LOPES BRING IN TOP-5 ATTENDANCE

The Havocs have built a reputation as one of the craziest fan bases in college basketball, but have crossed over to become one of the top men's volleyball fan bases in the nation. In 2020, GCU is set to split time between Antelope Gym and GCU Arena. With eight matches in Antelope Gym and six in GCU Arena, the Lopes have the opportunity to build on attendance numbers that ranked fifth nationally in 2019. GCU averaged over 1,000 fans per game last season, making the Lopes one of only five programs to average 1,000 or more fans per match.

The historically dominant men's volleyball programs top the attendance chart but it is GCU that is fighting for best atmosphere. Antelope Gym sits 1,500 fans and with GCU's average over 1,000 the gym becomes loud. In 2019 the Lopes led the country in attendance capacity at 70.07%.

"Our fan support is like non other across the country. It took some getting used to for our own guys because of how loud our gym is!" GCU head coach, Matt Werle after the 2018 home opener.

STAYING STRONG

After a tumultuous 2019 season, redshirt freshman **Camden Gianni** came out strong in his first career start at the Raising Cane's Rainbow Warrior Classic. On Friday Dec. 28, 2018, the outside hitter went down at practice and needed immediate medical attention. GCU's athletic training staff was able to administer life-saving procedures and get Gianni into stable condition. He returned home to Carlsbad, Calif. to undergo surgery which was a success. Gianni went through recovery and received treatment at the UCLA hospital. He has been approved to compete for the Lopes in 2020 and has already made an impact in the lineup early in the season.

Gianni

Gianni led the Lopes in kills in the first two matches of the 2020 season with 13 against Harvard in the season opener and eight versus Emmanuel in the Lopes first win. After his first week of competition, the outside hitter ranked 10th in the nation in attacks per set (6) and 18th in kills per set (3.5). He was named to the All-Rainbow Warrior Classic Team for his incredible performance opening weekend.

IN WERLE WE TRUST

Werle

GCU completed one of its most successful runs ever in 2019, thanks in part to head coach **Matt Werle**.

In just four years, Werle has become the winningest coach in GCU men's volleyball history. The Juniata alumnus earned his 69th win over Park on Jan. 17, 2020, passing Jeremy Price who held the title with 68 total wins in five seasons.

Werle has had challenges during his tenure but continues to roll with the punches. One of the challenges faced came when GCU made the transition from the MIVA conference to the MPSF. Strength of schedule aside, coach had to face another difficult task; recruiting. As recruiting shifted from Midwest focus to more of a west coast focus due to the change in conference, incoming talent has not taken a step back. The talent has been instantly noted with two high school All-Americans (Christian Janke, Camden Gianni) choosing the Lopes. Other top recruits have contributed immediately as well.

SOS

A program continues to grow by challenging itself. GCU has done just that with the 2020 schedule. This year is set to be one of the toughest yet for the Lopes, facing eight of the preseason Top-15 with one more that received votes.

Of the Lopes' 29 matches last season, 19 were against Top-15 opposition with 14 landing in the top-10. GCU's young team had mixed success against ranked teams going 6-13 in such affairs. The MPSF in itself provides challenges all-season long. The conference is the only one in volleyball that has every team ranked or receiving votes

SOPHOMORE STANDOUTS

Two Lopes earned MPSF honors in 2019 as outside hitter **Christian Janke** and libero **Cole Udall** were named to the conference's All-Freshman Team.

Janke was an ironman for the Lopes, playing in 109 of the team's 110 sets. He finished second in the nation in sets played behind only Ball State's setter. The Carlsbad, Calif. native started his career off in historic fashion by recording double-digit kills in his first 12 matches. Janke was the only player in the nation to start the season off with more than 10 straight matches of 10+ kills. Thanks to his hot start, Janke was among the first four players in the NCAA to reach 200 kills on the season and was named to two all-tournament teams. Janke led the team in kills by nearly 100 and his 27 aces led the Lopes as well.

