GAMEDAY AT FALCON STADIUM

After every Falcon score, the cadets, storm the field and do pushups for every Air Force point on the board. The cadets are often joined by Superintendent Lt. Gen. Richard Clark (left).

After every game, the Falcons stand hand-in-hand in front of the cadet wing as the Drum and Bugle Corps plays the alma mater.

Prior to every service academy game, the “prisoners of war” are exchanged at midfield. The POWs are exchange cadets from the other academies who sit with their respective academies during the game.

GAMEDAY AT FALCON STADIUM

At the base of the Rampart Range of the Rocky Mountains, game day at Falcon Stadium is truly a remarkable experience. Pre-game fly-bys, the march-on, the Drum and Bugle Corps and the spirited cadet section.

COMMANDER-IN-CHIEF'S TROPHY

The seniors from the winning team in the battle for the Trophy make a trip to the White House for a ceremony with the President of the United States.

No other college or professional athletic team has visited the White House as often as the Air Force football team. The Falcons have made 20 trips to Washington, D.C., since 1982.

The Falcons have met President Ronald Reagan five times, President George H.W. Bush three times, President Bill Clinton six times, President George W. Bush twice, President Barack Obama three times and President Donald Trump once.

The Commander-in-Chief's trophy was first awarded in 1972 when Richard M. Nixon was President of the United States. The trophy was the idea of Air Force general George B. Simler, the commander of Air Training Command and former Air Force Academy director of athletics. Simler felt it was important to ensure the Air Force games against Army and Navy were given even more meaning than other games played each season. The trophy is jointly sponsored by the alumni associations of all three academies. The design of the trophy consists of three silver footballs in a pyramid like arrangement, set on a circular base, with three arc-shaped sections cut out, one for each academy.

BRIAN BULLARD AWARD

Senior Demonte Meeks
 Meeks recorded 36 total tackles and 3.5 sacks in 2021. He had a season-high nine tackles and a career-high two sacks for nine yards at Navy. Meeks was named College Sports Madness defensive player of the week for the MW vs. Navy for his efforts. He finished his career with 150 total tackles and 15 tackles for loss for 65 yards.

The Bullard Award is voted on by the team based on the criteria that typifies Brian Bullard - unselfishness, 110 percent effort, total team commitment and pride in his role on the team whether he's a starter or not.

A memorial is located in the Falcon Athletic Center so that every football player sees it every day. The memorial has Brian's picture and the name and photo of each year's winner.

A 1982 graduate of Air Academy High School in Colorado Springs, Brian attended the Academy the following year. After playing on the junior varsity his freshman year, he made the varsity and lettered as a sophomore in 1983.

During Thanksgiving vacation that year, Brian, a member of Cadet Squadron 27, and cadet Dianne Williams of Cameron, Mo., were returning from Kansas and were caught in a snow storm. The two died from carbon monoxide poisoning. Williams was a member of Cadet Squadron 33 and played on the women's varsity golf team.

The Brian Bullard award is presented annually at the Falcon football team banquet. Brian was the epitome of everything Air Force Football stands for. Brian's life is used not only for motivation, but as the benchmark each Falcon football player should strive to attain. The criteria established for the award were taken directly from the life of Brian Bullard.

The recipient of this prestigious award cares about the team first and himself second. He loves his team and his teammates and will do everything he can to make his brothers better. He is a source of encouragement for everyone and truly leads by example. He gives his all and truly enjoys every practice. He shows great pride in his role on the team and is a pleasure to coach. Though he played just two seasons with the football team, Brian left quite an impression.

FALCON STADIUM

Last Eight Years

Over the past eight seasons, Air Force is 36-9 (80 percent) at home. Since moving into Falcon Stadium in 1962, the Falcons have been a major force. Air Force has a 209-119-4 record in Falcon Stadium. Under coach Troy Calhoun, the Falcons have been one of the best home teams in the nation. In his 15 seasons beginning in 2007, Air Force has been 5-1 or better at home eight times.

FALCON STADIUM

A picturesque setting at the base of the Rampart Range of the Rocky Mountains and boasting some of the grandest pageantry in all of college football, Falcon Stadium is without a doubt one of the premier college football stadiums in America.

Sitting at 6,621 feet above sea level, the thin air has been kind to the Falcons. Air Force has won 63 percent of its home games in the stadium with a 209-119-4 all-time home record. Falcon Stadium's elevation is the second-highest of any Division I-A stadium in the nation. The stadium's current capacity is 46,692.

Falcon Stadium, built in a natural bowl in the foothills, was built in the fall of 1962 at a cost of \$3.5 million. Falcon Stadium opened on Sept. 22, 1962, when a then-overflow crowd of 41,350 saw Air Force defeat Colorado State, 24-0. AFA held a formal dedication on Oct. 20, 1962, when Air Force hosted Oregon. The Ducks won the game, 35-20. The stadium was originally built solely for football, but several non-athletic events, such as the Academy's annual graduation, are conducted there.

Since 1962, the stadium has seen several significant upgrades. In 1991, the Academy installed nine skyboxes and remodeled the existing press box. The facility currently seats 450 people indoors, along with 88 in the skyboxes. In addition to its game-day uses, the press box is also used by the athletic department as a banquet/meeting room.

Throughout the 1990's and early 2000's, the stadium's capacity was 52,480 but in 2005, the stadium's capacity was reduced to 46,692 (the current capacity). The removal of the bleachers on the east side greatly increased the fan experience with additional

food and beverage vendors and more room to move around the stadium.

In 2002, the Academy added permanent lights. The cost of just under \$500,000 was at no expense to tax payers. The Air Force Academy Athletic Association picked up the tab. That same season, a school record crowd of 56,409 packed the stadium for a game against Notre Dame.

Prior to the 2016 season, two brand new scoreboards were installed, one in the north end zone and one in the south end zone. The video board in the south end zone was the largest in the Mountain West and among the service academies (at the time of installation). The board is over 2,500 square feet of HD video display (dimensions are 31-2 by 82-8) and includes a state-of-the-art audio system.

Prior to the 2018 season, the turf was replaced, the home locker room was completely renovated, along with new medical rooms, coaches room and media room.

In February 2019, Falcon Stadium hosted the NHL Stadium Series game between the Colorado Avalanche and the Los Angeles Kings in front of 43,500 fans.

In the summer of 2020, signs were installed on the concourse with famous air battles in the history of the Air Force and also those depicting our rich bowl history.

The scenic backdrop, the game-day experience and the recent upgrades have ensured that Falcon Stadium is among the best venues in all of college football. The proof is in the ranking as CBS Sports (March 2011) ranked Falcon Stadium the 22nd best in college football, higher than any other Mountain West institution.

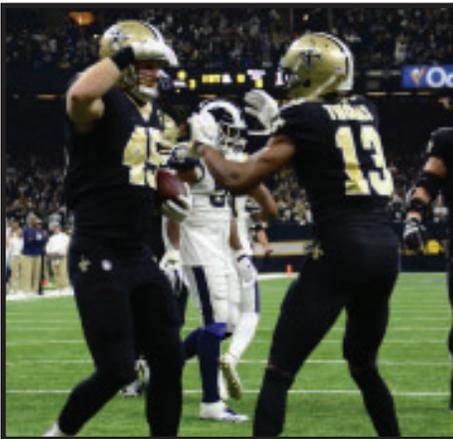

FALCONS IN THE NFL

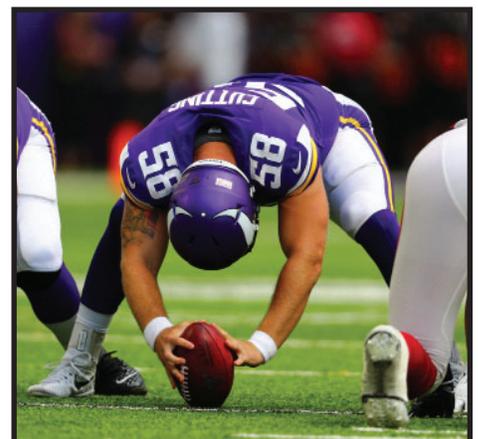

Ben Garland (top) completed his seventh season in the NFL in 2020. He played in 68 NFL games with 15 starts. A 2010 Academy graduate and defensive lineman for the Falcons, he was a member of the Broncos' practice squad in 2012 and 2013. In 2014, he played in eight games for the Denver Broncos as an offensive guard. He was on the Atlanta Falcons practice squad on 2015 and then played in 46 games for the Falcons, both on the offensive and defensive lines, in 2016, 2017 and 2018. In 2016, he played in both the NFC Championship game and Super Bowl LI. In the 2017 NFC playoffs, he recorded a sack and safety of Russell Wilson as the Falcons defeated the Seahawks. In 2019, he played in nine regular-season games for the 49ers. He started the final three regular-season games, and all three post-season games, at center. He played in five games at center for the 49ers in 2020 before an injury ended his season.

Garrett Griffin (middle), a 2016 USAFA graduate and tight end for the Falcons, was on the New Orleans Saints practice squad in 2016 and 2017. He played in three regular-season games in 2017 and two playoff games in 2018. In 2018, the tight end scored his first NFL touchdown with a six-yard reception in the NFC Championship game against the Rams. He spent the 2019 season on injured reserves and played in four games in 2020. In 2021, he played in 13 games and had four receptions for 39 yards. Griffin signs as a free agent with Detroit in the spring of 2022.

Austin Cutting (bottom), a 2019 USAFA grad, was a seventh-round pick of the Vikings in 2019. Cutting was the first long snapper ever drafted by the Vikings and the first Falcon drafted since 1998. He played in all 16 games as the long snapper for the Vikings in 2019 and in nine games in 2020.

FALCONS IN THE NFL

Five former Falcons played numerous seasons in the National Football League.

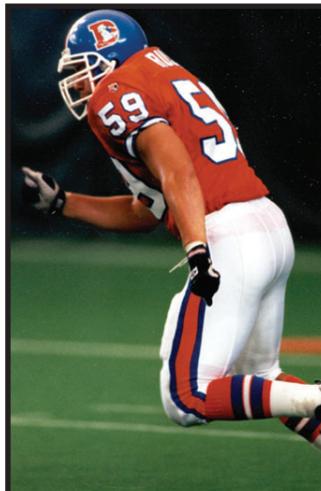

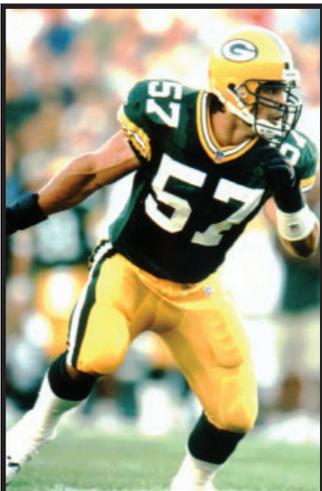

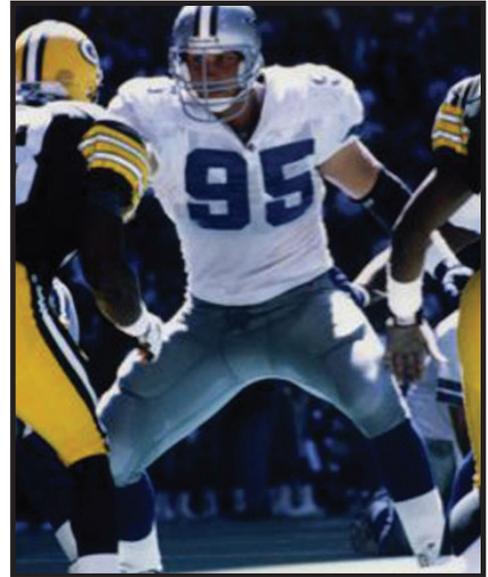

Chad Hennings (top right), a 1988 graduate, spent more time in the NFL than any other former Falcon. After serving four years on active duty and 45 combat missions in the A-10 aircraft, he signed with the Dallas Cowboys in 1992. Hennings played nine seasons with the Cowboys from 1993-2000 and won three Super Bowl rings (1993, 1994 and 1996). He played in 119 career games, starting 72 on the defensive line, and had 216 tackles with 27.5 sacks, five forced fumbles, six fumble recoveries and a touchdown.

Bryce Fisher, (middle right) a 1999 Air Force Academy graduate, served two years of active duty in the Air Force and the remainder of his commitment was fulfilled in the reserves and national guard. Fisher was a seventh-round draft choice of the Buffalo Bills in the 1999 draft. He spent seven years in the league with Buffalo (1999-01), St. Louis (2002-04), Seattle (2005-07) and Tennessee (2007). In 2005, he became the third USAFA graduate to play in a Super Bowl as the Seahawks won the NFC Championship. He played in 90 career games and had 222 tackles, six forced fumbles and 26.5 sacks.

Chad Hall, (bottom right) a 2008 graduate, served two years on active duty and is completing his commitment in the Air Force reserves. In two seasons with the Eagles in 2010 and 2011, the receiver played in 15 games with 14 catches for 135 yards and two touchdowns. Hall also had 10 punt returns for 107 yards, six kickoff returns for 108 yards and 12 rushes for 42 yards. Late in the 2012 season, Hall was signed by the San Francisco 49ers and was activated for the NFC Championship game and Super Bowl XLVII. In 2013, he played in nine games with the Kansas City Chiefs and had two receptions for 20 yards. He is currently the wide receivers coach with the Buffalo Bills. He played 24 career games and had 16 receptions, 12 carries and two TDs.

Chris Gizzi (bottom left), a 1998 USAFA graduate, served two years of active duty in the Air Force and the remainder of his commitment was fulfilled in the reserves and national guard. A linebacker, Gizzi played in 23 games with the Packers from 2000-02. He had 19 tackles and a forced fumble. Following the September 11th tragedy in 2001, Gizzi led the Packers out of the locker room on Monday Night Football as he ran onto the field with the American flag held high. He was inducted into the USAFA Athletics Hall of Fame in 2019.

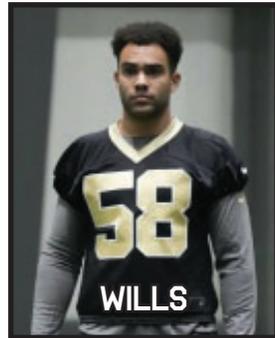

Steve Russ (bottom second from right), a 1995 USAFA grad, was a seventh round pick of the Denver Broncos in 1995. A linebacker, he played in 24 games with six career tackles for the Denver Broncos over four seasons (1997-2000) and was part of two Super Bowl Championship teams (1997 and 1998).

THE ACADEMY

2022 AIR FORCE FOOTBALL
MEDIA GUIDE

The United States Air Force Academy offers a four-year program of instruction and experience designed to educate, train and inspire men and women to become officers of character, motivated to lead the United States Air Force in service to our nation. Each cadet graduates with a bachelor of science degree and a commission as a second lieutenant in the Air Force.

Course of Study

Cadets are exposed to a balanced curriculum that provides the knowledge, skills and responsibilities essential to a career Air Force officer. The entire USAFA experience is integrated and mapped to achieve a set of desired outcomes in every graduate.

The core academic curriculum includes courses in basic sciences, engineering, social sciences and humanities. Cadets take additional elective courses to complete requirements for one of 31 major areas of study. About 50 percent of the cadets complete majors in science and engineering; the remainder graduate in the social sciences and humanities. Some of the most popular majors include management, aeronautical engineering, foreign area studies, history, behavioral science, civil engineering, astronautical engineering, electrical engineering and engineering mechanics.

Faculty Composition

The majority of the Academy's faculty members, more than 500 total, are Air Force officers. They are selected primarily from career-officer volunteers who have established outstanding records of performance and dedication. Each has at least a master's degree and more than 55 percent have doctorates or other terminal degrees in their field of study.

About 30 percent of the faculty are civilians who bring great depth of disciplinary and educational expertise and provide academic stability and continuity.

Faculty members are intensely focused on cadet learning as an integral part of their officer development. The Air Force Academy has been ranked No. 1 in the nation for the most accessible and involved faculty.

To provide greater contributions by a diverse faculty, the Academy has several distinguished visiting professors and endowed professors who serve one or more years. Officers from other services, as well as officers from allied countries are also members of the faculty. Distinguished civilian and military lecturers also share their expertise with the cadets during the academic year.

Athletic Program

The Academy's athletic program is designed to improve physical fitness, teach athletic skills and develop leadership qualities. To achieve its goals, the Academy offers some of the most extensive physical education, intramural sports and intercollegiate athletic programs in the nation. Cadets take at least three different physical education courses each year.

Military Education and Training

An air, space and cyberspace-oriented military education, training and leadership program begins with basic cadet training and continues throughout the four years. Seniors are responsible for the organizational leadership of the cadet wing, while juniors and

sophomores seek to develop team and interpersonal leadership and instructional skills. Cadets are projected into as many active leadership roles as possible to prepare them to be effective Air Force officers.

Fundamental concepts of military organization -- drill, ethics, honor, Air Force heritage and physical training -- are emphasized the first summer during basic cadet training. Freshmen then study the military role in United States society as well as the mission and organization of the Air Force. Sophomores receive instruction in communication skills and juniors study the combat and operational aspects of the Air Force.

The Academy offers courses in flying, navigation, soaring and parachuting, building from basic skills to instructor duties. Some cadets may fly light aircraft with the Cadet Flying Team.

Summer training for cadets is divided into three, three-week training periods. There are a variety of programs available and each cadet is required to complete two training periods each summer with leave during the other period. All new cadets take six weeks of basic cadet training in their first summer.

Combat survival training is a required three-week program during cadets' second summer. For other second-summer training periods, cadets have options such as working with Airmen in an operational unit at an Air Force installation, airborne parachute training, soaring or basic free-fall parachute training.

During their last two summers, all cadets are offered leadership training as supervisors or instructors in the summer programs listed above.

Extracurricular activities also are an integral part of the education program. The cadet ski club, drum and bugle corps, cadet chorale and forensics are a few of the programs available.

Nominations

Nominations to the Academy may be obtained through a congressional sponsor or by meeting eligibility criteria in other categories of competition established by law. For information on admission procedures, please visit:

History of The Academy

In 1948, a board of leading civilian and military educators was appointed to plan the curriculum for an academy that would meet the needs of the newly established Air Force. The board determined that Air Force requirements could not be met by expanding the other service academies and recommended an Air Force Academy be established without delay.

In 1949, then Secretary of the Air Force W. Stuart Symington appointed a commission to assist in selecting a site and on April 1, 1954, President Dwight D. Eisenhower authorized creation of the United States Air Force Academy. After considering 580 sites in 45 states, the commission narrowed the choice to three locations. The summer of 1954, Secretary of the Air Force Harold Talbott selected a site near Colorado Springs, Colo. Colorado contributed \$1 million toward purchase of the property.

In July 1955, the first Academy class entered interim facilities at Lowry Air Force Base, Denver, while construction began. It was sufficiently completed for occupancy by the cadet wing in late August 1958. Initial construction cost was \$142 million.

Women entered the Academy on June 28, 1976, as members of the class of 1980.

ACADEMY LEADERSHIP

Lt. Gen. Richard M. Clark is the Superintendent, U.S. Air Force Academy, Colorado Springs, Colo. He directs a four-year regimen of military training, academics, athletic and character development programs leading to a Bachelor of Science degree and a commission as a second lieutenant in the U.S. Air Force or U.S. Space Force.

Lt Gen Clark graduated from the U.S. Air Force Academy in 1986. His commands include the 34th Bomb Squadron, Ellsworth Air Force Base, S.D.; 12th Flying Training Wing, Randolph Air Force Base, Texas; 8th Air Force, Barksdale Air Force Base, La. and Joint Functional Com-

ponent Commander for Global Strike, Offutt Air Force Base, Neb. He has also served as a White House Fellow in Washington, D.C.; the Commandant of Cadets, U.S. Air Force Academy, Colo.; Senior Defense Official/Defense Attaché, Cairo, Egypt and as the Commander, 3rd Air Force, Ramstein Air Base, Germany.

DIRECTOR OF ATHLETICS NATHAN PINE

Nathan Pine is in his fifth academic year as the director of athletics at the Air Force Academy after arriving in Colorado Springs in January of 2019. Pine came to Air Force from Holy Cross, where he led the Crusader program as the director of athletics from 2013-18.

Since his arrival, the Falcons have seen success on several important fronts. In terms of comprehensive programmatic success, in 2021-22 Air Force finished as the top service academy in the Learfield Director's Cup, was the top program in the Mountain West Conference for the second straight year and third time in program history and 67th nationally across all of Division I. Individual team highlights have included an individual national championship in rifle, five conference championships, a school-record 14 player of the year honors, five coach of the year awards and 48 athletes earning All-America honors. The Falcons have also tied for a share of the Mountain Division Football Championship in 2021 and beaten PAC-12 Washington State and ACC member Louisville in consecutive bowl game appearances.

Air Force has also experienced record-breaking fundraising numbers since 2019, including new highs in both total number of donors and total dollars raised. This began with a full rebranding of the fundraising program to the Falcon Athletic Fund in the summer of 2019. Formerly known as the Falcon Pride Club, the Falcon Athletic Fund was refreshed and re-branded under Pine's leadership, with increased engagement, giving levels and donor benefits. The Falcon Athletic Fund is responsible for generating private resources required to provide margin of excellence support and a first-class athletic experience for more than 1,000 cadet-athletes across 27 intercollegiate sports.

Pine has also focused on working to grow the Air Force brand and increase national exposure for the Academy using the athletics platform. In February of 2020, Air Force hosted the 2020 NHL Stadium Series in Falcon Stadium to a sell-out crowd of 43,500. The event had an ad value of \$14.32 million and a national publicity value 25 percent higher than a typical NHL game. The game also brought significant resources to the Academy for hosting and an estimated \$17.5 million to the local Colorado Springs economy. During his tenure, the Falcons have also extended their partnership with Nike to remain the exclusive apparel provider and grow brand awareness, Air Force has also added industry leader Paciolan to the team for ticket solutions and it's donor ecosystem along with Learfield Amplify for outbound ticket sales. The Falcons have also reached a multiyear agreement with Altitude Sports and Entertainment as a third-tier television rights holder to bring Falcon sporting events and coaches shows to more than 13 million homes in the greater Colorado region starting in 2022.

Pine has also overseen a number of important coaching hires during his tenure. In 2020, Air Force announced the return of Joe Scott to the Academy to lead the men's basketball program. He also ensured continuity within the football program after the 2019 season by signing head coach Troy Calhoun to a multi-year extension through 2026. Other head coach additions have included Omar Elgizery in men's and women's fencing, Josh Loeser in men's gymnastics, Jennifer Green in women's gymnastics and

Laura Busby in women's soccer. In addition, both hockey coach Frank Serratore and women's basketball coach Chris Gobrecht were signed to new multi-year deals last year.

Facility improvements continue to be an area of focus at Air Force and a number have been completed in the last four years. Clune Arena has seen extensive improvements to the fan experience, including new video board and ribbons, venue lighting and new restroom renovations. The baseball stadium has received new turf as well as a new pitching area, while the hockey and indoor track areas received an extensive branding project. Falcon Stadium has celebrated the program's heritage with two major projects. There are signs on the concourse depicting significant battles the Air Force has been involved in throughout time, in addition to signs celebrating competitive success with updated bowl signage on the lower concourse. Athletics is also spearheading a Falcon Stadium renovation on the east side, which will include new stadium entrance, premium seating options in the east club, updated event space, improved fan amenities for all seating on the east side and a celebration of the heritage of Falcon Stadium. The multiphase master plan will

transform Falcon Stadium and total about \$180 million when finished.

Prior to Air Force, the Holy Cross athletic department saw unprecedented success during his time as athletic director. The Crusader Athletics Fund more than doubled in four years and raised over \$2-million during the 2017-2018 academic year. Holy Cross also received two of the largest gifts in the history of the College (\$32.5 million and \$20 million, respectively), directed toward athletics facility improvements. Construction on the \$95 million Luth Athletic Complex began in December of 2015 and was completed in the spring of 2018. Pine also orchestrated broader regional and national exposure for the college from television and marketing efforts, along with significant branding and alumni outreach.

Pine was also active at the national level and represented Holy Cross and the Patriot League as a member of the NCAA Division I FCS Football Committee and the NCAA Division I FCS Athletic Director's Association Executive Committee. He worked at the league level with the other athletic directors and the conference office to maximize the student-athlete experience and generate additional exposure and revenue for the Patriot League and Holy Cross.

Pine joined the Crusaders after serving as the deputy director of athletics at the University of Maryland. Prior to his time at Maryland, Pine spent three years at the University of California at Berkeley, four years at the United States Military Academy, and five years at Oregon State University. A native of Eagle Point, Ore., Pine received his bachelor's degree in marketing and international business from Oregon State University, and a master's degree in education from the University of California at Berkeley. He and his wife, Stephanie, reside in Colorado Springs with their two dogs, Deuce and Lola.

ACADEMY ATHLETICS

Few schools in the country have an athletic program as extensive as the Air Force Academy's.

The goals of the athletic program are to enhance the physical conditioning of all cadets, to develop the physical skills necessary for officership, to teach leadership in a competitive environment and to build character. There are three subdivisions of the athletic program: intercollegiate athletics, intramurals and physical education.

The intercollegiate program has 17 men's and 10 women's NCAA-sanctioned teams, facing some of the top competition in the nation. Men's teams are football, baseball, basketball, ice hockey, cross-country, fencing, golf, gymnastics, indoor and outdoor track, lacrosse, rifle, soccer, swimming and diving, tennis, water polo and wrestling. The Academy fields women's teams in basketball, cross-country, fencing, gymnastics, rifle, indoor and outdoor track, swimming and diving, soccer, tennis and volleyball. In addition, the Academy sponsors two non-NCAA programs; boxing and cheerleading.

The majority of the Academy's men's and women's programs compete at the NCAA Division I level in the Mountain West Conference. The Falcons compete in this conference against teams from Boise State, Colorado State, Fresno State, Hawai'i (football only), Nevada, New Mexico, San Diego State, San Jose State, UNLV, Utah State and Wyoming. All sports also compete against non-conference opponents, including many nationally ranked teams.

The football team competes annually for the Commander-in-Chief's Trophy, which is emblematic of service academy football supremacy. The Falcons have won the trophy 20 times, which is more than any other academy.

The USAFA Cadet Field House is one of the most impressive buildings in the country. It's a modern, versatile structure with seemingly endless uses. The \$5.6 million building is five stories high and 396 feet by 426 feet, the size of three football fields laid side by side. The structure is divided into three areas--basketball arena, ice hockey arena and multipurpose area. The three sections have a combined seating capacity of more than 9,000.

Clune Arena seats 5,858. The Cadet Ice Rink has a seating capacity of 2,470, while the multipurpose area seats 1,000 fans for track and field competitions.

The \$4.1-million renovation to the Cadet Track Stadium, the outdoor home of the Air Force track and field team, was completed in the fall of 2011 and is one of the premier track and field facilities in the nation. The Holaday Athletic Center, a \$15.5 million completely donor funded indoor training facility, was completed in July 2011. The Cadet Fitness Center, a \$9.5 million, Military Construction project, home of the Air Force Academy's fencing practice facility and aerobics/weight lifting facility that contains a nearly 33-foot climbing wall, opened in May 2012.

Sports audiences across the country have been intrigued and delighted by the aerobatics of the falcon, the flying mascot of the U.S. Air Force Academy -- one of only two schools with performing mascots in the National Collegiate Athletic Association. The falcon can attain velocities exceeding 200 miles per hour in swoops or dives, turn sharply and streak only inches above the ground, making it the fastest and one of the most maneuverable of all birds.

Trained and handled by cadet falconers, the birds soar and dive, sometimes zooming low over the heads of spectators. While their public flying performances are primarily limited to outdoor venues -- most often at football games and cadet wing parades -- the falcons appear at many other athletic contests in which cadet teams play.

Members of the Class of 1959, the first to enter the Academy, chose the falcon as the mascot of the cadet wing Sept. 25, 1955, feeling that it best characterized the combat role of the U.S. Air Force. They did not specify any particular species; thus, any falcon can serve as mascot. Some of the characteristics which led to its selection were speed, powerful and graceful flight, courage, keen eyesight, alertness, regal carriage and noble tradition. The falcon exemplified the qualities sought in Air Force Academy cadets: courage, intelligence, love of the wild sky, ferocity in attack, but gentle in repose, and discipline.

Experts once said falcons could not be trained to perform before huge crowds, that the birds would panic and flee. Since 1956, however, cadets have flown the birds at sporting events before thousands of cheering spectators. Six weeks or more and an average of 300 man-hours per bird are required to properly train a young falcon via operant conditioning. When a bird is in top condition, it is able to fly for more than an hour and make repeated stoops at the baited lure swung by the cadet falconer. Although they can be trained to perform, falcons are never totally domesticated and remain wild creatures with strong, individual and independent spirits.

On Oct. 5, 1955, a splendid peregrine was the first falcon presented to the cadet wing. It was named "Mach 1," referring to the speed of sound. Today, 12 to 15 falcons are kept in the mews (enclosures for trained hawks) north of the cadet area.

Current breeds of falcons at the Academy include several breeds which are native to North America, including prairie falcons, peregrine falcons, and the largest type of falcon, the gyrfalcon. The Academy recently added several gyr-saker hybrids and a gyr-peregrine hybrid to its ranks. Sakers are a strong and agile mid-to-large size breed of falcon, native to Eastern Europe and Asia. Sakers have been cross-bred with the larger gyrfalcons in recent years to produce a highly intelligent, agile and powerful breed of performing falcon, and have flown at

WHY THE FALCON?

Speed

Can attain velocities exceeding 200 miles per hour in stoops or dives on their prey.

Power

Powerful and graceful flight, with strong, deep wing beats; they maneuver with ease, grace and evident enjoyment.

Courage

Fearless and aggressive, falcons fiercely defend their nest and young against intruders. They have been known to unhesitatingly attack and kill prey more than twice their size.

Keen eyesight

About eight times sharper than man. Alertness, regal carriage and noble tradition.

the Academy since 2003.

In addition to flying performances, the falcons and cadet falconers visit dozens of schools, scouting groups, youth groups, airshows and other public events around the country, educating youth and adults alike on falconry, raptors, the Air Force and the Air Force Academy.

On June 8, 1996, the Association of Graduates purchased a female white-phase gyrfalcon from Mr. Dan Konkle in Sheridan, Wyo., and donated her to the Academy. The cadet wing named this new mascot Aurora - from Roman mythology, the goddess of the dawn. She is now the official mascot for the United States Air Force Academy and has become the center of attention for the Academy's Falcon Mascot Program. At a mere 40 days old, this majestic creature weighed four pounds. Glacier, our previous white-phase gyrfalcon Mascot from 1980-95, only weighed two pounds.

Although any falcon can serve as an Academy mascot, the white-phase gyrfalcon is native to Alaska, Canada, Greenland and the U.S.-Canadian border, and has always been the official mascot of the Air Force Academy. Gyrfalcons constitute only about five percent of the total number of falcons found in the United States. Of that five percent, only about 3-4 percent are true white-phase gyrfalcons.

Falconry is one of the extracurricular activities offered to cadets. There are usually 12 falconers, with four chosen from each new class at the end of the year to replace graduating seniors. The new falconers begin training in January under the leadership of experienced upperclassmen and the officer-in-charge. Without proper instruction, novices can physically harm the birds or adversely affect their training. Falconers' duties include daily checks of each bird's health and condition, training sessions during which the birds are fed a measured ration of meat, frequent cleaning of the mews and routine maintenance of equipment.

During performances, the birds fly to a lure, a rectangular-shaped leather pouch. The falconer whirls the lure in a circle on a 30-foot cord; the bird quickly learns to strike it in mid-air, carry it to the ground and dine on the food. As the bird stoops toward the lure in free flight, the lure is jerked aside, causing the falcon to fly up, circle and make another pass. This procedure is repeated several times before the bird is allowed to strike the lure in mid-air. The falcon performs this task knowing that as soon as it catches the lure, it earns its meal for the day.

A small battery-powered transmitter and a bell are attached to each leg so that, should the bird not come to the lure as it had been trained, the cadet falconers will be able to follow and safely recover the falcon.

History of the Air Force Song

In 1938, Liberty magazine sponsored a contest for a spirited, enduring musical composition to become the official Army Air Corps song. Of 757 scores submitted, Robert Crawford's was selected by a committee of Air Force wives. The song was officially introduced at the Cleveland Air Races on September 2, 1939. Fittingly, Crawford sang it in its first public performance.

The first page of the score, which Crawford submitted to the selection committee in July 1939, was carried to the surface of the moon on July 30, 1971, aboard the Apollo 15 "Falcon" lunar module by Colonel David R. Scott and Lieutenant Colonel James B. Irwin. Interestingly, at the moment the "Falcon" blasted off the surface of the moon with Scott and Irwin on board, a rendition of the "Air Force Song" was broadcast to the world by Major Alfred M. Worden, who had a tape recorder aboard the "Endeavor" command module which was in orbit around the moon. Scott, Irwin and Worden comprised the first and only "All-Air Force" Apollo crew and arranged to take the page of sheet music with them as a tribute to Crawford and the United States Air Force.

Bridge Section: Toast to the Host

"A Toast to the Host" is part of the original Air Force Song. Many times this is sung as a separate piece. This is the verse which commemorates those who have fallen in the name of our service and our great country. This is the reason for the difference in melody and the reverent, reflective mood. The words to the third verse were changed in 2020 to reflect representation of all kinds.

After every football game, the Drum and Bugle Corps plays "A Toast to the Host" as the football team gathers together on the field, joins hands and stands at attention.

by Robert Crawford courtesy USAF Heritage of America Band

Off we go into the wild blue yonder,
Climbing high into the sun;
Here they come zooming to meet our thunder,
At 'em boys, Give 'er the gun! (Give 'er the gun now!)
Down we dive, spouting our flame from under,
Off with one helluva roar!
We live in fame or go down in flame. Hey!
Nothing'll stop the U.S. Air Force!

Additional verses:

Minds of men fashioned a crate of thunder,
Sent it high into the blue;
Hands of men blasted the world asunder;
How they lived God only knew! (God only knew then!)
Souls of men dreaming of skies to conquer
Gave us wings, ever to soar!
With scouts before And bombers galore. Hey!
Nothing'll stop the U.S. Air Force!

Bridge: "A Toast to the Host"

Here's a toast to the host
Of those who love the vastness of the sky,
To a friend we send a message of the brace who serve on high.
We drink to those who gave their all of old,
Then down we roar to score the rainbow's pot of gold.
A toast to the host of those we boast, the U.S. Air Force!

Off we go into the wild sky yonder,
Keep the wings level and true;
If you'd live to be a grey-haired wonder
Keep the nose out of the blue! (Out of the blue, boy!)
Flying men, guarding the nation's border,
We'll be there, followed by more!
In echelon we carry on. Hey!
Nothing'll stop the U.S. Air Force!

Nothing is more indicative of the pageantry of Air Force football than the Wings of Blue.

The U.S. Air Force Academy parachute team, the Wings of Blue, has been one of the outstanding parachute units in the country for more than two decades. Since 1967, cadets have dominated national intercollegiate parachuting championships, typically winning decisively over 40 other schools which field about 125 of the nation's top college competitors. Additionally, they perform about 50 demonstrations each year for millions of spectators. That doesn't include jumping into Falcon Stadium before the start of every football game, weather permitting.

The Wings of Blue, because of their diverse mission, are divided into a demonstration team and a competition team. Advising and supervising the team is a cadre of active duty and reserve Air Force commissioned and non-commissioned officers. The team jumps from a variety of aircraft. However, the team primarily uses its own DeHavilland UV-18B Twin Otters. Each cadet member must be a qualified jump-master and instructor in the Air Force Academy parachuting program.

They must also maintain high academic and military standards to remain with the team. Members of the team average 600 jumps by the time they graduate.

The primary mission of the parachute team is not competing or performing, it's to train other cadets in free-fall parachuting.

Each year, over 1,000 cadets complete five free-fall jumps in the basic free fall parachuting course and earn the coveted parachutist badge and rating. The Academy is the only school in the Air Force authorized to grant these awards and is the only school in the U.S. authorized to allow students to perform unassisted free-fall delays on their first jump, without any prior static line training.

The basic free-fall program is the premier character development program at the Academy and is available to all cadets. It is designed to develop courage, confidence and discipline in each student and provide leadership experiences for the cadet instructors who teach the course.

It is a rigorous training schedule with heavy emphasis on safety. Before cadets make their first jump, they are drilled repeat-

edly in ground school on proper parachuting procedures. The repetition is intended to have the jumper respond automatically and correctly should something unexpected occur during the jump.

Cadets who successfully complete the basic free fall course are then eligible to take the advanced training necessary to tryout for the Wings of Blue. Those who want advanced training must compete for admission. Selection is based upon an individual's maturity, abilities, academic and military standing.

From its uncertain beginnings, when it was reserved for stuntmen, rugged paratroopers and desperate pilots, parachuting has evolved into an exacting science and demanding sport -- a sport dominated at the college level by the Air Force Academy.

The Flight of Sound

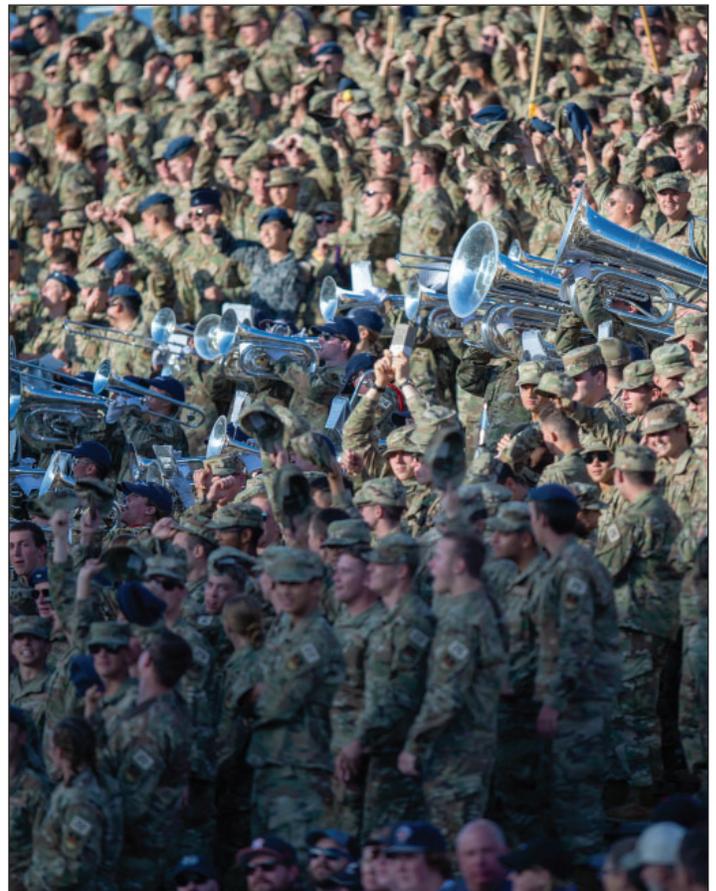

The complete experience in sight and sound is presented at every home Falcon football game by the "Flight of Sound," the U.S. Air Force Academy Cadet Drum and Bugle Corps.

Since 1948, the Air Force Drum and Bugle Corps has entertained audiences across the nation and abroad with their thrilling performances. The Corps, originally assigned to Bolling Air Force Base, Washington, D.C., was transferred to the Air Force Academy in 1963 and turned over to the Cadet Wing in 1972. Since then, the corps has won 16 of the 24 Interservice Academy Drum and Bugle Corps competitions and are the four-time defending champions. The competition is held annually during the Air Force vs. Navy football weekend.

Recognized as one of America's premier musical and marching units, the Corps exemplifies the precision and musical blend of a well-directed band or orchestra and the showmanship of a Broadway production. Performing on the average of 150 times a year, they have become known as the Academy's ambassadors of precision drill and musical pageantry.

The Corps' primary mission is to support the Cadet Wing activities, including military formations and Academy athletic contests both home and away. An extension of the mission continues in the community with concerts, field exhibitions, band festivals and various military ceremonies.

The "D & B" Corps is comprised of 135 cadets and has represented the Air Force Academy at Presidential Inaugural Parades, Macy's Thanksgiving Day Parades, The Tournament of Roses Parade, Mardi Gras Parades, The Festival of State in St. Petersburg, Fla., Walt Disney World's International Music Festival and The Long's Peak Scottish/Irish Festival.

2022 AIR FORCE FOOTBALL
MEDIA GUIDE

HEAD COACH TROY CALHOUN

The purpose of the United States Air Force Academy is to develop young people of strong character who graduate and serve as outstanding leaders on active duty and beyond. It's a purpose Troy Calhoun, who enters his 16th season, thoroughly respects, and realizes is necessary for our country. Calhoun left the Houston Texans of the NFL as an offensive coordinator in 2007 to embrace the mission of the Air Force Academy and to build a service academy program that often earns a postseason bid while playing in one of college football's best conferences.

Air Force student-athletes must complete the nation's most demanding academic curriculum while further embedding the heart and character that are crucial for serving the nation. Cadets at the Academy must work through courses that require finishing over 140 semester hours. Strong character traits, to include respect, teamwork, courage, spirit, discipline, honesty and toughness, are the bedrock of the leadership qualities Air Force football players utilize while serving as officers in the United States Air Force.

Calhoun's players are extraordinarily successful finishing their academic and leadership responsibilities. The Air Force football team's NCAA APR (Academic Progress Report) is annually amongst the finest at the FBS level of college football. From May 2008 through the present, Air Force Football's multi-year APR has finished above the nation's 90th percentile 11 of the last 14 years. The football program received a public recognition award by the NCAA this season with an astounding mark of 995. Air Force and Northwestern are the only schools to rank among the nation's top three overall the last three seasons. Air Force was third in 2020 with a 995, led the nation in 2019 with a 997 and ranked second in 2018 with 993. In addition to being one of the nation's best in regard to the NCAA's APR, 99 percent of seniors who have played for Calhoun since 2007 have graduated from the Academy and served as officers for our nation.

Calhoun is the first coach in the 100-plus year history of service academy football to lead teams to a post-season bid in his first six years. They

have done this while playing very strong opponents.

Calhoun and his staff have come up with a way to manage the varied demands of their players and lead them into a cohesive team that has fared quite well both on and off the field in his 15 seasons as head coach. He has guided the Falcons to 11 bowl games, including a program-record six straight from 2007-12, in his 15 years and has a 111-75 career record. Calhoun, who won his 100th game during the 2020 season, has led the program to an 11-win season (2019), three 10-win seasons (2014, 2016, 2021), two nine-win seasons (2007, 2010) and three with eight wins (2008, 2009, 2015). The Falcons have won two Mountain West Mountain Division titles (2015, 2021) and played in the championship game in 2015.

Air Force is 21-5 during the last two non-COVID seasons. The Falcons were 10-3 overall and tied for the Mountain Division title with a 6-2 record last season. The Falcons capped the

2021 season with another bowl championship with a 31-28 win over Louisville. Air Force capped a historic 2019 season with a 31-21 win over Washington State in the Cheez-It Bowl. The win gave Air Force an 11-2 overall record. The 11 wins are the most this century. The Falcons closed the season with an eight-game winning streak, the program's longest in one season since 1998. The eight-game streak trailed only national champion LSU's 16-game streak. Air Force finished second in the Mountain West Mountain Division with a 7-1 mark, the best MW record in program history and tied for the most conference wins all-time.

Under Calhoun's guidance, the 2016 team finished 10-3 overall, posting just the sixth 10-win season in school history and second under Calhoun. Air Force won the Commander-in-Chief's Trophy for a record 20th time and also won an Arizona Bowl championship.

Air Force won the Mountain Division championship in 2015 and earned a bid to the 2015 Armed Forces Bowl, while extending its school record home winning streak to 12 games, posting a 6-0 home mark for the second straight year. Calhoun was named the 2015 National Football Foundation, Colorado chapter, coach of the year for his efforts.

Calhoun's 2014 team finished 10-3 overall. Calhoun was named as a finalist for the Maxwell National Coach of the Year. The Falcons qualified for their seventh bowl game in eight years, and by winning the Famous Idaho Potato Bowl, captured their third bowl championship since 2009. Air Force defeated Army and Navy to win its 19th Commander-in-Chief's Trophy and its third CINC title in the last five years. The Falcons were also one of just two teams nationally to beat two 10-win teams in the regular season. The Falcons beat

Boise State and in-state rival Colorado State, who each won 10-plus games. Air Force's 10-win season was the first this century for the Academy. The team finished 6-0 at home for just the third time in school history. Calhoun's 2007 squad also finished 6-0 at home.

Air Force earned a bid in 2012 to the Armed Forces Bowl. Air Force won its second straight Commander-in-Chief's Trophy in 2011, the first back-to-back titles at the Academy since 2001-02 and earned their fifth straight bowl game in the Military Bowl. The 2010 Air Force team

HEAD COACH TROY CALHOUN

finished 9-4 overall and won Air Force's 17th Commander-in-Chief's Trophy championship with wins over Army and Navy. The Falcons closed the 2010 season with a victory over Georgia Tech of the ACC in the Independence Bowl. Calhoun was named Coach of the Year by the Colorado Chapter of the National Football Foundation.

The 2009 Air Force team finished 8-5 overall and concluded with a convincing 47-20 win over 25th-ranked Houston in the Bell Helicopter Armed Forces Bowl. Air Force set 13 Academy bowl team records in the dominant victory. Calhoun was named Coach of the Year by the Colorado Chapter of the National Football Foundation for his efforts.

Calhoun's 2007 and 2008 Air Force teams finished 9-4 and 8-5, respectively, and both earned bowl bids. The 2007 Falcons were the only team in Air Force history to win road games at Notre Dame, Utah and Colorado State in the same season. The five-game turnaround from 2006, in which Air Force was 4-8, was the largest in the nation that season by a first-year head coach. The five-game turnaround was the best in school history since the 1958 team had a school-record turnaround of six games.

Air Force's nine wins tied Calhoun for the most wins ever at a service academy by a first-year head coach, matching the mark set by Ben Martin in 1958. Calhoun was named the Mountain West Conference's Coach of the Year for his efforts. In addition, he was named Coach of the Year in Region 5 by the American Football Coaches Association and was one of eight finalists for the Eddie Robinson National Coach of the Year Award. He was also one of seven finalists for the AFCA National Coach of the Year award.

Calhoun brought to Air Force a wealth of experience at the collegiate and professional levels that was flooded with success at every stop prior to the Academy. Calhoun came to the Academy after serving as offensive coordinator and quarterbacks coach for the Houston Texans in 2006. The Texans were one of only two NFL teams to triple their number of wins from the previous year. On offense, the Texans had the NFL's leading receiver (Pro Bowler Andre Johnson with 103 catches), the NFL's best quarterback completion percentage (68.4 percent) and their quarterback tied a NFL record against Buffalo with 22 straight completions.

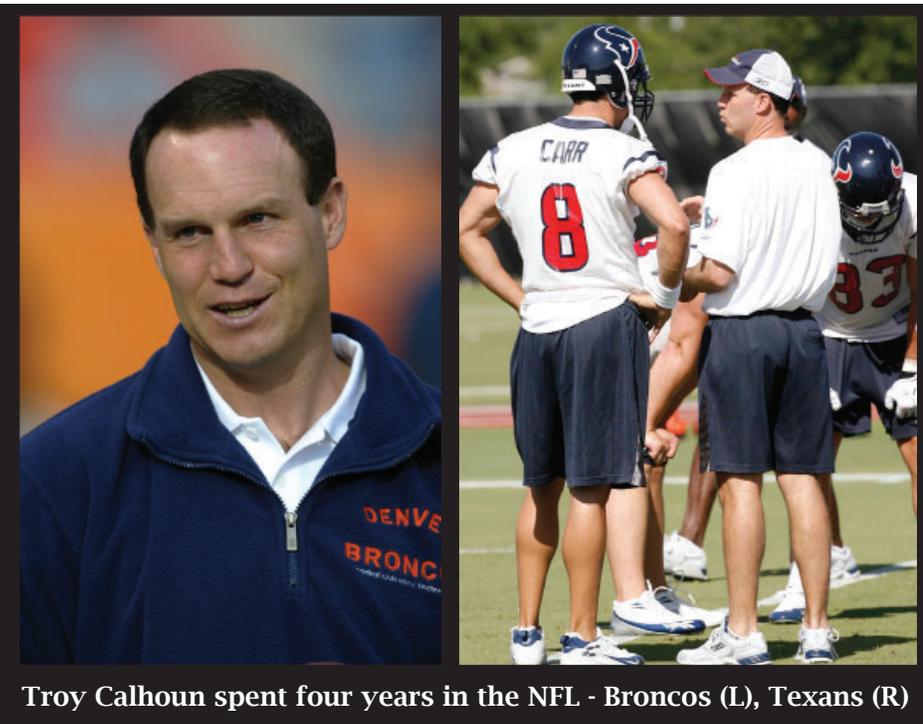

Calhoun became a well-rounded NFL coach, working as a defensive assistant, special teams assistant and offensive assistant with

the Denver Broncos from 2003-05. He began his NFL coaching career by serving on the defensive side of the ball in 2003. He helped coach the NFL's fourth-best defense. The Broncos' defense ranked seventh against the run and sixth against the pass. Denver's defense yielded a mere 17.6 points per game as they made the playoffs for the first time since 2000.

In 2004, Calhoun moved to become an assistant on offense and worked with the special teams. The offense ranked fifth in the NFL, averaging 395.8 yards per game. Calhoun worked closely with Broncos head coach Mike Shanahan in the 2005 season, serving as the assistant to the head coach. The Broncos won the AFC West title for the 10th time in their history and played for the AFC Championship game for the first time in seven seasons. Their 14-4 record was the best since Denver finished the 1998 season as winners of Super Bowl XXXIII. The offense finished fifth in the NFL averaging 360.4 yards per game. The defense was stout against the run, finishing second in the NFL with 85.2 yards per game. Denver finished with an undefeated record at home during the regular season for the fifth time in team history. During Calhoun's three years in Denver, the Broncos made the playoffs every season, averaging over 11 wins a year.

Prior to the NFL, Calhoun was an offensive coordinator for six seasons on the collegiate level. He began his coaching career at Air Force, where he worked as a graduate assistant from 1989-90. He started at quarterback for the Academy in 1986 and was one of only two freshmen to letter for the 1985 team.

Calhoun served his country from 1989-95 as an active duty officer in the Air Force. He was an assistant coach for the Falcons in 1993-94. He moved to Ohio University in the spring of 1995 where he served as the quarterbacks coach for two seasons. Calhoun was promoted to offensive coordinator in 1997. The

Bobcats defeated Maryland in 1997, marking the school's first win against a team from the ACC in school history. The '97 Bobcats' 8-3 record was the schools best in 29 years. During his last season at Ohio in 2000, the Bobcats beat two bowl teams, Minnesota and Marshall, for the first time in school history. Calhoun's 2000 offense set a school record with 418.1 yards per game.

Calhoun moved to Wake Forest in 2001. The Demon Deacons were one of only seven teams in the country in 2001 to score more than 30 points in each of the final four games. During his second season in 2002 Wake led the ACC in total offense with 408.1 yards per game. His offense had a league-best 990 plays and was efficient with the ball, committing only 16 turnovers, fewest in the ACC. The 2001 season culminated with a 38-17 bowl victory over Oregon to give Wake Forest its first back-to-back winning seasons since the ACC expanded from eight teams.

Calhoun was raised in a home where both kids graduated from the Air Force Academy and were varsity letter winners on nationally-ranked teams. Calhoun's younger sister, Callie, is a 1991 Academy graduate. She was a 10-time track and cross country All-American who won six NCAA national titles. Troy Calhoun graduated from the Academy in 1989 as a member of the superintendent's list by earning over a 3.0 grade point average along with a military performance average of better than 3.0. He also completed a master's in business administration (MBA) from Oklahoma City

University in 1992. He and his wife, Amanda, live in Colorado Springs and have two children, Tyler (20) and Amelia (18). Calhoun and his wife, Amanda, have a strong respect and affinity for the members of our armed services and are very involved with numerous charitable and community endeavors.

MARC BACOTE - TIGHT ENDS

Marc Bacote is in his first season as tight ends coach at Air Force. He comes to the Academy after spending two years at Hampton. The team was also first in the conference in total offense and second in third-down conversions. Bacote coached first-team all-Big South receiver Jadakis Bonds.

Bacote was co-offensive coordinator, receivers and quarterback coach at Howard in 2019, prior to his stint at Hampton, where he coached receiver Kyle Anthony, a third team All-MEAC selection.

He spent two seasons as the wide receivers coach at Richmond from 2017-18. Bacote led the Spider's receiving corps in 2017 that accounted for over 3,000-yards receiving. He led three wide receivers to all-Colonial Athletic Association honors in 2017, Dejon Brissett, Cortelle Simpson and Tyler Wilkins. All three were ranked in the top four in the Colonial Athletic Association (CAA) in receiving yards,

the top six in receptions and the top seven in receiving touchdowns.

His Hampton squad finished first in the MEAC in total defense in 2015 and third in total defense in 2016. He coached third-team all-MEAC selection Brenden Cole in 2016.

Bacote served his first stint at Hampton after spending a season at the Apprentice School, where he served as defensive coordinator in 2014. Under Bacote's tutelage, the Apprentice School improved in several defensive categories, including points per game allowed, total yards per game allowed, third down efficiency, and redzone defense. From 2011-13, Bacote coached cornerbacks at Old Dominion, including 2011 second-team all-CAA selection Eriq Lewis. ODU made the FCS playoffs with Bacote on-staff in 2011 and 2012, including the CAA's top record in 2012, before the Monarchs began the transition to FBS in 2013.

In 2010-11, Bacote worked at Rutgers as a quality control coach, where he worked with the team's wide receivers and defensive line. While at Rutgers, Bacote coached two future NFL players in Mohamed Sanu and Tim Wright. From 2008-09, Bacote coached wide receivers at Morehead State.

His first coaching job came in 2008, when Bacote served as a volunteer assistant at James Madison, working with the Dukes' wide receivers.

Bacote was a wide receiver at James Madison for four seasons (1997-2000), where he was a part of the school's first conference championship team. He graduated from JMU with a degree in kinesiology, after spending five

JAKE CAMPBELL - SLOT BACKS

Jake Campbell is in his 11th season at Air Force and fourth as the slot backs coach. Campbell returned to his alma mater after four years at Claremont-Mudd-Scripps where he was offensive coordinator and quarterbacks coach in 2011. He coached running backs his first three seasons.

Campbell has been instrumental in the development of running backs Jacobi Owens, who rushed for 1,000 or more yards in back-to-back seasons and finished his career with over 3,000 yards rushing, and Tim McVey, who finished among the school's all-time bests in rushing and receiving yards per touch and kickoff return average. McVey became the first player in school history to have over 100 yards rushing and receiving in the same game which he did vs. New Mexico in 2014. In addition, he mentored Kadin Remsberg, who rushed for 1,000-plus yards in 2019 while being named offensive most valuable player in the Cheez-It Bowl. Remsberg finished his

career ranked 16th in program history with 1,779 yards.

Campbell mentored two offensive MVPs (DJ Lillard, 2010 and Spencer Clark, 2011) at CMS. Lillard was the first running back to make first-team all-SCIAC since 2002 while Clark led the team in all-purpose yards in his senior campaign.

Under Campbell's direction, the offensive unit made its way into the school's record books. The 2010 team broke the school's record for points scored in a season with 268 and tied the school record for touchdowns in a season at 36. The 2010 offense also led the conference in rushing, third down conversions, turnovers, sacks given up, and red zone efficiency, while being second in scoring and time of possession. Peter Kimmey, who took over for the starting role at quarterback midway through the year, rushed for 14 touchdowns in Campbell's system, one shy of the school record. He led the conference in rushing touchdowns and points per game.

Campbell is a 1996 graduate of the Air Force Academy. His on-field accomplishments and highlights as a running back make him one of the best to ever play the position at the Academy. He captained the 1995 team that won one of the Academy's three Western Athletic Conference (WAC) championships in its history. Campbell's efforts land him in the top 10 in several areas of the Falcon record book. He is currently fifth all-time in yards per carry for a season, fifth all-time for a career. He is also seventh all-time for yards per reception for a season and fourth in career touchdown receptions. He put together back-to-back 1,000 plus all-purpose yards his junior and senior years as a running back, receiver and kick returner. Campbell was later named to the Colorado Springs Gazette Telegraph's Air Force all-decade team of the 1990's.

Prior to joining the CMS football staff, Campbell served 10 years as an officer in the Air Force, reaching the rank of major. Campbell amassed over 1,000 flying hours as a pilot in the T-37, T-1A, and C-9A airframes. He flew the first state-side C-9A aircraft to deploy overseas

in support of military operations in Kosovo. Campbell finished his military career as a contract negotiator. He was responsible for leading negotiating teams with Fortune 500 companies in contracts worth well over \$400 million to deploy the widely known and frequently used Global Positioning System (GPS).

Campbell spent one season at the Air Force Academy Prep School as an assistant football coach. His responsibilities were coaching the running backs and quarterbacks, as well as the offensive play-calling duties. While at the Prep School, he helped develop numerous eventual Falcon football stars such as Scott McKay, Qualario Brown, Nate Beard and Chris Jessup. Campbell was also a math instructor and taught calculus.

Campbell was also a Nike/SPARQ trainer and the lead running back coach for the Nike Football Training Camps held throughout the country. He has worked with some of the best athletes in the country, many who have gone on to professional and Division I careers.

Originally from North Highlands, a neighborhood in Sacramento, Calif., Campbell was a four-sport starter in high school. He lettered in football, basketball, baseball and track. Campbell was also an assistant coach for the two-time defending conference champion CMS Athena softball team. Campbell is married to the former Bonnie Anderson. The couple has a one-year-old daughter, Cora. He also has a son, Brayden.

Ari Confesor is in his fourth season as wide receivers coach at Air Force. He came to the Academy from Holy Cross, where he was the passing game coordinator and receivers coach in 2018.

Confesor had a remarkable debut season with the Falcons in 2019, helping to mentor one of the best wide receiver combos in program history in seniors Geraud Sanders and Ben Waters. The pair combined for 52 catches for 1,404 yards and 14 touchdowns. Sanders had 30 grabs for 746 yards and Waters 22 for 658 yards. They each had seven touchdown catches. Their 52 catches are the most at Air

Force since 2015, while their yards and touchdowns are the best in the option era (1980) and best overall since 1970. Sanders led the nation with a 24.9 average and finished fifth in program history for TD catches in a single season. Waters set a school record with a 29.9 yards per catch average and tied with Sanders for fifth in AF history in touchdown catches.

Confesor helped Brandon Lewis complete one of the most successful and unexpected seasons in recent history in 2021. Lewis finished the season with team bests of 20 catches for 600 yards while setting a school record with his 30.0 yards per catch average, breaking the mark that Waters set just two seasons ago. Lewis capped the year with one of the best bowl performances ever, with five catches for 172 yards and two touchdowns. His 172 yards is a program record for a bowl while his TD catches of 64- and 61-yards rank third and fourth in AF history in the post season. The 172 yards were fifth best among players in bowl games while his 34.4 yards per catch ranked second.

Confesor coached wide receivers from 2014-17 and was the co-special teams coordinator at Rhode Island in 2017, where he coached two players who earned All-Colonial Athletic Association honors in 2017 (Marven Beauvais and Aaron Parker). His return units produced third-team all-CAA kick returner Harold Cooper and Matt Pires, who earned third-team all-CAA honors at a punt returner.

He also helped the Rams rank 27th in the nation in yards per completion in 2016. He was previously Rhode Island's linebackers coach in 2013 while working in the scouting department of the Kansas City Chiefs in 2012. He was also a member of the Rhode Island coaching staff from 2009-2011, coaching wide receivers (2010-11) and assisting with the secondary (2009).

Confesor is a 2004 Holy Cross graduate with a bachelor's degree in political science. He was a two-time All-America selection as a wide receiver and return specialist, and served as team captain during

Confesor was selected to participate in the 2015 NFL-NCAA Coaches Academy. The NFL and NCAA host the Coaches Academy for former NFL players who are current coaches. The highly competitive and intensive program trains selected participants in a variety of areas that encourage effective coaching and improve student-athlete well-being at both the intercollegiate and professional levels. Confesor was one of 30 coaches nationally to participate in the training.

Confesor and his wife, Katie, have two daughters, Nora (7) and Madalina (5) and a son, Camden (1).

Tim Horton is in his second season as running backs coach and special teams coordinator at Air Force. Horton returned to the Academy in 2021 after coaching wide receivers and running backs under legendary Air Force head coach Fisher DeBerry from 1999-2005.

Horton's first year back saw the emergence of tailback DeAndre Hughes, who finished fourth on the team in rushing with 497 yards while averaging 8.1 yards per carry. He also developed depth at the position. The Falcons led the nation in rushing with a 327.7 average, the only team in the nation to average 300+ yards per game.

The kicking game flourished with a pair of freshmen. Kicker Matthew Dapore finished the season hitting 8-10 field goals and 31-32 extra points for 55 points which was third on the team. Punter Carson Bay had 16 punts for

a 40.9 average with five inside the 20 and four fair catches.

Horton came to the Academy after spending the previous two years as running backs coach at Vanderbilt. Horton has a wealth of experience in the Southeastern Conference, coaching for over a decade as an of-fensive assistant at Auburn and Arkansas. During that time, he coached five SEC Players of the Year and nine all-conference running backs.

In 2019, Horton's top Vanderbilt pupil Ke'Shawn Vaughn topped the Commodore of-fense with 1,028 rushing yards, 1,298 all-purpose yards and 10 touchdowns. Vaughn went on to be selected by the Tampa Buc-caneers with the 76th overall pick of the NFL Draft.

From 2013-18, Horton served as Auburn's running backs coach. He also served as the Tigers' recruiting co-ordinator in 2015-16. In 2018, Ja'Tarvious Whitlow earned All-SEC freshman recognition.

From 2013-18, Horton coached four running backs that paced the SEC in rushing: Heisman Trophy finalist Tre Mason (2013), Cameron Artis-Payne (2014), Kamryn Pettway (2016) and Kerryon Johnson (2017). Mason and Johnson both earned SEC Offensive Player of the Year honors during Horton's tenure.

In 2013, Auburn became the first and only SEC team to lead the nation in rushing. In 2017, Horton coordinated special teams for the Tigers and coached kicker Daniel Carlson, who was the SEC's special teams player of the year. Horton became the only assistant in

league history to coach the SEC offensive and special teams players of the year in the same season.

From 2007-12, Horton served a similar capacity at the Arkansas where he starred as an undergraduate in the late 1980s. At Arkansas, where he was also recruiting coordinator, Horton was one of just two coaches in the nation to coach four different 1,000-yard rushers from 2007-10, including 2007 Doak Walker Award winner Darren McFadden and All-American Felix Jones.

Horton has coached in 13 bowl games, including the 2013 NCAA national championship

Horton has also succeeded in preparing running backs for the NFL. Thirteen different running backs coached by Horton have become NFL starters, including McFadden, Jones, Peyton Hillis, Mason, Artis-Payne, Payton Barber and Johnson.

Prior to coaching at Arkansas, Horton spent the 2006 season as the running backs coach at Kansas State and was the wide receivers and running backs coach at Air Force from 1999-2005. The Falcons led the nation in rushing in 2002. He began his coaching career at Appalachian State in 1990, helping the program to a 67-32 record during eight seasons, including Southern Conference championships in 1991 and 1995 and five NCAA Division I-AA playoff appearances.

Horton was a four-year letterwinner at Arkansas, starting as a split end and punt returner from 1987-89. As a senior captain, Horton earned second-team All-SWC honors. During Horton's Arkansas playing career, the Razorbacks compiled a 38-11 record, won back-to-back SWC titles (1988-89) and appeared in four straight bowl games. His senior class is the winningest in program history. In 2019, Horton was inducted into the inaugural Conway, Ark., High School Wampus Cat Hall of Fame and in 2021, he was inducted into the Arkansas Sports Hall of Fame.

Horton and his wife, Lauren, are the parents of a daughter, Caroline, and a son, Jackson.

Charlie Jackson enters his first year at Air Force as assistant head coach and defensive backs coach. He comes to the Academy from Kentucky State, where he served as head coach the last three seasons.

Jackson garnered national recognition for his total rebuild and overhaul of the Kentucky State program. He is the winningest (percentage) head football coach at Kentucky State since 1945, with a minimum 20 games. Jackson arrived at Kentucky State with the football program in the midst of an abysmal downward spiral that culminated in a 0-10 season in 2018. He took over a program on a 12-game losing streak and a record of 1-16 in the previous 17 games.

In Jackson's first year leading the program, the team's win total improved by seven games, the highest total win improvement in the country. His team posted victories over multiple Division I opponents for the first time in school history, and his team's 70 percent winning percentage (7-3) was the program's best in 41 years. After not competing in 2020 due to COVID-19, the next season produced more winning and the team's 14-win improvement over two seasons ranked No. 1. Jackson's

team set university records for points in an away game (76), points in a home game (63), total yards in a game (746), rush yards in a game (662), Division 1 victories, most players with a 3.0 GPA (35), and many more.

Jackson was just as successful off the field. He created a program known as MaxOut Foundation - A plan of action for collegiate student-athletes: helping people, positively impacting society, and leading by example. MaxOut Foundation has been recognized throughout Kentucky and nationally for its efforts to develop well-rounded student-athletes. It has been lauded for teaching citizenship and increasing sense of belonging while broadening perspectives and asking student-athletes to consider the roles of military service, social programs, economic growth, infrastructure, and education with regard to community building. Included in MaxOut Foundation's many development and community engagement initiatives are team activities at Thomson-Hood Veterans Center, a Veterans facility providing nursing care/rehabilitation for Kentucky Veterans, former POWs, and wounded Veterans.

Jackson was an assistant coach for the Atlanta Falcons of the National Football League (NFL) as a defensive assistant/defensive backs coach prior to his stint at Kentucky State. Prior to the Falcons, Jackson served on the NCAA national headquarters staff as a member of the College Football Rules Enforcement Group. He was responsible for the football rules development efforts in the Southeastern Conference (SEC) and the Mountain West Conference (MWC). His background includes multiple defensive coaching roles with the Green Bay Packers and Denver Broncos, along with coaching fellowships with the Falcons and St. Louis Rams. He also served as a college scout for the Seattle Seahawks organization. Jackson has collegiate experience at Colorado, UCLA, Utah State, Buffalo, and Air Force. Jackson was a defensive assistant and junior varsity coach at the Academy in 2004.

Jackson is a 2000 graduate of the Air Force Academy, where he earned a bachelor's degree in management. He later earned a master's degree in management and sports studies from California State Long Beach. Jackson was a three-year letterman in football and also participated in indoor track and field. Following his senior football season, Jackson was selected by his teammates as a permanent team captain and recipient of Air Force football's highest honor, the Brian Bullard Award, as the player who displays unselfishness, pride in his role, total team commitment, and 110 percent effort.

Jackson served in the Air Force before entering the coaching arena in 2004. He ascended

As a football player at Macon County, he was selected to the Georgia Academic All-State football team and many on the field accolades, including Georgia Region 1A Football Player of the Year and Georgia Class-A Football Defensive Player of the Year honors.

Jackson is a member of the Fellowship of Christian Athletes (FCA). BRIAN KNORR - DEFENSIVE COORDINATOR/INSIDE LINEBACKERS

Brian Knorr enters his first year as defensive coordinator in 2022, and third year as inside linebackers coach. He coached outside linebackers in 2019 and spurs in 2018. This is Knorr's third stint with the Air Force football program. Knorr returned to the Academy from Arizona, where he served as the special teams coordinator and coached the STUD position, a hybrid defensive end and linebacker role.

Knorr has over 25 years of collegiate coaching experience that includes four seasons as the head coach at Ohio University, along with six seasons of defensive coordinator responsibilities at Ohio, Wake Forest and Indiana. Prior to his stint at Arizona, Knorr spent the 2016 season as a quality control assistant at Ohio State.

Prior to the one-year stint at Ohio State, Knorr was the defensive coordinator at Indiana during the 2014-15 seasons, where he tutored the defensive ends and outside linebackers. In his first season, the Hoosiers made significant improvements in scoring defense (+6.0), rushing yardage (+55.1) and total yardage per

game (+94.1), as well as third down conversion percentage (+10.4), sacks (+3) and tackles for loss (+13). His second season helped Indiana to a bowl berth and a six-win season for the first time in seven years.

Before his two-year stay at Indiana, Knorr served in several coaching roles at Wake Forest over six seasons. In 2008, he joined the Demon Deacons staff as wide receivers coach where he worked on the offensive side of the ball for three years, then switched sides to become co-defensive coordinator and inside linebackers coach in 2011. He was named defensive coordinator in 2012, while he continued to coach the inside linebackers, then oversaw the outside linebackers in his final season of 2013.

As the defensive coordinator at Wake Forest, the Demon Deacons produced some staunch numbers. In 2013, Wake Forest allowed only 24.1 points per game (38th nationally), 143.2 rushing yards (34th), 223.0 passing yards and 366.2 total yards (32nd) per game. A year prior, Knorr's system produced 23 turnovers to rank second in the ACC with 12 forced fumbles. In conference games, Wake Forest ranked in the top half of the conference in eight of the 12 major defensive categories.

Knorr made the second stop of his coaching career at Air Force, his alma mater, for three seasons from 2005-07. He was initially hired to coach outside linebackers and strong safeties for two seasons, then was named assistant head coach and mentored the inside linebackers in 2007.

Prior to his return to Air Force, Knorr put together a 10-year tenure at Ohio University highlighted by four seasons as the program's head coach from 2001-04 as he became the first Air Force Academy graduate to be named a head football coach at the Division I level. Previously, he was the Bobcats' defensive coordinator in 1999-2000 and a linebacker's coach from 1995-98.

The Bobcats' defense ranked in the top five in the Mid-American Conference in scoring, rushing and total defense every year in his time as coordinator, and five players earned all-conference accolades. Additionally, Knorr oversaw Ohio's special teams, including in 2001 when the Bobcats led the NCAA in punting. Punter Dave Zastudil earned first team All-America honors that season and went on to an 11-year professional career with the Baltimore Ravens, Cleveland Browns and Arizona Cardinals. He is one of seven players overall coached by Knorr to go on to professional careers.

He joined the Falcons following five years as a captain on active duty, stationed at Wright-Patterson Air Force Base in Dayton, Ohio.

As a three-year letterman, Knorr quarterbacked Air Force to three bowl appearances. He served as a team captain his senior season.

Knorr received a bachelor's degree in management from the Air Force Academy in 1986 and an M.B.A. from Dayton in 1991. He and his wife, Julie, have a daughter, Katie, and twins, Reagan (daughter) and Brett (son).

Ken Lamendola enters his first year as outside linebackers coach at Air Force. He came to the Academy from Furman, where he spent five years as the Paladins' inside linebackers coach and three as recruiting coordinator.

In his first year on staff, Lamendola was forced to manage early season-ending injuries to three senior starters — a task he accomplished in solid fashion by overseeing the development of a pair of Southern Conference All-Freshman Team performers, including

Elijah McKoy, who finished the season with 81 tackles on the Paladins' 8-5 squad that advanced to the FCS playoffs, and Reynard Ellis, who was on the Jerry Rice Award watch list.

In 2018, he helped first-year starter Donovan Perryman play a key role in the squad's strong stretch run that saw the Paladins register five wins over their final six games to claim a share of the program's 14th SoCon championship.

In 2019, freshman inside linebacker Braden Gilby fashioned an impactful first season, earning SoCon All-Freshman honors and was a Phil Steele Freshman All-American team member while helping Furman to an 8-5 campaign, an at-large berth to the FCS playoffs, and AFCA No. 19 final national ranking. This past season, freshman linebacker Nicky Kuzemka earned SoCon all-conference honors.

The quality work Lamendola has turned in with his players on the field has been mirrored by the stellar recruiting effort he has directed the last two years. Furman's 2019 class was rated 16th nationally while the 2020 class was second nationally.

Lamendola came to Furman from Air Force Academy Preparatory School, where he

coached inside linebackers for two seasons from 2015-17.

Lamendola's playing career spanned five seasons (2007-11) and was highlighted by a sophomore campaign that saw him rack up 118 tackles and earn honorable mention All-Mountain West Conference honors as an inside linebacker before injuries curtailed his playing time.

The Westlake, Ohio, product totaled 24 tackles before a season-ending knee injury as the 2009 Air Force squad defeated 25th-ranked Houston, 45-20, to win the Armed Forces Bowl. The next year he was a member of a Falcons' squad that went 9-4 and

beat Georgia Tech, 14-7, in the Independence Bowl, and in 2011 he served as team captain in helping Air Force capture the Commander-in-Chief's Trophy, which is awarded annually based on head-to-head results among the three service academies.

Lamendola is a December 2011 graduate of the Academy, where he earned a bachelor's in management. He has completed graduate level studies in United States Air Force Fundamentals of Acquisition Management at Wright-Patterson Air Force Base in Dayton, Ohio, and holds a master's degree in human resources from the University of Oklahoma.

He served one year as a program manager for Air Force One in the Very Important Person Special Air Mission (VIPSAM) and Special Duty Division at Tinker Air Force Base in Oklahoma. An 18-month stint as executive officer in the VIPSAM Special Duty Division followed before he was assigned program manager duties in the E-4B Commercial Derivative Aircraft Division in Sept. of 2014. Among his many tasks there were enabling critical decision making capability to the Secretary of Defense and the National Airborne Operations Center for the \$150 million/year E-4B fleet and spearheading a \$400 million-dollar Low Frequency Transmit System replacement.

Steed Lobotzke enters his eighth year at Air Force and sixth as the offensive line coach. Lobotzke coached tight ends his first two years at the Academy.

Lobotzke's first season at the Academy saw tight end Garrett Griffin develop into a free-agent signee by the New Orleans Saints.

His work with the offensive line has been just as impressive. His offensive line helped Air Force to back-to-back national rushing titles. The Falcons averaged 327.7 yards per game in 2021 and led the nation for a program-record 10 consecutive weeks. The line became the first Group of 5 squad to become a finalist for the Joe Moore Award, which goes annually to the top offensive line in college football. The line, nicknamed The Diesel, was outstanding all season, as the unit had eight different starting lineups, including three different centers. Air Force also led the nation in time of possession with a 36:35 mark.

Air Force earned the national rushing title

in 2020 with a 305.7 per-game average. The Falcons won their fourth straight conference rushing title. The group allowed just two quarterback sacks to lead the Mountain West and rank third nationally. The Falcons led the conference and ranked 17th nationally in time of possession with a 32:30 mark while producing five 100-yard rushing games in 2020.

Lobotzke came to the Academy after spending the 2014 season at Winston-Salem State where the Rams made a trip to the CIAA Championship. He spearheaded the Ram offense that recorded eight-straight 400-plus yard games and Winston-Salem State ended the year with a No. 10 national ranking.

Prior to WSSU, Lobotzke spent 13 years at Wake Forest, including 11 seasons as the Deacons' offensive coordinator and offensive line coach. He also coached the running backs, tight ends and fullbacks. During his tenure, the Wake Forest offense broke many school and ACC records.

In 2012, junior wide receiver Michael Campanaro caught 7.9 passes per game, which led the ACC and was the second-best mark in ACC history. His 79 receptions in 2012 were the fourth-highest single-season mark for a Wake Forest player and were achieved despite the fact that he missed almost three games with an injury. Campanaro's 16 catches against Boston College set an ACC single-game record.

The 2011 team came within a field goal of playing for the ACC championship and went to the Music City Bowl. The squad scored 338 points - third-best in Wake Forest history - and only had 12 turnovers, which was the lowest total in school history and the best in the ACC that season.

In 2006, Wake Forest won 11 games and the ACC Championship. The offense produced 4,298 yards, the third-highest total in school history, and put up Wake Forest's fourth-best scoring season with 302 points. Wake Forest also ranked sixth in the nation in fewest turnovers. Freshman quarterback Riley Skinner was named ACC Rookie of the Year after leading the ACC in pass efficiency (139.6) and breaking the Wake Forest record for completion percentage (65.8 percent). On November 13, 2006, Lobotzke was chosen as the Master Football Coaches MCS Nike Offensive Coordinator of the Week after Wake Forest defeated Florida State 30-0 in Tallahassee.

Lobotzke went to Wake Forest along with head coach Jim Grobe after serving under Grobe the previous four years at Ohio University as the centers and guards coach. In his four seasons at Ohio, the offensive line paved the way for four of the top five rushing seasons in school history.

Lobotzke's ties with Grobe go back to their days at the Air Force Academy when Grobe personally recruited him. The northern California native attended the Academy and lettered on the football team in 1990-1991, playing on the offensive line. As a player, Lobotzke helped lead Air Force to three Liberty Bowl appearances. He earned second-team All-Western Athletic Conference honors as a junior and was named to the first team as a senior before being invited to play in the East-West Shrine Football Classic.

After graduating from the Academy in 1992 with a degree in economics, Lobotzke began his coaching career at his alma mater. He served as a graduate assistant in the 1992-93 season, helping lead the team to another Liberty Bowl berth in 1992. Following his tour of active military duty, Lobotzke joined the Ohio staff in 1997.

Lobotzke is married to the former Kristin Hazen of Warren, Ohio. The couple has two daughters: Capri and Gia and one son, Anthony.

MATT MCGETTIGAN - STRENGTH AND CONDITIONING

Matt McGettigan is in his 16th season as the strength and conditioning coach for the Falcon football team.

Widely considered one of the best in the country, McGettigan helped transform the Falcon program. Prior to his coming to the Academy, the Falcons had posted a 12-24 record over the second half of the season from 2001-06. Since his arrival, the Falcons have won over 70 percent of their games over the second half of the season. In addition to being in better physical shape, the Falcons have seen fewer significant injuries.

McGettigan played a key factor in the play of 2007 All-American Chad Hall, a 5-foot-8, 185-pound do-everything runner who averaged over 32 touches per game over the last seven weeks of the 2007 season. Hall went

on the play in the National Football League for several seasons. McGettigan also helped develop Ben Garland, who plays for the San Francisco 49ers. Garland was a defensive lineman in college and has played both offense and defense in the NFL. Garland has been a part of three Super Bowl teams, including the 54th edition with San Francisco last season. McGettigan worked close with long snapper Austin Cutting, who was a rookie with the Minnesota Vikings in 2019. He was the team's starting long snapper.

McGettigan received the ultimate affirmation of excellence when he earned recognition as the 2001 National Collegiate Strength and Conditioning Coach of the Year by the Professional Football Strength and Conditioning Coaches Society. The award underscored the respect McGettigan has from his peers.

McGettigan joined the Iowa State staff in 1996 with head coach Dan McCarney. He spent 11 years with the Cyclones before coming to Air Force in the summer of 2007.

Prior to his stint in Ames, he was an assistant strength and conditioning coach at Notre Dame from 1991-95. Before his work with the Fighting Irish, McGettigan served as the strength and conditioning coordinator for Wisconsin-Platteville from 1987-90.

McGettigan completed his undergraduate work in physical education at Luther College in Decorah, Iowa, in 1987, where he was a three-year starter on the football team. He is

ALEX MEANS - DEFENSIVE LINE

Alex Means is in his first season as defensive line coach at Air Force after spending the last two seasons as outside linebacker coach. This season is his fifth overall as an assistant. He was the assistant defensive line coach his first two years. Means was the outside linebackers coach at the Air Force Academy Prep School in 2017.

Means helped develop the play of outside linebacker Vince Sanford, who was one of the most disruptive players in the nation last season. He was among the league leaders in several categories, ranking sixth in forced fumbles (.31) and fourth in sacks (.73) and tackles for loss (1.3). Sanford was a second-team all-conference selection and led the team with 17 tackles for loss for 118 yards which ranks sixth in program history. He also had 9.5 sacks for 91 yards which ranks eighth in school history.

The Air Force defense has been outstanding the last three years. The 2020 defense was among the top units in program history, finishing third nationally in scoring defense with a 15.0 average. The 15.0 mark is the best at the Academy since 1997. The team also ranked fifth nationally in passing yards allowed (166.8) and fourth in redzone defense (.692). The defense was third in the conference and 20th nationally in scoring defense with a 19.8 norm in 2019. The unit allowed just 100.5 yards per game, which is the best single season mark in program history, breaking the mark of 109.0 set in 1985. The defense allowed just 319.6 yards per game which is the best single season mark in the program since 2009.

Means helped the development of outside linebacker Parker Noren in 2020. Noren was fourth on the team in tackles with 29 while recording a pass breakup and fumble recovery.

The 2019 defensive line was anchored by Mosese Fifita, who was named first-team all-MW. Fifita recorded 48 total tackles and had 7.5 tackles for loss and 6.0 sacks which are the best marks by an Air Force defensive lineman since all-conference performer Ben Garland in 2009. Fifita is the first Falcon defensive lineman to earn first-team all-conference honors since 2015.

Means is a 2013 Academy graduate and four-year football letterman. He helped lead the Falcons to four consecutive bowl games as a player, including a 14-7 win over Georgia Tech in the 2010 Independence Bowl. Means was a second-team all-Mountain West selection in

BRETT SKENE - SPECIALIST/ASSISTANT OFFENSIVE LINE

He played football from 2007-08, than served as a student assistant from 2009-10. He later earned his master's in business administration (MBA) from Louisiana-Monroe in 2014.

His post-graduate coaching career began at Chadwick School in Peninsula Palos Verdes, Calif., as an offensive coordinator from 2016-18 while stationed in California.

Skene is a native of Littleton, Colo., and a 2007 graduate of Mullen High School.

Brett Skene enters his first season as the specialist coach and assistant offensive line coach. He served as an offensive assistant last season. This season is his fifth overall with Air Force football. He served as an offensive analyst prior from 2018-20.

Skene helped the Air Force offense to averages of 31.0 points per game, which ranked fourth in the conference, and 423.5 total yards, which was also fourth. The Falcons won their second straight national rushing title with a 327.7 average to rank as the only team in the nation to average 300-plus for a second consecutive year.

Skene came to the football program full time after serving as an instructor of management at the Academy from 2018. Prior to that, he served as an acquisition manager at Los Angeles Air Force Base, Calif., from 2015-18. He began his military career as an acquisition manager at Patrick AFB, Fla., from 2011-15.

MIKE THIESSEN - OFFENSIVE COORDINATOR/QUARTERBACKS

Mike Thiessen is in his 16th season as an assistant coach at the Academy. This season is his ninth as the solo offensive coordinator after four years of sharing the duties, and his seventh as the quarterback coach.

As offensive coordinator, Thiessen has led a unit over the last eight years that has been in the top four of the nation in rushing each year, averaged 30-plus points per game, been in the top three nationally in passing yards per completion and among the top 10 in third-down percentage. This has been one of the most productive offensive eras in Academy history. The Falcons have won back-to-back national rushing titles, just the second and third titles in program history. The Falcons have been the only team to average 300-plus nationally the last two seasons. The Falcons led the nation in time of possession in 2021 with a 36:35. Thiessen received national recognition in 2021 as a Broyles Award candidate for assistant coach of the year.

He has guided quarterbacks Karson Roberts and Arion Worthman to bowl most valuable player honors. Roberts finished his senior campaign leading the team to a Mountain West division championship while Worthman finished the 2017 season in the top 10 in the conference in four categories. As receivers coach, Thiessen was instrumental in the development of Jalen Robinette, who finished his career as the all-time leading receiver in school history with 120 catches for 2,697 yards and 18 touchdowns. He was also a key contributor in the development of All-American Chad Hall, the conference offensive player of the year in 2007. Hall caught 50 passes, the sixth most in school history, for 524 yards, while rushing for 1,478 yards, which ranks second all-time in school history. Hall played six seasons in the NFL and earned a Super Bowl appearance with the San Francisco 49ers.

A two-sport star during his collegiate career, Thiessen was an All-American baseball player as a centerfielder in the spring of 2000 and was the Mountain West Conference football offensive player of the year in the fall of 2000. A two-year starter at quarterback, Thiessen led the team in rushing and was among the conference leaders in rushing yards and touchdowns in 2000.

He capped off his career by earning offensive most valuable player honors while leading Air Force to a 37-34 win over Fresno State in the Silicon Valley Classic. Thiessen finished the game with 99 yards rushing and 204 yards passing.

Thiessen was a team captain as a senior, while rushing for 713 yards and 10 touchdowns and passing for 1,687 yards and 13 scores in 2000. On the diamond, he set 10 Academy records (six career and four single-season), including a 33-game hitting streak which stood for 17 years. He was

inducted into the Air Force Athletics Hall of Fame in 2017, as part of the school's sixth class, and served on the selection committee for the class of 2019.

After graduation in 2001, Thiessen was a 42nd round draft pick of the Arizona Diamondbacks in 2001. He played in 27 games with the Yakima Bears "A" team and led the squad with a .308 batting average. His first military assignment was at Luke Air Force Base, Ariz., working in the 62nd Fighter Squadron.

He entered the World Class Athlete Program and played with the Lancaster Jethawks, an advanced A affiliate of the Diamondbacks in 2003. He hit .278 with five homers and 42 runs scored in 85 games. Following that season, he returned to Luke and worked in personnel.

After three years at Luke AFB, Thiessen returned to the Academy to teach and coach at the USAFA Prep School. He served as an instructor in algebra, calculus and chemistry and was the offensive coordinator for the football team for three seasons before joining the Academy staff in 2007.

Thiessen and his wife, the former Kristen McClellan of Jefferson City, Mo., have a son, Andrew, and a daughter, Brooke.

Nick Toth enters his first season as safeties coach at Air Force. Toth returns to the Academy from the University of Akron where he was defensive coordinator and linebacker coach. This is Toth's second stint at Air Force, as he previously served as spurs and nickels coach in 2017.

Toth worked the previous season at Oregon, helping coach the Ducks outside linebackers en route to Oregon winning a Pac-12 North title. He coached All-American defensive end Kayvon Thibodeaux, who was a finalist for the Bednarik and Nagurski awards in 2021.

Toth spent three years (2018-20) with the UCF football program as special teams coordinator. He brought his unique energy to the special team's unit for the 2018 season, helping the Knights complete their second straight un-

defeated regular season en route to winning another American Athletic Conference Championship and a berth in the 2019 Fiesta Bowl. UCF rose to as high as seventh in both the Associated Press Top-25 and the Amway poll of coaches. UCF then added a 10-3 campaign in 2019 to qualify for a program-record fourth consecutive postseason appearance and won the 2019 Bad Boy Mowers Gasparilla Bowl.

UCF's special teams played an integral role in the team's success in 2018, blocking a pair of field goals and inducing four other misses. Placekicker Matthew Wright was named second-team all-conference in the AAC after connecting on 85.7 percent of his field goal attempts (15th in the nation). He also notched 110 total points, third most in a single season in UCF history.

Toth went to Orlando after serving as the spurs/nickels coach at Air Force for one season in 2017. He helped the Falcons rank 10th in the nation in opponent passing at 171.1 yards per game. Marquis Griffin was named All-Colorado after notching 66 tackles, 4.5 tackles for loss and six pass breakups.

Prior to his single season in Colorado Springs, Toth spent five years at Fresno State, the first four as defensive coordinator while also coaching inside linebackers. His defense earned 17 All-Mountain West selections and one 2012 unanimous All-American in safety Phillip Thomas. Thomas was a finalist for the Jim Thorpe Award, won the CFPA Defensive Back Trophy and was the Mountain West Defensive Player of the Year after leading the nation with eight interceptions.

After having only nine turnovers gained in 2011, the year before Toth's hiring, Fresno State came back in 2012 and recorded the greatest turnover turnaround in the Football Bowl Subdivision since the turn of the century. Finishing with 35 takeaways in 2012 (ranking fifth in the FBS), the Bulldogs' differential in turnovers gained in one season under Toth was plus-26.

His 2013 defense ranked sixth in the FBS with more than three sacks per game and 40 for the season and also ranked fourth with 8.2 tackles for loss per game. Over the 2012 and 2013 seasons, Fresno State and Stanford were the only schools in the country that ranked in the top 10 in sacks both years.

Toth coached at Texas A&M where he was the outside linebackers coach while also serving as the Aggies' special teams coordinator in 2010 and 2011.

In his first season in College Station, Toth oversaw the development of linebacker Von Miller, who captured the prestigious Butkus Award during an All-America campaign in 2010. Miller went on to be the No. 2 overall pick of the Denver Broncos in the 2011 NFL Draft. He was also responsible for coaching the No. 1 kicker in the nation, Lou Groza Award winner Randy Bullock.

Prior to his two seasons at Texas A&M, Toth was the defensive backs coach and special teams coach at The Citadel in 2009.

Toth gained three years of experience working as a defensive coordinator from 2006-08. In 2006, he was the defensive coordinator/defensive backs coach at Mercyhurst (Pennsylvania) College and from 2007-08 he was Ashland (Ohio) University's defensive coordinator.

Toth coached defensive backs at Elon (2005), defensive linemen at Ohio (2004) and defensive backs at Dakota State (2002). He was also the special teams coordinator at Elon, spent the 2003 season as the tight ends coach at Ohio and was a defensive graduate assistant with the Bobcats from 2000-01.

A graduate of Ohio University in 1999 with a bachelor's degree in political science, Toth played running back and defensive back for the Bobcats from 1994-99. He next worked one year on the high school level before returning to Ohio as a graduate assistant coach. He earned his master's degree in athletic administration from Ohio in 2002.

A native of Cleveland, Ohio, Toth and his wife, Jennifer, have three sons; Nicholas IV, Michael and Johnathon, and one daughter, Susan.

E.J. Whitlow enters his first year as defensive ends coach at Air Force. Whitlow comes to the Academy after spending the last four years at Miami University where he served as defensive run game coordinator last season.

Whitlow had a successful stint in Oxford, helping the program to the MWC championship in 2019. He also helped develop several All-MAC players. He engineered eight All-MAC honorees. In addition, last season he coached Dominique Robinson, who was a fifth round draft selection by the Chicago Bears in 2022. In 2018, Doug Costin earned second team All-MAC. A year later, Costin was one of the best players in the entire conference, earning first team accolades and joined the NFL in 2019 with the Jaguars. Kameron Butler was named second team All-MAC in 2019 and a year later Butler and Lonnie Phelps garnered third team All-MAC honors as Whitlow's front four become one of the most feared units in

the conference.

In 2019, Miami recorded 38 sacks, 28 of those coming from the defensive line. Miami's pass rush made national news in a contest versus Akron as the RedHawks recorded 12 sacks in the game. Six of those sacks came from freshman Ivan Pace, who matched an NCAA record for sacks in a game.

From 2018-19, Miami ranked second in the MAC with 67 sacks.

Whitlow joined Miami after four years on staff at Grand Valley State University coaching the defensive line. Under Whitlow, GVSU's defensive line turned into one of the top defensive lines in the country annually. He tutored nine All-GLIAC honorees in four years, watching the Lakers record 144 sacks in that span. GVSU was the 2016 GLIAC champions.

In 2017, Whitlow's defensive line had three players earn all-conference honors, including a pair of first team award winners. As a team, the Lakers allowed just 13.0 points per game, and due to the pass rush, gave up just four touchdown passes all season.

In 2016, the Lakers limited opponents to 134.3 rushing yards per game, recording 40 quarterback sacks and 96 tackles for loss. In 2015, Whitlow coached Matt Judon (currently with New England), who went on to win the Gene Upshaw Award, given to the nation's top interior lineman. With Judon's help, GVSU would lead the nation in sacks with 49

Prior to joining Grand Valley State, Whitlow spent four years at Notre Dame College (Ohio) and was a part of the program from its

beginning as the Falcons initial season playing football was in 2010. Whitlow was a graduate assistant in 2010 and 2011 but became the full-time defensive line coach in 2012.

Whitlow played collegiately at Findlay from 2006-10, where he was twice an All-GLIAC performer as a defensive tackle and was named the Oilers' 2009 Team MVP. He recorded 44 total tackles and 5.0 tackles for loss en route to earning All-GLIAC honors as a junior, followed by senior season in which he tallied career-highs in total tackles (60) and tackles for loss with six and was named First-Team All-GLIAC and team MVP.

Whitlow and his wife, Kierre, are the parents of Emily and Emmanuel II.

THE DIESEL

Air Force's offensive line has taken on a new identity the last few years. The group calls itself the Diesel, which represents an attitude of toughness and a willingness to block regardless of position. The players purchase hats with a diesel pump handle on it and hands them out to the members of the line. The linemen also hand them out a select few that they feel shares their attitude. Junior quarterback Haaziq Daniels earned one following the Florida Atlantic game after breaking a 50-year-old school record with a 94 yard touchdown run. Junior fullback Brad Roberts and senior wide receiver Brandon Lewis also earned one.

Air Force's offensive line has another special distinction this season. The Falcons entered the season with the most inexperienced offensive line in the nation. The unit lost its top six (all five starters and top reserve) from last season and returned just three starts overall. Seniors Hawk Wimmer and Kris Campbell each started vs. San Jose State last season, while fellow senior Ryan Booth started against Utah State. Navy entered the

season with 18. No other team had less than 25.

The Diesel was outstanding all season, as the unit had eight different starting lineups up front. The line started three different centers. Despite the changes, the Diesel has helped the Falcons lead the nation in rushing (327.7) and time of possession (36:35). The group also helped set an Air Force record for consecutive weeks leading the nation in rushing with 10, breaking the record of eight set in 2010. The Falcons were the only team in the nation to average 300-plus rushing yards per game.

Hawk Wimmer earned first-team all-conference honors, increasing the consecutive seasons with a first team member to three. Wimmer joins Parker Ferguson and Nolan Laufenberg from 2020 and Scott Hattok from 2019 as a first team selection.

AIR FORCE AT HOME

- Air Force is 66-23 in Falcon Stadium under head coach Troy Calhoun.
- Air Force had a school-record 15-game winning streak from 2014 to Oct. 22, 2016.
- Air Force went 20-4 at home from 2014-17, posting the most wins in a four-year span, breaking the record of 19 set from 1982-85 and 1998-2001 when the program went 19-4 those years.
- Air Force set a record for the best three-year run from 2014-16 with a 17-1 record,

breaking the mark of 15-2 from 1983-85.

- The Falcons have finished undefeated at home just six times overall in school history, four coming under Calhoun.

SEVEN FALCONS EARN ALL-MW HONORS

Air Force placed four players on the all-conference football team.

Air Force junior fullback Brad Roberts and senior offensive lineman Hawk Wimmer earned first-team honors, while junior outside linebacker Vince Sanford and senior defensive lineman Jordan Jackson were named second team. Seniors Tre Bugg III (cornerback), Corvan Taylor (safety) and Brandon Lewis (receiver) each earned honorable mention honors.

Roberts is the first Falcon running back to earn first-team honors since Chad Hall in 2007. Wimmer extends Air Force's streak of a first-team all-MW offensive lineman to three years, as he joins Parker Ferguson and Nolan Laufenberg from 2020 and Scott Hattok from 2019 on the league's first team. Jackson makes his second appearance on the all-conference team, as he was also a second-team honoree in 2019.

The others include 1998 (12), 1985 (12), 2019 (11), 2016 (10), 2014 (10), 1997 (10), 1991 (10) and 1983 (10). Air Force head coach Troy Calhoun has led the Falcons to four 10-plus win seasons (2021, 2019, 2016, 2014).
- Air Force has won three consecutive bowl games dating back to 2016, which is the longest winning streak since winning a school record four straight from 1982-85. The Falcons improved to 14-13-1 all-time in bowl games.
- Air Force improved to 13-10 all-time vs. teams from the Atlantic Coast Conference, including a 3-2 mark vs. the ACC in bowl games.
- Air Force improved its winning streak against Power 5 teams to three straight, including two straight in bowl games. The Falcons defeated Colorado (30-23 OT) and Washington State (31-21) in 2019. Air Force improved to 7-11 overall against Power 5 teams since 2003, including a 7-9 mark in road/neutral site games.
- Air Force head coach Troy Calhoun improved to 102-75 in 15 seasons at the Academy. The Falcons improved to 6-5 in bowl games under Calhoun. The coach improved to 43-27 against non-conference opponents. Calhoun has led the Falcons to four of the school's nine 10-win seasons.
- Air Force ran the ball on its first three plays to extend its streak to 94 consecutive running plays dating back to the Nevada game Nov. 19. The Falcons gained 605 yards on the 94 runs during the streak.
- Air Force out-scored Louisville 7-0 in the first quarter. The Falcons outscored their opponents 101-27 in the first quarter this season.
- Air Force's 21 points in the second quarter is a program record for a bowl game. The previous best was 19 (first) in the Silicon Valley Bowl in 2000 and the Hall of Fame Bowl (fourth) in 1982.

Individual Notes

- Junior QB Haaziq Daniels was 9-of-10 passing for a career-high 252 yards and two touchdowns to mark the third time in the last four games and fifth time overall this season he has thrown for 100 or more yards. Daniels went over the 1,000-yard mark in passing for the season and finished with 1,184 yards passing. Daniels' 252 yards are the second most in a bowl game in program history and most since Blane Morgan threw for 267 yards in the O'ahu Bowl against Washington in 1998. His two rushing touchdowns tie for the most in a bowl game at Air Force (done 14 times). His 64 and 61 passes are the third and fourth most in a bowl game in program history and most since Arion Worthman completed a 75 yard pass in the 2016 Arizona Bowl.
- Senior DL Jordan Jackson recorded four tackles and half a sack for 2.5 yards for loss. Jackson moved into second place all-time in program history in career sack yardage with 137.5. He moved past Johnny Harrison, who had 137 from 1993-94. He trails only All-American and Outland Trophy winning Chad Hennings, who had 225 from 1986-87.
- Sophomore TE Caleb Rillos recorded the first catch of his career, which was good for 40 yards in the first quarter.
- Senior WR Brandon Lewis recorded five catches for a career-high 172 yards and a career-best two touchdowns to record his second 100-yard game of the season. He also had 106 yards vs. Army earlier this season. Lewis scored on catches of 64 and 61 yards. He has four receptions of 50-plus yards this season. Lewis caught a pass in a team-high nine games this season. Lewis' 172 yards set a new bowl game record for Air Force, breaking the mark of 150 by Steve Senn in the 1989 Liberty Bowl vs. Mississippi. His two touchdowns tie a program record for a bowl game. He is the first played since Scott McKay vs. Fresno State in the 2000 Silicon Valley Bowl to have multiple TD catches. His 64 and 61 passes are the third and fourth most in a bowl game in program history. Lewis' yardage is the most by a Falcon since Ben Waters had 171 vs. New Mexico Nov. 23, 2019. Lewis set a program record for average yards per reception with 30.0 (20 catches for 600 yards), surpassing the previous record of 29.9, set by Ben Waters in 2019.
- Senior DB Corvan Taylor recorded eight tackles, which put him over 100 for his career. Taylor finished with 106 tackles in his career.
- Sophomore DB Trey Taylor recorded a team-high 10 tackles for his third game of the season with double-digit tackles.

COLLEGE FOOTBALL HALL OF FAME

Four former Falcons have reached the pinnacle of their sport by getting inducted into the College Football Hall of Fame.

Brock Strom, a 1959 Academy graduate, was inducted into the Hall of Fame in 1985. Strom was a consensus All-American in 1958 and the captain of Air Force's only undefeated team in school history. He played an instrumental role in the 1958 team that finished 9-0-2 and played in the Cotton Bowl.

Chad Hennings, a 1988 Academy graduate, was inducted into the Hall of Fame in 2006. A unanimous first-team All-America selection in 1987, Hennings received the Outland Trophy as the nation's top interior lineman. A two-time first-team all-conference selection, he is a member of the Western Athletic Conference all-time team and was named WAC defensive player of the decade for the 1980s. He is a two-time first-team Academic All-American and is also a member of the Academic All-America Hall of Fame. Although he was drafted by the Dallas Cowboys in the 1988 NFL Draft, Hennings fulfilled a four-year military commitment, serving during the first Gulf War. In 1992, he rejoined the Cowboys and embarked on a nine-year NFL career that brought him three Super Bowl titles.

Long-time coach Fisher DeBerry was inducted in 2011, the first year he was eligible to be on the ballot. DeBerry served as head coach at Air Force for a brilliant 23-year career which concluded with his retirement on Dec. 15, 2006. He led 17 of his 23 teams to winning records and 12 captured a bowl bid, posting a 6-6 record. His career record of 169-109-1 is the best in school history in terms of games won and winning percentage. He coached the Falcons to three conference championships. The team won a share of the Western Athletic Conference championship in 1985, his second season, and again in 1995. In 1998, DeBerry guided the team to its first outright title with the WAC Mountain Division championship and a win over Brigham Young in the title game in Las Vegas. He was named WAC Coach of the Year for the third time in his career. The 1998 team's 12-1 record completed the first back-to-back 10-win seasons in school history following a 10-3 campaign the previous year. The 1998 squad finished the season ranked 10th nationally. His Falcons dominated the Commander-in-Chief's Trophy series with archrivals Army and Navy. Air Force won the trophy 14 times and shared it once in DeBerry's tenure. He compiled a remarkable 35-11 record against the Black Knights and Midshipmen and is the winningest coach in service academy history.

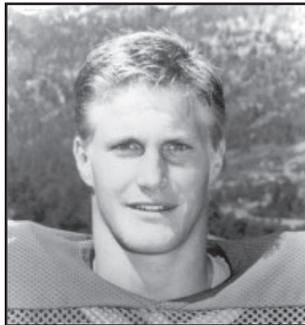

Scott Thomas, a 1986 graduate, joined the group as part of the class of 2012. Thomas was a consensus All-American in 1985 while leading the Falcons to a school-best 12-1 record, a No. 5 national ranking and victory over Texas in the Bluebonnet Bowl. He led the team in interceptions with six that season and became just the seventh player in NCAA history at the time to have a kickoff, punt and interception return for a touchdown in the same season.

Former Air Force coach, L.T. "Buck" Shaw was inducted into the Hall of Fame in 1972. Shaw coached the Falcons in 1956 and 1957. Shaw is most known for his seven stellar seasons at Santa Clara, but also coached at North Carolina State, Nevada and California, as well as two stops in the NFL with San Francisco and Philadelphia.
