JC Deacon

Head Coach - Fourth Season

Entering his fourth season as head coach of the Florida Gators, JC Deacon looks to expand on the success of his first three seasons with the Orange and Blue. In the third season under his direction, the Gators tallied five team victories, nine top-5 finishes and 11 top-10 finishes en route to earning a national seed in the program's 53rd appearance in the NCAA Tournament. Individually, Florida had four players finish atop the leaderboard including Alejandro Tosti's victory at the SEC Championships. Florida also had nine top-5 finishes and 21 top-10 finishes in 2016-17.

Deacon saw two of his golfers in Sam Horsfield and Tosti garner national honors as the pairing were both named to the Golfweek and PING All-America Teams. Tosti was placed on the Golfweek First Team, PING second team and All-SEC. Horsfield garnered honorable mention honors from Golfweek and PING and All-SEC Honors. Gordon Neale was also named to the All-SEC team while Andy Zhang made Freshman All-SEC.

During its second season under his guidance, the team notched two victories, nine top-5 finishes and 11 top-10 finishes on its way to the NCAA Championships, the program's 52nd appearance in the event. They improved in every postseason tournament, finishing tied for third at the SEC Championship, tied for second at the NCAA Regional and 15th at the NCAA Championships. Individually, Deacon saw his players capture four victories, four runner ups and 22 top-10 finishes.

Under Deacon's coaching, Sam Horsfield cleaned up the awards season, winning the Phil Mickleson Award and SEC Freshman of the Year while also being named First Team Ping All-America, GCAA All-Freshman Team, PING All-Southeastern Region Team, All Nicklaus Team, and All-SEC. Deacon also saw Gordon Neale be named a Ping All-America Honorable Mention and named to the First-Year SEC Academic Honor Roll, Alejandro Tosti named to the PING All-Southeastern Region Team, and four Gators make the SEC Academic Honor Roll.

In Deacon's first season at the helm, the 2014-15 squad placed fourth at the NCAA Regional Championship en route to qualifying for the NCAA Championships for the

51st time in school history. On the way to the postseason, Florida collected seven top-10 finishes, including four runner-up performances. UF combined for 34 top-25 finishes and 14 top-10 finishes, with three Gators placing in the top five multiple times.

In his initial year with the program, Deacon coached J.D. Tomlinson to spots on the PING Honorable Mention All-America Team, PING All-Southeast Region Team and second team All-SEC and led Alejandro Tosti to a place on the Freshman All-SEC Team. Under his watch, five Gators were named to the SEC Academic Roll, one was selected to the SEC First-Year Academic Honor Roll and two were chosen as Cleveland Golf/Srixon All-America Scholars.

Prior to his head coaching debut, Deacon served as an assistant coach at his alma mater, UNLV. A collegiate player for the Rebels from 2001-05, Deacon joined the UNLV staff in the spring of 2011 and helped the 2013 squad advance to match play at the NCAA Championships, where it tied for fifth. A pair of Rebels, Kevin Penner (2012 & 2013) and Derek Ernst (2012), earned All-America honors on his watch. Five Rebels collected a total of eight spots on the All-Mountain West Men's Golf Team under his guidance, with Ernst winning the 2012 Mountain West Conference individual title and Penner picking up the victory in 2013.

As a student-athlete, Deacon helped UNLV to a Mountain West title in 2002 by tying for second in the individual contest. He competed in the 2002 and 2003 NCAA Championships and was a member of the Golf Coaches Association of America All-American Scholar Team and the Academic All-Mountain West Team in 2004. Deacon has returned to the state where he completed high school. Deacon, who attended IMG Academy, graduated from St. Stephen's Episcopal School in Bradenton.

Deacon played professionally on the Gateway Tour and Canadian Tour. He was a U.S. Amateur semifinalist in 2005 before capturing two Minor League Golf Tour Titles in 2007, taking top honors at the Emerald Hills Classic and the Miami Shores Shootout.

GATORS AT THE NCAA REGIONAL CHAMPIONSHIPS

Since 1989, to qualify for the NCAA Championships one must be one of the top teams at the regional tournaments across the country. The University of Florida men's golf team has had great success at these events, qualifying for the NCAA Championships every year but two since regional play was introduced.

In the 27 years of regional play, Florida has won the team title five times. In addition, four Gators have claimed five medalist honors. Billy Horschel was the last to do so, winning his second regional title as a sophomore in 2007.

UF NATIONAL CHAMPIONSHIP TEAMS**1968 NCAA Champions****June 17-22, 1968****University Golf Course****New Mexico State University****Las Cruces, N.M.**

A fourth and final-round score of 2-under 69 by Richard Spears highlighted the Gators' upset of Houston for their first team title at the 71st Annual NCAA Championships. The two schools were tied after 54 holes and Houston held a one-stroke advantage after 63, but the 69th hole (a 525-yard, par five with a lake in front of the green) proved to be disastrous for the Cougars. Two Houston golfers bogeyed the hole, while Florida's Spears and Steve Melnyk recorded birdies to give the Gators a commanding lead that carried them to the victory stand.

1993 NCAA Champions

June 2-5, 1993
Champions Golf Course
University of Kentucky
Lexington, Ky.

Overcoming a two-shot deficit with two holes remaining, the Gators captured their third team title by one stroke at the 96th Annual NCAA Championships. UF, which shot a finalround 283 for a total of seven-under par 1,145, played par golf on the two most difficult holes on the course to grab the title. Georgia Tech finished runner-up with a six-under 1,146 and North Carolina placed third at 1,147. The one-stroke victory was the closest margin in the NCAA Championships since 1984. Individually, junior Guy Hill was the Gators' top finisher, firing a final-round 69 (-3) to finish in a four-way tie for third with a tournament total of one-under par 287. Sophomore Chris Couch, who made a four-foot par putt on the 18th hole in the last round to clinch the team title, finished tied for seventh with an even-par 288. Sophomore Brad Lehmann fired a fourth-round 67, and junior Brian Gay tied for 19th, while senior John Pettit finished in a tie for 49th.

Duke University Golf Course
Duke University
Durham, N.C.

The Gators captured their fourth national title by firing a 13-under final round of 275 at the 2001 NCAA Championships hosted at Duke University Golf Course in Durham, N.C. Four Florida golfers turned in under-par rounds in the final 18 holes, including senior Nick Gilliam, whose final-round 71 gave him a total 186 and the individual medal. Gilliam became only the second Florida golfer to win the title, joining Bob Murphy, who took the crown in 1966. Florida's school-record total of 1,126 was 18 strokes better than runner-up Clemson, the third-largest margin of victory since the NCAA Championships moved to four-round play in 1968. The win completed an incredible turnaround after the Gators shot an opening-round 296 to put them in a 13th-place tie, 16 shots from the lead. Florida then shot 10-under 278 on the second day to move into second place and finished the third round at 11-under, 277, to pull into a first-place tie with Arizona heading in the final 18 holes. The Gators also featured one of the two golfers tied for the individual runner-up spot. Junior Camilo Benedetti shot a 9-under to finish at 279 to tie with Jamie Elson from Augusta State.

GATORS IN THE PROS

When it comes to success after college, the University of Florida golf program demonstrates this as well as any university in the country. More than 63 Gators have gone on to play professionally on the PGA Tour, Web.com Tour (formerly Nationwide Tour) and Champions Tour (formerly Senior PGA Tour). Former UF golfers have amassed over \$135 million in winnings.

Since 1957, when Doug Sanders, Dave Ragan and Pat Schwab entered the ranks, Gator alumni have hoisted the trophies for numerous tournaments, including three of the four majors. Andy North won the U.S. Open twice (1978, 1985). Mark Calcavecchia won the British Open in 1989 and Tommy Aaron took home the coveted green jacket from the 1973 Masters tournament.

GATORS' AMATEUR SUCCESS

The U.S. Amateur Championships is the oldest and one of the most prestigious tournaments in the country – one day older than the U.S. Open. The Amateur has been a match-play championship with the exception of an eight-year period from 1965-72, when it was stroke play.

Four Florida players have etched their names on the Havermeyer Cup. Bob Murphy was the first Gator to win the U.S. Amateur when he took the title in 1965. Steve Melnyk followed by claiming the championship four years later. Fred Ridley went on to win the title in 1975, before Bubba Dickerson became the fourth Gator to win the U.S. Amateur in 2001. Former head coach Buddy Alexander was also a past winner, having taken the trophy in 1986. During his tenure at Florida, he was the only active college coach to own a U.S. Amateur title.

Gator Billy Horschel was one of the highlights of the 2006 Championship, firing an 18-hole tournament and USGA record 60 in the first round at Chaska Town Course in Chaska, Minn., en route to claiming the individual medal for the stroke-play portion of the tournament. He was the first golfer to bring the medal back to Gainesville since Brian Gay captured the top spot in 1993. Horschel collected two solid match-play wins before dropping a wild third-round match to eventual semifinalist Ryan Yip.

