*From the hills of Georgia, northland beams thy noble brow, And the sons of Georgia rising pledge with scared vow.
Nest'd in pine trees' stately shadows spread thy riches pure. And thy sons, dear Alma Mater, sell thy treasures sure.
And thy daughters proudly join thee, like their rightful place, side by side into the future, equal dreams embrace. Through
the ages, Alma Mater, thou wilt look to thee, thou the fairest of the Southeast, Georgia's Varsity. Alma Mater, thee
we'll adore, true and loyal be, ever cherish'd with praise and glory, Georgia, hail to thee.*

UNIVERSITY OF GEORGIA

Endowed with 40,000 acres of land in 1784 and chartered in 1785, the charter was the first granted by a state for a government controlled university. After Louisville and then Greensboro were first selected, the current site was chosen.

The first president, and author of the school's charter, Abraham Baldwin, resigned when the doors opened, and was succeeded by Josiah Meigs. The University first began to thrive under Moses Waddel, who became president in 1819. Alonzo Church was president in 1829-1859.

During the War for Southern Independence, most of the students entered the Confederate Army. The University closed its doors in 1864, and did not open again until January 1866. After the war, many Confederate veterans became students.

Famous pre-war professors were John and Joseph LeConte and Charles F. McCay, while famous students were Robert Toombs, Alexander H. Stephens, Howell Cobb, and Crawford W. Long.

Plans for a modern university were first developed by Walter B. Hill and realized under Harmon W. Caldwell. The best known of the post-war presidents (now chancellors) was David C. Barrow. The builder of the modern plant was Chancellor Steadman V. Sanford.

**Jere W. Morehead
University President**

Jere W. Morehead became the University of Georgia's 22nd President on July 1, 2013. Prior to becoming President, he served UGA in many key administrative roles, including Senior Vice President for Academic Affairs and Provost, Vice President for Instruction, and Associate Provost and Director of the Honors Program.

President Morehead is the Meigs Professor of Legal Studies in the Terry College of Business, where he has held a faculty appointment since 1986. He is a co-author of several books and book chapters, including *The Legal and Regulatory Environment of Business*, and he has published scholarly articles on legal topics ranging from export controls to jury selection. He has served as editor-in-chief of the *American Business Law Journal* and previously held several other editorial board positions with the ABLJ.

President Morehead has received several university-wide teaching awards, including the Josiah Meigs Award—UGA's highest honor for teaching excellence—the Richard B. Russell Award for Excellence in Undergraduate Teaching, the Teacher of the Year Award in the Terry College of Business, and the Lothar Tresp Outstanding Honors Professor Award. Greg McGarity
J. Reid Parker Director Of Athletics

Athens native and University of Georgia graduate Greg McGarity was named Director of Athletics at UGA on August 13, 2010, after serving 18 years in the athletic department at the University of Florida.

Since that time, McGarity has injected a program of imagination and innovation into the Georgia Athletic Association with emphasis on exploring new ideas and initiatives designed to move the organization forward in all areas of competition, academics, and service.

Among the many initiatives are implementation of a nutrition program for all sports, greater emphasis on customer service as well as community service, scoreboard upgrades enhancing the in-game experience for guests and patrons in all sports, and development of leadership programs fostering staff development. In addition, he has encouraged the experimentation of new ideas such as moving volleyball competition to Stegeman Coliseum and helping bring a sold-out concert (Jason Aldean, 65,000) to Sanford Stadium for the first time in stadium history. He was also instrumental in development and implementation along with Nike of a new brand identity program, which brings consistency in use of colors, logos, lettering and numerals to Georgia sports teams.

McGarity oversees a 21-sport athletics program supported by a budget of \$117 million. Since becoming Director of Athletics, Georgia teams have won national championships in women's swimming and diving (2013 and '14) and equestrian (2014) and SEC championships in men's tennis (2011, '13, '14, and '15), men's tennis SEC Tournament (2012 and '13), women's tennis (2013), women's tennis SEC Tournament ('14), women's swimming and diving (2011, '12, '13, '14, and '15), equestrian (2015), and two SEC eastern division titles in football (2011 and 2012). During that time, 18 different Georgia teams have been ranked in the nation's top 20 and 10 in the top ten. Georgia's standing in the Learfield Director's Cup, which annually measures athletic teams success in NCAA championships, has improved from 20th in 2011 to 10th in 2013 and is consistently in the top 20.

