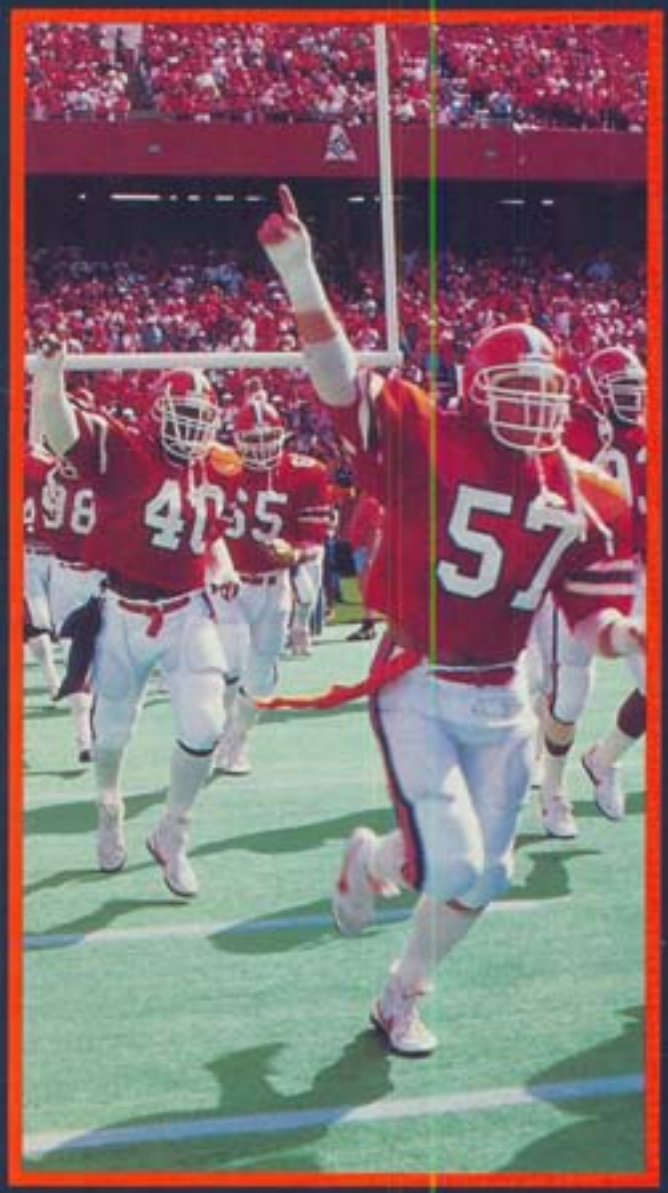
1986 FLORIDA FOOTBALL GUIDE



The 1985 Florida Football Media Guide was judged the third best in the country in national competition sponsored by CoSIDA (College Sports Information Directors of America). In addition, the Florida guide was judged "Best in the District" for District III. District III includes all Division I schools in the states of Virginia, North Carolina, South Carolina, Georgia, and Florida.

SIDELINES

The University of Florida follows NCAA and SEC rules regarding media representatives on the sidelines. Photographers are not permitted to shoot between the 25 yard lines and they must wear an armband at all times. No credentials will be issued to free-lance photographers, cut-line writers, equipment carriers, or radio station representatives except for the two originating networks.

CREDENTIALS

PRESS BOX—All members of the media covering the game in a working capacity must seek appropriate credentials in **advance** from Norm Carlson. We would appreciate receiving these requests as early as possible. Requests for **working** space in the press box and photo passes for the sidelines will be honored from Sports Editors of DAILY Newspapers and Sports Directors of Television Stations ONLY. Due to the heavy demand for working space, credentials for radio stations are limited to immediate Gainesville area stations and the two broadcast network crews doing the game. Any radio station seeking in-game and post-game reports can receive them by calling the SID Office in advance to make proper arrangements with our staff. Request for working credentials must be made in advance **in writing** to Norm Carlson. Spouses, dates, non-workers, and anyone 16 years of age or younger, are not permitted in the press box. Violators will not be tolerated.

SIDELINE CREDENTIALS—Media representatives with gameday sideline credentials must report to the Press Elevator Lobby prior to the game. When you present your game credentials, a sideline armband will be issued at that time. Your game credential will not gain admittance to the sidelines. You must have a game armband.

PRESS WILL CALL

Game credentials and parking passes not mailed can be picked up at "Press Will Call" in the Press Box Elevator Lobby. Game stand tickets that have been ordered by the media must be picked up at the regular Will Call Window at Gate 2 which is right next to the Press Box Elevator Lobby.

PARKING

Media parking is located on Fleming Field, just outside the north endzone off of University Avenue. You should request your parking credential at the same time you request your game day working credential. If time permits, both of these credentials will be mailed. If time doesn't permit the parking credential to be mailed, you will have to pick it up at the Press Box Elevator Lobby before gaining admittance to the press parking area.

HOTEL ROOMS

The SID office has a limited number of rooms reserved in the area. We would be glad to assist you with a hotel room if you get in touch with us at least a week before the game. Please contact Harriette Peebles and she will do everything possible to assist you.

PRESS BOX SERVICES

Play-by-play, complete halftime and final statistics, coaches quote sheet, defensive stats, and game notes are all regular services on game day. Upon your arrival, you will receive an extensive press folder with game program, flip-card, updated statistics, biographical sketches, and game-day notes. Coach Hall will conduct a conference in the media room in the south endzone 15-20 minutes after the game. His conference can also be heard via an amplified phone hookup in the Press Box. The opponent coach will conduct his press conference outside the opponent locker room located through the southeast tunnel. Florida's SID staff will begin to escort you to the proper areas with around five minutes to go in the game.

COACH HALL INTERVIEWS

The best time to interview Coach Hall on the telephone is 11:30-noon and 1-1:45 on Monday, Wednesday, and Thursday. He is good about returning all calls if you leave a message. He will normally return calls during these time frames. Please coordinate all requests for personal interviews with Coach Hall with Norm Carlson in the SID office. On every Sunday prior to a game the upcoming Saturday, Coach Hall will conduct a conference call at 3:30 p.m. with media representatives. These representatives are asked to make arrangements with Norm Carlson or John Humenik at least one day in advance of the 3:30 p.m. conference call. Every Tuesday, Coach Hall will conduct a press conference at Florida Field. He will do radio and TV interviews from noon until 12:45 in the conference room in the south endzone complex of Florida Field and then conduct a joint press conference for all media representatives in the Yon Hall Dining Room from 1:00-1:30.

PLAYER INTERVIEWS

ALL player interviews must be coordinated with the Sports Information Office at least **one day in advance**. We strongly urge you to conduct your personal interviews on Monday and Tuesday prior to the upcoming game. On Monday and Tuesday, players requested will be asked to come to the conference room in the south endzone from 11:30-1:00. Wednesday at lunch is reserved for special out of town Media Interviews only. Monday and Tuesday evenings are reserved for phone interviews with out of town media. Please call at least one day in advance for phone interviews. A note will then be left on the player's locker and dorm room asking him to return your call. All personal player interviews will conclude at lunchtime on Tuesday, except for a few special out of town media interviews that will be conducted on Wednesday at lunch. The Yon Hall Dormitory and team locker rooms are considered private team areas. These areas are off limits to media representatives unless accompanied by SID office personnel.

PRACTICE

All members of the media are permitted to attend practice. Please call the SID office for clearance. Coach Hall will meet with all interested media at the conclusion of each practice. Players are not available for interviews on the way to practice or returning from practice. Players are also not available for interviews on the practice fields. TV crews are permitted to gather B-roll film on Tuesdays during the first three periods after cals and the flex exercise period. This will give you periods of contact work and action. B-roll filming for the rest of the week is limited to cal and flex exercise sessions only. There are no exceptions.

GATOR SPORTSLINE

The Florida SID office will tape coach and player interviews for your use throughout the week. The general format of the Sportsline will be: Monday—Florida defensive coach interview about the opponent offense; Tuesday—Coach Hall's comments from his weekly press luncheon; Wednesday—Offensive coach interview about the opponent defense; Thursday—Player interviews; Friday—Player-Interviews; Saturday—Coach Hall's post game comments. The Sportsline number will be published in the weekly release material you will receive or by calling the SID office.

VIDEO SERVICE

On a weekly basis, the UAA will send interviews of Coach Hall and several players to television stations that desire the service. Please contact David Steele, Network Coordinator, in the Florida Athletic Department, regarding this service in advance. Interviews are taped on Tuesday and sent via satellite on Wednesday. If interested, please call David Steele at 904-392-0664.

PRESS BOX

ENTRANCE TO PRESS BOX—Enter the Press Box via the Press Elevator that is located midway at the base of the West Stands (press box side of the field). This elevator will go to all levels of the press operation. "Press Will Call" will be located in the press elevator lobby at street level. You will pick up late request credentials and parking passes here.

PRESS BOX LEVELS—There are seven levels in the Florida Field Press Box: 1) President's Deck which houses a lounge for the University President and his guests; 2) Bull Gator Club; 3) Working Press Deck— print media—; 4) Coaches Scouting Booths, Television Networks, Home and Visiting Radio Networks; 5) Photo Deck including Coaching films for both teams; 6) Luxury Box Level; 7) Luxury Box Level.

WORKING PRESS DECK (Level 3)—This level is reserved for print media, and statistical operations. **Telecopier Service** is available on a first-come first-serve basis. We suggest that you let us know in advance what your needs in this area might be on game day. **Telephone** orders should be placed directly with Southern Bell in Gainesville (1-800-257-5400). Contact Norm Carlson in the SID office regarding information and data on shared phones or reduced-cost pro-rata arrangements. We strongly urge you to make sure your phone needs are met prior to game day. The SID Office phones are used for in-game and post-game reports as well as handling the telecopier services thus limiting their availability to the media.

TELEVISION NETWORKS, RADIO NETWORKS, COACHES BOOTH (Level 4)—This level is reserved for television networks that are doing the game on a live or delayed basis. This level also houses the radio network for Florida and its respective opponent on game day. Each of the coaching staffs has one booth designated for its use. This level also contains the serving and eating areas for media representatives only.

PHOTO DECK (Level 5)—This deck offers a spacious area for all still and video cameras that are covering the game. This area also will be used for filming by each of the coaching staffs. Security and Game Operation booths are also located on this level.

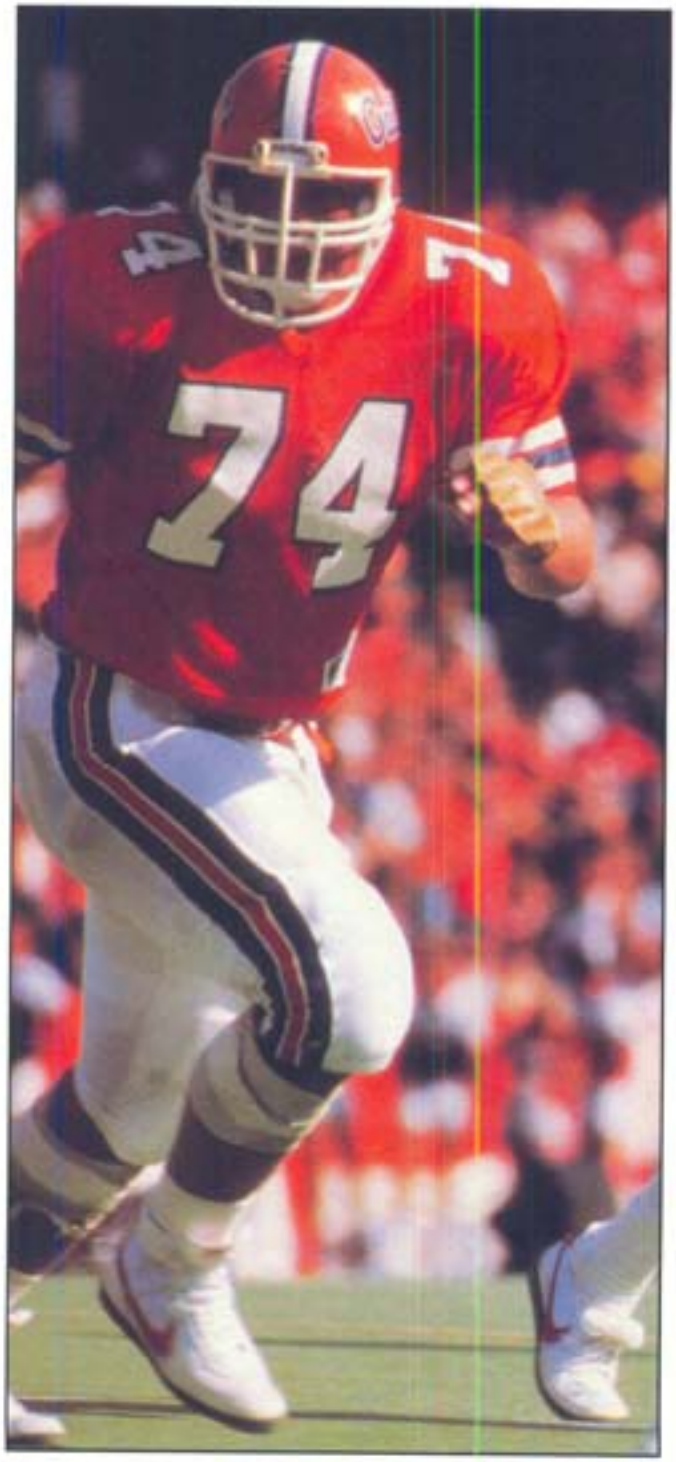
THE 1986 OUTLOOK

The Florida football program has been among the most successful in the nation over recent seasons. Florida has posted nine wins in each of the last three seasons and it is the only school in the country that has finished in the top six in the final Associated Press rankings in each of the last three campaigns. It has compiled an 18-2-2 record over the past two years and a 27-4-3 ledger over the past three, achievements that rank as the second best winning percentage in the nation in each category over that time frame.



Offensive Guard Jeff Zimmerman, a first team All-America selection last fall, has Outland and Lombardi Trophy potential.

If Florida is to maintain that type of success in 1986, however, it must overcome a schedule that again might very well be the nation's toughest, a tag that the NCAA labeled the '85 Gator slate. In addition, Head Coach Galen Hall, who is 17-1-1 at Florida, and his staff must replace some of the finest individual performers in school history while also dealing with the depth problems associated with NCAA sanctions. Lower scholarship signee numbers over the past two recruiting periods and a scholarship cap that will keep Florida at 75 grants this fall have caused some concerns in terms of depth. However, the frontline people are solid and capable and if Florida stays healthy, 1986 could once again be a good year.

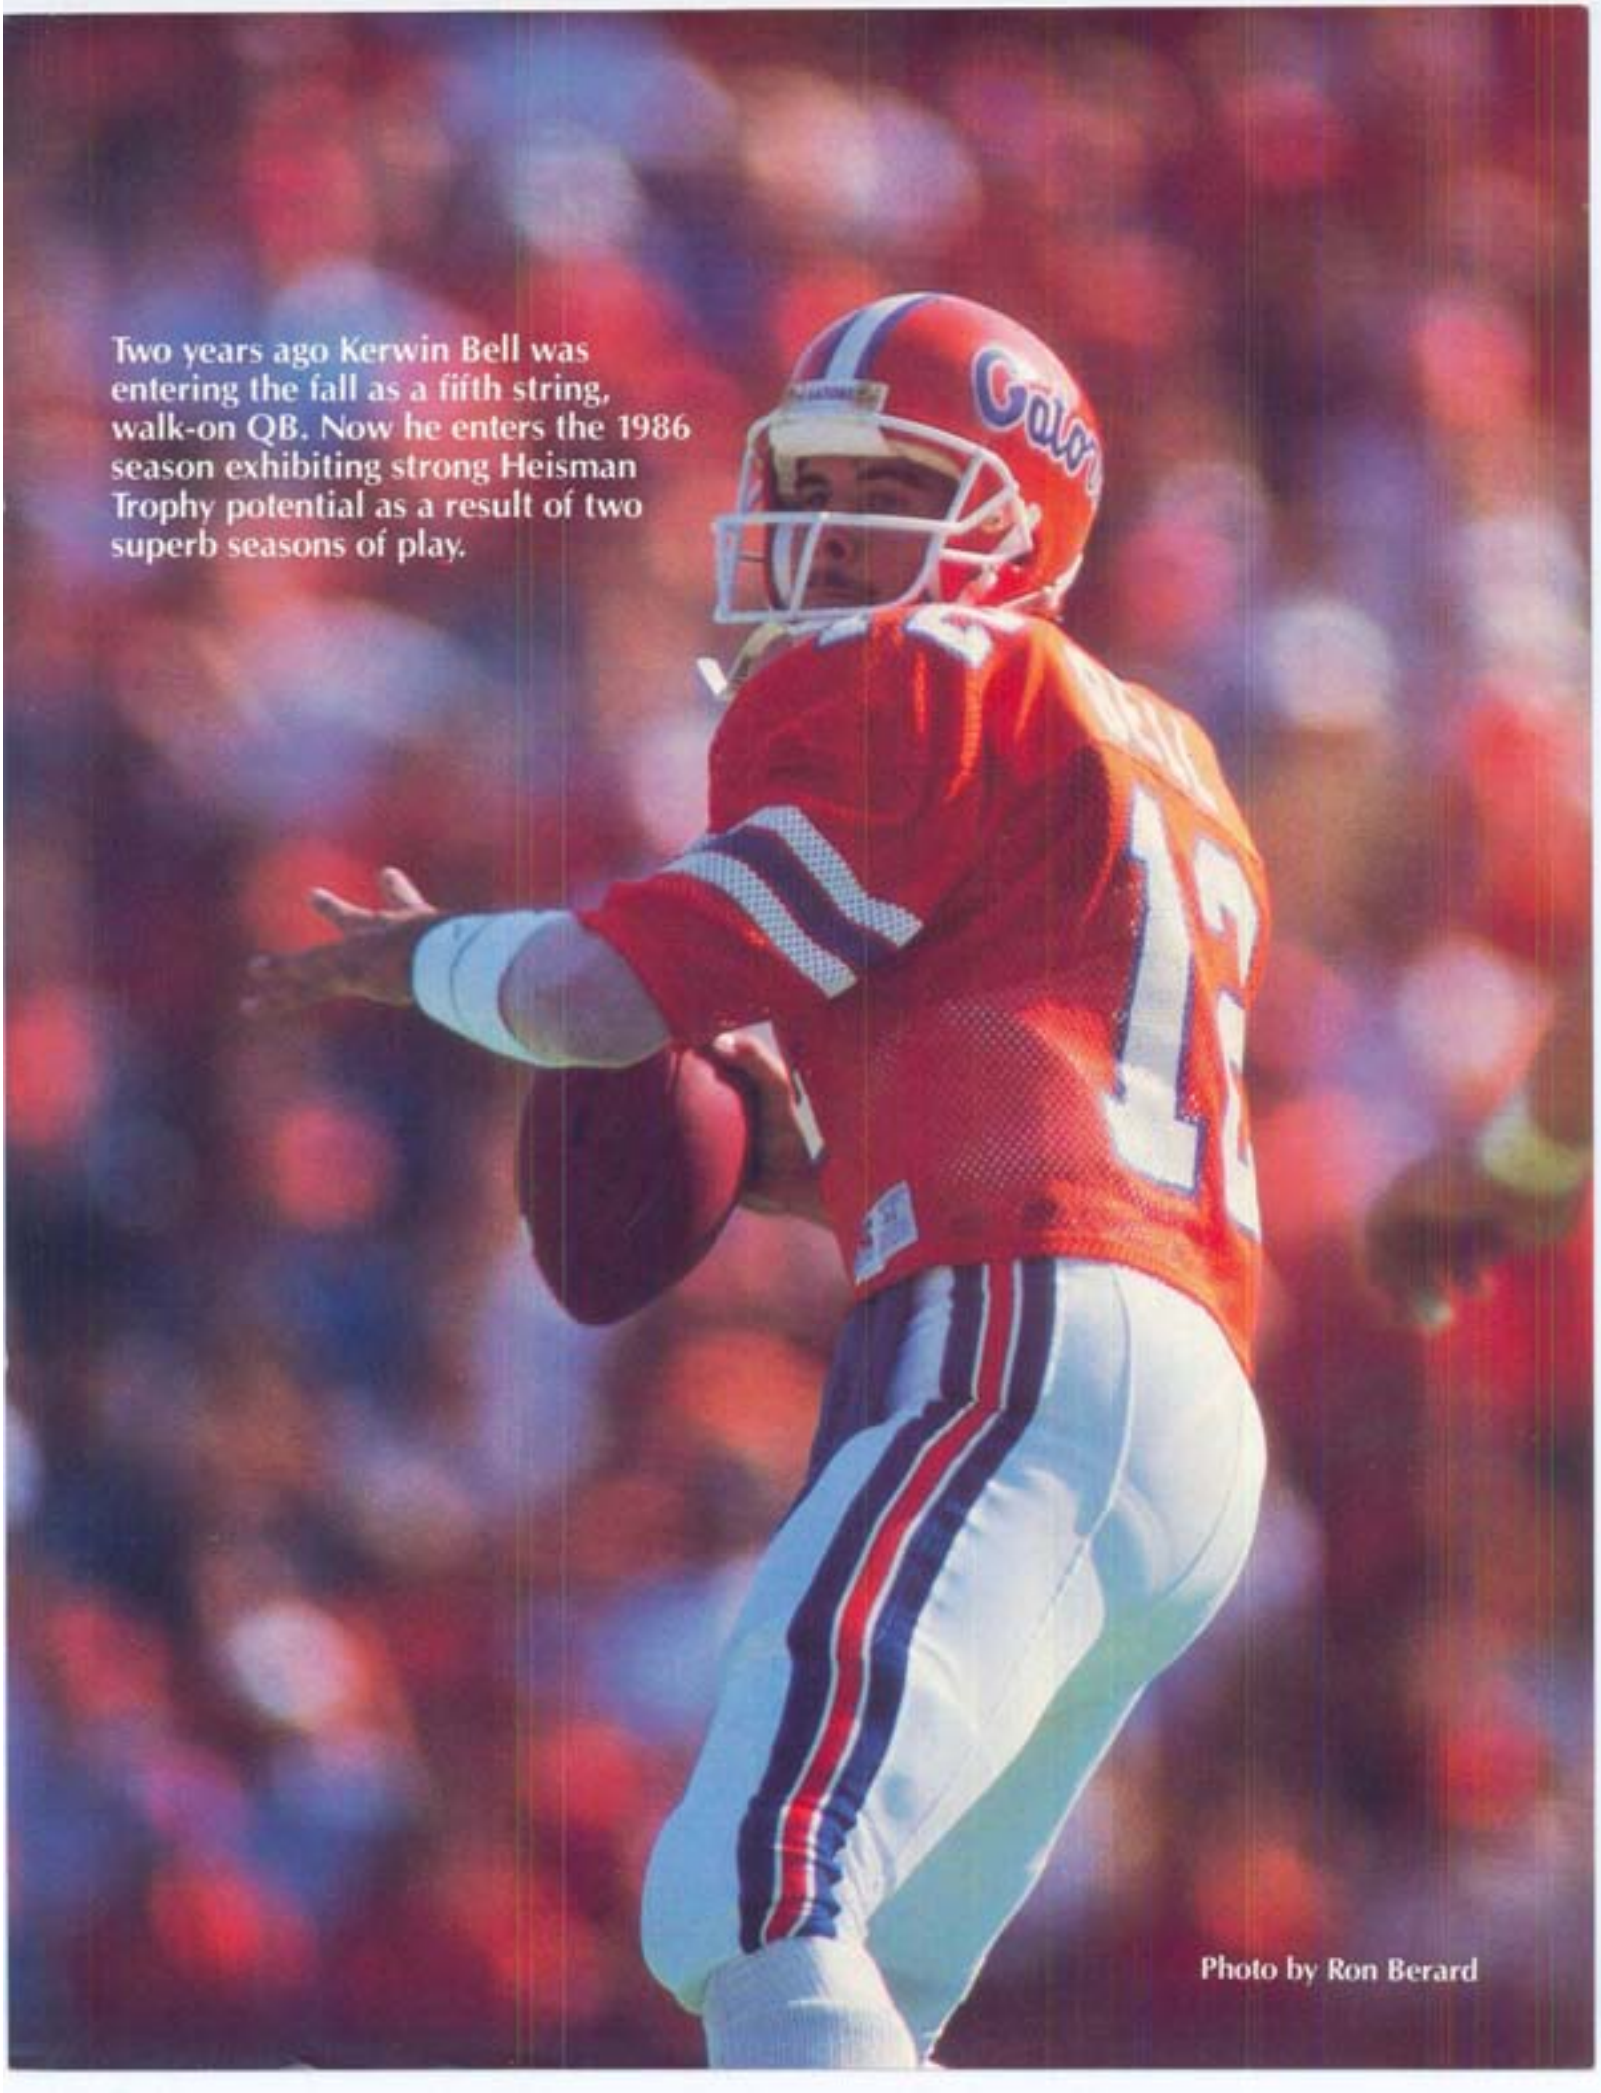
The 1986 team has a couple of things going for it that the 1985 unit didn't. The '85 contingent wasn't eligible for the SEC championship and could not compete in a bowl game. The 1986 team does have those goals to shoot for, however. The NCAA sanctions will effect it only as it relates to regular season T.V. (no appearances). Florida is expected to hear in early November that it will be eligible for postseason play. That decision will also make the Gators eligible for the SEC title.

