COVERING A GCU BASEBALL GAME: FIVE FAST FACTS

1 REQUESTING A CREDENTIAL

Submit your request to **josh.hauser@gcu.edu**. If you have a valid 2022-23 GCU Athletics year-long credential, that credential is also valid for baseball.

2 PARKING

Media members can park at the **33rd Ave. Garage**, southeast of GCU Ballpark. Enter off of 33rd Avenue off Camelback Road. Show your credential at the security booth when requested.

3 MEDIA ACCOMMODATIONS

Ample room for working media is available at GCU Ballpark. Enter the press box from the upper level of GCU Ballpark and present your credential on the third base side of the press box, which is located directly behind home plate.

4 TEAM AVAILABILITY

For interview availability, please contact **josh.hauser@gcu.edu**.

5 GAMEDAY SERVICES

Please use GCULopes.com as a resource for digital media materials. Media members are encouraged to follow live statistics online at **GCUstats.com**. Printed materials are available upon request.

CREDENTIALS

All members of the office follow the guidelines set forth by the NCAA and the Western Athletic Conference (WAC) in governing the issuance of credentials. All credential requests should be submitted to the sport contacts.

INTERVIEW REQUESTS

When making interview requests through the communications office, please allow at least 24 hours notice. If the time requested with a student-athlete or coach is longer than normal (for interview, photography or videography purposes), more advance notice will help ensure that your request will be handled efficiently.

All interviews with student-athletes will take place at designated times around practice schedules, or during scheduled press conferences. Out-of-town media wishing to interview GCU student-athletes should also contact the communications office with their requests. Home and cell phone numbers of student-athletes will not be provided and student-athletes are instructed not to accept calls from media. Please do not contact a student-athlete or coach without scheduling the interview through the communications office.

E-MAIL

Releases, game notes and advisories are e-mailed to media that cover GCU on a regular basis. Want to be added to the list? Contact **josh.hauser@gcu.edu**.

ONLINE

Updated bios, notes, rosters, schedules, statistics, quotes, etc., will be available throughout the season for every sport on **GCULopes.com**. Specific information not readily available on the website may be available through the communications office. Please contact the sport representative with your request.

INJURY INFORMATION

Grand Canyon University athletics will abide by HIPAA - a federal privacy act with regard to the release of injury information. GCU athletes will be required to sign a waiver before their injury information is released to the media. If the athlete chooses to withhold that information, GCU officials will be restricted to informing the media members of their playing status only.

ONE OF THE PRIMARY ARCHITECTS OF GRAND Canyon's last decade on the baseball diamond takes charge of a talented Lopes team that looks to continue its rise.

Gregg Wallis, a Lopes assistant since 2014 and lead recruiter since 2016, steps into the head coaching role to lead a program that has palpable buzz.

GCU has national names. Junior shortstop **Jacob Wilson** dominates the headlines as the WAC's Preseason Co-Player of the Year. The Thousand Oaks, California, native is a top-10 MLB Draft prospect per MLB Pipeline, and he is receiving high preseason praise with selections to all five major publications' Preseason All-America teams. He's also one of 55 players on the Golden Spikes Award's Preseason Watch List.

Wilson is not alone. The Lopes return hometown hero **Daniel Avitia**, a graduate of nearby Alhambra High School. The right-hander was the first ever freshman to win the WAC's Pitcher of the Year honor last year. He was also the WAC Freshman of the Year and a Freshman All-American. Avitia has also received preseason notoriety as a Preseason All-American and is the WAC Preseason Pitcher of the Year.

Junior outfielder **Homer Bush Jr.** also checks in on the MLB Pipeline's top-100 draft prospects at No. 88.

Junior utility man **Elijah Buries** has been a steady and reliable force for the Lopes and lands on the Preseason All-WAC team. Junior left-hander **Connor Markl** joins him there after a successful summer in the Cape Cod League.

The sum of the parts? GCU is picked to win the WAC in preseason polling for the sixth straight year. It should come as no surprise for a club that has gone 111-30 in WAC play over the last five seasons, the top conference winning percentage in all of D-I baseball.

Jacob Wilson enters the 2023 season near the top of most MLB draft projections and has racked up many national preseason accolades.

The Lopes have shoes to fill from the program's best D-I team in 2022. GCU debuted in the D1Baseball.com top-25 poll for the first time last year and spent the regular season's final three weeks at No. 25. GCU did the nearly unthinkable by earning an at-large bid out of the WAC, a feat that hadn't been accomplished by a WAC program since 2012 when the league's makeup was significantly different.

Four of GCU's biggest departures came via the draft. The Lopes lost the program's D-I single-season home run leader (24) in outfielder **Tayler Aguilar**. GCU lost the program's D-I career strikeout leader in **Nick Hull**. The Lopes lost the program's D-I single-season saves record-holder in **Vince Reilly**. And junior left-handed reliever **Eli Ankeney** was also nabbed in the draft.

GCU's leading batter by average, **Juan Colato**, departed after graduating.

The Lopes usher in another impressive recruiting class and will lean on their depth to fill the holes left by the drafting of three juniors.

For infield stability, GCU turned to a fifth-year D-I player and former captain of a College World Series qualifier. **Zack Gregory** transfers to GCU for his final season of college baseball and will look to make a move from a 56-game starter in the outfield over to second base for the Lopes. Gregory ranked third on the Razorbacks with a .414 on-base percentage. UCLA transfer **Eli Paton** also figures to be a key puzzle piece in GCU's infield.

For starting rotation stability to join Avitia and Markl, the Lopes turn to one of the nation's top 50 junior college recruits to make it to Division I campuses, per Perfect Game. **Zach Thornton** transfers from Barton Community College in Kansas, where he went 9-0 with a 2.63 ERA in his sophomore season in 2022.

In addition to those previously mentioned, the Lopes return a handful of experienced position players in outfielder **Cade Verdusco**, infielders **Tyler Wilson** and **Dustin Crenshaw** and catcher **Josh Buckley**. A primary option at first base or designated hitter, Wilson returns after a first-team All-WAC season in 2022. Verdusco is expected to man the grass in right field after earning a spot on the All-WAC defensive team a year ago.

Daniel Avitia enjoyed a stellar freshman campaign where he became the WAC's first freshman to win WAC Pitcher of the Year.

Candidates to see starting roles on the mound abound. On top of Avitia, Markl and Thornton, the Lopes return fifth-year senior **Brodie Cooper-Vassalakis**, **Carter Young** and **Hunter Omlid** — all with starting experience for the Lopes. Young was a Freshman All-American in 2021 after a 7-1 season with a 2.77 ERA. Cooper-Vassalakis has had mixed success in his Lopes career but features strikeout stuff when he's on and was trusted in late-game scenarios last year.

There are roles to be identified out of GCU's bullpen but the Lopes have options. GCU went the junior college route to stack up some arms including **Nathan**

Gregg Wallis takes the reins of the program after a decade as a GCU assistant and recruiting coodrinator.

Ward (Yavapai), **Tyson Heaton** (Central Arizona), **Shawn Triplett** (South Mountain), **Maddox Thornton** (Crowder) and **Jace Presley** (Crowder). CSU Bakersfield transfer **Cody Tucker** adds an additional arm. Senior right-hander **Blake Reilly** made 13 relief appearances as a Lope last year and went 3-1 with a 4.74 ERA. Additional intrigue was added with a pair of "call-ups" from GCU's club baseball program in **Jacob Martinez** and **Walt Quinn**, both relievers that have an opportunity to be used in niche situational relief.

The next class of freshman Lopes has arrived with impressive resumes. In the infield, the Lopes began building toward the future with the signings of **Nick Arias**, **Emilio Barreras**, **Isaac Lyon** and **Zach Yorke**. On the mound, GCU added freshmen **Jace Smith** and **Grant Richardson**, while Lyon pitches as well.

After limited roles as freshmen, the Lopes are looking for sophomores **R.J. Elmore** (pitcher), **Jaxson Wall** (infielder), **Carson Ohl** (pitcher), **Beau Ankeney** (infielder), **Maxwell Andeel** (outfielder) and **John Sheehan** (catcher) to take the next step forward in their careers also.

