SERIES HISTORY

- Stetson and Presbyterian first met on the gridiron in 1938 in Daytona Beach, Fla. The Blue Hose took a 7-6 victory that day.
- The teams met again in 1939 and played to a 12-12 tie in Clinton, SC. The teams also played to a 6-6 tie in 1956.
- The Hatters and Blue Hose had been trying to renew their rivalry for three years before finally playing in the spring. The programs had a contract for a three-game series, starting in 2018. Each of the three

games were canceled, the first two due to hurricanes and the third one by the Covid 19 pandemic.

- The programs squared off each year from 1946-49 with Presbyterian winning those games by a combined score of 65-19.
- After a four-year hiatus in the series, Stetson and Presbyterian renewed their rivalry in 1954 and played each of the final three seasons before the Stetson program was discontinued following the 1956 season.

HATTERS FOOTBALL NOTEBOOK

- For the second time this calendar year, Stetson had a scheduled game against Drake canceled due to a Covid outbreak. Back during the spring season, the outbreak was in Stetson's Tier I group, but last week it was within Drake's team. Under PFL rules for the fall, the cancellation goes as a forfeit for purposes of the PFL standings, but for NCAA team records it is considered a no contest.
- After the unexpected off week, the Hatters will head to South Carolina this week in search of their first on-field PFL victory of the year in a game featuring two of the league's newest head coaches.
- The Hatters go into the game looking to snap a seven-game on field Pioneer Football League losing streak that matches the longest for Stetson since joining the league.
- Stetson is 18-45 in PFL play over its nine years in the league.
- Turnovers were costly for the Hatters last spring in a 26-3 loss to the Blue Hose. Presbyterian returned a pair of interceptions for touchdowns and also had an 88-yard kickoff return for a score in a 26-3 victory over the Hatters. Neither team had as much as 300 yards of total offense in the game and the Hatters had just 74 passing yards.
- Stetson defensive end Fermon Reid had a career game against the Blue Hose in the spring, posting a career-high 13 tackles with a modern program record six tackles for loss, including three sacks. He also forced a fumble and was credited with a blocked kick.
- Stetson has struggled offensively against FCS competition. The Hatters are averaging just 102.25 yards per game on the ground over the last four games and 204 yards per game through the air while scoring just 9.5 points per game.
- Presbyterian has one of the top offensive teams in the FCS, averaging 41.1 points per game. The Blue Hose rarely punt (only four all year) and have not attempted a single field goal. They have also been successful on all six of their onside kick attempts.
- Turnovers have been the big issue for the Blue Hose, who have given the ball up on 18 interceptions and 10 lost fumbles in addition to converting on just 17 of 49 fourth down attempts.
- The Blue Hose are also a statisticians' nightmare. Presbyterian has had 19 different players with at least one rush attempt plus five players with at least one pass attempt. A total of 25 different players have made at least one reception this year.
- The Stetson offense surrendered six sacks to the St. Thomas in its last outing, marking the fourth consecutive game the Hatters have allowed six or more sacks in a game. Going back to the spring, Stetson has allowed six or more sacks in each of its last five games against FCS opponents.
- Those sacks over the last four games have resulted in 152 lost yards, part of 210 total lost rush yards over those games on TFL.
- Prior to the recent stretch, Stetson had allowed six or more sacks in a game just three times in seven (2013-19) seasons.
- As a result of the punishment, Stetson has had a quarterback knocked out of a game four times this season. True freshman Marshall Skoloff is expected to serve as the primary backup to starter Alex Piccirilli this week. Skoloff has not yet seen action in a game this year.

