Gainesville is located in north-central Florida, about equidistant from the Atlantic Ocean and the Gulf of Mexico. It is 72 miles southwest of Jacksonville, 120 miles northwest of Orlando and 150 miles southeast of Tallahassee, capital of Florida.

HISTORICAL STATEMENT

In 1853 the foundation work of the present University of Florida was laid in Ocala when a small private school, East Florida Seminary, was opened. Florida Agricultural College was established at Lake City in 1883 and by 1905 six colleges were at least partially state-supported. With the passage of the Buckman Act in 1905, the University of Florida was established at Gainesville. There have been six presidents: Dr. Andrew Sledd (1905-09), Dr. Albert A. Murphree (1909-28), Dr. John J. Tigert (1928-47), Dr. J. Hillis Miller (1947-53), Dr. J. Wayne Reitz (1955-67) and Stephen C. O'Connell (1967-).

COLLEGES

The University's colleges are: Agriculture, Architecture and Fine Arts, Arts and Sciences, Business Administration, Dentistry, Education, Engineering, Health Related Professions, Journalism and Communications, Law, Medicine, Nursing, Pharmacy, Physical Education, Health and Recreation and University College. A College of Veterinary Medicine is being planned for the future. Schools are: Forestry and Graduate.

GENERAL INFORMATION

The University of Florida is one of the largest land-grant institutions in the South with nearly 2,500 faculty members and a student body of more than 22,000. Extensive building and modernization in the last 15 years has resulted in a physical plant valued at approximately \$200 million.

In addition to numerous special research projects in the various colleges, schools and divisions, the University has established a number of independent laboratories. These agencies carry on continuous basic research in the fields of engineering, science, agriculture, forestry, business, economics, public administration, communications and statistics, making significant contributions to private industry and government research.

A broad program in medical education, research and patient care is being carried out in the J. Hillis Miller Health Center. Expansion totaling \$42 million during the next three years will provide space to house the College of Dentistry and to accommodate more medical students.

DIRECTOR OF ATHLETICS

RAY GRAVES

When Ray Graves stepped down as Head Football coach at the University of Florida on December 30, 1969 he completed a decade unmatched by any previous Gator coach.

As Director of Athletics Graves provides the leadership to keep the UF athletic program in the position it attained during the 1960s, a period in which Gator athletic teams won a shade under 70 percent of their contests and captured the Southeastern Conference All-Sports Championship five times.

Graves has seen Florida athletic teams, competing in nine intercollegiate sports, win one national championship (golf) and 14 SEC titles during his 10 years as Director of Athletics.

As a coach, Graves left many contributions to the University and the game of football in general. He is credited with perfecting the shifting defense and is recognized as the originator of the "Monster Defense." He perfected this while coaching the defense at Georgia Tech in the 1950s.

Graves has authored two books, "Ray Graves Guide to Modern Football Offense" and "Ray Graves Guide to Modern Football Defense."

His overall record as Head Football Coach at Florida was 70-31-4 with five bowl teams, four of which won. His teams won the 1960-1962 & 1969 Gator Bowl games and the 1967 Orange Bowl. He lost in the Sugar Bowl in 1966.

His decade also produced 14 football All-Americans and Heisman Trophy winner Steve Spurrier.

Graves came to Florida in 1960 after 13 years as an assistant football coach at Georgia Tech, where he was assistant head coach under Bobby Dodd from 1957-1960.

Graves is a 1942 graduate of the University of Tennessee and a three year football starter for the Vols who played in the Orange, Sugar and Rose Bowls and was captain of the 1941 Tennessee team.

Following a two-year career with the Philadelphia Eagles Graves entered coaching at Tennessee in 1944. In 1946 he was an assistant coach with the Eagles and he joined Dodd's Georgia Tech staff in 1947.

Graves is married to the former Opal Richardson of Tazwell, Tenn. and has three daughters, Becky, Kathy and Beth.

**HEAD FOOTBALL COACH
DOUGLAS ADAIR (DOUG) DICKEY**

Doug Dickey, a 1954 graduate of the University of Florida, returned to his alma mater as Head Football Coach on December 30, 1969, bringing with him credentials as one of the nation's finest football coaches.

