## DID YOU KNOW...

■ That the University of Florida is one of just nine schools among the combined colleges in the Southeastern Conference, Atlantic Coast Conference, Southwest Conference and southern independents that has been admitted to the Association of American Universities, the most prestigious organization in higher education. The only other schools from those four groups mentioned above that have gained admittance to the AAU are Duke, North Carolina, Maryland and Virginia of the ACC, Vanderbilt of the SEC, Texas and Rice of the Southwest Conference and Tulane among southern independents. Nationwide, only 58 of over 1200 colleges and universities in the country are members of the prestigious Association of American Universities.

■ That of the 58 member schools in the Association of American Universities, only the University of Florida, the University of Texas and the University of Southern California had its football team ranked in the Top Twenty in the 1990 final AP Poll and had its overall combined athletic program ranked among the ten best in the country in 1990 national rankings by *USA Today*.

■ That of the 58 schools that are members of the prestigious Association of American Universities, only one school, the University of Florida, saw its football team ranked among the nation's Top Twenty in the final 1990 AP Poll and its baseball team advance to the 1991 College World Series.

■ That the combined athletic program at the University of Florida ranked among the nation's ten best each year from the 1983-84 season to the 1989-90 athletic year. When *USA Today* compiles its rankings for the 1990-91 season this summer, it is expected that the University of Florida will rank among the country's ten best combined men's and women's athletic programs for the eighth consecutive year.

■ That during the recently completed 1990-91 academic year, ten University of Florida athletic teams placed in the top six in the nation in their respective sport and 13 teams placed in the top 15. Overall, 15 of 19 Florida squads placed in the final top 20 in their respective national championship event/poll this past season.

■ That the University of Florida has had at least one player selected in the first round of the NFL Draft in each of the last nine years (1983-91), the only school in the nation to achieve that distinction. In fact, Florida is the only school to ever have a player selected in the first round of the draft for nine consecutive years since the NFL Draft began in 1936.

■ That the University of Florida has had 13 players selected in the first round of the NFL Draft the last nine years (1983-91), the top total in the nation over that nine-year time span.

■ That since 1980, Florida athletic teams have combined to rank in the final top ten in their respective sport a total of 79 times. Thirty-seven (37) times since 1980 Gator and Lady Gator teams have finished among the top three teams in the nation during a respective season.

■ That during the three Olympics held during the decade of the 1980s (1980, 84, 88), the University of Florida had 57 representatives on Olympic squads. Those representatives earned 26 Olympic medals, including 15 gold.

■ That since 1980, Florida student-athletes have garnered an eye-catching 1,121 combined All-America honors. Over that same time span, Florida athletes have won 132 individual national titles.

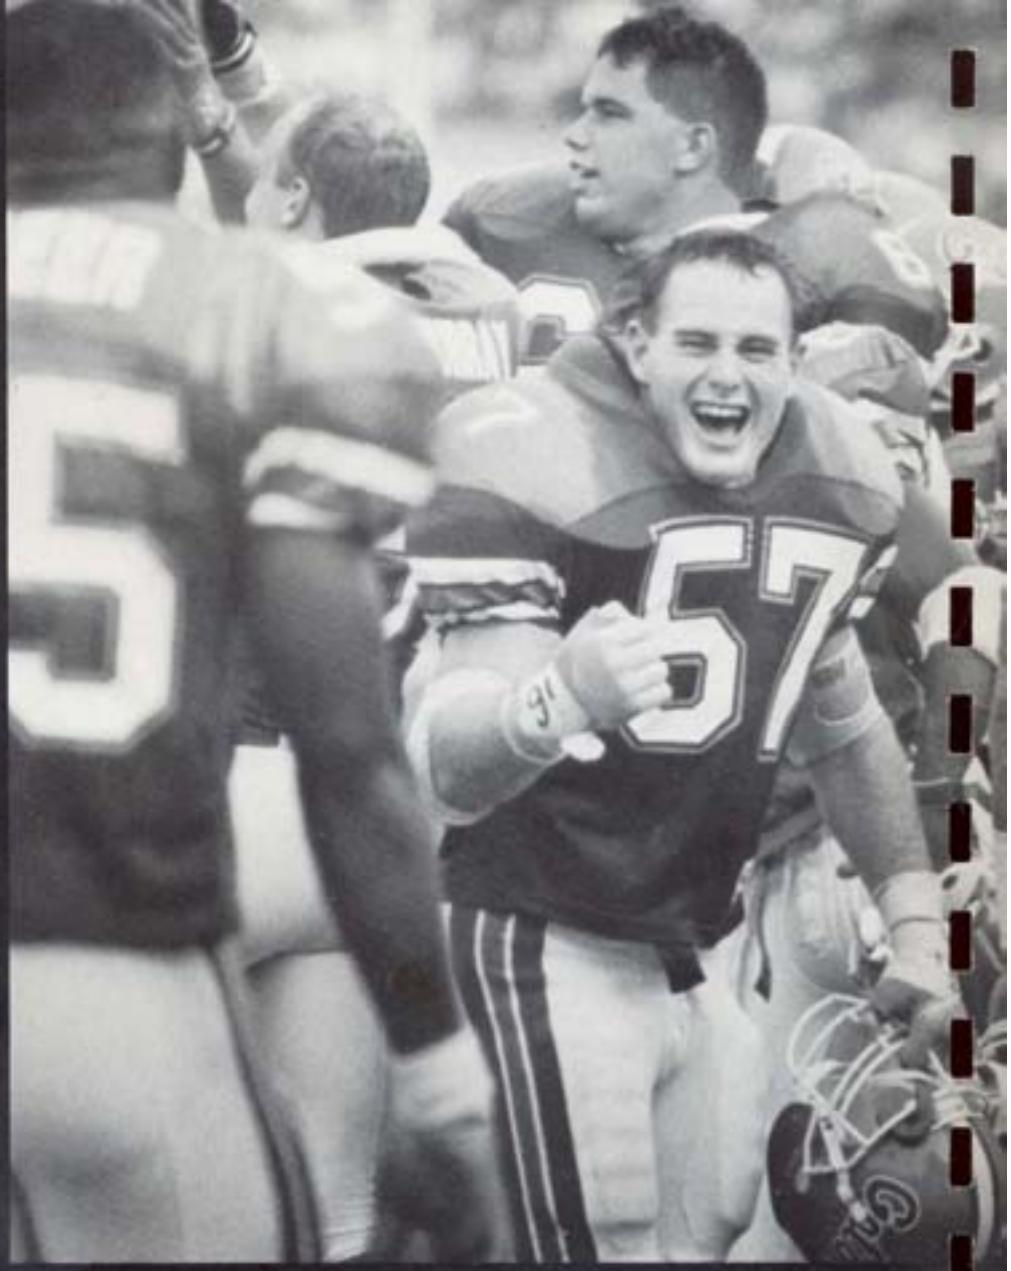

■ That since 1980, the Florida athletic program has won a total of 52 combined SEC titles, the most league crowns for a conference member over that time span. It has won nine national team titles since 1980.

■ That since 1980, Florida student-athletes have earned SEC Academic Honor Roll status more times (376) than any conference school.

## PRESS BOX

**Entrance to Press Box** — Enter the Press Box via the Press Elevator that is located midway at the base of the West Stands (press box side of the field). This elevator will go to all levels of the press operation. "Press Will Call" will be located in the press elevator lobby at street level. You will pick up late request credentials and parking passes here as well as photo sideline credentials.

**Press Box Levels** — There are seven levels in the Florida Field Press Box: 1) President's Deck which houses a lounge for the University President and his guests; 2) Bull Gator Club; 3) Working Press Deck — print media and media seating; 4) Coaches Scouting Booths, Television Networks, Home and Visiting Radio Networks; 5) Photo and Video Deck including coaching films for both teams; 6) Luxury Box Level; 7) Luxury Box Level.

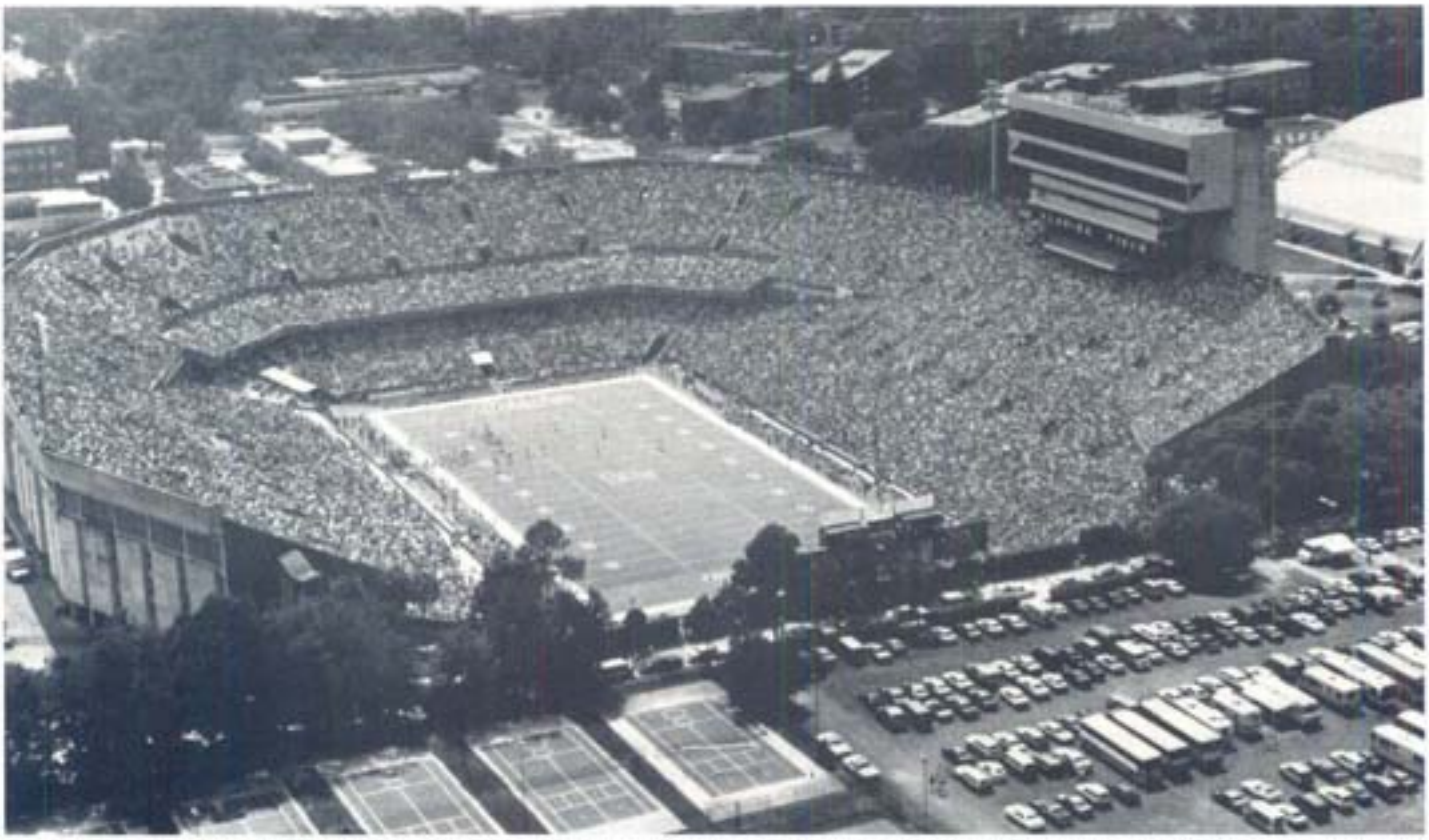

**Working Press Deck (Level 3)** — This level is reserved for media seating and statistical operations. **Fax Service** is available. We suggest that you let us know in advance what your needs in this area might be on game day. Several pay phones are available at the back of the press box which are used by dozens of media reps. If you have concerns about meeting tight deadlines, we strongly encourage you to order your own phone (see section on telephones).

**Television Networks, Radio Networks, Coaches Booth, Dining Area (Level 4)** — This level is reserved for television networks that are doing the game on a live or delayed basis. This level also houses the radio network for Florida and its respective opponent on game day. Each of the coaching staffs has one booth designated for its use. This level also contains the serving and eating areas for media representatives only.

**Photo Deck (Level 5)** — This deck offers a spacious area for all video cameras that are covering the game. This area also will be used for filming by each of the coaching staffs. Security and Game Operation booths are also located on this level.

## SIDELINES

The University of Florida follows NCAA and SEC rules regarding media representatives on the sidelines. Photographers are not permitted to shoot between the 25 yard lines and they must wear a photo patch at all times. No credentials will be issued to free-lance photographers, cut-line writers, equipment carriers, or radio station representatives except for the two originating networks. A "photo only" zone has been established on the Florida Field sidelines. Only people wearing a game photo patch with photo or video equipment will be permitted in this area. All other media representatives onthe field must stand behind the "photo only" zone. This will ensure that photographers/videographers have the appropriate area to do their work.

*Twice in the last six years the University of Florida has received a Press Box Merit Award from the Football Writers Association of America for superior press box facilities and gameday operations.*

## CREDENTIALS

**Press Box** — All members of the media covering the game in a working capacity must seek appropriate credentials in **advance** from Norm Carlson. We would appreciate receiving these requests as early as possible. Requests for **working** space in the press box and photo credentials for the sidelines will be honored from Sports Editors of DAILY Newspapers and Sports Director of Television Stations ONLY. Due to the heavy demand for working space, credentials for radio stations are limited to immediate Gainesville area stations and the two broadcast network crews doing the game. Any radio station seeking in-game and post-game reports can receive them by calling the SID Office in advance to make proper arrangements with our staff. Request for working credentials must be made in advance **in writing** to Norm Carlson. Spouses, dates, non-workers, and anyone 16 years of age or younger, are not permitted in the press box. Violators will not be tolerated. Media agencies that violate this policy will not be issued credentials for future games.

**Sideline Credentials** — Media representatives with a gameday sideline credential form must report to the Press Elevator Lobby prior to the game. When you present the appropriate letter and identification, a sideline photo patch will be issued at that time. Your game credential or letter will not gain admittance to the photo zone on the sidelines. Media reps wearing a photo patch will be the only people that will be permitted to enter the "Photo-Only" zone.

## PRESS WILL CALL

Late requested game credentials and parking passes that cannot be mailed can be picked up at "Press Will Call" in the Press Box Elevator lobby area. Game stand tickets that have been ordered by the media must also be picked up at the Press Will Call Window.

## PARKING

You should request your parking credential at the same time you request your game day working credentials. Parking credentials are limited. If time permits, both of these credentials will be mailed. If time doesn't permit the parking credential to be mailed, you will have to pick it up at the Press Box elevator lobby area before gaining admittance to the press parking area. Parking will be in an area close to Florida Field.

## HOTEL ROOMS

The SID office has a limited number of rooms reserved in the area. We would be glad to assist you with a hotel room if you get in touch with us at least a week before the game. Please contact Harriette Peebles and she will do everything possible to assist you.

## FOOD AND BEVERAGES

A hot pre-game meal will be served on level 4 of the press box beginning approximately 1½ hours before kickoff. Snacks and beverages are available on level 3 throughout the game as well as after the game while you complete your work in the press box. Approximately two hours after the game additional food and beverages will be available on level 2 of the press box (Bull Gator level), at the post-game media social.

## PRESS BOX AND POST-GAME INFORMATION SERVICES

Play-by-play, complete halftime and final statistics, coaches quote sheet, defensive stats, and post-game notes are all regular services on game day. Upon your arrival, you will receive an extensive press folder with game program, flip-card, updated statistics, biographical sketches, and game-day notes. An internal PA system will provide updated information and notes throughout the game.

## POST-GAME INTERVIEWS

Florida's SID staff will escort media representatives to appropriate locker-room areas with 3-5 minutes remaining the game. Florida coach and player interviews will be conducted in the south endzone locker/conference area. Coach Spurrier will conduct a press conference in the media conference room 10 minutes after the contest. His conference can also be heard via an amplified phone hookup in the press box should you be facing tight deadlines. Florida's locker area for player interviews will open 25 minutes after the game. The locker area is open to all reporters. You can arrange post-game player interviews by filling in the appropriate request sheet in your press folder and returning it to a member of the Florida SID staff no later than the ten minute mark of the fourth quarter.

Procedures for coach and player interviews for Florida's opponent will be coordinated by the opponent SID staff. Opponent locker areas are located outside the southeast tunnel area of Florida Field.

## FAX SERVICE

Fax service is available in the press box to send information back to your agency at the conclusion of the game. There is a small fee for this service depending on the amount of information you want sent. Hal Deck is the fax service representative that will coordinate this service in the press box on game day. Please contact him on gameday to discuss your specific needs.

## TELEPHONE INFORMATION

We strongly encourage you to make sure that your phone needs are met before gameday. Telephone orders for lines should be placed directly with Southern Bell (Cindy Fisher, 904-350-4656). Remember, you must place separate orders for your phone line and for the appropriate equipment or you must bring the appropriate equipment with you. The SID office will not be be able to help you with a phone line and/or equipment on the day of the game. You should take care of these matters as soon as possible. A bank of wall phones are available to the media on level three of the press box (print media and statistical operations). The SID office does have a few other phones that it uses for fax services and radio reports. Once again, if you envision tight deadline problems we strongly encourage you to order your own line as the SID phones, fax phones and the wall phones available to the media are in almost constant use for two hours after the game.

**Florida-Georgia Game** — Telephones are extremely limited for this game at the Gator Bowl in Jacksonville. There is only one wall phone in the entire press box. Two phones are available for fax and radio reports. You are strongly encouraged to make sure that your individual phone needs are met before you arrive at the game. Please call Southern Bell (Cindy Fisher, 904-350-4656) as soon as possible to order your line. Remember, you also must bring your own phone or order a phone. If you don't take care of your phone needs in advance, you will experience problems on gameday in getting your story sent.

## COACH SPURRIER INTERVIEWS (GAMEWEEK)

The best time to interview Coach Spurrier on the telephone is 11:00-11:30 on Monday, Wednesday and Thursday. He will normally return calls during these time frames. Please coordinate all requests for phone and personal interviews with Coach Spurrier with Norm Carlson in the SID office. This is important during the season with Coach Spurrier serving as head coach, offensive coordinator and QB coach, his time schedule must be coordinated. On every Sunday prior to a game the upcoming Saturday, Coach Spurrier will conduct a teleconference call at 2:00 p.m. ET with media representatives. Every Tues-

day, Coach Spurrier will conduct a press conference at Florida Field. He will do radio and TV interviews from noon until 12:45 at Florida Field and then conduct a joint press conference for all media representatives in the Yon Hall Dining Room from 1:00-1:30. He will also take part in a SEC teleconference each Wednesday morning at a time to be announced. Coach Spurrier will also be available to the media each day after practice.

## PLAYER INTERVIEWS (GAMEWEEK)

**ALL** player interviews must be coordinated with the Sports Information Office. We strongly urge you to conduct your personal interviews on Monday after practice and Tuesday (lunchtime and/or after practice). Interviews will take place on the practice field at the conclusion of practice. If it can possibly be done, short interviews with television stations can be conducted prior to the start of practice. Monday and Tuesday evenings are also reserved for phone interviews with out-of-town media. Please call at least one day in advance for phone interviews. A note will then be left on the player's locker and dorm room asking him to return your call. All player interviews will conclude on Tuesday after practice. The Florida SID office will also conduct a teleconference with 2-3 players each Wednesday at a time to be announced. The Yon Hall Dormitory, team locker-rooms and training areas are considered private team areas. These areas are off limits to media representatives unless accompanied by SID office personnel.

## PRACTICE

Fall practices are open to media, closed to the public. Coach Spurrier will meet with all interested media at the conclusion of each practice. Players are available for interviews after practice on Monday and Tuesday. No advance notice is needed. TV B-roll and still photos are permitted on the practice field Monday and Tuesday from the start of specialty period until the end of the first work period after calisthenics. Photographers will be allowed to film from anywhere outside the perimeters of the two practice fields. At that time,

## GATOR SPORTSLINE (BROADCAST QUALITY)

The Florida SID office will tape coach and player interviews for your use throughout the week. The general format of the Sportsline will be: Monday — Florida defensive coach interview about the opponent offense; Tuesday — Coach Spurrier's comments from his weekly press luncheon; Wednesday — Offensive coach interview about the opponent defense; Thursday — Player interviews; Friday — Player interviews; Saturday — Coach Spurrier's post-game comments. The Sportsline number will be published in the weekly release material you will receive or by calling the SID office.

## VIDEO SERVICES

On a weekly basis, Florida will send satellite interviews of Coach Spurrier and several players to television stations that desire the service. Specifics (day, time, and appropriate satellite information), will be announced in August. If interested, please call Steve Babik at the UF Athletic Dept. (904-375-4683, ext. 6600). The SEC office will also be sending a satellite feed of player and coach interviews from all ten conference schools. Specifics will be announced later.

*The University of Florida has a Ku-band satellite uplink truck that is used to feed coach and player interviews on a weekly basis for television stations that desire this service. # 1991 OUTLOOK: BUILDING ON SUCCESS

Upbeat. That is the one word that surfaces the most when describing the state of Florida football. A fine 9-2 season in 1990 that saw Florida post the best record in the SEC with a 6-1 slate, offensive and defensive units that both ranked in the nation's top ten, and a final national regular season ranking of 11th combined to rejuvenate the spirit and hopes of the Gator faithful.

It's not just the successful 1990 season, however, that has fans and close observers feeling upbeat about the Gator football program. At the heart of the upbeat atmosphere is Head Coach Steve Spurrier, the 1966 Heisman Trophy winner at Florida who returned to his alma mater in 1990 and not only led the football team to an outstanding season but also instilled his positive outlook and approach throughout all aspects of the football program. In one short year he has brought spirit, enthusiasm, positive direction, leadership, integrity and goodwill back to his alma mater. Above all else, however, he has brought fun. Once again Florida football is fun and that more than anything is the primary reason for the upbeat atmosphere that prevails.

*Head Coach Steve Spurrier has brought a lot of smiles back to his alma mater and to the Florida faithful. A 9-2 record in his initial season at the helm in 1990 combined with his infectious positive approach and outlook to all aspects of the football program have created a very upbeat direction and attitude.*

Spurrier, who was named 1990 SEC Coach of the Year and was one of four final nominees for the National College Coach of the Year honor as selected by the Football Writers Association of America, reaffirmed his devotion to the University of Florida and its football program several times since the conclusion of the successful 1990 season. He turned a cold shoulder to several lucrative NFL jobs, signed a contract extension that stretches his term in Gainesville at least through the 1997 season, stated several times that he considers the Gator coaching job the finest opportunity in the nation and he has no interest in coaching elsewhere. He also contributed $25,000 to Lady Gator athletics and $25,000 to the school of Health and Human Performances, the college from which he graduated. Combined, the above expressions of his devotion, support and belief in the University of Florida have even further endeared him to the Florida faithful.

> ***Spurrier and his staff believe that the 9-2 season in 1990 built a solid foundation for consistent future success. Overall, 11 starters, seven on offense and four on defense, return from a squad that posted a 9-1 record after ten games in 1990, the best start in Florida history. If the leadership that the departed seniors exhibited is replaced and players step forward to fill the void at a couple of positions, especially on defense, then the 1991 contingent has 'a chance to be just as successful as last year's,' says Spurrier.***

More upbeat feelings surfaced this February when Spurrier and staff recruited a group of signees that had a consensus ranking among the ten best in the nation. One agency, the National High School Recruiting Service, ranked Florida's 1991 signee class the third best in the nation.

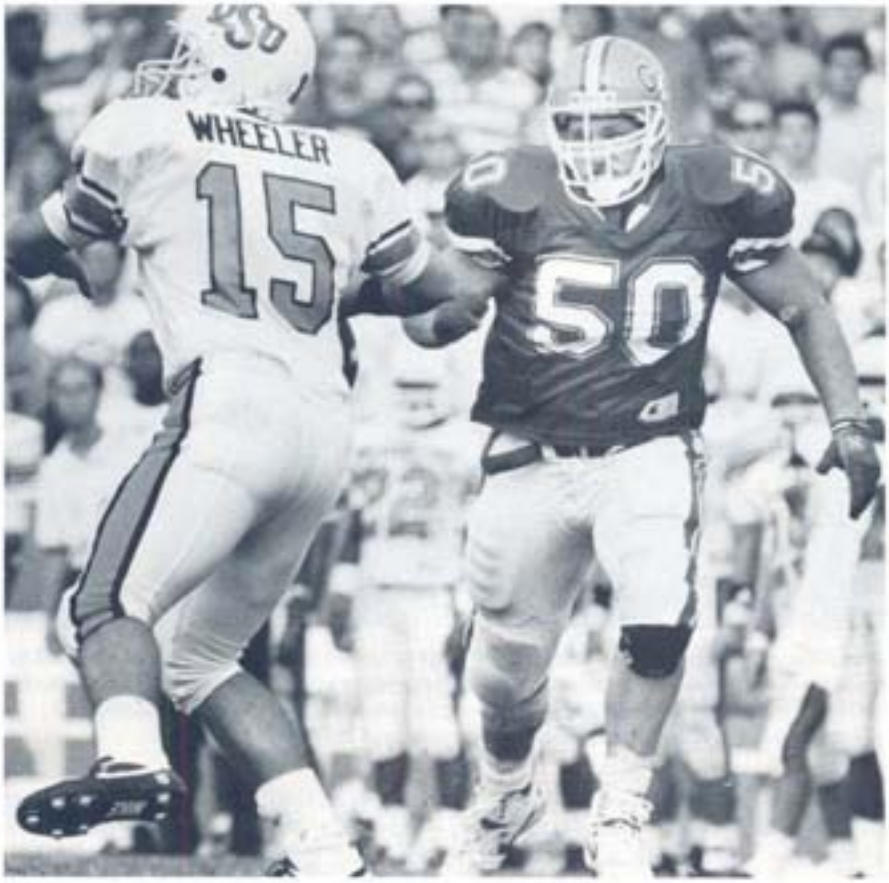

Another reason for the upbeat feeling about Florida football is that fan interest is at an all-time high. Florida averaged over 74,000 fans per home game in 1990 and a stadium expansion project that will add 10,000 seats by the start of the 1991 campaign began just days after the final home game last fall. Ben Hill Griffin Stadium at Florida Field with its 83,000-plus seats will become the eighth largest on-campus stadium in the nation when construction is completed in August.

Florida's second spring pratice under Spurrier concluded with a different set of circumstances, concerns and strengths than was the case a year ago. In the spring of 1990 quarterback was a puzzle yet to be put together and the offense was attempting to learn a new system. The defense was veteran, tested and talented. In the 1991 spring session the offense was pretty well set and quarterback was a strength. Defensively, the Gators lost several standouts and had many holes to fill.

Sixty-nine scholarship players participated in spring drills, the largest total since 1984. In addition, when February signees arrive for fall drills in August, Florida will be over the 90 scholarship player total for the first time since 1984. In fact, Florida has not been above the 85 scholarship total since 1984.

Headlining the returning offensive standouts is junior quarterback Shane Matthews. Matthews directed Spurrier's "Fun and Gun" offense to 14 new

*Defensive tackle Brad Culpepper, who graduates in August and will be enrolled in graduate school this fall, has started more games (23) than any other returning defensive player. school records in 1990. In the process, he was selected "SEC Player of the Year." The entire runningback corps returns as do four starters on the line, headlined by center Cal Dixon and tackle Mark White. Graduation took a heavy toll at the wide receiver and tight-end slots.

On the defensive side of the football, just four starters return from a unit that ranked fifth in the nation in total defense in 1990. Defensive tackle Brad Culpepper, inside linebacker Tim Paulk, Gatorback Ephesians Bartley, free-safety Will White and Mike Brandon, a tackle last year who has moved to defensive end, are the top returnees. Graduation took its toll at the defensive end and cornerback positions where all four starters have departed.

Florida entered the 1990 season with a schedule that was ranked among the five most difficult in the nation and 1991 looks to offer another strong challenge. The Gators will face six bowl teams (San Jose State, Alabama, Syracuse, Tennessee, Auburn, Florida State). Five of those six teams, all but Alabama, finished the 1990 season ranked in the nation's top 25 in the final UPI coaches poll.

*Junior Shane Matthews, the 1990 SEC Player of the Year as selected by the league coaches, led a Gator offense that established one SEC and 14 school records last season.*

## THE OFFENSE

Seven starters return from a 1990 offensive unit that ranked as the most productive in school history and one of the best in the nation last fall. Spurrier's "Fun and Gun" offense established one SEC and 14 school records in his first year at the helm in 1990. Florida averaged 452.6 yards per game in total offense, best in school history and the tenth best in the nation. Florida also set school single-season records for points (35.2 per game) and passing yards (3,197). The Gators averaged 290 yards passing per game last fall, the third best single-season mark in SEC history and a figure that ranked ninth in the nation for 1990. Florida scored 30 or more points in eight of eleven games last fall. Spurrier's offense averaged 44.4 points and 508 yards per game over the last five contests.

> ***One of the unique aspects of the Spurrier-developed offense is that it effectively blends all forms of moving the football and it fully integrates passers, runners and receivers. It does not just highlight one aspect of the offense. Spurrier's first Florida offensive unit demonstrated that fact clearly in 1990 as the Gators were the only team in the nation to throw for over 3,000 yards, have three receivers who caught at least 35 passes and two runners who each rushed for at least 600 yards.***

Florida led the SEC in passing, it was the only team in the league with two rushers who ranked among the top eight in the conference, it was the only squad in the league with three players who had at least 35 catches and its tight-end, Kirk Kirkpatrick, led the SEC in receptions with 55. In short, Spurrier's "Fun and Gun" offense uses everyone and every position.

Spurrier enters the fall with an offensive unit that has an experienced and proven quarterback in Shane Matthews, returns all its runningbacks from 1990 and four of five starters on the offensive line. Replacing two starters at wide receiver (Ernie Mills and Terence Barber), a record-setting tight-end (Kirk Kirkpatrick) and developing depth on the offensive line were points of emphasis this spring. If those areas of concern can be further addressed this fall, then Florida's 1991 offense might very well be even better than the record-setting 1990 unit.

Quarterback Shane Matthews, selected "SEC Player of the Year" in a vote by the league coaches after a outstanding sophomore year in 1990, headlines the post-season all-star candidates on the offensive unit. Center Cal Dixon, a first-team All-SEC selection last year, tackle Mark White, a two-year starter, and wide receiver Tre Everett should also merit consideration for all-star honors.

## RUNNINGBACKS

This is expected to be one of the squad's strengths in 1991 as everyone returns from the 1990 contingent. Competition for starting and top backup roles will continue to be keen.

At runningback, senior Willie McClendon (6-0,223) and sophomore Errict Rhett (6-0,212) are the top two returnees. Rhett is first on the depth chart entering fall drills. The duo rushed for a combined 1,458 yards in 1990, tops in the SEC. McClendon started seven games in 1990 and Rhett four.

Rhett, who was named to the SEC All-Freshman Team and to the second-team on the *Football News* Freshman

All-America Squad, rushed for a team-high 845 yards (5.7apc) with 4 TDs. Rhett's 845 yards in 1990 ranked as the third best seasonal rushing total for a freshman in school history. He ranked fourth in the SEC in 1990 in rushing. Rhett posted four of the five 100 yards rushing games that Florida registered in 1990. McClendon rushed for 613 yards, second on the team, with a squad-leading seven touchdowns. 1990 marked the third consecutive year that McClendon ranked second on the squad in rushing. He enters 1991 with 1,460 career rushing yards. Both McClendon and Rhett are also prominent parts of the Gator passing attack. McClendon ranked fourth on the 1990 squad with 27 catches and Rhett fifth with 22. Sophomore Kedra Malone (5-8,177) is the only other scholarship player at runningback. Malone, one of just two freshmen not redshirted last fall, ranked third on the team in 1990 with 111 rushing yards. He had an outstanding spring and will play a prominent role this fall. Freshman Kevin Freeman (6-0, 217) was moved to inside linebacker during spring drills.

There also continues to be a battle for the starting job at fullback. Senior Dexter McNabb (6-0,238) started the first nine games at fullback in 1990 but he was replaced in that role for the final two games of the season by sophomore Kelvin Randolph (5-10,219). McNabb rushed for 106 yards and had 16 receptions for the season while Randolph rushed for 42 yards with two catches in his late season appearance. This duo will be joined by Chris Bilkie (6-2,222), an impressive looking redshirt freshman. Randolph enters the fall atop the depth chart.

## RECEIVERS

This is the one aspect of the offense that has been hurt significantly by graduation. The squad's top three receivers in 1990, tight-end Kirk Kirkpatrick and wideouts Ernie Mills and Terence Barber, are gone. That trio combined for 131 catches in 1990 for 1971 yards and 19 TDs. Florida was the only school in the SEC in 1990 to have three receivers catch 35 or more passes.

Kirk Kirkpatrick ranked with the nation's top tight-ends in 1990. His 55 catches led Florida and the SEC and set

a new school single-season record for receptions by a tight-end as did his seven scoring grabs. He was a first-team All-SEC choice and was named second-team All-American on several post-season all-star teams. Head Coach Steve Spurrier called him, "as good a receiving tight-end as I've ever coached." He will be sorely missed.

> ***"This (receivers) is one aspect of the offense that has been hurt significantly by graduation. The squad's top three receivers in 1990, tight-end Kirk Kirkpatrick and wideouts Ernie Mills and Terence Barber, are gone. That trio combined for 131 catches in 1990 for 1,971 yards and 19 TDs. Florida was the only school in the SEC in 1990 to have three receivers catch 35 or more passes."***

Juniors Greg Keller (6-4,234) and Terrell Jackson (6-1,226), a converted fullback, and redshirt freshman George Rushing (6-3,227) are the top three players at this position heading into the fall with Keller at the head of the pack. Keller had eight catches in 1990 and was second on the depth chart at TE throughout the season. Charlie Dean (6-2,229), the number three TE in 1990, was moved to inside linebacker during springs drills.

Gone also will be the wide receiver duo of Ernie Mills and Terence Barber. Mills had a banner 1990 season with 41 catches and an SEC-leading 10 TD receptions. Mills averaged 18.8 yards per reception in 1990 and over 19 yards per catch throughout his collegiate career. He was a first-team All-SEC choice last fall and a third round selection in the 1991 NFL Draft by Pittsburgh. Barber ranked third on the squad in receptions with 35.

Leading the list of returning players is junior Tre Everett (5-9,171). Everett started the first three games of the 1990 season opposite of Mills and led the squad in receptions after three weeks with 11, including five catches for 123 yards and a TD in the season opener vs. Oklahoma State. In the third game of the season against Furman, however, he sufferd a cracked rib and never really seemed to fully return to his early season performance level. He finished the season with 20 catches, sixth overall on the squad, for 291 yards (14.6 avg.) and three TDs. Gator coaches are confident that he will blossom into the big-play wide-out that Mills became after having a fine spring.

Six scholarship players took part in spring drills at the wide receiver position with five of those players being either freshmen or sophomores. Joining Everett were sophomores Monty Duncan (6-0,211), Harrison Houston (5- 9,167), Henry Haston (6-2,199) and Willie Jackson (6-0,192). The four sophomores were joined by redshirt freshman Aubrey Hill (5-11,167). Duncan had five receptions in 1990 and Houston four. Duncan enters the fall as the projected starter at wide receiver along with Everett. Houston was one of just two true freshmen on the 1990 squad who was not redshirted. He was named the squad's most improved wide receiver this spring. Senior Alonzo Sullivan, who was academically ineligible this spring, is expected back this fall. He had seven catches for 88 yards in 1990.

## OFFENSIVE LINE

This is a good news, bad news situation heading into the 1991 campaign. The good news is that Florida returns four starters. The bad news is that there is virtually no proven depth.

Center Cal Dixon, guard Hesham Ismail and tackles Mark White and Tony Rowell return. The foursome has started 65 combined games over the last two years. Rowell missed spring practice due to reconstructive knee surgery from a injury suffered in the season finale vs. Florida State. Nine other returning scholarship players (one junior, four sophomores and four redshirt freshmen) makeup the offensive line. Combined, however, the nine participated in just 364 plays of action last season. Two of the nine, sophomores Jim Watson and Gantt Crouch, accounted for 283 of those 364 total plays. Seven of the nine players saw duty on less than ten plays of action on the offensive line last year.

*Center Cal Dixon (top left), tackle Mark White (top right), tackle Tony Rowell (lower left) and guard Hesham Ismail (lower right) are returning starters on the offensive line. Florida registered 273 first downs in 1990, the most in a single season in SEC history. The foursome has started 65 combined games over the last two seasons.*

Dixon (6-4,278), a first-team All-SEC choice last year, has started every game at center the past two seasons. He is expected to be one of the nation's top snappers this fall. Sophomore Gantt Crouch (6-2,261) will fill the top backup role at center for the second straight year.

At guard, Hesham Ismail (6-2,277) returns after starting all 11 games in 1990. Chris Bromley, a starter at guard the past two seasons, is the only starter on the offensive line who departs. Junior Dexter Smith (6-2,277), who was moved from defensive tackle in spring drills, sophomores Jim Watson (6-2,271) and Brian Rooney (6-3,253) and redshirt freshmen Craig Carey (6-2,284) and Scott Travis (6-5,253) are other returnees who will battle to replace Bromley as well as for top backup roles at guard. Of that group of five, only Watson saw playing time on the offensive line in 1990. Ismail and Watson enter the fall as starters with Smith and Carey the top backups. This could be a position where an incoming freshman might contribute.

Mark White (6-5,293) returns for his third year as a starter on the offensive line. He started at guard during the 1989 season and tackle in 1990. He started the first six games in 1990 at right tackle and the final five games at left tackle. Like Dixon, he is expected to be a top post-season honors candidate. Rowell (6-4,277), a converted defensive tackle, was inserted into the

starting lineup at right tackle in the seventh game of the season and was credited with helping to solidify the offensive line's performance during the final half of the year. As mentioned above, Rowell suffered a knee injury in the last game of 1990 vs. Florida State and missed spring drills, but he is expected to return by August practice sessions.

