2004 FOOTBALL GUIDE

The 2004 Gators

"I think the University of Florida made a great choice with Ron Zook as its head coach. He has big goals, big dreams and he's going to be fine. I think he's a heck of a motivator. He can get the best out of guys."

"The guys at Florida are going to enjoy playing for him. He will be able to get them to play their hardest and put them in situations where they will play well. He has been a success at both the pro and college levels."

— Steve Spurrier

If it is possible to have experience and youth in the same breath, Florida football has it. Fourteen true freshmen lined up last year, the second highest total in school history. Overall, 52 freshmen (true or redshirt) played and 45 players saw their first action in a Gator uniform. There still are plenty of young players, but they have some experience under their belt, facing the nation's second toughest schedule a year ago.

Florida returns 43 letterwinners and eight starters from a squad that won a share of the Southeastern Conference East Division for the eighth time in school history last season. The offense features 21 letterwinners (up from 15 a season ago) and the defense returns 18 (UF had 17 come back for the 2003 season). An additional four letterwinners return to the special teams.

Entering the 2004 season, UF's returning leaders in each of the following departments have better totals than did those who were departmental leaders heading into the 2003 season: passing, rushing, scoring, punting, kicking, tackles, and tackles for a loss.

For the first time since 1988 and only the fifth time in school history, UF will play five of its first six games at home. Of course, that means four out of the last five are on the road, but UF's 7-1 record against conference foes since Ron Zook arrived in Gainesville is the best of any team in the league.

Florida will look to add to its current SEC record of 11 consecutive January Bowl appearances and streak of 14 consecutive years in the final Coaches' Poll in 2004. Closing out the close games will go a long way in extending those marks, as seven of UF's 13 games were decided in the last two minutes in 2003.

O F F E N S E

For the first time under third-year Coach Zook, the Florida Gators have a quarterback returning for a season that has played a season and then participated in the following spring drills.

That experience will allow the offense to continue to grow and diversify. UF had 71 plays of 20-yards or more last year, 11 more than they had the previous year and that number should continue to grow in 2004. The running game boasted the best totals for a Gator team in seven seasons, but should also be improved.

The Florida offense will continue to look for balance under new offensive coordinator Larry Fedora. The tempo at the line of scrimmage will be the biggest change, giving UF the option to speed up or slow down play calling to keep opposing defenses off balance. Meanwhile, last year's offensive coordinator Ed Zaunbrecher will have the luxury of focusing on coaching Chris Leak on every play. Zaunbrecher has tutored seven NFL quarterbacks in his 29 years of college coaching.

The Gators also hope to continue to execute in the red zone in the Zook era (scoring on 81 of 102 trips) and take care of the football (last year they had 24 turnovers after committing 26 in 2002).

Quarterbacks

What a difference a year makes.

Last year, UF entered the season with four quarterbacks who had thrown just 10 career passes. Now, the Gators' offense and passing game is in the hands of super sophomore Chris Leak, who set SEC true freshman records for passing yards (2,435) and touchdowns (16). Leak, who took over as the UF starter in the fourth game of the season, posted the best winning percentage of any true freshman starting signal caller in the nation (6-3, .667) in 2003. As good as Leak was last year, he became the first quarterback in school history to lead UF to three consecutive wins in consecutive weeks against ranked opponents away from home, he has continued to show improvement. Leak, who threw six fourth-quarter interceptions in the first six games of his career, but just two fourth quarter picks in the final seven games, showed an even greater comfort level with the offense this past spring.

Just as it is assuring to have an experienced starter behind center, UF is also assured of having two very talented back ups behind Leak. Redshirt sophomore Gavin Dickey appeared in four games last year and showed he is more than capable of

running the UF offense with his eight-play drive in the third quarter of the Miami game that controlled 5:25 on the game clock. Dickey, who played for the Gator baseball team in 2004 and saw limited time in spring drills, will keep defenses off balance with his option of tucking the ball in and running. Redshirt freshman Justin Midgett showed great improvement during the last two weeks of spring drills, highlighted by a 286-yard passing performance in the Orange and Blue Game. Freshman Cornelius Ingram will learn the offensive system.

Southeastern Conference Freshman of the Year Chris Leak enters his first full season as starting quarterback in 2004 looking to improve on his 16 touchdown passes a year ago, an SEC record for a true freshmen.

Running Backs

Like a year ago, the running back corps will serve as one of the strengths of the team despite losing the leading rusher for a second consecutive season. The difference in losing last year's returning rusher (Ran Carthon, 595 yards) versus the leading rusher in 2002 (Earnest Graham, 1,085 yards) is what is coming

Sophomore DeShawn Wynn led a talented back-field last season with seven rushing touchdowns and led all Gators with eight total touchdowns.

Junior Ciatrick Fason, who had 12 plays of 20 yards or more and averaged 7.6 average per touch last year, headlines one of the deepest backfields in the nation.

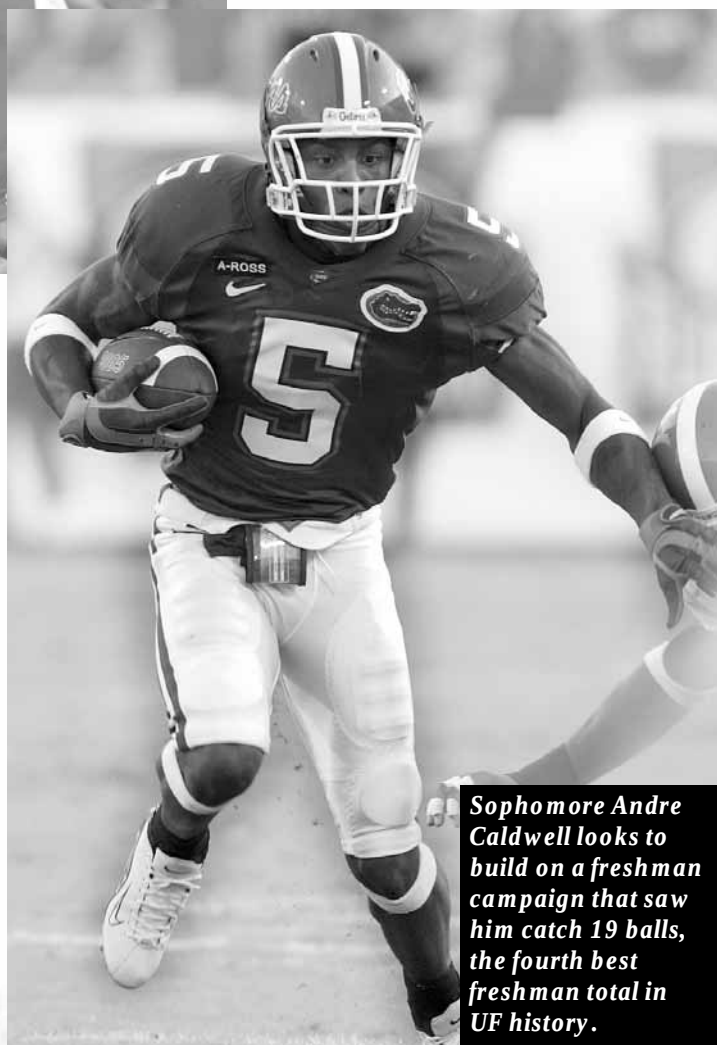

A big play receiver who can go up and get the ball, junior Dallas Baker will look to improve on his 13 catches and one touchdown from a year ago.

back. When Graham departed he took with him 49.6 percent of the team's rushing total from that year, while Carthon accounted for 31.3 percent.

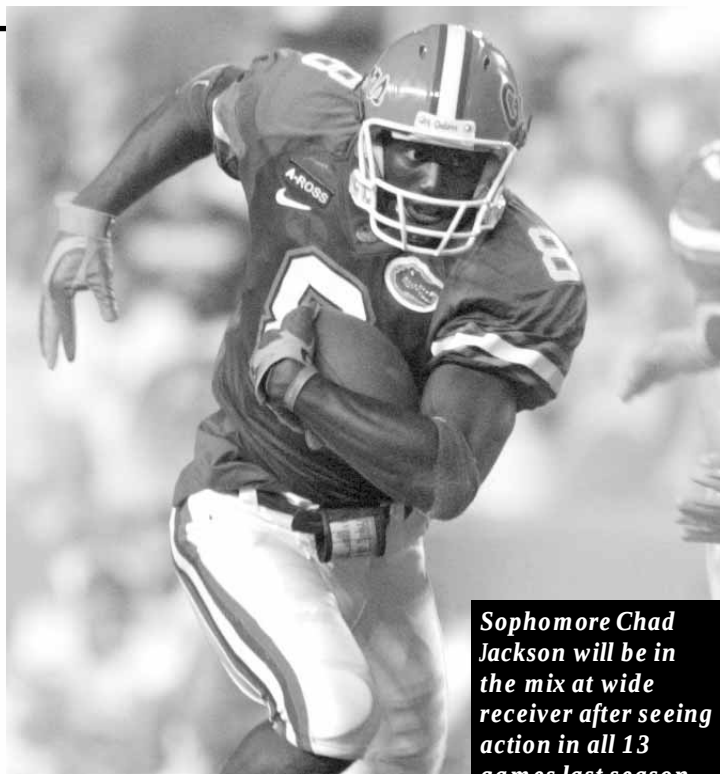

The Gators do return the running back with the best average yards per carry (Ciatrick Fason, 6.9 yards per carry) and return the running back with the most rushing touchdowns (DeShawn Wynn, 7). Fason averaged 89.2 yards per game during UF's five-game win streak last season and ran for 190 yards - the 10th best effort in school history - at South Carolina. Fason finished the year with 12 plays of 20 yards or more and averaged 7.6 yards per touch. Wynn scored a team-high eight touchdowns last year. His seven rushing touchdowns was the third best UF freshman total in school history (only behind Emmitt Smith and Fred Taylor). Four of Wynn's touchdowns came vs. FAMU, the most points scored by a freshman running back in the nation in a single game in 2003. Despite Wynn's build (5-11, 224 pounds) he has shown deceptive speed and quickness - bursting for a 65-yard touchdown run vs. Miami to open the second half. Skyler Thorton completes the returning trio at tailback. Thorton showed promise last year with his solid play on special teams and averaged 10 yards per carry on his limited rushing attempts last year (eight carries for 80 yards). Incoming freshman Markus

Manson is a highly touted back from Tuscaloosa, Ala.

Gainesville native Billy Latsko gives UF its first threat at fullback in more than a decade. Latsko, who saw 87 of his 102 plays on offense in the final six games of the season, averaged 4.7 yards per rush and averaged 15.5 yards per reception. Three of his five touches on the year resulted in a first down. The one-time walk-on was awarded a scholarship after an impressive freshman campaign that saw him finish with a team-high 10 special team tackles. Fellow local product and freshmen Eric Rutledge gives the Gators another option at fullback.

Sophomore Andre Caldwell looks to build on a freshman campaign that saw him catch 19 balls, the fourth best freshman total in UF history.

Sophomore Chad Jackson will be in the mix at wide receiver after seeing action in all 13 games last season.

Wide Receiver

Despite losing its top three receivers from a year ago in Ben Troupe, Kelvin Kight and Carlos Perez, Florida still has experience and talent at the position. Senior O.J. Small is the leading returning receiver with 35 catches in 2003 and has a catch in 18 consecutive games. Eleven other players on the roster who caught passes a year ago are back for the 2004 season.

Dallas Baker, who averaged 16.1 yards per catch last year and had three catches for 36 yards in the Outback Bowl, showed more consistency in spring drills. Baker is among a group of young and talented wide receivers who have improved from the end of the season through the Orange and Blue game. Andre Caldwell caught 19 passes last year as a true freshman, the fourth-best single-season rookie total at Florida. Caldwell set a pair of kick return records for UF freshmen, averaging 20.6 yards per return. Classmate Chad Jackson became only the eighth freshman receiver in school history to score a touchdown as a true freshman after his 29-yard TD grab

Senior O.J. Small provides steady hands and leadership to a relatively young receiving corps. Small ranked third on the team in receptions last year with 35 and was one of three Gators with more than 30 catches.

in the 2003 season opener. A trio of redshirt sophomores - Reggie Lewis, Jemalle Cornelius and Kenneth Tookes - have all made the similar strides, improving in routes and understanding of the offense. Lewis had seven catches for 109 yards in the Spring game. Incoming freshman Michael McIntosh will provide more youthful speed and athleticism.

Tight Ends

One of the most often asked questions in the off season was who will replace Ben Troupe. Well, there are not many tight ends who haul in a team-best 39 catches, hurdle would be tacklers in a single bound and end up a second round NFL Draft pick. Like Troupe, O.J. Small will line up as the inside slot receiver in many UF offensive sets and should get several of the balls that went Troupe's way last year. A pair of junior college transfers - David Kenner and Markell Thompson - will fill the more traditional tight end role. Kenner, a second-year JC product, showed signs of coming around in the spring game, grabbing four catches for 72 yards. Thompson, a 6-7, 310-pounder from Milwaukee, Wis. via Southwest Mississippi Junior College, is a converted defensive lineman who learned his new position in spring drills. A pair of walk-ons - Darrell Carpenter and Hunter Cain - are also capable pass catchers and blockers. A pair of walk-ons - Darrell Carpenter and Hunter Cain - also are capable pass catchers and blockers, while incoming Tate Casey and Dane Guthrie will have a chance to compete for playing time.

freshman to start on the offensive line in school history when he got the nod at right tackle vs. FAMU. Mo Mitchell has returned to the offensive line after a one-year stint on the defensive line. Mitchell played in 15 career games, including five starts on the offensive line before playing in 12 games last year on the defensive line. Another second-year junior college player, Anthony Guerrero can line up at guard.

A pair of seniors – Ronald Dowdy and Billy Griffin along with sophomore Todd Bunce can come off the bench. The future of the offensive line is in the hands of incoming freshmen Jason Watkins, Drew Miller, Jim Tartt and Phil Trautwein.

Offensive Line

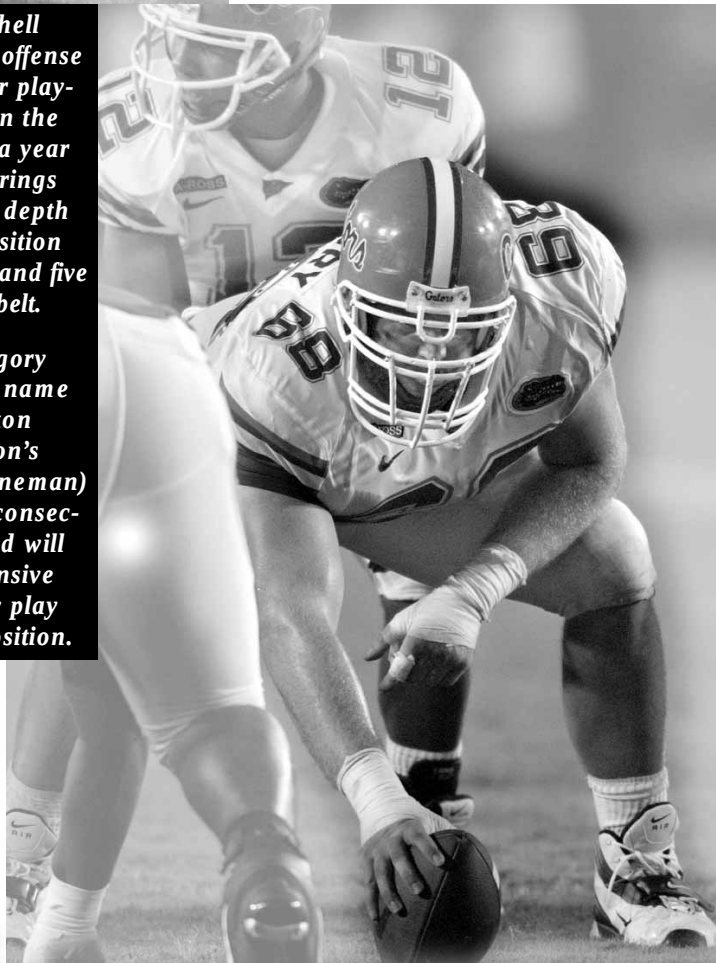

Despite losing two three-year starters in Max Starks and Shannon Snell, the 2004 offensive line will feature seven players who have started a collegiate game. Center Mike Degory will anchor the unit for the third straight season. The second-team All-SEC selection has started all 26 games of his UF career at center and is on the Rimington Watch list (nation's top offensive lineman) for the second consecutive year.

There will be more overall depth on the offensive line with Randy Hand and three other capable tackles. Hand, a true junior, has played in 23 games with 16 starts and has seen most of his action at the right tackle spot. Jonathan Colon, a true senior with 29 games and 12 starts and Taveres Washington, a second-year junior college transfer who started on opening day last year, are candidates for the left tackle spot. Redshirt freshman Carlton Medder, a 6-5, 330-pounder, will also see action at tackle.

Like the tackle spots, there are at least four quality guards that can line up for the Gators. Junior Lance Butler started 10 games last season at right guard and has 16 career appearances under his belt. Steve Rissler became only the eighth true

Senior Mo Mitchell (left) returns to offense this season after playing 12 games on the defensive front a year ago. Mitchell brings experience and depth at the guard position with 15 games and five starts under his belt.

Junior Mike Degory (right) finds his name on the Rimington Watch list (nation's best offensive lineman) for the second consecutive season and will anchor the offensive line with steady play at the center position.

D E F E N S E

For the first time in four seasons, UF will not have a new defensive coordinator as Charlie Strong returns to lead the unit.

A year ago the entire front seven had to be rebuilt, now the rebuilding job on defense falls in the hands of new defensive backs coach Dan Disch, who has to replace all four starters from the secondary. The good news is the experienced and talented group up front will be able to force pressure on opponent quarterbacks. UF returns three of its top five tacklers up front after replacing all five a season before.

The Florida defense will look to remain opportunistic after leading the SEC with 30 takeaways. The Gators set a school record with four interceptions returned for touchdowns and also tied a school record with six defensive scores overall.

Sophomore Marcus Thomas (above) became the first true freshman to start on the defensive line since 1992 and made 20 of his 40 tackles in the last three games.

Sophomore Ray McDonald (left) returns for a second season on the defensive line after a stellar freshman campaign that saw him rack up 54 tackles, eight for a loss, four sacks, and a nod on several Freshmen All-American teams.

Defensive Line

Like the quarterback position, the defensive line entered the 2003 season with no experience and a lot of question marks. The 2003 unit entered the season without an interior lineman who registered a tackle the year before and had to replace 80 percent of its snaps on the defensive line.

Now, like the quarterback position, the 2004 defensive line unit has some youthful talent. Sophomores Ray McDonald (redshirt) and Marcus Thomas (true) both received freshman

accolades a year ago. McDonald was named to *The Sporting News* Freshman All-America team and ranked tied for fifth in the nation in tackles for a loss among freshmen and tied for sixth in the nation in sacks among freshmen. McDonald's 12 starts at defensive tackle were the most ever by Florida freshman at that position. Thomas became the first true freshman to start on the defensive line since 1992 when he lined up for the Ole Miss game. Thomas made 20 of his 40 tackles in the last three games of the season, and he had a key stop on a South Carolina two-point conversion to preserve UF's victory over

the Gamecocks. A pair of upper-classmen - Kenny Parker and Eric Holcombe - are also in the mix. Parker, is a redshirt junior who was relatively injury free for the first time in his career and started six games at one tackle spot. Holcombe is becoming more comfortable with the defensive system entering his second year after transferring from Northeast Community College in Mississippi. Redshirt freshmen Clint McMillan and Julian Riley will join true freshmen Michael Mangold in the rotation. Branden Daniel is another incoming freshmen who enrolled at Florida early and went through spring drills at the middle of the defensive line.

For the second consecutive year, Florida is replacing both of its starting defensive ends (Darrell Lee and Bobby McCray), but there is more depth, speed and athleticism at the position now. Redshirt sophomore Steven Harris saw increased action as the season progressed, averaging more than 20 plays per game during the final five games. Harris joins redshirt freshman Tranell Morant and junior college transfer Jeremy Mincey at the one end position. Morant, at 6-5, 256-pounds, is appropriately nicknamed "Tree". Mincey, who joined the team in January, plays

Sophomore Earl Everett slides into a permanent spot at linebacker this season after notching six starts and being named to the SEC All-Freshman team, as voted on by the coaches.

Senior Cory Bailey brings experience to a young but talented secondary. Bailey has played in 37 games in his career with 12 starts.

with a high level of energy and has a nose for the football. Redshirt freshman Jarvis Moss and sophomore Joe Cohen will share time at the other end position. Moss played in one-game last year before a pelvic injury ended his year, and he is beginning to grow into his 6-7, 220-pound frame. Cohen has made a smooth transition from running back to defensive end and has watched his body change as well, now carrying 266 pounds on his 6-2 frame with no drop-off in speed.

Sophomore MacKenzie Pierre along with true freshmen Michael Mangold and Derrick Harvey will look to see action at the end spots.

Linebacker

The story is the same for the Gators at the linebacker spot. Young players stepped in 2003 for the departed seniors from 2002 who accounted for 25 percent of the team's tackles (Bam Hardmon and Mike Nattiel).

Channing Crowder and Earl Everett became the first freshman duo to start at linebacker in the same game in school history. Crowder was named the SEC Defensive Freshman of the Year by *The Sporting News* after leading all freshmen nationally with 8.2 tackles per game. Everett was named to various league All-Freshman teams, recording 52 tackles and three sacks. The linebacking unit will receive a boost with the return of Travis Harris and Todd McCullough. Harris played linebacker for his first two years before moving to defensive end last year, and McCullough started the first two games last year before a shoulder injury ended his season after three games. Depth is a slight concern with only one other returning scholarship player on the roster at the position, sophomore Taurean Charles.

Incoming freshmen Brandon Siler and Javier Estopinan should compete for immediate playing time and a host of walk-ons - most notably Richard Brown, Brian Royal, Alik Soctt and Alvin Butler will also provide depth.

Defensive Backs

The Gator secondary has been hit hardest by graduation as UF loses all four starters in this group. Seniors Kiewan Ratliff, Johnny Lamar, Guss Scott and Daryl Dixon spearheaded a defensive unit that had 20 interceptions and returned a school-record four for touchdowns. Ratliff, one of three Jim Thorpe

Award finalists, led the SEC with nine interceptions and ranked fifth nationally. The returnees to the secondary will enter the 2004 season with just four career interceptions, tied for the lowest total by a UF secondary entering a season in 20 years.

Although all four starters are gone, UF does return safeties Cory Bailey and Jarvis Herring. Bailey has played in 37 career games with 12 starts, most coming in UF's nickel package, and Herring has played in 27 career games. Terrence Holmes moved from wide receiver to defensive back last year and developed into a front line player there during spring drills. Holmes brings an intelligent, hard-hitting attitude to the secondary. Zephryn Augustine, who has been primarily a high-energy special teams player for three years, is ready to see more time on the field in the safety spots. Redshirt sophomore Nick Brooks will also see some action there.

The corners will be manned by Dee Webb and Reynaldo Hill. Webb, a true sophomore, who was one of the most highly touted freshman defensive backs in the nation coming out of high school, is beginning to show a higher level of comfort and performance in the secondary. Webb's development last year was delayed after he missed the first two games of the season with an ankle injury. Hill, a second-year junior college transfer, will add maturity to the corner spot. Battling Webb and Hill will be Vernell Brown and Deshawn Carter. Brown started his career at defensive back, moved to wide receiver last year, and moved back to cornerback this spring. The coaching staff raves

Demetrice "Dee" Webb looks to step into the secondary this season after some seasoning on special teams last year.

Senior Reynaldo Hill looks to step into the secondary as needed after seeing action in all 13 games last year.

Senior kicker Matt Leach (left) became literally automatic last year converting on all of 41 PAT attempts. The Lou Groza Award semifinalist from a year ago also converted on 17 of his last 20 field goals inside the 40.

Casey Griffith (center) returns for a final season at long snapper after being granted a sixth season of eligibility from the NCAA and will once again provide consistency on special teams.

Eric Wilbur (bottom right) averaged 44.8 yards a punt as a freshman, tops among all freshmen nationally and ranked eighth in the country overall.

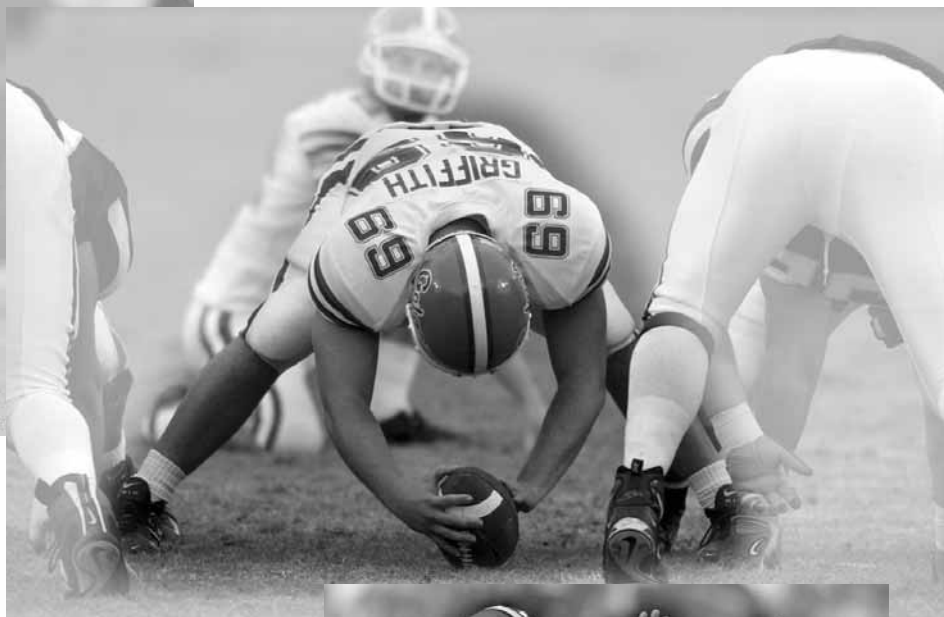

about his competitive edge and athletic ability that more than make up for his 5-8 size. Carter is a redshirt junior who has seen action in 16 games during his Gator career.

The McCollum twins - Jermaine and Tremaine will improve as sophomores and a trio of freshmen Dawayne Grace, Kyle Jackson and Tony Joiner will compete for playing time.

Special Teams

The Gators return most every key facet of their special teams unit from a year ago. Senior Matt Leach, a Lou Groza Award semifinalist last year, made 62 of 68 kicks last season. Leach connected on all 41 PATs and was 21-of-27 on field goals, including hitting on 17 of his last 20 from inside the 40. He kicked the game-winning 33-yard field goal with 33 seconds left vs. Georgia. Sophomore Eric Wilbur was named a freshman All-American last year after averaging 44.8 yards per punt, second best in school history and second best in the league. Despite leading all freshmen nationally last year and ranking eighth overall, Wilbur was pushed by walk-on Nick Fleming in the spring for the starting job. Long snapper Casey Griffith was awarded an additional sixth year of eligibility by the NCAA and will return for one more year. Wilbur and back-up kicker Jeff Whitaker are being looked at for holding on place kicks.

Coaching

“If [Ron] Zook evolves into the coach athletic director Jeremy Foley expects, it will be because he has won the hearts of his players. It is his strength. It is the advantage he has over others. Players follow him, they listen to him, they are willing to sacrifice for him. Players respected Steve Spurrier because he made them look good. They respect Zook because they believe he truly cares about them.”

— John Romano, St. Petersburg Times, on Ron Zook

Ron Zook

Ron Zook, a fiery, high-energy coach with 26 years of coaching experience at the collegiate and professional level, was named head football coach at the University of Florida on January 9, 2002. With a reputation as a player's coach with boundless energy and leadership, he has a proven track record and possesses a relentless work ethic.

Zook's tireless efforts on the recruiting fronts are already paying dividends for the Gators. In just three years Zook has signed 10 *Parade* All-Americans after Florida had inked 20 in the previous 12 years. He signed six in the 2003 class, just one shy of the school record set by the 1987 class. The 2003 class ranked among the top three nationally.

Zook's 9-1 record vs. the Southeastern Conference Eastern Division during his first two years is the best in the league. He owns five wins against ranked teams away from Gainesville during the last two years, the top total in the nation, and he became only the third coach in the 70-year history of the Southeastern Conference to lead his teams to a January bowl game in his first two years. Zook's 16 wins in his first two years at Florida is the top total among active coaches completing their second year at the helm of a program.

Zook's 2003 squad captured a share of the Southeastern Conference East Division and defeated three ranked oppo-

“When someone came up with the statement ‘he has the fire in his belly’ to be a great coach, I think he was evaluating coaches that fit Ron Zook’s profile. I had the opportunity to get to know Ron as well as watch him coach while he was at Ohio State and Florida. I recognized a coach with tremendous passion for what he does and a real compassion for those he works with and coaches. He has all the talent, all the experience and the leadership skills to become very successful head football coach at the University of Florida.”

— Dick Vermeil, Head Coach Kansas City Chiefs

Zook The Recruiter

✦ When Zook was on John Cooper's Ohio State coaching staff, they were on the road recruiting when Cooper wanted to stop somewhere for seafood. Zook zipped through a Shoney's drive-thru for clam chowder.

✦ When AD Jeremy Foley offered Zook the head coaching job, Zook didn't haggle over his salary. “That literally lasted five seconds,” Foley

said. “I told him it was going to be a five-year deal and it would pay him \$1 million a year and he said, ‘OK, I need a cell phone so I can start recruiting.’”

✦ On the national recruiting scene, the UAA pilot Ross Dewitt logged many hours flying Zook up to three cities a day. “There were several times when he asked me if he wanted me to take over and fly the plane. I wouldn't do that, letting a football coach fly me around. (But) he always offers: ‘I'll sit up there

this leg if you want.’ He's joking....he's half-joking. But let's put it this way, if he had to, if both of his pilots became incapacitated and he had to do it, it wouldn't surprise me at all that he'd be able to get the airplane down.”

✦ Zook spent so much time on the road recruiting during his first spring as the Gators' head coach that he knew his way around the rest of the state far better than he did Gainesville. Near the end of May, he still didn't know his new address. “I don't

know the address, I don't even know the name of the street, but I can get there,” Zook said, “I don't even know where the light switches are. But I know it's a beautiful house and my wife is happy and I look forward to living there.”

✦ During the 2002 May recruiting period, Zook visited 71 high schools and drove more than 1,000 miles to personally meet coaches and gave 12 speeches at Gator Club gatherings.

✦ Soon after Zook was hired

nents in consecutive games for the first time in school history. Florida owned wins over two of the top 12 teams in the BCS Championship, defeated both teams that played for the SEC Championship and downed the eventual national champion for just the second time in school history. Florida's schedule, which ranked second-toughest in the nation, included a school-record tying seven ranked opponents. With a squad featuring 45 players seeing action in their first collegiate game and utilizing 14 true freshmen, Zook's team played in a January bowl game and finished the season ranked 24th in the final Associated Press Poll (25th in the *ESPN/USA Today* Coaches' Poll).

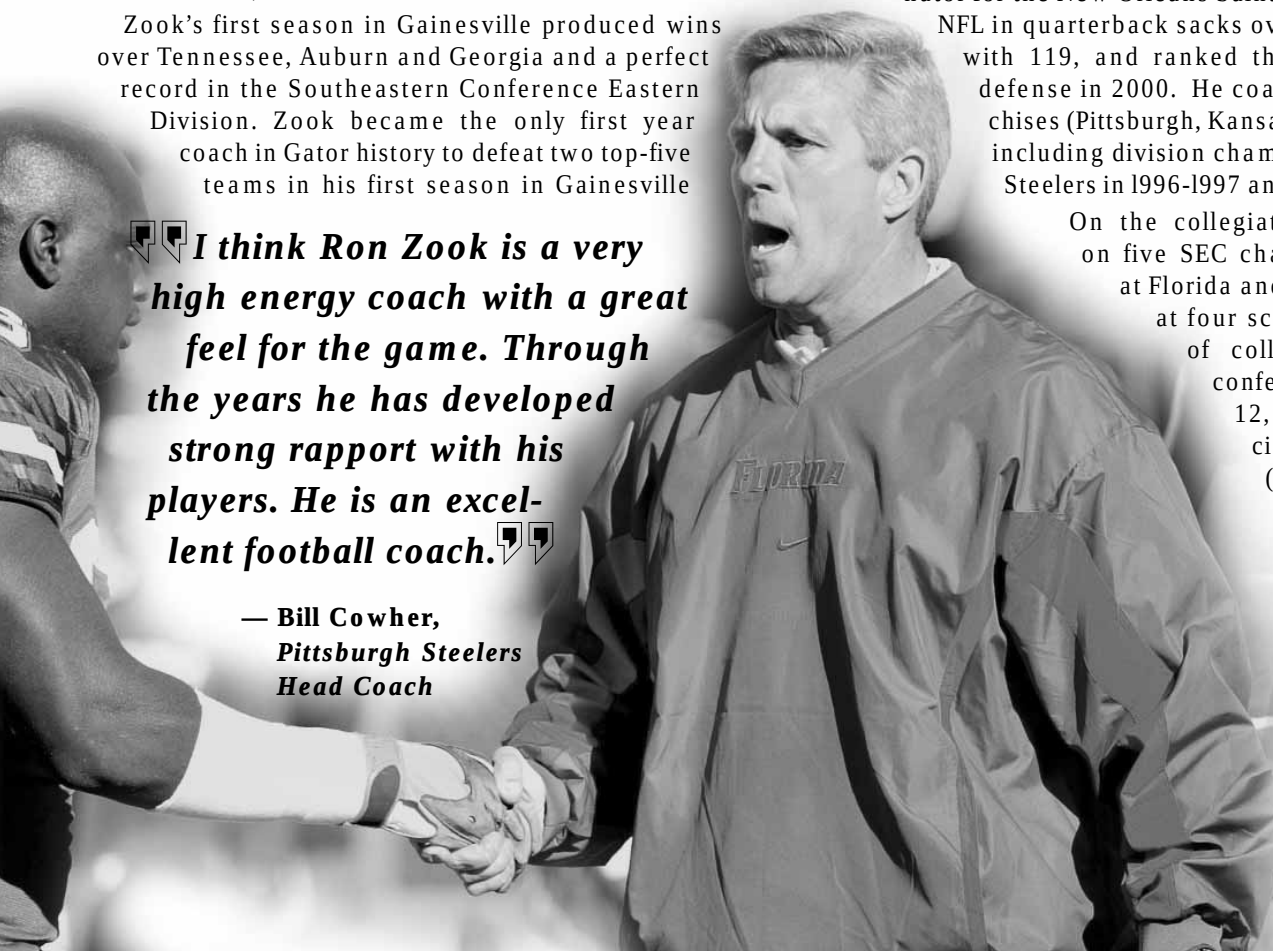

Zook's first season in Gainesville produced wins over Tennessee, Auburn and Georgia and a perfect record in the Southeastern Conference Eastern Division. Zook became the only first year coach in Gator history to defeat two top-five teams in his first season in Gainesville

with a win over fourth-ranked Tennessee and fifth-ranked Georgia. Against a schedule that ranked sixth toughest in the nation, the Gators ranked 24th in the final *ESPN/USA Today* Poll and extended their school record of consecutive January bowl appearances to 12. The 2002 Gator offense, which led the Southeastern Conference in total offense and passing, set school records for most offensive plays, passing attempts and completions. Florida's pass defense ranked seventh-best in the nation, while just two quarterbacks totaled more than 200 yards passing during the regular season.

He came to the Gators from a position as defensive coordinator for the New Orleans Saints, where his units led the NFL in quarterback sacks over the 2000-2001 period with 119, and ranked third in the NFC in total defense in 2000. He coached for three NFL franchises (Pittsburgh, Kansas City and New Orleans), including division championship teams with the Steelers in 1996-1997 and the Saints in 2000.

On the collegiate level, Zook coached on five SEC championship teams (four at Florida and one at Tennessee), and at four schools that are members of college football's premier conferences (SEC, Big Ten, Big 12, Big East). He has participated in 15 bowl games (two as a player, 13 as a coach).

He is no stranger to the Gators or the state of Florida, having spent five years (1991-95) as an assistant coach at UF during one of the most successful five-year periods in school history.

“I think Ron Zook is a very high energy coach with a great feel for the game. Through the years he has developed strong rapport with his players. He is an excellent football coach.”

— Bill Cowher,
Pittsburgh Steelers
Head Coach

by Florida Athletics Director Jeremy Foley, he marched into Foley's office and told his new boss, "You need to get me a cell phone that works in the shower. That would give me an extra 10 minutes to recruit." He was only half-joking.

❖ Zook was hired on January 9, 2002 — a Wednesday. That Friday some 15 recruits were scheduled to arrive in Gainesville for official visits. Zook, who refused to delay any of the visits, rushed to organize the perfect trips.

When every detail was planned perfectly by Zook and his brand new coaching staff, they waited eagerly at the stadium to greet the recruits and their host players. However, there was one problem. When 30 athletes arrived, Zook and his staff weren't sure who were being recruited and who were already playing at Florida. Zook paused for a moment to think, and provided his staff with one simple direction. "Recruit them all."

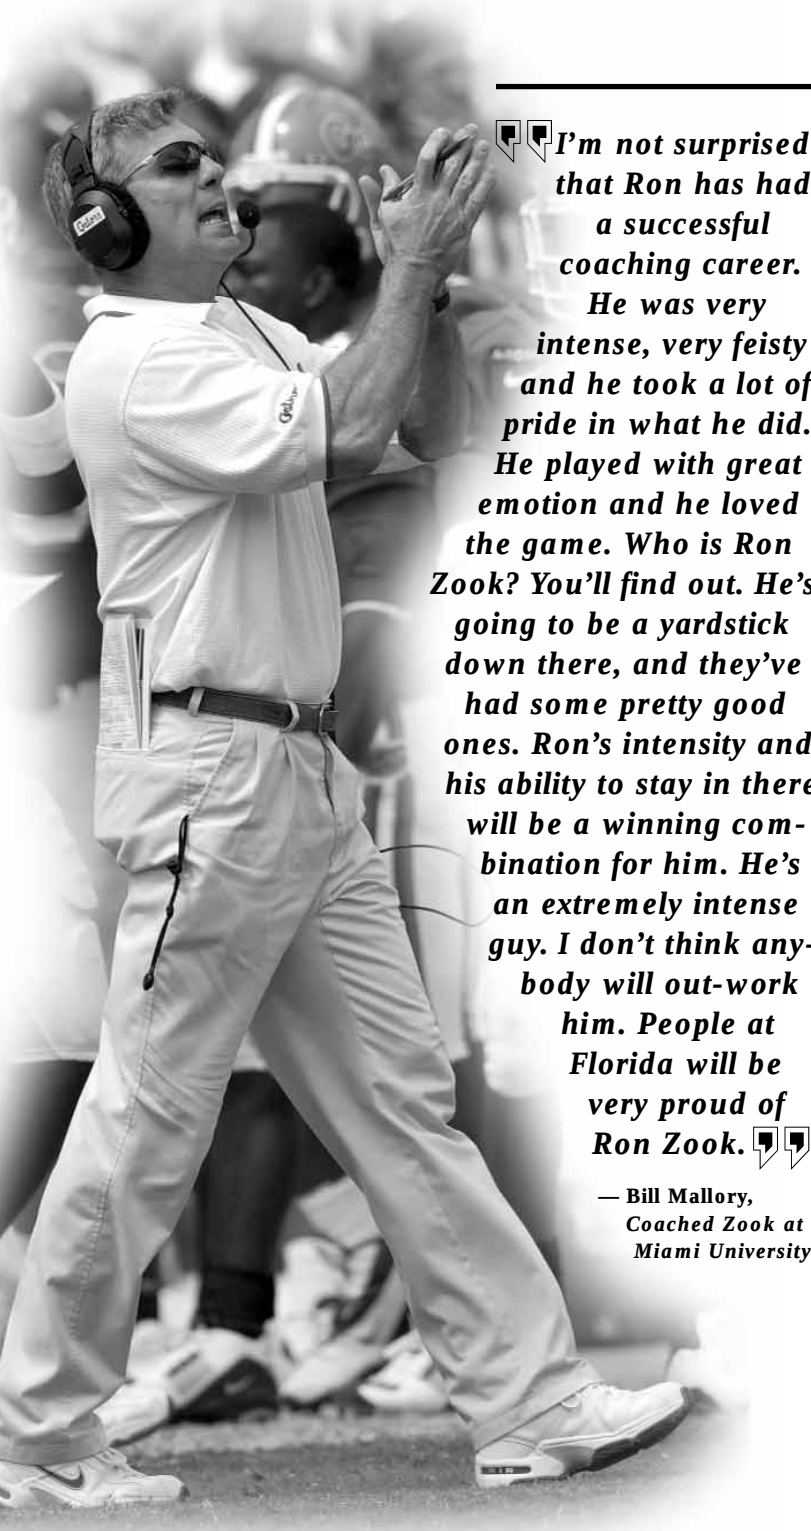

❖ Zook called upon Arkansas

Defensive Coordinator John Thompson to inquire about one of his assistants but hit it off with Thompson's style and asked him to come to UF for the coordinator position. Thompson, who worked 18 years to get his dream position at Arkansas, was persuaded by Zook to head to Gainesville. "Ron is a good recruiter. When we got on the plane, it was a done deal," he said. Eight days later, Thompson, his wife and their two sons and dog were living in Gainesville.

❖ Zook's intense style of

recruiting is already turning heads in Florida. One long-time high school coach says he has never seen anything like it when Zook spent an hour and a half chatting football with him in the morning before returning to the school for practice that afternoon. "I've been coaching in all areas of this state for more than 20 years, and I've never seen anything like what Coach Zook is doing...that makes an impression on an old high school coach."

❖ Zook is a man that believes

“I’m not surprised that Ron has had a successful coaching career. He was very intense, very feisty and he took a lot of pride in what he did. He played with great emotion and he loved the game. Who is Ron Zook? You’ll find out. He’s going to be a yardstick down there, and they’ve had some pretty good ones. Ron’s intensity and his ability to stay in there will be a winning combination for him. He’s an extremely intense guy. I don’t think anybody will out-work him. People at Florida will be very proud of Ron Zook.”

— Bill Mallory,
Coached Zook at
Miami University

Over this period the Gators recorded an overall record of 52-11-1, including a 38-5 SEC record, while winning four SEC championships (1991, ‘93, ‘94, ‘95). They played in five bowl games, including three Sugar Bowls and one Fiesta Bowl, ranked in the nation’s top 10 in final polls each year and played in the 1996 National Championship game in the Fiesta Bowl.

Zook served as defensive coordinator and secondary coach from 1991-93, special teams coordinator and nickelbacks coach in 1994. In 1995 he was associate head coach, special teams coordinator and coached the nickelbacks and strong safeties.

As the defensive coordinator from 1991-93, Florida was the only school to rank among the SEC’s top four teams in rush defense all three seasons (first in 1991, fourth in 1992 and second in 1993), and ranked among the nation’s top 10 teams in rush defense in 1991 and 1993. As special teams coordinator from 1994-95, the Gators blocked 12 total kicks and the 1994 unit blocked a school-record five punts.

Zook’s college coaching career started in 1978 at Murray State under head coach Mike Gottfried, who is now an ESPN college football analyst. Gottfried has followed his career for over two decades.

“I’ve known Ron for over 20 years and I’ve closely watched him since the very beginning of his college coaching career, when he was with me at Murray State,” said Gottfried. “He has a strong desire and will to win, and to do things the right way. He is very passionate about coaching and helping young people.

“He has built outstanding relationships with players wherever he has coached. I feel he is unquestionably one of the very best recruiters in all of college football.

“Ron would rank among the top three coaches of all the assistant coaches I had the privilege of having on my staffs over the years because he is so well rounded and brings so much to the table in terms of what it takes to be a successful coach,” said Gottfried. “I believe he ranks with people like Frank Beamer, Bob Stoops, Larry Coker and Ralph Friedgen as long-time assistants who deserved a chance to be a head coach, and I think Ron will be just as successful as those coaches have proven to be.”

that no time should be wasted. Once when the fire alarm went off in the football offices, everybody but Zook evacuated. “If there really had been a fire, I could have escaped. It’s not that far of a jump.”

Zook with his Players

✧ Following a Monday afternoon meeting during Florida’s first week of spring drills, Gator quarterback Rex Grossman expressed his

amazement at the fire of his new head coach. “He just got everybody fired up,” Grossman said. “I thought it was a pre-game speech. I was about to get up and run out the tunnel.”

✧ Not long after Zook arrived on campus he was walking through the weightroom as Taylor Jacobs was working on his last set of a 330-pound bench press. “You think you’re good, don’t you?” Zook asked. “I’m not all that, but I’m OK,” Jacobs replied. Zook, wearing dress shoes, a

collared shirt and slacks got under the bar and began to throw up the bar. “Got you,” Zook said. “That’s the first time I realized that he’s got something special. This guy’s got another thing going, and I was like ‘OK, he’s crazy.’ I like that.”

✧ As the Pittsburgh Steelers’ Special Teams Coach from 1996-98, Zook and his unit had an interesting pregame ritual. Before each game, the players would surround Zook, work themselves into a frenzy and push him around like a

pinball. According to former Steeler running back Fred McAfee, Zook didn’t always emerge unscathed. “A couple of times, Zook got black eyes in there,” McAfee said. “I don’t even come to the kickoff huddle unless I have my chinstrap buckled up.”

✧ While an assistant at Tennessee from 1984-86, Zook once called a defensive backs meeting in the hotel room of one of his players, Charles Davis. When he realized he had forgotten to bring a pad of paper, Zook ripped

Zook is a graduate of Miami of Ohio (1976 B.S. in Comprehensive Science). He played as a defensive back there from 1972-75 and was captain of the 1975 team. Miami posted a 32-1-1 record during that period and beat the Gators in the 1973 Tangerine Bowl. They won the Mid-American Conference each year.

He is married to the former Denise Baugh and they have two daughters, Jacquelyn and Casey.

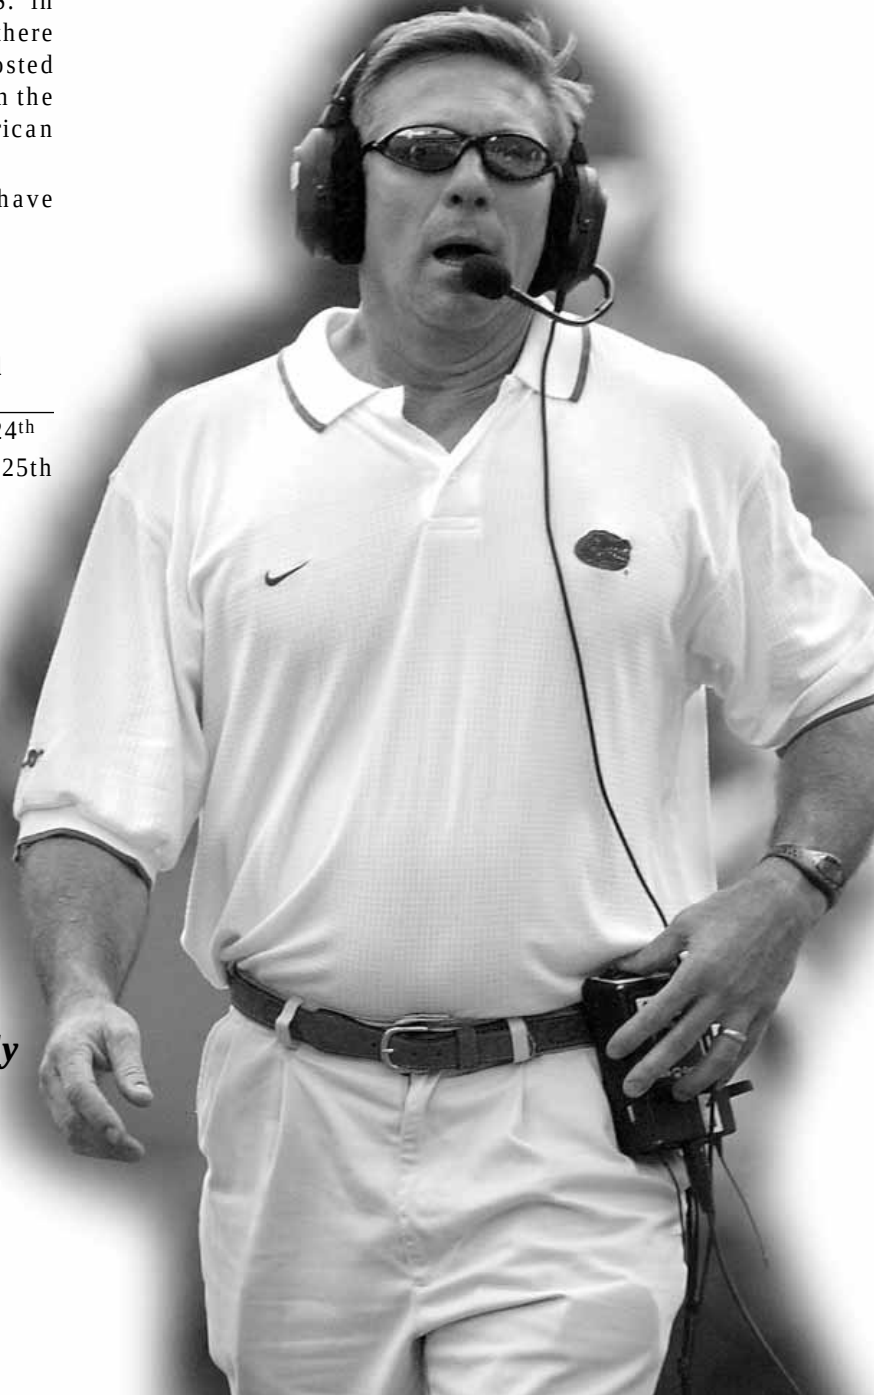

He was born on April 28, 1954 in Loudonville, Ohio.

off Davis' bedsheet and scrawled plays on them. "I went to bed with two- and three-deep coverages underneath me," Davis said.

✧ How does Zook describe his style of coaching? "Wide open, puff o' smoke come out of your tail and go, man, go. We're gonna play all them games, play them hard and have a good time doing it. When (fans) leave the Swamp, I want them turning around and saying, 'Damn, those guys are having fun.'"

✧ The UF players describe

Zook as a players' coach. He's active, available and pays attention to what they're doing. "He expects a lot from us and he gives a lot of himself," RB Ran Carthon says. Zook has given his cell phone number to all the players—and he has all of theirs. He lifts weights with them, spends time in the locker-room with them, eats in the dining hall with them. During two-a-days he stayed in the hotel with them.

In the "Cradle" of Coaching

✧ When he didn't receive any scholarship offers out of high school, Zook decided to walk-on to the team at Miami University of Ohio after a local dentist, Dave Mallory, introduced him to his brother Bill Mallory, the coach at Miami. When he walked off three years later, he was the team's captain. In the three

seasons Zook played, Miami lost only one game.

✧ Though everyone who meets Zook today marvels at his intensity, he was just as intense when he played for Miami from 1972-75, according to Tennessee Titans' running backs coach Sherman Smith, who played with Zook at Miami. "He would play so hard he would hit guys and get knocked out," Smith says.