GCU features another difficult schedule that includes eight 2022 NCAA Tournament teams as it looks to build towards another postseason run. The Lopes feature marquee home games against the likes of Tennessee, Gonzaga, Texas State, Oregon State, Ohio State, Michigan State, Arizona and Arizona State.

A new era begins as the torch is passed to Coach Wallis. But as a key piece of the program's rapid ascension, he's no stranger to what's been working around Grand Canyon baseball.

Elijah Buries has started 108 games in two years.

» THE AT-LARGE BID

Last year, Grand Canyon earned the first at-large bid by a WAC team since 2012 and was named one of the last four teams in by the NCAA selection committee on May 30.

GCU set a Division I-era program record for wins and matched its best WAC winning percentage at 25-5, four games better than the next team. The Lopes went 2-2 against the tournament's No. 2 and No. 3 national seeds (Stanford and Oregon State), 7-4 against elite Power 5 programs and 21-6 on the road.

» LOPES OPEN ON NATIONAL STAGE

Grand Canyon has long featured one of the best Opening Weekend environments in college baseball, consistently checking in among the nation's top-10 attendances on Opening Day since the opening of GCU Ballpark in 2017.

This year, the Lopes will log another program first. GCU will open the 2023 season in the MLB Desert Invitational and play nationally televised regular-season games for the first time. The Lopes' first two games (Feb. 17 vs. UC San Diego at Salt River Fields and Feb. 18 vs. Tennessee at GCU Ballpark) will air on MLB Network.

» RPI JUMP, WIN JUMP

GCU notably advanced to its first NCAA Tournament in 2021. GCU notably received its first ever at-large bid into the NCAA Tournament in 2022. The program's postseason selections were no fluke either, as the Lopes also posted their best D-I mark for wins (41) and RPI (95) for a fully completed season in 2022.

» SUCCESS IN THE DRAFT

Hull | Aguilar | V. Reilly | E. Ankeney

The last three MLB drafts have been only five and 20 rounds, respectively, much shorter than the 40 rounds of the past. But the shortened selection list has not put an end to GCU's streak of consecutive drafts with a player picked. The Lopes are among an elite group of nine schools in the West to have a player selected in nine consecutive drafts.

Add in a trio of Lopes freshmen new to the roster for the 2023 season: **Isaac Lyon**, **Kan Taguchi** and **Nick Arias**.

The careers of the fathers were not just a cup of coffee either. The six combined for 49 MLB seasons and 3,401 games.

» TOUGHEST TO STRIKE OUT

J. Wilson

Jacob Wilson does not strike out. Well he does, but only on the rarest of occasions.

After a high school career where he struck out only six times in 332 at bats, Wilson's freshman campaign at GCU saw him strike out 19 times in 182 at bats.

That already impressive number was improved upon even more in his sophomore season in 2022, with Wilson striking out only seven times in 246 at bats. He was the toughest batter to strike out in the nation, and it wasn't close.

» PRIMED FOR A BREAKTHROUGH

Credit where credit is due. *Baseball America* released its list of the 10 mid-major schools primed for a breakthrough in the 2020s back in 2020. Since, the Lopes have risen to a top-25 national program with back-to-back postseason appearances.

> If you are betting on untapped potential, Grand Canyon is a solid bet to be among the next class of mid-majors that transforms into a perennial regional team. Everything is in place for the Antelopes to do so, and that's by design.
>
> When GCU was preparing to move back up to Division I ahead of the 2014 season, the administration made an inspired hire in Andy Stankiewicz. Then, in 2018, GCU Ballpark opened, giving the Lopes a showcase facility to match the rest of the new construction on a growing campus.
>
> All of that support has had the desired result. Grand Canyon has three Western Athletic Conference regular season titles already, including twice before it was even eligible to take part in the postseason. The team hasn't broken through to a regional yet, although they've only been eligible to do so for two years, but that will come sooner rather than later.

» HOT HITTING AT GCU

The Lopes have a long string of success from the plate. GCU holds the nation's 22nd-ranked batting average since 2014, the Lopes first season back at the Division I level. GCU is batting at a .290 clip in their nine seasons of the current D-I era.

» SCHEDULE TAKES ON CHALLENGES

A challenging schedule is typical of a Lopes season. GCU will take on a program-high eight NCAA Tournament teams in 2023. Two advanced to the College World Series and six of the seven won at least one postseason game.

» LOPES BEGIN SEASON WITH A RANKING

The line "a program first" never gets tiring.

For the first time in program history, the Lopes enter a season ranked in a publication's preseason poll.

By May 23 of last year, the Lopes were ranked in four of the six notable national polls and receiving votes in a fifth. GCU debuted in the D1Baseball.com for the first time in program history last year and spent the final three weeks of the regular season at No. 25.

To open 2023, the Lopes check in at No. 36 in the Collegiate Baseball poll. After beginning the season receiving votes in the poll, GCU reached as high as 24 in Collegiate Baseball's poll last year.

» PAC-12 PUNCH

Grand Canyon has had success against the Pac-12 Conference the last four years, piling up eight victories against schools from the conference.

The Lopes went 5-4 against the Pac-12 in 2022, split four games in 2020 and went 4-3 in 2019.

» AVITIA BURSTS ON SCENE

Avitia

Daniel Avitia had an impressive freshman campaign in 2022, one that also made some WAC history.

The conference has been naming a Pitcher of the Year since 2000, and Avitia was the first of the 22 winners to be a freshman.

Avitia was named a Freshman All-American, the fifth in GCU history. He earned the honor from both Collegiate Baseball and Perfect Game.

The right-hander set GCU's single-season strikeouts record for a freshman with 111 (was: 89 by Al Knox in 1954). The mark was also the program's second-best single-season mark at the D-I level regardless of class.

The bar is set high for Avitia again in 2023, joining Jacob Wilson with Preseason All-American honors as a second-team pick in Collegiate Baseball's list.

Avitia grew up within a few miles of GCU Ballpark and grew up coming to games. His older brother, David, was a four-year starter at catcher for the Lopes from 2018 to 2021. The brothers' father was on the construction crew that helped build GCU Arena.

» KEEPING IT LOCAL

While the recruiting footprint of the Lopes program continues to expand into California and Texas, GCU's home base of Arizona remains prominent. Behind 14 Californians, the Lopes' 2023 roster is composed of 14 Arizonans. 43.6% of the current roster played either high school or junior college baseball in the Grand Canyon State.

David Avitia

Non-drafted free agency is becoming busier and busier by the year with the consolidation of MLB's draft over recent seasons. The Lopes had another name ink a deal with an MLB club as catcher **David Avitia** signed with the Chicago Cubs in September. The 2021 GCU grad spent a year recovering from injury, working his way back to sign with a professional club.

"This means the world to me," Avitia said. "I get to continue to follow my dreams after everything that has happened."

Avitia signed with the Cubs in July of 2021 before a medical exam revealed an elbow issue that required surgery. He spent the last year recovering and rehabilitating from surgery while also serving as the Lopes' student assistant coach last season.

"I'm excited to get back to work and compete every day again," Avitia said. "It's obviously been a long path, but what matters is I'm here now. I have a great support system that has helped me a lot and that has really kept me going. Big thanks to that support that has been there every step of the way."

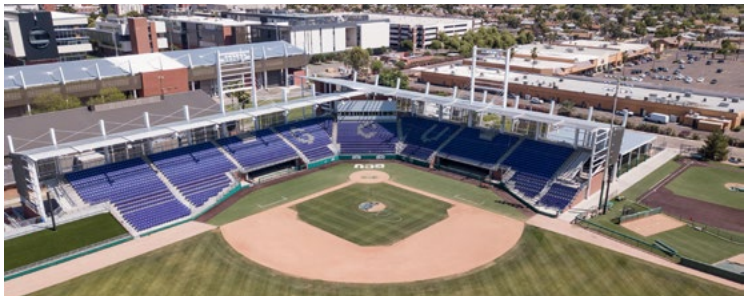
» NATIONALLY RECOGNIZED BALLPARK

While the iconic gold bleachers and green brick of Brazell Stadium served the program well through the 2017 season, it was time for a new facility to rise alongside the growing national brand of the Lopes program.

Following the 2017 season, a state-of-the-art ballpark was constructed that catapulted GCU's facilities to elite status in the west. With a capacity of 4,000 fans, the newly dubbed Brazell Field at GCU Ballpark offers covered chairback seating, restrooms, a concession stand, new sound system, right field entertainment platform, turf berm, larger dugouts, a spacious three-room press box and even classroom space.



Ballpark Digest took note, naming GCU's facility the Best Ballpark Improvement of 2018 across all levels of baseball – college and professional alike.

"On a college campus committed to top-notch facilities, it's no surprise that a renovated ballpark should shine," Kevin Reichard of Ballpark Digest wrote in November. "With a fan-friendly design that also recognizes the program's rich history, GCU Ballpark is our choice for the Best Ballpark Improvement."

The finishing touches were put on the stadium following the 2018 season when approximately 1,200 field-level seats were installed to complete construction.

» SIZEABLE STADIUM

Featuring a capacity of 4,000 fans, Brazell Field at GCU Ballpark is the fourth-largest on-campus baseball stadium west of Texas.

» OMAHA FLAVOR

Gregory

First-year Lopes coach **Gregg Wallis** has been on the staff of two College World Series teams (UC Irvine '07, Cal State Fullerton '09). He used the transfer portal to add a player who has also been there.

Zack Gregory spent his first four collegiate seasons at Arkansas and made two trips to Omaha with the Razorbacks. While a redshirting freshman in 2019, the 2022 trip meant even more as a team captain.

Gregory was a 53-game starter for the Hogs in the outfield last season and finished third on the team with an on-base percentage of .414. He opened his time in Omaha last year with a 2-for-5 game with an RBI against Stanford.

Lopes pitching coach **Nathan Bannister** also helped lead a team to Omaha as a member of the Arizona Wildcats team in 2016.

» BRAZELL'S LEGACY

Brazell

Dr. Dave Brazell, the founder of GCU's baseball program, passed away on Oct. 17, 2018, at age 93 after a long battle with cancer.

Brazell served as a coach, teacher and administrator in Grand Canyon athletics and academics for 50 years (1951-2001), leaving an impression with his character, charisma and competition.

Brazell is most remembered for his 28 seasons at the helm of Lopes baseball, a program he founded in 1953. Grand Canyon baseball did not get bleachers, grass or a win until the following season, but he built a program that he guided to an NAIA national ranking by 1967 and an NAIA national championship in 1980.

Brazell went 728-385-8 as the head coach of a baseball program whose home is called Brazell Field at GCU Ballpark, the stadium that opened in February 2018 around the original field Brazell designed in 1962. Brazell joined students with picks and shovels to dig the first dugouts for a field that remains where he chalked lines and manicured the grass.

"Nobody probably has contributed more to Grand Canyon University over the years than Dave and Mildred Brazell," GCU President Brian Mueller said of Brazell and his wife of 72 years. "They have made countless contributions to the University and impacted thousands of lives from an academic, athletic and spiritual life perspective.

"I'm proud," Brazell said in February 2018. "We worked hard and we got good players in there and that's the key thing. Some people say that the coaching is overemphasized. You do your coaching in the summertime when you contact players and get good ones in there."

"Today, we lost a hero," Stankiewicz said. "A man that epitomizes character, strength and leadership. Coach Brazell has been such a light for all of us, not just the baseball community. Always quick to give an encouraging word or share a story that had meaning beyond the game of baseball. He is the one that built the foundation of what GCU baseball is today. We are all very proud and honored to continue his legacy."

» FALL RECAP

Grand Canyon hosted another competitive fall season with a combination of fall training and intrasquad games.

GCU began by hosting Loyola Marymount on Nov. 5. Former Lopes pitching coach Nathan Choate entered as the head coach of the visiting Lions in a reunion with new GCU head coach Gregg Wallis.

The following weekend, GCU visited Arizona State for 16 innings of baseball that the Lopes won 7-3. **Brodie Cooper-Vassalakis**, **Connor Markl** and **Tyson Heaton** were the stars on the mound for the Lopes.

GCU finished off its fall practices with the annual Intrasquad World Series. This year, due to field re-seeding, the Lopes played three games in Tucson where Team Purple, led by Jack Wilson, topped Team Black, led by Paul Panaccione.

» D1BASEBALL.COM PREVIEWS THE WAC

D1Baseball.com has become college baseball's premier national publication and has collected some of the nation's top experts on the sport.

Its 2023 preview of the WAC views the Lopes favorably.

Some highlights:

- GCU is projected to win the conference and is the lone regional team.
- **Jacob Wilson** was tabbed Player of the Year. "Shortstop Jacob Wilson is a star, but he does not work alone. His supporting cast is excellent... Wilson, who is the son of long-time big leaguer and newly minted GCU assistant coach Jack Wilson, earned a starting job for Team USA last summer and he is projected as a Top 10 pick for the 2023 MLB Draft."
- **Daniel Avitia** was picked as the Pitcher of the Year. "Avitia is a 6-foot-3 righthander who led the WAC in punchouts (111) as a true freshman. He is a vintage low slot, high ride slinger and his operation comps to Jacob DeGrom. Accordingly, Avitia's low-90s heater plays way up, and he projects to throw even harder."
- **Jacob Wilson**, **Homer Bush Jr.** and **Connor Markl** check in as GCU's top draft prospects for 2023 at first, third and seventh in the conference.
- **Daniel Avitia** is identified as the WAC's top prospect for the 2024 draft.
- **Zach Yorke**, **Emilio Barreras** and **Nick Arias** are listed as impact freshmen.
- In GCU's preview: "This is the most talented roster in the WAC and that does not feel debatable. Proven commodities abound in this lineup. The top of the rotation is of Power 5 quality. Wallis has assembled an inexperienced coaching staff, but the individual talents of these coaches are not in question. At the end of the day, at-large bids are very difficult to come by for the WAC. GCU offers postseason talent on paper and a third straight regional is a clear goal."
- While the Lopes are the predicted regional team, D1Baseball.com says to keep an eye on: Sam Houston, California Baptist, UT Rio Grande Valley, Sacramento State, Abilene Christian, New Mexico State, UT Arlington, Utah Tech and Utah Valley.
- The "Rest of the Pack" includes Tarleton, Stephen F. Austin and Seattle U.

» BURIES RISES, LIFTS MOM'S SPIRIT

Buries

If **Elijah Buries** was not an undeterred overcomer, he would have given up when he was a fourth-year starter with no Division I offers. He would have been overwhelmed at a GCU camp of committed players in 2020, shook by his mother's cancer diagnosis on the day he moved into GCU, discouraged at his chances as an unheralded freshman on a 48-man Lopes roster and dismayed when he did not play in the first three games of 2021.

Buries' ability to adapt and overcome made him the 2021 GCU season's surprise sensation as the team's leading hitter, a Freshman All-American, a 61-game starter in 2022 and a 2023 Preseason All-WAC pick.

During Elijah's first semester away from home, his mother, Jude, underwent chemotherapy for months to combat multiple myeloma, a rare cancer of plasma cells that impedes the body from fighting infection.

Jude attended Elijah's first college series and saw his first AB, a pinch-hit RBI double on Feb. 21, 2021, against Missouri, before going to City of Hope for three weeks to receive a stem cell transplant. After extended isolation helped by streaming GCU games, Jude returned home in May 2021 with an optimistic prognosis.

"When GCU came knocking, every other school was insignificant," his father, Jeff said. "There is not a better human being than Coach Stank to be my son's coach. It is literally the perfect fit."

» WILSON WOWS NATIONALLY IN SUMMER

When **Jacob Wilson** and his Grand Canyon baseball teammates left Oklahoma crushed by an NCAA regional loss in early June, he needed a pick-me-up.

The ensuing two months became a bonanza of baseball bliss for Wilson. Since then, the Lopes shortstop thrived in the prestigious Cape Cod Baseball League, made and played for the USA Baseball Collegiate National Team, celebrated his father joining the GCU staff and marveled at mock drafts projecting him as high as the No. 2 overall pick for next year's MLB Draft.

"It all happened so fast, but it was probably the most fun one that I've had ever," Wilson said. "It was an amazing summer overall and I enjoyed every bit of it."

After being a Golden Spikes Award semifinalist on his second NCAA regional team at GCU, Wilson did not lose steam when the season ended.

With three days to be home in Thousand Oaks, California, Wilson was packing to play in Massachusetts' Cape Cod when he learned that he was among 48 invitees for the USA Baseball Collegiate National Team training camp.

That made for a brief stop at Cape Cod, where he arrived on the eve of the June 12 opening day. Wilson still delivered with the switch to a wood bat and his usual slick glove. In 10 games, he went 10 for 36 with six walks for a .381 on-base percentage.

"Those guys in the Cape are the real deal," said Wilson, who enjoyed facing GCU teammates Homer Bush Jr. and Connor Markl. "Everybody who gets the invite to go there is a stud."

Before June was over, Wilson was headed for North Carolina and arrived on the day of the first camp practice. He barely had processed the sight of a swag bag of red-white-and-blue gear when he was wearing it and vying for a summer roster spot.

"It pumps you up," Wilson said. "Getting all the USA stuff was cool. I took a nice photo of all of it laid out on the bed. It was super cool to put on that stuff and play the game that I've loved for so long."

Wilson earned his way onto the 26-player team by leading nearly every offensive category in five "Stars vs Stripes" games. He went 7 for 15 with two doubles, two home runs and five RBI.

"Having the honor just to get invited was super awesome," Wilson said. "I was just happy to be there. Just being there was a super-cool experience overall. To end up making the team was an absolute honor to wear those colors in the Netherlands."

But more was developing in his baseball world before he headed to Europe. Andy Stankiewicz called Wilson to tell him he was moving from GCU to be USC's head coach. Wilson temporarily entered the transfer portal as a precaution but it was a short stay once GCU turned quickly to longtime assistant Gregg Wallis to be its new head coach.

"Once they hired Wally, everybody was in," Wilson said. "Wally called me and said, 'Hey, I got the job. Obviously, we want you back.' I was like, 'Yeah, I'm coming back. You've been recruiting me since I was a freshman in high school. I want to come and play for you.' "

Wilson was already on board before he learned of an even closer tie on the new staff. Wallis picked Jack Wilson, Jacob's father and a former 12-year MLB player, to be a Lopes assistant coach.

Until his first two GCU seasons, Jacob had been coached by Jack at every baseball level, including as his high school varsity coach.

"We had a huge family discussion about it and I was all in," Jacob said. "I'm super pumped to play for him again and have Wally return. I was going to come back if Wally was coming back. The fact that he added my dad to the conversation was a bonus.

"Wally recruited everybody. He works hard. He's a great coach. He's about the players. He's a very compassionate coach for the game. We're all excited to get back to school and get back to work."

Jacob will be back at GCU Ballpark soon, but he is taking a mini-break after the USA Baseball trip to the Netherlands, where he went 4 for 11 without an error on the Honkbalweek Haarlem bronze-medal team.

The experience impacted him beyond the field with equally impactful memories, including a bus ride on which he talked hitting approaches with LSU star Dylan Crews.

"I got to meet some big names in college baseball – Dylan Crews, Enrique Bradfield (of Vanderbilt) and Jacob Gonzalez (of Ole Miss)," Jacob said. "It's super fun to make friends when you've just heard their names in college baseball and seen them play through highlights. There was a special bond to meet people who love the game the same way you do."

But Jacob is now a big name in college baseball, too.

ESPN ranked Jacob as the No. 2 prospect for the 2023 MLB Draft after seeing his summer work and his all-around game at GCU, where he led the nation last season for lowest strikeout frequency (seven strikeouts in 275 plate appearances).

"What an incredible summer for Jacob," Wallis said. "He continues to prove he is one of the best players in the country, and we are so proud of all his accomplishments. He's worked tirelessly to get to this point, and there is no end in sight."

Jacob is also considered as the nation's No. 4 college prospect by D1Baseball.com and the No. 12 overall prospect by Baseball America.

"To see where all these respected people have me in the future is really cool, but nothing is for sure," Jacob said. "I still have to get to work. I still have to perform. I'm going to work hard and try to get better with my teammates. I'm just going to focus on getting to another regional and even winning it and going to the College World Series."

In a game that featured 34 combined hits, the most memorable ones came off the bats of Bush in the eighth and Aguilar's walk-off in the ninth.	
ARIZONA STATE	Tuesday, May 10 | **L 6-4**			
	The Lopes trailed 3-0 but worked their way back to a 4-3 lead with the help of Buckley and Buries homers. ASU scored three in the final three innings.			
NEW MEXICO STATE	Friday, May 13 | **W 9-6**	Saturday, May 14 | **W 9-4**	Sunday, May 15 | **W 5-4**	
	GCU won its 20th conference game and clinched at least a share of the WAC West Division title. Buries hit a go-ahead, sixth-inning grand slam.	The Lopes clinched the outright division title as Avitia broke the program's record for strikeouts by a freshman.	GCU built a 5-2 lead that was challenged late with a two-run home run in the eighth and a leadoff single in the ninth. But Reilly ended things with a strikeout.	
SEATTLE U	Thursday, May 19 | **W 7-5**	Friday, May 20 | **W 17-7 (7)**	Saturday, May 21 | **W 6-1**	
	Seattle led 2-0 early but a Hull streak of nine straight retired allowed GCU to build a 6-2 lead and hold on late.	Hansen doubled off the wall in right field to push across the final two runs of a mercy-rule win. GCU ensured a perfect 10-0 mark in WAC series.	A far cry from Friday's offensive display, the Lopes limited Seattle U to one run on seven hits behind 5 2/3 innings of one-run baseball from Markl.	
WAC TOURNAMENT	Wednesday, May 25 | **W 8-4** *vs. (SW4) Abilene Christian*	Thursday, May 26 | **W 4-3** *vs. (SW2) Lamar*	Friday, May 27 | **L 6-5** *vs. (SW4) Abilene Christian*	Saturday, May 28 | **L 15-8** *vs. (SW4) Abilene Christian*
	GCU fell behind 2-0 in the first and did not get a hit until the fourth, but Avitia struck out 12 and the offense ignited for GCU's eighth comeback in May.	A scoreless game through five innings featured seven late runs, capped by a walk-off single from Colato after seven solid innings from Hull.	GCU left the bases loaded three times and stranded 14 runners before Abilene Christian won in the ninth inning with three no-out singles.	GCU had life after it trimmed an 8-0 deficit to 8-6 in the fourth, but Abilene ended the Lopes' tournament run with a seven-run sixth and a blowout win.
NCAA TOURNAMENT	Friday, June 3 | **L 7-1** *vs. (2) Arkansas*	Saturday, June 4 | **L 8-7** *vs. (4) Missouri State*		
	Despite only a 9-8 edge in hits for the regional opener, Arkansas built an early 5-0 lead and cruised to a win over Avitia and the Lopes.	GCU started scoring early and often, building a 7-1 lead, before its season was ended in the shocking defeat of a seven-run rally in the final two innings.		

GCU returns to NCAA tourney with at-large bid

"This does not happen, folks. You do not lose in the WAC Tournament and then make the regional as an at-large."

The words of ESPN play-by-play man Lowell Galindo echoed around television sets throughout the country as he recounted the Lopes' abnormal and nearly unthinkable journey to their second consecutive NCAA Tournament.

"They're slowly becoming a household name out of the WAC," Galindo continued.

Grand Canyon — a No. 3 seed in the Stillwater Regional — was preparing to take on Arkansas on a June afternoon.

