## TEAM NOTES

### FALCONS AMONG ELITE ACADEMICALLY

The Air Force football team has established itself among the nation's elite academically. The Falcons ranked fifth nationally in Academic Progress Rate (APR) in 2021 with a score with a 994, according to the NCAA's latest multiyear NCAA Division I scores. This season marks the 10th straight year in the top 10. Air Force led the nation in 2019 with a 997 and was second in 2018 with a 993.

The NCAA announcement is part of the overall Division I academic reform effort and is intended to highlight teams that demonstrate a commitment to academic progress and retention of student-athletes by achieving the top APRs within their respective sports. The APR provides a real-time look at a team's academic success each semester by tracking the academic progress of each student-athlete on scholarship (recruited and on varsity roster for non-scholarship schools). The APR accounts for eligibility, retention and graduation and provides a measure of each team's academic performance.

### LOCKHEED MARTIN COMMANDERS' CLASSIC VS. ARMY

The Lockheed Martin Commanders' Classic between Air Force and Army in 2021 was the first college football game at Globe Life Field. The two-year agreement continues this season with Air Force and Army playing November 5, 2022. Army won last year's game, 21-14, in overtime. The Texas Rangers will host and operate the games with marketing assistance from Dallas-based LST Marketing.

Globe Life Field is the home of Major League Baseball's Texas Rangers, which played 30 games in the park without fans in the abbreviated 2020 season. The facility then hosted 16 MLB neutral site postseason games in the National League Division (3) and Championship (7) Series and the World Series (6). Games in the final two playoff rounds were played in front of approximately 11,500 fans per game, the maximum capacity allowed by MLB.

Designed with a retractable roof to be a premier multipurpose sports and entertainment venue, Globe Life Field was the home of more than 60 high school graduations in May and June and most recently hosted the 10-night Wrangler National Finals Rodeo from December 3-12 with sellout crowds of 14,500 per performance.

The Globe Life Field seating capacity for the Lockheed Martin Commanders' Classic is expected to approximate the 40,518 figure for baseball. The 1.8 million square foot facility includes sports lighting as well as broadcast locations that are specific to football.

"We would like to thank [Director of Athletics] Nathan Pine and the staff at the Air Force Academy for the opportunity to host the Air Force Falcons and Army Black Knights at Empower Field at Mile High," Sr. Director of Events & Booking Jon Applegate said. "Our stadium, along with the Denver Sports Commission, look forward to hosting fans & service members from Colorado Springs and across the country for this celebrated matchup."

"We are looking forward to partnering with the Denver Broncos to host the Air Force vs. Army game next season," Air Force Director of Athletics Nathan Pine said. "Construction on our east side renovation project will not allow us to showcase the service academy rivalry game in Falcon Stadium the way we want to. While the end result at Falcon Stadium will be well worth it, hosting the game at Empower Field in 2023 and working closely with the Broncos staff will create a memorable experience for our players and our fans and will keep the important advantage of playing this game in Colorado."

Tickets to the Air Force vs. Army game at Empower Field at Mile High will go on sale February 2023. All Air Force football season ticket holders will receive tickets to the game included in their 2023 season ticket purchase. ### AIR FORCE HAS THREE NAMED TO ALL-MW PRESEASON TEAM

Air Force senior fullback Brad Roberts, senior offensive lineman Isaac Cochran and senior linebacker Vince Sanford were all named to the preseason all-Mountain West football team.

Roberts is the top returning rushing in the Mountain West and among the top nationally. Roberts rushed for 1,352 yards last season, an average of 104.0 per game. He ranks 14th nationally in yards per game and 12th in rushing yards among returning players.

Air Force was the lone team to average 300-plus yards last season and won the national title by 47.1 yards per game. The offensive line became the first FBS team in history to earn finalist honors for the Joe Moore Award, given annually to the top offensive line in the nation.

Sanford was among the most disruptive players in the nation last season. He finished fourth on the team in tackles with 59. He ranked fourth in the MW and 17th nationally in sacks and fourth in the conference and 23rd nationally in tackles for loss.

## THE DIESEL

Air Force's offensive line has taken on a new identity the last few years. The group calls itself the Diesel, which represents an attitude of toughness and a willingness to block regardless of position. The players purchase hats with a diesel pump handle on it and hands them out to the members of the line. The linemen also hand them out a select few position players that they feel shares their attitude. The Diesel has powered the Air Force rushing attack to back-to-back national rushing titles in 2020-21. Last season, the group became the first FBS non-power five unit to be a finalist for the Joe Moore Award as the nation's top offensive line.

- The Diesel has paved the way for the Falcons to lead the nation in rushing with a 352.2 average. The Diesel has allowed .67 sacks per game which leads the MW and ranks fifth nationally. The Falcons rank first in the MW and third nationally in time of possession with a 35:31 mark.
- The Diesel was impressive in the season opener vs. Northern Iowa, paving the way to 691 total yards and 582 yards on the ground. Air Force's 691 yards of total offense are the fourth most in school history and the most since a school record 792 against Tennessee State in 2011. Air Force's 582 rushing yards are the sixth most in school history and the most since rushing for 595 vs. Tennessee State in 2011.

## DANIELS THE ONLY PLAYER TO HOLD BOTH

- Senior quarterback Haaziq Daniels is the only FBS player to hold school records for both longest run and pass. Daniels set both last season, setting the Air Force record for longest run with a 94-yard dash for a touchdown vs. Florida Atlantic. He set the passing record with a 92-yard touchdown toss to Brandon Lewis vs. Colorado State.
- Daniels is third on the team in rushing with 278 yards and three touchdowns. He has hit 22-of-47 passes for 469 yards and five touchdowns with one interception. Daniels has a quarterback efficiency rating of 161.5. Daniels threw 59 consecutive passes without an interception, dating back to the Colorado State game last season, before his first pick of the season at Utah State. The streak covered seven games.
- Daniels is climbing several career charts in program history. He is sixth in QB winning percentage (.667), 11th in career completion percentage (.508), third in passing efficiency (153.5) and third in average yards per completion (20.1).
- Daniels rushed for 65 yards on 14 carries vs. Navy and sealed the game with an 18-yard run on third-and-six for a first down, allowing the team kneel down three times to win the game. He completed six-of-eight passes for a season-high 165 yards and a 67-yard TD pass.
- Daniels hit 7-of-14 passes for 101 yards and matched his career high with two touchdown passes at Wyoming.
- Daniels opened the 2022 season with a special performance, recording his second-career 100-100 game. He rushed for 107 yards and a touchdown and hit 3-6 passes for 109 yards and a score. His touchdown pass covered 80 yards, the second-longest of his career and eighth-longest in program history.

Junior receiver Dane Kinamon had his best day as a Falcon in the win over Northern Iowa. Kinamon opened the scoring for Air Force by hauling in a career-long 80 yard reception on the opening drive to give the Falcons a 7-0 lead. The 80 yard reception is the eighth-longest in program history. Kinamon followed that with a career-long 71 yard touchdown run on Air Force's second drive to make it 14-3. Kinamon finished the day with 77 yards rushing and 80 receiving to record a career-best 157 all-purpose yards.

## SANFORD AMONG THE TOP RETURNERS IN MW, NCAA

Senior outside linebacker Vince Sanford is fourth on the team in tackles with 31, fourth in tackles for loss with 3.0 for five yards and is tied for the team lead in quarterback hurries with four. Sanford has averaged 9.5 tackles his last two games. He recorded nine tackles and a QB hurry at Utah State. Sanford recorded a career-high 10 tackles and 2.0 tackles for loss vs. Navy.

Junior inside linebacker Alec Mock leads the team in tackles with 40 and is third in tackles for loss with 4.0 for 11 yards. He is tied for the team lead in quarter hurries with four. He had a hurry in four straight games and a tackle for loss in three straight and four of five overall until the Utah State game, where he left early due to injury.

Mock recorded a career-high 13 tackles vs. Navy, had a career-best 1.5 tackles for loss for four yards and a quarterback hurry. His 13 stops are the most by a Falcon this season.

### TAYLOR CONTINUES

Junior safety Trey Taylor is second on the team in total tackles with 36 and leads the team in solo stops with 23. He is second in interceptions (1-15). He also has a pass breakup. He had a season-high nine tackles and a tackle for loss at Utah State. Taylor had six tackles and a tackle for loss vs. Navy. He opened the season with a team-high eight tackles vs. Northern Iowa.

### DAPORE KICKING IT

- Sophomore kicker Matthew Dapore ranks second in the Mountain West and 10th nationally in field goals with a 1.67 average. He is fourth in the MW and 19th nationally in field goal percentage with a 90.9 mark. Dapore is seventh in the conference in scoring with a 7.8 norm.

- Dapore has hit 10 of 11 field goals this season and 14 of his last 15 dating back to last season. He has hit two field goals in five of six games and his only miss this season came from 53 yards at Wyoming.

- Dapore hit his first four this season, including a career-long 54 yard kick vs. Colorado which is the 13th longest in program history. Following his only miss, a 53-yard attempt at Wyoming to snap a streak of eight straight, he has hit six straight, including the game-winning field goal from 22 yards vs. Navy with 4:14 to play.

- Dapore has hit 18 of 21 field goals in his career and his .857 percentage ranks third in program history.

### BAY KICKING IT WHEN HE GETS A CHANCE

Sophomore punter Carson Bay is averaging 43.0 yards per punt this season which would rank fifth in the conference, but he lacks enough punts to qualify. He has punted just 13 times and twice this season has not had to punt in a game (Northern Iowa, Nevada). His 43.0 average is the best for Air Force since Jason Kirkland averaged 44.7 in 1998. Bay had his best day of the season at Wyoming, averaging 42.8 yards on a career-high five punts with a long of 53 yards. Bay four times vs. Navy for a 41.0 average with a career-long of 59 yards.

**AIR FORCE TO HONOR U.S. SPACE FORCE WITH APLS SERIES IN 2022**

The Air Force football team is honoring the U.S. Space Force with the 2022 edition of the Air Power Legacy Series uniform. The Falcons wore the uniform for the Navy game in Falcon Stadium on Oct. 1.

The helmet features the lightning bolt with a shared image between the U.S. Air Force and U.S. Space Force, representing dominance, quick strike and precision. The helmet base is gradient representing coming into the light. The roman numerals MMXIX (2019) represent the year the Space Force was created. Rear bumpers for each helmet have one of four slogans: Courage, Commitment, Connection, Character.

The jersey features U.S. Space Force base patches on the left shoulder and a tonal United States flag on the right sleeve. The player name plate appears on the front and is opposite the swoosh on the right chest. The unit patches feature Space Base Delta 1 headquartered at Peterson Space Force Base and Space Base Delta 2 headquartered at Buckley Space Force Bases. Fusing together the official mark of the Air Force Academy, the AF, with the Polaris star and orbit appears at the center neck, showing the connection between the U.S. Air Force and U.S. Space Force. The back name plate has Semper Supra, the Space Force motto, meaning Always Above.

The U.S. Air Force Academy is the U.S. Space Force's academy, and commissions around 96 Guardians into the Space Force each year. The Academy has always been the place for space, housing one of the only undergraduate programs in the nation to design, develop and fly real-world satellites, and offering three space-focused majors. In Summer 2022, the Academy hosted Azimuth, a two-week program to introduce cadets to operations in the space domain modeled after NASA's two-year Astronaut Training Program.

**AIR POWER LEGACY SERIES HISTORY**

- The Air Power Legacy Series began in the **2016** season with the football team wearing an alternate uniform to celebrate the Tiger Shark teeth nose-art which has been represented on multiple Air Force aircraft dating back to World War II. During the WWII era, fighter plane pilots were called "Flying Tigers" and were part of the U.S. Army Air Corps, which later became the Air Force. The helmets worn for the game featured a shark-teeth design like those painted on the aircraft.
- While 2016 focused on the past, the Falcons honored the present, and future, of air power in **2017** with the F-35 theme. The F-35 completed its first flight in 2006. In 2012, the F-35 program increased to 30 aircraft. In 2016, the F-35A was declared combat ready by Gen. Hawk Carlisle, class of 1978, the commander of the Air Combat Command. The helmet had five different designs. On one side of every helmet will be the familiar Air Force logo often seen on aircraft, which includes the length-wise bars intersecting the roundel. On the other side was a decal representing one of the five Air Force F-35-A operational fighter squadrons in the Air Force.
- The team honored the AC-130 in **2018**. The helmet featured the AC-130 on one side, plus squadron patches on the other. The AC-130 gunship is a heavily armed, long-endurance ground-attack variant of the C-130 Hercules transport fixed-wing aircraft. It carries a wide array of anti-ground oriented weapons that are integrated with sophisticated sensors, navigation, and fire-control systems. Unlike other military fixed-wing aircraft, the AC-130 relies on visual targeting. Because its large profile and low operating altitudes (around 7,000 ft) make it an easy target, it usually flies close air support missions at night.
- Air Force honored the C-17, a large military transport in **2019**. The C-17 commonly performs tactical and strategic airlift missions, transporting troops and cargo throughout the world; additional roles include medical evacuation and airdrop duties. The C-17 is designed to operate from runways as short as 3,500 ft (1,100 m) and as narrow as 90 ft (27 m).
- The Falcons honored the Tuskegee Airmen with the **2020** edition. The uniform was gray with black lettering. The chrome base gray helmet featured the P-51 aircraft flown by the Tuskegee Airmen in combat with signature red tails and nose that helped identify the group. The helmet featured the four squadron emblems for the 99th, 100th, 301st and 302nd fighter squadrons. The pants featured an authentic stenciled information graphic on the side. The custom nameplate on the jersey said Red Tails, inspired by hand-lettered names painted on the side of the P-51 aircraft.
- The **2021** edition honored the B-52 Stratofortress. The helmet was designed after the B-52 that flew in Operation Linebacker II. The Strategic Air Command adored the right check of the uniform while the name plate used the orange outline with airport codes for Anderson AFB, U Tapo and the 7th Bomber Wing patch to represent all former B-52 unites. The left pant leg featured 11 B-52 plane silhouettes representing the 11 days of bombing during the conflict. The right side pant leg had the tail flash of the plane and the number on each player's pant leg matches their uniform number for the first time in the history of the series.

FALCON STADIUM TURNS 60

Falcon Stadium celebrates 60 years during the 2022 season. Situated at 6,621 feet above sea level at the base of the Rampart Range of the Rocky Mountains, the donor-funded stadium opened in 1962 as the home of the Falcons. Eight U.S. presidents, starting with John F. Kennedy, has delivered graduation addresses there.

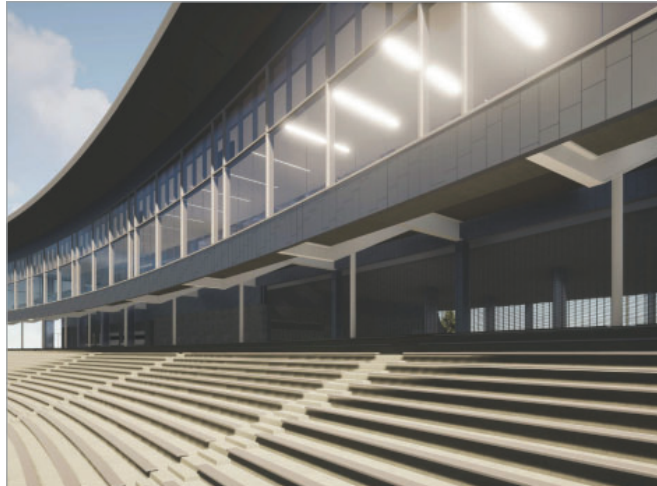

Since its opening, Falcon Stadium has undergone several significant upgrades. In 1991, the Academy installed skyboxes and remodeled the press box. Renovations in the 1990s and 2000s to improve the fan experience increased food and beverage vendors and the additional space brought its capacity to the current 46,692 (down from 52,480). Permanent lights were installed in 2002. Going into the 2016 season, new scoreboards were installed, then in 2018 the turf was replaced and the home locker room renovated. Private contributions funded most of these improvements.

The next phase of renovations are on tap following the 2022 season with the goal of transforming the facility into a state-of-the-art, world-class venue.

The Air Force Academy Foundation and the Air Force Academy Athletic Corporation have announced a proposed multiphase Falcon Stadium renovation project as part of the Defining Our Future campaign in support of the Air Force Academy, publicly launched on Sept. 10, 2021. Defining Our Future is a comprehensive campaign, the most significant in Academy history, with the Falcon Stadium modernization as a key component.

The investment required for the initial phase of the Falcon Stadium modernization is \$90 million, with philanthropic support from the Air Force Academy Foundation providing \$35 million as part of the campaign and the remaining half financed by Air Force Academy Athletic Corporation revenue. The current phase is part of a multiphase master plan to upgrade and transform Falcon Stadium into a world-class venue and will total about \$180 million when finished.

With most of the initial upgrades coming on the east side of the stadium, the proposed plans include a dramatic new stadium entrance, an updated event space, relocation of the cadet section and a heritage plaza. Improved seating, concessions areas, restrooms and merchandise space will offer fans a more modern and comfortable feel as they take in an event.

## HEAD COACH TROY CALHOUN

Troy Calhoun is in his 16th season in 2022 as head coach at Air Force, where he has a 115-77 overall record and a 68-50 mark in Mountain West play. He has led Air Force to 11 bowl games, including a school-record six straight from 2007-12.

Calhoun, who won his 100th game during the 2020 season, has led the program to an 11-win season (2019), three 10-plus win seasons (2014, 2016, 2021), three nine-win seasons (2007, 2010, 2021) and three with eight wins (2008, 2009 and 2015). He has led the Falcons to the Commander-in-Chief's Trophy four times. Calhoun led the Falcons to an 8-6 overall record in 2015 and the Mountain Division championship and first-ever MW title game appearance. The 2019 Falcons posted an 11-2 overall record, the third-most wins in program history, and finished second in the MW Mountain Division with a school-record-tying 7-1 record.

Calhoun is the only coach in the 100-plus year history of service academy football to lead teams to at least seven wins and a bowl game in each of his first five seasons. Calhoun has been a semifinalist for the National Coach of the Year award three times (2007, 2010, 2019). Calhoun came to his alma mater in 2007 and took over a program that had three straight losing seasons. Air Force finished the 2007 season 9-4 overall and placed second in the Mountain West Conference with a 6-2 mark in Calhoun's first year. The Falcons earned their first bowl bid in five seasons, advancing to the Bell Helicopter Armed Forces Bowl in Fort Worth, Texas. The five-game turnaround from the previous season was the largest in the nation by a first-year head coach and tied as the third largest overall in the nation.

Calhoun was named the conference's coach of the year for his efforts. In addition, he was named coach of the year in Region 5 by the American Football Coaches Association and was one of eight finalists for national coach of the year honors.

Calhoun brought a wealth of experience and impressive resume at the collegiate and professional levels that is flooded with success at every stop to the Academy. Calhoun came to the Academy after serving as offensive coordinator and quarterbacks coach for the Houston Texans in 2006. The Texans were one of only two NFL teams to triple their number of wins from the previous year.

Calhoun became a well-rounded NFL coach, working as a defensive assistant, special teams assistant and offensive assistant with the Denver Broncos from 2003-05. He began his NFL coaching career by serving as the defensive assistant under defensive coordinator Larry Coyer in 2003.

Prior to the NFL, Calhoun was an offensive coordinator for six seasons on the collegiate level. He began his coaching career at Air Force, where he worked as a graduate assistant from 1989-90. He started at quarterback for the Academy in 1986 and was one of only two freshmen to letter for the 1985 team that finished fifth in the final polls with a 12-1 record that included wins over national powers Notre Dame and Texas.

Calhoun served his country from 1989-95 as an active-duty officer in the Air Force. He was the Falcons' recruiting coordinator and the junior varsity offensive coordinator in 1993-94. He moved to Ohio University in 1995 where he served as the quarterbacks coach for two seasons. Calhoun was promoted to offensive coordinator in 1997. Calhoun moved to Wake Forest in 2001 and remained there prior to his stint with the Broncos.

Groomed on the basics of integrity and passion, Calhoun is a native of Roseburg, Ore., and was raised in a home where both kids graduated from the Air Force Academy and were varsity letter winners on nationally ranked teams. He and his wife, Amanda, live in Colorado Springs and have two children, Tyler (20) and Amelia (18).