- Stetson was held to less than 10 points in a game for the third time this year and for the 15th time in the modern era of the program in the loss to St. Thomas last week.
- The 78-yard TD run by the Tommies' Hope Adebayo on the first play last week tied for the fifth longest run from scrimmage against Stetson since restarting the program. His four TD rushes were the most in any game against the Hatters.
- The Hatters continue to be plagued by penalties and the game against Marist was the worst in modern program history from that standpoint. The Hatters were flagged a school-record 16 times in that game, accounting for 119 yards in losses. So far this year, the Hatters have been penalized 54 times for 412 yards, an average of nine penalties and 67 yards per game.
- After scoring points on each of their first 17 trips into the red zone this year, the Hatters came up empty five times in the game at Marist after kicking a field goal on their first trip to the red zone. Last week against St. Thomas the Hatters made it into the red zone just one time, scoring their only touchdown of the day.
- On the defensive side of the ball, the Hatters have broken the old school record for fewest rushing yards allowed in a game twice this year. Marist managed to gain just 30 yards on the ground, which is second only to the minus 13 yards allowed to Warner in the season-opener.
- The Hatters had their third game of the year without a turnover in the game against Davidson, who also played a turnover free game. It was the fifth time in modern program history that Stetson has played in a game when neither team committed a turnover. The Hatters are 0-5 in those games.
- Stetson had its worst day of the season from a turnover standpoint in the game against St. Thomas. Hatters quarterbacks threw a season-high three interceptions and Stetson also lost a fumble. The four turnovers against the Tommies matched the season total from the first five games of the year.
- The last time a Stetson team had as many as four turnovers in a game was October 26, 2019, on a wet, miserable, day at Valparaiso.
- Stetson has had as many as four turnovers in a game 18 times since restarting the program in 2013, posting a 2-16 record in those games.
- Stetson is 6-9 in the modern era when not committing a turnover.
- The Hatters have had 14 different players make their first starts so far this year with redshirt freshman receiver Jamison Brundidge joining that list in the St. Thomas game.
- After missing much of preseason, and the first two games, with injury, Nazeviah Burris exploded onto the scene in his first start, collecting seven receptions on 10 targets and setting a modern program record with four TD receptions in the game against Davidson.
- Burris became the ninth player in modern program history to have 100+ receiving yards in a game, and the second this year. It was the 21st time overall in the modern era that a Stetson receiver has had 100 or more yards in a game.
- Burris also broke the program mark of 3 TD

- receptions in a game that was co-held by Kegan Moore and Donald Parham, who both had 3 TD receptions in a game twice. Burris (who is called NaNa by his teammates) had TD receptions of 10, 29, 41 and 5 yards.
- The Hatters have had four different players punt the ball this year. Freshman Marshall Golick had a 45-yard punt on his first career kick against Davidson and his 62-yard effort against St. Thomas was the seventh longest in the modern era.
- The 63-0 loss at Princeton was the worst loss for the Hatters in the modern era. The previous worst loss was a 59-0 loss to San Diego on September 28, 2013.
- The loss was the worst for any Stetson team since November 15, 1919. Stetson dropped a 64-0 decision to the University of Florida that day.
- Stetson was held to just 33 rushing yards on 26 carries at Princeton. The Hatters are now 4-28 in the modern era when rushing for less than 100 yards in a game.
- The seven sacks by Princeton against the Hatters were the second most in a game against the Hatters in the modern era. Marist set the record with 8 sacks on Nov. 7, 2015.
- Stetson put up a total of 320 rushing yards in its 49-16 week two victory over Ave Maria. It was the third highest single game rushing total in the modern era for Stetson. The team record of 353 yards was set against Ave Maria in 2015. The 7.8 yards per carry in the game were the second most for Stetson in the modern era.
- The Hatters played their second consecutive game without a turnover against Ave Maria, the second time in the modern era that has happened. Stetson also had back-to-back games without a turnover in 2019 against Marist and Western New England.
- The Hatters' 596 yards of total offense against Ave Maria was the third most in a game for Stetson in the modern era. The team record of 643 yards was set against Western New England in 2019.
- Stetson has still not had a kickoff return for a touchdown in the modern era, but redshirt freshman Jamison Brundidge almost pulled it off on the opening kickoff against Ave Maria. Brundidge had a return of 65 yards that was the third longest in the modern era and was the longest return for Stetson since the 2013 season.
- Stetson did not punt a single time in the Ave Maria game. The only time the Hatters sent their punt unit on the field was the first Stetson possession of the third quarter. From his own end zone, punter Matt Clements raced over right end for a 24-yard gain and a first down. It was the first time in the modern era the Hatters did not have a punt in a game.
- Unfortunately, Clements was hit late, out of bounds, on the play and suffered an injury that will cost him the rest of the season.
- Redshirt sophomore Quinton Lane had his first career 100+ yard receiving game. Lane had eight catches against Ave Maria for 108 yards and a touchdown. Lane is just the 8th Hatter to have recorded a 100+ yard receiving game in the modern era. Freshman Nazeviah Burris joined that exclusive club with seven receptions for 127 yards against Davidson.
- Redshirt sophomore Jalen Leary ran for 131

- yards and two touchdowns in the first half to stake the Hatters to a 28-6 lead. He came back with 49 yards on five carries during the first drive of the second half before calling it a day, finishing with 190 rush yards on 18 carries. It was his second consecutive game with 100+ yards and the program record 8th such game of his career. He has also moved past Jareem Westcott into second on the Stetson career rushing list with 1,511 yards. He is 435 yards shy of the modern career record of 1,945 yards held by Cole Mazza.
- Redshirt junior Dwight Lawrence recorded the sixth interception of his career in the game against Ave Maria. He stands fifth on the modern career list, one behind Eric Martin (2014-17). Chris Atkins set the career record with 16 interceptions from 2013-16.
- The Brian Young era of Stetson football got off to exactly the kind of start you would expect from the former Hatters' defensive coordinator. Stetson set modern era records for fewest rush yards allowed in a game (-13), fewest rush yards per attempt in a game (-0.6), fewest total offensive yards allowed (106) and fewest total offensive yards per play (2.3).
- The Stetson defense allowed Warner to run just 47 offensive plays in the game, which is the second fewest in the Hatters' modern history. Nine of Warner's 11 possessions in the game last four or fewer plays. The Hatters finished the game with four sacks, nine tackles for loss, a forced fumble and an interception.
- The interception by Micah Adams came in the fourth quarter and was the first of his career. He is the 22nd player in the modern era to record at least one interception.
- Despite allowing an 82-yard kickoff return for a touchdown at the end of the first half, Stetson allowed Warner just 292 all-purpose yards in the game.
- The kickoff return for a score by Warner was the seventh allowed by Stetson special teams since restarting the program in 2013. The Royals are the only team during the modern era to return two kickoffs for touchdowns against the Hatters, with the first coming on August 30, 2014.
- The 54 points scored by the Hatters in the opening game were the seventh most in a game for Stetson in the modern era. The seven total touchdowns in the game tied for the sixth most and the four TD passes, all by transfer John Seter, tied for fourth most, both for team and individual.
- Redshirt sophomore kicker Cameron Gillis was named Pioneer Football League Special Teams Player of the Week for his performance against Warner. Gillis hit a pair of 35-yard field goals and was 5-of-6 on PAT kicks in the game. It is the 14th time a Stetson player has been named the league's special teams player of the week and he is the 11th different player to earn the award.
- In addition to Gillis, redshirt sophomore defensive back Davion Maxwell was named the College Sports Madness PFL Defensive Player of the Week for his performance in the opener. Maxwell had five tackles, including a sack, and recovered a fumble in the game.
- Since officially starting intercollegiate football in 1901 with a 6-0 victory over Florida

Agricultural College, the Hatters have played 56 season-opening games, with 36 of those openers coming against in-state opponents. Stetson has a 30-23-3 record overall in season openers and a 21-13-2 record in openers against in-state foes after the 54-14 season-opening victory over Warner. Stetson is 22-5-1 all-time in season-opening games at home.

- The Hatters have now posted a 20-27 record at home since restarting the football program in 2013. That record included an 11-game home win streak in 2018-19.
- Brian Young is the 10th head football coach in Stetson history. He became the eighth head coach in program history to open his tenure at Stetson with a win with the 54-14 win over Warner.
- Since Stetson returned to the gridiron in 2013, the Hatters have posted a 6-3 record in season opening games. Stetson has averaged 50 points in the opening games while allowing an average of 20.3 points.
- While Coach Young is no stranger to Stetson, having spent eight seasons as defensive coordinator for the Hatters, his staff has a mixture of veterans and newcomers. Defensive coordinator Steve Davis, who is in his third season at Stetson, is in his 45th season overall as a collegiate coach. Defensive line coach Jeremy Perkovich and running backs coach Harry Richards are hold-overs from Roger Hughes' staff while linebackers coach Jeremy "JJ" Johnson is back for his second tenure at Stetson. All the other staff members are in their first season at Stetson.
- The 2021 Stetson roster has a solid mixture of veteran players along with a host of young players who are either new to the program or saw only limited action in the spring. The Hatters roster this fall includes:
 - Eight graduate students and three redshirt seniors
 - Eight redshirt juniors
 - One true junior - transfer Fernando Bryant from Oklahoma Panhandle State University
 - There are 23 redshirt sophomores
 - There are 42 redshirt freshmen
 - There are 25 true freshmen
- The eight graduates on the Stetson roster for the 2021 season are: transfer quarterback Justin Agner (Florida Atlantic) along with returning quarterback Alex Piccirilli, transfer punter John Owen Lewis (Ole Miss), defensive end Bryson Richards, offensive linemen Thomas Connors, Alex Brown, Andrew Nadolski and Nick Plunkett along with defensive end Nolan DeFranco, who arrived as a graduate transfer from North Carolina last year.
- Agner, Bryant and Lewis are three of the five transfers currently on the Stetson roster from other colleges. Receiver Michael Martinez joined the Hatters from Western New Mexico and receiver Jalon Warthen-Carr came from Assumption College.
- As a result of the Covid pandemic and the shortened spring season that replaced the normal fall campaign, every player on the 2020 roster received an additional year of eligibility. Not every player who was eligible to return for an additional year did so. Those who did not return had all graduated (some with master's degrees) and either moved on to graduate school at another University or to law school or medical school.

- The Hatters do have some players returning this fall who missed the spring season because of injuries. That group includes running back Moise Satine and defensive end Bryson Richards, who both had knee injuries. The Hatters also welcomed back offensive lineman Avery Samuels, who opted out of playing last year because of the pandemic.
- Samuels was selected as one of 30 players from across the country as a semifinalist for the Mayo Clinic Comeback Player of the Year Award.
- With so many players taking advantage of the extra year of eligibility, the Hatters enter the season with the most depth and experience on the offensive line of perhaps any team in the nation. Nine of the 10 players listed on the two-deep depth chart along the line have significant playing time, including from one to four seasons as starters.
- Even with many veteran players returning this fall, the Hatters expect some freshmen and redshirt freshmen to make immediate impacts on the field. The Stetson depth chart includes 16 redshirt freshmen and three true freshmen. The three first-year players are: tight end DJ Dell'Anno, running back Kederis Roberts and cornerback Rhyann Cheatham.
- The Stetson roster benefitted from the program at Jacksonville University being disbanded following the 2019 season. Four former Dolphins now suit up as members of the Stetson team: receiver Jalen Mason, running back Jordan Younge-Humphrey, linebacker Ethan Hull and punter Matt Clements.
- Every season the National Football Foundation accepts nominations from colleges and universities from across the country for its post-graduate scholarship program. Each year the top college football graduating senior is presented with the Campbell Trophy along with a \$25,000 scholarship for post-graduate work. Several other scholarships are also awarded. Stetson's past nominees for the award have included Davion Belk, Austin Tyrrell and Gavin DeFilippo. This year, the Hatters nominee is senior captain Fermon Reid. The awards will be presented at the NFF's annual Hall of Fame induction and Awards dinner, which will take place this year in Las Vegas in early December. Reid is one of 178 candidates for the award this year.
- Much of the Stetson roster is home grown. Of the 111 players listed on the roster to start the year, 63 were from Florida, which accounts for 56.7 percent of the squad. The roster has another 19 players from Georgia while 18 other states are represented by anywhere from one to three players.
- Breaking down the roster further, by position group, there are 29 defensive backs, 20 offensive linemen, 18 receivers, 11 linebackers, 10 defensive linemen, eight tight ends, with seven running backs, seven quarterbacks and seven specialists.
- Turnovers were an issue for the the Hatters in the spring. There were eight turnovers on interceptions, including two by Presbyterian returned for touchdowns. The squad only lost one fumble, but lost possession on downs 10 times
- The total of 19 turnovers resulted in 24 points in the loss to Davidson, 17 points in the losses to Morehead State and Presbyter-

ian and 14 points in the loss to San Diego. Combined, the Hatters allowed 72 points off turnovers.

- In the modern era, Stetson has played just 15 games without committing a turnover and just 20 games without forcing a turnover. Five times the Hatters have played games when neither team had a turnover.
- Defensive end Fermon Reid had a career-high 13 tackles, including a new Stetson modern era record six tackles for loss and three sacks in the game this past spring against Presbyterian.
- As a team, the Hatters registered 7.0 sacks in that game to set a new Stetson modern era record for most sacks in one game.
- In addition to points off turnovers, Presbyterian returned a kickoff for a touchdown. It was the sixth KO return for a TD against Stetson since restarting the program, but the first since Lawrence Dickens of Marist went 100 yards on Nov. 7, 2015. Stetson is still looking for its first KO return for a score in the modern era.
- There have been a total of nine players who have rushed for 100 yards or more in a game for Stetson since the program restarted. Jalen Leary has now done it eight times followed by Cole Mazza (six), Jareem Westcott (four), Ryan Tentler (three) and Jerami Singleton, Gordon Stetson, Matt Taft and Gaven DeFilippo with one each. Sophomore Jordan Younge-Humphrey joined the list with his 115-yard effort against Davidson in the spring.
- Jaylon Johnson holds the modern era records at Stetson for both kickoff return and punt return yards. Johnson has 51 kickoff returns in his career for 1,220 yards and he has 28 punt returns for 200 yards. He has a long kickoff return of 60 yards and a long punt return of 37 yards.
- Jalen Leary became the first Stetson back in the modern era to rush for more than 1,000 yards in a season when he posted 1,013 during the 2019 campaign.
- Stetson has sent two players from the modern era - LB Donald Payne (multiple teams) and TE Donald Parham (LA Chargers) to the NFL, but did you know the Stetson football program had a player drafted by the NFL in 1951? Running back Bill Johnson was selected in the 27th round of the 1951 draft by the Washington Redskins.
- In games in which Stetson has rushed for more than 200 yards, the Hatters are 15-3.

- Stetson is 4-28 in its modern history when failing to rush for 100 yards in a game.
- Extremes in passing yards in a game does not provide an accurate measure of success for the Hatters. Stetson has failed to throw for at least 100 yards in a game eight times, and is 0-8 in those games. The Hatters have passed for more than 200 yards in a game 44 times, with a 22-23 record in those games.
- In 87 games since restarting the program, the Hatters have been shutout four times and have been held to less than 10 points in a game 15 times.
- Over 87 games, the Hatters have scored defensive or special teams touchdowns 18 times.

Head Coach Brian Young

- After spending the 2020-21 year away from Stetson, Brian Young returned to DeLand on June 7, 2021 to become the 10th head football coach in program history.
- Young served as the Hatters' defensive coordinator from 2011 until departing for Georgia Southern following the 2019 season. He was the first on-field coaching hire of former head coach Roger Hughes when the program was restarted in 2011.
- Young helped build the program from the ground up, working with Hughes to recruit the first class of players to campus. Those recruiting efforts during the winter of 2011-12 resulted in more than 100 players signing on to launch the program
- As defensive coordinator, Young's units were known for their attacking style of play, especially in pass defense where the Hatters ranked first or second in the PFL six times. Stetson was also regularly among the top teams in the PFL in sacks and turnovers forced during his first tenure.
- Also during his previous time at Stetson, Young had a direct hand in the recruitment and development of the Hatters' four-time All-American Donald Payne, who has gone on to a successful career in the NFL. Payne was a three-time Pioneer Football League Defensive Player of the Year.
- Young is a native of Savannah, Ga., and a product of Georgia Southern University where he played defensive back and earned a B.S. in parks and recreation administration in 1997.
- He first arrived at Stetson from Cornell

University in Ithaca, N.Y., where he served as defensive backs coach for two seasons. Young has enjoyed a long and distinguished career as a coach at multiple levels, including time in the NFL when he worked with the Buffalo Bills as a training camp assistant. He also had a successful tenure as a high school football and basketball coach.

Meet The Coaching Staff

Steve Davis – Defensive Coordinator

- Entering his third season as a member of the Stetson coaching staff, Davis took on the defensive coordinator duties when Young left for Georgia Southern last year. Davis has spent more than 50 years in college football, starting during his playing career at the University of West Alabama where he had a Hall of Fame playing career, helping the Tigers to a 1971 NAIA National Championship. He jumped right into coaching at his alma mater after his playing career ended. His coaching career has included stops at East Mississippi Community College, the University of North Alabama, Southern Miss, LSU, Auburn, Troy, Tulane and Middle Tennessee State. Prior to joining the Stetson staff, he spent 14 seasons as defensive coordinator at Mississippi Gulf Coast Community College, helping that program to a junior college national championship in 2007. He and his wife, Brenda, have a daughter and four grandchildren.

Jonathan "JJ" Johnson – Linebackers

- JJ is in his second stint as a member of the Hatters' coaching staff, originally serving as the defensive line coach during the 2016 and 2017 seasons. A native Georgian, Johnson played college football at Belhaven College in Jackson, Miss., and started his coaching career there as a graduate assistant in 2013, coaching defensive ends, tight ends and the offensive line over two seasons. He moved on from there to work as an offensive assistant coach at Mississippi Gulf Coast Community College for two seasons before joining the Stetson staff. He returned to the Mississippi junior college ranks in 2018, coaching defensive line and serving as defensive coordinator at Pearl River Community College. He left to coach defensive line at UNC Pembroke before the pandemic started in 2020 but returned to Stetson this past spring to coach linebackers. He tied the knot with his

now wife, the former MaddieBeth Robertson of Steamboat Springs, Colo., over the summer and the couple lives with their Australian Shepherd, Buck.

Jake Martinez – Receivers

Jeremy Perkovich – Defensive Line

- Perk joined the Stetson coaching staff in 2018 after spending the previous season at Pioneer Football League rival San Diego. A native of Auburn, Wash., Perk played at the University of Puget Sound in Tacoma, which is also where he got his start as a coach. Despite being small for a defensive lineman, he was selected as the team defensive lineman of the year in 2015. Entering his fourth season at Stetson as the defensive line coach, he has helped groom the players at the point of attack on defense into a force on the field. He has also proven himself to be a tremendous asset in terms of recruiting players into the Stetson program.

Harry Richards – Running Backs

- Harry arrived at Stetson from Mississippi State where he worked with then MSU head coach (now Florida head coach) Dan Mullen as an offensive play signaler during the 2017 season. The Bulldogs posted a 9-4 record during that year, including a bowl victory over Louisville. A native of Virginia Beach, Va., he attended James Madison University and worked as an offensive intern during the 2015 season, working with both the running backs and quarterbacks for the Dukes. While still an undergrad, he worked as assistant running backs coach at Rutgers University in 2016. Since arriving at Stetson, he has helped both Jareem Westcott and Jalen Leary to PFL Offensive Freshman of the Year awards and mention on the Jerry Rice Award watch list for the best freshman offensive player in all of FCS football. Westcott rushed for 774 yards and a program record 13 touchdowns in 2018 and Leary followed up in 2019 by rushing for a program record 1,013 yards. This past spring it was sophomore

John Jefferson – Cornerbacks

- A native of Wilmington, Del., Jefferson was an all-around player at Delaware State after earning honorable mention All-America honors as a high school quarterback. He played all over the field in college, spending time at quarterback, receiver and cornerback while also playing on special teams, earning comparisons to the likes of Antwann Randle El. After graduating in 2002, Jefferson played in the Arena Football League for six seasons. He began his coaching career at Woodrow Wilson HS in New Jersey in 2008 before spending a number of seasons coaching at post-graduate academies. He joined the coaching staff at Morehouse College in Atlanta in 2018 and spent two seasons coaching the Maroon Tigers' linebackers. Jefferson has a son, Jadon.

Jake Reed – Offensive Line

- A native of Columbus, Ind., Reed played in 40 games, starting 22 at center and guard, at Indiana University where he earned the program's Harold Mauro "Loyalty to IU Football" Award in addition to earning the Big Ten Sportsmanship Award. During his senior season, with him starting all 13 games, the Hoosiers led the Big Ten in total offense, passing offense and scoring offense. IU became the fourth college team in history to have a 3,500-yard passer, two 1,000-yard rushers and a 1,000-yard receiver in the same season. He was an All-State player in high school, earning Indiana's Mr. Football as a tight end as a senior. Following his playing days at Indiana, Reed was signed by the Atlanta Falcons as an undrafted free agent, appearing in one preseason game before suffering an injury during the very next practice. He was given an injury settlement and released. After recovering from his injury, he became a graduate assistant in the weight room at the University of Kentucky, becoming certified as a strength coach. From there he spent the 2020 season as a graduate assistant coach at the University of Memphis, working with the Tigers' offensive line.

Brandon Tate – Tight Ends

- A former Mountaineer at the University of West Virginia, here he played for three seasons (2004-07) as a tight end, Tate came to Stetson from West Liberty University, which is located in the northern panhandle of West Virginia. He spent two seasons with the Hilltoppers, coaching receivers and tight ends after starting his coaching career as a graduate assistant at his alma mater in 2009. He also spent a year as a GA at rival Marshall University in 2010. He spent six seasons as a high school coach and guidance counselor before returning to Marshall in 2017 to serve as an Academic Counselor in the Athletics Department. Tate received his undergraduate degree in Physical Education from West Virginia in 2007 and his master's degree in Secondary Education and Guidance Counseling from Alcorn State University, where he played his final year of college football, in 2009.

He and his wife, Rebecca, have four children – Braylon (9), Braxton (7) and twins Kaden and Kenna (13).

Trent Wessel – Quarterbacks

- A Tampa native, Wessel played at Florida Atlantic University from 2016-19 before transferring to Louisiana Tech for his graduate season in 2020. At Florida Atlantic he was a backup quarterback under coaches Lane Kiffin, Kendal Briles and Travis Trickett. He served as a player-coach, signaling in plays, breaking down film and teaching the other players how to run the offense. He is the son of Joe Wessell, who played collegiately for Bobby Bowden at Florida State and then went on to a coaching career that included stops at LSU (1985-90), Notre Dame (1991-93) and in the NFL with the Philadelphia Eagles and Cincinnati Bengals.

Quality Control Assistants

- Jeffrey Eberhardt played football and lacrosse at Seminole High in Sanford before graduating from UCF in 2021. Was a volunteer coach at Seminole High and at Florida High in Tallahassee. Serves as a Quality Control assistant for the Hatters' defense.

- Alek Nikolich is a junior at Stetson and is transitioning from player to coaching staff. He is assisting Coach Reed with the offensive line.
- Colin Ibisson is also a junior at Stetson who came in as a kicker but transitioned to an off-field role, first as a video assistant and now as a student assistant working with the specialists.
- Darrien Steadwell is in his second season as a student assistant coach for the Hatters. He works with the equipment staff and trainers during practice and is responsible for organizing the filming and editing of practice and game film.