McGarity has also been a standard bearer for academic achievement. Since his arrival, Georgia student-athletes have been the recipients of eight NCAA Post Graduate Scholarships, 21 CoSIDA Academic All-American awards, three NCAA Top Ten honors, three SEC Boyd McWhorter SEC Scholar-Athletes of the Year, and two SEC Brad Davis Awards.

In addition, he has been at the forefront of facility expansion and renovation. Recently completed are a \$12 million Foley Field (baseball) facility renovation, and new scoreboards/video boards at baseball, softball, and soccer. New sound systems in Stegeman Coliseum and Sanford Stadium have also been installed to improve the fan experience, as well as improvements in rest rooms and concessions stands. In addition, a new Indoor Athletic Facility is scheduled to be constructed adjacent to the Butts-Mehre Building, which will provide a facility for all sports to utilize.

2015-16 Georgia Equestrian

Your Dawgs, Our Arena: The Legacy Continues

The 2015 Southeastern Conference Champion Georgia equestrian team looks to continue its dominating ways in the 2015-16 campaign. After finishing with a 9-4 dual-meet record including a 4-2 mark in Southeastern Conference play, the Bulldogs captured the program's first SEC Championship title. This year's roster includes several All-American and All-SEC selections, as well as a freshman class with impressive resumes, adding depth to the Georgia lineup.

"What a great position we are in," head coach Meghan Boenig said. "Defending an SEC title, inspired with new passion from Coach Brainard and hungry for a National Championship! This mix fosters both the motivation and focus for a championship season in the classroom and arena. I know the Georgia Equestrian legacy will continue to set the bar."

The schedule includes 12 regular-season competitions, including six against Southeastern Conference teams. The 2015-16 SEC Championship will be held March 25-26 and hosted by Georgia in Bishop, Ga. The season will conclude April 14-16 at the NCEA Championship in Waco, Texas.

UGA Equestrian Complex

In January of 2009, Georgia riders moved into their spacious new home, the UGA Equestrian Complex, located in Bishop, Ga. The 109-acre farm offers Georgia the finest in equine accommodations. Formerly known as High Point Farm, the facility served the Athens-area equine community with boarding and training facilities since 1993. In 1996, High Point was selected as the training site for the U.S. Dressage Team, which competed in the Summer Olympic Games at the International Horse Park in Conyers, Ga. The Bulldogs have a true home-ring advantage, boasting an impressive 26-4 regular-season dual-meet record at the UGA Equestrian Complex.

Georgia is no stranger to a home-ring advantage, owning a 54-2 all-time record at home. Prior to moving to its home in Bishop, Ga., the Georgia equestrian team shared more than 100 acres with the Animal Science Arena, just minutes from Georgia's main campus.

The University of Georgia Athletic Association is committed to being the nation's premier NCEA equestrian program, in both competition and facilities. Plans are in the works to expand the UGA Equestrian Complex to include a 60-stall barn, a fan plaza, a covered arena and two all-purpose arenas.

Boenig also helped lead the charge of having Varsity Equestrian restructure to the National Collegiate Equestrian Association in the fall of 2011.

Georgia claimed the Southeastern Conference Championship with Boenig at the helm during the 2014-15 season. It was the program's first ever-SEC title since the sport was adopted by the conference in 2013. At the SEC championship, Boenig had two riders named to the SEC All-Championship team. The Bulldogs then rode to a reserve championship finish at the 2015 NCEA National Championship after posting an 9-4 record in the regular season. Under Boenig, Georgia put eleven riders on All-SEC teams and claimed six of a possible eight SEC Rider of the Year honors. Boenig also had seven riders earn NCEA All-America honors and 13 named to NCEA Academic All-America Teams. At the national championship, Boenig saw two riders earn Most Outstanding Player awards and three riders named to the NCEA All-Championship team.

During the 2013-14 season, Boenig led the Georgia equestrian team to the program's sixth National Championship. After finishing the regular season with a 9-3 dual-meet record, the Georgia equestrian team earned a second-place finish at the Southeastern Conference Championship. Under Boenig, seven riders were named to the All-SEC teams, two freshman selected to the SEC All-Freshman team and two riders were named as the SEC Riders of the Year. Under her guidance, six riders landed seven spots on NCEA All-American teams, while 12 earned a place as NCEA Academic All-Americans and another 19 were named to the NCEA Academic Honor Roll. Boenig also saw two riders crowned as the Most Valuable Players of the NCEA Championship, as well as three riders named to the NCEA All-Championship team.

