Winning Tradition

In June of 2001, Georgia took a bold step forward in the development of its athletics program when Equestrian was added as the 21st varsity intercollegiate sport. In the years since, the Bulldogs' program has become a national leader, both in the performance and in the movement toward sponsorship by the NCAA. Georgia is one of the most illustrious teams in the country, having won seven national championships, the most in NCEA history.

BULLDOGS' PATH TO ANOTHER CHAMPIONSHIP

Georgia's equestrian program has been the epitome of success since its inception in 2001. Since the program started, the Bulldogs have reached unprecedented heights, including seven national titles, nine reserve national titles, six Southern Equestrian Championships, and three Southeastern Conference Championships.

Fifty-eight Georgia riders have claimed 96 NCEA All-America awards. Four Bulldogs have received five NCEA National Rider of the Year honors in addition to 15 riders being named SEC Rider of the Year 21 times. Seventy-four Bulldogs have tallied 115 All-SEC nods.

Georgia started with trailblazing success, winning national titles in both of the program's first two years on the varsity level. In 2002-03, the Bulldogs won their first varsity team national crown at the Varsity Equestrian National Championship in College Station, Texas.

The Georgia equestrian team capped its second year of competition in grand style successfully defending its overall title at the sport's national championship meet. Coach Meghan Boenig's team trailed SEC rival Auburn by 14 points after the first day of riding. The Bulldogs, however, took control of the meet on the final day, winning four of the seven flights and placing second in two others.

Georgia returned to the winner's circle during the 2007-08 season, winning its third national title in just six years of existence. The season also started a string of three-straight national titles for the Bulldogs. Georgia riders claimed their first national crown since 2004 without finishing first in either riding discipline. Georgia's Western squad narrowly missed a victory when it dropped a tie-breaker to TCU. Still, Georgia's strong finish in both disciplines allowed the Bulldogs to claim a team title with surprising ease. Their total of 49 points surpassed runner-up Texas A&M, which totaled 38, allowing Georgia to take home the title.

Georgia's success continued into the 2008-09 season as the Bulldogs took home the program's fourth national title and second in as many years. With a resounding win in the Hunt Seat discipline and a fourth-place finish in Western, Georgia concluded the 2008-09 season by taking home its second straight overall title at the Varsity EQ National Championships in Waco, Texas.

The 2009-10 Bulldog squad needed two kinds of tie-breakers to settle it, but they prevailed over Texas A&M to capture their third-straight overall crown at the

Varsity National Championships in Waco, Texas on April 17. The 2010 championship was Georgia's fifth in eight years and third in succession at the Heart 'O Texas Fair Complex. When both Hunt Seat and Western team competitions had played out, both Georgia and Texas A&M had won titles, Georgia the former and A&M the latter. That put them in a first-place tie in the overall standings with 51 points, necessitating the first rideoff in the history of this event. The rideoff consisted of four head-to-head dual matches, one per event. Georgia essentially sealed its victory in the opening event, when Michelle Morris won a 174-144 decision over A&M's Elizabeth Solch in Equitation on the Flat. The Bulldogs also got a winning ride from Kacy Jenkins in the Fences event while Texas A&M won both Western events. Each team's raw scores were tallied once Georgia and Texas A&M split the four events. The margin of Morris' ride, however, provided the necessary cushion for Georgia to outlast the Aggies by the final tally of 603.5 to 579.

During the 2013-14 season, Georgia earned the program's sixth national championship. After finishing the regular season with a 9-3 dual-meet record, the Georgia equestrian team earned a second-place finish at the Southeastern Conference Championship.

Georgia won three SEC Titles in 2015, 2017, and 2018, finishing as NCEA Reserve National Champions in each of those seasons.

The Bulldogs were back on top in 2021, winning the program's seventh national championship. The team's accomplishments earned Boenig NCEA Coach of the Year recognition. After finishing a conference-only regular season with a 3-3 dual-meet record, the Bulldogs earned a second-place finish at the Southeastern Conference Championship.

After four years, Georgia added another trophy to the case, capturing its eighth national title in 2025. Heading into Ocala as the seventh seed, the Bulldogs upset No. 2-seeded Auburn and sixth-seeded Texas A&M before defeating the reigning national champion and first overall seeded, SMU, for the chip. Kennedy Buchanan and Abbey Zawisza earned career-high scores, while 11 riders claimed All-Championship Team honors.

To conclude the season, head coach Meghan Boenig collected her second NCEA Dual Discipline Coach of the Year award. Associate Jumping Seat Head Coach Anna Becker earned Dual Discipline Jumping Seat Coach of the Year, and Associate Western Head Coach McKenzie Lantz received NCEA Western Coach of the Year. Sophia Pilla was also tabbed NCEA Flat Rider of the Year.

MEGHAN Boenig

HEAD COACH
25th SEASON
EIGHT NATIONAL CHAMPIONSHIPS

Meghan Boenig came to Georgia in October of 2001 as the first head coach of the Georgia equestrian program. During her time with the Bulldogs, Boenig has led the program to unprecedented heights including eight National Titles, six Southern Equestrian Championships, seven reserve championships and three Southeastern Conference titles. Boenig also helped lead the charge of restructuring Varsity Equestrian to the National Collegiate Equestrian Association in the fall of 2011 and has served in NCEA leadership roles, including president.

Under Boenig's leadership in the 2025-26 season, the Bulldogs rode to an overall 9-6 record. Georgia was named runner-up at SECs and advanced to the seminfinal round of the NCEA National Championship. Boenig's Bulldogs collected a plethora of post-season honors. Cadence Eger was named a First Team All-American for Reining. Maggie Bresch, Tessa Downey, Raegan Shepherd and Abbey Zawisza garnered All-SEC honors, while Kingsley Dey, Ava Hathaway and Avery Taylor received SEC All-Freshman nods. Zawisza earned All-American Honorable Mention honors in Horsemanship. Shepherd was named SEC Reining Rider of the Year following a successful senior season. She also earned All-America Second Team honors. Taylor and Hathaway were named SEC Reining Freshman of the Year and SEC Co-Horsemanship Freshman of the Year, respectively. On the Jumping Seat side, Downey and Ella Duffy were named All-American Honorable Mentions for Fences and Flat.

In her 23rd season, head coach Meghan Boenig led the Bulldogs to their eighth program national championship crown, marking their second national title in five years and the University of Georgia's 50th institutional national championship title.
The Bulldogs came to Ocala as the seventh-seeded team and upset top-seeded SMU to secure the championship, finishing the season with a 9-6 overall record.

The Bulldogs earned widespread recognition under Boenig's leadership. They collected 24 Most Outstanding Performer honors, three NCEA Ariat All-America nods and 11 All-Championship Team honorees following the title win.
Among the standout postseason performers, Sophia Pilla was named the NCEA Flat Rider of the Year and the SEC Equestrian Scholar-Athlete of the Year, as well as earning All-America and All-Championship recognitions. Jillian Stopperich was named SEC Horsemanship Rider of the Year and to the NCEA First Team All-America list.
Boenig was named SEC and NCEA Coach of the Year and was inducted into the 2025 NCEA Hall of Fame to recognize her leadership and storied coaching resume.

An undefeated 6-0 home record, including five Jumping Seat competition sweeps (three Fences and two Flat), highlighted the 2023-24 season as the Georgia equestrian team finished 9-6 on the season. The Bulldogs finished third at the SEC Championship and advanced to the quarterfinals of the NCEA National Championship.

Senior Jordan Toering and junior Catalina Peralta were named to the All-SEC Flat Team. Toering was also named to the NCEA Ariat All-America first team after posting 10 wins on the season and receiving one MOP honor against Baylor.

Under Boenig's leadership, eight Bulldogs received All-SEC honors and five were tabbed NCEA All-America riders. She coached the Flat team to a team-leading 45 individual wins with eight riders garnering MOP honors throughout the season. Senior Sophia Pilla posted a 5-1 home record and was undefeated during the spring season. She received the highest Flat score over all three days of competition at the NCEA Championships and earned three MOP honors against UT Martin, Oklahoma State and Texas A&M. Pilla rode to a high score of 91 against Baylor, recording the highest score of all Bulldogs for the season.

The Bulldogs finished third at the SEC Championship and advanced to the quarterfinals of the NCEA National Championship. Senior Ceci Bresch was named the SEC Flat Rider of the Year after riding to a 12-4 record overall. She won a total of six MOPs and received NCEA First Team All-America honors. She rode to four scores that were higher than any other SEC Flat rider. Seven Bulldogs received All-SEC honors and six riders claimed NCEA All-America nods.

Boenig coached the Bulldog Flat squad to scoring the top eight scores among all SEC riders throughout season. Sophia Pilla scored a 99 in Flat against South Carolina which is the highest score among all SEC riders this season, tying the best score in program history. She's only the third Bulldog to achieve the near-perfect mark and the first since 2019. Bresch received a Flat score of 97 twice in the same day against South Carolina and Sweet Briar. Nora Andrews scored a 97 at Texas A&M. A Flat score of 97 is the second highest score among all SEC riders this season and the fourth highest Flat score in Georgia program history.

Under Boenig's leadership in the 2021-22 season, Sophomore Jordan Toering and junior Caitlin Lyons were named SEC Rider of the Year for Flat and Reining, respectively. Jillian Stopperich was named Freshman Co-Horsemanship Rider of the Year while Jax Bound was named the Freshman Reining Rider of the Year. Eight Riders garnered 11 All-SEC honors and seven riders claimed eight NCEA All-America honors. The team finished the season in the quarterfinal round of the NCEA National Championship with a 8-6 overall record and third place finish in the SEC. Ranked sixth in the nation, Georgia upset No. 1 Auburn, 13-7 at home. It marked the first win against Auburn since the 2018 SEC Championship, and the first at home since 2016. It was the largest margin of victory over the Tigers since 2015 in the first round of the SEC Championship. Additionally, Bulldogs shattered records under Boenig's watch. Toering scored a 97.5 in Flat in the regular season finale against UT Martin, which is the fifth highest in program history. Sara Lewis broke an SEC

Championship record in Horsemanship, scoring a 231 for her ride, which tied with Auburn's Olivia Tordoff at the conclusion of the championship weekend. The previous high score of 225.5 was set in 2019. Jax Bound's score of 219.5 is the best Reining score recorded in SEC Championship history. The previous high score was a 215.5, also set in 2019.

During the 2020-21 season, Boenig led the Georgia equestrian team to the program's seventh National Championship. The team's accomplishments earned her NCEA Coach of the Year recognition. After finishing a conference-only regular season with a 3-3 dual-meet record, the Georgia equestrian team earned a second-place finish at the Southeastern Conference Championship. Under Boenig, five riders were named to the All-SEC teams, five freshmen were selected to the SEC All-Freshman team and Jordan Toering was named the SEC Freshman Fences Rider of the Year. Before the 2019-20 season ended abruptly due to COVID-19, the Bulldogs went 6-6 in regular season action, finishing the season ranked sixth overall. In the final event rankings, the reigning Fences national champions finished the year ranked third and defeated all Southeastern Conference opponents. The Flat squad finished sixth with eight wins. On the Western side, Horsemanship checked in at No. 8 and Reining ranked tenth.
Five Bulldogs received All-America recognition from the NCEA. Senior Ali Tritschler named to the second team for both Flat and Fences, while junior Jordan Carpenter was tabbed to the second team for Reining. Sophomore Sara Lewis (Horsemanship), senior Grace Bridges (Flat), and junior Hayley Mairano (Flat) were all given Honorable Mention for their respective disciplines. Additionally, Tritschler garnered All-SEC awards for both Fences and Flat, while senior Bridges was recognized for Flat. Carpenter received the honors for Reining.

Under Boenig's direction in 2018-19, the Georgia equestrian team finished as the National Collegiate Equestrian Association (NCEA) Reserve National Champions and claimed four out of seven event national titles to complete the season. Georgia won national titles in Horsemanship, Reining and Equitation Over Fences at the 2019 NCEA Championship. The Bulldogs were also crowned overall Western discipline champions.

Senior Graysen Stroud earned SEC Reining Rider of the Year on top of Courtney Blumer and Sarah Lewis receiving SEC Freshman Rider of the Year accolades for Reining and Horsemanship, respectively. Numerous riders received All-SEC NCEA Ariat All-America recognition across all events. Additionally, at the conclusion of the academic year, Emma Mandarino was a Top 30 nominee for the NCAA Woman of the Year award.

In 2017-18, four-time SEC Coach of the Year, Boenig and her team defended their SEC title and rode to a Reserve National Champion finish at the NCEA National Championship. Georgia claimed four SEC and two NCEA Rider of the Year awards in addition to seven Bulldogs earning nine NCEA Ariat All-America honors. Boenig also coached her squad to a NCEA Equitation on the Flat National Championship.

In 2016-17, Georgia was crowned SEC Champions and NCEA Reserve National Champions after riding to a 9-4 regular season record. Under Boenig's direction, Meg O'Mara was named SEC Rider of the Year and Sydney Hutchins was named SEC Freshman Rider of the Year for both Hunter Seat events. Georgia had four riders claim six spots on All-SEC teams and five riders earned seven NCEA All-America honors.

For the 2016-17 season, the Bulldogs finished second as hosts of the 2016 SEC Equestrian Championships and went on to finish tied for third at the NCEA National Championship. Five riders were named SEC Rider of the Year and one earned All-Championship Team honors at the SEC and NCEA Championships for Equitation on the Flat.

Georgia claimed the Southeastern Conference Championship with Boenig at the helm during the 2014-15 season. It was the program's first ever-SEC title since the sport was adopted by the conference in 2013. At the SEC championship, Boenig had two riders named to the SEC All-Championship team. The Bulldogs then rode to a reserve championship finish at the 2015 NCEA National Championship after posting a 9-4 record in the regular season. Under Boenig, Georgia put eleven riders on All-SEC teams and claimed six of a possible eight SEC Rider of the Year honors. Boenig also had seven riders earn NCEA All-America honors and 13 named to NCEA Academic All-America Teams. At the national championship, Boenig saw two riders earn Most Outstanding Player awards and three riders named to the NCEA All-Championship team.

During the 2013-14 season, Boenig led the Georgia equestrian team to the program's sixth National Championship. After finishing the regular season with a 9-3 dual-meet record, the Georgia equestrian team earned a second-place finish at the Southeastern Conference Championship. Under Boenig, seven riders were named to the All-SEC teams, two freshman selected to the SEC All-Freshman team and two riders were named as the SEC Riders of the Year. Under her guidance, six riders landed seven spots on NCEA All-American teams, while 12 earned a place as NCEA Academic All-Americans and another 19 were named to the NCEA Academic Honor Roll. Boenig also saw two riders crowned as the Most Valuable Players of the NCEA Championship, as well as three riders named to the NCEA All-Championship team.

Boenig is a 1999 graduate of Berry College where she earned her Bachelor's Degree in Biology. Prior to her arrival at Georgia in October of 2001, she spent two years as an assistant coach at Texas A&M during which time she also earned a Master's Degree in Animal Science.

Her two seasons at Texas A&M were deciding factors in her hiring as the Bulldogs' inaugural head coach. Georgia sought a coach with the knowledge of working hand-in-hand with a university's Animal Science community in forging a new equestrian team, something the Aggies had enjoyed during her tenure there.

The former Meghan Nolan is married to Markus Boenig. They are proud parents of two sons, Josef and Mathew.

She coached Stopperich to NCEA All-America Honorable Mention honors and ALL-SEC recognition in Horsemanship. Sara Lewis broke an SEC Championship record in Horsemanship, scoring a 231 for her ride, which tied with Auburn's Olivia Tordoff at the conclusion of the championship weekend. The previous high score of 225.5 was set in 2019. Jax Bound's score of 219.5 is the best Reining score recorded in SEC Championship history. The previous high score was a 215.5, also set in 2019.

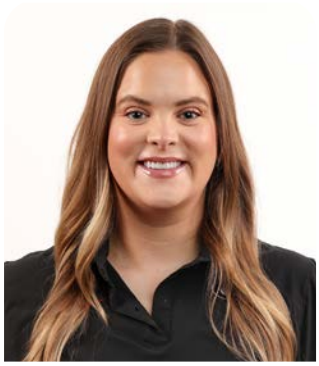

In her four seasons at SMU, Lantz Breuker helped coach the Mustangs to the program's first-ever United Equestrian Conference championship in 2018 and then again in 2019 and 2021. The horsemanship and reining squads had their best seasons in history during her first year at the helm. Her rider was the first at SMU to be recognized as an NCEA First Team All-America and be named NCEA Reining Rider of the Year. The following season, Lantz Breuker's reining squad advanced to the event finals at the NCEA National Championship. After COVID-19 cut seasons short, Lantz Breuker's squads ranked second for horsemanship and third in reining to finish the year. Rounding out her time at SMU in 2020-21, Lantz Breuker added two more NCEA Riders of the Year to her repertoire.

As a Bulldog, Lantz was a two-time NCEA All-American and SEC Rider of the Year. She has numerous All-SEC nods as well as NCEA and SEC Rider of the Month recognitions. JOSH BROOKS

J.REID PARKER DIRECTOR OF ATHLETICS

J. Reid Parker Director of Athletics Josh Brooks has led the University of Georgia Athletic Association through historic success since being named the program's 12th athletic director on Jan. 6, 2021.

Under his leadership, the Bulldogs have earned nine team national championships, 14 Southeastern crowns and 32 individual national titles, while setting new academic and fundraising standards each year.

Brooks continues to build Georgia Athletics into a national academic and athletic powerhouse, leading the Bulldogs to top-10 finishes in the Learfield Directors' Cup in two of the last four seasons, including a No. 8 national ranking in 2026.

The latest high mark came after a banner year for the Bulldogs that included three national championships and various school records, including back-to-back SEC titles in football for the first time since 1980-82, new single-season win records for both men's basketball and baseball, an SEC regular season and tournament championship in baseball and national titles in women's tennis and women's track and field.

With a focus on maintaining the University's mission of excellence in teaching and learning, Bulldog student-athletes have excelled academically. Recently, UGA swimmers Abby McCulloh (2025) and Callie Dickinson (2023) garnered the prestigious H. Boyd McWhorter Scholar-Athlete of the Year Award – the highest honor earned by a student-athlete in the SEC. Women's tennis star Dasha Vidmanova – only the third female tennis player to win the NCAA's triple crown – was named the 2025 recipient of the Honda Award for tennis.

From academic and athletic success to historic fundraising and a multitude of facility projects, Brooks has continued to sustain Georgia's standing as a national powerhouse. The Georgia Bulldog Club set new fundraising records in each of the last three years with $86.4 million raised in 2022, $102 million in 2023 and $113 million in 2024.

Brooks has overseen substantial facility upgrades that include the brand-new Lindsey Hopkins Indoor Tennis Courts, improvements to the south side of Sanford Stadium, a $45 million renovation to Foley Field, a $38 million upgrade to the Jack Turner Softball Stadium, a new $1.8 million men's and women's basketball weight room as well as expansive updates to Stegeman Coliseum and a renovation project in the Butts-Mehre Heritage Hall.

Georgia also built a new, state-of-the-art track and field locker room and a one-of-a-kind track facility off South Milledge Avenue is nearing completion.

While facility upgrades have been at the forefront, Georgia's emphasis on Name, Image, and Likeness has further enhanced its commitment to the student-athlete experience. Georgia Athletics was one of the first departments to announce a comprehensive NIL program, which provides wide-ranging education, multi-media management tools and brand-building training. The Bulldogs became one of the first schools to build an in-house NIL department with an Athlete Manager to help student-athletes navigate this space.

Under his guidance, Georgia re-branded the mental health and performance department, bringing in a new full-time director and an additional clinical counselor as well as adding sports psychology services for every team. A Diversity, Equity and Inclusion committee was also established as Courtney Gay was hired to lead in the department's DEI efforts.

Before returning to UGA in 2016 as Executive Associate Director of Athletics, Brooks served as Deputy Athletics Director at the University of Louisiana Monroe from 2015-16 and Director of Athletics at Millsaps College from 2014-15. He also served in capacities as Director of Football Operations (2008-11) and Assistant and Associate Athletic Director for Internal Operations (2012-14) in his previous stint at UGA.

