LOUISVILLE HEAD COACH: JOHN MICHAEL HAYDEN

John Michael Hayden, a Louisville native who served as an assistant coach with the Cardinals for four seasons, was named head coach of the University of Louisville men's soccer program Dec. 27, 2018. Hayden became the fifth head coach in the history of the UofL men's soccer program.

In his first five seasons at the helm, he compiled a 46-35-10 record and a 19-20-5 mark in ACC play.

The Cardinals have reached the NCAA Tournament in four of Hayden's five seasons at the helm, including each of the last three. Hayden guided the Cardinals to the NCAA Third Round in 2019 and a Second Round appearance in 2023.

Louisville earned its first ever ACC Atlantic Division title in 2021, going 5-3-0 in conference play. The Cardinals have featured 11 All-ACC selections under Hayden and had seven players selected in the MLS SuperDraft.

In three seasons as an assistant at UofL from 2016-18, the Cardinals 38-13-10 overall. Louisville registered its first ACC Championship title in 2018, defeating Notre Dame, Wake Forest and North Carolina in a span of eight days to win the ACC championship. UofL reached the NCAA Tournament in all three seasons, including national quarterfinal appearances in 2016 and 2017.

Prior to returning to Louisville, Hayden served as associate head coach at Xavier University in 2015 helping the Musketeers compile 12 wins and earn a No. 10 ranking in the NSCAA poll.

Hayden joined the Musketeers after spending two successful seasons as an assistant coach at Lipscomb University, where he helped the Bisons to a program-best 12-4-1 record and A-Sun regular season title in 2014. Lipscomb was 21-13-3 overall during his two years in Nashville, racking up several conference honors in the process.

Ahead of his two years at Lipscomb, Hayden helped lift Louisville to a 14-6-1 record, a BIG EAST Red Division regular season championship and an Elite Eight appearance in the NCAA Tournament during a highly successful 2012 season. Before his first stint with the Cardinals, Hayden served as Director of Coaching with the Kentucky Fire Juniors USYSA club, obtaining his USSF National "A" coaching license and traveling to Spain with U.S. Soccer as part of a development workshop with the international powerhouses FC Barcelona and Real Madrid.

Hayden was a decorated player before transitioning into coaching, playing collegiately at Indiana University winning back-to-back NCAA championships with the Hoosiers in 2003 and 2004. He scored an overtime header against No. 3 Maryland in the 2004 College Cup, sending IU to the title match. During his sophomore season, Hayden scored career-highs with seven goals, four assists and 18 total points -- tying for the team lead with six game-winning goals. Hayden was a Big Ten All-Conference selection in 2004 and 2006 and was named to the NCAA College Cup All-Tournament Team during the Hoosiers' 2004 title run.

In 2007, Hayden was selected 13th overall in the MLS

SuperDraft by the Houston Dynamo. His pro debut came on July 10, 2007 in the Lamar Hunt U.S. Open Cup against Charleston Battery. In his rookie season, the Dynamo won an MLS Cup Championship. He wrapped up his professional career after signing with the Louisville Lightning in January of 2010.

A two-time Parade Magazine All-American at Louisville's Trinity High School, Hayden was named NSCAA/adidas Kentucky Player of the Year along with Gatorade and Eurosport honors. When he signed with IU, he was recognized as a top-25 recruit by Soccer America.

In 2007, Hayden married Hollie Minogue, who played soccer for Louisville's women's team and the couple has two sons, Liam and Jacob.

HELPERS COMING FROM ALL OVER THE PITCH FOR CARDS

The Cardinals netted 31 goals in 16 regular season matches, ranking seventh in the ACC in both total goals and goals per match.

Louisville tallied 32 assists on the 31 goals, and the help has been coming from all areas of the pitch. Thirteen different Cardinals have at least one assist on the season. Ten players have multiple assists, and seven have three or more.

Leon Kondic currently leads the team with five assists on the season, aiming to become the first freshman to lead Louisville in assists since Tim Kubel tied for the team lead in 2014.

GUERRA PUTS TOGETHER RECORD-SETTING SCORING BINGE

Senior forward Gage Guerra entered the season as one of the best goal-scorers in the country and then got off to a hot start with tallies in each of the first two matches. However, he then went the next six matches without finding the back of the net.

Guerra put an end to his scoring drought on Sept. 29 at Boston College and has been rolling ever since. The Houston native then scored twice at Cal before missing the Lipscomb match, and then converted penalty kicks versus Clemson and Evansville. He added another goal against Milwaukee to become the first Louisville player to score in five straight matches since at least 2001.

Guerra is now up to 31 career goals, tied for the 10th-most in Division I among active players.

LEWIS LEADING THE CARDINALS FROM THE MIDFIELD

On a roster that features 11 juniors, seniors and graduate students, it's a true freshman that leads the Cardinals in time on the pitch.

Freshman midfielder Jack Lewis leads Louisville this season with 1,273 minutes played and is one of just five players to appear in all 16 matches and one of three to start at least 15 of those.

In his first season with the Cardinals, Lewis has teamed up with JP Jordan centrally in the midfield and contributed a goal, three assists and five points total. His goal was a game-winner against Bellarmine, while he also assisted on a late winner at Kentucky.

FRESHMEN CLASS MAKING HUGE IMPACT

Louisville returned five starters and 12 players overall from the 2023 squad that reached the second round of the NCAA Tournament. Those returners have been huge for the Cards with Gage Guerra, Sander Roed, Ethan Subachan and Josh Jones combining for 45 of Louisville's 94 points.

However, the freshmen class is making its mark as well. Seven different freshmen have played meaningful minutes so far, with at least four in the starting lineup in each of the last 11 matches, including a season high seven in the starting XI at Cal.

Leon Kondic scored the game-winner in the 90th minute at Kentucky. Jack Lewis assisted on Kondic's winner and tallied a winner of his own against Bellarmine, while Michael Lee got the game-winner against Lipscomb. TJ Kahoalii and Chase Vazquez assisted on the Lewis goal, while Noah De Blasis (Jacksonville) and Kondic (Tulsa) also have assists on game-winning goals.

Defensively, De Blasis and Olayinka Ogunleye have combined to make 24 starts. De Blasis has played 1170 minutes this season, while Ogunleye has logged 891.

ROED CLOSING IN ON UOFL CAREER ASSIST RECORD

Louisville midfielder Sander Roed has been one of the best facilitators on the pitch since stepping onto campus in 2021.

The senior tallied eight assists in 2022 and nine in 2023, giving him two of the top 10 single season assist totals in program history. Roed ranked top three in the ACC in both seasons.

Following an assist against UAB, Roed now has 24 career assists, the second-most in Louisville history. He sits just two shy of Tim Kubel's (2014-17) program record of 26. His 24 assists are tied for the fifth-most among active players in Division I.

NEW FACES APLENTY ON PITCH FOR CARDINALS

John Michael Hayden and his staff brought 15 newcomers into the fold for the 2024 season. Those new faces played huge roles during the regular season.

Fifteen different Cardinals have started at least six matches, nine of which are new to the Louisville program – Bilal Camara, Noah De Blasis, JP Jordan, TJ Kahoalii, Michael Lee, Jack Lewis, Olayinka Ogunleye, AJ Piela and Harvey Sellers.

Louisville newcomers have accounted for 9,612 minutes (60.9 percent), seven goals and 20 assists.

JONES GETTING IT DONE ON BOTH ENDS

Senior center back Josh Jones has anchored Louisville's defense throughout his four-year career at Louisville, playing a part in 19 clean sheets during that time.

The defender has also made his presence felt on the attacking end, serving as one of the top set piece targets in the country.

This fall however, Jones has expanded his arsenal to include joining the attack in the run of play. The senior scored Louisville's first goal against Jacksonville and at Pitt, both during the run of play and added a set piece tally against Lipscomb. Jones is one of five Cardinals with multiple goals this season.

JONES NAMED TO TOPDRAWERSOCCER TEAM OF THE WEEK

Senior Josh Jones picked up right where he left off to start the 2024 campaign.

The defender headed home the opening goal in the first half against Jacksonville and then helped anchor a Louisville defense that recorded a clean sheet in the 2-0 victory.

For his efforts, Jones was named to the Team of the Week by TopDrawerSoccer.

GUERRA, JONES NAMED CAPTAINS FOR 2024 SEASON

Seniors Gage Guerra and Josh Jones have been named captains for the 2024 season. Guerra is in his second season at Louisville after transferring from Army. The forward had an electric start to his Louisville career before being derailed by injuries. The junior tallied six goals in the first five matches, the most by a Louisville player since at least 2001. Despite missing eight matches, Guerra still finished second on the team with seven goals.

A captain for the second straight season, Jones is in the final year of his four-year career with the Cardinals. He earned All-ACC honors in 2023 logging more than 1,500 minutes in the backline. However, Jones made his presence felt in the attacking third as well tallying three goals for the second straight season while adding a pair of assists.

JONES, GUERRA RETURN TO LOUISVILLE AFTER MLS SUPERDRAFT

The Louisville soccer program has consistently sent players into the professional ranks, having at least one player drafted in 12 of the last 14 years.

The 2023 MLS SuperDraft was no exception, as Damien Barker John, Josh Jones and Gage Guerra were each selected.

However, Jones and Guerra each elected to return to school for their senior seasons in 2024. The duo mark the first players in program history to come back to Louisville to play after being drafted.

JONES AND ROED TEAM UP FOR SET PIECE MAGIC

Louisville seniors Josh Jones and Sander Roed have formed a dynamic duo on set pieces since they arrived on campus for the 2021 season.

That pair struck three times in 2023, with Jones scoring off assists from Roed against NC State, Notre Dame and in the NCAA Tournament versus Dayton.

Jones has 10 goals in his career, eight of which have been assisted by Roed, including three game-winners.

LOUISVILLE OPENS SEASON RANKED NO. 24

Coming off their highest win total since 2017, the Cardinals will open the 2024 season ranked No. 24 in the United Soccer Coaches preseason poll.

Louisville is ranked in the preseason top 25 for the first time since the 2019 season, when the Cards were 14th to start the year.

DR. MARK & CINDY LYNN STADIUM

After more than a decade of playing in the Cardinal Park Track and Soccer Stadium, the University of Louisville men's and women's soccer teams moved into the premiere soccer venue in the country in 2014.

Dr. Mark & Cindy Lynn Stadium, a \$18.5 million, state-of-the-art soccer stadium features seating capacity for more than 5,300 and includes a 15,500-square-foot training center.

The natural turf field is surrounded by chairback seating for 2,300 in the main grandstand, bleacher seating for 900 in the east end zone and two berms, which can accommodate 2,100. It is the second-largest on-campus facility project the Cardinals have built.

In addition to the pitch, the complex surrounding the area is fully loaded to ensure Louisville's student-athletes enjoy their experiences. The building features separate team locker rooms in addition to their opponents, along with coaches' locker rooms. When they are not in competition or training, the men's and women's teams have the ability to spend time in their own lounge areas located in their respective locker rooms.

Also, Cardinal student-athletes and coaches will be provided an 830-square-foot meeting/video room for scouting purposes.

When Louisville is practicing or warming up before a match, they can take advantage of an approximately 700-square-foot indoor warm-up area designed to give the Cardinals the maximum space for training.

For fans entering arguably the best soccer stadium in the country, they are greeted by six ticket windows, staffed by Louisville's ticket office, to help limit long wait times. Upon gaining admission, fans will be greeted by the main concession stand that features up to 14 queues or they can stroll around the concourse that extends around the end lines.

Housed atop the grandstand at midfield, the press box has ample amounts of room and amenities to accommodate those covering the game. Adjacent to the press box is a donor suite, along with a separate television suite, radio suite, an area for the media as well as an operations room.