Under her leadership, the 2012-13 Georgia equestrian team finished the season with a 9-5 dual-meet record and its third-straight Reserve National Championship. The Bulldogs also led the Southeastern Conference with 11 all-conference selections and had two riders earn SEC Rider of the Year honors. She also coached four riders

to five NCEA First Team All-American honors and had 13 riders land a spot on an NCEA Academic Team and another 21 earn a place on the NCEA Academic Honor Roll.

Boenig lead the 2011-12 equestrian team to a regular season record of 11-2, a 10-meet win streak, a No. 1 ranking and its second Reserve National Championship. Along the way, the Bulldogs defeated nine ranked teams, including a season-sweep of Auburn and South Carolina. The Bulldogs finished second at the Southern Equestrian Championship before claiming its third Reserve Championship and second in as many years.

During the 2010-11 campaign, the Bulldogs again were competing for a championship, when they took on Southeastern Conference foe Auburn in the finals of the VENC National Championship. Georgia came away with its second Reserve Championship, falling 51-49 to the Tigers. The Bulldogs defeated Auburn in the Western Division to finish third overall in the discipline, but Auburn edged Georgia on the Hunt Seat side.

Georgia spent the first months of the 2009-10 season finding its way but the Bulldogs closed their season by winning yet another national crown. This time they needed the first "ride-off" in the sport's history to edge Texas A&M in the overall standings. In addition, two Georgia Hunt Seaters, Michelle Morris and Emma Lipman, claimed individual championships, the third and fourth such honors in Georgia history.

Boenig has made great strides in developing Georgia's equestrian program from Square One. The number of riders has tripled from 24 to near 70, while the number of horses has more than quadrupled going from 12 to over 60. In addition, the staff has grown from Boenig, on her own, to eight full-time members.

Beyond Athens, Boenig is heavily involved in shaping the development of varsity equestrian, which is classified as an "emerging" sport by the NCAA. She serves on the Varsity Steering Committee that governs the sport through biannual coaches' meetings and has been its Chairperson for two seasons. She was also a leading advocate for the bracketed tournament format that is currently in existence.

Boenig initiated varsity equestrian's departure from the meet format associated with the Intercollegiate Horse Show Association (IHSA), under whose auspices Georgia competed in 2003. She helped introduce the dual-meet format that SEC schools now use, competing by proposed NCAA rules designed to make the sport more competitive and fan-friendly.

Boenig is a 1999 graduate of Berry College where she earned her Bachelor's Degree in Biology. Prior to her arrival at Georgia in October of 2001, she spent two years as an assistant coach at Texas A&M during which time she also earned a Master's Degree in Animal Science.

Her two seasons at Texas A&M were deciding factors in her hiring as the Bulldogs' inaugural head coach. Georgia sought a coach with the knowledge of working hand-in-hand with a university's Animal Science community in forging a new equestrian team, something the Aggies had enjoyed during her tenure there.

A native of Powder Springs, Ga., the former Meghan Nolan is married to Markus Boenig. The couple are proud parents of two sons, Josef and Mathew.

Laura Brainard
Associate Head Coach (Western)
First Season

Laura Brainard was named the assistant coach for the Georgia equestrian team in May, 2015.

Brainard comes to Georgia after spending the last season as a volunteer assistant coach at Texas A&M. During her tenure at Texas A&M, she worked closely with the coaching staff to strategize, prepare and achieve goals for the equestrian program. Additionally, she helped organize home competitions, assisted with Western Team practices and assisted with improving riding techniques of equestrian student-athletes.

Before her time as a volunteer assistant coach, she spent four years as a member of the Texas A&M equestrian team. During her time with the Aggies, she helped the Western Team to a pair of national titles in 2011 and 2012, as well as leading Texas A&M to the 2012 NCEA National Championship. She was named the NCEA Rider of the Month in October of 2012 and the Southeastern Conference Rider of the Month in March 2013. She was also named to the All-SEC Championship Horsemanship Team in 2014. For her efforts during her senior season, she was named the Most Outstanding Player in Horsemanship for the Aggies.

In addition to her success in the area, Brainard also excelled in the classroom. She was named to the SEC Academic Honor Roll, the NCEA Academic Honor Roll and was a Texas A&M Athletics Scholar.

