ARMY INCHING CLOSER TO BOWL BERTH

Army (5-4, 3-3) will take the field at Michie Stadium for the final time in the 2025 season, as the Black Knights recognize 23 players on Senior Day. Army is 10-1 on senior day in the Jeff Monken era. With a win, Army would become bowl eligible, marking bowl appearances in back-to-back seasons. A win would also mark Head Coach Jeff Monken's ninth season winning 6+ games at Army.

Army was idle this past weekend, last playing two weeks ago in a 14-13 home win over Temple. QB Cale Hellums rushed for 118 yards and a touchdown, marking his fifth straight game finding the end zone.

Tulsa (3-7, 1-6) is coming off a 31-14 home victory over Oregon State. Dominic Richardson led the offensive effort with a season-high 166 rushing yards on 27 carries and a touchdown. Baylor Hayes completed 12 of 19 passes for 163 yards and a score. Ray Coney anchored the defense with 10 total tackles and one sack, while Brody Foley set a career high with seven receptions for 95 yards and two total touchdowns.

1ST AND 10

- In Army's win over Temple, the two teams combined for just 12 total possessions — the fewest in any FBS game since at least 2007. Only five games since then have featured as few as 13 possessions.
- With a win in either of the next two contests (vs. Tulsa or at UTSA), Army would reach six wins, clinching bowl eligibility for the second consecutive season. A bowl berth would mark Army's 12th all-time bowl appearance. The Black Knights are 8-3 all-time in bowl games and 5-1 under Head Coach Jeff Monken.
- With consecutive bowl appearances, it would mark the third separate streak of back-to-back bowl berths under Head Coach Jeff Monken (2016-18, 2020-21, and 2024-25). Prior to Monken's tenure, Army had achieved consecutive bowl appearances only once in program history — in 1984 (Cherry Bowl) and 1985 (Peach Bowl).
- Saturday marks the final home game at Michie Stadium for the 2025 senior class, as the program recognizes 23 players on Senior Day.
- Army is 10-1 on senior day in the Jeff Monken era.
- Army is 48-12 (.800%) at Michie Stadium since 2016.
- **QB CALE HELLUMS'** 12 rushing touchdowns rank T-13th in a single season in program history, making him one of just 21 players to record 12 or more rushing scores in a season. With three more, he would tie Glenn Davis (1945) and Tory Crawford (1986) for fifth.
- With 171 more rushing yards (57.0 per game), Hellums would reach 1,000 for the season, joining Tommy Bell (1954), Tory Crawford (1986), Mike Mayweather (1989), Carlton Jones (2004), Trent Steelman (2012), Ahmad Bradshaw (2017), Kelvin Hopkins Jr. (2018), and Bryson Daily (2024) as Army players to eclipse 1,000 rushing yards and score 12+ touchdowns in a season. Bell, who finished with 1,020 yards in 1954, was the first Army player to surpass 1,000 in a season.
- **ILB ANDON THOMAS'** average of 5.22 solo tackles per game is tops in the American Conference and ninth best in the nation.
- Last week, Army announced its uniforms for the Army-Navy Game, honoring 250 years of service and sacrifice.

IN MEMORY OF CHUCK SULLIVAN

The American Conference mourns the heart-breaking loss of assistant commissioner of communications Chuck Sullivan, who passed away Saturday evening after a long battle with melanoma. Sullivan was 54 years old.

One of the most well-respected communications professionals in collegiate athletics, Sullivan first joined the conference staff in August of 2007 as the Big East Conference's director of communications. After the American's reconstitution in 2013, he was promoted to assistant commissioner for communications in January of 2015 and has overseen the communications and external operations for the American and its 20 Division I sports. In addition to supporting the promotion of the American's student-athletes and sports, Sullivan supervised and mentored dozens of communications and external relations professionals over his time with the conference office and previously at the institution level.

Commissioner Tim Perneti noted, "We are heartbroken at the loss of our friend and colleague Chuck Sullivan. For 25 years, Chuck has been a deeply respected leader in collegiate athletics, and a remarkable husband and father. Chuck's positive impact on the industry, the American Conference, student-athletes, coaches, and members of the media will always remain in our hearts. He will be truly missed and forever part of the American Conference family."

A native of Stoughton, Massachusetts, Sullivan served on the media coordination staff for a multitude of College Football Playoff National Championship games, the NCAA Final Four and the BCS National Championship.

2025 TEAM CAPTAINS

In April, the team voted for team captains. Both inside linebackers Andon Thomas and Kalib Fortner were selected as team captains for the 2025 season. In 2021, Army also had only defensive captains when they had four: Nolan Cockrill, Cedrick Cunningham, Arik Smith, Marquel Broughton.

CAMPBELL TROPHY FINALIST

In Andon Thomas has been selected as a finalist for the 2025 William V. Campbell Trophy, college football's premier scholar-athlete award that annually recognizes an individual as the absolute best in the nation for his combined academic success, football performance, and exemplary leadership. The award is often referred to as the "Academic Heisman."

From a pool of 180 candidates nationwide, Thomas has been selected as one of 16 finalists for the Campbell Trophy, the nation's premier scholar-athlete award.

Army joins Notre Dame, Texas, and Oregon as the only universities to produce two or more Campbell Trophy finalists over the last three seasons. Linebacker Leo Lowin was a finalist in 2023.

Academically, Thomas was named to the College Sports Communicators Academic All-America First Team in 2024. He boasts a 3.98 GPA while majoring in chemical engineering and is particularly interested in applying engineering principles to Army technology development. Following graduation, Thomas plans to pursue advanced studies in chemical engineering, conduct research to support the Army's technical challenges, and eventually return to West Point as a faculty member in the Department of Chemistry and Life Science.

MONKEN'S HARDWARE

Head Coach Jeff Monken garnered national recognition for his leadership and teams' success in a historic 12-2 record-breaking 2024 season, earning several prestigious honors, including:

- **ANDY TALLEY REGIONAL COACH OF THE YEAR (MAXWELL FOOTBALL CLUB)**
- **PAUL "BEAR" BRYANT GROUP OF FIVE COACH OF THE YEAR**
- **AFCA REGIONAL COACH OF THE YEAR**
- **ECAC DIVISION I COACH OF THE YEAR**

He was also a finalist for the Paul "Bear" Bryant Coach of the Year award.

DODD TROPHY WATCH LIST

Monken has been named to the 2025 Dodd Trophy Watch List, announced by the Bobby Dodd Coach of the Year Foundation and the Peach Bowl.

This year's list includes 26 of the nation's top college football coaches representing all Power Four conferences, as well as the AAC, Mountain West and an independent.

Additionally, four of the finalists for last year's award are represented with Kenny Dillingham (Arizona State), Dan Lanning (Oregon), Jeff Monken (Army) and the eventual winner of the 2024 Dodd Trophy, Notre Dame head coach Marcus Freeman.

The Dodd Trophy, college football's most coveted national coaching award, celebrates the head coach of a team who enjoys success on the gridiron, while also stressing the importance of scholarship, leadership and integrity – the three pillars of legendary coach Bobby Dodd's coaching philosophy.

ALLSTATE AFCA GOOD WORKS® TEAM

Monken, also has been nominated to the 2025 Allstate AFCA Good Works Team.

The nomination marks Monken's third consecutive season making the initial nomination list. Among Monken's numerous acts of good work to the community, he annually plays and participates in the Peach Bowl Golf Tournament, with proceeds from the competition benefiting a charitable foundation of his choice.

2024 JOE MOORE AWARD WINNERS

In a surprise presentation at the team's hotel in Washington, D.C., ahead of the iconic Army-Navy Game presented by CBS Sports and USAA, Army's offensive line was honored with the Joe Moore Award—the only award in college football that recognizes an entire unit. This historic achievement marks Army's first-ever Joe Moore Award win and the first time a unit from a military academy or the Group of 5 has received this prestigious honor.

The Black Knights used the same five starters in every game in 2024: LT Connor Finucane, LG Bill Katsigiannis, C Brady Small, RG Paolo Gennarelli, RT Lucas Scott.

AIR FORCE'S BOGEYMAN

Army has outscored Air Force 63–23 across the last three meetings, powered by a relentless defensive stretch under defensive coordinator Nate Woody.

The Black Knights had not allowed a touchdown to the Falcons in the previous two games (2023–24), and in the first half of 2025, a span of 11 consecutive quarters, before Air Force finally found the end zone on the final play of the third quarter on Saturday.

Before that score, Army's defense had held the Falcons without a touchdown on 31 straight possessions, dating back to the third quarter of the 2022 matchup at Globe Life Field in Arlington, Texas.

Turnovers have also been a major theme as the Black Knights have generated 12 takeaways in the last three meetings (six in 2023, three in 2024, three in 2025). This season, the unit has forced multiple turnovers in three games (East Carolina, UAB, Air Force) and produced three takeaways in a game for the first time since Nov. 30, 2024 vs. UTSA.

2025 TEAM NOTES

KEEP AWAY

Under head coach Jeff Monken, Army has specialized in long, sustained drives that dominate time of possession and limit opportunities for opposing offenses. That approach has consistently kept the Black Knights' defense fresh, as Army has averaged the fewest defensive snaps per game of any FBS team from 2016-2024.

Team	Def Snaps	Def Snaps/Game	Rank
Army	6622	57.6	1
Air Force	6182	57.8	2

Minnesota	6848	62.3	4

ONSIDE

Army's recovered an onside kick at Kansas State when Anderson Britton banged a kick off of a front line player on KSU's return team. It was Army's first successful recovery since 2020 vs. Abilene Christian.

ANDERSON'S BREAKOUT

Sophomore WR Brady Anderson has been a breakout playmaker for the Army offense in 2025.

He hauled in a 68-yard touchdown late in the fourth quarter in Game 3 vs. North Texas, tied for the 21st-longest reception in program history.

Anderson recorded career-highs in both receptions (4) and receiving yards (97) at Tulane (10/18).

Anderson has recorded 60 or more receiving yards in three games this season (K-State, North Texas, Tulane).

He joins Casey Reynolds (2024) and Edgar Poe (2015) as the only players in the Jeff Monken era to post three or more games with 60+ receiving yards in a single season.

ANDERSON NEARING RARE AIR

Anderson is averaging 30.6 yards per reception (10 catches, 306 yards). The program record for single-season yards per catch (minimum 15 receptions) is 30.9, set by Pete Dawkins in 1958.

THREE SOLID PASS CATCHERS

With Anderson's latest reception last week, Army now has three players with at least 10 catches in a season for the first time in the Jeff Monken era — and the first time since 2013 (Xavier Moss, Chevaughn Lawrence, Anthony Stephens). Anderson joins Noah Short and Samari Howard in reaching the milestone.

FIRST CAREER SCORE FOR SAMARI

RB Samari Howard caught his first career touchdown, a 17-yard score before halftime in Game 3 vs. North Texas.

NEW FACES

Army had six starters making their first career starts vs. Tarleton State in Week 1.

First career starts included: LT Henry Appleton, RT Teddy Williams, WR Brady Anderson, TE Parker Poloskey, OLB Gavin Shields, FS Collin Matteson.

FIRST CAREER START FOR CARSON

Junior running back Carson Smith made his first career start at Tulane in Game 7, carrying the ball eight times for 27 yards.

WORK HORSE

Junior Cale Hellums made his first start behind center at Kansas State in Week 2 rushing 41 times for 124 yards and two touchdowns,

His 41 rushes were the most by any player in a single game in program history. In Game 7 at Tulane, Hellums followed up with a 38 carry performance.

IMPRESSIVE QB DEBUT

Cale Hellums became just the second Army quarterback since 1995 — joining Bryson Daily — to rush for over 120 yards, score multiple rushing touchdowns, throw for a touchdown, and complete at least 60% of his passes in the same game. Daily accomplished the feat twice in 2024, against Rice and East Carolina.

BACK-TO-BACK DOUBLE-DIGIT TD SEASONS BY QB NO.1

Hellums has 11 rushing touchdowns on the year. It marks the first time Army's starting quarterback has rushed for 10 or more touchdowns in back-to-back seasons (Bryson Daily – 32 in 2024) since 2017–18 (Ahmad Bradshaw – 14 in 2017; Kelvin Hopkins Jr. – 17 in 2018).

CLOSING IN ON 1,000 AGAIN

Hellums, who is averaging 92.1 rushing yards per game, is approaching 1,000 rushing yards on the season.

If he reaches the mark, it would be the first time since at least 1995 that an Army quarterback has recorded back-to-back seasons with 1,000 rushing yards and 10+ touchdowns (Bryson Daily – 1,659 yards, 32 TDs, 2024).

CAMPBELL TROPHY FINALIST

Thomas has been selected as a finalist for the 2025 William V. Campbell Trophy, college football's premier scholar-athlete award that annually recognizes an individual as the absolute best in the nation for his combined academic success, football performance, and exemplary leadership. The award is often referred to as the "Academic Heisman."

From a pool of 180 candidates nationwide, Thomas has been selected as one of 16 finalists for the Campbell Trophy, the nation's premier scholar-athlete award.

Army joins Notre Dame, Texas, and Oregon as the only universities to produce two or more Campbell Trophy finalists over the last three seasons. Linebacker Leo Lowin was a finalist in 2023.

Academically, Thomas was named to the College Sports Communicators Academic All-America First Team in 2024. He boasts a 3.98 GPA while majoring in chemical engineering and is particularly interested in applying engineering principles to Army technology development. Following graduation, Thomas plans to pursue advanced studies in chemical engineering, conduct research to support the Army's technical challenges, and eventually return to West Point as a faculty member in the Department of Chemistry and Life Science.

HEROIC EFFORT

Sophomore safety Larry Pickett Jr. drew national media attention in early September for living out the Army's Warrior Ethos off the field — placing himself in harm's way to pull a man from a crashed car threatened by a live power line. His courage and composure ensured everyone walked away safely.

CAPITAL ONE ORANGE BOWL-FWAA COURAGE AWARD

Larry Pickett Jr. was the first weekly nomination for the 2025 Capital One Orange Bowl-FWAA Courage Award. Pickett, a sophomore safety, rescued a man from a burning car earlier this season.

Pickett was with his family when they drove by an accident in Fort Montgomery, N.Y., in the early morning hours of Sunday, Aug. 31. A car had crashed into a utility pole, and there were live wires on the ground near the pole. In the midst of the dangerous scene, Pickett and his father, Larry Sr., raced out of their car and toward the damaged vehicle to pull out its driver, who was unresponsive.

PURPLE TEAMS

Army opened the 2025 season facing back-to-back opponents whose primary color is purple — Week 1 vs. Tarleton State and Week 2 at Kansas State. It marks the first time since 2002 that Army has played purple-clad opponents in consecutive weeks when they played East Carolina and TCU.

BROTHERLY LOVE

Army has three sets of brothers on the roster in the Bartosh's, Kloska's and the Fortner's.

Briggs and Braden Bartosh -- Briggs is a sophomore running back and Braden is a senior offensive lineman.

Tim and Kyle Kloska -- Tim is a sophomore running back and Kyle is a junior offensive lineman. Kyle transferred to Army from Central Michigan so he could play with his brother.

Kalib and Liam Fortner -- Twin brothers from Knoxville, Tenn. both are major contributors. Kalib is a starting inside linebacker and Liam at starting wide receiver.

FACELIFT

Michie Stadium is currently undergoing a major construction project, the Michie Stadium Preservation Project.

Expected completion for this project, which will rebuild and modernize the current East Stands, is slated for Summer 2026. During this time, Army West Point will continue to welcome fans at Michie Stadium for men's and women's lacrosse, football, graduation, and other special events

2024 SEASON IN REVIEW

CONFERENCE CHAMPS

The Black Knights, who were playing in a conference for the first time in 20 years as a member of the American Conference, took the league and nation by storm, posting a perfect 8-0 record in the league and on its way to winning its first-ever conference championship, defeating Tulane. Army's impressive season marked only its second 11-win season in school history, the other coming in 2018, an 11-2 campaign under Monken as well.

HOT START

Army began the season 9-0 for the first time since 1996 before suffering its first setback. It was only the seventh time in school history (1916, 1933, 1944, 1945, 1949, 1996 and 2024) beginning 9-0.

STREAKIN'

Army built a 13-game winning streak, which was the nation's longest active winning streak. The streak came to an end with a defeat to Notre Dame (11/23).

It was Army's longest winning streak since between the 1949-1950 seasons, teams coached by the legendary Earl 'Red' Blaik.

DOMINANCE

Until Army's ninth game at North Texas, Army did not trail in a game in 2024 but at any point during its winning streak to that point. Since 2003, the only team with a longer streak without playing from behind was Alabama, in the last nine games of its 2020 National Championship season and the first five games of the 2021 season.

RANKED AT MICHIE

When hosting East Carolina at Michie Stadium on 10/19/2024, Army was ranked #23 in the AP Poll. It was Army's first home game at Michie while being ranked since 1959.

A PERFECT CONFERENCE MARK

Army joined UCF (2013, 2017, 2018), Cincinnati (2021), Houston (2021), SMU (2023), and Tulane (2023) as the only American teams to go 8-0 in conference in a season.

12+ WINS IN ELITE AIR

Army finished as one of seven FBS teams to win 12+ games in 2024.

TOP SERVICE ACADEMY SEASON

Army's 12-win 2024 was only the third 12-win season by a service academy joining Air Force (1985 & 1998).

CAPTAIN AMERICA

Quarterback Bryson Daily led the country with 32 rushing TDs, the most ever in a season by a QB. He became the sixth player in NCAA history to total 30+ rushing touchdowns in a season on his way to finishing sixth in the voting for the Heisman Trophy. His 32 rushing touchdowns are third most in a season all time only behind Barry Sanders, 37 (Oklahoma State, 1988) and Montee Ball, 33 (Wisconsin, 2011).

HEAD COACH JEFF MONKEN

12TH SEASON | MILLIKIN, 1989

Jeff Monken enters his 12th season leading the Army West Point football program in 2025, having been named the 37th head coach in program history on December 24, 2013.

Monken boasts an impressive career head coaching record of 123-77 (.614), including an 87-61 (.586) mark at Army.

Entering 2025, Monken and his Black Knights hold a 16-2 record in their last 18 games dating back to November 2023.

In the 2024 season, Jeff Monken led the Army Black Knights to a historic, record-breaking campaign. Army posted a 12-2 record, marking the first 12-win season in the program's 135-year history, and captured its first-ever conference championship, winning the American Athletic Conference (AAC) in its debut season as a league member. For his team's remarkable accomplishments, Monken was named AAC Coach of the Year.

Army's 12 wins also marked just the third time in history that a service academy recorded 12 or more victories in a season.

Monken garnered national recognition for his leadership, earning several prestigious honors, including:

- Andy Talley Regional Coach of the Year (Maxwell Football Club)
- Paul "Bear" Bryant Group of Five Coach of the Year
- AFCA Regional Coach of the Year
- ECAC Division I Coach of the Year

He was also a finalist for the Paul "Bear" Bryant Coach of the Year award.

The Black Knights broke onto the national stage in 2024, appearing in the College Football Playoff rankings for the first time and rising as high as #19 in late November. They also maintained a position in the AP Top 25 Poll for nine consecutive weeks, the program's longest such streak since being ranked every week during the 1958 season. Army concluded the season ranked #21 in the AP Poll, just the third time since 1996 the program has finished in the Top 25.

During the season, Army built a 13-game winning streak, the longest active streak in the nation before it ended with a loss to Notre Dame. It was Army's longest winning streak since the 1949-50 seasons, when the program was led by legendary coach Earl "Red" Blaik.

The Black Knights capped their storybook season with a victory over Louisiana Tech in the Radiance Technologies Independence Bowl.

Army was also perfect at home, going 6-0 in the regular season at Michie Stadium and 7-0 overall including the AAC Championship Game. It marked the fourth time under Monken (2017, 2018, 2020, 2024) that Army went undefeated at home. Under his leadership, the Black Knights boast a 45-17 (.725) home record from 2014 to the present.

Army also became just the sixth team in AAC history to go a perfect 8-0 in conference play, joining UCF (2013, 2017, 2018), Cincinnati (2021), Houston (2021), SMU (2023), and Tulane (2023).

Monken's squad was powered by senior quarterback Bryson Daily, who emerged as one of the nation's premier players. Daily led the NCAA with 32 rushing touchdowns, the most ever in a season by a quarterback, and shattered multiple Army records, including:

- Most touchdowns responsible for in a season
- Most rushing touchdowns in a season
- Most rushing touchdowns in a single game

Daily's remarkable season earned him sixth place in the Heisman Trophy voting, the highest finish by an Army player since Pete Dawkins won the award in 1958.

Monken has led Army to great success against the other service academies during his tenure, winning 13 of the last 18 contests against Air Force and Navy. This includes winning six of the last eight matchups vs. Air Force (2017, 2018, 2020, 2021, 2023, 2024) and six of the last nine against Navy (2016, 2017, 2018, 2020, 2022, 2023). Monken has captured five bowl-game victories (2016, 2017, 2018, 2021, 2024) and has led Army to win the Commander-in-Chief's Trophy—a series among the U.S. service academies—four times (2017, 2018, 2020, 2023) in the last eight seasons, also retaining the trophy in 2021.

Since 2017, Monken and the Black Knights have enjoyed a 68-34 (.667) win-loss record, the best among the service academy programs.

In 2023, Monken led Army to recapture the coveted Commander-in-Chief's Trophy for the 10th time in school history, awarded annually to each season's winner of the triangular rivalry series between Army, Air Force, and Navy. The CIC Trophy was Army's fourth in the past seven seasons at that time, as Army only had four combined in the previous 39 years.

The Black Knights rallied to win four in a row to end the 2023 season to finish 6-6, including over Air Force and Navy. One of the biggest victories in Monken's career and school history came as Army upset rival undefeated #17 AP-ranked Air Force, 23-3 at Empower Field at Mile High, snapping their 13-game winning streak which dated back to the previous season. The win was Army's first over an AP-ranked opponent since 1972, when it also defeated #19 Air Force. It was also Army's first win of 20 or more points vs. an AP-ranked opponent since 1958 beating #18 South Carolina, 45-8. It was only the second time that Army had beaten a team that entered the game 8-0 or better. The other instance was November 13, 1976, vs. Colgate, winning 29-13.

Monken's team was led by several notable contributors which included quarterback Bryson Daily, who started 10 games, becoming only the second Army QB to rush and pass for over 900 yards in a season. Daily accounted for a team-high 14 touchdowns (seven rushing, seven passing). Daily was joined by standout freshman running back Kanye Udoh in the backfield who was named the ECAC Division I FBS Rookie of the Year. Udoh rushed for 524 yards, trailing only Daily for the team lead. His 524 yards on the ground ranked 10th among all FBS freshmen in the country on the season.

Defensively, team captain Leo Lowin led the unit in tackles for the second consecutive season with 92 total tackles. He added 4.5 tackles for loss and 3.0 sacks, and four forced fumbles that ranked tied for third most in the country. Lowin was also selected as one of 16 finalists for the William V. Campbell Trophy, college football's premier scholar-athlete award that annually recognizes an individual as the absolute best in the nation for his combined academic success, football performance and exemplary leadership. It is considered by many to be the "Academic Heisman" and nicknamed as such.

Thirteen players were selected to the 2023 Phil Steele Postseason All-Independent Team. Army saw four first-team selections, OL Connor Finucane, DB Quindrelin Hammonds, LB Leo Lowin, and DB Bo Nicolas-Paul. LB Jimmy Ciarlo, QB Bryson Daily, OL Jackson Filipowicz, TE Joshua Lingenfelter, K Quinn Maretzki, DB Jabari Moore, RB Kanye Udoh, DB Jabil Williams (Special Teams) and WR Isaiah Alston were named to the second team.

On September 18, 2023, Monken agreed to a multi-year contract extension with Army West Point.

In 2022, with a Week 3 home victory over Villanova, Monken logged his then 59th career win at Army West Point, breaking a tie with the legendary Army coach Charles Daly and surpassing his mark for second place on the Academy's all-time win list. First is Red Blaik with 121 career victories.

In the 2022 campaign, he led Army to overcome a difficult 1-4 start by winning five out of its last seven games to finish 6-6, culminating with a double-OT victory over arch-rival Navy, the first-ever overtime game in the history of the Army-Navy Game series. The win over Navy marked victories for Army in five of the last seven meetings since 2016. The offense was led by senior QB Tyhier Tyler, who posted a career-high 12 rushing touchdowns, which was second in the FBS by all quarterbacks. He also was the first Army quarterback with 10+ rushing touchdowns since Kelvin Hopkins Jr totaled 17 in 2018. The senior quarterback finishes his Army career with 24 rushing touchdowns, T-3rd most by an Army QB, which is also good for T-10th on Army's all-time rushing TD list. With Tyler primarily at the helm, the Black Knights ranked second in the country rushing for 289.4 yards per game. Army's 38 rushing touchdowns were tied for second-most only behind Tennessee (39).

The defense also saw consistent improvement throughout the season. During Army's 5-2 finish, the defense only gave up 15.0 points per game. During this span of the season, Army's 105 points allowed were tied for the sixth-fewest in the country. The special teams units made big plays throughout the season, including a punt return touchdown by Tyrell Robinson and two blocked punts for touchdowns against UConn and Navy. Army's three special teams TDs were second most in the FBS.

Seven Black Knights were selected to Phil Steele's Postseason All-Independent Team in first-team selections, C Connor Bishop, LB Andre Carter II, S Marquel Broughton, and Tyrell Robinson, who was selected as a punt returner. QB Tyhier Tyler, OL Connor Finucane and LB Leo Lowin were named to the second team. Additionally, Andre Carter participated in the Reese's Senior Bowl, a post-season college all-star game for top NFL prospects. Carter signed as an undrafted free agent with the Minnesota Vikings.

Outscoring all opponents 427-290 in 13 games in 2021, the Black Knights finished the season 9-4, recording the sixth winning season in the eight seasons under Head Coach Jeff Monken. The Black Knights' success led him to earn 2021 ECAC Coach of the Year honors.

The Black Knights won a fourth-consecutive Armed Forces Bowl in their fifth Bowl game in six years. Facing Missouri for the first time in 40 years, the Black Knights secured their fourth Armed Forces Bowl victory in 11 years. The win also marks as Army's first win against an SEC opponent since 2009. The Black Knights started the season 4-0 for the first time in 25 years as well as having an unbeaten record in November, accounting for only the third time in 21 years to mark the feat, two of those coming under Monken (2018, 2021). A dynamic Black Knight explosive attack was led by QB Christian Anderson who threw five touchdowns for 34 yards-or-more, while also rushing for the most single-game yards by a quarterback in the NCAA with 236 (Week 4). Anderson also marked three 50 yard-or-more rushing touchdowns. 2021 also saw Army's first Associated Press All-American in 31 years, where LB Andre Carter's career-high 15.5 sacks set a new Academy record for total sacks in a single season. Carter was additionally named an All-American by Phil Steele, marking also as an Academy first. Nine Black Knights were selected to Phil Steele's All-Independent Team, along with Team Captain LB Arik Smith selected as the 2021 Defender of the Nation and to the Associated Press All-Bowl Team. Smith, the team's leading tackler in back-to-back seasons was also a Campbell Trophy semifinalist and the Lockheed Martin Armed Forces Bowl MVP.

The 2020 season Monken led the Black Knights to post a 9-3 record including rivalry wins over both Navy and Air Force. Army was led by the nation's top defensive unit, as the Black Knights ranked first in the FBS in Total Defense, allowing only 275.3 yards per game. The Black Knights also ranked in the country's top five in scoring defense (2nd - 14.83 ppg), red-zone defense (2nd - .645 scoring pct.), and passing yards allowed (2nd - 160.8 ypg).

On the offensive side of the ball, Army displayed one of the most successful and diverse rushing attacks in the country thanks to Monken's triple-option scheme. The Cadets totaled over 250 rush yards in seven contests, including 441 vs Abilene Christian (Oct. 3) and 439 vs. Louisiana-Monroe (Sep. 12). Those marks were good for the 6th and 7th highest totals in a single game in the FBS during the 2020 season, respectively. Paced by a balanced rushing attack, the Cadets dominated time-of-possession over their opposition in 2020, holding the ball for an average of 34 minutes per game. The 2020 season started strong, as the Black Knights defeated Middle Tennessee State, 42-0, in the season opener, the first Army shutout since blanking Air Force in Colorado Springs, Colo., 21-0, on Nov. 4, 2017. The 42-0 victory was Army's largest shutout victory over an FBS school since 1963, when it defeated Wake Forest, 47-0. In the 2020 version of America's Game, Army's defensive unit held Navy's rushing attack to just 108 yards, the least amount of rushing yards by the Mids since 2001. The 15-0 shutout of Navy was the first time since Nov. 29, 1969, that Army shut out the Mids. The 2020 Commander-in-Chief Trophy Champions also climbed into the national rankings throughout the season, twice finding themselves in the AP Top 25 (22nd - Weeks 3-4). It was just the fourth time since 1970 that Army won at least six games in its first seven tilts. Monken coached several players to postseason honors in 2020 including USA Today Second-Team All-American Jon Rhattigan.

The 2019 season featured five wins for the Black Knights as Army averaged 297.2 rushing yards per game (3rd nationally) and had 3,863 net rushing yards total (3rd). The Black Knights' 45 rushing scores were tied for second in the nation, while their 5.2 yards per rush was 17th. The Black Knights were fifth nationally in passing defense (178.9), tied for 27th in fumble recoveries (10), 27th in first downs allowed (234) and 30th in total defense (342.3). West Point was eighth nationally in fewest penalty yards per game (38.2) and 12th in fewest penalties per game (4.6). Army is now 17-2 in its last 19 games played at Michie Stadium dating back to the 2016 season. The Cadets' 3,863 yards on the ground this season was good for sixth in program history at the time. In the VMI win, Army finished with 594 rushing yards, good for third-most in program history and the most since Nov. 18, 1989, vs. Colgate. Army's defense held UMass to 125 total yards, a program record for the fewest allowed to an FBS opponent. UMass was limited to just 19 yards in the second half. The Black Knights held the Minutemen to 26 rushing yards on 26 attempts, the fewest since allowing 10 to Lafayette on Oct. 15, 2016.

