- UConn is coached by Jim Mora, who is in his fourth season. He has guided the program to a 25-23 mark. Mora has a 71-53 career mark in his 10th season as a collegiate head coach. Mora was head coach at UCLA from 2012-17. He has vast experience in the NFL, serving as head coach at Seattle (2009) and Atlanta (2004-06). He has been an assistant at Seattle, San Francisco, New Orleans and San Diego.

He had 11 catches for 87 yards and two touchdowns last week vs. Duke.
- Kicker Chris Freeman hit a third-quarter 45-yard field goal at Rice to mark his 12th-straight make to set a new career-best mark and a new UConn school record. Freeman made 11-straight last season, tying the previous mark set by Dave Teggart in 2011. Freeman is 18-21 overall this season.
- Linebacker Bryun Parham earned the Walter Camp Defensive Player of the Week award after his stellar performance at Boston College. Parham tied his then career-high with 14 tackles, nine solo.

THE DIESEL STORY

- The Air Force offensive line is nicknamed the Diesel. The background dates to 2018 when center Christopher Mitchell happened to be walking through the locker room and bumped into tight end Lesley Dalger, who referred to Mitchell as a diesel. The lineman took it and ran with it. The group developed a motto of "It starts with us" meaning that if the offensive line doesn't have a solid game it will be difficult to win. The group takes that mentality to practice every day. They have a blue-collar, bring-your-lunch-pail-to-work mentality. The linemen have hats with a diesel pump and a drop of fuel on the front. Legend has it that they found the hats at a truck stop. The mother of a former Falcon, Wolfgang Rehbock, helped secure 20-25 hats to get it started. Offensive linemen have to earn the hat, but they also give them out to other position players that they feel take on their mentality. There is an official ceremony when a player earns the hat, which is voted on by seniors on the offensive line. The ceremony is shrouded in secrecy, as the members

AIR FORCE HAS PERFECT GSR SCORE

Football was one of 14 Air Force programs recognized by the NCAA for Graduation Success Rates of 95 or higher. Six programs, football, men's gymnastics, men's and women's rifle, women's basketball, women's gymnastics and women's tennis, had perfect 100 percent rates.

All colleges and universities are required by NCAA legislation and federal law (the Student-Right-to-Know act from 1990) to report student graduation rates, and those institutions offering athletics aid are required to report for their student-athlete as well. The NCAA acquires student-athlete graduation data from the Department of Education's Integrated Post-Secondary Data System Graduation Rate Survey (IPEDS-GSR).

Air Force had a 992 in the latest NCAA four-year Academic Progress Rate (APR) scores. The score is the best in the Mountain West and ranks eighth nationally. This is the program's 13th straight year in the top 10. The APR provides a real-time look at a team's academic success each semester by tracking the academic progress of each student-athlete on scholarship (recruited and on varsity roster for non-scholarship schools).

THE RAM-FALCON TROPHY

Air Force and Colorado State compete each year for the Ram-Falcon Trophy. The 2025 season marks the 45th year of the trophy competition with Air Force holding a 28-17 lead. The trophy's origin is tracked back to Shelly Godkin, a former ROTC commander at Colorado State. He watched the teams play in 1978 and sought to translate his impressions into a trophy symbolic of an annual game. The first Ram-Falcon trophy game was in 1980.

COMMANDER-IN-CHIEF'S TROPHY

The 2025 season marks the 54th year of Commander-in-Chief's trophy competition. The trophy goes annually to the winning academy with the best record in the round-robin competition. The winning team goes to the White House to receive the trophy from the President of the United States. Air Force has a series-best 66-42 record and has won 21 trophy titles, the most in the series.

The trophy was conceived by the University of Hawai'i, sponsored by the Pacific Air Command, and the Air Force Academy helped design it. The Kuter trophy is presented to the winner of the annual football game between the two schools. Hawaii holds the trophy following a 44-35 win at Air Force earlier this season.

COOLEY ON RIMINGTON WATCH LIST

Air Force senior center Costen Cooley was named to the Rimington Trophy Watch List, according to an announcement today from the organization. Cooley is one of 40 centers nationally named to the list, which is presented annually to the most outstanding center in NCAA Division I College Football. Cooley, a second-team all-Mountain West selection last season, anchored an offensive line that helped Air Force average 224.0 yards per game which ranked fourth in the Mountain

West and 10th nationally.

This year, the Trophy committee worked with Pro Football Focus (PFF) to narrow down its list to the top 40 centers. PFF grades every player on every play of every game on how well they execute their given assignment. That play-by-play grading allowed the Trophy committee to create a watchlist based both on nominations from the schools and data provided by PFF. Once the season begins, schools will be able to nominate their centers for late addition based on in-season merit.

HARRIS ADDED TO BILETNIKOFF LIST

The Tallahassee Quarterback Club (TQC) Foundation, Inc., the Florida-based creator and sponsor of the prestigious Biletnikoff Award, released the 2025 Biletnikoff Award Preseason Watch List on August 6. The Foundation announced the first in-season addition of receivers, 11 at this time, to the Biletnikoff Award Watch List. See 2025 Biletnikoff Award Watch List.

The Biletnikoff Award annually recognizes the college football season's outstanding FBS receiver. Any player, regardless of position (wide receiver, tight end, slot back, and running back) who catches a pass is eligible for the award. As such, the Biletnikoff Award recognizes college football's outstanding receiver/tight end.

HEAD COACH TROY CALHOUN

Troy Calhoun is in his 19th season as head coach at Air Force, where he has a 138-95 overall record and 82-62 mark in Mountain West play. He has led Air Force to 13 bowl games, including a school-record six straight from 2007-12.

Calhoun has led the program to an 11-win season (2019), four 10-win seasons (2014, 2016, 2021, 2022), three nine-win seasons (2007, 2010, 2023) and three with eight wins (2008, 2009 and 2015). He has led the Falcons to the Commander-in-Chief's Trophy five times, including 2022. Calhoun led the Falcons to an 8-6 overall record in 2015 and the Mountain Division championship and first-ever MW title game appearance. The 2019 Falcons posted an 11-2 overall record, the third-most wins in program history, and finished second in the MW Mountain Division with a school-record-tying 7-1 record.

Calhoun is the only coach in the 100-plus year history of service academy football to lead teams to at least seven wins and a bowl game in each of his first five seasons. Calhoun has been a semifinalist for the National Coach of the Year award three times (2007, 2010, 2019). He came to his alma mater in 2007 and took over a program that had three straight losing seasons. Air Force finished the 2007 season 9-4 overall and placed second in the Mountain West Conference with a 6-2 mark in Calhoun's first year. The Falcons earned their first bowl bid in five seasons, advancing to the Armed Forces Bowl in Fort Worth, Texas. The five-game turnaround from the previous season was the largest in the nation by a first-year head coach and tied as the third largest overall in the nation.

Calhoun brought a wealth of experience and impressive resume at the collegiate and professional levels that is flooded with success at every stop. Calhoun came to the Academy after serving as offensive coordinator and quarterbacks coach for the Houston Texans in 2006. The Texans were one of only two NFL teams to triple their number of wins from the previous year.

Calhoun became a well-rounded NFL coach, working as a defensive assistant, special teams assistant and offensive assistant with the Denver Broncos from 2003-05. He began his NFL coaching career by serving as the defensive assistant under defensive coordinator Larry Coyer in 2003.

Prior to the NFL, Calhoun was an offensive coordinator for six seasons on the collegiate level. He began his coaching career at Air Force, where he worked as a graduate assistant from 1989-90. He started at quarterback for the Academy in 1986 and was one of only two freshmen to letter for the 1985 team that finished fifth in the final polls with a 12-1 record that included wins over national powers Notre Dame and Texas.

Calhoun served his country from 1989-95 as an active-duty officer in the Air Force. He was the Falcons' recruiting coordinator and the junior varsity offensive coordinator in 1993-94. He moved to Ohio University in 1995 where he served as the quarterbacks coach for two seasons. Calhoun was promoted to offensive coordinator in 1997. Calhoun moved to Wake Forest in 2001 and remained there prior to his stint with the Broncos.

Groomed on the basics of integrity and passion, Calhoun is a native of Roseburg, Ore., and was raised in a home where both kids graduated from the Air Force Academy and were varsity letter winners on nationally ranked teams. He and his wife, Amanda, live in Colorado Springs and have two children, Tyler and Amelia.

HOW THE FALCONS WERE BUILT

- Air Force players have eight semesters to play four seasons of athletics. On occasion, a player can take a turnback due to a serious injury or personal reason and return to the Academy.
- Air Force does NOT have a redshirt program. Every player on the roster was recruited out of high school.
- There are no transfers, as it is unusual for a transfer to attend an Academy, as you have to start over as a freshman and go through the entire 47-month program.

2025 FRESHMAN SCHEDULE

• **In-processing Day** (June 25): Appointees are dropped off by their parents and families and are in-processed into the U.S. Air Force Academy. This involves a medical check, finalize paperwork, haircuts, uniform issue, instruction on room standards and drill training as they learn to march. After swearing in they become basic cadets.

• **Basic Cadet Training** (June 25 – July 31): This six-week program guides the transformation of basic cadets from civilians to military academy cadets. BCT is split into two distinct phases:

• **First BCT:** Takes place in the cadet area under the instruction of upper-class cadets. This phase begins with a Swearing-In Ceremony. "Basics" receive classes on military customs and courtesies, the cadet Honor Code, and Air Force and Space Force heritage. During this phase, basics must show proficiency in drill, dress and appearance, and reporting procedures. These activities, when combined with daily physical conditioning, prepare cadets to tackle the physical and mental demands of the second phase of BCT, the academic year and ultimately, life in the Air Force or Space Force.

• **Second BCT** (July 15-26): Beginning with a 5-mile march, a time-honored tradition, cadets complete two weeks of physically intensive military training. Jacks Valley is a 3,300-acre rural training complex, where basics train, eat and sleep for this phase of BCT. Basic cadets are introduced to small-unit tactics and firearms, expeditionary skills, and military training courses such as assault, obstacle, and leadership reaction.

• **Acceptance Day** (Aug 6): Marks the transition into the academic year and acceptance of new cadets into the Cadet Wing. A parade signals their transition from "basic cadet" to "cadet".

• **First day of classes** (Aug 7): After summer training, the Cadet Wing returns to begin the academic year. Upper-class cadets come back with valuable experiences gained through research projects, language immersions, and airmanship programs, such as soaring, powered flight, parachuting.

• **Parents Weekend** (Aug 30): This event is an exciting opportunity for cadets to connect with their family and friends. Many activities are designed to orient families and visitors to their cadet's life in the military. This weekend gives many of the newly accepted cadets the chance to leave the Academy and be with family since In-Processing Day in June and includes the first football game of the season.
