INSIDE INFO

In March, Army handed the head coaching duties over to Jimmy Allen, who spent six seasons on staff as an associate head and assistant. He has been tasked to replace the Black Knights' entire starting five, who had tied for the Patriot League's best overall record at 19-14 last season. Sophomore guard Jordan Fox is one of just three players on the roster that started a game last season, joining senior forward Mac Hoffman and sophomore guard/forward John Emezie. Army, who fell in last season's Patriot League semifinals to eventual champion Holy Cross, will have a youthful roster with 10 sophomores and 10 freshmen.

ROSTER BREAKDOWN

Army's roster features just six upperclassmen with four seniors and two juniors on the team. The Black Knights lost 75.8 percent of their scoring and 69.6 percent of their rebounding from last season.

The Black Knights added 10 players as part of the Class of 2020.

Army's roster has players from 14 different states. North Carolina is home to six players, the most of any single state.

STARTING FIVE

Of Army's starting five, three are averaging a .430 field goal percentage or higher with Mac Hoffman's .522 leading the way. Two of the five are also averaging more than 3.7 rebounds and 4.1 assists per game.

Since Army's contest at Columbia on Nov. 23, the Black Knights have started the same five cadet-athletes in Tommy Funk, Jacob Kessler, Mac Hoffman, Jordan Fox and John Emezie.

COACH ALLEN HITS 100

Army head coach Jimmy Allen, who with the Black Knights' win over FDU, recorded his 100th career victory as a head coach. This milestone includes his time at Averett University (2004-10).

TWIN FIGURES

Sophomore Jordan Fox is riding a double digit scoring streak. He has currently reached twin figures in five straight games. During that span, Fox led the Black Knights in scoring on three different occasions. The Jackson County, Ky., native has posted double figures in eight of Army's 11 contests so far this season.

ABOUT THE BEARCATS

Leading Binghamton in scoring is sophomore J.C. Show, who is averaging 13.3 points per game. Junior Bobby Ahearn is chipping in solid numbers as well, averaging 10.8 points per contest to close out the Bearcats in double digits. Forward/center Dusan Perovic is adding 8.0 points per game, while Willie Rodriguez is earning 7.8 per outing. On the boards it's sophomore Thomas Bruce, who is averaging 4.8 rebounds per contest. Ahearn is a close second with 4.5 per game, while Timmy Rose is handing out a team-best 3.8 assists per outing.

LAST TIME OUT

The Army West Point men's basketball team dropped a hard-fought decision on Monday night at St. Bonaventure, 92-83. Throughout the course of the contest there were 14 lead changes and 10 tie scores. It was a one-possession game until there was 3:19 remaining. The Bonnies then saw Jaylen Adams drain his second 3-pointer of the night to hand St. Bonaventure the 81-75 edge. From that point on, key makes at the free throw line handed the home team the nine-point victory. Of the Bonnies final 13 points, 11 were from the charity stripe in the last two minutes and 30 seconds of play.

For Army, Jordan Fox and Matt Wilson both matched their career-highs with 22 and 20 points, respectively. Fox went 8-of-12 from the floor and 4-of-8 from downtown, while Wilson did the majority of his scoring from inside the paint, finishing 7-of-13. He added 6-of-7 makes from the free throw line as well. Luke Morrison also reached double digit for the third time this season, scoring all of his 12 points in the opening half of play. The junior drained 4-of-7 from behind-the-arc, which was one shy of matching his career-best effort. Wilson led the team on the boards with seven rebounds, while Tommy Funk handed out a team-best seven assists.

Freshman Fard Muhammad hit 5-of-7 three-pointers and keyed a big first-half run as Binghamton pulled away early from visiting Delaware State, 85-66, Saturday afternoon. The win was BU's fourth in the last five games and established the program record for most non-conference wins in a season. The team's eighth win also matched last season's entire win total before BU even begins conference play.

Muhammad, who tied his season high with 16 points, drilled four three-pointers in a 4:12 span to key a 26-6 BU run that turned a 7-7 deadlock into a 33-13 Bearcats cushion midway through the first half. In the second half, sophomore guard Everson Davis scored all 10 of his points and head coach Tommy Dempsey spread the minutes as 12 players wound up reaching the scoring column and 11 received double-digit minutes. Binghamton's bench produced 46 points in the game - the 10th time in 13 games that BU has had the edge in bench scoring. Binghamton led by as many as 29 points before settling on the 19-point cushion. The Bearcats shot a season-high 61 percent from the floor.

A WIN OVER BINGHAMTON WOULD...

Hand Army its sixth win of the season and pull the Cadets to .500 on the year as they head into Patriot League play with an overall record of 6-6. It would also mark Army's sixth-straight victory over the Bearcats, making the all-time series stand at 8-2 in favor of the Black Knights.

ARMY VS. AMERICA EAST TEAMS

The Black Knights are 28-16 all-time against current members of the America East Conference. Of the nine schools in the league, Army has faced Binghamton (9 times), New Hampshire (9 times) and Albany (8 times) the most. Army leads four series against America East schools in Binghamton (7-2), Maine (5-0), New Hampshire (6-3), and Vermont (4-0). The Cadets have also competed against Albany (3-5), Hartford (1-1), and Stony Brook (2-5).

SHARP SHOOTIN'

Rookie Matt Wilson is currently leading the Black Knights with his .671 field goal percentage. The first-year has converted on 51 of his 76 attempts from the floor. Mac Hoffman is also having a solid senior campaign, holding a .522 field goal percentage to go along with his .727 mark (24-of-33) at the charity stripe.

ROOKIE DUO

Two freshmen have settled into their new roles with the Black and Gold quite nicely as both Tommy Funk and Matt Wilson are slowly starting to make a name for themselves. Funk is tops on the team in assists with 49, while Wilson is second in rebounding to Mac Hoffman with 58 boards. The two can do their fair share of scoring as well with Wilson registering his career high (20 points) during the Black Knights' outing at Fairfield and at St. Bonaventure. Funk earned his career-best 13 points in Army's back-to-back contests against Air Force and Monmouth.

LEADING FROM THE FRONT

Senior Mac Hoffman leads the team with 6.5 rebounds per game, which has him sixth in the Patriot League. He is also averaging 6.5 points per game and has been one of Army's most consistent scorers, hitting 24-of-46 from the floor for 52 percent shooting. The Pleasanton, Calif., native has converted on 24 of his 33 attempts from the free throw line as well.

SOPHOMORE SWAG

Jordan Fox has really emerged as a leader for the Black Knights. He currently leads Army and is 10th in the Patriot League averaging 13.3 points per game. What's more impressive though is how he's scoring. The sophomore has converted on 55 of his 110 attempts from the floor. That's good enough for .500 percent shooting, which has him fourth in the league. Things don't stop there, as Fox is second in the conference with a .453 mark from behind-the-arc. He is averaging 2.2 treys per outing, which is also fourth in the league. Lastly, the Jackson County, Ky., native is tops in the conference with a 2.5 assists-to-turnover ratio, recording 45 assists to just a league-low 18 turnovers.

NEXT UP

Army has a little time off for the holiday season before kicking off Patriot League play on Dec. 30 against Lehigh. The Mountain Hawks and Black Knights are scheduled to tip at 7 p.m. in Christl Arena. That game will be carried live on the Patriot League Network with Rich DeMarco on the call. Lehigh is currently second in the league with an overall mark of 5-5.

CBS SPORTS NETWORK

The two Army contests against rival Navy were selected to be broadcast live on CBS Sports Network. One of the most storied rivalries in all of sports will be televised to a national audience on Jan. 21 and Feb. 18 when the Black Knights and Midshipmen square off during the Patriot League schedule. Both contests are slated for 1:30 p.m. starts.

CAMPUS INSIDERS

The Patriot League announced that two of Army's games will be broadcast by Campus Insiders. The first of the two games was Dec. 7 when the Black Knights hosted Air Force at 7 p.m. in Christl Arena. That game marked the lone non-league tilt picked up by Campus Insiders. The other contest is on the road when Army heads to Worcester, Mass., for a league matchup with Holy Cross on Feb. 15 at 7 p.m. There is the potential for a third Army game to be broadcast on March 2, but those teams and site have yet to be determined. That game will be one of the Patriot League's quarterfinal contests.

NEW COACHES

When Coach Allen took over the reigns of Army basketball in March, he started to search for two additional hires to join his staff. Ben Wilkins was the first coach to come to the banks of the Hudson. Wilkins came to West Point by way of Mount St. Mary's (Md.), where he spent four seasons as the associate head. While there he served as the team's defensive coordinator, and was responsible for working with the perimeter guards, recruiting, scouting, academics and scheduling. The last two seasons The Mount had the top-rated defense in the Northeast Conference (NEC) and ranked in the top four of the NEC in defensive efficiency each of Wilkins four years with the team. The Mount defense was ranked nationally (top 20) in turnover percentage during two of Wilkins four years.

To complete his staff, Allen then hired Zak Boisvert, who had previously spent the last two years at Maine. While at Maine, Boisvert saw the Black Bears win total jump from three in his first season to eight wins in his second. The Black Bears' resurgence was aided by an impressive batch of young talent with freshmen and sophomores accounting for 69% of the Black Bears' scoring (including the team's top four scorers). Maine had back-to-back America East All-Rookie team members (Kevin Little in 2014-15 and Issac Vann in 2015-16). Prior to the 2015-16 season, Boisvert was tabbed by Maine head coach Bob Walsh as the program's "Offensive Coordinator." The Black Bears quickly upped the pace, raising their scoring average from 60.4 points per game to 76.6. The 16.2 increase in points per game marked the largest season-to-season scoring jump in Division I between the two seasons.

West Point does not utilize the traditional Monday-Wednesday-Friday/Tuesday-Thursday scheduling model. Schedules at the Academy are based on an alternating Day 1-Day 2 template.

*Schedules are from the fall semester.

WEST POINT LINGO

| Class | West Point Nickname |
|-----------|-----------------------------|
| Freshmen | Fourth Class Cadet, Plebe |
| Sophomore | Third Class Cadet, Yearling |
| Junior | Second Class Cadet, Cow |
| Senior | First Class Cadet, Firstie |

OBC Officer Basic Course

A cadet's first stop after graduation from the Academy. OBC precedes a cadet's first assignment.

BRANCH (i.e. Field Artillery, Infantry)

Specific part of the Army that each cadet chooses to join upon graduation. Cadets receive their "branch" toward the end of the first semester of their senior year. The branch determines where a graduate is stationed for OBC.

WEST POINT HONOR CODE

"A Cadet Will Not Lie, Cheat, Steal or Tolerate Those Who Do."

The creed, or oath, each cadet takes upon entering the Academy. It is the code by which all cadets must live.

"Duty, Honor, Country"

Three attributes of paramount importance to a soldier are Duty, Honor, Country. Each is equally important. Together these words form the motto of the U.S. Military Academy.

TOUGH BREAKS

Army has fallen in three of its six nonleague losses by five or fewer points. The Black Knights first dropped a 60-57 decision to Arkansas State back on Nov. 19 in which Army overcame a 20-point second half deficit. The Black Knights used a 20-6 run over eight minutes to pull within 60-57 with 52 seconds remaining. Two key stops on the defensive end gave Army two chances to knot the score. Unfortunately, both 3-point attempts from Tommy Funk rattled in and out, stopping the large comeback just short.

During Army's next outing the Black Knights again found themselves in a close one with Central Arkansas. The Bears had their largest lead of the game (17 points) twice throughout the opening period. But Army slowly started to chip away at the deficit ultimately making it a 44-37 ballgame at the break. The Bears extended their edge to 68-54 with eight minutes remaining in the game but again the Black Knights sparked a small rally. The Cadets used a 17-4 run over four minutes to pull within 72-71. Unfortunately, that would be as close as the Black Knights would come as Central Arkansas held on down the stretch to secure the 81-76 victory.

Probably the most devastating loss for Army came from the hands of Fairfield on Nov. 26. The Black Knights saw a nine-point lead dwindle in the final 2:40, allowing the Stags to spark a 10-0 rally to close out the game. Two of those 10 points came with 0.4 remaining on the clock when Fairfield tipped in a missed shot. That ultimately sealed the comeback win for the Stags, stunning Army and handing the Black Knights their third close loss in an eight-day span.

CLASS RINGS

Each senior at West Point is presented with their class ring during the Ring Weekend. The rings are distributed at Trophy Point with the cadets wearing their "India White" uniforms.

CLASS MOTTO

One of the duties of the new cadets is selecting a class motto. That motto, selected during Cadet Basic Training, is displayed during March Back on a large banner during the 12-mile return to West Point.

The class mottos are:

- 2020: With Vision We Lead
- 2019: So Freedom Will Reign
- 2018: So Others May Dream
- 2017: With Honor We Lead

ARMY WELCOMES BACK N.Y. KNICKS FOR TRAINING CAMP

The New York Knickerbockers held their training camp at West Point from Sept. 28 through Oct. 1. This was the third consecutive year and sixth time in franchise history the Knicks have used the Army West Point facilities for their camp.

The Knicks used Christl Arena, the home of the Army men's and women's basketball programs, for their practices throughout the week. They also trained in the O'Meara, Malek, Dawkins, Class of 1959 Strength Development Center inside Kimsey Athletic Center. Three years ago, Team President Phil Jackson brought the Knicks back to West Point for training camp for the first time since 1967. The Black Knights had the opportunity to spend time with the Knicks, as did the Corps of Cadets at different points during that week.

ACADEMIC HONOR ROLL

Mac Hoffman and Luke Morrison represented the Army West Point men's basketball team on the Patriot League Academic Honor Roll for the 2015-16 season. To be eligible for the Spring Academic Honor Roll, a student-athlete must earn at least a 3.20 GPA in the spring semester and participate in one of the Patriot League's winter or spring championship sports.

As a rising senior, Hoffman was one of three Patriot League men's basketball players to earn a GPA of 4.0 or higher during the spring, as he finished the semester with a 4.037 GPA as a Systems Engineering major. This year's honor marks Hoffman's second after being named to the Patriot League Academic Honor Roll in 2014-15. A native of Pleasanton, Calif., Hoffman averaged 1.5 points and 2.8 rebounds per contest just a season ago.

A Comparative Politics major from Charlotte, N.C., Morrison made his first appearance on the Patriot League Academic Honor Roll, following his 3.211 GPA. Morrison averaged 5.0 points per game as a sophomore last season to lead all returning Army players heading into 2016-17.

THE CLASS OF 2020

Almost 1,300 cadet candidates, including 282 women, 425 minorities, 15 international cadets and 13 combat veterans reported to West Point on Reception Day. The incoming class was selected from a pool of nearly 16,000 applicants. There are 282 women, who comprise 22 percent of the class.

Minority enrollment, roughly 33 percent, includes 180 African-Americans, 122 Asian-Americans; 123 Hispanic Americans and 14 Native Americans. The Class of 2020 includes cadets from every state in the nation and 15 international cadets entering under the sponsorship of their respective countries. The countries represented include Bahrain, Bosnia and Herzegovina, Colombia, Egypt, Georgia, Honduras, Kosovo (two), Moldova, Pakistan, Philippines, Singapore, South Korea, Taiwan, and Turkey.

Upon graduation, these cadets will return to their respective countries as officers in their armed forces.

BRANCH NIGHT

On Nov. 17, all members of the First Class (senior) assembled inside Eisenhower Hall for Branch Night. The Commandant, Brig. Gen. Diana M. Holland, spoke about the importance of the evening in relation to the future officers' chosen profession in the Army.

For the first three years at the Academy every cadet receives information about each of the 16 Branches. By the time Branch Night occurs they will understand what the normal duties, responsibilities, assignment patterns and locations are for each of the Branches. Late in their junior year (Cow year) each cadet must indicate, by order of preference all specialties for which they are qualified and eligible. Branches are then assigned according to performance, preference and current Branch goals [which means what the Army needs at that time].

Envelopes are handed out to the Firsties that contained the insignia of the Branch to which they were assigned. On order the cadets open their envelopes at one time. Exultation, cheers, groans, high-fives and more could be heard coming from Ike Hall once the envelopes were opened. Relaxation and refreshment with the Branch representative and the other members of their Branch "family" followed the news.

Here are the branches each senior received:

- Richard Brown - Transportation Branch
- Scott Mammel - Air Defense Artillery Branch
- Kennedy Edwards - Field Artillery Branch
- Mac Hoffman - Aviation Branch

JIMMY ALLEN

@ARMYCOACHALLEN
THE LEE ANDERSON MEN'S HEAD BASKETBALL COACH
1ST SEASON
EMORY & HENRY, 1993
RECORD AT ARMY: 5-6 (.455)

Jimmy Allen, who spent the previous six seasons on Zach Spiker's coaching staff, was named as Army West Point's new head men's basketball coach, Director of Intercollegiate Athletics Boo Corrigan announced on March 30, 2016. Allen is the 31st head coach in the program's 114-year history.

"As we studied our diverse and talented pool of coaching candidates from across the nation, Jimmy Allen's name and body of work continued to rise to the top," Corrigan said at the time of his hiring. "Jimmy played an integral role in our team's most recent success, helping lead our program to four straight 15-win seasons for the first time in nearly a century. He is a passionate leader, a dynamic recruiter and a man of great character. We feel Jimmy Allen is the ideal fit to lift our men's basketball program to even greater heights."

"We're excited to have Jimmy at the head of our men's basketball program," said Lt. Gen. Robert Caslen, Jr., USMA Superintendent. "As an associate head coach, Jimmy played a key role in the team's recent success. As the

son of a graduate who spent a large part of his childhood on West Point, he's internalized the ideals of Duty, Honor, Country and is committed to our mission of developing leaders of character. We're confident that, under Jimmy's leadership, the program will continue to contribute to the development of our Army's future leaders without missing a beat."

Allen held the position of associate head coach during the 2015-16 season as Army returned to postseason play for the first time since 1978.

In addition to Army's participation in the 2016 CollegenInsider.com Postseason Tournament, the Black Knights won 19 games for the first time since 1977-78 and set a program record for road wins with 11.

Allen was an integral part of Army's success over the past four seasons. The Class of 2016 finished their careers with 65 victories, the most wins for a class since 1971. The Black Knights have had 11 All-Patriot League selections over the last four years, the most in a

four-year span in program history. Seniors Tanner Plomb (First Team), Kevin Ferguson (Second Team) and Kyle Wilson (Third Team) highlighted Army's All-Patriot League picks in 2015-16, and Ferguson was also chosen to the inaugural Patriot League All-Defensive Team.

Plomb, Ferguson, Wilson and Dylan Cox became the first four classmates in Patriot League history to all score 1,000 career points. The foursome, along with Larry Toomey, made up the only starting five in the nation consisting entirely of seniors in 2015-16.

"This opportunity means the world to me," Allen said. "I feel like West Point has been part of my DNA since I was born. I lived here a couple different times growing up, and with my father being a graduate of the Academy, this is a very special day for me.

"This is not just an opportunity to be a head coach. It is an opportunity to be the head coach at Army West Point," Allen continued. "To be able to continue to work with the guys who have been part of this program, and continue to do the things that have made our program successful, is something I am extremely excited about."

In 2014-15, Allen helped the Black Knights reach 15 victories for the third consecutive year, marking the first time the program recorded three straight 15-win campaigns since Bob Knight's teams each won at least 15 from 1967-70. Army has won at least 15 games in the past four seasons, which is the best run of 15-win seasons since 1920-24.

Allen also saw Army capture the 2014 All-Military Classic presented by USAA Championship with victories over Air Force and VMI. In addition, the 2014-15 Black Knights defeated USC, 85-77 in overtime, to secure their first win against a Pac-12 team since 1964.

Allen mentored All-Patriot League Second Team selection Plomb and third-team honoree Wilson in 2014-15. Plomb was second on the team in scoring and rebounding, while Wilson led the conference in points per game.

The program also excelled in the classroom in 2014-15 and posted its highest team grade-point average in 10 years with a 2.84 GPA in the fall semester as seven players were honored with places on the West Point Dean's List.

Since his addition to the Black Knights' coaching staff, 16 All-Patriot League honors have been handed out to Army West Point players, including Nathan Hedgecock's

Scholar-Athlete of the Year recognition, a pair of first-team nods for Ella Ellis and Wilson's Rookie of the Year award in 2013.

Allen joined Spiker's coaching staff in April 2010 after serving six seasons as the head coach at Averett University in Danville, Va.

His father, James, graduated from West Point in 1967 and later returned as a chemistry instructor. During his father's tenure as a professor, Allen attended West Point elementary school for three years and James I. O'Neill High School through the 10th grade.

In his six seasons with the Division III Cougars, Allen posted a 97-70 (.581) overall record, guiding the program to three 20-win seasons, three USA South Athletic Conference titles, three USASAC tournament championships and three NCAA Tournament appearances.

A three-time USA South Coach of the Year (2005, 2007, 2008), Allen inherited a team that was 0-25 the season prior to his arrival and posted a 13-14 overall record in his first year. The next season, the Cougars won 20 games and captured a share of the conference regular-season crown. In 2006-07, Allen's squad went 20-7, winning both the USASAC regular-season and tournament championships and earning the school's first NCAA appearance since 1990.

While the team's overall record slipped to 14-15 in 2007-08, the Cougars made a run in the postseason to capture the league tournament and earn their second straight NCAA berth. The 2008-09 squad returned to the 20-win plateau and not only won a conference regular-season championship and its third straight league tournament crown, but also scored its first NCAA Tournament victory since 1990. Allen's 2009-10 team went 10-16 overall and advanced to the semifinals of the USASAC postseason.

In addition to the team success, Allen mentored 13 all-conference performers in his six seasons. One of those players, Jonathan Rumley, is the school's only first-team National Association of Basketball Coaches All-America selection. Allen helped develop Rumley into the schools' all-time leader in steals per game (2.9). He also finished his career ranked fifth all-time at Averett in scoring (1,186) and fifth in rebounds (511).

There was also no shortage of off-the-court accolades for Allen's program during his tenure at Averett. The Cougars earned the USA South Athletic Conference Sportsmanship Award three straight times from 2007-09. The team was also honored with the Community Youth Service Award by the Dan River Center

for Voluntarism in 2007, and in 2008 received recognition from the Big Brothers Big Sisters of Danville. In the classroom, 18 of Allen's players were named to the conference all-academic team.

Prior to his arrival at Averett, Allen spent 11 seasons as an assistant coach, including eight at the Division I level. Before taking his first head coaching position, Allen worked for two seasons as the associate head coach at Wofford College where the 2002-03 squad won six games against the RPI's top-ranked non-conference strength of schedule.

Allen got his first taste of coaching at a service academy while spending six years as an assistant at Navy under Don DeVoe from 1996-2002. During his tenure with the Mids, Navy won the Patriot League championship and earned NCAA Tournament berths in 1997 and 1998. Allen helped the Mids to three 20-win seasons in his six years in Annapolis.

Prior to his stint at Navy, Allen began his coaching career at Emory & Henry, his alma mater, working with the Wasps from 1993-96.

A 1993 graduate of Emory & Henry with a bachelor's degree in accounting, Allen played in four consecutive NCAA Tournaments during his undergraduate career. The Wasps won 20 games each of his four seasons and advanced to the "Sweet Sixteen" of the NCAA postseason on two occasions.

A four-year starter at point guard, Allen holds the program's record with 117 consecutive games played and ranks second on the school's all-time assist ledger. He was inducted into the Emory & Henry Sports Hall of Fame in 2008.
