LETTER FROM THE PRESIDENT

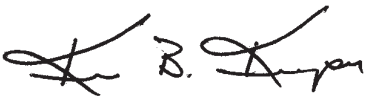
Welcome to Grace Christian University. We trust you are pleased with our athletic facilities as well as our athletic coaching staff and athletes. We are not a big college or university with elaborate fields and courts, or big budgets to be able to parallel even the funds invested at public high schools. Nevertheless, we are committed to being excellent in everything for the glory of the Lord Jesus Christ! It is our desire through the medium of athletics to teach young men and women the discipline needed to perform at the highest level.

The Apostle Paul stated this well when he said, "Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize. Everyone who competes in the games goes into strict training. They do it to get a crown that will not last; but we do it to get a crown that will last forever" (1 Corinthians 9:24-25).

> **"we are committed to being excellent in everything for the glory of the Lord Jesus Christ!"**

Through athletics we also teach teamwork and responsibility for others rather than self. All the greatest teams have been made up of selfless individuals who played an important role and depended upon others to do their part as well. The prevailing attitudes of our day are self-seeking and it is never more obvious than in the glorification of athletes and their fleeting glory and high salaries. But here at Grace we seek to grow each young man and woman athlete to be a part of something much greater than himself or herself and give the glory to whom it belongs – to the One who gives health and coordination and ability to compete.

Remember our athletes are student athletes and must balance rigorous studies while participating in their sport. Our faculty members are also important in accommodating athletic schedules. We thank God for our fine coaching staff and the many students and volunteers as well as family members who contribute in some way to make Grace Christian University athletics possible and such a strong tradition here at Grace. Play hard, cheer hard, and honor the Lord to whom all glory is due!



Ken B. Kemper
President

CORY JAMIESON - ATHLETIC DIRECTOR

This is Cory's first year serving Grace as the Athletic Director after spending nine years as the Assistant Athletic Director and Sports Information Director. Cory graduated from Grace Bible College and Davenport University in 2012 with bachelor's degrees in Religious Education (with a Business emphasis) and Sport Management, and finished his Master of Arts in Sport Management from Western Michigan University in the summer of 2019.

As a point guard for Grace on the hardcourt, Cory and the Tigers won four NCCAA National Championships from 2009-2012. In 2012 he received the Pete Maravich Award and also earned the NCCAA Tournament MVP award. As an administrator, Cory has been a part of two more National Championships for women's soccer in 2018 and Men's Basketball in 2019.

Cory is married to Katelynd, also a Grace alum. They currently reside in Dorr, MI with their two kids, Jordyn and Lincoln.

COLTON WOLFE - ASSISTANT AD

Colton enters his first year as an Assistant Athletic Director at Grace Christian University after spending two years in the Online Degree Enrollment Department here. Colton also is entering his second season as Head Baseball Coach of Grace's new team.

Colton graduated from Calvin College in 2017 with a Bachelor's in Sports Management before moving on to Cairn University to complete a Master's degree in Organizational Leadership. While attending Cairn, Colton spent time as a Graduate Assistant and helping out with various tasks in the Athletic Department, as well as assistant coaching the Baseball team.

DUSTIN BUCHANAN - ASSISTANT AD

Though it is Dustin's first year as an Assistant Athletic Director, he has been a staple in Grace athletics for the past 15 years as the head of the men's soccer program. He has a passion for bringing high school soccer players to Grace and he will be broadening that scope to help other coaches and programs in their recruiting efforts in addition to other day-to-day responsibilities in the athletic department.

Dustin graduated from Grace Bible College in 2006. He lives in Dorr, MI with his wife Lindsey and three kids: Liam, Declan, and Brielle.

Our GA's

Mikyala Reynolds and Joseph Gehman join the department as the first ever graduate assistants at Grace. Mikyala and Joseph are both Grace graduates of 2022, and have been involved in working athletic events throughout their time as a student. They are both pursuing their Masters degree in Business Administration.

About Grace Christian University

Grace Christian University began in 1939. It was founded as Milwaukee Bible Institute, a training center for laymen and Sunday School teachers of Milwaukee. The Institute was organized by Reverend Charles F. Baker, then pastor of Fundamental Bible Church. The regular day school program began in 1945. This move was stimulated by a group of evangelical pastors especially concerned about advancing a dispensational theology approach to the Bible, the distinctive character of the revelation given to the apostle Paul, and the preparation of full-time Christian workers to fulfill this goal. In 1953, the curriculum was broadened and Milwaukee Bible Institute became Milwaukee Bible College.

In 1961, the College relocated to suburban Grand Rapids, Michigan, and was renamed Grace Bible College. The State of Michigan granted the College the authority to grant Associate and Bachelor of Religious Education degrees, as well as a five-year degree for vocational ministers. In 1967, Dr. Jack T. Dean became President and led the University through a period of growth and expansion. The University early on (1964) received accreditation from the Association of American Biblical Colleges (now the Association of Biblical Higher Education).

In order to serve the growing needs of students and those of the broader Christian community and society, the institution has expanded its degree programs over the years. Grace now confers Associate of Arts, as well as Bachelor and Masters Degrees. Over the years, Grace has formed a consortium with two local colleges: Davenport and Cornerstone Universities, which allow students to graduate with dual degrees. Dr. Samuel R. Vinton was the College's third President from 1985-1989. Under President Vinton, initial regional accreditation was granted by the North Central Association (now the Higher Learning Commission, one of six regional accreditation bodies) with the hard work of Dr. Marlin Olson and others.

Along with academic expansion, Grace has been blessed with numerous progressive steps in student development. Dr. Bruce Kemper came to Grace in 1990 from local church pastoral ministry and stressed a strong ministry emphasis. During his tenure, the Bultema Memorial Library was expanded. Throughout the years, Grace has continued to emphasize off-campus ministry -- in the local neighborhood as well as around the country and on cross-cultural ministry teams. These ministries often are led by faculty and staff or students in leadership. Ministry has been a constant part of the institution's commitment for each student to embrace as a normal way of life.

Ken Bruce Kemper was called on to lead Grace in early 2003 when his father retired. By God's strength, he brought vision and energy to the University. Several significant updates and additions have taken place on the campus. The Jack T. Dean Academic Center was purchased and remodeled in 2005, more than tripling classroom space and faculty offices, as well as adding over five more acres to the Campus. In addition, the O'Hair Administration Building was remodeled to house Grace Ministries International, Grace Gospel Fellowship, and Grace Publications. In 2010, Grace began a non-traditional education program offering working adults an opportunity to study online to earn an Associate or Bachelor Degree, and later a Master's Degree. The "Beyond the Bricks" Capital Campaign revitalized the campus, added a student commons, as well as upgraded exterior parking, walkways and landscaping.

God has blessed the University's efforts in student enrollment as it grew from 160 students in 2008 to more than twice that size by 2015. At the same time, the online program has successfully enrolled and graduated students at twice the rate of on-campus students. This enrollment increase helped the University grow its program in both size and quality of academic and student services (such as academic support, career readiness, and job placement).

In 2018, the institution officially became Grace Christian University to more accurately represent the institution to a changing world and culture. Total enrollment (on-campus, online, dual- enrollment, and graduate) surpassed 1,000. In 2019, the University launched the "Expanding Grace Capital Campaign" to remodel and update the kitchen and dining rooms, (adding an additional 1,000+ square feet); upgrade technologies; support student scholarships; as well as build new student residences. Plans are in place to begin construction in 2021 on a modern three-story student housing unit able to house over 100 or more students.

Praise God there are hundreds of Grace alumni serving the Lord with great impact in various vocational settings around the world today!

COACHING STAFF

Kerri Shultz

Kerri Shultz

Head Coach (4th Year)

Kerri Shultz completed her fourth year at the helm of the Grace Christian University program in the fall of 2022. In her first season, she led the Tigers to a 12-13 final record and multiple appearances in the NCCAA Top 10 polls, and in just her second season she led the Tigers to a thrilling victory in the 2021 Regional Championship to bring home the first regional banner for the program since 1996. Year three and four brought much improvement still, yet neither year resulted in Regional championships.

Prior to her nod as Head Coach, Shultz spent multiple seasons as a student assistant coach after injuries unfortunately halted her playing career in 2015 after two standout seasons in the Tiger uniform. In 2013 and 2014, Kerri led the Tigers in both total kills and kill average, and was named to the All-Regional Tournament Team in 2013. She went on to finish her Associate's Degree in Human Services at Grace in 2016.

Kerri has been married to her husband Adam for five years and they reside in Kalamazoo, MI, with their daughter, Rylee, who recently turned 3 years old. Aside from coaching, Kerri spends her days as a stay-at-home mom and volunteers at YFC and Homeschool Performing Arts and her church.

Allyssa Thompson

Allyssa Thompson

Assistant Coach (3rd Year)

Allyssa Thompson had a great career for the Grace volleyball program from 2012-15, and now she joins former teammate Kerri Shultz on the coaching staff. In 2014, she was given the team leadership award and in 2015, she received 1st-Team NCCAA All-Region honors. She ranks #5 All-Time in blocks with 156 denials throughout her career. She graduated from Grace with a degree in music and worship arts in 2016.

Allyssa serves as the worship leader at River Rock Community Church in Rockford, MI and resides in Zeeland, MI.

Sean Wilson

Sean Wilson

Assistant Coach

Sean started helping the Grace Tigers soccer staff midway through the 2017 season before being brought on officially for the upcoming fall of 2018. He is now entering his 5th year at GCU. He is a graduate of Grand Valley University with his degree in Finance. He has extensive experience both playing the game and in coaching. Coach Sean went to Fruitport High School where he was a team captain and All-District player under Ken Erny. Coaching at the youth level, Coach Sean's passion for coaching was obvious and continued from that point to collegiate and professional ranks. His first opportunity came from Ravenna High School where he was given the chance to be an assistant coach for the boys and girls teams. After two seasons as the boys assistant and one as the girls, he took over as the head coach of the girls team for 5 years where he gave the girls team their greatest winning period in school history including finishing 2nd in one of the more competitive conferences for girls soccer in West Michigan.

Making the move to the Grace Christian Coaching Staff Coach Sean brought his expertise and abilities which have been a major impact for the Tigers. He also spent time both as a Head Coach and Assistant Coach for Semi-Professional Indoor side Grand Rapids Wanderers team. During his time with GCU he has been a part of 3 Regional Championships and a 2nd Place National Runner Up finish in 2022. He credits his coaching success to the amazing coaches he had growing up including Ken Erny From Fruitport, every staff member at Grace he has worked with and especially his parents Mark and Rebecca Wilson.

2022 : A Historical Season

It was a season to remember for the Grace men's soccer team, with their list of accomplishments that arguably point to what was the best season in the storied program's history. After a successful regular season that concluded with 9 straight victories, the Tigers carried that momentum to the Regional Tournament in Harrodsburg, KY, where they defeated host Campbellsville University-Harrodsburg 5-1 in the final to secure the banner.

They carried the #3 seed into the NCCAA National Tournament, and defeated #6 Kansas Christian College and #2 Providence University College to advance to their first National Championship appearance ever. #1 seed Bob Jones would put in a goal with 4 minutes remaining in the championship to go home with a 1-0 victory after a highly contested game throughout, and the Tigers finished with the National Runner-Up plaque when it was all said and done - their best finish in school history.

Senior Jared Farnsworth received the Kyle Rote Jr. Award, which is the highest honor given by the NCCAA each year. Farnsworth is only the second TIger ever to receive this honor, following Chris Thompson back in 2013.

The final W-L record for the Tigers was 16-4-2, including two wins over NCAA DIII schools and 2 wins over NAIA competition, and a win over NCCAA DI Top 10 ranked Trinity International.

Zak TerMeer shattered the program's All-Time assist record and Luis Vicario notched the most shutouts ever recorded by a Tiger keeper. Both went on to receive All-American honors, along with defender Camden Bierling.

In addition to their successes after the year, the team was awarded the NISOA Sportsmanship Award for their conduct on the field and respect for officials and opponents.

Ryan Krombeen

Head Coach (1st Year)

Ryan Krombeen will begin his first season at the helm of the varsity basketball program after a seven year stint as the JV Head Coach at Grace Christian University. Ryan is a graduate of Grace as well as Cornerstone University where he graduated with degrees in both Biblical Studies and Education. He has led the JV team to some of its best W-L records in school history in the past two seasons, defeating tough competition from around the state of Michigan and beyond.

At Grace, Ryan was a four year player under varsity coach Gary Bailey from 2008-2012. During those four years, Ryan was able to win four national championships, one of six players at Grace to accomplish that feat. He also garnered all-region honors during his final three seasons, as well as making the all-tournament team at the national tournament during the 2009-10 season. He currently ranks in the top 10 in many different categories at Grace, such as points, rebounds, assists, blocks, steals, charges taken, and free throws made. After his playing days at Grace, Ryan went on to assist the Tigers' varsity team for two years, as well as announce basketball games for two years. Ryan was inducted into the Grace Christian University Athletics Hall of Fame in 2019.

Ryan currently teaches physical education at Grandville Christian Elementary. He is married to his wife, Hannah Krombeen, and they have a daughter, Madelyn and a son, Tyler.

