**JERE W. MOREHEAD
UNIVERSITY PRESIDENT**

President Jere W. Morehead began his tenure as the 22nd University of Georgia President on July 1, 2013. Under his leadership, the University has risen in the rankings of the best public colleges and universities and has completed a series of initiatives to enhance student learning and success, including a requirement for experiential learning for all undergraduates.

Additionally, the University already has surpassed the \$1.2 billion goal of its ongoing fundraising campaign and launched an Innovation District initiative to create UGA's campus of the future, where students and faculty will partner with industry to generate ideas and solutions to continue the University's role as a powerful driver of economic development in Georgia. Research expenditures have increased 30 percent in the past five years, and UGA was the top U.S. institution for products based on university research reaching the marketplace in 2018.

In keeping with his focus on student success, President Morehead launched the ALL Georgia Program to support students from rural areas and created the Double Dawgs program, which enables students to save time and money by earning an undergraduate and graduate degree in five years or less. UGA graduates are in demand: in 2018, 96 percent of graduates were employed or in graduate school within six months of graduation.

President Morehead has served the University of Georgia since 1986 in both faculty and administrative roles. Before becoming President, he was Senior Vice President for Academic Affairs and Provost from 2010 to 2013. Prior to 2010, he held several key administrative assignments, including Vice President for Instruction, Vice Provost for Academic Affairs, Associate Provost and Director of the Honors Program, and acting Executive Director of Legal Affairs.

He is the Meigs Professor of Legal Studies in the Terry College of Business, where he has held a faculty appointment since 1986. He is a co-author of several books and book chapters, including *The Legal and Regulatory Environment of Business*, and he has published scholarly articles on legal topics ranging from export controls to jury selection. He has served as Editor-in-Chief of the *American Business Law Journal*.

His external service currently includes serving as Co-Chair of the University Leadership Forum, a national initiative led by the Council on Competitiveness to expand the role of American higher education in the global innovation economy. He is Vice President of the Southeastern Conference and a member of the SEC Executive Committee, which oversees the financial and fiscal affairs of the SEC. He also serves as a member of the National Collegiate Athletic Association Division I Presidential Forum and the NCAA Legislative Working Group on Name, Image, and Likeness. Additional service includes membership on the boards of the Georgia Chamber of Commerce, Metro Atlanta Chamber of Commerce, Georgia Research Alliance, University System of Georgia Foundation, Atlanta Regional Council for Higher Education, and Emory University Candler School of Theology. He also serves on the Association for Public and Land-grant Universities Committee of Research Intensive Universities.

President Morehead has received several University-wide teaching awards, including the Josiah Meigs Award—UGA's highest honor for teaching excellence, the Richard B. Russell Award for Excellence in Undergraduate Teaching, the Teacher of the Year Award in the Terry College of Business, and the Lothar Tresp Outstanding Honors Professor Award.

He holds a bachelor's degree from Georgia State University and a law degree from the University of Georgia.

**GREG MCGARITY
J. REID PARKER DIRECTOR OF ATHLETICS**

Athens native and University of Georgia graduate Greg McGarity was named Director of Athletics at UGA on August 13, 2010, after serving 18 years in the athletic department at the University of Florida. Since that time, McGarity has emphasized exploring new ideas and initiatives designed to move the organization forward in all areas of competition, academics, service, and exceptional experiences for student-athletes and supporters.

McGarity oversees a 21-sport athletics program supported by a budget of \$154 million. Since he became Director of Athletics, UGA teams have won national championships in women's swimming and diving (2013, '14, '16), equestrian (2014), women's indoor track and field (2018), men's outdoor track and field (2018), women's indoor tennis (2019) and SEC championships in football (2017), men's tennis (2011, '13, '14, '15, '16, '17) men's tennis SEC Tournament (2012, '13, '17), women's tennis (2013, '19), women's tennis SEC Tournament (2014), women's swimming and diving (2011, '12, '13, '14, and '15), equestrian (2015, '17, and '18), and four SEC eastern division titles in football (2011, 2012, 2017 and 2018). The 2017 football team was also the 2018 Rose Bowl champion and College Football Playoff national runnerup. During McGarity's tenure as AD, 18 different Georgia teams have been ranked in the nation's top 20 and 10 in the top ten. Georgia's finish in the Learfield Directors' Cup, which annually measures athletic teams success in NCAA championships, has been in the top 25 every year during his tenure and as high as 8th in 2018.

McGarity has also been a standard bearer for academic achievement. Since his arrival, Georgia student-athletes have been the recipients of 18 NCAA Post Graduate Scholarships, 30 CoSIDA Academic All-American awards, three NCAA Top Ten honors, three SEC Boyd McWhorter SEC Scholar-Athletes of the Year, two SEC Brad Davis Community Service Awards, and one SEC Sportsmanship Award winner.

In addition, McGarity has been at the forefront of facility expansion and renovation which have totaled over \$170 million during his tenure with more on the way. Approved in September, 2019, was an \$80 million, 165,000 square foot expansion of Butts-Mehre Heritage Hall which will create increased operating space for the football program.

The construction of the new \$30 million William Porter Payne and Porter Otis Payne Indoor Athletic Facility adjacent to the Butts-Mehre Building was completed in January, 2017, and provides a facility for use by multiple sports. Completed in July, 2018, is the \$63 million Sanford Stadium west end addition which features a new home locker room, recruiting facility, and entry plaza connecting the Gillis bridge to the stadium as well as new concession stands and rest rooms. Also completed in 2018 were \$7 million in improvements to Stegeman Coliseum and the Boyd Golf Center expansion. Currently under way is an \$8.5 million renovation of the Henry Feild tennis stadium which includes a complete new grandstand, a \$3.5 million equestrian locker room and support facility and a \$1 million overhaul of the lights in Sanford Stadium.

Other recent projects include a \$12 million Foley Field (baseball) facility renovation and new scoreboards/video boards at baseball, softball and soccer. New sound systems in Stegeman Coliseum and Sanford Stadium have also been installed to improve the fan experience.

Under McGarity's leadership fundraising has reached unprecedented heights. For the 2018 fiscal year, The Georgia Bulldog Club raised a record \$80 million in cash and pledges to support UGA Athletics. In September of 2015 a new philanthropic giving arm was created, The Magill Society, which currently has over 1,000 members that have contributed more than \$109 million to support athletic facility projects. The Scholarship Endowment has grown to over \$43 million, and five coaching and administrative positions have been endowed.

McGarity was named recipient of the 2013 Tom Osborne Award presented by the Collegiate and Professional Sports Dietitians Association (CPSDA) for special achievement and contributions to advanced-practice sports nutrition. A 1976 graduate of UGA's Grady College of Journalism and Mass Communication, McGarity is a 2012 inductee into the Grady Fellowship, a recognition program to honor those whose influence, achievements and service to the media professions have enhanced the reputation of the Grady College. In 2017, he was inducted into the Georgia-Florida Hall of Fame.

At UF, he served as Executive Associate Athletic Director after serving as both an associate and senior associate athletic director during his tenure. His duties at Florida included assisting the athletic director in daily operations of the department, assisting in preparation and approval of the annual budget and extensive involvement in long-term planning, contracts, competition scheduling and employment searches, among other areas. McGarity was involved in the planning and supervision of several construction projects, including the expansion of Ben Hill Griffin Stadium and the William Heavener Football Complex.

McGarity was a letterman on the 1973 Bulldog tennis team and after graduation began his professional career at UGA. After serving as a student assistant from 1973-77, he held positions as assistant sports information director and head women's tennis coach (1977-81), administrative assistant (1982-88), and assistant athletic director for facilities and event management (1988-92).

McGarity is married to the former Sheryl Holland, who graduated from UGA in 1976 with a Bachelor of Science degree in education. They have one son, Alex, a graduate of the University of Florida and the University of Georgia.

**19TH SEASON
BERRY COLLEGE, '99**

Meg O'Mara was named SEC Rider of the Year and Sydney Hutchins was named SEC Freshman Rider of the Year for both Hunter Seat events. Georgia had four riders claim six spots on All-SEC teams and five riders earned seven NCEA All-America honors.

For the 2016-17 season, the Bulldogs finished second as hosts of the 2016 SEC Equestrian Championships and went on to finish tied for third at the NCEA National Championship. Five riders were named SEC Rider of the Year and one earned All-Championship Team honors at the SEC and NCEA Championships for Equitation on the Flat.

Georgia claimed the Southeastern Conference Championship with Boenig at the helm during the 2014-15 season. It was the program's first ever-SEC title since the sport was adopted by the conference in 2013. At the SEC championship, Boenig had two riders named to the SEC All-Championship team. The Bulldogs then rode to a reserve championship finish at the 2015 NCEA National Championship after posting a 9-4 record in the regular season. Under Boenig, Georgia put eleven riders on All-SEC teams and claimed six of a possible eight SEC Rider of the Year honors. Boenig also had seven riders earn NCEA All-America honors and 13 named to NCEA Academic All-America Teams. At the national championship, Boenig saw two riders earn Most Outstanding Player awards and three riders named to the NCEA All-Championship team.

During the 2013-14 season, Boenig led the Georgia equestrian team to the program's sixth National Championship. After finishing the regular season with a 9-3 dual-meet record, the Georgia equestrian team earned a second-place finish at the Southeastern Conference Championship. Under Boenig, seven riders were named to the All-SEC teams, two freshman selected to the SEC All-Freshman team and two riders were named as the SEC Riders of the Year. Under her guidance, six riders landed seven spots on NCEA All-American teams, while 12 earned a place as NCEA Academic All-Americans and another 19 were named to the NCEA Academic Honor Roll. Boenig also saw two riders crowned as the Most Valuable Players of the NCEA Championship, as well as three riders named to the NCEA All-Championship team.

Boenig is a 1999 graduate of Berry College where she earned her Bachelor's Degree in Biology. Prior to her arrival at Georgia in October of 2001, she spent two years as an assistant coach at Texas A&M during which time she also earned a Master's Degree in Animal Science.

Her two seasons at Texas A&M were deciding factors in her hiring as the Bulldogs' inaugural head coach. Georgia sought a coach with the knowledge of working hand-in-hand with a university's Animal Science community in forging a new equestrian team, something the Aggies had enjoyed during her tenure there. A native of Powder Springs, Ga., the former Meghan Nolan is married to Markus Boenig. They are proud parents of two sons, Josef and Mathew.

Meghan Boenig came to Georgia in October of 2001 as the first head coach of the Georgia equestrian program. During her time with the Bulldogs, Boenig has led the program to unprecedented heights including six National Titles, six Southern Equestrian Championships, seven reserve championships, three Southeastern Conference titles, and a 67-6 dual-meet regular season record at home. Boenig also helped lead the charge of restructuring Varsity Equestrian to the National Collegiate Equestrian Association in the fall of 2011.

Before the 2019-20 season ended abruptly due to COVID-19, the Bulldogs went 6-6 in regular season action, finishing the season ranked sixth overall. In the final event rankings, the reigning Fences national champions finished this year ranked third and defeated all Southeastern Conference opponents. The Flat squad finished sixth with eight wins. On the Western side, Horsemanship checked in at No. 8 and Reining ranked tenth.

Five Bulldogs received All-America recognition from the NCEA. Senior Ali Tritschler named to the second team for both Flat and Fences, while junior Jordan Carpenter was tabbed to the second team for Reining. Sophomore Sara Lewis (Horsemanship), senior Grace Bridges (Flat), and junior Hayley Mairano (Flat) were all given Honorable Mention for their respective disciplines. Additionally, Tritschler garnered All-SEC awards for both Fences and Flat, while senior Bridges was recognized for Flat. Carpenter received the honors for Reining.

Under Boenig's direction in 2018-19, the Georgia equestrian team finished as the National Collegiate Equestrian Association (NCEA) Reserve National Champions and claimed four out of seven event national titles to complete the season. Georgia won national titles in Horsemanship, Reining and Equitation Over Fences at the 2019 NCEA Championship. The Bulldogs were also crowned overall Western discipline champions.

Senior Graysen Stroud earned SEC Reining Rider of the Year on top of Courtney Blumer and Sarah Lewis receiving SEC Freshman Rider of the Year accolades for Reining and Horsemanship, respectively. Numerous riders received All-SEC NCEA Ariat All-America recognition across all events. Additionally, at the conclusion of the academic year, Emma Mandarinio was a Top 30 nominee for the NCAA Woman of the Year award.

In 2017-18, four-time SEC Coach of the Year, Boenig and her team defended their SEC title and rode to a Reserve National Champion finish at the NCEA National Championship. Georgia claimed four SEC and two NCEA Rider of the Year awards in addition to seven Bulldogs earning nine NCEA Ariat All-America honors. Boenig also coached her squad to a NCEA Equitation on the Flat National Championship.

In 2016-17, Georgia was crowned SEC Champions and NCEA Reserve National Champions after riding to a 9-4 regular season record. Under Boenig's direction,

NCEA HISTORY

In 1998, equestrian was classified as an NCAA emerging sport. At that time there were six participating teams (Auburn, Fresno State, Georgia, Oklahoma State, South Carolina and Texas A&M). Today, 24 colleges and universities offer equestrian as a varsity sport, and more continue to add the program each year.