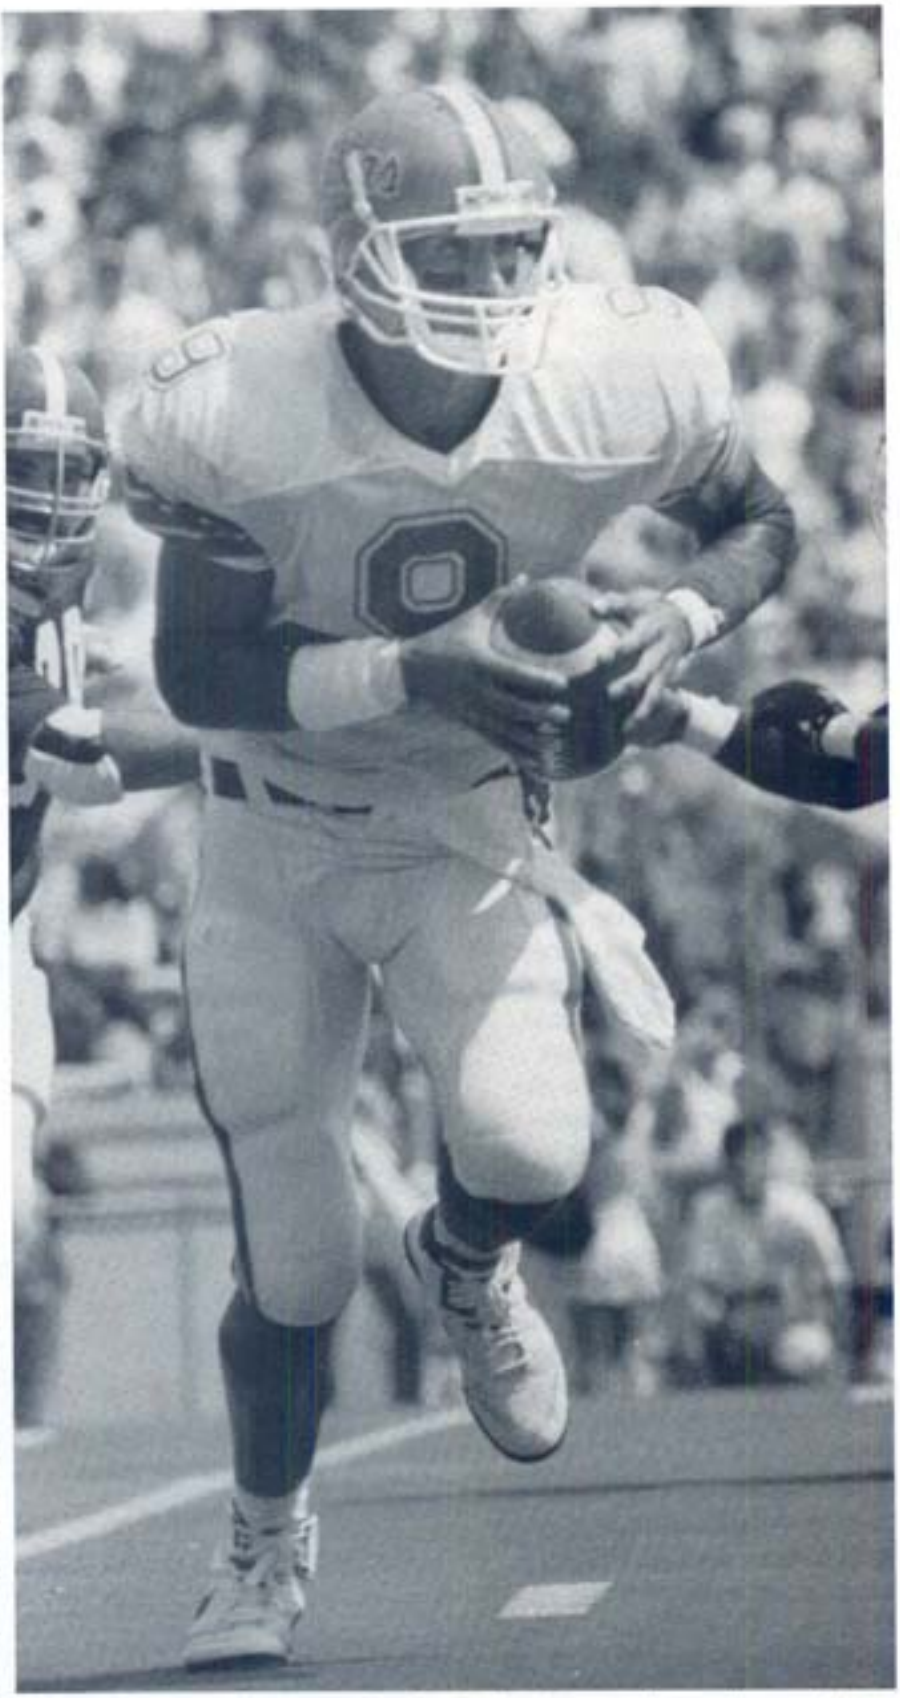

Four returning players, all freshmen or sophomores will battle for top backup roles at tackle. Combined the four returnees saw just 81 plays of action in 1990. Sophomores Ryan Taylor (6-4,284) and Brian Fisher (6-5,274) along with redshirt freshmen Dean Golden (6-5,261) and Greg Gingeleski (6-9,264) will battle for prominent backup roles to White and Rowell at tackle. Gingeleski underwent knee surgery last August and missed the entire 1990 season but took part in spring drills. Golden was named the squad's most improved offensive lineman this spring.

## QUARTERBACK

Junior Shane Matthews (6-3,191) is one of the nation's top returning offensive performers. In his first year as a starter as a sophomore in 1990 he was named "SEC Player of the Year" in a vote by the league coaches after leading Florida's "Fun and Gun" offense to a school record 35.2 points and 452.6 yards a game in total offense, an average that led the SEC and ranked tenth in the nation.

Matthews, who had seen just two plays of collegiate action prior to 1990, established one SEC and nine Florida records during his stellar sophomore campaign. He threw for 2,952 yards, best in UF history and the second best total in SEC history, with 23 TDs, a total that ranked second best on both the school and all-time SEC lists. Matthews completed 60.6% of his passes, the best completion percentage for a quarterback in SEC history who completed at least 200 passes over the course of a season. Matthews ranked eighth in the nation last year in passing efficiency with a rating of 139.9.

Matthews got noticeably better as the season progressed and closed the season on a high note with three consecutive 300-yard passing games, the first QB in school history to achieve that distinction. His five 300-yard pass-

ing games in 1990 also established a Florida single-season record.

Junior Brian Fox (6-4,211) and redshirt freshman Terry Dean (6-2,198) enter the fall in a battle for the main backup role to Matthews. Fox, who started eight games at Purdue in 1988 as a true freshman before transferring to Florida, was number two on the depth chart at the quarterback slot during the last half of the 1990 campaign. He completed 7 of 14 passes for 71 yards on the year. Dean, a 4.0 student, was named the most improved freshman on offense at the conclusion of spring drills.

## THE DEFENSE

Florida has built a proud tradition of defensive excellence. The Gators have ranked in the nation's top five in total defense in each of the past three years. Over the last eleven years no team in the highly competitive Southeastern Conference has put together a consistently more effective defense. Five times over the last eleven years Florida has led the SEC in total defense. No other team in the SEC has led the league in total defense more than twice during the same eleven-year period.

If Florida is to maintain its high national defensive profile it must replace six starters, five of whom started for two or more years, from a 1990 unit that ranked fifth in the nation in total defense, yielding an average of just 257.6 yards per game. In addition, Florida ranked fifth in the nation in rushing defense giving up just 85.5 yards per game, the lowest seasonal average in that category in school history. From that outstanding unit only three players (DT Brad Culpepper, ILB Tim Paulk and FS Will White) will start 1991 at the same position they occupied in 1990. Two others, Mike Brandon and Ephesians Bartley, have been

moved to new starting positions at defensive end and Gatorback, respectively. The 1991 defense has just five returning scholarship seniors on its roster.

Defensive ends Huey Richardson, a three-year starter and first-team All-American selection in 1990, and Mark Murray, a two-year starter, must be replaced on the line. Inside linebacker Jerry Odom, a two-year starter, and Gatorback Godfrey Myles, a two-year starter who gained first-team All-SEC honors in 1990, must be replaced on the linebacking contingent while corners Richard Fain, a three-year starter who gained first-team All-SEC and second-team All-American recognition in each of the past two years, and Jimmy Spencer must be replaced in the secondary. Combined, the six departing players started 138 games in their careers.

As has been the case in recent years, Florida will have some defensive players that are expected to rank among the nation's finest. Senior defensive tackle Brad Culpepper, entering his third year as a starter, inside linebacker Tim Paulk, a first-team All-SEC choice in 1990, and free-safety Will White, a first-team All-American choice as a sophomore in 1990, are expected to be the headliners on a Gator unit that will attempt to keep Florida among the nation's elite defensive teams.

## DEFENSIVE LINE

Florida returns seniors Brad Culpepper and Mike Brandon, who both started at tackle last fall, but loses two outstanding defensive ends in Huey Richardson and Mark Murray. This foursome in 1990 played a big role on a Gator defensive unit that ranked fifth in the nation in rushing defense, yielding an average of just 85.5 yards per game, the lowest in school history.

Richardson, a three-year starter and first-round selection in the 1991 NFL Draft by Pittsburgh, was one of the most dominant defensive players in Gator history. The 1990 first-team All-American completed his stellar career with 26.5 quarterback sacks, the second best total in school history, and 50.5 career total tackles for lost yardage, third best in Gator history. Richardson, a two-time first-team All-SEC choice, combined with Murray, a second-team All-SEC choice in 1990, to give Florida an outstanding defen-

sive end duo last season.

Culpepper (6-2,263), a second-team All-SEC choice in 1990 and a three-time SEC Academic Honor Roll recipient who was elected Student Body Vice President last spring, enters his third year as a starter on the Florida defensive line. He is expected to be a top post-season honors candidate in 1991. Culpepper led the squad in overall total tackles for losses with 14.5 in 1991 and also tied for the team high in QB sacks with 5.5.

Senior Mike Brandon (6-4, 279) was moved from tackle to defensive end this spring. Last year in eight starts at defensive tackle he registered 34 total tackles, second best among the defensive tackles and fourth overall on the defensive line. Sophomore William Gaines (6-5, 279), a starter in three games last year, and senior Tony McCoy (6-2, 273) are the top candidates to start with Culpepper at tackle. McCoy was a starter at defensive tackle in 1989 but did not compete in 1990 due to a suspension. Junior Phillip Johnson (6-4,278) will provide additional backup help. Junior Dexter Smith, a top tackle backup the last two seasons, moved to offensive guard during spring drills.

Several players are expected to continue to battle for the right to replace the Richardson - Murray duo at defensive end as well as for prominent backup roles at those posts. Senior Mike Brandon, a starter in eight games at tackle last year, joins juniors Darren Mickell (6-4,276), the top defensive end reserve in 1990, Harvey Thomas, Mike Kerr and Lex Smith along with redshirt freshman David Swain in that battle. Thomas (6-4,231), who served as a tight-end in 1988 and 1989, had an injury-marred 1990 season at defensive end and received a medical redshirt while Kerr (6-6,231) has primarily played a role with the special teams in his first two years on the squad. Smith (6-2,223) spent two years at quarterback before moving to defense in 1990. Swain (6-3,234) was redshirted in 1990. Senior Stephon Mack (6-3,227), who was academically ineligible this spring, is also expected to complete for playing time this fall. Brandon and Thomas enter fall as the projected starters at end with Mickell and Kerr the top backups.

## INSIDE LINEBACKER

This is an area where depth is a concern. Florida entered spring practice with just four returning scholarship players at these two positions. To bolster depth at this important position area, sophomore Charlie Dean was moved from tight-end and freshman Kevin Freeman from runningback.

Senior Tim Paulk (6-1,229), who missed spring drills with a hand injury,

> ***"This is an area where depth is a concern. Florida entered spring practice with just four returning scholarship players at these two positions."***

is the top returning headliner at inside linebacker. He gained first-team All-SEC honors last fall after placing second on the Gator nationally ranked defense with 77 total tackles. Paulk has gained a reputation during his career for making impact plays at inside linebacker as evidenced by the 17 turnovers he has caused during the last three years, including six interceptions and four blocked kicks. He is expected to rank with the nation's top inside linebackers in 1991.

Sophomore Ed Robinson (6-0,221) is the other starter at inside linebacker. Robinson, who earned SEC All-Freshman honors in 1990, had 47 tackles last season, seventh on the team. He

was named the defensive squad's MVP this spring at the conclusion of drills.

Vying for top backup roles will be senior walk-on Gregg Diamond (5-10,210), and junior Carlton Miles (6-1,233). Diamond was awarded a scholarship for his play this spring. Miles, who was moved from defensive end to inside linebacker in the spring of 1990, registered 32 total tackles last fall. The only other returning scholarship player at ILB entering spring drills was sophomore Matt Hurbanis (6-0,211), who saw just 14 total plays of action in 1990. As mentioned above, this is a position that was bolstered by player moves from other positions this spring. Sophomore Charlie Dean (6-2,229), the number three tight-end last fall, and redshirt freshman runningback Kevin Freeman (6-0,217) were moved to inside linebacker during spring drills. This could be a position where an incoming freshman might be able to contribute.

Florida loses Jerry Odom at this important position via graduation. Odom led the 1990 defense in total tackles with 85 and started 22 of the 23 games Florida played over the last two seasons. He was an important cog on Gator defensive units that ranked among the nation's top five in 1989 and 1990.

## OUTSIDE LINEBACKER AND GATORBACK

Florida's 4-4-3 base defensive scheme calls for two players who function as a combination linebacker and strong-safety. The outside linebacker primarily plays on the weakside while the Gatorback handles the strongside responsibilities. These positions are a concern heading into fall due to a lack of proven experience and depth. That concern was further heightened this spring when Alfred Smith (6-2, 223), a highly regarded Junior College All-American transfer who was expected to gain a starting berth at either Gatorback or outside linebacker, had to give up football due to a congenital narrowing of the spinal canal in his neck. His injury further depleted depth at this position area.

At Gatorback, Florida losses a great deal of experience. Godfrey Myles, a first-team All-SEC choice who was perfectly suited for the demands of this position with his combination of size, speed and strength, has departed along with his top backup, James Speer. This duo saw over 900 plays of combined action in 1990. Myles ranked third on the squad in total tackles with 69. He was a third-round selection by the Dallas Cowboys in the April NFL Draft while Speer was a free agent signee with Seattle.

To fill the void, senior Ephesians Bartley (6-3,212), a starter at outside linebacker for all 11 games in 1990, was moved to Gatorback this spring. He registered 65 total tackles, the fourth top total on Florida's nationally ranked defense in 1990. Bartley had started eight games at strong-safety as a sophomore in 1989. With his experience, he could become a post-season honors candidate.

The only returnee at Gatorback from last year is sophomore Cornell Tinner (5-11,212) who saw just 29 plays of action in 1990. Junior Marquette Oliver (5-9,211), a backup at OLB in 1990, emerged this spring as Bartley's top backup at Gatorback. He was moved from outside linebacker to Gatorback this spring.

With Bartley's move from outside linebacker to Gatorback a void was created at OLB. Junior Monty Grow, the top backup at free-safety each of the past two seasons, was moved to that post this spring. Grow (6-3,211) led all defensive backs in 1990 in total tackles with 36. Junior Myrick Anderson (5-11,204) enters the fall as the projected backup at outside linebacker.

Due to a lack of depth at the outside linebacker and Gatorback positions an incoming freshman might have to see playing time.

*Ephesians Bartley, a 22-game starter, was moved from outside linebacker to Gatorback this spring.*

## CORNERBACK

Next to finding replacements and improving depth at Gatorback and outside linebacker, this is a position on the defense that will continue to command a good deal of attention this fall. Two starters, Richard Fain and Jimmy Spencer, have departed. Fain, who started 31 games over the course of the last three years, was a two-time first-team All-SEC and a two-time second-team All-America selection. He saw over 2,000 plays of action the last three years. Spencer started eight games in 1990 at the corner spot opposite Fain and saw over 500 plays of duty last year. Fain was a sixth-round choice by Cincinnati and Spencer an eighth-round selection by Washington in April's NFL Draft.

> ***"Next to finding replacements and improving depth at Gatorback and outside linebacker, this (cornerback) is a position on the defense that will continue to command a good deal of attention this fall."***

Only four scholarship players, two of which are redshirt freshmen, made-up the returning contingent at cornerback this spring. They were joined in spring drills by Jimmy Owens, a junior college transfer. This young and inexperienced unit was composed of three juniors and two freshmen during the spring.

Junior Del Speer (6-0,192) was the only one of five scholarship players at this position this spring who had seen any meaningful time at cornerback at the major college level. Last year as a sophomore he started three games and

ranked third among all the corners in total amount of plays. Junior Brian Montgomery (5-8,169) saw just 44 plays of action last fall while Pete Archie (5-10,181) and Eddie Lake (5-10,174) were both redshirted in 1990 as freshmen. Speer had a solid spring practice but no other corner candidate displayed consistency this spring. As a result, junior college standout Lawrence Hatch and perhaps an incoming freshman are being counted on to provided immediate help and depth at the corners when fall drills open in August. Hatch in particular is being counted on to provide instant help.

## FREE SAFETY

Junior Will White (6-1,198), who ranked second in the nation in 1990 with seven interceptions — a total that tied the school single-season record, could rank with the nation's top defensive backs this year. White, a consensus first-team All-SEC choice in 1990, gained some first-team All-America honors last season and was also one of 15 announced semifinalists for the Thorpe Defensive Back of the Year Award. In becoming a first-team All-American, White became just the second player in school history — and the first since 1969 — to gain such distinction as a sophomore.

Junior Monty Grow (6-3,211), who led all defensive backs in total tackles last fall with 36 and was the top backup at free-safety the past two seasons, was moved to outside linebacker during spring drills. Redshirt freshman Michael Gilmore (5-11,181) is now the top backup at free-safety.

## SPECIAL TEAMS

Senior Arden Czyzewski (6-0,211) returns to handle the squad's place-kicking chores. He was 15 for 19 on field goals last year and registered 87 total points, the sixth best single-season total for a player in Florida history and the third best total for a place-kicker. He has successfully converted on 84.6% (22 of 26) of his career field goal attempts.

The punting chores, however, are not so settled. Czyzewski took over those duties as well in the fourth week of the season and averaged 34.7 yards per punt, a figure that ranked last in the SEC. Florida's punting has been subpar for several years and Gator coaches are hopeful that signee Shayne Edge (5-11,170), a freshman who graduated from high school in December and enrolled at UF this January, will solve this long standing problem area. Edge was widely regarded as the state's premier prep kicker. Sophomore walk-on Judd Davis is also still in the battle for the punting chores.

Sophomore Ryan Ruland (6-0,190), a walk-on, handled kickoffs last year. He will be pushed for that role this year by Edge, Czyzewski and redshirt freshman Kendall Cook (5-8,156).

Sophomores Monty Duncan and Harrison Houston handled the bulk of the kickoff return duties last year with Duncan averaging 23.8 yards per return and Houston 23.0. Terence Barber, who returned 27 of the 38 punt returns Florida registered last year, has graduated. Duncan, along with several other players, will be tried in that role this fall.

Florida took an aggressive approach to rushing kickers last fall and blocked four kicks, each of which led to a Gator touchdown. A punt block vs. Alabama was recovered in the end-zone for a TD and provided the margin of victory in a 17-13 win over the Crimson Tide.

*Will White (above), who ranked second in the nation in 1990 with seven interceptions and became just the second sophomore in school history to earn first-team All-America honors, is expected to rank with the nation's premier defensive backs this fall.*

*Arden Czyzewski (below) has successfully converted on 84.6% of his career field goal attempts.*

# COACH SPURRIER'S COMMENTS ON 1991

## DEFENSIVE TEAM

### ENDS

"We lost a couple of fine ones last year in Huey Richardson and Mark Murray but with Harvey Thomas, Michael Kerr, Darren Mickell, and we moved Mike Brandon out there. . .those guys can be outstanding players. Brandon is the most experienced defensive lineman there and Thomas maybe has a chance to lead the team in sacks. We hope he gains about 10 pounds over the summer and plays at about 245. Lex Smith, a former quarterback, is a fine pass rusher and he works hard. We think he can contribute."

### TACKLES

"Brad Culpepper is a returning all-conference player (second team) and he should have an outstanding senior year and be a leader. He is one of our captains. Tony McCoy is back now and William Gaines had an outstanding spring. Phillip Johnson is a fine defensive tackle who played well in the spring. This is maybe the strongest part of our defense right now and if your asked coaches most of them would want to be the strongest in this area."

### INSIDE LINEBACKERS

"Tim Paulk, who was All-SEC last year and should be a pre-season All-America candidate this year, was named one of our captains. I think he is going to have a fine season. Inside linebacker is a position where we don't have much depth and an incoming freshman like Kevin Carter may have a real chance to play. Sophomore Ed Robinson had a fine spring and will be the other starter with Paulk. Carlton Miles has a chance to help and it's a good thing we moved freshman Kevin Freeman here from running back."

> ***"We plan on continuing the tradition of outstanding defenses at the University of Florida. I think the defense will be just as solid as last year and some of our veteran players think we can be better. We were fifth in the nation and second in the SEC last year and our goal this year is to be better than that."***

### OUTSIDE LINEBACKERS/GATORBACKS

"Fee Bartley is the starting Gatorback and he's a good player. Marquette Oliver is behind him. On the other side we have Monty Grow, a converted safetyman, with Myrick Anderson also there. Incoming freshman Ben Hanks could come in and help quickly here. We're pretty solid on the first team but don't have depth."

### CORNERBACKS

"We lost two good ones in Richard Fain and Jimmy Spencer, who were both drafted by the NFL. Del Speer played well in the spring and he is the starter on one side. The other side is up for grabs between Pete Archie, Sam Scavella, Brian Montgomery and Jimmy Owens. It might be a matter of who improves the most over the summer. We're hoping a junior college transfer, Lawrence Hatch, can come in and compete for a starting position."

### FREE SAFETY

"Will White was a first team All-American last season and we really think he can play better this year. Michael Gilmore moved in this spring as the second team player and Kris Lay, a walk-on, is also in the picture there."

### DEFENSIVE SUMMATION

"We plan on continuing the tradition of outstanding defenses at the University of Florida. I think the defense will be just as solid as last year and some of our veteran players think we can be better. We were fifth in the nation and second in the SEC last season and our goal this year is to be better than that."

## OFFENSIVE TEAM

### WIDE RECEIVERS

"We lost our two top wide receivers — Ernie Mills, who led the SEC in touchdown catches with 10, and Terrence Barber — but we feel like Tre Everett can come in and be all-league and possibly All-America. On the other side, sophomore Monty Duncan is a strong, tough receiver who can run well. The depth is good with Harrison Houston and Henry Haston at flanker and Aubrey Hill and Willie Jackson at split end. Jack Jackson and Charles West, the fastest high school player in Florida last year, are incoming freshmen who maybe can help this year."

### TIGHT ENDS

"Kirk Kirkpatrick led the league in receptions with 55 last year and he graduated. Still, we should be okay with Greg Keller and Terrell Jackson battling for the top position, backed up by freshman George Rushing. Hopefully, they will come on and play well this season."

## OFFENSIVE LINE

"Four starters return, all seniors. With Mark White, Hesham Ismail, Cal Dixon and Tony Rowell we feel we have the nucleus in the line. Sophomore Jim Watson leads at the remaining guard spot. Dexter Smith, who we moved from defensive tackle, did some good things in the spring. Maybe incoming freshman Scott Joslyn can help. Cal Dixon, our offensive captain, anchors the offensive line at center. He is a solid all-star type player."

> ***"On offense we basically lost three good receivers but return the nucleus of our team. I think they can play better than the team of a year ago which set a slew of records. We are improved over last season."***

## QUARTERBACK

"What gives our offense a chance to be better this year is the return of quarterback Shane Matthews, the SEC Player of the Year in 1990. His experience, leadership and knowledge of the offense makes him a better player than last season. Behind him are Terry Dean and Brian Fox, a solid pair. We should be good at this position."

## RUNNING BACKS

"Errict Rhett is the returning number one tailback, backed up by Willie McClendon and Kedra Malone, who had an outstanding spring. Kelvin Randolph is the starting fullback with Dexter McNabb and Chris Bilkie there. We feel good about our running back positions."

## OFFENSIVE SUMMATION

"On offense we basically lost three good receivers but return the nucleus of our team. I think they can play better than the team of a year ago which set a slew of records. We are improved over last season."

## KICKING GAME

"Arden Czyzewski is a veteran, experienced pressure kicker on extra points and field goals. He's tested and we have confidence in him. Shayne Edge, a freshman, has an outstanding leg and hopefully he can come back this August and take over the punting chores. One of our biggest concerns is to find a snapper for punts, extra points and field goals. How we will do that is something unknown that we have to get worked out by the first game."

## SEC RACE

"We get to have Alabama, Tennessee and Kentucky come here to Florida Field, but we have to go to LSU and Auburn so maybe that balances it out. If you play in the SEC you are going to have a difficult conference schedule and that is the way it should be and I look forward to the challenge. We have two other games in Florida, Georgia in Jacksonville and Mississippi State in Orlando, so that is a plus for us."

## KEY DEPARTURES

*WR Ernie Mills, a third round selection in the 1991 NFL Draft by Pittsburgh, led the SEC in TD catches in 1990 with ten. He had 41 catches on the season and garnered first-team All-SEC honors last fall.*

*Terence Barber caught 35 passes from his wide receiver post in 1990, a total that ranked third on the squad and sixth in the SEC.*

*Kirk Kirkpatrick led the SEC in receptions in 1990 with 55, the top seasonal total for a Gator tight-end in school history. He was a first-team All-SEC and second-team All-America selection last fall. He completed his career with 82 total receptions, the top total for a tight-end in school history.*

*Guard Chris Bromley headlined a line that keyed an offense that established 14 school records in 1990. Florida also set a new SEC record for most first downs in a season with 273.*

*DE Huey Richardson, a first-round selection in the 1991 NFL Draft by Pittsburgh, completed his career with 26.5 QB sacks (second best in school history) and 50.5 career total tackles for loss (third best in UF history). He was a first-team All-America selection in 1990.*

*Cornerback Richard Fain, a sixth round draft selection this past spring by Cincinnati, started 31 of the last 32 UF games. He was a two-time first-team All-SEC and second-team All-America choice. His ten interceptions rank as the third top career total in school history.*

*Gatorback Godfrey Myles, a third round selection in the 1991 NFL Draft by the Dallas Cowboys, was a first-team All-SEC and HM All-America choice in 1990.*

*Inside linebacker Jerry Odom ranked second in total tackles in 1989 and tops in 1990. Both the 1989 and 1990 Florida defensive squads ranked among the top five in the nation. The 1990 unit yielded just 85.5 rushing yards per game, the lowest in school history.*

# HEAD COACH STEVE SPURRIER

Steve Spurrier was named head football coach at the University of Florida, his alma mater, on December 31, 1989. Less than one year later he was named "Southeastern Conference Coach-of-the-Year" after his Gators turned a 9-2 record his first season. He was also one of four finalists for "National Coach-of-the-Year" honors.

This was the third consecutive season he was voted as a conference coach of the year, a string which began in 1988 at Duke of the Atlantic Coast Conference and continued the following year with the Blue Devils.

His accomplishments at the collegiate and professional levels provide solid proof that he is among the leading coaches in football at any level in the 1990's. His career collegiate head coaching record is 29-15-1 in four seasons, while his overall record, including three years of professional ball, is 64-34-1.

Spurrier's 1990 Gators had the SEC's top record at 6-1, the most league wins in school history. They finished fifth in the nation on defense and 10th on offense while setting 14 single-season records and becoming the second most productive offense in SEC history with 4,978 yards.

Florida was the only team in the nation in 1990 to throw for over 3,000 yards, have three receivers with at least 35 catches and two running backs who each rushed for over 600 yards.

Meanwhile, the Gator defense ranked in the nation's top five for the third straight year and set a new school record for rushing defense, yielding an average of only 85.5 yards per game.

Spurrier, the 1966 Heisman Trophy winner who is still regarded as the most famous athlete in UF history, came back to Florida after serving as head football coach at Duke from 1987-89 with his teams reaching heights no Blue Devil squad had seen in nearly three decades. Their record-setting offense shredded ACC standards and resulted in 1989 in a bowl appearance for the first time since 1960, and a conference title for the first time since 1962.

All three of Spurrier's Duke teams led the ACC in passing and total offense. His first Florida team led the SEC in both of the categories in 1990.

Spurrier offenses produced the same results at the professional level in the USFL from 1983-85 with the Tampa Bay Bandits, where he compiled a 35-19 record and two consecutive playoff appearances. The 1984 team was the first in pro history to produce a 4,000 yard passer and two 1,000 yard rushers in the same season.

In 1985 quarterback John Reaves, now Florida's tight ends coach, again passed for over 4,000 yards, one of only four QBs in pro history to accomplish this feat in back-to-back seasons.

Spurrier's coaching career started in 1978 as quarterback coach at Florida. In 1979 he served as offensive coordinator and quarterback coach at Georgia Tech. As an assistant coach at Duke from 1980-82 Spurrier's reputation as an exceptional offensive coach originated. The 1982 Blue Devils set ACC records with over 300 yards per game passing and 4,990 yards of total offense as QB Ben Bennett finished his career as the NCAA's all-time passing king with 9,614 yards in three seasons.

After his USFL head coaching stint, Spurrier's offensive scheme helped pro-

***Spurrier's first Florida team posted a 9-2 record, became the first Gator team in history to win nine of its first ten games in a season, set 14 single-season records, led the SEC with a 6-1 record, and saw both the defense (5th) and offense (10th) rank among the ten best in the nation.***

duce record-setting Duke quarterbacks Steve Slayden and Anthony Dilweg and NCAA TD-reception king Clarkston Hines, ACC Player-of-the-Year in 1989.

Spurrier's first Gator team produced QB Shane Matthews, SEC Player-of-the-Year as a sophomore in 1990, who led the league in passing and set 11 school records. TE Kirk Kirkpatrick topped the conference in receptions with 55 and WR Ernie Mills led the league in TD catches with 10. Meanwhile, two Gator running backs each gained over 600 yards rushing.

Spurrier was born on April 20, 1945 in Miami Beach, Florida, son of presbyterian minister J. Graham Spurrier and his wife Marjorie. The family soon moved with Rev. Spurrier's ministerial callings in Athens, Tenn., then to Newport and finally to Johnson City when Steve was 12 years old.

In high school he was all-state in football, basketball and baseball and prep All-American in football in 1962. His baseball team won two straight state titles and in three seasons of pitching he never lost a game.

After a difficult recruiting battle, head coach Ray Graves signed Spurrier to a Gator football scholarship, beating out Bear Bryant of Alabama and Johnny Vaught of Ole Miss. Why Florida?

"I chose Florida because of the passing, the weather, Coach Graves and the school," he says. "I fell in love with the state and decided that's where I would like to spend a lifetime, and you should go to school where you want to spend your lifetime."

The rest was history. He completed the first pass of his career, a 56-yarder to Jack Harper against SMU in 1964, and guided the Gators to two major bowls in three seasons, eight come-from-behind wins in the final quarter and a glorious period still remembered with fondess by Florida people.

The games still best recalled came against Georgia and FSU in 1965 and Auburn in 1966 — the game which put him over the top in the Heisman Trophy race against Purdue's Bob Griese.

Florida trailed the Bulldogs, 10-7, with 4:06 remaining in the final period and had the ball at its own 22. It took Spurrier two plays to pull it out, the first a 51-yard completion to Charlie Casey to the Georgia 19, followed by a 19-yard TD toss to Jack Harper for the winning score in a 14-10 game.

The Gators had already been selected to play in the Sugar Bowl in 1965 when they faced FSU and found themselves trailing 17-16 with 2:02 remaining and at their 29-yard-line.

"I will never forget that moment," says Graves. "We were trying to decide what might have a chance to work and Steve came over to me on the sideline and said, 'Coach, don't worry, we are going to score and win.'"

In six plays Spurrier drove Florida to a TD to take a 23-17 lead. A desperation Seminole pass resulted in a TD inter-

*Spurrier has been named his conference's "Coach of the Year" in each of the last three seasons. He was one of four finalists for "National Coach of the Year" honors in 1990. In his four years as a head coach at the collegiate level his teams have averaged 319.5 passing yards per game.*

ception return to make the final margin 30-17.

The Gators went on to the Sugar Bowl where Spurrier set six passing and total offense records and became the only player from the losing team ever to be voted the game's MVP.

The Auburn game in 1966 was the ultimate in Spurrier's knack of being in the right place at the right time under pressure. Heisman Trophy ballots had gone out the previous week and were due back in the week following. A record Florida Field press corps was in attendance.

Despite one of the greatest performances of his career, 26 of 35 passing for 349 yards and three TDs, seven punts for an average of 46.9 yards per kick, the Gators still remained tied with Auburn at 27-27 with just over two minutes remaining and fourth and long. Wayne Barfield was Florida's regular placekicker, but his range was short.

> ***"His accomplishments at the collegiate and professional levels provide solid proof that he is among the leading coaches in football at any level in the 1990's. . . His return to Florida brought back fond memories for Gators everywhere. He won the 1966 Heisman Trophy at Florida and is still regarded as the most famous athlete in school history. He guided the Gators to two major bowls in three seasons, eight come-from-behind-wins in the final quarter and a glorious period still remembered with fondness by Florida people."***

Spurrier took the responsibility for hitting the longer 40 yard effort, although he had not kicked a field goal since the opener that season against Northwestern. He kicked it through for a dramatic 30-27 victory.

Joe Durso of the New York Times called Spurrier a "Real-life Frank Merriwell." John Logue of the Atlanta Journal wrote, "Spurrier, with his hands tied behind his back and facing a firing squad would be favored to escape."

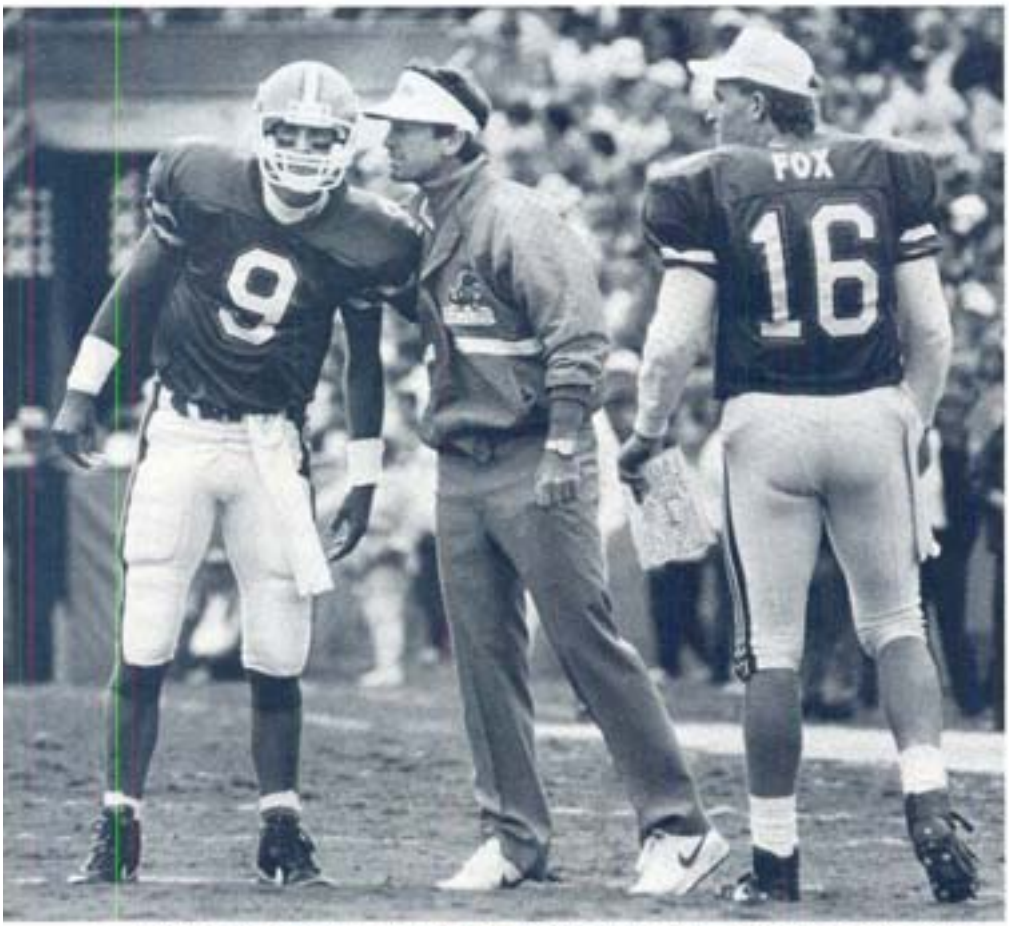

He was the first round draft choice of the San Francisco 49ers in 1967 and played 10 years in the NFL, nine with the 49ers and one with the Tampa Bay Bucs.

Steve and Jerri Spurrier met while UF students and were married just before his senior season at Florida. They have four children — daughters Amy and Lisa, who are students at Florida, and sons Steve Jr., a sophomore at Duke, and Scotty.

## CAREER HEAD COACHING NOTES

- A career collegiate head coaching record of 29-15-1 (65.5%)
- A overall head coaching record, counting three years of pro ball, of 64-34-1 (65.1%)
- Has been named his conference's "Coach of the Year" in three of the four years he has been a head coach; 1988 and 1989 "ACC Coach of the Year" and 1990 "SEC Coach of the Year".
- In each of his four years as a head collegiate coach his teams have averaged over 290 yards per game passing and have thrown for over 3,000 yards each season.
- In each of his four seasons as head mentor of a college team his squad has ranked in the nation's top ten in total offense and passing offense.
- In each of his four seasons as a head collegiate coach his quarterbacks have led the league in passing.
- In each of his four years at the helm of a college team one of his wide receivers has led the conference in TD receptions. In three of those four years someone on his offense led the conference in total catches.
- In three of his four seasons directing a college program a player from his team has been named the conference player of the year.

*Spurrier's first Florida squad led the SEC in total offense and passing yards. 1990 marked the fourth straight year Spurrier-directed squads have led a league in both of those statistical categories. The 1990 squad scored 30 or more points in eight of its eleven games.*

## UNIVERSITY OF FLORIDA
**(1990-present)**

**1990 Highlights:** Spurrier is named "SEC Coach of the Year" after leading Florida to a 9-2 record and the best record in the SEC with a 6-1 ledger in his first year at the helm. Also named one of four final nominees for the Football Writers Association "Bear Bryant National Coach of the Year" award. Squad's 9-1 record after 10 games was the best start for a Gator team in school history. Florida's six wins in the SEC was the most in a single-season in school history. Squad's nine wins marked just the fourth time in school history that UF won nine games in the regular season. Spurrier's first Gator offensive squad set 14 single-season school records, including most points (387), most total yards (4978), most passing yards (3197), most TDs (49), most passing TDs (25), and most 300 yard passing games (5). Squad also set two single-game UF records and one SEC seasonal record (most first downs with 273) while registering the second most productive offense in league history with 4,978 yards. Florida ranked 10th in the nation in total offense and ninth in passing offense with an average of 290.6 yards per game, a figure that ranked second best in the history of the SEC. Florida was the only team in the nation to throw for over 3,000 yards, have three receivers with at least 35 catches and two RBs who each rushed for over 600 yards. QB Shane Matthews, in his first year as a starter, was named "SEC Player of the Year" after establishing 11 single-season UF records including most passing yards with 2,952, a figure that also ranked as the second best in the history of the SEC. He set a conference record for best completion percentage (minimum of 200 completion) with a 60.6% figure.

TE Kirk Kirkpatrick led the SEC with 55 catches, a figure that set a UF single-season mark for a tight-end. WR Ernie Mills led the SEC in TD receptions with 10. Florida scored more points against Auburn (48) and Georgia (38) than any Gator team in history against those two long-time rivals. Over the last five games of the season, traditionally the strongest part of UF's schedule, the Gators averaged 44.4 points per game and 508.2 yards a game. Florida had nine players earn first-team All-SEC honors, the most for a single-season in school history. Defensively, Florida ranked fifth in the nation in total defense and fifth in rushing defense. The Gators set a new school record for rushing defense, yielding an average of just 85.5 yards per game. 1990 marked the third straight year that UF ranked among the nation's top five teams in total defense.

