### A DYNAMIC DUO

The senior duo of **Lucas Santa Ana** and **Victor Valente** have led the Georgia State men's tennis program on a dramatic turnaround since their arrival on campus in 2010. The two have been a part of GSU's best three-year run in school history and have accounted for a 67-27 team record across their four seasons of play.

These two seniors have made history twice this year together. First the two earned the highest-ranked doubles win in school history when they upset the No. 3-ranked Juan Spir and Vikram Hundal of Georgia Tech on Feb. 28. Then the two jumped to No. 38 in the ITA National Doubles rankings following the win. This marked the first time since the 2006 season that a Georgia State men's tennis doubles team owned a national ranking.

Both native Brazilians have also viewed their academics and civic involvement as just as important as their play on the court. By volunteering at local churches and maintaining nearly 4.0 grade point averages each, these two have been model representatives of the Georgia State men's tennis program and will for years to come.
