1983 GATOR FOOTBALL

Quarterback Wayne Peace — Last year he established a new NCAA single season record for completion percentage (70.73%). He is also the nation's leading returnee in passing efficiency.

Charley Pell — He has led Florida to three consecutive bowl appearances. Over the last three years, the Gators have averaged nearly eight wins per season against schedules that ranked among the nation's toughest.

Linebacker Wilber Marshall — Last year he became just the fourth non-senior in Florida history to garner first team All-American honors. He was also the only junior named as a finalist for the Lombardi College Lineman of the Year Award.

MEDIA AND PRESS BOX INFORMATION

The University of Florida Athletic Department is very pleased to supply this preseason information publication on the 1983 Florida football team and program. We hope that it will answer many of your questions throughout the next few months. We sincerely appreciate your tremendous interest in the Florida football program and we hope to do all we can to meet your needs throughout the course of the coming season. This guide will be supplemented with weekly materials throughout the year. The following information should be helpful in the event you are assigned to cover the Gators at Florida Field this year.

ENTRANCE TO PRESS BOX: Enter the Press Box via the Press Elevator that is located midway at the base of the West Stands (press box side of the field). This elevator will go to all levels of the press operation. The "Press Will Call Window" will be located in the press elevator lobby at street level. We are currently undergoing construction designed to provide the ultimate in working press facilities so please bear with us. All construction should be completed in time for the 1984 season.

PRESS BOX LEVELS: There are seven levels in the Florida Field Press Box: 1) President's Deck which houses a lounge for the University President and his guests; 2) Bull Gator Club; 3) Working Press Deck - print media; 4) Coaches Booths, Television Networks, Home and Visiting Radio Networks; 5) Photo Deck; 6) Luxury Box Level; 7) Luxury Box Level.

WORKING PRESS DECK: This level is reserved for print media, and statistical and scoreboard operations. **Telecopier Service** is available on a first-come first-serve basis. We suggest that you let us know in advance what your needs in this area might be on game day. **Telephone** orders should be placed directly with Southern Bell in Gainesville. Contact Norm Carlson in the SID office regarding information and data on shared phones or reduced-cost pro-rata arrangements. We strongly urge you to make sure your phone needs are met prior to game day. The SID Office phones are used for in-game and post-game reports as well as handling the telecopier services thus limiting their availability to the media.

SIDELINES: The University of Florida follows NCAA and SEC rules regarding media representatives on the sidelines. Photographers are not permitted to shoot between the 30 yard lines and they must wear an armband at all times. No credentials will be issued to free-lance photographers, cut-line writers, equipment carriers, or radio station representatives except for the two originating networks.

CREDENTIALS: All members of the media covering the game in a working capacity must seek appropriate credentials in advance through Norm Carlson. We would appreciate receiving these requests as early as possible. Requests for **working** space in the press box and photo passes for the sidelines will be honored from Sports Editors of DAILY Newspapers and Sports Directors of Television Stations ONLY. Due to a lack of working space, credentials for radio stations are limited to immediate Gainesville area stations and the two broadcast network crews doing the game. Any radio station seeking in-game and post-game reports can receive them by calling the SID Office in advance to make proper arrangements with our staff. Request for working credentials must be made in advance **in writing** to Norm Carlson. Spouses, dates, non-workers, and anyone 16 years of age or younger, are not permitted in the press box. Violators will not be tolerated.

SIDELINE CREDENTIALS: Media representatives with sideline credentials must report to the Press Elevator Lobby prior to the game. When you present your credentials, a sideline armband will be issued at that time. Your credential will not gain admittance to the sidelines. You must have an armband.

PRESS BOX SERVICES: Play-by-play, complete halftime and final statistics, coaches quote sheet, defensive stats, and game notes are all regular services on game day. Upon your arrival, you will receive an extensive press folder with game program, flip-card, updated statistics, biographical sketches, and game-day notes. Coach Pell will conduct a conference in the media room in the south endzone 15-20

minutes after the game. His conference can also be heard via an amplified phone hookup in the Press Box. The opponent coach will conduct his press conference outside the opponent locker room located through the southeast tunnel. Florida's SID staff will begin to escort you to the proper areas with around five minutes to go in the game.

PARKING: Media parking is located on Fleming Field, just outside the north endzone off of University Avenue. You should request your parking credential at the same time you request your game day working credential. If time permits, both of these credentials will be mailed. If time doesn't permit the parking credential to be mailed, you will have to pick it up at the Press Box Elevator Lobby.

Previewing The 1983 Gators

Florida heads into a schedule in 1983 which appears to be more difficult than last year's, which was rated the third-toughest in the nation. There are some personnel questions which are still to be answered, but Coach Charley Pell and his staff are confident these answers will be forthcoming by the Sept. 3 opener against Miami.

The chief question which must be answered involves the defensive interior. Two positions on the first unit are set with senior tackle Roy Harris and junior nose guard Tim Newton, both of whom are all-star candidates. Pell's concern is over who will be the other starting tackle and where will the depth come from in the middle of the line.

Foremost among the candidates are tackles Ricky Williams, Greg Cleveland, Alton Jones, Keith Williams, Melvin Ellison and Larry Douglas, and nose guards Don Tinny and Alonzo Mitz. The progress of these seven linemen should be a major factor in how good the defensive unit can be in 1983.

Florida has a chance to be the best it has been at linebacker since Pell came to the Gators in 1979. All-American Wilber Marshall, the only junior named as a finalist for the Lombardi College Lineman of the Year Award last fall, anchors the unit and will play both inside and outside linebacker. He will be joined inside by junior college transfer Mark Korff and senior Fred McCallister, who are dead-even in a battle for starting honors.

Sophomores Alonzo Johnson and Ron Moten head a talented crew of outside linebackers which also includes junior Pepper Downie, sophomores Leon Pennington and Walter Byrd and walkon Roland Cummings.

The secondary has experience with seniors Tony Lilly (free safety) and Randy Clark (corner) along with junior Roger Sibbald (strong safety). If senior corners Bruce Vaughan and Vito McKeever are completely over injuries the secondary will be much improved. Young players who figure heavily in plans include sophomores Vernell Brown, Patrick Miller, Victor Bradley and Curtis Stacey, along with junior Ricky Easmon.

Offensively, Florida will be able to throw the ball with the best of college attacks. NCAA record-setting passer Wayne Peace returns for his senior year at quarterback and he has a talented corps of receivers, headed by Dwayne Dixon.

Coach Pell has been concentrating on building a running game and results are beginning to show with the 1983 Gators fielding their best set of runners of the Pell era. Tailbacks Neal Anderson and Lorenzo Hampton team with sophomore fullback John L. Williams, who appears headed for stardom, to provide a potent punch. Sophomore Joe Henderson backs up Williams and is another top-flight player.

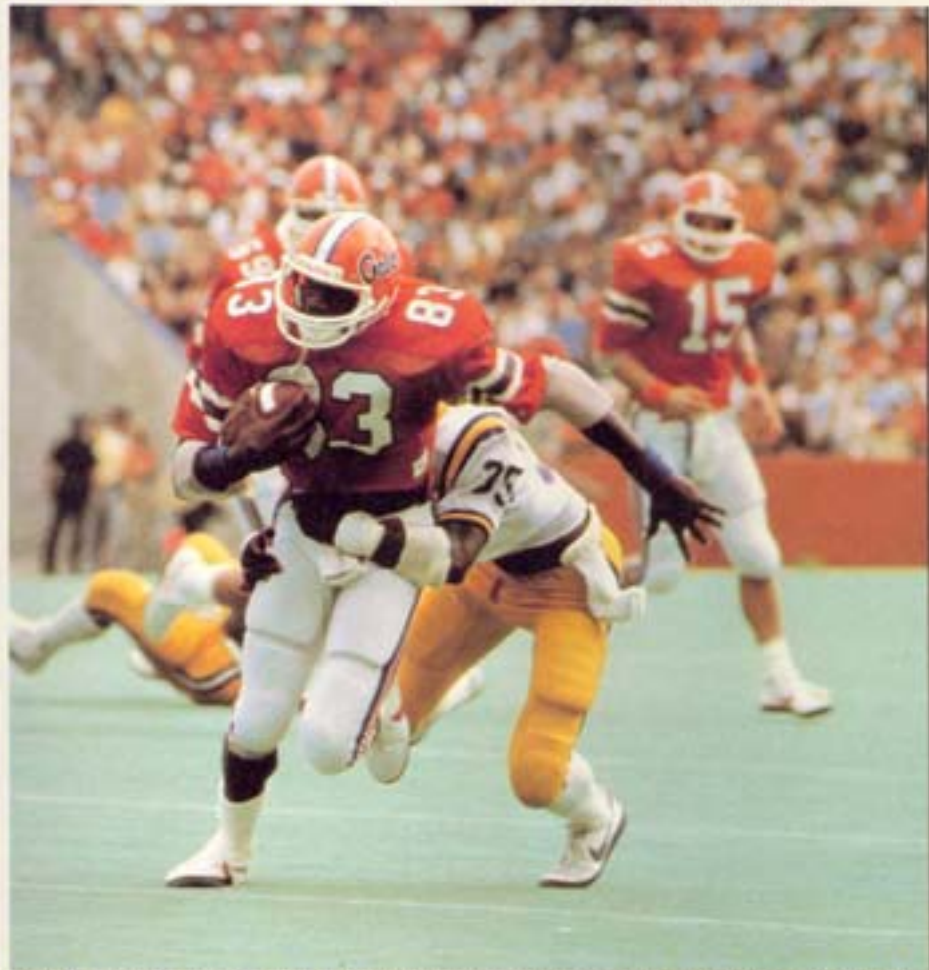

Tight ends Bob Vitello, Tom Peddie, Bob Kurzu and Rodney Jones will battle for the honor of replacing the

graduated Mike Mularkey and Chris Faulkner. Jones and Kurzu are coming off injuries. Freshman Walter Odom could figure in the scrap.

The offensive line is good, a mixture of experience and talented young players. Guards Buddy Schultheis and John Hunt are all-star candidates, as is tackle Lomas Brown. Scott Trimble holds down the other tackle slot and junior Phil Bromley is at center.

Ray Criswell, an outstanding punter as a freshman a year ago, is in a battle with transfer David Nardone. Florida will be solid here, and at placekicker with either Bobby Raymond or Chris Perkins.

With a schedule including five bowl teams plus Southern California in Los Angeles, Pell knows his Gators had better be solid in every area.

Wide Receiver Dwayne Dixon, called "the most underrated receiver in the SEC," by Charley Pell last fall, should not go unnoticed this season. Dixon caught 45 passes last year (the most for a Florida receiver since 1969) and was named the MVP of the Bluebonnet Bowl after grabbing eight passes for three TD's.

"When watching Wilber Marshall, I'm reminded of two outstanding linebackers, who in a short period of time, have made a very sizeable impact in the NFL. I'm speaking of Lawrence Taylor of the New York Giants and Hugh Green of the Tampa Bay Bucs. He is an extremely intense player, whose speed and agility are exceptional for someone his size." — Gil Brandt, Dallas Cowboys.

Here is a closer look at the Gators, position-by-position:

OFFENSE:

RECEIVERS: Depth and a consistent long-distance threat are priority items, but Dwayne Dixon, one of the nation's best wide receivers, returns for his senior season. Dixon (6-1, 207), was Florida's leading receiver in 1982 with 45 catches and set a Bluebonnet Bowl record with three TD receptions. The remainder of the candidates for playing time at wide receiver only caught 12 passes between them in '82 with Gary Rolle the top man at nine. Rolle (5-9, 170), opens practice on the first unit, but is in a good battle with Bee Lang (5-8, 168) for a starting job. Others in the wide receiver picture are Ray McDonald (5-11, 180), Eric Anderson (5-10, 165), Linzey Smith (6-2, 197), Brett Wiechmann (5-10, 175) and Eric Hodges (6-0, 185). McDonald had an excellent spring and could challenge for a starting job. Tight end competition is intense with junior college transfer Bob Vitello (6-3, 220) and sophomore Tom Peddie (6-2, 210) heading the group. Bob Kurzu (6-2, 212) and Rodney Jones (6-2, 235) are injured players whose return to full health would be a big boost at this position.

OFFENSIVE LINE: A solid area in the spring with tackles Lomas Brown (6-4, 275) and Scott Trimble (6-5, 290), guards John Hunt (6-4, 264) and Buddy Schultheis (6-2, 255) and center Phil Bromley (6-3, 248). If depth develops this could be a strong suit for the Gators.

QUARTERBACKS: Wayne Peace broke an NCAA passing accuracy standard in 1982 by completing 70.73% of his attempts, and moved into second place in most UF school passing and total offense charts. Peace (6-2, 215) now takes aim on marks currently held by former Gator great John Reaves. Florida is solid with Peace at the helm. He has led the Gators to three consecutive bowl games and thrown for over 5,100 yards in the process. The question for Pell and his staff is who will back up Peace this season following the graduation of Bob Hewko. This battle is wide-open with Dale Dorminey (6-0, 187) having a slight edge entering fall drills. Others very much in the fight are Donnie Whiting (6-9, 183), Fred Harrell (5-10, 180), Derrick Cruddup (6-3, 190) and Pat Pinner (6-4, 200).

Guard Buddy Schultheis, along with tackle Lomas Brown and guard John Hunt, rank among the SEC's best at their respective positions.

RUNNING GAME: The running game in 1983 could be the best of the Pell years at Florida. Neal Anderson (5-11, 197) and Lorenzo Hampton (5-11, 210) were both impressive at tailback in the spring and Greg Bain (5-11, 188) shows promise there. The loss of the nation's finest fullback, James Jones, was tempered somewhat in the spring by the sensational play of John L. Williams (5-11, 215), an extremely talented athlete who adds another long distance threat to the running game. He is ably backed by Joe Henderson (6-0, 207). In 1982 the Gators got more out of their running backs than they have in many years with Hampton rushing for 664 yards and six TDs on 128 carries, Anderson gaining 449 yards and six TDs on 82 attempts and Williams, who missed three games with a pulled hamstring, still gaining 404 yards and four TDs on 73 attempts. The 1983 figures could be better.

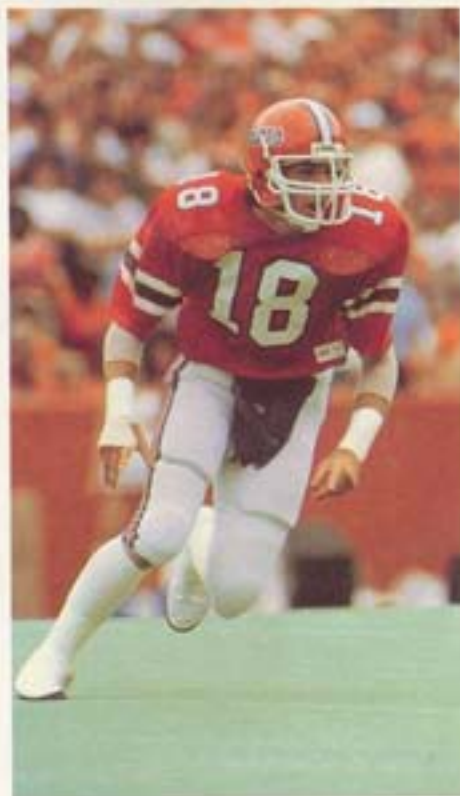

DEFENSE

Six starters return from the 1982 defensive unit which ran into excessive injuries, forcing 24 different starting players during the course of the season and Bluebonnet Bowl game. Development of depth is a key priority in '83.

DEFENSIVE LINE: Nose guard Tim Newton (6-0, 270) and tackle Roy Harris

are standout players. Harris (6-2, 256) has steadily developed into one of the better defensive linemen in the SEC, while Newton could become a dominating interior lineman. There is a scrap for the other starting tackle spot with Ricky Williams (6-0, 265) opening fall drills on the top unit, but closely pursued by Greg Cleveland (6-4, 270), Alton Jones (6-1, 248) and Keith Williams (6-4, 248). Other tackles who will help provide depth include Melvin Ellison (6-4, 237) and Larry Douglas (6-0, 250). Newton's backup men are Don Tinny (6-3, 240) and Alonzo Mitz (6-3, 240).

OUTSIDE LINEBACKERS: The return of Alonzo Johnson (6-3, 225) and progress of young Ron Moten (6-0, 215) have given this area a solid look on the first unit. Depth should be there with Pepper Downie (6-2, 215), Leon Pennington (6-0, 215), Walter Byrd (6-3,

Free Safety Tony Lilly is one of the conference's premier defensive backs.

Tim Newton, the only defensive lineman to start all eleven games last season, returns at middle guard

217) and Rowland Cummings (6-3, 215). Pennington will be a swing player, performing at both outside and inside linebacker.

INSIDE LINEBACKERS: All-American Wilber Marshall (6-1, 230) anchors this position, but he will also play outside linebacker. As Coach Pell likes to say, "Wilber could play any position on a Chinese ice hockey team and be a standout." There is a battle for starting honors opposite Marshall with Fred McCallister (6-1, 240) and junior college transfer Mark Korff (6-0, 225) starting fall drills all even. Depth will be provided by Steve Stipe (6-3, 207), Doug Drew (5-8, 190) and Pennington.

DEFENSIVE SECONDARY: The return to full health of Bruce Vaughan (5-11, 179) and Vito McKeever (6-0, 180) would make a big difference in the secondary. Free safety Tony Lilly (6-0, 195) is a tested veteran, strong safety Roger Sibbald (6-0, 196) is a proven winner and corner Randy Clark (6-0, 195) intercepted six passes last year. Patrick Miller (6-1, 208) has been switched to the secondary from outside linebacker and will be a factor along with corners Vernell Brown (5-11, 180), Ricky Easmon (5-10, 162), and Curtis Stacey (5-10, 180) and free safety Victor Bradley (6-1, 180).

KICKING GAME: Ray Criswell was one of the nation's finest freshman punters a year ago with an average of 42.8 on 48 punts. He is in a tight battle for the job this time around, however, with walkon transfer David Nardone. Bobby Raymond came on in the Bluebonnet Bowl, replacing the injured Jim Gainey, and was perfect with 3x3 PATs and one field goal. He, too, is facing a struggle to claim the job. Transfer Chris Perkins was impressive in the spring and has a strong leg.

THE 1983 SCHEDULE: Florida's 1982 schedule was ranked second-toughest in the nation by the *New York Times* computer and third-toughest by the NCAA at the conclusion of the season. 1983 might be even tougher. Florida will face five teams that ended the 1982 season ranked in the nation's top 15 by Associated Press—Georgia, LSU, Florida State, Auburn and Southern California. Only the FSU game will be played at Florida Field. The Gators face seven teams which won seven or more games in 1982 (the above five plus Miami and Vanderbilt), and five bowl teams (Georgia, LSU, Vanderbilt, Auburn, FSU).

The tailback tandem of Neal Anderson (top) and Lorenzo Hampton (bottom) rushed for 1,113 yards last fall.

CHARLEY PELL COMMENTS ON THE 1983 SEASON —

"Defensively, the key is finding the right combination in the middle of the line. Offensively, we would like to be able to run the football when we want to run it. We have strong competition in the kicking game and no matter who wins the jobs we will be good in that area.

"Up front on defense we feel good about Roy Harris at tackle and Tim Newton at nose guard. We need somebody else to step forward and win the job at the other tackle spot. These three positions are really the key to what we can accomplish as a defensive unit.

"Ricky Williams starts fall practice as the other starting defensive tackle, but we expect good competition from Greg Cleveland, Alton Jones and Keith Williams.

"Full recovery from injuries by Bruce Vaughan and Vito McKeever would be a tremendous lift to our secondary and the defense. We have some solid players back there in Tony Lilly, Randy Clark and Roger Sibbald and some promising young ones like Ricky Easmon, Vernell Brown, Patrick Miller, Victor Bradley, and Curtis Stacey.

"Our linebacking could be the best we've had. Wilber Marshall is an All-America player, whether he's playing inside or outside linebacker. Alonzo Johnson, Ron Moten, Pepper Downie and Leon Pennington can play outside. Mark Korff impressed us this spring inside, and Fred McCallister is a senior who might start.

"Wayne Peace and Dwayne Dixon played in the spring like rookies trying to make the team. We think they are the best in the conference at their positions. In our opinion Dixon is the most underrated wide receiver in the country. He is so good at everything he does; running routes, catching the ball, blocking for others or providing leadership. Peace has proven he can throw the football with any college quarterback around.

