NOW IT'S TIME FOR THE BREAKDOWN

Coastal Carolina continues its 2026 nonconference schedule on Saturday, Sept. 19, as the Chanticleers travel to Newark, Del., to face Delaware at Delaware Stadium. Kickoff is set for 11:30 a.m. ET, and the game will air nationally on CBS Sports Network. Both teams enter the matchup with 1–1 records, with Coastal coming off a 45–7 win over Fordham and Delaware returning home following a 35–26 loss at Vanderbilt.

THE SERIES

Coastal Carolina and Delaware will meet for the first time in program history. The matchup will also mark Coastal's first visit to Newark and its second game in the state of Delaware.

THE COACHES

RYAN BEARD is in his first season as the head football coach at Coastal Carolina after being named the fifth head coach in program history on Dec. 11, 2025. Beard arrived in Conway following three seasons as the head coach at Missouri State, where he helped guide the Bears through their transition from the FCS to the FBS level. Prior to becoming Missouri State's head coach, Beard spent three seasons as the Bears' defensive coordinator. His coaching career also includes stops at Louisville, Central Michigan and Western Kentucky.

RYAN CARTY is in his fifth season as Delaware's head coach. A former Blue Hens quarterback and member of their 2003 national championship team, Carty guided Delaware through its FBS transition in 2025, finishing 7–6 with a victory in the 68 Ventures Bowl. He previously spent four seasons as the offensive coordinator at Sam Houston, helping the Bearkats win the 2020 FCS national championship, and 11 seasons at New Hampshire.

STREAKS, STORYLINES, SIDEBARS

- Saturday's 11:30 a.m. ET kickoff will be the second-earliest in Coastal Carolina history and the earliest regular-season and road kickoff in program history. The only earlier start came against UTSA in the 2024 Myrtle Beach Bowl, which kicked off at 11 a.m. ET and was officially classified as a neutral-site contest.
- Fordham and Delaware are consecutive first-time opponents for Coastal Carolina. The Chanticleers defeated Fordham, 45–7, in the first meeting between the programs and will make their first trip to Newark to face Delaware on Saturday.
- Coastal enters Saturday following its first victory under head coach Ryan Beard. The Chanticleers scored the final 38 points against Fordham, accumulated 460 yards of total offense and forced four turnovers while holding the Rams to 215 yards.
- Coastal has produced at least 425 yards of total offense in each of its first two games, recording 425 at West Virginia and 460 against Fordham. The Chanticleers reached that mark only twice in 13 games last season, doing so in consecutive contests against Georgia State and Georgia Southern.
- Coastal Carolina is in its 24th season of football and enters Saturday with an all-time record of 179–104 (.633). The Chanticleers launched their program in 2003, began their transition to the FBS level in 2016 and joined the Sun Belt Conference in 2017.
- The trip to Delaware will be Coastal's second road game through the first three weeks of the season. Following Saturday's contest, the Chanticleers will face a short turnaround before hosting Liberty on Thursday, Sept. 24, giving Coastal four games over the season's first 20 days.

- The partnership features live game coverage of football, men's and women's basketball and baseball with more than 100 broadcasts planned for the 2026-27 campaign.

BE A MAN (BAM)

- What is BAM? It's about standing on your own two feet and learning to take responsibility for yourself. We expect everyone associated with our program — players, coaches, and support staff — to live up to that responsibility. We have to follow laws, university rules, and NCAA regulations and take our one standard — BAM — very seriously.
- BAM has nothing to do with gender. It has everything to do with being a great leader. A great leader has respect for others and cares about other people in his or her charge. Everybody on our team is somebody's son or brother, and there is a responsibility associated with that.
- Our mission at Coastal Carolina is that we're going to put a team on the field that anyone associated with Coastal is going to be proud of. While winning is an important part of that, it also means that you never, ever, ever take a play off. You always give 100 percent of everything you have. This is not just football. We expect that in every endeavor our players undertake.

WINNING THE THIRD QUARTER

- Coastal has not allowed a third-quarter point this season, outscoring West Virginia and Fordham 17-0 during the period.