## DUKE UNIVERSITY (1987-89)

- Compiled an overall record of 20-13-1.
- In two of the three years at the helm, Duke received the College Football Association (CFA) Academic Achievement Award for graduating the highest percentage of its players.

*Spurrier led Duke to an 8-3 record in 1989 and an ACC title, the school's first since 1962, and an appearance in the All-American Bowl, the school's first post-season game since the 1960 season. His 1989 Duke team became the first squad in ACC history to average over 500 yards a game in total offense. His three Duke teams averaged 329.2 passing yards per game, including an ACC record 351.6 in 1988.*

*Spurrier's wide-open offense in Tampa Bay became affectionately known as "Banditball". In 1984 the Bandit offense became the first in pro football history to produce a 4,000 yard passer and two 1,000 yard rushers in the same season. In 1985 QB John Reaves, now a member of the Florida coaching staff, became the first QB in pro football history to throw for over 4,000 yards in back-to-back seasons.*

- Duke led the ACC in total offense and passing offense in each of his three years at the helm.
- In each of his three years at Duke the Blue Devils averaged over 300 yards a game passing. Duke was the only team in Atlantic Coast Conference history to average over 300 yards a game passing and the Blue Devils accomplished that rare feat four times (1982, 1987, 1988, 1989). Spurrier was in charge of the Duke offense in each of those four years.
- Named "ACC Coach of the Year" in 1988 and 1989.
- Duke QBs led the league in passing each of his three seasons as head coach and Blue Devils wide receivers ranked first or second in catches in final standings in each of his three seasons.

**1987 Highlights:** Led the ACC in total offense (4,609 yards), passing (3,443 yards) and scoring (27.4 ppg). QB Steve Slayden led the ACC in total offense, RB Roger Boone led the league in catches (62) and WR Clarkston Hines led the conference in receiving yards (1,093) and TD catches (11).

**1988 Highlights:** Spurrier is named "ACC Coach of the Year." Squad's 7 wins is most for Duke since 1962. Squad sets ACC single-season records for total offense (5,111) and passing offense (3,868 yards). Duke averaged 351.6 yards passing per game, best in ACC history and a figure that ranked third best in the nation in 1988. QB Anthony Dilweg, in his first year as a starter, set ACC records for total offense (3,713 yards) passing (3,824 yards), passing TDs (26). He was named ACC Player of the Year. He also set an ACC record for most passing yards in a game (475). RB Roger Boone led the league in catches (73) and WR Clarkston Hines led the league in receiving yards (1,067) and TD receptions (10).

**1989 Highlights:** Spurrier is named ACC Coach of the Year after compiling an 8-3

record. Squad's 8 wins is most for Duke since 1962. Blue Devils finish first in the ACC standings, Duke's first conference title since 1962. School accepts bid to play in the All American Bowl, Duke's first post-season bowl appearance since the 1960 season. Duke set ACC record for total offense with an average of 501.7 yards per game. Duke finishes fourth in the nation in both passing and total offense. WR Clarkston Hines was named ACC Player of the Year and became Duke's first consensus All-American selection since 1971. Hines completed his career as the ACC leader in virtually every pass receiving category and his 38 career TD receptions set a new NCAA record. Hines became just the second receiver in collegiate history to register three 1,000 yard seasons. RB Randy Cuthbert became just the second back in Duke history to rush for over 1,000 yards in a season. He rushed for a school record 234 yards vs. Georgia Tech. Duke scored 356 points on the season, just 10 points shy of the ACC all-time record for most points in a year.

## TAMPA BAY BANDITS OF USFL
**(1983-85)**

- Compiled a 35-19 overall record and two straight playoff appearances.
- His 1984 squad became the first team in pro history to produce a 4,000 yard passer (current Florida assistant John Reaves) and two 1,000 rushers in the same season.
- John Reaves passed for over 4,000 yards in back-to-back seasons (1984-85), one of only four QBs in pro history to accomplish that feat.

## ASSISTANT COACHING CAREER

- Assistant Coach (Quarterbacks) at Florida in 1978.
- Assistant Coach (Quarterbacks) at Georgia Tech 1979.
- Assistant Coach (QBs and Offensive Coordinator) at Duke from 1980-82. Duke's Ben Bennett completed his career as the NCAA's all-time leading passer with 9,614 yards and the 1982 team ranked fourth in the nation in total offense and second in passing offense. The 1982 Duke offense was the first team in ACC history to average over 300 yards passing per game and it set an ACC record for total offense with 4,990 yards.

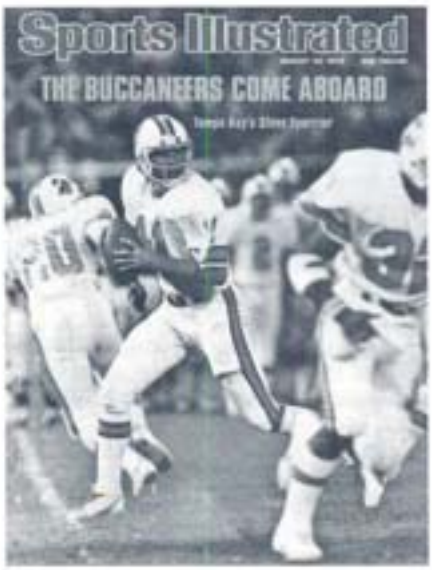

## PLAYING CAREER

- Three-year starting QB at Florida.
- 1966 Heisman Trophy winner.
- First-team All-American selection in 1965 and 1966.
- Selected in first round (third overall selection) in the 1967 NFL Draft by the San Francisco 49ers.
- Played for San Francisco from 1967-75 and then the Tampa Bay Bucs in 1976.
- Named to the National Collegiate Football Foundation Hall of Fame in 1986.

*Spurrier won the Heisman Trophy at the University of Florida in 1966 and was a first-round selection in the 1967 NFL Draft by the San Francisco 49ers.*

# SPURRIER'S BLUEPRINT FOR SUCCESS

■ "Our goal is to become the best football program in this state. To accomplish this we must graduate the highest percentage of players and win more games than our in-state rivals. We also will have different football-related goals each season which will be established by our seniors. To accomplish these goals, we must have a total commitment from everyone involved in our football program. This includes our administrators, our support staff, players, coaches and our tremendous Gator fans, who we believe are the best in the nation."

■ "This is the finest academic institution in the state and ranks with the very best state universities in the nation. The athletic facilities in place are outstanding. These are advantages we can offer to our players. We also offer them support and guidance in their college career, academically, athletically and in their personal life. There are dedicated professional people here who want these young men to be the best they can be in all these areas."

■ "What we expect and demand from our players is that they be solid citizens off the field, be the best students possible, to graduate, and to be the best football players they can be. When all this happens then the college experience will be a positive one."

■ "It is our job as coaches to teach and develop player skills. What we expect from the players is effort and concentration. When that happens you build teams that play hard all the time and keep mental errors to a minimum. This is what we will demand of our teams."

■ "What do we want in an assistant football coach here at Florida? First, he must be an enthusiastic, first-class individual who gets along well with everyone. Second, he must be a coach who can teach sound, fundamental football. Third, he must treat the players as if they were his own sons and make the game fun for everyone."

■ "Offensively, we try to play according to how the defense is playing and we want to spread them out. If they have eight people at the line of scrimmage, we think we should throw it. If they have five up front and six dropped back, perhaps we should be running the ball. If they're playing back in the secondary, we want to throw it in front of them and if they're playing tight, we want to throw it over their heads. Our offensive goal is to get the best possible play against that particular defense and to attempt to exploit what they are permitting."

■ "Defensively, we want to develop a characteristic of being an aggressive, physical team which swarms to the football with the goal of turning it over to our offense. Obviously, team speed is a high priority. We want to be fundamentally solid but willing to take calculated aggressive moves to disrupt offenses. I think the players who are involved in this defensive scheme will have fun playing the game."

■ "I think the one reason most players enjoy this offense is that everyone is involved in it. It's not designed to highlight one running back or one wide receiver. We spread it out to include everyone, and we recognize the importance of the offensive linemen in helping it work."

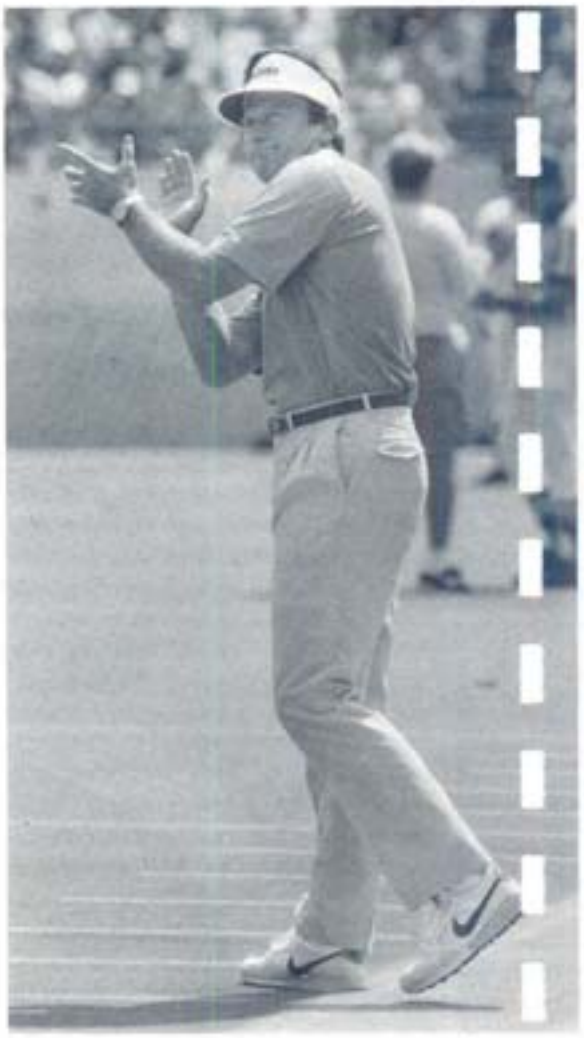

■ "Creating a family atmosphere among the coaches and players is very important. Most of the family stuff comes naturally, however, in that we don't work at it. We'll have team parties and team banquets as well as doing a lot of little things together. We want an atmosphere where the guys like each other and pull for each other to do well."

■ "Our practices aren't as vicious as some teams have. I hate to see a player get hurt in practice. I believe you can prepare a team for a game without risking injuries, and that builds camaraderie. When the offense and defense get out there in practice and try to kill each other, it's easy for the defense to hate the offense and vice versa. I made an agreement with myself that as long as I was a head coach, I'd try to work it so the players would like each other — not try to kill each other."

■ "Teams that believe something good is going to happen for them in the fourth quarter and keep playing hard, find good things do happen."

## PEOPLE AGREE

# SPURRIER'S A WINNER AND AN INNOVATOR

"In 1990 we had the same athletes we've always had. The difference was Coach Spurrier. I can't stress enough how much the whole team came to admire him and was thankful for him. He turned things around for a lot of us."

**TE Kirk Kirkpatrick**

"There is no question that it was Coach Spurrier that turned this team and this program around. He turned the attitude around. There is no one like him. We have this bond with him that you have to have to win championships."

**WR Ernie Mills**

"Steve was a coach on the field when he played for me in the 1960s. He could make decisions under pressure, check off and turn bad plays into good plays, and when he walked into the huddle the other players were totally confident he would come up with the right move and execute it. He does that now as a coach with the rare ability to instill confidence in everybody that is on the sidelines. In a close ballgame his decisions and adjustments will win for you."

**Ray Graves**
**Head Coach, 1960-69**
**University of Florida**

"Coach Spurrier's offense is imaginative and open, and you really can't double-team anyone or someone else will burn you. As a receiver playing for Coach Spurrier, you could always have a smile on your face if you do the one thing he asks, which is catch the ball. In his system, a receiver feels like he's a top gun."

"What the Gators' coach is 'all about' is wide-open football, fun football, creating a family atmosphere among players and assistant coaches, guiding players toward graduation — and winning."

**Jack Hairston**
**Columnist, Gainesville Sun**

"Playing for a guy like Steve Spurrier, he knew so much about the defenses we played against and how to attack them. It was almost like a philosophy you kind of pick up on. If you can have that heading into a pro career, it really helps you. You develop quicker, and may have a better chance to play when you're younger.

"You get a chance to understand defenses, defensive fronts, the secondary, rotations. If you can do that on the college level, it becomes second nature."

**Lindy Infante**
**Head Football Coach**
**Green Bay Packers**
**1989 NFL Coach-of-the-Year**

"Steve really knows the ins and outs of the passing game. When you know it as well as he does, it takes a lot of the risk out of throwing the football. . .Steve taught me more about the mechanics of playing quarterback, the understanding of coverages and the theory behind the passing game, than any coach I had in the NFL."

"Steve formulates a game plan that utilizes everybody's strengths and hides everybody's weaknesses."

**Ben Bennett**
**Duke QB, 1980-83**
**ACC MVP in 1983**

"I have tremendous respect for Coach Spurrier's knowledge of the game and the application of his offense during a game. He's an upfield coach. By that, I mean he plays to attack. Whether he's ahead or behind, he's always looking to exploit what the defense is permitting. Playing in Coach Spurrier's offense prepared me for the pro passing game. He uses the same type of route tree, the same numbering system and a lot of the same terminology as the typical pro passing attack."

"The quarterback really has a lot of freedom. . . more responsibility to choose a better play from the audible options. You have a lot of fun."

# GATOR OFFENSE

## *Balance and Diversity is the Goal*

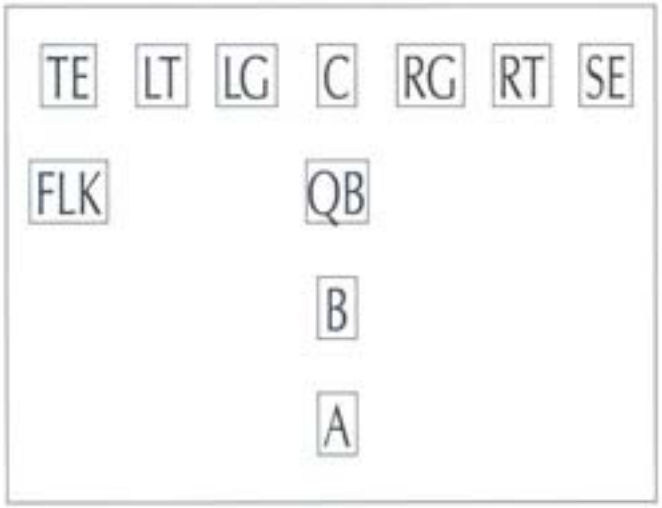

"Our offensive philosophy at Florida is actually very simple. We want to do whatever it takes to win the game. If throwing the ball 50 times, or running it 50 times, gives us the best chance to win, this is what we will do.

We believe you must be able to throw the ball very successfully to compete with the top teams in the nation. On the other hand we want to control the ball by running and making first downs on the ground to help us win the game.

Our Duke team in 1989, which won the Atlantic Coast Conference championship, had a 1,000-yard rusher, two quarterbacks who combined for over 3,000 yards in passing, and a wide receiver that caught passes for over 1,000 yards and 17 touchdowns. Our Florida team in 1990 was the only one in the nation to throw for over 3,000 yards, have three receivers who caught at least 35 passes and two backs who each rushed for at least 600 yards. That is the type of unique balance we are seeking.

I think the one reason most players enjoy this offense is that everyone is involved in it. It's not designed to highlight one running back or one wide receiver. We spread it out to include everyone, and we recognize the importance of the offensive linemen in helping it work."

# FLORIDA'S TRADITION OF OFFENSE

## *Impressive Team and Individual Achievements Abound*

- A Heisman Trophy winner in Steve Spurrier (1966).
- John Reaves became college football's all-time leader in career passing when he completed his career in 1971 with 7,549 yards.
- Thirty-nine players have earned All-American recognition, including 18 who have earned first-team All-America status.
- A Gator player has finished in the top ten of the Heisman Trophy balloting six times since 1965.
- Fourteen Gator offensive players have been selected in the first round of the NFL Draft. Eight of the 14 first-round selections have been runningbacks, including five since 1983. Overall, UF has had eight offensive players selected in the first round of the NFL Draft since 1983.
- Over 60 UF offensive players have played in the NFL.
- Gator players have been selected "SEC Player of the Year" in a vote by the league coaches in three of the last seven years, including each of the last two (Emmitt Smith in 1989 and Shane Matthews in 1990). Five UF players have earned that distinction since 1966.
- In 1990 Florida was the only team in the nation to throw for over 3,000 yards, have three receivers with at least 35 catches each and two runningbacks who each rushed for at least 600 yards.
- In 1987 Emmitt Smith rushed for his 1,000th yards in the seventh game of the season, the quickest a freshman runningback had reached that plateau in collegiate history.
- In the 1986 NFL Draft John L. Williams (Seattle) and Neal Anderson (Chicago) were both drafted in the first-round. That marked the first time since 1971 that two runningbacks from the same collegiate team were selected in the opening round of the annual NFL Draft.
- Sixty players have earned first-team All-SEC status.
- Three Gator QBs (Steve Spurrier in 1966, John Reaves in 1971 and Kerwin Bell in 1987) completed their respective careers as the SEC's all-time leading passer.
- Three of the SEC's four all-time leading passers played at Florida.
- Three of the top four seasonal passing yardage totals in SEC history have been accomplished by UF players.
- Three of the four longest passing plays and two of the top four rushing plays in SEC history have involved Florida players.
- Florida's 68.8% passing percentage in 1982 established a new collegiate record for best completion percentage in a season.
- Carlos Alvarez's 1329 yards in the 1969 season and 237 yards vs. Miami in 1969 still rank as the best seasonal and game receiving totals in SEC history. Alvarez shattered the SEC record with 88 catches in 1969.
- Florida set an SEC record for the most first downs in a season with 273 in 1990.

***Florida's offense in 1990 was the most productive in school history for points (387), total offense (4,978 yards), passing yards (3,197) and total TDs (49). Florida's 4,978 yards was the second highest seasonal total in SEC history. Florida averaged 290.6 yards per game passing, the third best seasonal figure in SEC history, and it scored 30 or more points in 8 of 11 games.***

# DWAYNE DIXON

## WIDE RECEIVERS COACH

**COACHING CAREER AT FLORIDA** — Dixon is entering his second year on the Gator staff. He was appointed to the UF staff by Head Coach Steve Spurrier in January of 1990. In his first year with the Gator offense he assisted in putting together a unit that established 14 single-season school records for offense. Florida broke school records for most passing yards (3,197) and passing TDs (25) to headline the offensive records broken. Florida ranked first in the SEC and tenth in the nation in total offense (452.6 ypg) and first in the SEC and ninth in the nation in passing (290.6 ypg). Florida's total offensive yardage of 4,978 yards and 3,197 passing yards ranked as the second top seasonal figures in SEC history. WR Ernie Mills led the SEC in TD receptions with 10, the fourth top seasonal total in league history. Mills' 10 TD catches were the most for a senior wide receiver in school history. Mills was a consensus first-team All-SEC choice who also participated in the Blue-Gray post-season all-star game. He was a third round selection in the 1991 Draft by Pittsburgh.

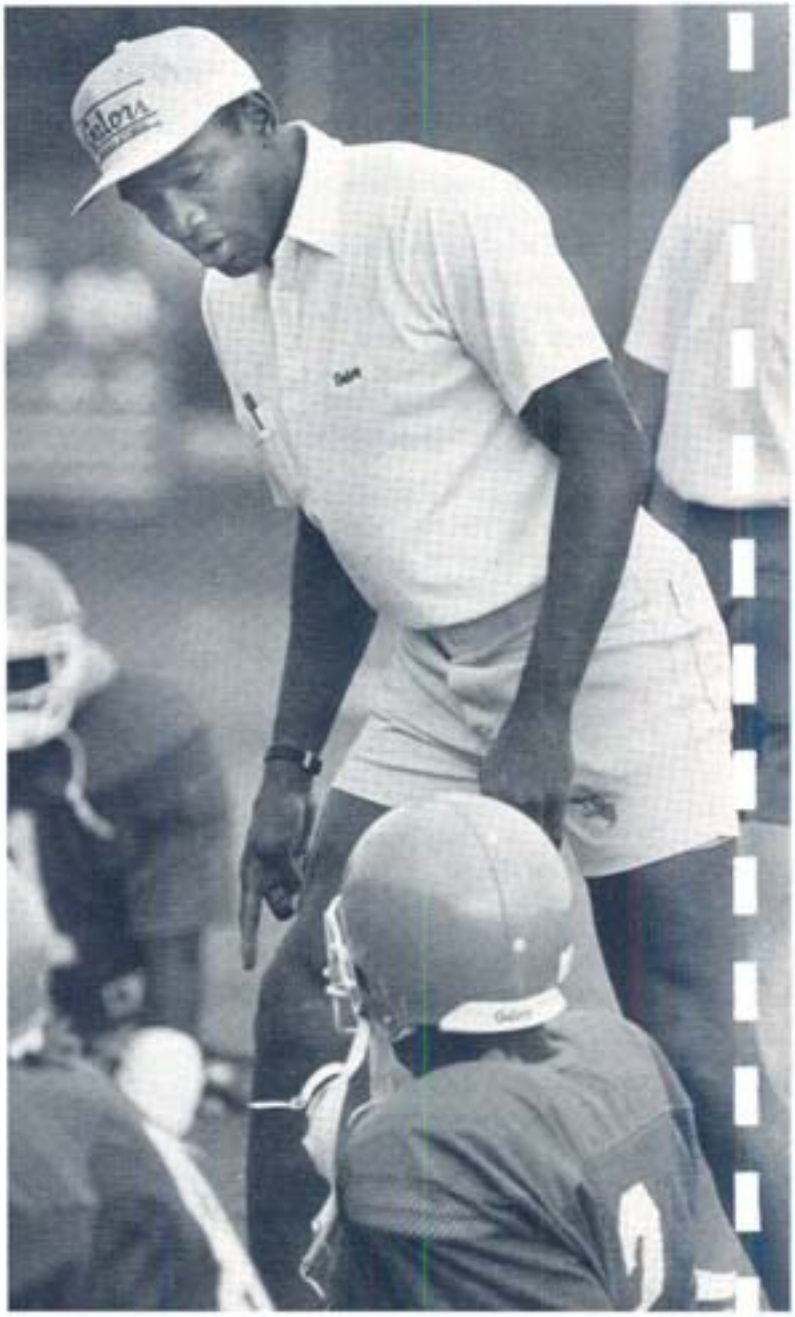

**COACHING CAREER PRIOR TO FLORIDA** — Dixon joined the Florida staff in January of 1990 from the University of Florida Office of Student Life where he had served as an administrative assistant.

**PLAYING CAREER** — University of Florida (1980-83); Tampa Bay Bucs of the NFL (1984-85,87); Washington Commandos (Arena Football) in 1987; Detroit Drive (Arena Football) in 1988-89. Dixon lettered as a Florida wide receiver for four years (1980-83). He earned first-team All-SEC and honorable mention All-America honors in 1983. He completed his career with 124 catches, the third highest total in school history. He was named the MVP in 1983 Bluebonnet Bowl after catching 8 passes for 106 yards and 3 TDs. He played for the Tampa Bay Bucs for three years (1984-85,87) before embarking on a highly successful career in the newly formed Arena Football League. He was the league's leading receiver and scorer as a member of the Washington franchise in 1987 and accomplished the same feat in 1988 as a member of the Detroit Drive. He was named the league's "Iron Man" award winner after the 1988 season. He was a key figure on Detroit teams that won the league championships in both 1988 and 1989.

**BOWL GAMES** — As a player: 1980 Tangerine, 1981 Peach, 1982 Bluebonnet, 1983 Gator.

# CARL FRANKS

## RECRUITING COORDINATOR AND RUNNINGBACKS COACH

**COACHING CAREER AT FLORIDA** — Franks is in his second year on the Gator staff. He was appointed coach of the runningbacks in January of 1990. In February of 1991 he also took on additional duties as Florida's recruiting coordinator. In his first year at Florida in 1990, freshman Errict Rhett and junior Willie McClendon rushed for 845 and 641 yards respectively. Florida was the only school in the SEC to have two runningbacks who rushed for at least 600 yards during the 1990 season. Rhett was named to the second-team on the Football News Freshman All-America Team and to the SEC All-Freshman Team. Franks played a key role in coaching an offense that set 14 single-season UF offensive records. Topping the list of offensive achievements were most yards in total offense (4,978) and most points (387). Florida's 4,978 yards in total offense, an average of 452.6 (10th best in the nation), was the second best single-season total in SEC history.

**COACHING CAREER PRIOR TO FLORIDA** — Garner Sr. H.S., Garner N.C., 1984; Virginia Military Institute (tight ends coach and wide receivers coach), 1985; Tampa Bay Bandits (USFL) (running backs coach), 1985; Duke (running backs coach), 1987-89. In 1989, RB Randy Cuthbert became the first Duke player in 17 years to rush for 1,000 yards.

**PLAYING CAREER** — Lettered for Duke from 1980-82 as a running back and tight end. In 1980 he was named Duke's Outstanding Sophomore Player. He was an Academic All-ACC selection in 1982. In 1983 he joined the Tampa Bay Bandits of the USFL where he played runningback and tight-end for Head Coach Steve Spurrier.

**BOWL GAMES** — As a coach: 1989 All-American

**EDUCATION** — Garner High School, Garner, N.C. '78; Duke (psychology) '82.

**PERSONAL DATA** — Born December 1, 1960. Married to the former Deborah Lore. They have one daughter — Brittany, who is 2.

*"Coaching is an extremely rewarding experience. The opportunities it presents to work with young men, have an effect on young peoples lives and watch them grow on and off the field is a tremendous opportunity and experience. The opportunity to instill positive values on and off the field to young men is a responsibility that I and each coach on this staff take very seriously. At the University of Florida we work hard to create a fun family atmosphere that lets each player know he will always be a member of our family long after he graduates."*

# RICH McGEORGE

## OFFENSIVE LINE COACH

**COACHING CAREER AT FLORIDA** — This is McGeorge's second year with the Gator staff. He was appointed coach of the offensive line by Head Coach Steve Spurrier in January of 1990. In his first year at Florida he helped put together one of the most productive offensive units in school history. Florida avaraged 452.6 ypg and scored 387 points, both school single-season records. Overall, UF established 14 school single-season records in 1990. Florida ranked tenth overall in the nation in total offense in 1990. Florida was the only school in the nation to throw for over 3,000 yards, have three receivers register 35 or more catches and two runningbacks rush for at least 600 yards. The Gators also set a SEC record for most first downs in a season with 273. Two of McGeorge's players, guard Chris Bromley and center Cal Dixon, earned first-team All-SEC honors in 1990.

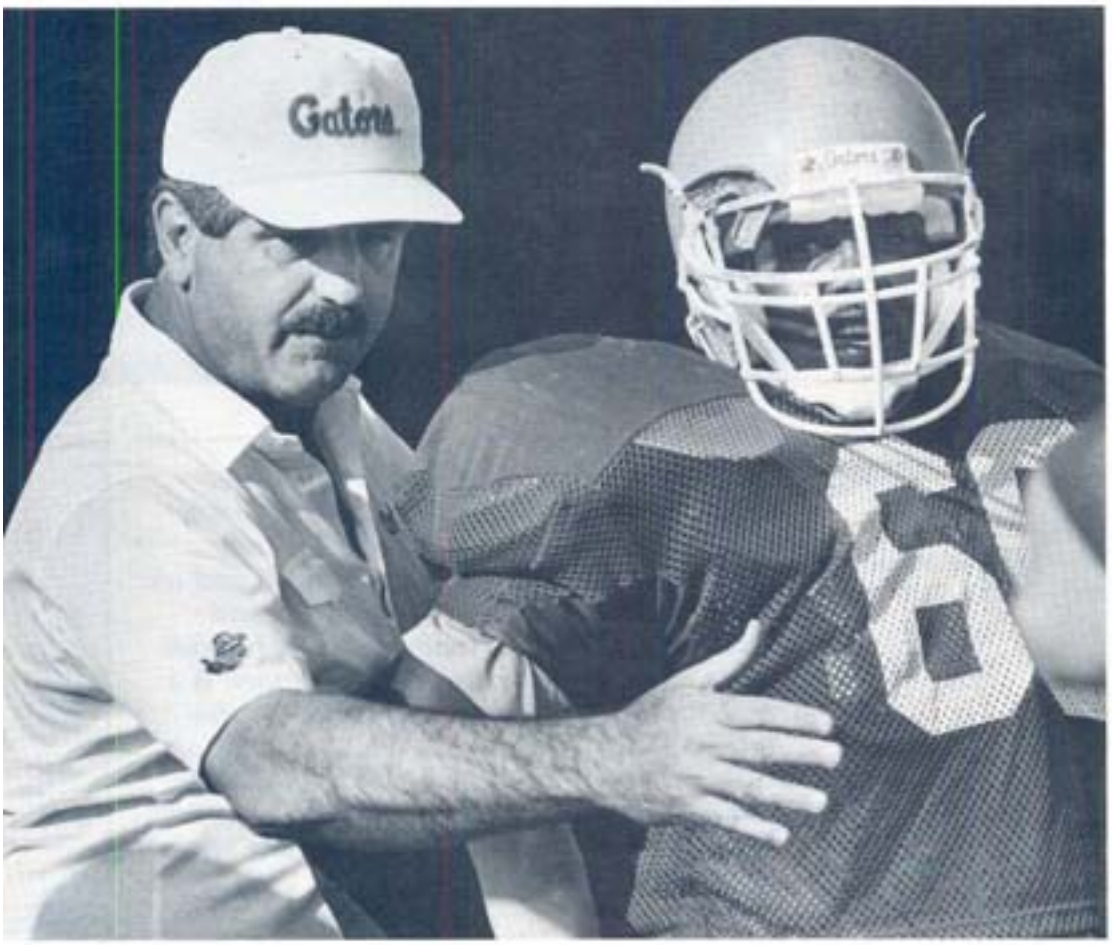

**COACHING CAREER PRIOR TO FLORIDA** — Duke, 1981-82 (tight ends coach); Birmingham Stallions (USFL), 1983-84 (tight ends and wide receivers coach); Tampa Bay Bandits (USFL), 1985 (offensive line coach); Duke, 1987-89 (offensive line). He coached Carl Franks, now the runningbacks coach at Florida, during his first tour of duty at Duke in 1981-82. Tackle Chris Port earned All-America honors under his guidance at Duke in 1989. The 1989 Duke offense was the first in ACC history to average over 500 yards a game in total offense.

**PLAYING CAREER** — Elon College, Elon College, N.C., 1966-69; Green Bay Packers (NFL), 1970-79. He was a two-time Small College All-America selection, and played in the 1969 North-South Shrine Game. A first round draft choice by the NFL's Green Bay Packers in 1970 out of Elon College, McGeorge caught 175 career passes in nine pro seasons. He was the Packers' 1973 Offensive Player of the Year. # JOHN REAVES

## TIGHT ENDS COACH

**COACHING CAREER AT FLORIDA** — Reaves enters his second year as a member of the Florida staff. He was appointed coach of the tight ends by Head Coach Steve Spurrier in February of 1990. In his first season in 1990 he played an important part in assisting with a Florida offense that set 14 single-season school records, including most points (387), most yards of total offense (4,978) and most passing yards (3,197). Florida ranked tenth in the nation in total offense and its total offense per game (452.6) and passing yards per game (290.6) ranked as the third best in SEC history. Tight-end Kirk Kirkpatrick led the SEC in receptions in 1990 with 55, a figure that set a new UF record for most receptions by a TE in a season. Kirkpatrick, a consensus first-team All-SEC selection, was named a second team All-America by AP and Football News. He ranked fourth all-time in single-season catches with his 55, a total that was the best for a Gator receiver since 1969. He was selected to play in the Blue-Gray and Senior Bowl all-star games.

**COACHING CAREER PRIOR TO FLORIDA** — Director of annual John Reaves Football Camp.

**PLAYING CAREER** — Robinson High School, (Tampa), QB, 1964-68; University of Florida, QB, 1969-71; Philadelphia Eagles (NFL), 1972-74; Cincinnati Bengals (NFL), 1975-78; Minnesota Vikings (NFL), 1979; Houston Oilers (NFL), 1981; Tampa Bay Bandits (USFL), 1982-85; Orlando Renegades (USFL), 1986; Tampa Bay Buccaneers (NFL), 1987. As a player, Reaves was one of the greatest passers in college football history. By the end of his UF career in 1971, Reaves had thrown for 7549 yards, an NCAA record. He set 20 Southeastern Conference records, many of which are still standing. As a member of the "Super Sophs" in 1969, Reaves threw for 342 yards in Florida's opening game upset of top-ranked Houston. In 1971 he received the Sammy Baugh Award as the nation's top collegiate passer. He played in the Senior Bowl and East-West Shrine Game. In 1972 he was drafted by the Philadelphia Eagles in the first round, the 14th pick overall. He was named to the NFL All-Rookie Team and was one of five finalists for the NFL Rookie of the Year award. After leaving Philadelphia he played with the Cincinnati Bengals and Houston Oilers. From 1982-85 he played under Steve Spurrier with the Tampa Bay Bandits of the USFL. There he became 1 of 4 quarterbacks in pro football history to throw for over 4,000 yards in consecutive seasons. He has been inducted into the University of Florida Hall of Fame.

**BOWL, ALL-STAR GAME, PLAYOFFS PARTICIPATION** — Quarterbacked Florida in 1969 Gator Bowl, Senior Bowl and East-West Shrine Game in 1972. 1975 NFL playoffs with Cincinnati Bengals. 1984-85 USFL playoffs with Tampa Bay.

# GATOR DEFENSE

## *Florida has Earned a Reputation for Having One of the Stingiest Defenses in All of College Football*

"Florida started the 1990's right where it left off in the 1980's with a top notch, highly ranked defensive squad. Coach Spurrier has put together an excellent staff to carry on this tradition. All of our coaches are good teachers and communicate well with the student-athlete. Our defensive scheme consists of four down linemen (two ends and two tackles), two inside linebackers (M and S), two outside backers (Gatorback and W) who function as a combination outside linebacker and strong-safety, and three defensive backs (two corners and a free-safety). We are an attacking defense, hard hitting, and hopefully one that causes numerous turnovers. We have the ability to give multiple looks in our defensive front if needed. Our pass coverage emphasizes both zone and man-to-man. We want to be a defense that stuffs the run and then also shuts down the pass game when opponents feel that is the best way to move the football on us.

In recruiting, we look for a young man who has defensive temperament, discipline, good work habits, and a desire to excel. With quality players and quality coaching we will continue to carry on the proud tradition of the Gators' defensive unit."

— RON ZOOK
Defensive Coordinator

*Florida unquestionably has been the SEC's top defense in recent years. Five times in the last ten years the Gators have led the SEC in total defense. No other league school has led the conference in that statistic more than twice during the same time frame.*

# FLORIDA'S TRADITION OF DEFENSE

## *Five Times in the Last Six Seasons the Gators Have Ranked Among the Nation's Top Ten Teams in Total Defense*

- Thirty-five players have earned All-America status, including 17 who have achieved first-team All-America recognition.
- OLB Wilber Marshall was selected "National Defensive Player of the Year" in 1983.
- Eight Gator defenders have been selected in the first-round of the NFL Draft, five alone since 1983.
- Over 50 UF defensive players have played in the NFL.
- Forty-seven players have earned first-team All-SEC recognition.
- Five times in the last six seasons (1985,87,88,89,90) Florida has ranked among the nation's top ten teams in total defense.
- Four times (1984,85,87,89) in the last seven years Florida has led the SEC in total defense.
- Florida has ranked among the nation's top five teams in total defense in each of the last three seasons (1988,89,90).
- Five times (1981,84,85,87,89) in the last 10 years Florida has led the tough SEC in total defense. No other school in the SEC has led the league in total defense during that ten year stretch more than twice.
- Nine times in the last eleven years Florida has ranked among the top three teams in the SEC in total defense, an achievement no other school in the league can boast.
- Over the eight year stretch from 1983-90 Florida was the only team in the SEC to rank in the top three in total defense in each of those eight seasons.
- Florida ranked among the nation's top five-teams in rushing defense in each of the past two seasons and among the nation's top twelve teams in scoring defense in each of the last two years.

*Florida's defense has ranked among the nation's top five in each of the last three seasons. The Gator defense finished the 1988 season ranked third in the nation as did the 1989 contingent. Last year's defense completed the season ranked fifth in the nation yielding an average of just 257.6 yards per game.*

# JERRY ANDERSON

## ASSISTANT HEAD COACH AND DEFENSIVE TACKLES COACH

**COACHING CAREER AT FLORIDA** — 1991 will be Anderson's seventh year as a member of the Gator coaching staff. He joined the Florida staff in 1985 and coached the tight-ends and special teams from 1985-89. In January of 1990 he was appointed coach of the defensive tackles by Steve Spurrier. In April of 1991 he was promoted to Assistant Head Coach by Steve Spurrier. In 1990 his tackles played a big role on a Gator defense that ranked fifth in the nation against the rush. Florida yielded just 85.5 rushing yards per game, the lowest average in school history. UF held three SEC teams to less than 20 yards rushing for the game (Auburn –14 yards, Miss. State 19, Kentucky 19). Junior defensive tackle Brad Culpepper earned second-team All-SEC honors. 1991 will mark Anderson's 23rd season of coaching, 14th on the collegiate level.

**COACHING CAREER PRIOR TO FLORIDA** — Florida (freshman coach), 1968-69; North Miami High School (defensive coordinator & assistant head coach), 1971-73; Miami Carol City High School (head coach) 1973-77 (his 1975 team was the state 4A runner up while the 1976 squad went 14-0, won the state title, and was the second ranked prep team in the nation); Vanderbilt (linebackers coach), 1978; Miami(Fla.) (special teams coach, linebackers coach, and strength coach), 1979-1982; Army (offensive line coach & strength coach), 1979-82; Central Florida (offensive line coach and strength coach), 1983; Central Florida (interim head coach), 1984.

### DIRECTOR OF SPORTS EQUIPMENT

Heading into his 20th season at the University of Florida, Bud Fernandez is officially responsible for ordering issuing and accounting for all Gator football equipment. Unofficially, he is the team historian, remembering names, numbers, stories and facts.

Fernandez, known to the UF football faculty as "Uncle Bud", came to Florida in 1971 after a 26-year military career from which he retired as a command sergeant major. During his distinguished career in the armed forces he studied through the University of Maryland, University of Wisconsin and the Armed Forces Institute.

Fernandez, a Pensacola, Fla., native is married to the former Billie Matthews of Little Rock, Ark.

