JERE W. MOREHEAD
UNIVERSITY PRESIDENT

President Jere W. Morehead began his tenure as the 22nd University of Georgia President on July 1, 2013. Under his leadership, the University has risen in the rankings of the best public colleges and universities and completed a series of initiatives to enhance student learning and success, including a requirement for experiential learning for all undergraduates.

Additionally, the University completed the most successful capital campaign in its history, raising more than \$1.4 billion, and launched an Innovation District initiative to create UGA's campus of the future, where students and faculty partner with industry to generate ideas and solutions to continue the University's role as a powerful driver of economic development in Georgia. Since 2013, UGA has increased its research expenditures by 41% and has been ranked among the top five universities in the U.S. each year for research-based products reaching the marketplace. UGA now stands first nationally in this important ranking.

In keeping with his focus on student success, President Morehead launched the ALL Georgia Program to support students from rural areas and created the Double Dawgs program, which enables students to save time and money by earning an undergraduate and graduate degree in five years or less. UGA graduates are in demand: 91% of graduates in 2020 were employed or in graduate school within six months of graduation.

President Morehead has served the University of Georgia since 1986 in both faculty and administrative roles. Before becoming President, he was Senior Vice President for Academic Affairs and Provost from 2010 to 2013. Prior to 2010, he held several key administrative posts, including Vice President for Instruction, Vice Provost for Academic Affairs, Associate Provost and Director of the Honors Program, and acting Executive Director of Legal Affairs.

He is the Meigs Professor of Legal Studies in the Terry College of Business, where he has held a faculty appointment since 1986. He is a co-author of several books and book chapters, including *The Legal and Regulatory Environment of Business*, and he has published scholarly articles on legal topics ranging from export control to jury selection. He has served as Editor-in-Chief of the *American Business Law Journal*.

His external service currently includes serving as President of the Southeastern Conference (SEC) and Chair of the SEC Executive Committee. He also serves as Chair of the National Collegiate Athletic Association (NCAA) Division I Board of Directors, a member of the NCAA Division I Administrative Committee, and a member of the NCAA Board of Governors. He is Co-Chair of the University Leadership Forum, a national initiative led by the Council on Competitiveness to expand the role of American higher education in the global innovation economy. Additional service includes membership on the boards of the Georgia Chamber of Commerce, Metro Atlanta Chamber of Commerce, Georgia Research Alliance, University System of Georgia Foundation, Atlanta Regional Council for Higher Education, and Emory University Candler School of Theology.

President Morehead has received several University-wide teaching awards, including the Josiah Meigs Award – UGA's highest honor for teaching excellence – the Richard B. Russell Award for Excellence in Undergraduate Teaching, the Teacher of the Year Award in the Terry College of Business, and the Lothar Tresp Outstanding Honors Professor Award. In 2021, he received the Chief Executive Leadership Award from the Council for the Advancement and Support of Education District III for outstanding leadership and service in support of education.

He holds a bachelor's degree from Georgia State University and a law degree from the University of Georgia.

JOSH BROOKS
J. REID PARKER DIRECTOR OF ATHLETICS

Josh Brooks was named J. Reid Parker Director of Athletics Jan. 6, 2021, after serving 11 years at UGA most recently as Interim Director of Athletics and Senior Deputy Director of Athletics.

Brooks returned to UGA in 2016 as Executive Associate Director of Athletics after serving as Deputy Athletics Director at the University of Louisiana Monroe from 2015-16 and Director of Athletics at Millsaps College from 2014-15.

Prior to his tenures at Millsaps and ULM, he had served in capacities at UGA as Director of Football Operations (2008-11) and Assistant and Associate Athletic Director for Internal Operations (2012-14).

On January 20, 2021, Brooks pledged \$100,000 to create a need-based scholarship that will support UGA students from Athens-Clarke County. His gift will create a Georgia Commitment Scholarship (GCS), adding to the more than 550 endowed, need-based scholarships created under the GCS program since its launch in January 2017.

During his time at UGA, Brooks worked closely with former Director of Athletics Greg McGarity overseeing internal and external for all athletic operations. He has served as the liaison with the Office of University Architects office on all athletic construction projects and with several campus departments as well as the president's office. His responsibilities at UGA have included overseeing the departments of facility support, graphics and design, and turf management.

He has been involved in the scheduling of future football games as well as overseeing bowl game operations. In addition, his responsibilities included assisting with the development and management of facilities, new construction projects for the Athletic Association, and planning the 2013 Jason Aldean Concert in Sanford Stadium. Brooks has also served as the sport facilitator for football and men's and women's track and field and cross country.

During his time at Millsaps, Brooks revamped the Major game-day experience. He created the kid's zone, specialized concessions, and partnerships with youth sports leagues. Partnerships with the Jackson Public Schools, the Jackson Zoo, the National Guard and the Boy and Girl Scouts of America added to game days. This enhanced experience helped Brooks solicit over \$100K in sponsorship opportunities. Brooks also established a department-wide fundraising campaign that led to a 150 percent increase in Major-Club donations. Capping off this fundraising campaign was the creation of a standalone Hall of Fame event at the Capital Club and the Mary Ann Edge Golf Tournament held at Patrick Farms golf course.

The Majors also saw great athletic success in Brooks' first year. The Majors enjoyed two SAA regular season championships, captured by the men's soccer team and the women's basketball team. The Millsaps' baseball team also earned a trip to the West Regional tournament. The student-athletes also shined in the classroom in Brooks' first year. Millsaps' student-athletes had an overall grade-point-average of 3.0 in the 2014-15 academic year. Over 130 Majors' earned Academic All-Conference honors.

Brooks also served as director of football operations at the University of Louisiana-Monroe beginning in 2004, and in 2007 ULM became bowl eligible for the first time in school history after beating Alabama. Brooks gained experience as a student at Louisiana State University, working as an equipment manager and a student assistant coach. During his four years at LSU, the Tigers participated in the 2000 Peach Bowl, 2002 Sugar Bowl, and won the 2001 Southeastern Conference championship.

A native of Hammond, La., he graduated from LSU ('02) with a degree in Kinesiology and completed his Master's degree in Sport Management from The University of Georgia ('14). He and his wife, Lillie, have twin sons, Jackson and James, born in July of 2009 and a third son, Davis, born in March of 2012.

20 YEARS OF GLORY

Twenty years ago, Georgia launched a new sport: equestrian. For the first time, there would be Bulldogs on horses. Seven national championships have followed.

Picked in October 2001 to lead this program was a 24-year-old coach at Texas A&M, which had just started its own equestrian team two years before. Driven, determined and detail-oriented, Meghan Boenig turned out to be the perfect person for the job.

"Everything that we thought about her has come true," said Hoke Wilder, who worked for the UGA Athletic Association for more than 15 years and was actively involved in the start of the program and the search for its head coach.

After attending Berry College, in Rome, Ga., Boenig went to graduate school at Texas A&M. She planned to get a Master's degree in Equine Exercise Physiology.

"I thought I was going to be a professor," she said.

Instead, when the Aggies started their equestrian program, she was asked to be one of the coaches, along with Tara McKay, who is still leading the A&M program.

"It totally changed my path," Boenig said.

When Georgia announced that it was starting an equestrian program, Boenig, a native of Powder Springs, Ga., applied for the job. She had also been recommended for it, Wilder said.

Vince Dooley was Georgia's Director of Athletics when the equestrian program was added. Boenig remembers making sure to wear the perfect shade of red for her interview, and she remembers that Dooley commented on how young she was.

"And I said, 'But if I can do this well, Coach, I can be awfully good for an awfully long time.' I felt like I just had to lay it all out there," Boenig said. "This was my chance to be at this program, and it all paid off. And I'm always so grateful for that opportunity."

When the Bulldogs open their season at Auburn on Oct. 8, they will be starting the 20th season in program history. From humble beginnings, Boenig has built a collegiate equestrian powerhouse. Last spring, the Bulldogs won their seventh national championship.

Of the 18 seasons Georgia has completed (2020 was canceled before the SEC and National Collegiate Equestrian Association championships because of the coronavirus pandemic), seven have ended with the Bulldogs No. 1, including the program's first varsity season, in 2003.

