Traveling trophy

Victory Bell: with Upper Iowa, established in 1949
Battle Axe: with Luther, established in 1955

Bell: It was originally donated by the Oelwein Chamber of Commerce when the game was held in that city, located midway between Waverly and Fayette. The Bell was taken from a Chicago Great Western

Railroad locomotive. Though only three games were played in Oelwein, the Bell has continued as a tradition and may be rung by the school holding it to signal each hoe athletic victory.
