

MEN'S ICE HOCKEY

**A HISTORY AND COMPILATION
OF INDIVIDUAL AND TEAM
ACCOMPLISHMENTS, RECORDS AND AWARDS**

1975-PRESENT

Introduction

The Geneseo ice hockey program began as a club sport in 1974-75. Former coach Paul Duffy, the first of only four coaches in the team's history, took this club team and went 18-7-1 the first year of varsity ice hockey in 1975-76, setting the precedent for the future. Over the years, the Ice Knights have been one of the most successful and most popular teams in Geneseo athletics.

From the days of the "Psyche Knights," wild Ken Rende, student public address announcers Tom Turck and Mark Procopio, the Ice Knight Squires led by Dennis "Clutch" Renno and Steven "Sweaty" Gilbert and, most recently, the Ice Knights' Pep Band initiated by Justin Swackhamer, Geneseo students have always clapped, cheered and supported the Ice Knights through thick and thin, making Friday and Saturday nights in the Wilson Ice Arena a campus requirement.

The following pages are meant to provide a brief history of the coach, players, and teams of the past. A word of thanks goes out to sports information intern Nicole Schrag, for without her tireless hours of research this book would not be possible.

We hope that Geneseo fans enjoy reminiscing as they read through the following statistics. If you find any errors or omissions, please bring them to our attention so that we can make corrections for future editions.