Brainard graduated with a B.S. in Agriculture Economics from Texas A&M in 2013 before completing her Master of Science degree in Agricultural Leadership, Education and Communications in May of 2015.

Lisa Anderson
Assistant Coach (Hunt Seat)
Fifth Season

Lisa Anderson begins her fifth season as an assistant coach at Georgia, where she coaches and trains Georgia's Equitation Over Fences riders. In her four years with the team, Anderson has garnered three Reserve National Championships along with the 2014 National Championship.

In her inaugural season with the Bulldogs, Anderson coached the Hunt Seat team to a third place finish at the 2012 NCEA National Championship. In the following season, the Hunt Seat team was named Reserve National Champions and earned the overall team Reserve National title. In the 2014 season, the national championship adopted the dual-meet format and the team was crowned as the NCEA National Champions. The team was named Reserve Champions at the NCEA National Championships in 2015.

Since the 2011-12 season, Anderson has guided the Equitation Over Fences squad to a 20-13-3 dual-meet record. She has coached several NCEA All-Americans and All-SEC selections, as well as the Most Valuable Player of the NCEA National Championship. Anderson has coached three riders in the WEF Collegiate Challenge including a high-score award winner and semifinalist.

After graduating cum laude from Barnard College, Columbia University in New York, Anderson managed her own horse business for over thirty years. During this time she coached hundreds of top students at the highest levels of United States Equestrian Federation competition.

While beginning her riding career in equitation and hunter/jumper divisions, Anderson also successfully competed and coached in international three-day events and was named sixth leading rider in the US in 1989.

Before coming to coach at Georgia in 2011, Anderson trained riders and showed horses out of Glory Farm in Georgia, as well as, Lamplight Equestrian Center, Grove Place Farm and Copper Ridge Farm in Ill. She has trained numerous horses and riders in qualifying for national USEF equitation, hunter and jumper competitions.

Anderson is a USHJA certified trainer and has obtained her USEF "r" Judges License in Hunter and Hunter Seat Equitation as well as a USEA "r" Eventing Judge License.

Anderson is married to Tim Reed since 1992 and they live on a farm with their four sons: Marshall, MacArthur, Louis and Pierre Reed.

Amber Bradley
Farm Manager

Amber Bradley joined the Georgia program in 2006 as Farm Manager. In her position she oversees not only the care of Georgia's 60-plus horses, but also the facilities used by the Equestrian team.

A native of Pauline, S.C., Bradley has enjoyed a lifelong association with horses. She grew up on a 124-acre horse farm and first began showing Hunters & jumpers at the age of five. By age 15 she was managing her family's farm.

In 2002, Bradley moved to Georgia, managed a 300-acre horse farm, supervised three community living facilities and attended college at Athens Tech. She was also a member of the Cowboy Mounted Shooting Association, from which she won several division titles, two state crowns and the Southeast regional championship.

Bradley and her husband Andrew -- who won the team's "Mane Dawg" award in 2008 for extraordinary service to the program -- are the parents of two children, son James Audie and daughter Agnes.

2014-15 Season Recap

The Georgia equestrian team capped of the 2014-15 season with the 13th Annual Equestrian Team Awards Banquet held April 25 at the Classic Center in downtown Athens. During the banquet, the team was celebrated for yet another successful season. Individual riders were also recognized for their accomplishments throughout the year.

Seniors Sara Parr and Kylee Arbuckle were the Most Outstanding Player recipients. Parr earned the honors for her performance in Horsemanship, while Arbuckle was recognized for her accomplishments in Equitation on the Flat. The Rookie of the Year awards went to freshmen Kyndall Harper (Reining) and Addyson Cord (Equitation Over Fences) for their exceptional performances in their first season with the team. Other award winners included Lauren Tieche and Jess Denker who received the Coaches' Award; and Madi Berger and Caroline Blackshear received the Sportsmanship Award.

The Bulldogs began the 2014-15 campaign ranked as the No. 1 equestrian team in the country. The team rode to an 11-4 record during the regular season, before going 4-1 in the post season.

Georgia picked up its first win of the season on the road against SEC foe South Carolina. The Bulldogs then dropped two competitions in a dual-meet weekend against Baylor and SMU. The team returned to Athens for the lone home meet of the fall, grabbing a 13-6 win over Auburn. Georgia fell to Texas A&M before closing the fall schedule with two wins against Kansas State and UT-Martin.