If Florida is to achieve those expectations, however, it must get by an extremely strong schedule. It's quite possible that the Gators will be meeting six teams that will be ranked in the preseason Top Twenty (Miami, Alabama, LSU, Auburn, Georgia, Florida State). It will be facing five teams that won nine or more games in 1985 (Miami, Alabama, LSU, Florida State, Georgia Southern).

Eleven starters (six offense and five defense) return from the 9-1-1 unit in 1985 that finished fifth in the final AP ranking. Topping the list of priorities is the need to replenish a backfield that loses tailback Neal Anderson and fullback John L. Williams, Florida's first and third all-time leading rushers. The rest of the offense appears fairly solid and will be led by quarterback Kerwin Bell who appears destined to become one of the greatest passers in Florida and SEC history. The junior has already thrown for 37 TD's (fifth best total in SEC history) and 4,300 yards. He is the only signal caller in the nation to rank in the top four in passing efficiency in each of the past two seasons. It's possible that he could break John Reaves' Florida and SEC career TD record (54) this fall. He is unquestionably one of the premier players in college football and he appears to have strong Heisman Trophy potential.

Bell will operate behind an offensive line that will be more experienced than a year ago. Four starters, headlined by guard Jeff Zimmerman who was named to a couple of first-team All-America contingents in 1985, return. Zimmerman has the potential to merit Outland and Lombardi Trophy consideration. Bell will have one of his favorite receivers back in Ricky "The Rocket" Nattiel. Nattiel averaged over 21 yards a catch in 1985. He has averaged over 17 yards every time he has touched the ball at Florida as a receiver and return specialist. He ranks as one of the nation's most exciting performers.

Five starters return from a defensive unit that ranked first in the SEC in total defense in 1985. Senior defensive tackle Keith Williams, a second team All-SEC and honorable mention All-America, junior cornerback Jarvis Williams, also a second team All-SEC and honorable mention All-America selection, senior strong-safety Adrian White, and senior inside linebacker Scott Armstrong are the top returnees. Gone are outside linebackers Alonzo Johnson, a two-time



Two years ago Kerwin Bell was entering the fall as a fifth string, walk-on QB. Now he enters the 1986 season exhibiting strong Heisman Trophy potential as a result of two superb seasons of play.

backer Leon Pennington, and corner Curtis Stacy. In addition, junior strong-safety Ricky Knight has been lost with academic problems.

The kicking game must replace Ray Criswell, Florida's all-time career leader with a 44.4 average. He was a four-year starter and ranked with the nation's best. Senior Jeff Dawson is back to handle the place-kicking chores but he could be pushed by some other players.

Following is a closer look at the 1986 Florida squad.

THE OFFENSE

The Gators return six starters and twenty letter-winners from last year's unit that ranked second overall in the SEC in total offense with an average of 406.5 yards a game. Ten letterwinners have departed.

The major concern is the backfield. Tailback Neal Anderson and fullback John L. Williams completed their careers as the first and third all-time leading rushers in Florida history. Together, they rushed for over 5,600 yards. Gator coaches felt that the duo was the best combination in the nation last year and that's exactly what the NFL draft confirmed this past spring. Williams was selected in the first round by Seattle while Anderson was chosen on the first round by the Super Bowl champion Chicago Bears. Their selection represented the first time since 1971 that two backs from the same team were drafted in the first-round of the NFL draft. Ohio State's John Brockington and Leo Hayden were selected by Green Bay and Minnesota in 1971.

A plus in terms of rebuilding the running game is the fact that four starters return on the offensive line led by guard Jeff Zimmerman who achieved first-team All-America status last

Guard Jimmy Davis (No. 67), center Frank McCarthy (No. 53), and tackle David Williams (No. 73) join Jeff Zimmerman as returning starter on the offensive line.

THE DEFENSE

Florida will enter the season with its third defensive coordinator in the last three seasons. Zaven Yaralian, Florida's secondary coach for the past three years, replaces Charlie Bailey in that slot. Bailey was named the new coach at Memphis State after seeing his defensive charges at Florida rank first in the SEC in total defense in 1985, his only year as a member of the Gator staff.

Yaralian will inherit a group that has 20 former letterwinners. Five 1985 starters return from a unit that finished first in the SEC in total defense and ninth in the nation in that category (282.8 ypg). In 1985 this unit posted two shutouts and surrendered one or less touchdowns in six of the last eight games of the season. Yaralian and his staff will be facing depth problems at virtually every position.

The major loss from last year's outstanding unit is outside linebacker Alonzo Johnson. Johnson, a two-time first team All-America selection, was one of the five finalists for the "Butkus Linebacker of the Year Award" last season. His counterpart at the other outside post, Patrick Miller, has also departed as has steady inside linebacker Leon Pennington. The secondary lost cornerback Curtis Stacy to graduation and strong-safety Ricky Knight, a junior, with academic difficulty.

The five returning starters are junior cornerback Jarvis Williams, sophomore Jeff Roth at middle guard and seniors Keith Williams at tackle, Scott Armstrong at inside linebacker and strong safety Adrian White. Both Keith Williams and Jarvis Williams achieved second team All-SEC and honorable mention All-America honors last fall.

SECONDARY

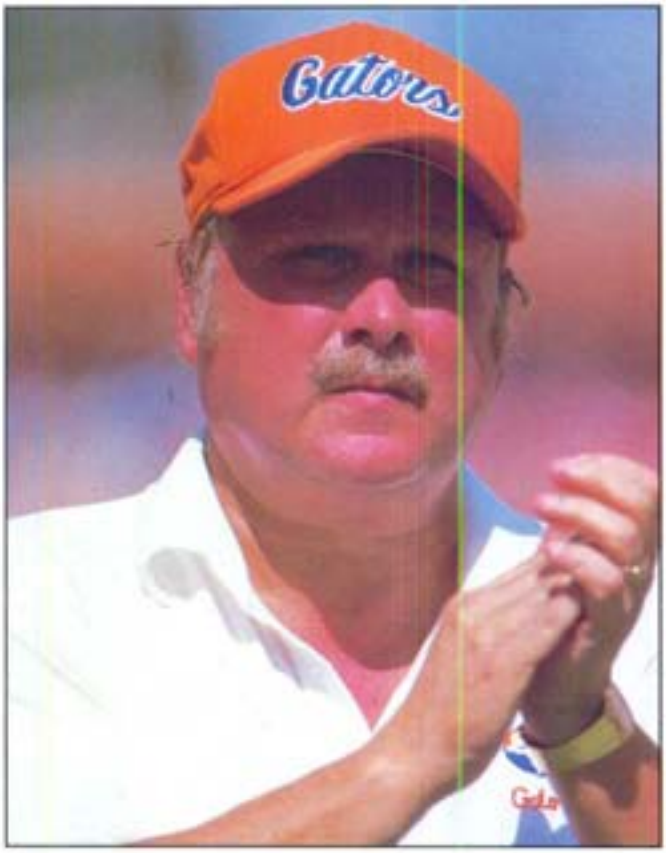
Florida will enter the fall with solid starters, but depth is a concern. Junior Jarvis Williams (6-0, 190) has started 22 straight games at cornerback over the past two seasons and he appears ready to join the nation's elite at that spot. He was a second team All-SEC and honorable mention All-America selection last fall. Junior Ricky Mulberry (5-9, 175) will enter the fall as the leading candidate to replace Curtis Stacy at the other corner post. Redshirt freshman Kerry Watkins (5-10, 190) enters the fall listed as the backup to Mulberry at one corner while redshirt freshman Tony Jones (5-11, 180) and sophomore Dwayne Glover (6-0, 183) are the top candidates for the backup role to Jarvis Williams.

Coach Zaven Yaralian made a switch in the safety positions during spring drills. Senior Adrian White (6-0, 198), a starter at free-safety last season was moved to strong-safety, a spot he started at in 1984. Sophomore Louis Oliver (6-2, 206), a former walk-on who saw a good deal of playing time at strong-safety last season, was moved to the starting spot at free-safety. White and Oliver are both superb athletes who were timed at 4.39 and 4.36 respectively in the 40-yard dash this past March. Both might very well merit postseason honor consideration.

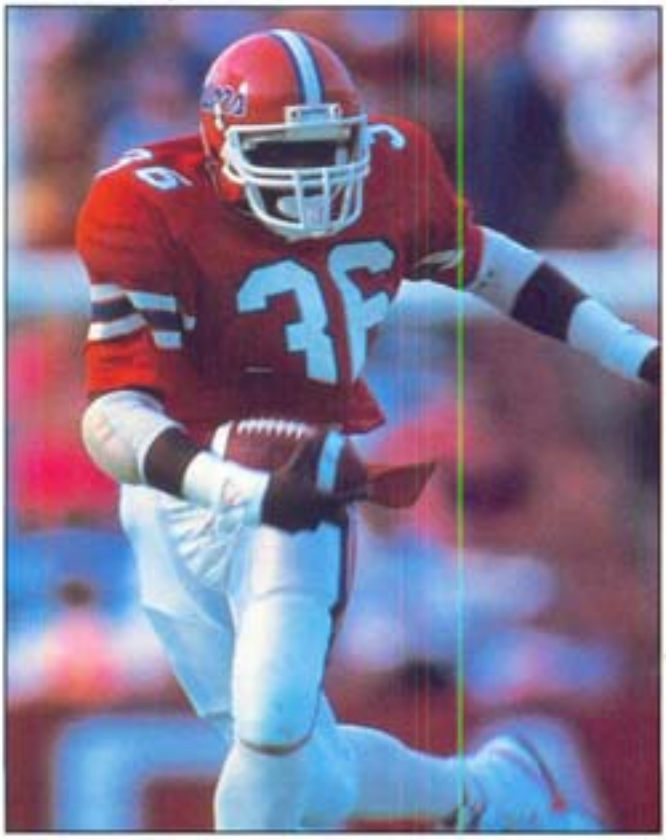
Junior Steve Loden (6-0, 186) and sophomores Owen Bartruff (6-0, 200) and Bill Lang (6-0, 195) are battling for the backup spot at strong-safety. Loden and Bartruff are walk-ons. Sophomore Dwayne Glover (6-0, 183) and Loden are the primary backups at the free-safety spot behind Oliver.

The depth and inexperience concern about the secondary

ILB Scott Armstrong (top) and OLB Ron Moten (bottom) are solid and experienced performers.



Head Coach Galen Hall is facing depth problems in several areas due to small scholarship signee totals in each of the past two years and a cap of 75 total scholarships this fall.



Anthony Williams enters fall as the expected starter at fullback.

WIDE RECEIVER AND TIGHT-END

Florida lost wideouts Ray McDonald and Frankie Neal. Each had five TD catches in 1985. McDonald was drafted in the seventh round by the New England Patriots. Returning, however, is senior Ricky "The Rocket" Nattiel (5-9, 180). In three previous years, the 4.3 speedster has accumulated over 1400 yards in receptions. He has an excellent chance of joining Carlos Alvarez as the only Gator receivers in school history to pass the 2,000 yard mark in career receptions. Nattiel had 31 catches for 653 yards last year (21.1 avg) with five TDs.

One of the keys to the Gator offense in 1986 deals with McDonald's and Neal's replacements. Like Nattiel, both possessed a fine combination of speed, experience, and big play capability. It will be important to develop other wideouts that defenses must respect this fall so that Nattiel is not consistently double-teamed. That didn't happen much in the past because Nattiel, McDonald and Neal all had to be respected. Each of the threesome had five scoring catches in 1985.

Senior walk-on Eric Hodges (6-1, 189) enters August as the projected starter at the wideout spot opposite Nattiel. Hodges, who was timed in 4.43 in the 40-yard dash this past March, has just two career catches, but both went for touchdowns last fall including a 56 yarder vs. Southwestern Louisiana. Bret Wiechmann (5-10, 180), a former walk-on who had 13 catches in 1985, also returns.

Junior Scott Lang (6-0, 175), sophomore James Jones (6-1, 201), JC transfer Ed Frazier (5-11, 180), and redshirt freshmen Darrell Woulard (6-3, 195) and Ben Glover (6-1, 198) will continue to battle for playing time as primary backups.

Tight-end is a position that lacks proven experience and depth. The only returning letterwinner at this spot is senior Rodney Jones (6-2, 243). He suffered a broken ankle late in spring practice. The number two tight-end throughout most of spring practice was sophomore Clifton Reynolds (6-2, 233), a converted quarterback/running back. Sophomores Mark McGriff (6-2, 228) and Mike Marshall (6-5, 215), a walk-on, could also enter the picture.

QUARTERBACK

Florida has one of the nation's best at this position in junior Kerwin Bell (6-3, 205). He had an excellent freshman year in 1984 (ranked fourth in passing efficiency) and was even better last year as he passed for nearly 2,700 yards with 21 TD passes and finished second in the nation in passing efficiency. Bell, based on his past achievements, competitiveness and drive, has Heisman Trophy potential. Last year he finished fifth in the balloting for the "O'Brien Quarterback of the Year Award." He was the only freshman or sophomore in the nation to finish in the top six in that balloting. Due to NCAA probation, the nation will not be able to see him on TV. That situation has prevented the nation from watching a young man who appears destined to become perhaps the finest passer in SEC history.

Juniors Rodney Brewer (6-2, 205) and Pepe Lescano (5-11, 175), a former squad manager, and sophomore Brian Massingill (5-11, 192) are the top backups. Brewer, UF's leading hitter on the baseball squad, is highly regarded by the Gator coaching staff.

OFFENSIVE LINE

Last fall, this was the area of the squad that received the most attention as four starters departed from the 1984 unit. This year, four starters are returning.

Senior Jeff Zimmerman (6-4, 310) returns at strong guard, sophomore David Williams (6-5, 290) at strong tackle, senior Frank McCarthy (6-2, 252) at center, and junior Jimmy Davis

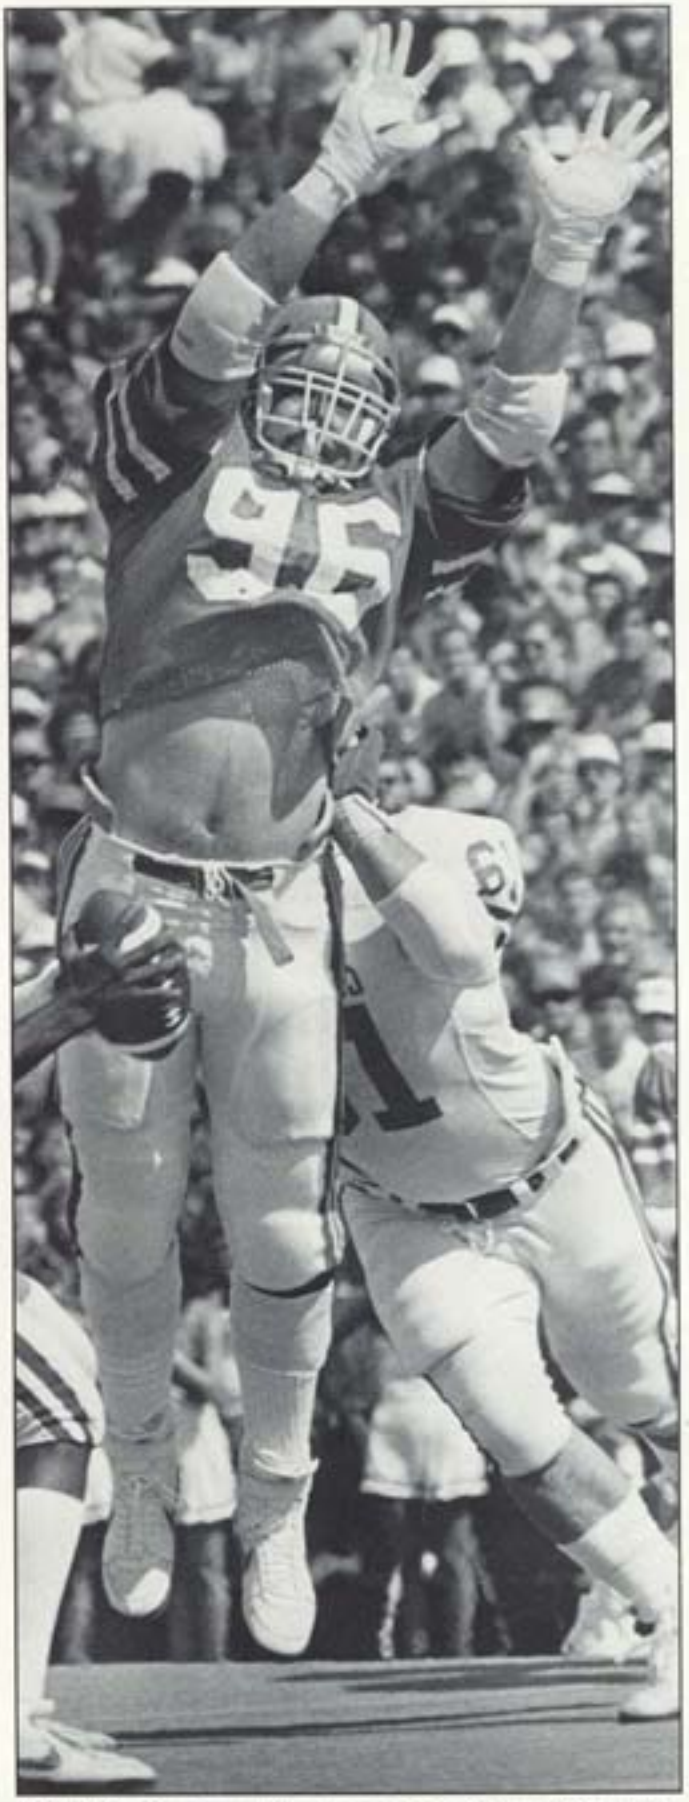
WR Ricky "The Rocket" Nattiel, who was timed in 4.29 for the 40 yard dash this past spring, ranks as one of the premier big-play performers in college football.

(6-5, 280) at quick guard. Zimmerman has Outland and Lombardi Trophy potential. He was named to several first-team All-America contingents last fall. He became the first non-senior first team All-America offensive lineman in UF history. Zimmerman spent some of the time this past spring working at tackle as well. Williams, a second team Freshman All-America last year, could also merit postseason honor consideration.

Junior College transfer Bob Sims (6-4, 280) had a solid spring practice and enters the fall as the projected starter at quick tackle. He also worked at guard during spring drills and could see action at that spot as well. Sophomore Earl Hiott (6-4, 285) and redshirt freshmen John Durden (6-6, 265) and Brad Hatcher (6-4, 280) are expected to be the top backups at the two tackle positions. Sophomore Tracy Daniels (6-1, 243) enters the fall number two on the depth chart at center while sophomore Kevin Sills (6-3, 290) and junior Pat Pinner (6-3, 250), a converted quarterback and tight end, are slated to backup Zimmerman at strong guard and Davis at quick guard respectively. JC transfer Charlie Wright (6-5, 250), who has three years of eligibility, is expected to enter the picture for playing time at both guard and tackle in August.

Last year's young and very inexperienced offensive line improved as the season progressed and played perhaps its finest game in the 38-14 season finale win over Florida State. Offensive line coach Phil Maggio is hopeful that this unit can use that performance as a springboard to further improvement and success in 1986.

OLB Clifford Charlton appears to have the same type of big-play capabilities as his predecessors, Wilber Marshall and Alonzo Johnson.



MG Jeff Roth gained recognition as one of the top freshman defensive linemen in the nation last fall.

THE DEFENSE

Florida will enter the season with its third defensive coordinator in the last three seasons. Zaven Yaralian, Florida's secondary coach for the past three years, replaces Charlie Bailey in that slot. Bailey was named the new coach at Memphis State after seeing his defensive charges at Florida rank first in the SEC in total defense in 1985, his only year as a member of the Gator staff.

Yaralian will inherit a group that has 20 former letterwinners. Five 1985 starters return from a unit that finished first in the SEC in total defense and ninth in the nation in that category (282.8 ypg). In 1985 this unit posted two shutouts and surrendered one or less touchdowns in six of the last eight games of the season. Yaralian and his staff will be facing depth problems at virtually every position.

The major loss from last year's outstanding unit is outside linebacker Alonzo Johnson. Johnson, a two-time first team All-America selection, was one of the five finalists for the "Butkus Linebacker of the Year Award" last season. His counterpart at the other outside post, Patrick Miller, has also departed as has steady inside linebacker Leon Pennington. The secondary lost cornerback Curtis Stacy to graduation and strong-safety Ricky Knight, a junior, with academic difficulty.

The five returning starters are junior cornerback Jarvis Williams, sophomore Jeff Roth at middle guard and seniors Keith Williams at tackle, Scott Armstrong at inside linebacker and strong safety Adrian White. Both Keith Williams and Jarvis Williams achieved second team All-SEC and honorable mention All-America honors last fall.

SECONDARY

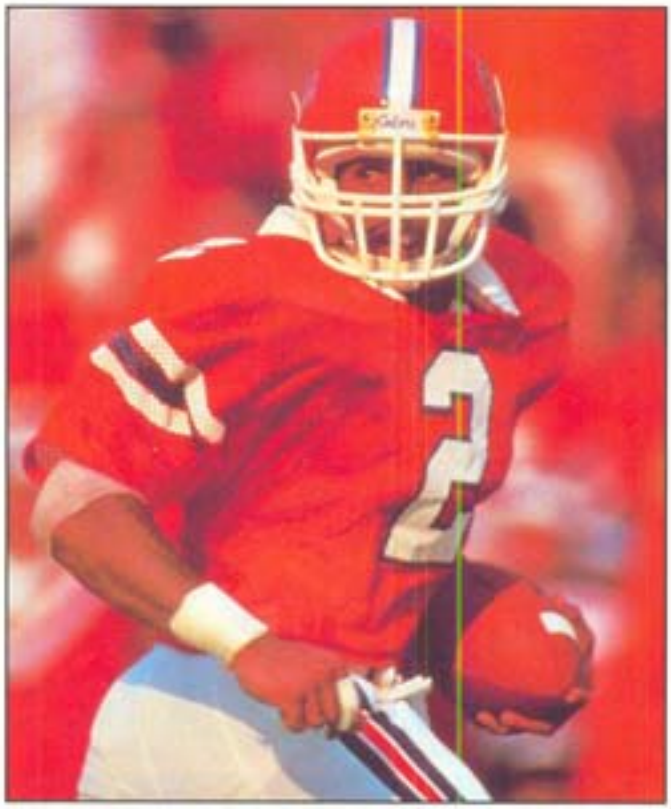
Florida will enter the fall with solid starters, but depth is a concern. Junior Jarvis Williams (6-0, 190) has started 22 straight games at cornerback over the past two seasons and he appears ready to join the nation's elite at that spot. He was a second team All-SEC and honorable mention All-America selection last fall. Junior Ricky Mulberry (5-9, 175) will enter the fall as the leading candidate to replace Curtis Stacy at the other corner post. Redshirt freshman Kerry Watkins (5-10, 190) enters the fall listed as the backup to Mulberry at one corner while redshirt freshman Tony Jones (5-11, 180) and sophomore Dwayne Glover (6-0, 183) are the top candidates for the backup role to Jarvis Williams.

Coach Zaven Yaralian made a switch in the safety positions during spring drills. Senior Adrian White (6-0, 198), a starter at free-safety last season was moved to strong-safety, a spot he started at in 1984. Sophomore Louis Oliver (6-2, 206), a former walk-on who saw a good deal of playing time at strong-safety last season, was moved to the starting spot at free-safety. White and Oliver are both superb athletes who were timed at 4.39 and 4.36 respectively in the 40-yard dash this past March. Both might very well merit postseason honor consideration.

Junior Steve Loden (6-0, 186) and sophomores Owen Bartruff (6-0, 200) and Bill Lang (6-0, 195) are battling for the backup spot at strong-safety. Loden and Bartruff are walk-ons. Sophomore Dwayne Glover (6-0, 183) and Loden are the primary backups at the free-safety spot behind Oliver.

The depth and inexperience concern about the secondary

ILB Scott Armstrong (top) and OLB Ron Moten (bottom) are solid and experienced performers.



Adrian White is expected to be one of the premier strong-safeties in the SEC.

is pointed out by the fact that Dwayne Glover is the only backup in the entire four-position secondary who has played a down of collegiate football.

DEFENSIVE INTERIOR

Depth is a major concern at practically every position on the '86 club, but injuries in the defensive line this fall could prove extremely costly. Some position changes were made in the spring which have apparently helped. Even with those changes, however, Florida will have just seven scholarship players occupying the three defensive interior positions. Staying healthy here is a must if the Gators are to be successful on defense in 1986.

Sophomore Jeff Roth (6-4, 252), a starter in five games last year and a second team selection on the Freshman All-America Team, is the starter at middle guard. Redshirt freshman Richard Starowesky (6-0, 273) was moved to middle guard from the offensive line midway during spring practice. That switch enabled junior Henry Brown (6-3, 240), a starter in six games at middle guard last fall, to make the move to defensive tackle to shore up the depth at that position. Redshirt freshmen Robert Lasky (6-3, 235) and LaWayne Cheney (6-1, 242), a walk-on, are vying for playing time at MG.

Senior Keith Williams (6-4, 260) and sophomore Rhondy Weston (6-5, 260) enter the fall as the projected starters at the tackle positions. Williams, who underwent knee surgery late in spring practice, was a second team All-SEC selection a year ago. Juniors Tommy Duhart (6-4, 272) and Henry Brown (6-3, 240) are the top backups and they will see a great deal

Arthur White will team with Scott Armstrong as starters at inside linebacker.

Defensive Tackle Keith Williams was a second team All-SEC choice last year.

Cornerback Jarvis Williams was a second team All-SEC selection in 1985.

of playing time. Walk-on freshman Mark Seager (6-4, 243) could become a factor.

OUTSIDE LINEBACKER

Florida lost two superb players at these positions in Alonzo Johnson and Patrick Miller. Johnson, a two-time first-team All-America who was one of the five finalists for the "Butkus Linebacker of the Year Award" last season, was selected in the second round of the NFL Draft by Philadelphia. Miller was a fifth round selection by the San Francisco 49ers.

Senior Ron Moten (6-1, 226) will replace Miller. He is a three-time letterwinner who virtually split the position with Miller two years ago when he started six games. Junior Clifford Charlton (6-3, 225) has demonstrated many of the same abilities as his two predecessors, Wilber Marshall and Alonzo Johnson. He has displayed eye-catching quickness and the Gator coaching staff feels he has the ability to be a big-play maker for the defense this fall.

Moten will be backed up by senior Steve Stipe (6-3, 210). Senior Walter Byrd (6-3, 210) and redshirt freshman Jason Lamberth (6-4, 230) are in a battle for the number two spot behind Charlton. There are just five scholarship outside linebackers on the squad. Three (Moten, Stipe and Byrd) are seniors. This is a position on the squad that an incoming freshman might have to contribute at this season.

INSIDE LINEBACKER

The Gators lost a starter in steady Leon Pennington but they do return two players, senior Scott Armstrong and junior Arthur White, who have seen a good deal of playing time. Armstrong (6-1, 230) has seen a significant amount of time as a starter in each of the past two seasons. He ranked fourth on the team in tackles last year with 74. He is expected to be a squad leader and could very well become a prime post-season honor candidate. White (6-1, 210) has also seen a good deal of playing time over the course of the past two years.

Entering the fall, redshirt freshman Webbie Burnett (6-3, 230) and senior Gerold Dickens (6-1, 228) are listed as the top backups to Armstrong and White respectively. Sophomores Todd Gatlin (6-2, 223), Joey Nicoletto (6-4, 227) and Trever Mills (6-2, 210) are the other scholarship players at the two inside linebacker posts. It is possible that an incoming freshman will be called upon to provide depth.

Henry Brown (top left), Rhondy Weston (top right), and Tommy Duhart (bottom) must all play well at tackle if the '86 Gator defense is to be successful.

SPECIAL TEAMS

Senior Jeff Dawson (5-10, 182) returns after converting 17 of 23 field goal opportunities last fall. Sophomore John David Francis (5-9, 160) and junior Robert McGinty (6-2, 185), a walk-on transfer from Auburn who led the Tigers in scoring in 1984, are challengers.

Florida has had one of the premier punting games in the nation over the last four years due to the presence of Ray Criswell, holder of a school career record 44.4 average. He handled those very important chores for four years, but now he is gone and the door is wide, wide open for a virtual plethora of walk-on candidates who will be attempting to become his replacement. Criswell was the first punter selected in the NFL Draft this past April. He was selected in the fifth round by the Philadelphia Eagles.

Jeff Dawson's 17 field goals last year was the fourth best single season total in school history.

GALEN HALL COMMENTS ON 1986

SPRING PRACTICE

"We were encouraged about the way our players went about trying to improve. I'm not sure we had enough talented depth present in the spring to give us the level of competition we needed, and this can give you a misconception of where your football team is going into fall drills. We got better in the offensive line, which was a priority, and several running backs showed potential. Nobody came out of the pack and won the punting job, and that is a concern."

AREAS OF CONCERN

"Our biggest concern is the lack of depth in every area of our team brought on by the NCAA sanctions and scholarship caps. We will not be a team which has the depth of talent to withstand injuries. Other primary concerns are finding a punter, tight end, developing a solid running game and the defensive interior."

GENERAL FEELINGS ON THE 1986 TEAM AND SEASON

"We should have a first-team, offensively and defensively, which can compete each Saturday. If the running game comes along we will be a solid, balanced team on the first units. However, the lack of talented depth will be a factor if we get injury problems. Obviously it will be a factor in our ability to substitute and keep fresh players in the games.

"The schedule is one of the most difficult I have seen in a long time. We play nationally-ranked bowl teams like Miami, Alabama, LSU, Auburn and FSU, an outstanding traditional rival in Georgia, the defending Division 1-AA national champion in Georgia Southern and have tough SEC road games at Mississippi State and Kentucky. That is a demanding schedule."

THE WIDE RECEIVERS

"Ricky Nattiel is an exciting player, a game-breaker with great speed. If everybody else plays to a Mexican standoff he can win the game for you. Our other receivers are solid players. We think Eric Hodges, Bret Wiechmann, James Jones, Scott Lang, Ben Glover, Ed Frazier and Darrell Woulard will get the job done for us in complementing Nattiel."

THE TIGHT ENDS

"We are concerned about the lack of experience and depth here. This could be a real problem area on our team, although we were pleased with the way Clifton Reynolds came along in the spring. He could be a positive force in an area where we badly need one. Rodney Jones broke his ankle in the spring and we hope he will be ready this fall. We might have to use one of the incoming freshmen to provide depth."

THE OFFENSIVE LINE

"This group continued to improve during spring and they need to keep on improving to get where we want them. Jeff Zimmerman and David Williams are genuine all-star candidates and junior college transfer Bob Sims looks like he will help us. We will be better here than we were last season.

QUARTERBACK

"Kerwin Bell has proven the last two seasons that he is something special. He keeps getting better and has the potential to be one of the very best at his position. Rodney Brewer will return, and we have confidence in him. Pepe Lescano had an excellent spring. He and Brian Massingill could be factors, also."

THE RUNNING BACKS

"We lost two of the best in college football, Neal Anderson and John L. Williams. Attempting to replace a pair of first-round draft choices is not an easy task. Our young players worked hard and the competition should be good this fall, but it will be difficult for them to provide the punch those two gave us with their talent and experience. Wayne Williams, James Massey, Anthony Williams, Reggie Corlew and Dwayne Ferguson are the front five with some exciting freshmen coming in."

"Our biggest concern is the lack of depth in every area of our team brought on by the NCAA sanctions and scholarship caps. We will not be a team which has the depth of talent to withstand injuries . . . We should have a first-team, offensively and defensively, which can compete each Saturday. If the running game comes along we will be a solid, balanced team on the first units. However, the lack of talented depth will be a factor if we get injury problems. Obviously it will be a factor in our ability to substitute and keep fresh players in the games."

OFFENSIVE SUMMATION

"I like a balanced offense. How close we can come to the sort of balance we've had is going to depend on how fast our running game comes along. We know we can throw the ball, but it will be easier to do that if we can also show defenses we can run it."

THE OUTSIDE LINEBACKERS

"We were probably a little spoiled at this position with people like Wilber Marshall, Alonzo Johnson and Patrick Miller the past few years. We still have a pair of excellent starters in Ron Moten and Clifford Charlton, but depth will be a factor here. We need help from people like Steve Stipe, Walter Byrd, Jason Lamberth and perhaps some of the incoming freshmen."

THE INSIDE LINEBACKERS

"Again, depth is the problem. Scott Armstrong and Arthur White will be solid first-team players for us. The stability of this position will rest on how well reserves play, people like Gerold Dickens, Webbie Burnett, Todd Gatlin and Darryl Perry."

THE DEFENSIVE LINE

"From tackle-to-tackle we only have seven scholarship players and that includes a converted freshman redshirt offensive lineman (Richard Starowesky). Rhondy Weston, Tommy Duhart, Keith Williams and Henry Brown are the tackles, while Jeff Roth and Starowesky are the nose guards. If ever there is an area where we have to stay healthy, this is it. Williams is coming off knee surgery and we won't know his status until fall."

THE SECONDARY

"This is a good first unit. Ricky Mulberry and Jarvis Williams at the corners, with Adrian White and Louis Oliver at safeties, gives us a solid look. The only other experienced player we have back there is Dwayne Glover, who could play cornerback or safety. The depth must come from young players like Kerry Watkins, Tony Jones, Steve Loden, Owen Bartruff and Bill Lang."

DEFENSIVE SUMMATION

"If we stay healthy and get continued progress out of young players we could be a good defensive team. We are so thin in the defensive interior that it has to be one of our biggest concerns."

THE SPECIAL TEAMS

"Again, lack of depth is a vital factor. We will be forced to play some first string players on special teams, which we have not done recently. We lost the finest punter in the nation, Ray Criswell, and head into fall without having found a replacement. Jeff Dawson and/or John David Francis will handle placekicking. Walter Byrd returns as the deep snapper. Ricky Nattiel is very dangerous on punt and kickoff returns, and that is the most positive note about our special teams at this point."

THE 1986 SCHEDULE

"Thank heaven we like good competition. Some of the top teams in the nation come to Florida Field. We face Miami, Alabama, LSU and Auburn at home, and meet Mississippi State, Kentucky and Florida State on the road. Throw in Division I-AA national champion Georgia Southern and a road game with Rutgers, which tied us at Florida Field last season, and the schedule rates as one of the most difficult in the nation."

THE SEC RACE

"There are so many outstanding teams in our league it is hard to rule anybody out of the race. From what I hear and read the favorite has to be Alabama, but Georgia, Auburn, LSU and Tennessee are close. When you look at the results over the past few years it is obvious no team in the SEC can count on beating a league opponent. I believe it is the best, most-balanced league in college football."

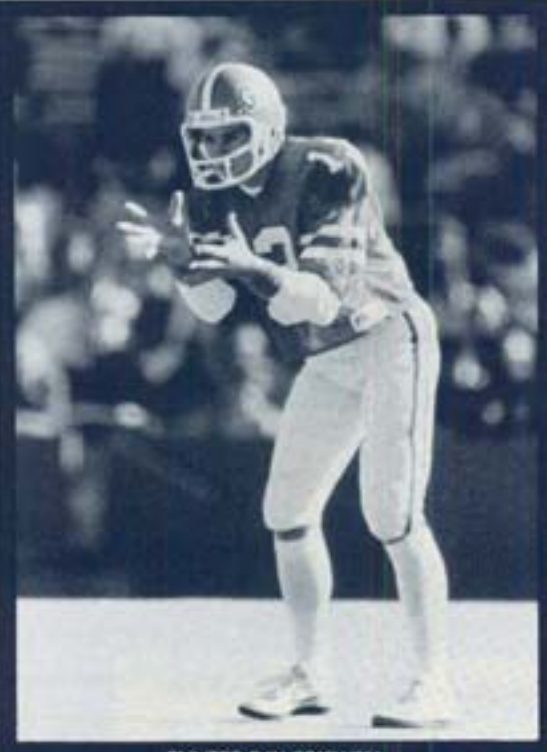
KEY DEPARTURES

OLB ALONZO JOHNSON
A two-time first team All-America selection. One of five finalist for "Butkus Linebacker of the Year Award." Selected in second round of NFL draft by Philadelphia. Holds school records for most QBS with 27 and most tackles behind the line of scrimmage with 55.

RB NEAL ANDERSON (left) AND FB JOHN L. WILLIAMS (right)
Florida's first and third all-time leading rushers with 3,234 and 2,409 yards respectively. Anderson was selected in first round of NFL draft by the Super Bowl champion Chicago Bears while Williams was taken in the top round by Seattle. Their selection in the first round of the NFL draft marked the first time since 1971 that two backs from the same collegiate team were selected in the opening round of the NFL draft.



PUNTER RAY CRISWELL
His 44.4 career average ranks as the best in Gator history. He was the first punter in the nation selected in the NFL draft this past spring. He was picked by the Philadelphia Eagles in the fifth round.

OLB PATRICK MILLER (left) AND ILB LEON PENNINGTON (right)
Miller was drafted in the fifth round of the NFL draft by the San Francisco 49ers. Pennington was a four-time letterwinner who ranked third on the 1985 team in tackles with 78.

DT ALONZO MITZ
Selected in eighth round of NFL draft by Seattle Seahawks.

WR RAY McDONALD
Selected in seventh round of NFL draft by New England Patriots. Had five TD catches in 1985.

CB CURTIS STACY
A four-time letterwinner who started all 11 games in 1985. Signed with Seattle as a free agent.

HEAD COACH GALEN HALL

As the media and fans have gotten to know Florida head football coach Galen Hall over the past two years the reaction has been the same. He is described as low-key, laid-back, honest, unassuming, a good ole boy and the media's favorite tag of "unflappable."

All of the above paint an accurate picture; however, in these days of the terms "intense" and work-a-holic" being used to symbolize the characteristics of a successful coach, you might wonder how the Gator head man gets the job done in a fashion which made him the nation's winningest coach over the past two years with a 17-1-1 record.

Neal Anderson, former Florida tailback and the school's career rushing record-holder, said it best in an interview following the 1985 season.

"Coach Hall doesn't shout and scream, and he is never negative," said Anderson. "He is a patient teacher who prepares you to play relaxed and confident football. He believes the players will play hard and he has made football a positive experience. It is fun."

Hall's football philosophy is reflected in the manner in which he handles his team.

"Football is very important to those who are playing the game, but it is not the ultimate thing in your life," he says. "You need to keep in perspective the fact it is not a life-and-death matter or World War III. There must be self-sacrifice and discipline in order to achieve athletic success, but there must also be fun in playing the sport."

Hall's peer group in coaching and athletic administration believe he has one of the sharpest minds in the game.

"There probably isn't a better 'X-and-O' coach in college football," says Gil Brandt, vice-president of the Dallas Cowboys. "He knows the game, knows how to attack defenses and has the calm presence of mind to be able to think under pressure during the course of the game. He is a great Saturday coach."

Hall's leadership qualities go back to his high school days in Williamsburg, Pa., where he was a star in football, basketball and baseball.

"He was a good, quiet leader and not a showboat," says his mother, 72-year-old Grace Hall. "He was a strong competitor but not one who wanted to be in the limelight taking any credit."

Hall stories are legend in the Williamsburg area, stories like the one about a major league baseball tryout when he hit seven of 25 pitches over the fence.

"That is absolutely true," says Williamsburg High head basketball coach Don Appleman. "He was a great baseball prospect, but decided to play college football."

Hall was a highly-recruited 195-pound quarterback who chose Penn State over Southern California. He grew to 215 pounds by his sophomore season in college and more closely resembled a linebacker than a quarterback.

As a sophomore Hall threw a 19-yard touchdown pass to beat Bear Bryant's Alabama team, 7-0 in the 1959 Liberty Bowl. As a junior he led the Nittany Lions to a 42-19 win over Oregon State in the 1960 Liberty Bowl.

Hall ended his senior season in another bowl game, the 1961 Gator Bowl against Georgia Tech, and that game

resulted in one of the favorite tales told by current Penn State athletic director Jim Tarman, who was the sports information director at the time.

"We only had the football for two possessions early in that Gator Bowl game and were already behind, 9-0," says Tarman. "Tech got a touchdown on a long return, and a safety when Galen intentionally downed a pass attempt out of our end zone.

"Joe Paterno was our offensive coordinator up in the press box and when the safety was called he was so enraged he raced down to the sideline and met Galen as he walked back up the field.

"Joe said something like 'What the #%&¢*$ is going on down here?' to Galen, who looked him right in the eye and said 'Coach, don't worry about it, we've got them right where we want them.' "

Quarterback Hall, who had figured out the Tech defensive scheme in the first two Penn State possessions, went on to throw three TD passes and earn game MVP honors in a 30-15 triumph.

Hall is not exactly compared with Johnny Carson on delivering one-liners, but he does have a dry sense of humor, often throwing out a joke in such a matter-of-fact manner that you must be paying close attention to get it.

For example, he once told a player that his rules on length of hair were simple: "Nobody can have hair longer than mine," he said. Hall, of course, is bald but the player had to think about it before doubling over in laughter.

He refuses to take himself seriously, and more often than not he is the target of his own sense of humor. Take his "heartworm pill" story, for example.

"Our dog got heartworms and the vet gave us some pills," he tells friends. "I was taking vitamins, too, and somehow Elaine handed me a pill for the dog, which I thought was a

Vitamin E for me. Before she could stop me I took the pill.

"The last time we went to the vet the dog still had heartworms, but I didn't."

Hall is a pragmatic person, who, when asked to describe himself by one member of the media, replied "I'm a realist and an optimist."

"He's just a great guy who is so real and natural that people who don't know him well can't believe it," says his extroverted wife Elaine. "They look at him and wonder 'can this fellow be for real?' "

"We want to field a disciplined team which plays hard, but has fun playing the game. We want players who graduate from Florida and represent the school and its athletic program with class. If we can manage that, we will win more than our share of games over the long run."

When Hall graduated from Penn State in 1962 he went on to a brief career in the NFL, playing for the Washington Redskins in 1962 and the New York Jets in 1963.

He spent two seasons at West Virginia (1964-65) as offensive backfield and ends coach, and then went to Oklahoma, where he was to work with the Sooner offense for 18 years before joining the Gator staff in the spring of 1984.

At Oklahoma, Hall was not in the limelight despite a record of success matched by few, if any, offensive assistant coaches in college football. In 11 seasons as offensive coordinator for the Sooners they won two national championships, nine Big Eight titles, led the nation in rushing four times, were second three times, third twice and fourth once, the lowest ranking any of his offenses recorded during the period.

He developed Heisman Trophy winners Steve Owens and Billy Sims, All America running backs Joe Washington, Elvis Peacock and Eddie Hinto, and wide receivers Tinker Owens, Billy Brooks, Steve Zabel and Al Chandler, all of whom went on to play in the NFL.

After 18 seasons at Oklahoma, following the 1983 season, Hall decided it was time to move on for a variety of reasons. He was married to the former Elaine Hatch in January of 1984, and they wanted to start a new life together, and the itch to become a head coach reached him.

"I thought it would be good to diversify my coaching background," he says. "Spending 18 years in the same system tends to make people think you can only coach a certain style of offense or team. I looked at Florida as an opportunity to grow and gain experience in a good program so that would benefit me somewhere down the road when a head coaching position might come open in college or professional football."

Mike Shanahan, the ex-Gator offensive coordinator, had worked under Hall as a graduate assistant at Oklahoma and he recommended him to Coach Charley Pell when he left for the Denver Broncos. It turned out to be a tremendous blessing for both Hall and the Gators.

The great achievements of the 1984 and 1985 seasons are history. What does Hall look for in the future?

"We want to field a disciplined team which plays hard, but has fun playing the game," he says. "We want players who graduate from Florida and represent the school and its athletic program with class. If we can manage that, we will win more than our share of games over the long run."

"Right now we are in a position of having very limited depth due to the 75-scholarship cap imposed by NCAA sanctions. We are fortunate in having a good walk-on program to help offset some of this, and we hope to stay injury free and play with the pride the last two Florida teams have shown.

"This is a difficult position to be in, but we're confident our football program will come out of it stronger than it was before. I believe the future for Florida football is bright."

For Galen Hall, who wants to accentuate the positive and eliminate the negative, the challenge to overcome the scholarship caps installed under NCAA sanctions is a big one. He has always been a winner, however, and those who know him best believe this will continue to be the case.

"When I think of Galen Hall back at Penn State in 1959, I think of one of the really great players we have ever had at Penn State. He is probably the smartest football player I have ever been around in the 35 years I've been at Penn State . . . Galen is solid, poised, knows what it takes to win, and also understands the things that are important to the integrity of the university."

—Joe Paterno
Head Coach, Penn State

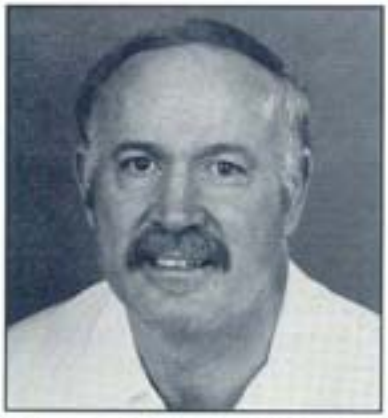
ASSISTANT COACHES



JERRY ANDERSON
Special Teams

Years at Florida: Joined the staff in March of 1985 as Special Teams Coach.

Coaching Experience: Started his coaching career at the University of Florida as Assistant Freshman Coach 1967-68. From 1968-70 he served as a coach at the North Miami Recreational Department. From 1971-73 he was Assistant Head Football Coach and Defensive Coordinator at North Miami High School. From 1973-77 he served as the Head Coach at Carol City Miami High School. In 1975 Carol City was the state runnerup in class 4-A and then in 1976 his squad posted a perfect 14-0 record in winning the state 4-A title as well as national prep ranking of second. In 1977 he joined the Vanderbilt University staff as Linebacker Coach and then went to the University of Miami in 1978. He served as Special Teams, Linebacker and Strength Coach at Miami. In 1979 he was named an assistant coach at Army and from 1979-82 he served as offensive line coach and strength coach. In 1983 he joined Lou Saban's staff at the University of Central Florida in the same capacity. In 1984, he was named Interim Head Coach early in the season when Saban resigned. In March of 1985 he joined the Florida staff.

Florida Coaching Notes: In 1985, UF finished 9th in the nation in punting (44.7) and 19th in net punting (39.2). Gator punt return unit ranked 27th (8.5 per return) nationally.

Academic and Athletic Background: Graduated from the University of Florida in 1968 with a B.S. in Physical Education. He received a Masters Degree in Administration and School Management from Laverne College in 1977. He attended North Miami High School and then continued his career at the University of Florida in the mid 1960's. He was a standout middle guard for the Gators in 1965 and 1966. Those two squads played in back-to back major bowls (the Sugar in 1966 and the Orange in 1967). He was co-captain of the Orange Bowl squad. He also garnered All-SEC and honorable mention all-america honors in the 1966 season.

Personal Notes: He was born on Feb. 21, 1945 and attended North Miami High School. Golf and Tennis are his favorite hobbies.

DAN BROOKS
Defensive Line

Years at Florida: Served as a graduate assistant coach for the 1983 and 1984 season and then was elevated to full-time status in January of 1985. He will assist Dan Coughlin with the defensive line with primary emphasis on the middle guards.

Coaching Experience: Began his coaching experience at Western Carolina University where he coached the defensive ends in 1974 and 1975. In 1976 he moved to Kings Mountain H.S. in North Carolina. He coached the offensive and defensive lines in 1976, was the Defensive Coordinator and offensive line coach in 1977, and then served as Head Coach and Athletic Director at Kings Mountain from 1978-82 season. In 1983 he joined the UF staff as a graduate assistant coach, a role he served for each of the next two seasons before being elevated to full-time status in January of '85.

Florida Coaching Notes: As a graduate assistant in 1984 he coached Tim Newton, a middle guard who gained All-SEC and second team All-America honors. Newton was drafted by the Minnesota Vikings in 1985 and made the NFL squad and started as a rookie. In 1985 Brooks assisted with the defensive line, a unit that played a big role in helping the defense lead the SEC in total defense and finish 17th in the nation in rushing defense.

Academic and Athletic Background: Graduated from Alleghany High School in Sparta, N.C. in 1969. He enrolled at Appalachian State University in 1969 and played football before joining the United States Army Special Forces School in December of 1969. DAN COUGHLIN
Defensive Line

Years at Florida: Joined the Florida Athletic Department in the spring of 1982 as the Director of High School Relations. After serving in that post for nearly a year, he was named the Gators' defensive line coach in February of 1983.

Coaching Experience: Served as Head Coach and Athletic Director at LaSalle High in Cleveland during the 1962-63 academic year. In 1963 he moved to Coral Gables High School in Florida where he served as defensive coach from 1962-1973. During that tenure, Coral Gables won 102 games, lost just nine and tied one while registering two national championships. His defensive unit registered nine shutouts in 13 games during the 1967 national championship season. He joined the University of Kentucky coaching staff in 1973, handling the outside linebackers in '73 and '74, the inside linebackers in 1975 and the defensive line from 1976-81.

Florida Coaching Notes: Florida finished third in the SEC in rushing defense (132.5 yds. per game) in 1983. Only two of the Gators 12 opponents that fall managed to outrush Florida. In 1984, only one of 11 opponents managed to show a rushing advantage on the Gators. Florida led the SEC in rushing defense in 1984 (121.5) and ranked 15th in the nation in that category. Only one back gained over 100 yards rushing the entire season. Florida permitted just three rushing TD's the entire season and did not allow a rushing TD in the final five games of the season. In 1984, MG Tim Newton was a consensus All-SEC and 2nd team All-America selection. Newton was selected in the 6th round of the NFL Draft by Minnesota. In 1985, Florida ranked 17th in rushing defense and in only one game did a back rush for more than 100 yards. UF ranked first in the SEC in total defense. DT Keith Williams was a second team All-SEC and HM All-America selection.

Academic and Athletic Background: Attended Benedictine High in Cleveland before moving to the University of Miami (Fla.) for college. He was a two-year starter for the Hurricanes at offensive guard and linebacker during the 1958 and 1959 seasons before graduating in the spring of 1960.

MIKE HEIMERDINGER
Receivers

Years at Florida: Joined staff in January of 1983.

Coaching Experience: Graduate Assistant at Eastern Illinois in 1975. Assistant Coach at Grant High School in Illinois in 1967-77 and Head Coach at Johnsburg High in Illinois during 1978-79. Joined the Florida staff as a grad assistant in August of 1980 with primary duties with the JV program. He was a receiver coach at Air Force during the 1981 season and quarterback coach at North Texas State in 1982.

Florida Notes: In 1983, Florida ranked third in passing offense in the SEC and Dwayne Dixon was a first team all-SEC choice. Dixon caught 47 passes that season, the most for a Gator receiver since 1969. In 1984, Florida averaged 16.1 yards per reception and the receivers turned in big play after big play (22 passing plays went for 20 or more yards and eight went for 40 or more yards). Florida had 16 scoring pass plays in 1984, the most for a Gator team since 17 in 1971. In 1985, Florida ranked first in the SEC and 11th in the nation in passing offense (265.8 yds per game). UF established a new school record for average yards per pass attempt (9.6) and tied a school record for the most TD receptions in a season (24). Gator receivers accumulated 2,924 yards, the second highest seasonal total in school history. Ray McDonald was drafted in the seventh round by the New England Patriots.

Academic and Athletic Background: Graduate of DeKalb (Illinois) High School in 1971. He received a BS Degree in History from Eastern Illinois in 1975 and earned a Masters at Northern Illinois in 1979. He lettered in football, basketball and baseball in high school and in football and baseball in college. He started on '74 Eastern Illinois contingent that finished third in NCAA II baseball championships.

LARRY KIRKSEY
Running Backs

Years at Florida: Joined the Gator staff as running back coach in February of 1984.
Coaching Experience: Began his coaching career at Miami of Ohio in 1974 as receivers coach. Served in that capacity for two seasons before taking over as quarterback coach in 1976 at Miami. Joined the University of Kentucky staff in 1977 as tight end and wide receivers coach. He held that post from 1977-81. Joined the University of Kansas staff as tight end and receivers coach for the 1982 season and then was named the head coach at Kentucky State University in December of 1982 and he held that post before joining the Florida staff in February of 1984.
Florida Notes: In 1984, the Gators outrushed 10 of 11 opponents. They ranked 12th nationally in rushing offense (244.8). Neal Anderson (916), John L. Williams (793) and Lorenzo Hampton (693) rushed for a combined total of 2,402 yards, the most ever for a trio of backs in a season in UF history. Anderson's 916 yards was the second best seasonal rushing total in school history. Anderson and Williams were both second team All-SEC choices while Anderson also received HM all-american honors. Eight times over the course of the season a Gator back rushed for more than 100 yards. Lorenzo Hampton was a first round selection in the NFL draft by the Miami Dolphins. In 1985, Neal Anderson and John L. Williams received All-SEC and HM All-America honors. Anderson became the school's all-time leading rusher with 3,234 yards and his '85 total of 1,034 marked just the second time in school history that a back rushed for more than 1,000 yards in a season. Williams ended his career as UF'S third all-time leading rusher with 2,409 yards. His 92 career receptions and 44 seasonal catches in 1985 set new school records. Anderson and Williams participated in the Blue-Gray and Senior Bowl all-star contests. Williams was drafted in the first round by Seattle while Anderson was selected in the first round by the Super Bowl Champion Chicago Bears. Their selection marked the first time since 1971 that two backs from the same team were selected in the first round of the NFL draft.
Academic and Athletic Background: Graduated from Harlan (KY) High School in 1969 where he earned four letters in football and was named to the all-state team his senior season. (continued on page 41)

Scott Armstrong, a starter in 15 total games over past two seasons, is the squad's most experienced inside linebacker.

KERWIN BELL
A REMARKABLE STORY

A month before the season opener in 1984 Kerwin Bell was a walk-on fifth string quarterback. Two years later he enters the 1986 season as one of the nation's premier players. His rags-to-riches story of a walk-on signal caller who is now exhibiting strong Heisman Trophy potential is truly one of the most refreshing in collegiate sports. Listed below are his achievements over the past two years.

CAREER

- His 37 touchdown passes over the past two seasons as a freshman and sophomore already ranks as the fifth best total in SEC history and the second best mark in school history. His 37 TD passes is one more than Steve Spurrier, 1966 Heisman Trophy winner, accumulated in three years at the Gator helm.
- His 37 TD passes ties John Reaves for the most touchdown passes by a quarterback in his first two years of play in SEC history. Bell could break Reaves' SEC record for career TD passes (54) this fall.
- He's the only QB in the country to rank in the top four in passing efficiency in each of the past two seasons.
- He has thrown four of the nine longest TD passes (75, 82, 82 and 96 yards) in school history.
- His 4,301 career passing yards already ranks as the fourth most in school history.
- The former walkon has led Florida to an 18-2-2 record over the past two seasons, the second best winning percentage (86.4%) in the nation over that time frame.

SOPHOMORE (1985)

- His 159.4 efficiency rating ranked second in the nation.
- His 159.4 efficiency rating in 1985 was the 12th best overall rating in NCAA history and the second best mark ever for a sophomore QB in NCAA history (Iowa's Chuck Long holds the top spot in this category with a rating of 160.4 in 1983).
- His 2,687 passing yards ranked as the second best seasonal total in school history and the third best yearly total in SEC history.
- His 21 TD passes ranked as the second best seasonal total in school history and the fourth top total in SEC history.
- He threw for at least three TD passes in five games during the season.
- His 408 passing yards vs. Georgia set a new school single game record and it represented the fifth best passing yardage game in SEC history.
- His three 300+ yard passing games in 1985 tied John Reaves (1969) for the most 300+ passing games in a season in school history.
- He was a first-team All-SEC and AP honorable mention All-America in addition to being named the first team QB on the Football News Sophomore All-America squad.
- He finished fifth in the balloting for the Davey O'Brien National Quarterback of the Year Award. He was the only sophomore to place in the top six in the final voting.
- He was named "The Coors Sports Page National Collegiate Player of the Year" by WTBS-TV in Atlanta.
- He was named the state of Florida's "Amateur Athlete of the Year" by the State's Sports Writers Association.

FRESHMAN (1984)

- Selected "SEC Player of the Year" in a vote of the league coaches as conducted by the Nashville Banner.
- His 148.0 efficiency rating ranked fourth overall in the nation behind Doug Flutie, Robbie Bosco and Bernie Kosar.
- His 148.0 efficiency rating was the best-ever for a freshman QB in NCAA history.
- His 16 TD passes and 1,614 passing yards were both school records for a freshman.
- His 16 TD tosses were the most scoring passes for a Gator QB since 1971 and matched the total Steve Spurrier achieved in 1966 when he won the Heisman Trophy.

Bell could become the SEC's all-time career leader in touchtown passes this year. His 37 scoring tosses as a freshman and sophomore leaves him just 17 shy of John Reaves' record of 54.

Kerwin Bell has picked up his share of honors in his brief career. He capped his Cinderella 1984 season by being named the "SEC Player of the Year" in a vote of the league coaches conducted by the Nashville Banner. After his sophomore year last fall he was the fifth leading vote getter in the "O'Brien Quarterback of the Year" balloting. This past spring he edged Miami's Vinny Testaverde in winning the state of Florida's "Amateur Athlete of the Year Award" as selected by the state's sportswriters association. Those achievements have all become part of his ever-growing legend.

SERIES NOTES

This will be the first meeting between Florida and Georgia Southern. Georgia Southern is the defending 1985 Division I-AA National Champion. The August 30th kickoff at Florida Field will mark the earliest season opener in Gator history. The previous earliest opener in Florida history came on Sept. 1st, 1984 when the Gators and the University of Miami squared off in Tampa. Florida last met a Division I-AA opponent in 1983 when it posted a tough 17-13 verdict over Indiana State at Florida Field. This contest marks the first time in six seasons that Florida has not opened its season by playing Miami. Georgia Southern Coach Erk Russell is no stranger to Florida football followers. Russell was the Defensive Coordinator at the University of Georgia for several years before starting the Georgia Southern program from scratch in 1982.

SERIES NOTES

This game will mark the 48th renewal of one of the nation's premier intrastate rivalries. The series began in 1938 and the two squads have battled every year since that first encounter with the exception of 1943 when Florida did not field a squad. Florida holds a slim 25-22 edge in the series standings. Florida won 35-20 in Miami last season and has now won three of the past four contests. The two schools have met 25 total times in Miami with Florida showing a 14-11 edge in those contests. Eighteen games have been played in Gainesville, and Miami has had the edge in those contests winning ten times. Four games have been played in other locations around the state. Florida has won twice in Jacksonville (1958 and 1959), and once in Orlando (1976) while Miami shows a win in Tampa (1984). The 1986 contest is the first time since 1980 that it is not the season opener for the Gators. Twenty-four of the 47 games in the series have been decided by less than a touchdown. Miami's Jimmy Johnson is 1-1 in two previous meetings with Florida while Gator head mentor Galen Hall is 1-0 in his only prior meeting with Miami.

SERIES NOTES

Florida and Alabama are charter members of the Southeastern Conference, but they have met only 20 previous times on the football field. Eight of those meetings, however, took place from 1916-1931 before the SEC was formed and began play in 1933. Alabama leads the all-time series standings with a record of 15-5. The two schools did meet one other time in 1904 with the Tide posting a 29-0 win in Tuscaloosa. Florida does not recognize that contest in its official records, however, as the school uses 1906 as its first official season of intercollegiate action. Prior to that season, Florida considered its squad a club-sport contingent. The two schools have battled 12 times since the SEC began play in 1933 and Alabama shows a 10-2 edge in those contests. Alabama has won the last seven meetings with Florida. The Gators haven't posted a victory over the Crimson Tide since 1963 when they registered a stunning 10-6 win in Tuscaloosa. That victory stands as one of the greatest in Florida history. Alabama had won 24 of 25 games since the start of the 1961 season when the two squads squared off on Oct. 12th in Tuscaloosa. Joe Namath was the junior QB for the Crimson Tide. The win in its own right was significant, but it became more so over time as it represented one of just two losses that Coach Bear Bryant suffered in Tuscaloosa. Bryant posted an incredible 72-2 record at Bryant-Denny Stadium in Tuscaloosa. After the Florida loss in 1963 he proceeded to post 57 consecutive wins at Bryant-Denny Stadium before Southern Mississippi registered a 38-29 upset win in 1982. This year's contest at Florida Field will represent just the sixth time that the two schools have battled in Gainesville. The two SEC squads haven't met since 1979 when the Crimson Tide posted a convincing 40-0 victory at Florida Field. That contest is one of seven shutout victories Alabama has posted in the series. In the five previous games at Florida Field (1930, 1949, 1971, 1973, and 1979), Alabama has registered three shutouts (1930, 1971, 1979). Florida has never defeated Alabama at Florida Field in the five previous meetings. Gator Head Coach Galen hall has had some success against the Crimson Tide however. As a sophomore quarterback at Penn State in 1959, he passed 19 yards off of a take field goal play for the game's only TD as the Nittany Lions defeated Alabama, 7-0 in the Liberty Bowl in Philadelphia.

SERIES NOTES

This will be the 41st meeting between Florida and Mississippi State. Florida leads the all-time series standings with a mark of 24-14-2. The two schools first met in 1923 and played to a 13-13 tie. The SEC foes have met every year since the 1962 season. Florida has dominated play in recent years winning 19 of the past 24 games. Mississippi State hasn't won in Gainesville since 1965. The Bulldogs have lost ten straight encounters at Florida Field. Galen Hall made his head coaching debut at Florida in 1984 vs. Mississippi State and the Gators gave him a 27-12 victory to mark the occasion. In each of the last three contests Florida has used big second half performances to post wins after a very tight first-half. In 1983 at Starkville, Florida led 7-6 at the half before going on to post a 35-12 win. In 1984 at Gainesville, Florida trailed the Bulldogs 12-7 at the half but scored 20 points in the second half to win 27-12. Last year in Starkville, the two squads battled to a 20-20 tie at the half but once again the Gators put things together in the second half to outscore the host 16-2 to post a 36-22 victory. Galen Hall is 2-0 in two previous encounters with Mississippi State while the Bulldogs' Rockey Felker is in his first year at the helm. One of the highest scoring games in SEC history took place in this series in 1969 when Florida posted a wild 47-35 win in Jackson. Gainesville has been the site for 21 games in this series with the Gators showing a 13-7-1 record in those contests. Five games have been played in Starkville with Florida winning three times while another ten games have been played in Jackson, MS with the Gators showing a 6-4 edge.

SERIES NOTES

This will mark the 33rd time that Florida and LSU have squared off on the football field. LSU holds a 16-13-3 edge in the series in the 32 previous games that have been played. The two SEC squads have met every season since the 1971 campaign with LSU holding a slim 7-6-2 edge in the 15 games that have been played between 1971-1985. This is a series where the home field advantage hasn't meant a darn in the last six years, and in general, hasn't been a big factor throughout the entire 32 games of the series. 1979 is the last time that the home team posted a victory as the Tigers won 20-3 in Baton Rouge. In LSU's last three appearances in Gainesville it has posted a 24-7 win in 1980, a 24-13 victory in 1982, and a 21-21 tie in 1984. Florida has been just as successful in Baton Rouge in recent years winning in each of its last three appearances at Tiger Stadium (24-10 in 1981, 31-17 in 1983, and 20-0 last year). Overall, LSU shows a 7-5-3 record in 15 games in Gainesville and a 9-8 record in the 17 games that have been played in Baton Rouge. LSU's achievements at Florida Field in recent years become even more significant in light of the total dominance that the Gators have displayed on their home turf. Since the start of the 1981 season (30 games), the Gators have posted a very impressive 27-1-2 record at Florida Field. LSU is the only team to beat the Gators at Florida Field in the past five seasons (a 24-13 win in 1982). LSU in 1984 (21-21) and Rutgers in 1985 (28-28) have walked off of Florida Field with ties during that time frame. Since the 24-13 loss to LSU in 1982, the Gators have gone 20 straight games at Florida Field without suffering another defeat. LSU coach Bill Arnsparger made his collegiate coaching debut in the 21-21 tie in Gainesville in 1984. Florida's 20-0 win in Baton Rouge last year marked the only defeat that LSU suffered during the regular season. Last year's shutout victory was the first for Florida in the 32 game series.

SERIES NOTES

This will be the first meeting between Florida and Kent State. Kent State is a member of the Mid-America Conference. Florida has met one other Mid-America Conference foe in its history, a 1973 game with Miami of Ohio in the then Tangerine Bowl (now Florida-Citrus Bowl). Miami won that contest, 16-7, which was played at Florida Field due to construction that was taking place at Orlando Stadium. Kent State is the third team from the state of Ohio that Florida has met in its football history. In addition to the Miami of Ohio contest in 1973, Florida also hosted the University of Cincinnati in 1984 and posted a 48-17 victory. This contest will mark Florida's 63rd annual Homecoming Contest. The Gators show an overall 42-19-1 record in the 62 previous Homecoming games including wins in each of the past six contests.

SERIES NOTES

This will be the second time that Florida and Rutgers have met. The initial encounter came last year at Florida Field with the two squads battling to a 28-28 tie. Florida held a 28-7 lead midway in the third period before Rutgers rallied with three touchdowns to register the tie. The tying touchdown came with less than two minutes to play in the contest. That tie represents one of just three games since the start of the 1981 season at Florida Field that the Gators have not won. Florida is a 27-1-2 at Florida Field since the start of the 1981 season. A 24-13 loss to LSU in 1982 and ties with LSU in 1984 (21-21) and Rutgers in 1985 (28-28) are the only blemishes on the Gators' sparkling success at Florida Field. The trip to East Rutherford, NJ and Giants Stadium for the October 18th meeting will mark Florida's first appearance in the northeastern part of the nation since 1942 when the Gators battled Villanova in Philadelphia. This year's appearance at Giants Stadium will mark Florida's first ever appearance in the New York City metropolitan area. Florida coach Galen Hall and Rutgers head mentor Dick Anderson are both graduates of Penn State University. Hall was a member of the Nittany Lion squad from 1959-61 while Anderson was a member from 1961-63. In 1961 Hall was the starting QB for the Nittany Lions while Anderson was a sophomore tight-end.

SERIES NOTES

This is one of the longest and most competitive series in the Southeastern Conference. Florida and Auburn have met 62 previous times on the football field with the Tigers holding a 34-26-2 edge in the series standings. The 62 games with Auburn represents the second most contests vs. an opponent for Florida in its football history. Only the 63 meetings with Georgia ranks ahead of Auburn. The two schools first met in 1912 and they have played every season since the 1945 campaign. The two schools have met at eight different sites (Gainesville, Auburn, Montgomery, Mobile, Columbus, Jacksonville, Tampa, Miami) over the years. Since 1950, however, the game has alternated between the two campuses. The home field has been important in this series. Florida holds a 16-6 edge in games that have been played at Florida Field. Auburn hasn't won at Florida Field in its last six visits. In games played at Auburn, the Tigers hold a commanding 20-4-1 winning record vs. Florida. When Florida defeated the Tigers, 14-10, last year it represented just the fourth time in 25 games at Auburn that the Gators have walked off the field with a win. That win vaulted Florida to the number one ranking in the Associated Press poll, the first time in school history that the Gators were ranked atop a wire service poll. 1927, 1973, 1975 and 1985 mark the only wins Florida has posted at Auburn in 25 visits. Florida's Galen Hall is 2-0 in two previous contests vs. Auburn while Auburn's Pat Dye is 2-3 in five prior meetings with Florida. Five of the last seven games in this series have been decided by seven or fewer points.

SERIES NOTES

The Florida-Georgia contest is truly one of the nation's premier games. The two schools have met 63 previous times with Georgia holding a commanding 40-21-2 edge in the series standings. The two schools first met on the gridiron in 1915. They have met every year since 1930 with the exception of the 1943 season when Florida did not field a team. This game has been played yearly in Jacksonville since 1933 with the exception of 1943. Since 1961 (25 games), this contest has been decided by seven or fewer points 15 times. Georgia's Vince Dooley is 15-6-1 in 22 previous meetings with Georgia while Florida's Galen Hall is 1-1 in two prior meetings with the Bulldogs. When Georgia defeated Florida last year, 24-3, it marked the first defeat in Galen Hall's head coaching career. Prior to that loss, he had compiled a 15-0-1 record as the head mentor at Florida. That defeat also knocked Florida from its first-ever No. 1 national ranking by a wire service poll (Associated Press). Hall had defeated Georgia, 27-0, in his initial meeting with the Bulldogs in 1984. That win snapped a six game Georgia win streak in the series. Florida has managed to post a win in this series just three times in the past 14 meetings. Georgia's best winning streak in the series is seven games (1941-42, 44-48) while Florida's best sustained streak is four games which it has achieved twice (1955-58, 1960-63). Florida has played Georgia 63 times, a total that represents the most contests vs. one opponent in its football history.

SERIES NOTES

This game traditionally marks the end of the SEC schedule for Florida. The two schools first met in 1917 in Lexington with Kentucky posting a 52-0 win. Florida leads the overall series standings with a mark of 20-16-0. Florida has won the last six contests, including last year's 15-13 victory on a 19-yard field goal by Jeff Dawson with just 20 seconds left in the game. Florida has dominated play in recent years, winning 16 of the past 20 contests, including six straight and seven of the last eight meetings. Florida and Kentucky have met every year since 1967 with UF showing a 14-4 edge in the win-loss column since that season. Florida has won 12 of the 16 games that have been played in Gainesville. Sixteen contests have also taken place in Lexington with Kentucky showing a 9-7 edge in those contests. Four contests (1926, 27, 31, 49) were played at other sites and Kentucky has won three of those games. Florida has won in each of its last four appearances in Lexington, including a pulsating 25-17 verdict in 1984 when Adrian White intercepted a Kentucky pass near the endzone very late in the game. That win gave Florida a 5-0-1 SEC record and its firstever first place finish in the final SEC standings. Last year's 15-13 last-second victory gave Florida a 5-1 SEC mark, a record that tied Tennessee for the best mark in SEC play. Although Florida has won the last two contests, it has managed to cross the goal-line just twice. Twenty-seven of the 40 total points Florida has scored in the past two games have come via nine field goals. Florida's Galen Hall, who was named Head Coach in the locker room at Lexington after the Gators 25-17 victory in 1984, is 2-0 in two previous meetings with Kentucky. Kentucky's Jerry Claiborne is 1-5 in six previous encounters with Florida. His win (13-0) came in the 1975 Gator Bowl as the head mentor at Maryland.

SERIES NOTES

This has quickly developed into one of the premier rivalries in the entire nation. The two sunshine state schools first met on the gridiron in 1958 with Florida posting a 21-7 victory. The two schools have met every year since 1958 with Florida holding a 21-6-1 lead in the series standing. Florida State's first win in the series came in 1964, 16-7, in the first meeting at Tallahassee. The first six contests of the series were held in Gainesville. Since 1964, the site has alternated every year between the two campuses with Tallahassee the site in even-numbered years and Gainesville the host in odd-numbered years. Florida shows a 13-3-1 edge in the 17 games that have been played in Gainesville and a 8-3 ledger in the eleven contests that have been played in Tallahassee. Florida currently holds a five-game win streak in the series. The Gators' current skein has come on the heels of a four game win streak by Florida State from 1977-80. Gator coach Galen Hall is 2-0 in two prior meetings with FSU while Seminole head mentor Bobby Bowden is 4-6 in ten previous encounters with Florida. Bowden has chalked up four of the six total wins Florida State has posted in the series.

TEAM ACHIEVEMENTS

- Florida's 9-1-1 record tied the 1984 squad for the best regular season record in school history.
- The 1985 squad become just the third team in UF history to win nine games in a regular season (1975 and 84 were the other years).
- Florida's 9-1-1 record tied the 1969 and 1984 UF teams for the all-time best 11-game record in school history. The '69 team was 8-1-1 in regular season play and then beat Tennessee in the Gator Bowl. The '84 unit was 9-1-1 in regular season plays and did not participate in a bowl game.
- The '85 squad achieved a nine win campaign for the third consecutive season, the first time in school history that Florida teams have won nine games for three straight years.
- Florida was ranked 5th in the final AP regular season poll. 1985 marked the third straight season UF was ranked among the top six teams in the nation.
- Florida's 27 combined wins over the past three seasons established a new school record for most wins in a three-year time span in UF history.
- Florida's 7-0-1 start in 1985 marked just the second time in school history that a Gator contingent had been unbeaten after the first eight games of a season. The 1928 team was 8-0 after its first eight contests.
- The 14-10 win over Auburn propelled Florida to a number one ranking in the Associated Press poll, the first time in school history that a Gator football team had held that lofty spot.
- The 14-10 win over Auburn marked just the fourth time in the 62 game series between these schools that Florida has managed to post a win at Auburn.
- Florida's 5-1 record in SEC play marked the second consecutive year in which the Gators posted the best record in the tough conference. 1985 marked the first time in school history that Florida posted back-to-back five win seasons in SEC play. The '84 squad was 5-0-1.
- Before losing to Georgia in the ninth game of the season, the '85 squad had stretched UF's all-time school record unbeaten streak to 18 games (the final 10 games of 1984 and the first 8 games of 1985).
- Before losing to Georgia, the '85 squad helped establish two other school records; an 11-game SEC unbeaten streak and a nine game SEC winning streak.
- Florida compiled a 5-0-1 record at Florida Field in 1985. Florida now holds a 20-game unbeaten mark at home. Florida hasn't lost at home since 1982 (24-13 to LSU) and shows a 27-1-2 mark at home since the start of the 1981 season (30 home games).
- Florida's 9-1-1 record came against a schedule that the NCAA ranked as the toughest in the nation.
- Florida beat five teams (Miami, LSU, Tennessee, Auburn, and Florida State) that were ranked in the nation's Top Twenty.
- Florida defeated three teams (Miami, LSU, Tennessee) that suffered just one regular season loss in 1985.

ABOUT THE OFFENSE

- In the NCAA rankings Florida ranked:
  —19th in total offense (406.5 yards per game)
  —11th in passing offense (265.8 yards per game)
  —73rd in rushing offense (140.7 yards per game)
  —27th in scoring offense (26.0 points per game)
- In the SEC rankings Florida ranked:
  —2nd in total offense (406.5 yards per game)
  —1st in passing offense (265.8 yards per game)
  —7th in rushing offense (140.7 yards per game)
  —4th in scoring offense (26.0 points per game)
- It tied a school record for the most touchdown passes in a season with 24 that was set in 1969.
- Its 4,472 yards in total offense was the second most in a season for a Gator unit in school history. The 1982 unit had 4,540 yards.
- It set a school record for the most yards gained passing in a game with 408 vs. Georgia.
- The 2,924 yards it registered passing was the second highest seasonal total in school history. The 1969 team accumulated 3,016 yards passing.
- Twenty-four of the 34 touchdowns it posted in 1985 came via the passing game.
- The offense gained more than 200 yards passing in nine of the eleven games.
- It outrushed seven of 11 opponents in 1985 and posted a 6-0-1 record in those contests in which it held the rushing edge. UF has won the rushing game in 27 of the past 34 contests over the past three seasons. In the 27 contests that Florida has held the rushing edge, the Gators show a 23-1-3 record. UF has won every game it has held the rushing advantage (27) over the past three seasons except for a tie with USC in 1983, a loss to Miami in 1984, a tie with LSU in 1984 and a tie with Rutgers in 1985.
- Florida was 5-0 in the won-loss column in 1985 when a back rushed for 100 or more yards. Florida has now won 20 straight games when it has had a back rush for 100 or more yards.
- It outscored opponents by a combined total of 185-75 during the second and third periods of play.
- It averaged 9.6 yards per pass attempt, a new school record. The old mark was 8.1 per attempt set in 1982.

ABOUT THE DEFENSE

- In the NCAA national rankings Florida ranked:
  —9th in total defense (282.8 yards per game)
  —17th in rushing defense (123.0 yards per game)
  —22nd in passing defense (159.8 yards per game)
  —23rd in scoring defense (14.7 points per game)
- In the SEC rankings Florida ranked:
  —1st in total defense (282.8 yards per game)
  —3rd in rushing defense (123.0 yards per game)
  —2nd in passing defense (159.8 yards per game)
  —4th in scoring defense (14.7 yards per game)
- The unit posted two shutouts (LSU and Southwestern Louisiana).
- It surrendered one or less touchdowns in six of the last eight games of the season.
- At one stretch during the season (second half of the Mississippi State game and contests vs. LSU, Tennessee, Southwestern Louisiana, Virginia Tech and Auburn) it allowed just four touchdowns and 38 total points over a 22 quarter period of time.
- It permitted just three touchdown passes the entire season, none in the last six games of the season. UF ranked second in the nation in the fewest TD passes allowed for the season.
- Florida's 19 total interceptions ranked 14th in the nation.
- The unit registered 33 turnovers on the season (19 interceptions and 14 fumble recoveries. Their performance helped Florida register a +11 figure in the all-important turnover margin category in 1985. The UF offense had 22 turnovers (11 interceptions and 11 fumbles).
- It held two of the nation's top rushing teams, Auburn and Florida State, to 157 and 62 yards respectively. Auburn was averaging over 360 yards a game rushing when they met Florida. FSU was averaging over 230 yards per game.
- It held Auburn's Bo Jackson to his lowest rushing total of the year, 48 yards on 16 carries.
- In only one game (Georgia) did it allow a back to rush for 100 or more yards. In UF's last 34 contests since the start of the 1983 season, the Gator defense has seen a back rush for 100 or more yards in just three games (Auburn in 1983, Florida State in 1984 and Georgia in 1985).
- In the 20-0 shutout vs. LSU, Florida held the Tiger offense to minus 10 yards rushing and just 135 yards in total offense. The −10 total set a UF school record for the best effort vs. the rush.
- Opponents converted on just 34.8% of its third down conversions.

Florida led the SEC in total defense and ranked 9th in the nation in that category.

ABOUT THE SPECIAL TEAMS

- Florida finished 9th in punting with an average of 44.7 and 17th in net punting (39.2).
- Florida finished 27th in punt returns (8.5).
- UF was 17 of 24 on field goals in 1985. Over the last three seasons, UF has converted on 65 of 80 field goal opportunities.

GAME 1

Florida 35, Miami 23

September 7, 1985 Miami, FL (Orange Bowl)

A fifteen point fourth quarter lifted the Gators to a come-from-behind 35-23 season opening win against the intra-state rival Miami Hurricanes before an Orange Bowl record crowd of 80,227. The loss was the only defeat Miami suffered during the regular season.

The win extended UF's unbeaten streak to 11 games dating back to the third contest of the 1984 campaign. Sophomore quarterback Kerwin Bell, who just one year earlier had made his collegiate debut against Miami after earning the starting job just four days prior to the game, passed UF to the victory with a pair of fourth quarter touchdown throws.

Trailing 21-20 after three periods, Bell directed the Gators into the lead for good with an eleven-play, 79-yard drive with less than eight minutes remaining. Bell mixed his passes well on the go-ahead drive hitting junior Ricky Nattiel three times and Frankie Neal and John L. Williams once. Bell's third TD pass of the evening, an 18-yarder to Nattiel, gave the Gators a 26-21 advantage. A Neal Anderson run on a two-point conversion made it 28-21.

Florida had controlled the flow of the game for much of the first half jumping out to a 20-7 lead at intermission. UF's first drive of the game was a powerfully constructed 14-play, 80 yard drive. Running backs Neal Anderson and John L. Williams, who combined for an uncharacteristically low 87 yards on 34 carries for the night, did most of their damage via the ground on this drive. A Bell to Nattiel pass down the right sideline for 18 yards opened the scoring.

In the second quarter Miami tied the score at seven with its own long drive capped by a Warren Williams 4-yard run. Vinny Testaverde completed four passes on the drive, including a 27-yard gainer to Williams which put the ball deep in UF territory. The remainder of the first half, however, belonged to the Gators.

Florida extended its lead to 10-7 in the second quarter with a 17-yard Jeff Dawson field goal, the first field goal of his career. Fullback John L. Williams' 3-yard touchdown reception from Bell was set up by a Vernell Brown fumble recovery at the UM 37. UM finished the game with four turnovers while UF did not turn the ball over.

Williams' score came just seconds prior to intermission and was followed by an onside kick recovery by the Gators on the UM 29. Dawson then added a 46-yard three pointer as time expired in the first half. Miami totally dominated the third period as Florida had possession of the ball for just eight plays. Early in the fourth period, Testaverde scored on a 13-yard scramble to put Miami on top, 21-20. Bell and company then dominated the rest of the game.

Bell finished the game 20 of 28 for 248 yards and a career-high four touchdown passes. Most of the damage was done in the final period despite a heavy Miami defensive rush against an inexperienced Florida front line which had four of five players starting their first game as offensive linemen. UM quarterback Vinny Testaverde finished 24 of 40 for 278 yards but did surrender two interceptions.

Game Notebook

- Bell's performance in the game earned him "AP Southeast Player of the Week" honors.
- Coupled with a Brigham Young 27-24 loss to the UCLA Bruins, the Gators' victory gave them an unbeaten streak of 11 games and a 10 game win streak. Both were tops in the nation.
- The 35-23 win raised Florida's all-time record in season openers to 57-22.
- Miami outrushed the Gators 121-53, marking just the fourth time in 24 games dating back to the start of the 1983 season that the Gators were outrushed in a game.
- Bell's four touchdown passes was the most by a Gator quarterback in a game since Wayne Peace threw for the same total against FSU in the 1981 season finale. It was also just one short of the school mark held by John Reaves.
- Warren Williams' 4-yard gallop in the second period was the first rushing touchdown against the UF defense in 21 quarters dating back to the 1984 campaign.
- Miami rushed for three TD's, a figure that matched the total the 1984 defense had given up during the entire season.

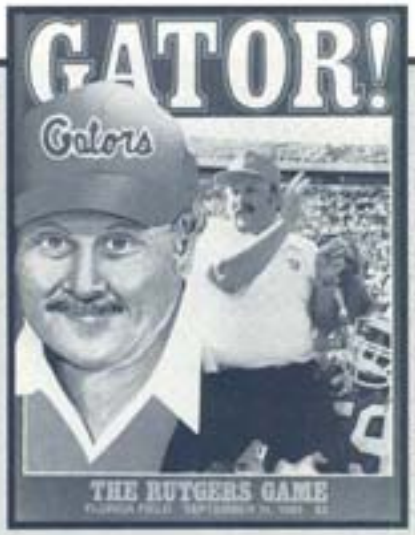
GAME 2 — Florida 28, Rutgers 28

September 14, 1985 Gainesville, FL (Florida Field)



The third-ranked Gators squandered a 28-7 third quarter lead enabling the visiting Scarlet Knights of Rutgers to escape Florida Field with a stunning 28-28 tie before a home opening day crowd of 71,708. The Knights' comeback snapped UF's ten game winning streak dating back to the third game of 1984.

Florida had jumped out to a 21 point lead keyed by a strong surge just prior to intermission and the fine play of QB Kerwin Bell. Midway in the third period, Bell was replaced by backup Rodney Brewer with the Gators holding a seemingly comfortable 28-7 lead. On Brewer's first pass attempt, however, Rutgers defensive lineman Todd McIver intercepted and ran into the endzone for a 48-yard touchdown. McIver's big play changed the momentum of the game which the Gators had held in their favor since Rutgers' opening drive of the game. Rutgers had jumped out to a 7-0 advantage early by taking the opening drive in for a touchdown. The one-yard score by Albert Smith was set up by his own 53-yard kickoff return. From that point, UF's offense tallied 28 unanswered points while the defense didn't allow Rutgers to cross midfield. Florida was once again led by the passing of Bell who threw for three touchdowns in the game, including two in the final five minutes of the second quarter. Bell finished 19 of 26 for 256 yards.

A pair of Jeff Dawson field goals trimmed the Rutgers lead to 7-6, before UF exploded for 15 points late in the second period. Cornerback Curtis Stacy setup the first score with an interception on the Rutgers 31. Bell then connected with John L. Williams for a 13-yard TD pass and with wide receiver Ray McDonald on a 19 yard score. Williams' 2-point conversion after his TD made it 14-6. From the Florida 22, Bell then directed a 9-play, 78-yard drive that ended with McDonald hauling in the 19-yard scoring pass. That score came with just two seconds remaining in the first half and put UF on top, 21-7.

Frankie Neal's 42-yard reception from Bell midway in the third quarter gave the Gators their largest lead of the game, 28-7, before the Rutgers comeback began with McIver's interception return. Matt Bachmann's interception of a Brewer pass setup another Rutgers score. Smith's second short run for a score then made it 28-20. Joe Gagliardi then found Bruce Campbell for a 16-yard score with just 35 seconds remaining. A two point conversion made it 28-28. Rutgers reserve quarterback Joe Gagliardi went 10 for 18 for 120 yards and one touchdown in engineering the big comeback.

Game Notebook

- The Rutgers-Florida game marked the reunion of head coaches Galen Hall and Dick Anderson who had been teammates at Penn State. Hall was the starting quarterback for the Nittany Lions on the 1961 squad while Anderson was the tight end.
- The tie left the Gators just one game short of the school's all-time victory streak of 11 games. The 1927-28 UF club won the final three games of '27 and the first eight of '28. The tie, however, did give the team a 12-game unbeaten mark, just one shy of the all-time school mark (1923-24).
- Despite the tie, UF still held a strong 22-1-2 record in games played at Florida Field since the start of the 1981 campaign.
- Kerwin Bell's performance put the sophomore quarterback first in the nation in passing efficiency with two game totals of 39 of 54 with 7 touchdowns and no interceptions. Thru the first 13 games of his collegiate career he had tossed 23 TDs.
- Neal Anderson's 81-yards rushing led the game and moved him within 251 yards of UF all-time leader Tony Green.
- Thru two games, the Florida defense had allowed five rushing TDs. In 1984, the Gator squad had allowed just three rushing TDs all season.
- The 28-28 tie represented the third consecutive season that UF tied its opponent in the second game of the year.
- Florida was averaging just 84.5 yards rushing after two games.

GAME 3

Florida 36, Mississippi State 22

September 28, 1985 Starkville, MS (Scott Field)

A Florida defensive unit, which had led the Southeastern Conference in total defense in 1984, registered its best performance of the early season in keying the Gators' 36-22 victory over the Mississippi State Bulldogs in the SEC opener for both clubs.

The victory extended UF's unbeaten streak to 13 games matching the school all-time mark. UF upped its record to 2-0-1, while Mississippi State fell to 3-1. Florida outgained the Bulldogs 499 to 289.

Mississippi State had come into this game ranked among the national leaders in total defense, but on this night it was Florida's defense which enabled the Gators to pull out from a 20-20 halftime deadlock. In the third quarter, MSU quarterback Don Smith and his club could muster just four yards of offense. In the meantime, UF tallied two touchdowns to make it 33-20 after three periods.

Kerwin Bell connected with Ricky Nattiel for an 83-yard scoring pass just 47 seconds after intermission to give the Gators a lead they would never surrender. Tailback Neal Anderson (23 carries for 134 yards) later added a 7-yard touchdown with 4:55 left in the quarter. MSU's only second half points came from a safety after Bell was ruled for intentional grounding trying to elude a defensive pass rush from deep in his own endzone. That play came with the Gators holding a comfortable 33-20 lead late in the game.

Behind the jitterbug running style of Smith, MSU took an early lead scoring on the opening drive of the game on a 20-yard run by the fleet-footed QB. He later added a 61-yard scoring pass to Kenny Rogers with 3:15 remaining in the first period to make it 14-7. Bell had earlier tossed an 11-yard score to tight end Walter Odom, the first TD catch for a Gator tight end since the 1982 season. Smith finished as MSU's top offensive performer passing for 157 yards and running for another 37 and one touchdown. Most of that damage, however, was done in the first half.

Florida fullback John L. Williams also registered a superb all-around performance rushing for 79 yards while catching 8 passes for 88 yards and one touchdown. Bell had his third straight solid game as he completed 15 of 25 passes for three TD's and 302 yards (career high).

Game Notebook

- This victory extended Florida's unbeaten streak to 13 games dating back to the second game of the 1984 campaign. The 13 game streak tied a school record established by the 1923-24 UF squad.
- The win was Florida's sixth consecutive victory in a road game.
- Kerwin Bell, the nation's leader in passing efficiency with a 193.3 rating, passed for over 200 yards for the third straight game of the season. His 3 TD's gave him 10 in just three games, while surrendering just one interception. For his efforts the Mayo, FL native was selected "SEC Player of the Week".
- Tailback Neal Anderson's first 100-yard game of the season gave him 11 in his record-breaking career extending his own school all-time record. Anderson's 134-yard performance also moved him within 117 yards of all-time rushing leader Tony Green (1974-77). His third quarter touchdown run gave him 24 and tied him with Larry Smith (1966-68) for most career rushing touchdowns.
- UF outrushed MSU 184-121 marking the 22nd time in the last 26 games that Florida had outrushed its opponent.
- Through three games, Florida's defense was allowing just 99.7 yards against the run.
- John L. Williams' 167 all-purpose yards (79 rushing, 88 receiving) gave him his second excellent game against MSU. In Starkville in 1983, Williams had rushed for 104 yards on just four carries while scoring on touchdown runs of 70 and 4 yards.
- Jeff Dawson's 26 yard goal marked the 22nd straight conversion for Gator place kickers. They hadn't missed a field goal attempt in the past nine games.
- Despite undergoing arthroscopic surgery just 12 days prior to this game, Jeff Zimmerman started the contest and went most of the way.
- The second half surge which outscored MSU 16-2 marked the third consecutive year in which the Gators pulled away from a tight game at intermission against MSU.

GAME 4

Florida 20, LSU 0

October 5, 1985 Baton Rouge (Tiger Stadium)

It was a record-breaking evening for the visiting Florida Gators but all those records played second fiddle to a Gator defensive unit which shutdown the LSU Tigers 20-0 before the fifth largest crowd ever at Tiger Stadium. The loss was the only setback LSU suffered during the regular season.

The 20-0 blanking marked the first Tiger Stadium shutout of LSU since 1979 and its worst home defeat since 1981. It was also the first shutout for Florida in the 32-year history of the UF-LSU series.

The Gator defensive unit, which combined for six QB sacks, limited LSU to just 135 yards of total offense, including a school record breaking minus 10 yards rushing. Sophomore linebacker Clifford Charlton had three quarterback sacks.

While UF's defense was putting the clamps on Jeff Wickersham, Dalton Hilliard, Gary James and Company, the Gators were compiling their most balanced offensive output of the season. Their 407 yards were evenly distributed with 202 via the ground and the other 205 from the pass.

During the game, senior tailback Neal Anderson (22 carries for 123 yards) became the Gators' all-time leading rusher with 2,597 yards. After getting off to a slow start in 1985, Anderson logged his second consecutive 100-yard game and was off to his best start of his brilliant career. However, it was Anderson's passing abilities which put the Gators on the scoreboard late in the first period.

After taking a pitch from Kerwin Bell, Anderson ran to his left, pulled up and tossed a 51-yard touchdown pass to Ray McDonald on a halfback option pass. It was Anderson's first collegiate pass completion. That play would be all the scoring of the first half.

Jeff Dawson added a pair of field goals (27, 25) and John L. Williams scored on a 29-yard TD run late in the game to round out the scoring. Three Kerwin Bell passes were intercepted (two in the endzone and one at the 3-yard line) to prevent further scoring in a game that was dominated by Florida throughout the night. LSU's deepest penetration of the game was UF's 34-yard line.

Game Notebook

- Florida coach Galen Hall (11-0-1) at the Gator helm, established a new SEC mark for coaches with the most successful start as a league coach. Undefeated thru his first 12 games, he surpassed Frank Thomas' 10-1-1 mark set at Alabama (1933-34).
- The win at Tiger Stadium marked the third consecutive time Florida had escaped Baton Rouge with a victory. The home team, ironically, hasn't won in this series since 1979.
- The minus 10-yards rushing by LSU established a new UF defensive mark. The previous best performance in that category came in 1969 when the Gators held Florida State to minus 8 yards rushing.
- The 20-0 win extended UF's unbeaten streak to 14 games establishing a new school record in that category. The previous best was 13 games by the 1923-24 squads. The 14-game string also stood at the longest in the nation.
- After four games, the defense was ranked 5th in the country in rushing defense yielding just 72.3 yards a game and 7th in total defense (267.0).
- Tailback Neal Anderson, who registered his second consecutive 100-yard game and 12th of his career, became UF's all-time leading rusher surpassing Tony Green's (1974-77) mark of 2,590. After this game Anderson stood at 2,597.
- Fullback John L. Williams also became just the second back in UF history to rush for over 2000 yards (2002) and total over 600 yards in receptions (68 catches for 661) for a career.
- The Gator defensive unit also extended its scoreless string to six quarters with the LSU blanking. The last points scored against the defense came in the second quarter of the Mississippi State contest.
- The win was Florida's seventh straight road victory and seventh straight SEC victory.
- Jeff Dawson's two field goals marked the 23rd and 24th consecutive field goals that Florida had converted on during the past ten games.

The Gator defense celebrates Alonzo Johnson's interception vs. Tennessee. In back-to-back wins over LSU and Tennessee the Florida defense was superb. It yielded just one touchdown and 41 total rushing yards over the combined two games.

GAME 5 — Florida 17, Tennessee 10

October 12, 1985 Gainesville, FL (Florida Field)

The expected offensive fireworks which saw these two clubs combine for 73 points and over 1000 yards in 1984 never materialized as the Florida defense continued its outstanding play in posting a 17-10 Southeastern Conference win before 74,432, the largest crowd in Florida Field history. The loss was the only defeat Tennessee suffered during the regular season.

Neither club was able to put together much offense in the first half which ended in a 3-3 tie. After a scoreless first quarter, the two clubs traded field goals with UF's Jeff Dawson connecting on a 42-yarder and the Vols' Carlos Reveiz on a 33-yarder.

In the second half, UF's rushing attack, which had its third consecutive solid game after a slow start in '85, began to work effectively. Florida's all-time leading rusher, Neal Anderson, finished with 160 yards and two touchdowns to lead all runners in the game. It was his third consecutive 100-yard game of the season.

Anderson's scoring runs of 9-yards and 1-yard capped a pair of long Florida scoring drives on its first and third possessions of the second half, respectively. The runs extended UF's advantage to 17-3.

Later in the third period, UT started a 99-yard drive that trimmed the Gator lead to 17-10. Senior quarterback Tony Robinson, a native of the state of Florida, connected with Tim McGee for a 20-yard touchdown with 13:52 remaining. Robinson finished 26-of-36 for 300 yards, 150 of which came in the fourth quarter.

In 1984, these teams scored 34 points in the final period, but in this contest, UF's defense stopped a pair of late Tennessee efforts. After a Gator turnover at midfield, UT moved to the Gator 30, before linebacker Clifford Charlton sacked Robinson for a loss. With less than three minutes left, a blitz caused a deflected Robinson pass to be caught by linebacker Alonzo Johnson.

The UF defense permitted just 51 rushing yards and yielded its first touchdown in ten quarters of play. Tennessee was pinned deep in its own territory much of the game due to the outstanding punting of Ray Criswell.

Game Notebook

- Florida extended its unbeaten streak to 15 consecutive games (a school record) with the win. The win also extended the team's SEC unbeaten streak to ten.
- The 74,432 in attendance established a new Florida Field record. The Gators also raised their record to 23-1-2 at home since the start of 1981.
- UF all-time leading rusher Neal Anderson became the school's all-time career rushing touchdown leader with his 9-yard run with 9:44 showing in the third quarter. The previous mark was held by Larry Smith (1966-68). The TD was Anderson's 25th.
- Anderson's 160-yard effort, which also included 2 TD's, was his third consecutive 100-yard game, marking the third time he had put together three such games in a row. It was his 13th 100-yard game of his career. In two games against UT, Anderson rushed for 338 yards and 3 TDs.
- John L. Williams also became the first running back in school history to accumulate over 2000 yards rushing and 700 yards receiving in his career.
- UF went to 19-1-1 when one of its backs had gained at least 100-yards since the beginning of the 1982 campaign.
- Jeff Dawson's first half field goal was the 25th straight by a Gator kicker dating back to 1984. To this point in season, Dawson had converted eight in a row.
- The victory also was the fourth straight against Tennessee dating back to 1976. UT, however, still leads in the all-time series 13-6.
- Over a ten quarter stretch dating back to the Mississippi State game, the Florida defense had allowed just 10 points, including one touchdown and 91 total rushing yards.
- Reveiz's field goal at the end of the first half was the first three pointer converted vs. Florida in five games.
- The UF defense was ranked fifth nationally in rushing defense and seventh in total defense after this contest.

GAME 6

Florida 45, SW Louisiana 0

October 19, 1985 Gainesville, FL (Florida Field)

The Gators overcame a slow start in the annual Homecoming contest before rolling to a 45-0 shutout win against an outmanned Southwestern Louisiana team.

Quarterback Kerwin Bell returned to his early season form throwing for 297 yards and three TD's. After a scoreless first period, UF tallied 17 points in less than nine minutes during a stretch in the second quarter. The victory moved UF to a number two ranking in the Associated Press poll with a 5-0-1 start. The national ranking was Florida's highest ever.

Bell finished 14-21 for 297 yards, 3TDs, and no interceptions. His first scoring pass came on a 70-yard connection with tailback Neal Anderson in the second quarter. Earlier, Anderson had opened the scoring on a 1-yard touchdown dive which ended an eight minute Gator drive. Jeff Dawson later booted his ninth consecutive field goal of the year. The 38-yarder made it 17-0 at intermission.

The offensive fireworks continued in the third quarter as the Gators added four quick touchdowns. Bell tossed scoring passes of 55 and 12 yards to Ray McDonald and Eric Hodges, respectively. It was Hodges' first collegiate pass reception. He later would catch another TD on a 56-yard pass from back-up signal caller Rodney Brewer.

Once again the Gator defensive unit played extremely well registering its second shutout of the season thru six games. USL registered just 14 first downs and suffered six turnovers. UF converted two of those third period miscues into touchdowns to put the game out of reach at 38-0.

Florida outgained USL, 483-212. The Gators were outrushed, however, 139-121.

Game Notebook

- Kerwin Bell's 14-of-21, 3 TD performance put him back atop the national rankings for passing efficiency, a spot he had held thru the first three games of 1985. Bell's 13 TDs thru six games left him just 3 short of his entire 1984 season total.
- Thru 17 collegiate games Bell had thrown 29 touchdown passes to rank 4th on the all-time Gator list.
- The 45-0 victory was UF's sixth consecutive homecoming win and upped the school's all-time record in those games to 42-19-1.
- Dating back to the second half of the Mississippi State game (14 quarters), UF's defense had allowed only 10 points to be scored on it. All of those came in the 17-10 victory over Tennessee. UF's opponents had gained just 180 yards via the ground in those 14 quarters of play. It's 79.8 rushing average against the run ranked 5th nationally. Florida also ranked 8th nationally in total defense.
- Neal Anderson's 3 receptions for 107 yards established a school game mark for most receiving yards by a Gator running back.
- Anderson's 2 TDs (1 receiving, 1 rushing) gave him 29 in his Gator career, extending his school record for career touchdowns scored.
- Fullback John L. Williams moved to within 61 yards of the 3000-yard mark for career all-purpose yards.
- Thru six games, the Gators were outscoring opponents by an average of 30.2-to-13.8.
- Punter Ray Criswell had one of his best games of 1985, showing a 52.8 average on five punts.
- Galen Hall upped his Gator head coaching mark to 13-0-1 with this win.
- The win stretched the Gator unbeaten streak to 16, the longest in the nation.
- Of Florida's 22 total TD's thru six games, 15 had come via the passing game.

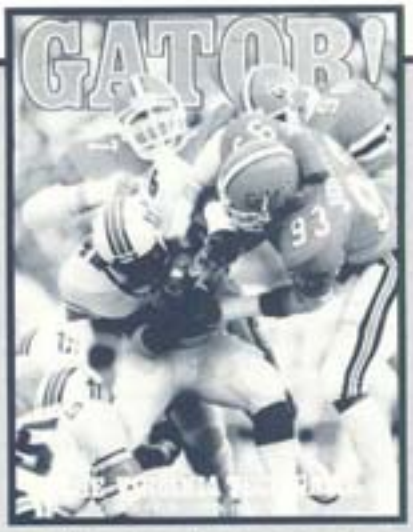
GAME 7 — Florida 35, Virginia Tech 18

October 26, 1985 Gainesville, FL (Florida Field)



An opportunistic Florida defense capitalized on a first quarter Virginia Tech fumble and a bobbled punt attempt while fullback John L. Williams registered a brilliant second half to lead the Gators to a 35-18 win before 70,110 at Florida Field.

The victory extended UF's unbeaten streak to 17 games before the club returned to its traditional Southeastern Conference second-half schedule of Auburn, Georgia, and Kentucky. UF upped its record to 6-0-1. Balance described the offensive output as UF registered a rushing total of 255 yards while throwing for 250 yards.

Leading 15-10 at halftime, UF extended its lead by converting a fourth-and-one punting situation at the Tech 37-yard line into a 25-yard gain on a pass from punter Ray Criswell to upback Scott Marshall. Five plays later, Bell tossed a one-yard TD pass to tight end Rodney Jones on a fourth-and-goal to give UF a 22-10 lead with 8:43 remaining in the third quarter. Jeff Dawson then avenged his first miss of the season by connecting on a 23-yard field to extend the UF advantage to 25-10.

Fullback John L. Williams, who played tailback subbing for the injured Neal Anderson, accounted for most of the team's second half rushing yards. Of Williams' 153 game-high yards, 140 came in the second half. Anderson rushed for 78 yards before sitting out the second half with a knee injury. His 47-yard halfback pass of Frankie Neal, his second such TD pass of the 1985 season, opened the scoring with just five minutes gone in the game. A Dawson 40-yard field goal, making it 9-0, was set up by a minus-seven yard punt by Tech's David Cox. Ten different players made receptions for the Gators. Kerwin Bell finished 14 of 27 for 179 yards and two touchdowns.

Game Notebook

- This win gave UF a 25-1-2 Florida Field record since the start of the 1981 campaign.
- The Gators remained second ranked in the Associated Press Top 20 poll for the second straight week.
- With a 6-0-1 record, it represented just the fourth time in school history that the Gators had registered an unbeaten record through seven games of a season. Similar marks were set by the 1928, 1966 and 1983 clubs.
- Thru seven games, UF's defense still ranked atop the SEC charts yielding just 281.9 yards per outing. The group permitted just 28 total points over the last 4½ games.
- John L. Williams' 153 yard represented his best rushing game since a 178-yard freshman year performance against West Texas State in 1982.
- Williams' rushing total marked the 8th time in his career that he rushed for 100 or more yards in a game.
- Entering this game, UF kickers had converted 26 consecutive field goals dating back to 1984. Although, Dawson's 40-yard FG in the first period extended that school record to 27, his second quarter missed snapped the string just three shy of the NCAA mark of 30 in a row.
- Frankie Neal's TD reception gave him eight career TD catches among his 22 total pass receptions.
- Ray Criswell averaged 52.8 yards on five punts.

John L. Williams, subbing for the injured Neal Anderson at tailback, registered 140 yards rushing in the second half.

GAME 8 — Florida 14, Auburn 10

November 2, 1985 Auburn, AL (Jordan-Hare Stadium)

Coupled with a loss by the top ranked Iowa Hawkeyes against Ohio State, Florida's 14-10 Southeastern Conference win against Auburn gave the Gators their first-ever number one national ranking in the 50-year history of Associated Press poll.

Auburn came into this game with the nation's top rushing team (368.9 ypg) and top rusher in Bo Jackson (200.3 ypg). But on this chilly afternoon, the SEC's top defense dominated the game. All-America Jackson finished with a season-low 48 yards on 16 carries while the Tiger running attack was held to more than 200 yards under its game average.

The victory upped UF's mark to 7-0-1 overall and 4-0 in the SEC, while the sixth-ranked Tigers dropped to 6-2 overall and 2-2 in SEC play.

The host Tigers held two leads in the contest at 3-0 and 10-7 before UF staged its comeback efforts. Big plays from John L. Williams and Ray McDonald keyed the effort before 75,000 onlookers. Although Kerwin Bell completed just nine passes (in 21 attempts), two of those resulted in touchdowns to Ray McDonald.

The final Bell-to-McDonald 8-yard connection with 7:18 capped a 61-yard, six-play drive late in the fourth quarter. The second quarter scoring drive which ended in a 3-yard pass to McDonald, ended an 87-yard drive. The two drives provided the majority of the Gators' 240 yards of offense. Auburn finished with 236 yards in total offense.

Big plays kept both Gator scoring drives alive. Tailback Neal Anderson picked up a 30-yard gain on a screen pass down to the Auburn 9-yard line on the first touchdown drive. A John L. Williams 32-yard gain on a draw play set up the game winning score, a beautiful 8-yard TD catch by McDonald on a fade route.

Game Notebook

- Linebacker Alonzo Johnson was selected "Southeast Defensive Player of the Week" by the Associated Press for his 15 tackle effort against the Tigers.
- This victory was only the fourth win that UF had ever posted in 25 visits to Auburn. UF's win was the first for a visiting team in this series since 1975 when UF posted a 31-14 win at Auburn.
- The 14-10 win extended UF's school record unbeaten streak to 18 games dating back to 1984. UF also upped its SEC unbeaten streak to 11.
- The UF victory was its eighth consecutive win on the road.
- The 7-0-1 start marked just the second time in school history that a Gator team had been unbeaten after the first eight games of a season. The 1928 squad was 8-0 before losing in the season finale.
- Over a 22 quarter stretch dating back to the Mississippi State contest, UF's defensive unit had allowed just four TDs and 38 total points. This unit was ranked first in the SEC in total defense after eight contests.
- Neal Anderson's 84 rushing yards left him just 26 yards shy of becoming the ninth back in SEC history to rush for 3,000 yards.
- Kerwin Bell's second TD pass to McDonald gave him 17 for the year tying him with John Reaves' (1971) total for the second most scoring passes in a Gator season. Bell was ranked second in the nation in passing efficiency with a 161.1 rating.
- Ray Criswell was superb once again, as he averaged 47.1 yards on nine punts.

Linebacker Alonzo Johnson was named "Southeast Defensive Player of the Week" for his 15 tackle performance.

The Florida defense was superb in the 14-10 win over Auburn. It held Auburn to just 157 rushing yards on 52 attempts while Bo Jackson registered just 48 yards on 16 carries. Auburn was averaging over 350 rushing yards a game entering this contest.

Wide Receiver Ricky Nattiel shows how he feels as the clock strikes :00. The 14-10 decision marked just the fourth time in 25 games at Auburn that Florida had walked off the field as the winner.

The win over Auburn put the Gators on the front cover of Sports Illustrated and it also elevated the squad to the Number One ranking in the weekly Associated Press poll, the first time in school history that a Gator contingent occupied the top spot.

GAME 9

Georgia 24, Florida 3

November 9, 1985 Jacksonville, FL (Gator Bowl)

Just four days after being ranked number one in the nation, the Florida Gators were upset by the Georgia Bulldogs, 24-3, before a Gator Bowl record crowd of 82,237.

Georgia, ranked 17th in the nation, upped its season mark to 7-1-1 overall and 3-1-1 in the SEC while handing UF its first conference loss since late in the 1983 season. The upset also snapped the Gators' 18-games unbeaten streak.

Florida dominated all areas of the statistics except those numbers on the final scoreboard. The Gators had 23 first downs to Georgia's 13 and outgained the Bulldogs 436-375. Even Kerwin Bell's career-high and school record 408 passing yards wasn't enough to overcome Georgia's high-pressure pass rush and big play rushing attack.

During the game, the Bulldogs' defense sacked Bell five times and forced three Gator turnovers while Georgia backs scored on jaunts of 76, 32 and 89 yards. Georgia outrushed the Gators 344-28 behind the efforts of freshmen Keith Henderson (145 yards) and Tim Worley (125 yards). Going into the game, UF's defense had allowed only two 100-yard games by a back in its previous 31 games.

Henderson, who was voted the game's most valuable player, opened the scoring with a 76-yard gallop late in the first period. The run set the tempo for much of the rest of the afternoon. He later would add a 32-yard TD run extending the Dogs' advantage to 14-0 with 11:39 showing in the second quarter. Worley's 89-yard TD run clinched the win with 3:58 left in the game.

Jeff Dawson's 36-yard field goal late in the second period was all the UF scoring. Dawson's kick trimmed the UGA advantage to 14-3.

Game Notebook

- The loss snapped head coach Galen Hall's unbeaten streak at the Gator helm. Hall began his career at UF with a 15-0-1 ledger, the best start ever by a Southeastern Conference coach.
- Florida's 24-3 loss, snapped several Gator streaks, including winning streak (6 games), unbeaten streak (18), SEC win streak (9), SEC unbeaten streak (11), and road winning streak (8). The loss also prevented the Gators from becoming the first UF club to go unbeaten thru the first nine games of the regular season.
- The Florida defense gave up three rushing touchdowns against Georgia. In the previous 5½ games, the Florida defensive unit had allowed just three rushing TD's.
- Sophomore quarterback Kerwin Bell had a record-breaking day establishing a school record with his 408 passing yards. Bell attempted 49 passes, completing 33 and tossing one touchdown. The 408 passing yards was the fifth best total in SEC history.
- During the game, Neal Anderson (31 yards) became just the ninth back in SEC history to go over 3,000 yards rushing for a career.
- Fullback John L. Williams' 12 catches established a new school mark for pass receptions by a running back. With two games remaining Williams led the squad with 40 catches, also a running back seasonal record.

Kerwin Bell threw for a school record 408 yards. It also represented the fifth best single game mark in SEC history.

GAME 10 — Florida 15, Kentucky 13

November 2, 1985 Gainesville, FL (Florida Field)

For the second consecutive year, the Florida-Kentucky contest wasn't decided until the final minute as Jeff Dawson's 19-yard field goal with just 20 seconds left gave the Gators a 15-13 win before 73,672 fans.

Trailing 13-12, Dawson's third field goal of the afternoon followed a unsuccessful third-and-goal pass at the two-yard line from tailback Neal Anderson to QB Kerwin Bell. The win upped UF's season mark to 8-1-1 overall and 5-1 in the SEC. The Wildcats fell to 5-5 overall and 1-4 in the league.

The game was kept close by a Kentucky defense which bent much of the afternoon but was tough when it had to be. On its second possession, UF had a first down on the UK 19, but had to settle for a 34-yard field goal by Dawson with 5:55 remaining in the first period. Early in the second period, Dawson booted a 22-yard field goal after UF had failed to take advantage of a first-and-goal on the 4-yard line. Dawson's two field goals marked the only scoring in the first half.

UK gained its first lead of the game behind the running of Gainesville, FL native Ivory Joe Hunter. A seven yard run by Hunter in the third period put UK ahead 7-6 midway in the quarter. He later would add a 4-yard score to give the visiting Cats a 13-12 advantage with 11:39 remaining. That score was set up by an interception of a Kerwin Bell pass.

Trailing 7-6, UF had earlier marched 69-yards on three plays to regain the lead at 12-7 when Kerwin Bell (17 of 29, 236 yards) connected with Frankie Neal for a 45-yard TD pass. UF's two-point conversion failed. Florida drove from its own 15-yard line to set up Dawson's game winning field goal after UK had taken a 13-12 lead on Hunter's second TD run.

Neal Anderson was the Gators' workhorse logging 134 yards on a season high 31 carries. UF outgained Kentucky 420 to 240 in total offense.

Game Notebook

- UF extended its home unbeaten streak to 19 games. It also marked the fifth win in a row against Kentucky.
- Senior Neal Anderson, who made his first career start in 1982 against the Kentucky Wildcats, finished his 4-game career against UK with some impressive number, including 433 yards on 99 carries and four touchdowns.
- During this contest, Anderson also surpassed Tony Green (1974-77, 3,642) to become the all-time Florida leader in all-purpose yards. With one game remaining in his career, Anderson stood at 3,690 yards.
- Anderson also logged his 14th 100-yard game of his career extending his school record. Florida was a perfect 14-0 in those contests.
- LB Alonzo Johnson surpassed former Gator All-America Wilber Marshall in the career quarterback sacks category. Johnson's 26 sacks surpassed Marshall's 23 sacks set during the 1981-83 seasons.
- Sophomore quarterback Kerwin Bell tied Wayne Peace for third place in the Gator record book for career touchdown passes. He tossed his 34th TD pass to Frankie Neal in the second half of the game.
- Despite winning the 1984 and '85 games against Kentucky, the Gators had crossed the goal line on just two occasions. UF had done most of its scoring via nine field goals.

Jeff Dawson's field goal with just 20 seconds left gave the Gators a hard-fought 15-13 win.

GAME 11 — Florida 38, Florida State 14

November 30, 1985 Florida Field (Gainesville, FL)

The Florida Gators parlayed a nearly flawless first half and a big play offense to a 38-14 win over intrastate rival Florida State.

The picture-perfect first-half effort keyed UF to a 28-0 advantage by intermission enroute to the Gators' fifth straight victory against FSU. The 38-14 win gave UF a 9-1-1 regular season log.

The running game was the dominant force in Florida's first two touchdown drives. Senior Neal Anderson, playing in his last collegiate game, capped scoring drives with runs of 6 and 3 yards. With less than 10 minutes elapsed in the game UF held a 14-0 lead.

UF extended its lead to 21-0 with 2:33 left in the second period when Kerwin Bell and Ricky Nattiel connected on a 75-yard scoring bomb. That drive consumed just 11 seconds. Bell, who entered the game challenging for the top spot in the nation in passing efficiency, completed 13 of his first 16 passes including 10 of 12 for 233 yards and two TDs by intermission. In contrast, FSU freshman Chip Ferguson threw for only 7 yards in the opening half. Ferguson finished with four interceptions in a 18-for-37 performance for 230 yards. FSU finished with six turnovers, while the Gators didn't lose the ball via a turnover the entire day.

Bobby Bowden's squad did trim the Gator lead in half with a pair of second half touch-downs before Bell completed an 82-yard touchdown pass to Frankie Neal in the third quarter to put the clamps on the Gator win. The scoring pass enabled Bell to surpass UF's 1966 Heisman Trophy winner Steve Spurrier with his 37th career touchdown pass.

Jeff Dawson, who had five extra point kicks, ended the scoring with a 40-yard field goal with 2:39 left in the game. UF outgained FSU 478-to-292. Included in that total was Bell's 343 yards, a season-high total against the FSU defensive unit.

Game Notebook

- UF concluded its regular season with a 9-1-1 record giving the club three consecutive nine win seasons for the first time in school history. The 1985 senior class concluded its collegiate career with 35-8-3 record.
- The 38-14 win was UF's fifth straight against intrastate rival FSU. The series record was raised to 21-6-1 in UF's favor.
- Kerwin Bell's 343 passing yards was the most surrendered by the FSU defensive unit in 1985. It was Bell's fifth three touchdown game of the year. Bell finished the year with 21 touchdowns, second only to John Reaves' 24 TD passes in 1969.
- Receivers Frankie Neal (109 yards) and Ricky Nattiel (161 yards) registered a 100 yard game. The duo averaged 38.5 yards per catch during the game.
- This win was UF's fifth of the 1985 campaign against a Top 20 opponent. Others came against Miami, LSU, Tennessee and Auburn.
- Tailback Neal Anderson became just the second Gator back to go over 1,000 yards rushing in a single-season. Anderson's 95 yard effort gave him 1,062 yards on 238 carries, second only to Jimmy Dubose's 1,307 yards in 1975. Anderson led the team in rushing for three consecutive seasons (1983-85).
- UF came into the eleventh game of the season with a plus five mark in the turnover category. In this game alone, they took advantage of six turnovers while surrendering none.
- The 74,461 in attendance established a new Florida Field record surpassing the previous mark set in the Tennessee game earlier in the year.
- Twenty-four of Florida's 34 touchdowns in 1985 came via the passing game.

*Led SEC in passing

John Reaves (1969-71) threw for 7,549 yards and 54 touchdowns. Both marks still stand first on the all-time Florida and SEC charts.

Kerwin Bell's 37 TD passes over the past two years tied John Reaves for the most scoring tosses in a QB's first two years in SEC history.

Wayne Peace's 70.73% completion percentage in 1982 set a new NCAA single season record.

TOTAL OFFENSE

Wayne Peace's 6,946 yards in total offense ranked second on the all-time SEC list when he completed his career in 1983.

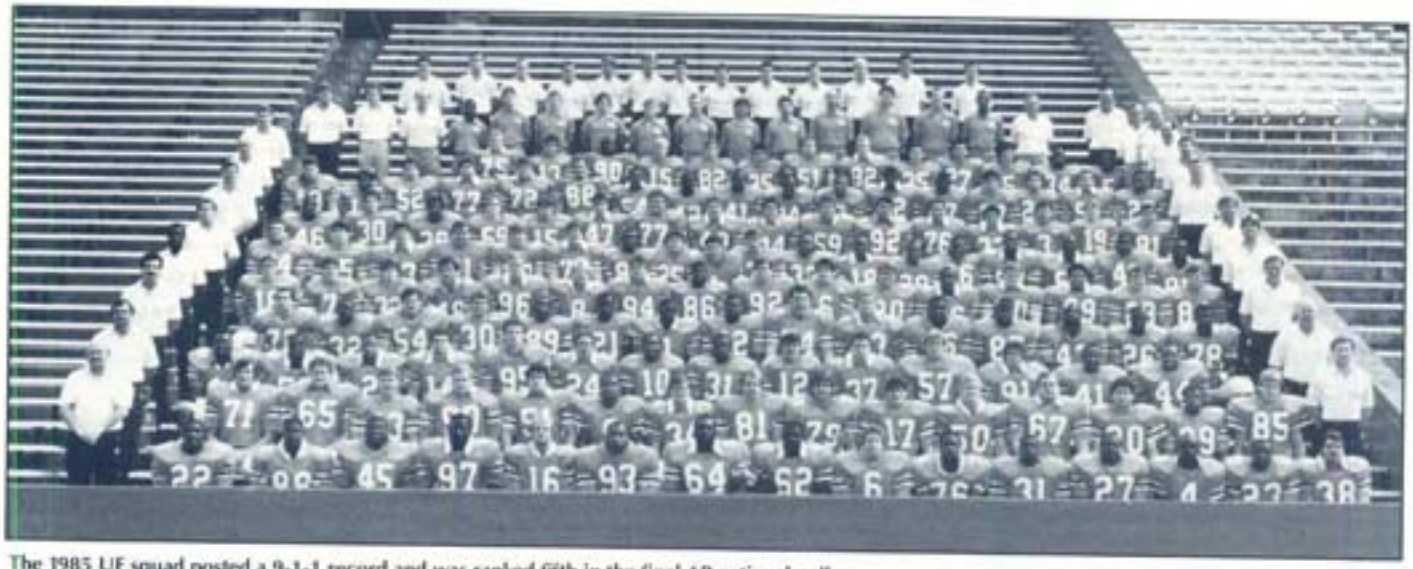
FOOTBALL HISTORY



The 1985 UF squad posted a 9-1-1 record and was ranked fifth in the final AP national poll.

Florida, a charter member of the prestigious Southeastern Conference, started football in 1906 against Rollins on a baseball field located immediately north of the current Florida Field. That area is now called Fleming Field, used during the week for soccer and intramurals and on football weekends for parking.

The Gators won, 6-0, and went on the following year to record a 4-0-1 mark behind the running of a halfback named Willie Shands, who eventually became an important state senator for whom the Shands Hospital and Clinics at UF are named.

The finest of the early teams at Florida were under the tutelege of U.S. Army Major James A. Van Fleet, head coach and senior officer of the school's ROTC program. The Van Fleet teams in 1923-24 attracted national attention to the Gator football program for the first time.

In 1923 Florida tied Georgia Tech, the ruler of Southern football, 7-7, in Atlanta. The Jackets came from behind late in the game to earn the deadlock.

In the final game of that season Florida recorded one of the most shocking upsets of the year, beating Alabama and Wallace Wade in Tuscaloosa, 16-6, as All-Southern back Edgar Jones scored every point for the Gators.

Florida was 6-1-2 that season and 6-2-2 in 1924, recording 7-7 ties against both Georgia Tech and Texas, two of the national football powers, and losing to Army, 14-7, at West Point.

Florida's 1928 team led the nation in scoring on the way to an 8-1 record, losing its final game, 13-12, on a wet field in Knoxville, Tenn. to Tennessee.

The 1930's produced great individual talent at Florida. Walter (Tiger) Mayberry was an All-SEC halfback who was later to lose his life in World War II as an often-decorated Marine pilot. Tommy Harrison was a record-setting passer in the late '30's and went on to become president of Blair Radio and TV, a nationwide firm. His favorite target was end Forrest (Fergie) Ferguson, an all-star athlete who died years later as the result of wounds suffered in the invasion of Normandy during World War II.

Bob Woodruff brought the Gators to solid football status as the head coach of the 1950's. He produced the first bowl team in 1952, All-America linemen like Charlie LaPradd, John Barrow and Vel Heckman and a reputation for hard-nosed defense.

Ray Graves came out of the decade of the 1960's as the winningest Florida coach of record. He was 70-31-4 with five bowl teams, four of which won. His only losing bowl team lost by two points to Missouri in the 1966 Sugar Bowl, 20-18.

That decade also produced Heisman Trophy winner Steve Spurrier, a record-setting passer, as was quarterback John Reaves in 1969, who smashed five national marks and still holds most passing and total offense records for the Gators.

The teams of Doug Dickey from 1970-78 went to four bowls. His 1973 team was the second Gator edition ever to defeat Auburn at Auburn and went on that year to beat Georgia, FSU and Miami in the same month, a rare feat for Florida.

Dickey's top players included All-Americans Jack Youngblood, defensive end; Wes Chandler, wide receiver; Sammy Green and Ralph Ortega, linebackers, and SEC rushing king Jimmy DuBose.

Charley Pell's rebuilding job began in 1979 and his last four Florida teams went to bowls, averaging eight wins a season against one of the nation's most demanding schedules. Pell's 1983 team secured the school's then highest final ranking ever with a No. 6 finish. Wilber Marshall, a linebacker, was named "National Defensive Player of the Year."

The top players of the Pell era (1979-84) were WR Cris Collinsworth, LB David Little, DT David Galloway, LB Wilber Marshall, and OT Lomas Brown. All were first-team All-America selections.

Galen Hall was named interim coach after the first three games of the 1984 season. He proceeded to win the next seven games, and when the squad defeated Kentucky, 25-17, to clinch the school's first-ever first place finish in the SEC standing, he was named the new head coach in the locker-room after the game in Lexington. The squad closed out the banner year with a 27-17 win at Florida State to cap a 9-1-1

season. In the final regular season wire rankings, Florida was ranked third in the nation, the best regular season ranking in school history. The '84 squad was named the national champion by the N.Y. Times and the Sporting News.

Hall led Florida to another banner season in 1985. The Gators opened the season with an eight game unbeaten streak to stretch UF's two-season unbeaten mark to 18 consecutive games. When Florida defeated Auburn, 14-10, in the eighth week of the season, UF was ranked first in the weekly Associated Press rankings, the first time in school history that the Gators held that lofty status. Florida finished with a second straight 9-1-1 season. The Gators were ranked 5th in the final AP ranking.

Florida's Steve Spurrier won the 1966 Heisman Trophy, an honor that only 30 universities in the nation can claim.

The period of 1983-85 ranks as the most successful in school history. During that time frame, Florida was the only school in the nation to finish in the top six in the final AP ranking in each of those respective seasons. Florida's 27-4-3 record during that time frame represented the second best winning percentage (83.8%) in the nation.

Since it began playing football in 1906, the Gators have had 27 first team All-Americans, a Heisman Trophy winner in Steve Spurrier (Florida is just one of 30 schools in the nation that can claim a Heisman recipient), 15 bowl teams, and numerous other regional and conference honors. Those achievements have all provided the base for a proud football tradition at Florida.

TRADITION

"The Birth of a Nickname"

Reprinted from Florida Times-Union August 2, 1948

"A Jacksonville lawyer 'christened' the University of Florida's football team 41 years ago when he gave a pennant-designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

"Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University of Gainesville had fielded its first team.

"Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Phillip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

"While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized, the new school had none.

"Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. 'I had no idea it would stick, or even be popular with the student body,' Miller said. 'We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term.'

"The Michie manager complicated the 'christening' when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia.

"The first appearance of the alligator emblem, Miller recalled, was in his father's Gainesville store in 1908. The Michie firm had supplied Millers' with the blue banners measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head."

FLORIDA ALL-AMERICANS (FIRST TEAM)

Dale VanSickle
End
1928

Florida's first All-American. A two-way offensive and defensive standout. Noted as one of college football's premier pass receivers. Played on the nation's highest scoring team (336 points in nine games). The late VanSickle went on to become one of Hollywood's top stunt men for nearly five decades and was twice president of the Motion Picture Stunt Men's Association. He died as the result of injuries in his late 60's.

Charlie LaPradd
Tackle
1952

Rugged lineman who was an army paratrooper prior to resuming his collegiate career. One of the most outstanding linemen in Florida history, he played offense and defense on the Gators' first bowl team which won 1953 Gator Bowl game. Later went into coaching at FSU then began a career in athletic administration. Was President of St. John's River Community College in late 1960's and is currently a Gainesville business executive.

FLORIDA BOWL HISTORY

Florida's first bowl trip came after the 1952 season as the Gators headed to the Gator Bowl in Jacksonville to face Tulsa on January 1, 1953.

Powered by the running of Rick Casares and J. (Papa) Hall the Gators edged the Golden Hurricanes, 14-13, as Tulsa senior Tom Minor missed the first PAT attempt of his career. Gator All-America tackle Charlie LaPradd was the game's defensive hero.

Quarterback Jimmy Dunn and All-SEC end Dave Hudson led Florida back to the Gator Bowl in 1958 where they lost to Mississippi, 7-3. Ray Graves' first Florida team returned to the Jacksonville classic after the 1960 season and knocked off Baylor, 13-12, behind the running of Don Goodman and quarterback Larry Libertore.

One of the biggest upsets in Gator Bowl history took place in 1962 when heavily-favored Penn State was soundly beaten by the Gators, 17-7, led by quarterback Tom Shannon and a stout defense.

In 1966 Florida fell behind Missouri, 20-0, in the Sugar Bowl and rallied for 18 points in the final quarter behind quarterback Steve Spurrier. Each Gator touchdown was followed by a two-point conversion attempt and all of them failed.

Spurrier became the first player from the losing team to be named the game's most outstanding player in the history of the Sugar Bowl. He broke six bowl records in the contest.

The Gators got back on the winning track the following year in the Orange Bowl, beating Georgia Tech, 27-12, behind Heisman Trophy winner Spurrier. It was Bobby Dodd's final game as Tech's head coach and Florida made it an unhappy night for him. Larry Smith set a bowl record by running 94 yards for a touchdown for the Gators, almost losing his pants on the way.

In Ray Graves final game as Florida's coach he watched his young team beat SEC champion Tennessee, 14-13, in the 1969 Gator Bowl. Florida's defense was superb with a blocked punt by Steve Tannen resulting in one TD and an interception setting up the other.

In 1973 the Tangerine Bowl was played in Gainesville due to construction at the Orlando stadium site. It was 27 degrees when the game started and Miami of Ohio loved every minute of it en route to a 16-7 upset. Florida nearly pulled a major upset next season, leading Nebraska 10-0 and scoring an apparent TD on a 26-yard run by Tony Green, only to have it ruled out-of-bounds. The Huskers came back in the Sugar Bowl to win 13-10. Florida's stars were All-America linebackers Ralph Ortega and Glenn Cameron, defensive end Preston Kendrick, the game's most outstanding defensive player, and running back Green.

The Gators returned to the Gator Bowl in 1975 and were soundly beaten in the rain by Maryland, 13-0. In 1975 powerful Texas A&M routed Florida, 37-14, in the Sun Bowl.

Charley Pell's first bowl team at Florida came in 1980 and the Gators played outstanding football in the Tangerine Bowl to whip Maryland, 35-20, behind All-America wide receiver Cris Collinsworth, the game's most valuable player. All-America David Galloway was the most outstanding defensive player of the contest.

In the cold of Atlanta, Ga. in the 1981 Peach Bowl the favored Gators were stunned by West Virginia's underrated Mounties, 26-6.

On New Year's Eve of 1982, the Gators took a 17-7 halftime lead against Arkansas in the Bluebonnet Bowl before losing 28-24. Wide receiver Dwayne Dixon was named Florida's MVP while catching three TD passes.

The 1983 squad, making its fourth consecutive bowl appearance under Pell, defeated Iowa 14-6. The win earned the Gators a No. 6 final ranking (then the best finish in UF history).

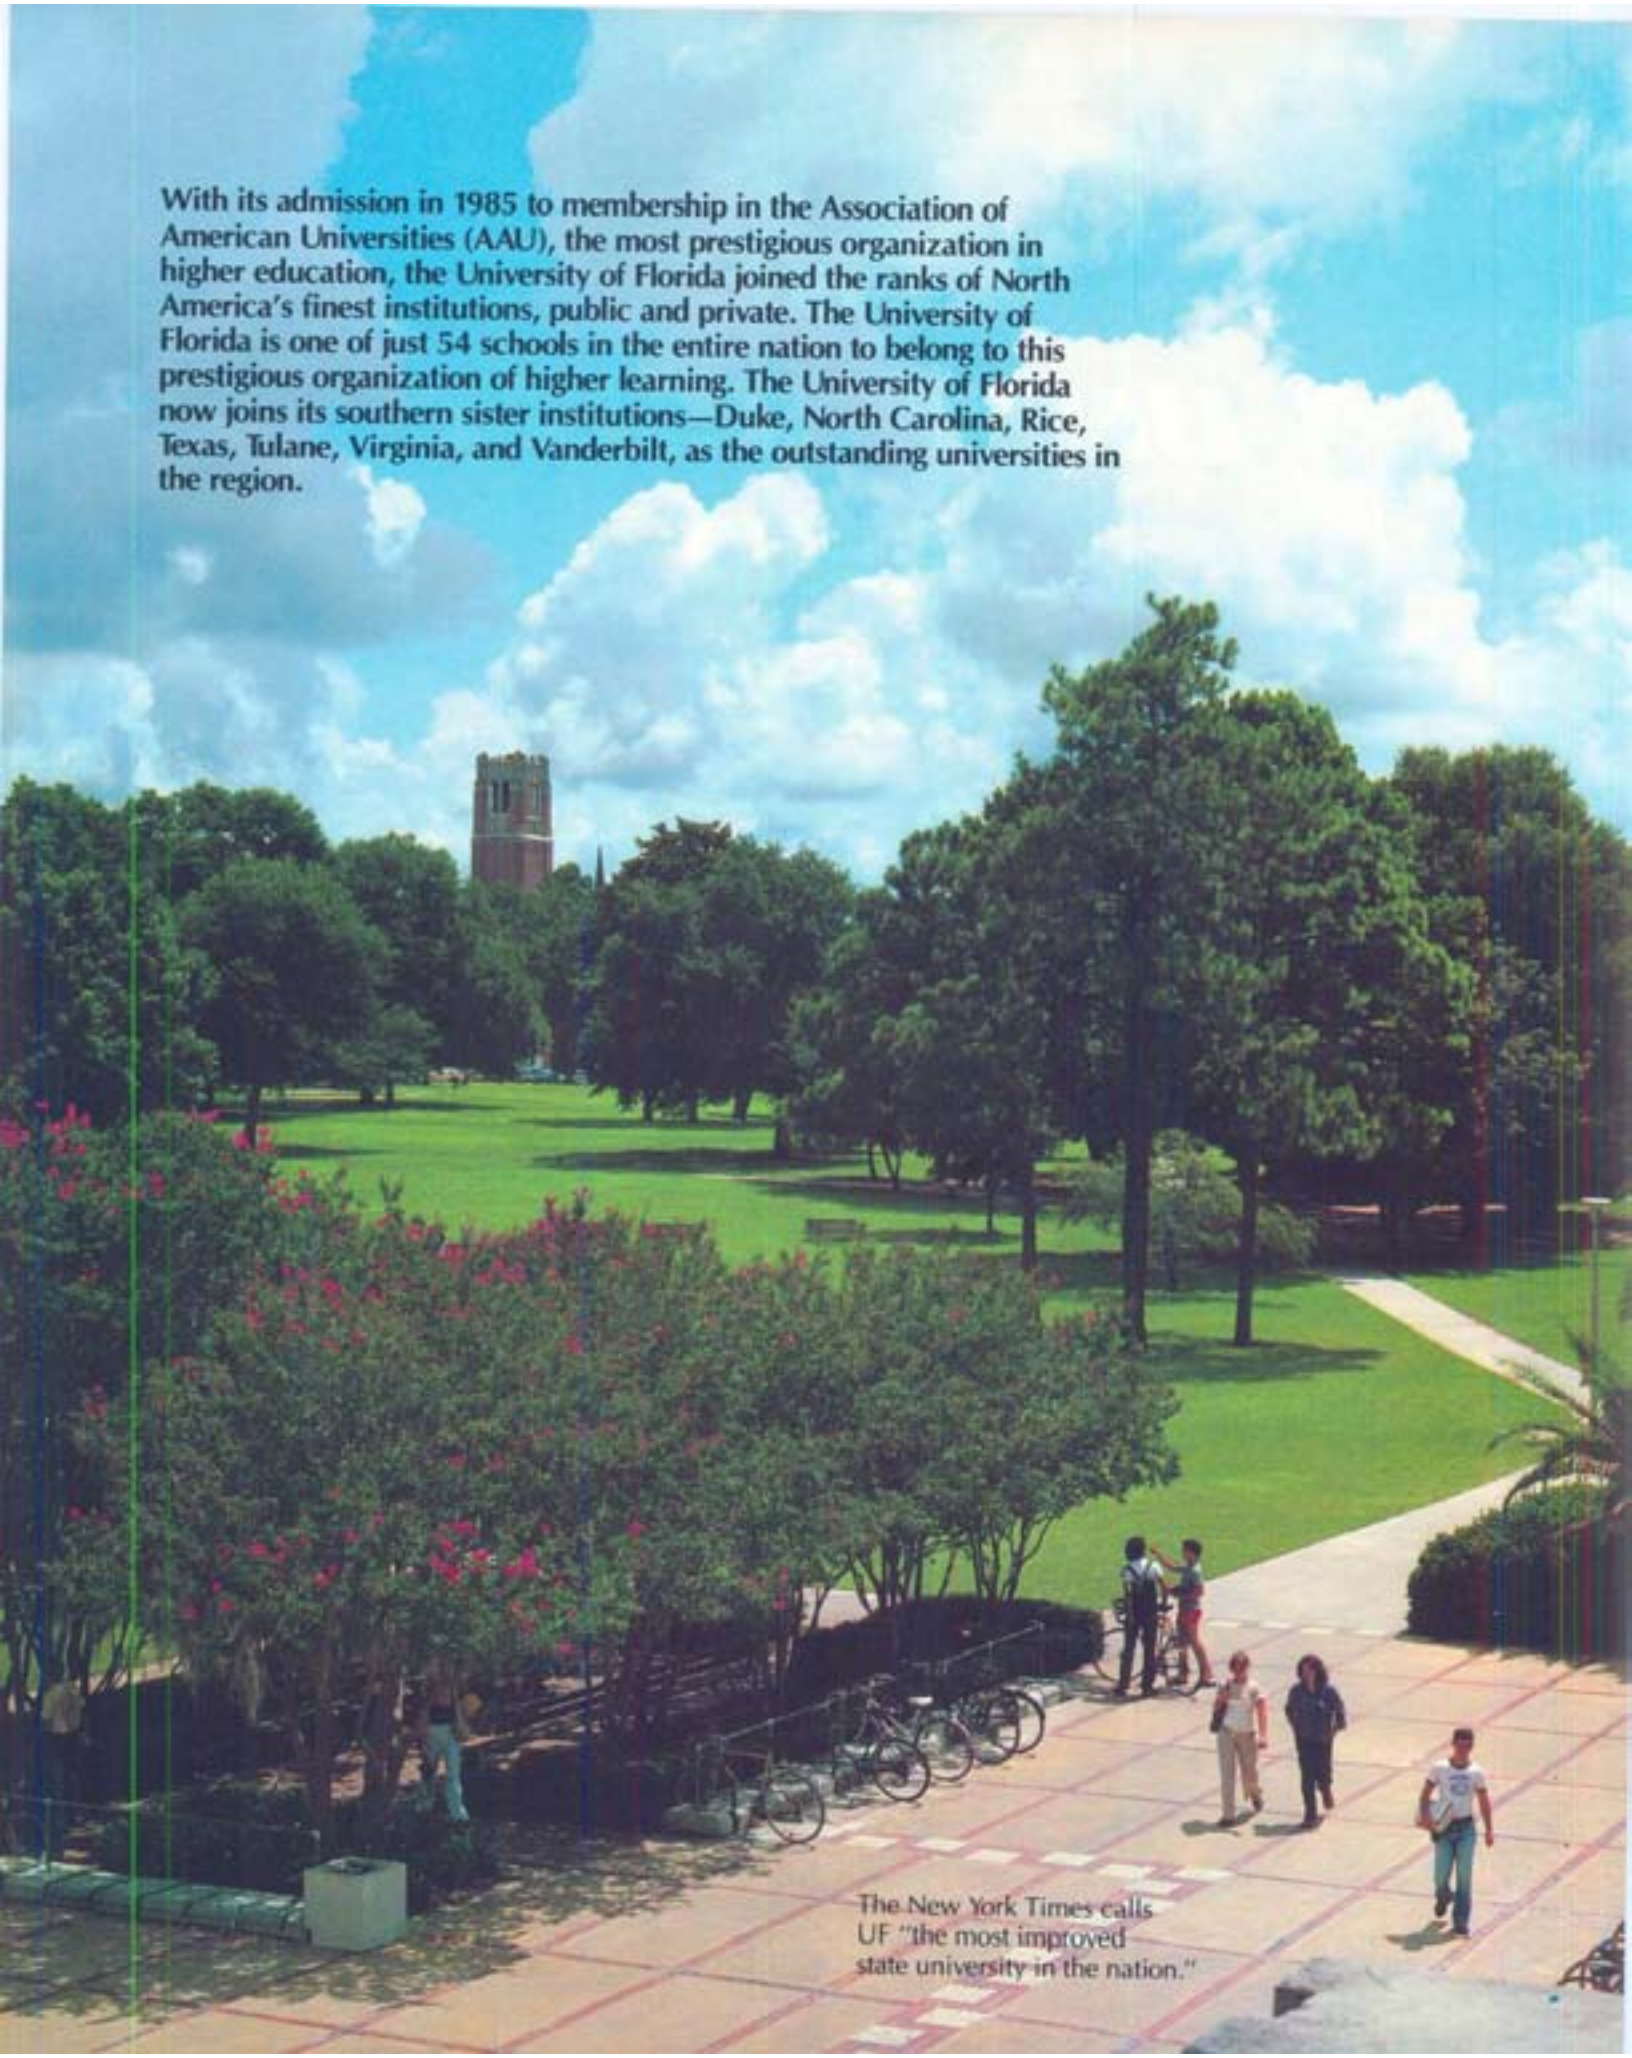
With its admission in 1985 to membership in the Association of American Universities (AAU), the most prestigious organization in higher education, the University of Florida joined the ranks of North America's finest institutions, public and private. The University of Florida is one of just 54 schools in the entire nation to belong to this prestigious organization of higher learning. The University of Florida now joins its southern sister institutions—Duke, North Carolina, Rice, Texas, Tulane, Virginia, and Vanderbilt, as the outstanding universities in the region.



The New York Times calls UF "the most improved state university in the nation."

The University of Florida
A NATIONAL LEADER

"Compared with most of the south's other state schools, the University of Florida is like fresh-squeezed orange juice alongside the stuff that comes in a can."

—The Selective Guide to Colleges

The 10th largest in the nation, UF has more than 35,000 students registered for fall semester. They come from every county in Florida, all 50 states and more than 100 foreign countries. Eighty-seven percent of entering freshmen score above the national mean on standard entrance exams taken by college-bound students. With 369 Merit and Achievement Scholars enrolled as undergraduates last year, UF ranked 5th in the nation among public universities in the number of new Scholars in attendance.

Academically motivated, as attested by the fact that UF is among the nation's top 25 universities in the number of baccalaureate graduates going on to graduate school, students lead a rich social life and belong to more than 300 student organizations. Whether in journalism, debate, material or nuclear engineering, dentistry or law, student groups rank at the top nationally in competition with student groups at other universities.

Ranked among the top three most comprehensive universities for the number of academic disciplines on a single campus, UF has a distinguished faculty of 3,500. More than 1,500 were grant awardees and 70 percent of faculty grant proposals were successful, as more than $105 million in research training grants were garnered in 1984-85.

Sixteen UF faculty members have been selected to the National Academies of Science and/or Engineering, the Institute of Medicine or a counterpart in a foreign country. Of the 1,000 most quoted scientists in the world, five are on the UF faculty. UF leads the State University System in the number of Eminent Scholars Chairs. These million-dollar chairs have brought outstanding teacher-researchers to campus and aid in the attraction of new faculty, even better students and additional grant funding.

With 16 colleges and four schools, Florida's oldest and largest university offers opportunities for students to study in almost any academic area and provides faculty the ability to work with scholars from many different areas on interdisciplinary projects.

The Health Science Center, with its six colleges and its Shands Teaching Hospital as a major referral hospital for the entire state, is the site of expanding education and research activities. The Veterinary Teaching Hospital serves as the state's only major referral center for large and small animals.

The Institute of Food and Agricultural Sciences has Cooperative Extension offices in 67 Florida counties and operates 22 Research and Education Centers from Jay to Homestead. IFAS research and education programs bolster Florida's $35 billion-per-year food and agricultural industry, protect and enhance the state's natural resources and contribute to solving special problems of urban Florida.

The University of Florida is continuing its role as a statewide resource, providing the best in teaching, research and service to Florida citizens, but is seeking to expand its horizons as it enters the "inner circle" of universities of national excellence.

Students can wind surf at beautiful Lake Wauburg (Above), which is owned by the University of Florida and open to students, faculty and staff members.

The lawn next to Reitz Union (Left) is a shady spot in the center of the UF campus. The Century Tower carillon can be seen in the background.

Beatty Towers (Top) offer co-ed living in a high rise with all the modern conveniences. The J. Wayne Reitz Student Union (Above Left) sits next to a serene duck pond, while Lake Wauburg (Above Right) provides a spot for fun and frolic.

PRESIDENT—MARSHALL M. CRISER

President Marshall Criser

Dr. Mandell Glicksberg
NCAA Faculty Representative

Dr. Virginia Maurer
Pres. of Finance Committee

Bill Elmore
Pres.—UAA, Inc.

Marshall M. Criser is the eighth president of the University of Florida. Since assuming the presidency September 1, 1984, he has stressed the need for improved undergraduate education and enhancement of legislative and community relations while preserving the quality of graduate and professional programs and continuing University research vital to all mankind.

A leader since his student days when he earned his Bachelor of Science degree in Business Administration in 1949 and Juris Doctor degree in 1951 at the University of Florida, President Criser has been a successful attorney while being involved in education, business, professional and civic activities.

A member of the Board of Regents of the State University System of Florida, President Criser was chairman four of the ten years he served. Working with the state legislature, he helped establish such programs as Quality Improvement, Eminent Scholars, and the Florida Academic Scholars. Also, while on the BOR, he was member or chairman of search and selection committees for two chancellors and four university presidents. His accomplishments on the BOR were recognized with the E.T. York Higher Education Award. President Criser's other educational activities included serving as the attorney for the Palm Beach County Board of Public Instruction, trustee of the Florida Council of Economic Education, member of the University of Richmond Board of Associates, and member of the Florida Atlantic University Foundation.

Recipient of the Distinguished Alumnus Award from the University of Florida and the UF College of Law Trustees Award, President Criser was a member of the UF Foundation Board and helped obtain the Kenan Chair in Chemistry.

In addition to being recognized as an alumnus, he was recognized as a student and named to the University's Hall of Fame because of his leadership in student political parties and the Army ROTC program, his presidency of Florida Blue Key and Sigma Nu social fraternity, as well as being chairman of homecoming and business manager of the year book.

His success as an attorney has been recognized by his selection to the Board of Governors and presidency of the Florida Bar. He has been a member of the House of Delegates of the American Bar Association. In addition, President Criser is on the boards of directors of several major corporations, public and private.

President Criser and his wife, Paula, have six children.

DIRECTOR OF ATHLETICS—BILL CARR

Bill Carr, who resigned his position as Director of Athletics on June 9th in order to pursue other career plans, faced a tremendous challenge when he assumed his new duties in March of 1979. He attacked those numerous challenges over the next seven years with a high degree of energy and commitment. That combination resulted in the development of an athletic program at Florida that now ranks with many of the best in the nation. Carr, who has agreed to carryout his duties until a successor is named, leaves the Gator program in a much healthier state than he found it in 1979 when he assumed command.

When Carr took over, he faced a situation that included deteriorating facilities, financial woes (a $700,000 deficit), understaffed administrative and coaching areas, falling athletic and academic success and a lack of a comprehensive plan for the future. Seven years later, the 40-year-old Carr took that struggling program and through his participative style of management teamwork, turned the UF athletic program into one of the most successful and dynamic in the nation. From the initial days on his new job, Carr was committed to across-the-board excellence, and that is exactly what has been achieved. The following points illustrate that fact:

*In each of the past three seasons Florida has claimed more SEC titles than any league school. The Gators claimed six titles in each of the 1983-84 and 1984-85 campaigns and four titles in the 1985-86 season (men's and women's swimming, women's golf, women's tennis).

*The 1983-84 and 1984-85 years ranked as the finest overall in Florida history. The combined men and women's programs ranked among the top five in the nation in each year. During the 1984-85 year, six different Gator squads finished their respective season ranked among the top three in the nation.

*When the women's golf team won its second consecutive national title this past May, it marked the sixth straight year that at least one Gator squad has claimed a national title.

*In two of the past three years Florida has had more student-athletes selected to the SEC All-Academic teams than any conference school.

*Florida has garnered a league high 31 total SEC titles since the start of the 1979-80 athletic year.

As stated before, Carr's philosophy regarding athletic administration revolved around management teamwork, a practice he learned on the athletic field at Florida as an All-America football center in the 1960's.

"I enjoy the participative model of management," he said a few years ago. "It's based on teamwork. I realize that if I don't have a staff of good people, the success can't be as great. We have a very strong and competent staff, and we all realize our ultimate goal—to provide educational experiences for each student-athlete and spectator alike."

That basic goal led to the dramatic turnaround. Carr and his staff eliminated the $700,000 deficit in four years, while orchestrating unparallelled growth for Gator athletics. Especially impressive was the fact that Carr was able to eliminate Florida's deficit while still providing dollars for capital improvements and numerous other projects.

Financial stability was achieved while the $14 million Stephen C. O'Connell Center was completed, an $11 million expansion of Florida Field took place, administrative and coaching staff positions were markably increased, and an impressive academic advisory staff for student-athletes has been assembled. Yon Hall was renovated, and the Florida Field press box underwent a two-year renovation project.

Over $40 million has been spent or committed for facility additions or improvements. A master plan for further athletic facilities development has been completed. In addition, UF became one of the first schools in the nation to meet compliance standards regarding Title IX. Gator Boosters, Inc. has increased in number from 3,000 to over 8,000 active members and in contributions from $600,000 to nearly $4.5 million.

Carr was born in Gainesville on November 29, 1945. He attended elementary school in Vero Beach, high school in Pensacola and graduated from UF in 1967 with a BA in Spanish. He earned his Master's Degree in Education Administration from UF in 1971, following service in Korea with the U.S. Army.

In addition to his playing days as a Gator (he was an All-America center in 1966), Carr has worked his way up through the athletic program as an assistant coach (1970-73), academic advisor (1972-74), and assistant athletic director (1976-79).

Carr is heavily involved in church and community affairs. He is an elder in the Community Evangelical Church and has been named one of five "Outstanding Young Men" in Florida by the Florida Jaycees. He is one of the members of the NCAA's Television Committee and also serves on the Board of Directors of the National Association of Collegiate Directors of Athletics (NACDA).

Carr and his wife, Jan, have five children; Jason (15), Scott (13), Julie (9), Jordan (3) and Curtis (1).

1985–86 University Athletic Assoc., Inc. Board of Directors—Dr. Mark S. Bloomberg, Mr. Lloyd Blue (Alumni—Ft. Walton Beach), Mr. Bill Carr, Dr. Nicholas J. Cassisi, Mr. James Charles (Student), Mr. Marshall M. Criser, Dr. William R. Dolbier, Mr. William E. Elmore, Prof. Mandell Glicksberg, Mr. Raleigh W. Greene (Regent—St. Petersburg), Mr. Leonard Levy (Tampa), Dr. Virginia Maurer, Dr. Roderick McDavis, Mr. Dan Ponce (Miami), Dr. C. A. Sandeen, Dr. Jeaninne Webb, Mr. Earl Ziebarth (Student).

Southeastern Conference, has established a national reputation for across-the-board excellence. The commitment to excellence for all of its athletic programs has been particularly strong in recent years.

Over the last seven years nearly $40 million have been earmarked for athletic facilities additions and improvements. One of the nation's premier athletic physical plants is being assembled. An aggressive administrative staff is constantly striving to improve the total experience for both the student-athlete and the Gator following. Florida's Office of Student Life, a unique approach to helping student-athletes establish and reach personal and career goals in all phases of their life, was pioneered in 1979.

Florida's coaching staff continues to demand national respect. Their expertise and dedication have developed a program that is without question one of the nation's tops. Just consider some of the following facts.

*Florida led all SEC schools in the number of league championships that were claimed during the 1985-86 year. Florida captured league titles in men's and women's swimming, women's golf, and women's tennis.

*Florida has led the Southeastern Conference in the number of championships in each of the past three seasons. The Gators won six titles in each of the 1983-84 and 1984-85 seasons and four this past year.

*During the 1984-85 year six Florida teams finished the year ranked among the top three in the nation in their respective sport. Seven Gator squads were ranked in the final top ten in their sport this past season.

*The Florida athletic department has claimed at least one national championship in each of the last six years. The women's golf team earned that honor this past spring.

*Florida's 31 total SEC titles since the start of the 1979–80 athletic year represents the most for a given school in the ten member league during that period.

*Florida's combined men's and [illegible] the nation in each of the 1983-84 and 1984-85 athletic years.

*The Florida football program is the only one in the nation to be ranked in the top six in the final AP poll in each of the past three seasons.

*The Gator men's basketball team has appeared in a post-season tournament in each of the past three years and reached the Final Four of the NIT in New York City this past March.

*Florida's combined men's and women's swim program is generally regarded as the best in the nation. The men won NCAA titles in 1983 and 1984 and haven't finished lower than fifth in the national championships since 1978. The women won the AIAW national title in 1979, the NCAA title in 1982 and have never finished lower than third in the NCAA meet.

*The Gator golf program also has a coach [illegible] the NCAA title in each of the past two years. Ryan's forces have never finished lower than eighth in the national championship since 1975. The men claimed national titles in 1968 and 1973. They finished third at the NCAA's in 1985 and tenth this past year.

*The Gator baseball team has participated in nine of the last ten SEC postseason tournaments. They have appeared in NCAA regional play five times in the past ten years.

*The Lady Gator gymnastic squad captured an AIAW national title in 1982. They have never finished lower than eighth in the NCAA championships in each of the past five years.

*The women's tennis program has claimed the SEC title in six of the last seven seasons.

*The women's track team placed 9th at the NCAA Championship this past June.

FLORIDA'S FACILITIES SECOND TO NONE

The most visible proof of the University of Florida's commitment to excellence is its athletic complex. From 72,000-seat Florida Field to the 12,000-seat O'Connell Center, to Perry Baseball Field, Percy Beard Track and the University Golf Course, Florida has some of the best facilities around.

As far as the football program goes, there are no better facilities to be found. The 26,200 square foot Ben Hill Griffin, Jr. Athletic Training Center is proof. In the words of Head Football Coach Galen Hall, the center is "simply the best in the country—bar none."

Located beneath the south endzone, the Center includes a spacious locker room carpeted in bright Gator orange and trimmed with the UF logo; team and position meeting rooms; a modern equipment room; a tremendous training and rehabilitation center with all the modern equipment, and a 5,650 square foot strength and conditioning room that features all the latest Nautilus and free weight equipment.

Also located at Florida Field is the Yon Hall Athletic Dormitory. The living quarters at Yon Hall are convenient for the Gators' dual roles as students and athletes. Yon is centrally located on campus, within 10 walking minutes of most classroom buildings. From Yon's individual rooms, football and eating facilities are easily accessible. The Office of Student Life is located on the first floor of Yon Hall.

All Gator facilities are located within a central athletic complex on the northwest edge of the Florida campus.

Gator strength coach Rich Luten oversees the 5,650 square foot strength and conditioning room, located in the Ben Hill Griffin, Jr. Athletic Training Center.

ATHLETIC ADMINISTRATION

RICHARD GIANNINI Senior Assoc. Athletic Director

Richard Giannini, a 1966 University of Florida graduate, was named Associate Director of Athletics in 1979 after serving as Assistant Director of Athletics since 1978. He was named Senior Associate A.D. in the spring of 1984.

Second in command at the Gator helm, Giannini concentrates mainly on the external aspects of the organization. Under Giannini's direction are radio, television, promotions, sports information and fundraising.

Since his return to UF (Giannini served as Assistant Sports Information Director for four years following his graduation), he has spurred the growth of UF's television, radio and promotions revenues from around $300,000 to its current level, which is in excess of $1.5 million. He also played a key role in the growth of Gator Boosters, Inc. during a period in which annual contributions rose from $600,000 to over $4 million and season ticket sales rose from 38,000 to over 62,000.

Following his first stay at UF, Giannini served as Sports Information Director, Director of Athletic Public Relations and Promotions and Assistant Athletic Director at Duke University from 1970 through 1976. In 1976 he was named Director of Marketing and Promotions for the NCAA, where he also served as the Executive Producer of the College Football Highlights Show aired on ABC-TV.

He and his wife, Gayle, have four daughters, Ansley, 16; Britney, 14; Carlyn, 11; and Delancey, 2.

JEREMY FOLEY Associate Athletic Director

Jeremy Foley assumed his current position as Associate Athletic Director in charge of business affairs in May of 1983 after a two-year stint as assistant athletic director. Foley's responsibilities include overseeing all financial interests connected with sports management and operations, specifically covering the athletic budget and financial planning for construction and renovation.

Foley is credited as being a major force in helping UF eliminate a three-quarters of a million dollar debt. He has also been a key in the streamlining of the entire business operation.

Prior to his appointment as assistant athletic director in 1981, he served as ticket manager from 1977 to 1981.

A native of Washington, D.C., Foley came to Florida as an intern in the athletic ticket and business offices after receiving a Master's degree in sports administration from Ohio University. He graduated from Hobart College in Geneva, N.Y. in 1974, where he also coached and scouted for the lacrosse team.

NORM CARLSON Asst. Athletic Director (Communications)

Norm Carlson joined the Florida Athletic Department in February of 1963. He has served as Sports Information Director, Assistant AD for Media Relations and now as Assistant AD for Communications, a position he was promoted to this past spring. In his new role he will continue to coordinate the Gators' media relations for football and basketball while also assisting Bill Carr with administrative projects. He also serves as an administrative liaison with the football program and as an administrative assistant to Head Football Coach Galen Hall.

Following graduation from Florida in 1956 he was a sportswriter with the Atlanta Journal, 1956-59, Sports Information Director at Auburn University, 1959-63, and then came back to Florida as Sports Information Director. He served eight years on the NCAA public relations committee, is currently on the Board of Directors of the American Football Writers Association and is a member of the CoSIDA (College Sports Information Directors of America) Hall of Fame.

He and his wife, Sylvia, have three children, son David and daughters Shannon and Misty. He has five children by a previous marriage, daughters Donya and Kerri and sons Doug, Reese and David.

KEITH TRIBBLE Asst. Athletic Dir. (Men's Spring Sports)

Keith Tribble was appointed Assistant Athletic Director in charge of spring sports in May of 1983. Before that, he has served as administrative assistant for more than two years.

In addition to his duties with spring sports, Tribble handles capital improvements for major maintenance operations. He oversees athletic facility renovation, team travel, scheduling of facilities and game operations as well as maintaining contact with spring sport coaches for scheduling, personnel and budgeting.

In his position as administrative assistant, he was heavily involved with major football construction projects such as completion of UF's south endzone project, designing and overseeing construction of the new coaches' offices and the renovation of the press box, including construction of the skybox facility.

He also served as one of the tournament directors of the 1985 NCAA Golf Championships.

A native of Miami, Tribble graduated from UF in 1977 with a degree in public relations and marketing. He was a four-year member of the Gator football team, lettering as an offensive lineman in 1974, 1975 and 1976. He plans to pursue a Master's degree in sports administration.

Tribble and his wife, Terri, have a baby daughter, Carlyn.

TOM SCOTT Asst. Athletic Director (Development)

Tom Scott has served since 1981 as Director of Athletic Development and was named Assistant Athletic Director for Development in 1984. Scott's major fund-raising responsibilities include major gifts and endowments as well as the coordination of annual fund-raising programs.

A 1969 graduate of Davidson, Scott lettered in football, basketball, soccer and track, while majoring in pre-med and history. He received his Master's Degree in history in 1970 from the University of South Carolina while also working as receivers coach under coach Paul Dietzel.

Scott was Assistant to the Athletic Director and Director of the Paladin Club at Furman University from 1977 until joining the Florida staff, directing a drive which raised $1.7 million for Furman's new football stadium.

Prior to that he was a professor of history and head track coach at the University of Georgia at Gainesville. Scott was named track coach of the year in the state of Georgia at the junior college level after guiding his squad to state and regional titles.

Scott is currently pursuing his Doctorate in history at the University of South Carolina.

JIM WEAVER Asst. Athletic Dir. (Student Services)

Jim Weaver was appointed Assistant Athletic Director for Student Services in 1984. He is directly in charge of UF's Office of Student Life, as well as many other areas concerning student athletic affairs.

Weaver is a 1966 graduate of Penn State University, where he played center and linebacker as a member of the Nittany Lion football squad. After graduation he served as offensive line coach at PSU from 1967 to 1972 and coached in five bowl games. He was the offensive coordinator at Iowa State in 1973 before taking on the position of head football coach at Villanova.

From 1975 to 1979 Weaver was assistant football coach and associate professor at Clarion State University, as well as Assistant Director of Career Planning and Placement. Weaver came to Gainesville in 1980 and worked for three years with Athletic Attic's national headquarters serving as Director of Franchise Sales and Leasing.

Weaver's 11 years experience in gymnastics administration has given him extensive experience as a national and international gymnastics meet director. This past April he served as meet director for the NCAA championships held on the UF campus.

Weaver is married to Ernestine Weaver, former Canadian Olympic gymnast and head coach of the Florida Gator Women's gymnastic team for the past six years.

ANN MARIE LAWLER
Asst. Athletic Dir. (Women's Sports)

Ann Marie Lawler was appointed Assistant Athletic Director for Women's Sports in July of 1985. Prior to her arrival in Gainesville, Lawler had served as Alabama's Associate Athletic Director since 1974.

Upon graduation from Michigan State University in 1963 with a Bachelors Degree in Physical Education, Lawler taught and coached at Dearborn (Mich.) High School until 1969. She then earned her Masters Degree at Eastern Michigan University.

Lawler was a member of the physical education faculty board at Smith College and coached women's tennis at Princeton University prior to her 11-year stint with the Crimson Tide Athletic Department.

The first athletic director for women's sports at Alabama, Lawler built the program into one of the most successful women's programs in the country. In her final year at Alabama (1984-85), the Tide ranked as the ninth most successful Division I women's program in the nation.

A native of Middleville, Michigan, Lawler supervised a merger with the Alabama men's program and also served as a consultant to the Southeastern Conference Office, assisting with the transition of women's sports into the conference.

Also active on the national level, Lawler is a member of the NCAA Recruiting and Post-Season Committees. She is also an active member of the Collegiate Directors of Athletics, the Council of Collegiate Women Athletic Administrators and the American Alliance for Health, Physical Education, Recreation and Dance.

Putting Academics Up Front

Florida's Office of Student Life was a pioneer effort in collegiate athletics. Established in 1979, it was the first office in the nation devoted entirely to helping solve the special needs and requirements of the student-athlete.

In the office, a plaque hanging on a wall explains the philosophy of the office and the athletic department. It reads:

> "This office is based on the theory that student-athletes are our most important concern and is dedicated to exhausting every way possible to insure their success."

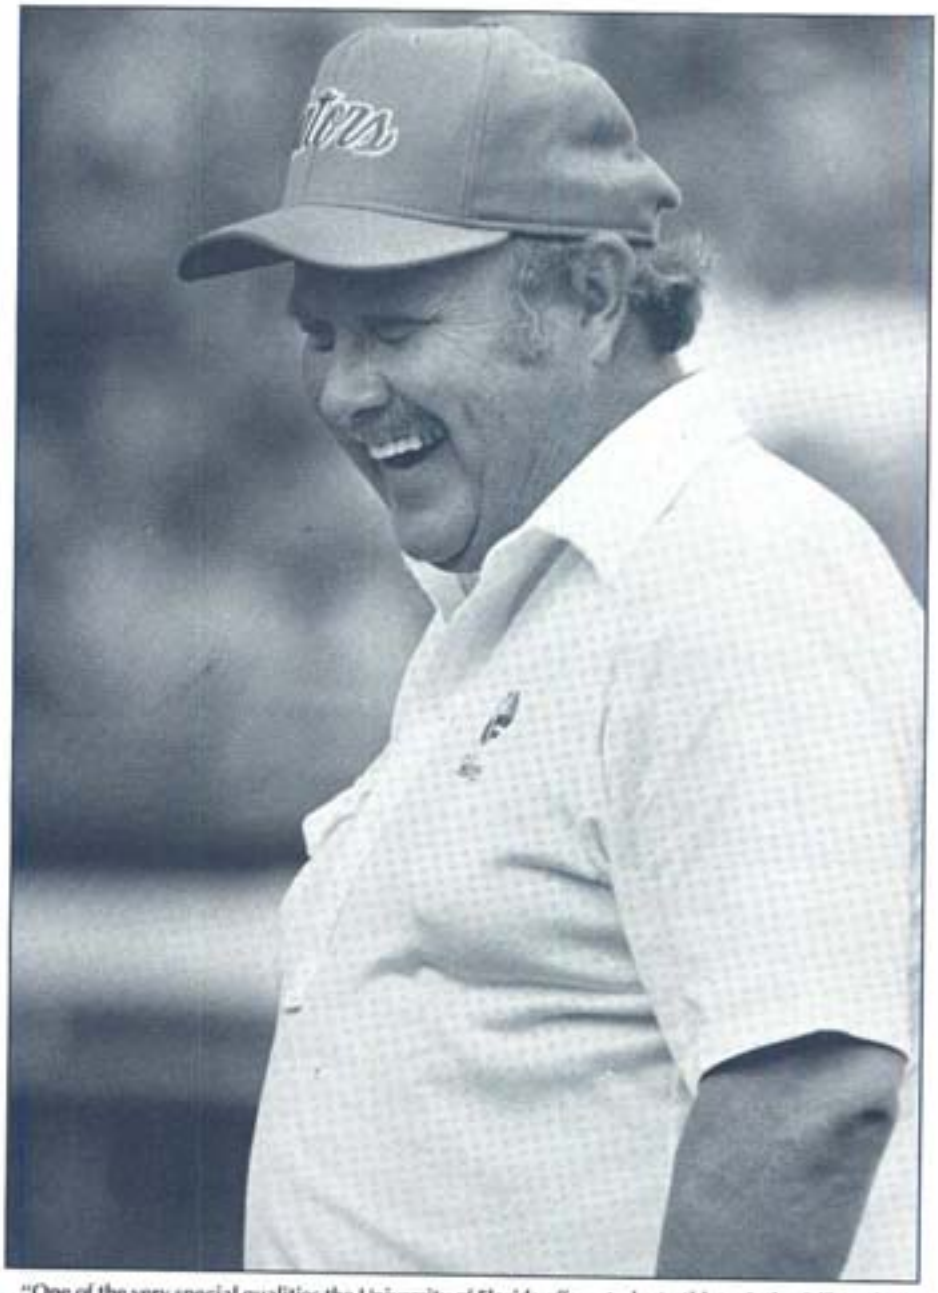
The office is located in Yon Hall, Florida's athletic dormitory. In addition to the main offices, which provide counseling areas and house the academic counselors, Yon Hall features seven tutoring and study rooms.

The Office of Student Life staff is led by Jim Weaver, Assistant Athletic Director for Student Services. Counselors include Ann Hughes, Tom Williams and Jon Jaudon. Lucy Hughes is the office's administrative assistant, and Emma Lou Weldon is the secretary.

The staff specializes in advisement and career counseling. The staff strives to help the Gator student-athletes make the best possible use of a limited amount of free time.

The Office of Student Life's services do not stop at scheduling classes. They continue throughout the college career of the Gator athlete. During the freshman year, it's a time for dealing with the student-athlete's transition from high school. The sophomore year is a time for choosing a major and working on career development. The junior year is a time for more advisement, with the senior year geared more toward the actual career or job placement.

There is positive proof that the Office of Student Life is working. Last year, 35 Florida student-athletes received Academic All-SEC honors.



"One of the very special qualities the University of Florida offers student-athletes is the Office of Student Life, whose trained advisers and counselors are a priority item so that the university can live up to its responsibility of assisting young people as they deal with the unique pressures of participating in college athletics. "This office was established as a national trendsetter seven years ago in recognition of the fact that student-athletes have special needs, requirements and problems. Our obligation is to insure that these young people are given all possible resources to deal with their unique situation and earn a quality education.

"We have a commitment to the concept of developing the total person as an individual, and not just as an athlete."—Galen Hall

The lobby of the Office of Student Life is always buzzing with activity, especially during peak times such as registration and finals week.

Yon Hall, the Gator athletic dormitory, is located on the east side of Florida Field and houses the Office of Student Life.

FLORIDA FIELD
THERE'S NO PLACE LIKE HOME

Like the rest of the Florida athletic program, Florida Field has moved into the national spotlight in recent years. The completion of the south endzone project in August of 1982 raised the seating capacity of Florida Field to over 72,000 and gave the Gator football program one of the nation's top collegiate stadiums. Since that time, Florida has ranked in the top 15 nationally in attendance for four consecutive years.

The 18,000 new seats, concourses encircling the entire stadium, new restrooms, new concession stands and a beautiful new athletic training center located beneath the stands in the south endzone are all part of a master plan to develop athletic facilities at Florida that are second to none. The Ben Hill Griffin, Jr. Athletic Training Center, the luxury skyboxes and a spacious new press box combined to make Florida Field the premier collegiate stadium in the state of Florida.

The original stadium consisted of the lower half of the current stadium, which was constructed in 1930 and dedicated at the Alabama contest that season. Seating capacity was 21,769. The entire stadium was constructed entirely below ground. In 1950, over 11,000 seats were added on the west side and another 7,000 were provided by bleachers on the east side. The additions brought seating capacity to 40,116. Additional bleacher seats were added during the 1950's, bringing capacity to 46,164 by 1960. In December of 1965, construction started on further additions that added over 10,000 permanent seats on the east side and temporary bleachers were moved from the east side to the south endzone, providing a total capacity of 62,800 (56,164 permanent). The latest installment to Florida Field enclosed the south end of the stadium.
