LETTER FROM THE PRESIDENT

Welcome to Grace Christian University. We trust you are pleased with our athletic facilities as well as our athletic coaching staff and athletes. We are not a big college or university with elaborate fields and courts, or big budgets to be able to parallel even the funds invested at public high schools. Nevertheless, we are committed to being excellent in everything for the glory of the Lord Jesus Christ! It is our desire through the medium of athletics to teach young men and women the discipline needed to perform at the highest level.

The Apostle Paul stated this well when he said, “Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize. Everyone who competes in the games goes into strict training. They do it to get a crown that will not last; but we do it to get a crown that will last forever” (1 Corinthians 9:24-25).

“
**we are
committed to
being
excellent in
everything
for the
glory of the
Lord Jesus
Christ!**
”

Through athletics we also teach teamwork and responsibility for others rather than self. All the greatest teams have been made up of selfless individuals who played an important role and depended upon others to do their part as well. The prevailing attitudes of our day are self-seeking and it is never more obvious than in the glorification of athletes and their fleeting glory and high salaries. But here at Grace we seek to grow each young man and woman athlete to be a part of something much greater than himself or herself and give the glory to whom it belongs – to the One who gives health and coordination and ability to compete.

Remember our athletes are student athletes and must balance rigorous studies while participating in their sport. Our faculty members are also important in accommodating athletic schedules. We thank God for our fine coaching staff and the many students and volunteers as well as family members who contribute in some way to make Grace Christian University athletics possible and such a strong tradition here at Grace. Play hard, cheer hard, and honor the Lord to whom all glory is due!

GARY BAILEY - ATHLETIC DIRECTOR

Gary Bailey will begin his eighth year as Athletic Director at Grace. Prior to this appointment he was the Director of Sports Operations at Grace until the department was realigned and he was named AD. Bailey has served as the men's basketball coach for the past 15 seasons winning 12 Regional Championships and National Championships in 2006, '09, '10, '11, '12, and '19.

Over the last few years Grace has seen its athletic department grow to record numbers of student athletes. Bailey's focus hasn't only been student athlete numbers, but also putting the best quality athletes on the field or court who play with high character and understand the mission of Grace.

Gary's determination to continue to move Grace to a top athletic program is evident as the Tigers continue to schedule all levels of competition from NCAA I, II, III and NAIA, USCAA, and our member institution the NCCAA (National Christian College Athletic Association). Grace is continually among the leaders in the NCCAA in Academic All-Americans.

Bailey played basketball and graduated from Jordan College in 1983 with a degree in Business Administration/Marketing. Bailey has always been involved in coaching, but came to Grace from Creative Technologies Academy where he was Director of Student Services. He was enshrined into their "Wall of Honor" in 2014. Bailey was inducted into the Grace Hall of Fame in 2013 as the all-time winningest coach at Grace.

Bailey is married to Danette and they have two children, Kirby, a Hall of Fame basketball player at Grace, and daughter Kylie and son-in-law Kyle Trehwella. They also have two grandchildren, Christian and Kennedy Grace.

CORY JAMIESON - ASST. ATHLETIC DIRECTOR

Cory will spend his eighth year with Grace Athletics as the Assistant Athletic Director and Sports Information Director in 2020-21. Cory graduated from Grace Bible College and Davenport University in 2012 with bachelor's degrees in Religious Education (with a Business emphasis) and Sport Management, and recently finished his Master of Arts in Sport Management from Western Michigan University in the summer of 2019.

As a point guard for Grace on the hardcourt, Cory and the Tigers won four NCCAA National Championships from 2009-2012. In 2012 he received the Pete Maravich Award and also earned the NCCAA Tournament MVP award.

In the summer of 2012, he interned at the University of Alabama in Tuscaloosa, Alabama, acquiring very valuable experience in their NCAA Division I athletic department. In the summer of 2013 Cory stepped into his current role at Grace Christian University.

In addition to event and administrative responsibilities, Cory specializes in promoting Grace athletics with articles, photos, videos, and social media.

Cory is married to Katelynd, also a Grace alum. They currently reside in Wyoming, MI with their two kids, Jordyn and Lincoln.

About Grace Christian University

Grace Christian University began in 1939. It was founded as Milwaukee Bible Institute, a training center for laymen and Sunday School teachers of Milwaukee. The Institute was organized by Reverend Charles F. Baker, then pastor of Fundamental Bible Church. The regular day school program began in 1945. This move was stimulated by a group of evangelical pastors especially concerned about advancing a dispensational theology approach to the Bible, the distinctive character of the revelation given to the apostle Paul, and the preparation of full-time Christian workers to fulfill this goal. In 1953, the curriculum was broadened and Milwaukee Bible Institute became Milwaukee Bible College.

In 1961, the College relocated to suburban Grand Rapids, Michigan, and was renamed Grace Bible College. The State of Michigan granted the College the authority to grant Associate and Bachelor of Religious Education degrees, as well as a five-year degree for vocational ministers. In 1967, Dr. Jack T. Dean became President and led the University through a period of growth and expansion. The University early on (1964) received accreditation from the Association of American Biblical Colleges (now the Association of Biblical Higher Education).

In order to serve the growing needs of students and those of the broader Christian community and society, the institution has expanded its degree programs over the years. Grace now confers Associate of Arts, as well as Bachelor and Masters Degrees. Over the years, Grace has formed a consortium with two local colleges: Davenport and Cornerstone Universities, which allow students to graduate with dual degrees. Dr. Samuel R. Vinton was the College's third President from 1985-1989. Under President Vinton, initial regional accreditation was granted by the North Central Association (now the Higher Learning Commission, one of six regional accreditation bodies) with the hard work of Dr. Marlin Olson and others.

Along with academic expansion, Grace has been blessed with numerous progressive steps in student development. Dr. Bruce Kemper came to Grace in 1990 from local church pastoral ministry and stressed a strong ministry emphasis. During his tenure, the Bultema Memorial Library was expanded. Throughout the years, Grace has continued to emphasize off-campus ministry -- in the local neighborhood as well as around the country and on cross-cultural ministry teams. These minis-

tries often are led by faculty and staff or students in leadership. Ministry has been a constant part of the institution's commitment for each student to embrace as a normal way of life.

Ken Bruce Kemper was called on to lead Grace in early 2003 when his father retired. By God's strength, he brought vision and energy to the University. Several significant updates and additions have taken place on the campus. The Jack T. Dean Academic Center was purchased and remodeled in 2005, more than tripling classroom space and faculty offices, as well as adding over five more acres to the Campus. In addition, the O'Hair Administration Building was remodeled to house Grace Ministries International, Grace Gospel Fellowship, and Grace Publications. In 2010, Grace began a non-traditional education program offering working adults an opportunity to study online to earn an Associate or Bachelor Degree, and later a Master's Degree. The "Beyond the Bricks" Capital Campaign revitalized the campus, added a student commons, as well as upgraded exterior parking, walkways and landscaping.

God has blessed the University's efforts in student enrollment as it grew from 160 students in 2008 to more than twice that size by 2015. At the same time, the online program has successfully enrolled and graduated students at twice the rate of on-campus students. This enrollment increase helped the University grow its program in both size and quality of academic and student services (such as academic support, career readiness, and job placement).

In 2018, the institution officially became Grace Christian University to more accurately represent the institution to a changing world and culture. Total enrollment (on-campus, online, dual-enrollment, and graduate) surpassed 1,000. In 2019, the University launched the "Expanding Grace Capital Campaign" to remodel and update the kitchen and dining rooms, (adding an additional 1,000+ square feet); upgrade technologies; support student scholarships; as well as build new student residences. Plans are in place to begin construction in 2021 on a modern three-story student housing unit able to house over 100 or more students.

Praise God there are hundreds of Grace alumni serving the Lord with great impact in various vocational settings around the world today!

COACHING STAFF

Mike Riemersma

Mike Riemersma
Head Coach (1st Year)

Coach Riemersma heads the women’s soccer program for the first season in 2020. Riemersma has a decorated history at Grace already, evidenced by his induction into the Grace Athletic Hall of Fame in 2009.