The Lopes would have preferred the assurance of winning the conference tournament as they had the year before, but GCU had wrote itself an insurance policy. GCU's resume included a two-game midweek sweep of No. 4 Texas Tech, a midweek split at No. 5 Oregon State, a midweek split at a neutral site with No. 7 Stanford, a 19-3 oblieteration of No. 11 Arizona and a season series win over the Wildcats.

GCU also did what has become the norm in conference play, posting a 25-5 record to run away with its fourth WAC regular-season title in the last five seasons.

That proved to be a formula for a rare at-large bid for a WAC program, a feat that had not been accomplished in the current iteration of the conference. Fresno State's 2012 trip was the last at-large bid for the WAC.

The Lopes found themselves in one of college baseball's modern cathederals: O'Brate Stadium in Stillwater, Oklahoma.

GCU came as close as it possibly could to taking the next step forward as a program by winning an NCAA Tournament game. But a late rally by Missouri State on Day 2 of the regional sent the Lopes home empty-handed for the second straight season.

Despite narrowly missing the chance at the program's first NCAA tournament win, GCU certainly took another step forward as a program in 2022 in picking up an at-large bid and a regional No. 3 seed.

GCU also made program history by debuting in the D1Baseball.com Top-25 poll for the first time, spending the regular season's final three weekends at No. 25.

"I'm excited for all of our guys in the program, for the families, fans, administration," Lopes head coach Andy Stankiewicz said. "I feel like they got it right. Sometimes, RPI becomes the end-all and I don't think it is. It's the overall body of work and our overall body of work put us in position to get an at-large. That's always been the design of our scheduling, to show people that if you schedule well, you schedule tough programs and you compete well, you've got a chance to get an at-large."

The Lopes' 2022 success was attributed to players up and down the roster, but some of the most

crowning achievements came from head coach Andy Stankiewicz and freshman right-hander Daniel Avitia. Stankiewicz repeated as the conference's coach of the year, winning the award for the fourth time in his nine seasons in the conference. Avitia became the WAC's first freshman to win WAC Pitcher of the Year and was also named the WAC Freshman of the Year and an All-WAC first teamer.

GCU's season did not come without adversity, however. The Lopes turned up on the wrong end of 2-1 series losses in their first three nonconference weekends of the season, narrowly falling to respectable programs in Nevada, UC Irvine and San Diego.

After a three-game losing streak that included a pair of losses to the Toreros and a walk-off defeat at the hands of No. 5 Oregon State, the Lopes caught fire.

GCU nearly doubled up the Beavers the next day, winning 13-7 to score the most runs on Oregon State at home in 12 years.

That ignited a 16-3 stretch for the Lopes and ignited their star shortstop Jacob Wilson.

In five combined games against Oregon State and Utah Valley, Wilson hit 18 for 23 (.783) including a streak of 10 consecutive hits. He took home every national hitter of the week honor under the sun and started his gradual rise to one of college baseball's hottest names.

As midweek victories over Oregon State, Texas Tech, Stanford, Arizona, Arizona State and San Diego State continued piling up, the Lopes took care of business on the weekends too.

GCU did not lose a conference series and had their least dramatic clinching of a conference title in their D-I era. The Lopes guaranteed at least a share of the WAC West Division title in their sixth-to-last game of the season and guaranteed an outright title the following day.

"The program is building to where that's not enough," Stankiewicz said. "I'm proud of what we've been able to accomplish, but we want to keep it moving. We have to stay on it and keep applying pressure and keep playing our game."

While the Lopes were not playing for a No. 1 seed or a regular-season championship down the final stretch of the season, they were playing for RPI positioning and every game was critical.

GCU's urgency showed. The Lopes finished off a three-game series win over Arizona and went 6-0 in their final six WAC games.

The ever-changing WAC Tournament format did not reward the Lopes with a bye as all eight qualifiers started on the same day and were required to win the same number of games.

An interesting WAC format also meant the tournament was the first scene of interdivisional play, as the Lopes played exclusively Southwest Division opponents in their four WAC tournament games.

The conference tournament started off on the right foot for GCU. Paired against Southwest Division No. 4 Abilene Christian and No. 2 Lamar, the Lopes posted an 8-4 win and a walk-off 4-3 win to sit in the driver's seat.

However, the nailbiter win over Lamar turned into a nailbiter loss to Abilene Christian the next night, and the Wildcats finished off the Lopes season with a 15-8 upset. Even unlikelier, 10-20 New Mexico State emerged out of the WAC bracket victorious.

This led to a nervous waiting game for GCU.

The hours between the Lopes' WAC tournament elimination and the NCAA Selection Show were filled with angst and the reading of expert opinion and prediction on the tournament field. GCU's team watch party was temporarily canceled before being brought back.

Then, in a classroom down the right field line of GCU Ballpark, ESPN delivered the Memorial Day news.

"Grand Canyon, the Lopes are in!" ESPN host Matt Schick exclaimed. "Perhaps one of those surprise teams... they're back again!"

A level of walk-off bedlam ensued with celebratory hugs and screams before senior Nick Hansen called out for a practice schedule.

"The first half of the show, I was as nervous as can be waiting for it to happen," GCU senior pitcher Brodie Cooper-Vassalakis said. "It was almost better this way because nothing was guaranteed. It makes it a bit more special."

GCU took another step forward in 2022 and doesn't plan on reversing course anytime soon.

GREGG WALLIS

HEAD COACH

1ST SEASON AS HEAD COACH | **10TH SEASON AT GCU**

UC IRVINE (2005)

Gregg Wallis became the fifth head coach in the history of Grand Canyon's baseball program on July 8, 2022. Wallis spent the previous nine seasons on GCU's staff as an assistant coach with the last six as the program's recruiting coordinator.

Wallis joined the Lopes in their first season of transition back to the NCAA Division I level in 2014 and took on the role of recruiting coordinator in 2016.

He was an assistant coach on the Lopes' staff through many milestones in the program's transition back to the D-I ranks including a decade of domination in the WAC, a first-ever NCAA Tournament appearance, and a top-25 national ranking and at-large bid.

In his role as GCU's recruiting coordinator, Wallis worked alongside former Lopes head coach Andy Stankiewicz to reel in some of the nation's best talent. The Lopes' 2020 class was ranked as the 30th-best in the nation by Collegiate Baseball. In 2021, Baseball America named GCU's recruiting class as one of the 10 best at the mid-major level. Prep Baseball Report gave the Lopes' class a similar distinction in 2022 as one of 10 "Power Major" classes.

The Lopes saw unprecedented success for a team transitioning to D-I, winning the 2015 and 2017 WAC Regular-Season Championships. In 2015 – under Wallis' direction — GCU's offense finished with a .308 team batting average, a mark that was seventh in the nation. Grand Canyon had six All-WAC selections including the WAC Freshman of the Year.

The success continued following the successful completion of the Division I transition. In GCU's first fully-eligible season, the Lopes once again claimed the WAC regular-season title by winning all eight conference series. GCU broke through for its first WAC Tournament Championship and NCAA Division I Tournament debut in the 2021 season.

The Lopes returned to the NCAA Tournament in 2022 by virtue of an at-large berth. GCU featured the WAC Pitcher of the Year and WAC Freshman of the Year in Daniel Avitia and a Golden Spikes semifinalist in Jacob Wilson.

While with the Lopes, Wallis has worked to develop a strong corps of outfielders. The outfield development was never more evident than in 2019 when all three of GCU's starting outfielders (Quin Cotton, Preston Pavlica, Kona Quiggle) earned All-WAC recognition and were selected in the MLB Draft. Wallis coached 2018 WAC Player of the Year, Quin Cotton, 2017 WAC Player of the Year and Atlanta Braves draft pick, Garrison Schwartz, and 2015 Chicago White Sox draft pick, David Walker. Outfielder Tayler Aguilar broke the program's single-season D-I home run record with 23 in 2022.

The 2023 season marks Wallis' 18th year on a collegiate baseball coaching staff, serving in positions ranging from undergraduate assistant to director of operations to assistant coach and now a head coach. He has previously held positions at Tennessee, Cal State Fullerton and his alma mater, UC Irvine.

