PATRICK CUNNIFF
Bulldog
Cross Country Coach
First Season

Patrick Cunniff joined the Bulldog staff in August 2012 and is handling cross country and coaching the distance runners for Georgia's track and field teams.

A native of North Kingstown, R.I., Cunniff came to UGA after serving five years as Long Beach State's cross country and assistant track coach from 2007-12.

His distance runners highlighted Cunniff's final season with the 49ers by winning a conference individual championship in cross country, indoor track and outdoor track. Each one of these titles came with a school record performance at the respective conference meets.

In addition to helping lead Long Beach to 2008 and 2011 Big West Conference men's outdoor team championships, Cunniff put together an impressive resume with the 49ers. He watched his distance runners set school records 25 times, coached seven student-athletes to the NCAA Preliminary Round and led five to qualify for the NCAA Regionals. In the classroom, his runners earned CoSIDA All-Academic team honors from 2007-11.

Cunniff guided Matt Maldonado to an Olympic Trials "A" Standard time of 3:37.68 in the 1500 meters and 3:59.08 in the mile to qualify for NCAA indoors, which marked the first sub-4:00 mile in school history. Maldonado went on to advance to the semifinals of the Trials. Another individual, Kip Kangogo, recorded two wins and a runner-up finish at the Canadian Nationals after being instructed by Cunniff.

Cunniff also was responsible for administrative duties including all aspects of team travel for the 49ers. He also started the Pyramid

Cunniff joined the Georgia staff in 2012 after graduating from UGA in 1991. He has coached at Texas, TCU and Long Beach State.

Patrick Cunniff, shown above with his wife Katie and daughter Casidy, returned in 2012 to coach the distance corps at his alma mater.

5k and assisted in numerous fundraising and community outreach events for Long Beach.

Getting his collegiate coaching start in the state of Texas, Cunniff spend two years coaching at Texas Christian University (2004-06). Similar to his years at Long Beach, his resume was quickly filled with numerous accolades. Cunniff coached seven NCAA Division I Championship qualifiers (three cross country, one indoor track, three outdoor track), guided his team members to 12 individual conference championships and coached student-athletes who set school records four times.

Cunniff directed the Horned Frogs to a runner-up finish at the 2004 Conference USA Championships and a fourth-place finish at the NCAA South Central Regional, highlighted by having the individual champion on the women's side. He also assisted in coaching Jackson Langat to the 2006 NCAA indoor 800 crown. His cross country teams maintained a GPA over 3.0 during his tenure in Fort Worth.

His first coaching stop came at the University of Texas as a volunteer assistant. During his time in Austin, Cunniff worked to help the Longhorns win the 2003 and 2004 Big XII Outdoor Championships as well as the 2003 South Central Regionals in cross country. Also in 2003, the Texas track team registered a second-place finish at the NCAA Outdoor Championships.

On the Texas distance side, Cunniff, who has a USATF Level I Certification, coached Brian Rue to a personal-best 1:47.21 in the 800 and qualification to the 2004 Olympic Trials. His cross country team also maintained a GPA over 3.0.

Transferring to Georgia from UNC-Charlotte, Cunniff competed for the Bulldogs from the 1988 cross country season to the 1991 track and field season. He became a regular contributor for Georgia's cross country team and made his way into the school's all-time top-10 list in the 10,000. Cunniff graduated in June 1991 with a Bachelor's degree in Political Science.

Cunniff and his wife, Katie, have a 1-year-old daughter named Casidy.

UGA HEAD COACH WAYNE NORTON/SUPPORT STAFF

WAYNE NORTON
Track and Field
Head Coach
14th Season

**2006 USTFCCA South
Region Women's Coach of
the Year*

The 2012-13 seasons will mark Wayne Norton's 14th year as the head track and field coach at the University of Georgia, a program he has been involved with for more than 20 years.

Norton's track and field and cross country teams won 12 All-American certificates and nine SEC individual

championships combined during the 2011 cross country and 2012 track seasons. In addition, the Bulldogs and the Georgia women broke seven school records during the indoor/outdoor seasons the last two years.

On the track, the Georgia men and women managed three combined top-30 finishes at the NCAA Championships in 2012. The Bulldog men also scored a program-best 85.5 points at the 2012 SEC Indoor Championships to finish third. Outdoors, both teams combined to score the most points (117) in school history at the SEC Championships for a 3-4 finish.

Since taking over the reins of the program in 2000, Georgia track and field teams have enjoyed tremendous success, recording 19 Top-20 finishes, including 15 Top-15 finishes and seven Top-10 finishes.

Georgia has continued to keep a high standard of producing the nation's premier collegiate track athletes. In Norton's 13 years at the helm, Georgia athletes have earned 140 All-America certificates and 91 SEC individual titles.

The 2012 Olympics in London saw 10 current or former Georgia student-athletes who competed under Norton, which was the most in an Olympic Games for UGA track and field alumni in school history. Leading the charge for UGA was Reese Hoffa, who earned a Bronze medal in the shot put during his third trip to the Games.

In 2007, Norton saw his women's track and field team grab two top-10 NCAA team finishes, a pair of NCAA titles (Jennifer Dahlgren-Hammer, Patricia Sylvester-High jump) and nine All-American certificates, along with a variety of academic accolades.

The 2006 season was another overwhelmingly successful campaign for Georgia during both the indoor and outdoor seasons. The Lady Bulldogs claimed the school's first indoor Southeastern Conference title and the women's team also won the SEC outdoor championship.

Leading the way for Norton's squad was Dahlgren, who won a pair of individual national titles in the weight and hammer throws.

Norton began coaching in 1981 as a graduate assistant at Indiana. Before coming to Georgia, Norton served as an assistant coach at Northern Arizona University from 1985-90.

A New Jersey native, Norton received his bachelor's degree in broadcast production from Howard University in 1981. He earned a master's degree in journalism from Indiana in 1987.

Norton and his wife, Priscilla, have four children: son Christian, who played football for and graduated from UGA, and daughters LaShawna, Jasmine and Erica. Norton also has a son-in-law after Andre Wilson married his daughter LaShawna. The couple have a son named Isaiah.