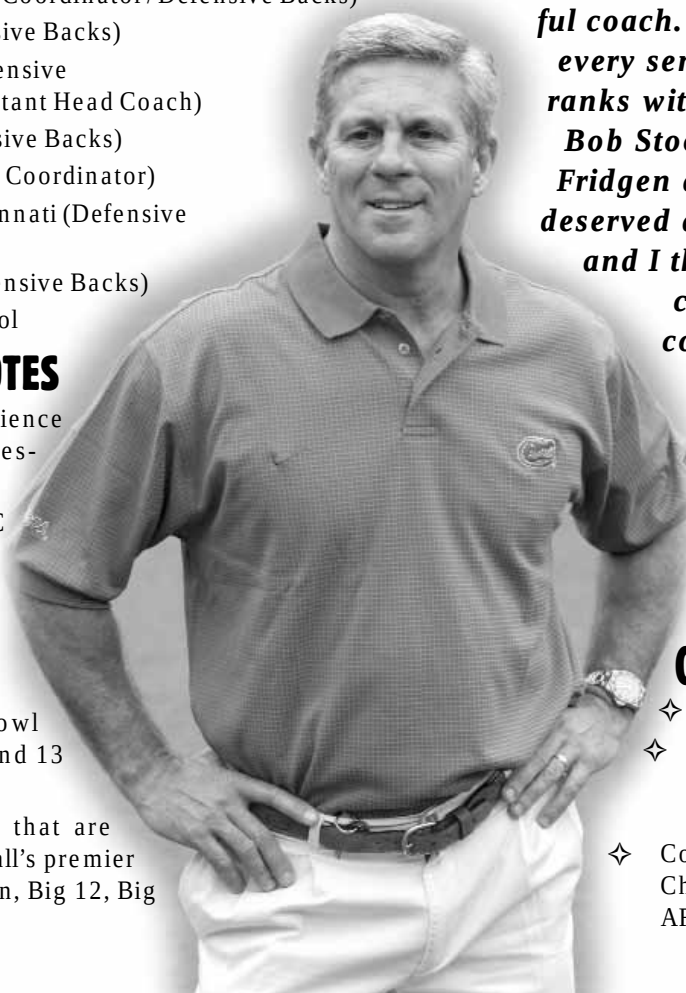

✧ Judging by the school's prestigious alumni, attending Miami may have been the first step toward coaching

NFL COACHING CAREER (1996-2001)

- ✧ Six years coaching experience
- ✧ Coached for three NFL franchises (Pittsburgh, Kansas City and New Orleans)
- ✧ Coached on three NFL Division Champions (1996 and 1997 Steelers - AFC Central, 2000 Saints - NFC West)

greatness for Zook. Known as the “Cradle of Coaches,” Miami has produced such greats as Paul Brown, Weeb Ewbank, Woody Hayes, Ara Parseghian, Bo Schembechler and Sid Gilman.

✧ In perhaps the highlight of his college playing career, Zook’s Miami team took on Florida in the 1973 Tangerine Bowl. The game was played in Gainesville due to renovations to the stadium in Orlando, and Miami upset the Gators 16-7 in what was the first of three consecutive

Tangerine Bowl victories. On the game’s opening kickoff, Zook tackled Gator great and current Sunshine Network commentator Nat Moore to set the game’s tone. According to ex-teammate John McVay, Zook had a great game and “must’ve made every tackle on the punt coverage and kick coverage.

✧ While at Miami, Zook lived in Hepburn Hall with a group of men that went on to very successful athletic careers. Zook’s fellow residents of Hepburn Hall included North-

western football coach Randy Walker, former Ohio State basketball coach and one-time 76ers head coach Randy Ayers, former Reds first base coach Billy Doran, current Georgia Tech baseball coach Danny Hall, former NFL running backs Rob Carpenter and Sherman Smith and former Braves pitcher Charlie Leibrandt.

Zook as a Player

✧ Zook’s brother Bob would stand at the top of a hill behind

their childhood home and roll an old tire down to Ron, who was standing at the bottom of the hill in shoulder pads and a helmet. Zook was small growing up but the drill taught him toughness. He either made a great stop or got knocked to the ground and afterwards he would get up and push the tire back up the hill and prepare for another shot. “It was a toughness drill, teaching me to run through things when I tackled. You had to hit it hard, because it was a moving object and it’d roll right over you.”

Pittsburgh Steelers (1996-98)

Served as special teams coach during his entire tenure... During his three seasons Zook's squad did not allow a blocked punt and finished 1998 as the NFL's third best kickoff coverage group, permitting just 8.9 yards per return...Helped the Steelers to AFC Central Division Championships in both 1996 and 1997 under Bill Cowher.

Kansas City Chiefs (1999)

Coached defensive backs...Kansas City posted 25 interceptions which included a stretch of 11 consecutive games with at least one interceptions, the Chiefs' first such streak in over a decade. ..Kansas City led the NFL in defensive TDs with nine, six of which were registered by Zook's defensive backs ...The Chiefs tied for the best record in the AFC West with Seattle but lost the tiebreaker and did not qualify for the playoffs.

I've never met anybody so excited. Every morning at 6 am he's alive. He never drags his feet. You can tell he's enthusiastic about being alive and at the University of Florida." I don't think you can possibly see him more would up than he already is. He's just an emotional guy. Every day at practice, he is so enthusiastic, so passionate and just involved. Even when the times were as tough as they were, Coach Zook actually got stronger in his optimism. He was like, 'Hey, it can't get any worse than this. He's very devoted and passionate, an intense individual. Coach is very up-front and cares about everybody.

— Max Starks,
Florida offensive lineman

New Orleans Saints (2000-01)

Served as defensive coordinator both seasons...Zook's defense led the NFL in 2000 in quarterback sacks (66) and ranked third in the NFC in total defense and fourth against both the rush and the pass in the NFC...Four members of Zook's defense (Mark Fields, La'Roi Glover, Joe Johnson and Keith Mitchell) were selected to the 2001 Pro Bowl...The Saints won the NFC West Championship in 2000 and defeated the defending Super Bowl Champion St. Louis Rams in the first round of the playoffs for the Saints' first ever playoff victory in the franchise's 35 year history...The 2001 Saints ranked second in the NFL in quarterback sacks (53)...Two of his Saints players (La'Roi Glover and Sammy Knight) were chosen for the 2002 Pro Bowl.

✧ There was also a variation where the ball was tossed to 80-pound Ron, whose objective was to run through Bob and his 120-pound neighbor. "He either cried or bled," Bob Zook said. "Most of the time it was both." Ron wore glasses at the time and before long "there was more electrical tape on his glasses than there were glasses."

✧ As a freshman, Zook became a star quarterback and defensive back at Loudonville High School, due to his drive and preparation for the game.

"We had four touchdowns called back because he had faked the ball so well and the officials blew the whistle. We're losing 14-6 to Ontario just before halftime, and we ran a belly play. Ron faked the ball to the fullback and handed it to the tailback. The ref blew the ball dead because he thought the fullback had it, but the tailback was in the end zone with it 52 yards away." Said John Burkhart, mayor of Loudonville and his teammate. ✧ Zook also ran track and

still holds the school record for the 110-meter hurdles (15.3 seconds) with two others.

✧ As a member of the freshman basketball team, Zook's team was down 20-0 at the half vs. Fredricktown. After his coach walked out at half-time, Zook took over and they ended up winning 43-42.

Roots and Family

✧ Zook grew up in the small town of Loudonville, Ohio.

The town's population is a mere 3,000, and a canoe livery was its biggest industry.

✧ As devoted as he is to football, Zook is still a family man. During his hectic first spring as Florida's head coach, Zook found the time to make a 90-mile drive from Daytona Beach to Jacksonville to watch his daughter, Casey, run the 100-meter hurdles in the district championships. Casey was ecstatic that her father would drive two hours for a 17-second race.

COLLEGIATE COACHING CAREER (1978-95, 2002-Present)

- ✧ 20 years of collegiate coaching experience (Florida, Ohio State, Virginia Tech, Tennessee, Kansas, Cincinnati, Murray State)
- ✧ Participated in 15 bowl games (two as a player, 13 as a coach)
- ✧ Coached on five SEC Championship teams (four at Florida, one at Tennessee)
- ✧ Coached at four schools that are members of college football's premier conferences (SEC, Big Ten, Big 12, Big East)

Florida (1991-95)

A prominent member of a Gator staff that compiled one of the most successful five-year periods in school history. Zook served as defensive coordinator and defensive backs coach from 1991-93, special teams coordinator and nickelbacks coach in 1994 and in his final year, 1995, he was associate head coach, special teams coordinator and also coached the nickelbacks and strong safeties. Over that five year period of time, Florida accomplished the following:

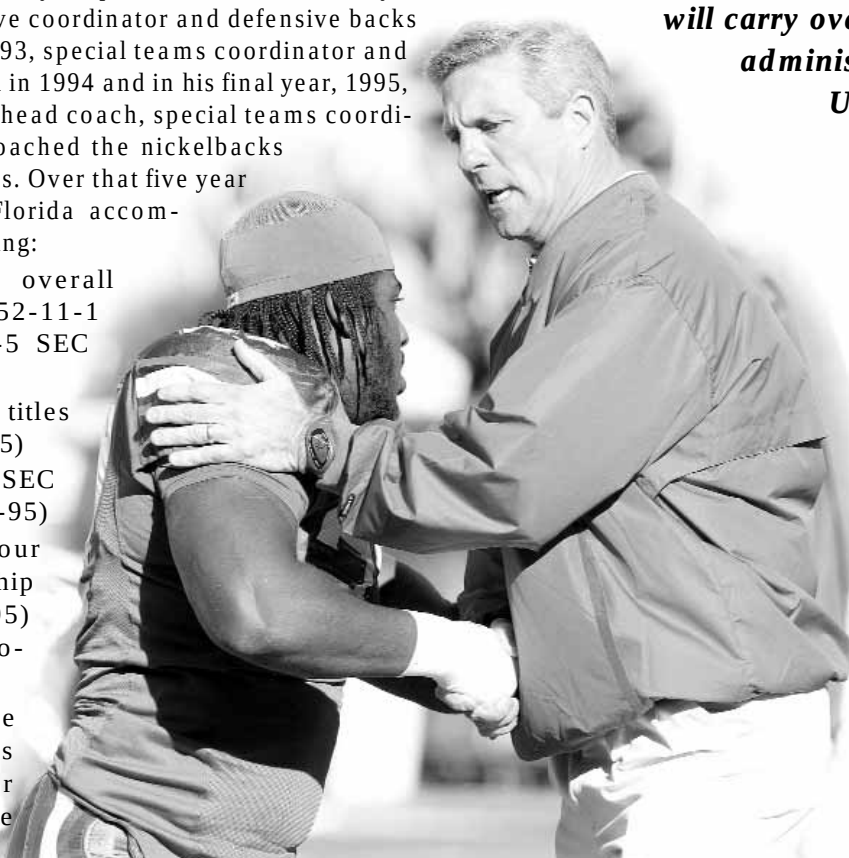

- ✧ Recorded a overall record of 52-11-1 including a 38-5 SEC record

☐☐ *I have been a long-time admirer of Ron's coaching ability. I closely followed his collegiate coaching career at some of the top programs in the country such as Florida, Tennessee and Ohio State. I always knew he had tremendous ability as a football coach, but even more importantly, it was also apparent that he did an outstanding job of relating to his student-athletes. He obviously played an integral part in the success the Gator program enjoyed during the '90s. He possessed a high level of enthusiasm, and I have no question that his passion will carry over to the players, coaches, administration and fans at the University of Florida.* ☐☐

- ✧ From 1991-93 as the defensive coordinator, Florida was the only school to rank among the SEC's top four teams in rush defense all three seasons (first in 1991, fourth in 1992, second in 1993). The Gators ranked among the nation's top 10 teams in rush defense in 1991 and 1993.

✧ Zook's father, a traveling salesman, was more than 400 miles away in Chicago at a trade show during senior night at Ron's final high school home football game. His father drove straight in from a meeting, wheeled into the parking lot just before kickoff and immediately left after the game to get back to Chicago in time for his Saturday appointments.

✧ Zook's grandfather, Peter, came to America from Russia. When he arrived at Ellis

Island, immigration officials looked at his 26-letter last name and shortened it to simply Zook.

✧ Zook's wife, Denise, tells about her husband's meticulous scrutiny of life on, and off, the football field. "When he's making a decision on anything, I don't care if it's insurance, buying a house, getting a loan, getting a dog, whatever, he's going to check out everything," says Denise. "You should ask the car salesman how he is about buying a car. It's hilarious. It's just how

Ron is. Every single thing we buy has to be researched."

✧ Zook's favorite way to relax is water skiing, and since 1991 he and his family have vacationed at Kentucky's Lake Cumberland every summer. The family stays in a 85-foot houseboat with their friends the Daultons, and spends almost the entire week water skiing.

✧ Zook started flying planes when he was 13 and had his first solo flight when he was 16.

The Dream Job

✧ Zook's wife, Denise, says that to be the head coach of Florida has been her husband's dream for almost 20 years. In 1983, Zook wrote down the top ten schools he hoped to be the head coach at one day, and at the very top was Florida. At the time, Florida had never even won an SEC title, and Denise was skeptical, but Zook assured her that due to its location in

a "recruiting hotbed", Florida had unlimited potential. "I'm telling you," Zook told his wife. "They can win it all."

✧ When Zook was named Florida's head coach in January, his parents — Pete and Dorothy — refused to have their picture in the local paper. Instead, Dorothy said she planned on laminating a large, color photo of her son that had run in the Palm Beach Post. The proud mother wanted to mount the picture on her refrigerator.

✧ When Steve Spurrier first

offered Zook the opportunity to be an assistant coach at Florida, Zook jumped at the chance. "When coach Spurrier called me, we never did discuss money," said Zook. "My wife asked me how much he was going to pay, and I said, 'Denise, it doesn't matter. We want to go to Florida.'"

✧ Zook has quickly become a favorite on the Gator Club speaking circuit. At an event hosted by the Volusia County Gator Club, Zook was asked to sign one fan's brand new license plate which read

"ZOOKN." Patrick Kelly of Daytona Beach had ordered it the day Zook was hired as Florida's head coach. Zook's response? "I've always said we have the best fans in football," said Zook.

✧ Zook's final Gator Gathering appearance was at the Jacksonville chapter where he was greeted by over 1,200 fans and a standing ovation. Fans had "Zook 'em" shirts, "I'm a Zooker" and "Got Zook?" buttons and bumper stickers. One man even held a "Dreams do

Come True" poster as Zook spoke. As one of Spurrier's assistants, Zook worked the Jacksonville area and helped loosen the stronghold FSU held over it to convince some of the top athletes to sign with the Gators.

The Gators

“If Zook is so great, why did a head coaching job elude him for so long? Simple, the supporters say. This is a man without ego or pretense, a coach who never would think of backstabbing his way to the mountaintop. A good soldier who was once demoted – from defensive to special teams coordinator – by Spurrier, but remained in the trenches and ultimately was offered his old ranking back. Maybe that’s why so many are willing to go to war with him now.”

— Joey Knight,

Tampa Tribune on head coach Ron Zook

“Coach Zook has the same contagious attitude and enthusiasm for the game that he had back then. One thing has changed, though. I think of him running down the field as a sophomore at Miami as a coverage specialist with uncontrolled recklessness. Now, with his maturity level, it’s a controlled recklessness. I told people several years ago if Ron is not a head coach at one of the top schools in college football, he’ll be a head coach in the NFL, and I mean soon.”

— John McVay, Former teammate of Coach Zook at Miami of Ohio on Ron Zook’s attitude and enthusiasm

Series and Game Notes

Two of the top teams in the SEC's Eastern Division over the last decade will meet for the 34th time...The Gators and Volunteers have each claimed national titles in the last eight seasons and along with Georgia are the only schools ever to represent the East in the SEC Championship Game ...In nine of the last 10 seasons, and in 11 of the last 15, both teams have entered this game ranked in the Top 10... Florida has won 13 of the last 18 meetings between the schools, including eight of the last 11...Florida has won seven of the last nine games in The Swamp, holding a 7-5 lead over Tennessee at home...The last time Florida traveled to Knoxville, the Gators stunned the favored Volunteers in the pouring rain with a 30-13 victory... The Gators and Volunteers are both charter members of the Southeastern Conference, but have met just 26 times in the regular season since the conference began play in 1933. The two teams met five times from 1916-32 and one other time in the 1969 Gator Bowl... Florida holds a slight 14-13 edge in regular season games since the SEC's inception in 1933 and the Vols hold the overall series edge, 18-15. For the eighth time in nine years, a streak only interrupted by the Sept. 11 attacks, Florida will open its SEC slate against Tennessee. UF is 38-10-1 in

league openers since 1954. The very first meeting between these two teams took place in Tampa in 1916 and the first meeting in Gainesville did not occur until 1953... The 1969 Gator Bowl in Jacksonville saw former Tennessee athletics director Doug Dickey in his last game as head coach of the Volunteers prior to taking over the same duties at Florida in 1970. Dickey, a Gator graduate who coached UF from 1970-78, is one of several ties to both schools...Bob Woodruff, who was UF's head coach from 1950-59, served as athletics director at Tennessee from 1963-85 ...Ray Graves, who was UF's head football coach from 1960-69 and athletics director from 1969-79, is a Tennessee graduate...Ron Zook coached the Tennessee defensive backs from 1984-86...Tennessee assistant coach Jimmy Ray Stephens played at UF from 1972-76 and coached the Gators' offensive line from 1993-2002, while UT defensive line coach Dan Brooks was on the Florida coaching staff in the mid-1980s.

Series and Game Notes

This will be the 55th meeting between Florida and Kentucky, with the Gators owning a 37-17 series edge, including a current 17-game winning streak over the Wildcats... The series is tied for sixth on the NCAA Division I Most Consecutive Wins Over a Major Opponent in a Series list... The two teams first met in 1917 in Lexington... Kentucky has not won at Florida Field since 1979, a streak of 11 straight Florida wins... Florida has dominated the series in recent years after UK dominated in the early years... The Wildcats won 12 of the first 16 games played between the schools but the Gators have won 23 of the last 24 meetings and 33 of the last 38 games... These two SEC schools have met annually since 1967, with the Gators holding a 32-5 series edge in the 37 games played since that season... Florida was 9-1 vs. Kentucky in the decade of the 1980s and 10-0 in the '90s... Florida's 35-19 victory over Kentucky in 1991, which clinched the Gators' first official SEC title, ranks as one of the most memorable victories in school history... Five games between the schools have taken place outside of Gainesville or Lexington (Jacksonville or Tampa) with the Wildcats winning three of those five games... Since 1996, Florida and Kentucky rank second and third, respectively, for the most 300-yard passing games in the nation with 54

Ben Hill Griffin Stadium At Florida Field Gainesville, Florida

and 52...UF defensive coordinator Charlie Strong and UK wide receivers coach and recruiting coordinator Joker Phillips were members of the same staff two seasons ago at South Carolina. Strong spent four seasons with the Gamecocks as defensive coordinator. Phillips spent one year in Columbia as the receivers coach... Florida head coach Ron Zook and Kentucky defensive coordinator Mike Archer served on the same staff from 1996-98 with the Pittsburgh Steelers. Zook was the special teams coach, while Archer worked with the linebackers. The two helped Pittsburgh to become AFC Central Division Champions in 1996 and 1997 under Bill Cowher... Coach Zook also has connections with Kentucky Offensive Coordinator/Quarterbacks coach Ron Hudson as the two were at Ohio State at the same time. From 1988-90, Zook was the Buckeyes defensive backs coach while Hudson was the quarterbacks and running backs coach from 1988-94.

This will be the sixth meeting between Florida and Arkansas, and the second-ever in Gainesville. The Gators hold a 4-1 advantage in the previous five meetings. Arkansas captured the first-ever meeting with a 28-24 victory in the 1982 Bluebonnet Bowl in Houston. Current Gator assistant head coach Dwayne Dixon was the UF MVP in that contest, catching three touchdown passes. In 1995 the two schools met in the fourth annual SEC Championship Game in Atlanta, with the Gators posting a 34-3 win...The win gave Florida its third consecutive SEC title...In 1996, the programs met for the first time in a regular-season game, with the Gators posting a 42-7 victory in Fayetteville...One season later, the Gators and Razorbacks played for the first time in Gainesville which saw No. 1 ranked Florida defeat Arkansas 56-7...Last year the Gators hung on to come away with a 33-28 win in Fayetteville.

Series and Game Notes

Florida and LSU are meeting for the 51st time including the 24th time in Gainesville...The Gators lead the all-time series 21-3 including wins in 14 of the last 16 meetings...Two of LSU's last three wins in the series (1987, 1997) have been at Tiger Stadium...LSU is the only SEC opponent which Florida never has faced at a site other than the schools' campuses. The SEC foes have met on an annual basis since 1971, with Florida holding a 19-11-2 series edge over that 31-year time span...LSU remains an annual opponent for Florida, as the SEC switched to one permanent inter-divisional game per season... Florida has claimed victories in 14 of the last 16 meetings, with the losses including a 28-21 upset victory for LSU 1997 in Baton Rouge...The loss was

Florida's first in SEC play after winning 25 straight conference games. The other Gator defeat occurred in 2002, when the Tigers shocked Florida 36-7 in front of its home crowd at The Swamp...Since the start of the 1981 season, the Gators have compiled a sparkling 114-18-2 record at Florida Field. LSU is responsible for three of those rare home losses (1982, 1986, 2002) and one of the two ties (1984). Current Gator Quarterbacks Coach Ed Zaunbrecher was LSU's Offensive Coordinator and QBs coach from 1984-90, helping the Tigers to the 1986 and 1988 SEC Championships.

Series and Game Notes

The Florida-Georgia series is one of the longest and most storied in college football...The two schools have met 81 previous times, which is the most for Florida vs. any opponent... Every game of the series from 1933-93 was held in Jacksonville... This year's game is in its ninth year back in Jacksonville after a two-year stint (1994-95) at the school's campus stadiums as Alltel Stadium, formerly the Gator Bowl, was renovated for the National Football League's Jacksonville Jaguars...Florida won each of the two campus games, with the 1995 game in Athens the first in the series since 1932 held on the Georgia campus... The 1994 meeting in Gainesville was the first since 1931 that the annual meeting was held on Florida's campus. The two schools first met in 1915...They have met every season since 1926 with the exception of the 1943 season when Florida did not field a team...Since 1961 (42 games), this annual contest has been decided by seven or fewer points 20 times... UF has won in 13 of the last 14 years and 15 of the previous 20 seasons... Prior to Steve Spurrier's arrival as head coach 1990, UF had scored 30 or more points against Georgia just twice in 67 games but since 1990 has done so in nine of the 14 meetings. The Gators are riding a six-game win

streak over the Bulldogs...Florida's best sustained streak of success against the Bulldogs is its seven-game winning streak from 1990-96 ...Georgia's top winning streak in the series is also seven games (1941-42 and 1944-48).

Series and Game Notes

This will mark the 38th meeting between the Gators and Vanderbilt... UF has won each of the last 13 matchups... Florida owns a 22-3-1 edge in the last 25 games between the schools and has a 26-9-2 series advantage overall... Florida and Vanderbilt were both charter members of the SEC when it began play in 1933 but the two schools never met until 1945, with Vanderbilt posting a 7-0 win in the initial contest, which was played in Gainesville... Since that game the Commodores are 0-15-1 at Florida Field... A 6-6 tie

in 1958 is the only time in VU's last 16 trips to Florida Field that the Commodores have not suffered a setback. Florida's 38-7 victory in 1995 was its 12th consecutive SEC win, which set a school record for consecutive league wins, breaking the previous mark of 11 set by the 1990-92 teams. The win also gave Florida its eighth conference win for the third straight season, something never accomplished in league history. The Gators are 10-7-1 all-time in Nashville, including a scare in 1996 as Vanderbilt nearly pulled off an upset of the eventual national champions before falling 28-21.

The SEC's Eastern and Western Division winners will meet in Atlanta's Georgia Dome to battle for the league championship and the right to represent the conference in the Bowl Championship Series. The 13th-annual title game is set for December 4 and will be nationally televised by CBS Sports.

The game is a result of conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history. Under NCAA regulations, a conference with 12 members may play a 12th football game to determine its champion, provided the regular season is played in divisions.

The participants of the game are determined each year during the eight-game regular-season conference schedule as the teams with the best overall SEC winning percentage in each division.

The 2001 SEC Championship Game drew a 7.9 rating, making it the most-watched regular season football game of the 2001 season. The 1994 SEC Championship Game earned a 10.5 rating and a 26 share, the highest rated SEC Championship Game in history.

The SEC Championship Game has also drawn 10 capacity crowds in its 12-year history. More than 898,000 fans have witnessed first-hand the pageantry of SEC Football at the 12 previous Championship Games.

Divisional Representative Tie-Breaker

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

A. TWO-TEAM TIE

1. Head-to-head competition between the two tied teams.
2. Records of the tied teams within the division.
3. Head-to-head competition vs. the team within the division with the best overall record (divisional and non-divisional) Conference record and proceeding through the division. Multiple ties within the division will be broken from first to last.
4. Overall record vs. all common non-divisional opponents.
5. Combined record vs. all common non-divisional teams.
6. Record vs. common non-divisional team with the best overall Conference (divisional and non-divisional) record and proceeding through other common non-divisional teams based on their order of finish within their division.
7. The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game, unless the second of the tied teams is ranked within five-or-fewer places of the highest ranked tied team. In this case, the head-to-head results of the top two ranked tied teams shall determine the representative in the SEC Championship Game.

B. THREE (OR MORE) TEAM TIE

(Once the tie has been reduced to two teams, go to the two-team tie-breaker format.)