South Carolina edged Georgia 11-9 in the first competition of the spring portion of the season. The Bulldogs bounced back with an at-home win against Delaware State, followed by a win on the road against Auburn. Georgia and Texas A&M met once again, this time Georgia taking the win in Bishop. The Bulldogs concluded the 2014-15 season in Fresno, Calif. earning wins against Fresno State and TCU.

The Bulldogs earned the program's first ever Southeastern Conference Championship March 27-28 at the Hildebrand Equine Complex in College Station, Texas. As the No. 1 seed of the tournament, Georgia first defeated Auburn to advance to the championship. In the finals, Georgia handed Texas A&M a 12-5 loss to capture the 2015 SEC title. Georgia also had two riders named to the SEC All-Championship team as Sara Parr (Horsemanship) and Liza Finsness (Equitation on the Flat) earned the honors.

After breezing past the Wildcats, 10-5 Georgia met No. 5 Auburn in the quarterfinals. The Bears were no match for the Bulldogs, earning a 10-6 win to move on to the championship round of competition. Georgia and South Carolina met for the second year in a row to compete for the national title.

After a tight competition, the Gamecocks were able to come away with the win and were crowned the 2015 national champions.

In addition to the team awards, Georgia had seven riders named to NCEA All-America teams for the 2014-15 season. How many women are on a team?

There is no roster size limit. The teams range from 15 to 85 girls. The average team has about 46 members.

Can NCEA teams only compete NCAA?

No, schools that are a member of the NCEA are permitted to compete in both the NCAA-NCEA head to head format and IHSA (club) competitions. However, universities can only compete in one National Championship event.

How many coaches are there?

There can be anywhere from 1-3 coaches. Some teams also have volunteer coaches that are designated by the team, one western and one hunt seat for the whole season.

Where do the teams practice?

Practice and competition facilities can be owned by the athletics department or can be multiple use facilities on campus partnered with the Agriculture or Animal Science Department. Some programs lease a private facility.

Who provides the horses?

Most programs have their own string of horses for the team to practice and compete on. These horses have been donated, purchased, or are leased for the competition season.

Typically how many competitions are there?

Teams can have up to 15 dates of competition, not including conference or national championships. Competitions that last more than one day, or tournaments can be considered 1 date, up to 5 times.

Can Student-athletes receive course credit?

Some Universities will offer class credit for participation

History

In 1998, Equestrian was classified as an NCAA emerging sport. At that time there were six participating teams (Auburn, Fresno State, Georgia, Oklahoma State, South Carolina and Texas A&M). Today there are currently 24 colleges and universities offering Equestrian as a varsity sport and more continue to add the program each year.

The competition format is a head-to-head, where a rider from each team competes on the same horse. The rider earning the highest score on that particular horse wins the point for their team. At the end of the competition, the team with the most points wins the competition. The horse and rider match-up is determined by a random draw. Prior to their competition ride each competitor is given a four-minute warm-up (five minute for Reining) to familiarize themselves with the horse and prepare for their competition ride. This format of competition was developed to level the playing field between riders and to allow each rider the same opportunity on the same horse. There is only one elite level of competition for the four events.

The National Collegiate Equestrian Association (formerly Varsity Equestrian) was created to advance the sport of Equestrian from emerging to championship status with the NCAA by promoting the benefits of Equestrian to potential institutions, riders, parents, horse industry professionals and sponsors while developing the rules and format of competition.

The National Collegiate Equestrian Association Championships (NCEAC) is currently held in Waco, Texas. 12 hunter seat and 12 western teams are invited to compete. The NCEA Selection Committee invites these teams based on their win/loss record throughout the season. The NCEAC is made possible with the help of generous sponsors, volunteers and donors of current universities and local horse trainers that contribute competition horses, tack and horse transport. Two nationally recognized and carded judges in both Hunter Seat and Western travel to Texas to judge the four days of competition. More than 200 student-athletes from across the country compete at the Championships.

Many people within the horse industry have united together to advance the sport of Equestrian to full NCAA championship status. In order to attain this goal and hold a NCAA sponsored Equestrian National Championship, there must be 40 Division I/II schools that sponsor Equestrian at their institution.