Wallis came to GCU after three seasons at Tennessee, where he was responsible for managing baseball camps, oversight of student managers, the program's academic liaison and the overall operations of the baseball program. Additionally, he was in charge of working with the Volunteers' outfielders, offense and manned the first base coaching box. Following the departure of the program's head coach after the 2011 season, Wallis was retained as a member of coach Dave Serrano's new staff. It continued a long working and playing relationship between Wallis and Serrano, who were together at UC Irvine, Cal State Fullerton and Tennessee.

Prior to his time in the SEC, Wallis spent three seasons at Cal State Fullerton. He held a variety of roles during his time with the Titans including serving as the assistant coach and recruiting coordinator. Wallis mainly worked with the team's outfielders including Big West Freshman of the Year Michael Lorenzen. As a member of the Fullerton staff, Wallis helped lead the program to an impressive 136-56 (.708) mark and helped run the Titans' consecutive-year postseason streak to 19 seasons. Cal State Fullerton advanced to the Super Regionals, College World Series and Super Regionals, respectively, in Wallis' three seasons with the program.

An alumnus of UC Irvine, Wallis spent two seasons on the team's staff upon graduation. He served one year as an undergraduate assistant in 2006 before moving to the director of baseball operations position for a College World Series-qualifying club in 2007. The Anteaters won a pair of games before being eliminated by the eventual national champion, Oregon State.

Wallis played collegiately at UC Irvine from 2002-2005, the first player to sign with head coach John Savage as UC Irvine looked to resurrect its baseball program for the 2002 season. He appeared in 149 games for the Anteaters as an infielder and posted a .319 batting average as a senior in 2005. He accumulated 91 hits over the course of his four-year career.

A three-time CoSIDA Academic All-American and four-time UCI and Big West Conference Scholar-Athlete, Wallis graduated from UC Irvine in 2005 with a degree in political science and a minor in psychology.

A native of the Los Angeles area, Wallis graduated from Chatsworth High School in Chatsworth, California, in 2001. He is married to his wife, Kay, and lives in Goodyear, Arizona, with daughter Khia and son Karsen.

JACK WILSON

ASSISTANT COACH
1ST SEASON
GRAND CANYON (2018)

A 12-year MLB veteran and all-star infielder, **Jack Wilson** joined the Grand Canyon baseball coaching staff as an assistant coach on July 10, 2022.

"Jack Wilson is one of the best baseball men I've ever met," GCU head coach Gregg Wallis said upon Wilson's hiring. "His passion and energy are the exact qualities I was looking to bring to my staff. Jack has been where all our players and recruits dream of going, and I can't wait for him to share his knowledge and experiences with the GCU baseball program."

With an eye on one day coaching college baseball, Wilson graduated from GCU in 2018 with a Bachelor of Science in Sports Management.

A ninth-round draft pick of the St. Louis Cardinals in 1998, Wilson debuted for the Pittsburgh Pirates in 2001 and spent nine years with the club. He turned in his best season in 2004 where he hit .308 with 201 hits and was named both an MLB All-Star and Silver Slugger.

He also spent parts of three seasons with the Seattle Mariners and parts of two seasons with the Atlanta Braves before retiring in 2012. He appeared in 1,370 career games and racked up 1,294 hits.

"It has been a dream of mine to one day coach at the collegiate level," Wilson said upon his hiring. "As a GCU alumni and huge fan of the program when I started attending games seven years ago, this is truly the perfect scenario. After developing off-the-field relationships with Lopes players over the last few years, I feel honored to take the field with them. God is great, and I strive to honor him on and off the field with this amazing opportunity."

Following his playing career, Wilson added high-level coaching experience to his resume.

He was the head coach of Thousand Oaks High School from 2017 to 2021, collecting a 98-30-1 overall record and leading the Lancers to two Marmonte League Championships (2019, 2021) and a CIF-SS Division 2 title in 2021. Wilson's roster at Thousand Oaks featured GCU players in his son, Jacob Wilson, as well as Blake Reilly and Vince Reilly.

Wilson has spent the last four years coaching with USA Baseball. For the last two summers, he has been a member of the coaching staff for USA's 18U National Team. He will be coaching with USA this September as the 18U National Team third-base coach, looking to grab a gold medal in the Baseball World Cup in Florida. He is also serving as a roving instructor for the 16U/17U National Team Development Program. Wilson also served as a head coach in 2019 for USA Baseball Trials and the National Team Development Program.

Additionally, Wilson coached in the summer-ball circuit in 2021 as the hitting coach of the Mankato MoonDogs in the Northwoods League.

Jack has been married to his wife Julie since 1999 and the couple has three children: Jacob, Jaidyn Faith and Jersi Grace.

Matt Haggerty is in his first season as GCU's director of baseball operations in 2023 after serving as a graduate manager with the program for the 2021 and 2022 seasons.

The 2018 season marked the opening of the most expansive facelift in the 57-year history of the Grand Canyon baseball facility.

The field, which has gained a reputation as one of the top playing surfaces nationally, remains in place from Dr. Dave Brazell's initial designs in 1962. On Jan. 22, 2018, the university officially announced that the field would retain the name of the founder and developer of GCU Baseball as Brazell Field.

The immaculate playing surface now has a shiny, new stadium surrounding it. Named GCU Ballpark, the facility brings with it many firsts for the program. Ballpark Digest named GCU Ballpark the top ballpark improvement across all baseball in 2018.

Following the venue's debut in 2018, construction crews went back to work to put the finishing touches on the facility for a 2019 launch. The ballpark got even more fan friendly with chairback field-level seating, covered dugouts and camera wells to complete the new facility, replacing temporary seating sections that were in place for 2018.

Brazell Field at GCU Ballpark debuted to a program record 3,749 fans on Feb. 16, 2018 to watch the Lopes narrowly miss an upset of No. 4 TCU, falling 2-1. With the stadium fully finished in 2019, 4,562 fans watch GCU open the season with a win over Wichita State.

New amenities included chairback seating, a turf berm, a multi-room press box, an on-site team shop, a ticket office, an upper-level concourse, a state-of-the-art sound system, a spacious entertainment deck, wireless internet access and classroom space.

Alongside the ballpark is an artificial turf practice field and batting cages. The Tim Salmon Clubhouse remains in its place steps outside of GCU Ballpark.

The 2019 edition of the GCU baseball facility was the latest and greatest in a long line of renovations. While the structures surrounding the playing surface have changed, the layout of the field remains identical to Brazell's designs when the field was relocated to its current position on the west end of campus.

Over time, the stadium has evolved from simple wooden bleachers and chainlink fence to one of the West's top collegiate baseball venues.

Brazell started the program from scratch in 1953 and built it into a small-school powerhouse. The 1979 and 1980 NAIA Coach of the Year, Brazell led the Lopes to their first NAIA Championship in 1980. His No. 20 jersey is one of three retired numbers.

Amid a hard-fought battle with cancer, Brazell made frequent check-ins to watch a new stadium rise around his playing surface. He had the chance to attend a game during the facility's inaugural season in 2018. Brazell passed away at 93 on Oct. 17, 2018.

Through his final years, Brazell's passion for the university was on full display as he sat in the stands at the baseball facility that has featured his name since 1987.

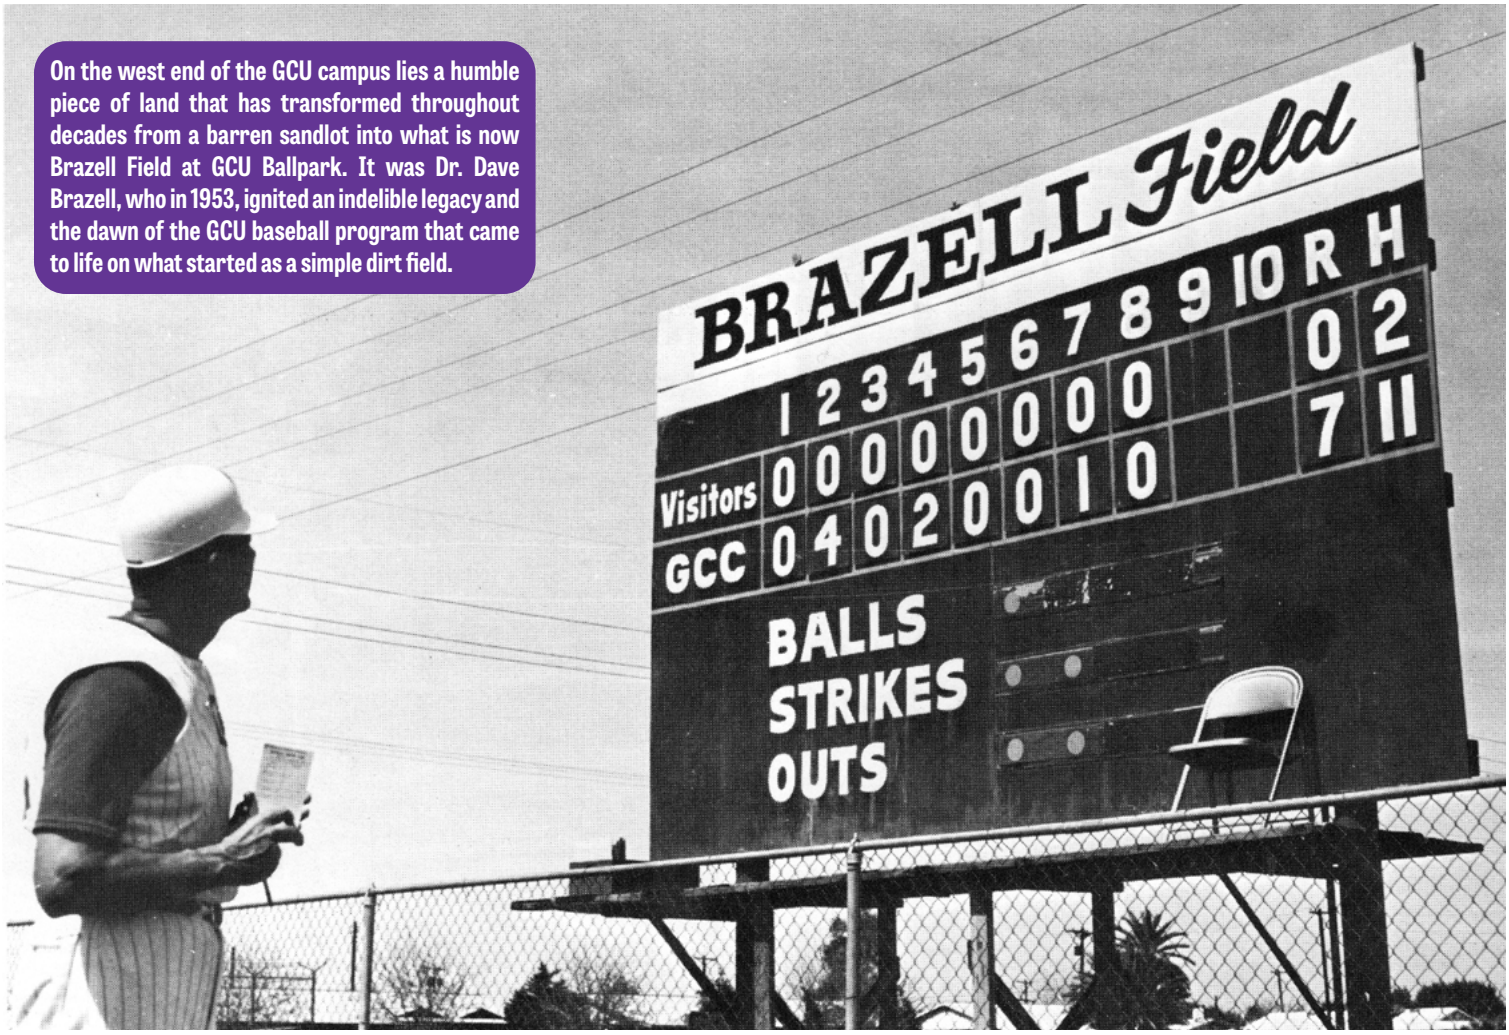
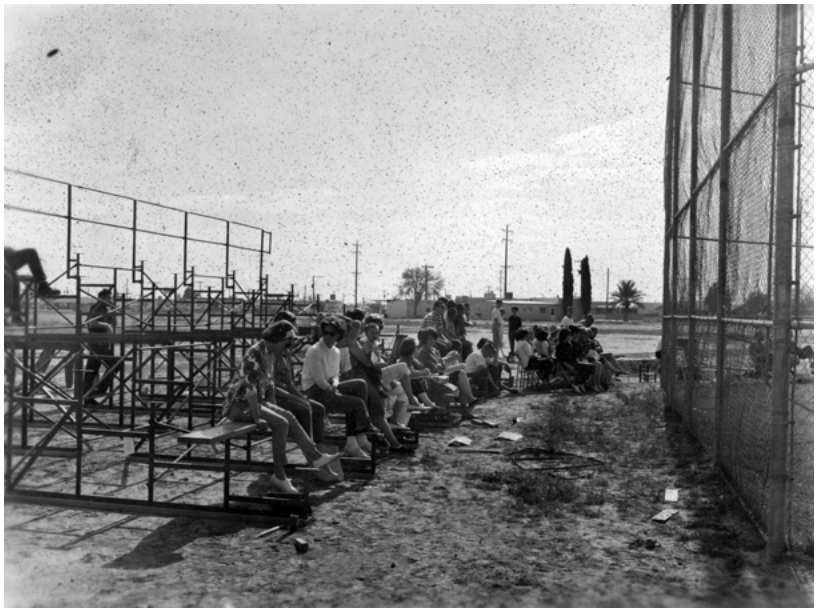
On the west end of the GCU campus lies a humble piece of land that has transformed throughout decades from a barren sandlot into what is now Brazell Field at GCU Ballpark. It was Dr. Dave Brazell, who in 1953, ignited an indelible legacy and the dawn of the GCU baseball program that came to life on what started as a simple dirt field.





A BEACON IN GCU BASEBALL

In 1970, Brazell Field was named after Dave Brazell—founder of the baseball program, visionary behind the field's design and head baseball coach. He came to Grand Canyon College in 1951, and beyond baseball, impacted GCU athletics as the men's basketball and golf coach, athletic director and chairman of the P.E. department.

GCU proudly recognizes Brazell for his achievements that have given the university such a rich history in sports. As a 1979 and 1980 Coach of the Year, American Baseball Coaches Association Hall of Fame inductee and more, Brazell is lauded for his many accolades.

His greatest accomplishment emerged on the diamond where Brazell coached GCU Baseball in its first 28 seasons, leading the Lopes to a 728-385 (.654) record. Brazell's baseball teams further earned a renowned reputation in athletics by winning eight NAIA district titles, capturing four NAIA Area II titles, reaching four NAIA World Series, sending two players to the major leagues and leading GCU to the NAIA national championship in 1980.

THROUGH THE YEARS

Today, Brazell Field, built in 1962, remains intentionally unchanged to preserve its nostalgic integrity as its surroundings took shape. GCU erected a stadium around the playing surface, as Brazell Field became Brazell Stadium in 1987. Despite upgraded renovations and modernized expansion, GCU still cherishes its past wood bleachers and chain-link fence signifying GCU Baseball's golden age when the Lopes won four NAIA National Championships.

HOME OF GCU BASEBALL

Then in 2018, GCU Ballpark was born, introducing a collection of state-of-the-art amenities that create some of the best entertainment and fan experiences in collegiate baseball. GCU's facility has morphed into one of the West Coast's top collegiate baseball venues.

HONORING A LEGEND

Following Brazell's tenure at GCU, he continued to leave his mark on the university by becoming one of GCU's biggest fans—cheering on the Lopes in the baseball stadium or sitting courtside in GCU Arena. Brazell passed away on Oct. 17, 2018 and, at his request, his procession drove by the GCU baseball field that bears his name. His No. 20 jersey is retired at GCU and represents his athletic influence for future generations to admire.