1. Combined head-to-head record among the tied teams.
2. Record of the tied teams within the division.
3. Head-to-head competition vs. the team within the division with the best overall (divisional and non-divisional) Conference record and proceeding through the division. Multiple ties within the division will be broken from first to last.
4. Overall record vs. non-division teams.
5. Combined record vs. all common non-divisional teams.
6. Record vs. common non-divisional team with the best overall Conference (divisional and non-divisional) record and proceeding through other common non-divisional teams based on their order of finish within their division.
7. The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game, unless the second of the tied teams is ranked within five-or-fewer places of the highest ranked tied team. In this case, the head-to-head results of the top two ranked tied teams shall determine the representative in the SEC Championship Game.

Bowl Games

The Southeastern Conference has agreements to send eight of its member institutions to postseason bowl games following the 2004 season. The winner of the SEC Championship Game will automatically participate in the Bowl Championship Series, comprised of the Sugar, Rose, Orange and Fiesta Bowls. The Capital One Bowl will make its pick following the BCS bowls. In selections 3-5, the Chick-fil-A Peach, Outback and SBC Cotton Bowls will make their selections, not in any specific order but in consultation with the SEC Office. In selections 6-7, the Gaylord Hotels Music City and the Independence will make their selections, not in any specific order but in consultation with the SEC Office followed by the Ev1.net Houston Bowl with the eighth selection.

2003 Review

“I love that man to death. He believes in us. He believed in me (coming back from an injury). When people were down on him, I never let it show.”

— Daryl Dixon,
UF Defensive Back on Ron Zook

2003 Season Notebook

✧ UF finished inside the Top 25 in the final rankings for the 14th consecutive season, the third longest active streak in the nation. Florida finished the season with an 8-5 record overall and was 6-2 in Southeastern Conference play. The Gators were ranked 24th in the final edition of the AP poll and 25th in the ESPN/USA Today Coaches Poll.

✧ Florida is one of only two schools to have gone to a January bowl game each of the last 11 seasons. For the 31st time in the history of the program, the University of Florida made a post-season bowl appearance as the Gators met Iowa in the 2004 Outback Bowl. With its trip, Florida appeared in a January bowl game for the 11th straight year to extend its SEC record, and UF extended its school record of consecutive bowl games to 13.

✧ Florida won a share of the Southeastern Conference East Division for the eighth time in school history (1992, 1993, 1994, 1995, 1996, 1999, 2000, 2003).

✧ Florida head coach Ron Zook became only the third coach in the 70-year history of the Southeastern Conference to lead his team to consecutive January bowl appearances in the first two years on the job.

✧ UF faced a school-record tying seven ranked opponents during the season (No. 3 Miami, No. 4 Georgia, No. 6 LSU, No. 9 FSU, No. 11 Arkansas, No. 12 Tennessee and No. 12 Iowa). UF also faced seven ranked opponents in 1987, 1991 and 2001. In addition, the Gators also played Ole Miss earlier in the 2003 season. The Rebels were not ranked at the time, however, the Rebels were ranked No. 13 in the final AP poll.

✧ Florida was the only school in the nation to face seven teams ranked in the BCS top 20. Florida was also one of only five schools in the country to own at least two wins against the top 12 of the BCS.

✧ Florida has a 9-1 record vs. the SEC East during the last two years, the best divisional record in the conference during that time frame.

✧ Florida went undefeated in the SEC away from Gainesville for the eighth time in school history (2003, 1999, 1996, 1995, 1994, 1991, 1984 and 1960).

✧ Florida's five wins over teams ranked in the Top 11 away from home since the beginning of the 2002 season is more than any other school in the nation:

School	Total Wins	Defeated
1. Florida	5	No. 4 Tenn., No. 5 Georgia, No. 6 LSU, No. 11 Ark., No. 4 Georgia
2. Oklahoma	3	No. 3 Texas, No. 7 Washington State, No. 11 Texas
Auburn	3	No. 9 Alabama, No. 10 Penn State, No. 7 Arkansas

✧ Florida defeated both teams that played for the SEC Championship (Georgia and LSU).

✧ Seven of Florida's 13 games were decided in the final two minutes of the contest. UF defeated South Carolina,

Georgia, Arkansas and Kentucky and lost to Ole Miss, Miami and Florida State in the closing minutes of the contest.

✧ The Florida defense scored a school-record tying six touchdowns, including four interceptions returned for scores. Florida had an interception in 11 of 13 games.

✧ Overall, Florida used 90 different players. During the 2002 season, only 69 players saw action the entire year.

✧ Fourteen true freshmen played for Florida, tied for the second most in school history. The true freshmen who played for the Gators were Richard Brown, Andre Caldwell, Joe Cohen, Channing Crowder, Earl Everett, Chad Jackson, Chris Leak, Howard Lingard, Jarvis Moss, Marcus Thomas, Steve Rissler, Skyler Thornton, Dee Webb and Eric Wilbur.

✧ Five true freshmen (QB Chris Leak, LB Channing Crowder, OL Steve Rissler, LB Earl Everett and DT Marcus Thomas) started a combined 28 games for the Gators. Leak and Crowder led the rookies, each starting nine contests. Overall, seven redshirt freshmen started 41 games, led by DT Ray McDonald who had 12 starts.

✧ There were 72 players on the Florida roster who never had played in a bowl game going into the Outback Bowl.

✧ A school-record 24 freshmen (true and redshirt) played in the season opener. The previous record of freshmen playing in a season opener was 19 in 1999.

✧ Forty-five of 90 players on the dress roster against San Jose State in the season opener, including 33 scholarship student-athletes, never had played a down of college football.

✧ Of the 70 players that dressed for the Miami game, 33 had never played in a road game before. Twenty-six of those Gators saw time against the Hurricanes.

✧ Freshmen accounted for 14 of UF's 39 offensive touchdowns (36 percent). Three true freshmen scored touchdowns (Chris Leak, Chad Jackson and Skyler Thorton). In addition, a freshman led UF in passing (Chris Leak, 2,435 yards), kick returns, (Andre Caldwell, 454 yards) and punting (Eric Wilbur, 44.8 avg).

✧ UF only will lose two three-year starters (OL Shannon Snell and OL Max Starks) and six two-year starters (FS Daryl Dixon, WR Kelvin Knight, WR Carlos Perez, CB Keiwan Ratliff, SS Guss Scott and TE Ben Troupe) from the 2003 squad.

✧ Coach Zook's 16 wins since arriving in Gainesville is the most by any collegiate coach who was in their first season in 2002.

✧ Florida showed it could score points in bunches. The chart below ranks UF's unanswered points during 2003:

vs. San Jose State	65
vs. FAMU	56
vs. Arkansas	33

✧ Florida's 18-point come-from-behind win at Kentucky tied the largest deficit ever overcome by a Gator squad on the road in school history. The chart below shows other times UF has fought its way back to a victory from 17 or more points down:

Year	Deficit	Time/Qtr	Opponent/ Final Score
2003	18	3:23 -Third	at Kentucky W, 24-21
2000	18	00:06 -First	vs. USC W, 41-21
1993	17	14:05 - Second	at USC W, 37-26
1986	17	00:14 - Third	vs. Auburn W, 18-17

✧ In addition to Florida's record setting 18-point come-from-behind win at Kentucky, Florida trailed in six of its eight wins in 2003. UF was behind against the Wildcats and was down 7-0 against LSU, Arkansas and Vanderbilt, 16-7 at USC and 3-0 to Florida A&M.

✧ Florida was one of only five schools in the nation to have multiple 60-point scoring games in 2003

(Oklahoma, Boise State, Texas, Bowling Green).

✧ Florida continued to dominate the second quarter as they outscored opponents 122-58. During the Ron Zook era, Florida has outscored opponents 286-127 in the second quarter. Florida outscored opponents 35-14 on the road in the second quarter in 2003.

✧ Florida scored 107 points off 31 turnovers, while opponents scored 28 points.

A HISTORIC STRETCH

✧ Florida completed one of the most historic stretches in the history of the program. Head coach Ron Zook became the first coach at UF to lead the Gators to three consecutive wins over ranked teams in three consecutive games. On Oct. 11, the Gators defeated then-No. 6 LSU, 19-7, in Baton Rouge before defeating then-No. 11 Arkansas, 33-28, in Fayetteville. UF defeated Georgia for the 13th time in the last 14 years when Matt Leach connected on a 33-yard field goal in the final minute of the game to lift Florida to a 16-13 win over then-No. 4 Georgia.

✧ UF's three consecutive wins over ranked teams in three consecutive games is something the Gators had never done. However, Florida has been in position to do so 12 other times. Six times the Gators have won two of the three, two times Florida has won one of the three, once UF has won one, lost one and tied one and there have been three times UF has lost all three.

✧ This period marked only the second time in UF history the Gators have played three consecutive ranked opponents on the road. In 1997, UF faced No. 14 LSU on Oct. 11 and lost, 28-21, and then defeated No. 6 Auburn, 14-10, the following week before losing to No. 6 Georgia, 37-17, in Jacksonville after a bye week.

OFFENSE NOTEBOOK

✧ Florida ranked 36th nationally in passing offense in 2003 as the Gators averaged 245.4 yards per game. In addition, UF finished 46th in the country in total offense with an average of 391.3 yards a contest.

✧ UF had 71 big offensive plays (20-or-more yards). In 2002, the Gators had 60. In the 2003 season, the Gators had 18 runs of 20-or-more yards. In 2002, Florida had nine all season.

✧ After scoring two touchdowns in 11 trips inside the red zone during a three game stretch (LSU, Arkansas and Georgia), UF finished the year by scoring seven TDs in its last 12 trips inside the red zone and adding two field goals.

QUARTERBACKS

✧ Chris Leak set the Florida record for touchdowns (16) and season passing yardage (2,435) by a freshman, true or redshirt. Danny Wuerffel held the previous record with 2,230 yards passing as a redshirt freshman in 1993. Leak also holds the record for completions and attempts by a true freshman in the SEC (190 and 320, respectively) as he bettered the marks established by Georgia's Quincy Carter who went 176-of-290 in 1998. In addition, Leak finished the year with 16 touchdown passes to slide by Casey Clausen who set the record for SEC true freshman quarterbacks with 15 touchdown passes in 2000.

✧ In the Outback Bowl against Iowa, Chris Leak connected on 5-of-8 passes for 100 yards in the first quarter. It marked the second straight quarter he had thrown for more than 100 yards as he completed 8-of-15 passes for 111 yards in the fourth quarter of the Florida State game.

✧ Against Iowa, Chris Leak completed a career best for a half (15 passes in the second half) when he had 159 yards passing. He found six different

receivers in the second half. Leak also was excellent on first down as he completed 9-of-13 passes for 181 yards (20.1 yards/pass).

✧ Born May 3, 1985, Florida's Chris Leak is an 18-year-old true freshman who has a 6-3 career record as a starter. In those nine games, all but two of the starting quarterbacks for the opposing team redshirted their freshman year. All but one of those QBs is in at least his third year at his respective schools and the average age of the starting quarterbacks is 22. The chart below shows how Florida's newcomer has performed against some of the nation's veteran quarterbacks over the last nine games:

	LEAK	All other QBS combined
Total Pass TDs	14	9
Passing Yd. Avg.	230.6	212.3
Total INT	10	13
Total Passing Yds.	2076	1911

✧ The list below shows the freshman (true/redshirt) that started this season and their records as a starter. Florida's Chris Leak had the best winning percentage for a freshman in the country this season.

✧ Leak is 6-3 (.666), while freshman have combined for a 40-51 (.439) record (as of Jan. 4, 2004):

True Freshmen

Player	School	Record
Reggie Ball (Fr.)	Georgia Tech	8-5
Kevin Kolb (Fr.)	Houston	6-6
Chris Leak (Fr.)	Florida	6-3
Brady Quinn (Fr.)	Notre Dame	4-5
John Beck (Fr.)	BYU	1-3
Kris Heavner (Fr.)	Arizona	1-8

✧ Chris Leak finished the season ranked second nationally among freshmen in pass efficiency (Leak finished 39th overall).

✧ Chris Leak has all of the top five passing games by a true freshman starter at UF after only nine career starts.

✧ Chris Leak's start at quarterback against Iowa marked the 119th time a

freshman has played the position for the Gators. Florida has used a freshman quarterback in 104 games. A freshman (true or redshirt) has now started 55 games for the Gators all-time. UF is 37-17-1 when its starting signal caller is a freshman.

✧ Chris Leak is the only freshman (true or redshirt) quarterback in school history to defeat three ranked opponents in consecutive games, picking up three wins away from home against top 11 ranked teams (Kerwin Bell also defeated three ranked teams in 1984 as a redshirt freshman, however, the wins did not come in consecutive games).

RUNNING BACKS

✧ The Gators had three backs who ran for 500-plus yards a piece (Ciatrick Fason, 583 yards, Ran Carthon, 595 and DeShawn Wynn, 540). The 1984 season was the only other time this happened in school history. The three backs were Neal Anderson, 916 yards, J.L. Williams, 802 yards and Lorenzo Hampton, 732 yards.

✧ Prior to the season, the UF coaching staff said one of the strengths of the team would be Florida's run game. A look at Florida's five backs shows the group carried the ball 345 times for 1,903 yards and averaged 5.5 yards per carry. A season ago, the Florida backs carried the ball for 1,851 yards on 373 carries. In addition, the Gators averaged 4.2 yards per carry this season. In 2002, UF averaged 3.8.

✧ In the first six games of the season, Ciatrick Fason had 93 yards and averaged 15.5 yards per game. Since then, Fason ran for 496 yards, which is an average of 70.8 yards per outing.

✧ Seven different Gators rushed for a touchdown this season, which is the most since the 1997 season.

✧ In the Arkansas game, Ciatrick Fason scored on a career-long 75-yard run, which was Florida's longest play from scrimmage since Emmitt Smith's 96-yard run against Mississippi State in 1988. Fason also had a pair of catches, including a 33-yard touchdown reception.

✧ Ciattrick Fason's career-long 75-yard touchdown run against Arkansas marked the third time in 2003 a UF back broke off a run of 60-yards or more (DeShawn Wynn, 65 yards, at Miami and Fason, 62 yards, at LSU). The last time three different Gators had a run of 60-yards-or-more in a season was in 1982. That year John L. Williams had an 86-yard carry against West Texas State, Lorenzo Hampton took one 76-yards in the same game. Three games later, Neal Anderson had a 63-yard run against Kentucky.

✧ Ran Carthon, DeShawn Wynn and Ciattrick Fason had games in which they have scored multiple touchdowns. In 2002, Earnest Graham was the only back to do so when he scored two touchdowns in a game on three occasions.

✧ Ciattrick Fason turned in a career-high performance with 190 rushing yards at South Carolina. Only Emmitt Smith and Neal Anderson have rushed for more yards in a game before the completion of their sophomore seasons.

✧ DeShawn Wynn became the fourth back in Gator history to have a 100-yard rushing game by his second contest as a freshman. Tony Green and Emmitt Smith did so in the second games of their careers in 1974 and 1987, respectively. Earnest Graham did it in the first game of his freshman year (1999).

✧ DeShawn Wynn's 24 points scored against Florida A&M are the second most by any athlete at an SEC school in a single game this season. The total ties a school record for points by a single player in a game. He is the first freshman to score that many points in a game. He is also the seventh player in school history to achieve the feat. Wynn's 24 points is tied for the most scored in a single-game by a freshman this season.

WIDE RECEIVERS AND TIGHT ENDS

✧ This season, Florida had 53 catches that went for 20-or-more yards. Overall, UF has had 104 in the Ron Zook era.

✧ UF spread the ball around plenty this season. Eight times this year, UF

had eight or more players catch the ball in a game. UF averaged 13.1 yards per catch this year after averaging 11.4 in 2002. Against Iowa, 10 different players caught the 22 passes that Chris Leak completed. It was the third time this season that 10 or more different players caught passes.

✧ Nine times this season Florida had four or more receptions of 20 or more yards in a single game. There were six occasions in 2003 that four different UF receivers caught passes of 20 or more yards in a single game.

✧ Of the eight semifinalists for the Mackey Award, which was presented to the nation's top tight end, Ben Troupe's 39 catches were the fifth most. His 638 receiving yards were the fourth highest total, while his average of 16.4 yards per reception ranked second. His receiving yard total was 33 yards more than Miami's Kellen Winslow despite having 21 less catches than the Hurricane TE. Only five of the eight semifinalists finished the season with at least 500 receiving yards. Troupe was the only player to finish with at least 500 receiving yards and five touchdown catches, while still averaging at least 15 yards per reception.

✧ Tight end Ben Troupe was one of two Gators to finish the year with a team-leading 39 catches this season. He entered the year with 25 total catches in his career. Troupe had a reception of 20 or more yards in five of his last six games and had a total of 10 over the span.

✧ Against Florida State, Ben Troupe caught four passes for a career-high 121 yards. He was one yard shy of tying the school record for yards in a game by a tight end (Kirk Kirkpatrick, 1990, vs. Akron).

✧ Kelvin Kight and O.J. Small caught a pass in every game this season as they both finished the year with a catch in 19 straight contests dating back to last season.

✧ Two true freshmen receivers (Andre Caldwell and Chad Jackson) caught a total 22 passes for 212 yards and a touchdown. Andre Caldwell led the Gators against Miami with four

catches for 29 yards. Caldwell's 19 catches ranked as the third highest total by a true freshman in school history:

Player	Catches	Year
1. Reidel Anthony	30	1994
2. Ricky Nattiel	22	1983
3. Andre Caldwell	19	2003

✧ With his 10-yard touchdown catch in the fourth quarter of the Kentucky game, Carlos Perez reached 1,000 career receiving yards. Perez's 11 touchdowns came on only 106 catches, or one touchdown per every 9.6 receptions.

OFFENSIVE LINE

✧ Against Iowa, the starting offensive line was Max Starks at left tackle, Shannon Snell at left guard, Mike Degory at center, Lance Butler at right guard and Randy Hand at right tackle. This marked the seventh time this season UF used that lineup to start a game (Miami, Tennessee, Ole Miss, Vanderbilt, South Carolina, Florida State and Iowa).

✧ Shannon Snell started every game this year for Florida at left guard, while Mike Degory did the same at center. Snell and Max Starks combined to start 70 games in their careers. Furthermore, Max Starks, Shannon Snell and Mike Degory have a combined total 97 starts between them in their collegiate careers. Degory has started each of the first 26 games of his career.

✧ Randy Hand has started 14 of the last 15 games at right tackle (all but the 2003 Tennessee game) after starting last year against South Carolina, Florida State and Michigan last year for the then-injured Jonathan Colon.

✧ After missing the LSU trip due to an abscessed tooth, Max Starks was back in as a starter against Arkansas and Georgia at right guard and he started the Vanderbilt, South Carolina, Florida State and Iowa games at left tackle. The LSU game was the first in his career that he did not play in snapping a string of 37 consecutive appearances. He was a backup in every game as a freshman in 2000.

DEFENSE NOTEBOOK

✧ The UF defense finished ahead of or tied with itself in nearly every major statistical category as compared to a season ago:

	2002	2003
Interceptions	7	20
Pass Deflection	41	58
Fumble Recovery	10	12
Forced Fumble	10	22
Sacks	20	27
Blocks	3	3
Total	90	142

✧ Florida registered at least two sacks in seven games this season.

✧ A season ago, the Gators had seven interceptions. UF had 20 interceptions this season. Florida's 20 interceptions this year tied for the seventh highest total in school history (1981, 1994).

✧ This year the Gators were +7 in turnover margin after finishing the 2002 season -9 in the category. Florida's 30 takeaways led the SEC in 2003.

✧ Florida intercepted a pass in each of its first 11 games this season. This marked the longest streak since UF picked off at least one in 12 straight games. That streak started against Florida State on Nov. 20, 1999 and went through the first nine games of the 2000 season.

✧ This season, the Florida defense kept opponents without a touchdown in a half six times and twice this happened against SEC foes (second half against LSU and the first half of the Georgia game).

✧ Florida did not allow a passing touchdown in five of the last nine games and against seven of 13 opponents this season.

✧ The Gators returned seven interceptions for 187 yards a season ago. This year, the Gators took their 20 interceptions back 409 yards and Keiwan Ratliff accounted for 182 of those yards.

✧ The UF defense did not allow five SEC quarterbacks who started against them to throw for a touchdown (Kentucky's Jared Lorenzen, Ole Miss' Eli Manning, LSU's Matt Mauck, Georgia's David Greene and South Carolina's Dondrial Pinkins). Manning never has thrown for a touchdown pass against the Gators and it was the first time in 10 games Mauck did not throw for a TD.

✧ There were three times this season the Florida defense did not allowed an opposing offense to score a touchdown. This has happened five times in the Ron Zook era.

✧ In 10 of 13 games this season, the opponent's starting quarterback threw at least one interception.

✧ The Florida defense held opponents without an offensive touchdown in 28 of 52 quarters this season.

✧ Between Ron Zook (eight), Charlie Strong (five) and Bill Miller (17), the Gator coaching staff had 30 years of experience at the defensive coordinator position this year.

✧ UF opponents combined to go 0-for-13 on third downs in the second half of the final two games of the season (Florida State and Iowa).

LINEBACKERS

✧ Channing Crowder, who underwent arthroscopic knee surgery on Oct. 1, missed only the Ole Miss game as he returned to play against LSU. Crowder finished the contest with seven tackles. He has led the defensive unit in tackles in five of the last six outings.

✧ Channing Crowder started the Iowa game, which marked the ninth start of his career. The total is the highest for any true freshman linebacker in Florida history.

✧ Of the LBs on the two-deep (Channing Crowder, Matt Farrior, Howard Lingard, Reid Fleming, Taurean Charles and Earl Everett) there were a combined 14 tackles in 2002 and no statistics in any other category. This group had five starts between them entering the year

and 1,049 plays between Matt Farrior and Reid Fleming.

✧ Florida opened the South Carolina game with two true freshman linebackers for the second time in school history. Earlier this season, Earl Everett and Channing Crowder lined up at the position to open the Kentucky game as well.

DEFENSIVE LINE

✧ After having no sacks in the first three games of the season, Bobby McCray recorded 9.5 in the last nine games he played in.

✧ Bobby McCray (9.5), Darrell Lee (4) and Ray McDonald (4) led the team in sacks this year. Florida's leaders in the department a season ago (Clint Mitchell and Bobby McCray) finished the year with 2 ½ sacks each.

✧ Bobby McCray led the team with 11.5 tackles for a loss. He is one of 23 different Gators to have recorded a tackle behind the line this season. Eighteen Gators had tackles for a loss in 2002.

✧ Bobby McCray's 9.5 sacks was the second highest total in the SEC.

✧ Ray McDonald is the only freshman in school history to start 12 games on the defensive line.

✧ With his start against Ole Miss Marcus Thomas became the first true freshman to start on the defensive line since David Barnard and Johnie Church did so in 1992.

SECONDARY

✧ In records dating back to 1952, UF established the single season mark for interceptions returned for touchdowns with four this season. Overall, the Gator defense scored six times this season which tied the 1996 squad for the school record. That season, Florida returned four interceptions and two fumbles.

✧ With an interception against South Carolina, Keiwan Ratliff added to his single-season record for interceptions with nine. He intercepted at least one pass in five of the last seven games and became the fourth player in school

history to return two interceptions for a touchdown in the same year with his 52-yard run back in the closing minutes of the game against Vanderbilt.

✧ Keiwan Ratliff's nine interceptions this season led the SEC and ranked as the fifth highest total in the country. He had 182 return yards this year, which ranks as the fifth highest single season total in SEC history and the second highest total in the Florida record books (Joe Brodsky holds the SEC and school record with 244 yards on five interceptions returns in 1956).

✧ Eight of Keiwan Ratliff's interceptions this season came in five games (at LSU, at Arkansas, vs. Georgia, vs. Vanderbilt and at South Carolina). In those five outings, Ratliff surpassed his career total of four entering the LSU game.

✧ Keiwan Ratliff tied a school record against Arkansas as he picked off three passes. Ratliff matched the efforts of Joe Brodsky (Mississippi State, 1956), John Clifford (NC State, 1970) and Will White (Alabama, 1990). With three interceptions, Ratliff became the 40th player in SEC history to have three or more interceptions in a single game (38 players have had three and Mississippi State's Jack Nix had four against Arkansas in 1939).

✧ Three of Florida's top four tacklers were from the secondary. Free safety Daryl Dixon led the Gators with 115 stops. Strong safety Guss Scott was third with 91, while cornerback Johnny Lamar was fourth with 90.

✧ The three senior starters (Daryl Dixon, Guss Scott and Keiwan Ratliff) each played in 120 of a possible 120 games over their careers. Ratliff and Scott played in 49 over the last four years, while Dixon's came during his first three years (1999, 2000, 2001) and a start in each game this season.

SPECIAL TEAMS

✧ Keiwan Ratliff's blocked field goal at Kentucky marked the fourth kick the Gators blocked this season. In 2002, UF finished the year with four total blocks as well (field goals and punts).

2003 Blocks	FG	Punt
vs. San Jose St.		J. McCollum
vs. Florida A&M	Ratliff	J. McCollum
at Kentucky	Ratliff	

✧ With 21 punt return yards at Arkansas, Keiwan Ratliff established a school record for punt return yards as he has returned 72 punts for 834 yards during his career. Ratliff passed Jacques Green who held the record with 766 yards. This season Keiwan Ratliff returned 31 punts for 343 yards as he averaged 11.1 yards per return. Ratliff returned 32 punts for 341 yards in 2002 for a 10.7 yard per return average. Ratliff's 343 punt return yards ranked as the fourth highest single season total in Florida history.

✧ This year, Florida averaged 43.6 yards per punt. This ranks as the third highest total in school history:

1. 45.4 (1983)
2. 44.7 (1985)

✧ Florida did not miss a PAT this season (41-of-41) after missing six last year (30-of-36).

✧ Eric Wilbur had punts of 50 yards or more in 10 of 13 games this year and had 18 punts of 50-plus yards this season. Wilbur had five punts of 60 or more yards this season.

✧ Eric Wilbur was the highest ranked true freshman punter in NCAA Div. I:

T-FR Rank	Nat'l Rank	Punter	Team	Games	Punts	Yds	Avg
1	8	Eric Wilbur	Florida	13	66	3954	44.7

2003 Game Reviews

Game One

Florida 65
San Jose State 3

August 30, 2003
Ben Hill Griffin Stadium
Gainesville, Fla.
Attendance: 90,011

Senior running back Rian Carthon and junior wide receiver Kelvin Kight scored two

touchdowns each as the University of Florida football team opened its 2003 season with a 65-3 win against San Jose State University in front of a record-breaking 90,011 fans at the newly renovated Ben Hill Griffin Stadium at Florida Field.

After San Jose State scored the game's first points on a 46-yard field goal by Jeff Carr, the Gators reeled off 65 unanswered points to put the game out of reach. Starter Ingle Martin, true freshman Chris Leak and redshirt-freshman Gavin Dickey all took snaps and threw touchdowns for the Gators. Martin (14-24) and Leak (10-14) rotated throughout most of the game and combined for 307 passing yards. The defense, under new coordinator Charlie Strong, allowed only 185 yards and 11 first downs.

Florida's quarterbacks were successful on spreading the ball around as 11 different players caught passes. Wide receiver Kelvin Kight led UF's receiving corps with six catches for 75 yards and two touchdowns.

Florida kicker Matt Leach, perfect on the night, scored the Gators' first six points and connected on a total of three field goals and eight extra points.

With the Gators leading 6-3, Jermaine McCollum blocked SJSU Bryce Partridge's punt. In the next play, Carthon scampered in on first down to put Florida up 13-3.

After Martin led the Gators on a 71-yard scoring drive which culminated in a 21-yard touchdown strike to Kight, Florida safety Guss Scott intercepted Spartans quarterback Scott Rislov at the 38 yard line and returned it for the score to put Florida up 27-3.

Florida took a 30-3 lead into the half, but did not let up, scoring 35 in the second half. Scott continued his stellar performance as he forced a Spartan fumble in the third quarter. Reid Fleming recovered the ball and set up Carthon's second rushing touchdown of the game.

Leach's first career touchdown came in the third quarter as he threw a screen pass to Kight for a 16-yard score. In a bit of luck,

Reggie Lewis recovered a DeShawn Wynn fumble and went 21 yards giving the Gators a 51-3 lead. Dickey (3-4) saw his first action as a Gator in the fourth quarter. After one interception, the redshirt freshman completed a pass to Chad Jackson for a 29-yard touchdown.

The final score of the game came when junior walk-on Tre Orr intercepted a Beau Pierce pass and returned it for 73 yards.

The 90,011 in attendance at the game set a state of Florida record.

Florida 33

September 6, 2003
Orange Bowl
Miami, Fla.
Attendance: 79,932

After building a 23-point lead midway through the third quarter, No. 18 Florida couldn't

hold on as No. 3 Miami scored 28 unanswered points to escape with a 38-33 victory at the Orange Bowl before a crowd of 79,932.

The Hurricanes took their first lead since the early stages of the second quarter when Frank Gore scored on a 12-yard run with 1:44 remaining to propel Miami to a 38-33 advantage.

The Gators had a chance to reclaim the lead as quarterback Chris Leak, who finished 9-for-15 with 93 yards, drove Florida into Miami territory before Hurricane cornerback Alfonso Marshall intercepted Leak at the Miami 14-yard line with 10 seconds remaining to seal the game.

DeShawn Wynn led the Gators offensively with 100 yards rushing on just eight carries, one of which went for 65 yards and a touchdown in the third quarter. Ingle Martin paced Florida with 114 yards through the air on 7-for-10 passing with one touchdown toss.

The Hurricanes took an early 7-0 lead when freshman Devin Hester ran the game's opening kickoff back 97 yards for a touchdown. The Gators responded when Matt Leach connected on a 26-yard field goal on Florida's first possession.

After a Miami field goal bumped the Hurricanes' lead back to seven, Florida tied the contest when Martin threw a 50-yard touchdown pass to Carlos Perez with 4:15 left in the first quarter.

The Gators took the lead when Keiwan Ratliff returned a Miami fumble 34 yards for a score to give Florida a 16-10 lead with 11:36 remaining in the second. Leach then added his second field goal of the night from 30 yards with 11 seconds left in the half to give Florida a 19-10 advantage heading into the locker room.

On the first play from scrimmage in the third quarter, Wynn scampered around the right side for 65 yards and his first collegiate touchdown to extend the Gators' lead to 26-10.

Johnny Lamar picked off Miami quarterback Brock Berlin to set up a Ran Carthon four-yard touchdown run up the middle to give Florida a 23-point lead at 33-10 with 9:20 left in the third.

Miami then scored on its next four possessions to regain the lead.

Game Three

Florida 63

Florida A&M 3

September 13, 2003
Ben Hill Griffin Stadium
Gainesville, Fla.
Attendance: 90,087

Led by a powerful ground game, the University of Florida football team defeated Florida

A&M 63-3 at Ben Hill Griffin Stadium. Five different Gator running backs scored a total of seven touchdowns and rushed for 309 yards.

Redshirt freshman DeShawn Wynn led Florida's running game with three rushing touchdowns and 95 yards. Wynn scored a fourth touchdown off an eight-yard pass from Ingle Martin in the second quarter. The four touchdowns by Wynn marks the first time in Gator history that a freshman has scored four times in a single game. Sophomore Ciatrick Fason turned in a solid game as well by rushing 11 times for 65 yards and a touchdown.

With Florida leading 14-3 on Wynn and Fason touchdowns, freshman quarterback Chris Leak found senior tight end Ben Troupe in the end zone at 7:56 of the second quarter for a seven-yard score. In the next Florida drive, after a Keiwan Ratliff interception, senior back Ran Carthon rushed up the middle for a four-yard score giving the Gators the 28-3 lead. Before the half the Wynn reception brought the score to 35-3 at intermission.

Florida tacked on 28 more points in the second half, while not allowing the Rattlers to score. Wynn's two additional rushing touchdowns came in the second half, along with a 50 yard rushing touchdown by Jimtavis Walker with 5:13 to go in the game. Skyler Thorton was the fifth back to score in the game on a rush of 21 yards.

Leak rotated with starter Ingle Martin throughout most of the game, with Gavin

Dickey seeing action. Leak and Martin went 16-of-20 and combined to throw for 218 yards and two touchdowns. Kicker Matt Leach went 9-for-9 in PATs.

By not allowing a touchdown in the game, the Gator defense has not allowed a touchdown at home in eight quarters.

Game Four

Tennessee 24
Florida 10

September 20, 2003
Ben Hill Griffin Stadium
Gainesville, Fla.
Attendance: 90,332

Despite controlling the entire first half, No. 17 Florida had a few untimely lapses that No.

12 Tennessee took advantage of to defeat the Gators 24-10 in front of a record crowd of 90,332 at Ben Hill Griffin Stadium.

Matt Leach's 47-yard field goal at 9:26 of the first quarter gave the Gators a 3-0 lead. Florida would hold that lead until the closing seconds of the first half when Casey Clausen connected with James Banks in the end zone on a 46-yard hail mary pass. The Gators defense appeared to break up the play in the right corner of the end zone, but the deflected pass fell into the hands of Banks to give the Volunteers' a 7-3 lead at the half.

Tennessee stretched its lead to seven when James Wilhoit took advantage of the stiff wind at his back to drill a 51-yard field goal at 9:27 of the third quarter to put the Vols up 10-3. Two drives later, Tennessee went up 17-3 as Clausen led the Volunteers on a seven-play, 80-yard drive that was capped off by a one-yard Jubari Davis score.

The Gators quickly responded, however, with a touchdown of their own. DeShawn Wynn scored on a five-yard run to end a 77-yard drive and bring the Gator within seven, 17-10.

But the Volunteers put the game out of reach when they drove 76 yards and took a 24-10 advantage off a nine-yard rush from Davis at 8:38 in the fourth quarter.

Game Five

Florida 24
Kentucky 21

September 27, 2003
Commonwealth Stadium
Lexington, Ky.
Attendance: 70,579

Ran Carthon's one-yard touchdown run with 3:15 remaining in the contest completed a

Florida comeback as the No. 25 Gators, who trailed by 18 points in the fourth quarter, rebounded to claim a 24-21 victory against Kentucky at Commonwealth Stadium before a crowd of 70,579. The 18-point deficit was the largest the Gators have overcome on the road in school history.

Florida's Chris Leak, just the fourth true freshman quarterback in school history to start a game, spearheaded the Gator offense by completing 20-of-35 passes for 268 yards with two touchdown passes. His yardage total was nearly three times more than the previous best by a true freshman quarterback making their first start. Wide receiver Carlos Perez also had a stellar day by hauling in five passes for 102 yards and two touchdowns.

The Wildcats (2-3 overall, 0-2 SEC), who have now lost 17 straight to the Gators (3-2, 1-1), amassed a 21-3 lead after Arliss Beach scored his third touchdown of the day on a two-yard run with 3:23 left in the third quarter.

Florida responded with its first touchdown of the afternoon when Leak led a nine-play, 83-yard drive, which culminated in a three-yard TD pass to Perez with 14:55 remaining in the game.

After the two teams traded possessions, Keiwan Ratliff gave the Gators their best field position of the day when he returned a punt 25 yards to the Kentucky 28-yard line with 6:11 remaining. On fourth and three from the Wildcat 10, Leak again found Perez in the end zone with 4:46 left in the contest. The extra point from kicker Matt Leach made the score 21-16 Kentucky.

On Kentucky's ensuing possession, Florida cornerback Johnny Lamar picked off Wildcat quarterback Jared Lorenzen and returned the ball 36 yards to the Kentucky 1. The interception was the eighth for the Gators this season after Florida intercepted seven in all of 2002. Carthon then scored the go-ahead touchdown two plays later with 3:15 left in the contest.

Kentucky then drove down to the Florida 31, but Wildcat kicker Taylor Begley missed a 49-yard field goal that would have tied the game with 44 seconds remaining.

Leach provided the only scoring in the first half for Florida when he connected on a 42-yard field goal to cut Kentucky's lead to 14-3 with 5:49 left in the second.

The previous largest come-from behind win on the road for Florida came in 1993 when the Gators overcame a 17-point deficit to defeat South Carolina 37-26

Game Six

Ole Miss 20
 Florida 17

October 4, 2003
Ben Hill Griffin Stadium
Gainesville, Fla.
Attendance: 90,101

No. 24 Florida unable to withstand a late Ole Miss comeback, was defeated by the Rebels 17-10 at Ben Hill Griffin Stadium. An Eric Oliver interception at the Rebel's 33-yard line with less than two minutes remaining in the game stopped the final Gator drive and solidified the win for Ole Miss.

True freshman quarterback Chris Leak threw for 234 yards and two touchdowns. Tight end Ben Troupe and senior receiver O.J.

Small led the Gators offense in the first half. Troupe caught four passes for 63 yards and one touchdown, while Small had 57 yards and a touchdown.

Trailing 3-0 in the first quarter, Leak engineered a 12-play, 74-yard scoring drive to give Florida a 7-3 lead. The athletic Troupe pulled away from several Ole Miss defenders for the 18-yard touchdown reception with 5:57 left in the first.

Small's 5-yard diving touchdown reception in the back-left corner of the endzone gave Florida a 14-3 lead halfway through the second quarter. Small set up the score by hauling in a 50-yard reception from Leak two plays earlier.

Ronald McClendon broke away from several Gators on a draw play during Ole Miss' next drive and scampered 52 yards for the score to bring the Rebels within four, 14-10.

Junior kicker Matt Leach's 36-yards field goal with just more than a minute remaining in the first half allowed Florida to take a 17-10 lead into the locker room.

A 48-yard run by senior Ran Carthon, who finished the day with 108 yards, early in the third quarter brought the Gators to Ole Miss' 7-yard line and put them in position to extend their lead. Ole Miss pushed the Gators back to their 19, and, Leach was unsuccessful on a 39-yard field goal attempt.

Eli Manning, who finished the game with 262 yards, drove the Rebels 78 yards to the Florida 19 before senior safety Guss Scott stripped the ball from receiver Mike Espy on Florida's 2-yard line. Junior safety Corey Bailey recovered the ball to temporarily preserve Florida's seven-point lead.

With three seconds left in the third, Manning's 59-yard pass completion to Bill Flowers set the Rebels up for Jonathan Nichols' 23-yard field goal to put Ole Miss within four, 17-13.

Ole Miss put together a four-minute, 8-play, 50-yard drive in the fourth that ended with Vashon Pearson rush up the middle for the 20-17 lead with 1:16 remaining in the game.

Attendance: 92,077

The Florida defense held the LSU offense scoreless, while Chris Leak threw for 229 yards and two touchdowns as the Gators defeated No. 6 LSU, 19-7, before a crowd of 92,077 at Tiger Stadium.

After allowing the Tigers (5-1 overall, 2-1 SEC) to score on an 80-yard punt return by Skyler Green early in the first quarter, the Gators (4-3, 2-2) shut down the LSU offense, allowing the Tigers just 287 yards of total offense on the afternoon.

Ciattrick Fason rushed for 92 yards on just seven carries and also hauled in a 35-yard touchdown pass in leading Florida to the victory.

After the Tigers jumped on the scoreboard first, the Gators answered when Ran Carthon capped a 13-play, 80-yard drive with a 22-yard touchdown reception from Leak to tie the game at 7-7 with 6:51 left in the first quarter. The touchdown was the first the LSU defense had allowed in the first half all season, while the number of plays and the length of the drive were season bests for Florida.

The Gators took the lead when Matt Leach booted a 29-yard field goal through the uprights with 3:17 left in the first to put the Gators on top 10-7.

Florida added three more points when Leach connected on a 50-yard field goal—the longest of his career—with 5:37 left in the second to give the Gators a 13-7 lead. The field goal was the sixth longest on the road in Gator history.

The Gators added an insurance touchdown when Fason scored on a 35-yard pass from Leak with 5:21 remaining in the third quarter to cap the scoring in the game and give Florida a 19-7 advantage.

The Tigers had chances to get back into the game, but the Florida defense forced three turnovers, including a pair of interceptions from LSU quarterback Matt Mauck. After the Tigers had driven into Florida territory late in the fourth quarter, Johnny Lamar forced a fumble from LSU's Devery Henderson with 2:20 left in the game. The Gators then ran out the clock to seal the victory.

October 18, 2003

Razorback Stadium

Fayetteville, Ark.

Attendance: 73,934

Freshman Chris Leak threw for a career high 269 yards and senior Keiwan Ratliff intercepted three passes and returned one for a touchdown as Florida fended off a late rally by No. 11 Arkansas to defeat the Razorbacks, 33-28, before a crowd of 73,934 at Razorback Stadium.

Florida (5-3 overall, 3-2 Southeastern Conference) won its second straight contest on the road against a top 15 opponent after disposing of LSU last week and has won three of its last four games.

Arkansas (4-2, 1-2) scored 21 fourth quarter points to make the game close late, but after the Razorbacks scored with 3:11 left to narrow the gap to 33-28, Florida recovered an onside kick and was able to run the clock out to seal the victory.

After Arkansas scored the opening touchdown of the game late in the first quarter, Florida reeled off 33 straight points. Matt Leach put the Gators on the scoreboard first when he connected on a 33-yard field goal with 11:42 left in the second to make the score 7-3 in favor of the Razorbacks.

Ciattrick Fason, who rushed for a career-high 98 yards on 11 carries, scored on Florida's next possession on a 33-yard touchdown strike from Leak as the Gators pulled ahead with 6:59 remaining in the second.

Less than two minutes later, Leach hit a 39-yard field goal to give Florida a 13-7 advantage at the half. The Gators then scored just 19 seconds into the third quarter when Fason broke off a 75-yard touchdown run.

DeShawn Wynn gave Florida a 26-7 lead when he scored on a 17-yard run with 2:30 left in the third before Ratliff capped the Gators' scoring when he returned an interception 44 yards for a touchdown with 8:46 left in the game to put Florida up 33-7 before Arkansas' failed comeback bid.

Georgia 13

November 1, 2003

Alltel Stadium

Jacksonville, Fla.

Attendance: 84,411

The No. 23 University of Florida football team (6-3 overall, 4-2 SEC) extended its string of success against No. 4 Georgia (7-2, 4-2) with a 16-13 victory at Alltel Stadium in Jacksonville, Fla.

A Matt Leach field goal with 33 seconds in the game gave the Gators the victory. The Gators have won 13 of 14 meetings with the Bulldogs.

With the scored tied with 3:49 remaining in the game, the Gators put together a 10 play, 66-yard drive that was capped off with the Leach field goal. Consecutive passes of 15 and 21 yards to Carlos Perez and Ben Troupe put the Gators in Bulldogs territory and set up the score.

Quarterback Chris Leak led the Gators with 235 yards passing on 13-of-23 passes. The backfield duo of DeShawn Wynn and Ran Carthon rushed for 77 yards on the night. Three receivers, Perez, Troupe and Dallas Baker, each caught for over 50 yards.

After going into the half tied at three, Florida scored 10 unanswered points to start the third quarter. Florida's defense was unrelenting for most of the game. It set the tone early on with back-to-back sacks on the Bulldogs' first possession by Channing Crowder and Travis Harris for a six-yard loss and Darrell Lee for nine yards.

Perez's 34-yard touchdown reception with seven minutes left in the third quarter on a screen pass to the right side broke a 3-3 tie to put Florida up 10-3.

The Gators advanced 83 yards to Georgia's 2-yard line in a late third quarter drive to set up Leach's 19-yard field goal. It increased Florida's lead to two possessions, 13-3.

Leach's 24-yard field goal with 7:28 left in the second quarter broke the scoreless tie to

give the Gators a 3-0 lead. Leach's field goal came at the end of a 12-play, 72-yard drive. Consecutive passes of 14 and 37 yards to Baker and Troupe, respectively, moved Florida to Georgia's 29. Florida had a first and goal at the Bulldogs' 2-yard line, but a substitution infraction limited the Gators to a field goal attempt.

Georgia kicker Billy Bennett, who missed a 31-yard field goal attempt early in the second quarter, connected on a 21-yarder as the time expired in the first half to score three. Georgia marched the ball 70 yards on the drive, but the Gator defense clamped down in the red zone. Florida's Harris made a key play when he sacked Georgia's quarterback David Greene for a loss of seven yards.

Vanderbilt 17

November 8, 2003

Ben Hill Griffin Stadium

Gainesville, Fla.

Attendance: 90,122

The No. 17 University of Florida football team won its fourth straight SEC game by

defeating Vanderbilt 35-17 at Ben Hill Griffin Stadium. Keiwan Ratliff broke the single-season interception record by nabbing his eighth interception with 56 seconds left in the game. Ratliff returned the interception 52 yards for a touchdown, assuring the Gators a win in the Swamp.

The running back trio of Ran Carthon, Ciatrick Fason and DeShawn Wynn rushed for 181 yards. Fason had both a rushing and receiving touchdowns in the game. Florida balanced the run game as quarterback Chris Leak went 15-for-25 with 179 yards passing and one touchdown.

Vanderbilt took the early lead after Florida fumbled a punt return on the 25-yard line. A 19-yard Jay Cutler pass to Erik Davis put the Commodores on the board first, 7-0.

The Gators quickly rebounded with a 13 play, 80-yard drive that was capped off with a Leak one-yard rushing touchdown, the first of his career.

After a three-and-out by the Commodores, Florida started their drive in Vanderbilt territory. Leak's 36-yard pass to O.J. Small set up a Fason 12-yard plunge making it 14-7 in the first quarter.

With six minutes to go in the second quarter, Vanderbilt drove 40 yards and Patrick Johnson was able to convert on a 37-yard field goal attempt to put the game within four. Vanderbilt would get no closer as Florida was able to move the ball 80 yards with three minutes remaining in the half. Ran Carthon capped the drive with a 5-yard rushing touchdown.

The Commodores' last second hail mary attempt at the end of the first half was intercepted at the 2-yard line securing the 21-10 lead at intermission.

Nearing the end of the third quarter, Dixon intercepted his second pass of the day allow-

ing the Gators to regain possession at the Vanderbilt 12-yard line. Fason scored his second touchdown of the day on a 3-yard rush up the middle, giving Florida the 28-10 lead.

The Commodores were, once again, able to close the gap in the fourth quarter after a Wynn fumble. Vanderbilt put together 13 plays for 58 yards that ended on a three-yard Matthew Tant rushing touchdown to bring the score to 28-17. The Ratliff interception squelched any chances the Commodores had at a comeback.

Game Eleven

Florida 24
 South Carolina 22

November 15, 2003
 Williams-Brice Stadium
 Columbia, S.C.
 Attendance: 81,523

Ciatrik Fason rushed for a career-high 190 yards, while No. 15 Florida used a 17-point third quarter to overcome an early deficit and defeat South Carolina for the 13th consecutive time by a score of 24-22 at Williams-Brice Stadium before a crowd of 81,523.

The Gators (8-3 overall, 6-2 Southeastern Conference) scored 10 points in a span of one minute late in the third quarter on a 20-yard field goal from Matt Leach and a 10-yard touchdown run by DeShawn Wynn to go ahead 24-16 before the defense stopped South Carolina (5-6, 2-6) on a two-point conversion attempt early in the fourth quarter and held the Gamecocks scoreless on two possessions to preserve the victory.

Florida's defense held South Carolina to just 323 yards of total offense on 74 plays, including a mere 131 yards passing, en route to winning the Gators' fifth straight game. Florida also piled up 243 yards rushing - the second most for Florida this season. Fason's 190 yards rank as the 10th-most in a game in Florida history, while he became the first Gator to hit the 190-yard mark since Errict Rhett ran for 193 in 1992 against Kentucky.

The Gamecocks took an early lead when Florida quarterback Chris Leak was sacked in the end zone on the Gators' opening possession of the game. South Carolina scored on the next possession on a one-yard run by Cory Boyd to give the Gamecocks a 9-0 lead with 5:18 left in the first quarter.

Florida narrowed the gap to 9-7 when Leak notched the second rushing touchdown of his career on a nine-yard run with 3:08 left in the second.

South Carolina answered when Chavez Donnings returned a punt 73 yards for a touchdown as time expired in the half to extend the Gamecocks' lead to 16-7 at the break.

Florida pulled within two on its opening possession of the second half as Leak found Ben Troupe on a seven-yard pass to cap an eight-play, 80-yard drive and bring the score to 16-14 with 10:53 remaining in the third.

Leach then connected on a 20-yard field goal with 2:01 left in the third to give Florida its first lead of the game. The Gators recovered a Donnings fumble on South Carolina's next possession before Wynn scored to bring Florida's advantage to 24-16.

The Gamecocks added a touchdown with 10:04 left in the fourth on a four-yard run by Dondrial Pinkins, but Florida's defense stopped Pinkins on the two-point conversion attempt and held South Carolina in check on its final two possessions of the game to preserve the victory.

Game Twelve

Florida State 38

Florida 34

November 30, 2003
Ben Hill Griffin Stadium
Gainesville, Fla.
Attendance: 90,407

Despite turning an 11-point halftime deficit into a three-point lead with less than three

minutes in the game, No. 11 Florida fell to No. 9 Florida State 38-34 on Saturday in front of a Ben Hill Griffin Stadium record crowd of 90,407.

Freshman quarterback Chris Leak connected with senior tight end Ben Troupe on a 25-yard score to give the Gators (8-4, 6-2 SEC) a 34-31 lead with 2:50 left in the game. The Seminoles' (10-2, 7-1 ACC) Chris Rix converted a fourth-and-14 and, one play later, threw a 52-yard pass to P.K. Sam for the game-winning score with 55 seconds remaining.

The Gators advanced to the Seminoles' 18-yard line as time expired, snapping their five-game winning streak.

Leak completed 22-for-36 passes for 273 yards and two touchdowns. Both of his scores came on strikes to Troupe, who had four catches for a game-high 121 yards.

Junior kicker Matt Leach converted on 4-of-5 field goals, three of which were from more than 40 yards out. Senior cornerback and Thorpe Award finalist Keiwan Ratliff recorded his fourth non-offensive score of the season with a 77-yard fumble recovery.

Rix completed 14-of-19 passes and had four touchdowns.

Trailing 17-6 at the half, Florida returned from the locker room and scored 18 unanswered points to take a 24-17 lead midway through the third quarter.

Two key plays by Leak on the Gators' first possession of the second half set up their first touchdown. Leak caught a throw-back pass

from fellow freshman Andre Caldwell and picked up 30 yards on the play to the Florida State 25-yard line. On the next snap, Leak connected with Troupe for a score on a fade pass into the right corner of the endzone.

Following a 42-yard field goal by Leach, Florida State put itself in position with a score when it had a first-and-10 on the Gators' 19-yard line. On third down, senior strong safety Guss Scott flushed Rix to the right side of the pocket and forced a fumble that was returned 77 yards for the score by Ratliff, giving Florida a 24-17 lead.

After Pat Watkins recovered a fumble by sophomore running back Ciatrick Fason and ran it back 25 yards for a touchdown, Leach connected on his fourth field goal of the game with 8:01 left in the game to put Florida ahead 27-24.

Rix moved the Seminoles 78 yards and gave them a first-and-goal at the Florida three-yard line on their next possession. Florida forced a fumble on a Leon Washington run, but officials ruled he recovered it. The quarterback snuck in for a score to give the Seminoles a 31-27 lead with 5:01 remaining.

Florida took the first lead of the game on a 47-yard field goal by Leach at the 6:05 mark of the first quarter.