Mission

- To provide amateur equestrian student-athletes the opportunity to compete in a collegiate national championship event
- To promote for equal collegiate opportunities for female athletes through collegiate level equestrian competition
- To assist in the development of amateur equestrian student-athletes through collegiate level equestrian competition
- To promote the advancement of Equestrian from emerging to championship status with NCAA
- To generate growth of and interest in Equestrian activity via the marketing, promotion and publicity of sport benefits to universities, riders, prospective student-athletes, parents, horse industry professionals and sponsors
- To support the enhancement of participating institutions who offer varsity level collegiate equestrian programs
- To preserve the integrity of the sport through ongoing rule and format development

Key Terms in Equestrian

Crop

A short whip used in riding, used only as an aid to reinforce the rider's leg.

Diagonals

The correct posting, up/down motion, of the rider in sequence with diagonal movement of the horse's legs at the trot.

Equitation / Horsemanship

In competitions, these indicate that riders are being judged on their ability to control and show the horse while maintaining the correct riding position. Riders have the added challenge of riding an unfamiliar horse, one that they draw for in a lottery system just before their event.

Equitation Over Fences

An individual performance where each rider shows a horse over 8-10 jumps approximately three feet high. Riders are judged on their ability to position the horse correctly at the jumps and avoid interfering with the horse's balance, while maintaining the correct riding position and producing a smooth, polished performance.

Figure Eight

Two circles connected by a change of direction, most often seen in Reining patterns.

Gait

Three ways — canter/lope, trot/jog, or walk — by which a horse can move by lifting the feet in different order or rhythm.

Horsemanship

Refers to an event in Western discipline which is judged on a predetermined pattern consisting of several maneuvers is performed by each rider. The rider's overall position and effectiveness in the saddle are major factors in scoring.

Hunt Seat

The category of Equitation English riders compete in, whose foundation lies in jumping and riding across country, such as foxhunting.

Leads

They are determined at the canter/lope by which front foot is leading. Correct leads have the inside foreleg reaching furthest.

Natural Aids

Body signals from the seat, legs, hands and voice to communicate commands to the horse, all the while appearing comfortable, relaxed and balanced. These signals should be subtle or imperceptible to the judge and spectators and exaggerated shifting of the rider's weight is not desirable. The resulting performance shown by the horse is not to be considered more important than the methods used by the rider in obtaining them.

NCEA Meet Format and Scoring

Dual-Meet Format

The National Collegiate Athletic Association (NCAA) classifies Equestrian as an "emerging" sport. Until 2003, all collegiate equestrian shows were conducted under the auspices of the Intercollegiate Horse Show Association (IHSA). Georgia riders departed from that format for the 2003-04 season. Since then, they have competed in the dual-meet format governed by proposed NCAA rules set forth in the biannual equestrian coaches meetings hosted by the United States of America Equestrian Federation.

Teams compete in four events at each dual meet: English Equitation Over Fences, English Equitation, Western Horsemanship and Western Reining. In each event a minimum of four athletes from each team ride head-to-head on the same set of horses, which are provided by the host school. Riders are assigned to the horse in a random draw and face the challenge of riding an unfamiliar horse after a brief timed warm-up period. A point is earned when a rider's score is higher than their opponent riding the same horse.

General Scoring

Hunt Seat riders are scored on a scale of 1-100. There are nine maneuvers each worth 10 points, plus an overall score worth 10 points, to total 100 possible points per ride. Maneuvers are scored on this scale: 10=Excellent; 9=Very Good; 8=Good; 7=Fairly Good; 6=Satisfactory; 5=Sufficient; 4=Insufficient; 3=Fairly Bad; 2=Bad; 1=Very Bad; 0=Not Executed. Scores usually range from 70-85, depending on the judge. Western riders are scored on a 70-point scale. There are a minimum of eight maneuvers which are scored on the following scale: +1.5=Excellent, +1=Very Good, +.5=Good, 0=Correct, -.5=Poor, -1=Very Poor, -1.5=Extremely Poor. Scores range from 68 to 74. Horsemanship and English Equitation riders are judged on their ability to control and show the horse while maintaining the correct riding position. Riders in Equitation Over Fences are judged on their abil-

ity to position the horse correctly and not interfere with its balance while maintaining the correct riding position for a smooth, polished performance. Reiners are judged for precision and application of natural aids as they execute intricate maneuvers at varying speeds.

English Equitation Over Fences

Each rider jumps the same predetermined course, usually consisting of eight to 10 jumps that are approximately 3-feet high. The judge is looking at the rider's position, consistency of pace and accuracy of leads, turns and distances executed to produce a smooth, polished performance.