The NCEA currently consists of 26 schools that have equestrian programs, 20 of them Division I schools. The programs stretch from coast to coast, from the College of Charleston (S.C.) to Fresno State in California. The four SEC schools with equestrian programs are Georgia, South Carolina, Auburn and Texas A&M, and the overall NCEA national champion has been one of those four since the first one (Texas A&M) was crowned in 2002.

Georgia leads all programs with seven national titles, including in 2021. Auburn is second with six and Texas A&M and South Carolina both have won three each.

Before that inaugural varsity season, Georgia competed at the NCEA championships and won the Hunter seat competition. That squad was comprised of riders who had competed for the club team at UGA. It was the start of something special.

Collins Daye was a rider at the start of the program. She had been competing for many years and had loads of experience, but two things that were new to her were being part of a team and working with a strength and conditioning coach.

In the beginning, Georgia was having to figure out some things as they went along, including how best to train the equestrian riders' bodies. Daye remembers doing a lot more strength work than she'd ever done before.

"I came home and my mother told me I looked like a linebacker," Daye said with a laugh.

Outside of collegiate equestrian, the sport is essentially an individual one, with riders all competing against one another. In the NCEA, with its unique format that Boenig helped create along with coaches at early programs like Texas A&M, Auburn and South Carolina, the sport is all about head-to-head competition, with one rider from a school going up against a rider from the opponent, like in collegiate tennis.

"What was super cool about that experience was we were all working together as a team," Daye said. "That was so unique in the context of our sport, and I think it really touched people and really brought people together."

Twenty years after being hired to build a Georgia equestrian program from scratch, Boenig's office has gone from a room in Stegeman Coliseum to a corner office in the program's beautiful \$3.1 million, 7,000-square foot Clubhouse on Georgia's 109-acre farm in Bishop, about 12 miles from campus.

Twenty years after being hired to start the program, Boenig is the most successful coach in her sport. When asked if early on she ever had a moment when she knew this was going to work, Boenig gave an answer that went a long way toward explaining her and her program's success.

"I don't know that I ever even thought of those things," she said. "It was so much just, head down and work. Keep setting goals within your headlights, knowing where you want to get to, and you just go to work and take care of business. That's always what we have done and continue to do.

"You know that if you prep these things right, the success will come afterwards."

During her time with the Bulldogs, Boenig has led the program to unprecedented heights including six National Titles, six Southern Equestrian Championships, seven reserve championships, three Southeastern Conference titles, and a 67-6 dual-meet regular season record at home. Boenig also helped lead the charge of restructuring Varsity Equestrian to the National Collegiate Equestrian Association in the fall of 2011.

During the 2020-21 season, Boenig led the Georgia equestrian team to the program's seventh National Championship. The team's accomplishments earned her NCEA Coach of the Year recognition. After finishing a conference-only regular season with a 3-3 dual-meet record, the Georgia equestrian team earned a second-place finish at the Southeastern Conference Championship. Under Boenig, five riders were named to the All-SEC teams, five freshmen were selected to the SEC All-Freshman team and Jordan Toering was named the SEC Freshman Fences Rider of the Year. Under her guidance, three riders landed spots on NCEA All-American teams, while 13 earned a place as NCEA Academic All-Americans and another 27 were named to the NCEA Academic Honor Roll. Before the 2019-20 season ended abruptly due to COVID-19, the Bulldogs went 6-6 in regular season action, finishing the season ranked sixth overall. In the final event rankings, the reigning Fences national champions finished this year ranked third and defeated all Southeastern Conference opponents. The Flat squad finished sixth with eight wins. On the Western side, Horsemanship checked in at No. 8 and Reining ranked tenth.

Five Bulldogs received All-America recognition from the NCEA. Senior Ali Tritschler named to the second team for both Flat and Fences, while junior Jordan Carpenter was tabbed to the second team for Reining. Sophomore Sara Lewis (Horsemanship), senior Grace Bridges (Flat), and junior Hayley Mairano (Flat) were all given Honorable Mention for their respective disciplines. Additionally, Tritschler garnered All-SEC awards for both Fences and Flat, while senior Bridges was recognized for Flat. Carpenter received the honors for Reining.

Under Boenig's direction in 2018-19, the Georgia equestrian team finished as the National Collegiate Equestrian Association (NCEA) Reserve National Champions and claimed four out of seven event national titles to complete the season. Georgia won national titles in Horsemanship, Reining and Equitation Over Fences at the 2019 NCEA Championship. The Bulldogs were also crowned overall Western discipline champions.