"We lost a great fullback in James Jones, but what a spring John L. Williams had. He has the potential to become a truly great player. Joe

Henderson is a quality number two fullback. Neal Anderson and Lorenzo Hampton give us a good situation at tailback.

"We are looking for a backup quarterback and the race is wide open between junior Dale Dorminey, sophomore walk-on Fred Harrell and freshmen Donnie Whiting, Derrick Crudup and Pat Pinner.

"The offensive line continued to improve this spring and the search there is for more depth. Lomas Brown, Scott Trimble, John Hunt, Buddy Schultheis and Phil Bromley are the top hands going into the season.

"We are not disappointed or discouraged about the tight end situation, but it is not easy to replace players of the caliber of Mike Mularkey and Chris Faulkner. Perhaps we have gotten a little spoiled the last three years with those folks.

"Junior college transfer Bob Vitello begins the fall as number one at tight end. Sophomore Tom Peddie is very

close and we hope Bob Kurzu and Rodney Jones can bounce back from injuries and get in the scrap. Sophomore Terrio Welch was having an outstanding spring until he had knee surgery, and his status for 1983 is doubtful.

"We thought Ray Criswell was one of the finest freshman punters in the country in 1982. He is being pushed for the starting job by David Nardone, a transfer from Maine. Bobby Raymond did a perfect job in the Bluebonnet bowl, but he is being pushed by Chris Perkins at placekicker. We are fortunate to have such a competitive situation at both of these positions.

"We are going to have to be a good football team with the schedule we face. We play the league's top three pre-season choices for the title. (LSU, Auburn and Georgia) with two of these on the road and the other at a neutral site. Throw in Miami and FSU at home and Southern California and Mississippi State on the road and you have the making of a pretty tough assignment."

Director of Athletics— Bill Carr

Bill Carr, who assumed the duties of Director of Athletics at Florida on March 15, 1979, is fast gaining a reputation as one of this country's brightest and most capable athletic administrators.

Carr's philosophy regarding intercollegiate athletics and its administration is basic and to the point, much like the man himself. "The basic challenges today for intercollegiate athletics," states Carr, "are precisely those which have always faced it: leadership, formulating a philosophy, discussing values, establishing goals and objectives, and through competent, properly

motivated leadership, providing educational experiences for each student-athlete and spectator alike." Carr has addressed his position in just that manner.

When Carr assumed his duties, the University of Florida Athletic Association was faced with a financial deficit of over \$700,000 at the conclusion of the 1978-79 athletic calendar. Carr and his highly competent staff have eliminated that debt in four years, while orchestrating unparalleled growth for Gator athletics.

What is especially impressive to athletic administrators around the nation is the fact that Carr has been able to eliminate Florida's deficit while still providing dollars for capital improvements and numerous other projects that have put Florida's program back into national prominence.

Financial stability has been achieved while the O'Connell Center has been completed, an \$11 million expansion of Florida Field has taken place, administration staff and coaching staff positions have been increased, an impressive academic advisory staff for student-athletes has been assembled, the renovation of Yon Hall has been undertaken, and just this past spring Florida Field's Press Box began a two-year renovation and expansion. In short, over \$30 million dollars has been spent or committed for facility additions and improvements during the past four years. In addition, Florida became one of the first schools in the nation to meet compliance standards regarding Title IX.

Carr, 37, is a man on the move. He has improved the image of Florida athletics throughout the nation among its supporters as a result of his work in the area of alumni relations and fund raising. Gator Boosters, Inc. has increased in number by over 4,000 active members during Carr's four years at the helm. Funding from private sources has risen dramatically from \$600,000 in 1977 to over \$3 million during the 1982-83 academic year.

In short, Carr has conducted a whirlwind operational plan that has improved the Gator athletic program in every

phase. He has demonstrated competence in every facet of athletic administration while also displaying a high level of motivation and enthusiasm.

Carr has been well trained for the post he now holds. Following an outstanding playing career at Florida (All-American center in 1966), Carr has worked his way up through the athletic program as an assistant coach (1970-73), academic advisor (1972-74), and assistant athletic director (1976-79). During this time he also received his Masters Degree in Education and is now near completion of a Ph.D.

Carr was born in Gainesville on Nov. 29, 1945. He attended elementary school in Vero Beach, high school in Pensacola and graduated from the University of Florida in 1967 with a BA in Spanish. He earned his Masters in Education Administration from Florida in 1971, following service in Korea with the U.S. Army.

Carr is heavily involved in church and community affairs. He is an elder in the Community Evangelical Church and last year was named one of five "Outstanding Young Men" in Florida by the Florida Jaycees. Carr is married to the former Jan Jackson and they have four children: Jason (12), Scott (10), Julie (7) and recently born Christopher.

**RICHARD
GIANNINI**
**Associate Athletic
Director**

Richard Giannini, a 1966 University of Florida graduate, was named Associate Director of Athletics in 1979 after serving as Assistant Director of Athletics since 1978.

Second in command at the Gator helm, Giannini concentrates mainly on the external aspects of the organization. Under Giannini's direction are radio, television, promotions, sports information and fundraising.

Since his return to UF (Giannini served as Assistant Sports Information Director for four years following his graduation), he has spurred the growth of UF's television, radio and promotions revenues from around \$300,000 to its current level, which is in excess of \$1.5 million. He also played a key role in the growth of Gator Boosters, Inc., during a period in which annual contributions rose from \$600,000 to over \$3 million and season ticket sales rose from 38,000 to over 55,000. Most recently, he has served on the Southeastern Conference's television committee that has negotiated a multimillion-dollar basketball TV package that promises to be one of the biggest in college basketball history.

Following his first stay at UF, Giannini served as Sports Information Director, Director of Athletic Public Relations and Promotions and Assistant Athletic Director at Duke University from 1970 through 1976. In 1976 he was named Director of Marketing and Promotions for the NCAA, where he also served as the Executive Producer of the College Football Highlights Show aired on ABC-TV.

Giannini and his wife Gayle, have three daughters.

**WRIGHT
WATERS**
**Assistant Athletic
Director/Student
Life**

Wright Waters, who joined the athletic department in 1979 as academic counselor, was promoted to his present position as assistant athletic director in charge of student life in 1980.

Waters handles administrative supervision of the student life program at UF. He also serves as academic correspondent between Florida and both the SEC and NCAA concerning eligibility of student athletes.

Since coming to UF, Waters has been a driving force behind the improvement of the academic program and its progression, including the computerization of several aspects of the operation.

The Office of Student Life deals with the student-athletic transition from high school, Academic Advisement and Counseling, Career Development, and Job Placement.

Prior to coming to Florida, Waters served as the academic counselor at Southern Mississippi University. While at Southern Miss., Waters was also in charge of athletic equipment, the athletic dormitory, supervision of managers and trainers, interpretation of NCAA regulations, and served as an administrative aide to the athletic director and

head football coach.

Waters graduated from Livingston University in 1974, holds a Master's degree from that institution (1975) and did doctoral work at Southern Miss.

He and his wife Sara have one daughter, Ashley, born in 1979.

JEREMY FOLEY
**Associate Athletic
Director: Business
Affairs**

Jeremy Foley assumed his current position as associate athletic director in charge of business affairs this past May after a two-year stint as assistant athletic director. Foley's responsibilities include overseeing all financial interests connected with sports management and operations, specifically covering the athletic budget and financial planning for construction and renovation.

Foley is credited as being a major force in helping UF eliminate a three-quarters of a million dollar debt over the past four years. He has also been a key in the streamlining of the entire business operation.

Prior to his appointment as assistant athletic director in 1981, he served as ticket manager, from 1977-1981.

A native of Washington, D.C., Foley came to Florida as an intern in the athletic ticket and business offices after receiving a Master's degree in sports administration from Ohio University. He graduated from Hobart College in Geneva, N.Y. in 1974, where he also coached and scouted for the lacrosse team.

He is married to the former Benjie Floyd.

KEITH TRIBBLE
**Assistant Athletic
Director/Spring
Sports**

Keith Tribble was recently appointed assistant athletic director in charge of spring sports after serving as administrative assistant for two and one-half years.

In addition to his duties with spring sports, Tribble handles capital improvements for major maintenance operations. He oversees athletic facility renovation, team travel, scheduling of facilities and game operations as well as maintaining contact with spring sport coaches for scheduling, personnel, and budgeting.

In his position as administrative assistant, he was heavily involved with major football construction projects such as completion of UF's south end zone project, designing and overseeing construction of the new coaches' offices and the renovation of the press box including construction of the new luxury box facility.

A native of Miami, Tribble graduated from UF in 1977 with a degree in public relations and marketing. He was a four-year member of the Gator football team, lettering as an offensive lineman in 1974, 1975 and 1976. He plans to pursue a Master's degree in sports administration.

Tribble and his wife Terri reside in Gainesville.

NORM CARLSON
**Assistant Athletic
Director for Media
Relations**

Norman Gilbert (Norm) Carlson joined the Gator athletic staff in February of 1963 and is now in charge of media relations for football and basketball.

Following graduation from Florida in 1956 he was a sportswriter with the Atlanta Journal, 1956-59, Sports Information Director at Auburn University, 1959-63, and then came back to Florida as Sports Information Director. He served eight years on the NCAA public relations committee, is currently in his sixth year on the Board of Directors of the American Football Writers Association and is a member of the CoSIDA Hall of Fame.

He and his wife Sylvia have three children, son David and daughters Shannon and Misty. He has five children by a previous marriage, daughters Donya and Kerri and sons Doug, Reese and David.

MARILYN WEISS
**Assistant Athletic
Director for
Women's Sports**

Marilyn Weiss is entering her third year as the Assistant Athletic Director for Women's Sports at Florida. In the past two years, she has been instrumental in making the Lady Gator athletic program one of the top women's programs in the nation, with six of the eight teams nationally-ranked in the top 20 during the 1982-83 season.

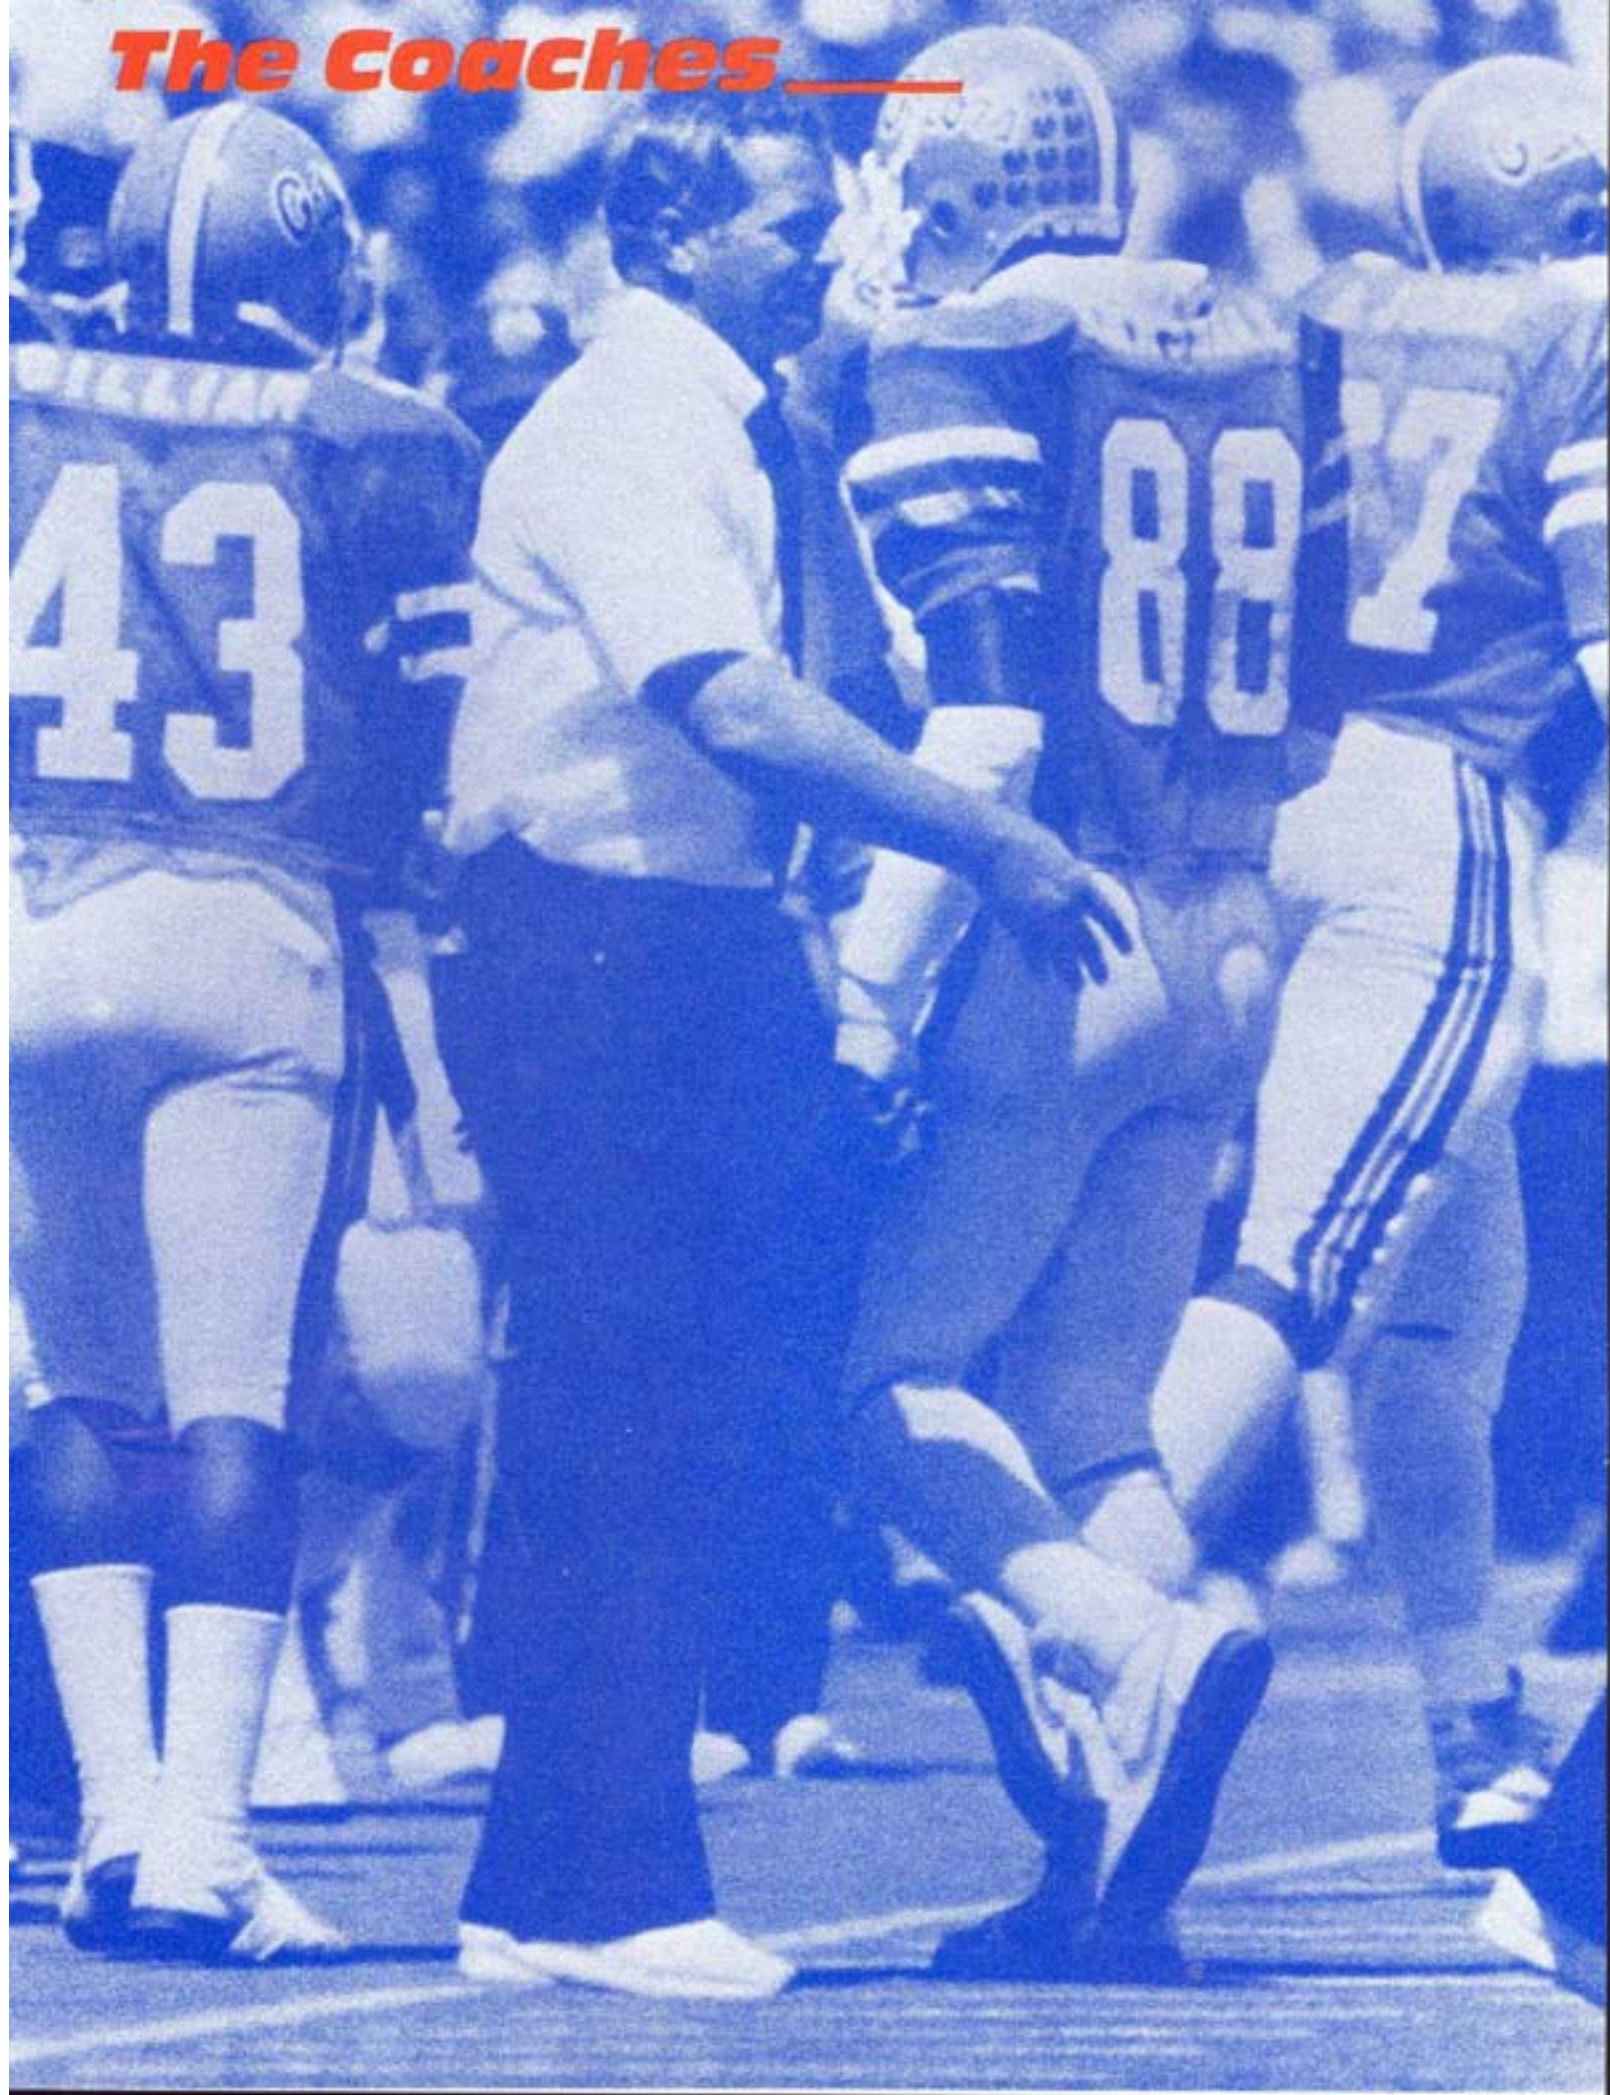

Under Weiss' guidance, Lady Gator teams have won two national championships - swimming and diving (1982 NCAA) and gymnastics (1982 AIAW) - and more than 45 athletes have achieved All-America status.