In 2018, Monken led the Cadets to a historic year as his squad became nationally ranked in early November for the first time in 22 years (1996). They remained in the Top-25 throughout the rest of the season and finished ranked No. 19 in the Associated Press Poll and No. 20 in the Amway Coaches Poll. The year was highlighted by a program-record 11 wins, marking the first time in Academy history the Black Knights registered 10-plus wins in back-to-back seasons. Army also won the Commander-in-Chief's trophy in consecutive seasons for the first time in program lore, while also garnering the Lambert Trophy for the first time in 60 years. The Black Knights became the first three-time winner of the Armed Forces Bowl as well that season after they routed Houston, 70-14, on Dec. 22. The 70 points put up by Army in that contest tied an FBS record for points scored in a bowl game. To cap the 2018 season, the Cadets won 13 games in a row at home and finished their second-straight season going unbeaten at Michie Stadium. They held five consecutive opponents to 14 or fewer points to end the year as well and finished 11-0 when leading at the half. Army closed the year ranked first nationally in third down conversion percentage (.571), fourth down conversion percentage (.861), and time of possession (38:33), while also sitting second in rushing offense with 312.5 yards per game. Twelve cadet-athletes were named to Phil Steele's All-Independent Team, and Monken received national praise after winning the George Munger Collegiate Coach of the Year Award and the Vince Lombardi Award for National College Coach of the Year. He was also named a finalist for the Paul "Bear" Bryant and Eddie Robinson Awards for Coach of the Year.

In 2017, Monken led Army to its most successful season in over two decades, earning 10 victories, the Commander-in-Chief's Trophy, and a victory in the Armed Forces Bowl. The Black Knights won the NCAA Division I Football Bowl Subdivision rushing title by averaging 362.3 rushing yards per game and finished with 50 rushing touchdowns, which broke the program record for a single season set a year prior. On the other side of the ball, Army was third in the nation in red zone defense and 14th against the pass. The Black Knights held opponents to 22 points per game, ending Air Force's 306-game scoring streak with a 21-0 victory at Falcon Stadium. It was the first shutout against a service academy since 1969. The Black Knights were also rewarded for their success as the ECAC Division I FBS Team of the Year.

The 2016 season was a memorable one for the Black Knights under Monken. He led them to their first win over Navy since 2001 and a victory in a Bowl game. The last time the Black Knights accomplished both feats in the same season was in 1984. Army was second in the nation in rushing offense and ran for a then Academy single-season 46 touchdowns, which eclipsed the 1945 national championship team. Defensively, Army was consistently in the top-10 in total defense and closed out the year fourth in the nation.

In 2015, Monken coached Army to a pair of wins over Bucknell and Eastern Michigan. The Black Knights had five players reach 100 yards rushing in a game that year and had three different quarterbacks throw for 100 yards. Signal callers Ahmad Bradshaw and Chris Carter ran and threw for 100 yards in their career debuts. Army won on the road for the first time since 2010 with a 58-36 win over Eastern Michigan as well. The Black Knights closed the season ranked 12th in the country in rushing offense at 244.3 yards per game. Linebacker Andrew King finished 21st in the nation in tackles for loss with an average of 2.1 per game and 26th in fumbles recovered with two.

In his first season at Army, Monken guided the Cadets to home victories over Buffalo, Ball State, and Fordham, in addition to a dramatic win against Connecticut at Yankee Stadium. Under his guidance, running back Larry Dixon, linebacker Jeremy Timpt, defensive back Josh Jenkins, and offensive lineman Matt Hugenberg earned 11 citations on postseason all-star teams. Two players, Joe Drummond and Dixon, competed in The Medal of Honor Bowl Game and East-West Shrine Game, respectively, as well. Army was fifth in the country in rushing offense at 296.5 yards per game in Monken's inaugural season and sixth in fewest penalties per game with just 4.08 infractions per contest. Timpt was seventh in the nation in solo tackles per game and 23rd in tackles per game. Dixon was nationally ranked in rushing yards per carry (30th), rushing yards (39th) and rushing yards per game (41st). With the Black Knights' 47-39 win against Buffalo, Monken became the first head coach to win his first game since Bob Sutton did so in 1991 with a victory over Colgate.

Monken came to the banks of the Hudson River following a successful stint as head coach at Georgia Southern. He spent four seasons as head coach of the Eagles after learning the triple-option offense under one of the nation's premier option proponents, during assistant coaching stints at Navy and Georgia Tech.

In his four seasons at Georgia Southern, Monken authored a 38-16 mark and spearheaded the program's transition to the elite Football Bowl Subdivision level from the Football Championship Subdivision (FCS) ranks. Georgia Southern, which joined the Sun Belt Conference following Monken's tenure, was a member of the FCS and qualified for the NCAA playoffs in all three eligible seasons under him. The Eagles advanced to the national semifinals each year, while also posting double-digit victory totals. Monken guided tradition-rich Georgia Southern to some of the biggest wins in school history, with the most memorable arguably being a 26-20 victory at Florida at the vaunted "Swamp." Despite that headline-grabbing victory, the Eagles were not eligible for the FCS playoffs that season due to their transitional status.

A finalist for the 2012 Liberty Mutual Coach of the Year award, Monken guided the Eagles to 10 wins his first season, 11 in his second and 10 in his third. His 2013 squad posted a 7-4 mark, including the stunning, season-ending upset of Florida in Gainesville. Under Monken's guidance, Georgia Southern was one of the top rushing teams at the FCS level, claiming the NCAA rushing title in 2012 at 399.36 yards per contest. Walter Payton Award candidate Jerick McKinnon and running back Dominique Swope established the NCAA record for rushing yards by teammates with 3,063.

Georgia Southern was ranked No. 1 in both FCS polls for seven weeks in 2011 and stopped Wofford, 31-10, to win its ninth Southern Conference championship. Five players were named All-America, Brent Russell was selected Southern Conference Defensive Player of the Year, Monken earned conference Coach of the Year plaudits and Swope was named Southern Conference Freshman of the Year. Home playoff wins against Old Dominion and Maine were part of the Eagles' memorable 11-3 campaign. Monken got off to a great start in his first year at Georgia Southern, knocking off top-ranked and previously unbeaten Appalachian State en route to a 10-5 season. The Eagles ended the year with three straight wins to qualify for the postseason and registered three playoff victories to advance to the national semifinals.

Monken was named Georgia Southern's head coach in November of 2009, continuing a family history of football coaches. Jeff's father, Mike, and a dozen family members have coached at the high school, collegiate or professional ranks. Monken's first head coaching job came after accumulating 20 years of experience as an assistant, 13 of them with his mentor Paul Johnson. Monken coached slotbacks at Georgia Southern from 1997 to 2001 before joining Johnson first at Navy and then Georgia Tech.

As an assistant coach at Georgia Southern, Monken was part of two NCAA FCS National Championship squads (1999 and 2000) and five-straight playoff teams. Georgia Southern was among the top-five rushing teams in all five seasons and twice led the nation in rushing. The Eagles ranked in the top-15 in scoring four out of five seasons as well.

After serving as an assistant at Georgia Southern, Monken accepted a position on Johnson's coaching staff at Navy. Monken not only mentored slotbacks, but he also later added special teams coordinator duties. In Annapolis, Monken helped the Midshipmen to five straight Commander-in-Chief's trophies and five consecutive bowl game appearances, including a 10-win season in 2004. Following his time at Navy, Monken moved to Georgia Tech where for two seasons he served as the slotbacks coach and special teams coordinator. The Yellow Jackets posted double-digit wins in 2009 and captured the Atlantic Coast Conference championship, although that title was later vacated. Monken began his coaching career in 1989 as a graduate assistant at Hawai'i and later spent one season at Arizona State. Monken moved to Buffalo as the wide receivers and tight ends coach who also handled recruiting. He served on the staffs at Morton (Ill.) High School as the head coach and at Concordia University in Illinois as the offensive line coach.

A native of Joliet, Ill., Monken played wide receiver for four years and earned two varsity letters in track and field while earning his bachelor's degree from Millikin University in 1989. He was inducted into the school's Athletic Hall of Fame in October 2013 and collected his master's degree from Hawai'i in 1991.

Monken and his wife Beth reside at West Point with their three daughters, Isabelle, Amelia, and Evangeline.

ARMY DROPS SEASON OPENER AT HOME TO TARLETON STATE

WEST POINT, N.Y. — The Army West Point Black Knights opened their 2025 season at Michie Stadium, where the rising structure of the Michie Stadium Preservation Project — set to debut in 2026 — provided a striking backdrop, but despite leading by 14 points in the second half, the defending American Conference champions fell 30-27 in double overtime to FCS opponent Tarleton State.

Army (0-1) had multiple chances to close out the game. Sophomore K Dawson Jones missed a potential game-winning 43-yard field goal at the end of regulation and was off target again from 35 yards in the second overtime. Tarleton State (2-0) capitalized as K Brad Larson hit a 37-yarder to secure the Texans’ second-ever victory over an FBS program.

Tarleton State relied heavily on its rushing attack, finishing with two running backs over 80 yards. Caleb Lewis led the way with 107 yards and a touchdown on 20 carries, while Tre Paige III added 89 yards and a score on 14 attempts.

Army Quarterback Dewayne Coleman, making his second career start, led Army’s offense early with a 26-yard touchdown run and finished with 129 passing yards and a career-best 100 rushing yards on 24 carries with one score. He also threw two interceptions in the second half, including one in the red zone. Junior QB Cale Hellums added a one-yard touchdown run before halftime and filled in late after Coleman exited briefly with an injury.

Running back Hayden Reed gave Army its largest lead of the night, breaking loose for a 37-yard touchdown in the third quarter to put the Black Knights up 24-10. Tarleton answered quickly with a short scoring run and later tied the game at 24 in the fourth following a Reed fumble deep in Army territory when Texans’ QB Victor Gabalis threw a 15-yard touchdown.

Army’s defense kept the game tight with two sacks (ILB Kalib Fortner and OLB Eric Ford) and several key stops, but the offense committed three straight turnovers in the second half — two interceptions and a fumble — that shifted momentum.

With 1:17 remaining in regulation, Army had one final chance to win before overtime. Hellums, filling in for an injured Coleman, scrambled for 16 yards to move the Black Knights into field-goal range. That set up sophomore kicker Dawson Jones with a 43-yard attempt in the closing seconds, but his kick sailed wide right, sending the game into overtime.

In overtime, both teams traded field goals in the first period. Army went three-and-out to start the second, setting up Jones for another attempt, but his 35-yarder was wide right. Tarleton then marched into range for Larson’s deciding kick.

ARMY RALLIES PAST KANSAS STATE BEHIND HELLUMS' CAREER NIGHT

MANHATTAN, Kan. — Under the lights at Bill Snyder Family Stadium in front of 52,723 fans, the Army Black Knights football team (1-1) came from behind in the second half to secure a 24-21 win over the Kansas State Wildcats (1-2) on Saturday night.

It was the Black Knights' first win over a Big 12 opponent since Sept. 23, 2006, a 27-24 overtime victory at Baylor. It was also Army's first power conference win in a true road game since a 21-13 victory at Wake Forest Oct. 29, 2016. In the second half, Army out gained Kansas State 192-48 in total yardage and 143-5 in rushing yards. The Black Knights ran 46 total second-half plays, to K-State's 13, and held the ball for 26:59 to the Wildcats' 3:01.

Junior Cale Hellums made his first start behind center, with senior Dewayne Coleman not 100% following an injury last week. Hellums rushed for 124 yards and two touchdowns, including the go-ahead score with 2:52 remaining. It marked consecutive weeks that the Army starting QB has eclipsed 100 yards on the ground. The Tomball, Texas native also passed 7-for-11 for 43 yards and a touchdown throw before halftime. Hellums' 41 total rushes were the most by any player in a single game in program history. Army's 237 rushing yards were the most allowed by a K-State team since 2023.

The final drive of the half was Army's best of the game to that point. With just 2:25 remaining before the break, Hellums led the offense 75 yards over 16 plays. Army picked up a trio of third downs on the drive, including two with Hellums' arm. An 18-yard pass to Short on third-and-5 with 20 seconds to play in the half subsequently marched the Black Knights into the red zone.

Monken and offensive coordinator Cody Worley dove into their bag of tricks, breaking out a double pass where Short threw a 52-yard pass down the right sideline to a wide-open Anderson to get down to the K-State 34-yard line. Later in the drive Army would convert a fourth-and-4 from the K-State 16 when RB Hayden Reed got to the edge for a gain of five and a fresh set of downs.

Army faced another fourth down inside the red zone from the Wildcats' 4-yard line with 3:36 to go in the third, in which Monken rolled the dice again as Hellums picked up just enough to get the first down, down at the half-yard line. On the next play, Hellums snuck in for a one-yard touchdown as the Black Knights took their first lead of the night, 14-13. The drive covered 89 yards across 14 plays, taking 7:58 off the game clock.

However, the Army lead proved to be short-lived, as K-State returner Bryce Noernberg returned the kickoff 99 yards for a score to quickly go back in front. The Wildcats would then convert a two-point conversion to go up seven, 21-14.

Army responded by putting together another long drive. This time the drive was 13 plays, 57 yards, 7:22 off the clock, ending in a 35-yard field goal by Dawson Jones to cut the deficit, 21-17. Army quickly regained possession of the football, as an Anderson Britton kickoff deflected off a Wildcat upback, and was recovered by Cole Searight at the Army 44. Hellums converted a fourth-and-4 with a six-yard scramble on the drive's first set of downs and followed that with a sneak on fourth-and-inches from the Wildcats' 22 with 4:36 in the game. The quarterback would then scamper for 14 yards to give Army a 24-21 lead with 2:55 to play.

After Kansas State regained the ball, Matteson broke up a pass intended for K-State's Tibbs with 2:17 left. The play was reviewed for a possible catch and fumble, but the incomplection was upheld. But after the Wildcats picked up a fourth-and-5 from their 44 with 1:59 to play, it was Matteson who came up with the game-sealing interception with 1:35 left on the clock, reacting to a deflection off the hands of K-State's Joe Jackson and completing the interception after initially grabbing the football with just one hand.

FOOTBALL RALLIES FROM 21-POINT DEFICIT, FALLS TO NORTH TEXAS IN OT

WEST POINT, N.Y. — Army West Point football (1-2, 0-1) nearly pulled off another dramatic comeback, erasing a 21-point first-half deficit before falling 45-38 in overtime to North Texas (4-0, 1-0) on Saturday at Michie Stadium. The loss marked the Black Knights' first in American Athletic Conference play after going unbeaten in league competition last season.

On a beautiful 70-degree day along the banks of the Hudson, Army started Cale Hellums at quarterback, making his second career start and first at home. But it was senior Dewayne Coleman who came off the bench in the second quarter and ignited the rally, accounting for three touchdowns — two passing and one rushing — while throwing for 101 yards and rushing for 117 more on 23 carries. He led the Black Knights to a late field goal that forced overtime before exiting with an injury in the extra period which forced Hellums back in.

North Texas' Caleb Hawkins capped a career day with his fourth rushing touchdown in overtime, and Army's fourth-down pass fell incomplete to end the comeback bid.

With 6:35 remaining in the half and down three scores, Head Coach Jeff Monken inserted Coleman at quarterback. The senior sparked a 13-play, 75-yard drive over 5:58, converting a fourth-and-1 near midfield and capping the series with a 17-yard touchdown pass to running back Samari Howard in the back corner of the end zone.

North Texas drove in the final minute, reaching field-goal range on a 19-yard pass from Mestemaker to Cameron Dorner, but only one second remained on the clock, leaving the score 28-14 at halftime.

Monken stuck with Coleman to start the second half. Army seized momentum as Hayden Reed ripped off a 37-yard touchdown run to bring the Black Knights within seven. Army marched 75 yards on seven plays over 3:53, with Reed rushing for 49 yards on the drive.

Mestemaker completed two passes of more than 15 yards on the ensuing drive, but Army's defense held in the red zone, forcing a 23-yard field goal to extend North Texas' lead to 31-21.

Army responded with a methodical 17-play, 75-yard drive over 9:58, capped by Coleman's five-yard dive into the end zone to cut the deficit to 31-28 with 11:27 remaining in the fourth quarter.

North Texas answered immediately as Hawkins broke loose for a 21-yard touchdown run, pushing the lead back to 38-28.

Trailing by 10 with under three minutes remaining, Army looked finished until Coleman connected with Anderson for a 68-yard touchdown with 2:56 to go, cutting the deficit to 38-35.

On the first play of the ensuing North Texas possession, Army junior safety Stephen Nnadozie forced a fumble at the Army 47 that Kalib Fortner recovered at the 44, giving the Black Knights one last chance. Coleman drove the offense into field-goal range, and Dawson Jones drilled a 23-yarder with nine seconds left to tie the game and force overtime. It marked the first time Army played back-to-back overtime games at home.

In overtime, Hawkins scored his fourth rushing touchdown. Coleman exited with an injury on Army's possession, bringing Hellums back into the game. Facing fourth-and-5 from the North Texas 9, Hellums' pass intended for Short was tipped and fell incomplete, sealing a 45-38 victory for the Mean Green.

FOOTBALL FALLS AT ECU IN PRIMETIME

GREENVILLE, N.C. — Army West Point (1-3, 0-2 American) hit the road for a primetime Thursday night game on ESPN at East Carolina (3-2, 1-0), in a matchup of contrasting offensive styles.

After Army won the toss and deferred, East Carolina wasted no time on the opening drive as quarterback Katin Houser hit wide receiver Anthony Smith for a 41-yard gain to the Army 14. Several plays later, after a replay review, the Pirates got on the board first by virtue of a 3-yard touchdown run by Houser.

Under center again for the Black Knights was senior QB Dewayne Coleman, making his first start since the opener and only his third career start. Houser and the Pirates struck again on their next possession, with Houser finding Smith again deep for a 40-yard touchdown that made it 14-0 in the first quarter.

Army responded as slot back Noah Short rattled off a 15-yard rush, and then on fourth-and-5, Coleman hit tight end Parker Poloskey in traffic along the right sideline for a 10-yard gain to move to the East Carolina 34. Army faced another fourth-and-5 at the ECU 29 when Coleman found running back Hayden Reed wide open, but Reed dropped what would have been a sure touchdown and Army turned it over on downs.

East Carolina scored on its third straight possession as Houser threw his second touchdown of the night, a 20-yard pass to tight end Jayvontay Conner, for a 21-0 first-quarter lead.

Early in the second quarter, Short broke a 30-yard run to spark the Black Knights' offense and move into ECU territory. But the drive stalled when Coleman fumbled on a rush that would have picked up a first down inside the ECU 25, that the East Carolina defense recovered.

Army was forced to punt after picking up just 17 yards on its ensuing possession, but the defense once again stepped up on ECU's next series, with a Stephen Nnadozie interception giving the ball back to Army at its 17-yard line with 3:58 left in the half.

The offense did little to capitalize on the takeaway, quickly giving the ball back to ECU after failing to move the sticks on a Coleman fourth-and-1 rush.

The Black Knights overcame poor defensive field position and an untimely third-down penalty to force their second turnover of the half, as Eric Ford deflected a Houser pitch in the backfield and fell on the football at the 18-yard line with 37 seconds remaining in the half. Coming out of halftime, Short broke free for a 60-yard run to the ECU 4-yard line, putting him over 100 yards rushing. Coleman capped the drive with a 2-yard touchdown run to get the Black Knights on the board, but the two-point conversion failed, and Army trailed 21-6.

Army's defense continued to play tough, forcing two straight turnovers on downs in the third quarter, the second one coming at its own 16-yard line as ECU threatened to score, to give the Black Knights' offense possession again. It marked five straight drives Army's defense held the Pirates at bay, going back to the two forced turnovers to end the first half.

Once again, however, when regaining possession, the Black Knights were unable to put points on the board, despite taking over with good field position at the ECU 42. A fourth-and-12 four plays into the series saw Coleman's pass to Short come up one yard shy of moving the sticks, handing the ball back to ECU with 12:07 to play.

Taking over at their own 33, the home team would put an end to their scoring drought, marching 67 yards on seven plays, emphasized by a 32-yard fake field goal run for a touchdown by ECU's Kyler Pearson, making it 28-6 with 8:14 left on the clock.

HELLUMS' THREE TDS LEAD FOOTBALL PAST UAB FOR CONVINCING CONFERENCE WIN

BIRMINGHAM, Ala. — Army West Point (2-3, 1-2 American) responded on the road to capture its first American Conference victory of the season, defeating the UAB Blazers (2-3, 0-2), 31-13 on Saturday afternoon at Protective Stadium.

Junior quarterback Cale Hellums came in off the bench to spark the Black Knights offense with three rushing touchdowns, rushing for a team-high 81 yards.

After going into halftime up just three, the Black Knights outscored the home team 21-7 in the second half. Army outgained UAB 247-103 on the ground, went 3-for-4 on fourth down conversion attempts, and got defensive stops on four or fewer plays into a drive on four separate occasions.

The Blazers drove inside the Black Knights' 25-yard line on the game's opening possession, but sophomore outside linebacker Cole Searight sacked quarterback Jalen Kitna to stall the march, leading to defensive lineman Jack Bousum blocking a UAB field-goal attempt to keep the game scoreless.

Army senior quarterback Dewayne Coleman made his second straight start under center, completing his only pass attempted and recording eight rushing attempts. But Hellums entered in the second quarter and would finish Saturday with the majority of snaps.

Reed helped the offense convert two third downs on the team's opening series — matching the Black Knights' total from last week's loss at East Carolina. The first quarter ended with Army still marching on a 15-play drive that reached the UAB 12. Early in the second quarter, Reed capped the 18-play, 74-yard drive with a 3-yard touchdown run to give Army a 7-0 lead. The possession consumed 10:34, with 17 of the 18 plays coming on the ground. Army converted three third downs and two fourth downs to extend the drive.

Hellums checked into the game for what was Army's third offensive possession of the afternoon, with 5:27 to play in the opening half. Once again however, the Black Knights' offense stalled in part due to a penalty, and they were forced to punt after just three plays.

Hellums re-entered at QB on Army's second drive of the second half and found Howard for Army's biggest play of the day, a 41-yard pass down the right sideline to quickly get into UAB territory. Hellums would finish the drive himself on a 5-yard touchdown run for Army to extend the lead to two scores, 17-7. The scoring drive was a 9-play, 80-yard drive for the Black Knights.

On the ensuing kickoff, Army forced a fumble on the UAB return and kicker Anderson Britton recovered it — the Black Knights' first takeaway of the afternoon. Army started at the UAB 28 but stalled, initially lining up for a field goal. After a timeout, head coach Jeff Monken kept the offense on the field for a fourth-and-3 attempt. Hellums targeted Noah Short in the end zone, but the pass fell incomplete, and Army came away empty despite the prime field position.

Army's defense continued to shine as Gavin Shields intercepted a Kitna pass and returned it 21 yards down to the UAB 12. Hellums pounded in his second score of the afternoon on a one-yard sneak to extend Army's lead 24-7.

Looking for another stop on defense to continue momentum, UAB drove 52 yards to reach the Army 26, but on a fourth-and-6 play, Kitna's pass was ruled incomplete after an initial targeting foul on Shields was overturned by repla, handing the ball back to Army with 10:53 to play.

Army then put the finishing touch on Saturday's contest with a five-yard Hellums rushing touchdown, his third of the game with 4:10 to play, leaving plenty of breathing room despite a late UAB touchdown in the game's final minute.

DEFENSE SHINES, FOOTBALL WINS AT HOME OVER CHARLOTTE

WEST POINT, N.Y. — Army West Point football (3-3, 2-2) won its second consecutive game in front of a sellout crowd (31,172), defeating the Charlotte 49ers (1-5, 0-3), 24-7 on Saturday afternoon from Michie Stadium.

With overcast skies giving way to light rain after halftime, the Army offense was methodical, the defense suffocating, and the Black Knights were decisive winners in front of the Corps of Cadets and sellout home crowd.

Army virtually doubled the 49ers in total yards, outgaining its opponent 354-178, as well as 304-68 on the ground.

Junior quarterback Cale Hellums provided a career-high 143 of those yards on the ground. He also had two rushing touchdowns on 21 total carries. He also added 2-for-4 passing for 50 yards. Making his third start of the season, Hellums broke free for the longest rush of his career on the opening drive — a 51-yarder that set up a first-and-goal at the 1. He punched it in on the next play with a quarterback sneak for the touchdown.

The Black Knights forced a three-and-out on their second defensive series, but running back Hayden Reed fumbled on Army's ensuing possession, with the 49ers recovering at the Army 36. Facing a Charlotte offense on a short field, the defense pitched a timely response, with safety Casey Larkin making a great open-field tackle on fourth-and-2 from the 15 to force a turnover on downs.

Army's next drive proved to be a prototypical Black Knight offensive series, taking 10:51 off the clock while marching 85 yards across 17 plays. The Hellums-led offense was 2-for-3 on third downs over the possession and picked a fourth-and-2 from their own 49. One Hellums rush in Charlotte territory was extended by a five-yard pile push from the offensive line to pick up a first down. Running back Carson Smith would finish the drive with a five-yard touchdown rush to make it 14-0 with 3:41 in the half, his first career touchdown.

With just 1:04 on the clock for its ensuing series, Army entered more comfortable field goal range with a Hellums 10-yard rush on third-and-5, centering the ball with a rush one play later for a 38-yard field goal attempt, which Dawson Jones made to give Army a 17-0 lead at the half.

Faced with a third-and-9 from their own 47 on the next drive, Hellums completed his longest pass of the day, hitting Noah Short in stride for 44 yards, setting the offense up for first-and-goal. But it took until fourth-and-goal for Army to extend its lead to 24-0, with a Hellums sneak from the one-foot line with 4:16 remaining in the third quarter. Hellums' pass to Short was Short's longest reception of the season, as well as Hellums' longest completed pass in his career.

Senior Dewayne Coleman entered at quarterback late in the third quarter as the Black Knights led comfortably, 24-0.

With the drizzle intensifying across the second half, Reed picked up a pair of first downs on the ground to reach the red zone. However, the drive stalled and Jones missed a field goal attempt from 38 yards.

Army forced its first turnover of the contest on its next defensive series. After Charlotte recorded its first two first downs of the second half with under 12 minutes to play, Stephen Nnadozie fell on a fumble forced by Kalib Fortner at Army's 41-yard line.

The Black Knights chewed up nearly seven minutes on their next offensive drive, moving 31 yards but seeing the series end with a 45-yard field goal blocked.

Charlotte notched its only points of the afternoon, a near shutout for the Army defense on their final drive of the game, taking over with 1:54 on the clock and finding the end zone with 12 seconds left.

FOOTBALL BATTLES TO THE WIRE IN 24-17 LOSS AT TULANE

NEW ORLEANS — Army West Point (3-4, 2-3) traveled to New Orleans to battle the Tulane Green Wave (6-1, 3-0) in a battle of last season's American Conference Championship Game. Despite holding a seven-point lead with under six minutes remaining, the Black Knights would surrender a pair of passing touchdowns in the closing minutes at Yulman Stadium Saturday afternoon and would fall 24-17 against their American Conference foes.

Despite the loss, quarterback Cale Hellums set new career-highs in both single-game rushing and passing yards, with 125 yards through the air on 7-for-10 passing, and 155 yards rushing across 39 total carries. The junior signal caller collected a pair of touchdowns on the ground and set a new high-water mark in rushing yards for the second consecutive week. Four of Hellums' seven completions went to sophomore wide receiver Brady Anderson, who recorded career-highs in both receptions (4) and receiving yards (97).

After Tulane won the toss and deferred to the second half, Army put together a prototypical opening drive, marching 18 plays and chewing up 11 minutes, 44 seconds of the first quarter before Tulane's offense even saw the field. It ultimately stalled, and kicker Dawson Jones missed a 44-yard field-goal attempt, leaving Army scoreless after a promising start.

Tulane scored the contest's first points on its second series, but the Black Knights were able to force the Green Wave to settle for a 30-yard field goal. After the home team drove 75 yards, Jack Bousum rushed Tulane passer Jake Retzlaff out of the pocket for a throwaway on third-and-7, ending the Green Wave's hopes of reaching the end zone on that drive at the Army 12.

Taking the ball back with just 1:49 to play in the half, the Black Knights were able to tie the game heading into the locker room, with a 43-yard field goal from Jones. Anderson hauled in a 39-yard pass from Hellums to march Army to the Tulane 32 on the drive's second play. Three plays later on a third-and-long, Hellums picked up nine yards on the ground to set up Jones' kick.

After forcing a three-and-out from Tulane to open the second half, the Black Knights struck again through the air as Hellums connected with Anderson for a 32-yard gain to move inside the Tulane 10-yard line. Three plays later, Hellums capped the drive with a 1-yard touchdown run on a quarterback sneak to give the Black Knights their first lead of the game, 10-3.

The Green Wave quickly responded, scoring in four plays on a 37-yard touchdown run by Retzlaff to tie the game at 10-10 with 4:52 remaining in the third quarter. Tulane threatened again inside the Army 25-yard line on its next series, but safety Casey Larkin forced the game's first turnover with an interception of Retzlaff to halt the drive and keep the game tied.

Army turned the takeaway into points, cashing in a 14-play, 80-yard drive to take the lead and 8:16 off the clock in the fourth quarter. Hellums accounted for a trio of plays of 10 yards or more on the drive, with two of those plays coming via his legs. His one-yard sneak with 5:54 to play made it 17-10.

Down seven, Tulane took the football looking to tie the game with under six minutes on the clock. Retzlaff methodically advanced the Green Wave inside the Army 15, where Army's defense forced a fourth-and-8 from the 12-yard line coming out of the two-minute timeout. Retzlaff was forced out of the pocket by the rush on fourth down, but he was able to find senior wideout Bryce Bohanon in the end zone to tie the game with 1:54 to play.

Army took the football back, but went three-and-out and was forced to punt, with Wagenseller forcing Tulane to retake possession at their own 25 with 1:28 to go. From there, Retzlaff took the Green Wave 75 yards and threw the go-ahead touchdown with 27 seconds remaining, a deflection in the end zone falling in the hands of junior Shazz Preston.

The Black Knights gave themselves a chance to tie in the waning seconds, running four plays to reach the Tulane 38 with two seconds left. However, a Hail Mary on the final play fell incomplete to solidify Army's fate.

JONES' GAME-WINNING KICK GIVES FOOTBALL WIN AT AIR FORCE

USAF ACADEMY, Colo. — Army West Point (4-4, 2-3) traveled west to face service academy rival Air Force (2-6, 1-4) on Saturday in the first leg of the Commander-in-Chief's Trophy series — marking the Black Knights' first visit to Falcon Stadium since 2019.

And in front of the 39,441 fans hanging on every play of the service academy rivalry game at Falcon Stadium Saturday, the Black Knights won a barnburner as time expired, as Dawson Jones knocked a 27-yard field goal through the uprights to give Army a 20-17 win.

The closing score came on the heels of an Air Force game-tying touchdown inside two minutes, and a 42-yard pass from quarterback Cale Hellums to wide receiver Brady Anderson on the final offensive drive to set up the kick.

Air Force moved the chains twice on its opening drive, but Army's defense held firm and forced a punt near midfield. The Black Knights went three-and-out a second time, and the Falcons responded with another drive into Army territory — highlighted by a 21-yard completion from quarterback Liam Szarka to tight end Brian Fleischmann.

Once again, the Army defense stiffened. Safety Casey Larkin delivered a tackle for loss to halt the march, but Reagan Tubbs converted a 52-yard field goal to put Air Force on the board first, 3-0.

The Black Knights' offense came to life as running back Briggs Bartosh exploded on a 38-yard run to the left sideline to roll into Falcons' territory. Facing third-and-13, Hellums took a deep shot and hit slot back Noah Short on a 40-yard touchdown, giving Army a 7-3 lead as the first quarter came to a close.

With Air Force pinned deep in their own territory in the second quarter, Army's defense answered the call late in the half. While Szarka picked up a third-and-short on drive's first set of downs, Larkin picked him off just two plays later, handing the ball back to Hellums and company at the Falcon 41.

The Black Knights turned the takeaway into three points, with Dawson Jones making a 44-yard field goal with 35 seconds left in the half.

The Falcons opened the second half with an 11-play drive that drained more than six minutes off the clock and pushed into the red zone. But Army's defense again answered the bell, as Gavin Shields intercepted Szarka — the Black Knights' second pick of the game — to deny the Falcons any points.

Air Force put together a 12-play, 65-yard drive that chewed up 7:05 off the third-quarter clock. Liam Szarka capped the march with a 3-yard quarterback keeper into the end zone, tying the game at 10-10. It was the Falcons' first touchdown against the Army defense in 31 possessions dating back to 2022.

Taking possession for just the second time in the second half as the fourth quarter got underway, Army delivered an emphatic answer to re-take the lead, going 75 yards over 13 plays and chewing exactly eight minutes off the clock. One play after Hellums moved the sticks with his legs on third-and-7, the quarterback once again called his own number and found the end zone on a 10-yard run to make it 17-10 Black Knights with 7:00 minutes remaining.

Szarka once again marched the Falcons deep into Army territory, looking to tie the contest. But once again, the Army defense forced a turnover, when Cole Searight stripped Szarka before an attempted pass, with Deshontez Gray falling on the loose ball at the 17 with 3:11 left in the game.

Army however would come up short on a fourth-and-1 on their own 26 with 2:19 to play, after replay review upheld an initial spot of just short. And with just a quarter of the field in front of them, the Falcons would tie the game on a Szarka two-yard rush with 1:26 left in the game, before Army embarked on its game-winning field goal drive.

FOURTH QUARTER BALL CONTROL GUIDES FOOTBALL TO WIN OVER TEMPLE

WEST POINT, N.Y. — Army West Point (5-4, 3-3) hosted the Temple Owls (5-5, 3-3) at Michie Stadium on a picture-perfect 60-degree November day. The weather wasn't the only thing perfect Saturday afternoon, however, as the Black Knights—in prototypical fashion—wound the clock down to zeros in the fourth quarter, killing over nine minutes on the clock with the score in their favor, and walked off the field with a 14-13 American Conference win.

After Temple punted with 9:53 left in the fourth quarter, Army kept the ball out of its opponent's hands for the rest of the contest, advancing just 53 yards but stretching that mileage out over 18 snaps. Twice during the drive, the Black Knights moved the sticks on fourth-and-1 and another time on third-and-1. A three-yard gain inside the two-minute timeout moved the football to the Temple one-yard line and set up victory formation.

Despite being out-gained 268-250 in total yardage, Army was 4-for-5 on fourth down tries, converting all four in the second half, and held the ball for 37 minutes, 38 seconds in the one-point win. Quarterback Cale Hellums completed just one pass but led the way on the ground with 118 rushing yards on 36 carries and a touchdown. Junior running back Jake Rendina, typically a key blocker in the run game, made his presence felt as a ball carrier with nine rushes for 42 yards and a touchdown. He entered the game with just 10 carries on the season.

Backed up deep in its own territory on its first offensive drive, Army's offense managed one first down before punting back to the Owls, who took over at midfield. Temple running back Jay Ducker broke up the middle for a 20-yard gain, setting up a 45-yard field-goal attempt by kicker Carl Hardin that was no good, as the Army defense held again.

After Jake Rendina opened the ensuing series with a nine-yard run—tying a career-long—the first quarter came to a close scoreless as Army marched inside the Temple 40-yard line. Army's drive totaled 11 plays and 73 yards, lasting 7 minutes, 49 seconds, capped by a seven-yard touchdown run from Jake Rendina — his first score of the season and the second of his career. It was also his longest career touchdown run.

Temple mounted a response on their next drive, with their own seven-minute possession. The Owls moved 75 yards and punched the ball into the end zone on fourth-and-goal from the 2-yard line, tying the game at 7-7 with 4:03 to play in the half. Taking back over offensively and seeking to strike once more before heading into the locker room, Army crossed midfield in the final minute of the second quarter. However, facing fourth-and-2 from the Temple 44, Hellums was stopped behind the line of scrimmage by Jayvant Brown with 26 ticks on the clock.

The fourth down play opened the door for Temple to instead take the lead before the break, and they did just that, reaching the Army seven-yard line with six seconds left. Army's defense was able to force a Simon incompletion in the back of the end zone with one second left, holding the Owls to a 24-yard field goal as time expired to make it 10-7.

Coming out of the locker room, Army converted a key fourth-and-1 at its own 47 as Hellums used a play-action fake and found tight end Parker Poloskey for a 26-yard gain down the right sideline to the Temple 27 for his only completion of the afternoon. The Black Knights capped the 14-play, 75-yard drive, which lasted 8 minutes, 21 seconds, with Hellums' 12th rushing touchdown of the season, a 3-yard run that put Army back in front, 14-10. Temple answered on the ensuing possession with a 12-play, 68-yard drive that lasted six minutes, 11 seconds, capped by a 31-yard field goal to cut Army's lead to 14-13 as the third quarter wound down. Both teams scored on long, sustained drives in the period.

The Black Knights punted on their first drive of the ultimate quarter, but needed just the one score after halftime and only three total possessions in the second half to walk away victorious Saturday, after turning the Owls away on just three plays across their only fourth quarter series.

- The Commander-in-Chief's Trophy is on the line between Army and Navy for back-to-back seasons for only the second time ever in series history, and for just the ninth time since 1972, the Army-Navy Game will be a winner-take-all matchup for the Commander-in-Chief's Trophy (1972, 1977, 1978, 1996, 2005, 2012, 2017, 2024).

ARMY-NAVY GAME PRESENTED BY USAA

ARMY AND NAVY WILL BATTLE FOR THE 126th TIME ON DECEMBER 13 AT M&T BANK STADIUM

For the third time in its history, the 126th edition of the storied Army-Navy rivalry will find the Black Knights and Midshipmen playing at M&T Bank Stadium in Baltimore, Md., on Dec. 13, 2025. Only 10 Division I-A rivalries have featured more games than the Army-Navy series.

This revered series began when Cadet Dennis Mahan Michie accepted a “challenge” from Naval Academy Midshipmen for a football game against the Cadets. That first contest was held on “The Plain” at West Point on Nov. 29, 1890. The more experienced Mids, who had been playing organized football since 1879, defeated the Cadets 24-0. Army has claimed victory in the two of the last three matchups, defeating the Mids this past season by a score of 17-11 from Gillette Stadium in Foxborough, Mass., to secure the Commander-in-Chief’s Trophy. 2022 saw the first-ever overtime contest between the two teams, with a game-winning field goal giving the Black Knights a 20-17 victory in double-overtime from Lincoln Financial Field in Philadelphia, Pa.

Other venues include: Municipal/John F. Kennedy Stadium (41), Franklin Field (18), Veterans Stadium (17), Lincoln Financial Field (14), Polo Grounds (9), West Point (4), Giants Stadium (4), Annapolis (3), M&T Bank Stadium (3), Yankee Stadium (2), Baltimore Stadium (2), FedEx Field/Northwest Stadium (2), Palmer Stadium (1), Soldier Field (1), Rose Bowl (1), MetLife Stadium (1), and Gillette Stadium (1).

The Army-Navy series has been tied on seven occasions (five times since 1979). The latest tie came following Navy’s victory in 2004. The Mids’ win in 2005 gave Navy its first edge in the series since 1993. Until winning in 1980 to break a 37-37-6 stalemate, Navy had not led in the series standing since 1921, just after the 24th meeting between the academies.

CBS Sports will remain the home for one of the greatest rivalries in sports, the Army-Navy Game presented by USAA, with a new all-encompassing 10-year deal extending the Network’s multiplatform rights through 2038. The announcement was made in 2025 by David Berson, President & CEO, CBS Sports, Mike Buddie, former Director of Athletics at the United States Military Academy and Chet Gladchuk, Director of Athletics at the United States Naval Academy.

The extension of the partnership ensures that CBS Sports will remain the exclusive home of America’s Game for more than four decades, as the Network has carried the game every year since 1996.

COMMANDER-IN-CHIEF'S TROPHY

Service academy supremacy is at stake on the gridiron each season when Army, Navy and Air Force battle in a round-robin schedule for the Commander-in-Chief's Trophy.

This year, the Trophy enters its 54th season as the preeminent indicator of football bragging rights among the three major service academies.

The Black Knights took back the coveted trophy in 2023, marking the fourth time in the past seven seasons in which Army won the trophy outright. Army began its quest with a 23-3 rout over Air Force from Empower Field at Mile High in Denver. The win also ended #17 Air Force's undefeated season, having entered play 8-0, and marked Army's first win over a ranked opponent since 1972. Army then completed the mission to the secure the CIC with a 17-11 win over Navy from Gillette Stadium in Foxborough, Mass. on December 9th.

Army's also collected the Commander-in-Chief's Trophy in 2020 when the Black Knights assumed that the Trophy would return to its original home by shutting out arch-rival Navy 15-0 before trouncing Air Force 10-7 the following week. Both victories were earned at Michie Stadium, helping the team capture its third Commander-in-Chief's Trophy in four seasons. To help commemorate the Trophy's 25th birthday, President Bill Clinton was on hand at "The Vet" to present the Black Knights with the glimmering silver Trophy following their come-from-behind victory. It marked the first time that a standing President attended an Army-Navy clash since President Gerald Ford looked on in 1974 to see Navy defeat Army 19-0.

President George W. Bush witnessed the Army-Navy game in person three times during his two terms in office, attending the classic in 2001, 2004, and 2008. President Donald J. Trump was on hand for the 119th installment of the Army-Navy game played at Lincoln Financial Field in Philadelphia in 2019 and then the following season at Michie Stadium at West Point for the first game played on West Point's campus in 77 years. Trump also attended the 2024 game, the 125th edition in Landover Md. as the president-elect.

Prior to 1996, Army had last acquired sole possession of the Trophy in 1988. In 1993, each team split its two academy games, marking only the fourth time that all three teams shared possession of the Trophy.

Army captured the inaugural Commander-in-Chief's Trophy by defeating Air Force, 17-14, and Navy, 23-15, in 1972.

The Trophy has resided at West Point in 1972, 1977, 1984, 1986, 1988, 1996, 2017, 2018, and 2020.

Navy, which ruled the 1970s, has acquired sole ownership of the trophy nine times since 1981. The Mids captured the hardware seven straight seasons from 2003-09 before Air Force claimed the trophy in 2010, 2011 and won it in 2014, after Navy won two straight.

The Trophy is named in honor of the President of the United States as Commander-in-Chief of the armed forces. The three-sided structure, which weighs 170 pounds and stands 2 1/2 feet tall, is engraved with the seal of each academy and displays a reproduction of each school's mascot. The year in which the Trophy is won is engraved on the appropriate academy's side.

The idea for the establishment of an interservice football trophy originated with the late Gen. George B. Simler, commander of the Air Training Command and

a former Air Force Academy athletic director. The 1972 season was seen as an appropriate time to consider such an idea since it also marked the first season of the round-robin competition among the three teams.

Simler proposed the idea to the USAFA Association of Graduates early in 1972. The Association, in turn, proposed the project to the alumni associations at West Point and Annapolis as suitable for joint sponsorship by the three institutions. Following formal adoption of the project, designs for the Trophy were sought from manufacturers.

After Army's inaugural title in 1972, Navy captured possession of the Trophy eight of the following nine years before Air Force first staked claim to the honor in 1982. The Trophy remained in the Falcons' possession the following season when they swept the Black Knights and Midshipmen.

Army recaptured the Trophy in 1984, its first outright title since 1977.

The Black Knights begin the quest for this year's CIC title on Nov. 1 when they take on Air Force at Falcon Stadium. Army will then square off against Navy on Dec. 13 at M&T Bank Stadium in Baltimore, Md., home of the Baltimore Ravens.

ARMY AND NIKE TEAM UP TO HONOR 250 YEARS OF SERVICE & SACRIFICE

The 2025 Army West Point football uniforms for the 126th Army-Navy Game, presented by USAA, commemorate the 250th anniversary of the United States Army and pay tribute to the Soldiers who have defended our nation with unwavering bravery, selfless service, and profound sacrifice.

For the past 250 years, the United States Army has stood as America's enduring symbol of service and sacrifice. Born in the desperate conditions of the American Revolution, the Army's legacy is one of steadfast commitment to the defense of liberty, reflected in its motto, "This We'll Defend."

At the core of the Army's service are the seven Army Values: Loyalty, Duty, Respect, Selfless Service, Honor, Integrity, and Personal Courage. These values represent the moral compass of every Soldier, binding them in shared purpose and ensuring that character and trust remain the bedrock of the profession.

One of the most distinctive elements of the 2025 uniform is the purple streaking through the jersey numbers and along the helmet. Purple symbolizes the sacrifice made by Soldiers and Gold Star Families, tracing its lineage to the Badge of Military Merit, precursor to the Purple Heart, first authorized by General George Washington during the American Revolution.

The uniform's marble primary color featured on both the jersey and pants symbolize the enduring foundation of strength that the American people have provided for the Army.

This is the 10th season that Army Football and the United States Military Academy's

THE SEAL OF THE UNITED STATES ARMY, EMBLAZONED UPON EVERY PLAYER'S HELMET, SERVES AS A CONSTANT REMINDER THAT THIS TEAM'S PLAYERS REPRESENT MORE THAN JUST THE ACADEMY WHEN THEY STEP ON THE FIELD. THIS TEAM REPRESENTS THE SERVICE AND SACRIFICES MADE BY 250 YEARS OF SOLDIERS AND THEIR FAMILIES IN SERVICE TO THE UNITED STATES ARMY.

Old Guard Espoonoon

THE ESPONTOON ETCHED ONTO THE HELMET OF EVERY PLAYER SERVES AS A CONSTANT REMINDER OF THE ARMY'S ROLE AS THE TIP OF THE SPEAR AND LINKS THE WARRIOR HERITAGE ACROSS ALL 250 YEARS OF HONORABLE SERVICE TO THE NATION. IT BEGINS ON THE BACK OF THE HELMET AND CULMINATES INTO A SHARPENED POINT ON THE FRONT AS A REMINDER OF THE ARMY'S DUTY TO CONTINUOUSLY PUSH FORWARD THROUGH ALL CHALLENGES TO ACCOMPLISH THE GOALS OF THE NATION.

The Great Chain

THE GREAT CHAIN SIGNIFIES THE STRATEGIC VALUE OF WEST POINT DURING THE AMERICAN REVOLUTION. FORGED IN THE HUDSON VALLEY FROM IRON GATHERED FROM NEW YORK AND NEW JERSEY, THESE LINKS STRETCHED ACROSS THE HUDSON RIVER DURING THE AMERICAN REVOLUTION AND PREVENTED THE BRITISH FROM CONTROLLING THE RIVER AND SEPARATING NEW ENGLAND FROM THE REMAINING COLONIES.

THE YEAR THAT THE CONTINENTAL CONGRESS ESTABLISHED THE CONTINENTAL ARMY IN THE NATION'S JOURNEY TO INDEPENDENCE. IT REPRESENTED A MANIFESTATION OF A UNION BETWEEN THE 13 COLONIES — DRAWING A FLEDGLING NATION CLOSER TOGETHER.

THE STREAKS OF PURPLE THROUGHOUT THE UNIFORM, SURROUNDING THE PLAYERS' NUMBERS AND LINING THEIR HELMETS ARE A CONSTANT REMINDER TO THE SACRIFICES BORNE BY SOLDIERS AND GOLD STAR FAMILIES. THE COLOR WAS USED FOR THE MILITARY BADGE FOR MERIT ISSUED BY GEORGE WASHINGTON DURING THE AMERICAN REVOLUTION, AND LATER AS THE COLOR FOR THE PURPLE HEART—A DECORATION FOR THOSE BRAVE MEN AND WOMEN WOUNDED IN THE SERVICE OF THEIR NATION.

The Great Seal

THE GREAT SEAL ON THE PLAYERS RIGHT SHOULDER SYMBOLIZES THE ARMY'S DUTY TO THE UNITED STATES IN BOTH PEACE AND WAR. THE OLIVE BRANCH AND THE ARROWS HELD BY THE EAGLE SIGNIFY AMERICA'S ABILITY TO PURSUE PEACE OR WAR AND THESE PLAYERS UNDERSTAND THAT THE ARMY HAS A DUTY TO PERFORM UNDER EITHER CONDITION. IN TIMES OF PEACE THE ARMY HAS SERVED THE NATION HONORABLY CONDUCTING A MYRIAD OF DIFFICULT DUTIES AND IN TIMES OF WAR THE ARMY HAS STOOD AS THE VANGUARD OF FREEDOM AND THE AMERICAN WAY OF LIFE.

Marble Print

THE DETAILS OF THIS UNIFORM ARE ETCHED INTO A MARBLE BACKDROP TO SYMBOLIZE THE ENDURING FOUNDATION OF STRENGTH THAT THE AMERICAN PEOPLE HAVE PROVIDED FOR THE ARMY. FROM THE BEACHES OF NORMANDY TO THE ROLLING HILLS OF ARLINGTON NATIONAL CEMETERY MARBLE HEADSTONES REPRESENT THE SACRIFICE OF GENERATIONS OF SOLDIERS WHO HAVE UPHOLD THE ARMY'S VALUES AND GIVEN THEIR LAST FULL MEASURE OF DEVOTION TO THEIR NATION.

U.S. Constitution Text

THE TYPOGRAPHY ON THE UNIFORMS LINKS THE ARMY'S PRESENT TO AMERICA'S FOUNDING DOCUMENTS. WRITTEN IN THE SAME STYLE AS THE UNITED STATES CONSTITUTION, IT SHOWCASES THE IMPORTANCE OF HAVING AN ARMY THAT SWEARS LOYALTY TO A SET OF IDEAS RATHER THAN A MONARCH. THESE PLAYERS WILL ALL SWEAR TO UPHOLD AND DEFEND THIS VERY DOCUMENT — A COMPACT THAT HAS GUIDED OUR NATION THROUGHOUT ITS VAUNTED HISTORY — UPON THEIR GRADUATION AND COMMISSIONING INTO THE UNITED STATES ARMY.