A native of Hammond, La., Brooks also served as director of football operations at the University of Louisiana-Monroe beginning in 2004. He gained experience as a student at Louisiana State University, working as an equipment manager and a student assistant coach. During his four years at LSU, the Tigers participated in the 2000 Peach Bowl, 2002 Sugar Bowl, and won the 2001 Southeastern Conference championship.

Brooks graduated from LSU ('02) with a degree in Kinesiology and completed his master's degree in Sport Management from UGA ('14). He and his wife, Lillie, have twin sons, Jackson and James, born in July of 2009 and a third son, Davis, born in March of 2012.

He and his wife Lillie have become a vital part of the Athens community. On January 20, 2021, just two weeks after becoming Athletic Director, Brooks pledged $100,000 to create a need-based scholarship to support UGA students from Athens-Clarke County. His gift created a Georgia Commitment Scholarship (GCS), adding to the more than 550 endowed, need-based scholarships created under the GCS program since its launch in January 2017.

UGA Equestrian Complex

The UGA Equestrian Complex is located in Bishop, Ga., approximately 12 miles south of the UGA campus. The 109-acre farm offers UGA's equestrian program the finest in equine accommodations.

The facility features a new $3.1 million Clubhouse, which opened in the fall of 2019. The 7,000-square foot facility has a fully equipped locker room and dressing facilities, team meeting room, sports medicine space, uniform storage and laundry facilities as well as coaches' space, including an office suite and locker room.

Other features of the complex include a barn, four practice and competition arenas, including a covered arena, and a horse walker among other things.

Formerly known as High Point Farm, the facility served the Athens-area equine community with boarding and training facilities since 1993. In 1996, High Point was selected as the training site for the U.S. Dressage Team, which competed in the Summer Olympic Games at the International Horse Park in Conyers, Ga.

Prior to moving to its home in Bishop in January 2009, the Georgia equestrian team shared more than 100 acres with the Animal Science Arena, just minutes from UGA's campus.

About The NCEA

NCEA FAQs

HOW MANY WOMEN ARE ON A TEAM?
There is no roster size limit. The teams range from 15 to 85 girls. The average team has about 46 members.

CAN NCEA TEAMS ONLY COMPETE NCAA?
No, schools that are members of the NCEA are permitted to compete in both the NCAA-NCEA head-to-head format and IHSA (club) competitions. However, universities can only compete in one National Championship event.

HOW MANY COACHES ARE THERE?
There can be anywhere from one to five coaches. Some teams also have volunteer coaches designated by the team - one western coach and one jumping seat coach for the whole season.

WHERE DO THE TEAMS PRACTICE?
Practice and competition facilities can be owned by the athletics department or can be multiple use facilities on campus partnered with the Agriculture or Animal Science Department. Some programs lease a private facility.

WHO PROVIDES THE HORSES?
Most programs have their own string of horses for practice and competition. These horses are donated, purchased or leased for the competition season.

TYPICALLY HOW MANY COMPETITIONS ARE THERE?
Teams can have up to 15 dates of competition, not including conference or national championships. Competitions that last more than one day, or tournaments can be considered one date, up to five times.

WHAT DOES IT COST TO RUN AN EQUESTRIAN TEAM?
Annual operating budgets can range from $100,000 to $450,000, depending on the size of your program. The average cost per student athlete is $3,000 to $7,000.

WHAT ABOUT GRADES?
The average equestrian grade point average is 3.2

ARE THERE SCHOLARSHIPS?
The sport of equestrian can offer up to 15 scholarships per team. The NCAA defines equestrian as an equivalency sport, allowing the scholarships to be divided amongst the team.

CAN STUDENT-ATHLETES RECEIVE COURSE CREDIT?
Some universities offer class credit for participation.

NCEA HISTORY

In 1998, Equestrian was identified and adopted by the National Collegiate Athletic Association (NCAA) and the Committee on Women's Athletics (CWA) as an emerging sport for women at the Division I and II levels. Currently, there are 16 Division I and four Division II programs sponsoring equestrian.

The National Collegiate Equestrian Association (NCEA), a non-profit corporation, was created as a governing body to advance the sport of equestrian. The NCEA is responsible for the development and administration of equestrian rules and guidelines. Equestrian is subject to all NCAA policies and procedures in the same manner as other sports.