To this day, Brazell's impact resonates with each crack of the bat and home run as cheers echo throughout the stadium. Brazell Field at GCU Ballpark boldly stands today with a treasured history. And when the Lopes win in this beautiful facility, they proudly do so on iconic Brazell Field.

Grand Canyon University's rise in NCAA Division I athletics was further entrenched by the announcement of a deal with apparel and footwear giant, Nike, on May 27, 2015.

Former GCU head baseball coach Andy Stankiewicz said there's something about the "swoosh" and the quality of the Nike brand that appeals to baseball recruits.

"It goes a long way, bringing a young man into a clubhouse where we set up a locker with the jersey, the Dri-FIT gear, the spikes, the turf shoes ... it's very helpful," he said.

Phoenix sports icon, Jerry Colangelo, made the announcement in a press conference on the GCU campus. Colangelo serves as a special consultant to the university's athletic department and is the namesake of the school's business college.

"I think it's huge because when you talk about world brands, they don't get much bigger than Nike," said Colangelo, who helped make the deal possible by leveraging his relationships with the company from his time in the NBA and USA Basketball.

The deal with Nike covers apparel and footwear for coaches and student-athletes of all 21 sports.

"Before Gonzaga was Gonzaga, Nike had a deal with them. Before Butler was Butler, Nike had a deal with them," Nike executive Eric Lautenbach said. "One day I could be referencing Grand Canyon when I talk about our relationships with schools that set no limits on the championships they pursue."

The Nike deal adds a globally recognized "swoosh" to GCU's purple-clad teams. The contract was characterized as similar financially to deals the company has made with more established D-I schools in the Big East Conference.

"Anything Jerry Colangelo has suggested to me has netted out to be a great idea," Lautenbach said, noting their relationship is among the most cherished things he's developed in his career at Nike.

"The recipe has been developed for great success, certainly with [the] leadership and the coaches they have," Lautenbach said. "Our track record is we're going to work with great partners and to be a great partner for them."

"Sure, there's competition in the apparel business and the shoe business," Colangelo said. "But by far the big guy in that whole space is Nike."

Phoenix sports icon Jerry Colangelo announces the university's partnership with Nike in a press conference on May 27, 2015.

Grand Canyon University is growing rapidly with plans for continued expansion. Since 2009, GCU has invested well over $1 billion into the university to improve the quality of academic offerings and student experiences. This infrastructure includes new classrooms, laboratories, libraries, student support centers, residence halls and recreational facilities. In fall 2022, Grand Canyon University once again welcomed a record number of students to its Phoenix campus, planning to expand the student population and campus facilities going forward.

The university also continues to accommodate a growing online and evening student community. GCU has tens of thousands of online students attending class from across the globe. In turn, the university is constantly refining its digital platforms to deliver GCU's outstanding campus experience to virtual settings. GCU is also building additional campus locations to help full-time and evening students attend class closer to home.

"New" is infused throughout GCU's growing campus. In fall 2022, the university finished two more six-floor apartment-style residence halls, bringing the count to 29 residence buildings accommodating 17,500 students. New spaces around campus for Fall of 2022 also emphasized student gatherings and fellowship. The centralized Prescott Field was converted from a club sports practice field to a hangout spot. The Quad continued renovations to add an outdoor restaurant, artificial turf, more seating and a new video display. GCU Arena will also be home to a new restaurant — the Havoc House — and will serve students around the calendar and Lopes Club members on game nights.

GCU has also expanded outside of campus to include new properties. The GCU Hotel and Canyon 49 Grill have been repurposed to serve GCU's exploding Discover program for visiting potential students. The Grand Canyon Beverage Company, with several locations around campus, offers gourmet beverages, including coffee, tea and specialty drinks. The GCU Golf Course and Lope House restaurant continues to operate a few minutes from GCU's main campus.

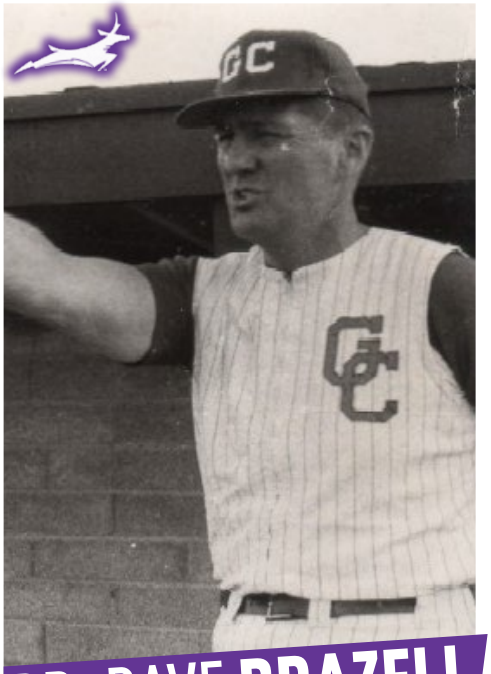
TIM SALMON

GCU Outfielder, 1987-1989

The only player among the three retired jerseys is the most famous of the GCU Baseball Alumni. Tim Salmon was a student-athlete from 1987-1989 before being drafted by the California Angels in the third round of the MLB Draft. In 1993, Salmon earned American League Rookie of the Year honors and hit 299 lifetime Major League home runs. During his GCU career, he amassed more home runs in a career than any Grand Canyon player with 51, more runs with 225 and is third in career average with a .383 mark. In addition to his success in the Major Leagues, Salmon has always been one to give back to the GCU community including academic scholarships and the donation of the baseball clubhouse which bears his name. His #10 was retired with Stafford's on January 20, 2001 as a part of Grand Canyon's Baseball Alumni weekend.

20



DR. DAVE BRAZELL

GCU Head Coach, 1953-1980 (28 years)

Dr. Dave Brazell, the first baseball coach in school history, led Grand Canyon to its first NAIA National Championship in 1980. A member of the American Baseball Coaches Association Hall of Fame, Brazell was twice named NAIA Coach of the Year and had his #20 retired in 1982. Five years later, GCU's stadium was named in his honor. It was during Brazell's tenure as head coach that GCU saw Frank Snook and Tom Tellmann become the first two alumni to reach the Major Leagues. After the completion of a brand new ballpark in 2017, GCU Ballpark, the playing surface retained Brazell's name with the full facility name being Brazell Field at GCU Ballpark. Brazell passed away in Oct. 2018 and, at his request, his funeral procession made its way by the baseball field that continues to bear his name.

25

DR. GIL STAFFORD

GCU Head Coach, 1981-2000 (20 years)

Dr. Gil Stafford, the second of only four head coaches, compiled a GCU record 760 victories while at the helm. Stafford guided GCU to NAIA National Championships in 1981, 1982 and 1986, as well as guiding the program to itss only Division I postseason appearance when his 1998 squad won the Western Athletic Conference's Northern Division, earning the team berth in the conference tournament. Eleven of the 13 Grand Canyon Alumni that have made it to the Major Leagues played under Stafford during his tenure at GCU. Headlining that list of alumni is Los Angeles Angels of Anaheim star Tim Salmon, as well as Cody Ransom. His #25 jersey was retired on January 20, 2001 as a part of Grand Canyon Baseball's Alumni Weekend.

QUOTED

"Step 1 is getting to a regional, seeing how this feels, seeing the hotel where there's energy from your fans and your family, and getting on a bus... All of the experiences you have in this type of setting are different than what we're used to. This moment and this experience is obviously not what we wanted but it will put us in a better spot when we get back to a regional."
Andy Stankiewicz, head coach

NOTES

GCU's first NCAA Tournament appearance at the Division I level in only its third opportunity

The Lopes entered the regional already having played Arizona and Oklahoma State earlier in the year

Arizona won the regional to advance to the Tucson Super Regional where it also beat Ole Miss to advance to the College World Series where it went 0-2

QUOTED

"I'm proud of everyone on our ball club. We can't let the sting here lose perspective on the nice season that we had. We thought we had a really good season. But you have those good seasons so that you can get to this arena, to this regional. We're all hurting a little bit because we thought we were in a good spot."
Andy Stankiewicz, head coach