It was the program's first ever-SEC title since the sport was adopted by the conference in 2013. At the SEC championship, Boenig had two riders named to the SEC All-Championship team. The Bulldogs then rode to a reserve championship finish at the 2015 NCEA National Championship after posting a 9-4 record in the regular season. Under Boenig, Georgia put eleven riders on All-SEC teams and claimed six of a possible eight SEC Rider of the Year honors. Boenig also had seven riders earn NCEA All-America honors and 13 named to NCEA Academic All-America Teams. At the national championship, Boenig saw two riders earn Most Outstanding Player awards and three riders named to the NCEA All-Championship team.

During the 2013-14 season, Boenig led the Georgia equestrian team to the program's sixth National Championship. After finishing the regular season with a 9-3 dual-meet record, the Georgia equestrian team earned a second-place finish at the Southeastern Conference Championship. Under Boenig, seven riders were named to the All-SEC teams, two freshmen selected to the SEC All-Freshman team and two riders were named as the SEC Riders of the Year. Under her guidance, six riders landed seven spots on NCEA All-American teams, while 12 earned a place as NCEA Academic All-Americans and another 19 were named to the NCEA Academic Honor Roll. Boenig also saw two riders crowned as the Most Valuable Players of the NCEA Championship, as well as three riders named to the NCEA All-Championship team.

Boenig is a 1999 graduate of Berry College where she earned her Bachelor's Degree in Biology. Prior to her arrival at Georgia in October of 2001, she spent two years as an assistant coach at Texas A&M during which time she also earned a Master's Degree in Animal Science.

Her two seasons at Texas A&M were deciding factors in her hiring as the Bulldogs' inaugural head coach. Georgia sought a coach with the knowledge of working hand-in-hand with a university's Animal Science community in forging a new equestrian team, something the Aggies had enjoyed during her tenure there.

A native of Powder Springs, Ga., the former Meghan Nolan is married to Markus Boenig. They are proud parents of two sons, Josef and Mathew.

ANNA BECKER

ASSISTANT JUMPING SEAT COACH - 4TH SEASON

Anna Becker was named assistant coach for the Georgia equestrian team in June 2018. She is primarily responsible for coaching the Equitation Over Fences squad as well as recruiting for the English discipline.

During the 2020-21 season, Becker assisted the team to the program's seventh National Championship. The team's accomplishments, and specifically her Fences squad, earned her NCEA Jumping Seat Coach of the Year recognition. After finishing a conference-only regular season with a 3-3 dual-meet record, the Georgia equestrian team earned a second-place finish at the Southeastern Conference Championship. Under her direction, Jordan Toering was named the SEC Freshman Fences Rider of the Year. Senior Hayley Mairano was recognized with All-SEC honors for Fences. Both Toering and Emma Reichow were named to the SEC All-Freshman Team for Fences. Additionally, Becker coached Mairano to NCEA All-America Honorable Mention honors and saw two of her riders take home NCEA All-Championship team awards.

Before the 2019-20 season ended abruptly due to COVID-19, Becker assisted the Bulldogs to a 6-6 record in regular season action during her second year with the team. In the final event rankings, the reigning Fences national champions finished ranked third and defeated all Southeastern Conference opponents.

Under Becker's direction senior Ali Tritschler earned NCEA All-America honors and was named to the All-SEC Team for Fences.

In her first year with the Bulldogs, the Equitation Over Fences group claimed the 2019 NCEA National Title. Maddy Darst earned NCEA Ariat Second-Team All-America honors for Equitation Over Fences and Honorable Mention for Equitation on the Flat and All-SEC accolades in both Hunter Seat events. Ali Tritschler (Flat- October) and Haley Mairano (Fences- January) earned the NCEA Rider of the Month awards during the season.

Becker came to Georgia after being a Hunt Seat coach at Kansas State from 2013-2015. She helped coach the team to back-to-back undefeated records at home as well as a Big 12 Reserve Champion finish in 2015. She has coached several riders to All-Big 12, Big 12 Rider of the Year, and NCEA All-America recognitions.