### SERIES AND GAME NOTES

This will be the first time that Florida and San Jose State have met on the football field. The last time that Florida met a team from the west coast during the regular season was in 1987 when it hosted Cal State Fullerton. The season opener with San Jose will represent just the fifth time in Florida history that a team from the west coast has visited Gainesville. Previous visits by west coast teams to Gainesville: 1932 – a 12-2 win over UCLA, 1974 – a 21-17 win over Cal, 1982 – a 17-9 win over USC, 1987 – a 65-0 win over Cal State Fullerton. Florida is 4-0 at Florida Field vs. teams from the west coast. This game will mark just the third time in school history that Florida has opened the season vs. an opponent from the west coast. In 1971 the Gators defeated Cal, 21-17, in Gainesville and in 1980 Florida posted a 41-13 win over Cal in a game played at Tampa. Overall this game with San Jose State will represent just the 14th time that Florida has met a team from the west coast during its football history. Florida is 9-4 vs. teams from the west coast during its football history. The Gators, however, are 0-2 vs. teams from the west coast in their last two appearances – 20-16 loss to UCLA in the 1987 Aloha Bowl and 34-7 loss to Washington in the 1989 Freedom Bowl.

This game represents one of six teams that Florida plays in 1991 that appeared in a 1990 bowl game (San Jose State, Syracuse, Alabama, Tennessee, Auburn, Florida State). This game will also represent the first game played in the newly expanded 83,000 Ben Hill Griffin Stadium at Florida Field.

This game kicks off Florida's 85th football season. The Gators are 60-24 in their previous 84 season openers. Florida is 15-1-3 in home openers in the last 19 years. Florida's only setback in a home opener in the last 19 years was a 24-19 defeat to Ole Miss in 1989.

## SERIES & GAME NOTES

Florida and Alabama will be meeting for the 24th time when the two SEC foes square off. Alabama leads the all-time series standings with a 16-7 record. Alabama records show the Tide with a 17-7 series record due to a 29-0 Tide win in 1904. Florida, however, designates 1906 as its first season of intercollegiate play. Prior to 1906, Florida considered football a club sport activity.

Despite the fact that Florida and Alabama are both charter members of the SEC, the two schools have met only 23 total times with eight of those meetings taking place from 1916-31 before the SEC was formed and began play in 1933. Florida and Alabama have met only 15 total times since the SEC began play in 1933 with the Crimson Tide showing an 11-4 edge in those contests.

After posting a stunning 10-6 win at Tuscaloosa in 1963 (one of only two defeats that Paul "Bear" Bryant would ever suffer in Tuscaloosa in compiling a 72-2 record at the campus stadium), Florida lost eight straight games to the Crimson Tide until posting another upset, a 23-14 win in Birmingham in 1987, as freshman Emmitt Smith ran for a then-school record 224 yards. With Florida's 17-13 win last year the Gators have now won the last two games between the two schools.

The two schools have met just six times in Gainesville with Alabama posting wins in all six games. The two teams have met in Tuscaloosa nine times with the Crimson Tide showing a 5-4 record. Other games have taken place in Birmingham (Florida holds a 2-1 edge), Jacksonville, Fla., (Alabama won both games), and Montgomery (Alabama won two of three games).

### SERIES & GAME NOTES

This is just the third time that Florida and Syracuse have met on the football field. Syracuse defeated Florida 33-12 in Syracuse in 1931 while the Gators posted a 16-0 win in Gainesville in 1984.

This game is not only unique in that it brings these two schools together for just the third time but the game will also represent just the third time since 1942 that a Gator football team has played in the northeast. In 1942 Florida met Villanova in Philadelphia. The Gators then did not make another trip into the nation's northeast until 1986 when it met Rugers at the Meadowlands Stadium in New Jersey. Overall, this game will mark just the 11th time since Florida began playing football in 1906 that it has played in the northeast. Florida is 2-8 in its ten previous games played in the northeast.

The game vs. Syracuse marks the first time since the 1982 season that Florida has played a game inside a dome. That season the Gators defeated Tulane in the New Orleans Superdome, 21-14, and then closed the season with a 28-24 loss to Arkansas in the Bluebonnet Bowl which was played in the Houston Astrodome. Overall the contest vs. Syracuse in the Carrier Dome marks just the fourth time that the Gators have played a football game indoors. In addition to the two games mentioned above in the 1982 season, Florida also played the Astrodome vs. Houston in 1979 season opener, a game Florida lost 14-10.

Syracuse is one of six teams that played in a 1990 bowl game that appears on Florida's 1991 schedule.

### SERIES & GAME NOTES

Florida and Mississippi State will square-off for the 46th time when the two SEC schools battle. Florida leads the all-time series standings with a 28-15-2 record. The two schools first met on the field in 1923 and have met annually since the 1962 season. Florida won 8 of 10 contests during the decade of the 1980's and shows a 22-6-1 record in the series standings since the two schools have met on an annual basis starting with the 1962 season. The Gators have won each of the last four meetings.

This game was originally scheduled for Starkville but Florida Citrus Sports negotiated with Mississippi State to move the game to Orlando for the second annual Texaco Star Classic. Florida last played in Orlando to close out the 1980 season with a 35-20 win over Maryland in the Tangerine Bowl. Florida last played a regular season game in Orlando in 1978 when it lost a 35-25 game to SMU in the season opener. Overall, Florida has played six games in Orlando in its history and has posted a 5-1 record.

Gainesville has been site for 24 games in this series with the Gators showing a 16-7-1 record in those contests. Mississippi State has lost thirteen straight games at Florida Field in Gainesville. The Bulldogs haven't won at Florida Field since 1965 when they posted an 18-13 victory. Six series games have been held in Starkville with each school showing three wins. Ten series games have been held in Jackson, MS with Florida holding a slight 6-4 series edge in those games.

One of the highest scoring games in SEC history took place between Florida and Mississippi State in 1969. In a contest played in Jackson, Miss., the Gators outscored the Bulldogs 47-35.

### SERIES & GAME NOTES

Florida and LSU will square-off for the 38th time. LSU holds an overall 18-16-3 edge in the all-time series standings. The two SEC foes have played annually since 1971 with the series standing at 9-9-2 over that 20 year time period.

LSU holds an 8-7-3 record in the 18 series games that have been played in Gainesville. LSU holds a 10-9 edge in the 19 series games that have taken place in Baton Rouge.

During the decade of the 1980's, the home team managed to post a win just twice (1987, 1988). Until LSU won at Baton Rouge in 1987 (13-10) and the Gators pulled off a 19-6 upset win at Florida Field in 1988, the recent series had been dominated by the visiting team. LSU has posted a 4-2-1 mark in its last seven visits to Florida Field. Florida is 4-1 in its last five trips to Baton Rouge. Overall, the visiting team has posted a 7-3-1 record in this series since 1980.

Since the start of the 1981 season, the Gators have compiled a sparkling 49-9-2 record at Florida Field. LSU is responsible for two of those rare Gator home losses (1982, 1986) and one of the two ties (1984).

As UF's QB (1964-66) Steve Spurrier led the Gators to three wins over LSU. He posted a 34-8 win in his first head coaching appearance vs. LSU last year.

Florida Athletic Director Bill Arnsparger was the head coach at LSU from 1984-86. He made his collegiate coaching debut at Florida Field in 1984 where he posted a 21-21 tie with the Gators. In 1985 at LSU, Florida defeated the Tigers, 20-0, the only setback Arnsparger and the Tigers would suffer that season. In 1986 at Florida Field, Arnsparger's squad posted a 28-17 victory over the Gators. He then joined the Florida Athletic Department in January 1987.

## SERIES & GAME NOTES

Tennessee leads the all-time series standings between the two SEC schools with a record of 14-6. Florida, however, has won four of the last five meetings.

Florida and Tennessee have met 19 times in the regular season (UT holds a 14-5 series edge) as well as one post-season contest, the 1969 Gator Bowl, with Florida edging the Vols, 14-13. Florida TE coach John Reaves was the Gator signal-caller in the bowl victory that day in Jacksonville.

Florida is 3-9 in the 12 series games that have been played in Knoxville and 2-4 in the six games that have taken place in Gainesville. The two schools' first contest was in 1916 in Gainesville. After that initial contest, the two SEC schools did not meet in Gainesville again until 1953.

Florida and Tennessee are both charter members of the SEC, but they have met only 14 times in regular season play since the conference began play in football in 1933. The two teams met five times from 1916-32 before the SEC began official play in 1933 and have also met one time in post-season competition (1969 Gator Bowl).

Since the SEC began play in 1933, the Vols have held an 9-5 series edge in regular season play.

Tennessee's Johnny Majors is 1-3 in previous meetings with Florida while Steve Spurrier is 1-2 vs. the Vols with two contests coming while he was head coach at Duke (a 31-26 win in 1988 and a 28-6 setback in 1989). Spurrier never played against Tennessee while he quarterbacked the Gators from 1964-66.

Florida and Tennessee have some joint ties. Tennessee Athletic Director Doug Dickey is a Florida graduate who coached the Gators from 1970-78. Florida defensive coordinator Ron Zook coached at Tennessee from 1984-86. Steve Spurrier arrived on the Florida campus in 1963 from Johnson City, Tenn., where he was an all-state standout in several sports. Bob Woodruff, who served as Florida head coach from 1950-59, was Athletics Director at Tennessee from 1963-85. Ray Graves, who served as Florida head coach from 1960-69 and as Florida AD from 1969-79, is a Tennessee graduate. Tennessee defensive line coach Rex Norris coached in that capacity at UF from 1988-89.

### SERIES & GAME NOTES

This is the first time that Florida and Northern Illinois have met on the football field. Northern Illinois is now an independent after being a member of the Mid American Conference from 1975-85. This contest represents just the seventh time in school history that Florida has met a team from the state of Illinois. The Gators have previously met the University of Chicago (1926, 30), University of Illinois (1967, 1988) and Northwestern (1965, 66). This game will be the first time since 1967 when the Gators met the University of Illinois that Florida has played a team from the state of Illinois during the regular season. The 1988 meeting vs. Illinois came in the All-American Bowl in Birmingham.

The contest vs. Northern Illinois will represent the 68th annual Homecoming game. Florida is 46-20-1 in its 67 previous Homecoming affairs. The Gators are 15-2 in their last 17 Homecoming games and 10-1 in their last eleven.

### SERIES & GAME NOTES

This is one of the oldest and most competitive series in the SEC. Florida and Auburn have met 67 previous times with the Tigers holding a 37-28-2 edge in the standings. The 67 meetings with Auburn ranks as the second most vs. an opponent in UF history. Only the 68 meetings with Georgia ranks ahead of Auburn in this category in the Gator record book.

Florida and Auburn first met on the football field in 1912 and have met every season since 1945. The two teams have met at eight different sites (Gainesville, Auburn, Montgomery, Mobile, Columbus, Ga., Jacksonville, Tampa, Miami) over the years. Since 1959, however, this game has alternated between Auburn and Gainesville.

The home field has been important in this series. The Gators hold a 18-6 edge in games played at Florida Field while the Tigers show a 22-4-1 winning mark in games played at Auburn. When Auburn defeated the Gators 16-0 in 1988, it marked the first time since 1972 that the Tigers posted a win at Florida Field. Auburn is 1-8 in its last nine appearance at Florida Field. Florida is 1-6 in its last seven trips to Auburn.

As pointed out above, Florida has managed just a 4-22-1 record in games played at Auburn. One of Florida's all-time most memorable wins, however, came at Jordan-Hare Stadium in 1985. A 14-10 win, only the fourth ever for a UF team at Auburn, vaulted the Gators to their first-ever number-one ranking in a wire service poll.

Auburn's Pat Dye is 5-5 in ten prior contests with Florida. Steve Spurrier is 1-0 vs. Auburn as a coach. As a player, Spurrier was 2-1 vs. the Tigers as Florida's starting QB and his game-winning field goal vs. Auburn in 30-27 win in 1966 played a significant role in swaying Heisman Trophy voters, an award he eventually won that season as he outdistanced Purdue's Bob Greise in the voting.

Seven of the past 12 games in this series have been decided by seven or fewer points.

### SERIES & GAME NOTES

This is one of the nation's premier games and rivalries. The two schools have met 68 previous times with Georgia holding a 43-23-2 lead in the series. Florida has met Georgia more times (68) than any other opponent in its football history.

The two schools first met in 1915. They have met every season since 1930 with the exception of the 1943 season when Florida did not field a team. This contest has been played in Jacksonville every year since 1933 with the exception of 1943.

Since 1961 (30 games), this annual contest has been decided by seven or fewer points 16 times. Georgia has dominated the series in recent years winning 14 of the past 19 contests.

Florida's best sustained streak of success vs. Georgia is a four-game winning streak which it achieved twice (1955-58, 1960-63). Georgia's top winning streak in the series is seven games (1941-42 and 44-48).

Georgia's Ray Goff is 1-1 in prior meetings with Florida while Steve Spurrier is 1-0 as head coach vs. Georgia. Florida's 31 point win last year was its largest in the history. Florida will be trying to beat Georgia in back-to-back seasons for the first time since 1962-1963.

## SERIES & GAME NOTES

This game traditionally marks the end of the SEC schedule for Florida. Kentucky has been Florida's final SEC contest of the season every year since 1967 with the the exception of 1972. The two schools first met in 1917 in Lexington and have met 41 total times. Florida holds a 24-17 edge in the all-time series standings.

Florida has dominated play in recent years, winning ten in the past eleven encounters and 20 of the last 25 meetings. Kentucky won 12 of the first 16 meetings between the schools. The two SEC schools have met every year since 1967. Florida holds an 18-5 edge in games played since that season.

Florida has won 14 of 18 games that have taken place in Gainesville. Kentucky shows a 10-8 edge in the 18 games that have taken place in Lexington. Five games have been held at other locations (Jacksonville and Tampa) with the Wildcats posting wins in three of those five games. Since 1967 Kentucky has visited Florida Field 13 times. The Gators have posted eleven wins in those 13 contests. The only times in the last 13 trips to Florida Field that Kentucky has posted a win was 1977 (14-7) and 1979 (31-3). UF has won each of the last five games played in Gainesville.

Steve Spurrier is 1-0 vs. Kentucky. Kentucky's Bill Curry is 0-4 vs. Florida in prior engagements as a head coach. As the Georgia Tech head mentor he dropped a 45-12 decision to Florida in 1980 and then suffered a 27-6 setback to the Gators in 1981. As the Alabama head coach in 1987 the Crimson Tide were upset by Florida in Birmingham, 23-14. Florida posted a 47-15 win over his first UK squad in 1990.

### SERIES & GAME NOTES

The two sunshine state schools first met on the gridiron in 1958 with Florida posting a 21-7 victory. The Gators and Seminoles have met every year since that initial contest with Florida now holding an overall 22-10-1 lead in the series standings.

Florida State's first win in the series came in 1964, 16-7, in what was the first meeting between the two schools in Tallahassee. The first six contests in the series were held in Gainesville. Since 1964, the series has alternated between the two campuses with Florida hosting in odd-numbered years and Florida State in even-numbered years.

Florida shows a 13-5-1 ledger in the 19 series games that have been held at Florida Field and a 9-5 ledger in the 14 series games played in Tallahassee.

Since 1979 this game has been the regular season finale for both universities.

This series has been marked by streaks in recent years. Florida State won four consecutive games from 1977-80, Florida then won six straight from 1981-86, and the Seminoles have now put together wins in the last four contests.

Steve Spurrier is 0-1 against the Seminoles while FSU head mentor Bobby Bowden is 8-7 in 15 previous meetings with the Gators. Bowden has chalked-up eight of the ten total wins that FSU has posted in this series. Spurrier was 2-1 vs. FSU as the Gators QB from 1964-66.

# THE SOUTHEASTERN CONFERENCE

## A Tradition of Excellence Carries into the '90s

Intercollegiate athletics opened the 1990s faced with numerous decisions. Throughout its 57-year history the Southeastern Conference has been at the forefront of the national scene and again provided leadership in this time of transition.

After existing with 10 members since 1966, the SEC welcomed the University of Arkansas on August 1, 1990, and the University of South Carolina on September 25, 1990. Joining Alabama, Auburn, Florida, Georgia, Kentucky, LSU, Mississippi, Mississippi State, Tennessee and Vanderbilt; Arkansas and South Carolina, the first schools added in conference history, officially became the 11th and 12th members of the SEC on July 1, 1991.

SEC schools began athletic competition with one another almost 100 years ago as members of the Southeastern Intercollegiate Athletic Association. Seven institutions attended the SIAA organizational meeting of faculty representatives, called by Dr. William L. Dudley of Vanderbilt, in Atlanta, Ga., December 22, 1984.

Student teams from the schools began meeting in various sports with little pattern to their contests. Baseball was the most popular campus sport, but the American adaptation to the English game rugby, called "football" was drifting down from the East and Midwest. Southerners were quickly attracted to this sport formalized in 1869.

The first football game in the Southwest was played April 9, 1880 on the ground now called Old Stoll Field at the University of Kentucky. Kentucky, then know as Kentucky A&M (now UK) organized a team and in November, 1881, played Transylvania a three-game series (winning 7 1/2 to 1, then losing 1 to 2 and 2 1/2 to 3 3/4). By 1895, nine schools now SEC members were playing football.

Basketball move quickly to the South as Vanderbilt University was playing at the Nashville YMCA in 1893, just two years after Dr. James Naismith originated the game at Springfield (Mass.) College. The Commodores won 9-6 in a game with nine players on each team. Basketball became an intercollegiate sport in 1901 and in 1908 Vanderbilt was meeting Columbia and Yale intersectionally.

Track was organized on a conference level at the 1895 SIAA meeting presided over by president Dudley who served until his death in 1914. The first annual championship meet was held at Vanderbilt on May 15, 1896. By the turn of century, eight of the 13 charter SEC members were participating.

*Commissioner Roy Kramer*

The seven-member SIAA expanded to 19 institutions in 1895 and by 1920 there were 30 members. The larger schools reorganized as the Southern Conference at a meeting in Gainesville, Fla., Dec. 12-13, 1920. Professor S.V. Sanford of Georgia called the meeting and served as the first president.

Despite an original limit of 16, the membership grew to 23 by 1928. At one time or another the SIAA and the SC included most of the Southern colleges from Virginia to Texas.

The 13 members west and south of the Appalachian Mountains reorganized as the Southeastern Conference at the annual SC meeting of Dec. 8-9, 1932, in Knoxville, Tenn. The 10 coast members remained in the Southern Conference. Dr. Frank L. McVey of Kentucky was elected president of the new conference whose charter members were: Alabama, Auburn, Florida, Georgia, Georgia Tech, Kentucky, Louisiana State, Mississippi, Mississippi State, Sewanee, Tennessee, Tulane and Vanderbilt. (Sewanee withdrew Dec. 13, 1940, while Georgia Tech and Tulane followed on June 1, 1964 and June 1, 1966, respectively). McVey held an informal meeting of the school presidents Feb. 16, 1933, in Birmingham, Ala., then the first full meeting in Atlanta, Ga., Feb. 27.

The new SEC discovered both stature and stability by designating voting power to the presidents of the member institutions. They determined the policies of the league and through the years it has been the principal source of strength in the evolution of the league, with particular reference to eligibility regulations and academics.

The first SEC champions were crowned in 1933 in four sports (baseball, basketball, football, and outdoor track). The league's inaugural championship even was a basketball tournament held Feb. 24-28, 1933, in Atlanta, Ga. Records show the first men's team title for cross county was awarded in 1935, while golf and swimming were added in 1937. The league later began hosting championships in tennis (1953) and indoor track (1957).

In 1973-74, the SEC first awarded the Bernie Moore Trophy, symbolic of the league's premier men's athletic program. Points are awarded based on the member institutions' conference finish in all sports.

In the 1979-80 academic year, SEC championships for women were recognized in basketball, tennis and volleyball. The following year golf, gymnastics, swimming and track and field were added. The administration of women's athletics officially came under the auspices of the conference office on Sept. 1, 1984. A women's all-sport champion has been awarded every year since 1983-84.

As the SEC begins its seventh decade of competition in 1991, the conference regulates nine sports for both its men's and women's programs as follows.:

Men – baseball, basketball, football, golf, swimming, tennis and track (cross country, indoor and outdoor).

Women – basketball, golf, gymnastics, swimming, tennis, track (cross country, indoor and outdoor) and volleyball.

SEC commissioners have included Martin S. Conner (1940-46), Bernie H. Moore (1948-66), A.M. "Tonto" Coleman (1966-72), Dr. H. Boyd McWhorter (1972-86), Dr. Harvey W. Schiller (1986-89) and current commissioner Roy F. Kramer.

# 1990 GATOR NOTEBOOK

## *Florida's "Fun and Gun" Offense and Nationally Prominent Defense Keyed a Banner Season*

***Florida's 9-1 record after ten games marked the best start in school history.***

## TEAM ACHIEVEMENTS

■ The 1990 Florida squad became just the fourth team in school history to post nine wins during the regular season. The 1975 (9-2), 1984 (9-1-1), 1985 (9-1-1) and 1990 (9-2) teams are the only four teams in Gator history to post nine wins during the regular season.

■ Florida's 9-2-0 mark in 1990 ranks as the school's all-time second best regular season record. The 1984 and 1985 contingents hold the top spot with 9-1-1 records. The 1990 and 1975 teams stand next with 9-2 ledgers for the regular season.

■ Florida won nine of its first 10 games in 1990, the best record for a Gator squad after 10 games in school history.

■ The 1990 team became just the eighth team in school history to post nine wins in a season, including bowl games. The 1960 (9-2), 1966 (9-2), 1969 (9-1-1), 1975 (9-3), 1983 (9-2-1), 1984 (9-1-1), 1985 (9-1-1) and 1990 (9-2) teams are the only eight squads in school history to post nine wins in a season, including bowl games.

■ Florida's final SEC record of 6-1 in 1990 ranked first in the league. It marked just the third time in school history that the Gators completed the league season first in the conference standings.

■ Florida's final SEC record of 6-1 in 1990 marked the first time in school history that Florida won six conference games in a season.

■ Florida finished the regular season ranked 11th in the nation in the final AP Poll.

■ Florida had nine players earn first team All-SEC honors in 1990, the most first-team All-league honorees in a season in school history.

■ Florida's wins over Auburn and Georgia marked just the sixth time in school history that the Gators beat Auburn and then Georgia on back-to-back weeks in the same year.

■ Florida's 48-7 win over Auburn marked the most points a Gator team has ever scored vs. the Tigers and the 38-7 win over Georgia marked the most points that a Florida team has ever registered vs. the Bulldogs. The margin of victory vs. Auburn of 41 points, and Georgia of 31, were the biggest against those two schools in UF history. The combined 86 points that Florida scored vs. Auburn and Georgia in 1990 were the most ever in a season vs. those two long time rivals in school history.

■ Florida has met Auburn, Georgia and then Kentucky in three successive weeks every season since 1967. The 1990 team joined the 1973 and 1984 squads as the only three teams over the last 24 seasons to post wins over the trio to close out the SEC season.

■ Florida's wins over Alabama (17-13) and Auburn (48-7) marked just the second time in school history, and the first since 1927, that the Gators managed to post wins over both Alabama schools in the same season.

■ Florida averaged 35.2 points per game while surrendering an average of 15.6, an average scoring margin per game of 19.6 — the best in school history.

## OFFENSE NOTES

■ The 1990 Gator offense will go into the record books as the finest in school history after establishing 14 total single-season records. Florida set school records for most points in a season (387), average points per game (35.2), total first downs (273), first downs per game (24.8) total offense (4,978 yards), total offense per game (452.6 ypg), passing yards (3,197), total TDs (49) and total plays (855).

■ Florida's passing attack headlined the record setting 1990 offensive season. Florida broke school records for total passing yards (3,197), total passing TDs (25), attempts (415) and completions (246). UF also broke a school record for most 300-yard passing games in a season (5) and most consecutive 300-yard passing games (3).

■ Steve Spurrier's first Gator offensive unit in 1990 ranked among the finest in the nation. Florida's average of 452.6 yards per game ranked 10th best in the nation while its average of 35.2 points per game was 12th in the country. Florida ranked ninth in the nation in passing offense with an average of 290.6 yards per game.

■ Florida was the only school in the nation to throw for over 3,000 yards, have three receivers who registered at least 35 catches and two running backs who each rushed for over 600 yards in the season.

■ Florida's 1990 offense also left its mark on the SEC single season record book. It set a league record for most first downs in a season (273), finished second all-time in total offensive yardage for a season (4,978), second in total passing yards (3,197), third in passing TDs (25), third in average total offense per game (452.6), third in average passing yards per game (290.6), fifth in total points (387), seventh in points per game average (35.2) and sixth in completion percentage (59.3).

■ As mentioned above, Florida led the SEC in total offense (452.6 ypg) and passing offense (290.6 ypg). 1990 marked the seventh time in school history that Florida led the SEC in total offense, the first time since 1976, and also the seventh time that the Gators led the league in passing offense.

■ Balance was a key to UF's offense in 1990. The Spurrier offense ran 855 total plays with 415 passes (48.5%) and 440 rushes (51.5%). The offensive balance was further evident by the fact that UF had 19 rushing TDs and 25 passing TDs in 1990.

■ Another stat which demonstrated the balance that Steve Spurrier's offense achieved in 1990 was that Florida had 118 first downs rushing the ball and 142 first downs passing.

■ Florida averaged 35.2 points per game, best in school history. It scored 222 points in its last five games (59 vs. Akron, 48 vs. Auburn, 38 vs. Georgia, 47 vs. Kentucky and

30 vs. Florida State), an average of 44.4 points per game.

■ As noted above, Florida completed the 1990 season on a scoring binge. The last five games of the season marked the first time in school history that the Gators scored 30 or more points in five consecutive games. The 133 points scored vs. Auburn, Georgia and then Kentucky marked the most points that a Florida team has ever scored in three successive games vs. SEC opponents in school history. The 48 points vs. Auburn and 38 vs. Georgia marked the most points that a UF team has ever scored against those two long-time rivals.

■ Another indication of how impressive the Florida offense was over the final month of the season was the fact that it scored in 19 of the last 20 quarters of action. Even more impressive was the fact that it scored at least one TD in 17 of the last 20 quarters.

■ During the 1990 season, Florida's offense was inside the opponent 10-yard line 36 times. It scored 32 times (28 TDs and 4 FG). UF was inside the 20-yard line 56 times and scored 46 times on 37 TDs and 9 FGs.

■ In averaging 35.2 ppg, Florida outscored opponents 124-31 in the second quarter and 85-33 in the fourth quarter. Florida outscored its opponents 210-83 in the first half. In the 48-7 win over Auburn, Florida scored 34 points in the first half, the most vs. a conference opponent since 31 vs. Kentucky in 1969 and just the fifth time since the start of the 1969 season that UF scored 30 or more points in the first half. UF then also scored 31 points vs. Kentucky in the first half.

■ Florida's passing attack registered four of the top ten all-time single game passing totals in school history during 1990. A 394 yard passing effort vs. Oklahoma State ranked as the third best all-time in school history, a 373 yard passing day vs. Mississippi State fifth, the 359 vs. Georgia ninth and the 351 vs. Florida State 10th.

■ Florida threw for 25 TDs on the season, best in school history. During the combined 1988 and 1989 season it threw for 13 total TDs ('88 — 3 TDs; '89 — 10 TDs).

■ 1990 showed what a difference a year can make. Florida threw for 1,628 yards in 11 games in 1989. In 1990, the Gator offense threw for 3,197, the top single season total in school history.

■ Florida's passing attack resulted in Kirk Kirkpatrick, a tight-end, leading the SEC in receptions with 55. Furthermore, Kirkpatrick (55) and WR Ernie Mills (41) gave Florida the only school in the SEC with two players with 40 or more catches in the same season. Florida was also the only school in the SEC with three receivers who had 35 or more catches on the season.

■ Florida's passing attack got a good deal of headlines in 1990 but final SEC statistics also showed that the Gators were the only team in the league to have two runners (Errict Rhett — 845 yards and Willie McClendon — 631 yards) to rank among the eight top rushers in the league and the only school in the league who had two runners who rushed for at least 600 yards on the season.

■ Spurrier's offense registered a 595-yard total offense game (Akron) and two 567-yard total offense games (vs. Oklahoma State and Mississippi State). The total vs. Akron ranked as the third best in school history while the efforts vs. Oklahoma State and Mississippi State ranked 10th.

■ The Gator offense accumulated 450-plus yards in total offense in eight of 11 games in 1990, including 525 vs. Akron, a 455-yard effort vs. Auburn, 470 vs. Georgia, 537 vs. Kentucky (5th best vs. a SEC foe in school history) and 484 vs. Florida State in its final five games of the year — an average of 508.2 yards per game.

■ The Florida passing attack threw for over 265 yards in eight games in 1990. In 1989, the Gator offense did not throw for 265 yards or more in a game the entire season.

■ Florida threw 37 or more passes in eight games in 1990. In 1989, UF never threw that many passes in a game the entire season.

■ TE Kirk Kirkpatrick had 55 catches in 1990 while WR Ernie Mills had 41 receptions. 1990 marked just the second time in school history that Florida had two players with 40 or more receptions in the same season and the first time since 1970.

■ One of the characteristics of the 1990 Spurrier passing attack was that the ball got distributed. In wins over Oklahoma State, Auburn and Georgia, 10 Gators players were credited with pass receptions, 11 Gators had receptions vs. Furman and nine vs. Mississippi State and Kentucky.

■ Florida's 33 first downs vs. Akron broke a school single-game record. Florida's 94 offensive plays vs. Mississippi State set a team record for most offensive plays in a game.

■ As mentioned earlier, UF established a school and SEC record for most first downs in a season with 273. UF registered 24 or more first downs in a game eight times in 1990.

■ Florida registered 148 first downs in the last five games in 1990, an average of 29.6 per game.

■ Florida was 62 of 144 (43.0%) on third down conversions.

■ Florida's offense averaged 2.8 turnovers per game (31 in 11 games — 15 fumbles lost, 16 ints.) UF averaged just 2.0 turnovers per game in the last five games (10 turnovers).

■ Florida has won 45 of its last 50 regular season games in which a Gator running back has gained 100 or more yards. Florida was 5-0 in that category in 1990.

*QB Shane Matthews, the "SEC Player of the Year", engineered an offense that set 14 new school records.*

## DEFENSE NOTES

■ Florida yielded 2,834 total yards (1,718 yards passing, 1,116 yards rushing) in the 1990 season, an average of 257.6 yards per game, the second-best average in the SEC and the fifth best in the nation. 1990 marked the third consecutive year Florida ranked among the nation's top five teams in total defense.

■ Florida gave up just 1,116 yards rushing in the 1990 season, an average of just 85.5 yards rushing per game, the lowest in school history. The 85.5 average against the rush was also tops in the SEC and fifth best in the nation.

■ As mentioned above, Florida led the SEC in 1990 in rushing defense with an average of just 85.5 yards per game. That marked just the fourth time in school history that Florida has led the SEC in rushing defense. Florida also led the league in rushing defense in 1965, 1984 and 1989.

■ The Gators permitted just 2.4 yards per rush attempt on the season. Only two defensive squads in school history posted a lower average per carry in a single season.

■ Florida's defense allowed just 17 touchdowns and 141 total points (12.8 points per game) in the 1990 season (Note: three opponent touchdowns scored were against the Gator offense and one touchdown was scored on a kickoff return. Also two points were scored on Florida by way of a defensive extra point and another safety was added on a QB sack).

■ As stated above, the Gator defense permitted just 17 TDs in 1990. The Gators allowed more than one TD in just three games in

1990 (Tennessee, Kentucky and Florida State).

■ The Gator defense was especially tough in the second and fourth quarters of action during the 1990 season. UF's opponents scored a total of 31 and 33 points in those quarters, respectively. The defense surrendered only 17 of those 31 second quarter points as two opponent TDs were scored against the offense in the second stanza.

■ Opponents scored in just 22 of the 44 quarters played against the Gator defense in 1990.

■ The Gator defense held six of its 11 opponents to 10 points or less in the 1990 season. Since 1945, only one other team in UF history has held its opponents to 10 points or less more times in the regular season. The 1960 team accomplished the feat eight times en route to a 9-2 mark.

■ Florida held eight of its 11 opponents under 100 yards rushing in 1990 and held eight of its 11 opponents to under 200 yards passing. Also, the Gators held six of its 11 foes to under 250 yards of total offense.

■ Florida held three of its SEC foes to under 20 yards rushing (Auburn –14 yards, Miss. St. 19 yards and Kentucky 19 yards) in 1990.

■ Opponents penetrated Florida's 20-yard line just 21 times in the 1990 season. The Gator defense yielded just 14 scores (10 TD and 4 FG).

■ Florida limited its opponents to just 40 third-down conversions in 162 third-down attempts (24.7 percent) — tops in the conference.

■ Opponent QBs completed just 47.7% of passes vs. Florida and compiled just a 94.6 passing efficiency rating vs. the Gator defense, 14th best in the nation.

■ Florida's defense forced 30 turnovers (19 interceptions and 11 fumbles), an average of 2.7 per game. Those 30 turnovers led to 95 points. The Gator defense forced at least one turnover in each game except the FSU game.

■ Florida's 19 intercepted passes in the 1990 season was the fourth top total by a Gator defensive unit in school history.

■ The Florida defense scored 32 points (five TDs and a safety) in the 1990 season; Darren Mickell returned an interception in the OSU game, Huey Richardson added a safety in the same game, Mickell also returned a fumble for six points in the Akron game, Richard Fain recovered a blocked punt in the Alabama game, Tim Paulk returned an intercepted pass in the Georgia game and Godfrey Myles added an interception return in the Kentucky game.

■ Florida's defense returned three interceptions for TDs in the 1990 season, a total that ranks as the best in school history and the third best seasonal total in SEC history.

■ Gator opponents had 152 possessions in the 1990 season and the UF defense permitted no first downs on 75 of those possessions (49.3%). On 115 of those possessions, the Gator D allowed just one first down or less (75.6%).

■ The Gator defense surrendered just 46 points in six home contests in 1990 at Florida Field for an average of just 7.6 points per game.

■ The Gator defense was outstanding all year but for a three-week stretch in the 1990 season, Florida was nothing short of sensational. In wins over Akron, Auburn and Georgia the unit surrendered just 14 points (4.6 ppg), 465 total yards (155.0 ypg) on 141 yards rushing (48.0 ypg) and 324 yards passing (108.0 ypg).

■ Over that same three game stretch (Akron, Auburn and Georgia), the Gators also allowed just 26 first downs and forced the opponent to punt on 29 occasions (only five less times than the Gator team had punted at that time in the entire season). In addition, the defense was especially tough on third down situations, allowing just five conversions on 35 attempts (14%).

■ The Gator defense was superb against Georgia. In the Bulldogs first 13 possessions, there was just one in which they made a first down. On the other 12 possessions, it was either three plays and punt or the drive ended in turnovers. Georgia also went 38 minutes and seven seconds between first downs, from late in the first quarter to midway through the fourth period.

■ Florida's defense shut down the Auburn rushing attack on Nov. 3 as the Gators limited the Tigers to –14 yards rushing. The –14 yards allowed on the ground was the second-best defensive effort against the rush in UF history and the best effort vs. an SEC foe. Florida's all-time best effort vs. the rush came in the 1969 Florida State game when the Gators held the Seminoles to –19 yards rushing. Florida's defense also allowed just 19 yards rushing versus Mississippi State and Kentucky. That represents the 10th lowest total in school history and eighth lowest allowance versus an SEC school. Mississippi State managed just nine first downs against Florida's defense.

■ Auburn was able to register just eight first downs vs. Florida and was two-of-16 on third-down conversions. Florida limited Auburn to 172 total yards (–14 rush, 186 pass), while 55 yards passing came on one play.

■ The Gator defense allowed the Akron offense (Oct. 20) to gain just 84 total yards (56 rushing & 28 passing), the fifth lowest total allowance by a Gator defense in school history. The Zip offense did not penetrate Florida's 42-yard line during the game and Florida yielded just seven first downs in the game, none in the second half.

■ Florida's high defensive rankings in 1990 (fifth nationally) marked the third consecutive season UF's defense finished among the top five in the nation in total defense.

## SPECIAL TEAM NOTES

■ Florida special teams blocked four kicks in the 1990 season. They blocked a field goal (DE Harvey Thomas) and a punt (Jimmy Spencer) in the Oklahoma State game, a punt in the Alabama game (Jimmy Spencer) and another punt (Jerry Odom) in the LSU game. The three blocked punts tied a school single-season record for most blocked punts in a season.

***For the third consecutive year the Florida defense ranked among the nation's top five in total defense. The Gators set a new school record for rushing defense, yielding an average of just 85.5 yards per game.***

■ Of the four blocked kicks, all four led to touchdowns for the Gators (one blocked punt was recovered in endzone for a TD and the Gator offense converted the remaining three blocked kicks into two passing TDs and one rushing TD).

■ In addition to the blocked punt vs. LSU, the special teams' pressure forced another turnover. Tim Paulk was in clear position to block another punt, when punter Brian Griffith fumbled the ball. Again, the Gators recovered and capitalized when Ernie Mills hauled in a 13-yard TD pass from Shane Matthews.

■ The Gators pressure on the punter in the 1990 season parlayed into only a 35.5 avg per punt by UF opponents — the seventh lowest total by opposing punters in school history.

■ The Gator punt return team gave up an average of only 4.3 yards per return in 1990, the third lowest total in UF history. Only 11 of UF's 41 punts on the season were returned, the fewest opponent punt returns in school history.

■ The Gators were 44 of 47 on PAT attempts in 1990, both school single-season records. The 44 PATs converted was also the fourth highest team single-season total in SEC history.

*Kirk Kirkpatrick led the SEC and set a school single-season record for a tight-end with 55 catches.*

## INDIVIDUAL ACHIEVEMENTS

■ Quarterback Shane Matthews enjoyed a record-setting year engineering the potent Gator offense in 1990. He finished the year 229 of 378 for 2,952 yards and 23 passing TDs. His 2,952 yards passing was the best single-season effort in UF history and the second highest in SEC history. His 23 TDs ranked second best on the seasonal chart in both UF and SEC history. His 378 attempts ranked second and fourth, respectively, on the UF and SEC single-season charts, while his 229 completions was a school record and second best total in SEC history. His completion percentage of 60.6 was the best single-season figure in SEC history for QBs with at least 200 completions in a season. Matthews tallied five 300-plus yard games in 1990, including three straight (Georgia 344, Kentucky 303, Florida State 351) — both school records. Other notes as to where Matthews finished the 1990 season in various total offense categories for both school and SEC charts: Total yards — 2,925 (1st/2nd); Plays — 450 (1st/6th); Yards Gained Per Game — 265.9 (2nd/4th); Yards Gained Per Play — 6.5 (3rd/9th); TDs responsible for — 27 (1st/2nd). In the season finale against FSU, Matthews established school single-game records for most total offense (377 yards) and most total offense by a sophomore (377 yards). Overall, Matthews established nine new UF seasonal records, one SEC seasonal mark and two UF single-game records.

■ TE Kirk Kirkpatrick had 55 catches in the 1990 season, the top total for a Gator TE in school history and the fourth-best seasonal total in UF history and the most by a Gator receiver since 1969. He also finished with seven TDs, the most by a Gator TE in a single season. His 770 receiving yards ranked as the fifth top single-season total in UF history and the best ever by a TE.

