University of Florida facts

Location	Gainesville, Fla. 32601
Enrollment	25,400
School Colors	Orange & Blue
First Year of Football	1906
Nickname	Gators
Conference	Southeastern
Stadium	Florida Field (62,800)

LOCATION

Gainesville is located in north-central Florida, about equidistant from the Atlantic Ocean and the Gulf of Mexico. It is 72 miles southwest of Jacksonville, 120 miles northwest of Orlando and 150 miles southeast of Tallahassee, capital of Florida.

HISTORICAL STATEMENT

In 1853 the foundation work of the present University of Florida was laid in Ocala when a small private school, East Florida Seminary, was opened. Florida Agricultural College was established at Lake City in 1883 and by 1905 six colleges were at least partially state-supported. With the passage of the Buckman Act in 1905, the University of Florida was established at Gainesville. There have been six presidents: Dr. Andrew Sledd (1905-09), Dr. Albert A. Murphree (1909-28), Dr. John J. Tigert (1928-47), Dr. J. Hillis Miller (1947-53), Dr. J. Wayne Reitz (1955-67) and Stephen C. O'Connell (1967-74), Dr. Robert O. Marston (1974-).

COLLEGES

The University's colleges are: Agriculture, Architecture and Fine Arts, Arts and Sciences, Business Administration, Dentistry, Education, Engineering, Health Related Professions, Jour-

nalism and Communications, Law, Medicine, Nursing, Pharmacy, Physical Education, Health and Recreation and University College. A College of Veterinary Medicine is being planned for the future. Schools are: Forestry and Graduate.

GENERAL INFORMATION

The University of Florida is one of the largest landgrant institutions in the South with a faculty of 2,500 and student body of more than 25,000. The physical plant is valued at \$210 million and includes more than 700 buildings on 2,000 acres.

In addition to numerous research projects in the various colleges, schools and divisions, the University has established a number of specialized laboratories. These agencies carry on continuous basic research in the fields of engineering, science, agriculture, forestry, business, economics, public administration, communications and statistics, making significant contributions to private industry and government research.

A broad program in medical education, research and patient care is being carried out in the University's J. Hillis Miller Health Center. Expansion totaling \$42 million will provide space in 1974 to house the College of Dentistry and to accommodate more medical and health related students.

RAY GRAVES

director of athletics

When Ray Graves stepped down as Head Football Coach at the University of Florida on December 30, 1969, he completed a decade unmatched by any previous Gator coach.

As Director of Athletics Graves provides the leadership to keep the UF athletic program in the position it attained during the 1960s, a period in which Gator athletic teams won a shade under 70 percent of their contests and captured the Southeastern Conference All-Sports Championship five times. His overall football mark of 70-31-4 is the best in school history.

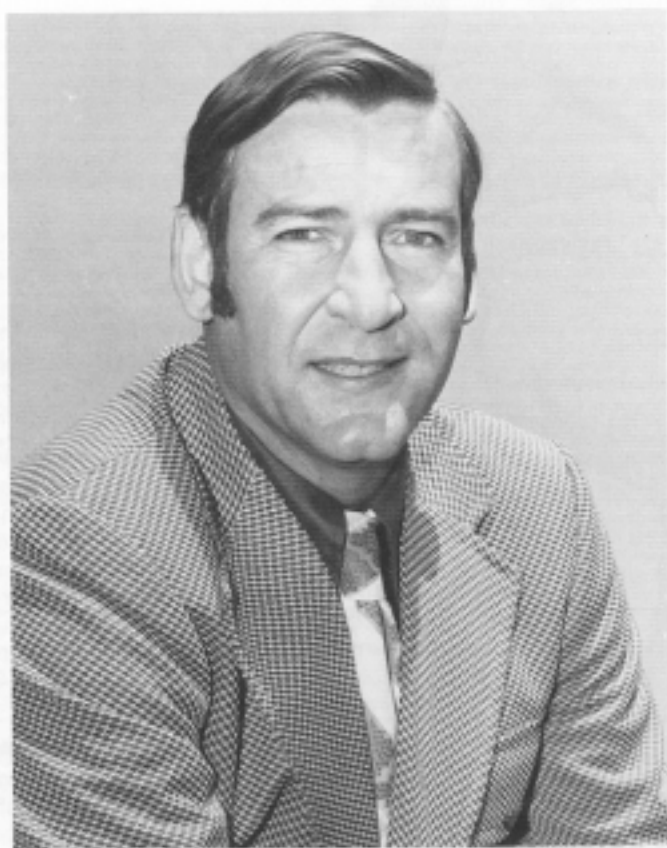

Florida athletic teams have won two NCAA golf titles and 16 SEC crowns during Graves' 14 years as Director of Athletics.

