BUILDING CHAMPIONS

Classroom. Competition. Community.

It's a tradition we started in 2021 — every Monday at 1 p.m. during the athletic year, we ring the Victory Bell in our hallway in the Elmen Center. Any Augustana team that has secured a Viking victory during the week is invited to ring the bell. That bell has gotten quite a workout over the past two years!

Thank you for providing the financial support that allows us to continue to pursue competitive excellence and ring the bell across all of our 21, soon to be 22, sports programs. The addition of men's hockey that will compete at the Division I level has brought a new excitement to Augustana University and we can't wait to drop the puck on our inaugural season in October.

For those of you interested in securing hockey season tickets, your A-Club membership has never been more valuable. All season tickets in Midco Arena will be tied to an A-Club membership and your current and past A-Club memberships positively enhance your Viking Priority Points. Viking Priority Points will be used to determine seat selection within Midco Arena this summer.

As you consider joining the Augustana A-Club for the first time or renewing your membership for the coming year, on behalf of our over 480 student-athletes — THANK YOU! The impact that you have is a game changer for our university and athletics department.

Please join me and hundreds of other Vikings around the country as we continue to build champions in the classroom, in competition, and in the community.

And feel free to join us on Mondays at 1 p.m. as we celebrate and ring the Victory Bell!

Together as Vikings,

Josh Morton

AUGUSTANA HOCKEY DROPS THE PUCK IN 2023

Augustana Athletics expects Augustana Hockey to be the hottest ticket in town when the puck drops in fall 2023!

All season tickets for hockey will be tied to an annual Augustana A-Club membership. Priority, location, and number of seats available for purchase will be based on membership level and Viking Priority Points. More information can be found at GoAugie.com/HockeyTickets.

If you have additional questions regarding Augustana Hockey tickets, please contact Assistant Athletic Director for Ticketing & Annual Giving, Jordon Boe at jordon.boe@augie.edu.

THERE ARE THREE STEPS INVOLVED IN BECOMING AN AUGUSTANA HOCKEY SEASON TICKET HOLDER:

1. Join the A-Club by May 31
2. Enhance your Viking Priority Points by making a gift to Augustana
3. Select your seats during the virtual seat selection in July 2023

Those who have purchased Augustana Hockey season tickets will be assigned a time to log into the virtual arena, see the views of the ice from each section in a 3D model and virtually select their seats.

There are three price levels for Augustana Hockey season tickets. Prices do not include A-Club membership contributions.

When will seat selection take place?

Seat selection will take place in July 2023.

What are Viking Priority Points?

Viking Priority Points are calculated based on a combination of giving history to Augustana Athletics, Augustana University (as a whole), and alumni status. A-Club membership level and Viking Priority Points ranking is the best way to ensure an objective way to prioritize seating in Midco Arena.

What if there is more interest in season tickets than seats available?

It is possible that there are more fans interested in season tickets than seats available in the arena. Also, not every seat in the arena will be sold as a season ticket. A number of seats will be reserved for single game sales and fans will still be able to purchase a limited number of tickets on a single-game basis.

The 2022 A-Club Champion Impact Scholarship was awarded to Erika Bute, libero on the Augustana Volleyball team. This scholarship is awarded to a student-athlete who exemplifies all three meanings of being a champion student-athlete: in the classroom, in competition, and in the community.

Bute's accomplishments:

- 3.95 cumulative GPA
- Became first Academic All-America honoree for AU volleyball since 1996
- Earned D2CCA Second Team All-Region honors
- Voted as the NSIC Libero of the Year
- Led the NSIC with 557 digs, an average of 5.6 per set
- Enters her senior campaign with 1,678 digs, a figure that ranks fourth all-time

By making an MVP gift above the minimum of your membership level, you will support the A-Club Champion Impact Scholarship. You can designate this contribution on your A-Club renewal.
