

GEORGIA STATE QUARTERBACK BEN MCLANE

(On playing in Neyland Stadium)

“It was definitely a big stage, packed house and everything. But once the game starts you’re playing, no matter if it’s 9,000 or 100,000 this is still just playing football.”

(On 4th quarter touchdown run with 58 seconds remaining)

“That was awesome. I didn’t know if I was going to get it at first. I was able to squeak it in there. Hopefully we can use it to get some momentum going into next week and rest of the year.”

(On fumble in 4th quarter)

“That was a touchdown too. Albert (Wilson) had him beat and the right part of my hand was slick, next thing you know I ain’t got it anymore. That really hurt.”

GEORGIA STATE WIDE RECEIVER ALBERT WILSON

(On how Georgia State played overall)

“I was really impressed with how our line held up, how our receivers played, and how our running backs played. I told them that if we have the same fight in us (from now on) that we’re going to have a great season.”

(On facing an FBS opponent)

“The whole team had an attitude that we were supposed to be here and win the game.”