English Equitation on the Flat

A pattern consisting of nine maneuvers is performed within a rectangular-shaped arena marked by letters. Maneuvers are called for at specific letters and can be circles, transitions and serpentines among others. The judge is looking at the rider's position and effectiveness at guiding her horse through the individual maneuvers.

Western Horsemanship

A predetermined pattern consisting of several maneuvers is performed by each rider. Consideration for scoring is based on the quality of those maneuvers, including pivots, stops, backs and circles, extensions at all gaits and consistency of pace. The rider's overall position and effectiveness in the saddle are also major factors.

Western Reining

In this event each rider rides the same preassigned pattern from memory, performing such maneuvers as spins, sliding stops, rollbacks and circles. The circles are either large and fast or small and slow. The judge is looking for accuracy and correctness of maneuvers, correct speed for the maneuver being performed, the horse being willfully guided and overall quality of the Reining pattern.

Warm-Ups

Practice time before the classes, normally 4-5 minutes. The horses will be schooled, or prepared for competition using stretching and suppling exercises at various gaits, or practice jumps if necessary by riders who will not compete the day of the show.

Sliding Stop

A smooth stop from the lope, in which the horse is supposed to balance on its back feet while the front feet continue to move.

Reining

In this class, Western riders perform an individual, pre-assigned pattern from memory, demonstrating a variety of stops, turns and maneuvers at various speeds. The emphasis on this class is on precision, technical application of natural aids and the rider's ability to show unfamiliar horses.

Rollback

A turn performed in Equitation Over Fences class to show control of the horse and rider's ability to maintain a position throughout a turn. A tight turn performed between two Fences. In Western Reining, a rollback is a 180 degree pivot with speed after a halt.

About SEC Equestrian

The Southeastern Conference adopted the sport of equestrian during the 2012-13 academic year. The four programs that currently comprise the SEC have a rich history of elite success in the sport.

Since the National Collegiate Equestrian Association began contesting a national championship in 2002, the only four programs to ever win a national championship in the sport of equestrian are the four members of the SEC: Auburn, Georgia, South Carolina and Texas A&M. The annual NCEA Championship is held in Waco, Texas, each year.

Georgia has tallied a league-leading six overall national championships, including three consecutive from 2008-10 and most recently in 2014. Auburn and South Carolina both have three national titles, while Texas A&M each has two overall national titles.

The three schools of the formerly 12-member SEC have been contesting a yearly Southern Equestrian Championship since 2003, which in 2012-13 was replaced by the first-ever SEC Championship, involving all four schools.

The Southern Equestrian Championships were held on campus sites on a rotating basis. Georgia won a league-leading six Southern Equestrian Championship titles, while Auburn captured three and South Carolina one.

The first-ever SEC equestrian meet was held on September 9, 2012 when Georgia hosted Texas A&M in Bishop, Ga. In March of 2013, the first-ever SEC Championship in the sport of equestrian was held in Auburn, Ala., with South Carolina taking home the inaugural trophy.

THE UNIVERSITY OF GEORGIA

Creating exceptional experiences for a lifetime.

In January of 1785 — two years after the Revolutionary War — the Georgia legislature adopted the charter that created the University of Georgia. In founding the nation’s first state university, the legislature also gave birth to the American system of public higher education. Over the past 220 years, Georgia and its university have grown together as partners in a burgeoning prosperity that has made the University a fast-track contender for educational pre-eminence. With more than 33,400 students, a work force of more than 9,000 and an annual budget of over \$1.4 billion, the University of Georgia is Georgia’s largest, oldest and most comprehensive educational institution. Widely recognized for excellence in instruction, research and public service, the University has moved into the ranks of America’s foremost public universities.

5	According to the <i>Open Doors</i> 2012 list, Georgia ranked fifth in the nation in the number of students who participate in summer and other short-term study abroad programs.
9	The University of Georgia College of Veterinary Medicine was ranked 9th in the most recent <i>U.S. News and World Report</i> ranking of colleges of veterinary medicine.
13	The UGA school of law is ranked 13th among the top public law school’s in the nation, according to <i>U.S. News and World Report’s</i> 2014 edition of America’s Best Graduate Schools
14	<i>Kiplinger Magazine</i> ranks UGA 15th in its 2013 list of the “100 Best Values in Public Colleges.”
19	<i>U.S. News & World Report</i> ranks the Terry College’s BBA program 19th among public business schools.