As a coach, Graves left many contributions to the University and to the game of football in general. He is recognized as one of the originators in perfecting the shifting defense now commonly called the "Monster Defense." Graves perfected this defense while coaching the defense at Georgia Tech in the 1950s.

Graves is married to the former Opal Richardson of Tazwell, Tenn. and they have three daughters, Becky (Mrs. Bill Shaw), Kathy and Beth.

douglas adair (doug) dickey

head football coach,

Doug Dickey, a 1954 graduate of the University of Florida, returned to his alma mater as Head Football Coach on December 30, 1969, bringing with him credentials as one of the nation's finest football coaches.

In ten seasons as a head coach, he has compiled a record of 69-36-5, had six bowl teams, two Southeastern Conference championship teams and was named the league's coach of the year two times.

Dickey, 41, began his head coaching career at the University of Tennessee in 1964, and after an initial rebuilding year his teams ran up five consecutive seasons of eight or more wins, the only team in the nation to accomplish this over this period.

Dickey has spent most of his life on college campuses, having been born in Vermillion, South Dakota, home of South Dakota State University, where his late father, Dallas Dickey, was a speech professor. The Dickeys later moved to Louisiana State University and then on to the University of Florida.

Dickey went to high school in Gainesville and attended the University of Florida, where he played quarterback and guided the Gators to the 1953 Gator Bowl crown.

His coaching career began in 1954 at St. Petersburg (Fla.) H.S., continued at Fort Carson, Colorado (1955-56), University of Arkansas (1957-63) and then to Tennessee and, eventually, Florida.

Dickey is active in community work. He has been state chairman for the Easter Seal Drive and the Cancer Fund Drive, as well as involvement in work with the Fellowship of Christian Athletes.

Dickey is married to the former Jo Ann Beville and they have four sons, Don 19, Danny 18, David 16 and Darrell 13, and a daughter, Jaren Ann 7.

Publicity Director
BERT LACEY**

Bert Lacey joined the Florida staff in August of 1970 after serving for three years as public relations director, assistant basketball coach and spring sports coach at Lake City Junior College. A native of Kokomo, Indiana, he attended Indiana Central College and Ball State University, receiving his B.S. and M.A. degrees in physical education. He is married to the former Janet Shafer of Odon, Indiana, and has three children, Ginger (12), Forrest (10), and Kelly (8).

**Equipment Manager
BUD FERNANDEZ**

The man in charge of the most difficult task of keeping the Gator football team in clean, top-notch equipment is a personable native of Pensacola, married to the former Billie Matthews. They have two children at home, Shelley and Timothy.

**Athletic Business
Manager
BOB MOORE**

Bob Moore, 39, joined the Florida staff in January of 1973, coming to the Gators from a position as Associate Director of Business Services with the State Board of Regents. Moore, who holds UF degrees in Economics and Accounting, is a native of West Palm Beach whose business and accounting background in Florida goes back to 1958. He is married to the former Judy McLeod of Tampa and they have five children, Jean and Rob (twins), 11; Juliette (10), Joe (5), and Luisa (4).

**Assistant Business
Manager
HARDEE McALHANEY**

McAlhaney brings a rich athletic background to the position which he now holds with the Athletic Department. A graduate of the University of Tennessee with a BS degree in Business Administration, McAlhaney was a four time All-American track man for the Vols in the middle distance events. He ran one leg of the Vol mile relay team which in 1969 won the NCAA championship event.