A collegiate rider herself, Becker contributed to two SEC Championships, two Hunt Seat National Championships, and two team National Championships at Auburn University from 2010-2013. She graduated Cum Laude with a degree in marketing.

Prior to college, Becker trained with Julie Becker, Michael Dowling, Stacia Madden/Beacon Hill, and Emil Spadone/Redfield Farm as a junior. She has top finishes at USEF Medal Finals, ASPCA Maclay Finals, USET Finals, and the Equitation Championship at Capital Challenge, including a third place finish at the 2008 USET Finals East in the Gymnastics Phase and a third place finish at the Marshall and Sterling Finals in 2007.

Most recently, Becker has worked for the Washington International Horse Show as an Operations Manager in Washington, D.C. and received a master's degree in Sports Business from NYU.

MCKENZIE LANTZ

ASSISTANT WESTERN COACH - 1ST SEASON

Georgia alumni McKenzie Lantz Breker joined the coaching staff as Western Assistant Coach in June 2021.

After finishing the most successful reining rider career in Georgia history, Lantz Breker began her coaching career as a Volunteer Assistant for the Bulldogs in 2015. She then moved on to Fresno State and SMU before coming back to coach at her alma mater. While away she helped grow both the Fresno State and SMU programs to prevalence, including being named the National Collegiate Equestrian Association Western Assistant Coach of the Year following SMU's first-ever national championship finals appearance and Reserve National Champion finish in 2021.

In her four seasons at SMU, Lantz Breker helped coach the Mustangs to the program's first-ever United Equestrian Conference championship in 2018 and then again in 2019 and 2021. The horsemanship and reining squads had their best seasons in history during her first year at the helm. Her rider was the first at SMU to be recognized as an NCEA First Team All-America and be named NCEA Reining Rider of the Year. The following season, Lantz Breker's reining squad advanced to the event finals at the NCEA National Championship. After COVID-19 cut seasons short, Lantz Breker's squads ranked second for horsemanship and third in reining to finish the year. Rounding out her time at SMU in 2020-21, Lantz Breker added two more NCEA Riders of the Year to her repertoire.

As a Bulldog, Lantz was a two-time NCEA All-American and SEC Rider of the Year. She has numerous All-SEC nods as well as NCEA and SEC Rider of the Month recognitions. As a team captain, she shined in the classroom with many selections to the UGA, SEC, and NCEA honor rolls as well as NCEA All-Academic recognition on top of being named a two-time UGA Western Most Valuable Player and a National Reining Horse Association (NRHA) Futurity Finalist. Lantz Breker was appointed to the Non-Pro National Reining Horses Association committee and has established beneficial contacts in both the NRHA and American Quarter Horse Association.

The daughter of respected reining trainers from Michigan, Lantz Breker is married to Chris Breker. The couple welcomed a son, Riggins Matthew Breker, in February 2021.

AMBER BRADLEY

BARN MANAGER - 16TH SEASON

Amber Bradley joined the UGA Equestrian program in 2006 as farm manager. She is responsible for overseeing the care of the program's 50-plus horses, as well as all facilities used by the Equestrian team.

A native of Pauline, S.C., Bradley has enjoyed a lifelong association with horses. She grew up on a 124-acre horse farm and first began showing Hunters & Jumpers at the age of five. By age 15, she managed her family's farm.

In 2002, Bradley moved to Georgia, and began attending college at Athens Tech. While in school she managed a 300-acre horse farm and supervised three community living facilities. Bradley She was also a member of the Cowboy Mounted Shooting Association, from which she won several division titles, two state crowns and the Southeast regional championship.

Bradley and her husband Andrew -- who won the team's "Mane Dawg" award in 2008 for extraordinary service to the program -- are the parents of two children, son James Audie and daughter Agnes.

NCEA HISTORY

In 1998, Equestrian was identified and adopted by the National Collegiate Athletic Association (NCAA) and the Committee on Women's Athletics (CWA) as an emerging sport for women at the Division I and II levels. Currently, there are 16 Division I and four Division II programs sponsoring equestrian.

The National Collegiate Equestrian Association (NCEA), a non-profit corporation, was created as a governing body to advance the sport of equestrian. The NCEA is responsible for the development and administration of equestrian rules and guidelines. Equestrian is subject to all NCAA policies and procedures in the same manner as other sports.

