

Below is the alphabetical list of accepted entries for the 2015 George Mason University Spring Invitational. In addition, in events where we were not able to accept all entries, there appears an ALTERNATE list. The alternate list is in descending order and is the order in which participants will be advanced into the field IF there are scratches or athletes do not check in ON TIME for those event.

Coaches, if you know of scratches to these events, please make us aware as soon as possible (at aiddeen@gmu.edu) so we can notify alternates that they will have the opportunity to compete.

If your event DOES NOT appear below, we have been able to accept ALL entries in that event. Those events include the 100m, 200m, 400m, 800m, 1500m, 100/110HH, 400H, Steeplechase, 4x100m and 4x400m relays, HJ, PV, Triple Jump men and 5000m women. All other events please check the list below:
