SoCON CELEBRATING 100 YEARS IN 2021

One of the oldest conferences in college athletics, the Southern Conference will celebrate a century of athletic and academic achievement in 2021 with a variety of initiatives throughout the year. Throughout the 2021 calendar year, the SoCon will celebrate the milestone in a multitude of ways. The most notable and ubiquitous will be a new logo created for the anniversary, which incorporates the well-established mark the league has used since 2000. For more information, please visit SoConSports.com!

"This is a landmark event in the history of the Southern Conference," SoCon Commissioner Jim Schaus said. "Being able to celebrate 100 years for any organization is special and embodies stability, respect and credibility. But to complete a century that features renowned excellence athletically, academically and institutionally means that we did it well."

Welch has completed passes to 17 different receivers, throwing touchdown passes to seven different receivers. Montrell Washington leads the group with 44 catches for 646 yards and seven touchdowns.

THE LAST TIME AGAINST FLORIDA

Samford and Florida last met on Oct. 28, 1922 in Gainesville. In that game the Gators walked away with a 57-0 victory over the Bulldogs.

IMPROVED RUNNING GAME

A Samford player has rushed for at least 100 yards in four of the team's last six yards. Jay Stanton rushed for 134 yards against The Citadel, 130 against Wofford and 101 against Mercer. DeMarcus Ware ran for 118 yards against Western Carolina.

ON THIS DATE

Samford has an all-time record of 2-6-1 in games played on Nov. 13. The last time the Bulldogs played a game on the date was in 2010, a 48-14 loss at Chattanooga. The first time Samford played on the date came in 1914 in a 6-6 tie with Birmingham-Southern.

BOBBY BOWDEN FIELD AT F. PAGE SEIBERT STADIUM

Bobby Bowden Field at Seibert Stadium has been home to the Samford football team since 1958, one year after the campus was moved from East Lake to its present site. The field was officially dedicated to Bobby Bowden during the team's game against ETSU earlier this season. Over the years, the stadium has seen some memorable football, including the Bobby Bowden era (1959-62), a one-loss season in 1971 and the Terry Bowden era, which ended with a 14-game Bulldogs winning streak in the stadium.

The stadium is named for the late F. Page Seibert, a Daytona Beach, Fla., businessman who donated money for the completion of the stadium in 1961 with the addition of stands on the west side. Originally, the stadium had the current gatehouse and seating on the east side.

The first game was played Friday, Sept. 26, 1958, with Samford losing to Sewanee, 21-0. Bobby Bowden brought Samford (then known as Howard College) its first win at Seibert on Oct. 3, 1959, as the Bulldogs defeated the Tennessee Tech "B" team, 34-0. The first win against varsity competition came two weeks later when the Bulldogs defeated Millsaps, 26-0.

Seibert Stadium has undergone numerous improvements during the past few years. In 2019, a brand new state-of-the-art video board was installed in the north end zone of the stadium. Before the 2009 season, the Cooney Family Field House was opened in the South end zone of the stadium. The facility includes locker rooms, training rooms, meeting rooms and coaches offices for Samford's football program. A second-level terrace overlooks Seibert Stadium. An unfinished third level provides for future university expansion. The facility was renamed the Sullivan-Cooney Family Field House in 2014, honoring former head coach Pat Sullivan and his wife, Jean.

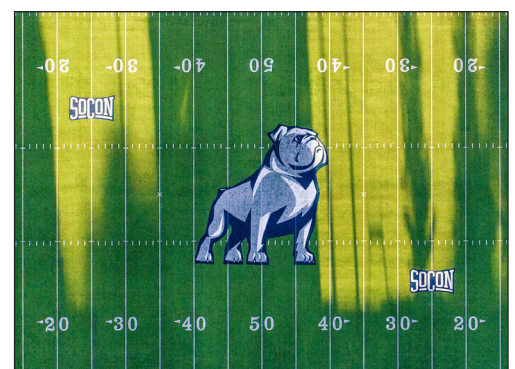

In fall 2005, the original grass surface was replaced with an LSR Blade Synthetic Surface. The surface was replaced in 2013 with a Hybrid Mono/XP by Warner Athletic Construction.

The four-level Bashinsky Press Tower was completed before the 1989 season. This Georgian-Colonial structure contains complete facilities for print and electronic media on the third level, reserved seating for 51 guests on the second level, and a concession stand and restroom facilities on the ground floor. A partially covered film deck is located atop the facility, and an elevator serves all levels.

At the same time, more than 200 theatre-type reserved seats were added in front of the press tower, bringing the seating capacity to 6,700. Aluminum seating replaced the original wooden seats. A scoreboard featuring an electronic matrix message board was added before the 1994 season. The improvements have made Samford's football facility one of the finest in the nation at the Division I-FCS level.
