

Dear Coach:

I am pleased to announce that we will be hosting our annual Co-Host Track and Field meet with Howard University. You will see that Gallaudet University has one of the top facilities in the Washington D.C. area. In the field events throws will consist of three attempts before reduced to the finals for the athletes last three attempts. If the field size is deemed too large, we will change to a 4 throw attempt format without a finals. Jumps will also have three attempts before being reduced to finals for the last three attempts. If you have any additional questions or concerns please feel free to call or email me.

Enclosed is information concerning the BISON Classic.
