HEAD COACH
TIM BECK

THIRD YEAR

Tim Beck – the fourth football head coach in Coastal Carolina's 20-year history – joined the Chanticleers in Dec. 2022 and is in his third season leading the program.

An experienced leader with 36 years of coaching experience, Beck brought with him 18 years of Power 5 coaching experience to CCU, including spending the 12 years as an offensive coordinator at Nebraska, Ohio State, Texas and NC State.

He has led Coastal to a pair of bowl game appearances, including a win in the 2023 Hawai'i Bowl. As a collegiate coach, he has helped guide teams to 18 postseason bowl games, including this season. Beck has also coached in a postseason bowl game in every year since 2007, including helping Ohio State compete in the College Football Playoff in 2016.

Coastal finished 6-7 in 2024, playing in the Myrtle Beach Bowl. The team battled late in the season to pick up a pair of wins to earn bowl eligibility. The Chants' offense averaged near five yards per carry a year ago (4.6) while covering 2,242 yards on the ground, 2,616 yards through the air with 41 scores. Six players earned all-league honors including first teamers Clev Lubin and Matthew McDoom.

In his first season in Conway, Beck led the Chanticleers to an 8-5 record and the second bowl victory in program history. Coastal reeled off five consecutive wins, including the program's first win ever at Appalachian State, while starting three different quarterbacks. The Chanticleers won five consecutive Sun Belt Conference games for the first time since 2020 and notched eight wins for the fourth consecutive season.

Wide receiver Sam Pinckney became the Sun Belt's all-time leader in receiving yards while also setting an NCAA record with 58 consecutive games.

The offensive coordinator and quarterbacks coach at NC State from 2020-22,

Beck helped lead the Wolfpack to three-consecutive eight-plus win seasons, three-straight bowl appearances, and a combined record of 25-11.

Recognized as the nation's eighth-best recruiter by 247Sports.com in 2020, Beck has been a three-time nominee for the Broyles Award, an award given to the nation's top assistant coach in all of FBS.

Beck's NC State offense ranked in the top half of the highly-touted Atlantic Coast Conference (ACC) in scoring offense, total offense, and passing offense, while continuing to set program records along the way.

Under Beck's tutelage, Leary set a new NC State school record for most touchdown passes in a single season in 2021 with 35. He became one of just three quarterbacks in ACC history to post a 3,400-yard and 35-touchdown regular season. He also passed for 27 touchdowns in ACC play, a mark that led the conference, and he became the first Pack quarterback to throw for four or more touchdowns against five ACC opponents.

Prior to joining the Wolfpack in 2020, Beck coached for three years as the offensive coordinator and quarterbacks coach at Texas from 2017-19.

Before joining the Longhorns, Beck was at the offensive coordinator at Ohio State from 2015-16 where his offenses helped lead the Buckeyes to back-to-back double-digit win seasons, going 12-1 in 2015 and 11-2 in 2016.

Between 2011-14, Beck's Nebraska offenses ranked among the best in the Big Ten Conference and his passing attack amassed more than 10,000 yards during that time with 86 touchdowns. In his four seasons as coordinator, the Huskers averaged 33.5 points per game. The Huskers broke more than 50 individual records, including career marks for passing yards, completions, passing touchdowns, yards from scrimmage, and total offense.

CHAUNCEY THE CHANT

FROM CANTERBURY TALES TO CONWAY, S.C.