Zach currently resides in Kentwood, MI, with his wife Amy and son William, who was born in October 2022. In addition to coaching, he is the Bible teacher and Athletic Director for Byron Center Christian Schools.

BASEBALL

2022-23

COACHING STAFF

Colton Wolfe

Colton Wolfe

Head Coach (2nd Year)

2022: In the inaugural season of Grace Christian's Baseball program, Wolfe notched his first collegiate coaching win in a 16-2 victory over Maranatha Baptist University on 4/22/22. The squad finished the year at 3-37, and set a strong foundation for the upcoming years.

Wolfe had a spectacular collegiate career at Calvin College, where he set Calvin's career and single season home run records (26 and 12), as well as the MIAA conference career home run record (23). He garnered All-MIAA conference honors twice, as well as D3 All-Region honors. He went on to play professionally for the White Sands Pupfish in the Pecos League and batted .273 with 6 home runs in 31 games.

Upon graduating with his bachelor's degree in Sports Management in 2017, Wolfe spent two years as an Assistant Coach at Cairn University and helped them reach their first NCAA D3 conference tournament while completing his master's degree in Organizational Leadership.

Coach Wolfe is now entering his 2nd season as Head Coach of the baseball program. In addition to coaching at Grace, he is also the Assistant Athletic Director and an adjunct professor of Sports Management. Wolfe currently resides in Grand Rapids with his wife, Paige. In his free time, Wolfe enjoys hiking, camping, and playing golf..

Kyle Peets

Kyle Peets

Pitching Coach (2nd Year)

Origianlly from Spring Lake, MI, Peets played alongside Coach Wolfe at Calvin University as one of the team's go-to relief pitchers. Peets had a strong career which earned him the nickname "Mr. Consistency" for his ability to throw a strike whenever needed. While at Calvin, Peets studied Sports Management, and continued on to complete his MBA at Grand Valley State University.

In addition to coaching, Peets works for the Detroit Tigers in their performance science division, doing most of his work with the West Michigan Whitecaps (Single-A affiliate of the Tigers). Peets currently lives in Grand Rapids and enjoys golfing, reffing football, and travelling in his free time.

Dave Bengston

Dave Bengston

Field Coach (1st Year)

Grace Christian University welcomes Coach Bengston as an assistant baseball coach. Bengston comes to GCU as a former head coach at Flames Sports with over 25 years of coaching experience and having helped many young men achieve their dream of playing collegiate ball.

Coach Bengston grew up in Louisville, Kentucky where he and his father started up their high school baseball program and also where he played American Legion baseball. Following a successful high school career, Bengston played collegiately at Grand Rapids Community College under Hall of Fame coach Tom Hoffman. He also played in the former summer collegiate "City League" at Valley Field. Coach Bengston currently resides in Hudsonville with his wife JoAnn. In his free time he enjoys seeing his 5 children and 5 grandchildren, golfing, and volunteering at his church. His favorite aspect of coaching is helping our young men develop their baseball skills and encouraging each to grow in their faith.

Josh Stoessner

Josh Stoessner

Assistant Coach (1st Year)

Stoessner joins the staff this year as a supporting pitching coach. Josh had a standout career at Allendale HS, yet decided to hang up the cleats after high school and focus on a degree at Grace Christian in Music Worship and Technology. However, when the program started up, Stoessner felt the itch to come out of retirement and pitch for the inaugural team here at Grace Christian. Unfortunately, a season-ending injury during his first appearance that spring led him to hang up the cleats once again, but Josh's passion for the game never left. After finishing his time at Grace, Stoessner was brought on the staff by Coach Wolfe and has been thriving in his newfound role.

Coach Bushen is a 1998 graduate of Hamilton High School, where he competed in tennis and golf for four years. He went onto Central Michigan University to get his Bachelor's degree where studied sports medicine for the first 2 years, where his continued passion for playing and coaching sports began. Graduating with a teaching degree in Business Education with a Computer Science minor in 2003, he began his teaching career at Wyoming Park High School (now Wyoming High School), in 2004. While teaching he completed his Master's degree in Educational Technology from Western Michigan University in 2009. Shortly after graduation, he began coaching the Varsity Boys and Girls tennis teams at Wyoming Park in 2005. He coached both varsity teams until 2018, and again coached the boys in the fall of 2019 and 2020.

Brittany Kozakiewicz

Brittany Kozakiewicz

Assistant Coach

The Grace Christian University Tennis program is ecstatic to welcome in Assistant Coach Brittany Kozakiewicz, who brings a wealth of experience and a contagious love for the sport of tennis that dates back to when she was a little girl. Due to a house fire, Coach Brittany has been an amputee from a very young age, missing her right arm and has a prosthetic leg located below the left knee. She was adopted from Thailand at the age of 4 and came into a very active family. She has had a racket in her hand since she was a little girl – mentioning that "it was the best Christmas present I received, and the best investment my dad could have made."After years of hard work and excelling at the high school level, Brittany played collegiately for Grand Rapids Community College for two years, then as an able body player for USTA for a short period of time. She has participated in multiple Adaptive Tennis tournaments throughout the United States in the past few years. She has also coached the NorthPointe Christian High School JV boys team for two seasons.

When she is not on the tennis court playing or coaching, chances are you can find Coach Brittany on the trails with her two beautiful Australian Cattle Dogs, named Kado and Nova.

"I have a strong passion for tennis and a competitive spirit. The ability to lead a group of players is something I look forward to during and off the season," commented Brittany. "I am looking forward to growing the program and I am extremely grateful to be part of the Grace Christian University tennis program."

SOFTBALL - Coming in 2023-24!

Jeremy Clark

Jeremy Clark
Head Coach

Jeremy Clark will take the reigns of the newly formed Grace Softball program beginning with the task of piecing together a team this year for it's first competition in 2023-24.

A graduate of Huntington University and Indiana University School of Law, Clark practiced law for six years before he and his family left the States for Costa Rica where they served eight years with Grace Ministries International. In 2012, the Clarks moved to West Michigan where Jeremy has been the Executive Director of GMI which has its stateside offices on the campus of Grace Christian University.

Clark has coached softball at various levels. He had the privilege of serving on the coaching staff of three youth Michigan state championship teams. He is also the head coach of a West Michigan, high school travel team which, over the past four seasons, the coaching staff has developed into a highly competitive and formidable squad. Most recently, Coach Clark was on the coaching staff for the Hudsonville, MI team that traveled to Washington and made history bringing back the 2022 Junior World Series title.

Jeremy and his wife, Andrea, along with their three children live in Jenison, Michigan. When not traveling, working or on the diamond, Clark enjoys spending time with his family, reading, playing sports and learning new things.

Bryan Baarman was announced Assistant Coach right before the printing of this Media Guide. Visit www.gracetigers.com for more bios and softball information coming soon!

2022-23

Cory jamieson

Cory Jamieson
Head Coach

Coach Cory Jamieson is a 2012 graduate of Grace Bible College and Davenport University, and received his master's degree in Sport Management from Western Michigan University in 2018. As an Assistant Athletic Director at Grace last Spring, Cory was an integral part in launching the golf program and recruiting a full men's team for the fall of 2022.

After taking the reins as Athletic Director at Grace in June 2022, Cory will remain on staff as a volunteer assistant for the golf team, but will hand over the coaching reins to Eric Zudweg, who's bio can be viewed at the bottom of this page.

"We had an absolute riot this past fall and the program is in a great spot as we build for the future," said Cory. "With the men's team having a solid foundation and hopefully a women's team on the horizon, we plan on Grace Golf being a mainstay as we compete for the Glory of God on the course and grow together off of it."

John Hamstra

John Hamstra
Assistant Coach/Swing Coach

Coach John Hamstra joined the Tigers coaching staff as a volunteer assistant in 2022. Coach John has an extensive history in being around the game of golf in the West Michigan area. He has been a member of Sunnybrook Country Club for the past 30 years and spent 6 years as the Head Coach for the varsity Coopersville High School boys program and also the girls JV team after retiring from his longtime position as a software engineer for GE aviation in 2011

Although he has been playing for the majority of his lifetime, Coach John is still an avid student of the game and has a passion for the intricasies of the game and sharing that knowledge with others. This season, Coach John was essential in taking some Grace players that were new to competitive golf and helping them with their ball striking, driving, and consistency around the greens.

Eric Zudweg

Eric Zudweg
Assistant Coach

Eric Zudweg competed for the Tigers as a graduate student this season, and at the conclusion of the fall was named an Assistant Coach for the remainder of the season leading up to eventual plans to take the reigns as Head Coach upon the conclusion of this academic year. Eric finishes his one year stint with the lowest scoring average in Grace history and the low round on the year of 78. Eric has coached the girls golf team at Union High School for the past two seasons, and has been the varsity baseball coach at Union HIgh School for the past three years.