A RECORD-SETTING DEBUT

- Bailey's 373 passing yards at West Virginia tied Grayson McCall's performance against Appalachian State in 2023 for the most by a Chanticleer during Coastal Carolina's FBS era.
- The two performances are tied for fourth on the program's single-game passing list.

WHAT IS A CHANTICLEER?

- A Chanticleer (SHAWN-tuh-clear) gives Coastal Carolina one of the most unique nicknames in all of sports. Chanticleer comes from Chaucer's Canterbury Tales and came to the University when it was a member of the USC system. A Chanticleer is a rooster who rules the barnyard with cunning and wit. His competitiveness never wanes as he battles to the end, using his brains to come out on top every time.

A NEW TRADITION

- Coastal Carolina will introduce a new weekly tradition this fall with a Tuesday night pep rally and the Ryan Beard Radio Show outside Chanti's Pizza in downtown Conway.
- The pep rally will take place from 5:30-7:30 p.m., with the radio show airing live from 6-7 p.m. on Gator 107.9 FM, iHeartRadio and the Chanticleer Athletics mobile app.
- Hosted by Joe Catenacci, the weekly event will bring Teal Nation together for food and football while featuring Coach Beard, special guests and appearances from members of the Coastal Carolina community.

SBC FOOTBALL— 365

- SBC Football 365 — the Sun Belt's around-the-clock source for all things football will promote the conference's 14 football programs year-round through video and written content.
- The SBC Football 365 page on SunBeltSports.org includes a 24/7 video player, alongside stadium tours, condensed games, and gameday central resources like game notes and where to watch links.

NEW ERA, NEW FACES

- Coastal Carolina enters the 2026 season with one of the most reshaped rosters in program history. Of the 104 players on the Chanticleers' roster, 65 are newcomers and 39 return from last season's team.
- The newcomers account for nearly 63 percent of the roster and include a combination of transfers, junior college additions and true freshmen assembled during Ryan Beard's first recruiting cycle.

FROM THE OZARKS TO THE BEACH

- Although much of Coastal Carolina's roster will be new, several Chanticleers already have experience playing under Ryan Beard and members of his staff.
- Coastal's current roster features 12 players who previously played at Missouri State: Deuce Bailey, Dezmond Barnes, Tristian Gardner, Ryan Grayson, Jackson Kohl, Cristian Loaiza, Ahmad Poole, Donald Quist, Braxton Starnes, Mitchell Toney, Mitch Weisenborn and DJ Wesolak.

ALL STARTS UP FRONT

- Coastal's 16 offensive linemen enter the season with an average weight of 320 pounds.
- Seven OL return from last year's roster, while the Chanticleers added veteran transfers Cristian Loaiza, Daughtry Richardson, Mason Barton and Apisa Poumele. The four transfers bring extensive collegiate experience from Missouri State, Florida Atlantic, Jackson State and Central Michigan.

A FAMILIAR STAFF

- Ryan Beard brought several familiar faces with him to Conway while assembling his first Coastal Carolina staff, including his brothers-in-law, offensive coordinator Nick Petrino and defensive coordinator L.D. Scott.
- Petrino, Scott, special teams coordinator Nelson Fishback and inside linebackers coach Connor Benado all previously worked with Beard at Missouri State.
- That familiarity extends beyond Coastal's on-field coaching staff. Director of Football Performance Dr. Jackson Morris, Chief of Staff Max Franey and several additional members of the Chanticleers' support staff also spent time at Missouri State before making their way to Conway.

WORLDWIDE SPECIALISTS

- Coastal Carolina's special teams room will have an international flavor in 2026, with specialists from Spain, Brazil, Austria and Australia represented on the roster.
- Kickers Nico Cavanillas Altı, a native of Madrid, Spain; Daniel Porto, from Recife, Brazil; and Leo Liptak, from Graz, Austria, are joined by Australian punter Roland Podesta.
- Cavanillas Altı was a perfect 51-for-51 on extra points for South Carolina State last season and connected on a 48-yard overtime field goal in the Celebration Bowl. The international group joins punter Andrew Ginsberg and long snappers Mitch Weisenborn and Gavin Carrick in a revamped specialist room.