Janke

Udall made a name for himself in MPSF play. Since the conference slate started, the Arizona native leads in digs per set. Udall had eight double-digit dig efforts this season and is a main reason for the Lopes success when it comes to opponent hitting percentage. His efforts were on display during Week 10 when he won MPSF Defensive Player of the Week honors after recording 25 digs in two wins over then No. 9 Loyola Chicago including a career-high 15 on March 8. Udall continued his recognition streak in March when he was named a finalist in Off the Block's National Player of the Month voting. The libero finished second in total voting by less than one percent.

GCU WINNINGEST COACHES

1st Matt Werle (75-52)
 2nd Jeremy Price (68-91)
 3rd Chad Speer (18-51)

Matt Werle was named the third head coach in Grand Canyon men's volleyball program history on May 2, 2016. With one season as interim head coach in 2016, Werle is entering his fifth season at the helm of the program in 2020.

Werle guided his first three GCU teams to 17 wins or more each year and an overall 54-34 record (.628). In 2017, the Lopes were ranked in the national top 15 in each week of their 18-11 season and finished at No. 14. It was GCU's first season in the Mountain Pacific Sports Federation, which put six teams in the final national top 15.

In 2017, the Lopes finished with a program-best record of 19-11 with 11 wins in Midwestern Intercollegiate Volleyball Association play. Under Werle's leadership, the team earned a national ranking for the first time in 2017 when it landed at No. 14. The Lopes hosted a home MIVA playoff game for the first time in five years and advanced to the championship with wins over McKendree and Lewis. This was the last season in the MIVA.

GCU started the 2016 season 5-0 and later added three huge wins over nationally ranked opponents. The Lopes knocked off No. 8 Ball State, No. 13 Lewis, and No. 12 Loyola Chicago en route to their first 17-win season since 2013. Outside hitters Gerrard Lipscombe and Shalev Saada were named to the All-MIVA first team.

In addition to serving as the interim coach at GCU in 2016, Werle was also head women's volleyball coach at Mesa Community College. He joined MCC in 2014 following his first three seasons on the GCU men's volleyball staff. Werle served as a graduate assistant for the Lopes in 2012 and 2013, before being added as assistant coach in 2014.

Werle played volleyball at Juniata College, where he helped lead the Eagles to three Division III national titles. A four-year starting setter, Werle was a four-time All-American and the American Volleyball Coaches Association Division III National Player of the Year in 2007.

A native of Meadville, Penn., Werle played two years with the junior national team and was Team USA's starting setter for the 2007 Junior World Championships. He trained one season with the men's national team in 2010. A 2009 graduate of Juniata, Werle earned a degree in business administration before earning his graduate degree in business administration with an emphasis in leadership from GCU in 2013.

Werle also had success at the club coaching level as he led the top 18-year old club boys team, Arizona Fear Volleyball Club for four years and also assisted with 17UA and 18UA girls teams at Spiral Volleyball Club in Chandler, Ariz., in 2014-15.

ASSISTANT COACH KEITH SMITH

Keith Smith enters his second season as the Grand Canyon assistant coach, after being hired on June 27, 2018.

Smith is no stranger to GCU. Etched in the record books as GCU's all-time leader in assists, the former Lopes setter returns to the Valley of the Sun for his second stint on the coaching staff. Smith played for GCU from 2011 to 2014 before serving as a volunteer assistant coach during the 2016 season.

During his time with the program, Smith amassed 4,484 assists. In addition to ranking first in assists in the GCU record book, Smith's 1,294 assists in 2013 rank eighth in NCAA history during the 25-point scoring era.

Since leaving Phoenix, Smith has built his coaching resume. Prior to GCU, he served as the assistant coach of the Providence College women's volleyball team for the 2017 season. Smith had an instant impact, helping the Friars post a winning record (17-16) for the first time since 2007. While a part of the staff, the Friars had their best start in program history with 11 straight wins.

Before Providence, Smith served as a volunteer assistant at McKendree with the men's and women's volleyball teams. As part of the Bearcats' staff, Smith worked with setters and made game plans by analyzing game film. In matches, he would help analyze and adjust game plans based off opponent's tendencies.

Smith's playing career came to an end in 2015 after playing for the Orion Top Volley Volleyball Club in Doetinchem, The Netherlands. As setter, Smith helped the team to top-four finishes in the regular season, playoffs and the national club tournament. With Smith's help, the team returned to the CEV Challenge Cup during the 2015-16 season after missing out during the 2014-15 season.