The Seminoles answered on their next possession, however, by scoring on a 35-yard touchdown pass from Rix to Dominic Robinson at 1:46 in the first quarter.

Florida State kicker Xavier Beitia and the Gators' Leach swapped field goals on consecutive possessions in the second quarter, with Leach's 47-yarder at 5:31 trimming the Seminoles' lead to 10-6.

A 77-yard kickoff return by Washington on the Seminoles' next possession set Rix up for his second touchdown pass of the game. Florida State extended its lead to 17-6 on the quarterback's 20-yard touchdown pass to Matt Henshaw with 5:02 remaining in the first half.

Following the game, the Gators' all-time series record with the Seminoles stands at 27-19-2.

Game Thirteen

Iowa 37
Florida 17

January 1, 2004
Raymond James
Stadium

Tampa, Fla.

Attendance: 65,372

Unable to find an answer for Iowa tailback Fred Russell, No. 17 Florida lost to No. 12 Iowa 37-17 in the Outback Bowl in front of 65,372 at Raymond James Stadium.

Florida, which surrendered 150 rushing yards to Russell, finishes its season 8-5 (6-2 SEC). Iowa improves to 10-3 (5-3 Big Ten).

Florida true freshman quarterback Chris Leak completed 22-of-41 passes for a game-high 268 yards, two touchdowns and one interception. The SEC Freshman of the Year set the school record for most passing yards by a freshman (true or redshirt) in a season, surpassing Danny Wuerffel's record of 2,230 yards set in 1993, on a 70-yard touchdown pass in the first quarter.

Leak finished the season with 2,435 yards and 16 touchdown passes.

Gator senior receiver Carlos Perez caught a game-high seven passes for 70 yards. Senior receiver Kelvin Right and sophomore Dallas Baker caught touchdown passes for Florida.

In addition to his 150 yards rushing, Iowa's Russell returned three kicks for 54 yards and was named Outback Bowl MVP. Hawkeye receiver Maurice Brown caught six passes for 96 yards and a score.

Florida took a 7-0 lead to begin its second possession of the game when Leak hit Right in stride down the middle of the field for a career-long 70-yard touchdown at 7:28.

The strike marked the longest touchdown pass in Outback Bowl history and the longest of Leak's career. The Gators' lead wouldn't last long, however.

With the exception of its initial score and a few other drives during the game, Florida's offense, which had averaged 32 points in its last three games, struggled to move the ball against Iowa. The Gators finished with only 57 rushing yards.

Russell accounted for 37 yards on the following drive for Iowa, which ended with Nathan Chandler's three-yard touchdown pass to Maurice Brown at 3:56 to tie the score at 7.

Chandler increased Iowa's lead to 17-7 when he scampered five yards into the right corner of the endzone on a bootleg at 8:56 of the second quarter. Nate Kaeding's 32-yard field goal, his second of the game, sent the Gators into the half down 20-7.

Iowa's momentum carried into the second half as it blocked a Florida punt and recovered it in the endzone on the Gators' first possession to take a 27-7 lead 54 seconds into the third quarter.

With Florida facing a fourth-and-five from its 21-yard line, the Hawkeyes' Matt Melloy broke throw Florida's line, blocked freshman Eric Wilbur's punt and recovered it for a score.

The Gators' offense showed signs of life on their next possession by marching 62 yards on 10 plays to set up a 48-yard field goal by Matt Leach with 11:19 left in the third quarter.

Iowa turned to Russell late in the third quarter to put the game away. After Chandler completed a 41-yard pass to Brown, Russell ran the ball three consecutive times with his last run going for a 34-yard touchdown to increase Iowa's lead to 34-10.

Leak threw a 25-yard touchdown pass to Baker late in the third quarter to account for the game's final points.

Florida concluded one of the toughest schedules in school history by playing its seventh ranked opponent, which tied a school record.

History & Tradition

“The work around the farm was instrumental in developing a work ethic. That was a big influence growing up. It taught us the importance of doing a job for the sake of doing the job, not to get paid.”

— **Bob Zook**, brother of head coach
Ron Zook on his work ethic

Ben Hill Griffin Stadium at Florida Field (a.k.a. "The Swamp") is the largest stadium in the state of Florida. Florida has ranked among the nation's top eight schools in attendance each of the past 12 seasons and among the nation's top 15 for 21 straight years.

✧ One of only a few schools in the nation to officially be classified a major college football dynasty by the NCAA. Florida achieved that rare and elite distinction for its superior consistent performance throughout the last decade plus.

✧ 1996 National Champions.

✧ Played in the 1995 and 1996 National Championship Games.

✧ A charter member of the SEC when it began playing in 1933.

✧ One of only six schools in major college history, and one of only two in SEC history, to win 100 games in a decade (102-22-1 in the 1990s).

✧ The only school in SEC history to win at least 10 games for six straight seasons (1993-98) and one of only three major college school's in history to achieve that distinction.

✧ One of only three schools in major college history to ever be ranked in the polls for a period of 200 consecutive weeks.

✧ The only school in SEC history, and one of only three in major college history, to win at least nine games for 12 consecutive years (1990-2001).

✧ One of only four schools in history to rank in the final top 15 of the polls for 12 straight seasons (1990-2001).

✧ The only school in SEC history to appear in 11 consecutive January bowl games (1993-2003).

✧ One of only two schools in SEC history to win four consecutive league championships (1993-96).

✧ Has appeared in more SEC Championship Games (7) than any school in SEC history.

✧ One of only 16 schools in the nation to have multiple Heisman Trophy

winners (Steve Spurrier in 1966, Danny Wuerffel in 1996).

✧ The only school in SEC history to win eight or more conference games in a season four straight years (1993-96) and also the only league school to register at least six conference wins in a season 14 consecutive years (1990-2003)

✧ Compiled a sparkling 73-11 record in SEC play in the 1990's, the most conference wins during a decade in league history.

✧ Thirty-one bowl game appearances.

✧ Won SEC titles in six of the past 13 years (1991, 1993, 1994, 1995, 1996, 2000) and have finished first in the SEC standings nine times in the past 20 seasons and seven in the past 14 years.

✧ Named national champions for the 1984 season by the *New York Times* and *The Sporting News*.

Florida's consistent success over the past decade-plus has resulted in the Gator program being officially classified a major college football dynasty by the NCAA, a rare and elite distinction.

✧ One hundred and thirty-three (133) players have earned All-America recognition, 98 alone since 1981.

✧ Fifty-six (56) players have earned first-team All-America honors, 30 alone since 1980.

✧ Played in the first-ever SEC Championship Game in 1992.

✧ For nine consecutive years (1983-91) Florida had at least one player selected in the first round of the annual NFL Draft, the first school in the nation to achieve that distinction. In fact, Florida is one of only two schools in the nation that have ever had a player selected in the opening round of the draft for nine straight years since the NFL Draft began in 1936.

✧ OLB Wilber Marshall was selected "National Defensive Player of the Year" in 1983 by ABC-TV. DT Ellis Johnson earned that honor from CNN in 1994.

✧ One-hundred and fifty-six (156) different players have earned first-team All-SEC honors.

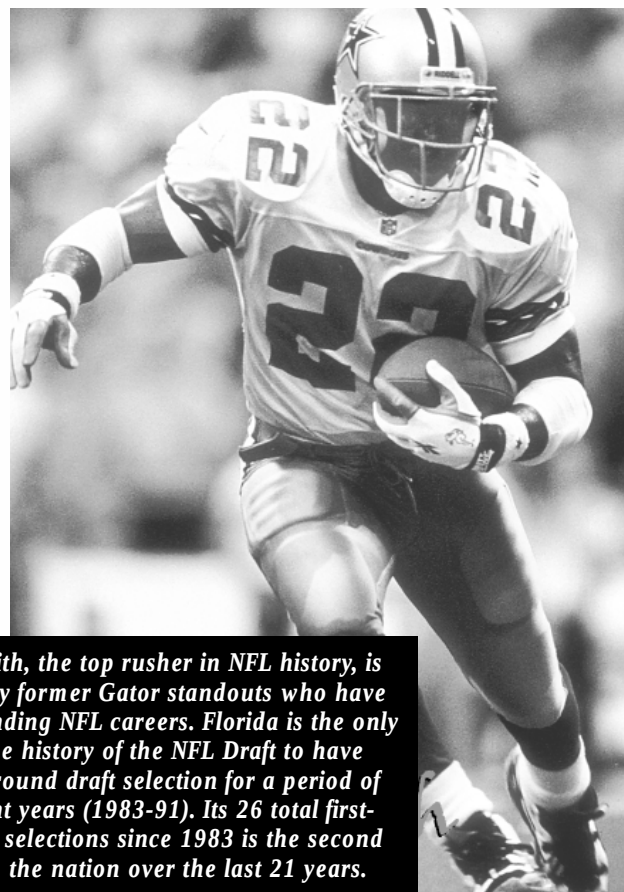

✧ Thirty-five (35) UF players have been selected in the first round of the NFL Draft, including 13 from 1983-91, the top total in the nation over that nine year span.

✧ Eleven Gator players have earned first-team Academic All-America honors.

✧ Gator great Carlos Alvarez was inducted into the Academic All-America Hall of Fame class in 1989 and Cris Collinsworth achieved that distinction in 2001.

✧ Former Gator football player Bill Kynes was a Rhodes Scholar recipient.

✧ In 1991 Brad Culpepper was presented the Draddy Trophy and Danny Wuerffel the 1996 Draddy Trophy, which goes to the nation's premier scholar-athlete.

Emmitt Smith, the top rusher in NFL history, is one of many former Gator standouts who have had outstanding NFL careers. Florida is the only school in the history of the NFL Draft to have had a first-round draft selection for a period of nine straight years (1983-91). Its 26 total first-round draft selections since 1983 is the second best total in the nation over the last 21 years.

President Bill Clinton hosted the 1996 National Champion University of Florida football team at a special reception at the White House in March of 1997.

Florida, one of only a few schools designated a major college football dynasty by the NCAA, a charter member of the prestigious Southeastern Conference, one of the participant schools in the first-ever SEC Football Championship Game in 1992 (a game that was also the first-ever championship playoff game for Div. I-A), and 1996 national champions, started football in 1906 against Rollins on a baseball field located immediately north of the current Florida Field. The Gators won, 6-0, and went on the following year to record a 4-0-1 mark behind the running of a half-back named Willie Shands, who eventually became an important senator for whom the Shands Hospital and Clinics at UF are named.

The finest of the early teams at Florida were under the tutelage of U.S. Army Major James A. Van Fleet, head coach and senior officer of the school's ROTC program. The Van Fleet teams in 1923-24 attracted national attention to the Gator football program for the first time.

In 1923 Florida tied Georgia Tech, the ruler of Southern football, 7-7, in Atlanta. The Jackets came from behind late in the game to earn the deadlock. In the final game of that season Florida recorded one of the most shocking upsets of the year, beating Alabama and Wallace Wade in Birmingham, 16-6, as All-Southern back Edgar Jones scored every point for the Gators. Florida was 6-1-2 that season and 6-2-2 in 1924, recording 7-7 ties against both Georgia Tech and Texas, two of the national football powers, and losing to Army, 14-7, at West Point. Florida's 1928 team led the nation in scoring on the way to an 8-1 record, losing its final game, 13-12, on a wet field in Knoxville, Tenn. to Tennessee.

The 1930's produced great individual talent at Florida. Walter (Tiger) Mayberry was an All-SEC halfback who was later to lose his life in World War II as an often-decorated Marine pilot. Tommy Harrison was a record-setting passer in

the late '30's and went on to become a president of Blair Radio and TV, a nationwide firm. His favorite target was end Forrest (Fergie) Ferguson, an all-star athlete who died years later as the result of wounds suffered in the invasion of Normandy during World War II.

Florida has appeared in 30 bowl games and seen 126 of its players earn All-America recognition, including 54 who have earned first-team All-America honors.

Two players have received the Heisman Trophy and two players were honored as the "National Defensive Player of the Year." The Gators played in the first-ever SEC Championship Game, 35 of its players have been selected in the first round of the NFL Draft and UF captured the 1996 National Championship.

Bob Woodruff brought the Gators to solid football status as the head coach of the 1950's. He produced the first bowl team in 1952, All-America linemen like Charlie LaPradd, John Barrow and Vel Heckman and a reputation for hard-nosed defense.

Ray Graves came out of the decade of the 1960's as the winningest Florida coach of record. He was 70-31-4 with five bowl teams, four of which won. His only losing bowl team lost by two points to Missouri in the 1966 Sugar Bowl, 20-18.

That decade also produced Heisman Trophy winner Steve Spurrier, a record-setting passer, as was quarterback John Reaves in 1969, who smashed five national marks.

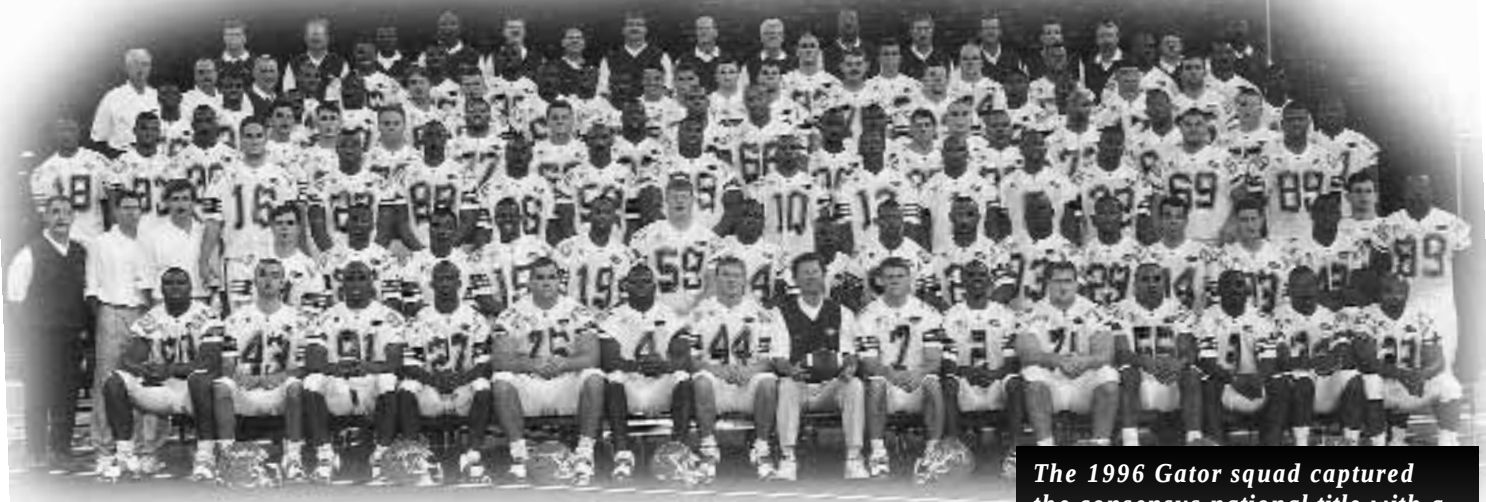

The teams of Doug Dickey from 1970-78 went to four bowls. His 1973 team was the second Gator edition ever to defeat Auburn at Auburn and went on that year to beat Georgia, FSU and Miami in the same month, a rare feat for Florida. Dickey's top players included All-Americans Jack Youngblood, defensive end; Wes Chandler, wide receiver; Sammy Green and Ralph Ortega, line backers, and SEC rushing king Jimmy DuBose.

Charley Pell's rebuilding job began in 1979 and his last four Florida teams went to bowls, averaging eight wins a season against one of the nation's most demanding schedules. Pell's 1983 team secured the school's then highest final ranking ever with a No. 6 finish. Wilber Marshall, a linebacker, was named "National Defensive Player of the Year."

The top players of the Pell era (1979-84) were WR Cris Collinsworth, LB David Little, DT David Galloway, LB Wilber Marshall, and OT Lomas Brown. All were first-team All-American selections.

Galen Hall was named interim coach after the first three games of the 1984 season. He proceeded to win the next eight games. When the squad defeated Kentucky, 25-17, to clinch the school's first-ever first place finish in the SEC standing, he was named the new head coach in the lockerroom after the game in Lexington. The squad closed the banner year with a 27-17 win at Florida State to cap a 9-1-1 season. In the final regular season wire rankings, Florida was ranked third in the nation, the best regular season ranking in school history. The '84 squad was named the national champion by the *N.Y. Times* and *The Sporting News*.

Hall led Florida to another banner season in 1985. The Gators opened the season with an eight-game unbeaten

streak to stretch UF's two season unbeaten mark to 18 consecutive games. When Florida defeated Auburn, 14-10, in the eighth week of the season, UF was ranked first in the weekly Associated Press rankings, the first time in school history that the Gators held that lofty status. Florida finished with a second-straight 9-1-1 season. The Gators were ranked fifth in the final AP ranking.

The period of 1983-85 ranked then as the most successful in school history. During that time frame, Florida was the only school in the nation to finish in the top six in the final AP ranking in each of those respective seasons. Florida's 27-4-3 record during that time frame represented the second best winning percentage (83.8 percent) in the nation.

The decade of the 1980's ended with three successive bowl appearances (1987 Aloha, 1988 All-American, 1989 Freedom). Overall, UF went to seven bowl games in the 1980's making it the then most successful in that regard in school history. In addition, the Gators posted 76 wins during the 1980's, the most successful decade in school history.

Gary Darnell replaced Hall as interim head coach six games into the 1989 season. Hall completed his career (1984-89) with a 40-18-1 record. The top players of his reign were first-team

The 1990's was the most successful decade in Florida history, so successful in fact, that the NCAA classified this period of Gator achievement a "major college dynasty," a designation that has been given to a school on rare occasions only after demonstrating consistent excellence over a significant period of time. During the 1990's UF won the 1996 national title, played in two national championship games (1995, '96), won five SEC titles and won nine or more games each year of the decade. Florida won 10-plus games for six straight seasons (1993-98), an achievement unmatched in SEC history and a streak that ranks among the three longest in that category in major college history. The Gators finished in the top 12 of the polls for 10 straight seasons (1990-99), one of only two schools who could claim that distinction.

The 1996 Gator squad captured the consensus national title with a 52-20 win over Florida State in the national championship game at the Sugar Bowl in New Orleans. The squad posted an overall 12-1 record and ranked among the most dominant contingents in SEC history as it posted a perfect 9-0 mark in league play and defeated its conference foes by an average of 31 points per game.

All-America selections OLB Alonzo Johnson, OG Jeff Zimmerman, OLB Clifford Charlton, DB Louis Oliver, DB Jarvis Williams, DT Trace Armstrong, and RB Emmitt Smith. In addition, QB Kerwin Bell, FB John L. Williams, and RB Neal Anderson ranked among UF's all-time greats.

On the eve of the new decade of the 1990's (Dec. 31, 1989), Steve Spurrier, a man who had provided the University of Florida with so many fond memories as a player, was hired as the school's head coach.

Spurrier wasted little time in making a dramatic impact on the Gator program. The 1990's was the most successful decade in Florida history, so successful in fact, that the NCAA classified this period of Gator achievement a "major college dynasty," a designation that has been given to a school on rare occasions only after demonstrating consistent excellence over a significant period of time. During the 1990's UF won the

A historical review

1996 national title, played in two national championship games (1995, '96), won five SEC titles and won nine or more games each year of the decade. Florida won 10-plus games for six straight seasons (1993-98), an achievement unmatched in SEC history and a streak that ranks among the three longest in that category in major college history. The Gators finished in the top 12 of the polls for 10 straight seasons (1990-99), one of only two schools who could claim that distinction.

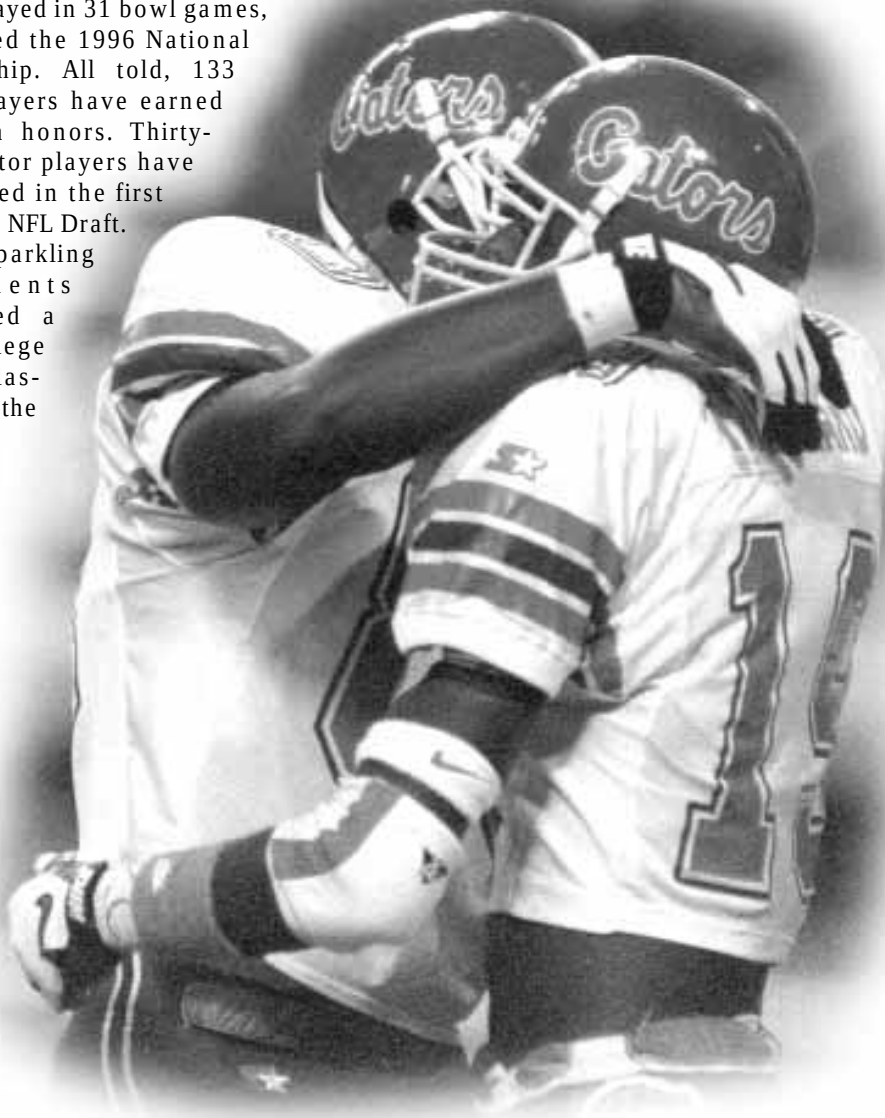

The Gators began the new century in fine fashion as they captured the 2000 conference crown, their sixth SEC title in the last 10 years. They joined Alabama as the only schools in SEC history to win at least nine games for 11 straight seasons and UF became the first school in SEC history to appear in a January bowl for the eighth consecutive season.

In 2001, Florida posted a 10-2 record and finished the year with a 56-23 win over Maryland and a number three spot in the national polls, setting a SEC record for most consecutive (12) seasons ranked in top 15 of final polls most consecutive nine win seasons and most consecutive (9) January bowl games. On January 4, 2002 just two days after the impressive win over Maryland, Steve Spurrier resigned, closing the chapter on a spectacular 12-year coaching career that not only ranked as the finest in UF history, but also among the finest in major college history.

The Ron Zook era began as the 20th head coach in Florida football history took over in January of 2002. Zook has led Florida to 8-5 records and a pair of Outback Bowl appearances in his first two seasons in Gainesville. In doing so, Coach Zook became only the third coach in the 70-year history of the Southeastern Conference to lead his team to consecutive January bowl appearances in his first two seasons. Florida has finished with a 6-2 record in SEC play, which tied UF for the Eastern Division Championship in 2003.

Since it began playing football in 1906, the Gators have had 56 first team All-Americans, two Heisman Trophy

winners in Steve Spurrier and Danny Wuerffel, played in 31 bowl games, and captured the 1996 National Championship. All told, 133 different players have earned All-America honors. Thirty-five (35) Gator players have been selected in the first round of the NFL Draft. Its list of sparkling achievements have earned a "major college Dynasty" classification by the NCAA.

Bowl History

Florida's first bowl trip came after the 1952 season as the Gators headed to the Gator Bowl in Jacksonville to face Tulsa on January 1, 1953.

Powered by the running of Rick Casares and J. (Papa) Hall the Gators edged the Golden Hurricanes, 14-13, as Tulsa senior Tom Minor missed the first PAT attempt of his career. Gator All-America tackle Charlie LaPradd was the game's defensive hero.

Quarterback Jimmy Dunn and All-SEC end Dave Hudson led Florida back to the Gator Bowl in 1958 where they lost to Mississippi, 7-3. Ray Graves' first Florida team returned to the Jacksonville classic after the 1960 season and knocked off Baylor, 13-12, behind the running of Don Goodman and quarterback Larry Libertore.

One of the biggest upsets in Gator Bowl history took place in 1962 when heavily-favored Penn State was soundly beaten by the Gators, 17-7, led by quarterback Tom Shannon and a stout defense.

In 1966 Florida fell behind Missouri, 20-0, in the Sugar Bowl and rallied for 18 points in the final quarter behind quarterback Steve Spurrier. Each Gator touchdown was followed by a two-point conversion attempt and all of them failed.

Spurrier became the first player from the losing team to be named the game's most outstanding player in the history of the Sugar Bowl. He broke six bowl records in the contest.

The Gators got back on the winning track the following year in the Orange Bowl, beating Georgia Tech, 27-12, behind Heisman Trophy winner Spurrier. It was Bobby Dodd's final game as Tech's head coach and Florida made it an unhappy night for him. Larry Smith set a bowl record for running 94 yards for a touchdown for the Gators, almost losing his pants on the way.

In Ray Graves' final game as Florida's coach he watched his young team beat SEC champion Tennessee, 14-13, in the 1969 Gator Bowl. Florida's defense was superb with a blocked punt by Steve Tannen resulting in one TD and an interception setting up the other.

In 1973, the Tangerine Bowl was played in Gainesville due to construction at the Orlando stadium site. Although it was only 27 degrees at kickoff, Ron Zook and his Miami of Ohio teammates loved every minute of it en route to a 16-7 upset of the Gators. Florida nearly pulled a major upset next season, leading Nebraska 10-0 and scoring an apparent TD on a 26-yard run by Tony Green, only to have it ruled out-of-bounds. The Huskers came back in the Sugar Bowl to win 13-10.

The Gators returned to the Gator Bowl in 1975 and were soundly beaten in the rain by Maryland, 13-0. In 1977 powerful Texas A&M routed Florida, 37-14, in the Sun Bowl.

Charley Pell's first bowl team at Florida came in 1980 and the Gators played outstanding football in the Tangerine Bowl to whip Maryland, 35-20, behind All-America wide receiver Cris Collinsworth, the game's most valuable player. All-America David Galloway was the most outstanding defensive player of the contest.

In the cold of Atlanta, Ga. in the 1981 Peach Bowl the favored Gators were stunned by West Virginia, 26-6.

On New Year's Eve of 1982, the Gators took a 17-7 halftime lead against Arkansas in the Bluebonnet Bowl before losing 28-24. Wide receiver Dwayne Dixon was named Florida's MVP after catching three TD passes.

The 1983 squad, making its fourth consecutive bowl appearance under Pell, defeated Iowa 14-6 in the Gator Bowl. The win earned the Gators a No. 6 final ranking (then the best finish in UF history).

The 1984 and 1985 teams, after posting 9-1-1 seasons, were unable to participate in bowl games due to NCAA sanctions.

Florida reentered the bowl scene on Christmas Day 1987 as they faced UCLA in the Aloha Bowl in Honolulu, Hawaii. The Gators, a big underdog, suffered a tough 20-16 setback in a game that literally went down to the final play when a Kerwin Bell pass fell incomplete in the endzone. Emmitt Smith, named Florida's MVP in the bowl, completed his banner freshman season with 128 rushing yards on just 17 carries (7.5 ypc) against a UCLA squad that ranked fourth in the nation in defense against the rush in 1987.

Galen Hall captured his first bowl victory as a head coach in the 1988 All-American Bowl. Sophomore Emmitt Smith, the game's MVP, scored late in the fourth quarter to give Florida a 14-10 win over Illinois. Smith rushed for 159 yards on the night, the second top rushing total in a bowl game in UF history. OLB Huey Richardson led a fierce Gator defense that held the Illinois to just 55 rushing yards and harassed QB Jeff George all night.

The Gators completed the decade of the 1980's with a 34-7 loss to Washington in the 1989 Freedom Bowl at Anaheim, Calif. The Freedom Bowl appearance marked the seventh bowl appearance for Florida during the decade of the 1980's, making it the most successful decade for post-season play in school history.

The 1991 team capped a banner season with an appearance in the 1992 Sugar Bowl vs. Notre Dame. Despite registering 511 yards in

total offense including a record 370 yards passing by Shane Matthews, the Gators suffered a 39-28 setback to the Irish in Steve Spurrier's first bowl game as UF coach. Notre Dame scored three TDs in the last five minutes of the game after Florida had moved ahead 22-17 early in the fourth quarter. A record 34 combined points were scored in the wild fourth period.

Errict Rhett rushed for 182 yards, the third top total in Gator Bowl history and the second best total for a Florida player in a bowl game, to highlight an impressive 27-10 win over ACC runnerup North Carolina State in the 1992 Gator Bowl. UF's defense had a fine night as it held the Wolfpack to just 13 first downs and 267 yards in total offense while Shane Matthews closed out his brilliant career leading a Gator offense that registered 26 first downs, ran 88 plays, and totaled 445 yards in total offense. Rhett was named MVP of the game.

The 1993 team closed out the winningest season (11-2 record) in school history with an impressive 41-7 win over undefeated West Virginia in the Sugar Bowl. Errict Rhett, who rushed for 105 yards and three TDs, was named the game's MVP. Willie Jackson had nine catches (second best bowl game total in UF history) for 131 yards and a TD, while Terry Dean completed 22 of 37 passes for 255 yards and a TD to highlight an offense that generated 30 first downs and 482 total yards. The defense held a Mountaineer team that averaged 36.5 points and 464 yards a game in total offense to just seven points and 265 total net yards. The 41-7 win was UF's first Sugar Bowl victory in four appearances and represented the school's first New Year's Day bowl win since a 27-12 win over Georgia Tech on Jan. 1, 1967 in the Orange Bowl.

Florida returned to the Sugar Bowl after the 1994 season where it met state rival Florida State just a month after the two teams had battled to a 31-31 tie. Danny Wuerffel threw for a Sugar Bowl record 394 yards (28 of 39 with 1 TD and 1 interception), but the Gators fell 23-17. UF registered 454 yards in offense (449 passing and 5 rushing) while FSU posted 401 yards (325 passing and 76 rushing) in a game that was played January 2, 1995 before a crowd of over 76,000 at the Louisiana Superdome.

The 1995 Gator squad, coming off the first perfect regular season in school history, appeared in the National Championship Game versus Nebraska in the Fiesta Bowl. The Gators started strong, holding a 10-6 lead at the end of the first quarter, thanks to a Bart Edmiston field goal and a 1-yard run by Danny Wuerffel. But the Cornhuskers were too much as they posted a 62-24 victory and captured their second con-

secutive national title before 79,864. Reidel Anthony returned a kickoff 93 yards for a touchdown in the fourth quarter, the first return for a TD in Gator bowl history.

The 1996 season produced the Gators' second straight appearance in the National Championship Game and Florida came out on the winning end this time as it knocked off top-ranked Florida State, 52-20, in the 1997 Sugar Bowl, to claim its first-ever national title. Both teams opened the contest throwing the football, combining for 238 yards passing and a 10-3 Gator lead at the end of the first quarter. Florida, which worked out of the shotgun for much of the game, twice extended its lead to 14 points but the Seminoles responded each time, cutting the UF lead to 24-17 with under a minute to play in the half. Scott Bentley trimmed the Gator lead to 24-20 on a 45-yard field goal less than five minutes into the second half, but the Seminoles would not score again. Florida sealed the victory by scoring the final 28 points of the game, a run that began with Ike Hilliard's third touchdown reception of the game on an eight-yard strike from Danny Wuerffel. Wuerffel scrambles 16 yards for a score to put UF up 38-20 with 13 seconds left in the third quarter, and Terry Jackson adds two fourth quarter scoring runs, including a 42-yarder, for the final margin. The Gator defense is strong from start to finish, stopping the Seminoles on downs at the UF 23 on the game's opening possession and holding FSU to just 42 total net yards rushing, just two yards shy of the UF bowl record set against Baylor in the 1960 Gator Bowl.

On New Years Day 1998 in Orlando the Gators defeated Penn State and legendary Nittany Lion coach Joe Paterno at the Florida Citrus Bowl. Fred Taylor rushed for 234 yards, the most ever by a Gator in a bowl game and the most ever in the Citrus Bowl, to lead the Gators to a 21-6 victory. The Gator defense was also a top story of the day as it held Penn State to just 139 total yards, the lowest ever for a Penn State squad under Paterno, and twice stopped the Nittany Lions from scoring on fourth and goal situations inside the one-yard line in the second quarter.

On January 2, 1999, the Spurrier-led Gators made their first appearance in the Orange Bowl game since his final game as a Gator player in that contest in 1967. UF posted a 31-10 win over Syracuse that gave the Gators three straight bowl wins for the first time in school history and it also enabled UF to win at least 10 games for a sixth straight season, something never achieved in SEC history.

On January 1st, 2000 the Gators played their first game of the new century at the Florida Citrus Bowl in Orlando and suffered a 37-34 loss to Michigan State on a 39-yard field goal on the game's last play.

Florida set a SEC record when it appeared in its eighth consecutive January bowl game

when it met Miami in New Orleans at the Sugar Bowl on January 2nd, 2001. The Hurricanes defeated the Gators, 37-20, in the first meeting between the two sunshine state schools since the 1987 season.

On January 2nd, 2002 in Miami, the Gators closed out the 2001 season with a 56-23 victory over ACC champion Maryland. The Gators set Orange Bowl records for total yards (659) and passing yards (456). The contest was the final game in Coach Steve Spurrier's legendary career as he resigned on January 4th and became the Head Coach of the Washington Redskins. Spurrier's final game as a Gator player also came in the Orange Bowl, the 1967 affair vs. Georgia Tech.

Continuing the remarkable tradition under first-year head coach Ron Zook, Florida was only one of two schools to appear in its 10th consecutive January bowl game when it faced No. 11 Michigan in the 2003 Outback Bowl. The first meeting of the two schools included seven lead changes and a tie as the Wolverines edged Florida 38-30 as the Gators racked up over 500 yards of total offense.

The Gators returned to the Outback Bowl Jan. 1, 2004 to take on the No. 12 Iowa Hawkeyes. The No. 17 Gators jumped out to a 7-0 lead, but Iowa came away with a 37-17 victory. Florida's first score of the game came on its second possession when QB Chris Leak hit WR Kelvin Right down the middle of the field for a career-long 70-yard touchdown. The strike marked the longest touchdown pass in Outback Bowl history and the longest of Leak's career. Leak set the school record for most passing yards by a freshman (true or redshirt) in a season, surpassing Danny Wuerffel's record of 2,230 yards set in 1993.

Chronology

The guy is everywhere all the time. When the players show up at 6 a.m. for their off-season conditioning runs, Zook is there, looking as if he's been up for hours. When the players are lifting weights in the middle of the day, Zook is there, bouncing off the walls in the weight room, his mouth and motor running at 90 mph.

Gator football had one of its most exciting and successful eras in the 1960's – the Ray Graves era. One of Florida's most thrilling and electrifying victories of that era was a 10-6 upset win over Bear Bryant's Alabama Crimson Tide in Tuscaloosa in 1963. The magnitude of the win continued to grow in significance over the years as Bryant's Crimson Tide squad did not lose another game in Tuscaloosa until 1982.

Steve Spurrier's 40-yard field goal late in the 1966 contest vs. Auburn gave the Gators a dramatic 30-27 victory. That kick, combined with 259 passing yards and a 46.9 average per punt, played a major role in his selection as the recipient of the 1966 Heisman Trophy.

The 1984 Gator squad posted an overall 9-1-1 record and was ranked third in the final AP rankings. The Sporting News and the New York Times declared the squad national champions. Florida's 5-0-1 mark in SEC play marked the first time in school history that a Gator squad finished with the best record in SEC play.

The 1985 UF squad posted a 9-1-1 record and was ranked fifth in the final AP poll. Its 5-1-0 mark in SEC play tied for first in the league standings. After its 14-10 win at Auburn, it became the first squad in school history to be ranked number one in the nation in a wire service poll.

The 1990 team posted a 9-2 overall record and its 9-1 start was then the best in school history. It finished with the best record in the SEC with a 6-1 mark, the first time in school history that a Gator team posted six conference wins in a season. It became the first UF team since 1928 to defeat both Alabama and Auburn in the same year and it posted the largest victory margins over Auburn and Georgia in school history.

Steve Spurrier is hoisted onto his players shoulders after posting a 35-26 win in 1991 over Kentucky which gave the Gators their first official SEC title. From 1991-2001 under Spurrier, the Gators won six SEC championships, including four straight from 1993-96.

The 1991 team was the first in school history to win 10 games in a season and the first to win an outright SEC title, compiling a perfect 7-0 conference record. The squad posted a 10-2 overall record, played Notre Dame in the Sugar Bowl and finished the year ranked seventh in the nation. It was the first contingent in school history to defeat Auburn, Alabama, Georgia, Florida State and Tennessee in the same season.

The 1993 Gator contingent won the SEC title, won more games in a season (11) than any team in school history and was the school's first-ever Sugar Bowl champion. The squad won more SEC games (8) than any team in school history and completed the season ranked 5th in the final AP Poll and 4th in the USA Today/CNN Coaches Poll.

The 1994 squad posted a 10-2-1 record, finished the year ranked 7th in the final polls, won the SEC title with a 24-23 win over Alabama and defeated Georgia for a record fifth straight season. It sat atop the AP Poll in seven of the first nine weeks of the season.

Co-captain Donnie Young raises a championship trophy after the Gators beat number-one ranked Florida State, 52-20, in the 1997 Sugar Bowl to claim the 1996 national championship.

The 1995 team finished with a 12-1 mark that included an appearance in the National Championship Game in the 1996 Fiesta Bowl. Florida ended the year ranked second in the final AP Poll, then the highest finish in school history.

1996 – A National Championship and a Heisman

champion) were the only teams in NCAA history to accomplish that feat.

Behind record-setting quarterback Danny Wuerffel, who joined Steve Spurrier as a UF Heisman Trophy recipient, the Gator offense averaged 46.6 points per game, a mark that ranked as the best in SEC history and led the nation. Florida, posting a 9-0 mark in SEC play, outscored its conference foes by an average of 46.8 – 15.8 (a 31 point average victory margin in SEC games). Its 76 touchdowns were the most in SEC history and in addition to leading the nation in scoring (46.6 points per game), it also led the country in average yards per play (7.1) and TD passes (42).

After posting a 12-1 record in 1995, with the one setback coming in the 1995 national title game against Nebraska, the Gators opened the new season with high expectations once again. After posting a 35-29 win (in which UF jumped to a 35-0 lead in the first 20 minutes) at Tennessee in the third week of the season, in a much-hyped contest between Wuerffel and UT's Peyton Manning, the Gators moved into the number one spot in the polls. They held that spot until the last regular season game of the year when they suffered a 24-21 setback to number-

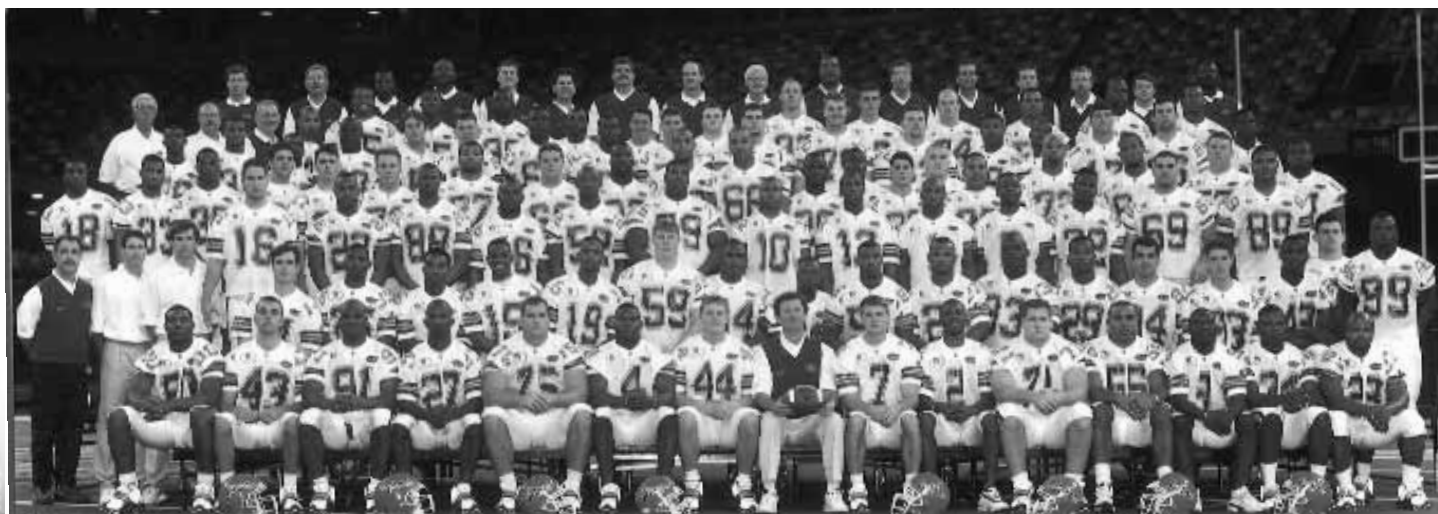

two ranked Florida State in Tallahassee and fell to a fourth place ranking in the national polls. Fate, however, would bring these two state rivals back together six weeks later in New Orleans.

A week after the loss to FSU, Texas upset number three ranked Nebraska in the Big XII Championship Game. That night the Gators defeated Alabama, 45-30, in Atlanta in the SEC Championship Game behind a six-touchdown performance by Wuerffel, which clinched the Heisman Trophy that he received the following week in New York. Entering the bowl season ranked number three, the Gators then saw Ohio State knock off second ranked Arizona State at the Rose Bowl in a dramatic last-second victory on New Year's Day. That result now meant that the Jan. 2nd battle in New Orleans with top-ranked FSU was for the 1996 national championship.

The Gators put together a tremendous all-around performance in posting the 52-20 victory over the Seminoles, which led to a consensus national championship. The 32-point margin of victory over FSU was the largest versus a number one ranked team in bowl history.

Behind arguably the finest offensive unit in SEC history, a solid defense that registered a school record six touchdowns, and some good fortune late in the year, the Florida Gators capped off the greatest season in school history with a rousing 52-20 victory over number one ranked Florida State in the Nokia Sugar Bowl in New Orleans on January 2, 1997 to claim the consensus 1996 national championship.

Florida became one of just three teams in NCAA history to be named the national champions in the same season in which it faced a schedule that the NCAA deemed the nation's toughest. Penn State (1984 champion), Colorado (1990 co-champion) and Florida (1996

Record Book

“Coach Zook is a different coach than I’m used to. He’s not ‘I’m a coach, you’re the player.’ He’s approachable. I feel real comfortable coming in his office, joking around with him, working out with him. You have respect for him because he’s your coach, but he’s damn close to being one of the players. You can go to him if you have a problem or just sit and talk to him.”

“Ron’s a product of a small school. No one came to him and offered him a scholarship right out of high school. He had to go prove himself at Miami of Ohio and Miami was good when he was there. I think they only lost one game (Miami was 32-1-1) the whole time he was there. But they went out there and proved they could play with anybody, and I think that played right into Ron’s mentality. He proved himself there and he’s taken that same mentality from there to coach high school, college and the pros and now as the head coach at the University of Florida. He’s out there every day to work himself and prove to himself and everyone else that he belongs. Some guys get fat and lazy, but that won’t happen with this guy. He needs to relax, but he won’t because he’s on a mission.”

— Mike Gottfried, ESPN Analyst on Ron Zook

J. Bernard "Bernie" Machen, D.D.S., M.S., Ph.D., was appointed as the 11th president of the University of Florida in October 2003, with the assumption of his duties beginning January 5, 2004. Prior to coming to Gainesville, he served six years as the president of the University of Utah.

Dr. Machen was born in Greenwood, Mississippi but grew up in St. Louis. After attending Vanderbilt for his undergraduate studies, he earned his doctor of dental surgery degree from St. Louis University, and his master of science in pediatric dentistry and Ph.D. in educational psychology from the University of Iowa. He also is a Diplomate of the American Board of Pediatric Dentistry.

He served as professor and associate dean at the University of North Carolina's School of Dentistry during 1983-89, and was president of the American Association of Dental Schools in 1987. Prior to his appointment at Utah, he was provost and executive vice president for academic affairs at the University of Michigan from 1995 into 1997 and served as dean of the University of Michigan School of Dentistry from 1989 until 1995. During 1992-95, he also served as a member of the National Academy of Science's Institute of Medicine Committee on Educating Dentists for the Future. Previous responsibilities included senior academic and clinical positions

at the University of North Carolina at Chapel Hill including associate dean of the university's School of Dentistry; an appointment as chief of the Department of Extension Services at the U.S. Army Institute of Dental Research, Walter Reed Army Medical Center in Washington, D.C.

Always involved in the local community, a list of his board and committee appointments includes his service on the board of trustees of the Salt Lake Olympic Organizing Committee and on the "Envision Utah" statewide planning committee.

While at the University of Utah, he shepherded restructuring of the university's administration to better support academic programs. Other areas of emphasis included improving the health sciences programs, enhancing academic facilities, increasing the diversification of campus demographics, and upgrading faculty salaries and research support. He directed the creation of a student living-learning community to increase residential living opportunities in a setting that emphasizes academics. He also completed a \$766 million capital campaign and initiated an overall \$550 million in new campus construction. A strong proponent of mutually beneficial town-gown relations, he initiated the University/Neighborhood Partnership Program to increase university involvement in the local community as well as obtaining light-rail mass transit from town to the campus.

Dr. Machen's honors and awards include the "Helping Hands Award" from the Utah Youth Village, the Distinguished Alumni Awards from the University of Iowa and St. Louis University, and selection as a Fellow of the American College of Dentists.

Dr. Mark Rush, Professor of Economics

Jeremy N. Foley, who has handled virtually every aspect of the University of Florida's \$60 million athletic program during his athletic administrative career – which began with an internship in the Gator Ticket Office in 1976 was named UF's Director of Athletics in March of 1992.

A man with great leadership, vision and experience, Foley, 51, brings a die-hard dedication, never-ending enthusiasm and hands-on approach to the top athletic post at the University of Florida. Foley's philosophy involves the continued building of a comprehensive athletic program, with the goal of having the overall UF program ranked as the top athletic program in the nation.

Says Foley, who has served as UF's Senior Associate Athletic Director since 1987, "We have an outstanding academic institution and fantastic coaches, student-athletes, administrators, facilities and fans. With hard work, patience and a commitment to excellence and integrity, we will achieve the success this University deserves."

Thanks in great part to a tireless effort by Foley, Florida has consistently ranked among the nation's 10 best athletic programs.

As chief financial officer for the University Athletic Association (UAA), Foley helped make Gator athletics profitable, eliminating a three-quarters of a million dollar debt. He has been the driving force and directly responsible for more than \$134.6 million in capital improvements as well, including two major expansions of the football stadium, a multipurpose athletic fieldhouse, new facilities for tennis, track & field, soccer, baseball, golf, softball and swimming. Foley also played a role in the \$4.1 million academic advising center on the University of Florida campus, which serves UF students and Gator student-athletes and assisted in funding the \$10 million renovation of the Stephen C. O'Connell Center. The most recent project – a \$50 million renovation project of the football stadium completed in August of 2003 – added luxury seats to the west side and improved the press facilities.

Also, in an era when the NCAA estimates 70 percent of Division I schools are losing money on intercollegiate athletics, the University of Florida Athletic Association has contributed more than \$30.4 million since 1990 to help fund University of Florida academic endeavors.

Florida has been equally successful on the field of play and in the classroom during Foley's administrative tenure. The Florida athletic program has ranked among the nation's top 10 for 21 straight years (1983-84, 2002-04) and among the top five for 11 of the last 15 years, according to national allsport rankings.

A program-record total of 12 Gator athletic teams finished in the top-10 of their respective sports in 2003-04, matching the record set in the 1992-93 season and equaled in 2001-02 when 12 teams also posted top-10 finishes. Four Gator teams led UF in 2003-04 with runner-up finishes – volleyball, women's indoor track & field, men's indoor track & field and men's outdoor track & field.

In Southeastern Conference action, Florida won four league crowns in 2003-04, raising its total to 73 league titles since 1990, the top totals in the SEC over that time span. For the 13th consecutive year and 15th time in the last 17 years, the University of Florida claimed the SEC All-Sports Trophy. Florida became the first school in SEC history to win all three in 1992 and repeated the feat in 1993, 1996, 1998, 2000, 2002 and 2003. No other school in the league has won all three titles in the same year.

UF's commitment in the classroom is equally impressive. Under Foley, UF student-athletes have been honored 53 times as Academic All-Americans, the fourth highest among all Division I colleges since 1992. UF had a league-best 165 student-athletes named to the Southeastern Conference's Academic Honor Roll in 2003-04. Florida's 1,215 Academic All-SEC honorees over the last 10 years is the best 10-year total in UF and SEC history. Since 1980, Florida has had 1,786 student-athletes named to the SEC's Academic Honor Roll, the highest total for any SEC school over that span as well.

The Gator athletic coaching family, which Foley had a large part in assembling, has collected 46 SEC Coach-of-the-Year awards during the last 12 years.

Gator student-athletes, coaches and administrators have also been a fixture in the community, taking part in a variety of community-related endeavors. In fact, Florida was honored with a White House commendation for volunteerism in 1994.

Foley also served on the NCAA Division I Management Council from 1997-2002.

Foley was named Honorary Alumnus of the University of Florida by the Florida Alumni Association Board of Directors in October of 2000.

Born in Washington, D.C., but calling New London, N.H., home, Foley received his undergraduate degree in 1974 from Hobart College in Geneva, N.Y., where he also coached and scouted for the tradition-rich lacrosse program following graduation. He went on to earn his Master's Degree in Sports Administration from Ohio University in 1976 and then joined the Gator athletic program as an intern in the ticket office. In 1995, the Ohio Graduate School presented Foley with the school's Distinguished Alumni Award.

There is a continuing line of leadership in the Foley family, as his younger brother, James, commanded troops during Desert Storm and won two silver stars. In Foley's UAA office, an orange Gator sweatshirt which was worn by his brother at the battle of the Kuwait International Airport, is encased in glass.

An avid sports and Boston Red Sox fan, Foley ran the Boston Marathon in a 3:39.51 clip in April of 1995 and completed the course in 3:28.10 in 1998.

A dog lover and proud owner of three Labrador retrievers, he is involved with the Humane Society and makes numerous personal donations and public appearances with local charities.