■ FS Will White collected seven interceptions in the 1990 season, tying a school mark for most interceptions in a single season. He led the SEC and ranked second in the nation with his seven interceptions. Earlier in the 1990 season White had three interceptions vs. Alabama to tie a school and SEC single-game record for picks in a game.

■ DE Huey Richardson finished his career ranked second on the UF career QB sack chart with 26.5. His 50.5 career tackles for lost yardage (26.5 QBS and 24 TFLs), ranked as the third top career total in that category in school history.

■ WR Ernie Mills finished the 1990 season with 41 catches for 770 yards, 10 TDs and an average of 18.8 yards per catch. His 10 TDs were the most ever in a single season by a senior and the second top single season total overall in UF history and fourth best in SEC. He finished his career with 15 TDs, the fourth best career total by any receiver in UF history.

■ Placekicker Arden Czyzewski had 45 PATs attempted in the 1990 season and connected on 42 of them, the top single-season totals in each respective category in school history. Those totals ranked him eighth and seventh, respectively, in SEC history. His 87 points in the 1990 season was the sixth best total points scored by a UF player in a single season.

■ DE Huey Richardson and FS Will White became the 35th and 36th players in Gator history to be honored with first-team All-America status. White joined Carlos Alvarez (1969) as the only sophomore in school history to achieve first-team All-America status.

■ Cornerback Richard Fain completed his UF career in 1990 with 10 interceptions, the third top career total in school history.

■ Freshman RB Errict Rhett finished the 1990 season with 845 yards rushing, the third best single season total by a UF freshman in school history and the eighth best total overall. Despite only four starts in the 1990 season, Rhett posted four 100-yard plus rushing games in 1990, making him only the third back in UF history to post at least that many 100-yard games in a single season.

■ RB Willie McClendon finished the 1990 season with 631 yards rushing, giving him 1,460 for his career — good enough for 12th place on the UF all-time career rushing chart. His seven rushing TDs on the season was also the fifth single-season total in UF history.

■ Senior Terence Barber's 73-yard return of a Richie Nell punt in the second quarter of the Auburn game was the ninth longest punt return in UF history and the longest since 1971.

■ Cornerback Jimmy Spencer's 66-yard interception return in the fourth quarter of the Furman game was the longest interception return by a Gator since a 79-yard interception return by James Revels in 1972.

## MISCELLANEOUS NOTES

### Strength of Schedule

■ Florida joined Notre Dame and Tennessee as the only three schools in the nation that met four teams in 1990 that completed the 1989 season ranked in the AP final Top Ten Poll. Alabama, Tennessee, Auburn and Florida State were 1990 UF opponents that completed the 1989 season in the AP Top Ten.

■ As mentioned above, Florida met four teams in 1990 that completed the 1989 season ranked in the AP final Top 10. Of the foursome, only the Auburn game was played at friendly Florida Field, while the Gators traveled to Alabama, Tennessee and Florida State. Florida, Iowa and Penn State were the only three schools in the nation that faced three teams on the road in 1990 that completed the 1989 season ranked in the AP final Top Ten.

## NOTES ON 1990 FLORIDA HONOREES AND HONORS

■ Florida had nine players (QB Shane Matthews, WR Ernie Mills, TE Kirk Kirkpatrick, C Cal Dixon, DE Huey Richardson, ILB Tim Paulk, OLB Godfrey Myles, CB Richard Fain and FS Will White) earn first-team All-SEC honors. Honors came from AP, UPI or the SEC head coaches. Florida's nine first-team selections was the most for a single season in school history. Prior to 1990 the top single season total for Florida players named first-team All-SEC was six (1969, 1986, 1987).

■ DE Huey Richardson and FS Will White became the 35th and 36th players in Florida history to earn first-team All-America honors.

■ With Richardson's and White's selection to a first-team All-America contingent in 1990, it marked the tenth straight year that at least one Gator player has been accorded first-team All-America recognition. Florida has had at least one player earn first-team All-America honors every year since the 1980 season.

■ When Will White was accorded first-team All-America honors by the Football Writers Association of America he became just the second sophomore in Florida history and the first since Carlos Alvarez in 1969, to earn such a distinction.

■ Along with Huey Richardson and Will White, who earned first-team All-America honors, three other Gator players earned All-America recognition in 1990. TE Kirk Kirkpatrick was a second-team All-America choice (AP,. *Football News*, *Sporting News*, UPI), CB Richard Fain was a second-team All-America choice (UPI) and QB Shane Matthews earned honorable mention honors (UPI).

■ Eight Florida players were named to the SEC Academic Honor Roll in 1990, including Huey Richardson who was named for the fourth consecutive year — the first player in school history to achieve such distinction for four years. Florida's eight SEC Academic Honor selections brings the number of times Gator players have been honored since 1980 to 69 — the third top total in the league.

■ Once again in 1990, Florida players were highly considered for some of the nation's top individual awards. DE Huey Richardson was one of 12 announced final nominees for the Lombardi Awards. DB Richard Fain and Gatorback Godfrey Myles were both among the group of 24 pre-season finalists for the Thorpe Award. FS Will White then became one of the 15 semifinalists for that award.

■ QB Shane Matthews was named "SEC Player of the Year" by the *Nashville Banner*, which is based on voting by the league coaches. Matthews became the fifth Gator player to be named "SEC Player of the Year" in a vote by the league coaches which started with the 1933 season. Steve Spurrier (1966), Jimmy DuBose (1975), QB Kerwin Bell (1984) and RB Emmitt Smith (1989) were previous Florida winners for this prestigious honor.

■ Five Florida players (DE Huey Richardson, OLB Godfrey Myles, DB Richard Fain, TE Kirk Kirkpatrick and WR Ernie Mills) received invitations to appear in post-season all-star games.

# 1990 GAME REVIEWS

## OKLAHOMA STATE

F — 50
OS — 7
Sept. 8th
Gainesville

Gainesville, Fla. — A record crowd of 75,428 gathered at Florida Field to witness a 50-7 Florida victory over Oklahoma State in Steve Spurrier's head coaching debut for the Gators. The "Gatorball" era began with a 567 yard offensive explosion against the Cowboys, the ninth best total yardage output in UF history.

Under the tutelage of the 1966 Heisman Trophy winner sophomore quarterback Shane Matthews, making the first start of his career, completed 20 of 29 passes totaling 332 yards and one touchdown. Matthews' effort was the second best performance by a UF quarterback making his first collegiate start and his passing total was the eighth best overall in Gator history. The Pascagoula, Miss., native led the Gators to five TDs and one FG in the nine drives he started.

Spurrier's offense was evenly distributed, with 10 different players catching passes. Tre Everett, also making the first start of his career, grabbed five Matthews' tosses for 123 yards, including a 50-yard touchdown strike in the third quarter. Everett's 123-yard total was the second most by a Gator receiver since 1980.

Not to be outdone by their offensive counterparts, the Florida defense limited Oklahoma State to 238 yards in total offense and forced three Cowboy turnovers. Senior defensive end Huey Richardson, earlier in the week named a Lombardi Award finalist, collected his 23rd career sack, tying him for third with Wilbur Marshall on the all-time Gator sack list. Richardson tied the mark in dramatic fashion, dropping OSU quarterback Chris Smith in the endzone for his first career safety.

The Gators scored early and often in the 43-point win. Operating with no huddle on the first possession, Florida moved the ball 70 yards on six plays, taking only 1 minute and 50 seconds off the clock. The Gators scored no less than 10 points in any quarter and their 50 point effort was the best since a 58 point output against Indiana State in 1988.

In other notes, kicker Arden Czyzewski continued to be perfect as he kicked six extra points and two field goals. In his career to that point, Czyzewski was nine of nine on field goals and 15 of 15 on PATs. Also, reserve defensive end Darren Mickell, another Gator in his collegiate debut, returned an intercepted pass for a 14-yard touchdown and also added a fumble recovery.

## ALABAMA

F — 17
AL — 13
Sept. 15th
Tuscaloosa

Tuscaloosa, Ala. — Led by sophomore free safety Will White's three interceptions and a Jimmy Spencer blocked punt which was recovered by Richard Fain in the endzone, Florida won a big conference opener with a 17-13 win at Alabama. It was the Gators' first win in Tuscaloosa since 1963.

The Gators ran their record to 2-0 under first-year head coach Steve Spurrier. After being blanked in the first half by an active Alabama defense, the celebrated Gator offense, which totaled 567 in offense against Oklahoma State, came to life in the third quarter. Led by sophomore quarterback Shane Matthews, Florida scored its only offensive touchdown on a six-yard throwing strike to Terence Barber. The drive lasted 3:35 and covered 67 yards. More importantly, it brought the Gators back to life after trailing the Tide 10-0.

In a game of great defensive plays, no one shined brighter than Gator free safety Will White. White collected three Gary Hollingsworth passes to give him a total of five interceptions in just 10 games of his brief career. His three interceptions in the game tied a single-game school record held jointly by Joe Brodsky (1956) and John Clifford (1970). For his efforts he was named the National Defensive Player of the Week by Sports Illustrated and also earned SEC Defensive Player of the Week honors. White's second interception came at the Florida two yard line in the third quarter and set up the game's biggest offensive play. Trailing 10-7 with the tip of the ball resting on their own two, Spurrier elected to throw deep. Matthews hit a streaking Ernie Mills for a 70-yard completion, the longest gain of the young season for Florida. Kicker Arden Czyzewski capped the drive with a 23-yard field goal to knot the game at 10-10 late in the third period.

Less than 15 seconds into the final quarter, Spencer blocked his second punt of the season. The ball traveled 25 yards backwards into the Florida endzone where senior corner back Richard Fain greeted the ball for Florida's second touchdown and their 16th unanswered point. The blocked punt was named the Play of the Week by the Southeastern Conference. Czyzewski added the PAT to increase the Florida lead to 17-10. Alabama's Philip Doyle added a 46-yard field goal for the final score of the contest with 7:22 left on the clock.

Florida's defense, which was busy forcing its fourth, fifth, sixth, and seventh turnovers of the season, held the Tide to 304 yards in total offense. Meanwhile, Alabama's defensive unit also played admirably limiting Spurrier's Gatorball to 333 total yards, more than 200 less it had gained just a week earlier.

Gainesville

Gainesville, Fla. — Florida overcame a sputtering offensive performance to post a methodical 27-3 win over Furman before a crowd of 71,868 at Florida Field. Furman, which entered the game ranked No.1 in Division I-AA, was held to only 170 yards total offense by the Gator defense.

The Gators managed to gain 452 yards on the day including a 238-yard passing day from quarterback Shane Matthews. The sophomore completed 22 of 40 attempts with three touchdowns and two interceptions while spreading the receptions between 11 different Florida receivers. Senior tight end Kirk Kirkpatrick led all receivers with five catches for 67 yards and a touchdown. Redshirt freshman runningback Errict Rhett led all rushers with 98 yards on 19 carries in his first collegiate start while Willie McClendon averaged 10.1 yards per tote with 81 yards on eight carries.

However, it was the Gator defense that dominated the game. The Paladins could get little going offensively as they managed just nine first downs, 95 yards rushing and 75 yards passing. The totals marked season-bests for the Florida defense in all three categories. Defensive end Huey Richardson continued his assault on the UF school mark for quarterback sacks in a career with 1.5 to move into a tie for second on the UF all-time list with 25, just two behind leader Alonzo Johnson. Also, cornerback Jimmy Spencer continued his big-play magic as he intercepted a Frankie DeBusk pass in the third quarter and returned it 66 yards to set up an Arden Czyzewski field goal. It was the longest interception return for a Gator player since 1972.

Florida built a 14-3 halftime lead on a 20-yard pass from Matthews to Kirkpatrick and a seven-yard aerial from Matthews to Tre Everett. Matthews extended the lead to 21-3 with a pass of eight yards to Ernie Mills in the third quarter before Czyzewski closed the scoring with a pair of field goals in the final period.

# MISSISSIPPI STATE

MS — 21
Sept. 29th
Gainesville

Gainesville, Fla. — The Florida defense smothered the Mississippi State offense virtually all day and the Gator offense got another big passing performance as well as its first 100-yard rusher of the season as the Gators remained undefeated with a 34-21 victory over the Bulldogs before a crowd of 72,943 at Florida Field.

An outstanding effort by the Gator defense in the third quarter resulted in negative 10 yards in total offense for MSU. The UF defense finished the game by allowing only 125 yards of total offense, including 19 yards rushing and nine first downs. The Gator defenders moved a streak of consecutive quarters without allowing a score to 10 before MSU ended it in the fourth quarter. Meanwhile, the Gators moved for 567 total yards, passing for 373 and rushing for 194.

Behind Errict Rhett's 143 yards on 25 carries, the Gators enjoyed their best rushing output of the season while quarterback Shane Matthews compiled another impressive day passing the football. Matthews overcame a slight hip injury in the first quarter to throw for 351 yards while completing 27 of 42 aerials with two interceptions and three touchdowns. The yardage total represented the third-best showing by a Gator quarterback in UF history. Also, UF tied a school record for first downs with 32.

The Gators, who were appearing on national TV (WTBS Sports) for the 18th time in 33 games, took an early lead when Rhett caught a seven-yard scor-

ing pass from Matthews late in the first quarter for a 7-0 UF lead. MSU struck back in strange fashion as outside linebacker Marc Woodard picked up a Rhett fumble at the UF 34 raced in for the tying score early in the second period. Florida responded by marching to a go-ahead score on a six-yard toss from Matthews to tight end Kirk Kirkpatrick before placekicker Arden Czyzewski closed the half with a career-long field goal of 45 yards to give UF a 17-7 halftime lead. Kirkpatrick finished the day with seven receptions to give him 39 for the year, one more than he had in all of 1989.

Florida opened the second-half scoring with a scoring drive capped by Matthews' one-yard scoring dive. But the Bulldogs drew to within 24-14 on another fumble return for a score, this one plucked out of the air by outside linebacker Keith Joseph from 15 yards out. An 18-yard pass from Matthews to Ernie Mills and a new career-long field goal by Czyzewski, this one of 46 yards, closed the scoring for Florida.

# LOUISIANA STATE

**LSU — 8**
**Oct. 6th**
**Gainesville**

Gainesville, Fla. — An opportunistic Florida offense took advantage of three key turnovers forced by the Gator defense and special teams deep in LSU territory to to score 20 first-half points to key a 34-8 victory before a Florida Field crowd of 75,063 and a ESPN national television audience. It was the third consecutive win on national television for UF in 1990.

The Gators, ranked 10th in the nation at the time, gained their third Southeastern Conference victory without a loss and moved to 5-0 on the season by converting three LSU turnovers inside the Tiger 20 into 20 points to overcome a stubborn LSU defense. Florida entered the game averaging nearly 480 yards of total offense per game but was held to a season-low 324 yards while being outgained by one yard by the Tigers' offense.

Florida quarterback Shane Matthews didn't amass impressive numbers, but he was deadly efficient completing 12 of 22 passes for 157 yards with three touchdowns and one interception. The three touchdowns passing gave the Gators 11 on the year, one more than they had for the entire 1989 season. After registering 94 plays the previous week against Mississippi State, the Gator offense only had 52 offensive snaps in the game. The Gator running game took up the slack for the air attack by producing 167 yards, including 106 on 15 carries by redshirt freshman tailback Errict Rhett, who had led the Gators in rushing in each of the first five games.

But statistics don't always tell the story and that was true on this night. Florida opened the scoring after defensive tackle Dexter Smith recovered LSU tailback Harvey Williams' fumble at the LSU 5. Dexter McNabb scored on the next play to give the Gators a 6-0 lead midway through the first quarter. LSU produced the first of three big special teams plays in the game by blocking UF kicker ARden Czyzewski's extra-point try with Willie Williams scooping up the ball and racing in for a two-point score.

The next big special teams play led to a 13-2 cushion for UF. Senior inside linebacker Jerry Odom raced untouched through the middle to block LSU's Brian Griffith's punt and James Speer recovered at the LSU 18. The block was Florida's fourth blocked kick of the season and third punt block of the year. On third-and-two from the LSU 10, Matthews hit a wide-open Kirk Kirkpatrick for a 10-yard scoring pass with 3:59 left in the first quarter.

In the second quarter, another botched punt attempt by Griffith led to another UF touchdown. Griffith was pressured by inside linebacker Tim Paulk and bobbled the snap. Florida's Darren Mickell fell on the ball at the LSU 17. Four plays later, Matthews hit wide receiver Ernie Mills in the middle of the end zone for a 13-yard scoring strike and Florida led, 20-2, with 9:17 left in the second quarter.

LSU struck back with a pair of field goals in the third period before Florida put the game away in the fourth quarter with a seven-yard pass from Matthews to Mills and a 10-yard touchdown run by Willie McClendon to post the 34-8 final score.

The Gator defense did not allow a touchdown in the game and had allowed only three touchdowns in the first four games, including none on the ground.

# TENNESSEE

**T — 45**

**Oct. 13th**
**Knoxville**

Knoxville, Tenn. — Florida, ranked ninth in the nation, suffered its first loss of the season before the largest crowd ever to see a Gator football game (96,874) and a ESPN national television audience as the fifth-ranked Volunteers capitalized on numerous Gator turnovers to post a 45-3 decision under the lights at Neyland Stadium.

The Gators committed seven turnovers, including five interceptions, and Tennessee exploded for 28 points in the third quarter. The Volunteers scored on a kickoff return, an interception return, a gadget play and a Tony Thompson run in the third stanza to put the game away.

Florida quarterback Shane Matthews suffered through his poorest outing of the season to date completing 14 of 24 passes for 119 yards with one interception and no touchdowns before leaving the game in the third quarter. Overall, the Gator aerial attack gained only 130 yards while connecting on 16 of 32 attempts with five interceptions and no touchdowns and the Vol defense held tight end Kirk Kirkpatrick, UF's leading receiver, to just one catch for minus-three yards.

The game was a close affair through the first two quarters as the Vols clinged to a 7-3 lead at the half. Fullback Greg Amsler put Tennessee on top, 7-0, in the second quarter with a one-yard run to cap a 79-yard drive in 18 plays. The Gators responded with a 48-yard drive in 10 plays culminating in a 30-yard field goal by Arden Czyzewski to pull UF within 7-3.

On the final play of the second quarter, Florida had

*(continued)*

a chance to take the lead when free safety Will White made his sixth interception of the season (just one shy of the school single-season record) and returned it deep into Tennessee territory. White appeared headed for the go-ahead score. But White lost his footing and fell to the turf after returning the pass 50 yards. It was White's eighth interception in just 13 career starts.

That was as close as the Gators would get to taking the lead. UT's Dale Carter, who would also pick off two UF passes from his free safety spot, returned the second-half kickoff 91 yards for a touchdown to give the Vols a 14-3 lead. Florida struck back when Monty Duncan raced 53 yards with the ensuing kickoff but tailback Errict Rhett fumble two plays later and Tennessee drove for another touchdown to lead 21-3.

The Vols closed the third-quarter barrage with a 47-yard pass from tight end Von Reeves to split end Carl Pickens off of the tight-end reverse, a 22-yard interception return by linebacker Reggie Ingram and a 36-yard field goal by Greg Burke. A one-yard run by reserve quarterback Sterling Henton in the fourth quarter ended the scoring.

Gainesville, Fla. — The Gators returned to Florida Field for Homecoming and rebounded from a disappointing loss to Tennessee with a 59-0 thrashing of the Akron Zips before a crowd of 74,558. The margin was Akron's biggest loss in 75 years and was Florida's most lopsided win since a 69-0 win over Montana State in 1988 and the Gators' widest victory margin in a homecoming victory since a 77-14 defeat of West Texas State in 1982. The shutout was UF's first since a 21-0 win over Mississippi State in 1989.

Quarterback Shane Matthews led the Florida offensive assault by completing 20 of 32 passes for 283 yards with three touchdowns. The Gators churned up 595 yards of total offense, the third-highest single-game total in school history, including a season-high 247 yards rushing. With 33 first downs, Florida set a new school record that had stood since 1967. Tailback Willie McClendon returned as the starter at tailback and responded with 105 yards rushing on 18 carries. It was McClendon's first 100-yard rushing game of his career. Florida showed good balance between the run and the pass with 348 total yards passing and 247 yards on the ground. The 348 yards passing was the 10th highest total in UF history and the third time the Gators had surpassed 300 yards passing in 1990.

The Gators were dominant in every phase of the game, scoring at least 14 points in each quarter and holding the Zips to 84 yards total offense (56 rushing, 28 passing) and seven first downs while picking off three passes and causing two fumbles. The defensive yield was the fifth lowest by a Gator defense in school history. The Gator defense did not allow the Zip offense to penetrate closer than the UF 42-yard line all game and allowed no first downs in the second half. While Akron punted eight times, the Gators punted only once.

Matthews opened the scoring with a 35-yard toss to wide receiver Ernie Mills on a play in which Florida surpassed their total passing yardage for the entire 1989 season. A 10-yard pass to tight end Kirk Kirkpatrick, who led the team with five catches for 122 yards built a 14-0 lead in the first quarter. With his five catches, for a total of 30 on the year, Kirkpatrick became only the fourth tight end in Gator history to collect 30 passes in a season. His two scoring catches gave him five for the year, the most by a tight end in school history. The Gators put the game away in the second quarter with a two-yard run by tailback Errict Rhett, a 53-yard pass from wide receiver Terence Barber on a double-pass play and a 33-yard field goal by Arden Czyzewski for a 31-0 halftime lead.

Gainesville, Fla. — The largest crowd in Florida Field history (75,459) and a national television audience on ESPN looked on as the Florida Gators dominated in every phase of the game on the way to a shocking 48-7 upset of the fourth-ranked and previously unbeaten Auburn Tigers. The victory was the largest ever for UF against Auburn and marked the worst loss of Pat Dye's Tiger coaching career.

The victory moved the Gators into a first-place tie atop the Southeastern Conference standings with Mississippi while ending the Tigers' national title hopes and seriously damaging Auburn's chances at fourth consecutive SEC championship. Florida moved to 7-1 (4-1 in the SEC) while Auburn dropped to 6-1-1 (3-1-1 in the SEC). The 7-1 start marked only the sixth time in UF history that a Gator team has posted at least a 7-1 record after the first eight games of the season. The 1928 team holds the school mark by going 8-0 through eight games.

The Gators' dominance was evident in virtually every statistical category as the Tigers were held to a all-time Auburn low of –14 yards rushing and could muster only 172 yards of total offense. The effort was UF's second-best defensive effort against the rush in school history and an all-time best against an SEC opponent. The all-time low yield was –18 yards by Florida State in 1969. The Gators allowed only eight first downs. Defensive end Mark Murray led the way with two-and-half quarterback sacks and free safety Monty Grow picked off the first interception of his collegiate career while inside linebacker Jerry Odom added another theft.

Meanwhile, Florida's 48 points was the most scored against the Tigers in the history of the 67-game series. Florida raced to a 34-7 halftime lead while totaling 265 yards of total offense after averaging only 236 yards a game in the last three contests with Auburn. Quarterback Shane Matthews got off to an outstanding start by completing his first nine pass attempts and Florida blew the game open with a 27-point explosion in the second quarter to take a commanding 34-7 halftime lead. The 34 points in the first half marked the first time since 1969 that the Gators had scored more than 30 points in a half against an SEC foe and was only the fifth time since 1969 that UF had done so against any opponent.

With the Gators up 17-7 midway through the second quarter Terence Barber fielded a Richie Nell punt, reversed his field and weaved his way 73 yards on a punt return to the Auburn 11. Barber's return provided a big momentum boost and was the ninth longest in UF history and the longest since George Gandy's return of 83 yards in 1966, set up a Willie McClendon touchdown run from three yards out. The

TD was one of three McClendon TDs on the night and it virtually put the game out of reach. Freshman Errict Rhett also posted a solid game for the Gators as he picked up 142 yards (his third 100-yard game of the year) on the ground on 15 carries with two touchdowns. Florida scored six touchdowns via the rush while posting 455 yards of total offense. Florida rushed for more yards (248) than yards passing (207) for only the second time in the 1990 season.

Jacksonville, Fla. — Sophomore quarterback Shane Matthews threw for 344 yards and three touchdowns as the Gators improved to 8-1 on the season, tying two previous UF teams (1928 and 1966) for the best nine-game mark in school history, with a 38-7 win in the Gator Bowl over the Georgia Bulldogs. The Gator offense was again in overdrive, racking up 470 yards in total offense and scoring its 145th point in the last three games.

While the offense continued its point outburst, the nationally-ranked Gator defense — namely inside linebacker Tim Paulk — set the tone early. In the first quarter alone, Paulk sacked Georgia quarterback Greg Talley, forced a fumble, and intercepted a Talley offering and returned it 36 yards for a Florida touchdown with 10:05 left in the game's opening frame. Paulk's interception return — the fourth defensive touchdown by Florida in 1990 — put UF on top 14-0. Paulk was named SEC Defensive Player of the Week for his efforts.

Georgia managed only 11 first downs against the second-ranked defense in the country, including one 38-minute stretch from late in the first quarter to midway through the fourth with no first downs. The Bulldogs, who dropped to 4-5, gained 99 yards on the ground while coming up with only 110 through the air. Over the past three weeks, the Gator defense unit has surrendered just 14 points (4.6 ppg), 465 total yards (155.0 ypg) and 26 first downs.

Meanwhile, the offense got a record-breaking day from senior tight end Kirk Kirkpatrick. The Valrico, Fla., native caught eight passes for 112 yards on the afternoon. His eight receptions brought his season total to 42, surpassing Jim Yancey's 1970 mark of 40 receptions in a season for the most by a tight end in school history.

Wide receiver Ernie Mills, also a senior, caught two of the three Matthews' touchdown strikes, while Terence Barber hauled in a third on a 51-yard flea flicker in the third quarter. Matthews ended the game 26 of 39 and jumped his season touchdown totals to 17 (third best in UF history) against nine interceptions. Matthews' 344 yards was the sixth best passing performance in school history and was also named SEC Offensive Player of the Week. The Pascagoula, Miss., native also went over the 300-yard total for the third time during 1990 to tie a Florida single season record.

In addition to a national television audience, 81,529 evenly-split fans looked on in person as the Gators defeated the Bulldogs, marking only the sixth time in school history that Florida has beaten Auburn and Georgia on back-to-back Saturdays. In other notes, Florida's 38 points was the most ever scored against Georgia in this 68-year-old rivalry.

## KENTUCKY

Lexington, Ky. — Sophomore quarterback Shane Matthews continued his tear through the SEC, throwing for 303 yards and four touchdowns in a 47-15 win over the Wildcats at Commonwealth Stadium. The Gators, now 9-1 for the first time in school history, overcame a slow start to win their final Southeastern Conference contest of the season to end up with a 6-1 conference mark, the most SEC wins ever for a Florida team and a first-place SEC finish. The ninth win of Coach Steve Spurrier's initial campaign put the Gators in position to become the first team in Florida history to win 10 games in a season.

Matthews' climb through the Florida record books continued against Kentucky. The Pascagoula, Miss., native became only the second quarterback in school history to throw for back-to-back 300-yard games. Despite playing in only 10 games, he already moved into fifth place on the all-time career passing list (2,601 yards) and passing TDs (21). It was also the fourth 300-plus yard game for Matthews in 1990, tying a school single season record.

Senior wideout Ernie Mills hauled in eight of Matthews' passes for 136 yards and two touchdowns all in the first half. Senior tight end Kirk Kirkpatrick caught five balls to improve his season total to 47 on the year, the fourth top single season total by a UF receiver.

The defense, caught off guard by a 73-yard screen pass touchdown in the first quater, rebounded to put in its usual outstanding day of work for the final three frames. The Wildcats managed only 19 yards rushing on the ground, although they picked up a season-high 326 passing yards against the nation's second-ranked defense. Kentucky regestered zero yards in total offense in the second quarter.

For the fifth time in 1990, the defense provided points to the Gator scoring effort. Trailing 2-0 after a Kentucky safety, Gatorback Godfrey Myles returned an interception 52 yards for the game's opening touchdown and a 7-2 Florida lead. Safety Will White picked off his seventh pass of the year in the first quarter to extend his national lead in that category and tied a school single season record. On the afternoon, the Florida "D" forced four turnovers, bringing their season total to 30 in the first 10 games.

55,140 fans looked on as the Gators eliminated a 9-7 lead and scored the next 37 points — 24 in the second period — en route to their ninth win, which tied a school record for most victories in a season.

## FLORIDA STATE

FS — 45

Dec. 1st
Tallahassee

Tallahassee, Fla. — The sixth-ranked Gators (9-1) entered the Florida State contest with a four-game winning streak and averaged 48 points per game in that span. The offense didn't falter, gaining 484 total yards and scoring 30 on the Seminoles. But unlike any game in 1990, an opponent's offense found a lot of holes in Florida's nationally-ranked defensive unit, as Florida State used numerous big plays to headline a 45-30 victory, the fourth straight FSU win in this intra-state rivalry.

It took only two plays for the Seminoles to light up the scoreboard for the first time. Casey Weldon hit a streaking Lawrence Dawsey for 76 yards, the longest play from scrimmage allowed by the Florida defense all season. Florida State added a field goal minutes later after a Gator turnover on thier first play from scrimmage to lead 10-0.

Quarterback Shane Matthews capped off his record-setting season with a 29-for-48 performance and 351 yards through the air, the third consecutive 300-yard passing game for the sophomore, a first in UF history. Matthews was responsible for four touchdowns, bringing his total for the season to 27, a new school record. On the year, Matthews established eight new school records and one SEC mark.

Matthews' favorite target, senior tight end Kirk Kirkpatrick, caught eight passes on the night, bringing his season total to 55, the fourth-best seasonal total and the top by a tight end in UF history. Senior wide receiver Ernie Mills hauled in seven passes and added his 10th receiving touchdown of the season in the third quarter. Mills' 10 TD receptions marked the second best single-season total in school history.

Despite these record-setting performances, the Gators turned the ball over three times, while recording no "takeaways." The Seminoles gained 487 yards in total offense and averaged 7.7 yards per play. Running back Amp Lee sliced through the Florida front wall for 147 yards rushing and three touchdowns in front of a record crowd of 63,190 and an ESPN national television audience. In addition to two touchdown tosses, Weldon threw for 325 yards, the first individual quarterback to throw for over 300 yards on the Florida secondary in 1990.

Defensively, the bright spot was the play of senior defensive end Huey Richardson, who collected his fifth sack of 1990, an 11-yarder in the fourth quarter. The sack brought the Atlanta native's career total to 26.5, second best on the Florida career sack chart. His 50.5 tackles for loss ranked as the third top career total in that category in school history.

## A Proud Past, An Even Brighter Future

- A charter member of the Southeastern Conference when it was formed in 1932.
- Eighteen bowl game appearances.
- Named national champions for the 1984 season by the New York Times and The Sporting News.
- Seventy-six players have earned All-America recognition, 41 alone in the decade of the 1980's.
- Thirty-six players have earned first-team All-America honors, 12 alone in the decade of the 1980's.
- For nine consecutive years (1983-91) Florida has had at least one player selected in the first round of the annual NFL Draft, the only school in the nation to achieve that distinction. In fact, Florida is the only school in the nation that had a player selected in the opening round of the draft for nine straight years since the NFL Draft began in 1936.
- QB Steve Spurrier was a Heisman Trophy recipient in 1966.
- OLB Wilber Marshall was selected "National Defensive Player of the Year" in 1983.
- Ninety-three players have earned first-team All-SEC honors.
- Eighty players have earned Academic All-SEC honors, 63 alone in the decade of the 1980's.
- Six Gator players have earned Academic All-America honors.
- Former Gator great Carlos Alvarez was inducted into the second GTE Academic All-America Hall of Fame class. Former Gator football player Bill Kynes was a Rhodes Scholar recipient.
- Florida's 27-4-3 record (.838%) ranked as the second best in the nation during the 1983-85 time span.
- In each of the 1983, 1984 and 1985 seasons, Florida ranked in the top six in the final Associated Press poll, the only school in the nation to achieve that distinction during that time period.
- Over 125 former Gator players have gone on to play in the NFL.
- Florida has posted a sparkling 49-8-2 record at Florida Field since the start of the 1981 season.
- Twenty-two UF players have been selected in the first round of the NFL Draft, 13 alone since 1983 — the top total in the nation over the last nine years.
- In 1989, Florida was the only school in the nation to have three players selected in the first round of the NFL Draft.

# HISTORICAL REVIEW

Florida, a charter member of the prestigious Southeastern Conference, started football in 1906 against Rollins on a baseball field located immediately north of the current Florida Field. That area is now called Fleming Field, used during the week for soccer and intramurals and on football weekends for parking.

The Gators won, 6-0, and went on the following year to record a 4-0-1 mark behind the running of a halfback named Willie Shands, who eventually became an important senator for whom the Shands Hospital and Clinics at UF are named.

The finest of the early teams at Florida were under the tutelege of U.S. Army Major James A. Van Fleet, head coach and senior officer of the school's ROTC program. The Van Fleet teams in 1923-24 attracted national attention to the Gator football program for the first time.

In 1923 Florida tied Georgia Tech, the ruler of Southern football, 7-7, in Atlanta. The Jackets came from behind late in the game to earn the deadlock.

In the final game of that season Florida recorded one of the most shocking upsets of the year, beating Alabama and Wallace Wade in Tuscaloosa, 16-6, as All-Southern back Edgar Jones scored every point for the Gators.

Florida was 6-1-2 that season and 6-2-2 in 1924, recording 7-7 ties against both Georgia Tech and Texas, two of the national football powers, and losing to Army, 14-7, at West Point.

Florida's 1928 team led the nation in scoring on the way to an 8-1 record, losing its final game, 13-12, on a wet field in Knoxville, Tenn. to Tennessee.

The 1930's produced great individual talent at Florida. Walter (Tiger) Mayberry was an All-SEC halfback who was later to lose his life in World War II as an often-decorated Marine pilot. Tommy Harrison was a record-setting passer in the late '30's and went on to become a president of Blair Radio and TV, a nationwide firm. His favorite target was end Forrest (Fergie) Ferguson, an all-star athlete who died years later as the result of wounds suffered in the invasion of Normandy during World War II.

> ***"Florida has appeared in 18 bowl games, seen over 75 of its players earn All-America recognition, including 36 who earned first-team All-America honors, had a player receive the Heisman Trophy, and seen 22 of its players selected in the first-round of the NFL Draft."***

Bob Woodruff brought the Gators to solid football status as the head coach of the 1950's. He produced the first bowl team in 1952, All-America linemen like Charlie LaPradd, John Barrow and Vel Heckman and a reputation for hard-nosed defense.

Ray Graves came out of the decade of the 1960's as the winningest Florida coach of record. He was 70-31-4 with five bowl teams, four of which won. His only losing bowl team lost by two points to Missouri in the 1966 Sugar Bowl, 20-18.

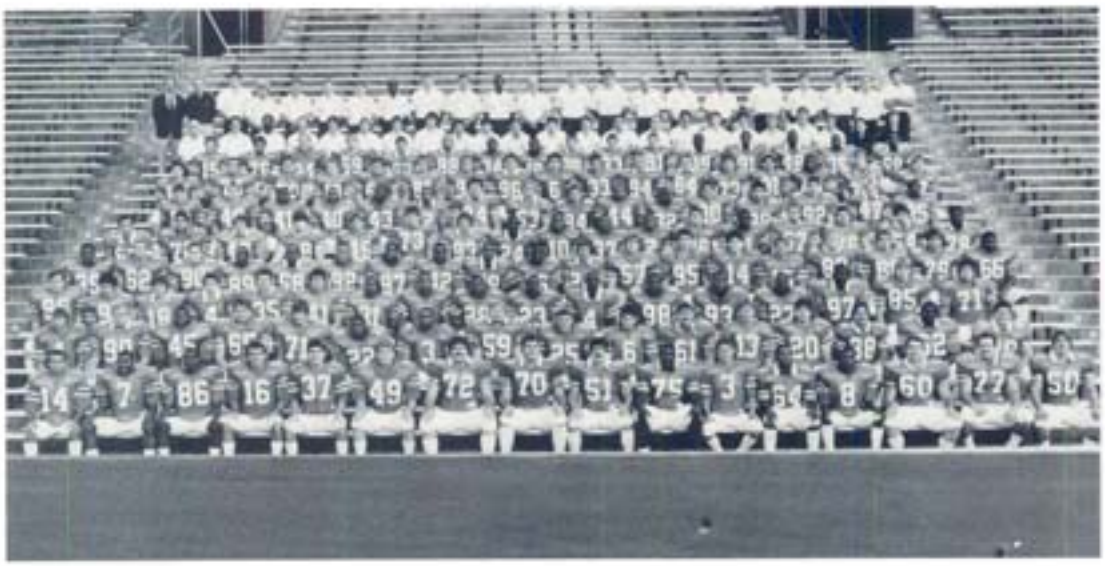

That decade also produced Heisman Trophy winner Steve Spurrier, a record-setting passer, as was quarterback John Reaves in 1969, who smashed five national marks and still holds many passing records for the Gators.

The teams of Doug Dickey from 1970-78 went to four bowls. His 1973 team was the second Gator edition ever to defeat Auburn at Auburn and went on that year to beat Georgia, FSU and Miami in the same month, a rare feat for Florida.

Dickey's top players included All-Americans Jack Youngblood, defensive end; Wes Chandler, wide receiver; Sammy Green and Ralph Ortega, linebackers, and SEC rushing king Jimmy DuBose.

Charley Pell's rebuilding job began

*The 1984 Gator squad posted an overall 9-1-1 record and was ranked third in the final AP ranking. The Sporting News and the New York Times declared the squad national champions. Florida's 5-0-1 mark in SEC play marked the first time in school history that a Gator squad finished with the best record in SEC play.*

*The 1985 UF squad posted a 9-1-1 record and was ranked fifth in the final AP poll. Its 5-1-0 mark in SEC play tied for first in the league standings. After its 14-10 win at Auburn, it became the first squad in school history to be ranked number one in the nation in a wire service poll.*

in 1979 and his last four Florida teams went to bowls, averaging eight wins a season against one of the nation's most demanding schedules. Pell's 1983 team secured the school's then highest final ranking ever with a No. 6 finish. Wilber Marshall, a linebacker, was named "National Defensive Player of the Year."

The top players of the Pell era (1979-84) were WR Cris Collinsworth, LB David Little, DT David Galloway, LB Wilber Marshall, and OT Lomas Brown. All were first-team All-American selections.

Galen Hall was named interim coach after the first three games of the 1984 season. He proceeded to win the next eight games. When the squad defeated Kentucky, 25-17, to clinch the school's first-ever first place finish in the SEC standing, he was named the new head coach in the lockerroom after the game in Lexington. The squad closed out the banner year with a 27-17 win at Florida State to cap a 9-1-1 season. In the final regular season wire rankings, Florida was ranked third in the nation, the best regular season ranking in school history. The '84 squad was named the national champion by the N.Y. Times and the Sporting News.

Hall led Florida to another banner season in 1985. The Gators opened the season with an eight game unbeaten streak to stretch UF's two-season unbeaten mark to 18 consecutive games. When Florida defeated Auburn, 14-10, in the eighth week of the season, UF was ranked first in the weekly Associated Press rankings, the first time in school history that the Gators held that lofty status. Florida finished with a second straight 9-1-1 season. The Gators were ranked 5th in the final AP ranking.

The period of 1983-85 ranks as the most successful in school history. During that time frame, Florida was the only school in the nation to finish in the top six in the final AP ranking in each of those respective seasons. Florida's 27-4-3 record during that time frame represented the second best winning percentage (83.8%) in the nation.

The decade of the 1980's ended with three successive bowl appearances (1987 Aloha, 1988 All American, 1989 Freedom). Overall, UF went to seven bowl games in the 1980's making it the

history. In addition, the Gators posted 76 wins during the 1980's, the most successful decade in school history.

Gary Darnell replaced Hall as interim head coach six games into the 1989 season. Hall completed his career with a 41-18-1 record. The top players of his reign were first-team All-America selections OLB Alonzo Johnson, OG Jeff Zimmerman, OLB Clifford Charlton, DB Louis Oliver, DB Jarvis Williams, DT Trace Armstrong, and RB Emmitt Smith. In addition, QB Kerwin Bell, FB John L. Williams, and RB Neal Anderson rank[illegible] among UF's all-time greats.

On the eve of the new decade of the 1990's (Dec. 31, 1989), Steve Spurrier, a man who had provided the University of Florida with so many fond memories as a player, was hired as the school's head coach.

Spurrier wasted little time in making a dramatic impact on the Gator program. His 1990 team started the year with a 9-1 record, the best start for a UF team with a 9-2 record and in the process established 14 new school records. Included in the nine wins were 41- and 31-point victories over Auburn and Georgia respectively, the largest vs. those two long-time rivals in school history.

Since it began playing football in 1906, the Gators have had 36 first team All-Americans, a Heisman Trophy winner in Steve Spurrier (Florida is just one of 32 schools in the nation that can claim a Heisman recipient), 18 bowl teams, and numerous other regional and conference honors. All told, over 75 different players have earned some type of All-America honor. Twenty-two Gator players have been selected in the first-round of the NFL Draft. During the last nine NFL drafts alone (1983-91), 13 Gators have been [illegible] selections, a total that no other school in the nation can better. Those achievements have all provided the base for a proud football tradition at Florida.

*Steve Spurrier was the recipient of the 1966 Heisman Trophy. He is one of 22 Florida players who have been selected in the first round of the NFL Draft and one of 36 Gator players who have earned first-team All-America honors.*

*The 1990 team posted a 9-2 overall record and its 9-1 start was the best in school history. It finished with the best record in the SEC with a 6-1 mark, the first time in school history that a Gator team posted six conference wins in a season. It became the first UF team since 1928 to defeat both Alabama and Auburn in the same year and it posted the largest victory margins over Auburn and Georgia in school history.*

# THE BIRTH OF A NICKNAME

Reprinted from
*FLORIDA TIMES-UNION*
August 2, 1948

A Jacksonville lawyer 'christened' the University of Florida's football team 41 years ago when he gave a pennant-designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

"Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University of Gainesville had fielded its first team.

"Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Phillip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

"While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized the new school had none.

"Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. 'I had no idea it would stick, or even be popular with the student body,' Miller said. 'We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term.'

"The Michie manager complicated the christening when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia.

"The first appearance of the alligator emblem, Miller recalled was in his father's Gainesville store in 1908. The Michie firm had supplied Millers' with the blue banner measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head."

# FIRST-TEAM ALL-AMERICANS

## DALE VanSICKLE

End
1928

Florida's first All-American. A two-way offensive and defensive standout. Noted as one of college football's premier pass receivers. Played on the nation's highest scoring team (336 points in nine games). The late VanSickle went on to become one of Hollywood's top stunt men for nearly five decades and was twice president of the Motion Picture Stunt Men's Association. He died as the result of injuries in his late 60's.

## VEL HECKMAN

Tackle
1958

Came out of Pennsylvania to become one of the finest defensive tackles in Gator history. Not unusually big, he made up for it with great quickness and nose for the football. Played in 1959 Senior Bowl game. Following graduation, he went into coaching and finished his career in that area as head football coach at Lakeview of Winter Garden. Still resides in Winter Garden, where he is in private business.

## LARRY GAGNER

Guard
1965

High school fullback converted to offensive guard. He started two seasons and helped lead 1965 team into Sugar Bowl. Played in 1966 Senior Bowl and College All-Star game. Started in offensive line for Pittsburgh and Kansas City. Majored in Art at Florida and is currently an executive in his hometown of Daytona Beach, Florida.

## FORREST "FERGIE" FERGUSON

End
1941

Great two-way end who made as many big plays on defense as he did on offense. Star receiver during days of limited passing attacks, he set records which would stand from the early 1940's until the pro-style passing game of the 1960's, including most receptions (43), receptions yards (668), TD passes in a season (5 in 1941), longest scoring reception (74 yards from Tommy Harrison vs. Miami in 1941). Injured in Normandy invasion in 1944, awarded DSC for Gallantry in Action, and died of his war wounds in 1954.

## LARRY DUPREE

Fullback
1964

In 1964 became only the third back in league history to earn first team All-SEC for the third time. Captain and All-American that season. An explosive, quick and durable runner who is sixth on all-time Florida rushing list with 1725 yards in three seasons. Played in 1965 Coaches All-American game. Currently in private business in his hometown of Macclenny, Florida.

| | RUNS | YARDS | AVG. |
|---|---|---|---|
| 1962 | 115 | 604 | 5.2 |
| 1963 | 189 | 745 | 3.9 |
| 1964 | 101 | 376 | 3.7 |
| Total | 405 | 1725 | 4.2 |

## CHARLEY CASEY

End
1965

Two-time All-SEC and leading receiver in league history at end of his career. Caught 58 passes to top SEC in 1965 and is third-leading career receiver for Florida with 123 catches from 1963-65. Fifth on career receiving chart with 1612 yards. Academic All-SEC in 1965. In 1966 he played in Senior Bowl and Coaches All-America Game. Currently owns sporting goods business in Ft. Myers.

## CHARLIE LAPRADD

Tackle
1952

Rugged lineman who was an army paratrooper prior to resuming his collegiate career. One of the most outstanding linemen in Florida history, he played offense and defense on the Gators' first bowl team which won 1953 Gator Bowl game. Later went into coaching at FSU then began a career in athletic administration. Was President of St. John's River Community College in late 1960's and is currently a Gainesville business executive.

## LYNN MATTHEWS

Defensive End
1965

Quick, tough and competitive end generally regarded as the finest at his position during the Ray Graves decade at Florida. Three-year starter who capped his career by helping lead Gators to Sugar Bowl berth. Was noted as a "big play" man for his ability to force and recover fumbles and make tackles in enemy backfield. Now a business executive in Ocala.

## STEVE SPURRIER

Quarterback
1965-66

Two-year All-American, 1966 Heisman Trophy winner and SEC player of the year. Broke every school record for game, season and career in passing and total offense, and all league records for passing. Was first player in history of Sugar Bowl to win MVP trophy for losing team following 20-18 loss to Missouri in which he broke six game records. Went on to play ten years of professional football with San Francisco and Tampa, setting 49er game mark by throwing five TD passes vs. Chicago Bears.

| | PA | PC | INT | YARDS | PCT | TD |

## JOHN BARROW

Guard
1956

Consensus All-American and SEC lineman of the year in 1956. Went on to become an All-CFL lineman with Hamilton, playing 15 seasons. Retired and became general manager at Toronto and other CFL teams prior to going into business in Canada. Played in 1957 Senior Bowl game, plus North-South game. His son, Greg, was a letterman Gator tackle in 1980.

## BRUCE BENNETT

Defensive Back
1965

Two-year All-SEC choice named top safetyman in league in 1963 and first team All-American same season. Still holds school career record for interceptions with 13, tied for single game mark with three. Defensive captain of 1966 Sugar Bowl team. Went on to All-CFL stardom with Regina and after nearly a decade in that league he returned to coach high school football in Georgia.

## BILL CARR

Center
1966

Offensive Captain of 1967 Orange Bowl team. Started 32 consecutive games at center earning All-America honors his senior season. Played in 1967 Senior Bowl. Drafted by New Orleans Saints but ROTC commitment resulted in his entering U.S. Army, where he served in Korea.

## LARRY SMITH

**Fullback**
**1968**

In 1968 he became only the fifth offensive back in SEC history to earn All-SEC honors three straight years. Number two rusher in Gator history with 2586 yards from 1966-68. Topped career chart in rushing attempts with 520, TD's scored with 26 and in points scored with 156. TD run of 94 yards vs. Georgia Tech (1967) is Orange Bowl record. Played in NFL for Los Angeles Rams and Washington Redskins. Currently lawyer in his hometown of Tampa. A 1969 NFL first-round draft selection.

## GUY DENNIS

**Guard**
**1968**

Offensive captain of 1968 team. Two-year All-SEC offensive guard. Came out of rural Walnut Grove in the panhandle to become one of the finest linemen in Gator history. Played 10 years in the NFL, first with Cincinnati and then Detroit. Currently an executive in Gainesville. Played in 1969 North-South Senior Bowl.

## CARLOS ALVAREZ

**Flanker**
**1969**

Consensus All-America in 1969 following a record breaking season in which he caught 88 passes for 1329 yards and 12 TDs, all still Gator records. Also holds Gator career marks for receptions (172), yards (2563) and single game records for reception yards (238 vs. Miami), receptions (15 vs. Miami) and is tied for TD catches with three against Vanderbilt in 1969. Academic All-American. Winner of NCAA Post-Graduate Scholarship. Currently a lawyer in Tallahassee. Named to GTE Academic All-America Hall of Fame in 1989.

## STEVE TANNEN

**Defensive Bank**
**1969**

Two year All-SEC choice, voted top defensive back in league in 1969. Tied for second in career interceptions for Gators with 11. Returned four punts for touchdowns during his career. Noted as kick blocker on special teams (blocked three in 1969, blocked a punt which was returned for TD in 14-13 win over Tennessee in Gator Bowl game). Played for New York Jets in NFL. Currently an actor in Hollywood and New York.

## JACK YOUNGBLOOD

**Defensive End**
**1970**

Regarded as best defensive end in Gator history. Named to All-SEC team for decade 1970's. Rugged competitor who went on to become All-Pro star with Los Angeles Rams. Following final season he played in 1971 Senior Bowl game and was named for the Most Outstanding Player in the contest.

## JOHN REAVES

**Quarterback**
**1971**

A first-team All-America selection in 1971 who completed his career (1969-71) as Florida's, the SEC's, and the NCAA's all-time leading passer with 7,581 yards. Also established SEC standard for TD passes with 56. A first-round selection in the 1972 NFL Draft by Philadelphia. Played for the Eagles (1972-75), Cincinnati (1975-78), Minnesota (1979) and Houston (1981) in the NFL. Was QB for Steve Spurrier with Tampa Bay of USFL from 1983-85. Now serves as TE and Asst. QB Coach at Florida.

## BURTON LAWLESS

**Guard**
**1974**

Noted as a pulling guard at Florida. Strong and agile, he started for three seasons in offensive line. Played in 1975 College All-Star game and Senior Bowl. Drafted by Dallas Cowboys and was only rookie to start in Super Bowl game following year. Pro career ended by serious farming accident.

## RALPH ORTEGA

**Linebacker**
**1974**

All-SEC two years, All-American in 1974 as he helped lead Gators to Sugar Bowl. Starter for three seasons, during which he made 357 tackles, forced 12 fumbles, recovered eight, intercepted 5 passes. Played in 1975 College All-Star game. Academic All-American. Went on to play for Atlanta Falcons and Miami Dolphins. Currently an executive in hometown of Miami, Florida.

## SAMMY GREEN

**Linebacker**
**1975**

Alternated between nose guard and linebacker during career in which he started for three seasons. Finished 1975 season with a remarkable 202 total tackles. Averaged eight tackles per game during his career, and 13 per game in his All-American season of 1975. Played in 1976 Senior Bowl. Played in NFL with Houston Oilers and Seattle Seahawks.

## WES CHANDLER

**Split End**
**1976-77**

Despite playing in run-oriented Wishbone, he was one of the best pass receivers in Gator history, earning first team All-American in both 1976 and 1977. Caught 92 passes in his career, good for 1963 yards and school record 22 touchdowns. He scored school record 28 TDs during career and is highest scoring non-kicker in Florida history with 172 points. Played in 1978 Senior Bowl and East-West game. An All-Pro wide receiver with San Diego Chargers before retiring in 1988. He was named the NFL Wide Receiver of the Year in 1982 by the NFL Alumni Association, as well as the NFL Player of the Year.

## CRIS COLLINSWORTH

**Wide Receiver**
**1980**

Brilliant all-around player. Ranks in school pass receiving charts and is even tied for NCAA record for longest TD pass, 99 yards against Rice as a freshman QB in 1977. During Gator career he caught 120 passes for 1937 yards and 14 TDs. He ran for 2 other TDs and returned a kickoff for another. Academic All-American. In his first three seasons in the NFL, he was an All-Pro wide receiver with Cincinnati Bengals.

## DAVID LITTLE

**Linebacker**
**1980**

Came out of the shadow of his older brother Larry Little, All-Pro guard for years with the Miami Dolphins, to become one of the most outstanding linebackers in a long history of good ones at Florida. Started three years. Intercepted nine passes. Played in 1981 Japan Bowl and East-West game. Had 375 tackles during Gator career. A starter at LB for the Steelers for several years.

## DAVID GALLOWAY

**Defensive Tackle**
**1981**

Despite injuries, his career included starting at either defensive end or tackle for the majority of three seasons and he achieved full potential in 1981, starting all 11 games and earning All-American. Named most Outstanding Defensive Player in 1980 Tangerine Bowl. Played in 1982 Olympia Gold Bowl and Hula Bowl. Drafted in the second round in 1982 by the Cardinals where he started for several seasons.

## FORREST K. (FERGIE) FERGUSON AWARD

The Forrest K. (Fergie) Ferguson Award is given in memory of one of the all-time great athletes at Florida. It goes annually to the senior football player voted as the most valuable by his fellow lettermen.

Ferguson started at end for the Gators in 1939-40-41 and wrote pass receiving records which would stand until the pro-style passing era of the 1960s. He was an All-American in 1941. He was also a collegiate state boxing champion and in 1942 won the National AAU javelin championship.

Fergie entered the Army in 1942 as a second lieutenant and was severely wounded in the Normandy Invasion in 1944. He won the Distinguished Service Cross for his heroism under fire. He died of his war wounds ten years later.

## JAMES W. KYNES AWARD

Presented annually to the offensive lineman who best exemplified the mental and physical toughness and "iron-man" determination Kynes exhibited as a Gator player and in his lifetime.

Kynes, Florida's first All-SEC offensive lineman and captain of the 1949 team, was the last Gator football player to play every minute in a game, something he accomplished several times during his career including in his final game against Alabama. He went on to become the youngest Attorney General in the state of Florida's history at age 37 and was a business and civic leader in Tampa until his death of cancer at age 60 on October 13, 1988.

Close friends Tom MacDonald and George Levy originated the Kynes Award in 1986. The first recipient was offensive tackle David Williams.

### WINNERS OF THE JAMES W. KYNES AWARD:

1986 - OT David Williams
1987 - OG Bob Sims
1988 - OT David Williams
1989 - OG Chris Bromley
1990 - OT Mark White.

**STEVE TANNEN:** All-America in 1969. NFL first-round draft choice in 1970 who started at cornerback for the New York Jets from 1970-74 before retiring to become an actor and model.

**ADRIAN WHITE:** A first-team All-SEC and second-team All-America selection at strong-safety in 1986. Selected in second round of 1987 NFL Draft by the World Champion N.Y. Giants.

**JARVIS WILLIAMS:** A four-year starter who earned first-team All-SEC honors twice and was named first-team All-America (Walter Camp) in 1987. Started 45 consecutive games in secondary. Became a rookie starter in 1988 for Miami Dolphins after being selected in the second round of draft.

*Jarvis Williams, a starter in 45 consecutive games in the UF secondary, was a first-team All-America selection in 1987. Named to NFL All-Rookie Team in 1988.*

*Louis Oliver, one of three finalists for the Thorpe Defensive Back of the Year Award in 1988, was Florida's first two-time first-team All-America selection as a defensive back. A first-round selection in 1989 NFL Draft by Miami.*

*Steve Tannen was a NFL first-round draft selection of the NY Jets in 1970.*

# OVERCOMING THE ODDS

## UF Walk-on Program Provides An Opportunity to Compete And a Chance to Fulfill a Dream

For years the University of Florida football program has encouraged and fostered a walk-on program that gives many young men every year the opportunity to live their dream of playing major college football.

No barriers are placed in the way of a student who is academically eligible, passes the physical examination, and is willing to abide by the same rules and regulations pertaining to scholarship players. There are no squad cuts to thin the ranks. The walk-ons are treated in the same first-class manner with total respect as the rest of the squad. For example, when Florida traveled to Hawaii for the Aloha Bowl in December 1987 there were 33 walk-ons who made the trip. When it traveled to the 1989 Freedom Bowl in Los Angeles, 24 former or current walk-ons made the trip.

Many former walk-ons have eventually earned scholarships, earned starting positions, gained All-SEC and All-America honors, and even eventually played pro football. None of those players would have lived their dream and reached their potential if the University of Florida hadn't extended the opportunity they were seeking. Their eventual success has become a cherished part of the Gator football tradition and heritage.

*Right: QB Kerwin Bell was told by major college coaches that he didn't have the skills to compete at that level. He felt they were wrong and wanted a chance to prove it. He decided to walk-on at Florida. A year later in 1984 as a non-scholarship player he became a starter and was named "SEC Player of the Year". By the time he completed his career in 1987 he was the SEC's all-time leading passer with over 7,500 yards. He is one of nine former UF walk-ons who have gone on to play pro football.*

The Gator walk-on program has indeed proved successful and beneficial to both the individual student-athletes and to the University of Florida football program. That is soundly demonstrated by the following facts.

- Nine former Gator walk-ons have gone on to play pro football: DB Hagood Clarke, DB Allen Trammell, DB Bruce Vaughan, LB James Harrell, WR Lee McGriff, PK John James, PK David Posey, QB Kerwin Bell, DB Louis Oliver.
- Former walk-on Louis Oliver was selected in the first round of the 1989 NFL Draft by Miami.
- Former walk-on John James went on to earn All-Pro honors as a punter in the NFL.
- Former walk-on Kerwin Bell earned "SEC Player of the Year" honors in 1984 and completed his career in 1987 as the greatest statistical passer in SEC history.
- Former walk-on DB Louis Oliver earned first-team All-America honors in 1987 and 1988.
- When Bobby Raymond completed his career in 1984 the former walk-on's name appeared in the NCAA place-kicking records in five separate categories.
- Walk-on WR Gary Rolle was named Academic All-America and winner of the National Football Foundation Scholar-Athlete Award in 1984.
- Twenty Gator walk-ons have earned Academic All-SEC honors.
- Former walk-on Kerwin Bell became a prominent Heisman Trophy candidate in 1987.
- Former walk-on Louis Oliver was one of three finalists for the Thorpe Defensive Back of the Year Award in 1988.
- The 1985 Gator team that finished 9-1-1 and fifth in the final national rankings had 18 prominent players that originally joined the program as walk-ons.
- Six former walk-ons were in the starting lineup when UF opened the 1986 season. At least another eight former walk-ons were top backups.
- Twenty current or former walk-ons were starters or top backups when UF opened the 1987 season.
- Five former Gator walk-ons — WR Lee McGriff, DE Preston Kendrick, PK David Posey, QB Kerwin Bell, and DB Louis Oliver — have gone on to earn first-team All-SEC honors.

The above facts clearly point out that the Florida walk-on program has become an integral and valued aspect of the Gator football team. It has provided the opportunity for countless young men to show that the evaluation and recruiting processes make mistakes. It has provided many opportunities for young men to live their dreams of playing major college football. It has provided countless opportunities to dozens of young men who were told that they were too small or too slow to play major college football. It has provided countless opportunities for these young men to mature physically while improving their football skills so that one day they could indeed play major college football and fulfill their dreams.

*DB Louis Oliver had scholarship offers at some small colleges, but he had a dream of playing major college football. He came to Florida as a walk-on in 1984, earned a scholarship in 1985, became a starter in 1986, and then was named a first-team All-America in 1987 and 1988. He was one of three finalists for the Thorpe Defensive Back of the Year Award in 1988 and was a first-round selection in the 1989 NFL Draft.*

*ILB Pat Moorer had several scholarship offers, but he had a dream of playing in the SEC. He joined the UF program as a walk-on in August of 1986. Three months later he had earned a starting position, the first true freshman to start a game for the Gator defense since 1981. He was awarded a scholarship in January of 1987. He led the nationally ranked Gator defense in tackles in 1988 and 1989.*

# FLORIDA AND THE NFL

*When DE Huey Richardson was selected in the first round of the 1991 NFL Draft by Pittsburgh, it marked the ninth consecutive year that at least one UF player was chosen in the first-round, the first time since the NFL Draft began in 1936 that any school has had at least one first-round selection for nine successive years. Richardson's selection marked the 13th UF player to be chosen in the first round since 1983, the most for any school in the nation over the past nine years.*

# FLORIDA NOTES ON THE FIRST ROUND OF THE NFL DRAFT

- Florida has had at least one player selected in the first-round of the NFL Draft in each of the last nine years (1983-91), the only school in the nation to achieve that distinction over that period of time.
- Florida's current streak of nine consecutive years in which it has had at least one player selected in first-round of the draft is the longest consecutive streak for any school in the nation since the NFL Draft began in 1936.
- Florida has had 13 of its players selected in the first-round of the NFL Draft since 1983, the top total in the nation for a school over the course of the last nine drafts.
- Florida has also led the nation with the most first-round selections in the last eight years (12), the most over the last seven drafts (11), and the most over the course of the past three years (5).

---

***The University of Florida is the only school in the nation to ever be represented in the first round of the regular NFL Draft for nine consecutive years since the NFL began its draft in 1936. The Gators have achieved that distinction with 13 first-round selections over the last nine NFL drafts from 1983-91.***

---

- Florida was the only school in the nation to have three players selected in the first-round of the 1989 draft.
- Florida (1989), Pitt (1983), Southern Cal (1983), Wisconsin (1985), Iowa (1986), and Miami (1987) were the only schools to have had three players selected in the first-round of a draft during the decade of the 1980's.
- When Neal Anderson (Chicago) and John L. Williams (Seattle) were selected in the opening round of the 1986 NFL Draft, it represented the only time during the decade of the 1980's, and the first time since 1970, that two runningbacks from the same collegiate team were both selected in the first-round of the draft.
- When Huey Richardson was selected in the first-round of the 1991 draft by Pittsburgh, it brought to 22 the number of Gator players selected in the opening round of the NFL Draft. Here is a breakdown of those selections by position; Runningbacks (8), Quarterbacks (2), Wide Receivers (2), Offensive Linemen (2), Defensive Linemen (3), Linebackers (3), Defensive Backs (2).

Florida's first bowl trip came after the 1952 season as the Gators headed to the Gator Bowl in Jacksonville to face Tulsa on January 1, 1953.

Powered by the running of Rick Casares and J. (Papa) Hall the Gators edged the Golden Hurricanes, 14-13, as Tulsa senior Tom Minor missed the first PAT attempt of his career. Gator All-America tackle Charlie LaPradd was the game's defensive hero.

Quarterback Jimmy Dunn and All-SEC end Dave Hudson led Florida back to the Gator Bowl in 1958 where they lost to Mississippi, 7-3. Ray Graves' first Florida team returned to the Jacksonville classic after the 1960 season and knocked off Baylor, 13-12, behind the running of Don Goodman and quarterback Larry Libertore.

One of the biggest upsets in Gator Bowl history took place in 1962 when heavily-favored Penn State was soundly beaten by the Gators, 17-7, led by quarterback Tom Shannon and a stout defense.

In 1966 Florida fell behind Missouri, 20-0, in the Sugar Bowl and rallied for 18 points in the final quarter behind quarterback Steve Spurrier. Each Gator touchdown was followed by a two-point conversion attempt and all of them failed.

Spurrier became the first player from the losing team to be named the game's most outstanding player in the history of the Sugar Bowl. He broke six bowl records in the contest.

The Gators got back on the winning track the following year in the Orange Bowl, beating Georgia Tech, 27-12, behind Heisman Trophy winner Spurrier. It was Bobby Dodd's final game as Tech's head coach and Florida made it an unhappy night for him. Larry Smith set a bowl record for running 94 yards for a touchdown for the Gators, almost losing his pants on the way.

In Ray Graves' final game as Florida's coach he watched his young team beat SEC champion Tennessee, 14-13, in the 1969 Gator Bowl. Florida's defense was superb with a blocked punt by Steve Tannen resulting in one TD and an interception setting up the other.

In 1973, the Tangerine Bowl was played in Gainesville due to construction at the Orlando stadium site. It was 27 degrees when the game started and Miami of Ohio loved every minute of it en route to a 16-7 upset. Florida nearly pulled a major upset next season, leading Nebraska 10-0 and scoring an apparent TD on a 26-yard run by Tony Green, only to have it ruled out-of-bounds. The Huskers came back in the Sugar Bowl to win 13-10. Florida's stars were All-America linebackers Ralph Ortega and Glenn Cameron, defensive end Preston Kendrick, the game's most outstanding defensive player, and running back Green.

The Gators returned to the Gator Bowl in 1975 and were soundly beaten in the rain by Maryland, 13-0. In 1977 powerful Texas A&M routed Florida, 37-14, in the Sun Bowl.

Charley Pell's first bowl team at Florida came in 1980 and the Gators played outstanding football in the Tangerine Bowl to whip Maryland, 35-20, behind All-America wide receiver Cris Collinsworth, the game's most valuable player. All-America David Galloway was the most outstanding defensive player of the contest.

In the cold of Atlanta, Ga. in the 1981 Peach Bowl the favored Gators were stunned by West Virginia, 26-6.

On New Year's Eve of 1982, the Gators took a 17-7 halftime lead against Arkansas in the Bluebonnet Bowl before losing 28-24. Wide receiver Dwayne Dixon was named Florida's MVP while catching three TD passes.

The 1983 squad, making its fourth consecutive bowl appearance under Pell, defeated Iowa 14-6. The win earned the Gators a No. 6 final ranking (then the best finish in UF history).

The 1984 and 1985 teams, after posting 9-1-1 seasons, were unable to participate in bowl games due to NCAA sanctions.

Florida reentered the bowl scene on Christmas Day 1987 as they faced UCLA in the Aloha Bowl in Honolulu, Hawaii. The Gators, a big underdog, suffered a tough 20-16 setback in a game that literally went down to the final play when a Kerwin Bell pass fell incomplete in the endzone. Emmitt Smith, named Florida's MVP in the bowl, completed his banner freshman season with 128 rushing yards on just 17 carries (7.5 ypc) against a UCLA squad that ranked fourth in the nation in defense against the rush in 1987.

Galen Hall captured his first bowl victory as a head coach in the 1988 All American Bowl. Sophomore Emmitt Smith, the game's MVP, scored late in the fourth quarter to give Florida a 14-10 win over Illinois. Smith rushed for 159 yards on the night, the second top rushing total in a bowl game in UF history. OLB Huey Richardson led a fierce Gator defense that held the Illini to just 55 rushing yards and harassed QB Jeff George all night.

The Gators completed the decade of the 1980's with a 34-7 loss to Washington in the 1989 Freedom Bowl at Anaheim, Calif. The Freedom Bowl appearance marked the seventh bowl appearance for Florida during the decade of the 1980's, making it the most successful decade for post-season play in school history.

# FLORIDA'S MOST PRESTIGIOUS INSTITUTION OF HIGHER EDUCATION

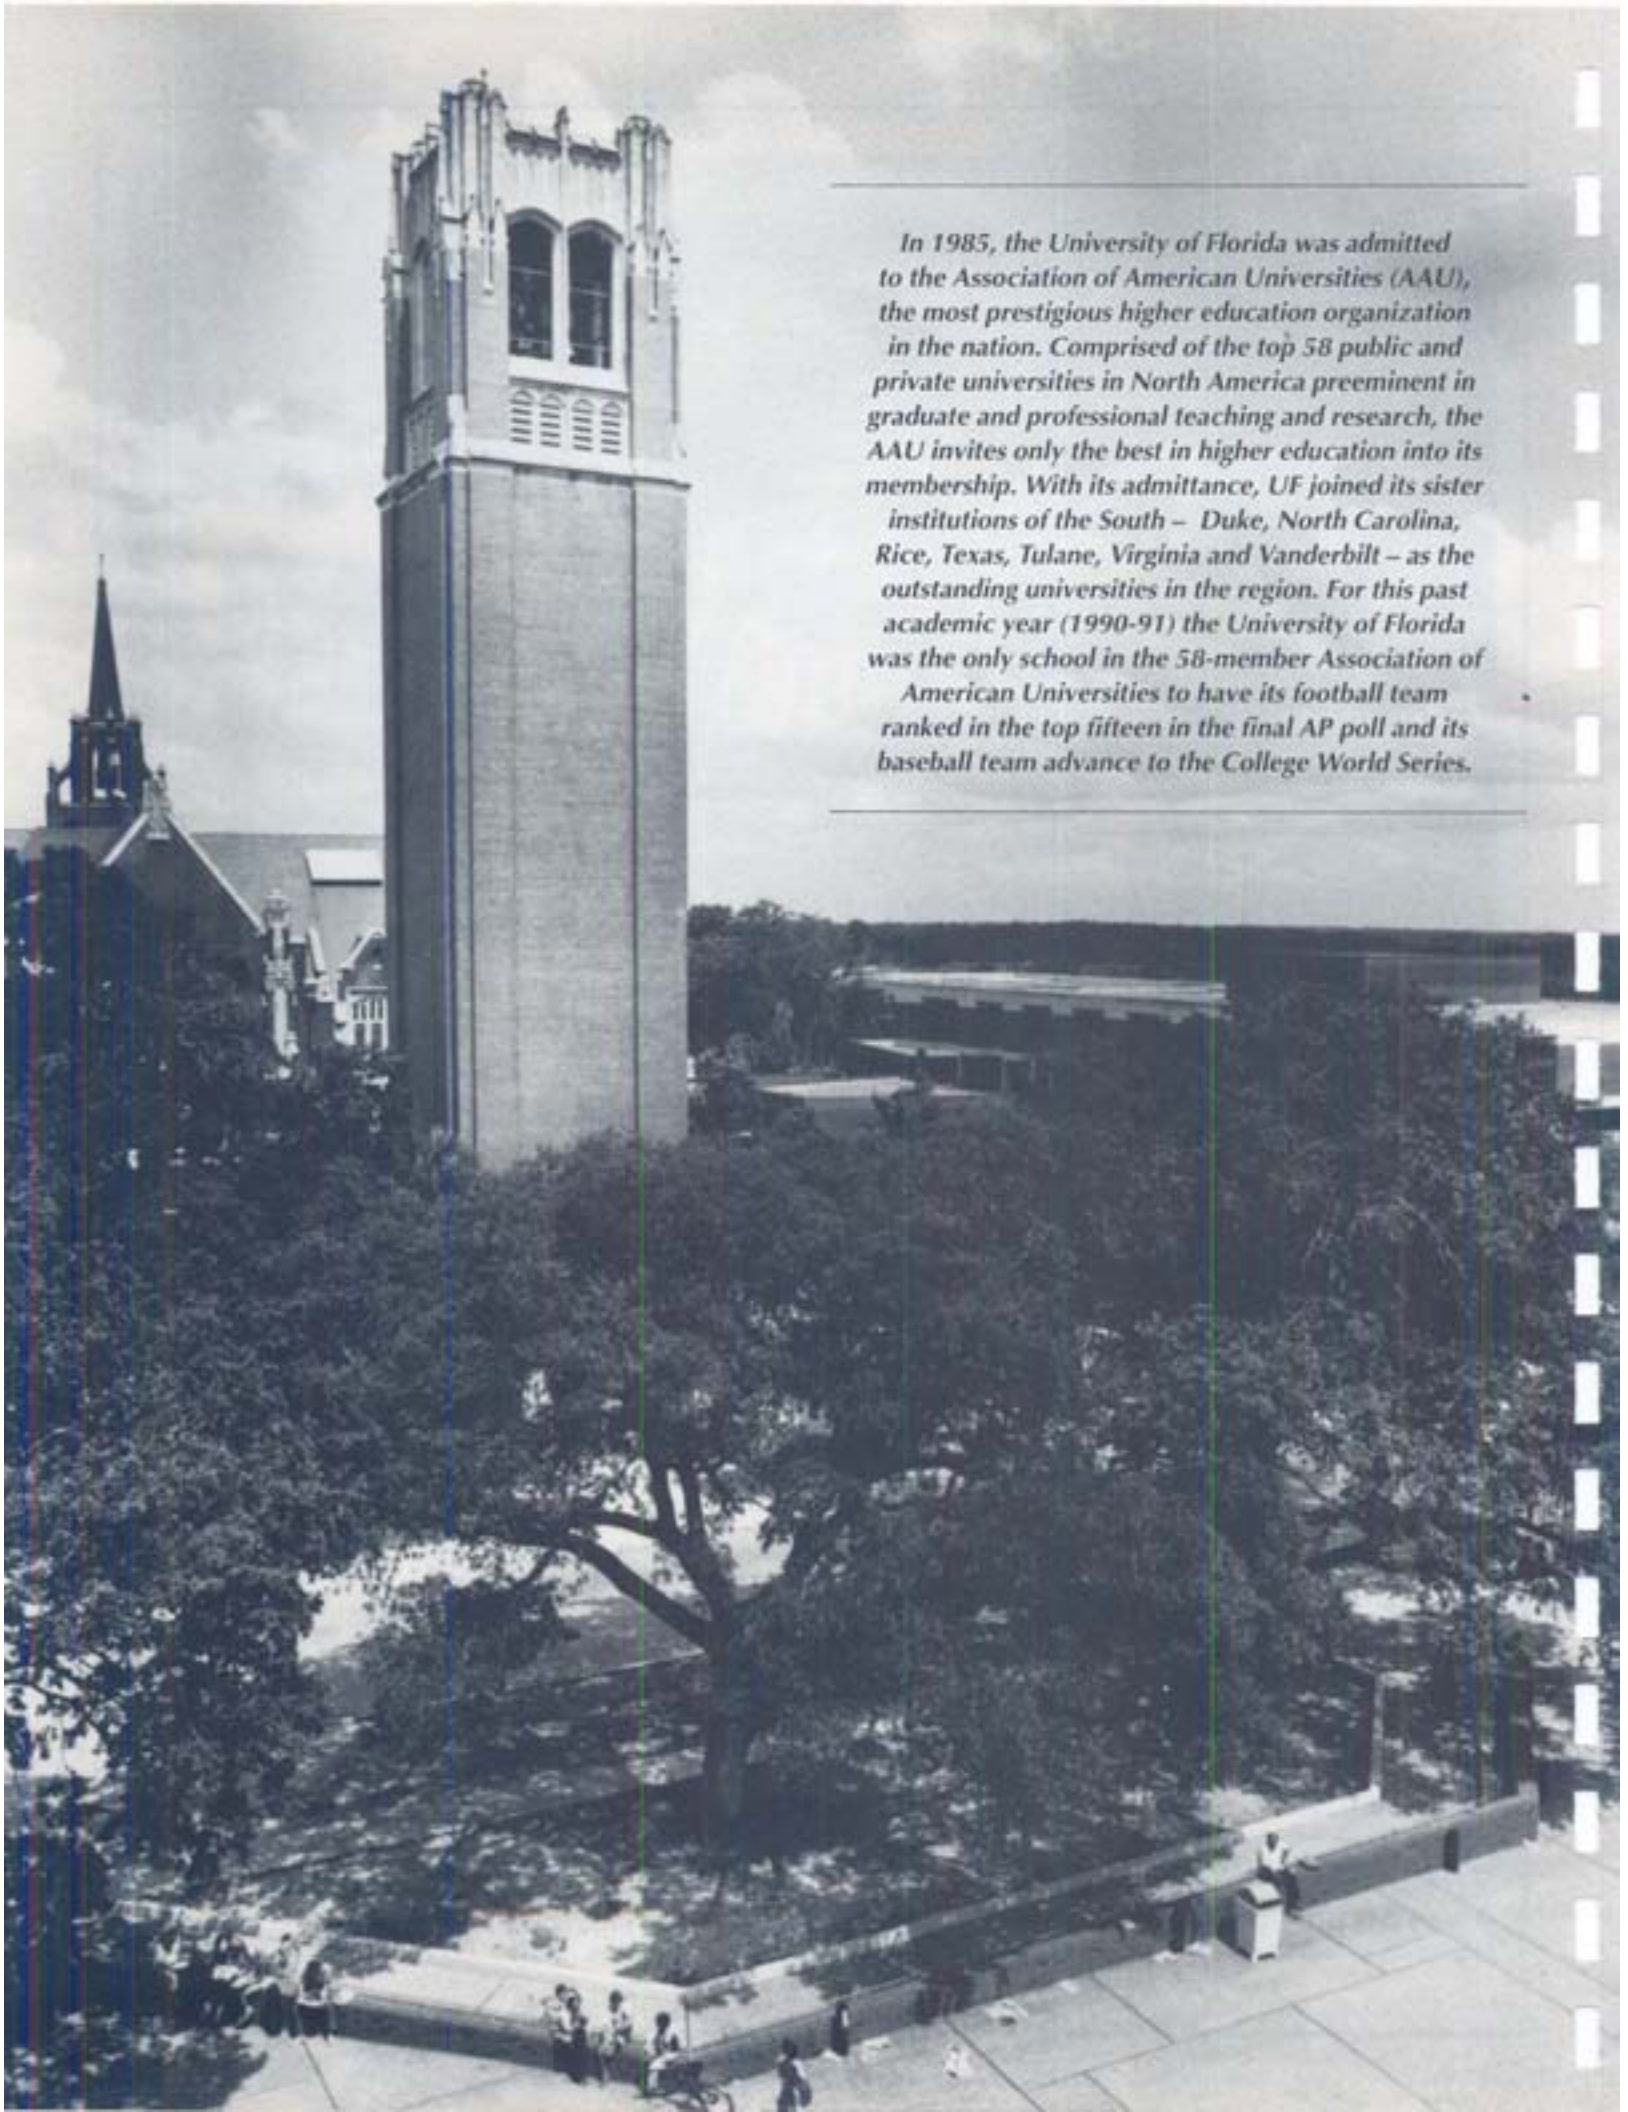

## *Florida's First University Is Fast Becoming Among the Nation's Elite Institutions of Higher Education*

Standing mid-campus, the University of Florida's Century Tower is a visible testament to the strength and enduring value of the institution. Built in 1953 as a memorial to University of Florida alumni who died in war, the tower received its "century" title, since it was built 100 years after the founding of one of the university's parent institutions.

UF traces its beginnings to the takeover of the private Kingsbury Academy in Ocala by the state-funded East Florida Seminary in 1853. Later, the Seminary was consolidated with the state land-grant agricultural college, then in Lake City, to become the University of Florida. UF was established in Gainesville in 1906, with an initial enrollment of 102. Until 1947, the University of Florida was for men only and was one of only three state colleges.