The NCEA developed sub-committees for areas critical to the advancement of equestrian. These sub-committees consist of coaches and administrators from member institutions. Coaches and administrators are invited to serve on any of the various NCEA Committees of their choice. The committees include but are not limited to: Membership Services, Competition, Strategic Communications, Sponsorship, Selection, and Championship. Each committee is charged with helping to progress equestrian to championship sport status within the NCAA. Additionally, liaisons from the United States Equestrian Federation (USEF) and the American Quarter Horse Association (AQHA) interact with and provide input to these committees and the NCEA Executive Committee.

Part of the NCEA's structure includes a National Advisory Board (NAB) comprised of corporate leaders, philanthropists, and equine industry experts. The goal of the NAB is to develop the financial support to make Equestrian the first financially-independent non-revenue generating collegiate sport. NAB efforts have shown early success in the form of grants to help sustain current NCEA teams, as well as providing financial strategies for the development of new Equestrian teams across the nation.

MISSION

The NCEA, in concert with the mission and vision of the NCAA, is committed to providing collegiate opportunities for female equestrian student-athletes to compete at the highest level, while embracing equity, diversity and promoting academic and competitive excellence.

VISION

To be recognized globally as the premier level of competition for elite female collegiate equestrian student-athletes.

About SEC EQUESTRIAN

The Southeastern Conference (SEC) adopted the sport of equestrian during the 2012-13 academic year. The four programs that currently comprise the SEC have a rich history of elite success in the sport.

Since the National Collegiate Equestrian Association (NCEA) began contesting a national championship in 2002, all SEC programs have won a national championship. The annual NCEA Championship is held in Ocala, Florida each year.

Georgia has tallied a league-leading seven overall national championships, including three consecutive from 2008-10 and most recently in 2021. Auburn follows with six and South Carolina has three national titles, while Texas A&M has two overall national titles.

The three schools of the formerly 12-member SEC have been contesting a yearly Southern Equestrian Championship since 2003, which in 2012-13 was replaced by the first-ever SEC Championship, involving all four schools.

The Southern Equestrian Championships were held on campus sites on a rotating basis. Georgia won a league-leading six Southern Equestrian Championship titles, while Auburn captured three and South Carolina one.

The first-ever SEC equestrian meet was held on September 9, 2012, when Georgia hosted Texas A&M in Bishop, Ga. In March of 2013, the first-ever SEC Championship in the sport of equestrian was held in Auburn, Ala., with South Carolina taking home the inaugural trophy.

Equestrian 101

KEY TERMS IN EQUESTRIAN

CROP
A short whip used in riding, only as an aid to reinforce the rider's leg.

DIAGONALS
The correct posting, up/down motion, of the rider in sequence with diagonal movement of the horse's legs at the trot.

EQUITATION / HORSEMANSHIP
In competitions, these indicate that riders are being judged on their ability to control and show the horse while maintaining the correct riding position. Riders have the added challenge of riding an unfamiliar horse, one that they draw for in a lottery system just before their event.

FENCES
An individual performance where each rider shows a horse over 8-10 jumps up to three feet, six inches high. Riders are judged on their ability to position the horse correctly at the jumps and avoid interfering with the horse's balance, while maintaining the correct riding position and producing a smooth, polished performance.

FIGURE EIGHT
Two circles connected by a change of direction, most often seen in Reining patterns.

GAIT
Three ways — canter/lope, trot/jog, or walk — by which a horse can move by lifting the feet in different order or rhythm.

HORSEMANSHIP
Refers to an event in Western discipline which is judged on a predetermined pattern consisting of several maneuvers is performed by each rider. The rider's overall position and effectiveness in the saddle are major factors in scoring.

JUMPING SEAT
The category of Equitation English riders compete in, whose foundation lies in jumping and riding across country, such as foxhunting.

LEADS
They are determined at the canter/lope by which front foot is leading. Correct leads have the inside foreleg reaching furthest.

NATURAL AIDS
Body signals from the seat, legs, hands and voice to communicate commands to the horse, all the while appearing comfortable, relaxed and balanced. These signals should be subtle or imperceptible to the judge and spectators and exaggerated shifting of the rider's weight is not desirable. The resulting performance shown by the horse is not to be considered more important than the methods used by the rider in obtaining them.