T.J. Vogel saw success during the summer of 2012 in amateur play. Vogel won the U.S. Amateur Public Links Championship at Soldier Hollow Golf Course in Midway, Utah. With the victory, he received an invitation to the 2013 Masters Tournament and shot the second-lowest score of the amateurs in the field.

In the summer of 2016, Sam Horsfield competed in and medaled the Western Amateur at Knollwood Club in Lake Forest, Ill. After four rounds of stroke play, Horsfield had a nine shot advantage over 2nd place. In the subsequent match play rounds, Horsfield would get all the way to the finals before falling to Dylan Meyer (3&1).

GATORS IN THE RYDER CUP

The Ryder Cup, now an international competition between the best golfers from Europe and the United States, has been contested 40 times over 80 years. Founded on pride rather than prize money, the Ryder Cup has featured 10 Gator golfers who have competed on 16 different Ryder Cup teams.

The first Ryder Cup was held in 1927, at the Worcester Country Club, in Worcester, Mass., where the team from the United States defeated the team from Great Britain, 9.5-2.5. Since that first Ryder Cup, there have been only two occasions that have caused the event to be cancelled or postponed. The breakout of World War II caused the cancellation of the 1939-45 matches, while the terrorist attacks on the United States in September of 2001 caused the postponement of the matches until the following year. Ryder Cup matches are now played during every even-numbered year, alternating venues in the United States and Europe.

The current Ryder Cup format was adopted in 1979, when the event expanded from the Great Britain/Ireland team to allow players from all European nations to compete.

MARK BOSTICK GOLF COURSE

Florida boasts one of the finest overall facilities in all of collegiate golf, most recently completing a \$600,000 renovation in August of 2014.

Since 1962, the Mark Bostick Golf Course (formerly the Gainesville Golf and Country Club) has been home to the Gators. The Florida golf program moved into a new era in 2001, when it began playing on a full-renovated course. While improvements and additions have been made over the years, the \$1.8-million clubhouse renovation and a \$4-million course renovation in 2001 were the first full-scale renovations in 20 years.

The University of Florida hired Jacksonville-based architect Bobby Weed to head up the renovation. With the help of an experienced staff, he constructed a challenging course for collegiate golfers.

Par at the course remained 70 after the renovation, but the yardage was increased to 6,701.

Some holes changed only slightly, keeping some familiarity, while others were completely redesigned to challenge golfers day-in and day-out. Both the men's and the women's golf teams host tournaments at Mark Bostick Golf Course in the spring of each year.

The Mark Bostick Golf Course plays host to the annual Gator Invitational and Gator Women's Golf Invitational, in addition to the yearly Gator Golf Day, where alumni and current PGA and LPGA Tour players return each year to give their time and money to continue the winning tradition of the UF golf program. The course has also hosted the Southeastern Conference Championship, as well as various state tournaments.

Course facts:

- Located less than a mile from campus, the University Golf Course and the Guy Bostick Clubhouse (home of the men's and women's golf teams) are situated on 110 acres of heavily tree-lined, softly rolling terrain.
- A \$1.1-million clubhouse was completed in the summer of 1998 on the site of the original clubhouse, thanks to a donation from former UF student and Gator Booster Guy Bostick.
- The course went through a \$4-million renovation in 2001, which included new tees and fairway surfaces, 140-plus bunkers, triple-row irrigation and a newly designed practice facility for the teams.
- In the summer of 2008, the University Athletic Association spent \$1.8 million for renovations on the interior and exterior of the clubhouse. The updated clubhouse features renovated locker rooms for both UF teams with wooden lockers and a new team lounge area. New offices were added for the UF golf coaches and the pro shop, while the snack bar and public locker rooms were renovated and expanded. The new entryway features trophy cases that display UF golf championship trophies and highlight the program's success.
- The Chris M. Kane Golf Practice Complex opened in the spring of 2012. The 56-by-32 foot state-of-the-art facility features fitness and club fitting/repair rooms, a putting lab and two separate covered hitting bays equipped with the latest swing analysis equipment.
- The course went through a \$600,000 renovation in the summer of 2014, which included an overhaul of the putting greens, sand traps and team practice areas. The course now features state-of-the-art greens of Ultradwarf, a new turf that has become the standard for Florida putting surfaces. The renovation also resulted in re-sanded greens and friendlier shots at the flag, thanks to the removal of some trees in decline, plus some heavy-trimming of branches throughout the course.
