Sackville School

HOW HE GOT HERE

With a Golfstat ranking of 50 and Golfweek ranking of 81, along with three wins and a runner-up finish, Jonathan Grey was a lock to earn an NCAA Regional bid and is the No. 1 seed in Baton Rouge this week.

Grey won his first two collegiate events, the Mason Rudolph Championship and the Brickyard Collegiate, before adding a third title at the Mission Inn Spring Spectacular in the spring.

He finished the year with a second place finish at the Old Waverly Championship before finishing fourth at the Sun Belt Conference Championship.

His 72.20 scoring average is the sixth lowest in a single-season in school history and his five top five finishes are currently tied for the fourth most in program history. Grey has also finished in the top 10 six times, tied for fifth most in a single-season in school history. He has shot par or better in 19 of 35 rounds this season, tied for the fifth most in program history.

In 12 tournaments this year, Grey finished outside of the top 20 just once.

HONORS AND RECOGNITIONS

Grey earned Sun Belt Conference Freshman of the Year and earned Sun Belt All-Conference First Team honors this year. Following a fourth place finish at the Sun Belt Conference Championship, earned all-tournament team honors. He also earned Sun Belt Golfer of the Month honors in both October and March.

GEORGIA STATE IN THE NCAA REGIONALS

This will mark the 12th time in the last 15 years that Georgia State is represented in the NCAA Regionals. Ten times the Panthers have made it as a team during that stretch and this will mark the second time with an individual, the last occurring in 2010 when Tom Sherreard qualified.

Georgia State has made it to the NCAA National Championships four times, most recently in 2007 as a team and 2008 when Joel Sjöholm made it as an individual on his way to All-America First Team honors.