National runner-up finishes by four teams paced the University of Florida athletics program to sixth-place overall in the 2003-04 Sports Academy Directors' Cup competition. The national all-sports competition award is presented annually by the National Association of Collegiate Directors of Athletics (NACDA), United States Sports Academy and *USA Today*. The finish marks Florida's 21st consecutive position among the nation's top-10 programs. Florida and UCLA are the only schools to finish in the top 10 in national all-sports rankings every year since 1983-84.

The Sports Academy Directors' Cup recognizes the schools with the best overall sports performances in an academic year. Points awarded for an institution's finish in up to 20 sports determine the all-sports champion. Fielding 18 athletic teams that can score in the Sports Academy Directors' Cup, Florida finished sixth with 993.25 points. The Sports Academy Directors' Cup uses the best finish between the NCAA Indoor and Outdoor Championships to determine a program's track & field points. Stanford claimed its 10th consecutive title with 1,337.25 points.

A program-record total 12 Gator athletic teams finished in the top-10 of their respective sports in 2003-04, matching the record set in the 1992-93 season and equaled in 2001-02 when 12 teams also posted top-10 finishes. Four Gator teams led UF in 2003-04 with runner-up finishes – volleyball, women's indoor track & field, men's indoor track & field and men's outdoor track & field. Florida's

(5th), soccer (T5th), men's swimming & diving (6th), men's golf (T6th), baseball (T9th), and men's tennis (T9th).

"A program-record 12 Gator teams finished among the nation's top 10 teams. That fact indicates that our coaches and student-athletes are working hard to place the Florida program among the nation's best athletic programs. The sixth-place finish in the Directors' Cup competition shows that it was a very good year," Florida Athletics Director Jeremy Foley said. "We are looking forward to more success in the future."

2003-04 National All-Sports Rankings

The Sports Academy Directors' Cup, presented annually by the nation's athletics directors, recognizes the schools with the best overall sports performances in an academic year. Points are awarded based on finishes in 20 NCAA Division I sports, based on participation.

Runner-up finishes by four teams in 2003-04 placed the University of Florida sixth. The finish marks the Gator program's 21st consecutive placing among the nation's top 10.

Florida won its second SEC Indoor title in three years, finished second at the NCAA Indoor Championship and defended its NCAA East Region outdoor title. Candice Scott claimed the NCAA crown in both the weight throw and hammer throw and holds the collegiate record in both events.

The Gator program won six NCAA Individual Championships and 75 UF student-athletes earned 162 All-America honors in 2003-04. Candice Scott captured both the women's NCAA Indoor weight throw and Outdoor hammer throw crowns. athletes at the NCAA Outdoor Track & Field Championships. Freshman Kerron Clement took the men's 400-meter hurdle crown and junior Josh Walker claimed the 110m hurdles title. Florida also took the 4x100m relay title at the NCAA Outdoor Championships. At the NCAA Swimming & Diving Championships, sophomore Ryan Lochte set the American, U.S. Open and NCAA records in winning the 400-meter individual medley crown.

Florida won four Southeastern Conference titles in 2003-04 to raise its total to 50 since the 1994-95 academic year, the most by any conference school during the 10-year time span. The Gators won SEC titles in volleyball, women's indoor track and field, men's indoor track & field and women's tennis.

For the 13th consecutive year, UF was awarded the *New York Times* Regional Newspaper Group Southeastern Conference All-Sports title. The Gator program also finished first in the men's competition and second in the women's race.

Florida was also successful away from the athletic arena in 2003-04, earning a league-high 165 SEC Academic Honor Roll accolades in league championship sponsored sports. Gator Facilities

Perhaps the most visible proof of the University of Florida's commitment to excellence is its athletic facilities.

A new multi-purpose Athletic Fieldhouse facility, now named the Lerner Athletic Center, opened in the 1995-96 academic year. The \$5.6 million, 46,000 square-foot facility houses three full-sized volleyball courts and serves as the practice facility for Gator volleyball. The building also has equipment, training and locker room areas to accommodate volleyball, baseball, soccer, softball and track and field. It includes coaches' offices and team meeting space.

James G. Pressly Stadium at Percy Beard Track is recognized as one of the finest facilities in the nation. The track underwent a renovation which included a total resurfacing and striping of the nine-lane Olympic certified track in 2001. The complex also features multiple jump runways, a steeplechase water jump, three circles for both the shot put and discus, three high jump approaches and nine pole vault boxes. A \$1.9 million project in August 1995 served as a facelift to allow the facility to handle both track and soccer. The pole vault and long jump pits were moved from the infield to the outside of the track and a soccer playing area of 115 yards by 70 yards at a cost of \$290,000 was installed. 2,500 aluminum seats were added to the existing 1,500 concrete seats, bringing capacity to 4,000 at a cost of \$1.43 million. The renovation also included adding new restrooms, permanent concession stands, ticket booth, storage rooms and a split level press box. A \$185,000 state-of-the-art scoreboard was also installed. The complex has hosted several major championships, while annually hosting the nationally-renowned Florida Relays each spring.

The O'Connell Center (left) serves as home to men's and women's basketball teams, gymnastics (bottom left), and houses an indoor track.

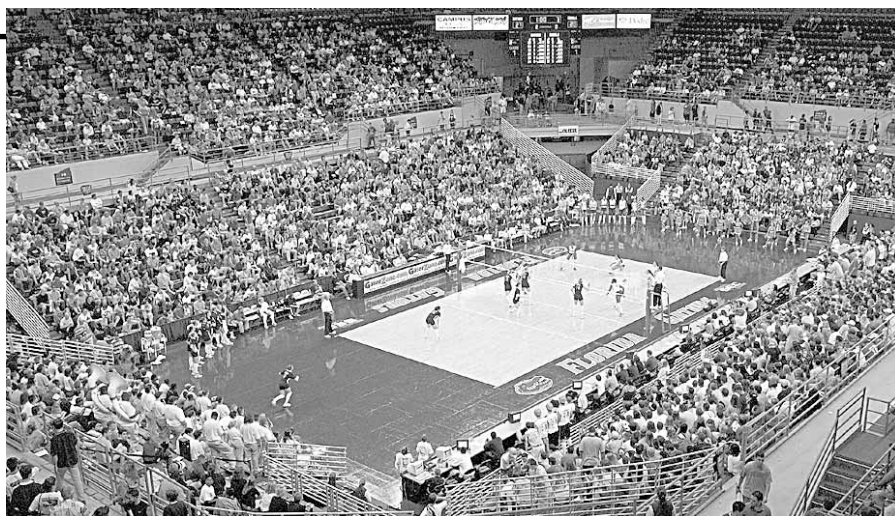

The Stephen C. O'Connell Center is home to Gator and Lady Gator basketball, indoor track & field, swimming, volleyball and gymnastics. The main arena in the Stephen C. O'Connell Center seats 12,000. Included in the multipurpose facility is a private basketball practice floor and gymnastics training area. A foam-filled pit was added to the gymnastics studio in August 1997 at a cost of \$198,000. The 16x40 feet pit is filled with long, dense foam logs and lighter, square, foam cubes and allows our gymnasts to perform more difficult stunts in practice. The University completed an \$8.1 million project that put a permanent roof on the O'Connell Center in August of 1998 and upgraded locker room areas and office space. The construction project also included an upgraded lighting and sound system in the arena. Another \$2.5 million project upgraded concessions, restrooms and entrance ways in the summer of 1999, while four state-of-the-art Daktronics Scoreboards were installed in the fall of 1999. Also, Florida's Track & Field program benefits from the indoor track within the O'Connell Center. It has been called "one of the finest indoor tracks in the world, and perhaps the fastest track in the world for long sprints" by Track & Field News. The track is a 200-meter unbanked polyurethane facility best known for its wide, sweeping turns.

Did You Know?...

Since 1986, Florida has spent more than \$134.6 million in capital improvements, including two major expansions of the football stadium, a renovation of the Stephen C. O'Connell Center, a multipurpose athletic fieldhouse, new facilities for tennis, track & field, soccer, baseball, basketball, golf, swimming, softball and volleyball.

Facilities

University of Florida swimming & diving facilities are among the most complete in the nation. The 50-meter main pool, which contains 847,000 gallons of water, also can be used as two 25-meter courses with a warm-up area in the middle. In addition, there are two one-meter diving boards, two three-meter boards and a diving platform. Also, there is an underwater viewing room.

Florida's swimming complex also features an outdoor warm-up and training pool which is adjacent to the O'Connell Center. The indoor swimming facility also has a \$75,000 scoreboard.

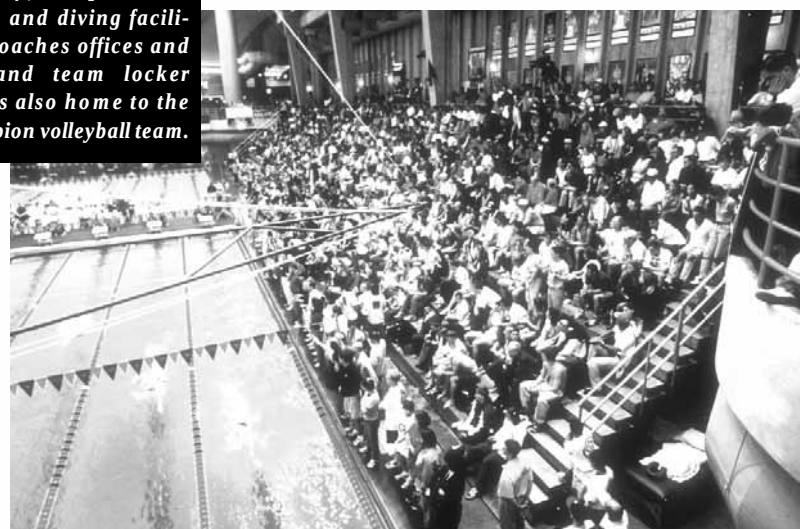

The Wayne and Jimmie Carse Swimming and Diving Complex, completed in January of 1998, is a two story, 6,950 square foot office and locker room facility for the men's and women's swimming and diving teams. The \$2 million project houses both team and coaches locker rooms on the first floor, with direct access to the UAA training pool. The second floor has six coaches offices, a staff assistant workstation, conference room, trophy display area and lobby. A full scale renovation of the natatorium was completed in the fall of 2001.

The Stephen C. O'Connell Center houses Florida's indoor swimming facility (below), while the Wayne and Jimmie Carse Swimming and Diving Complex (left) completes the swimming and diving facilities with coaches offices and coaches and team locker rooms. It is also home to the SEC Champion volleyball team.

Florida's \$10 million state-of-the-art private basketball practice facility, which opened in October 2001, is the nation's premier practice complex. The two-story 47,505 square foot facility includes multiple practice gyms, a training room, a 1900-square foot weight room, locker rooms, coaches' offices, conference rooms, equipment room, team lounge area and film/video rooms with theatre style seating to give the Gators the only basketball exclusive practice facility in the Southeastern Conference.

A \$2.56 million softball stadium was completed in October of 1996. The 1,200 seat stadium is located on the corner of Hull and Museum Roads on the UF campus. The facility includes two enclosed batting cages, a training room, concession stands, rest rooms, a 16-seat press box and umpire locker rooms. A \$400,000 locker room facility was completed in February of 2001. The new building is connected with the existing training room and clubhouse via a covered walkway. The 2,300 square foot structure features a team-meeting room, an equipment room and a laundry facility to go with the locker room area.

The University of Florida Golf Course recently completed a \$4 million renovation project that began in the spring of 2001 and was completed in November 2001. The project, which was featured and documented in a 16-part series of stories in GolfPlus editions of Sports Illustrated, features a brand new 18-hole course covering the 113-acre site on the northwest edge of the Florida campus. Some of the major points of construction included: improving the greens to meet USGA requirements; updating the irrigation system from its current

single-row irrigation to triple-row irrigation; building a new maintenance facility; installing new grasses (tifdwarf on the greens and tifsport on the fairways, tees, approaches, etc.); and constructing new bunkers with proper drainage. A golf teaching facility was added in 1999. The golf teaching facility is equipped with a computerized video system that analyzes a golf swing. The facility also includes two outdoor covered hitting stations, a putting area, restroom and storage area. The \$90,000 project covers 680 square feet. A practice facility

Florida's \$4 million renovation of its golf course was profiled in a 16-part feature titled "This Old Course" in the GolfPlus section of Sports Illustrated, written by John Garrity.

also was recently redesigned to incorporate a two-tier practice and hitting area, a 10,000 square foot putting green and two generous size green side bunkers. A \$1.1 million clubhouse was completed in 1988 complete with locker rooms plus study/meeting rooms. The heavily tree-lined layout currently stretches more than 6,600 yards (par-70).

The Scott Linder Tennis Stadium at the Alfred Ring Tennis Complex seats 1,000 and overlooks six main lighted courts. In all, there are 15 courts in the Varsity Courts complex, tops in the Southeastern Conference. The total includes a \$520,000 pavilion that covers three courts. The courts, which were resurfaced recently, are made of hard court surface similar to the type of court found at the U.S. Open. The facility includes individual scoreboards as well as a courtyard viewing area. A \$1.7 million renovation project was completed in January of 1999 with the focal point of the project a new building adjacent to the courts that serves as home to the men's and women's team. The 5,620 square foot building houses coaches' offices, as well as a training room and locker rooms for both players and coaches. There is also a conference room, reception area and a 3,000 square foot courtyard. The complex also has a locker room for opposing teams, bringing total building areas to 7,163 square feet. UF was the site of the 1989, 1990, 1993, 1999 and 2003 NCAA Women's Tennis Championships as well as the 1995, 1997, 2000, 2002 and 2003 NCAA Men's Regional Championships. The Alfred Ring Tennis Complex won the Silver Award in the 1999 City of Gainesville Beautification Award. Florida's baseball stadium – McKethan Stadium Perry Field – is one of the nation's finest collegiate baseball facilities. The site of NCAA Regional Tournaments in 1989, 1991, 1992, 1996, 1998 and 2002 Perry Field has a capacity of 5,000 (including 988 chair-

backs). A \$350,000 plaza concourse/entrance way was completed just prior to the 1994 season. Another \$505,000 was spent on the first-class press box complete with four broadcast booths, increased seating for the media, air conditioning and elevator access in 1996. There was also a renovation of the baseball surface during the summer of 2003. The most recent addition has increased the capacity to 5,000 with seats added along the third base line and left field.

The Gator Football Radio Network

The 2004 Gator Football Radio Network is the largest sports network in the Sunshine State with just under 50 stations from the Panhandle to the Florida Keys, broadcasting the complete University of Florida football schedule.

Gator football broadcasts blanket the state on Saturdays with many of the same stations also carrying "Gator Hotline with Ron Zook" on Thursday nights and the daily "Gator Football Report," the most extensive college football radio coverage offered in Florida.

San Antonio, Texas-based Clear Channel Communications, Inc., is the rights holder of the Gator Radio Network, with all-sports radio WFXJ-AM (AM-930) in Jacksonville serving as the flagship station. Gator fans can learn more about the Gator Radio Network and Clear Channel Communications on the world wide web by going to www.gatornetwork.com.

The Broadcast Team

Mick Hubert and "Oh My!" have become synonymous with Gator Radio Broadcasts for the past 16 years. Gator fans have grown attached to Mick's energetic and colorful style as the "Voice of the Gators." The St. Anne, Illinois, native graduated from Illinois State University in 1976 and has served as play-by-play broadcaster for Bradley University and the University of Dayton. Mick is also host of "Gator Hotline" and "The Gator Football Report."

Lee McGriff will join the Gator Radio Network as football color analyst for the 2004 season. McGriff, who previously served as the Gators' football radio color analyst from 1987-1993, played football at the University of Florida from 1971-74 and was an assistant football coach at UF from 1978-1982.

Steve Babik, who enters his 18th year at UF, is the Radio Network Coordinator. On game days, Babik reports from the sidelines and serves as co-host of the "Gator Gameday" and "Tail-Gator" pre-game shows which originate from the stadium, and hosts the "Ron Zook Post-Game Show." Babik, a 1982 Penn State graduate, is a native of Struthers, Ohio.

Former Gator and All-SEC linebacker Scot Brantley will be co-hosting the pre-game show and half-time segment. The Ocala native played at UF from 1976-79 and then played for a decade in the NFL with the Tampa Bay Bucs. Scot has been involved in radio in the Tampa area for several years in sportstalk. Former Gator running back and

NFL veteran James Jones will provide commentary for the halftime and pre-game. Tom Morgan, Sports Director at the Florida Radio Network, hosts the Sunshine College Football Report, while the game broadcasts are produced at site by Steve Woodard and back at FRN by Steve Egan.

Game Broadcast

All games on the network begin with the "Gator Gameday" show two hours prior to kick-off. "Gator Gameday" and the "Tail-Gator" show make up the first 90 minutes prior to kick-off and originate live outside the stadium for home games and will include fan participation. "Countdown to Kick-off," is the final 30 minutes of the pre-game show and will feature the pre-game comments of Ron Zook.

Following each game is the "Gator Locker Room Show," which features player comments, scoring highlights and the "Ron Zook Post-Game Show."

Gator Hotline with Ron Zook

ENTRANCE TO PRESS BOX – Enter the Press Box via the press elevator that is located at the base of the west stands next to Gate 2 (press box side of the field). Press Will Call is located in the North endzone ticket booth. You may pick up late request credentials and parking passes here, as well as photo sideline credentials/wristbands.

PRESS BOX LEVEL – The working press box is on the third level. Located on this level are the following areas and booths: media seating (main seating on south end and auxiliary on the north end), Coaches' Booths, National Television Network Booth, Sunshine Network Booth, Home and Visiting Radio Network booths, Camera booths for network and coaches film, Visiting TV Network Booth, National Radio Network Booth, PA Announcer and Game Operations, Security and the Florida Athletic Director's Booths.

Several pool phones are available in the press box (located on the third row of the South end), which are used by dozens of media reps. If you have concerns about meeting tight deadlines, we strongly encourage you to order your own phone (see section on telephones).

This level also contains the serving and dining areas for media representatives only.

Sidelines

The University of Florida follows NCAA and SEC guidelines regarding media representatives on the sidelines. Photographers and videographers are not permitted to shoot between the 25 yard lines and they must wear a photo armband at all times. The bench areas between the 25 yard lines are off limits to all media reps. No credentials will be issued to free-lance photographers, cut-line writers, equipment carriers, or radio station representatives except for the two originating networks. A "photo only" zone has been established on the Florida Field sidelines. Only people wearing a game photo armband with photo or video equipment will be permitted in this area. All other media representatives on the field (announcers, reporters, etc.) must stand behind the "photo only" zone. This will ensure that photographers/videographers have the appropriate area to do their work.

Credentials

Credential applications will be available online. To access the credentials applications, please visit the Media services section of the Gatorzone website at www.gatorzone.com/mediaonly contact UF SID office for passcode. Click on the "Apply for Credentials" button and follow the on screen instructions. Once you have submitted your credential request, you will receive a confirmation email from the Sports Information Department confirming that your information was received and is being processed. As soon as your request has been processed, you will receive additional information via email on how to pickup your credentials.

PRESS BOX – All members of the media covering the game in a working capacity must seek appropriate credentials in advance from Steve McClain and via the on-line credentialing system. We would appreciate receiving these requests as early as possible. Requests for working space in the press box and photo credentials for the sidelines will be honored from Sports Editors of DAILY Newspapers and Sports Directors of Television/Radio stations ONLY. Credentials for radio stations are limited to immediate Gainesville area stations and the two broadcast network crews doing the game. Any radio station seeking in-game and post-game reports can receive them by calling the SID Office in advance to make proper arrangements with our staff. Spouses, dates, relatives, non-workers, and anyone 16 years of age or younger are not permitted in the press box. Violators will not be tolerated. Media agencies or bowls that violate this policy will not be issued credentials for future games.

SIDELINE CREDENTIALS – Media representatives with a game day sideline photo/video credential form must report to Jennifer Wagner at the North End Ticket Booth marked Press Will Call. When you present the appropriate letter and identification, a sideline photo armband will be issued at that time. Your game

credential or letter will not gain admittance to the photo zone on the sidelines. Media reps wearing a photo armband and carrying cameras will be the only people that will be permitted to enter the "Photo Only" zone on the field.

FLORIDA-GEORGIA GAME (Jacksonville) – The Florida SID office will coordinate all media related credentials for this game.

On every Sunday during the season he will conduct a teleconference call at 2:00 pm ET with media representatives. Every Tuesday (12:30 pm) Coach Zook will conduct a joint print and electronic press conference in the South Endzone conference room at Ben Hill Griffin Stadium. He will also take part in a SEC teleconference each Wednesday morning at 11:21 ET.

Player Interviews (Game week)

All player interviews must be coordinated with the Sports Information Office. The best times for these interviews are on the practice field after practices on Mondays, Tuesdays and Wednesdays, and at the Tuesday Media Day from 9:30-12:30 p.m. Quarterbacks are available on Mondays and Tuesdays only. True freshmen will be available Florida's Media Day and then again after they play in their first collegiate game according to the regular interview schedule. Please plan on having interview requests to a member of the Florida SID staff at least 30 minutes before the end of practice. Only requested players will be permitted to be interviewed by the media. Interviews can be conducted either on the practice field or walking back with a player to the locker room if that player is requested. Any abuse of this policy will lead to all interviews being conducted on the practice field. Telephone interviews should be booked at least one day in advance, and are normally limited to those times reserved for these general interview sessions. All player interviews will conclude following the Wednesday session after practice. The SID office will not give out home phone numbers for any players. The Florida SID office will conduct a teleconference with two or three selected players from time to time on Wednesdays. Team locker room, training room and strength complex is considered a private work area. This area is off-limits to media representatives.

Practice

Preseason practices from August 9 to August 21 will be open to the media and general public. Practices are open for the final 30 minutes to media outlets that cover the Gators on a regular basis from August 23-28. Only these outlets that are accredited and issued credentials to cover University of Florida football games will be issued credentials to cover practice sessions. Practices will be closed to the media starting game week (Aug. 30). Coach Zook will meet with these accredited media representatives following each practice.

Players are available following practices on Mondays, Tuesdays and Wednesdays. Quarterbacks are available through Tuesdays only. True freshmen will be available on Florida's Media Day and then again after they play in their first collegiate game according to the regular interview schedule. No advance notice is needed. TV B-roll and still photos are permitted on the practice field for a 15 minute session on Mondays and Tuesdays. Please call the SID office in advance if you plan on shooting practice. Photographers will be allowed to film only on the sideline nearest the practice field entrance. All photographers must leave the practice field when instructed by the SID staff.

NCAA and SEC Guidelines and the Media

Media members should be aware of several NCAA and SEC rules that apply to student-athletes. If there is ever a question if any media-related activity or event including a Florida student-athlete could be a possible NCAA violation, contact the Compliance Office for an interpretation. Areas of concern include:

- ✧ Coaches and University officials cannot make comments on prospective student-athletes until they sign a national letter of intent. A coach cannot comment on a prospective student-athlete who verbally commits to an institution.
- ✧ Student-athletes are not permitted to endorse commercial products or services. They are also not permitted to do promotional spots for individual radio and TV stations or shows.
- ✧ SEC rules currently allow student-athletes to appear on live radio and TV talk shows during the SEC Media Days (As of June 17 and subject to change in August).
- ✧ Photographers cannot provide student-athletes or parents with photographs or slides.
- ✧ The institution cannot publicize the visit of a prospect on an official or unofficial visit.

Telephone Information

We strongly encourage you to make sure that your phone needs are met before gameday. Telephone orders for lines should be placed directly with BellSouth (Susan Fisher, 1-800-781-0063). Remember, you must place separate orders for your phone line and for the appropriate equipment or you must bring the appropriate equipment with you. The SID office will not be able to help you with a phone line and/or equipment on the day of the game. You should take care of these matters as soon as possible. A bank of rental phones is available to the media (print media and statistical operations). The SID office also has a few other phones that it uses for fax services and radio reports. Once again, if you envision tight deadline problems, we strongly encourage you to order your own line as the SID phones, fax phones and the rental phones available to the media are in almost constant use for two hours after the game.

FLORIDA-GEORGIA GAME – Media representatives wishing to install phone lines for this game in Jacksonville should call Jason Morrill at BellSouth (904-633-6102). Remember to also order a phone or bring a phone with you if you are having a line installed by BellSouth.

The University of Florida has a Ku-band satellite uplink truck that is used to feed coach and player interviews on a weekly basis (Tuesday from 2:45-3:00 pm ET) for television stations that desire this service (KU Band, SBS6, Transponder 15 Full, Audio 6.2, 6.8 mono). Contact the Florida Athletics Department, (352) 375-4683 (ext. 6600), regarding this service. Check your weekly sports information release for exact time of feed and the satellite coordinates. NCAA Rules Education Prospective Student-Athletes

Prospective Student-Athlete

You are a “prospective student-athlete” when you start ninth grade classes. Before the ninth grade, you become a prospective student-athlete if a college gives you (or your relatives or friends) any financial aid or other benefits that the college does not provide to prospective students generally.

You become a “recruited prospective student-athlete” at a particular college if any coach or representative of the college’s athletics interest (booster or representative) approaches you (or any member of your family) about enrolling and participating in athletics at that college. Activities by coaches or boosters that cause you to become a recruited prospective student-athlete are:

- ✧ providing you with an official visit;
- ✧ placing more than one telephone call to you or any other member of your family; or
- ✧ visiting you or any other member of your family anywhere other than the college campus.

Academics

It is extremely important for you to give maximum academic effort as you conclude your high school attendance. To practice or play during your freshman year, you must meet the provisions of NCAA Bylaw 14.3, which include: (a) graduating from high school, (b) achieving a minimum cumulative grade

point average in a successfully completed core curriculum of at least 13 academic courses, and achieving a corresponding minimum combined score on the SAT, or a minimum sum total score on the ACT as determined by the initial eligibility clearinghouse. The NCAA Clearinghouse must certify all incoming freshman student-athletes. Therefore, you must register with the clearinghouse as soon as possible.
