

2021 MOON GOLF INVITATIONAL

FEBRUARY 14-16 | DURAN GOLF CLUB

FOR THE LOVE OF GOLF

MOON GOLF

Our mission is to share our passion and love for the game of golf by providing world-class customer service, expert knowledge, and always having the best selection of golf products in stock.

We love the game of golf and want to share that passion with others. We want our customers that come into the store to experience the same passion that each of our employees have for the game. We also want to ensure that every customer that comes in has a positive experience by being spoken to honestly, being treated with respect, and being greeted with a positive attitude.

Our Founders Anne and Dan Moon have always lived for their love of golf. So it was no surprise when they met on a golf course in Auburn, Alabama and fell in love with each other. Since that hot summer day in 2000, the couple has embraced their passion for the sport and turned it into their careers.

Following Anne's college golf career at Auburn University, she pursued the excitement of professional golfing. This eventually opened a door into the business world of golf and she was brought to Melbourne, Florida by Callaway Golf. Dan's golf retail career began with Edwin Watts Golf and after many promotions and long distance moves, gave him the experience he needed to partner with his wife and purchase Golf USA here in Melbourne, Florida.
