Cross Country	15:30	x	18:40	x

Coastal Carolina University Recruiting & Scholarship Guidelines

*Cross Country times must be run on legitimate courses. Cross Country athletes will be evaluated at State Meets, Major Invitationals (Foot Locker), Major Regional, and National Championships.

*Reaching these standards does not guarantee you an athletic scholarship or a spot on the team.

*There are many variables taken into consideration. Including, but not limited to, Academic Standing, Scholarship Availability, Team Needs, and Roster Spot Availability.

*Competition for Scholarships includes Graduating Seniors, Junior College Graduates, Transfer Students, International Students, and Current Team Members.

*Scholarships can range from 1% to 100%.