Riemersma was a three-time All-American goalkeeper (1989, 1990, 1991) for the Tigers, and still holds the school record for shutouts in a season with 10. He also was a three-time Regional Coach of the Year for the men’s soccer team (1998, 2000, 2001).

Riemersma has extensive experience in coaching the game of soccer, dating back to 1992 when he coached JV girls at Jenison HS and assisted the Men’s soccer team here at Grace. Riemersma worked his way up to becoming the Head Coach of the Grace men’s soccer program from 1997-2002. He then switched over to the girls side, taking over as the Head Varsity Girl’s Soccer Coach at Byron Center High School and held that position for 7 seasons. Since then, Riemersma has spent time as the Head JV Boy’s Soccer Coach at Byron Center High School and as the Head Coach of the Michigan Fire Juniors Premier Team (U19 & U17).

Mike Cronkright

Mike Cronkright
Assistant Coach (1st Year)

Coach Cronkright was a standout on the men’s soccer team at Grace from 1995-1998, and upon graduating assisted the men’s program on the coaching staff from 1998-2001. Since then, he has enjoyed stints at Byron Center HS, Tri-Unity HS, and most recently with the Grand Rapids Crew and Michigan Fire club teams.

Coach Cronkright has a bachelor’s degree in business from Davenport University, as well as a religious education bachelor’s from Grace. Aside from coaching, he owns a painting company called Pro-Touch Painting. He and his wife Sara (who also is a Grace alum) live in Hudsonville, MI with their three boys, Ryan (17), Luke (15), and Nolan (10).

COACHING STAFF

Dustin Buchanan

Dustin Buchanan

Head Coach

Dustin Buchanan is entering into his 13th season, making him the longest tenured Head Coach of the men's soccer team at Grace. Coach Buchanan has been present at Grace Christian University for over 18 years, where he graduated with his degree in Human Services. He represented the Tigers on the pitch after transferring playing seasons 2002, 2004, and 2005. During this time he was a two year team captain, and named twice to the NCCAA All-Region Team. He is fourth on the GCU all time scoring list having notched 45 goals in three years. He also holds the single game scoring record scoring 6 goals against Finlandia University in 2005.

Coach Buchanan took over the program in 2007 and has earned the **most wins in Grace history with 112**. He has been named Regional Coach Of the Year four times (2010, 2015, 2018, 2019). In 2016 he led the Tigers to their first Regional Championship in 20 years and the Tigers finished 4th place in the NCCAA nationally. In 2019, they had a very similar season, winning another regional title and finishing in 4th at the National Tournament. The 2019 team also received the NISOA Sportsmanship Award. Coach Buchanan's teams have also broken almost every single record over the years, including most goals in a season in 2019 with 108, and most assists in a season also in 2019 with 74. In 2019, Coach Buchanan was inducted into the Grace Christian University Athletics Hall of Fame.

Coach Buchanan and his wife Lindsey, have three children, Liam, Declan, and Brielle.

"I am blessed to be able do what I love and incorporate things I am passionate about all in one place. To look back to 2007 and where we were to now is astonishing. I have had so many wonderful people around me as coaches and faculty to nurture the growth of the program to where we are now. I believe that you are only as good as the people you surround yourself with and that has been a huge reason for the success we have had. We have a philosophy that is built on family. One that is shown by actions and by choosing the positive."

Sean Wilson

Sean Wilson

Assistant Coach

Coach Sean is from Muskegon and has been in the Grand Rapids area for almost four years now. He played soccer at Fruitport High School under local legend Ken Erny. Sean's coaching career started at Ravenna High School and after six years he moved on to Mona Shores High School. He left coaching to move to Grand Rapids and focus on school at GVSU. While his brother Ryan was playing at Grace he developed a relationship with Coach Buchanan who asked him to join his staff shortly after. He now enters his fourth season at Grace and is as excited as ever. Coach Sean is also on the coaching staff for the semi-pro women's arena team the Grand Rapids Wanderers. He thanks Coach Buchanan for the opportunity to join his staff and to trust him completely with the details of the program. He also thanks his parents, Mark and Rebecca, for encouraging him to pursue coaching after his playing career and for coaching him throughout most of his life.

The Tigers closed out their 2019-20 season with a 72-63 win in the NCCAA Elite 8 over Bob Jones University. Finishing their game late on a Wednesday night in Joplin, MO, they immediately had their eyes set on a match-up with Maranatha Baptist University in the NCCAA Final Four on that Friday. Unfortunately, less than 24 hours after their big win, the NCCAA (along with every other collegiate athletics governing body) immediately cancelled competition due to COVID-19.

The 2019-20 season still will go down as one of the best ever for a Grace women's basketball team, achieving a Regional Championship and NCCAA National Final Four appearance for just the second time in school history (2016).

MEN'S JV BASKETBALL

2020-21

COACHING STAFF

Ryan Krombeen

Ryan Krombeen

Head JV Coach (6th Year)

Ryan Krombeen will begin his sixth season as the head coach of the junior varsity team at Grace in 2020-21. Ryan is a graduate of Grace as well as Cornerstone University where he graduated with degrees in both Biblical Studies and Education. He has led the JV team to some of its best W-L records in school history in the past two seasons, defeating tough competition from around the state of Michigan and beyond.

At Grace, Ryan was a four year player under varsity coach Gary Bailey from 2008-2012. During those four years, Ryan was able to win four national championships, one of six players at Grace to accomplish that feat. He also garnered all-region honors during his final three seasons, as well as making the all-tournament team at the national tournament during the 2009-10 season. He currently ranks in the top 10 in many different categories at Grace, such as points, rebounds, assists, blocks, steals, charges taken, and free throws made. After his playing days at Grace, Ryan went on to assist the Tigers' varsity team for two years, as well as announce basketball games for two years. Ryan was inducted into the Grace Christian University Athletics Hall of Fame in 2019.

Ryan currently teaches physical education at Grandville Christian Elementary. He is married to his wife of six years, Hannah Krombeen, and they have a daughter, Madelyn and a son, Tyler.

Zach Schutte

Zach Schutte

Assistant JV Coach (1st Year)

Zach Schutte will begin his first year as assistant coach of the JV program, teaming up with Ryan Krombeen on the sidelines after previously spending three years together on the court for the Tigers from 2009-2012. Since his playing career that saw him earn 2nd-team All-American honors and three NCCAA National Championships, Zach has coached five years of junior high basketball and two seasons at the JV level at the local Potters House High School.

Zach currently resides in Kentwood, MI, with his wife Amy, and in addition to coaching, he is the Bible teacher and Athletic Director for Byron Center Christian Schools.

2020 Recap

The men's and women's tennis teams worked hard in preparation for their 2020 season, but unfortunately one day before the first scheduled match against Cornerstone University, the season was cut short due to COVID-19. The 2021 season will be played in the Spring.

MEN'S AND WOMEN'S TRACK AND FIELD MEET THE STAFF

Gerry Verwey

Gerry Verwey

Head Coach

Gerry is a 1996 graduate of Grand Haven High School, where he competed in both cross country and track. He then went on to run cross country, and indoor & outdoor track at Grand Valley State University from 1996-2000 where he served as team captain.

Gerry was instrumental in kick-starting the track & field team at Grace back in 2017, and in the Spring of 2018, the team had individuals invited to NCCAA Nationals in Winona Lake, IN for the first time ever. In 2019-20, the Spring season was cut off due to COVID-19, but the indoor season still took place in it's full form as Verwey coached Kim Buskirk to an All-American performance at Nationals.

Coach Verwey has created a family culture built on serving others, as the track & field team volunteers their time at multiple local track meets and other organizations each year.

Jacob Rodgers

Jacob Rodgers

Assistant Coach - Throwers

Jacob Rodgers has been involved in the Grace track program since its inception, coaching the Tigers' throwers for the past three seasons. Jacob was a four-year thrower of shot put and discus at Hudsonville High School. He would go on to achieve his bachelor's degree at Grace before graduating with his MA in theology from Fuller Seminary. Currently, Jacob is on faculty at Grace, teaching Bible and theology courses.

Coach Rodgers has contributed to helping multiple throwers grow vastly and break personal records on numerous occasions in his first three seasons.

Jacob currently resides in Wyoming, MI with his wife Alicia.
