AIR FORCE HAS PERFECT GSR SCORE

Football was one of 14 Air Force programs recognized by the NCAA for Graduation Success Rates of 95 or higher. Six programs, football, men’s gymnastics, men’s and women’s rifle, women’s basketball, women’s gymnastics and women’s tennis, had perfect 100 percent rates.

All colleges and universities are required by NCAA legislation and federal law (the Student-Right-to-Know act from 1990) to report student graduation rates, and those institutions offering athletics aid are required to report for their student-athlete as well. The NCAA acquires student-athlete graduation data from the Department of Education’s Integrated Post-Secondary Data System Graduation Rate Survey (IPEDS-GSR).

- Air Force is 101-86 as a member of the Mountain West. The Falcons are 176-127 overall since joining the MW in 1999.

AIR FORCE THE ONLY ONE

Air Force is only FBS program where the head coach, offensive and defensive coordinators are all at their alma maters. Head Coach Troy Calhoun (1989), Offensive Coordinator Mike Thiessen (2001) and Defensive Coordinator Brian Knorr (1986) are all graduates of the Academy.

CALHOUN A POSITION COACH, AGAIN

Air Force Head Coach Troy Calhoun is serving as a position coach again this season, coaching the fullbacks for the fifth straight season.

AIR IS RARE

- Falcon Stadium has the second-highest elevation (6,621 ft) among FBS programs, trailing only Wyoming’s War Memorial Stadium, which is at 7,220 ft.
- Four of the top five elevations belong to Mountain West schools. The MW also has the largest gap among FBS programs, as Hawaii’s T.C. Ching Complex sets at just 18 ft. San Diego State’s Snapdragon Stadium is just 46 ft, and San Jose State’s CEFCU Stadium is at 82 ft.
- Falcon Stadium opened in 1962.

The Hawkeyes have had just two head coaches in the last 47 years. Hayden Fry led the program for 20 years from 1979 to 1998 before current head coach Kirk Ferentz, who is in his 27th season, took over in 1999.

THE KUTER TROPHY

The General Laurence S. Kuter Trophy, named after the first PACAF commander, is a tribute to the friendship between Hawai'i and Air Force and to the cooperation between the people of Hawai'i and their Air Force. The trophy was conceived by the University of Hawai'i, sponsored by the Pacific Air Command, and the Air Force Academy helped design it. The Kuter trophy is presented to the winner of the annual football game between the two schools. Hawaii holds the trophy following a 27-13 win in Honolulu in 2023.

THE RAM-FALCON TROPHY

Air Force and Colorado State compete each year for the Ram-Falcon Trophy. The 2025 season marks the 45th year of the trophy competition with Air Force holding a 28-17 lead. The trophy's origin is tracked back to Shelly Godkin, a former ROTC commander at Colorado State. He watched the teams play in 1978 and sought to translate his impressions into a trophy symbolic of an annual game. The first Ram-Falcon trophy game was in 1980.

ALL-TIME OVERTIME RESULTS

Air Force is 9-7 overall and 6-3 in conference overtime games. The Falcons are 4-3 at home, 5-3 on the road, and 0-1 in neutral site games.

FREER ON RAY GUY WATCH LIST

Air Force senior punter Luke Freer was named to the Ray Guy Award watch list for 2025. The award recognized the best punter in college football each year.

Freer was named preseason first-team all-Mountain West this season. He was a second-team selection last season when he averaged 47.5 yards per punt last season to set a new single season Air Force record, breaking the mark of 47.3 set by Mark Simon in 1985. Freer would have led the Mountain West and ranked fourth nationally, but lacked enough attempts to qualify.

FREER PUNTING RECORDS

Luke Freer has a 45.9 career punting average. He needs one punt to qualify for the minimum punts required to be ranked. His 45.9 average will set a new career standard. He would replace All-American Mark Simon as the record holder in each category.

COOLEY ON RIMINGTON WATCH LIST

Air Force senior center Costen Cooley was named to the Rimington Trophy Watch List, according to an announcement today from the organization. Cooley is one of 40 centers nationally named to the list, which is presented annually to the most outstanding center in NCAA Division I College Football. Cooley, a second-team all-Mountain West selection last season, anchored an offensive line that helped Air Force average 224.0 yards per game which ranked fourth in the Mountain West and 10th nationally.

This year, the Trophy committee worked with Pro Football Focus (PFF) to narrow down its list to the top 40 centers. PFF grades every player on every play of every game on how well they execute their given assignment. That play-by-play grading allowed the Trophy committee to create a watchlist based both on nominations from the schools and data provided by PFF. Once the season begins, schools will be able to nominate their centers for late addition based on in-season merit.

THE DIESEL STORY

• The Air Force offensive line is nicknamed the Diesel. The background dates to 2018 when center Christopher Mitchell happened to be walking through the locker room and bumped into tight end Lesley Dalger, who referred to Mitchell as a diesel. The lineman took it and ran with it. The group developed

a motto of "It starts with us" meaning that if the offensive line doesn't have a solid game it will be difficult to win. The group takes that mentality to practice every day. They have a blue-collar, bring-your-lunch-pail-to-work mentality. The linemen have hats with a diesel pump and a drop of fuel on the front. Legend has it that they found the hats at a truck stop. The mother of a former Falcon, Wolfgang Rehbock, helped secure 20-25 hats to get it started. Offensive linemen have to earn the hat, but they also give them out to other position players that they feel take on their mentality. There is an official ceremony when a player earns the hat, which is voted on by seniors on the offensive line. The ceremony is shrouded in secrecy, as the members do not discuss it.

QBS LOOK GOOD IN OPENER

Air Force entered the season with a very inexperienced group at quarterback. The team returned only six games played, 14 carries for 94 yards rushing and 6-14 passes for 126 yards and a TD, all belonging to junior Josh Johnson from his sophomore year in 2024. Johnson hit 4-7 passes for 112 yards and two touchdowns vs. Bucknell, all career highs. Sophomore Liam Szarka hit 2-2 passes for 47 yards with a long of 29 yards in his first-career game played. The two combined for 6-9 passing for 159 yards and a 288.4 QB efficiency rating, which is tops in the nation. They split time throughout the game before giving way to junior Maguire Martin in the third quarter. Martin played in his first-career game.

INSIDE LBS SOLID

Junior inside linebackers Blake Fletcher and Luke Fisher led the Falcons in tackles in the season opener, each recording career highs. Fletcher had a game-high 11 stops, including four unassisted. He also added two quarterback hurries. Fletcher ranks fourth in the MW and 14th nationally in tackles. Fisher added eight tackles, second best in the game.

FIVE SOPHOMORES IN SECONDARY

Five sophomores started in the secondary vs. Bucknell. SPUR Nick Beckwith, CBs Korey Johnson and Mikhail Seiken, along with SS JT Tomescko and FS Roger Jones, Jr., all made the first start of their careers. The youngsters combined for 17 tackles, including seven solo stops. Seiken forced a fumble that Johnson returned 34 yards for a touchdown. Johnson also added a pass breakup and Jones, Jr. an interception. Jones, Jr., Beckwith and Tomescko all finished tied for third on the team with four tackles.

FLEISCHMANN CAMPBELL TROPHY NOMINEE

Senior tight end Bruin Fleischmann has been nominated for the 2025 William V. Campbell Trophy, given annually to college football's top student-athlete. The award is the top academic award in college football and is awarded by the National Football Foundation. It's often considered the "Academic Heisman."

Fleischmann has a 3.4 overall grade point average and has been on the Superintendent's List for excellence in academics, athletics and military training multiple times.

He is a member of the NCAA FSACG (Football Student Athlete Connection Group), serving as a representative for Air Force, Service Academies, Mountain West and West Coast teams.

In addition, he has been active as a volunteer at youth football and basketball camps, the Pocatello Animal Shelter, as a youth basketball referee.

CHESNEY STANDS OUT

Senior long snapper Kurt Chesney is a stand-out on and off the field for the Falcons. He was one of three players to start every game last season. He started all 13 games in 2023 and has a team-best 26-game consecutive games played streak.

Chesney is a double major in computer science and cyber science and carries a 3.34 grade point average. He is also a standout in leadership positions at the Academy. He is currently serving as Cadet Squadron 6's Chief of Staff. He is second in command for over 100 cadets and is responsible for the squadron's administrative section, handling operations, training, academics, support and intelligence. He works closely with the squadron commander and senior enlisted leader to fulfill requirements for the squadron by tasking division chiefs, filling critical gaps and enabling the mission. This usually entails about 20-30 hours of additional work outside of academics, other leadership duties and football, meeting with senior leaders and coordinating with different support arms to ensure our people have everything they need to succeed.

GARLAND ENTERING HALL OF FAME

Air Force Hall of Famer member Ben Garland, a 2010 Academy graduate, will be inducted into the Colorado Springs Sports Corporation Hall of Fame. The Class of 2025 will be formally inducted and honored on October 21, at The Broadmoor World Arena. The 25th annual banquet and induction ceremony is presented by the Colorado Springs Sports Corporation and sponsored by The Gazette and ANB Bank.

The Class of 2025 will be inducted during a gala evening beginning with a reception at 6:00 PM and dinner at 7:00 PM. Also on the menu is the popular sports silent auction, a feature of the event since its inaugural year in 2000. Tickets will be available in the Fall 2025. A standout both on and off the field, Ben Garland’s journey from the U.S. Air Force Academy to the NFL is a testament to his leadership, resilience, and relentless drive.

An honor befitting a man who exemplifies excellence in athletics, service, and leadership. A 2010 graduate of the United States Air Force Academy, Garland made a name for himself on and off the football field, building a legacy rooted in determination, discipline, and heart. As a standout lineman at Air Force, Garland appeared in 39 games with 34 starts, racking up 115 tackles over his career. As a senior, he earned second-team All-Mountain West Conference honors, capping off an impressive collegiate run. After graduation, Garland continued to serve as a Major in the U.S. Air Force and later with the Air National Guard, seamlessly balancing his military duties with a demanding NFL career. Garland went on to play in the NFL for the Denver Broncos, Atlanta Falcons, and San Francisco 49ers — remarkably, all three teams reached the Super Bowl during his tenure. His impact extended beyond the stat sheet; he was

widely respected for his work ethic, humility, and leadership in the locker room and in the community. Garland was a two-time nominee for the Walter Payton NFL Man of the Year Award and the recipient of the NFL’s Salute to Service Award — both reflecting his remarkable commitment to serving others.

JEFFERSON ENTERING AF HALL OF FAME

Tim Jefferson, a 2012 graduate of the Academy, will be inducted into the Air Force Athletics Hall of Fame Sept. 26 as part of the 12th class.

The winningest quarterback in football history, Jefferson joins men’s tennis player, assistant coach, head coach and athletics administrator Dan Oosterhous, NCAA cross country national champion Mike Ryan, water polo standout, former head coach and athletics administrator Jeff Heidmous and the record-setting 2007 men’s basketball team. The ceremony is Friday, Sept. 26, at the East Club presented by L3Harris at the Kucera Legacy Center. The class will also be recognized at the Air Force football game vs. Hawaii the following day.

Jefferson, class of 2012, is the only quarterback in program history to start in four bowl games, helping the Falcons to the 2008 and 2009 Armed Forces Bowl, the 2010 Independence Bowl and the 2011 Military Bowl. He is the winningest quarterback in program history with 28 wins. Jefferson led the Falcons to a pair of Commander-in-Chief’s Trophy titles and ranks third in program history in total offense (6,587), fourth in passing efficiency (146.12), third in passing yards (4,599) and second in touchdown passes (34). He was a pilot in the Air Force, flying the B-1 and E-11A aircraft before becoming a commercial airline pilot.

HEAD COACH TROY CALHOUN

Troy Calhoun is in his 19th season as head coach at Air Force, where he has a 136-89 overall record and 80-58 mark in Mountain West play. He has led Air Force to 13 bowl games, including a school-record six straight from 2007-12.

Calhoun has led the program to an 11-win season (2019), four 10-win seasons (2014, 2016, 2021, 2022), three nine-win seasons (2007, 2010, 2023) and three with eight wins (2008, 2009 and 2015). He has led the Falcons to the Commander-in-Chief's Trophy five times, including 2022. Calhoun led the Falcons to an 8-6 overall record in 2015 and the Mountain Division championship and first-ever MW title game appearance. The 2019 Falcons posted an 11-2 overall record, the third-most wins in program history, and finished second in the MW Mountain Division with a school-record-tying 7-1 record.

Calhoun is the only coach in the 100-plus year history of service academy football to lead teams to at least seven wins and a bowl game in each of his first five seasons. Calhoun has been a semifinalist for the National Coach of the Year award three times (2007, 2010, 2019). He came to his alma mater in 2007 and took over a program that had three straight losing seasons. Air Force finished the 2007 season 9-4 overall and placed second in the Mountain West Conference with a 6-2 mark in Calhoun's first year. The Falcons earned their first bowl bid in five seasons, advancing to the Armed Forces Bowl in Fort Worth, Texas. The five-game turnaround from the previous season was the largest in the nation by a first-year head coach and tied as the third largest overall in the nation.

Calhoun brought a wealth of experience and impressive resume at the collegiate and professional levels that is flooded with success at every stop. Calhoun came to the Academy after serving as offensive coordinator and quarterbacks coach for the Houston Texans in 2006. The Texans were one of only two NFL teams to triple their number of wins from the previous year.

Calhoun became a well-rounded NFL coach, working as a defensive assistant, special teams assistant and offensive assistant with the Denver Broncos from 2003-05. He began his NFL coaching career by serving as the defensive assistant under defensive coordinator Larry Coyer in 2003.

Prior to the NFL, Calhoun was an offensive coordinator for six seasons on the collegiate level. He began his coaching career at Air Force, where he worked as a graduate assistant from 1989-90. He started at quarterback for the Academy in 1986 and was one of only two freshmen to letter for the 1985 team that finished fifth in the final polls with a 12-1 record that included wins over national powers Notre Dame and Texas.

Calhoun served his country from 1989-95 as an active-duty officer in the Air Force. He was the Falcons' recruiting coordinator and the junior varsity offensive coordinator in 1993-94. He moved to Ohio University in 1995 where he served as the quarterbacks coach for two seasons. Calhoun was promoted to offensive coordinator in 1997. Calhoun moved to Wake Forest in 2001 and remained there prior to his stint with the Broncos.

Groomed on the basics of integrity and passion, Calhoun is a native of Roseburg, Ore., and was raised in a home where both kids graduated from the Air Force Academy and were varsity letter winners on nationally ranked teams. He and his wife, Amanda, live in Colorado Springs and have two children, Tyler and Amelia.

HOW THE FALCONS WERE BUILT

- Air Force players have eight semesters to play four seasons of athletics. On occasion, a player can take a turnback due to a serious injury or personal reason and return to the Academy.
- Air Force does NOT have a redshirt program. Every player on the roster was recruited out of high school.
- There are no transfers, as it is unusual for a transfer to attend an Academy, as you have to start over as a freshman and go through the entire 47-month program.

2025 FRESHMAN SCHEDULE

- **In-processing Day** (June 25): Appointees are dropped off by their parents and families and are in-processed into the U.S. Air Force Academy. This involves a medical check, finalize paperwork, haircuts, uniform issue, instruction on room standards and drill training as they learn to march. After swearing in they become basic cadets.
- **Basic Cadet Training** (June 25 – July 31): This six-week program guides the transformation of basic cadets from civilians to military academy cadets. BCT is split into two distinct phases:

- **First BCT:** Takes place in the cadet area under the instruction of upper-class cadets. This phase begins with a Swearing-In Ceremony. “Basics” receive classes on military customs and courtesies, the cadet Honor Code, and Air Force and Space Force heritage. During this phase, basics must show proficiency in drill, dress and appearance, and reporting procedures. These activities, when combined with daily physical conditioning, prepare cadets to tackle the physical and mental demands of the second phase of BCT, the academic year and ultimately, life in the Air Force or Space Force.

- **Second BCT** (July 15-26): Beginning with a 5-mile march, a time-honored tradition, cadets complete two weeks of physically intensive military training. Jacks Valley is a 3,300-acre rural training complex, where basics train, eat and sleep for this phase of BCT. Basic cadets are introduced to small-unit tactics and firearms, expeditionary skills, and military training courses such as assault, obstacle, and leadership reaction.

- **Acceptance Day** (Aug 6): Marks the transition into the academic year and acceptance of new cadets into the Cadet Wing. A parade signals their transition from “basic cadet” to “cadet”.

- **First day of classes** (Aug 7): After summer training, the Cadet Wing returns to begin the academic year. Upper-class cadets come back with valuable experiences gained through research projects, language immersions, and airmanship programs, such as soaring, powered flight, parachuting.

- **Parents Weekend** (Aug 30): This event is an exciting opportunity for cadets to connect with their family and friends. Many activities are designed to orient families and visitors to their cadet’s life in the military. This weekend gives many of the newly accepted cadets the chance to leave the Academy and be with family since In-Processing Day in June and includes the first football game of the season.