PRESEASON PRAISE

- Three Chanticleers were named to the Sun Belt's official preseason all-conference teams. Ja'Marion Wayne earned first-team honors, while Tray Brown and Myles Woods were selected to the second team.
- Coastal also had nine players recognized by Phil Steele, six by Athlon Sports and seven by Pro Football Network. Se'Von McDowell headlined the Phil Steele and Athlon selections with second-team honors, while Woods earned first-team recognition from Pro Football Network.

BROOKS STADIUM

- Brooks Stadium opened on Sept. 6, 2003, for the inaugural home game of the Chanticleer football program. Scoring a touchdown with just seconds left on the clock, the Chanticleers defeated Newberry College 21-14.
- With a gift from the late businessman Bob Brooks, the stadium was named in honor of Brooks' children Coby Garrett and Boni Belle.
- Brooks, who grew up on a farm in Loris, S.C., was the CEO and founder of Eastern Foods, Inc., creators of the Naturally Fresh line of products, and chairman of Hooters of America, Inc.
- Brooks Stadium was designed and built with the capability to expand from its inception. That original design came to fruition as Coastal embarked on another two-phase expansion in the spring of 2017 that brought the capacity to approximately 20,000.
- The first phase boosted the seating capacity to 15,000 and included adding seats to both corners of the end zone nearest the field house, expanding the sections closest to the field on both sides toward the scoreboard, and expanded the upper deck on the east side.
- The infamous Surf Turf was added in the Spring of 2015 marking the transition from natural grass to artificial teal turf.
- Prior to the 2019 season, a second level and premium suites were completed on the west side to increase the capacity to 20,000. The cost of the two-phase project was \$31.8 million.

RYAN BEARD

FIRST SEASON — WESTERN KENTUCKY '12

Ryan Beard, the fifth football head coach in Coastal Carolina program history, joined the Chanticleers in December 2025. He arrived in Conway after a rapid and highly successful rise through the collegiate coaching ranks, most recently serving as head coach at Missouri State University, where he earned national recognition as one of college football's top young defensive minds.

Beard became Missouri State's head coach in December 2022 at just 33 years old, becoming the youngest head coach in school history. Over the next three seasons, he led one of the most significant transformations in the program's modern era, guiding the Bears from an FCS playoff contender to a competitive FBS program in its inaugural season at the highest level of college football.

In 2025, Missouri State completed its transition to the FBS and Conference USA under Beard's leadership. The Bears posted a winning record in their first FBS season and earned the program's first bowl appearance, marking a milestone moment in school history. Beard's team was built on a strong defensive foundation, with Missouri State ranking among Conference USA leaders in total defense and rushing defense while consistently limiting opponent production.

Beard's defensive pedigree was evident throughout his tenure. Prior to becoming head coach, he served as Missouri State's defensive coordinator from 2020-22, overseeing a dramatic turnaround that returned the Bears to national relevance. His defenses ranked among the national leaders in sacks, tackles for loss, and takeaways, and helped guide Missouri State to back-to-back FCS playoff appearances for the first time in more than three decades.

During the 2024 season, Beard's Bears finished with a winning record and earned a national ranking at the FCS level, with the defense leading the Missouri Valley Football Conference in sacks per game and ranking among the nation's leaders in turnover margin. Multiple players earned all-conference and All-America recognition under his direction.

Before his time at Missouri State, Beard coached at several prominent programs, including Louisville (2017-18), Central Michigan (2019), and Western Kentucky (2016). His experience spans multiple conferences and levels of competition, including the ACC, MAC, and Conference USA, providing a strong foundation in recruiting, player development, and scheme implementation.

A native of Bowling Green, Kentucky, Beard played collegiately at Western Kentucky University, where he was a multi-year contributor in the secondary during the program's transition to the FBS. He earned All-Sun Belt Conference honors during his playing career and was recognized with Western Kentucky's Iron Man Award for toughness and durability.

Beard holds both a bachelor's degree and a master's degree from Western Kentucky. He and his wife, Katie, are the parents of four children: Beau, Lainey, and twins Jacob and Kailey.