A land-grant university with a distinguished record of developing Florida agriculture into a national leader through research and extension services, the University of Florida has become one of America's truly distinctive universities. Now expanded into virtually every academic discipline, the University of Florida, along with Ohio State and the University of Minnesota, offers more academic programs on a single campus than any of the Nation's other universities – public or private. One hundred and fourteen majors are offered in 52 undergraduate degree programs. The graduate school coordinates 123 masters and 76 doctoral programs in 86 of the university's 137 academic departments. Professional post-baccalaureate degrees are offered in law, dentistry, medicine and veterinary medicine.

In 1985, the University of Florida was admitted to the Association of American Universities (AAU), the most prestigious higher education organization in the nation. Comprised of the top 58 public and private universities in North America pre-

*In 1985, the University of Florida was admitted to the Association of American Universities (AAU), the most prestigious higher education organization in the nation. Comprised of the top 58 public and private universities in North America preeminent in graduate and professional teaching and research, the AAU invites only the best in higher education into its membership. With its admittance, UF joined its sister institutions of the South – Duke, North Carolina, Rice, Texas, Tulane, Virginia and Vanderbilt – as the outstanding universities in the region. For this past academic year (1990-91) the University of Florida was the only school in the 58-member Association of American Universities to have its football team ranked in the top fifteen in the final AP poll and its baseball team advance to the College World Series.*

eminent in graduate and professional teaching and research, the AAU invites only the best in higher education into its membership. UF joins its sister institutions in the South – Duke, North Carolina, Rice, Texas, Tulane, Virginia and Vanderbilt – as outstanding universities in the region. The University of Florida is also ranked among the nation's 51 leading research universities as categorized by the Carnegie Commission on Higher Education.

As complete university with freshmen through post doctoral programs, the university of Florida is able to offer many opportunities to its students. A student planning to continue to graduate or professional schools can study in libraries and laboratories equipped to prepare students for entrance into almost every known advanced degree program. Students can begin their research as early as they desire, even as freshmen, while studying alongside graduate and professional students.

University of Florida students, numbering more than 35,000, come from every county in the state, from every state in the union, and from more than 100 foreign countries. Ninety percent of entering freshmen are above the national mean of scores on standard entrance exams taken by college-bound students. UF ranks among the nation's best in the number of entering National Merit and Achievement Scholars in attendance.

Approximately one-third of the university's students are freshmen and sophomores and 40% are juniors and seniors Approximately 15% of the student body are graduate students, numbering more than 5,300 and 2,100 are in professional programs. More than 2,000 black students and more than 2,000 Hispanic students attend the University of Florida.

A distinguished faculty numbering 3,900 has been assembled from major universities from throughout the world to provide instruction and counseling to University of Florida students. Last year more than 1,800 UF faculty members were grant awardees and 70% of the faculty's grant proposals were successful, with more than $161 million in research and training grants acquired. Twenty-two faculty members have been selected to the National Academies of Science and/or Engineering, the Institute of Medicine or a counterpart in a foreign nation.

A very small sampling of honored faculty members includes: a Nobel Prize Winner, Pulitzer Prize winners, the co-inventor of the jet engine, pioneer in and writer of the leading text book on Econometrics, winner of the National Science Teacher Association's top award for leadership, three win-

# PRESIDENT LOMBARDI

Historian, teacher, administrator, and author, Dr. John Lombardi became the ninth president of the University of Florida in March of 1990.

Born in Los Angeles in 1942, Lombardi comes from an education family. His mother worked as a college librarian and his father, a pioneer in the California community college movement, was president of Los Angeles City College. Lombardi earned his bachelor's degree from Pomona College and his master's and doctoral degrees from Columbia University. He also attended Universidad Nacional Autonoma de Mexico and the University of California at Los Angeles.

*Dr. John Lombardi, President*

Lombardi came to the University of Florida from Johns Hopkins University, where he was provost and vice-president for academic affairs since 1987. From 1967 until 1987, he pursued an academic career at Indiana University, at the Southeast campus for a year and then in the history department of the Bloomington campus, where he became a professor in 1977. Lombardi held various administrative posts at Indiana University, including director of Latin American Studies, dean of International Programs, and dean of Arts and Sciences. He also served as a member of the board for Indiana University of the Mid-West Universities Consortium for International Activities (MUCIA), as the director of Foreign Area Fellowship Program cooperative project in Venezuela. Lombardi also taught at the Universidad Central de Venezuela.

A long-term interest in international education involved him in committees and task forces related to international studies for the American Association of Universities and the National Association of State Universities and Land Grant Colleges. A past president of the Conference on Latin American History of the American Historical Association, Lombardi serves on the advisory board of the National Foreign Language Center. The Venezuelan Academia Nacional de la Historia elected him a corresponding member for the United States, and he serves as a member of the Pan American Institute of Geography and History. His international studies interest also led to a chairmanship of an evaluation team on international and interdisciplinary programs for the Board of Regents of the Florida State Board of Regents.

Elected a senior associate member of St. Antony's College, Oxford, Lombardi has received a variety of fellowships and grants, including the Fulbright-Hays research fellowship, a National Defense Foreign Language fellowship, and grants from Fundacion Simon Bolivar and Fundacion Creole in Venezuela. He has also received grants from the Social Science Research Council, the Tinker Foundation, the Conference on Latin American History, and MUCIA.

A specialist in Latin American history, Lombardi is the author of seven books focused mostly on Venezuela. His wife, Cathryn Lee Lombardi, coauthored one of his books and illustrated two others. Lombardi has contributed many scholarly articles, appears, reviews, and teaching materials to journals and conferences. In addition to history, he has taught courses in international business and participated in several executive programs as an instructor or lecturer. Considered an expert on small computers, Lombardi has served on many committees and task forces related to computer use, literacy, and product evaluation. He has reviewed software and hardware in various publications and currently serves as contributing editor for *InfoWorld*. For about two years, Lombardi's enthusiasm for automobiles persuaded him and a friend to operate Farmer's Garage, a specialty shop for older model cars.

John and Cathryn Lombardi have two children, John Lee and Mary Ann. John Lee is a student at Indiana University and Mary Ann is a student at Michigan.

# BILL ARNSPARGER — DIRECTOR OF ATHLETICS

A man of success, integrity, leadership and expertise, University of Florida Athletic Director Bill Arnsparger began his fifth year at the helm of the Gator athletic program in 1991.

Over his tenure, which began in January of 1987, Arnsparger has instilled a philosophy within the Gator athletic program which places a premium on a proper balance between athletics and academics, with teamwork among athletic administrators, coaches, student-athletes and the private sector playing a vital role in allowing nearly 300 student-athletes on 16 Gator teams to compete effectively in the classroom and in competition.

"With 'back to basics' as our theme we are looking forward to the future," says Arnsparger. "We are working together to achieve a balance and provide an atmosphere that is conducive to the overall success of our student-athletes.

"We are helping our student-athletes earn their degrees, while competing effectively on the conference and national level," adds Arnsparger. "With the private sector, we are continuing to work toward permanently endowing all athletic scholarships and improving and adding new facilities."

Arnsparger has worked hard to see that the phrase "student-athlete" keeps its proper order and proper perspective at Florida. "We have an obligation to the student-athlete to provide him or her with the best of everything. Everything from academic guidance and personal care to the best coaching staffs and facilities. We want these young people to have the support needed to take advantage of their academic and athletic abilities."

Arnsparger's constant drive and perseverance has paid dividends.

In all, a school-record 53 Gator student-athletes were named to the Southeastern Conference's Academic Honor Roll in 1990-91. Florida had 52 athletes selected to the All-SEC Academic Honor Roll in 1989-90 and 51 were named to the academic achievement list during the 1988-89 year. The 156 UF student-athletes recognized over the last three years for achievement in the classroom is the best three-year total in Gator history.

Arnsparger and his staff have worked to increase awareness and success by Gator student-athletes concerning their commitment and dedication to academic and personal responsibilities. With his leadership, Gator coaches have recruited student-athletes that have been better prepared for college-level academics. In fact, the standardized test scores and grade point averages of Gator recruits has continually improved.

Within the athletic team, the Gator program's overall strength and depth has been solidly demonstrated during Arnsparger's time in Gainesville.

Florida's combined men's and women's program has ranked among the 10 most successful in the nation in each of Arnsparger's four seasons at UF, according to research conducted by *USA Today*, and among the elite of the Southeastern Conference. In three of his four years at the helm, UF has had the best combined program in the SEC.

Last year (1990-91) was another banner year, as five Florida teams won Southeastern Conference championships and Florida's teams finished in the top 20 in their respective championship event 15 of 19 times.

When final national research for the 1990-91 athletic year is completed by *USA Today* this summer, Florida is expected to be ranked among the nation's ten most successful athletic programs for the eighth straight year.

The facts do in fact tell the story of Florida's athletic success under the leadership of Arnsparger:

- In 1989-90, Florida won four Southeastern Conference team championships, while 10 Gator squads finished among the Top 10 in the country in their respective sport.
- In 1990-91, 1988-89 and 1987-88, Florida's combined men's and women's program ranked as the best in the SEC.
- In 1987-88, Florida was the only school in the nation to send its football team to a bowl game, its men's basketball team to the NCAA Tournament and its baseball team to the College World Series.
- A total of 16 University of Florida athletes, representing four sports (swimming, track and field, gymnastics, tennis), earned a total of 10 medals at the XXIV Summer Olympiad in Seoul, Korea in 1988.

When Arnsparger arrived in January of 1987 the athletic program was in the midst of a commitment to upgrade and build new athletic facilities. He has continued the push in that regard, and since his arrival, new baseball, track and tennis stadiums have been dedicated, as has a new golf course clubhouse. The strength and conditioning area in the south end of Ben Hill Griffin Stadium at Florida Field, already one of the nation's largest when built in 1982, was expanded by nearly 5,000 square feet in the summer of 1988.

The north end zone at Florida Field was recently completed, an expansion that increased the stadium's capacity to 83,000 and gives Florida one of the eight largest on-campus football stadiums in the nation. In addition, plans are also progressing for a new student-life center.

Under Arnsparger, and the teamwork of his Gator athletic staff, Florida has attracted

some of the best coaches in the nation when presented the opportunity. Arnsparger hired Florida's "favorite son" Steve Spurrier to head-up the Gator football program and the young and energetic Lon Kruger to run the Gator basketball program.

Prior to coming to Florida, Arnsparger served as the head football coach at LSU from 1984-86. His stint in Baton Rouge, La., culminated a 36-year involvement with coaching. Arnsparger's coaching career began at his alma mater, Miami of Ohio, in 1950. He then served as an assistant at Ohio State from 1951-53, Kentucky from 1954-61, and Tulane 1961-63. He then moved to the National Football League with the Baltimore Colts in 1964. He remained with the Colts until 1970 when he joined Don Shula at Miami. In 1974 he was named head coach of the N.Y. Giants, a post he held until 1977 when he rejoined the Dolphins. Overall, Arnsparger has coached in five Super Bowls. In 1984 he took over the reins of the LSU football program, where he guided the Tigers to one SEC Championship, two Sugar Bowl appearances, and a Liberty Bowl berth in three years.

Arnsparger, a Paris, Ky., native, attended the University of Kentucky in the mid-40's, and after a stint in the Marine Corps, transferred to Miami of Ohio. He received his B.S. in Education and a Master's of Education in School Administration. He and his wife, Betty Jane (B.J.), have two children — David, 26, and Mary Susan, 23. Mary Susan graduated from Florida International University with a Bachelor's Degree in Anthropology in Dec. of '90 and is planning to attend graduate school. David, who received his Master's Degree in Counselor Education in Dec. '90 from the University of Florida, now serves as a graduate assistant football coach at Notre Dame.

## JEREMY FOLEY

**SENIOR ASSOCIATE ATHLETIC DIRECTOR**

Now in his 16th year at the University of Florida, Jeremy Foley was named Senior Associate Athletic Director in January of 1987 after serving as Associate Athletic Director for Business Affairs since 1981. He was named an Assistant A.D. in 1980 after serving as Director of Ticket and Game Operations since 1979. He came to Florida in 1976 as an intern in the ticket office and was named Ticket Manager in 1977. Foley served as Interim Athletic Director in the fall of 1986.

Second in command in the Florida athletic administration, Foley is responsible for the supervision of the entire athletic department in the athletic director's absence, while assisting in planning, leadership and supervision of the entire intercollegiate athletic program. Foley also assists in coordinating the efforts of the Athletic Board of Directors with the professional staff and works closely with Athletic Director Bill Arnsparger and the Gator coaches in the area of future scheduling in both football and basketball.

In Foley's tenure as an Associate Athletic Director he was responsible in eliminating a three-quarters of a million dollar debt. He serves as chief financial officer for the University Athletic Association with responsibility for a $17 million annual budget and has been involved in capital improvement projects exceeding $30 million in value along with assisting in the issuance of $33 million in tax-exempt bonds. Foley, the driving force in the construction of Florida's baseball, tennis, track and golf facilities, along with other major capital improvement projects, oversaw all aspects in the construction and funding of the crowning jewel at Florida Field — the $17 million North End Zone Project.

Born in Washington, D.C., but calls New London, N.H., home, Foley received his undergraduate degree in 1974 from Hobart College in Geneva, N.Y., where he also coached and scouted for the tradition-rich lacrosse program following graduation. He earned his Master's Degree in sports administration from Ohio University in 1976. Foley is an avid Boston Red Sox fan. He married the former Molly McCaughey in October of 1990.

## ANN MARIE LAWLER

**ASSOCIATE ATHLETIC DIRECTOR (Women's Sports)**

Ann Marie Lawler was promoted to Associate Athletic Director for Women's Sports in September of 1988. Lawler has been responsible for overseeing Florida's women's athletics program since 1985. Prior to her promotion she served as an Assistant Athletic Director for Women's Sports.

The Lady Gators have enjoyed tremendous national success under Lawler, finishing among the most successful women's programs in the nation in each of the last five years. Also, in two of the last four years, the Lady Gators have won the Women's Southeastern Conference All-Sports Trophy.

Prior to her arrival in Gainesville, Lawler served as Alabama's Associate Athletic Director since 1974. Upon graduation from Michigan State University with a Bachelor's Degree in Physical Education, Lawler taught and coached at Dearborn (Mich.) High School until 1969. She then earned her Master's Degree at Eastern Michigan University.

Lawler was a member of the physical education faculty at Smith College and taught physical education and coached women's tennis at Princeton University prior to her 11-year stint with the Crimson Tide Athletic Department.

The first athletic director for women's athletics at Alabama, Lawler built the program into one of the most successful women's programs in the country. In her final year at Alabama (1984-85), the Tide ranked as the ninth most successful Division I women's program in the nation.

A native of Middleville, Mich., Lawler served as a consultant to the Southeastern

## UNIVERSITY ATHLETIC ASSOCIATION, INC.

The University Athletic Association, Inc. is governed by an 18-member Board of Directors. That board has the final say on policies, procedures and the budget. Two-thirds of the UAA, Inc. Also active on the national level, Lawler is a member of the NCAA Golf Committee as well as the NCAA Professional Sports Liaison Committee. She is also a board member of the National Association of College Directors of Athletics.

Lawler is also highly involved in the community, as she is President-elect of the Girls' Club and a board member of the Rotary Club.

## JIM WEAVER

**ASSOCIATE ATHLETIC DIRECTOR (Compliance and Men's Spring Sports)**

Jim Weaver was promoted to Associate Athletic Director in May of 1989. Weaver serves as Florida's primary NCAA compliance coordinator and officer. He also oversees Florida's nationally prominent men's spring sports program. Prior to his appointment, he was Assistant Athletic Director for Student Services, a position he held since 1984.

Known as a well-rounded athletic administrator, Weaver has served as a collegiate coach, recruiting coordinator, overseen student academic and support services, while acting as the primary officer regarding NCAA and SEC rules and compliance. He has been appointed to the Committee of the National Association of Athletics Compliance Coordinators (NAACA).

Weaver is a 1966 graduate of Penn State University, where he played center and linebacker as a member of the Nittany Lion football squad. After graduation he served as offensive line coach at PSU from 1967 to 1972 and coached in five bowl games. He was the offensive coordinator at Iowa State in 1973 before taking on the position of head football coach at Villanova.

From 1975 until 1979 Weaver was assistant football coach and associate professor at Clarion State University, as well as Assistant Director of Career Planning and Placement. Weaver came to Gainesville in 1980 and worked for three years with Athletic Attic's national headquarters serving as Director of Franchise Sales and Leasing.

Weaver's 20 years experience in gymnastics administration has given him extensive experience as a national and international gymnastics meet director. In April of 1986, he served as meet director for the NCAA Championships held on the UF campus.

Weaver is married to Ernestine Weaver, former Canadian Olympic gymnast and head coach of the Florida women's gymnastics team for the past 12 years.

## LARRY FITZMORRIS

**ASSOCIATE ATHLETIC DIRECTOR (Student Services)**

Larry Fitzmorris was promoted from Assistant Athletic Director for Student Services to Associate Athletic Director for Student Services in July of 1991. He is in his second year as Athletic Director for Student Services at the University of Florida. He previously served in a similar capacity at Louisiana State University from 1984 through 1989.

Fitzmorris is a graduate of Loyola University (New Orleans) with a Bachelor of Science Degree in Chemistry. He earned his Master's Degree in Public Administration from Shippensburg (Pa.) State College. He is also a graduate of the prestigious U.S. Army War College in Carlisle, Pa. He is a retired U.S. Army Colonel having served 28 years in various military administrative and command positions between 1956 and 1984.

Fitzmorris oversees the Office of Student Life, a staff of professional counselors and administrators who deal with the entire spectrum of student services for Gator student-athletes. The Office of Student Life is recognized as one of the finest in the nation. Fitzmorris also currently serves as the Chairman of the Southeastern Conference Directors for Academic Support and serves as the principal liaison between the University administration and faculty and the University Athletic Association.

Fitzmorris and his wife Ann, who works as Coordinator of Student Services for the University of Florida Business School, have two children; son Lance, a graduate of LSU, and daughter, Lucia Cay, a graduate of Auburn University.

## NORM CARLSON

**ASSISTANT ATHLETIC DIRECTOR (Communications)**

Norm Carlson joined the Florida athletic staff in February of 1963 as Sports Information Director and now serves as Assistant Athletic Director/Communications. He coordinates the Gators' media relations for football along with other duties, and serves as department historian. He also serves as administrative assistant to Head Football Coach Steve Spurrier.

Following graduation from Florida in 1956 he was a sportswriter for the Atlanta Journal until 1959 and Sports Information Director at Auburn University, 1959-63. He served eight years on the NCAA public relations committee, 10 years as executive secretary of the Florida Sportswriters Association, eight years on the Board of Directors of the American Football Writers Association and is a member of the Hall of Fame of both the College Sports Information Directors and Citrus Bowl. Carlson is also Secretary of the Florida Sports Hall of Fame.

He and his wife, Sylvia, have three children, son David and daughters Shannon and Misty. He has five children by a previous marriage, daughters Donya and Kerris and sons Doug, Reese and David. He also has a granddaughter and a grandson.

## JANET FENN

**ASSISTANT ATHLETIC DIRECTOR (Personnel & Risk Management Services)**

Janet Fenn was promoted to Assistant Athletic Director/Personnel & Risk Management Services in July of 1991. Fenn has been with the University Athletic Association since January of 1988, serving in the capacity of Director of Personnel and Risk Management for the Gator Athletic Department. Her main responsibilities include all personnel services, while coordinating all safety and insurance related concerns for the Gator athletic staff and facilities.

A 1982 graduate of Florida State University, Fenn earned her Bachelor's Degree in Business Management.

Considered a specialist in benefits insurance, Fenn is also a member of the American Society for Training & Development, a professional employee training and organizational development group.

A native of Savannah, Ga., but calls Tallahassee, Fla. home, Fenn is also involved in community theatre.

## BILL HOLLOWAY

**ASSISTANT ATHLETIC DIRECTOR (Ticket Operations)**

Bill Holloway was promoted to Assistant Athletic Director/Ticket Operations in July of 1991. Holloway has been with the University Athletic Association since May of 1982, serving in the capacity of Ticket Manager

for the Gator Athletic Department since May of 1984. Prior to assuming the Gator Ticket Office management, Holloway served as Purchasing Director for the UAA.

As Assistant Athletic Director for Ticket Operations, his primary responsibilities continue to include the management control of the Gator Ticket Office which oversees the sale of tickets for each athletic event hosted by the University of Florida with a revenue in excess of $8 million. Holloway directs a staff of ten which coordinates ticket priority requirements with Gator Boosters, Alumni, Faculty & Staff, Students and the Public.

Prior to coming to Florida, Holloway had served 20 years in the U.S. Air Force in many administrative and management roles, both in the United States and in foreign duty assignments. He retired as a Master Sergeant. Holloway attended the University of Maryland and the Community College of the Air Force during his time in the service.

Holloway is currently member of the College Athletic Business Manager Association.

A native of Gainesville, Fla., Holloway is married to the former Susan Lewis, also of Gainesville. They have one daughter, Tracy, and one grandchild, Katina Nicole.

## JOHN HUMENIK

**ASSISTANT ATHLETIC DIRECTOR (Sports Information)**

John Humenik is in his tenth year as a member of the Florida athletic staff. He joined the Gator staff in July of 1982 as Sports Information Director and was elevated to Assistant Athletic Director for Sports Information in September of 1988.

In his nine years directing the Florida SID operation, the Gator athletic department has received 60 national awards for publication excellence, including 25 media guides and recruiting publications which have been named "Best in the Nation" in their respective contest categories. In the 1989-90 academic year, Florida's athletic department garnered 11 national awards for publication excellence. The total of 11 awards was the most in the country for an athletic department for that year. In the 1988-89 academic year, Florida's athletic department received 14 national publication awards, six of which were ranked "Best in the Nation." Florida's 14 publication awards in 1988-89 ranked as the top total for an athletic program in the nation that year as well.

Humenik received his undergraduate degree in management and his Master's Degree in Business Administration from Clarion State (Pa.) in 1974 and 1975 respectively. He was named a recipient of a national *Wall Street Journal* Student Achievement Award in 1974. He served as SID while earning his M.B.A. from August 1974 - December 1975.

After serving an internship with the Eastern College Athletic Conference (ECAC) in the spring of 1976, he was named Assistant SID at Princeton in July of 1976 and then was promoted to SID in March of 1977. In September of 1980 he was named Director of Sports Information at the University of Michigan, a position he held until moving to the University of Florida in the summer of 1982 as SID. While at Princeton, the SID office earned 23 national publication awards. The Michigan SID operation was honored with nine national publication awards in his two years at the helm. Combined with the 60 national awards that Florida's SID office received from 1982-90, Humenik has directed SID operations that have been honored with 92 national awards for publication excellence from 1977-90. Twenty-seven of those awards have been "Best in the Nation" honors while another 28 have been the national runner-up.

Humenik, a native of Grassflat, Pa., served as Chairman of CoSIDA's (College Sports Information Directors of America) Academic All-America Committee from the fall of 1979 until the summer of 1988. During that nine-year period, the Academic All-America program grew from four to eight national award programs, the committee secured and signed a corporate sponsorship with GTE that results in over $1 million in marketing and publicity support for the Academic All-America program each year, and the GTE Academic All-America Hall of Fame was established in 1988.

Humenik, 40, is married to the former Lee-Ann Hughes.

## JON MCBRIDE

**ASSISTANT ATHLETIC DIRECTOR (External Affairs)**

Jon McBride was hired in November of 1990 as the University of Florida's Assistant Athletic Director of External Affairs. McBride oversees all marketing, promotions and radio-television matters at UF.

Prior to his arrival in Gainesville, McBride had been the Associate Athletic Director at St. Louis University since August of 1988. His duties included coordinating the athletic department's marketing and promotional activities and game management as well as assisting with fund raising. During his two years at St. Louis he directed marketing efforts that increased basketball ticket revenue by 58 percent. He also served as St. Louis' primary compliance officer with the NCAA and Midwestern Collegiate Conference.

McBride is no stranger to the Southeastern Conference, as he served as LSU's Coordinator of Electronic Media from 1983-88. In that position he coordinated LSU's TigerVision Network, spearheaded the formation of the LSU Sports Radio Network and oversaw the production and coordination of video projects for highlight films and recruiting presentations.

McBride, a native of Athens, Ohio, received his Bachelor's Degree from Ohio University in Radio-Television Management in 1978 and his Master's Degree in Sports Administration from Ohio University in 1983. While at Ohio University, McBride worked in the sports information office and the ticket office as well as assisting with game management and event promotions.

He and his wife, Karen, have two children; a daughter Eryn (4) and a son Kyle (1).

## DENISE STEVENS

**ASSISTANT ATHLETIC DIRECTOR (Controller)**

Denise Stevens was promoted to Assistant Athletic Director/Controller in September of 1988. Stevens has been with the University Athletic Association for 11 years, serving in the capacity of Controller for the Gator Athletic Department. Her main responsibilities include total financial reporting and budgetary accounting. Stevens supervises the accounting department and date processing for the athletic association.

A graduate of Florida International in 1974, she earned her Master's Degree from Nova University (Ft. Lauderdale) in 1986. Stevens also earned here C.P.A. in 1981 and C.M.A. in 1987. Stevens is a member of FICPA and AICPA, two acclaimed organizations for certified public accountants in the state of Florida and nation, respectively.

Stevens is also a member of the College Athletic Business Management Association (CAMBA) and the Gainesville Area Women's Network.

A native of Ft. Myers, Fla., Stevens is married to Quinten Stevens. She enjoys photography, canoeing and cycling.

One of the very special qualities the University of Florida offers student-athletes is the Office of Student Life. The University fully intends to live up to its responsibility of assisting young people as they deal with the unique pressure of participating in college athletics. That commitment has paid some impressive dividends.

Since the Office of Student Life was created in 1979, the first office in the nation devoted entirely to helping solve the special needs and requirements of the student-athlete, Florida has had some impressive success.

■ Since 1980-81, Florida has had more Academic All-SEC Honor Roll selections (376) than any other school in the conference.

■ In all, 53 Gator student-athletes were named to the All-Southeastern Conference Honor Roll in 1990-91. Florida had 52 athletes selected to the All-SEC Academic Honor Roll in 1989-90 and 51 were named to the academic achievement list during the 1988-89 year. The 156 UF student-athletes recognized over the last three years for excellence in the classroom is the best three-year total in Gator history.

■ From 1982-86 eight Florida student-athletes were honored with Post Graduate Scholarship Awards, the third highest total for a university in the nation during that time period.

■ Florida was also honored on the national level with Cris Collinsworth in 1980 and Gary Rolle in 1984 being chosen to the Academic All-America team. In addition, Rolle was just one of 11 players in the nation selected for the prestigious National Football Foundation Scholar-Athlete Award in 1984.

■ Florida's past academic achievement was recently recognized, as Gator great Carlos Alvarez was inducted into the GTE Academic All-America Hall of Fame in May of 1989.

"As Assistant Athletic Director for Student Life my principal task is to provide effective and efficient support for our student-athletes to develop into well-rounded and well-educated young men and women," says Larry Fitzmorris. "We not only focus on academics, but on those other important aspects, such as self-confidence both in and out of the classroom, the meaning of responsibility and the development of interpersonal skills. Ultimately, everything we do assists the student-athlete to achieve academic and athletic excellence, and graduate from the University of Florida fully prepared to pursue a successful and rewarding career."

Achieving this type of success begins early. From aiding the transition from high school to college as a freshman, to choosing a major as a sophomore, through the career advisement period as a junior, until actual career job placement as a senior, the Office of Student Life is dedicated to the personal growth and academic development of the student-athlete.

"When an athlete steps into our office we're not here to talk just about athletics," says counselor Tom Williams. "We're here to talk about academics or any personal problem that might be distracting. And that's a healthy situation. Basically, our program is helping a lot of young people, and that's the bottom line."

# PHYSICAL DEVELOPMENT & HEALTH CARE

## *UF Offers Paramount Personal Care by a Renowned Physical Training and Sports Medicine Staff*

In addition to first-class facilities, it's priority and commitment given to Gator student-athletes by a renowned training, sports medicine and weight and conditioning staff that has become the standard for which other schools are comparing their programs.

### PHYSICAL DEVELOPMENT

To compete at the highest level of collegiate competition today, the student-athlete must be able to compete in terms of strength and conditioning. The UF strength and conditioning program offers the finest in facilities, equipment and instruction to help develop maximum physical capabilities.

"The basis of Florida's strength and conditioning program is to train the 'whole' athlete," says Head UF Strength & Conditioning Coach Doug Kauffman. "This involves developing strength, conditioning, speed, agility, flexibility, nutrition and motivation. Our program functions around the multidimensional use of the computer also, a tool that provides an efficient means for developing every aspect of athletic performance on an individual basis," adds Kauffman. "Each training program prescribed is designed not to create bodybuilders or powerlifters, but better athletes."

*Strength Coach Doug Kauffman guides the Gators through a workout.*

The recently expanded Ben Hill Griffin Jr. Athletic Training Center, located beneath the South End Zone of Florida Field, is the foundation of the Gator strength and conditioning program. The huge 10,885 square-foot area is simply awesome in its size and makeup. The ultramodern strength complex houses a multitude of free weights and universal weight machines, along with some of the finest conditioning systems around. All of this gives the opportunity to develop maximum physical abilities.

The quality of the people running the strength and conditioning program matches the equipment. Highly trained professionals plan and guide physical development of Gator athletes. The strength and conditioning staff plans training in four cycles (in-season, winter conditioning, spring practice and the summer program). The UF training program also now includes a Speed Coach in seven-time All-American track athlete Greg Sholars. Says Sholars, "We're basically trying to increase technique so raw talent and strength can be used more efficiently and enable our athletes to go faster. Controlled explosion is what we're looking for in terms of speed."

Says former Gator and current Minnesota Viking fullback Cedric Smith, "I was tremendously impressed. The facilities, coaches and the program are excellent."

Adds former UF player and current Chicago Bear Trace Armstrong, "The weight and conditioning program is extremely well administered and the facility is unquestionably one of the best in the nation."

## HEALTH CARE

A commitment to total care is present in every facet of Florida's approach with its student-athletes. The very best equipment, staffing and facilities are present to insure that a student-athlete is cared for in the ultimate manner.

Florida's health care team focuses on prevention, precaution, treatment and rehabilitation. Equipment, training, physician, physical therapist, massage therapist and strength and conditioning staffs are jointly committed to health care and prevention.

Assistant Athletic Director for Sports Health Chris Patrick, Director of Sports Equipment Bud Fernandez, Coordinator of Athletic Training Lisa Kelleher, Massage Therapist Benny Vaughn, Strength and Conditioning Coach Doug Kauffman, Physical Therapist Marty Huegel, plus a highly-regarded athletic training team and a host of physicians headed by Dr. Pete Indelicato and Dr. Richard Shaara are considered national leaders in their respective areas. Combined with state-of-the-art facilities and equipment, they give Florida one of the nation's premier health care teams.

"Working together is the key," says Assistant Athletic Director for Sports Health Chris Patrick, who was inducted into the National Athletic Trainers Association Hall of Fame in 1989. "Everything from the equipment issued to our players to their strength and conditioning programs has a bearing on the other. It all must work together and it does at Florida. We have to provide the best care possible. Our goal has always been to provide care for our people as opposed to taking care of them. Our job is made easier with the outstanding support groups and great facilities we have. We strongly feel that the University of Florida cannot be outdone in the area of total health and preventive care."

It is Florida's health care staff's responsibility to care for and provide prevention and rehabilitation of injuries for each Gator athlete. And that job is done in one of the finest facilities in the country — the 26,200 square foot Ben Hill Griffin Athletic Training Center located in the South End Zone. The impressive facilities at the University of Florida also includes one of the finest teaching hospitals in the country — Shands/VA Medical Center — located on the UF campus. Recognized as a leader in the field of sports medicine, the Shands staff, headed by Dr. Pete Indelicato, provides quick, accurate evaluations and expert treatment for injuries.

"We have a tremendous amount of resources at our disposal at the University of Florida," says Dr. Indelicato. "We can very quickly determine the degree of injury, treat it, start the rehabilitation and get the athlete back on the road to recovery."

"We're very sensitive to preventing injuries," adds Patrick. "We make sure the best equipment is on our players and that the equipment is cared for daily. Everyone is dedicated to prevention. We recognize a sport like football is prone to injuries, but with our prevention program we are able to minimize the amount of time the player is away from the field. If there's an injury, we see that the Florida athlete receives the finest care in the country."

*Director of Sports Equipment Bud Fernandez.*

The job is made easier and more efficient by Florida's sports medicine computerized program. This allows the staff to keep up-to-date records and accurate data in the rehabilitation of injuries.

# FLORIDA'S ATHLETIC PROGRAM... ...ALL-AROUND EXCELLENCE

The University of Florida, a charter member of the prestigious Southeastern Conference, has developed a reputation for across-the-board excellence and success in its overall athletic program. When final national research is completed by *USA Today* on the 1990-91 season, it is expected that Florida will be ranked among the ten most successful overall athletic programs for the eighth consecutive year. The facts tell the story:

## 1990-91 IN REVIEW

■ The University of Florida won five Southeastern Conference crowns in 1990-91 (Men's & Women's Golf; Men's & Women's Swimming & Diving; Women's Tennis). In addition, UF posted the best Football record in the SEC and also won the SEC Baseball Tournament. Also, Florida's Women's Track & Field squad and the Baseball team posted second-place finishes in league action.

■ Florida and Tennessee were the only schools in the SEC to have five conference titles in 1990-91.

■ For the third time in the last four years the University of Florida had the best combined athletic program in the Southeastern Conference. In addition, Florida was the only school in the SEC to have both its men's and women's programs ranked in the top two in their respective all-sport competition.

■ Ten Florida teams finished among the top six nationally in their respective sport in 1990-91. Overall, Florida teams finished in the top 20 in their respective championship event 15 of 19 times.

— Lady Gator National Team Indoor Tennis, 1st at National Team Indoor Championships
— Gator Baseball, T3rd in College World Series, 3rd in final *Baseball America* Poll
— Lady Gator Tennis, T3rd at NCAAs 2nd in final *ITCA/VOLVO* Poll
— Gator Swimming & Diving, 3rd at NCAAs

— Lady Gator Golf, 15th at NCAAs
— Gator Indoor Track & Field, T15th at NCAAs
— Gator Outdoor Track & Field, T19th at NCAAs

■ Overall, 51 Gator athletes garnered 117 All-America honors.

■ Florida had a school-record 53 Southeastern Conference Academic Honor Roll selections in 1990-91.

■ The Lady Gators excelled in the classroom earning 30 Academic All-SEC honors (Track & Field 13, Tennis 6, Swimming 4, Gymnastics 3, Volleyball 2, Basketball 1, Golf 1), the top yearly total for an SEC school since the conference began such an honors program for women in 1984.

■ The Gator men earned 23 Academic All-SEC honors (Football 8, Swimming 4, Track & Field 4, Cross Country 1, Tennis 1, Golf 4, Baseball 1).

■ Florida had a total of nine NCAA individual champions (five in swimming, two in tennis and two in track).

***Lady Gator Nicole Haislett was golden for the University of Florida during 1991. Haislett brought home three gold medals and three American Records from the 1991 World Championships, the most prestigious event in competitive swimming next to the Olympics. The freestyle specialist also led UF to a third-place finish at the 1991 NCAA Swimming and Diving Championships by claiming the 200-yard freestyle crown. At SEC's, Haislett won the 50-, 100- and 200-yard freestyle events as Florida took its 10th conference title in 11 years. The Lady Gator swim team was one of ten UF squads to place in the top six in the nation in the 1990-91 academic year.***

■ The Gators had three swimming individual World Champions in 1990-91.

■ The University of Florida was the only school in the nation in 1990-91 to have its football team finish in the top 15 in the final *Associated Press* poll, have its baseball team advance to the College World Series and is a member of the Association of American Universities, the most prestigious organization of higher education.

■ Florida was only one of three schools in the nation to have a first-round NFL Draft choice (Huey Richardson) and a first-round Major League Baseball Amateur Draft selection (John Burke).

■ The University of Florida was one of three schools in the nation to have its football team rank in the top 15 (*Associated Press* Poll) and advance to the College World Series.

■ The University of Florida was one of only three schools in the nation to have both its men's and women's swimming teams finish in the top three in the nation.

■ Florida was also one of only five schools in the country to have both its men's and women's swimming teams finish in the top three in the nation.

■ Florida was also one of only five schools in the country to have both its men's and women's tennis teams advance to the quarterfinals of their respective NCAA Championships.

■ Six Gator coaches were named SEC Coach-of-the-Year:
— Buddy Alexander, men's golf
— Skip Foster, men's swimming
— Mitch Ivey, women's swimming
— Beverly Kearney, women's indoor track
— Steve Spurrier, football
— John Webb, men's cross-country

■ In addition, five Gator mentors received Regional and National Coach-of-the-Year honors:
— Andy Brandi, women's tennis, ITCA South Region Coach-of-the-Year
— Ian Duvenhage, men's tennis, Region III Co-Coach-of-the-Year
— Skip Foster, men's swimming, NCAA Coach-of-the-Year
— Beverly Kearney, women's track, NCAA Indoor Coach-of-the-Year
— John Webb, men's cross-country Region III Coach-of-the-Year

■ The University of Florida, the University of Texas and the University of Southern Cal are the only three schools in the country who are members of the Association of American Universities (the nation's most prestigious organization of higher education), had an overall combined athletic program that ranked among the ten most successful in the nation in a 1990 ranking by *USA Today* and had their football teams ranked among the nation's top twenty in the final *Associated Press* poll.

## FLORIDA'S ATHLETIC PROGRAM... A SOARING TRADITION

■ Florida's 53 Academic All-Southeastern Conference selections in 1990-91 brings the total number of Gator academic honorees to 376 since 1980, the top total for a school in the SEC over that span.

■ As mentioned, when final national research is completed by *USA Today* on the 1990-91 season, it is expected that Florida will be ranked among the ten most successful overall athletic programs for the eighth consecutive year.

■ Since 1980, Florida teams have combined to rank in the final top ten in their respective sport a total of 79 times. Thirty-seven times since 1980, Gator teams have finished among the final three in the nation.

■ The Florida athletic program has claimed at least one national title in seven of the past 11 years. Overall, since 1980 Florida has won nine national team titles.

■ Since 1980, Florida has won a total of 52 SEC titles, a total representing the most league crowns for a conference member over that time span.

■ Florida's combined men's and women's athletic program ranked as the best in the Southeastern Conference in 1987-88, 1988-89 and 1990-91.

■ Since 1980, Gator student-athletes have earned 1,121 combined All-America honors. Over that same time, Florida athletes have garnered 132 individual national titles.

■ In the last three Olympics (1980, 1984, 1988), Florida's had 57 representatives on Olympic teams. That contingent earned 26 Olympic medals, including 15 gold medals.

■ In the decade of the 1980s several firsts were achieved by Gator athletic teams. The 1988 baseball team became the first in school history to participate in the College World Series, the men's basketball team won its first SEC title in 1989 and made its first NCAA Tournament appearances (1987-1989), and the 1984 and 1985 football squads finished first in the final SEC standings for the only time in school history.

