St. Bonaventure men's lacrosse was a club sport from 1980-88 and became an intercollegiate sport for the 1989 season. Following the 1993 season, men's lacrosse returned to the club level. In March 2017, the University announced plans to move the program back to the varsity level and the Bonnies played their first Division I season in 2019 as members of the Metro Atlantic Athletic Conference (MAAC) for the first time. St. Bonaventure moved to the Atlantic 10 when the conference added men's lacrosse for the 2023 season.