REINING
In this class, Western riders perform an individual, pre-assigned pattern from memory, demonstrating a variety of stops, turns and maneuvers at various speeds. The emphasis on this class is on precision, technical application of natural aids and the rider's ability to show unfamiliar horses.

COMPETITION FORMAT

The National Collegiate Equestrian Association tests five riders from each team in head-to-head competitions. Five horses are selected for each event. Each rider is paired with one of the five horses in a random draw before the competition. The rider is able to watch the horse warm up and receives four minutes to practice on her assigned mount before competing. Riders from opposing teams compete on the same horse in the head-to-head competition. Each rider receives a score, and the rider with the highest score receives one point for her team. In NCEA competition, the level of difficulty is demonstrated by the accuracy of the pattern and how the competitor uses the horse that she draws to the best of her ability.

GENERAL SCORING

Jumping Seat riders are scored on a scale of 1-100. There are eight maneuvers each worth 10 points, plus an overall score worth 20 points, to total 100 possible points per ride. Maneuvers are scored on this scale: 10=Excellent; 9=Very Good; 8=Good; 7=Fairly Good; 6=Satisfactory; 5=Sufficient; 4=Insufficient; 3=Fairly Bad; 2=Bad; 1=Very Bad; 0=Not Executed. Scores usually range from 70-85, depending on the judge. Western riders are scored on a 70-point scale. There are a minimum of eight maneuvers which are scored on the following scale: +1.5=Excellent, +1=Very Good, +.5=Good, 0=Correct, -.5=Poor, -1=Very Poor, -1.5=Extremely Poor. Scores range from 68 to 74. Horsemanship and Jumping Seat riders are judged on their ability to control and show the horse while maintaining the correct riding position. Fences riders are judged on their ability to position the horse correctly and not interfere with its balance while maintaining the correct riding position for a smooth, polished performance. Reiners are judged for precision and application of natural aids as they execute intricate maneuvers at varying speeds.

ROLLBACK
A tight turn performed in the Jumping Seat Fences class to show control of the horse and rider's ability to maintain a position between two fences. In Western Reining, a rollback is a 180 degree pivot with speed after a halt.

SCHOOLING
The horses will be schooled, or prepared for competition using stretching and suppling exercises at various gaits, or practice jumps if necessary by riders who will not compete the day of the show.

SLIDING STOP
A smooth stop from the lope, in which the horse is supposed to balance on its back feet while the front feet continue to move.

SCORING

JUMPING SEAT - FENCES

The judges evaluate the rider's position, consistency on course, smoothness, flow from jump to jump, the number of strides (steps taken by the horse) in a line and the rider's plan to complete the course. Scoring for the event is out of a perfect score of 100.

JUMPING SEAT - FLAT

The riders have to perform a flat test on their horses in a 40 x 20 meter arena. The test consists of eight movements to be judged on accuracy, smoothness and overall position of the rider. Each movement receives a score from 1-10. The ninth and tenth scores judges the position and seat of the rider and the correctness and effectiveness of her aids, and the overall accuracy of the test. The score is out of a perfect score of 100.

WESTERN - HORSEMANSHIP

This event is designed to evaluate the rider's ability to execute a prescribed set of maneuvers with precision and smoothness while maintaining a balanced, functional and fundamentally correct body position. The ideal horsemanship pattern consists of seven to nine maneuvers and is extremely precise with the rider and horse working in complete unison, executing each maneuver with subtle aids and cues. Exhibitors are scored for each sequence of maneuvers with a -1.5 to +1.5 score for each maneuver with a base score beginning at 70.

WESTERN - REINING

This event based on set patterns and a precise scoring system. Within these patterns the horses' and riders' athletic abilities are tested in a series of maneuvers including spins, stops, flying lead changes and circles with changes in size and speed. In collegiate competition, the rider must perform one of the set National Reining Horse Association (NRHA) patterns. There are a total of eight parts to a reining test with each individual maneuver judged from -1.5 to +1.5 with a base score beginning at 70.

CHAMPIONSHIP FORMAT

DUAL DISCIPLINE CHAMPIONSHIP
