, who kicked five field of nine field goals as a sophomore in 1983, slumped to a 5-for-13 performance in 1984. Esval's leg is probably the most powerful in school history, so he could be priming for an outstanding close to his college career.

Esval, junior Adam Lezan and junior Tom Coker all kicked off at various times last year, and this trio will compete again this year.

Joe Olliff returns as snapper for punts and placements, and Kirk Burnett handled holder's duties on the Paladin specialty teams last year. Fred Baber also will be available, along with Bobby Lamb.

James Brown and Alston Hamilton split punting duties a year ago, with Brown averaging 38 yards and Hamilton 35.5. Both return along with Terry Phillips who punted sparingly in 1983 before sitting last season out with a knee injury. Sophomore Chip Smith also has a shot at winning the position.

FURMAN FACTS

Bobby Lamb was third in passing efficiency in 1984 among All Division I quarterbacks (I-A and I-AA). His predecessor, David Charita, was also among the nation's passing leaders.

DICK SHERIDAN

Director of Athletics Head Football Coach

Furman University's Dick Sheridan, entering his eighth year at the Paladin helm, has distinguished himself not only as one of the nation's top head football coaches but also as an outstanding athletic administrator.

In Sheridan's previous seven seasons, his Furman teams have rolled up an impressive 57-21-2 overall mark. That includes five Southern Conference championships, four of which came in succession, a feat duplicated only once previously in league history, and two trips to the NCAA Division I-AA national playoffs in the last three seasons.

As athletic director, his accomplishments have also been noteworthy. Women's athletics has been on the rise at Furman, and teams in such sports as soccer, golf and swimming, among others, have had national impact as Sheridan has sought to improve each of Furman's 17 intercollegiate sports.

Sheridan was named head football coach in 1978 after serving five years as offensive coordinator. The North Augusta, S.C., native came to Furman in 1973 as an assistant under Art Baker.

The Paladin head coach's goals for his program are simple. "Our goal is to have the best football program in the Southern Conference," he says. "We've tried to set high goals for our program and to stress the importance of hard work in reaching those goals. We tell our players that, if you give everything you've got and do everything you can possibly do, then you can be proud, not matter what the outcome.

Several of Furman's players have gone on to professional football careers during Sheridan's tenure, but that is far from the whole story. The Paladin head coach believes very strongly that Furman athletes should represent the university in the best way possible, and that includes their classroom performances, too.

Approximately 98 percent of Furman seniors have graduated since he took over as head football coach, with three athletes being awarded prestigious NCAA post-graduate scholarships.

On the field, there is no argument that Paladin football is enjoying unprecedented success. Furman had never won a conference football championship prior to Sheridan's tenure.

A 1964 graduate of the University of South Carolina, Sheridan began his coaching career at Eau Claire High School in Columbia, S.C., that year and remained there as assistant football coach and head basketball coach until '69. His basketball teams won two conference championships and made the state tournament semifinals twice, finishing second in '69.

He then assumed the head football duties at Orangeburg-Wilkinson High for three years, where his 1971 team posted a 13-0 mark and won the state AAAA crown. Sheridan was named South Carolina's High School Coach of the Year that season.

Airport High School in West Columbia, S.C., was his next stop, in '72, before joining the Furman staff. In his final three seasons as a high school head coach, Sheridan's team posted a 32-3 record, giving him an overall prep mark of an amazing 37-8-1.

Furman's head coach is also director of the highly successful Quarterback and Receiver School and Offensive Line man school held each summer on the Greenville campus, featuring instruction by top college coaches and several National Football League players.

Sheridan earned his master's degree in education from South Carolina in 1969. He and his wife Brenda have two sons: Bobby, a sophomore at Presbyterian College, and Jon, a senior at Travelers Rest High School.

STEVE ROBERTSON Assistant Head Coach Defensive Line

Steve Robertson is in his 13th year on the football staff at Furman University.

A native of Greer, S.C., Robertson serves as assistant head coach and also works with Paladin defensive linemen. He had spent 10 years as Furman's defensive coordinator before being promoted to assistant head coach in 1982.

Robertson also assists teams with travel arrangements, handles liaison with professional scouts and coordinates banquets, awards and game organization.

A 1957 Newberry College graduate, Robertson earned all-South Carolina and all-conference honors with the Indians. He joined the Furman staff in 1973 after five years at Newberry as defensive coordinator. Prior to that Robertson had been an outstanding high school coach.

A former South Carolina High School Coach of the Year, Robertson guided Eau Claire High in Columbia, S.C., to the state class AA championship in 1967. In all, he spent eight years at Eau Claire as assistant and head coach and compiled a 28-4-1 mark in his three years at the helm. He assumed the head duties there in 1965.

He and his wife Linda have a son, Ron, age 18, and a daughter, Robin 15.

JIMMY SATTERFIELD Offensive Coordinator Offensive Backs

Entering his 13th season on the Paladin staff, Jimmy Satterfield will once again serve as offensive coordinator and will work directly with the offensive backs.

Furman's offense has been extremely productive and has been nationally ranked in several categories since Satterfield became offensive coordinator in 1978.

Satterfield came to Furman in 1973 after compiling one of the most outstanding records in South Carolina high school history. In five seasons as head coach at Eau Claire and Irmo High Schools, Satterfield's teams rolled up a 47-9-1 mark. During that period his teams won five conference championships and one Upper State crown.

The veteran Furman coach was South Carolina Coach of the Year in 1970, when Eau Claire won that Upper State championship, and he also served as coach of the South Carolina Shrine Bowl team that season.

A native of Lancaster, S.C., Satterfield is a 1962 graduate of the University of South Carolina and also earned his master's degree in education there. He joined the Eau Claire staff following graduation at South Carolina and assumed the head coaching duties there in '68, going to Irmo in 1971.

He and wife Ann have three children: Shaun, age 21; Sidney, 19; and Lee, 18.

BOBBY JOHNSON Defensive Coordinator Defensive Backs

A former Atlantic Coast Conference all-Academic performer at Clemson University, Bobby Johnson enters his ninth season on the Furman coaching staff and third as defensive coordinator.

Johnson coached four seasons at Furman before serving a year as academic advisor at his alma mater and then returning to the Paladin staff in 1981. In addition to his

on-the-field duties, the Columbia, S.C., native also coordinates player admissions, financial aid, housing and academics.

South Carolina Class AAAA Lineman of the Year at Eau Claire High School, Johnson played under Furman coaches Dick Sheridan, Steve Robertson and Jimmy Satterfield at one time or another during his prep career. He played in the 1968 Shrine Bowl game and was a two-sport standout, in football and basketball, at Eau Claire.

He was a four-year starter at wide receiver and cornerback at Clemson, graduating in 1973.

Johnson earned his master's degree at Furman and is married to the former Catherine Bonner of Charleston, S.C.

TED CAIN **Passing Game and Recruiting Coordinator** **Receivers**

Former Furman University standout Ted Cain is in his ninth year on the football staff at his alma mater. He coordinates the Paladin passing game and works with receivers.

Cain also serves as Furman's recruiting coordinator, handling the distribution of all recruiting information, compiling data on prospects and supervising visits by prospective student-athletes. He also is coordinator of the junior varsity program as well as handling charts and statistics along with testing and the summer workouts program.

An Aiken, S.C., native, Cain was a three-year starter at tight end for the Paladins after lettering in football, basketball and baseball at Aiken High. He graduated from Furman in 1974 and then served two years as platoon leader in the U.S. Army Corps of Engineers at Fort Benning, Georgia.

Cain earned his master's degree in education from Furman and he and his wife Susan have a son, Matthew, age 2.

ROBBIE CALDWELL **Athletic Strength Coordinator** **Offensive Line**

Robbie Caldwell is in his third year on the Furman staff as strength and conditioning coordinator for the athletic department and his eighth year as the Paladin offensive line coach.

Caldwell won the 1975 Paladin Award as his team's most valuable player and was a four-year letterman and team-captain. After graduating from Furman in 1976, he had a one-year coaching stint at Hanahan High School near Charleston before returning to his alma mater in 1978. He had served as a graduate assistant at Furman in 1976-77.

A native of Pageland, S.C., Caldwell has coached two Jacobs Blocking Trophy winners and several all-American offensive linemen. He also supervises maintenance for the football program and is responsible for the weight program, training table and field equipment.

Caldwell is a bachelor.

KEN PETTUS **Special Teams Coordinator** **Linebackers**

Ken Pettus is in his second stint on the Furman coaching staff.

Ken Pettus is in his second year of his current stint on the Furman coaching staff, but his experience with Paladin football is much more extensive than that.

He returned to the Furman staff in 1984 after a successful three years as head coach at Dunwoody (Ga.) High School. Prior to that, he had served Furman in 1973-74 as a graduate assistant and from 1978 to 1980 as an assistant coach. In addition to his duties coordinating special teams and working with linebackers, Pettus also oversees equipment purchases and student managers.

Pettus was an all-state, all-South and all-American in high school, playing for coach Slick Moore at Greenville High, and then had a brilliant career at Newberry College. He earned all-American honors for the Indians and was the Carolinas Conference Lineman of the Year as a junior.

Married to the former Jan Griffin of Gainesville, Fl., Pettus earned his master's degree at Furman.

JEFF SNIPES **Defensive Ends**

A two-time all-Southern Conference selection during his playing days at Furman, Jeff Snipes is now in his fourth season coaching defensive ends, the position he played with the Paladins.

Snipes earned honorable mention all-American honors from the Associated Press in 1980 and was the leading vote-getter on the all-conference team that season. Team captain as a senior, Snipes was Southern Conference Player of the Week for his play in the last Furman game ever at Sirmine Stadium in 1980 and was chosen as Furman's best defensive lineman by his teammates in '79.

A native of Belton, S.C., Snipes is a 1981 graduate of Furman and is married to the former Kim Dorsey.

WHITEY KENDALL **Kickers and Punters**

One of the greatest high school coaches in the history of South Carolina athletics, Whitey Kendall is once again volunteering to work with Furman kicking and punting specialists.

A 1936 graduate of Davis and Elkins in West Virginia, Kendall's coaching and athletic career spans almost a half-century. He coached for 30 years at Greenville's Parker High School, where his teams won over 250 games in football and more than 300 in both basketball and baseball. In five of his first seven seasons as basketball coach, his teams won five Class AAA crowns.

Kendall also officiated basketball for 18 years in the SEC, ACC and Southern Conferences. Past president of the Greenville Basketball Club and charter member of the Greenville Touchdown Club, he is a member of three different halls of fame.

The veteran coach's work with Furman athletes is a tremendous asset to the Paladin program.

BRUCE GETZ **Athletic trainer**

Head trainer Bruce Getz enters his second year at Furman University in charge of the care of Paladin athletes.

Prior to coming to Furman in 1984, Getz had served as the head trainer for one year at Liberty Baptist College in Lynchburg, Va. His current position marks his second tenure at Furman, for he was assistant trainer under Ray Parlier for two years prior to going to Liberty Baptist.

A native of Apopka, Florida, he was captain of his high school football team at Apopka Memorial and earned his master's degree in health education at the University of Florida. Getz earned his

undergraduate degree in physical education at Furman. Very active in the Fellowship of Christian Athletes, Getz is married to the former Bibbie Sue Tenbrook and the couple have a son, Bruce Allan, Jr., age 3, and a daughter Bethany Sue, born in March.

RAY PARLIER
Assistant Director of Athletics

After serving eight years as Furman's athletic trainer, Ray Parlier is now in his second year as assistant director of athletics.

Parlier's reputation for hard work as a trainer has certainly carried over to his work in administration. He handles overall business affairs for the athletic department as well as travel arrangements and insurance.

A graduate of East Tennessee State University, Parlier worked at his alma mater and then came to Furman in 1976 following a stint as assistant trainer at Georgia Tech. He had also worked with the Atlanta Falcons during preseason training for several years and also in professional baseball.

A native of Kingsport, Tenn., Parlier is a member of the Wade Hampton-Taylor's Jaycees and has received statewide and national recognition for his charitable work in that organization.

He and his wife Shirley have two children; Brad, age 10, and Kristi, 5.

DANNY MONK
Assistant Director of Athletics

Danny Monk now directs the promotional efforts of the Furman athletic department and is in his fourth year as assistant director of athletics.

Monk came to Furman in 1982 and split time between his present post and working as an assistant coach with the Paladin basketball program. He relinquished his coaching duties in 1983.