In seven seasons as a head coach he has compiled a record of 53-19-4, have five bowl teams, two Southeastern Conference championship teams and was named the league's coach of the year two times.

Dickey, 38, began his head coaching career at the University of Tennessee in 1964 and after an initial rebuilding year his teams ran up five consecutive seasons of eight or more wins, the only team in the nation to accomplish this over this period.

Dickey has spent most of his life on college campuses, having been born in Vermillion, South Dakota, home of South Dakota State University, where his late father, Dallas Dickey, was a speech professor. The Dickey's later moved to Louisiana State University and then on to the University of Florida.

Dickey went to high school in Gainesville and attended the University of Florida, where he played quarterback and guided the Gators to the 1953 Gator Bowl crown.

His coaching career began in 1954 at St. Petersburg (Fla.) H.S., continued at Fort Carson, Colorado (1955-56), University of Arkansas (1957-63) and then to Tennessee and, eventually, Florida.

Dickey is married to the former Jo Ann Beville and they have four sons, Don 15, Danny 14, David 12 and Darrell 9, and a daughter, Jaren Ann 4.

DICKEY'S HEAD COACHING RECORD

1964	Tennessee	4-5-1
1965	Tennessee	8-1-2 (Bluebonnet Bowl, SEC Coach of Year)

1968	Tennessee	8-2-1 (Cotton Bowl)
1969	Tennessee	9-2-0 (Gator Bowl, SEC Champion)
1970	Florida	7-4-0
Totals		53-19-4

DOUG DICKEY, LOOKS AT 1971 GATORS

"This team is a sounder football team than we had last season. It has more going for it in terms of depth at many positions, capable first team players at most positions and outstanding players who can break games open.

"Two factors have influenced the progress this team made in the spring. First, there was spirited competition for positions between veterans and talented young players. Secondly, we got extremely good senior leadership. The combination, which should continue in the fall, could enable us to develop into a capable football team.

"Specifically, we are improved in the offensive line and defensive secondary, areas which were not strong last season. Several young players figure in this improvement, plus our veterans all showed considerable improvement in the spring.

"At this point our top players would be quarterback John Reaves, tailback Tommy Durrance, split end Willie Jackson, flanker Carlos Alvarez, tight end Jim Yancey, offensive guard Fred Abbott, defensive lineman Bob Harrell, defensive backs Harvin Clark, Andy Chaney, John Silman and John Clifford.

"Many sophomores will either start or play a great deal. Offensive tackle Kris Anderson, linebacker Ricky Browne and defensive end Mike Moore have established themselves already as first team football players.

"The strongest part of our football team is the group of running backs we have. This is a position where we have ability and depth with five good football players in Durrance, Mike Rich, Lenny Lucas, Vince Kendrick and Duane Doel.

"I think John Reaves ranks with any quarterback in college football. He was our most impressive player in the spring and handles the team with maturity and judgement. He is a Heisman Trophy candidate.

"We play a very difficult schedule and it will be demanding on us. We will need all the depth we can get to run through Mississippi State, Alabama, Tennessee, LSU and FSU in a row, then have only two weeks before meeting Auburn and Georgia back-to-back."

While not picking up much weight along the way Dunn has, none-the-less, moved up the coaching ladder rapidly. He joined Coach Dickey's original Tennessee staff in 1964 as an offensive assistant, has been in charge of the Vol offense the past four seasons. Knotts joining Coach Dickey's staff came in 1965. He took over the defense following the 1966 season and his troops have been among the nation's best the past few seasons.

There are many bright moments about Lindy Infante's playing career at Florida, great individual games and being a Gator captain being two of these.

The highlight, however, has to be his brilliant performance against Georgia Tech in 1960, capped by a fourth-down touchdown run with 17 seconds remaining which put the Gators in position to go for two and win, 18-17.