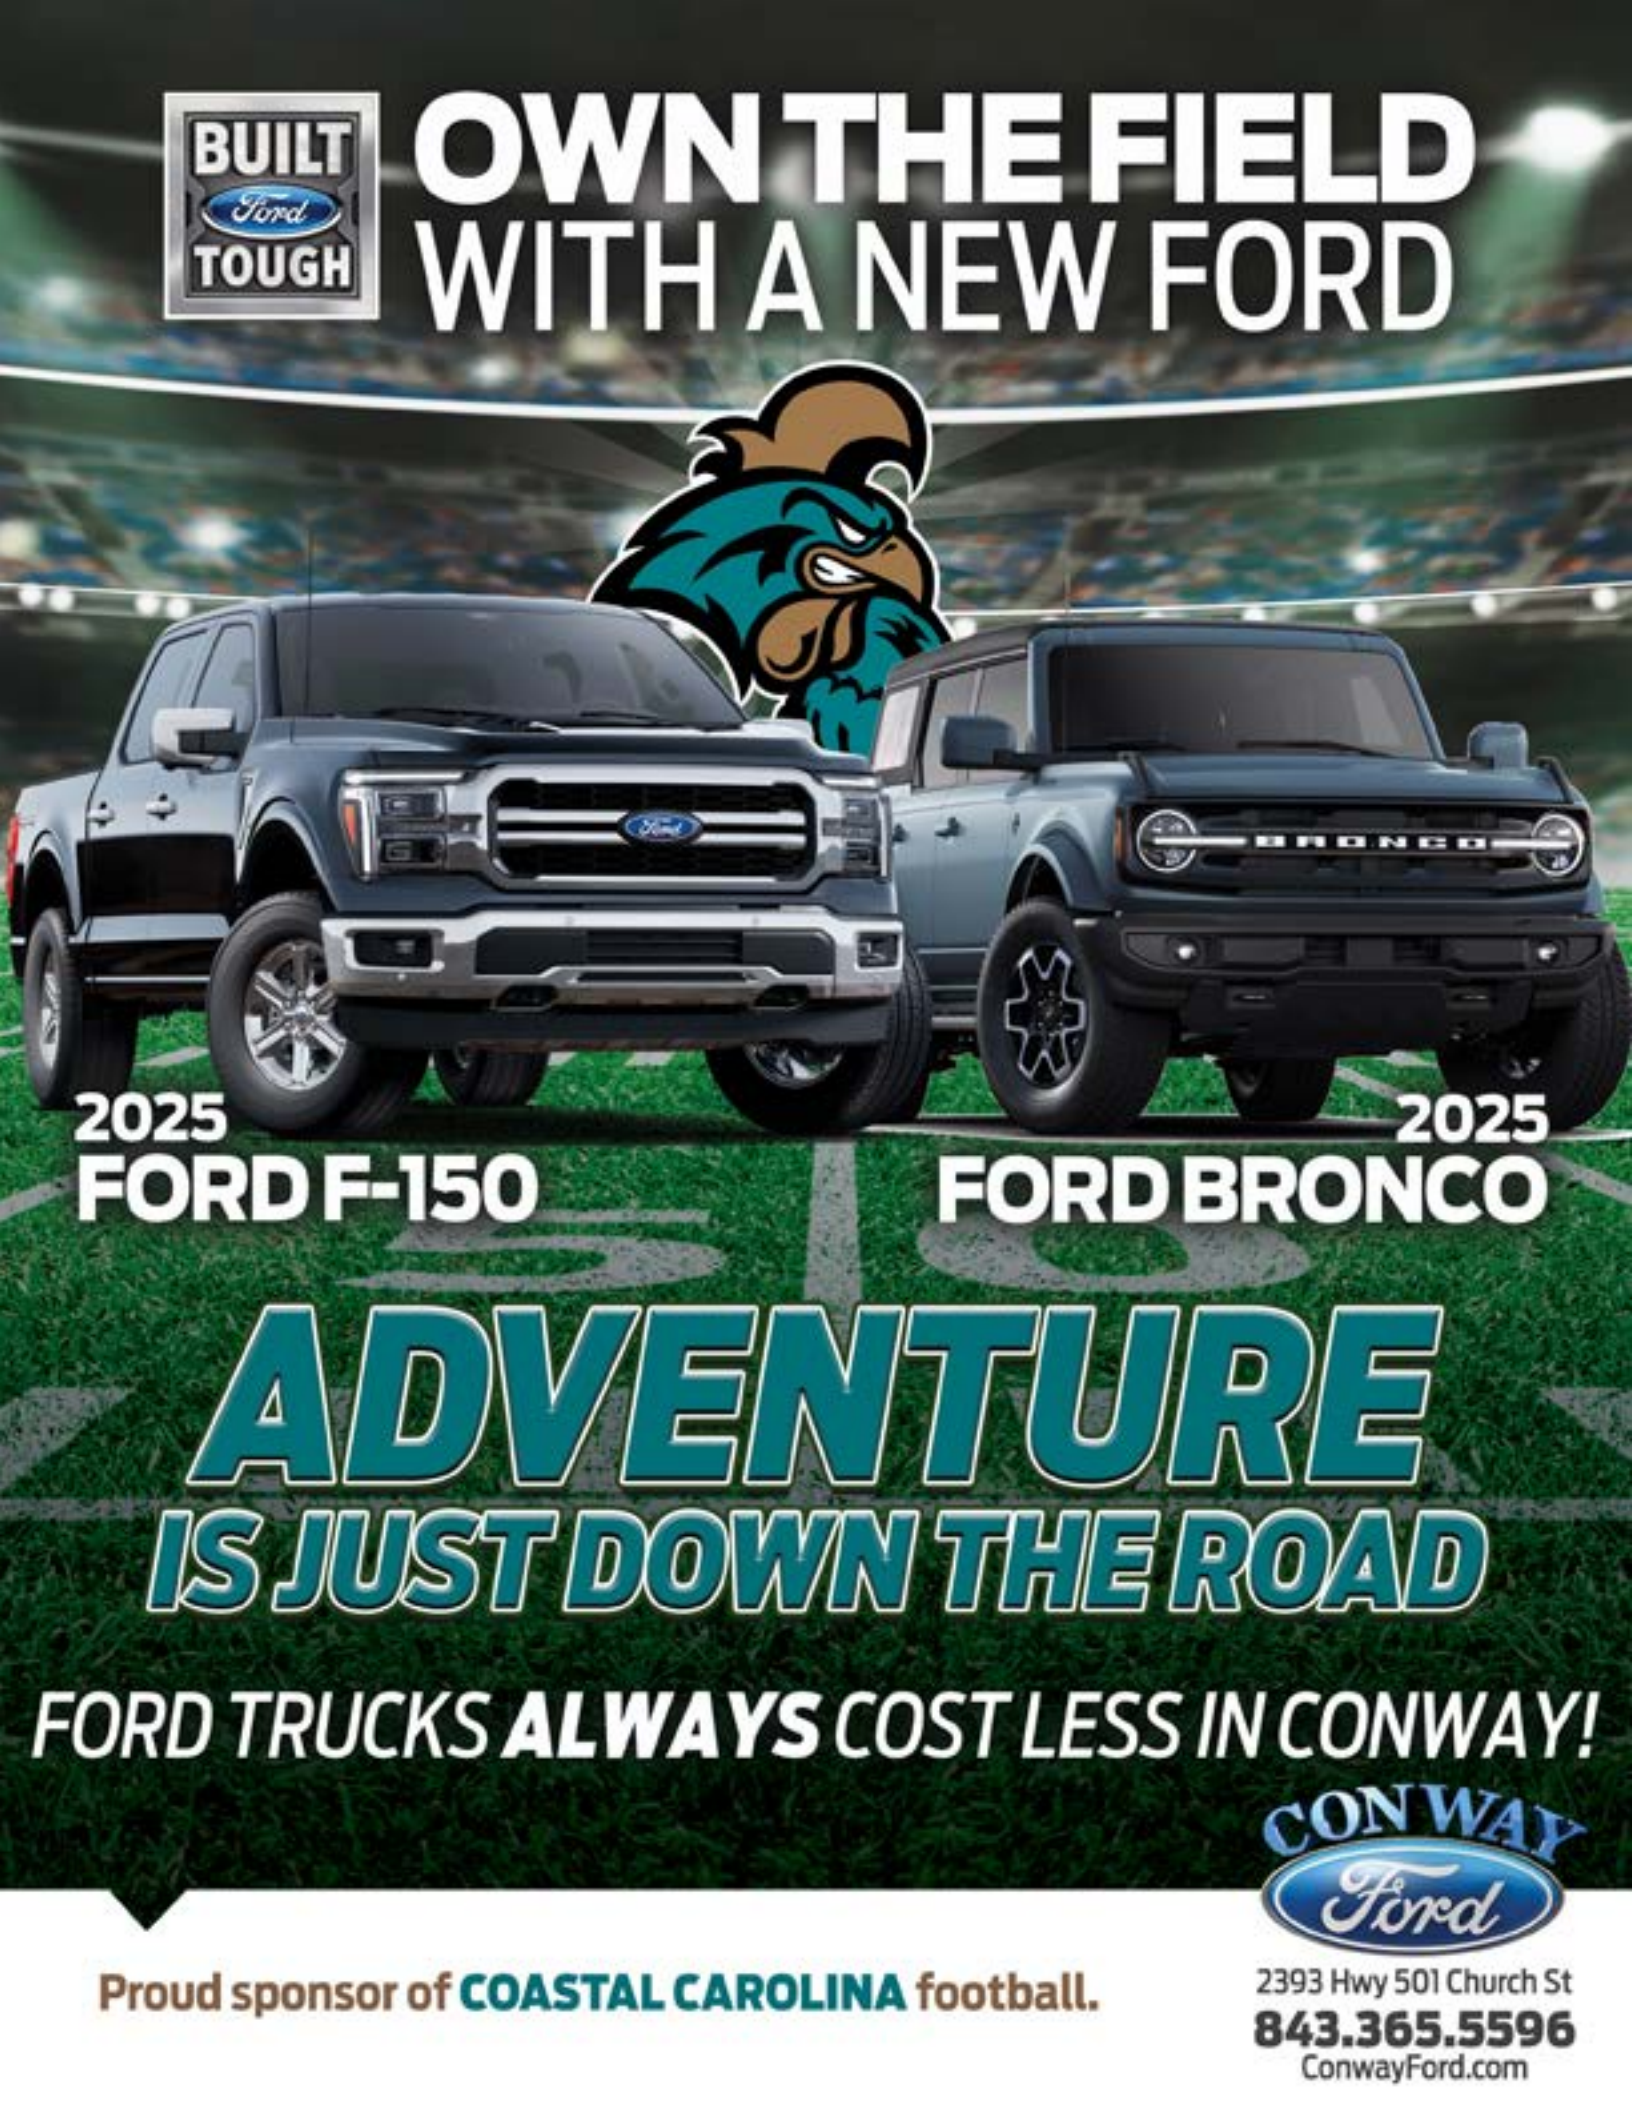

WHAT IS A CHANTICLEER?

Chanticleer (SHAWN-tuh-clear) gives Coastal Carolina one of the most unique nicknames in all of sports.

Chanticleer comes from Chaucer's Canterbury Tales and came to Coastal Carolina when the University was a member of the University of South Carolina system.

A Chanticleer is a rooster who rules the barnyard with cunning and wit. His competitiveness never wanes as he battles to the end, using his brains to come out on top every time.

CHANCE MILLER

VP FOR INTERCOLLEGIATE ATHLETICS & UNIVERSITY RECREATION

Chance Miller, J.D., was named Coastal Carolina University's vice president for intercollegiate athletics and University recreation on June 13, 2024.

CHANCE MILLER

Miller began his new role on July 16, 2024, and serves on the President's Cabinet and the Executive Council.

Among his early successes are dozens of enhancements to the game-day fan experience across all sports; the release of the Coastal Wave strategic plan; the creation and implementation of the Alyse Svihla Student-Athlete Development and Engagement Program; launch of the Chanticleer Mobile App; record-setting single-game attendance at football and baseball along with measured growth in all external areas — Chanticleer Athletic Foundation, licensing, revenue and fan engagement.

During his tenure so far, the Chants' football team played in the 2024 Myrtle Beach Bowl, the beach volleyball and baseball programs won 2025 Sun Belt regular season titles and baseball, men's golf and softball brought home a Sun Belt Tournament Championship.

Miller provides leadership for CCU's National Collegiate Athletic Association (NCAA) Division I intercollegiate athletics program consisting of 19 sports, nearly 200 coaches and staff members, and more than 550 student-athletes. Additionally, he provides executive leadership for University Recreation, Sports Turf and Golf Course Operations, and Teal Nation retail.

Miller served as senior deputy athletics director at the University of South Carolina for five years prior to arriving in Conway and previously held various roles in the Office of Compliance Services from April of 2013 until July of 2019. His primary responsibilities include serving as a member of the athletics department's executive management team, overseeing day-to-day internal and external operations and initiatives, serving as the senior associate general counsel, providing executive oversight for the Office of Compliance Services as well as serving as the sport administrator for football.

He has led facility and project planning, helped to fundraise and complete a $35 million capital campaign, raised $3 million for institutional name, image, and likeness (NIL) initiatives, designed the department's NIL educational programming, and worked with a collective to establish tax, marketing, and branding assistance for USC's student-athletes.

Prior to USC, Miller worked from 2009-13 at the NCAA, where he served as an assistant and associate director on the enforcement staff. He was the lead investigator on several NCAA Division I Committee on Infractions cases. Miller also served on the NCAA Committee on Sportsmanship and Ethical Conduct, NCAA Football Issues Working Group, and NCAA and NFL Agent Regulation Working Group.

Before joining the NCAA, Miller practiced law in New York City. He served as the assistant corporation counsel for the New York City Law Department, where he represented all New York City agencies, including the NYPD, FDNY, and New York City Teachers Union. Miller also worked at the National Football League in its legal department assisting with player conduct and disciplinary issues and coaches' contract approvals.

A native of Johnson City, Tenn., Miller earned a bachelor's degree from the University of Tennessee in 2004 and a juris doctorate from New York Law School in 2008. He and his wife, Lauren, have two children, Cason and Caylor.

COASTAL CAROLINA ATHLETICS

FOUNDED IN 1954

Coastal Carolina University has built a vibrant and competitive athletics program since its founding in 1954.

The Chanticleers, named after a proud and fierce rooster in Geoffrey Chaucer's The Canterbury Tales, began competing in the National Association of Intercollegiate Athletics (NAIA) before transitioning to NCAA Division I in the early 1980s.

As a member of the Sun Belt Conference, CCU fields teams in various sports, including football, baseball, basketball, soccer, and softball. The Chanticleers' baseball team gained national prominence in 2016 when they captured the NCAA College World Series championship, marking the university's first-ever national title in any sport. This historic achievement spotlighted CCU as a powerhouse in collegiate athletics.

The football program, established in 2003, has also experienced significant success. Under the leadership of innovative coaches and talented players, Coastal Carolina moved from the Football Championship Subdivision (FCS) to the Football Bowl Subdivision (FBS) in 2017. Since then, the Chanticleers have consistently competed at a high level, earning bowl game appearances and securing conference championships.

Beyond baseball and football, CCU's athletic programs have excelled in soccer, golf, and track and field, producing All-Americans and professional athletes. The university prides itself on balancing academic achievement and athletic excellence, fostering a community-driven spirit.

With a commitment to growth and success, CCU Athletics continues to build a legacy of competitiveness and pride, embodying the tenacity of the Chanticleer.