The competition format is a head-to-head, where a rider from each team competes on the same horse. The rider earning the highest score on that particular horse wins the point for her team. At the end of the competition, the team with the most points wins. The horse and rider match-up is determined by a random draw. Prior to their competition riders are given a four minute warm-up (five minutes for Reining) to familiarize themselves with the horse and to prepare for their competition rides. This competition format ensures a level playing field between riders and to allows each rider the same opportunity on the same horse. There is only one elite level of competition among the four events.

The National Collegiate Equestrian Association (formerly Varsity Equestrian) was created to advance the sport of equestrian from emerging to championship status with the NCAA by promoting the benefits of equestrian to potential institutions, riders, parents, horse industry professionals and sponsors while developing the rules and format of competition.

Many people within the horse industry have united together to advance the sport of Equestrian to full NCAA championship status. In order to attain this goal and hold a NCAA sponsored Equestrian National Championship, there must be 40 Division I/II schools that sponsor Equestrian at their institution.

The National Collegiate Equestrian Association Championship (NCEAC) is currently held in Waco, Texas. Twelve hunt seat and 12 western teams are invited to compete. The NCEA Selection Committee invites these teams based on their win/loss record throughout the season. The NCEAC is made possible with the help of its generous sponsors, volunteers and donors. The NCEA also extends its gratitude to the many horse trainers that provide competition horses, tack and horse transport. Two nationally recognized and carded judges in both hunter seat and western travel to Texas to judge the four days of competition. More than 200 student-athletes from across the country compete at the Championships.

KEY TERMS IN EQUESTRIAN

NCEA MEET FORMAT & SCORING

CROP

A short whip used in riding, only as an aid to reinforce the rider's leg.

DIAGONALS

The correct posting, up/down motion, of the rider in sequence with diagonal movement of the horse's legs at the trot.

EQUITATION / HORSEMANSHIP

In competitions, these indicate that riders are being judged on their ability to control and show the horse while maintaining the correct riding position. Riders have the added challenge of riding an unfamiliar horse, that they draw for in a lottery system prior to the event.

EQUITATION OVER FENCES

An individual performance in which each rider shows a horse over eight to 10 jumps, approximately three feet high. Riders are judged on their ability to position the horse correctly at the jumps and while avoiding interference with the horse's balance. Riders must maintain the correct riding position and produce a smooth, polished performance.

FIGURE EIGHT

Two circles connected by a change of direction, most often seen in Reining patterns.

GAIT

Three ways — canter/lope, trot/jog, or walk — by which a horse can move by lifting the feet in different order or rhythm.

HORSEMANSHIP

An event in western discipline which is judged on a predetermined pattern consisting of several maneuvers performed by each rider. Major factors in scoring include the rider's overall position and effectiveness in the saddle.

HUNT SEAT

The category of equitation English riders compete. Its foundation lies in jumping and riding across country, such as foxhunting.

LEADS

They are determined at the canter/lope and led by the front foot. Correct leads have the inside foreleg reaching furthest.

NATURAL AIDS

Body signals from the seat, legs, hands and voice to communicate commands to the horse, all the while appearing comfortable, relaxed and balanced. These signals should be subtle or imperceptible to the judge, and spectators and exaggerated shifting of the rider's weight is not desirable. The methods used by the rider to obtain the desired performance of the horse is weighed heavier than the horse's performance itself.

REINING

In this class, western riders perform an individual, pre-assigned pattern from memory. Reining demonstrates a variety of stops, turns and maneuvers at various speeds. This class emphasizes precision, technical application of natural aids and the rider's ability to show unfamiliar horses.

DUAL-MEET FORMAT

The National Collegiate Athletic Association (NCAA) classifies equestrian as an "emerging" sport. Until 2003, all collegiate equestrian shows were conducted under the auspices of the Inter-collegiate Horse Show Association (IHSA). UGA's riders transitioned from that format to the 2003-04 season. Since then, the Bulldogs have competed in the dual-meet format governed by proposed NCAA rules set forth in the biannual equestrian coaches meetings hosted by the United States of America Equestrian Federation.