MEET THE GATORS

Captain
Tommy Durrance
No. 33

THOMAS LOUIS (Tommy) DURRANCE... Tailback
...6-0...203...Sr...21...2VL...Daytona Beach...
Leading Gator rusher the past two seasons, carrying a total of 356 times for 1315 yards and 18 touchdowns rushing...Excellent pass receiver who has caught 46 for 503 yards and six scores...All-SEC as a sophomore, he broke school scoring record with 110 points and became only the second man in SEC history to score over 100 points in one year...Excellent speed (4.6 in 40), moves and balance, he has knack of bouncing off would-be tacklers and going on his way...Extremely good blocker...Has been one of the top leaders on the Gator team since his freshman season...Nickname, appropriately, is "Touchdown Tommy"...He is Vice-President of an asphalt firm in Daytona Beach..."I think Tommy is one of the finest all-around running backs in the country," says his coach, Doug Dickey.

Co-Captain
Harvin Clark
No. 38

CARROLL HARVIN (Harvin) CLARK... Defensive Back
...5-11...182...Sr...21...2VL...New Smyrna Beach...
Starter at cornerback for most of his two years on the varsity...Has intercepted five passes the past two seasons, two as a sophomore and three more in 1970...Good speed, exceptional quickness...First kickoff return of his career came as a sophomore against Kentucky, when he took the game's opening kickoff and went 96 yards for a score...Father, Carroll Clark, was once a professional boxer...Hobby is reworking old cars, at which he is an expert.

Co-Captain
John Reaves
No. 7

THOMAS JOHNSON (John) REAVES... Quarterback
...6-3...207...Sr...21...2VL...Tampa...Nation's leading passer over the past two seasons, he is within 2100 yards of becoming collegiate football's all-time passing king and 2605 yards of becoming the all-time total offense leader. Thus far he is averaging 2722.5 yards per year passing and 2641.5 in total offense...Holds 11 SEC passing records for game, season or career and is tied for two more...Holds 4 SEC total offense marks for game, season or career...All-Time Florida leader in total offense in every category and holds virtually every school passing record, breaking the marks set by 1966 Heisman Trophy winner Steve Spurrier...Broke SEC single season total offense record set in 1942 by Georgia Heisman Trophy winner Frank Sinkwich... "John is a super quarterback because he has great talent for throwing the football, short or long, is big enough to see over a defensive line and take punishment, studies the game, is a leader and has remarkable poise under pressure," says Gator head coach Doug Dickey. "We believe if we can keep the game close until the fourth quarter, John will win it for us most of the time..." This is proven correct as, in games which were still to be decided in the fourth quarter during Reaves' two years, the Gators are 11-1-1... Sam Huff, New York Giants' scout, calls Reaves "The best pro prospect I've ever seen as a quarterback. I've never seen a college quarterback with more potential. Reaves throws the ball with more distance, accuracy and authority than any quarterback I've seen in college. He reads defenses better than any college quarterback I've ever come across..." Reaves, a high school all-America at Tampa Robinson, is a "B" student majoring in Marketing, plans to attend Law School after graduation... Dickey believes Reaves is a top Heisman Trophy candidate.

POSITION-BY-POSITION

WIDE RECEIVERS

Carlos Alvarez

No. 45

CARLOS (Carlos) ALVAREZ...5-11...187...Sr...21...2VL...Miami...Greatest receiver in Gator history, holder of eight Florida receiving records, seven in SEC...In 1969 he was the first sophomore to earn consensus all-America since Doak Walker of SMU in 1947...Two-Time Academic All-America...His knee injury prior to 1970 season put him at about 65 percent of full capability, still he led team in catches (44), Yards (717) and TDs (5), these figures being approximately half of 1969 totals of 88, 1329 and 12...Broke open Duke game with 72-yard punt return in 21-19 win, grabbed two John Reaves passes in final five minutes to beat Georgia, 24-17...His return to complete health is a vital factor in 1971 Gator hopes...Has many nicknames, such as "Cuban Comet" (he came to this country in 1960 from Cuba), "El Gato" (The Cat) and "Chico"...SEC & Gator Records held by Alvarez:
