Smoking/Tobacco Policy

- ❖ All campuses of the California State University System are required to be smoke and tobacco free. "Smoke Free" means the use of cigarettes, pipes, cigars, and other "smoke" emanating products including e-cigarettes, vapor devices, and all other like products. "Tobacco free" means all tobacco products including smokeless tobacco and snuff. None of these above listed products will be permitted on campus grounds including athletic facilities, practice fields, and parking lots.

Policy on the Staking and Securing of Tents and Other Items:

- ❖ Fresno State Campus Buildings and Grounds policy states there is no staking permitted on the campus. This includes all facilities managed and operated by the Athletic Corporation. Weights shall be utilized for the anchoring and securing of temporary structures such as tents and canopies. Weights may be water-filled barrels, sand bags, or concrete blocks. All local companies that rent and set up tents at Fresno State events have been informed of this policy. In addition to "No Staking", tents, canopies, pop-ups, inflatables, and signs may not be affixed to any tree or tree stake.