Teams compete in four events at each dual meet: English Equitation Over Fences, English Equitation, Western Horsemanship and Western Reining. In each event, a minimum of four athletes from each team ride head-to-head on the same set of horses, which are provided by the host school. Riders are assigned to horses through a random draw and face the challenge of riding an unfamiliar horse after a brief warm-up period. Riders earn a point is when their scores are higher than their opponent's riding the same horse.

GENERAL SCORING

Hunter Seat riders are scored on a scale of 1-100. Riders can reach a total of 100 points per ride, with nine maneuvers each worth 10 points, plus an overall score worth 10 points. Maneuvers are scored on the following scale: 10=Excellent; 9=Very Good; 8=Good; 7=Fairly Good; 6=Satisfactory; 5=Sufficient; 4=Insufficient; 3=Fairly Bad; 2=Bad; 1=Very Bad; 0=Not Executed. Scores usually range from 70-85, depending on the judge. Western riders are scored on a 70-point scale. There are a minimum of eight maneuvers which are scored on the following scale: +1.5=Excellent, +1=Very Good, +.5=Good, 0=Correct, -.5=Poor, -1=Very Poor, -1.5=Extremely Poor. Scores range from 68 to 74. Horsemanship and English Equitation riders are judged on their ability to control and show the horse while maintaining the correct riding position. Riders in Equitation Over Fences

are judged on their ability to position the horse correctly without interfering with its balance while maintaining the correct riding position for a smooth, polished performance. Reiners are judged for precision and application of natural aids as they execute intricate maneuvers at varying speeds.

ENGLISH EQUITATION OVER FENCES

Each rider jumps the same predetermined course, usually consisting of eight to 10 jumps that are approximately three-feet high. Judges score the rider's position, consistency of pace and accuracy of leads, and turns and distances executed to produce the desired performance.

ENGLISH EQUITATION ON THE FLAT

A pattern consisting of nine maneuvers is performed within a rectangular-shaped arena marked by letters. Maneuvers are used at specific letters and include circles, transitions and serpentines, among others. The judge is looks at the rider's position and effectiveness when guiding her horse through the individual maneuvers.

WESTERN HORSEMANSHIP

A predetermined pattern consisting of several maneuvers performed by each rider. Consideration for scoring is based on the quality of those maneuvers, including pivots, stops, backs and circles, extensions at all gaits and consistency of pace. The rider's overall position and effectiveness in the saddle are also major factors.

WESTERN REINING

In this event, each rider rides the same preassigned pattern from memory, performing such maneuvers as spins, sliding stops, rollbacks and circles. The circles are either large and fast or small and slow. Scoring is based on accuracy and correctness of maneuvers, correct speed for the maneuver being performed, the horse's willingness to be guided, and the overall quality of the Reining pattern.

ROLLBACK

A tight performed between two fences in the Equitation Over Fences class to show control of the horse and rider's ability to maintain a position throughout a turn. In Western Reining, a rollback is a 180 degree pivot with speed after a halt.

WARM-UPS

Practice time before the classes, normally four to five minutes. The horses will be schooled, or prepared for competition using stretching and suppling exercises at various gaits, or practice jumps if necessary by riders who will not compete the day of the show.

SLIDING STOP

A smooth stop from the lope, in which the horse should balance on its back feet while still moving its front feet.

ABOUT SEC EQUESTRIAN

The Southeastern Conference (SEC) adopted the sport of equestrian during the 2012-13 academic year. The four programs that currently comprise the SEC have a rich history of elite success in the sport.

Since the National Collegiate Equestrian Association (NCEA) began contesting a national championship in 2002, the only four programs to win a national championship include the four members of the SEC: Auburn, Georgia, South Carolina and Texas A&M. The annual NCEA Championship is held in Waco, Texas, each year.

Georgia has tallied a league-leading six overall national championships, including three consecutive from 2008-10 and most recently in 2014. Auburn and South Carolina both have three national titles, while Texas A&M each has two overall national titles.

The three schools of the formerly 12-member SEC have been contesting a yearly Southern Equestrian Championship since 2003, which in 2012-13 was replaced by the first-ever SEC Championship, involving all four schools.

The Southern Equestrian Championships were held on campus sites on a rotating basis. Georgia won a league-leading six Southern Equestrian Championship titles, while Auburn captured three and South Carolina one.

The first-ever SEC equestrian meet was held on September 9, 2012 when Georgia hosted Texas A&M in Bishop, Ga. In March of 2013, the first-ever SEC Championship in the sport of equestrian was held in Auburn, Ala., with South Carolina taking home the inaugural trophy.