The NCEA developed sub-committees for areas critical to the advancement of equestrian. These sub-committees consist of coaches and administrators from member institutions. Coaches and administrators are invited to serve on any of the various NCEA Committees of their choice. The committees include but are not limited to: Membership Services, Competition, Strategic Communications, Sponsorship, Selection, and Championship. Each committee is charged with helping to progress equestrian to championship sport status within the NCAA. Additionally, liaisons from the United States Equestrian Federation (USEF) and the American Quarter Horse Association (AQHA) interact with and provide input to these committees and the NCEA Executive Committee.

Part of the NCEA's structure includes a National Advisory Board (NAB) comprised of corporate leaders, philanthropists, and equine industry experts. The goal of the NAB is to develop the financial support to make Equestrian the first financially-independent non-revenue generating collegiate sport. NAB efforts have shown early success in the form of grants to help sustain current NCEA teams, as well as providing financial strategies for the development of new Equestrian teams across the nation.

MISSION

The NCEA, in concert with the mission and vision of the NCAA, is committed to providing collegiate opportunities for female equestrian student-athletes to compete at the highest level, while embracing equity, diversity and promoting academic and competitive excellence.

VISION

To be recognized globally as the premier level of competition for elite female collegiate equestrian student-athletes.

KEY TERMS IN EQUESTRIAN

NCEA MEET FORMAT & SCORING

CROP

A short whip used in riding, only as an aid to reinforce the rider's leg.

DIAGONALS

The correct posting, up/down motion, of the rider in sequence with diagonal movement of the horse's legs at the trot.

EQUITATION / HORSEMANSHIP

In competitions, these indicate that riders are being judged on their ability to control and show the horse while maintaining the correct riding position. Riders have the added challenge of riding an unfamiliar horse, one that they draw for in a lottery system just before their event.

FENCES

An individual performance where each rider shows a horse over 8-10 jumps up to three feet, six inches high. Riders are judged on their ability to position the horse correctly at the jumps and avoid interfering with the horse's balance, while maintaining the correct riding position and producing a smooth, polished performance.

FIGURE EIGHT

Two circles connected by a change of direction, most often seen in Reining patterns.

GAIT

Three ways — canter/lope, trot/jog, or walk — by which a horse can move by lifting the feet in different order or rhythm..

HORSEMANSHIP

Refers to an event in Western discipline which is judged on a predetermined pattern consisting of several maneuvers is performed by each rider. The rider's overall position and effectiveness in the saddle are major factors in scoring.

JUMPING SEAT

The category of Equitation English riders compete in, whose foundation lies in jumping and riding across country, such as foxhunting.

LEADS

They are determined at the canter/lope by which front foot is leading. Correct leads have the inside foreleg reaching furthest.

NATURAL AIDS

Body signals from the seat, legs, hands and voice to communicate commands to the horse, all the while appearing comfortable, relaxed and balanced. These signals should be subtle or imperceptible to the judge and spectators and exaggerated shifting of the rider's weight is not desirable. The resulting performance shown by the horse is not to be considered more important than the methods used by the rider in obtaining them.

REINING

In this class, Western riders perform an individual, pre-assigned pattern from memory, demonstrating a variety of stops, turns and maneuvers at various speeds. The emphasis on this class is on precision,

COMPETITION FORMAT

The National Collegiate Equestrian Association tests five riders from each team in head-to-head competitions. Five horses are selected for each event. Each rider is paired with one of the five horses in a random draw before the competition. The rider is able to watch the horse warm up and receives four minutes to practice on her assigned mount before competing. Riders from opposing teams compete on the same horse in the head-to-head competition. Each rider receives a score, and the rider with the highest score receives one point for her team. In NCEA competition, the level of difficulty is demonstrated by the accuracy of the pattern and how the competitor uses the horse that she draws to the best of her ability.