He came to Florida in 1971 to serve as an assistant track coach while obtaining a Masters degree in Business Administration and Finance. Upon completion of this degree, he joined the Florida staff with primary responsibilities for the athletic ticket operations. A native of Beaufort, South Carolina, Hardee is 27 years old.

gene ellenson executive secretary gator boosters

Gene Ellenson was appointed Executive Secretary of Gator football Boosters, Inc., in January of 1974 following 13 years as an assistant football coach and athletic department administrator at the University of Florida. He began his coaching career at Miami High School in 1948 and also coached at the University of Miami prior to joining the Gator staff in 1960. Most of the next 10 seasons he was in charge of the defensive team and his teams annually finished ranked among the nation's best.

Since 1970, he has been Executive Assistant Athletic Director. Ellenson attended the University of Georgia and graduated in 1943 with a degree in Journalism. He was a three-

year starting tackle for the Bulldogs and played on two bowl teams, the 1942 Orange Bowl and the 1943 Rose Bowl teams.

Ellenson, 53, was a much-decorated hero of the Battle of the Bulge during World War II.

Ellenson is married to the former Jeanne Center of Springfield, Mass. and has two children, daughter Donna, a former Gator cheerleader and UF graduate, and son Mark, a student at Buchholz High School in Gainesville.

Chief secretary in the Gator Boosters office, and one of the keys to its operation, is Mrs. Margaret Melton.

florida football network

The voice of the Fighting Gators, Otis Boggs, once again will bring to the listeners of more than 65 Florida stations the exciting play-by-play description of the Florida Football Gators. Otis, who was named the State's outstanding sportscaster in 1960, 1961 and 1962, has been at the microphone for the Gators for more than fifteen years. Assisting Boggs is Ted Covington, Lakeland insurance man and former radio station owner. Bob Leach, assistant director of the University Station, WRUF, is producer for the 11 game broadcasts which are also fed to the Southeast on the "Pick of Dixie" Network.

yon hall resident supervisors

Mr. & Mrs. Wilbur James, natives of Panama City, joined the Florida staff in 1972 as "parents" for the athletes living in Yon Hall. Mrs. James serves as housekeeper in the dormitory and Mr. James is responsible for the operational procedures of Yon Hall. They are very proud parents, also, of former Gator punter John James, who now punts for the Atlanta Falcons of the National Football League.

1974 gator grid outlook

The offense will be improved, the defense has some big shoes to fill and the overall outlook is encouraging in 1974 for Gator Head Coach Doug Dickey.

Starting with the good news for Florida fans . . . the offense was impressive in the spring and figures to be improved with a veteran, tested offensive line, several capable running backs and quarterbacks who can run the option and throw.

The importance of having this type of quarterback in the Dickey scheme of offense shouldn't be underestimated. In his career as a head coach Dickey's record when he has had the option, run-or-throw QB is 51-16-4.

"There's no question we are pleased with our situation at quarterback going into the season," Dickey says. "Don Gaffney is 5-1 as a starter and was virtually ineffective due to a back injury in the one we lost, the Tangerine Bowl.

"Jimmy Fisher is a fine young prospect at this position, as are David Wright and Cleaver Hayling. I think we can get the job done at this position."

Dickey is also pleased with an offensive line which is now well-seasoned. Sophomores played most of the time last year and they have now grown up and have the experience of that year under their belts.

The running backs are solid with veterans Jimmy DuBose, Larry Brinson, James Richards, Thom Clifford and defensive-back-turned runner Wayne Fields. A name to note here, too, is

Vince Kendrick (20) and Nat Moore (33) leave Big Shoes to Fill.

sophomore Robert Morgan.

The major offensive questions arise around the wide receiver corps which includes the league's best, Lee McGriff, but no other proven performers. This situation is up in the air going into the season.

The Gator defense, best in the Southeastern Conference in 1973, had some big holes knocked in it by graduation which took tackles John Lacer and David Hitchcock, end Ricky Browne and safetyman Jim Revels.

All four were three-year starters, Browne and Revels were both All-SEC and Gator coaches thought Lacer and Hitchcock would have been, too. The pair of tackles made more big plays than any in memory for the Gators.

Sophomore Darrell Carpenter and senior Clint Griffith figure to replace Lacer and Hitchcock but there is no depth in this vital area. Junior Joe Allen moves from linebacker to replace Browne at end and the secondary could shape up a variety of ways but will include people like

SEC's top receiver, Lee McGriff, and Coach Doug Dickey.

TOP NEWCOMERS — DT Darrell Carpenter, QB Jimmy Fisher, DBs Alvin Cowans and Henry Davis

ALL-STAR CANDIDATES — LBs Ortega and Cameron, DE Kendrick, SE McGriff, OT Parker and OG Lawless

Preston Kendrick (90) and Glenn Cameron, a pair of Gator All-Star candidates, get ready to sack Miami's Quarterback in 1973 action.

Alvin Butler, Randy Talbot, Tyson Sever, Robby Ball, Alvin Cowans and Henry Davis in some fashion . . . although not all at the same time, darn it.

Fields, also, could wind up in the secondary some of the time.

The kicking game is somewhat questionable. Punting and punt coverage are good with veteran

Buster Morrison, who averaged 40.7 per kick last year and put them up high where they could be covered.

The Gators were not well-endowed in the field goal department in 1973, hitting only 5x16. Dickey hopes to see this average improved with three candidates for the job, freshman Berj Yepremian, sophomore David Posey and junior John Williams.

With a tough defense headed by linebackers Ralph Ortega and Glenn Cameron and defensive end Preston Kendrick, an improved offense with a solid line of scrimmage and a solid kicking game the Gators could be formidable opposition for all 11 opponents in 1974.

So, the questions are: 1—Placement kicking game, 2—Defensive interior, 3—Wide receivers other than McGriff.

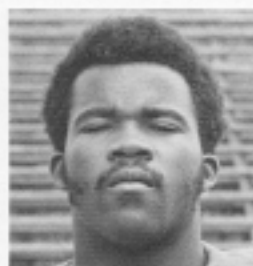

The answers here will go a long way toward determining just how far the '74 Gators travel in the Southeastern Conference race in which the schedule is favorable for a change.

"Miller recalls christening of UF teams as 'alligators'"

"A Jacksonville lawyer 'christened' the University of Florida's football team 41 years ago when he gave a pennant-designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

"Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University of Gainesville had fielded its first team.

"Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Phillip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

"While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized, the new school had none.

"Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. 'I had no idea it would stick, or even be popular with the student body,' Miller said. 'We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term.

"The Michie manager complicated the 'christening' when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia.

"The first appearance of the alligator emblem, Miller recalled, was in his father's Gainesville store in 1908. The Michie firm had supplied

'Miller's' with the blue banners measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head.

"With the first display of the new banners and pennants in Gainesville, the name 'Alligators' to describe the football team 'caught on' Miller recalled and, now contracted to 'Gator.'

fergie ferguson award

The Forest K. (Fergie) Ferguson Award is given in memory of one of Florida's finest athletes, one of the great all-time ends to wear the uniform of the Fighting Gators. The Award is made annually in the form of a beautiful trophy, which remains in the permanent possession of the University of Florida, and is given to the football player selected as the Gator's most valuable senior each year. The winning player is announced at the annual spring banquet, and he is then invited to return to the campus to receive the award at the following Homecoming.

First to win the award was Malcolm Hammack, outstanding fullback on the 1954 eleven. Others were Center Steve DeLaTorre of the 1955 squad, and Larry Wesley, tackle on the 1956 team, Jim Rountree, 1957 halfback, Jimmy Dunn, 1958 quarterback, Asa Cox, 1959 guard, Pat Patchen and Vic Miranda, 1960, Jim Beaver in 1961, Sam Holland in 1962, Jimmy Morgan and Hagood Clarke in 1963. Larry Dupree in 1964, Charles Casey in 1965, Steve Spurrier in 1966, Richard Trapp in 1967, Guy Dennis and Larry Smith in 1968, Steve Tannen in 1969, Jack Youngblood in 1970, John Reaves in 1971, Fred Abbott in 1972, and David Hitchcock in 1973.

About Fergie Ferguson

Fergie came to Florida in the fall of 1938 after having been a star end for the Stuart (Fla.) High School. He became a starting end for the Gators as a sophomore, and from that time wrote several records into the books. Fergie was also a track and boxing star, and his javelin throw of 203 feet, 6½ inches won him a National AAU championship in 1942. Fergie became a second lieutenant in the U. S. Army, and was severely wounded in the Normandy landing of 1944. He so distinguished himself that he was awarded the nation's highest medal for gallantry in action. He died of war wounds ten years after the landing.