A former head basketball coach at Palmer Junior College and Baptist College, Monk also served as an assistant at the University of South Carolina. He compiled a 101-36 mark at Palmer and guided Baptist in its initial three years of Division I competition before joining the Gamecock staff.

Born in Bluefield, WV., Monk is a 1964 Roanoke College graduate and was that school's first four-sport letterman, participating in basketball, track, tennis and golf. He earned his master's degree from South Carolina in 1978.

He and his wife Donna have a daughter, Renee, and son, Neil.

RICK STRUNK
Sports Information Director

Rick Strunk is in his first year as sports information director at Furman University.

Strunk came to Furman after serving as director of publicity and sports information at Lenoir-Rhyne College in Hickory, N.C., where he had been on the staff since 1980. There his publications earned 19 national awards, including seven as the number-one publication in the nation.

He had also served as sports director of WNNC radio, doing color commentary on Lenoir-Rhyne football and basketball network broadcasts, as well as some television work.

Born in Atlanta and a longtime resident of Newton, N.C., Strunk graduated from the University of North Carolina in Chapel Hill in 1975 with honors in American studies and English. He attended UNC as a Morehead Scholar and a National Merit Scholar. After graduation, he served as sports editor of The Observer-News-Enterprise in Newton before joining Lenoir-Rhyne.

Strunk has also been very active in civic and church affairs and was honored as the NAIA District 26 Sports Information Director of the Year in 1982, the first year the award was given. He and his wife Nancy have two daughters: Allison, age 5, and Lindsay, age 2.

STEVE BISHOP
Sports Marketing Director

Steve Bishop is in his initial year as sports marketing director, but he is certainly no stranger to Furman University.

Bishop is a 1981 graduate of Furman and was an outstanding football player for the Paladins. He was co-captain of the 1980 team and rushed for over 1,000 yards during his Furman career. The top rushing fullback in the Southern Conference as a senior, Bishop was chosen as Furman's best offensive back that season.

After his career on the field, Bishop served as a graduate assistant football coach for the past couple of seasons.

Born in Barberton, Ohio, and longtime resident of Orange Park Florida, Bishop will direct the marketing efforts, including working on ticket sales, promotions and advertising in various Furman publications as well as assisting with event coordination.

Bishop is a bachelor.

ORIGIN OF THE PALADIN

Furman University athletic teams were known by different names until the 1961 school year. The baseball team was "Hornets," the football team "Hurricanes," and the basketball team, "Paladins."

The basketball team was dubbed "Paladins" by a Greenville sportswriter in the 1930's and the name stuck. By vote of the student body, all Furman athletic teams became the "Paladins" on September 15, 1961.

"Paladin" is derived from the Count Palatine, one of the twelve knights who comprised the bodyguard and inner circle of Emperor Charlemagne.

DR. JOHN E. JOHNS President

During his tenure as President at Furman University, Dr. John E. Johns has become one of the best friends of the athletic program. Dr. Johns, an avid golfer, takes an interest in all athletic pursuits at Furman and often follows the Paladins basketball and football teams on the road.

Johns was president of Stetson University in Deland, Fla., before returning to Furman, his alma mater, in 1976. He is a 1947 Furman graduate.

Johns has been a member of the Stetson faculty and staff since 1948

before assuming the position of president in 1970. He achieved the rank of full professor in the Department of History and political Science and served as department chairman. Dr. Johns became business manager at Stetson in 1963 until he was named Vice president for Finance in 1968.

A native of Ozark, Alabama, Johns is the author of **Florida During the Civil War**, the state's official publication for its Centennial. He has written articles for Encyclopedia Britannica, Jefferson Encyclopedia, The Mississippi Valley Historical Review, and Florida Historical Quarterly.

Johns was a World War II Army Air Corps pilot from 1942-1945, and received the Distinguished Flying Cross.

He graduated cum laude from Furman, receiving the Bradshaw-Feaster Medal for General Excellence. He earned the M.A., and Ph.D. degrees from the University of North Carolina. He has been awarded honorary degrees in literature and the humanities by Rollins College, William Jewell College, Furman and Stetson.

Johns is married to the former Martha Mauney of Shelby, N.C., also a 1947 Furman graduate. Mrs. Johns has been recognized for service to her community and state and for valuable contributions to higher education. The Johns have three sons, John, Jr.; Steven; Marcus.

FURMAN 38, MARSHALL 28

HUNTINGTON, W.Va., Sept. 22—Robbie Gardner's 88-yard touchdown jaunt on the opening play of the second half and John Drye's 3-yard run early in the third quarter were too much for the Marshall Thundering Herd to overcome as Furman prevailed 38-28 to gain its fourth straight victory and first Southern Conference win of the year. In a game that saw 149 offensive plays and 957 yards in combined total offense, Furman got 185 yards and two TD's from Gardner, who was voted the South Carolina Sportswriters Association Back of the Week. For the second week in a row Gene Reeder was named the Association's Offensive Lineman of the Week. Marshall QB Carl Fodor threw for 436 yards and four touchdowns to lead the Herd. Furman linebacker Ben Browder was credited with 10 tackles, two hits-for-losses, one interception, and two pass deflections.

UT-CHATTANOOGA 21, FURMAN 14

CHATTANOOGA, TN, Sept. 29—UT-Chattanooga's Artis Edwards' 51-yard touchdown run early in the fourth quarter broke open a 14-14 deadlock and carried the Moccasins to a hard-fought 21-14 win over the Paladins. Down 14-0 early, Furman rallied to tie UT-Chattanooga a pair of Bobby Lamb TD aerials, one to Steve Coppenger and another to Mark Rudder, but UT-Chattanooga's defense stymied any Furman fourth quarter threat to hand the Paladins their first Southern Conference regular season loss since 1982. Furman's Kirk Burnett caught six passes for 97 yards, and Rock Hurst led Furman with 14 tackles. Bobby Lamb was sacked seven times on the day, despite a 204-yard (15 of 31) passing effort.

FURMAN 28, EAST TENNESSEE STATE 16

JOHNSON CITY, TN, Oct. 13—Furman, behind the strong arm of quarterback Bobby Lamb (189 yds, 2 TD's), overcame a 16-7 halftime deficit to post a 28-16 win over a stubborn East Tennessee State squad and gain its fifth win of the year and second conference victory. Paladin receiver Jeff Lee was on the receiving end of both Lamb scoring strikes, while runningbacks Brian Jager and Robbie Gardner rushed for a pair of touchdowns. Defensive back Jerome Norris recovered a fumble and intercepted two ETSU passes and was named Southern Conference Defensive Player of the Week as Furman's defense held the Buccaneers to only 97 yards rushing while intercepting four ETSU passes. Linebacker Rock Hurst's 14 tackles and pass interception gained him recognition as the South Carolina Sportswriter's Association Defensive Lineman of the Week.

APPALACHIAN STATE 21, FURMAN 14

BOONE, NC, Oct. 28—Appalachian State quarterback Randy Joyce tossed two touchdown passes and ran for another to lead the Mountaineers to a 21-14 upset victory over the Paladins and hand Furman its second loss on the year. Although Furman's defense, led by Rock Hurst's 12 tackles, bottled up the ASU running game (67 yards, 34 carries), the Mountaineers found success in the air as Joyce passed for 212 yards (22-35) and two scores. Furman's Bobby Lamb was brilliant in defeat, passing for 175 yards (14-25) and two scores—one to Chas Fox and another to Steve Coppenger. But it was Joyce's four yard run with just over six minutes left that gave ASU the win, only the second for the Mountaineers in the 13-game series.

WESTERN CAROLINA 20, FURMAN 19

GREENVILLE, SC, Oct. 27—For the second consecutive week and third in the last four, the Furman Paladins dropped a narrow decision to a Southern Conference foe, this time to the Western Carolina Catamounts 20-19. Scoring on its first two possessions on long touchdown runs by Robbie Gardner (66 yds) and Dinky Williams (34 yds), Furman's lead melted away as Catamount quarterback Jeff Gilbert completed two TD strikes to close the Paladin lead to 16-14. A 30-yard Kevin Esval field goal gave Furman a 19-14 lead entering the final quarter, but the fourth quarter proved to be unfriendly to the Paladins as the Catamounts got a 1-yard run from David Maxfield with 7:16 remaining to gain the win. Furman's defense, for the second consecutive week, held its opponent under 100 yards rushing (75 yards). Robbie Gardner gained 150 yards on 14 carries. The loss ended hopes of Furman gaining an unprecedented fifth consecutive So Con title.

FURMAN 55, DAVIDSON 7

GREENVILLE, SC, Nov. 3—Paladins snapped out of their mid-season lull to roll up 632 yards in offense and gain its sixth win on the year, a 55-7 rout of Davidson. Eleven Paladins carried the ball as Furman gained 521 yards and scored six of eight touchdowns via the rush. Robbie Gardner pounded out 148 yards and two TD's. Bobb Lamb rushed for 96 yards while passing for 71 more and one TD. Chas Fox totaled 90 yards on the ground including one TD run of 69 yards. Brian Jager added two TD's as the Paladins extended their win streak to seven games over the Wildcats. Paladin OL Paul Pendleton was named SC Sportswriters Association Lineman of the Week.

FURMAN 42, CENTRAL FLORIDA 6

GREENVILLE, SC, Nov. 10—Furman's offense stayed in high gear while the Paladin defense continued its steady play as Central Florida became Furman's seventh victim, 42-6. Robbie Gardner's two scores, one coming on an 88-yard jaunt, and Bobby Lamb's two TD passes to Chas Fox, one covering 90 yards, were too much for Central Florida. A pair of TD runs by runningback Brian Jager accounted for Furman's other scores. Chas Fox ended the day with seven receptions for 175 yards and was named SC Sportswriters Association Back of the Week. Freshman Darryl Gardner playing at linebacker, picked off two Knight passes.

FURMAN 42, THE CITADEL 14

GREENVILLE, SC, Nov. 17—Furman head coach Dick Sheridan called it "our biggest game of the year." Citadel mentor Tom Moore called it "Citadel's biggest game since 1961 (Citadel's last So Con Championship)." The game, a convincing 42-14 win by Furman, denied the Bulldogs a share of the 1984 crown. Furman used solid ball control offense to contain Citadel's high powered offensive unit. Bobby Lamb's three TD passes (two to Chas Fox) coupled with Robbie Gardner's 150 yards rushing were keys. Furman's defense limited the Bulldog ground game to only 68 yards while the Paladin offense, anchored by South Carolina Sportswriters Association Offensive Lineman of the Week Brad Merkl, pounded out 368 yards rushing.

THE SOUTHERN CONFERENCE

Furman University is a member of the Southern Conference, one of the nation's oldest intercollegiate athletic conferences. The nine-team league is composed of members Appalachian State, The Citadel, Davidson, East Tennessee State, Furman, Marshall, Tennessee-Chattanooga, Virginia Military and Western Carolina.

The Southern Conference was formed in 1921 at a meeting of 15 institutions in Atlanta, Georgia. The league initially was known as the Southern Intercollegiate Conference and the following 12 schools were charter members—Alabama, Auburn, Clemson, Georgia, Georgia Tech, Kentucky, Maryland, Mississippi State, Tennessee, Virginia Tech and Washington & Lee.

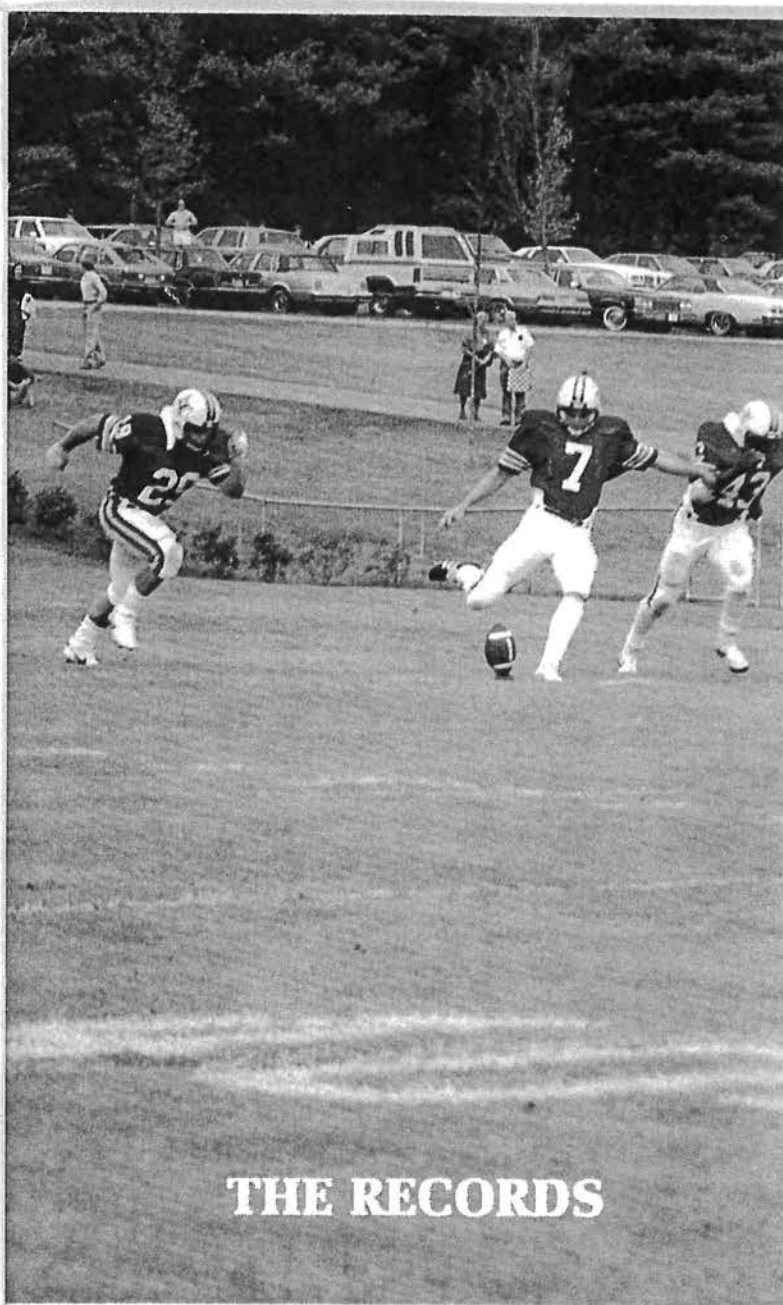

The growth of the SIC was rapid, and within a year, Florida, LSU, Mississippi, South Carolina, Tulane and Vanderbilt were added.

In 1923 the league was officially renamed the Southern Conference. Through the years, other schools were admitted but, in 1932, 13 of 21 members left the conference to form the Southeastern Conference.

In February 1936, Furman was one of six new members admitted to the Southern Conference, including current members Davidson and The Citadel. In 1953, there was another mass exodus of schools from the league to form the Atlantic Coast Conference.

The Southern Conference declares champions in 11 different sports, three being decided by tournament play. Tournaments have been a popular and profitable method of determining the yearly conference basketball champion. Southern Conference champions in basketball, baseball, football and wrestling automatically qualify for participation in NCAA national tournaments. All members of the conference possess NCAA Division I status.

The conference annually awards the Commissioner's Cup to the university which accumulates the greatest number of points in championship competition throughout the year.

FURMAN'S PALADIN STADIUM

Furman's Paladin Stadium, nestled beautifully on the campus with a scenic view of Paris Mountain, is the football home for the Paladins. The facility was opened in 1981, replacing Sistine Stadium, site for Furman football for 45 years.

Another phase of construction has just been completed, and the stadium now seats 16,000 as a total of 2,800 seats have been added. The field at Paladin Stadium has been named Eugene Stone Field, in honor of the support of this project by Furman supporter Eugene Stone.

Paladin Stadium is the third such facility for the Paladins since 1919. Manly Field, completed in 1919, was christened with a 7-6 victory over Wofford. In 1923, Manly Field seating was expanded to 8,000. Furman's final contest in Manly Field was a 20-9 win over Mercer in 1936.

Furman moved to newly constructed Sistine Stadium for the sixth game of the season in 1936 and defeated Davidson 14-13. Just over 45 years later, the Paladins closed the gates to Sistine with a 28-15 victory over arch-rival The Citadel and its first outright Southern Conference championship.

Furman opened Paladin Stadium the same way it did Manly and Sistine, winning the first intercollegiate contest played within its confines. The Paladins defeated East Tennessee State, 21-0. And in its first three seasons, Paladin Stadium served as the home turf of the Southern Conference champions.

From initial grading to completion, Paladin Stadium took two years to be realized at a cost of approximately \$2 million. Construction was handled by Farley Construction of Columbia, S.C.

The fieldhouse, located at the stadium's north end, contains the visitor's dressing room, an officials room which includes separate shower and toilet facilities, a visiting coaches room, and training rooms for both the visitors and home teams. Also included is a large area for pre-game and halftime, along with special meetings, for the Paladins.

Paladin Stadium parking is located adjacent to the facility and can accommodate 3,200 cars. The stadium is accessible by Duncan Chapel Road and U.S. 25.

The playing field is hybrid Bermuda and landscaping at the stadium is in line with the design and architecture of the entire university.

THE UNIVERSITY

One of the leading liberal arts institutions in the nation, Furman University was founded in 1826 and is one of America's 64 oldest colleges.

Furman actually traces its origin to The Furman Academy and Theological Institution, authorized in 1825 by the South Carolina Baptist State Convention and opened at Edgefield, S.C. In 1850, it was chartered as Furman University.

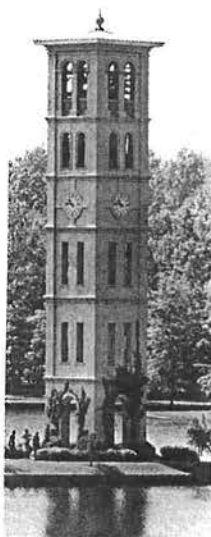

Inspiration for the establishment of the school came primarily from Dr. Richard Furman, under whose leadership the State Baptist Convention was organized in 1821 with a seminary as a major objective. Dr. James C. Furman, son of Richard, became the first man to hold the title of president of the university, in 1859.

The campus located just north of Greenville, S.C., is rightfully acclaimed as one of the most beautiful in the nation. The university moved to its present location from downtown Greenville in 1958.

The 750-acre wooded campus includes a 30-acre lake for swimming, boating and fishing, an 18-hole golf course, 20 tennis courts, a playhouse for experimental drama, a 2,000-seat auditorium and physical activities center as well as the 16,000-seat Paladin Stadium for football, which opened in 1981.

There is much more to the Furman experience, however, than the beautiful campus and the Williamburg colonial architecture. Facilities for study and research for the student body of 2,500 are outstanding. The James B. Duke Library houses more than 250,000 volumes, and Furman's academic program is based on a distinctive three-term system, with two three-month terms (fall and spring) and a two-month winter term. There are also a variety of internships and travel experiences available.

Furman's excellence in academics is recognized across the nation. The university is one of only 234 in the country with a chapter of Phi Beta Kappa.

JAMES BUCHANAN DUKE LIBRARY

A recent study by the magazine *U.S. News and World Report*, which polled college presidents across the United States, ranked Furman third among comprehensive universities east of the Mississippi. The faculty, 87 percent of whom hold doctoral degrees, includes scholars in many fields.

Degrees are offered in a wide variety of fields, including the Bachelor of Arts, Bachelor of Music, Bachelor of General Studies and Bachelor of Science degree. The graduate division awards the Master of Arts degree with a major in education and the Master of Science degree with a major in chemistry.

A Master of Business Administration is offered jointly by Furman's Department of Business Administration and the Clemson University College of Industrial Management and Textile Science.

The university also features a strong 17-sport intercollegiate athletic program, including 11 sports for men and six for women. Several of those teams have earned national recognition as well as Southern Conference championships. Men's sports include football, basketball, soccer, baseball, cross-country, indoor track, outdoor track, swimming, golf, wrestling and tennis. Women's teams are volleyball, basketball, swimming, tennis, golf and softball.

Furman graduates have excelled in many fields. Among just a few of the notable are John Broadus Watson, the "father of behavioral psychology"; Charles Hard Townes, Nobel Prize-winning inventor of the laser and maser; Beth Daniel, LPGA Player of the Year in 1980 and '81; and South Carolina governor Richard W. Riley.

A proud heritage, strong academics, exceptional facilities and excellence in athletics are all part of one of the nation's top liberal arts colleges—Furman University.
