Head Coach Wayne Norton's Thoughts On The 2011 Season For The Bulldogs:

"Before the 2010 season, I noticed and stated that the next two seasons for Georgia track and field would be linked together. I thought the two seasons would be similar not so much in final results but more so in how they evolved. Nothing happened last year to change my thinking on that as we developed and made the progress that we wanted to. Everything we did last year was a step towards being more successful this coming season.

The freshmen and other newcomers from 2010 now have the experience of having tasted the SEC competition and should be better for it. Our goal for 2011 is to continue an upward trend in the SEC and NCAA championships placings. Our athletes are working towards finishing near the top of the SEC which means our expectation is to improve."

She answered those performances by winning the 2010 SEC Cross Country Championship and the NCAA Regionals and earning another All-America certificate at the NCAA cross meet

After earning runner-up honors in the weight throw at the SEC Indoor Championships and finishing fifth at nationals, Nikola Lomnicka left no doubt during the outdoor season who the most dominant hammer throw in the nation was in 2010, capturing SEC and NCAA titles.

Additional Thoughts From Coach Norton On 2011:

"This will be the third straight year that we have a good group of newcomers coming in who have the potential to make significant positive contributions. I think we are continuing to build both the men's and women's teams with some balance in the classes which means not all of our best athletes will graduate in the same year.

I think this is going to be an exciting year for our athletes."

2011 NCAA OUTDOOR CHAMPIONSHIPS

Revamped NCAA Division I Regional System Starts Year Two *Postseason Regionals now called "National Championship Preliminary Round"*

The NCAA Division I Championships/Sports Management Cabinet approved a two-site format prior to the 2010 season that served as the first round of the Division I men's and women's outdoor track and field championships in 2010 and will again in 2011.

The two-site format, which is conducted over a three-day period, replaced the former regional qualifying system that had been in place since 2003.

Under the new plan, institutions are assigned to either the **East** or **West** site for the first round of competition.

The top 48 student-athletes in each individual event at each site will be determined by a national descending-order list of season-best performances. The top 12 qualifiers at both sites will advance to the championship finals.

The only exception for individual-event competitors will be heptathlon and decathlon student-athletes, who will participate only at the finals site.

Additionally, the top 24 relay teams in each event will compete at one of the first-round sites. Again, these competitors will be determined by a national descending-order list. The top eight teams in each relay at both sites will advance to the finals.

A study group of members from the NCAA Division I Men's and Women's Track and Field Committee and the U.S. Track and Field and Cross Country Coaches Association proposed the two-site, three-day format (along with an alternative three-site, three-day format). The cabinet preferred the two-site format because it best addressed competitive-equity and access concerns.

About 1,700-1,900 student-athletes are again expected to compete at each of the first-round sites.

The **East** site will host teams from the following states: Alabama, Connecticut, Delaware, Florida, Georgia, Indiana, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Mississippi, New Hampshire, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Rhode Island, South Carolina, Tennessee, Vermont, Virginia and West Virginia.

The **West** site will host teams from the other 25 states.

Georgia's **Aaron Evans** topped his own school record in the 800 meters and automatically advanced to the 2010 NCAA Outdoor Championships after winning his event at the NCAA East Regional in Greensboro, N.C.

Indiana University (Bloomington) will host the East preliminary round at the E.C. Billy Hayes Track. Both the **East** and **West** regionals will be three-day meets on **May 26-28, 2011**. The **University of Oregon (Eugene)** will host the West preliminary round at Hayward Field during the same dates. Oregon most recently hosted the 2010 NCAA Outdoor Championships.

The 2011 finals are June 9-12 at Drake University in Des Moines, Iowa.

2006 SEC Indoor/Outdoor Women's Coach of the Year

2006 USTFCCA South District Women's Coach of the Year

2007 USTFCCA South District Women's Coach of the Year

Wayne Norton begins his 12th year as the University of Georgia head track and field coach and his 21st year overall with the program. Norton has compiled an extremely impressive resumé as he has been a major part of arguably the most successful period in Georgia track and field history.

In Norton's 11 years as head coach, Georgia has won 18 individual national titles, earned 116 All-America certificates, won 77 SEC individual titles and the men's and women's teams have achieved a total of 21 top-25 finishes in NCAA competition.

Over the last five years, Norton and his coaching staff further established Georgia's program as one of the elite programs in the nation. The Lady Bulldogs claimed both the SEC indoor and SEC outdoor titles in 2006, finished with five NCAA individual championships and four top-10 team finishes at the NCAA Championships. The Bulldog men and women also combined to rack up 30 SEC individual crowns during the last five seasons. Georgia also claimed its first NCAA men's javelin title during the 2008 outdoor season and Chris Hill, who went on to win the 2009 USA Championships, was able to accomplish that feat yet again during the 2009 campaign.

Another first for the Bulldog men came as Torrin Lawrence sprinted to Georgia's first national championship in the 400-meter dash at the 2010 NCAA Indoor Championships. In the field, Nikola Lomnicka captured the third NCAA women's hammer crown for the Lady Bulldogs in the last five years.

Norton came to Georgia in 1990 and has been instrumental in guiding the UGA men to five outdoor top-10 NCAA finishes, 12 outdoor top-20 finishes, two indoor top-10 finishes and five indoor top-20 finishes. The men's team, which has competed since 1897, has experienced its most

sustained success during Norton's tenure at the University of Georgia.

Norton has also been instrumental in the development of a nationally competitive women's track and field team. In the 1995 season, Georgia won its first ever SEC Outdoor Championship in the history of the women's program. In 1996, the Lady Bulldogs claimed their highest NCAA finish in school history as they finished second in the indoor championships. Over the course of the last 11 seasons, the women's team has captured six outdoor top-20 finishes and five indoor top-15 finishes.

In his time at Georgia, the cross country team also has experienced its most successful period. Prior to the '90s, the women's team had never gone to the NCAA Championships, but that changed in 1990 when they made their first ever trip to the NAAs. Georgia would also get back in 1991, 1997, 2004, 2005, 2006 as well as 2007. The Georgia men won the South Regional in 2003 to advance to the NCAA Championships for the first time. They returned to the national meet in 2004, which marked the first time in school history that both the men's and women's cross country teams competed simultaneously at the NCAA meet.

In 2006, the Lady Bulldog cross country team grabbed their first South Regional title and took 15th at the NCAA Championships. The Georgia women, who saw Natalie Picchetti earn All-American honors, returned to the NCAA meet

for the fourth consecutive time in 2007 after Sarah Madebach won the school's first SEC individual title.

Norton, who began coaching in 1981 as a graduate assistant at Indiana, has had success at all three of the schools where he has coached. While at Indiana from 1981-85, the Hoosiers won three Big Ten Indoor Championships and an outdoor Big Ten Championship.

Before coming to Athens, Norton served as an assistant coach at Northern Arizona University from 1985-89. He coached NAU's jumpers and sprinters (a group which featured NFL speedsters Mike Haynes, David Lang and Shawn Collins), while serving as an instructor in both physical education and journalism. During his tenure at Northern Arizona, the program had a very successful five-year period. Out of the Big Sky Conference, Northern Arizona won four indoor and outdoor men's conference championships, three women's indoor conference championships, two outdoor women's championships, four men's cross country championships and three women's cross country championships.

While at Georgia, he has produced a steady stream of All-American jumpers, including 2008 Olympians Lavern Spencer and Patricia Sylvester. Norton was instrumental in 2006 with the pair listed above racking up four All-American certificates and four SEC individual titles. In 1995, Georgia's jumpers enjoyed one of their best seasons ever, collecting five All-America awards while winning three SEC crowns, thanks to the efforts of Thad Hood, Icolyn Kelly, Reeta Laaksonen and Dillon Phelps. Laaksonen and Phelps added more such honors in 1996 and Sylvester came away with her first conference title in 2005. Norton has also guided other nationally-renowned jumpers including Celly Martinez, Latifah Long, Krysha Bayley, Volker Mai, Hyleas Fountain, Ryan Shepard, Patrick Thavelin, Wolfgang Kreissig, Marcus Bailey, Tasha Mahone and Antonio Saunders.

At the 2008 Olympics in Beijing, Fountain gave Georgia's track and field program its 11th medal after earning a silver in the heptathlon.

Norton, a New Jersey native, received his Bachelor's degree in broadcast production from Howard University in 1981. In his time as a graduate assistant coach at Indiana, he earned a Master's degree in journalism.

Norton and his wife Priscilla have four children: son Christian and daughters LaShawna, Jas-

mine and Erica. Norton also has a son-in-law after Andre Wilson recently married his daughter LaShawna.

Wayne Norton and his wife Priscilla are joined by their children (from left to right) LaShawna, Jasmine (top), Erica (bottom) and Christian. Christian recently graduated from UGA and was on the Bulldog football team

2003 National Assistant Coach of the Year

2007 USTFCCA East Region Women's Throws Coach of the Year

2009 USTFCCA East Region Men's Throws Coach of the Year

With the arrival of his 15th year in red and back, Don Babbitt has transformed the Georgia throws program into arguably the most talented group in the country. Six NCAA titles, 14 All-American honors and 10 SEC crowns during the past five seasons further solidified Babbitt's hold as one of the premier throws coaches in the track and field world. The U.S. Track & Field and Cross Country Coaches Association (USTFCCA) recognized his outstanding contributions following the 2009 season and named him the East Region Men's Coach of the Year.

Under Babbitt's guidance, Georgia's throwers have reached a high level of success including 11 NCAA titles, 53 All-American certificates and 39 SEC titles. Newcomer Nikola Lomnicka registered a pair of All-America certificates in 2010 to go along with a national title in the hammer throw, marking Georgia's third championship in the event in the last five years. The Bulldogs also won three SEC outdoor titles in 2010 as Lomnicka, Brian Moore (javelin) and Israel Machovec (shot put) all picked up their first SEC crowns. In 2009, Chris Hill won his second consecutive NCAA title in the javelin throw and capped his NCAA career with a USATF National Championship as well with a throw of 268 feet, 4 inches. This mark established a new NCAA American Collegiate record.

In 2007, Jenny Dahlgren finished her Bulldog career with three NCAA titles, eight All-American certificates and four SEC titles while shattering school, SEC, collegiate, NCAA Championship and South American records in the hammer throw under Babbitt's guidance. Babbitt, a former UCLA Bruin, led his throwers to eight top-20 finishes during the 2005 NCAA Championships, highlighted by Trevor Snyder's second-place finish in the javelin and Dahlgren's pair of top-five finishes in the NCAA Championships.

Eight seasons ago, Babbitt guided Lucais MacKay to All-America honors in the weight, hammer and discus as MacKay became a six-time All-America thrower while at UGA. He also coached MacKay to an NCAA title in the hammer throw and led Panagiotis Mavraganis to All-America honors in the weight throw as well as SEC titles in the weight and hammer throws in 2003.

In 2003, Babbitt was named National Assistant Coach of the Year in the men's throws category by the U.S. Track and Field Coaches Association. He was also later named the USTFCCA East Region Women's Throws Coach of the Year in 2007.

Babbitt has coached 35 throwers who have competed in the Olympic Games and/or World Championships and who have won eight medals. These include 2005 World Outdoor shot put champion Adam Nelson and 2006 World Indoor champion & 2007 World Outdoor shot put champion Reese Hoffa. He is has also served as he personal coach of eight time U.S. Champion and current American

record holder Breaux Greer (javelin), as well as Canadian record holder Jason Tunks (discus) and three-time Canadian Olympian Brad Snyder (shot put). In addition, Babbitt has been the long-time coach Andras Haklits, the three-time Croatian Olympian and hammer record holder, who finished eighth in the Beijing Olympics and seventh in the hammer at the 2009 World Championships in Berlin, Germany.

Babbitt came to Athens from California State University in Los Angeles where he was an assistant from 1988-96. He built the Cal State-Los Angeles throwing program into the strongest at the NCAA Division II level, producing 45 NCAA qualifiers, 39 All-Americans and 15 NCAA Champions.

A native of Santa Monica, Calif., Babbitt received his bachelor's degree in Biology from UCLA in 1989 and his Master's degree in Exercise Science from Cal State-Los Angeles in 1994.

An avid writer and clinician, Babbitt has written over 50 articles and three book chapters for publications on four continents and in five different languages. He has spoken on the throws at clinics in 14 states. Internationally, he has conducted clinics and seminars in Canberra, Australia, Sao Paulo, Brazil, Edmonton, Saskatoon, and Windsor, Canada, Tampere, Finland, Paris, France, Loughborough and London, United Kingdom, Port of Spain, Trinidad & Tobago, Santo Domingo, Dominican Republic, San Juan, Puerto Rico, and Taipei, Taiwan. He also hosts an annual Throws Clinic at the University of Georgia, which has attracted 713 coaches from 14 different states and three different countries over the past 11 years. Babbitt is also the Senior Editor for the IAAF Coaches Education Program and is an IAAF Level V Lecturer for the IAAF Throws Academy Course.

Babbitt is also an NSCA Certified Strength and Conditioning Specialist and designed strength and conditioning programs for Cal State-Los Angeles' basketball, soccer and track and field teams. He also served as assistant manager and throws coach for the U.S. men's track and field team at the 1997 World University Games in Italy. He has also been a national team coach for Canada, Croatia and Argentina in various major international championships.

While at UCLA, Babbitt competed in the javelin throw for the Bruins, placing seventh at the 1988 Pac-10 Outdoor Championships.

Babbitt is married to the former Petra Juraskova. They have two daughters, Julia (12), and Veronika (4).

2008 USTFCCCA Indoor West Regional Men's Assistant Coach of the Year

Petros Kyprianou enters his third season as an assistant track and field coach at the University of Georgia after coaching for three years at Boise State University. Kyprianou, a native of Limassol, Cyprus/Greece, coaches pole vault, jumps, decathlon and heptathlon.

Kyprianou made a tremendous impact on the Bulldog program during his second year in Athens. Six student-athletes qualified for the 2010 NCAA Championships after 11 advanced to the NCAA East Regional. His crew accounted for 25 new or improved spots in the indoor and outdoor school record books and finished with an SEC title and one school record. Kyprianou led his group to score a combined 39 points at the SEC Indoor Championships, including 19 points by the Bulldog men in the heptathlon. Internationally, Kyprianou had four different athletes qualify for four different 2010 national teams.

A variety of athletes whom Kyprianou trained showed significant improvements and posted a series of personal-best marks in 2010. Tommy Barrineau shattered his own school record in the heptathlon twice to capture an SEC title in the event - a first for the Bulldog men in the history of the program. Cory Holman, competing in the multi-events for the first time, set an SEC Championships record in the high jump (7 feet, 1 3/4 inches) and finished third at the league meet. At the SEC Outdoor Championships, Holman was the runner-up before qualifying for the NCAA meet and the NACAC Under-23 meet.

Other individual highlights under Kyprianou's watch in 2010 included Lucie Ondraschkova advancing to the NCAA Outdoor Championships as a freshman after scoring the fifth-most points in the heptathlon in the school history at the SEC meet (5,467); fellow freshman Maria Augutis also qualifying for NAAs after traveling 42-8 in the triple jump and taking second at the SEC Championships; newcomer Kat Majester shooting from 12-8 to 13-11.25 in the pole vault and advancing to both NCAA meets; John Smith soaring to a one-foot PR of 17-1 and earning runner-up honors at SEC outdoors; LaTroya Darrell finishing third in the triple jump at the SEC indoors and competing for the Bermuda national team; and Aaron LaGarde reaching new heights in both the long jump (25-5.25) and the triple jump (52-3.25), qualifying for the USA Championships.

On the professional circuit, Kyprianou serves as the strength coach for high jumper and former Lady Bulldog Levern Spencer, who has a PR of 6-6, and helps train Shakeema Welsch, who is a four-time USA women's triple jump champion with a best of 46-11.

Kyprianou also served as a guest speaker at the High Performance Congress in Cyprus, Greece, in December 2009 and was a jumps clinician at the Florida High School Coaches Association. His latest article printed in the magazine 'Techniques' was featured in two different languages and highlighted some of Kyprianou's methods of developing athletes.

In his inaugural season with the Bulldogs, Kyprianou helped Barrineau break his own school record in the heptathlon. Kyprianou also saw two of his heptathletes score at the SEC Championships before having a pair tally points for the Bulldogs at the outdoor conference meet.

A pair of pole vaulters also experienced immense success under Kyprianou's guidance in 2009. Adam Sarafian advanced to the NCAA

Outdoor Championships, clearing 17-2.75, and took fourth at the NCAA East Regional. In her final year of competition, Julianne Toto exploded for an enormous personal-best mark of 13-5.25 to advance to the East Regional.

Kyprianou, the 2008 USTFCCCA Indoor West Regional Assistant Coach of the Year, had a significant impact on the Boise State program before arriving in Athens, guiding numerous men and women to Western Athletic Conference Championships and NCAA Championship All-American honors.

During his three-year stint at Boise State, Kyprianou guided Bronco student-athletes to 21 individual WAC Championships, four All-American honors, 10 school records and two WAC records. He also helped the men's team to indoor (2006, 2007) and outdoor (2006, 2008) WAC league titles.

The rest of his 21 WAC champions and NCAA qualifiers came from Eleni Kafourou in the long jump and triple jump. Kyprianou helped Kafourou improve in both events and break her personal bests in both jumps while winning eight WAC championships and being the runner-up at the NCAA West Regionals. Kafourou also was named the WAC freshman of the year during the indoor and outdoor conference meet in 2006. In 2008, Kafourou was awarded the WAC Outstanding Field Performer in both the indoor and outdoor championships.

Prior to arriving on the Boise State campus, Kyprianou spent the previous two seasons as an assistant track and field coach at the University of Nebraska, Omaha and was in charge of the field events. While at UNO, he guided two student-athletes to five All-American performances at the NCAA Division II National Championships.

While competing in track and field, Kyprianou won several Cyprus and Greek Championships from 1991 to 1999. They included the decathlon, pole vault, 110 hurdles and long jump.

He has won several awards during his career which include being named the 2008 Indoor West Region coach of the Year, the Most Improved Coach Award from Cyprus in 2002, the Cyprus Athlete of the Year Award in 1999, an award from the Cyprus Soccer Association for the "Best Fitness Team" in 2003 and the Track and Field Coaching Specialty Academic Award from Greece in 2001.

Kyprianou has also made his mark in the weightlifting world. He set the Idaho record for Olympic weightlifting after lifting 567 lbs. at the 85kg class on October 2007.

Kyprianou has written numerous technical articles for several track and field publications including the USTFCCCA magazine "Techniques" and the Estonian site "Decathlon2000."

Kyprianou received his Bachelor of Science degree in physical education in June of 2001 from Aristotle University in Greece. He completed his Master of Science degree in Exercise Science/Biomechanics from the University of Nebraska in 2006. Kyprianou is a certified level III coach in the jumps, a level I and II USA Track and Field certified coach in the combined events, a certified strength and conditioning specialist and a certified USA weightlifting sports performance coach.

Kyprianou and his wife Masa welcomed their first child, Alexander, in 2008 and their second, Stefan, in 2009.

Jon Stuart with his wife Gail and sons Jake and Scot.

Jon Stuart, a 1992 graduate of Georgia, enters his 12th year directing Georgia men's sprinters and hurdlers. Under his guidance during the last four seasons, the Bulldog sprinters/hurdles tallied five Southeastern Conference individual titles, an impressive 10 All-American certificates and one NCAA title.

In just his second season under Stuart's tutelage, the electrifying Torrin Lawrence won an NCAA title, an SEC title and was named the 2010 USFCCCA National Male Track Athlete of the Year. Lawrence clocked the third-fastest 400-meter dash collegiate indoor time in history (45.03) followed with an SEC meet record time of 45.10 to clinch his conference crown.

Stuart has also been instrumental in the development of 2010 freshman sprinter Eric Harris. After a year of developments in the UGA program, Harris won a Gold medal with his 4x100 relay teammates representing Team USA at the IAAF World Junior Championships in Moncton, Canada, during the 2010 summer. Harris also clocked a 21.22 and was the only American collegiate runner to advance to the 200 semifinals at the World Championships.

Stuart led New Jersey native Justin Gaymon, who completed his eligibility in 2009, to three SEC championships as well as six All-America certificates combined in the 400, 400 hurdles and 4x400 relay during his career. Gaymon finished atop Georgia's all-time lists in the indoor 400 (45.94), 400 hurdles (48.46) and the indoor 4x400 relay (3:07.45). He also joined David Dickens, Brian Etelman and Michael Proctor as they clocked the second-best outdoor time in school history in the 4x400 relay at the 2007 NCAA Outdoor Championships to finish fifth (3:04.13) and earn All-American distinction. Thanks in part to Stuart's crew, the Georgia have men eight top-20 NCAA finishes since 2000.

Georgia sprinters have had an array of memorable experiences during the last several seasons. In 2007, Stuart helped Dickens cap his career off in style as the Wheeler High School graduate broke the school's indoor 400 record (46.27) at the SEC Championships. After Gaymon topped that indoor 400 time in 2008, Stuart guided Lawrence, then a freshman sensation, to the No. 2 spot on the all-time list after Lawrence crossed the finish line in 46.18 in 2009. Lawrence shattered the No. 1 mark in 2010.

Lawrence, who hails from Jacksonville, Fla., set the school's indoor 200 mark after opening the 2009 season with a 20.77 and a win at the Kentucky Invitational. Stuart continued Lawrence's development at the national meet as Lawrence earned All-American honors in the event.

During the 2006 campaign, Stuart saw Dickens break the indoor 200 record (21.05) and earn All-American honors at the NCAA indoor meet. Dickens, who scored in four events at the SEC outdoor meet, joined Gaymon, who advanced to the semifinals at the NCAA Outdoor Championships in the 400 hurdles and moved to the then-No. 3 spot in the school record books in the event (50.20), as two of the top performers in the conference.

In 2005, a pair of Bulldogs led another outstanding group of Georgia sprinters and hurdlers and showed why their program is one of the most highly-respected programs in the nation. LaRon Bennett, who completed an outstanding career in Athens, and Demiko Goodman, who began his career at Georgia in an impressive fashion, were Georgia's leaders throughout the season. While Bennett logged a career-best time in the 110 hurdles (13.86) in the early rounds of the SEC Championships and then took fifth in the 400 hurdles at the NCAA Championships, Goodman, a receiver for the Bulldog football team, finished in third place in the 400 (a career-best 46.23) in the NCAA Regional meet and placed 16th in the NCAA Championships in his only complete season at the collegiate ranks.

In 2004, Stuart coached Bennett to a fourth-place finish at the NCAA Championships and a seventh-place finish at the U.S. Olympic Trials. Bennett's time in the 400 hurdles ranks him atop the Georgia all-time list. Stuart also guided the men's 4x400 and 4x100 meter relay teams to the NCAA Championships for the first time since 1999 and 1987, respectively. The 4x100 meter relay team posted a season best time of 39.60 to place third at the East Region Championships while the 4x400 meter relay placed second with a season-leading mark of 3:06.23. It marked the first time in school history that both relays were represented at the NCAA Championships. Indoors, Stuart's sprinters have continued to rewrite the Georgia record books with new marks in the 400 with Lawrence's performance and 4x400 relay (Gaymon, Michael Proctor, Phillip Adams, Lawrence; 3:07.45). In all, Stuart's sprinters sit atop the all-time lists in five different sprints.

Stuart coached the women's 1,600 meter relay teams that qualified for the NCAA Outdoor Championships from 2001-2003 and the 2000 team that qualified for the NCAA Indoor Championships and set the school indoor mark. He also guided Ken Garrett to a school record and NCAA qualifying mark in the 400 meter hurdles in 2001.

Prior to returning to Georgia, Stuart served as the head track and field coach at Northeast Louisiana University (now the University of Louisiana-Monroe). The Indians placed 16th on the men's side at the 1999 NCAA men's outdoor track and field championships under Stuart's direction, producing three All-Americans as well as one national champion in Andras Haklits. Before his coaching stint at Louisiana-Monroe, Stuart led a nationally recognized sprint squad at the University of Texas-Arlington for three years. While at UTA, he helped produce 20 Southland Conference Champions and 11 NCAA Division I All-Americans. Stuart also helped the Mavericks capture nine Southland Conference team titles.

Prior to his collegiate coaching career, Stuart was the head track coach at East Paulding High School in Dallas, Ga., where his athletes set 11 school records.

Stuart started his coaching career as a graduate assistant for the Bulldogs under John Mitchell, from 1993-94. He earned his Bachelor of Science in Physical Education at Georgia in 1992 and his Master of Education in Physical Education in 1994.

He married the former Gail Moreland in December 2002 and has two sons, Jake and Scot.

school history.

A tireless worker whose enthusiasm inspires his athletes, Pigg has coached more than 30 All-Americans in his 19 years of collegiate coaching. A 1988 graduate of Florida, Pigg returned to Florida in 2002 and spearheaded a turnaround in the Gators' program.

In the 2004 cross country season, Pigg guided the Florida men's team to its first national ranking since 1994 and a second-place finish at the SEC Championships. For an encore, he guided the Gators to a top-10 ranking during the 2005 season and upped the ante in 2006 by guiding the Gators to another top-10 national ranking.

The outstanding 2006 cross country season came on the heels of a solid 2006 outdoor track campaign in which Pigg helped lead the Gators to the SEC indoor title in the distance medley relay and coached Shane Stroup to All-America honors in the mile and an SEC outdoor title in the 800.

The 2005 cross country season followed a banner showing by Florida's distance athletes on the track. At the 2005 NCAA Outdoor Championships, Stroup broke Pigg's 1500 Florida record by crossing the line in 3:38.57 to finish fifth. During Pigg's tenure in Gainesville, his athletes rewrote the Florida record books.

Pigg returned to Gainesville from Normal, Ill., where he spent two years as the head track and field and cross country coach at Illinois State University. In his first season, he guided the men's cross country team to its first Missouri Valley Conference title in eight years and was voted the Valley's Coach of the Year, which was followed by the school's first NCAA berth in 10 years.

Another highlight from Pigg's career was the 10-year span he spent as an assistant coach and head cross country coach at the University of Missouri from 1990-2000. In his decade at Missouri, he guided 25 athletes to All-America honors and numerous Big 12 titles. His women's cross country teams automatically qualified for the NCAA Championships five times and the men qualified three times. In 1992, Pigg coached Susan Bliss who earned All-America honors for a third place finish at the NCAA Cross Country Championships.

The 1998-99 season was a great one for Pigg and the Tiger distance and middle distance athletes. Pigg guided both the men and women's cross country teams to the NCAA Championships for the first time in school history. He also coached his first NCAA champion, as Derrick Peterson won both the indoor and outdoor 800 and also became the American Collegiate record holder in that same event. In all, the Tigers earned 37 All-Big 12 Conference honors in distance and middle distance events that season alone.

Prior to accepting his position at Missouri, Pigg spent a year as the head track & field coach at Gainesville High School. He also was an assistant coach for the Gator track & field program from 1989-90. In his first coaching stint with the Gators, Pigg worked with several All-Americans and helped guide Florida to a second place team finish at the 1989 NCAA Indoor Championships.

A 1988 graduate of the University of Florida, Pigg was a member of Florida's cross country and track and field teams that earned the SEC triple crown in 1987. He earned Cross Country All-SEC honors in the fall of 1985 and 1986 for the Gators and was named to the SEC Academic Honor Roll in 1987. He had 10 top-10 finishes in cross country races in his career as a Gator and still ranks on several of the school's cross country top 10 lists. He earned two All-America honors and eight All-SEC honors in both cross country and track. He won the SEC indoor mile twice in his career as a Gator. Pigg's personal-best times were 3:41.08 in the 1500-meter run and 1:48.75 in the 800. In 1986, he led the Gators to the SEC Cross Country Championships title and an eighth-place finish at NCAAs.

Pigg began his collegiate career at Missouri before transferring to Florida. In two seasons at Missouri, Pigg earned eight All-Big Eight honors. In the spring of 1985 he set a conference record and was an All-American in the 1000-yard run.

Pigg and his wife, Vicki, have two daughters, Olivia and Liberty, and a son, Cole.

Jeff Pigg began his tenure as Georgia's cross country coach in June 2008 after spending the last six years at the University of Florida and has quickly developed some of the nation's top distance talent at UGA.

The magnitude of the impact Pigg is having on Georgia's program became even more evident during the 2010 cross country season. Sophomore Kristie Krueger, a 2010 indoor All-American in the mile, advanced to her second straight NCAA Cross Country Championships, taking 28th and earning only the third All-America certificate for the Georgia women in program history. Weeks before her success at Nationals, Krueger was named the NCAA South Regional Female Athlete of the Year and the SEC Women's Athlete of the Year after winning both races in a matter of two weeks. Krueger's victory at the SEC Championships makes her only the second Lady Bulldog in history to cross the finish line first at a league meet.

In his three cross country seasons with UGA, Pigg has already had an SEC champion, an All-American, eight NCAA All-Region performers and seven All-SEC or All-SEC Freshmen honorees.

Warmed up by an impressive cross season, Pigg's distance corps shot out of the gates during the 2010 track season. His crew set or improved 28 top-10 marks in the indoor and outdoor record books, including two school records. Sophomore Aaron Evans set one of those records (as well as a national record for the Bahamas) in the outdoor 800-meter run (1:46.26) before having a runner-up finish at the SEC meet and earning All-American honors by taking third at the NCAA Championships. Matt Cleaver ran away with the school's steeplechase record earlier in the outdoor campaign.

On the women's side in track, Pigg was instrumental as former walk-on Bridget Lyons captured her first SEC crown in the 10,000, advanced to the NCAA Championships and was runner-up in the indoor 5000 at the league meet. Lyons, an ESPN The Magazine All-Academic standout, also finished the 2009 cross season with All-SEC and All-Region honors.

During the 2009 track season, Pigg directed the development of Krueger as she advanced to the NCAA East Regionals. He also helped both Lyons (10,000) and Ilana McQuinn (steeplechase) score at the SEC meet for the first time in their careers.

The Gators had one of their strongest showings in the program's history during the 2007-08 academic year, which was Pigg's final season in Gainesville. In cross country, Pigg led the Florida men to a second-place finish at the SEC meet. In fact, the Gators finished third-place or better during all of Pigg's six cross country seasons in Gainesville.

After the Florida men and women advanced to the 2006 NCAA Cross Country Championships together for the first time in school history, the women further strengthened their program by earning a spot at the national meet for two straight seasons. The Florida women finished 11th at the 2007 NCAA meet, which was the highest finish in

In addition, Cleare has served as the Deputy Director of Search Bahamas since 2004. This program focuses on creating scholarship opportunities for student-athletes preparing for the NCAA clearinghouse.

The 2003 National Coach for the Bahamas, Cleare was the National Relay Coordinator and relay coach at the Penn Relays, Carifta Games, CAC Championships, World Youth Championships and World Championships in 2009. He also had the same role for the World Junior Championships in 2008.

Also on his resume, he was either the head coach or an assistant coach at the Carifta Games in 2003, 2004 and 2006 and served as the President of the Bahamas Coaches Association from 2003-04.

Four Olympians from the last three Olympic Games have worked with Cleare. Ferguson, winner of three Olympic medals and one of the newest additions to Georgia's Circle of Honor for her academic and athletic success during and since college, highlights this group. Cleare worked with the 2000 Gold medalist in the 4x100-meter relay in four-month spans of the offseason as Ferguson developed into one of the most dominant female sprinters of all-time.

Cleare has guided a host of athletes to immense success on various national teams. Athletes who he has coached have won scores of medals at the Carifta Games, World Championships, Pan-American Games, National Junior Championships and the Commonwealth Games, among others.

An IAAF Level IV certified coach in sprints, hurdles and relays, Cleare received his Bachelors of Science in Business Administration from Galilee College in Nassau, Bahamas, in 2009.

George Cleare has helped coach former Lady Bulldog All-American and four-time NCAA champion Debbie Ferguson (pictured above and to the left) during certain portions of her career. Cleare, like Ferguson, is from the Bahamas and has extensive experience with international competition.

GEORGIA TRACK AND FIELD HISTORY

— THE BEGINNING —

Track and field is one of the oldest sports at the University of Georgia, first competing intercollegiately in 1897, five years after the inaugural football unit began play and just one year after the first baseball team took to the diamond.

Interest in track and field at UGA began in the late 1800s with the annual intramural field days. At the request of Nash Broyles and Thomas Reed, the Athletic Association set up the first track and field contest in school history on May 28, 1887.

Billy David won Georgia's first-ever SEC title in 1933 in the high jump.

A subsequent field day was added a day later. Many of the events of that weekend would be foreign to a meet held today as wrestling matches, the baseball throw, tugs of war and the greased pig chase provided the entertainment in the 19th century. After 10 years of field days, the University

participated in its first intercollegiate track contest at the 1897 Southern Intercollegiate Athletic Association meet in Nashville, Tenn., where Georgia accumulated 13 points to secure a fourth-place finish out of 14 teams.

The school's first dual meet came a year later against Georgia Tech with UGA taking a 75-30 victory.

Regarded as track and field pioneers in the state of Georgia, *The Atlanta Constitution* noted in a May 26, 1894 article that "the University was much further along with their track program than any other state school."

The 1995 women's squad won the SEC outdoor team championship.

— COACHES —

Georgia head **Wayne Norton** became the 13th coach of the Georgia track program's long and storied history after taking over for coach **John Mitchell** after the 1999 season. Norton, who has a pair of SEC women's team titles on his resume after the 2006 season and scores of SEC and NCAA individual crowns, previously served nine years as an assistant coach in charge of jumps at the University of Georgia.

Mitchell, an esteemed member of the track and field fraternity, built his reputation at the University of Alabama, where he won three SEC Coach-of-the-Year awards. Mitchell led the Georgia men's team to five top-10 finishes in the NCAA Outdoor Championships.

Mitchell also helped elevate the UGA women's team to a new level of excellence by guiding them to third at the 1995 NCAA outdoor meet, second at the 1996 indoor event and fourth in the 1999 NCAA Outdoor Championships. The women earned their first SEC team title outdoors in 1995, and Mitchell was named the SEC's indoor and outdoor Coach-of-the-Year.

The first Georgia coach was **John Mahan**, a native of New York, who coached during the 1897 and 1898 seasons and ended his brief career with a perfect 1-0 dual-meet record. Following Mahan were **Billy Reynolds**, a Princeton graduate who also coached

baseball, **C.O. Heidler**, an assistant basketball coach, and **W.A. Cunningham**, one of Georgia's football coaches.

With interest in track and field waning, the sport was revived by **Herman J. Stegeman**, a star at the University of Chicago who developed track and field into a popular sport at Georgia. Stegeman led UGA for 17 years and built one of the strongest teams in the South during his tenure. Along with assistant **Weems Baskin**, Stegeman guided Georgia to the 1937 Southeastern Conference championship, still the only men's SEC team title in the program's history. The star of the 1937 team was a youngster named **Forrest Towns**, whom everyone simply called "Spec". Towns captured his second national championship in the high hurdles that year.

Baskin coached one more season after Stegeman ascended to the Athletic Director's position, then turned the reigns over to another future Hall of Famer, Towns, who would enjoy the longest tenure of any coach at UGA. He coached for 34 seasons before retiring in the fall of 1975.

Taking over for Towns was his long-time assistant and fellow Georgia track and field great **Lewis Gainey**. Gainey directed the Bulldogs during one of their most successful periods in the late 1970s and early 1980s.

All-Americans such as Mel Lat-tany, Stanley Blalock, Dothel Edwards, Lester Benjamin and Herschel Walker were just a few of Gainey's prized pupils.

Gainey was assisted by Georgia's first three women's coaches, **Bill Katz**, **Steve Sitler** and **Mike Sheeley**, before taking over the female squad in 1988. The "Bulldog Babes", as they were known at first, immediately began producing All-Americans like Veronica Walker, Kathy Rankins, Linda Detlefsen and Gwen Torrence.

Georgia's 1936 men's team produced six individual SEC titles.

Debbie Ferguson (left) and Mel Lattany (right) were two of the most prolific sprinters in Georgia track and field history.

FACILITIES

Five different facilities have housed Georgia's track and field teams. Herty Field, named for **Dr. Charles Herty**, was the first and was also shared by the football and baseball. With the construction of Sanford Field and a track around it, the team was able to relocate for another 17 years.

A new field with the same name was later constructed just 200 yards from the original Sanford Field. The second incarnation was used until World War II when the U.S. Navy came to Athens. The Navy completed a new track, described as a "million-dollar facility", and gave it to UGA.

In 1965, the track and field team found a permanent home on the southwestern corner of the athletic complex. The facility was renamed for **Forrest Towns** in a dedication ceremony held during the 1990 SEC Outdoor Championships in Athens. Towns passed away a year later, but a granite marker honoring him stands at the southeast entrance to the facility he helped make possible.

SEC COMMISSIONER'S TROPHY

The SEC Commissioner's Trophy is given annually to the male and female athletes who tally the most points at the SEC meets.

The Bulldogs most recent honorees were **Patricia Sylvester** and **Ian Burrell**. Sylvester won both the triple jump and the long jump and was the runner-up in the high jump at the 2006 SEC Outdoor Championships to rack up 28 points as her team captured the championship. She returned to score a whopping 26 points at the 2007 SEC indoor meet and was given the honor again. Burrell, standing at 5-foot-5, captured both the 3000- and 5000-meter titles on the men's side at the 2007 SEC Outdoor Championships to pile up 20 points.

Since 1933, Georgia has had 19 high-point performers, including **Graham Batchelor** in 1933 and '34, **Towns** in 1937, **Vassa Cate** in 1939, and **Gainey**, who tied for the outdoors honors in 1965. **Lattany**, however, had the most points ever by a Bulldog with 108.5 in four years, including 22.5 in 1981 when he won both the indoor and outdoor awards. **Benjamin** took the long and triple jump titles at the 1984 outdoor meet to win the trophy with 27.5 points.

The Commissioner's Trophy was captured by a Lady Bulldog in 1999 as **Debbie Ferguson** won the award and a total of nine have been claimed by the Georgia women. Ferguson scored 23.5 points at the outdoor championships to lead the Georgia women to a fourth place finish. **Icolyn Kelly** won it twice in 1995 thanks to her diverse talents. Kelly had 23 points in the indoor championships, but her 32.5 points outdoors led Georgia to its first ever women's team crown. Kelly's score of 32.5 points would have beaten five of the 11 teams competing. Kelly won the triple jump, took second in the long jump, fourth in the high jump, fourth in the javelin throw and fourth in the seven-event heptathlon. Kelly's marks in the SEC meet were all season bests. **Hyleas Fountain** also earned double honors in 2004. Her 44 points at the SEC Indoor meet was a conference all-time points record. She also racked up 34.50 points at the outdoor meet to take

FORREST "SPEC" TOWNS

Forrest "Spec" Towns is the greatest track and field legend in UGA history, winning SEC, NCAA and Olympic titles and coaching the Georgia track and field squad for over 30 years.

Born in Fitzgerald, Ga., on Feb. 6, 1914, Forrest "Spec" Towns became, over the next several decades, the greatest track and field legend in the history of the University of Georgia and the state.

Towns and his family moved to Augusta in 1923, where he attended Richmond Academy and played only one sport — football. But Towns earned a track and field scholarship as a high jumper after a neighbor saw him win a backyard high jumping contest. He entered Georgia in September of 1933 and within three years was the Olympic 120-yard hurdles champion and held both Olympic and world records in the event.

In 1934, Towns won the Southeastern AAU 120-yard hurdles in 15.1 seconds. The following year he won the SEC, NCAA and National AAU titles. In Berlin, Towns won the gold medal in the 120-yard hurdles with a record time of 14.1 seconds. Two weeks later in Oslo, he set a world record of 13.7 seconds that stood for 14 years.

During his prime from 1935-37, Towns won more than 60 races in a row in one of the most difficult athletic events. He also held the world record in the indoor 60-yard hurdles (7.3). Towns was named

to the All-America Outdoor Track and Field Team in 1936 and 1937 and the All-America Indoor Track and Field Team in 1938. He led Georgia to the 1937 SEC team championship (the only one in the men's program history) by earning individual high point honors with 16.5.

Towns became head track and field coach at UGA in 1938 and served in that capacity until his retirement in 1975. That span excludes a four-year stint in the U.S. Army, where he served his country in Africa and Europe. While he was coach, his pupils won 21 individual SEC outdoor titles and five individual SEC indoor titles. Towns also held other positions at UGA. He served as an assistant football coach under Wally Butts from 1946-50 and was an assistant professor from 1950-75.

Towns was inducted into the State of Georgia Sports Hall of Fame in 1967 and was elected to the United States Track and Field Hall of Fame in 1975. The University's track and field facility was named for Towns in a dedication ceremony at the 1990 SEC Outdoor Championships. A granite

monument proclaiming Forrest Towns Track stands at the southeast entrance to the facility.

On April 9, 1991, Georgia lost this great track & field ambassador when Towns passed away at age 77. He is survived by his wife, the former Martha Eberhardt of Athens, and their sons, Bobby and Preston.

On Oct. 3, 1997, Towns was inducted into the University of Georgia Athletic Association Circle of Honor, the highest tribute that can be bestowed upon former Bulldog athletes or coaches. Towns will be forever remembered as a key figure in Georgia's rich athletic history.

FORREST "SPEC" TOWNS TRACK

"Spec" Towns Track underwent a multi-million dollar renovation following the 2009 season. Georgia made its debut on the track at the 2010 Spec Towns Invitational. These preparations were made for the 2011 SEC Outdoor Championships in Athens.

Named in honor of former Georgia track and field legend Forrest "Spec" Towns, the track facility at the University of Georgia is one of the finest in the Southeast. Following the 2009 season, the Spec Towns Track underwent a complete renovation with a multi-million dollar price tag. The new facility opened at the beginning of the year in 2010 and will be the site for the 2011 SEC Outdoor Championships in Athens on May 12-15.

Situated on the far southwestern corner of the University of Georgia athletic complex, Forrest Towns Track has served as the training ground of numerous NCAA champions, including three-time Olympic gold medalist Gwen Torrence, three-time NCAA shot put champ Brent Noon, three-time NCAA Champion Debbie Ferguson and three-time NCAA Champion Andras Haklits. Most recently, the facility located adjacent to Lumpkin Street has been the training grounds for Reese Hoffa, who competed in his second Olympics in Beijing in 2008 and took seventh, and Jenny Dahlgren, who completed her career as a three-time NCAA champion, collegiate record holder and two-time Olympian.

Forrest Towns Track was dedicated in a special ceremony on May 20, 1990.

The current renovation is the first since Georgia hosted the 1999 SEC Outdoor Championships. In preparation for hosting the SEC Championships, several renovations took place during the fall of 1998. The first step was to resurface the track itself. The running surfaces are made of an open-pored polyurethane and rubber mixture called Rekortan made by the Balsam Corporation. The brick-red Rekortan finish tops all running lanes and field event areas.

The 400-meter track features eight, 42-inch running lanes, two throwing circles with cages, dual vaulting areas, along with two javelin runways, a shot put area, two high jump pits and a drainage system.

The track was constructed during the summer of 1964 and resurfaced twice previously, once in 1972 and again in 1981. The surface was ground down to the original asphalt and resurfaced with a Rekortan finish in 1986.

A 1,000-seat grandstand with restroom and storage facilities was completed in 1987. A fence around the track ensures the safety and, when necessary, the privacy of athletes during training.

UGA Athletic Administration

Dr. Michael F. Adams University President

Now in his 14th year as President of the University of Georgia, Dr. Michael F. Adams is one of America's longest serving and best known university presidents. A widely respected figure in higher education, he has been elected by his peers to lead a number of national organizations including the National Association of Independent Colleges and Universities, the Association of Public and Land-Grant Universities, the American Council on Education and the NCAA's Executive Committee.

He holds a Ph.D. from The Ohio State University and has been awarded five honorary degrees. In addition, he is a specialist in political education and higher education administration and has written in both areas. Dr. Adams has held senior positions in state and national government - as Chief of Staff to former Senator Howard Baker and as an advisor to former Tennessee Governor and current Senator Lamar Alexander. He has been involved in the management of state and national campaigns, and is frequently consulted by leaders of both political parties.

Either personally or on behalf of the University he has received more than 50 awards in higher education, including the Knight Foundation Award for Presidential Leadership, the Pioneer Ward for Leadership in Civil Rights and the James T. Rogers Award, the highest honor bestowed by the Southern Association of Colleges and Schools. He is the recipient of the prestigious Governor's Award in the Humanities from the Georgia Endowment for the Humanities. For nine consecutive years, Georgia Trend magazine has included Dr. Adams on its list of Most Influential Georgians.

The UGA campus has been transformed since he took office, with more than \$1 billion in new construction, renovation and infrastructure and 6.2 million square feet of new space completed. The East Campus Village, served by the Harris Dining Commons, added space for more than 1,200 students to help meet demand for on-campus living, and another 500-bed residence hall opened for the fall 2010 term. The new home of the Lamar Dodd School of Art, also on East Campus, opened in 2008, and an expansion of the Georgia Museum of Art is under construction. A number of historic structures on North Campus have been restored and renovated. A new Special Collections Library began construction in January 2010, and a range of student-serving facilities, including an expansion of the Tate Center, have opened recently.

Under his leadership, the University of Georgia has attained its highest rankings ever, has become the most selective in its history, has grown from some 29,000 students to its highest enrollment of 34,885 and in the past 12 years, UGA has raised more money than it had in the previous 213 years.

Dr. Adams is a graduate of the public schools of Georgia and Tennessee, earning his diploma in 1966 as the most outstanding graduate of Chattanooga High School. He has been married to Mary Lynn Ethridge Adams, whom he met in a Lipscomb University history class, for 40 years. They are the parents of two sons, both of whom are married to UGA alumnae, and are very proud of their first granddaughter, two-year-old Campbell.

Greg McGarity Director Of Athletics

Athens native and University of Georgia graduate Greg McGarity was named Director of Athletics at UGA on August 13, 2010, after serving 18 years in the athletic department at the University of Florida.

At UF, he most recently served as Executive Associate Athletic Director after serving as both an associate and senior associate athletic director during his tenure. His duties at Florida included assisting the athletic director in daily operations of the department, assisting in preparation and approval of the annual budget and extensive

involvement in long-term planning, contracts, competition scheduling and employment searches, among other areas. McGarity was involved in the planning and supervision of several construction projects, including the expansion of Ben Hill Griffin Stadium and the William Heavener Football Complex.

McGarity graduated from the University of Georgia in 1976 with a Bachelor of Arts degree in Journalism. He was a letterman on the 1973 Bulldog tennis team and following graduation began his professional career at UGA. After serving as a student assistant from 1973-77, he held positions as assistant sports information director and head women's tennis coach (1977-82), administrative assistant (1982-88), and assistant athletic director for facilities and event management (1988-92).

Citing McGarity's top-level experience in one of America's most successful athletic programs, Georgia president Dr. Michael F. Adams said McGarity understands UGA's desire to compete and succeed at the highest level of intercollegiate athletics while maintaining a primary focus on the needs and success of student-athletes.

"Greg McGarity is an experienced senior athletic administrator who has spent his entire life in athletics and athletic administration," Adams said on the day of McGarity's appointment. "He was admired greatly during the time he worked in the department here, and I can tell you from the comments I have read during this process that this is considered to be a great loss at the University of Florida. He has been involved in major personnel decisions at Florida, and I consider hiring the right people in the right positions to be the most important function of a senior administrator."

McGarity is married to the former Sheryl Holland, who graduated from UGA in 1976 with a bachelor of science degree in education. They have one son, Alex, 21, who