Prior to joining the UF staff in July 1981, Weiss served as the Women's Athletic Director at Utah State for six years, where she guided the Aggies' program to eighth in the nation for all-around women's athletic performance among Division I schools. Utah State won three national championships in volleyball (1978 AIAW) and in fast-pitch softball (1980-81 AIAW) under Weiss' administration. In addition to her USU administrative duties, Weiss coached track for four years, basketball for three years and volleyball for two years.

A native of Texas, Weiss received a bachelor's degree from North Texas State in 1965 and earned her master's degree from Northern Colorado the following year. She is currently working on her doctorate degree from the University of Colorado.

Weiss is the current president of the Southeastern Conference Women's Athletic Council and formerly served in regional and national capacities for the now-suspended Association of Intercollegiate Athletics for Women, including her post as the Commissioner of National Championships. Weiss is heavily involved with the Gainesville community and holds positions on the Board of Directors of the Gainesville Girls Club, the Volunteer Action Center and the Police Athletic League.

The Coaches_____

CHARLEY PELL

HEAD FOOTBALL COACH

lege football annuals. Florida went 8-4 that campaign, beat Maryland in the Tangerine Bowl, and finished the year ranked 19th in the nation. Those achievements, all outstanding in their own right, are put into an even more impressive light when one considers that they happened just one year after Florida went 0-10-1 in Pell's first year at the helm, a year in which an injury-riddled squad, playing a schedule that the NCAA rated the toughest in the nation, came close on numerous occasions to pulling off a big upset but always fell short.

Pell's 1980 contingent became the

first team in college football history to go winless in one season and then go to a bowl game the very next campaign. The NCAA considered the Gators' turnaround the third most impressive, from one season to the next, in college history. For his achievement, Pell was named SEC Coach of the Year by both AP and UPI. That marked the third time over a four-year period of time that Pell had garnered his conference's Coach of the Year honor. He received that distinction from the ACC in both his years at Clemson (1977 & 1978).

Pell continued to gain national respect for the Gator football program

Charley Pell has brought many assets to the Florida football program. Paramount among them, however, is consistency. In addition to bringing success on the field, as demonstrated by three consecutive bowl appearances, he has worked diligently to improve every aspect of the football program.

When Pell was named Florida's head coach on December 4th, 1978, he brought with him a reputation as a coach and administrator who got things done, and got them done quickly. He took over a Clemson program in 1977 that had won five total games during the previous two years. His first Clemson team in 1977 compiled an 8-3-1 mark and his '78 contingent posted a 10-1 record. Pell left Clemson at that time for a new challenge at Florida, knowing full well that the program he was departing was on the verge of becoming one of this nation's finest. The foundation that Pell built at Clemson has played a very big role in the Tigers' move to the top of collegiate football, a move that resulted in a 12-0 season and a national championship in 1981.

Pell is working his magic once again at Florida. Pell's second Gator team in 1980 is among the most storied in col-

The Pell Family (l. to r.): Charley, Carrick, and Ward.

in 1981. That contingent, one of the youngest in the nation with only two seniors among the 22 starters, compiled a 7-4 regular season record and played in the Peach Bowl. In 1982, Pell's club compiled an 8-3-0 regular season record which included wins over Miami, USC, Mississippi State, Auburn, and Florida State. All of those contingents were ranked in the nation's top twenty when they faced Florida. After the 27-17 win over Mississippi State, the Gators were ranked fourth in the nation, a spot that matched the all-time best ranking for a Florida unit. The Gator schedule was ranked as the third toughest in the nation by the NCAA. Once again, Pell capped the year off with a bowl appearance, a trip to Houston to meet Arkansas in the Bluebonnet Bowl. That marked the fifth time in the last six years that he has taken a team to a bowl game (Clemson appeared in the Gator Bowl in 1977 and 1978).

Pell, a hard-working man whose only speed is full-speed all the time, has done more than improve the Gators in the won-loss column. He has also played a very big role in improving the image of Florida athletes among its supporters. Pell has gone out to meet the people. He is a frequent speaker at Gator Club affairs around the state, and in fact, played a major role in the organization and development of the Gator Clubs. He visits every Gator Club throughout the state at least once every year.

His enthusiasm and hard work have paid huge dividends for the athletic department in general. Gator Boosters, Inc., a club formed to promote academic athletic interest, has grown by over 4,000 active members in the past three years and last year raised over \$3 million. Pell's hardwork in the background, as well as his success on the field, has also played a big role in the dramatic increase in season ticket sales. The Gators have now gone over

the 53,000 mark, a big increase from the 38,000 in Pell's first year at the helm in 1979.

Those who know Charley Pell are not surprised by his success. He has been a winner his entire life. The 42 year old native of Albertville, Alabama went to the University of Alabama as a 180-pound halfback who had played only one season of high school football. He wound up starting for three years for Bear Bryant at offensive and defensive tackle (1960-62) and was a member of the Tide's 1961 National Championship contingent. He also played in the Orange, Sugar and Bluebonnet Bowls.

He served as a graduate assistant at Alabama in 1964, was Defensive Line coach at Kentucky (1965-68), Head Coach at Jacksonville State (Ala.) (1969-73) Assistant Head Coach and Defensive Coordinator at Virginia Tech (1974-75), a position he also held at Clemson in 1976 before taking over the head reins in 1977.

At Jacksonville State, Pell's first coaching job, Pell inherited a losing team and turned it into a small college power which finished second in the nation in 1970 while posting a 10-0 record and beating Florida A&M in the Orange Blossom Classic. His overall record at JSU was 33-13-1, and he was Coach of the Year for the State of Alabama in both 1970 and 1973, and runnerup for Division II national honors in 1970. He left Jacksonville State in 1973 for other coaching experiences before taking over the Clemson program in 1977 and the Florida program in 1978. As at Jacksonville, Pell has turned around an ailing program and propelled it into national prominence.

Pell holds a BS degree from Alabama (1964). He married the former Ward Noel of Lexington, KY. on February 1, 1969 and they have a son, Carrick who was born March 1, 1970. Pell was born in Albertville, Alabama on February 24, 1941.

***Reviewing The
1982 Season***

1982 — Florida Met Many Challenges

Florida's 1982 football schedule, rated the most difficult in the Southeastern Conference, was approached as "three-seasons-in-one" by Gator Head Coach Charley Pell.

The "first season" was nationally-ranked Miami and Southern California, back-to-back opponents faced the first two weekends in September. Following an open date the Gators headed into the "second season" with consecutive SEC games against Mississippi State, LSU and Vanderbilt, followed by a Homecoming date with West Texas State.

The "third season" contained what is always the heart of Florida football. It starts with Auburn, followed by Georgia, Kentucky and Florida State. This year Tulane was thrown in on the road for good measure.

Pell knew his squad would have to peak early and attempt to maintain that peak through 15 weeks, three open dates and 11 dangerous opponents.

"That is very, very difficult," he said. "With our schedule it was the only way we could approach it, however, and our team gave everything they had to reach mid-season form by Sept. 4."

Florida reached it. The Gators put down Miami, 17-14, beating the Hurricanes when their Heisman Trophy quarterback candidate Jim Kelly was healthy and in the lineup.

Florida came from behind in the fourth quarter and got a sensational one-hand pass reception for a touchdown by All-SEC fullback James Jones to seal the victory.

Southern California was the next Top 15 foe and the Gators scored on another super TD catch, this one by wide receiver Spencer Jackson, then used the two minute offense to perfection, marching 98 yards and scoring right before the half on a 20-yard run by Jones. The defense, keyed by national lineman-of-the-week Wilber Marshall, held the potent Trojan running game to 84 yards, the lowest total of the seven seasons John Robinson had coached at USC.

This "first season" ended perfectly, 2-0 and Florida was ranked sixth nationally. However, it had started taking a toll on the Gators. Three-year starting cornerback Bruce Vaughan broke his

foot in the USC game and was lost for the season.

Following an open date the Gators started their SEC schedule against Mississippi State, bouncing the Bulldogs, 27-17. The next week they ran into a physical, fast bowl-bound team from LSU and went down, 24-13, losing starting defensive tackle Alton Jones with knee surgery the next day.

Florida's first road game came against Vanderbilt. Two of the top three defensive tackles didn't play, another (Roy Harris) didn't practice all week and Coach Charley Pell shuffled his defensive lineup against the pass-happy Commodores. It didn't work and Vandy held the Gators off to win, 31-29. The Gators returned home to rout West Texas State at Homecoming, 77-14, getting 100-yard-plus rushing efforts from tailbacks John L. Williams and Lorenzo Hampton.

The "third season" got underway two weeks later against arch-rival Auburn, which brought another nationally-ranked team to Gainesville and was leading the SEC at 3-0. Once again Florida showed an ability to come from behind, getting two field goals in the final three minutes, the last with five seconds left by Jim Gainey, to win, 19-17.

Florida's many peaks of the season were followed by a valley against

Georgia. The Gators turned the ball over three times in the first half, and failed to score from the one-yard-line on their fourth possession. Georgia jumped in front, 17-0, and Florida was forced to get out of their game plan. Everything that could go wrong for Florida, or right for Georgia, happened that day and the result was an unexpected 44-0 Bulldog win.

The character of the Gator team was tested. Could they bounce back on the road against Kentucky and Tulane? The answer started to appear in the bitter cold of Lexington when Florida scored the most points ever scored on Kentucky in Commonwealth Stadium and freshman tailback Neal Anderson, getting his first start, rushed for 197 yards and three TDs in a 39-13 win.

The Gators continued to rebound the following week in New Orleans, turning in a solid, if not artistic, performance to subdue an inspired Tulane team, 21-7, behind big plays by the defensive team and the running of freshman Neal Anderson, who scored all three Florida touchdowns.

Florida closed out the year in Tallahassee against favored Florida State, an explosive offensive team with some of the finest skill-position players in the country. It took a total team effort, a grinding ball-control offense, solid kicking and a stubborn defense to win, 10-7.

Although the defense lost starting tackles John Whittaker and Roy Harris with early injuries, superior play by linebacker Fernando Jackson and the rest of the defensive unit took up the slack. FSU's nationally-rated offense generated only 119 yards and no scores passing, completing only 11 of 30 with two interceptions. Meanwhile, second unit QB Bob Hewko sparked a Florida offense that controlled the ball over 20 minutes of the 2nd half. Hewko brought the Gators back from a 10-0 deficit. Jim Gainey converted on 22-yard field goal with just over 3 minutes left for the winner.

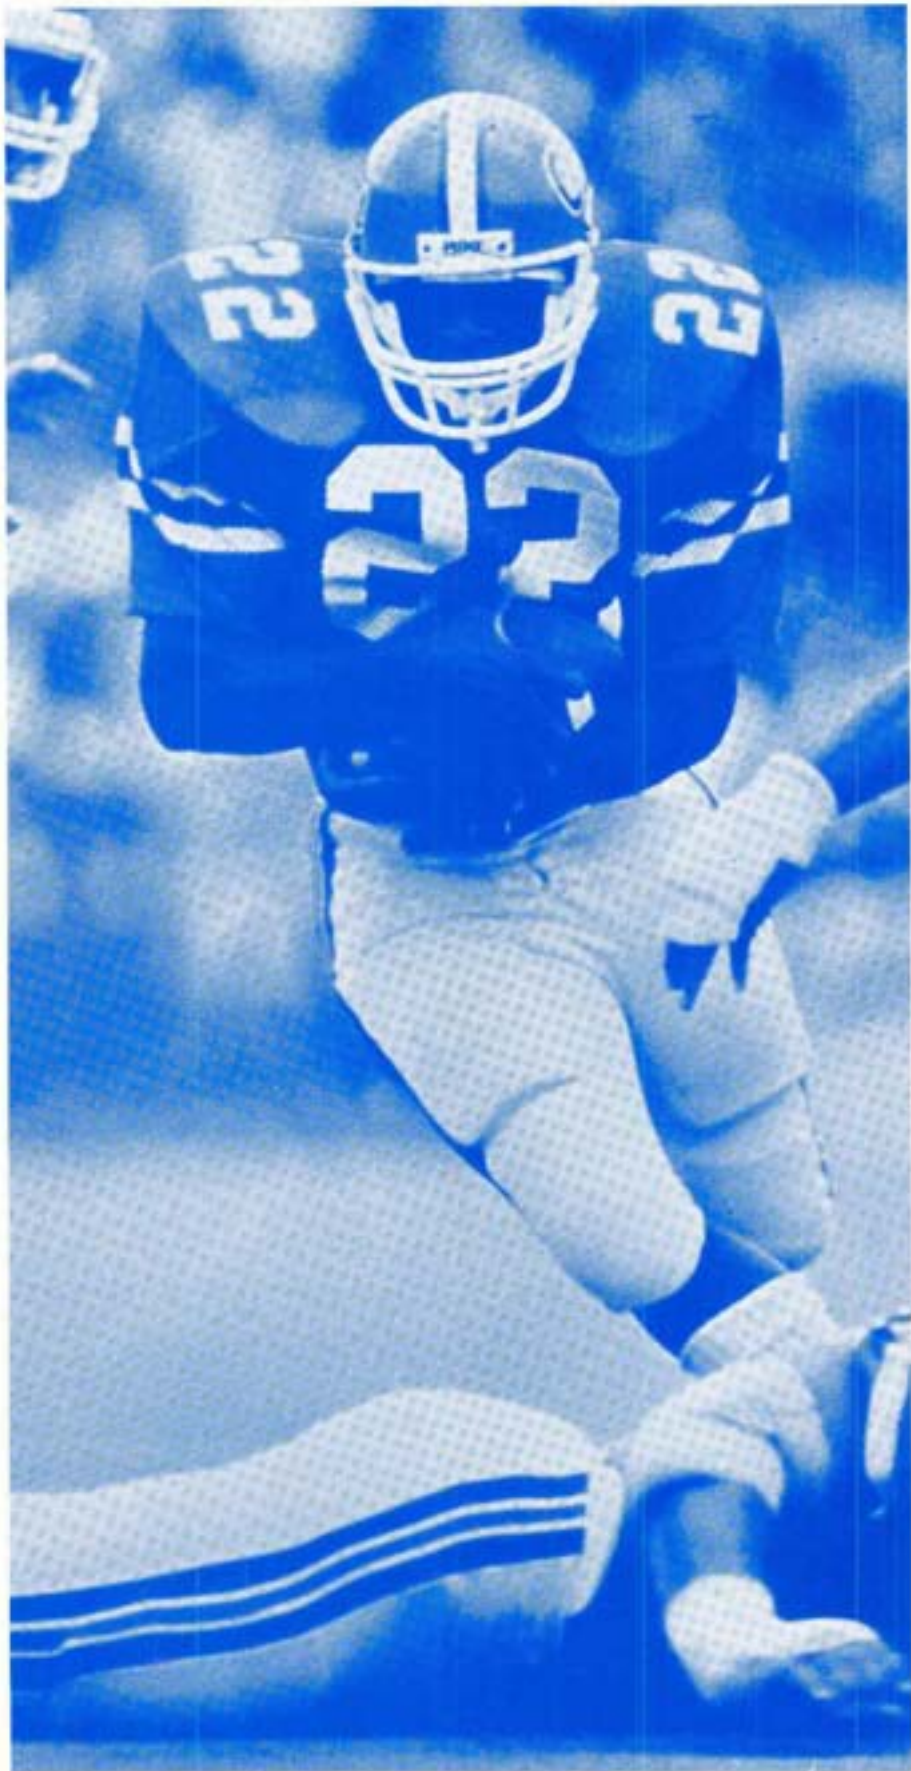

FSU became Florida's fifth top-20 victim of the season and the Gators headed to Houston with an 8-3 record to meet Arkansas in the Bluebonnet Bowl where it suffered a 28-24 setback.

Charley Pell — he's taken Florida to a bowl in each of the last three seasons.

1982 Gator Notebook

- When Florida met Arkansas in the 1982 Bluebonnet Bowl it marked the Gators' third consecutive bowl appearance under Charley Pell.
- The Florida passing attack in 1982 ranked among the most efficient in the history of college football. QB Wayne Peace led an air attack that established a new NCAA single season record for team passing completion percentage. On the year, the Gators converted on 203 of 295 passing attempts for a sparkling 68.8%. That figure broke the previous NCAA team passing completion percentage mark of 67.8% (minimum 150 attempts) set by North Carolina in 1974. Peace himself entered the NCAA record book as well. On the year, he completed 174 of 246 passes for an eye-catching 70.73%. That figure established a new NCAA individual single season completion percentage mark, breaking the old mark of 70.70% that was set by California's Rich Campbell in 1980 (193 of 273 passes). Florida also established a new school record for total offense in a season with 4,540 yards.
- Wayne Peace ranked fourth in the final NCAA statistics in passing efficiency with a mark of 143.4. That figure is the highest for any returning QB in the nation as the '83 season approaches.
- The Florida running attack in 1982 did not establish any new NCAA records but it did represent a significant improvement from recent Gator squads. Consider the following:
 - The tailback trio of Neal Anderson (403 yds), John L. Williams (404) and Lorenzo Hampton (665) rushed for a combined 1,492 yards from that position in 1982. In 1979, Charley Pell's first year at the Gator helm, his tailbacks rushed for a combined total of 581 yards, then 520 in 1980 and 667 in 1981.
 - During the course of the 1982 campaign four individual Gator running backs rushed for 100 or more yards nine times, quite a contrast to the three previous Florida contingents that achieved that statistic just twice over a 33 game regular season span from 1979 through 1981.
 - Florida outrushed its opponent in nine of eleven games in 1982. Again that represents a marked improvement from the three previous Gator teams. In 1979, Florida held the rushing advantage just twice in 11 contests, four of eleven in 1980, and held a five of 11 mark in that category in 1981.
 - Some of the finest individual rushing performances in Florida history took place in 1982. Neal Anderson's 197 yard effort vs. Kentucky represented the fourth best single game mark in school history. Another freshman, John L. Williams, rushed for 179 yards against West Texas St., a figure that now ranks as the sixth best in Florida history. James Jones' 146 yard effort vs. Vanderbilt now stands as the tenth best single game rushing performance by a Florida back.
 - The four largest rushes from scrimmage during Charley Pell's tenure at Florida all took place during the 1982 campaign. (John L. Williams — 86 yards vs. West Texas State, Lorenzo Hampton — 76 vs. West Texas State, Hampton — 69 yards vs. Mississippi State, and Neal Anderson's 63 yarder vs. Kentucky)

— Neal Anderson rushed for 100 or more yards in each of the last three games in 1982, the first Florida back to achieve that standing since 1975.

- The vastly improved Gator running attack has had a direct bearing on Florida's success in the won-loss column. As mentioned above, Florida outrushed its opponents in nine of eleven contests in 1982. They won 8 of those 9 contests (Vanderbilt was the only exception as Florida outgained Vandy 255 to 113 on the ground but still lost, 31-29). In fact, through out Charley Pell's tenure at Florida the team rushing advantage in a given game has become a very key indicator as to which team will win. The team (Florida or its opponent) which has held the rushing advantage in Florida's games during the Pell era (44 regular season games) shows an eye-catching 37-6-1 winning record (85.2%). Florida has held the rushing edge in 20 of those games and sports an impressive 17-2-1 ledger (87.5%), including a 17-1 record in that statistic since the start of the 1980 campaign.
- Another note on the rushing game. As mentioned above, Florida had an individual back rush for 100 or more yards nine times (in seven games) in 1982. The Gators had a 6-1 record in those contests. Three opponent backs (LSU's Dalton Hilliard, Georgia's Herschel Walker and Florida State's Ricky Williams) rushed for 100 or more yards against the Gators in 1982. Florida lost two of those three contests. When Charley Pell has had one of his backs rush for a 100 or more yards at Florida he shows a 7-2 record. When an opponent back has passed the century rushed mark, Florida shows a 4-7 record during the Pell era.
- In each of Florida's eight wins in 1982 the Gators outgained the opponent in the rushing department, held the advantage in time of possession, and had three or less turnovers.
- During the course of the eleven game 1982 season the Florida defense had to more than make their share of adjustments. Primarily due to a series of injuries, the Gator defense saw 22 different players manning the starting 11 positions. Florida started five different tackles (Alton Jones, Tim Newton, John Whittaker, Roy Harris, and Rodney Billett); two middle guards (Ricky Williams and Tim Newton); three outside linebackers (Wilber Marshall, Val Brown and Patrick Miller); four inside linebackers (Fernando Jackson, Tom Wiegmann, Leon Pennington, and Fred McCallister); five cornerbacks (Bruce Vaughan, Ivory Curry, Ricky Eason, Vito McKeever, and Vernell Brown); two free-safeties (Tony Lilly and Scott Marshall) and one strong safety (Randy Clark). Wilber Marshall, only the fourth junior in Florida history to gain first-team All-American honors and the only junior named among the twelve finalists for the Lombardi College Lineman of the Year Award Selection Committee, and Randy Clark were the only two Florida defensive players to start all 11 games at the same positions during the 1982 campaign. Tim Newton started all 11 games as well but split that duty between tackle (six games) and middle guard (five games). Only once during the 1982 season did Florida line up with the same defensive starters in two consecutive games (Miami and Southern Cal).
- Florida's 8-4 overall record in 1982 is quite an impressive one in light of the very challenging schedule the Gators faced. The Florida schedule, ranked as third toughest in the nation by the NCAA at season's end (Gator op-

ponents won over 62% of their games when not playing Florida), included six teams that finished the season ranked in the nation's Top 15 (Associated Press): Georgia, Arkansas, LSU, Florida State, Auburn, and Southern Cal. Florida defeated Florida State, Auburn, and USC. The nation's 13th, 14th, and 15th ranked teams respectively by AP. Overall, Florida played eight teams (the above six plus Miami and Vanderbilt) that won at least seven games. Florida met six teams (Miami, USC, Mississippi St., Auburn, Georgia and Florida State) which were ranked in the nation's top 20 the week they played the Gators. A seventh, LSU, entered the top 20 the week after they beat Florida, 24-13. Florida faced five teams during the regular season which earned bowl invitations (Vanderbilt, LSU).

- Florida won their final three games of the 1982 season. A major reason was the fact that the Gator defense did not allow a single point to be scored on them in the second half of each of those contests (Kentucky, Tulane and Florida State).
- Wayne Peace was selected as one of the 12 finalists for the 1982 Davey O'Brian National Quarterback of the Year Award. Linebacker Wilber Marshall was selected one of 12 finalists (the only junior) for the Lombardi College Lineman of the Year Award.
- Attendance at Florida Field was at an all-time high in 1982, 436,215 an average of 72,702, watched the Gators during six home games at newly enlarged Florida Field. That figure ranked tenth nationally.
- Jim Gainey was ten out of eleven of field goal attempts inside the 40-yard line.

Florida opened the 1982 season at home against arch-rival Miami amidst a pre-week blitz by the Florida media. The game lived up to everyone's expectations as the Gators defeated the Hurricanes, 17-14, in a thrilling contest that ended a four game losing streak to Howard Schnellenberger's Miami club.

With the first quarter ending scoreless, the Gators wasted no time in the second, moving the ball 75 yards in 11 plays, the final five yards coming on a Wayne Peace run for the touchdown at the 12:18 mark. Peace was good on all three pass attempts during the drive accounting for 46 yards.

Miami quickly responded to tie the game at 7-7 as Jim Kelly capped a 78 yard drive with a TD flip to Glenn Dennison covering six yards with 8:37 showing on the clock.

The Gators took a 10-7 lead into the locker room when with just nine seconds left, Jim Gainey split the uprights from 38 yards out. Peace completed four passes for a total of 44 yards, two to Dwayne Dixon for 26 yards during the drive.

With 11:56 left in the third period, Miami took the lead on an 86 yard-16 play drive which ended when Mark Rush vaulted across the goal line from a yard out. Kelly connected on five aerials for 54 yards.

Trailing by a score of 14-10 in the fourth quarter, the Gators mounted their winning drive from the Miami 39 yard line and went 61 yards on six plays. The winning score came with 1:48 left on a circus catch by James Jones from Peace covering 17 yards. Jones' one-handed leaping grab will always be remembered by Florida fans as "The Catch."

Defensively, Wilber Marshall led the Gators with 17 tackles (13 solo) while Fernando Jackson, Randy Clark, Tony Lilly and Tom Weigmann all recorded 10 each to pace the swarming Florida defense.

From the locker room:

Florida Coach Charley Pell — "This is one of the greatest, most rewarding wins we've had in the history of Florida football. We had a lot of heroes today ... the players, the coaches, the record crowd."

"Miami is a great offensive team and their defense is extremely physical and tough. We started out itchy and had a couple of early miscues but we overcame two turnovers and settled down to come back."

"(On Jones' TD catch) That was a bootleg pass and we'd run the play several times — the same action, tight end over the middle. I can't ever remember a catch like that in my coaching career — it was a Willie Mays deluxe."

"Miami's going to beat a lot of people this year. They're a good team but fortunately for us, they didn't do as much scoring as we did today."

Game notes:

— The crowd of 71,864 was the largest in Florida history, surpassing the old mark of 65,129 set back in 1976 against Auburn.

— Florida has not lost a home opener since 1971 (Alabama defeated the Gators, 38-0) and are 9-0-2 since 1971.

— Florida has now won seven straight games at home, they were 6-0 at home in 1981.

— James Jones' 40 yards rushing pushed him into ninth place on the Florida career rushing charts with 1,314 yards. He surpassed Jackie Simpson who had 1,310 from 1953-56.

— For the third straight year, Wayne Peace outthrew Miami quarterback Jim Kelly (18-24-1, 220 yds 1 TD) to (18-30-1, 170 yds 1 TD).

— Peace, for his efforts, received the McArthur Award which goes to the game's top player as voted by the working media.

— Peace's 220 yards passing gave him eight 200 yard passing games for his career.

— Peace's 220 yards through the air gives him a total of 648 yards passing against Miami the past three years, an average of 216 yards per contest.

The Gators needed, and received, excellent defensive play for four quarters stifling the Trojan's offense en route to a victory in front of the largest crowd ever to watch a Florida home football game as well as an ABC-TV regional audience.

After a scoreless first quarter, Florida had the ball on the USC one yard line with a fourth and goal situation. The Gators gambled and went for the TD and came away with six at the 4:52 mark of the second stanza as quarterback Wayne Peace found Spencer Jackson in the left corner of the end zone where he made a spectacular over the shoulder catch to give Florida a 7-0 lead. Following a USC punt late in the quarter which was downed at the Florida three, Wayne Peace marched the Gators 97 yards in just six plays, the final 22 yards coming on a draw play to fullback James Jones with 1:23 left in the first half. The big play of the drive was a 47 yard pass completion from Peace to Dwayne Dixon which took the Gators from their own five to the Southern Cal 48. For the day, Dixon caught three passes for 72 yards.

With a 14-0 lead to start the second half, Florida could manage only 14 offensive plays in the third stanza while USC, which had several opportunities, was able to get into field goal range for Steve Jordan who responded with a 39 yarder with 3:37 left in the quarter.

The fourth quarter seemed as it if would never end as both teams had five possessions. Florida struck first with a 23 yard field goal by Jim Gainey at the 12:37 mark giving the Gators a 17-3 advantage. From that point of the game, the Gator defense, led by Marshall (14 tackles, 9 solo and 4 QB sacks) and safety Tony Lilly (15 tackles), consistently rose to the occasion as USC had five opportunities to get into the Florida end zone and could only come away with six points (a 19 yard TD toss by Sean Salisbury to Pat McCool with 6:25 left in the contest). USC had three more chances to score but could not get any closer.

From the locker room:

Florida Coach Charley Pell — "This was another big win. It represents another big step for our team. We asked our team to sacrifice — to pay a different pice. The whole organization did a great job. This completes our first season of 1982."

"USC is a great, well-coached team with a great tradition."

"This was a great war in the trenches today, with both sides fighting hard. It came down to whoever put the flag up on top of the hill at the end wins....we did. It was all a war of the trenches."

"I think the defense, considering we replaced seven starters from last year, did an admirable, super job today at stopping USC's offense."

"The 12th man did his part...a salute to the fans. They haven't seen a Florida team reach this height since we've been here."

"Wilber Marshall is a dominating force on defense. He is a 'big-play' athlete, much like Hugh Green was at Pittsburgh. Coach John Robinson said he was the best outside linebacker he had seen in his seven years at USC. That's high praise from one of the best coaches in the country. Wilber merits that sort of attention by the way he performs."

Game notes:

— This was the first ever meeting between USC and Florida. The Gators travel to USC next year to open the 1983 season.

— For the second straight week, the Florida attendance record was broken. The crowd of 73,238 for the USC game surpassed last week's record crowd of 71,864 for the Miami contest.

— It was the eighth straight home win for the Gators since 1981. Florida was 6-0 at home in 1981.

— Florida held the Trojan rushing attack under 100 yards. USC gained only 84 yards in 38 attempts.

— Florida raised its record against Pac-10 opponents to 6-2

— Marshall was chosen National Defensive Player of the Week by the Sports Illustrated for his individual effort vs. USC.

— This marked the 14th game over the last three regular seasons that the Gators have rushed for more than 125 yards (136 yds vs.

Led by sophomore tailback Lorenzo Hampton's 109 yard/3 TD's rushing performance, the Gators displayed their best rushing game of the season gaining 258 yards via the ground en route to their conference win over the Bulldogs of Mississippi State, 27-17.

The first half saw only three points being scored as both teams had trouble putting the ball in the endzone on a wet Florida Field turf. The three point score came in the first quarter of play with 1:56 showing on the clock as Mississippi State's Dana Moore drilled a 37 yard field goal.

Florida drew first blood in the second half as John L. Williams scored on a three yard touchdown scamper with 5:46 left in the third period giving the Gators a 7-3 advantage. A 32 yard defensive pass interference penalty against the Bulldogs put the Gators in scoring position.

With a four point lead going into the fourth quarter, the Gators put on an offensive surge which amounted to a 20 point quarter. Hampton did all the damage as he scored twice from two yards out, the first coming at the 11:18 mark and the second coming 1:47 seconds later as the Gators' Wilber Marshall recovered a Bulldog fumble at the Mississippi State 16 yard line to set up the score. To cap off a fine afternoon, Hampton took a pitch from quarterback Wayne Peace at the 7:52 mark and galloped 69 yards for a score putting the Gators out in front, 27-10.

Mississippi State rallied to put up 14 points on the scoreboard in the final stanza as quarterback John Bond teamed up with Danny Knight on two long touchdown passes. The first came from 44 yards out and the second was an 80 yard strike with 2:11 left in the game.

The Gators' safety, Tony Lilly, turned in a fine defensive performance with a total of 11 tackles, seven of them unassisted.

From the locker room:

Florida coach Charley Pell — "We want to say how relieved we are to come out with a victory against a very fine MSU team. They would not let us take the game and go with it."

"Defensively, we played very well; we did what we had to do with the exception of a couple of plays they got a step on us. We took them out of the running game with some defensive adjustments at halftime which forced them to throw in the second half."

"It was obvious they had a good game plan to work on our inexperienced cornerbacks as we expected that. I think Mickey Andrews (defensive back coach) did as fine a coaching job that's ever been done in America with Ricky Easmon and Vito McKeever this week. Offensively, we just did not get much done in the first half."

"We were very proud of our team to come from behind at the half. We have never found ourselves in this situation this year. We are still not a good football team when we get on top."

Game notes:

— Fullback James Jones moved into the seventh spot on the Florida all-time rushing list with his 86 yard performance. He now has 1,481 yards in his career and passed Mike Rich (1969-71, 1,402 yards) and Willie Wilder (1974-77, 1,451 yards).

— For the third consecutive time in '82, Florida out-rushed their opponent: Florida— 258 yards/Mississippi State— 145 yards.

— Over the last two-plus regular seasons, the Gators have rushed for over 125 yards in 15 games. With the 258 yard total against the Bulldogs, the Gators now own a 13-2 record in these contests after the MSU win.

— Lorenzo Hampton's 109 yard performance was his career best.

— The team total of 258 yards rushing was a team high to date in Charley Pell's four years at Florida.

— Hampton's 69 yard TD scamper was the longest run from scrimmage for a Gator back since Pell's arrival in 1979.

— Hampton's 109 yard performance was only the third time since Pell's arrival that an individual Gator back has gone over 100 yards.

— Wayne Peace's 12 of 15 passing performance against the Bulldogs was a career high .800 success ratio. Peace's previous career high (18-24, .750) was set in the opening game vs. Miami.

— The 71,544 attendance figure was the 3rd consecutive 70,000-plus figure.

LSU's freshman tailback, Dalton Hilliard, put on an offensive show for the 73,000 plus fans in Florida Field leading the Tigers to an upset win over the previously undefeated and No. 4 ranked Gators, 24-13. Hilliard darted through the Gator defense for 127 yards on the ground, including an 11 yard TD run while also hauling down four passes for 80 yards, including scores of 41 and 3 yards.

Florida struck first in the opening quarter as Jim Gainey capped a 63 yard opening drive with a 28 yard field goal. Tailback Lorenzo Hampton did most of the work during the drive gaining 31 yards on the ground.

LSU wasted no time in responding to the Gators' score as they drove 73 yards in seven plays, the last 11 coming on Hilliard's TD scamper with 7:59 left in the first quarter. Quarterback Alan Risher and flanker Eric Martin had the big play of the drive as they teamed up on a 42 yard pass play putting the ball on the Florida 20.

After Florida failed to move the ball on their second possession, LSU increased their lead to 10-3 as Juan Bentanzos kicked a 21 yard field goal with 1:40 left in the first period.

The second quarter was all LSU as the Tigers wasted no time when they got the ball on the Florida 44 yard line. On the third play of the drive, Risher found Hilliard open in the middle and the freshman raced 41 yards for the score with 13:15 left in the half.

The Gators' lone two points in the second quarter came when LSU was backed up near their own goal line and Risher fumbled the snap and recovered it in the endzone for a safety.

The Tigers went into the locker room at the half with a 24-5 lead when with just :30 left in the half, Risher rolled right and found Hilliard at the goal line completing a three yard TD pass.

Following a scoreless third quarter, the Gators were able to cross the LSU goal line with only 1:51 left in the contest as Wayne Peace threw a five yard strike to an open Mike Mularkey. A successful two point pass play from Peace to Mularkey made the final score 24-13.

Defensively, outside linebacker Wilber Marshall collared 10 tackles, nine of them solo, and intercepted a Risher pass returning it 19 yards.

From the locker room:

Florida coach Charley Pell — "Football is a simple game. Throw out all the X's and O's and frills, and you come down to basic blocking and tackling. LSU blocked and tackled better and deserved to win."

"LSU had a great game plan, and they're to be commended. Our football team has established a lot of pride by the hundreds of hours of hard work. We worked hard to be exceptional, and this team is exceptional, but we didn't play exceptional today."

"We've been drained by the three previous hard games, but we'll bounce back. You can bet on it."

"We had a breakdown on blocking and if you can't block, you can't run an offense."

"I'm not psychic enough to tell what was in everybody's mind. But when we have six or seven missed tackles on one play and get only five first downs in the first half, you know everything's not right. We missed what seemed like 590 tackles in the first half. Our tackling was atrocious, but the defense came back and tackled better in the second half."

"But give LSU credit. When it comes to physical speed and physical talent, there's not a better team in the SEC than the one you saw today."

Game notes:

— It was the fourth straight time the Gators have played in front of over 70,000 plus at Florida Field.

— The LSU loss snapped a nine game Florida Field winning streak. The last team to defeat Florida at home was Miami (31-7, 1980).

— Fullback James Jones went over the 2,000 career yardage mark (rushing/receiving/passing). He now has 2,044 yards in total offense. He ranks 15th on the Florida All-time list.

— LSU's 206 yards rushing total was the highest against the Gators for the season to date.

— Dalton Hilliard's 127 yards rushing was the highest total by an opposing back to date in '82.

— The team that has a rushing advantage in the game shows a 31-5-1 mark since Charley Pell's arrival. LSU outgained the Gators 206 to 106.

— Hilliard's 11 yard TD run in the first quarter marked the first TD scored on the Gators in the first period of action in the '82 season.

— Punter Ray Criswell compiled a 49.4 average against LSU.

The Florida Gators outgained the Vanderbilt Commodores in total offense, 540-400, but came up short on the final score, 31-29, in a wild offensive shootout in Nashville.

Vandy's quarterback, Whit Taylor, who completed 30 of 47 passes for 287 yards and 3 TD's, set the tone of the game on their opening drive by completing a 16 yard pass to tight end Allama Matthews on their first play. Eight plays later, at the 11:23 mark, Keith Edwards scored from a yard out to give Vandy a 7-0 lead.

Florida tied the game up early in the second quarter on a one yard plunge by fullback James Jones with 13:00 left in the half. For the game, Jones had 146 yards on the ground and two TD's.

With 10:39 left in the second period, the Gators jumped out to a 14-7 lead when freshman tailback, John L. Williams, raced around right end for a 44 yard TD run.

Vanderbilt wasted no time in tying up the score at 14-all as Taylor found Matthews in the endzone for a 14 yard TD strike with 8:49 left in the half. Taylor was 4 for 6 on the drive for 49 yards.

After trading the ball away on turnovers, Vandy took the ball 76 yards on 12 plays with Norman Jordan grabbing a Taylor eight yard pass for the score with 1:15 left in the half and a 21-14 lead.

Florida made it a 21-21 ballgame at the 8:12 third quarter mark as Jones scored from four yards out capping a 12 play, 73 yard drive. Jones rushed for 44 yards in the drive.

On the next drive for Vanderbilt, a 30 yard field goal by Ricky Anderson made it a 24-21 game at the 2:14 mark. The drive took 14 plays and covered 58 yards.

Vandy took a 31-21 lead in the fourth quarter with 8:38 left in the game as Taylor found Phil Roach who went to the two yard line and fumbled into the endzone where tackle Bob Monaco recovered for the Commodores and the TD.

The Gators quickly responded as Wayne Peace hit Dwayne Dixon in the endzone for an 11 yard TD toss with 5:02 left in the contest. Peace, who was 28 of 36, 285 yards and one TD for the evening, was six of six on the drive for 74 yards.

With the score 31-29 in favor of Vanderbilt and time running out, the Gators made one last offensive charge from the Florida 20 with no time outs left and only 1:13 left on the clock. Florida moved the ball into Vandy territory but could not get the field goal team on the field before time ran out with the ball on the 38 yard line.

From the locker room:

Florida coach Charley Pell — "If anyone had told me we would have had the ball for 31 minutes, gained 540 yards and scored 29 points and still lose I would have said he was crazy."

"I really think the difference, as I told our players after the game, was we were in a position for a field goal twice, and I allowed them to go for six. We were too greedy. That was my mistake. Before the half, we were well within Jim Gainey's range."

"Vanderbilt played an outstanding game, and a big difference was our inability to stop them. They neutralized Wilber Marshall and did a good job of attacking us."

"Vandy played a nearly perfect game and deserved to win. They were well prepared and their defensive formations took a lot away from us (running two tight ends and two wide receivers). They'd showed it before, but not much."

"Our players played well enough and hard enough to win. I saw a lot of heart shown by our team, and I'm proud of that. I was disappointed we couldn't bounce back and win like the players wanted to."

Game notes:

— Fullback James Jones' 146 yards rushing was the best effort this season by a Gator rusher; a career high; his second 100-plus game of his career; 9th best individual effort by a Gator in UF's history; a high for the Coach Pell era; and is now the sixth all-time Gator ball carrier with 1,680 career yards.

— With his two TD effort, Jones now has 17 career TDs.

— Wayne Peace's passing performance of (28-36/77.7%) was the third highest single game completion percentage mark in SEC history (Min. 20 comp.).

— Dwayne Dixon's nine receptions against Vandy was a season high to date and the 11 yard TD catch was his first score of the season and in his career.

— Whit Taylor's 287 yards passing, 30 completions; 47 attempts and three TD tosses were all season highs against the Gator defense after five games. It marked the third time in the first five games that an opponent quarterback threw for over 200 yards.

Rolling up 774 yards in total offense, the highest ever by a Florida team, the Gators lit up the scoreboard eleven times en route to a 77-14 win over the Missouri Valley Conference opponent on Homecoming Day. The Gators scored on six of their first ten possessions.

With just 19 gone in the first quarter, West Texas State's Victor McGee found a wide open Earl Wilson in Florida territory and 46 yards later, the Buffaloes led, 7-0. The score was set up after Florida couldn't handle an onside kick which opened the game.

The Gators came back and drove 88 yards, the final two coming on a John L. Williams run, and tied the game at seven-all.

But West Texas State came right back and made it a 14-7 game as McGee this time found Curtis Bennett for a 16 yard score. The drive covered 82 yards in 10 plays.

With 3:19 left in the first period, Florida's Lorenzo Hampton leaped over the line and into the end zone from three yards out to make it a 14-14 ballgame. From that point on, it was ALL Florida as the Gators scored 63 unanswered points.

Florida took a 42-14 lead into the locker room at halftime, largely due to the right arm of Wayne Peace. The junior quarterback ended the first half with 289 yards passing, three TD's and a completion percentage of 88.2% as he hit on 15 of 17 passes. Peace hit Tyrone Young for scores of 33 and 20 yards and found fullback James Jones on a 12 yard scoring play. Sandwiched in between all the passing scores was Hampton's second three yard scoring drive.

The Gators came out in the 2nd half with back-up quarterback Bob Hewko at the helm. He tossed an eight yard TD pass to Jones with 13:15 to go in the third period. The score was set up by Fernando Jackson's 16 yard interception return.

On the next Gator drive, Hewko lofted a 50 yard TD strike to Dwayne Dixon to make it a 56-14 game with still more than nine minutes left in the third quarter.

The 28 point third period explosion was capped off by two long scoring runs by Lorenzo Hampton and John L. Williams. Hampton scooted around left end for a 76 yard score and Williams, on the very next drive, raced around right end for an 86 yard TD jaunt.

Leading 70-14 into the fourth period, the Gators ended their scoring barrage when third team tailback, Joe Henderson scored on a nine yard run with 7:01 left in the game.

On the afternoon, the Gators racked up 394 yard on the ground as Williams carried

19 times for 179 yards, the highest ever by a Florida freshman and Hampton finished with 116 yards on 13 attempts.

Defensively, the Gators held the Buffaloes to only 51 yards on the ground in 22 attempts but allowed 403 yards through the air while intercepting four passes.

From the locker room:

Florida coach Charley Pell — "We're mighty proud to win today. It's good for our team to win and by such a big margin. We played 64 players today and had to keep Tom Wiegmann, Spencer Jackson and Gary Rolle out because of some minor injuries. It was good that we could play so many people because we haven't been able to do that this year and it's hurt us."

"The people that I was most pleased with were the people playing new positions, like strong-safety Roger Sibbald. I saw Vernell Brown make some good plays, and of course we expected the veterans to make the good plays."

"West Texas did what we thought they'd do early. They came out and went for broke on the on-side kicks and I don't blame them. It worked and got them 14 points. That quarterback, Victor McGee, is an exciting player. They had a good game and they're well coached. They had a good scheme to attack us...they got 400 yards on offense."

"Wayne Peace, I thought, had a tremendous day at quarterback. He played only 30 minutes of football, showing a lot of poise. He found his sound receivers, did a great job, and of course, his numbers speak for themselves."

Game notes:

— Many season "highs" in the statistical department were set in the West Texas State game including: 394 yards rushing, 380 yards passing, 774 yards total offense, four thefts, 77 points, six TD's rushing and five TD's passing.

— Florida's 77 points tied for the third most in school history, and represented the most for a Gator contingent since 1924 when they also scored 77 against Rollins.

— The Gators registered 774 yards in total offense, shattering the previous school record of 651 which was set against Mercer in 1928.

— Florida's 380 yards in passing broke the previous school mark of 369 which was against Auburn in 1969.

— QB Wayne Peace's completion percentage of 88.2% (15 of 17) tied him for the third best single game mark in SEC history (min.: 10 completions). His 289 yards passing was a season best to date and a career high surpassing his 286 yard total against Georgia in 1980.

— Lorenzo Hampton's 116 yard ground performance was his second 100-plus game of the season. He gained 109 against Mississippi State earlier in the season.

— Freshman tailback John L. Williams put

his name in the record book a few times during the course of the afternoon. His 179 yards rushing was the 5th best single game rushing mark in Florida history and the best ever for any Florida freshman running back. His 86 yard TD run in the third period was the fourth longest scoring run in Gator history and the longest for the Gators this season.

— Hampton and Williams became the first Florida duo to each gain a 100 or more yards in a game since 1967.

— Jim Gaaney and Bobby Raymond converted on all 11 PAT's to tie a single game SEC record.

— Tyrone Young's 121 yards receiving was the best by a Gator receiver after six games in 1982.

— The 30 first downs the Gator offense recorded tied the season high of 30 (Vanderbilt).

Attendance: 73,532**

**FLORIDA — 0 10 3 6 — 19
AUBURN — 0 7 7 3 — 17**

This year's ending of the Florida-Auburn game was almost a carbon copy of last year's contest at Auburn. Like 1981, it came down to whether or not Florida could score on a field goal in the final seconds of the game. In '81, the Gators lost, 14-12, as a 40 yard field goal attempt, by Brian Clark missed by inches. This year, trailing 17-16, Jim Gainey's 42 yard field goal attempt with just :05 left on the clock split the uprights to give the Gators a 19-17 victory in front of a record Florida Field crowd of 73,532.

The contest started out with neither team being able to put points on the scoreboard in the first quarter of play.

Florida struck first early in the second period as they traveled 61 yards in nine plays with James Jones covering the final nine yards to give the Gators a 7-0 lead with 13:05 left in the half. In the drive, Wayne Peace was four for four, totaling 45 yards.

Florida's next score was set up by John Whitaker's recovery of an Auburn fumble at the Tiger's 15 yard line. After having a first and goal situation at the two yard line, the Gators could not push the ball across the goal line and had to settle for a Jim Gainey 18 yard field goal.

Auburn made it a 10-7 ballgame just before the half when Randy Campbell found Mike Edwards for an 13 yard TD strike with 1:47 left in the first half. The 80 yard/eight play drive was aided by two unsportsmanlike fouls called on the Gator defense which moved the ball from the Florida 46 to the 16 yard line.

Auburn jumped out to a 14-10 lead in the third quarter when freshman running back Bo Jackson scampered around left end for a seven yard score at the 8:59 mark. The score was set up by a 63 yard punt return by Lionel James putting Auburn on the Florida 22.

The Gators cut the Auburn lead to one, 14-13, on a 32 yard field goal by Gainey with 2:06 left in the third period.

In the fourth period, following a Peace interception, Auburn drove 67 yards in 10 plays to the Florida six where Al Del Greco drilled a 23 yard field goal with 8:14 left on the clock to give Auburn a 17-13 lead.

Florida, facing a fourth and nine situation at the Auburn 15 with 2:51 left in the game, received a 31 yard field goal by Gainey to bring the Gators back to within one point, 17-16.

On the ensuing kickoff, the Gators tried an on-side kick and recovered the ball on the Auburn 45 as Leon Pennington pounced on the loose ball. With 2:47 left, the Gators marched from the Auburn 45 to the 25 where facing a fourth and one situation, called on

Gainey to attempt the game winning 42 yard field goal with just :05 left on the clock.

From the locker room:

Florida Coach Charley Pell — "It turned out as we thought it would, coming down to one or two plays and if we could come back and play the kind of defense we are capable of and that was just about the way it turned out, one or two key plays. That was a just a good old-fashioned southeastern knock-down drag-out game. Auburn is always an excellent football team. They have excellent coaching and players."

"I'm extremely proud of the courage our team displayed today. They could have folded or they could have been weak but they kept coming, everybody — the offense, defense, kicking game, special teams and coaches. Mike Shanahan, our offensive coordinator, made the onside kick call and it was a great call and a courageous decision. It was a border line thing, it could have turned out good or bad, fortunately for Florida it turned out good."

"Wayne Peace showed as much poise as a quarterback can and he continues to impress us. James Jones had a fine day and the offensive line showed a lot of courage. Tim Newton, John Whitaker and Ricky Williams had to play well to hold them. Other players like Pepper Downie and Leon Pennington, who recovered the onside kick, made key plays and there are so many other unsung heroes. Mark Hurm, our number one snapper injured his knee and we had to rely on our backup snapper, Walter Byrd, a freshman. It was a big load to carry but the first time in a college football game that he snapped the ball, it was perfect."

"As for the onside kick, fate might have had something to do with it. If we would have gained yardage on the third down attempt, we might have gone for it but there was no hesitation on the call. This was the type of game that came down to the key third and fourth downs everytime."

Game notes:

— The crowd of 73,532 sets a new Florida Field attendance mark, breaking the old mark of 73,238, who saw the USC contest earlier in the season. The final average home crowd at Florida Field for the 1982 season was 72,702 per game.

— James Jones' 107 yard effort was the fifth 100 yard-rushing game for a Gator back in '82.

— Jim Gainey's game winning field goal of 42 yards was his longest of the season. His four for four performance in the field goal department was also a 1982 best. All told, Gainey scored 13 points in the game, a season and career high for him.

— Florida's 171 yards rushing to Auburn's 159 marked the sixth time in 1982 that the Gators have out gained their opponents.

— Since the start of the 1980 season, the Gators, when rushing for more than 125 yards, are now 16-2.

— Wilber Marshall's eight tackles against Auburn made it seven straight times in '82 that the junior outside linebacker had made eight or more stops.

— Auburn's net passing yardage of 57 yards was the lowest total racked up against the Gator defense to date. The eight completions and the 14 attempts are also lows for the year.

— The 13 yards in penalties against the Tigers was the lowest in the 1982 season for an opponent whereas the 107 yards against the Gators was their highest to date.

GEORGIA - 7 10 10 17 ... 44

The Florida - Georgia weekend is called "The largest cocktail party in the world." It was anything but a party for the Florida Gators as they ran into a well oiled running machine named Herschel Walker. Georgia's star tailback touched the ball 35 times and gained 219 yards which included three touchdowns.

Florida, going into the game averaging over 400 yards in total offense could just manage 180 in a game regionally televised by CBS.

Walker scored his second TD of the game with 12:43 left in the second period on a one yard leap giving the Bulldogs a 14-0 lead. The drive covered 80 yards and took 16 plays.

Kicker Kevin Butler rounded out the first half scoring with a 32 yard field goal with 00:15 left in the second stanza.

Butler opened the scoring in the second half with a 22 yard field goal with 7:51 left in the third quarter giving Georgia a 20-0 lead.

Walker's third TD was set up by a Florida fumble on their own 19 yard line. Six plays later, Walker again leaped over the Gator defense from a yard out with 4:48 left in the third quarter.

The fourth quarter saw Georgia tack on 17 more points as reserve tailback Carnie Norris scored from a yard out, Butler added a 30 yard field goal and Tron Jackson scored from 20 yards on a running play.

Florida safety, Tony Lilly, was in on a team high 21 tackles as the Georgia offense kept the Gator defense busy all game.

From the locker room:

Florida coach Charlie Pell: "I'm not going to pretend to be smart enough to tell you why tonight happened. I will tell you Georgia deserved to win it, probably by a bigger score than they did. They certainly had a great game plan, they executed well and didn't make the mistakes."

"I thought Herschel showed why he's the most dominating college football player. We had things, naturally, that we felt we had to do to be successful against a team like Georgia. One was to control the clock by controlling the ball. We didn't do that and I don't believe a team can defeat Georgia unless you figure a way to keep the ball away from Herschel. He's that good. He has a great offensive line and they deserved to win."

"Their defense shut us down. We had to move the ball and get points in order to be successful to take a little pressure off the defense but we didn't do that either. The game started with the interception by Randy Clark on the first possession. That was the first and the last good feeling I had today."

"I was very disappointed for our players. I felt that they worked very hard. I think it will always be a mystery and I'm just not going to give you any magical pretty words. We just got whipped by an outstanding football team."

Game notes:

— Herschel Walker's rushing total of 219 yards was the highest by an opponent running back in '82 and marked just the second time all season that an opponent had rushed for a 100 or more yards against the Gator defense.

— Georgia's team rushing total of 391 yards was the highest against the Gators during the season.

— Florida's 34 yards rushing was their lowest output of the season by far.

— The Gator's total offensive output of 180 yards was their worst effort of the season and the first time they failed to gain at least 280 yards in the first eight games.

— Florida ran only 57 offensive plays. Georgia had 90.

Peace had his streak of 250 or more yard passing games snapped at three straight. He still has thrown for a 100 or more yards in 16 consecutive regular season contests.

Florida freshman tailback, Neal Anderson, received his first starting assignment of the season against the Kentucky Wildcats and came through with flying colors as he rushed for 197 yards (a UF freshman record) on 33 carries (a UF school record) while also scoring three TD's.

Florida opened the scoring in the first quarter when kicker Jim Gainey drilled a 36 yard field goal with 2:56 left. The drive was set up by freshman Keith Williams' fumble recovery at the Kentucky 24.

Kentucky then took a 7-3 lead with 1:14 left in the first when George Adams scampers 14 yards for the score which was set up by a 51 yard kickoff return by Brian Williams.

Florida narrowed the margin to 7-6 when Gainey connected on his second FG of the afternoon. This one coming from 20 yards out with 8:30 left in the second period.

The Gators then jumped out in front, 12-7, when Anderson scored his first of three TD's, this one from a yard out. The 40 yard/ 5 play scoring drive was the result of a Randy Clark interception at the UK 40 yard line.

The Wildcats then jumped out to a 13-12 lead with 2:40 left in the first half as Kentucky faked a punt and scored on a 43 yard pass from the punter, Paul Calhoun to tight end Rob Mangus.

With just 00:33 left in the half, Florida took an 18-13 lead when Wayne Peace hit James Jones on a 15 yard scoring play. The Gators, in their two-minute offense, marched 76 yards in 9 plays, using up exactly 2:00 in the drive.

The third quarter saw Florida take a 25-13 lead on a one yard plunge by Anderson his second of the day, capping a 75 yard/ 17 play drive coming at the 7:17 mark of the quarter.

In the fourth, Anderson capped off a fine performance with a 63 TD burst off the right side of the Gator offensive line to give Florida a 32-13 advantage.

The drive took only two plays and covered 74 yards with Anderson doing all the damage.

Florida closed out their scoring with 9:11 left in the game as Bob Hewko found an open James Jones for a 16 yard score and a 39-13 lead.

Quarterback Wayne Peace enjoyed a fine afternoon through the air completing 18 of 26 passes for 223 yards, one TD and no interceptions.

From the locker room:

Florida coach Charley Pell: "That was an outstanding win for our team to bounce back from the disappointment of last week. For that, I am extremely proud for the players. It wasn't an easy thing for them to bow their backs all week in practice and come to the cold weather and play."

"We prepared well for this game. It took a lot for those youngsters to work like that. Today, they didn't scatter and didn't get upset when it was close at the half."

"I was proud of Neal Anderson. When a man makes that much yardage, you can also be proud of the offensive line overall."

"Defensively, we gave up some plays, but overall I thought the defense played well and made some big plays. Wilber Marshall and Ricky Williams did well, and in the secondary Vernal Brown, Scott Marshall and Roger Sibbald did, too. The freshmen outside linebackers, Patrick Miller and Ron Moten, played a lot today and did the job. It was a day we progressed as a team."

"You have got to give Kentucky credit. They played well for a half against us like they do against everybody. Jerry Claiborne is one of the best coaches in the country."

Game notes:

— Neal Anderson's 197 yards rushing was the best performance by a Gator back in '82 and is a UF freshman record. His 33 attempts was also tops on the team for the season and is a UF school record.

— Quarterback Wayne Peace moved ahead of former Gator great Steve Spurrier into second place on the all-time Florida passing list with 4,857 yards.

— Anderson's 197 yards rushing marked the sixth time in the season that a Gator back has rushed for more than 100 yards.

— James Jones, with his 33 yards rushing and 69 yards receiving, joined the 1,500-500 club (rushing for 1,500 yards and catching passes for 500 yards in a career). Jones is the third player in Florida history to rush for over 1,500 yards and receive for over 500 yards. Jones now has 1,933 yards rushing and 556 yards receiving.

— Wayne Peace has now thrown for over 100 yards in 17 consecutive games.

— Peace's 223 yard passing was his fifth 200 yard game of the season and the 12th of his career.

Florida freshman tailback, Neal Anderson, making his second straight start, responded with his second straight 100-yard plus performance and also repeated his three touchdown performance of a week earlier vs. Kentucky leading the Gators to a 21-7 win over the Green Wave of Tulane in the Superdome.

Tulane made notice early that it came ready to play when on the very first offensive drive drove 84 yards on 10 plays, the last 15 yards coming on a Mike McKay to Gregg Stophor TD completion to give Tulane a 7-0 lead with 10:56 left in the first period.

The Gators quickly responded with the aid of James Jones and Neal Anderson who combined for 65 yards on the ground as Florida marched 78 yards in just five plays as Anderson covered the last 38 yards for his first of three TD's.

With the game knotted at seven-all, Florida began its first possession of the second quarter from their own 18 and marched 82 yards in 14 plays to make it a 14-7 game in favor of the Gators. Anderson, on his way to a 103 yard day, scored on a 17 yard run, his second of the night, with 8:23 left in the first half.

Leading 14-7 going into the third quarter, Tulane drives were stopped by fine defensive play from the Gator secondary as both Roger Sibbald and Randy Clark picked off McKay passes in Florida territory protecting the slim seven point lead.

With both teams exchanging punts and field position in the fourth quarter, Florida finally put the clincher on the scoreboard with 2:23 remaining in the game as Anderson went over the top of the Tulane defense from a yard out to make it a 21-7 game. In the 3 play — 33 yard drive, Bob Hewko, in for Wayne Peace, hit James Jones on a 31 yard pass completion to give Florida the ball on the Tulane two yard line.

For the night, Florida racked up 419 yards in total offense, 223 coming by way of the air as Florida quarterbacks completed 17 of 22 passes with no interceptions.

Defensively, the Gators were led by freshman outside linebacker Pat Miller, making his first start of the 1982 season. Miller made eleven tackles on the night including a fumble recovery and a QB sack.

From the locker room:

Florida head coach, Charley Pell: "Tulane had an extremely good game plan. They kept us off balance and they were blocking us up front, particularly in the middle. Our nose guard played terrible in the first quarter. Overall though, our defense deserves credit for not scattering and losing poise, they hung in there and started coming up with big plays."

"You would have to credit our defense with an effective game, not an excellent one. Many individuals played outstanding football tonight. Patrick Miller played his finest game and Tony Lilly, Roger Sibbald and Randy Clark played really well. Ivory Curry, with his punt returns and key defensive plays, had his most significant game in quite some while."

"Offensively, James Jones played every down and was outstanding. Lomas Brown may have had his best game at Florida and Chris Faulkner had a good one. Neal Anderson continues to impress us at tailback."

Game notes:

— Neal Anderson's performance of 103 yards rushing made him the first back in Charley Pell's four years at Florida to gain over 100 or more yards in back-to-back contests. Anderson gained 197 yards against Kentucky the previous week.

— Anderson's 103 yards on the ground marked the seventh time this season that a Gator back has gone over the century mark.

— When Freshman outside linebacker Pat Miller started the Tulane game, it represented the 22nd different player that has manned one of the starting 11 defensive spots this year.

— Wayne Peace's passing performance of 161 yards marked the 18th consecutive time that the junior signal-caller has thrown for more than 100 yards.

— For the second straight week, freshman running back Neal Anderson rushed for three touchdowns.

— Fullback James Jones became just the fifth back in Florida history to go over the 2,000 yard career rushing mark with his 74 yards vs. Tulane.

— During the Tulane game, Wayne Peace became the third passer in Florida history to surpass the 5,000 career yard passing mark with his 161 yards passing. He now has 5,018.

The Florida Gators and the Florida State Seminoles battled for three hours on the gridiron for bragging rights in the sunshine state for 1982. When Kelly Lowery's fourth down pass fell incomplete with less than a minute in the game and Florida ahead, 13-10, the Gators claimed their rights to be called the number one team in the state and ended the regular season with their best record, 8-3, since 1976.

When play started, FSU wasted no time in putting points on the scoreboard as they took an early 3-0 lead with 11:25 left in the first quarter on a Phil Hall 37 yard field goal.

The Seminoles began the second quarter with a 3-0 lead and quickly increased it to 10-0. Running back Greg Allen scored on a three yard run capping off a 7 play, 75 yard drive with 12:14 left in the first half.

Florida was able to cut the lead to 10-7 before the half ended as quarterback Bob Hewko scampered in from 10 yards out on an option play with 1:18 left in the half. The drive was highlighted by the running of tailback Lorenzo Hampton who carried four times for 57 yards.

Florida came out in the second half and engineered a 14 play, 73 yard drive which produced a Jim Gainey 23 yard field goal with 8:23 left in the third period. Hewko, who started the second half, completed two of three passes in the drive for 34 yards.

FSU had a chance to take the lead early in the fourth when they drove to the Florida nine yard line but Phil Hall's 26 yard goal attempt was off to the left.

It was then the Gators turn to break the deadlock and the damage was done by Jim Gainey who concluded an 18 play, 74 yard drive with a 22 yard chip shot. The UF drive started with 11:55 remaining in the contest and ended with 3:32 as the Gators utilized 8:23 off the clock during what wound up to be the winning drive.

From the locker room:

Florida coach Charley Pell: "I have to say that this was the greatest win I have ever been associated with — ever. I make that statement because it was a victory that came from the heart. We had lost our two starting tackles (Whitaker and Harris), our passing game was not working and we were playing an excellent football team. Our backup defensive linemen (Williams, Mitz, Hinson and Billet) were exceptional as was line-backer Fernando Jackson.

"I also think this was a great win for us because we are the state champions. Although I feel bad for our seniors that we couldn't win the conference championship, the state championship is about the sweetest consolation I can think of."

"There was no question that we wanted the winning field goal. We took the five yard penalty on purpose to give our kicker a little better angle on it."

"We were playing for the win and with the score tied with just a few minutes to go in the game it seemed to be the right thing to do."

"We switched to Hewko because Florida State had shut down our fine passing game. We wanted to put someone in there that could settle our offense down and Bob did a fine job of that."

Game notes:

— Florida's Wayne Peace established a new NCAA record for pass completion percentage, finishing at 70.73% (174-246). Peace eclipses the old mark of 70.70% owned by California's Rich Campbell in the 1980 season (193-273).

— With UF's 13-23 passing performance vs. FSU, the Gators established a new NCAA team record for pass completion percentage finishing the 1982 season with 68.8% mark on 203 of 295 passing. The old mark was held by the 1974 North Carolina team (67.8/122-180).

— With Lorenzo Hampton gaining 138 yards and Neal Anderson 103 vs. FSU, it marks the ninth time this season that a Florida running back has gone over 100 yards. This compares to only two in Charley Pell's three previous seasons at Florida.

— Lorenzo Hampton's 138 yards represents a new career high, breaking his old mark of 116 vs. West Texas State earlier in the season.

— Neal Anderson's 103 yard effort against FSU marked his third consecutive plus-100 yard effort. This is the first time a Gator back has rushed for three consecutive plus-100 yard efforts since Jimmy Dubose accomplished the feat in 1975.

— Florida has had two running backs rush for over 100 yards in the same game twice this season with Hampton's 138 yard effort and Anderson's 103 yard performance against the Seminoles.

— For the third consecutive game the Gator defense has not been scored upon in the second half of play (vs. Kentucky, Tulane and Florida State).

— The Gators controlled the ball in the second half for over 20 minutes against the Seminoles.

***Florida Football —
A Rich And Proud Tradition***

FLORIDA FOOTBALL HISTORY

Florida's Steve Spurrier won the 1966 Heisman Trophy, an honor that only 29 universities in the country can claim.

Florida, a charter member of the prestigious Southeastern Conference, started football in 1906 against Rollins on a baseball field located immediately north of the current Florida Field. That area is now called Fleming Field, used during the week for soccer and intramurals and on football weekends for parking.

The Gators won, 6-0, and went on the following year to record a 4-0-1 mark behind the running of a halfback named Willie Shands, who eventually became an important state senator for whom the Shands Hospital and Clinics at UF are named.

The finest of the early teams at Florida were under the tutelage of U. S. Army Major James A. Van Fleet, head coach and senior officer of the school's ROTC program. The Van Fleet teams in 1923-24 attracted national attention to the Gator football program for the first time.

In 1923 Florida tied Georgia Tech, the ruler of Southern football, 7-7, in Atlanta. The Jackets came from behind late in the game to earn the deadlock.

In the final game of that season Florida recorded one of the most shocking upsets of the year, beating Alabama and Wallace Wade in Tuscaloosa, 16-6, as All-Southern back Edgar Jones scored every point for the Gators.

Florida was 6-1-2 that season and 6-2-2 in 1924, recording 7-7 ties against both Georgia Tech and Texas, two of the national football powers, and losing to Army, 14-7, at West Point.

Florida's 1928 team led the nation in scoring on the way to an 8-1 record, losing its final game, 13-12, on a wet field in Knoxville, Tenn. to Tennessee.

The 1930's produced great individual talent at Florida. Walter (Tiger) Mayberry was an All-SEC halfback who was later to lose his life in World War II as an often-decorated Marine pilot. Tommy Harrison was a record-setting passer in the late '30s and went on to become president of Blair Radio and TV, a nationwide firm. His favorite target was end Forrest (Fergie) Ferguson, an all-star athlete

who died years later as the result of wounds suffered in the invasion of Normandy during World War II.

Bob Woodruff brought the Gators to solid football status as the head coach of the 1950's. He produced the first bowl team in 1952, All-America linemen like Charlie LaPradd, John Barrow and Vel Heckman and a reputation for hard-nosed defense.

Ray Graves came out of the decade of the 1960's as the winningest Florida coach of record. He was 70-31-4 with five bowl teams, four of which won. His only losing bowl team lost by two points to Missouri in the 1966 Sugar Bowl, 20-18.

That decade also produced Heisman Trophy winner Steve Spurrier, a record-setting passer, as was quarterback John Reaves in 1969, who smashed five national marks and still holds most passing and total offense records for the Gators.

The teams of Doug Dickey from 1970-78 went to four bowls. His 1973 team was the first Gator edition ever to defeat Auburn at Auburn and went on that year to beat Georgia, FSU and Miami in the same month, a rare feat for Florida.

Dickey's top players included All-Americans Jack Youngblood, defensive end; Wes Chandler, wide receiver; Sammy Green and Ralph Ortega, linebackers, and SEC rushing king Jimmy DuBose.

Charley Pell's rebuilding job began in 1979 and his last three Florida teams have gone to bowls, averaging nearly eight wins a season against one of the nation's most demanding schedules. His 1981 team, featuring All-America tackle David Galloway, led the SEC in total defense. Quarterback Wayne Peace broke the NCAA record for percentage of passes completed in 1982.

Since it began playing football in 1906, the Gators have had 24 first team All-Americans, a Heisman Trophy winner in Steve Spurrier (Florida is just one of 29 schools in the nation that can claim a Heisman recipient), 14 bowl teams, and numerous other regional and conference honors. Those achievements have all provided the base for a proud football tradition at Florida.

Tradition

"The Birth of a Nickname"

Reprinted from Florida Times-Union, August 2, 1948

"A Jacksonville lawyer 'christened' the University of Florida's football team 41 years ago when he gave a pennant-designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

"Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University of Gainesville had fielded its first team.

"Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Phillip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

"While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized, the new school had none.

"Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. 'I had no idea it would stick, or even be popular with the student body,' Miller said. 'We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term.

"The Michie manager complicated the 'christening' when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia.

"The first appearance of the alligator emblem, Miller recalled, was in his father's Gainesville store in 1908. The Michie firm had supplied 'Miller's' with the blue banners measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head."

San Diego's Wes Chandler was named the NFL's Player of the Year in 1982.

Cincinnati's Cris Collinsworth was named "Rookie of the Year" in 1981.

Football All-Americans

Dale VanSickle
End
1928

Florida's first All-American. A two-way offensive and defensive standout. Noted as one of college football's premier pass receivers. Played on the nation's highest scoring team (336 points in nine games). The late VanSickle went on to become one of Hollywood's top stunt men for nearly five decades and was twice president of the Motion Picture Stunt Men's Association. He died as the result of injuries in a stunt while in his late 60's.

Charlie LaPradd
Tackle
1952

Rugged lineman who was an army paratrooper prior to resuming his collegiate career. One of the most outstanding linemen in Florida history, he played offense and defense on the Gators' first bowl team which won 1953 Gator Bowl game. Later went into coaching at FSU then began a career in athletic administration. Was President of St. John's River Community College in late 1960's and is currently a Gainesville business executive.

John Barrow
Guard
1956

Consensus All-American and SEC lineman of the year in 1956. Went on to become an All-CFL lineman with Hamilton, playing 15 seasons. Retired and became general manager at Toronto and other CFL teams prior to going into business in Canada. Played in 1957 Senior Bowl game, plus North-South game. His son, Greg, was a letterman Gator tackle in 1980.

Vel Heckman
Tackle
1958

Came out of Pennsylvania to become one of the finest defensive tackles in Gator history. Not unusually big, he made up for it with great quickness and nose for the football. Played in 1959 Senior Bowl game. Following graduation, he went into coaching and finished his career in that area as head football coach at Lakeview of Winter Garden. Still resides in Winter Garden, where he is in private business.

In two seasons he has made 27 stops behind the line of scrimmage. Only junior among finalists for Lombardi award in 1982, and heads into senior campaign of 1983 as one of top candidates for this honor.

FLORIDA BOWL HISTORY

Florida's first bowl trip came after the 1952 season as the Gators headed to the Gator Bowl in Jacksonville to face Tulsa on January 1, 1953.

Powered by the running of Rick Casares and J. (Papa) Hall the Gators edged the Golden Hurricanes, 14-13, as Tulsa senior Tom Minor missed the first PAT attempt of his career. Gator All-America tackle Charlie LaPradd was the game's defensive hero.

Quarterback Jimmy Dunn and All-SEC end Dave Hudson led Florida back to the Gator Bowl in 1958 where they lost to Mississippi, 7-3. Ray Graves' first Florida team returned to the Jacksonville classic after the 1960 season and knocked off Baylor, 13-12, behind the running of Don Goodman and quarterback Larry Libertore.

One of the biggest upsets in Gator Bowl history took place in 1962 when heavily-favored Penn State was soundly beaten by the Gators, 17-7, led by quarterback Tom Shannon and a stout defense.

In 1966 Florida fell behind Missouri, 20-0, in the Sugar Bowl and rallied for 18 points in the final quarter behind quarterback Steve Spurrier. Each Gator touchdown was followed by a two-point conversion attempt and all of them failed.

Spurrier became the first player from the losing team to be named the game's most outstanding player in the history of the Sugar Bowl. He broke six bowl records in the contest.

The Gators got back on the winning track the following year in the Orange Bowl, beating Georgia Tech, 27-12, behind Heisman Trophy winner Spurrier. It was Bobby Dodd's final game as Tech's head coach and Florida made it an unhappy night for him. Larry Smith set a bowl record by running 94 yards for a touchdown for the Gators, almost losing his pants on the way.

In Ray Graves' final game as Florida's coach he watched his young team beat SEC champion Tennessee, 14-13, in the 1969 Gator Bowl. Florida's defense was superb with a blocked punt by Steve Tannen resulting in one TD and an interception setting up the other.

In 1973 the Tangerine Bowl was played in Gainesville due to construction at the Orlando stadium site. It was 27 degrees when the game started and Miami of Ohio loved every minute of it en route to a 16-7 upset. Florida nearly pulled a major upset next season, leading Nebraska 10-0 and scoring an apparent TD on a 26-yard run by Tony Green, only to have it ruled out-of-bounds. The Huskers came back in the Sugar Bowl to win 13-10. Florida's stars were All-America linebackers Ralph Ortega and Glenn Cameron, defensive end Preston Kendrick, the game's most outstanding defensive player, and running back Green.

The Gators returned to the Gator Bowl in 1975 and were soundly beaten in the rain by Maryland, 13-0. In 1975 powerful Texas A&M routed Florida, 37-14, in the Sun Bowl.

Charley Pell's first bowl team at Florida came in 1980 and the Gators played outstanding football in the Tangerine Bowl to whip Maryland, 35-20, behind All-America wide receiver Cris Collinsworth, the game's most valuable player. All-America David Galloway was the most outstanding defensive player of the contest.

In the cold of Atlanta, Ga. in the 1981 Peach Bowl the favored Gators were stunned by West Virginia's under-rated Mounties, 26-6.

On New Year's Eve of 1982 the Gators made their third consecutive bowl appearance as they took on Arkansas in the Bluebonnet Bowl in Houston's Astrodome. Leading 17-7 at the half, an injury riddled Florida defense could not hold Arkansas as the Razorbacks rallied for a 28-24 win. Wide receiver Dwayne Dixon was simply superb as he caught eight passes for 106 yards and three TD's (a new Bluebonnet Bowl record). He was named Florida's MVP.

Bowl History

1953 GATOR BOWL

January 1, 1953 - Jacksonville, FL
Florida 14, Tulsa 13

Florida jumped out to an early two touchdown advantage, then held off a Tulsa rally to win the 8th annual Gator Bowl game.

The Gators, 7-3 during the regular season, were a one-touchdown pregame favorite in the school's first post-season bowl appearance. The victory climaxed the Gators' best season since 1929.

Tulsa took the game's opening kickoff and drove all the way to the UF 22. However, the Florida defense rose up to stop the drive as Tulsa came up scoreless. Coach Bob Woodruff's squad then drove 78 yards for the first score. Rick Casares did the final damage as he scored from the two.

Florida's second scoring drive came in the second period. Backup quarterback Fred Robinson hit Jimmy Hall for 37-yards and the touchdown. Casares attempted the PAT which fell unsuccessful. A penalty resulted in a second chance for Florida, however, as Casares came through this time to extend the Florida lead to 14-0.

Hall led all rushers with 94 yards on 17 carries. Casares chipped in 86 on 21 runs.

In the third quarter Tulsa trimmed the UF advantage when John Roberts ran in from three-yards. Tulsa quarterback Ronnie Morris finished the game 10 of 18 through the air for 132-yards. Tulsa runner Howard Waugh, the leading rusher in the nation during the regular season, finished the game with only 65-yards.

Waugh added a two-yard run to make the score 14-13. Florida. Tulsa went for two points and the victory, however, Waugh's run fell short as the score remained 14-13.

1958 GATOR BOWL

December 27, 1958 - Jacksonville, FL
Mississippi 7, Florida 3

The Gators, making only their second post-season appearance in the school's history, suffered a tough 7-3 loss to SEC-foe Mississippi.

Mississippi won the toss and proceeded to take advantage of the opening possession. Driving 70 yards on 11 plays, Rebel running back James Anderson scored from the 1-yard line for the points. The big play of the drive came on a Rebel fumble at the Florida 34. Kent Lovelace lost the ball, but managed to recover and gain two yards on the play.

Florida's Jimmy Dunn took the ensuing kickoff and ran 56-yards to the Mississippi 30. Four plays later, Florida settled for a 17-yard field goal by Bill Booker to cut the Mississippi lead to 7-3. Booker's field goal would finish the scoring in the game.

The second half was a defensive struggle. Florida gained just 66-yards total offense compared to a 45-yard effort by the Rebels.

In the fourth period, Florida punter Bobby Joe Green booted a Gator Bowl record 76-yarder from his own 13-yard line. The kick shattered the old mark of 59-yards.

Florida's final scoring chance came late in the game. The Gators drove down to the Ole Miss 15-yard line. Jimmy Dunn tossed an errant pitch which was recovered by Bull Churchwell for the Rebels.

For the game, Florida's Dave Hudson received MVP honors for the losers, while Bobby Franklin took home honors for the victors.

Bowl History

1960 GATOR BOWL

December 31, 1960 - Jacksonville, FL
Florida 13, Baylor 12

Florida established a school record with this 13-12 win over the Baylor Bears. The Gators finished with a 9-2 record, the most wins ever for a Florida contingent. A record crowd of 50,122 saw UF coach Ray Graves get his first bowl win as a head coach.

Baylor's opening drive accounted for 74 yards. From the UF 1-yard line, however, the Bears fumbled the ball away. The next time the Bears had the ball another fumble resulted with Florida guard Chet Collins recovering on the Bears' 20.

With Larry Liberto at quarterback, Florida needed just five plays to score. Fullback Don Goodman ran in from 3 yards for the touchdown. Billy Cash kicked the point-after as UF took a 7-0 advantage with 8:42 left in the first period.

Just before intermission Baylor got the ball on its own 11-yard line. Quarterback Ronnie Stanley was hit in the endzone attempting to pass. Larry Travis recovered for UF.

Baylor scored on the first play of the fourth quarter as Ply hit Ronnie Goodwin for a 12-yard touchdown. Larry Corley missed the extra point for the Bears.

The final scoring drive by Baylor came late in the game. Driving 67 yards on eight plays, Ron Bull capped the march with a 3-yard run for a touchdown. Trailing 13-12, Baylor quarterback Bobby Ply decided to go for a two-point conversion. Ply's pass to halfback Ronnie Goodwin fell incomplete as the Gators escaped with an emotional 13-12 victory.

1962 GATOR BOWL

December 30, 1962 - Jacksonville, FL
Florida 17, Penn State 7

A crowd of over 50,000 saw sophomore quarterback Tom Shannon lead Florida to a 17-7 upset win over Penn State in the 18th annual Gator Bowl classic.

Coming into the game Penn State, 9-1 on the regular season, held a #9 national ranking. Florida, 6-4 on the year, used a solid ball control offense that held possession of the football for nearly 41 minutes in the game.

Following a Lion turnover at the State 28-yard line, Florida kicker Bob Lyle booted a 43-yard field goal to open the scoring. Another PSU turnover, this one coming on a fumbled punt by Don Caum, gave Florida the ball on the State 24.

Seven plays later, Shannon connected with Larry Dupree for a 1-yard touchdown pass. Jimmy Hall added the extra point to give Florida a 10-0 advantage.

Penn State's only score came on a 76-yard drive. The 18-play drive was highlighted by quarterback Pete Liske's five completions. Liske romped in from 1 yard for the score. The extra point trimmed the Florida lead to 10-7.

Near the end of the third quarter, a Pete Liske pass was intercepted. Shannon connected on a 22-yard completion which brought the ball to the Penn State 19-yard line. Shannon fired a pass to Clarke to give Florida its final 17-7 advantage.

Florida's defense held Penn State to just eight first downs and 139 yards total offense. The victory also marked coach Ray Graves' second Gator Bowl championship in three tries.

1966 SUGAR BOWL

January 1, 1966 - New Orleans, LA
Missouri 20, Florida 18

A fourth quarter Gator rally led by the passing arm of All-American Steve Spurrier came up just a little short as the Missouri Tigers escaped with a 20-18 heartstopping win in the 32nd annual Sugar Bowl classic.

Missouri jumped out to a 17-0 halftime advantage behind touchdowns by Charlie Brown and Earl Denny. Kicker Bill Bates added two extra points and a 27-yard interception to give the Tigers their comfortable halftime lead.

Bates added a three-pointer from 34 yards in the third quarter as Missouri fans felt a sure victory.

For the game, Spurrier completed 27 of 45 attempts for a Sugar Bowl record 352 yards. Spurrier also ran in from one yard for a score. During the game Spurrier set several Sugar Bowl passing records and was named recipient of the Miller-Digby Memorial Trophy as the game's MVP.

The turning point of the game came when Missouri QB Gary Lane failed on a fourth-and-inches from the Florida 13. From there, Spurrier drove the Gators 87 yards on 13 plays. Spurrier connected with Jack Harper on a 22-yarder to cap the drive. With 10:31 left in the contest Florida trailed 20-6.

After the ensuing kickoff, Missouri fumbled the ball on its second offensive play. Florida's George Grandy recovered on the Missouri ten-yard line.

Three plays later, Spurrier took it in from the one-yard line. On the PAT holder Allan Poe. The aerial fell incomplete with the clock showing 7:59, and the Gators trailing 20-12.

Running back Charlie Brown once again helped the Tigers hold the ball. Brown, who finished the game with 121 yards rushing, helped the Tigers hold the pigskin for nearly three minutes.

Bowl History

Florida, however, took over with 4:58 remaining. Driving 81-yards Spurrier capped the drive with a 21-yard touchdown to favorite target Ben Casey. Casey made a spectacular catch as the Gators trimmed the Missouri lead to 20-18 with two minutes left in the game. Once again, they failed on the 2-point try.

The Gators had one final chance with just 48 seconds remaining. Starting 97-yards from the goal line, Florida's clock struck midnight with the Gators driving on the Tiger 33-yard line.

1967 ORANGE BOWL

January 1, 1967 - Miami, FL
Florida 27, Georgia Tech 12

Sophomore tailback Larry Smith romped for an Orange Bowl record 187 yards as the slightly underdog Gators defeated Georgia Tech 27-12, in the 33rd annual Orange Bowl.

Florida, coming into the post-season bowl with a three-game losing streak to Georgia Tech, spotted the Ramblin' Wreck a 6-0 advantage. Kim King led Tech as he rifled a 10-yard throw to wingback Craig Bagnham with less than five minutes gone.

Steve Spurrier, who was named the Heisman Trophy winner a few weeks earlier, completed 14 of 30 passes for 160-yards. Florida's offense couldn't muster any movement until just before intermission. With 30 seconds left, McKeel scored from 1-yard out. Wayne Barfield kicked his 30th consecutive PAT, as Florida took a 7-6 halftime lead.

With 1:01 left in the third period, Smith took off on a 94-yard jaunt. Smith's run made it 14-6. McKeel followed that with his second scoring run of the game as Florida built a 21-6 advantage.

Back-up Tech quarterback Larry Good then went to work. Good, kept one for himself as he rambled 25-yards for a score with 5:34 remaining. Ahead 21-12, Florida scored one more time before the final gun. An interception by Larry Rentz, followed by a 29-yard return, gave the Gators a first down on the Tech 21. Two plays later, substitute QB Harmon Wages passed from 5-yards out to Jack Coone.

1969 GATOR BOWL

December 27, 1969 —Jacksonville, FL
Florida 14, Tennessee 13

Amidst rumors of a coaching change, an underdog Florida squad pulled off a major upset by defeating the 1969 SEC champion Tennessee Volunteers, 14-13, in the Silver Anniversary Gator Bowl football game.

A scrappy defense, led by linebacker Mike Kelly, would prove to be the difference. For the game, Kelly intercepted a pass, picked up a Tennessee blocked punt and rambled eight yards into the end-zone, and recovered a fumble deep in Tennessee territory.

After an unsuccessful series in the first period, the Vols' Herman Weaver dropped back to punt. All-American defensive back Steve Tannen blocked Weaver's boot as Kelley picked up the ball, and ran eight yards for the score.

In the second quarter, Tennessee quarterback Bobby Scott lofted a 43-yard pass to wingback Lester McClain, for the big play in a 63-yard touchdown drive. Scott, again hit McClain, this time on a 12-yarder for the score. Added to an earlier field goal by George Hunt, the score gave Tennessee a 10-7 lead, with 7:57 left before intermission.

In the second half, Florida quarterback John Reaves engineered a 67-yard march. All-American Carlos Alvarez nabbed the winner on a nine-yard scoring strike. Franco added the PAT and Florida led 14-10 with 8:11 left in the third quarter.

The Florida defense then prevented Tennessee from capitalizing on a 78-yard drive. From the Florida one, the Gators stopped a Curt Watson plunge up the middle, as the Gator offense took over.

Tennessee added a 26-yard field goal by George Hunt with 10:27 left in the game to trim the final Gator advantage to 14-13.

The nine victory season for Florida equaled the UF record for the most wins in a season, matching the total set in Ray Graves' debut season of 1960. Tennessee fell to 9-2 in coach Doug Dickey's final game as the Vols' head man.

1973 TANGERINE BOWL

December 22, 1973 — Orlando, FL
Miami (0) 16, Florida 7

An underdog Miami (Ohio) Redskins club, 10-0 and champions of the Mid-America Conference took advantage of non-Florida temperatures in the mid 20's as they upset the Gators 16-7 in the Tangerine Bowl.

A crowd of 37,234 witnessed the game played at Florida Field due to construction on the T-Bowl stadium in Orlando. The Florida offense, led during the second half of the season by quarterback Don Gaffney, and halfback Nat Moore, managed to gain only 189 total yards (90 rushing and 99 passing) against the 'Skins.

The lone Gator points came with just 2:15 left in the contest as Nat Moore dove in from one-yard. Quarterback Don Gaffney, who had captained Florida to five straight victories, suffered a back injury midway through the second period.

On the 'Skins second possession of the game, Miami moved down to the Florida nine-yard line. David Draught kicked a 26-yard field goal to open the scoring at 5:54 of the first period.

After Gaffney's injury, backup quarterback Robbie Davis entered for Florida. On his first play from scrimmage Davis' pass was intercepted by cornerback Don Rebich. Draught added his second kick, a 27-yarder as the 'Skins led 6-0.

The game was decided on the ensuing kickoff as Florida deep-man Larry Brinson fumbled the ball at the goal line. Brinson kicked the ball forward as Miami's John Fry recovered the ball at the eight-yard line.

Two plays later, Vamer bullied in from three yards. Draught added the conversion as Miami led 13-0 with 2:08 left in the third period.

Overall, the Gator passing attack managed to complete just 9 of 21 passes for 90 yards. In the game, Florida suffered seven turnovers, including three fumbles.

1974 SUGAR BOWL

December 31, 1974 — New Orleans, LA
Nebraska 13, Florida 10

A heavily favored Nebraska Cornhusker team squeaked by a gallant Florida Gator squad, escaping with a 13-10 victory in the 41st Sugar Bowl Classic.

Nebraska came into the game favored by as much as 13 points, in the first ever gridiron battle between the two intersectional opponents.

Florida opened the scoring with a 21-yard first quarter ramble by freshman back Tony Green. Green's score was set up by a 21-yard interception return by UF defensive back Randy Talbot.

The turning point in the game came in the third quarter when Florida failed to score on two attempts from one yard out. From the Nebraska 34, Green straddled the sidelines all the way to paydirt. A late flag from the back judge, however, called the score back and placed the ball on the five yard line. Florida was unable to regroup as the Nebraska defense prevented the Florida score.

Florida's defense played a superb game, stopping Nebraska's All-American quarterback, David Humm. Humm threw three interceptions, to go with just two completions on 11 attempts for a paltry 16 yards.

Nebraska coach Tom Osborne went to his bench as he lifted Humm for backup Terry Luck in the 3rd period. Nebraska put together a masterful 99 yards in 18 plays drive capped off by a two yard score by Monte Anthony. Anthony's score, followed by Mike Coyle's PAT trimmed the Gator advantage to 10-7 with 13:24 remaining in the game.

After a tough defensive stand, Nebraska regained the ball, with Coyle adding a 37-yard three-pointer to knot the score at 10-10.

Coyle added his game winner with just 1:46 remaining at the Huskers capped off a 13 point fourth quarter rally to pull out a win in the final collegiate game played in Tulane Stadium.

1975 GATOR BOWL

December 29, 1975 - Jacksonville, FL
Maryland 13, Florida 0

An underdog Maryland Terrapin squad upset the No. 13th-ranked Florida Gators in the 31st annual Gator Bowl football classic before a rain-drenched 64,012 onlookers.

Florida came into the contest with a powerful offense that had averaged 405.4 yards a game during the regular season.

With a cool breeze blowing off the St. Johns River, along with a possibility of showers, the game threatened to be controlled by the elements. The Gators, however, did not wait for rain as they fumbled on the third play from scrimmage. Tony Green lost the ball at the UF 29, as defensive guard Paul Divito recovered. After a Maryland first down, the Gator defense toughened as UM had to settle for a 40-yard field goal try by Mike Sochko. The kick sailed wide right to keep the game scoreless.

Florida's offense coughed up the pigskin for a second time as quarterback Don Gaffney surrendered an interception to linebacker Kevin Benson. Benson returned it for three yards to the Florida 44.

The Terps refused to pass up another scoring opportunity as Maryland QB Larry Dick tossed a 19-yard scoring pass to wide receiver Kim Hoover. After a Sochko PAT, Maryland showed a 7-0 lead with 6:15 left in the opening period.

Jimmy Dubose, Florida's All-SEC fullback who rushed for a school record 1,307 yards during the regular season, finished the game with 95 yards on 18 carries.

Kicker Mike Sochko chipped in two field goals of 20 and 27 yards to round out the scoring in the rain-marred contest.

The loss dropped Florida to 9-1 on the year.

1977 SUN BOWL

January 2, 1977 — El Paso, Texas
Texas A&M 37, Florida 14

This game was never close as the Aggies of Texas A&M rolled to a 37-14 win before a Sun bowl record crowd of 33,252. Florida, 8-3 during the regular season, came into the game with the SEC's leading offensive unit. On this particular day, however, the Aggie defense limited Florida to just 222 total yards. Florida also suffered five turnovers in the game.

The Aggies opened the scoring on a Tony Franklin 39-yard field goal midway through the first period. Franklin would finish the game with three field goals, including a bowl-record 62-yarder in the second period. For his efforts, Franklin was selected as the game's most valuable player.

Gator quarterback Jimmy Fisher, the offensive leader for the Gators during the year, injured his thumb early in the game finishing with just 42 passing yards.

The Aggies scored the only touchdown of the first half when quarterback David Walker ran around right end for a nine-yard score. Walker's run, followed by a Franklin PAT, gave the Aggies a 13-0 lead. Franklin added his third field goal just before intermission to give the SWC club a 16-0 halftime lead.

Fullback George Woodard did most of the damage in the third quarter, as the 250-pound back scored from 1-yard to make it 22-0, Aggies. Woodard finished the game with 124 yards on 25 carries. Woodard scored three touchdowns in the game, two via the run and one on a 15-yard pass reception.

Florida's first touchdown came on a fancy end-around by Wes Chandler. Chandler scampered untouched into the end zone for his score. David Posey added the PAT. The drive covered 80 yards for the Gators.

Backup quarterback Terry LeCount, playing his first game at QB since the Houston contest, ran for a score from 1-yard out. Posey added his second PAT as Florida pulled to within 30-14.

Woodard's third score, a 15-yard pass from Walker, provided the final margin of victory for the Aggies.

1980 TANGERINE BOWL

December 20, 1980 — Orlando, FL
Florida 35, Maryland 20

Head coach Charley Pell capped off one of the biggest turnarounds in college football history with a 35-20 UF win over the Maryland Terrapins.

With the victory the Gators became the first team in major college football history to rebound from a winless season with a bowl victory just one year later.

Quarterback Wayne Peace completed 20 of 34 aerials, including two touchdown passes to the game's most valuable player Cris Collinsworth. On the night Peace finished with 271 yards as the freshman from Lakeland, Florida picked apart the Terp defense.

Collinsworth led Gator receivers with 166 yards. Peace struck quickly as he hit Collinsworth on a 24-yarder for a score. James Jones' two-yard bump gave the Gators a first half lead.

The Terrapins were led by Charles Wysocki, who had a busy night. Wysocki carried the ball. Tangerine Bowl-record 39 times, while gaining 15 yards and a touchdown.

Both clubs struggled early, offensively, as the defenses prevented any scoring. Maryland's Dal Castro kicked a 35-yard field goal with a 3:38 left in the opening period. With just over a minute left in the quarter Peace connected with Collinsworth on a 22-yarder. Two minutes later Peace hit Collinsworth with a 24-yarder scoring strike. Bria Clark added the PAT and Florida led 7-3.

Peace finished the first half 11 of 15 for 150 yards with 93 of those coming from Collinsworth. Jones added his 2-yard score as Florida took a 14-9 lead into the locker room.

In the third period Wysocki bulled in from one yard, and Maryland quarterback Mike Tice added a two-point conversion as the Terrapins took a 17-14 advantage. Mike Castro added a 42-yard field goal as the Terps extended their lead to 20-14.

The Gators rebounded with a 13 play, 81 yard drive, kept alive with big third and 10-Peace-to-Collinsworth completion that netted 12. Peace rolled in from one, as the Gators took the lead for good at 21-20.

Peace tossed a pin-point 26-yard touchdown pass to Collinsworth to extend the Florida advantage to 28-20. Florida's Tim Golden intercepted a Tice pass which set up the final score; a 2-yard run by Johnell Brown with 9:31 left.

1981 PEACH BOWL

December 31, 1981 — Atlanta, GA
West Virginia 26, Florida 6

A 13-point underdog, West Virginia football team totally outplayed the Gators, rolling to a 26-6 win in the 14th annual Peach Bowl.

The Gators finished the game with a season low 105 yards, as quarterback Wayne Peace trying to escape the Mountaineers' defensive blitz, had a nightmarish game. For the game Peace completed just six of 13 passes with two interceptions, and 47

yards. Backup QB Bob Hewko played the final nine minutes, completing five of seven passes for 80 yards. Hewko engineered the only Gator scoring drive connecting with tight end Chris Faulkner on a 22-yarder late in the game.

On West Virginia's first possession quarterback Oliver Luck drove the club 77 yards in 11 plays for a touchdown. Luck hit running back Mickey Walczak on a seven yarder as WV led 7-0, after the conversion.

A Peace pass was picked off after the West Virginia opening score at the Gator 27 by Lind Murray. Murray scampered down to the Florida 15-yard line. Florida's strong safety Kyle Knight then returned the favor two plays later as he made a diving interception. Once again a Florida turnover became the ultimate result.

On the ensuing drive, Florida was unable to move the football, and West Virginia took over on the Florida 31, after a punt. This time Woodside nailed a 35-yard three-pointer to give West Virginia a 10-0 advantage with 9:38 showing in the second period.

Woodside, who would finish the game with four field goals (Peach Bowl record), including a 49-yarder (longest), kicked two more before intermission (42 and 49), to make it 16-0, West Virginia.

In the third period, West Virginia drove to the Florida seven, before settling for a 24-yarder by Woodside. The final West Virginia score came at 12:01 of the fourth period, as Luck handed off to Walczak for a one-yard sweep. Woodside after the PAT, gave the Mountaineers' a 26-0 margin.

1982 BLUEBONNET BOWL

December 31, 1982 — Houston, TX
Arkansas 28, Florida 24

Lou Holtz' Arkansas Razorbacks rallied in the second half for a 28-24 Bluebonnet Bowl victory over the Florida Gators. Senior tailback Gary Anderson's 161 yards and two touchdowns on 26 carries led a Hog running attack which ran 69 times for 358 yards. For the game Arkansas finished with 480 yards and 23 first downs.

For nearly three quarters of play the star of the game was Florida quarterback Bob Hewko. Hewko playing in his last collegiate game received the starting nod from Charley Pell. Hewko responded to the task by completing 19 passes on 28 attempts for 234 yards, including three touchdown passes to Dwayne Dixon.

Dixon caught six aeriels in the first half, including scoring strikes of 3 and 13 yards. In the third quarter Dixon would catch another touchdown on a picture-perfect 17-yarder.

Florida took the opening kickoff, but on the first drive fullback James Jones fumbled the ball at midfield. Arkansas' Danny Walters recovered the ball as the Hogs took over.

Arkansas went 50 yards on seven plays with Gary Anderson running around the left side for the final 17-yards. Martin Smith added the PAT as the Hogs jumped out in front 7-0.

The Gators responded with 17 unanswered points after the Anderson score. Florida put together scoring drives of 74, 77, and 80 yards versus the Arkansas defense.

Florida's first score came on an 11-play, 74-yard march which was capped by a 3-yard slant in pass from Hewko to Dixon. Bobby Raymond booted the PAT as the Gators knotted the score at 7 with 5:30 remaining in the first quarter.

On its next possession Florida drove from its own 5-yard line to the Arkansas 18. Raymond, replacing injured kicker Jim Gainey, kicked a 34-yard field goal, his first collegiate field goal.

With just :42 remaining in the first half it was Hewko-to-Dixon again. A 10-play, 80-yard march was capped off with a 13-yard scoring strike to the Gators' leading receiver. Leading 17-7 at the half Florida's offense had gained 291 first half yards. Hewko had gained 162 of those on his 13 of 18 passing performance.

In the third period the Hogs put together an 80-yard drive on 10 plays with Anderson diving in from one-yard as the Southwestern Conference foe trimmed the Gator lead to three points at 17-14.

Florida scored its final points of the contest when Hewko connected with a perfect lob in the corner of the endzone for a third score to Dixon. Raymond added his third PAT of the night as Florida led 24-14 with nearly three quarters gone.

The fourth quarter was all Arkansas as the Hogs rallied from the 10-point deficit. Quarterback Tom Jones drove the Hogs 85-yards on 12 plays. Jones hit fullback Jessie Clark on a 5-yard score on the third play of the fourth quarter. Martin Smith added the extra point as Arkansas closed the gap to 24-21 with nearly fourteen minutes of action remaining.

Florida's next possession started on the Gator 44. No success resulted in Ray Criswell's punt which sailed into the endzone for a touchback.

Like clockwork, however, the Hogs drove down to the goal-line on 10 plays. The Arkansas passing attack which threw only 12 times during the game provided the big play of the final scoring drive. Taylor connected with Kim Dameron on a 33-yard gain on the second play of the final scoring drive. The running attack did the rest of the damage as Tom Jones' 1-yard plunge with 8:04 remaining gave Arkansas the lead for good. Martin Smith added the PAT as Lou Holtz' squad claimed the final 28-24 advantage.

Florida — A Commitment To Excellence

Florida Athletic Director Bill Carr and Head Football Coach Charley Pell have made a commitment to excellence. Every aspect of the athletic program at Florida—from the facilities to academic student life to the Florida personnel and staff—is of the highest caliber. Dramatic improvements are taking place every day. In short, the Florida athletic program has already become one of the finest in the land — and continues to climb.

The University of Florida

THE SOUTHEAST'S LEADER GAINS NATIONAL PROMINENCE

The Century Tower Carillon (Above) houses 49 bronze bells and has become a trademark of the UF campus. The J. Wayne Reitz Student Union (Opposite page) is a hub of activity situated beside a serene duck pond.

"Compared with most of the South's other state schools, the University of Florida is like fresh-squeezed orange juice alongside the stuff that comes in a can. With bushels of undergraduate, graduate and professional programs, as well as sophisticated science and research facilities, it is rapidly approaching the status of Texas, Duke, North Carolina, Vanderbilt and the other academic leaders of the new South."

—The Selective Guide to Colleges

The facts tell the story—the University of Florida, with over 34,000 students, is the most highly-regarded institution of higher learning in the Southeast. UF, along with Ohio State and the University of Minnesota, offers more academic programs on a single campus than any other university—in the nation.

Says "The Insider's Guide to Colleges," "Those who automatically equate school in Florida with a four-year party should be set straight. The University of Florida is ranked among the top five in the nation for the number of courses offered on a single campus, and is also the largest university in the Southeast."

Here are just a few of the reasons Florida is considered the cream of the crop:

ENGINEERING—UF's College of Engineering ranks 13th among the nation's 250 engineering schools in the attraction of sponsored research support. It is tops in the south with \$13,446,419 worth of funded research and outdraws such schools as Georgia Tech, Texas, UCLA, Carnegie Tech, Princeton, Harvard, Cal Tech and all state universities along the eastern seaboard.

BUSINESS—UF's business faculty ranked 13th in the nation and tops in the Southeast in the most recent survey of scholarly papers in the leading journals of five business fields. Florida has the best manufacturing business climate in the nation, according to the Council of State Manufacturer's Associations. Recruiters say, "If you want 'em to hit the ground running, hire a Florida graduate." Maybe that's why IBM hired over 100 UF graduates last year, bachelor's through PhD.

COMPUTERS—UF's computer graphics lab is among the nation's top ten, along with such prestigious colleges as Cornell, Ohio State and Utah.

LAW—UF is among the nation's five to seven state-supported law schools considered excellent, with a 23:1 student/teacher ratio. UF's law students rank among the nation's top 10 percent of law school student bodies. Its legal information center of 345,000 volumes is considered among the top law libraries, and its operating budget of \$4,934,000 ranks it among the very top law schools in the nation. It is said to have progressed farther faster in the past decade than any other major state-supported law school.

EDUCATION—UF's College of Education was rated first in the Southeast and 16th in the nation by the most recent national ranking of education colleges. The director of the National Council of Teacher Education wrote that UF's programs are "among the most outstanding that the NCATE has evaluated."

JOURNALISM—Housed in a beautiful new \$6.3 million building, UF's College of Journalism & Communications was among only 14 of the 1,000 universities in the nation that offer journalism to be accredited in four areas: journalism, broadcasting, public relations and advertising. UF's student television station, WUFT-TV, is number one in the nation—it has a bigger audience share than any other PBS station. College of Journalism and Communications students have won the equivalent of the "Pulitzer Prize for College Journalism" 11 times over the past 22 years. The next closest competitor, Nebraska, has won it only three times, Kansas State twice and no other university more than once.

MEDICINE—The J. Hillis Miller Health Center is among the nation's most comprehensive centers of patient care, education, research and wellness-oriented community outreach services.

VETERINARY MEDICINE—UF's College of Veterinary Medicine has established the nation's first Equine Neonatal Intensive Care Unit.

SCIENCE—Seven of the most cited scientists in the world are at the University of Florida, four of them in the College of Liberal Arts and Sciences, three in the Department of chemistry. UF has more scientists on the Institute for Scientific Information list than any other state university in the South.

FINE ARTS—Eighty percent of the faculty members of the College of Fine Arts is listed in "Who's Who in American Art," more than any other university in the South.

So the facts tell the story. This is THE University of Florida, an institution that is rapidly taking a national lead in higher education.

Commitment To Academics: The Office Of Student Life

In the Office of Student Life, located in the University of Florida's Yon Hall Dormitory, a plaque hanging on a wall explains the philosophy of the office and the athletic department. It reads:

"This office is based on the theory that student athletes are our most important concern and dedicated to exhausting every way possible to insure their success."

The University of Florida works hard to make sure the "student" retains its importance in the term "student-athlete." That's why Head Football Coach Charley Pell established the Office of Student Life, a pioneer effort in college athletics. It's because the student athlete faces unique pressures and problems and needs help in handling those situations.

The office is located in Yon Hall, Florida's athletic dormitory. In addition to the main offices, which provide counseling areas and house the academic counselors, Yon Hall houses seven tutoring and study rooms.

The staff offers advisement and career counseling, plus help with any scheduling conflicts that might arise. "Student athletes have a limited amount of time," says

Wright Waters, Director of the OSL. "We try to make sure they do the right things with the time they have."

Under the direction of Waters, the Office of Student Life staff consists of four professionally-trained counselors: Robert "Bo" Bayer, a former high school guidance counselor and football coach in St. Petersburg; Ann Hughes, a former academic counselor for athletes at the University of Nebraska; Pete Teixeira, a former Gator baseball pitcher who has a degree in counselor education, and Charlie Williams, a former UF linebacker who works with Waters and Bayer while pursuing two advanced counselor education degrees. "Our concern is for the 'complete' person, not just the athletic side of an individual," says Waters.

The Office of Student Life's services do not stop at scheduling classes. They continue throughout the college career of the Gator athlete. During the freshman year, it's a time for dealing with the student-athlete's transition from high school. The sophomore year is a time for choosing a major and working on career development. The junior year is a time for more advisement, with the senior year geared more toward the actual career or job placement.

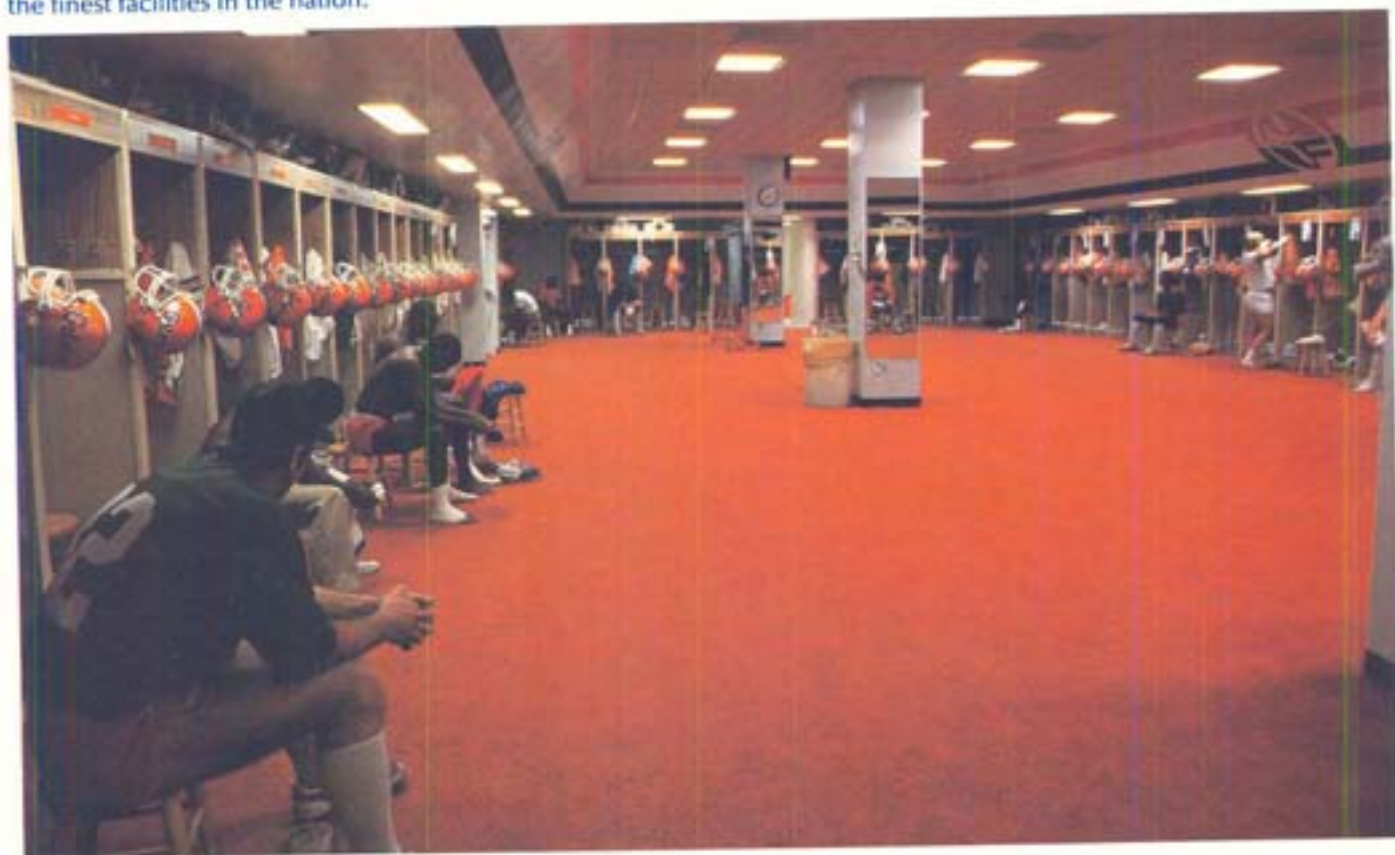

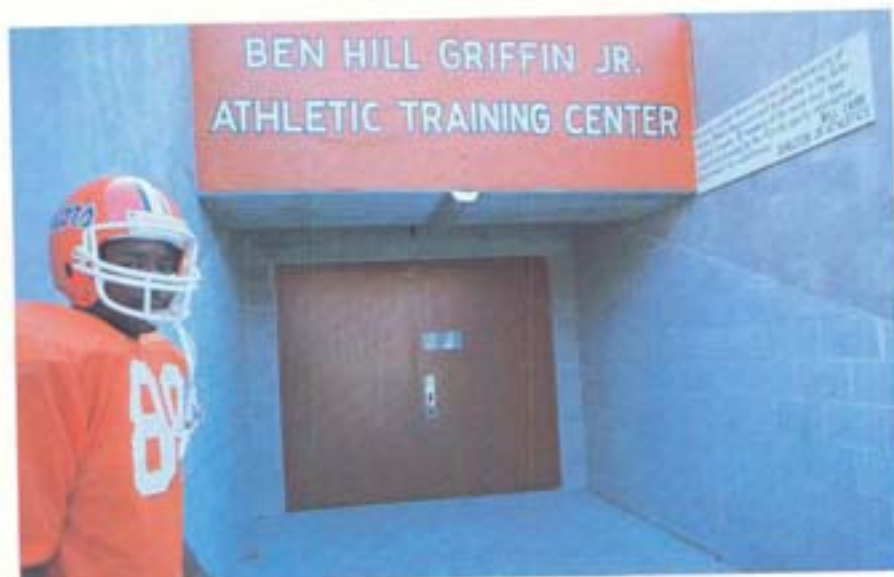

Facilities —

SIMPLY THE BEST IN THE COUNTRY

Florida's commitment to excellence is, perhaps, best exemplified by its athletic facilities. And, as athletic facilities go, the 26,200 square feet Ben Hill Griffin, Jr. Athletic Training Center is second to none. In the words of Head Football Coach Charley Pell, the Center is "simply the best in the country—bar none."

Located beneath the South end zone at Florida Field, the Center includes a spacious locker room carpeted in bright Gator orange and trimmed with the UF logo; team and position meeting rooms; a modern equipment room; a tremendous training and rehabilitation center with all the modern equipment; and a 5,650 square feet strength and conditioning room that features nautilus and free weight equipment.

Combined with 72,000-seat Florida Field, Yon Hall athletic dormitory and the practice areas, the Ben Hill Griffin, Jr. Athletic Training Center makes for the finest facilities in the nation.

Florida's Facilities— A TRUE HOME ADVANTAGE

There's no place like home—especially when it's the University of Florida.

Florida's athletic facilities are geared toward the total development of the student-athlete. All facilities are located within easy walking distance of the Yon Hall dormitory, Florida's athletic dormitory. Florida Field, with over 72,000 seats, houses Yon Hall, along with the athletic department offices and the Ben Hill Griffin, Jr. Athletic Training Center.

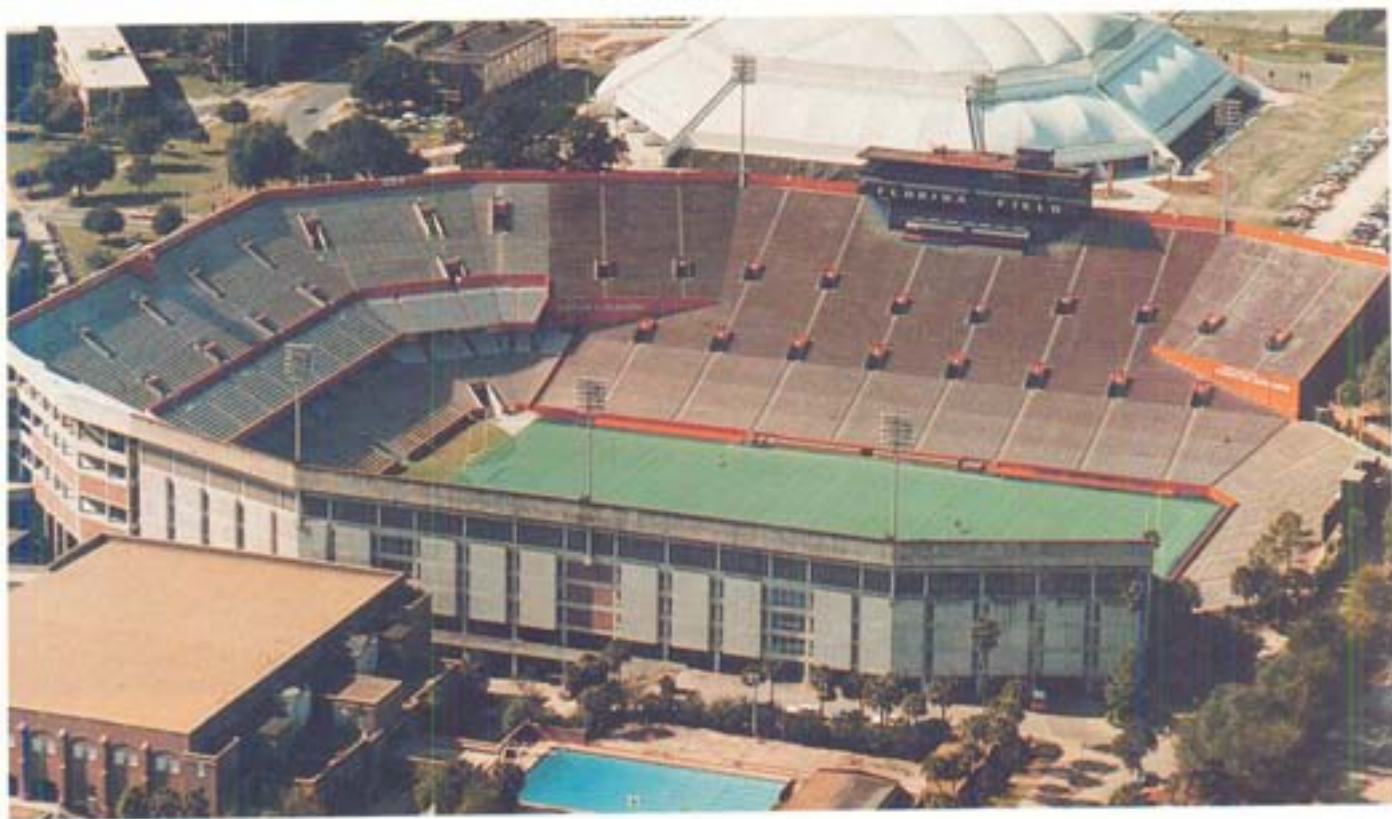

The beautiful Stephen C. O'Connell Center is just a few steps away from the Gator living and eating facilities, providing convenience for a busy schedule. Its stark white bubble-shaped exterior is easily seen from many spots on campus as well as on an aerial approach to Gainesville.

Inside the O'Connell Center, a 12,000-seat basketball arena is surrounded by an olympic-sized swimming pool, gymnastics area, dance studio, martial arts room, indoor track and basketball practice court. The \$14 million structure covers 3.6 acres and contains 296,000 square feet of space. A Teflon-coated fiberglass roof is suspended by four huge fans that deliver heating and cooling air.

Adjacent to the O'Connell Center are Florida's other athletic facilities. Perry Field, home of the Gator baseball team, is one of the most popular playing sites in the Southeastern Conference. The Percy Beard Track, situated parallel to Perry Field, is home to the Gator track and field program, while the Gator tennis teams play on the Varsity Courts, also located in the same general vicinity. A few blocks west on University Avenue is the University Golf Course, a beautiful 18-hole facility that serves as home for the Gator golf teams.

The Stephen C. O'Connell Center (Above) is home for several of Florida's athletic teams. From an aerial view (below), many of Florida's athletic facilities are visible, including Florida Gymnasium (foreground), Florida Field, the O'Connell Center, Perry Field (baseball) and Percy Beard Track.

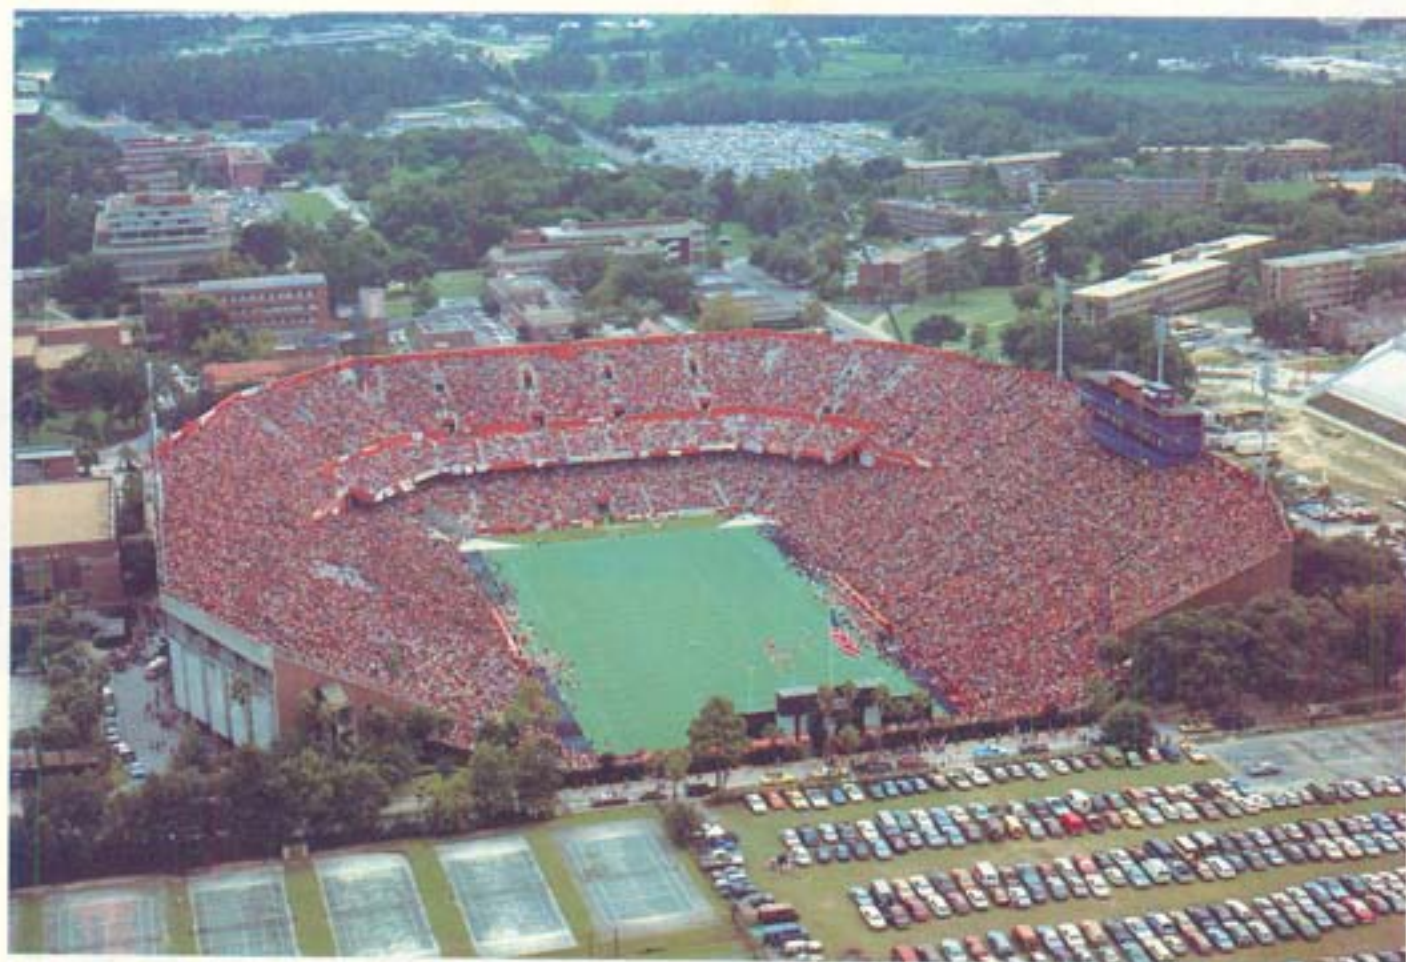

The O'Connell Center pool (Left) was home for the 1982 women's NCAA champions and the 1983 men's NCAA champions, both coached by Randy Reese. The gymnastics area was home for coach Ernestine Weaver (Below) and her 1982 AIAW national champions.

The 12,000-seat main arena of the O'Connell Center (Left) serves as home for the Gator basketball team, as well as a place to hold concerts, banquets and commencement exercises. The Fiberglass roof is suspended by four huge fans that blow heating and cooling air to keep it aloft at all times.

Florida Field

Like the rest of the Florida athletic program, Florida Field has moved into national prominence in recent years. The completion of the new south endzone project last August raised the seating capacity of Florida Field to over 72,000 and gave the Gator football program one of this nation's top collegiate stadiums. Last fall, Florida averaged 72,702 fans at the newly enlarged facility, a figure that ranked tenth nationally.

The 18,000 new seats, concourses encircling the entire stadium, new restrooms, new concessions stands and a beautiful new athletic training complex located beneath the stands in the south endzone are all part of a master plan to develop athletic facilities at Florida which are second to none. The Ben Hill Griffin Training Complex, named after citrus magnate Ben Hill Griffin who supported the project with a \$1.1 million gift, includes new dressing rooms, a highly modern football weight room, enlarged training room with a rehabilitation area, a new equipment room, squad meeting rooms, and a multi-purpose reception area. The entire area measures over 26,000 square feet.

The original stadium consisted of the lower half of the current stadium which was constructed in 1930 and dedicated at the Alabama contest that season. Seating capacity was 21,769. The entire stadium was constructed entirely below ground. In 1950 over 11,000 seats were added on the west side and another 7,000 were provided by bleachers on the east side. The additions brought seating capacity to 40,116. Additional bleacher seats were added during the 1950's bringing capacity to 46,164 by 1960. In December of 1965 construction started on further additions that added over 10,000 permanent seats on the east side and temporary bleachers were moved from the east side to the south endzone, providing a total capacity of 62,800 (56,164 permanent). The latest installment to Florida Field came last year when the south endzone bleachers were removed and were replaced by 18,000 permanent seats which enclosed that end of the stadium.