***University of Florida ace righthander John Burke led the baseball team to its second College World Series in four years. Burke was also the sixth selection in the first round of Major League Baseball's Amateur Draft (by the Houston Astros). With Huey Richardson's selection in the first-round of the NFL Draft (by the Pittsburgh Steelers), Florida was one of only three schools in the nation to have a first-round selection in both football and baseball.***

■ Florida set school records for most football wins (76) and most bowl appearances (7) in a decade during the 1980s. The men's basketball team also set the school record for basketball wins in a decade with 157 victories during the '80s, as did the baseball team with 391 wins in that ten-year period.

■ In 1987-88, Florida was the only Div. 1A school in the nation to send its football team to a bowl game, its men's basketball team to the NCAA Tournament and its baseball team to the College World Series.

■ Defensive end Huey Richardson was selected in the first-round of the NFL Draft by the Pittsburgh Steelers, marking the ninth consecutive year UF has had a first-round selection in the NFL Draft, an achievement no school in the nation can match since the NFL began its proceedings in 1936. Richardson was the 13th Gator first-round selection since 1983, also the top total in the nation over the last nine years.

■ During the 1980s, Lady Gator teams earned 29 Southeastern Conference titles — more than twice the number earned by any other SEC school.

■ Five Lady Gator student-athletes were honored a total of seven times with the Broderick Award, which is given annually to the nation's top individual in each sport.

# BEN HILL GRIFFIN STADIUM AT FLORIDA FIELD

Ben Hill Griffin Stadium at Florida Field has moved into the national spotlight in recent years as one of collegiate football's best stadiums, from a player and fan standpoint.

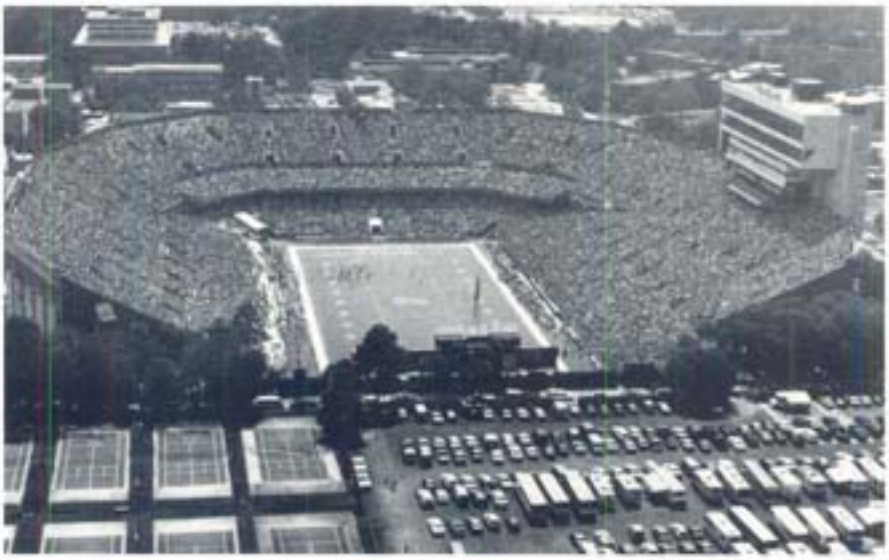

The 1991 season marks the 62nd year that Florida Field is the home of the Gators. Prior to the 1989 season, Florida Field took on the expanded name of Ben Hill Griffin Stadium at Florida Field in honor of Ben Hill Griffin, Jr., a life-long Gator supporter and fan who had been extremely benevolent and generous to several sectors at the University of Florida prior to his passing in March of 1990. Florida Field was originally dedicated on Nov. 8, 1930 when Florida met Alabama. Over the years, Florida Field has become a standing remembrance to all Floridians who have died in military service to our nation.

The completion of the south endzone project in August of 1982 raised the seating acapacity of Ben Hill Griffin Stadium at Florida Field to over 72,000 and gave the Gator football program one of the nation's top collegiate stadiums. Since that time, Florida has ranked in the top 15 nationally in attendance for nine consecutive years.

With the crowning jewel of Florida Field — the north endzone expansion project — completed just prior to the 1991 season, capacity now stands at 83,000, making Florida Field one of the eight largest on-campus stadiums in the nation.

The 18,000 seats with 1982 expansion, concourses encircling the entire stadium, new restrooms, new concession stands and a beautiful athletic training center located beneath the stands in the south endzone, were all part of a master plan to develop athletic facilities at Florida that are second to none. The Ben Hill Griffin, Jr., Athletic Training Center, the luxury skyboxes and a spacious and highly-functional press box combined to make Florida Field the premier collegiate stadium in the state of Florida.

Also new for the 1990 season was the all-natural grass playing surface which was installed during the summer, shortly after the arrival of head football coach Steve Spurrier. The natural grass surface replaced an artificial surface which had been in place since 1971.

The original stadium, constructed in 1930, consisted of the lower half of the current stadium. Seating capacity was 21,769. The entire stadium was constructed below ground. In 1950, over 11,000 seats were added on the west side and another 7,000 were provided by bleachers on the east side. The additions brought seating capacity to 40,116. Additional bleacher seats were added during the 1950s, bringing capacity to 46,164 by 1960. In December of 1965, construction started again on further additions that added over 10,000 permanent seats on the east side and temporary bleachers moved from the east side to the south endzone, providing a total capacity of 62,800 (56,164 permanent seats). The south endzone expansion in '82 enclosed the south end of the stadium, and brought the capacity to 72,000. The north endzone transformed the horseshoe into a bowl and raised capacity to 83,000.

The 1991 Gator Radio Network is the largest in Florida in regard to stations covering all eleven (11) regular season games live each Saturday. More than sixty (60) stations throughout the Sunshine State will carry Gator football broadcasts with many of those stations also carrying "Gator Hotline with Steve Spurrier" on Thursday nights and the daily "Gator Football Report."

All eleven (11) games on the network begin with the "Tail-Gator" show which begins ninety (90) minutes prior to kickoff. "Countdown to Kick-Off" starts thirty (30) minutes before game time. Following the game is the Gator "Lockerroom Show" which includes the "Steve Spurrier Post-Game Show".

The very popular "Gator Hotline with Steve Spurrier" is aired on Thursday evenings (6:30-7:30 PM, EST) during the season and allows fans a chance to talk Florida football with Spurrier, in addition to football team updates and a look at the upcoming opponent.

1991 Gator Radio Network subject to change. Network list as of 6-10-91.

daily four-minute program, keeps fans updated on the Gator football program Monday through Friday during the 1991 season.

In charge of hosting all shows on the network and game play-by-play is the "Voice of the Gators", Mick Hubert. Hubert is in his third season behind the mic for the Gator Network after serving as sports director of WHIO-TV and Radio in Dayton, Ohio from 1979-89. He served as the radio voice for the Dayton Flyers for both football and basketball. Hubert, a native of St. Anne, Illinois, graduated from Illinois State University in 1976.

Former Gator coach and all-SEC wide receiver (1972-74), Lee McGriff, will handle the color duties for a fifth year. McGriff, a Tampa native and UF Hall of Fame member, is currently an insurance agent in Gainesville.

Steve Babik, who coordinates the Gator Radio Network, will cover the sidelines. He also serves as color analyst for basketball and works with Hubert on Gator baseball. Babik hosts the "Steve Spurrier Post-Game Show" from the lockerroom. He is a native of Struthers, Ohio, and a 1982 graduate of Penn State University.

All Gator Radio Network programming is distributed by Sunstar Satellite Services out of Ocala. Steve Woodard is the producer of all Gator programs for Sunstar.

WOKV-AM and FM (600 and 100.7) in Jacksonville is the flagship station while the American Network Group out of Nashville, TN is the rights holder. Tom Stevens is the executive producer of the Gator Network.

All Gator football game broadcasts will be available to fans outside the state of Florida via an 800-telephone service and through selected radio markets.

SportsChannel℠ Home of the Gators

"Florida Football with Steve Spurrier", a 30-minute show on Sundays that highlights Saturday's game along with special features, returns for a second year across the state of Florida.

The show is hosted by Mick Hubert and features Coach Spurrier. An over-the-air network along with SportsChannel both carry the program and make it the most watched highlight show in Florida according to Arbitron Ratings (1990). A complete station listing will be announced in August. The show is produced by SportsChannel and the University Athletic Association at the studios of WCJB-TV in Gainesville.

"Florida Replay," complete game coverage of all eleven (11) games, will be shown Saturday nights on a delayed basis to more than four (4) million homes in Florida by SportsChannel and the GatorVision TV network.

The first showing of "Florida Replay" is at 11:30 PM Saturday nights and, in addition to being shown statewide, is aired in many of the nation's top markets by SportsChannel. A complete listing of the SportsChannel and GatorVision Network will be announced in August.

Calling the action for "Florida Replay" is David Steele, former "Voice of the Gators" and currently calling the radio action for the NBA's Orlando Magic. Former Gator and NFL standout Jim Yarbrough handles the color commentary while Steve Babik of the Gator Radio Network reports from the field. Larry Vettel of WRUF-AM fills in for Steele when there are NBA conflicts while Keith Allo serves as the producer for "Florida Replay."

"Gator Hotline with Steve Spurrier," heard Thursday nights (6:30-7:30 PM, ET) on the Gator Radio Network, is also carried live exclusively on the SportsChannel Florida Network.

# THIS IS FLORIDA FOOTBALL

Dear Prospect,

As the coach at the University of Florida, I want to congratulate you on being considered for a football scholarship at the most prestigious state university in the Southeast. We are very proud of the academic ranking of our school and the very high value of a degree from our institution.

Our coaching staff wishes you a most successful senior year, not only on the football field, but also in the classroom and in other extracurricular activities. Your senior year in high school is one of the most important and most fun years of your life. I suggest you enjoy it to the fullest with your teammates and classmates. You'll remember your senior year for the rest of your life.There will be plenty of time to check out the schools of your choice after your high school season is over.

When making one of the most important decisions of your life, which school to attend, I ask you to consider these questions: What university offers the most academically, athletically and socially?

The University of Florida is the 2nd-ranked academic school in the Southeastern Conference. Vanderbilt, a private school in Nashville, Tennessee, is first. We are the highest ranked academic state university in the Southeast.

We compete at the very highest level of college football. In the 1990 season, Florida and Notre Dame were the only two teams in the nation which had four final Top 10 teams from 1989 on its schedule. In 1991 the Gators will face six 1990 bowl teams and five teams that completed the 1990 season ranked among the top 25 teams in the nation. We expect to compete annually for the SEC championship, which independent schools can't do. Additionally, Florida has produced first round draft choices each of the past nine years, the only school in the nation to accomplish that. In fact, Florida is the only school in the nation to ever achieve that distinction since the NFL began its draft in 1936.

Socially, our university has a healthy atmosphere where students from many different backgrounds enjoy fellowship together. Whatever a student is looking for in a university or its location can be found here at Florida.

Have a successful, healthy and fun high school senior year and hopefully for all of us you'll choose to be a Gator.

Sincerely,

STEVE SPURRIER
HEAD FOOTBALL COACH

*We encourage young student-athletes to join us at the University of Florida where we take great pride in the academic and athletic success of our students. Student-athletes at the University of Florida enjoy the benefits of superb facilities, but more importantly, they join programs headed by exceptional coaches. Head football coach Steve Spurrier, like all of us at Florida, has committed himself to develop a first-class football program that reflects the quality and pride of players, and that inspires the respect, admiration, and pride of faculty, students, alumni and friends of the university.*

■ DR. JOHN LOMBARDI, President

*The University of Florida's commitment to excellence in academics, athletics, facilities, health care, student life, academic support and fan support are all a part of why it is great to be a Florida Gator. From the day a student-athlete enrolls at Florida to the day they walk across the O'Connell Center stage to receive their degree, our complete staff is available to help them achieve the winning edge. They benefit from quality faculty and coaches and the family atmosphere present on campus and in the community and state. We believe that the Florida experience is truly an experience that prepares young men and women to meet the challenges now as student-athletes and later in life in their chosen professions.*

■ BILL ARNSPARGER, Director of Athletics

*Gator football is a positive experience for our players, fun to play in a family atmosphere. The excitement of playing at sold-out Florida Field in front of 84,000 fans...having your games on national TV over 75 percent of the time...competing at the highest level in the nation's best league, the SEC. That is Florida football. When you combine it with a degree from the University of Florida, the highest-ranked state university in the south, you achieve the ultimate college experience.*

# BEST OF BOTH WORLDS

## *The Facts Show That the University of Florida Is Indeed One of the Very Few Schools in the Nation that Ranks Among the Elite for Both Academic and Athletic Achievement*

A lot of schools talk about academic and athletic achievement but few in fact have demonstrated that high level of attainment. Count the University of Florida among the elite group of universities that has indeed demonstrated a level of achievement, success and stature that places it among the nation's premier institutions for academic attainment *and* athletic attainment.

Take a look at the chart below which lists the schools that have been admitted to the Association of American Universities (AAU), the most prestigious organization of higher education in North America. Now take a close look at the final 1990 AP national football rankings. Universities that were ranked in the final AP Top 20 football poll which are also members of the AAU are in bold type. Please note that just eight of the 20 schools in the final AP poll are also members of the AAU.

including the University of Florida. This fact solidly demonstrates that the University of Florida football program is indeed one of the few in the nation that is ranked at the very highest levels for both academic and football success.

Now also look at the chart that ranks the nation's finest overall combined athletic programs. The University of Florida has ranked among the ten most successful combined men's and women's athletic programs in the country in each of the last seven years (1983-90). In USA Today's most recent rankings (July of 1990) UF ranked as the fifth most successful combined program in the nation for the 1989-90 athletic year. Schools that also belong to the AAU are in bold type. Once again, it shows that the University of Florida is indeed a part of a very small group of schools that belongs to the nation's top educational organization as well as boasting an overall athletic program that ranks among the ten best in the country.

Such facts clearly demonstrate that when the University of Florida talks about "The Best of Both Worlds" it indeed is one of the very few schools in the nation that backs up such a statement with undeniable achievement to substantiate the claim.

# FIRST CLASS FACILITIES

## Modern and Convenient Facilities Rate Among the Very Finest in the Nation

From beautiful Florida Field, to the lockerrooms, weight and conditioning area, training and physical therapy complex, squad meeting rooms, practice area, dining and living areas and the coaches offices, convenience and quality was paramount when the University of Florida made a commitment in the 1980's to put together one of the most impressive athletic facility complexes in the country. Because everything that was built was designed with the student-athlete in mind, Florida's complex not only rates as one of the premier units in the nation, but it also rates among the most efficient and well-conceived in the country as well. All one has to do is listen to Florida student-athletes talk about the facilities to quickly appreciate how highly regarded they are.

***"I was fortunate to be recruited on a national basis and I can honestly say that Florida's facilities are second to none. Everything, and I mean everything, is first-class. What makes it all the better is the fact that you have everything here; the dining room, dorm room, training facilities, workout room, and locker room. The convenience factor combined with the quality of everything makes the facilities exceptional."***

■ OT DAVID WILLIAMS

I really don't think that there is another school that can top Florida."***

# SUPERLATIVE SUPPORT

## *As the Facts Show, Florida is Unquestionably the Leader in the Sunshine State in Demonstrated Fan Interest and Support and it Clearly Stands with the Nation's Elite in Those Important Categories*

Florida football is more than a sport. For hundreds of thousands of fans in the sunshine state it is an obsession. Their enthusiasm and loyalty, which they demonstrate time-and-time again, has elevated Florida football to a level where it unquestionably ranks as the most supported team in the state and indeed, among the most supported in all of college football. That support and interest still continues to grow and has led to a 10,000 seat expansion of Florida Field which will raise capacity to over 83,000 this fall and elevate the Gator program to the very highest echelon of support.

The following facts clearly demonstrate the premier level of support that Florida football receives.

■ Over the last nine years Florida has ranked among the top ten percent of all teams in the nation in attendance.

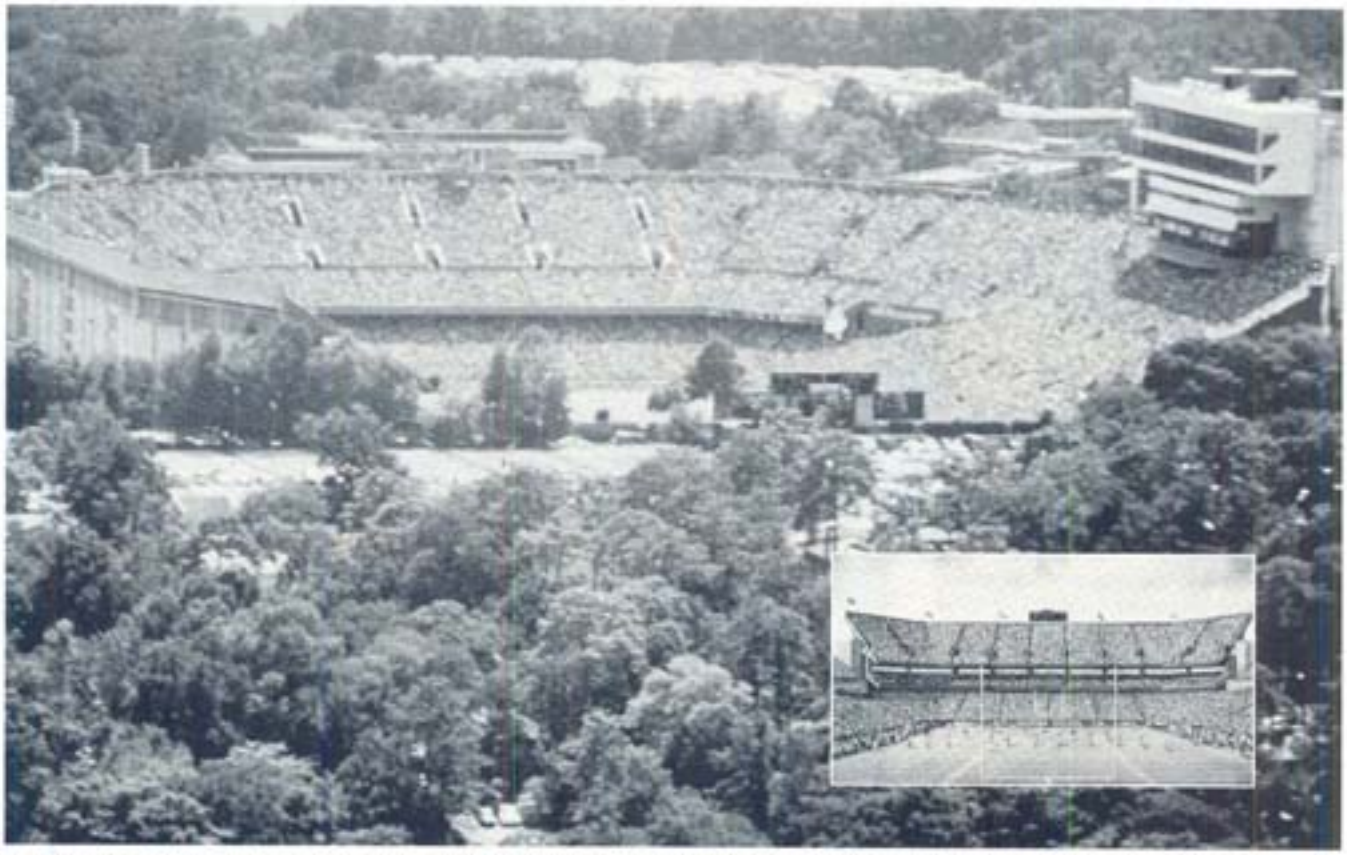

■ In eight of the past nine seasons the Gators have averaged over 72,000 fans for home games at Florida Field.

■ In each of the past nine years Florida has ranked among the top 15 schools in the nation in average home attendance. The Gators ranked tenth in that category in 1990 with an average of over 74,200 fans per home game.

■ Florida sold 100% of all available season tickets (62,000) every year from 1985-90. That development is the primary reason why a decision was made to add 10,000 seats for the upcoming season.

■ Florida sells more season tickets (62,000) than any organization, collegiate or professional, in the state.

tory, collegiate or professional, to sell every ticket to every home game prior to the start of the season.

■ The Gators have played before home crowds of more than 70,000 in each of the past 39 home games. During that same seven-year timespan (1984-90) other football playing schools in the state played before home crowds of more than 70,000 just six combined times.

■ Of the 20 largest all-time top attendance games in state history (regular season college and pro games, bowl games, pro playoff games, Super Bowls), the University of Florida has participated in eleven. No other college team in the state has been a part of more than three of those top 20 all-time attendance games. With Florida Field being expanded to 83,000 this fall the Gators will dominate this category even more solidly.

# THE SOUTHEASTERN CONFERENCE

## *Success, Achievement, Competiveness, Intensity, Support, Attention, and Glittering Tradition Make It America's Premier Conference*

The tradition and success of the Southeastern Conference runs long and deep. Established in 1933 it has rightfully achieved a distinction for national respect that places it right at the very top of college football. Eleven national championship teams, 229 combined bowl appearances and six Heisman Trophy winners are but a few of the outstanding achievements that the SEC has jointly achieved over the course of nearly 60 years.

One thing that really stands out about the SEC in comparison to many of the nation's conferences, is that interest, support, attention, national media profile, and intensity are still growing. A review of the past few years shows just how dominant the SEC has become in terms of these categories.

■ In each of the last eight years the SEC has led the nation's conferences in stadium capacity percentage. In 1990, 93.3% of all conference stadium seats were filled over the course of the season.

■ In each of the last three years the SEC has led the nation's conferences in total and average attendance. In 1990 alone, the SEC attracted over 4.2 million fans at home games and averaged over 63,700 fans per home game. With the addition of Arkansas and South Carolina into the football conference schedule in 1992 the league will likely surpass the five million attendance mark for fans in 1992, a total that will even further the distance between the SEC and other conferences in the nation.

■ During the decade of the 1980's no conference posted a better non-conference record (358-164-17 for a

***The SEC is the most competitive conference in the nation. The intensity helps bring out the best in everyone. Playing in this league is also excellent preparation for playing in the NFL. ■ OT DAVID WILLIAMS

*During the 1980's no conference posted a better non-conference record; played in more bowls; won more post-season games; appeared in more AP final top 20, top 10 or top 5 rankings; captured more AP national titles; had more Heisman Trophy winners and placed more teams in the top 10 attendance figures than the SEC. In addition, the league was the only conference to have at least one team in the final top 10 each year during the decade of the 1980's.*

.690%), played in more bowl games (56 total bowl appearances), won more post-season bowl games (29), appeared in more final Associated Press Top Twenty (34), Top Ten (20) or Top Five polls (9), had more Heisman Trophy winners (2), and had more teams in the top ten in final attendance figures (36) than the Southeastern Conference.

■ Since 1985 the SEC headlines all conferences with 245 total players drafted by the NFL.

■ In both 1989 and 1990 the SEC had six teams place in the top 13 in final average attendance rankings. In 1990 the SEC had six of its ten teams place in the top 13, a figure that was double any other conference in the nation. The Big Ten had three teams place in the top 13 for average home attendance, while the ACC, Big 8 and Southwest Conference placed one school each in the final top 13 attendance rankings.

Bedded in the ground of tradition, proud of its successful past, proven in its present and excited about its promising future, the SEC looks to the 1990s with great anticipation as "The Tradition Continues."

| Big Eight | 2,257,825 | 46,078 |
| Atlantic Coast | 1,988,781 | 42,314 |

The SEC also led the nation's conferences in percentage of capacity. In 1990, 93.3% of all conference stadium seats were filled throughout the course of the season. In addition, the SEC dominated the nation's conferences in total number of teams that ranked among the nation's top attendance draws. Six of the country's top 13 attendance schools came from the SEC, a total that doubled any other conference. The Big Ten had three schools appear in the nation's top 13 for attendance while the Big Eight, ACC, and Southwestern had one each.

***The SEC's television contract with TBS Sports in 1990 made it the only conference in the country which has its "Game of the Week" televised nationally each week throughout the entire season. That contract, combined with a high number of television exposures on ESPN and over-the-air networks like ABC gives the Southeastern Conference tremendous national exposure.***

***In 1992 the SEC will become the first conference in the nation to host an annual championship game, an event that will draw tremendous national interest. The championship game, which will be scheduled each year on the first Saturday in December, will further elevate the already high national profile of the SEC.***

# TRADITION AND HERITAGE

## *Some of College Football's All-Time Great Players Combine with Other Impressive Individual and Team Achievements to Give the Gator Program A Proud Past*

*Head Coach Steve Spurrier epitomizes Florida's football heritage and tradition. The 1966 Heisman Trophy winner is one of 22 Gator players selected in the first-round of the NFL Draft and one of over 70 UF players to earn All-America honors through the years.*

Football tradition and heritage comes over time. It results from a steady flow of achievements through the years that together eventually stamp a program with an impressive list of accomplishments. As the following facts point out, the University of Florida is one of those schools that has compiled an impressive list of accomplishments and achievements.

- Florida was a charter member of the prestigious Southeastern Conference when it was formed in 1933.
- QB Steve Spurrier was the recipient of the 1966 Heisman Trophy and linebacker Wilber Marshall was named the "National Defensive Player of the Year" in 1983.
- Seventy-three Gator players have achieved All-America recognition, including 41 alone in the decade of the 1980's.
- Twenty-two Florida players have been selected in the first-round of the NFL Draft.
- Florida was named the 1984 National Champion by both *The Sporting News* and *The New York Times* after its 9-1-1 season.
- Eighteen bowl game appearances.
- Ninety-three players have earned first-team All-SEC honors.
- Florida has ranked among the nation's top fifteen schools in average home attendance in each of the last nine years.

■ Florida has been ranked in the Associated Press Top Twenty Poll at some point in the season in 35 of the last 40 years.

■ Florida posted the best record in the tough Southeastern Conference in each of the 1984, '85 and '90 seasons.

■ In each of the last nine years (1983-91) Florida has had at least one player selected in the opening round of the NFL Draft, the only school to achieve that distinction during that nine year period and the only school in the country to achieve that length of first-round success since the NFL Draft began in 1936.

■ From 1983-91 Florida had 13 players selected in the first-round of the NFL Draft, the top total in the nation for that nine year period of time.

■ In 1989, Florida had three players selected in the first-round of the NFL Draft, the only school in the nation to achieve that distinction.

*A rich part of Florida's football tradition is its number of first-round selections in the NFL Draft over the last several years. Florida has had at least one first-round selection in the NFL Draft in each of the last nine years, an achievement that no school in the nation can match. Florida is the only school in the nation to ever have at least one selection in the opening round of the NFL Draft for nine consecutive years since the NFL started its draft in 1936.*

# SUCCESS AND ACHIEVEMENT

## Florida Has Ranked Among the Nation's Best

*Florida has ranked in the Associated Press Top Twenty poll as some point during the season in 35 of the last 40 years. The Gators finished 13th in the final 1990 AP Poll after posting a 9-2 record and the SEC's top record with a 6-1-0 mark.*

■ In 35 of the last 40 seasons of play the Gators have been ranked in the Associated Press Top Twenty Poll at some point during the season.

■ Florida was named the National Champion by *The Sporting News* and the *New York Times* after a 1984 season in which the Gators posted a 9-1-1 record.

■ The Gators 49-9-2 record at Florida Field the last ten years ranks among the five best home field records in the nation over the decade.

■ Florida was the only school in the nation that ranked in the top six in the final AP Poll in each of the 1983, 1984 and 1985 seasons. Florida was the only team in the nation that ranked in the top five in the final AP Poll in each of the 1984 and 1985 seasons.

■ Florida's 24-4-2 combined record from 1983-85 ranked as the second best in the nation over that three-year period.

■ Florida's 24-7-2 record (.757%) from 1984-86 ranked as the seventh best winning percentage in the nation during that three-year period and its 33-9-3 record (.766%) from 1983-86 ranked as the sixth best winning percentage in the nation over that four-year time period.

■ In research conducted by the NCAA prior to the start of the 1987 season, the University of Florida was the only school in the sunshine state to be ranked among the twenty most successful programs in the nation in the 25-year period from 1962-86.

■ Florida has ranked in the AP Top Fifteen at some point in the season in seven of the last nine years of play.

■ Florida has appeared in 18 bowl

# INCREDIBLE MEDIA EXPOSURE AND ATTENTION

## *Every Aspect of Modern Mass Media Communications And Technology is Present in Such a Large Manner That the Florida Squad and Gator Players are Assured of Always Being in the National Limelight*

The media attention and exposure associated with the Florida football program is nationally renowned. The Gator program has a reputation around the country for being one of, if not *the* most, intensely covered collegiate teams in the country. The daily media attention assures that the Florida team and its players receive incredible media and public exposure.

*Florida's national television profile is unquestionably one of the highest in the nation. In 1990, 73% (8 of 11 games) of Florida's schedule appeared on live national television. Twenty-four (24) of the Gators' last 40 games, 60%, and 27 of their last 47 games, 57.5%, have appeared on national TV. In short, nearly 60% of Florida's games the last four years have appeared on live national television.*

As the facts below demonstrate, very few schools in the nation can match the University of Florida's high media profile.

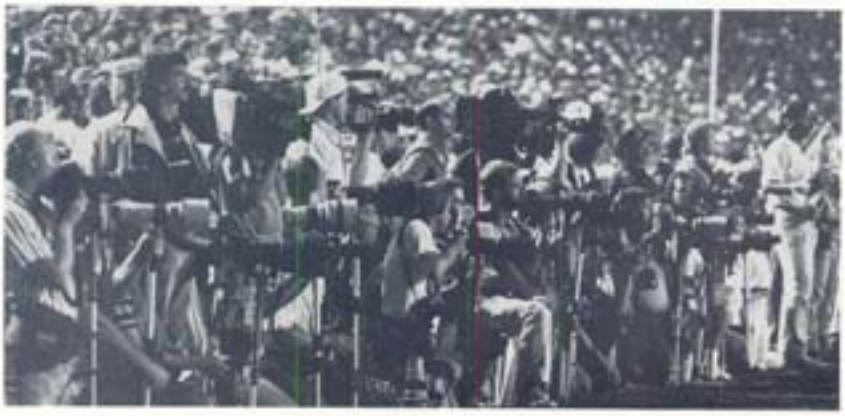

- In 1990 the University of Florida appeared on national television eight times. Seventy-three (73) percent of UF's games (8 of 11) were nationally televised in 1990.
- In its last 40 games the Gator football team has appeared on national TV 24 times. Sixty (60) percent of UF's last 40 games have been on national TV.
- In 27 of its last 47 games, 57.5%, Florida has appeared on national television. In short, over the last four seasons, nearly 60% of all UF football games have appeared on live national television.
- Eight of the ten largest newspapers in the south and southeast are located in the sunshine state and cover the Gator program daily.

# RECOGNITION

## A High National Media Profile and the Prestige of the Southeastern Conference Place Gator Players in Prime Position for National Recognition and Awards

The combination of tremendous media attention on a daily basis, the large number of national television exposures and the national respect for the quality of play in the Southeastern Conference combine to place University of Florida players in an excellent position to garner national recognition, honors and awards. Those factors combine to place Gator players in the national limelight on a consistent basis.

Consider the following:

- Since 1982 alone, fifty-one (51) Gator players have received All-America recognition. Three players received that honor in 1982, 5 in '83, 6 in '84, 7 in '85, 6 in '86, 6 in '87, 7 in '88, 6 in '89 and 5 in 1990.
- At least one University of Florida player has earned first-team All-America honors in each of the last eleven years.
- Since 1983, Florida has averaged six players a year who received All-America recognition.
- A Florida player has received the "SEC Player of the Year" award in each of the last two seasons and three of the past seven years. Since 1984 Florida has had more "SEC Player of the Year" awards (3) than any school in the conference.
- Since 1983 Florida has had at least one player selected in the first-round of the NFL Draft each year, the only school in the nation to achieve that distinction over the last nine years. In fact, UF is the only school

*Shane Matthews, the 1990 SEC Player of the Year as a sophomore, will likely be considered a preseason Heisman Trophy candidate by media representatives this season. He would then join QB Wayne Peace, QB Kerwin Bell and RB Emmitt Smith as Florida players who have received consideration for that prestigious award in the last nine seasons.*

to achieve that distinction since the NFL began its draft in 1936.

■ From 1983-91 Florida had 13 players selected in the opening round of the NFL Draft, the most for any school in the nation over that nine-year time span.

■ Wilber Marshall was selected the "National Defensive Player of the Year" in 1983.

■ QB Wayne Peace (1983), QB Kerwin Bell (1986 and 1987), RB Emmitt Smith (1987, 88, 89) and QB Shane Matthews (1991) have all received Heisman Trophy consideration in the last nine years.

■ Every year since the "Thorpe Defensive Back of the Year" award was established, a Florida player has been given high consideration (Jarvis Williams in 1987, Louis Oliver in 1988, Richard Fain in 1989 and 1990 and Will White in 1990 and 1991.

■ Defensive End Huey Richardson was one of twelve announced finalists for the Lombardi Award in 1990.

■ Offensive tackle David Williams was considered a top candidate for the Outland Trophy in 1988.

***QB Kerwin Bell (right) is one of three Florida players to earn "SEC Player of the Year" honors in the last seven years — most for any conference school over that time period. Bell is one of 35 Gator players who have combined to earn 51 All-America honors over the course of the last nine years.***

***In 1983 Wilber Marshall, who went on to become a first round selection in the 1984 NFL Draft by the Chicago Bears, was named the "National Defensive Player of the Year."***

# BOWL-GAME EXPERIENCE

## During the Decade of the 1980's Florida Participated in Bowl Games That Were Held in Seven Different Cities and Six Different States

There really is nothing quite like the experience of playing in a bowl game. The event and the surrounding experiences are among the most pleasant memories of a college football career.

Much of those memories and experiences come from traveling to different cities and states. In that regard, Florida was tough to match during the recently concluded decade of the 1980's as Gator football teams participated in seven bowl games that were held in seven different cities and six different states stretching from coast-to-coast and beyond. During the 1980's Florida football squads played in post-season bowl games in Honolulu, Hawaii, the Los Angeles area, Houston, Birmingham, Atlanta, Jacksonville and Orlando.

With Coach Spurrier's crowd pleasing offense, an exciting and attacking defense, a high national profile and loyal supporters, Florida will be one of the nation's most attractive bowl teams during the 1990's.

# GAMEDAY

## The Atmosphere at Florida Field on Gameday Ranks With the Most Vibrant and Electrifying in All of College Football

All of the interest, emotion, dedication, loyalty and commitment that makes Gator football so special manifests itself on gameday at Florida Field. The state's captivation with Gator football, along with unwavering fan loyalty and passion, turns beautiful Florida Field — truly one of the nation's great spectator stadiums — into a sea of orange and blue emotion and support that is hard to fully describe.

Suffice it to say, that Florida students, alumni and fans truly believe that they are indeed the 12th man on the field. They have played no small part in the fact that the Gators have posted a sparkling 49-9-2 record at home since the 1981 season.

The emotion, crowd participation and electric atmosphere that is created at Florida Field on gameday has become nationally renowned. In 1987 the National Cheerleaders Association of America selected the Gator faithful as the most participative and supportive crowd in all of college athletics in the first year of national competition for that award. In the summer of 1989 *The Sporting News* named Florida as the top college crowd in the nation in its preseason football magazine.

## An Unforgettable Memory

"*I'll always have so many fond memories of my years at Florida. Playing at Florida Field, however, will always remain something very special. Players from other teams always commented that playing here was the toughest place to visit, and that's because of the Gator fans. They are always there no matter what. At other stadiums the intensity of the fans was off and on; loud one moment and then at other times you didn't really hear them. That's never the case at Florida Field. The fans are always supportive. They really are special and I'll never forget the feeling of running out of the tunnel at Florida Field. It gives me goose-bumps just thinking about it. I really had the time of my life out there.*"

# PARAMOUNT PERSONAL CARE

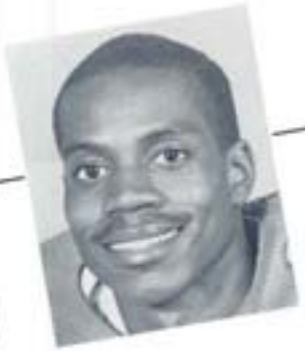

## *Support Staffs in Sports Medicine, Office of Student Life and Physical Development Have Demonstrated a Total Commitment to Assisting Student-Athletes Reach Goals and Objectives*

The University of Florida has evolved into one of the nation's premier schools for combining the "Best of Both Worlds" — a combination of academic and athletic attainment. The University understands and appreciates the efforts of the hundreds of student-athletes who have built and perpetuated Florida's ever-growing national standing for attainment and excellence.

As a result of that understanding and appreciation for the efforts extended, the University and the University Athletic Association have made a demonstrated commitment to providing its student-athletes with not only the best facilities but also the best as it relates to academic and physical care and development. The Office of Student Life, sports medicine, and strength and conditioning staffs are all nationally renowned in their respective fields.

Each has a demonstrated commitment to assisting young men and women reach their goals and objectives in the classroom while also maximizing their potential as athletes. For each of these support staffs at the University of Florida their first and primary focus and concern is the student-athlete. They strive each day to create an atmosphere of personal care and concern that the student-athletes truly appreciate and respect.

As the comments on these two pages show, Florida's student-athletes do indeed respect, admire and appreciate the paramount personal care that they receive. Their comments provide testimony that the University of Florida's drive, effort, dedication and commitment for providing first-class personal care and direction is indeed admired and respected by its toughest critics — the student-athletes themselves.

Dear Mr. Arnsparger:

The purpose of this letter is to formally express my appreciation to the University of Florida Athletic Association, student life counselors and support staff. I am grateful for the academic and athletic support I received while at the University of Florida.

When I reflect back on my undergraduate days, I can't help but be thankful for the avenues provided that enabled me to excel and obtain goals that I had set for myself. Far too often, the balance between athletics and academics is overlooked in "Big Time" college athletics. I am proud to say this never occurred with me and I am confident that the UAA will continue to encouraged both athletic and academic excellence.

I have just recently graduated from the University of Florida College of Medicine and will be training in orthopaedics in New Orleans for the next five years. If I can ever be of assistance to another student-athlete or the UAA in general, please don't hesitate to call on me. Once again, thank you for your support.

Sincerely yours,

Gary Rolle, M.D.

## *Unmatched NFL First-Round Draft Success*

- Florida has had at least one player selected in the first round of the NFL Draft in each of the last nine years (1983-91), the only school in the nation to achieve that distinction.
- Florida's current streak of nine consecutive years with at least one first-round selection in the NFL Draft is the longest continuous stretch of first-round choices for any school in the nation since the NFL Draft began in 1936.
- Florida has had 13 players chosen in the first round of the NFL Draft in the last nine years (1983-91), a total that ranks first in the nation.
- Florida had three first-round draft selections in the 1989 NFL Draft, the only school in the nation to achieve that distinction.
- With the selection of defensive end Huey Richardson in the first round of the 1991 NFL Draft, Florida has now had 22 first-round choices in school history. Here is the breakdown of that group by positions: Runningbacks (8), Quarterbacks (2), Wide Receivers (2), Offensive Linemen (2), Defensive Linemen (3), Linebackers (3), Defensive Backs (2).