GENERAL SCORING

Jumping Seat riders are scored on a scale of 1-100. There are eight maneuvers each worth 10 points, plus an overall score worth 20 points, to total 100 possible points per ride. Maneuvers are scored on this scale: 10=Excellent; 9=Very Good; 8=Good; 7=Fairly Good; 6=Satisfactory; 5=Sufficient; 4=Insufficient; 3=Fairly Bad; 2=Bad; 1=Very Bad; 0=Not Executed. Scores usually range from 70-85, depending on the judge. Western riders are scored on a 70-point scale. There are a minimum of eight maneuvers which are scored on the following scale: +1.5=Excellent, +1=Very Good, +.5=Good, 0=Correct, -.5=Poor, -1=Very Poor, -1.5=Extremely Poor. Scores range from 68 to 74. Horsemanship and Jumping Seat riders are judged on their ability to control and show the horse while maintaining the correct riding position. Fences riders are judged on their ability to position the horse correctly and not interfere with its balance while maintaining the correct riding position for a smooth, polished performance. Reiners are judged for precision and application of natural aids as they execute intricate maneuvers at varying speeds.

technical application of natural aids and the rider's ability to show unfamiliar horses.

ROLLBACK

A tight turn performed in the Jumping Seat Fences class to show control of the horse and rider's ability to maintain a position between two fences. . In Western Reining, a rollback is a 180 degree pivot with speed after a halt.

SCHOOLING

The horses will be schooled, or prepared for competition using stretching and suppling exercises at various gaits, or practice jumps if necessary by riders who will not compete the day of the show.

SLIDING STOP

A smooth stop from the lope, in which the horse is supposed to balance on its back feet while the front feet continue to move.

JUMPING SEAT - FENCES

The judges evaluate the rider's position, consistency on course, smoothness, flow from jump to jump, the number of strides (steps taken by the horse) in a line and the rider's plan to complete the course. Scoring for the event is out of a perfect score of 100.

JUMPING SEAT - FLAT

The riders have to perform a flat test on their horses in a 40 x 20 meter arena. The test consists of eight movements to be judged on accuracy, smoothness and overall position of the rider. Each movement receives a score from 1-10. The ninth and tenth scores judges the position and seat of the rider and the correctness and effectiveness of her aids, and the overall accuracy of the test. The score is out of a perfect score of 100.

WESTERN- HORSEMANSHIP

This event is designed to evaluate the rider's ability to execute a prescribed set of maneuvers with precision and smoothness while maintaining a balanced, functional and fundamentally correct body position. The ideal horsemanship pattern consists of seven to nine maneuvers and is extremely precise with the rider and horse working in complete unison, executing each maneuver with subtle aids and cues. Exhibitors are scored for each sequence of maneuvers with a -1.5 to +1.5 score for each maneuver with a base score beginning at 70.

WESTERN - REINING

This event based on set patterns and a precise scoring system. Within these patterns the horses' and riders' athletic abilities are tested in a series of maneuvers including spins, stops, flying lead changes and circles with changes in size and speed. In collegiate competition, the rider must perform one of the set National Reining Horse Association (NRHA) patterns. There are a total of eight parts to a reining test with each individual maneuver judged from -1.5 to +1.5 with a base score beginning at 70.

ABOUT SEC EQUESTRIAN

The Southeastern Conference (SEC) adopted the sport of equestrian during the 2012-13 academic year. The four programs that currently comprise the SEC have a rich history of elite success in the sport.

Since the National Collegiate Equestrian Association (NCEA) began contesting a national championship in 2002, the only four programs to win a national championship include the four members of the SEC: Auburn, Georgia, South Carolina and Texas A&M. The annual NCEA Championship is held in Waco, Texas, each year.

Georgia has tallied a league-leading six overall national championships, including three consecutive from 2008-10 and most recently in 2014. Auburn and South Carolina both have three national titles, while Texas A&M each has two overall national titles.

The three schools of the formerly 12-member SEC have been contesting a yearly Southern Equestrian Championship since 2003, which in 2012-13 was replaced by the first-ever SEC Championship, involving all four schools.

The Southern Equestrian Championships were held on campus sites on a rotating basis. Georgia won a league-leading six Southern Equestrian Championship titles, while Auburn captured three and South Carolina one.

The first-ever SEC equestrian meet was held on September 9, 2012 when Georgia hosted Texas A&M in Bishop, Ga. In March of 2013, the first-ever SEC Championship in the sport of equestrian was held in Auburn, Ala., with South Carolina taking home the inaugural trophy.
